Symbolic of the role the Red Cross is again playing the 1943 Red Cross War Fund poster depicts the organization as a mother ministering to the needs of the men of the United States armed forces and the victims of war throughout the world. The poster is an appeal to all men and women for contributions to the War Fund. Lawrence Gilliam, noted illustrator, designed the poster. Helen Mueller is the model.

## Novi Red Cross Quota Topped

### Township Workers Push Local Effort $100.00 Over Quota in Three Days

Last week Novi township people went to work with a vim and set a pretty fast pace for the Red Cross solicitors for many a mile hereabout. The organization meeting was held Sunday under the guidance of George Simmons, and the folks went to work right away and now Novi's quota has been more than raised.

Just think of it. Wednesday evening the township was $100.00 over its quota of $1681.00.

The captains of the drive were: John Wedowski, Russell Woodworth, Anthony Baney, Glenn Salow, L. J. Putnam, Stanley Proctor, Arthur Miller and Phillip Anderson.

These captains appointed their own groups of canvassers who have already gotten on the job and are giving their time to go from house to house to give everyone a chance to make his annual subscription to the Red Cross.

## Ag. Agent Offers Food Supply Clinic

County Agricultural Agent E. I. Besemer has scheduled a discussion on the production of a family's food supply by means of carefully planned production of garden crops for Mar. 17 at the Plymouth Town Hall at 1:30 E.W.T. This program is one of four identical ones to be presented in different parts of Wayne County, will be headed by a Michigan State College specialist. The meetings are scheduled by the extension service of the college through the county agricultural agent.

## Plan Rural Scrap Drive For April

Plans for a state-wide rural scrap collection drive in April were launched at a meeting in Lansing March 9 of farm leaders, farm implement dealers, salvage officials and others, it was announced by Kenneth M. Burns, chairman, State Salvage Committee, Michigan Council of Defense.

With the heavier farm scrap to receive emphasis this spring, collection dates have been established in most of the Lower Peninsula counties for the week of April 4 to 10. These dates were determined by the USDA State War Board, and were selected for the convenience of farmers as they come just prior to the start of the spring planting season.

"Emphasis will be placed this spring on the heavier melting scrap available only from farms," Mr. Burns said. "At the moment there is a sufficiency of light household scrap. Michigan has been assigned a scrap quota of 45,000 net tons for the period of January 1 to June 30 and it has been decided to assign each county a quota of 500 pounds per farm."

## Final Hearing on Ordinance Tues.

### Villagers Invited to Voice Approvals and Objections at Open Meeting of Commission

The final public hearing on the proposed Zoning Ordinance for Northville will be held Tuesday evening, Mar 16 at the Village Hall. The meeting of the City Council is called for 8 p.m. The purpose of the meeting is to explain the proposed ordinance, copies of which have been available to the public since the completion of the work by the Village Planning Commission.

This Planning Commission which was appointed by the Village Commissioners held its first meeting Dec. 4, 1941. Members of the commission are Merrill Sweet, chairman; Mrs. Doris Terbush, secretary; Walter Cone, Harold Church, Mrs. L. M. Eaton, Mrs. Charles Murphy, Edmund Yerkes, Orlando Green and Forrest Doren.

The first public hearing of the proposed ordinance was in September 1942 At that time the City Council turned it back to the Planning Commission for revision in compliance with suggestions from property owners here.

The public will again have an opportunity to voice its opinions for and against at the Mar. 16 public meeting.

## Union Elects Officers for Year

### Forrest L. Doren Re-elected President of Local No. 896. Work of Year Summarized

Local 896 representing the 350 employees of the Northville Ford plant held their annual election last Friday, Mar 5. The following were elected to serve for the coming year: Forrest L. Doren, president; Charles H Wilson, vice-president; Charles Ring Jr. recording secretary; Frank Wood, financial secretary; James Gendron, guide; Grover Peters, Ambrose Fritz and William Wittrock trustees; Fred Strauss, sergeant at arms.

Following is a resume of Local 896's achievements during the past year as reported by Forrest Doren, who was reelected to the presidency for the coming year:

Bonds to the amount of $1200.00 were purchased with money from the Local's treasury. The local received a Bull's Eye flag for its 100 per cent participation in a payroll deduction purchase of bonds. The average payroll deduction is 13 per cent. The flag was presented on Dec. 7, 1942 and just to make it a doubly eventful day the men purchased 150 bonds through the Post Office at Northville

More than $2000.00 has been sent to the service or their dependents. The sum of $600 was spent for Christmas boxes which were sent to every service man from Northville. The many letters expressing genuine appreciation for the boxes are an incentive for the Local to do even better this year.

President Doren says, "These figures should be the answer to the old, old question, 'what does a union do with its money?'"

Orient Chapter O. E. S. is forming plans for a family night, Mar. 26. Dinner will be at 6:30 at 50c per plate. All members are urged to bring out their family. Entertainment will be provided for those who are not members, following the dinner. Make your reservations with Mrs. Nell Hannaford not later than Mar. 22.

## Local Woman Fatally Injured

### Mrs. Rolland Morris Crushed Against Telephone Post When Car Skids At Phoenix Plant

Mrs. Rolland Morris, the former Katherine Ford daughter of Mr. and Mrs. William Ford, [illegible] whom she resided at the family residence, 141 Grace St., was fatally injured in an automobile accident on the driveway of the Phoenix Ford Plant Thursday morning at 6.45

Mrs Morris had alighted from the car in which her father had driven her to the plant and was about to enter the building when the car skidded on the icy driveway and pinned her against a telephone post. Mrs Morris died en route to the Sessions Hospital.

