NORTHVILLE HIGH SCHOOL
NORTHVILLE MICHIGAN

It is June and we have completed the first year in our new building. The larger and better facilities offered, inspired the students and faculty to organize many new activities. In the same way, the Palladium Staff has organized the yearbook in a new way, by presenting to you an illustrated story of our first year. The index is for your convenience. Special thanks are extended to Storer-Spellman Studios and Bob Trombley for many fine photographs.

Mrs. Rollings and Miss Huff, members of the office staff, spent much of their day helping students.

This year, for the first time, we had a counseling program. Mrs. Bradford, one of our five counselors, assists a student.

One of Mr. Clark's duties was to launder the hundreds of towels used by students in our physical education programs.

We seldom see this room which is so vital to our comfort on those windy winter days. Mr. Renwick is one of our maintenance staff.

This year was our first venture in a full scale lunch program. Mrs. Knapp and her cafeteria staff quickly grew familiar with the many pieces of new kitchen equipment and did a good job of providing nourishing lunches for hundreds of students every day.

Preparation of the food was only part of the job. Here six of the lunch ladies serve two lunch lines.

Each day our spacious study hall doubled as a lunch room during fourth hour.

Teachers and other staff members ate in the new faculty room adjoining the cafeteria.

The book store has graduated from the basement to the first floor. It is now more convenient for the students and pleasant for the workers.

Mrs. Rollings explains the use of our modern public address system which carried the daily announcements.

One of the most welcome additions was our new shop—bigger, brighter and better equipped. It has dust control machinery and is conveniently located for the construction of stage scenery.

The story of this first year in our new building begins with one of the most important groups and usually the first to organize:
The Student Council.

McNeilly Brinson Peterson Hammond Ledford Proctor Schrader Bertoni
Hay Kohs Adas Steeper Juday Deal
Rumley Ware Junod Rowland Michielsen Seiffert
Gow Boyd Williams Tuck Juday Wilson
Hilton Wittenberg Dahl

To earn money for important projects, aldermen sold candy every afternoon in the new concession stand near the gym.

Our Student Council, the governing body at N.H.S., is composed of representatives from each home-room. They operated a refreshment stand after school and during home football and basketball games. They also held a successful March of Dimes drive, ending with an after game dance February 19th.

The Future Teachers' Club sponsored the first dance of the year.

F. T. A. is for students interested in learning more about teaching. During National Education Week the club members were very busy. They produced a broadcast, gave apples to the teachers and held a teachers tea. They also took over the classes for a day. They continued with their annual card sale.

Our first success of the year was our Varsity Football season.

The Pep Club girls worked hard each week painting pep signs to hang in the gym and presenting clever skits at the Friday afternoon pep meetings. They also sold orange and black pep jackets to be worn at basketball games.

MUSIC MAKERS

All 90 members of the band are excited about their new facilities. They now have new practice rooms and many additional instruments. In the opening weeks of school they presented a concert at the State Fair. The year's activities included football games, a Christmas Concert, and the State Band festival at Milford. N.H.S. was represented by 37 out of the 80 members of the All-League Band.

Our band plays for various formal affairs. Here they provide entertainment at our high school dedication in November.

As far as our records show, 1959 was our first season of cross country competition. The team trained hard for the up-hill-down-dale two-mile grind, and made good showings in their meets with Thurston, Plymouth, West Bloomfield, Milford, Clarkston, Walled Lake and Clarenceville. They also did a creditable job in the League Meet at Kensington Park. Since there were only two seniors on the squad, the 1960 season should begin with a nucleus of experienced runners.

The four top performers of the 1959 season took part in The Class B Regional Meet held at Farmington Country Club.

The N-Club began its first year in our new school
by drafting a new constitution.

DEDICATION PROGRAM: NOVEMBER 8, 1959

Guests stand for
National Anthem.

The major address was
given by the Grosse Pointe
Superintendent of Schools,
Dr. James Bushong.

Following the program,
the visitors toured the
building and enjoyed
refreshments.

A delicious tea was prepared by Mrs. Knapp and her cafeteria staff.

One of the most popular rooms of the tour was the biology lab. Here Mr. Rusche shows an interesting display of equipment to parents.

PREPARATIONS FOR "PAPA IS ALL"

The players learned their parts with the help of good direction.

Will the seniors ever forget their production of "Papa Is All," which told the story of a Pennsylvania Dutch family rebelling against a tyrannical father? For the first time the Senior Play was presented for three nights. The casts included: Mama—Janet Wilson, Shannon Jensen, Carol Krezel; State Trooper Brendle—Chuck Gross, Bill Scherkey, Doug DeJoh; Jake—Bob Pietras, Frank Bosak, Chuck Hix; Emma—Stephie Brown, Barb Kruger, Kathy Palmer; Mrs. Yoder—Jo Morse, Ann Downer, Carole Tabor; Papa—Grove Sandrock, Ray Dahl, Al Korn; the Surveyor—Al Wakenhut; Mrs. Duerschman—Pat Robertson, Carole Lemmon, Elise Wagenschutz.

Papa winds up.

Mama and papa gaining years in minutes.

After a long day in school, nothing is more fun than a three hour rehearsal.

THEN THE BIG NIGHT FINALLY CAME.

Papa wielded a wicked whip.

Steady, Aukamp!

That'll learn ya-.

The town gossip

When papa's away, Jake will play.

Basketball was one of the most popular GAL activities. Other fall and winter sports included; soccer, bowling and volleyball.

As a climax to the G.A.L. Volleyball season, the girls had a great game against the teachers. It was for all who played—and also for those that watched.

N.H.S. claimed the league bowling champ—Edith Witt.

The cagers' season was enjoyable though not statistically impressive.

**A high point for the commercial club
was their trip to the Detroit Business Institute in January.**

Each member of the Commercial Club was required to take at least one commercial course. The main purpose of the club was to bring together all persons interested in commercial work. In order to raise money for their Business Scholarship, they had a weekly candy sale and sponsored an aftergame dance.

The Nurses Club, a new one to our school, began their first year by holding a candy sale. Their profits were used to make gifts for the children at Maybury. They also helped supply the school clinic. On March 1, they invited an instructor and a student nurse to speak about nursing careers. The rest of the year was filled with trips to different hospitals.

Coach Shonta and team members presented an assembly program, explaining many interesting points about the positions, holds, and methods of scoring.

Probably the fastest growing sport in Michigan high schools, wrestling enjoyed great popularity in its first season here. With twelve weight classes, it offers fair competition for boys of all sizes.

One of the most popular items of new gym equipment was the trampoline. Under Mr. Wilkinson's direction the gymnasts provided half-time entertainment at several basketball games.

The Junior Class play "Love is Eternal," portrayed a new and fascinating Mary Todd Lincoln. It was the story of the well educated, high spirited Mary and her love for the crude backwoodsman, Abraham Lincoln. Their stormy courtship and marriage and the tense days at the White House during the Civil War made it a most dramatic and enjoyable production.

The Thesians are a group of students interested in dramatics. One must acquire ten points to be eligible for membership. These points are obtained through participation in several speech activities. They presented one of the one act plays.

One day in September of 1956 a