News of the tragic accident has been cabled to Rolland Morris, who is on duty in Hawaii.

Funeral services will be held in the First Baptist Church Sunday, Mar 14, at 3 pm

## Exchange to Help in Local Victory Garden Projects

At the regular meeting of the Exchange Club Wednesday a resolution was passed that permission be requested of the O. C. D. for the club to help up and coordinate the Victory Garden campaign here

Announcement of simplified rationing requirements under the new point system has added impetus to an already almost universal desire to have a victory garden this year. Throughout the community many people are canvassing the vacant lots available, perusing seed catalogs and replanning and planning.

Several organizations are feeling the urge of the hour and are considering organized methods of assisting this, utilizing them, and cooperative working of the garden.

Recently Northville Local of the UAW-CIO and the OCD gave already expressed desires to handle the projects in a cooperative way and make it easier for others to join in the projects in this vicinity

Victor Buttermore, who went to Camp Custer several weeks ago, has been transferred to Camp Claiborne, La.

Just a line tonight before I hit the sac. (The sac is the Marine term for bunk.) I want to suggest a slight addition to my address.

As it is now, my Record is held up about a week getting to me.

I'd like to ask the people in the east, why they always wanted to come west. Frisco is all dimmed out. The sunlight falls in rain drops and the fogs are positively disgraceful. But there is one thing I can say for the west coast, they have some awfully nice U. S. O's here.

Maybe the citizens of Northville would be amused to know that the folks around here do not think much of the Marine Corps. It all started many months ago when the Marines decided to take over the surrounding towns. Well as usual they accomplished what they set

## Northville's Yesterdays

**25 YEARS AGO**

The first remodeling loan reported in Northville under the newly amended Federal Housing Act was made for a client of the Nowels Lumber and Coal Co., according to Harold Church, manager.

Twenty-seven young Northville girls organized themselves into the Junior Circle of the King's Daughters with Mrs. E. B. Cavell as leader and Mrs. H. R. Richardson, as assistant. Their officers were Doris Hubbard, leader; Dorothy Congo, vice-leader; Jane Ely, secretary; Betty Barry, treasurer.

**10 YEARS AGO**

A. C. Balden closed the Palace Meat Market which he had owned and operated for thirty-three years. He and Mrs. L. B. Charter enjoyed a trip to Florida where they occupied the cottage of Rev. Wm. Richards at Scottsmoor.

**25 YEARS AGO**

Northville was alight in the fringe of the Ohio tornado with great damage to telephone and power wires. The village was with out lights for an evening; the movie was closed and the flags off on the city hall was broken off and the flag thrown to the ground.

Mrs. W. A. Parmenter served a chicken pie dinner to a group of Genevieve's friends in celebration of her fifteenth birthday.

Betty Greer, daughter of Mr. and Mrs. Howard Greer, celebrated her twelfth birthday by taking her birthday cake and refreshments to Bates school for the pleasure of her schoolmates.

Alexander Samslow completed a 50x23 foot addition to his greenhouse.

The Royal Neighbors will hold a social meeting Monday evening, Mar. 15 at the E. Warner residence. Members are privileged to bring guests to this meeting.

## Michigan Mirror

Non-Partisan News Letter

What's wrong with the Michigan liquor control system?

The answer is not new. It's at least 75 years old—perhaps 7,500 years old.

And here it is: Lack of law enforcement, backed by public opinion.

But before you grab your telephone and start calling for your local legislator at Lansing to do something about it—no doubt, getting the legislature to enact another law for officers not to enforce—better adjust your specks and look at your own front yard.

The soluton is so simple, it's difficult to make the public believe that it is true.

If taverns are flouting the law and some of the dance halls and nighteries are "cesspools of vice" initial responsibility for these local conditions rest with your local township board and county sheriff (if the tavern is outside the town) or with the city council and local chief of police (if the tavern is inside the town).

The State of Michigan has a responsibility, of course. It is an important one.

But the first responsibility has been placed by the Legislature in its liquor control act upon the home government.

Do you know that the Michigan Liquor Control commission MUST revoke a license of a by-the-glass establishment if any local government unit—township board, village board, town council—makes a request for such action?

Do you know that all the by-the-[illegible] of their township, village or city boards before a license will be issued by the State?

[illegible] local governments [illegible] for [illegible] permits must have the approval of the chief of police if the establishment is within the municipality, or the sheriff if it is outside the town?

The fact that 85 per cent of all license fees are RETURNED to home communities for enforcement of liquor control laws is another point that the Legislature intended local governments to police local conditions.

As we see in the situation, this [illegible] of responsibility [illegible] does not [illegible] the State of Michigan [illegible] the [illegible] of the public [illegible] and if the home [illegible] are NOT performing [illegible] [illegible] the [illegible] of a report [illegible] Murray D. Van Wagoner [illegible] improvements in [illegible] The report was [illegible] by Fuller, Judge [illegible] and Harry Riedel [illegible] Keys. The [illegible] are [illegible] of Judge [illegible] dealt with [illegible] conditions.

The first recommendation of the [illegible] would be to give [illegible] commission a discretionary [illegible] to return not more than 50 per [illegible] license fee money [illegible] locality IF the home government failed to enforce the state [illegible] in its own jurisdiction. The [illegible] commission would use this [illegible] to maintain its own law enforcement agency.

The soundness of this suggestion [illegible] is this: Lack of enforcement is more prevalent in unincorporated areas—that is, townships. And if you want the law enforced in a township, to whom do you appeal for action? Many townships have no peace officers despite the fact that they do get 85 per cent of the licensing fees. Yes, the records show such to be the fact.

Then who should enforce the law in townships? The county sheriff could be held strictly accountable if he received some of the license fees and thus could afford men to assist him in policing township conditions. However, the more outspoken sheriffs admit privately that just as they seldom issue traffic violations because to do so would be "politically suicidal" so they might not be too zealous in enforcing liquor laws. Public opinion is the deciding factor: counties with liberal feelings toward the use of liquor are not going to elect (or re-elect) crusading reformers in the office of county sheriff.

* * *

Some philosopher at the cracker barrel once remarked that the people get usually what they deserve.

If you have "bad" government, then it's probably more YOUR fault than someone at Lansing or Washington.

The state liquor control commission has completed a survey of two-thirds of the counties in Michigan, studying this matter of law enforcement and complaints of violations invariably where local officials are on their toes, the state gets no complaints. For instance, Lapeer, Hillsdale, Barry and other dry counties just don't stand for bad conditions. There is little for the state to do.

However, a leading city in the Thumb offers an example in reverse. City police have instructions from the city commission to stay out of licensed places. Result: Tavern conditions are the worst in Michigan! State inspectors can only revoke a license when they can obtain evidence. The city council or commission could revoke the license merely by adopting a resolution. The state must revoke a license when the home government requests such action.

* * *

Under present laws in Michigan, any community can have exactly the sort of conditions it wants.

That is democracy at the grass-roots. Is it a desirable policy?

Next week we will continue this discussion. In the meantime, why don't you write a letter giving your views and mail it to your local news paper. Upon request, the editor will withhold your name from publication providing you can give it to him along with your address. This is YOUR problem, even though it is 7,500 years old.

"I'm going to shock you!"

"Because I'm going to hit right from the shoulder, starting now.

"Out there, our boys are fighting, and they're falling. Not one or two at a time, picked off by a nice clean bullet. But fifty at a time in the roaring, flaming hell of a shell burst.

"Out there, they aren't walking around in clean white uniforms on neat decks. They're running and slipping around on the bloody heaving flanks of a carrier foundering in a sea of oil with her guts torn out.

"They're not lying in cool, immaculate hospital beds with pretty nurses to hold their hands. They're flat on their backs on cold steel taking a smoke and waiting for a doctor to get through with the *seriously* wounded.

"Out there, they're fighting and they're falling but they're winning! And get this straight—they're not complaining. But I want you to know what they're up against. I want you to know they look to you to give them in *your* way the same full measure of help and devotion they get unasked from their own shipmates.

"And you *can* help them—by giving generously to the Red Cross.

"If you had seen the faces of men pulled naked from the sea as they received kit bags and cigarettes handed out on the spot by Red Cross Field Directors—you'd know what I mean!"

On every front the Red Cross presses forward. Each day, the need increases for your support.

Your Chapter is raising its Second War Fund in March. Give more this year—give double if you can.

THE RECORD SINCE PEARL HARBOR

**For the Armed Forces**—More than one million and a half service men have received, through the Field Staff, practical help in personal problems. The Red Cross is with them in training and at the front. For morale and recreation, over one hundred Red Cross Clubs have been established for overseas troops. There are more than five thousand workers in the field.

**Civilian Relief**—About sixty million dollars in war relief has been administered in every allied country. Food, clothing, medicinal supplies have gone to Great Britain, Russia, China, Africa for Polish and Greek refugees, and many others.

Thousands of packages to prisoners of war have been safely delivered through cooperation with the International Red Cross in Switzerland.

**The Home Front**—Training our people to meet the needs of war. Millions of First Aid Courses. Hundreds of thousands trained in Home Nursing and Nutrition Courses. Thousands enlisted as Nurses' Aides and in Motor and Canteen and Staff Assistant Corps.

More than one million and a half blood donations through Red Cross collection centers and the distribution of the life saving Plasma wherever needed.

Chapter Production rooms from coast-to-coast providing surgical dressings for the wounded, kit bags for the fighters and tons of clothing for relief.

The Red Cross record in this war is one that we Americans may well be proud of—and support.

The entire expenses of this local American Red Cross campaign have been underwritten by a group of patriotic Detroit citizens. Thus, all contributions are applied directly and entirely to the work of the Red Cross.

*around things available!*

A SHARP KNIFE cuts through a hind quarter of beef. On one side are the "fancy" rib roasts and tenderloin steaks, on the other the short ribs and flank steaks.

*There is no difference in nutrient values on either side of the cut.* On both sides of the knife, the meat is rich in proteins, minerals, vitamins—iron, phosphorus, thiamine, niacin. You don't have to buy expensive cuts of meat to secure these needed food values. These cheaper cuts actually *pay you dividends:* They are just as healthful, but they cost much less and you save money on your meat bill.

And remember: If you have an electric range or electric cooker in your kitchen, electric cooking makes even *cheaper cuts* of meat tender. Some of these cheaper cuts may not always be available. But, when you can buy them, they make appetizing and patriotic dishes: BEEF: Round Bone Chuck Roast—for pot roast with vegetables. Flank—bake and stuff, or use for Swiss Steak. Ox Joints—braise with vegetables. VEAL: Breast—bone and roll, or pocket and stuff for baking, or use for stew. LAMB: Shoulder—roast or pot roast. Breast—stuffed and baked, or use in stew. PORK: Spareribs, with sauerkraut. Pork Feet—cooked in water, baked or served with vegetables. Hocks—cooked in water with cabbage.

Poultry, fish and seafood (scallops, clams, oysters, shrimp, crab) are excellent for adding variety to your menus. Consult your cook book for dozens of ways of using them. The Detroit Edison Company.

# Two Lovely Church Weddings Marks Social Week Here

Margaret Elizabeth Tuck, daughter of Mr. and Mrs. Harold Decker Tuck of Dunlap st. and Lieut. Darrick B. Cline of Plymouth were united in marriage Wednesday, March 10, in an impressive service at the Presbyterian Church officiating Rev. Harold Fredsell, officiating. The service was read with a background of soft music, and the church parlor was filled with lovely arrangements of spring flowers in pastel shades.

The bride wore a soft wool dress taken suit in a rich gold tone with brown accessories and wore a white corsage. Her only attendant was her sister Joan, looking smart in a suit of powder blue and yellow with a powder blue hat and her corsage an arrangement of yellow flowers. Mrs. Tuck wore powder blue and a pink corsage. The bridegroom's mother wore a black afternoon gown and her corsage was also pink.

Lieut. Cline asked Kenneth Jewell of Plymouth to attend him as best man and John Urban and William Fehlig, also of Plymouth, to serve as ushers.

There were about forty members of the family and close friends who witnessed the ceremony and about a hundred more who attended the reception which followed the ceremony. Assisting at the reception were Mrs. James Allor, and Mrs. Clifford Cline, Plymouth; Miss Virginia Ellison, Holland; and Mrs. Melvin Taylor, Holly.

The former Miss Tuck graduated from Plymouth High School in 1938 and from Michigan State Normal in '39. She has been teaching in Walled Lake for the past four years. Lieut. Cline graduated from Plymouth High School the same year and studied at the University of Michigan and State Normal. He received his commission Mar. 6 at Camp Howze, Tex., where he will report for duty Mar. 19.

A lovely service at the Methodist Church Friday evening, Mar. 5, united in marriage Wanitta Miller, daughter of Mr. and Mrs. Walter E. Miller, of 42770 First st., and Donald Waterman, son of Mr. and Mrs. Charles Waterman of Franklin rd. The service was read by Rev. Leslie Williams before a bank of palms, flanked on either side by a tall basket of white gladiola, snapdragons and tulips, centered by a rare type of white calla lily. The scene was lighted by a profusion of candles in tall candelabra.

Mrs Barton Connors presided at the organ and Mrs. Thomas Campbell, soloist, sang "I Love You Truly" while the large group of guests waited for the appearance of the bridal party.

[illegible] the arm of her father. She looked very lovely in a long, full skirted gown of white organza, buttoned down the back with white satin covered buttons matching the satin slip. She wore a long veil and carried a bouquet of white sweet peas and carnations tied with long white ribbon streamers, to which white sweet peas were attached.

The maid of honor, Miss Faith Liebetrau, wore orchid marquisette and carried a bouquet of yellow roses and lavendar sweet peas. The two bridesmaids were Miss Blanche Miller, sister of the bride, and Mrs. Lynn Partridge, sister of the bridegroom. They were dressed in similar gowns of chiffon, Miss Miller in Nile green and carrying talisman roses and yellow sweet peas. Mrs. Partridge in blush pink carried a pink bouquet of roses and sweet peas.

Mr. Waterman was attended by his brother-in-law, Lynn Partridge of Plymouth as best man. Philip Miller of Detroit and Tony Kolozzlejczak of Plymouth seated the guests.

Mrs. Miller chose powder blue for her daughter's wedding and wore a corsage of orchid and yellow. Mrs. Waterman wore Navy blue and a corsage of yellow and white. They sat with other close members of the family of the bridal couple in the front center pews of the church which were set apart by bows of white satin holding bouquets of lilies of the valley.

After the ceremony the newly married couple received the good wishes of their friends at a reception in the church parlors.

The former Mrs. Miller graduated from Northville High School in 1939 and after attending Detroit Business Institute was employed in the office of the Michigan Bell Telephone company. Mr. Waterman graduated from Plymouth High School in 1939 and is employed by the Ford Motor Company. Mr. and Mrs. Waterman will make their home for the present at 17671 [illegible]

## Engagement Announced

Mr. and Mrs. Carl Rossow [illegible] of Grace Elizabeth to Clifford H. Sprague, son of Mr. and Mrs. [illegible] Sprague, Rosedale Gardens. Miss Grace graduated from Northville High School in 1942. Mr. Sprague is a member of the Army Air Corps. Mr. and Mrs. Rossow have been married [illegible]

## Officers Installed

Wednesday, Mar. 10 at the annual meeting of the Women's Union there was a luncheon meeting, at which the following officers were installed for the organization for the coming year: Mrs. Harold Tuck, president; Mrs. H. P. Wagenschutz, vice-president; Mrs. Ray Baker, recording secretary; Mrs. H. S. [illegible], corresponding secretary. Other appointments are Mrs. Ward [illegible] in charge of hospital sewing; Mrs. [illegible] Eaton, retiring president, secretary of literature; Mrs. C. E. Woodruff, secretary of stewardship.

## Family Church Nights

A series of "Family-Church Nights" will be held on each Wednesday evening during Lent at the Presbyterian Church. The special emphasis will be the Christian Family during a period of disorder. An informal service will be held in the church at 7:30 p.m. at which time Mr. Fredsell will speak on "Sources of Personal Strength" and the group will take part in the singing of the old hymns.

Each of the organizations of the church will be host on a different night, preparing a social program in the church house to be concluded with light refreshments. The Christian Endeavorers will be hosts [illegible] Dexter Davis pouring tea and conducting the evening entertainment at the first of the series Wednesday, Mar. 17.

## Mrs. Buell Honored At Garden Club

The Woman's National Farm and Garden Association met Monday afternoon at the home of Mrs. H. C. Buell. Mrs. William B. Walker, jr., and Mrs. Frank ZeBornick shared the hostess duties with Mrs. Buell. The program was an unusually interesting one. Mrs. David Dunlop of J. L. Hudson's showed several lovely arrangements of flowers and vegetables for table decorations. When this part of the program ended, Mrs. Joseph Denton, president, presented a wedding gift to Mrs. C. M. Buell on behalf of the club.

The three hostesses served a delightful tea to the members of the club and their guests. There were about fifty present at this meeting. The next meeting will be the Spring luncheon meeting, the date of which will be announced later.

## Triple Birthday

Mrs. A. Russell Clarke and daughter, Ruth Ann, Mrs. P. M. Atchison and son Rick, and Mrs. Robert K. Leary and daughter Kathie were invited to share David Dickey's birthday cake with him at his home on Eaton drive, Thursday, Mar. 11. This was David's second birthday. Sunday there will be a family celebration when he will have to share with his grandfather, T. E. Johnson of Flint, whose birthday is Mar. 10, and Mrs. Marvin Sloane of Seven Mile road whose birthday is Mar. 8. Also present will be his grandmother, Mrs. Johnson and his great grandfather, Rev. H. J. Johnson of Dearborn.

## Society Notes

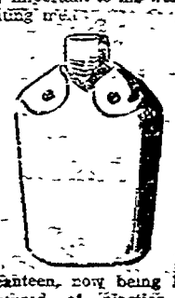
## What You Buy With WAR BONDS

One of the most essential articles of equipment for our soldiers is his canteen. In equatorial countries and in other warm climes they are particularly important to the welfare of our fighting men.



The canteen, now being largely manufactured of plastics, costs about 43 cents. The canvas cover . . . about 41 cents or 84 cents in all. Your purchases of War Bonds, or People's Bonds, will buy many of these for our men in the Solomons or in Africa where they are badly needed. Buy War Bonds every payday . . . at least ten percent of your income . . . through a Payroll Savings plan.

Vision is VITAL to Victory
So Sorry . . . Please!!
YES, We are sorry to disappoint so many of our good patients. Having to wait long periods for examinations - often driving many miles - using precious gasoline and time . . . only to be disappointed by waiting and having to leave without desired consultations and examinations.
BUT, honestly we cannot hurry in our work - we just won't. Your vision is too precious to play with, and only so many careful examinations can be given in a day or a given period. It makes us feel badly to see our reception room filled with people we just can't take care of pleasantly and correctly. . .
SO, to better serve you . . . to conserve your precious time, gas and disposition
MAY we ask that YOU MAKE APPOINTMENTS as far as possible.
We hope this will mean Better Service to You. We have no bargains in your eyesight.
BE THANKFUL YOU HAVE EYES TO WORK WITH!
Let's Try It for a While During These Busy Days . . . AND SEE!

Form 827—534—642
ONLY THREE SPACES TO FILL IN
1. Write your meter number in the space provided above the dials. You will find it on the meter face.
2. Show on the printed dials the position of the hands on your meter dials.
3. Sign your name and write below it your address and the date. That's all there is to it.
To help conserve the nation's stock of automobiles, tires and gasoline, we are reading household meters and some commercial meters every two months instead of monthly.
For the month when your meter is not read, your bill is a *payment on account*. It is based on your normal use of service, and it enables you to keep your expenses budgeted on a monthly basis. When your meter is read the following month, your bill covers your actual use of service for two months *less the amount you have paid on account*.
Most customers find this plan convenient and satisfactory. A few have asked the privilege of reading their own meters in the month when our meter reader does not call. That's perfectly agreeable. If you would prefer to read your own meter, drop in at the office and we'll gladly give you some postcards like the one pictured here. They are already stamped and addressed, and it's easy to fill them out.

USE LESS PAINT AND SAVE WITH—

Lowe Brothers HIGH STANDARD HOUSE PAINT

Lowe Brothers HIGH STANDARD HOUSE PAINT covers solidly more square feet of surface per gallon, wears longer and actually costs less to use than cheap paints. And here is why! Recognized laboratory tests show that many "cheap" paints contain as much as 63% of water and other evaporating liquids—and only 37% of protective film-forming solids. But Lowe Brothers HIGH STANDARD HOUSE PAINT contains 90% of surface protecting, film-forming solids. That's why it costs less to use—why it spreads evenly and saves time and money. ## School News

By ROSALIE DREW

The kindergarten had a surprise movie about "Little Black Sambo." They have learned a song and a poem about the pussy willows. Carol Jean Johnson brought some pussy willows. Nancy Leith has returned after having been ill. Janyth Kay VanAtta had a musical birthday cake that played "Happy Birthday." Sally Wagenschutz has bought 84 defense stamps. The children in kindergarten bought $20 worth of defense stamps.

Miss Hensch's third grade gave three plays last week. They were called "February," "A Kit of Tools" and "Young Lincoln." Kurt Ely, Marilyn Funk, Mary Lou Litsenberger, Linwood Miller, Charles Burgin and Jerry Freydl took part. The last three substituted for Charles Lapham, Dennis Curl and David Lee, who were ill. Miss Hensch's room entertained fifteen mothers and one father, Mr. Fred Freydl at a tea last Thursday. Mar. 4. Mr. Ackerman, Mr. Boree and Miss Knapp were also present.

Miss Keith's second grade room have learned a Dutch dance.

The Busy Workers elected Jane Hoch president, and Beverly Pitz secretary and treasurer, for March. Their Toy Store will sell toys to the pupils of the other rooms.

Miss Pence's room is having a pussycat tournament. Norbert Renk and Glenn Herrick are champions. Marguerite Hollenbeck from Flint has entered the second grade.

The children in Mrs. Wills' fourth grade are reading books about Switzerland. Some of the books were Mani, The Great Bay, Heidi, Anton and Trim and The Swiss Twins. Many fourth graders [illegible] gardens for the summer.

To the Highway Commissioner of the Township of Livonia, Wayne County, Michigan

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting of said Board held Tuesday, February 16, 1943, decide and determine that the certain section of road described in the minutes of said Board should be a County Road under the jurisdiction of said Board of County Road Commissioners. The minutes of said meeting fully describing said section of road are hereby made a part of this notice, and are as follows:

"Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Barlum Tower, Detroit Michigan, at 10:00 a.m., Tuesday, February 16, 1943.

Present: Commissioners O'Brien Breining and Wilson.

It was moved by Commissioner Wilson that the Board assume jurisdiction over the following section of road in the Township of Livonia

All of Deering Road being 0.489 miles in length and all of Puritan Avenue, being 0.094 miles in length, as dedicated to the use of the public in Strathcona Gardens, a subdivision of part of the southeast ¼ of Section 13, Town 1 South, Range 9 East, Livonia Township, Wayne County, Michigan, as recorded in Liber 69 of Plats, Page 31, Wayne County Records, being in all 0.583 miles of subdivision streets.

The motion was supported by Commissioner Breining and carried by the following vote: Ayes, Commissioners O'Brien, Breining and Wilson; Nays, None.

Whereupon it was ordered that the above described streets in the Township of Livonia be hereafter County roads under the jurisdiction of this Board."

This notice is given under and by virtue of Act No. 283 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit this 19th day of February, A.D., 1943.

Board of County Road Commissioners of the County of Wayne Michigan.

## Money Spent on Car REPAIRS Pays Big Dividends

More than ever before in history, it pays the car owner to keep his automobile in the best possible mechanical condition. Minor repairs made now save bigger expenses later on, and a possible storage of your car because of inability to get parts.

We are better equipped to make car repairs today than we have ever been, and all of our work is completely guaranteed. DON'T NEGLECT THE SMALL REPAIRS. But big or little, you will save money by letting us make your car repairs NOW. Keep Your Front Wheels Properly Aligned. Check You Brakes.

## NEWS from NOVI

By Mrs. Luther Rix

The following article appeared in the March issue of the Camp Fire Girls magazine: "And now for the latest story in Winnie Warbond's department — the Cheskchamay Camp Fire Girls in Novi, Michigan, sold $45 worth of war stamps at their Spell-down for Victory. They invited such organizations as church choirs, Sunday School classes, Red Cross sewing groups, air raid wardens, Boy Scouts and school groups to enter a contest. Each contestant was charged a fee of 25c. This entrance fee was used as prize money. There were 21 contestants in all and the winning organization won $5.00. The admission fee to the great event was a war stamp. The spell-down was such a success that the audience wanted to know when the next one would be held. A salute to the Cheskchamays."

The World Day of Prayer will be held in the Methodist Church at 2:30 this week Friday. Rev. Earl Cook will bring the message.

After attending church in a body the Cheskchamay Camp Fire Girls celebrated National Camp Fire Sunday by entertaining their fathers at a banquet. Freida Bidwell acted as toastmistress. Dorothy Hunt had charge of the candle lighting; Lillian Hanser lighted the candle of work and Lois Mitchell gave the response and word of appreciation to fathers in general. Florence Spirak lighted the candle of health; Joan Bidwell the candle of love and June Ann Holmes gave the response. Karen Larson lighted the birthday candles for the organization and one for the 31 girls of the Troop, and summarized the year's work. Betty Monger lighted the candle to the fathers and Mr. Devere Mitchell gave the toast to the daughters. Miss Edwina Pewter director of Pontiac Council of Camp Fire Girls, gave a talk on how fathers can help. Twenty-six fathers and daughters were present. The menu, color scheme of pink and green decoration and other arrangements were all made by the girls guided by their leader, Mrs. Thomas O'Dell.

Mr. and Mrs. Luther Rix were the dinner guests last Saturday evening of Mr. and Mrs. Carl K. Rix in Detroit.

Mr. and Mrs. George Atkinson will be hosts to the members of the 500 Club Saturday evening.

Mrs. Hugh Meeler is ill.

The Mission Band ladies of the Baptist Church will meet with Mrs. J. O. Munro on West Grand River next Thursday, for potluck lunch and monthly business meeting.

The W. S. C. S. will meet with Mrs. Frank Clark Thursday Mar. 18 for an Experience Tea. Each lady is to bring one dollar and tell how she has earned it.

The Mothers Club will give a card party in the school house Saturday evening, Mar. 13.

The Blue Star Mothers wish to thank all those who helped make their benefit party last Friday evening such a success. The club cleared over $30 on this party.

**NOVI SCHOOL**

Mrs. Hugh Babbitt recently held a surprise birthday party for Miss Beatrice Hawkins at which other members of the faculty were guests.

## Keeping In Step With Our Times

(Continued from front page)

Oakland County may contact their board at branch offices in South Lyon, Farmington and Walled Lake or at the main office in Pontiac.

Renewal requests for "B" or "C" gasoline coupons may be made by mail. Blanks may be obtained at the Record office. Fill in the application (making it consistent with your original application) tie your tire inspection sheet to the application and mail to Rationing Board, Plymouth Michigan. New coupons will be mailed to you. You need not surrender your present B or C book until requested to do so by the Board issuing the new book to you.

RATIONING

Relaxing rationing rules on new automobiles, OPA announced that after March 6 persons in gainful occupations or on war work whose old cars are no longer serviceable may buy: 1. A 1942 convertible of any price. 2. Any 1942 model costing more than $1,500. 3. A new 1941 car of any model and price. Holders of C card gasoline rations in the same work groups may buy 1942 cars costing less than $1,500.

OPA arranged with ODT for mailing third and fourth quarter transport rations to all commercial motor vehicle operators who hold single-unit Certificates of War Necessity. OPA also announced that the change in rationing rules of tires, tubes, and recapping material in U. S. territories and possessions which was scheduled for March 1 has been postponed, and that rationing will continue on the present basis.

Play shoes and some other types not generally used for street wear may be purchased without a ration coupon as long as stocks now in the hands of retailers, wholesalers and manufacturers last, but OPA Administrator Prentis Brown urges dealers not to sell more than one pair to a customer, and the public is asked to impose self-restraint and not buy shoes they do not need. Excluded from the rationing are current stocks of ski shoes, skate shoes, gym and tennis shoes, locker, sandal, bathing and burial slippers and five types of play shoes.

Here's a way to spread your point "spending" as evenly as possible over the full month of March so you won't run short toward the end of the month—divide March into four shopping periods—March 1 through March 8 (eight days); March 9 through 16 (eight days); March 17 through 23 (seven days); March 24 through 31 (eight days). If the 48-point-per-person allotment is used evenly over these periods, the rate of spending in each period by families of from two to eight persons works out in 12-point multiples. For two in the family, spend 24 points per shopping period; for three, 36 points; four, 48 and so on.

To aid consumers who may run out of ration stamps for processed foods before the first ration period expires, OPA has provided a 7-day overlapping period—the last week of March—during which time consumers may spend both their first period and their second period stamps. Stamps A, B, and C are valid for the first period and may be used from March 1 through March 31. Stamps for the second period may be used from March 25 through April 30. During the overlapping period March 25 through March 31 stamps for both March and April may be used. After March 31, however, stamps A, B, and C will not be valid.

Explaining the overlapping period, OPA pointed out that it will help consumers who have a few low value stamps left at the end of the ration period. These stamps, which might not be sufficient to buy any desired items, can be used with stamps of the second period for the purchase of an item of the rationed foods.

If you are smart you will: Use your first points to buy vegetables, because fresh vegetables are scarcer than fresh fruit. Use high value stamps before low value. Use the least number of stamps possible to make up the amount of a purchase. Make out a shopping list and add up points before you shop. Don't duplicate what you can buy fresh. Read labels about quantity, and quality.

Dried beans, peas and dry soups were suddenly rationed because the Russians asked for and obtained 5,000,000 of the United States' 28,000,000 bags of beans. Chiefly they will go to the Russian Army now driving back the Germans. Don't believe it if you are told rice is rationed. It isn't rationed. Other unrationed foods out of which to plan a dinner include: Candied fruits, cereals, chili con carne, fruit cake, fruit puddings, mince meat, bouillon cubes, milk, olives, potato salad, popcorn, nuts, fresh fruits, fresh vegetables, frozen fruits and vegetables in containers over 10 pounds, fruit and vegetable juices in containers over one gallon, jams, jellies, meat stews containing some vegetables, spaghetti and macaroni. Carrots are the only fresh vegetable slated to be plentiful in March. Freezes and manpower shortages have seriously cut down on green peas, snap beans, lima beans, eggplant, peppers and tomatoes from Florida. The Texas early cabbage crop is "somewhat light." There will be plenty of oranges, tangerines, grapefruit and apples.

Meat rationing is still five or six weeks off. By that time the ration may have to be reduced even below 35 ounces a week, due to the extensiveness of today's "black market."

The chief kick about point rationing to date has been that persons who laid away canned goods have had a general advantage over those who didn't. The Office of Price Administration still feels in the eight-point a can rule it was better than trying to inventory every housewife's cupboard.

Your Government is asking you to limit your purchase of unrationed play shoes to one pair. Chiefly, the shoes released from rationing are women's "nonessential" shoes which the OPA wants to get "off dealers' shelves and onto the feet of people who will make use of them, thus conserving valuable leather in their regular shoes."

Fixed mark ups which retailers will use to establish their maximum price on sales of eggs to the housewife have been set by OPA. The mark-up is figured over the retailer's costs. This action will lower prices this spring somewhat under those established by the temporary freeze of October, 1942.

On April 1, 1943, ceiling prices will be fixed on all retail sales of fresh and processed pork. The United States is divided into eleven zones, in each of which the pork prices will vary for different classes of retail stores. Prices in OPA maximum price regulation 336 take the place of all previous ceiling prices. On and after April 1, a retailer may sell only—1. Pork cuts given dollars and cents prices under OPA 336; and 2. Pork products whose prices are fixed under General Maximum Price Regulation, including—pork sausage, canned pork, pork variety meats or offal (including temple meat cutlets, brains, chitterlings, liver, plucks, kidneys, tongues, lips, snouts, ears, hearts, cheek and head meat, stomachs, weasand meat and heads), and quick frozen cuts which are delivered to the retailer in individual packages in which he sells them. Ceiling prices on pork must be posted in each store beginning April 1, and, upon request, the retailer must give a customer a receipt showing the date, name and address of retailer, name and weight of each pork cut sold, and the price paid for it.

Maximum prices on peanuts—from farm to consumer—have been established by OPA.

Grade labeling of the 1943 pack of canned fruits and vegetables will be required by the OPA. Price administrator, Prentis M. Brown, reiterated this announcement to set at rest rumors to the contrary that have been given wide circulation in the food industry.

NATIONAL EVENTS

Scrap collections of iron and steel during the last six months of 1942 were 95.7 per cent of the national quota of 17,000,000 tons. Total visible stocks of iron and steel scrap were 7,350,000 net tons at the end of the year, substantially in excess of the 7,000,000 net tons of stocks which was the objective set last summer.

For the last half of 1942, Vermont, with 162.9 per cent of quota, topped the list of states on shipments and supplier inventories; New Jersey with 135.8 per cent of quota, was the leading state in terms of actual shipments to consuming mills.

Since the beginning of the stocking salvage campaign three months ago, 12,339,349 pairs of silk and rayon stockings have been salvaged by the women of America for war use. In the third month period, which ended February 15, 253,969 pounds of hosiery were collected in stocking salvage depots of thousands of retail stores. This is an increase of 81.4 per cent over the first month's collection figures, bringing the total up to 626,127 pounds.

An emergency transportation act has been proposed by ODT to the 44 state legislatures in session to expedite war traffic. The bill would confer on a state governor 11 wide authority to take emergency action in regard to the following—(1) Staggered hours of employment to facilitate transportation to and from places of employment; (2) Maximum rates of speed for motor vehicles; (3) Sizes and weights of motor vehicles which may be permitted to use state highways; (4) Suspension of statutes or regulations requiring licenses or fees for the entry and operation of a motor vehicle licensed in another state; (5) Conservation of vital equipment, materials, and supplies—especially rubber.

Launchings over the week-end included the Aircraft Carrier Monterey and four destroyers from New Jersey yards.

Lifting the 35 mile-an-hour speed limit from trucks making emergency deliveries for the Army, Navy, Maritime Commission, and War Shipping Administration, has been ordered by the Office of Defense Transportation.

War worker housing units built during January totalled 12,000, and 200,000 were under construction when the month ended reports National Housing Administrator John B. Blandford, Jr.

William Green, A. F. of L. President has publicly opposed War Department plans for an 8,200,000-man Army, on the ground war production would suffer and morale be adversely affected.

Lend-Lease repayments in kind by Britain have reduced United States dollar expenditures for troops stationed in the British Isles to $5,000 a month, Administrator Stettinius told the Senate Foreign Relations Committee.

Disagreeing with Secretary of War Stimson, War Manpower Commissioner McNutt voiced opposition to compulsory labor draft legislation Committee.

Six thousand pounds of meat, which had not been examined or stamped by United States Government or local inspectors, were confiscated in New York's first "war ration food drill," Mayor LaGuardia announced.

The Union Stock Yard and Transit Company, operator of the Chicago Live Stock Market, announced it would conduct a fat stock show again this year and would add classes for 4-H Club members and Future Farmers of America.

Some form of a "League of the United Nations" is reportedly taking shape in political discussions of the highest importance beginning without fanfare in the Capital.

out to do but they lost a lot of admirers. Yet the girls just love to go out with a Marine. The other day I heard a swab jockey (sailor) talking about the Marines. He said the reason they bragged so much when they beat up on a Marine was because they realized that they had done something to brag about. Don't think we're conceited now, but personally, I think if we were we would have a good reason to be. Don't you?

I am an A.M. student (Air Mechanic) and going to school here at Keesler Field. Being lucky enough to get the graveyard shift, I have to go to school from 12 o'clock at night to 7 in the morning. It isn't too bad after a person gets used to it. If everything goes aright, I should be through about April 9. It will be swell to get through and get stationed somewhere so I can put in for a furlough for I sure would like to see Northville again.

As it is time for bed check I will have to close, so thanks again for sending me the Record.
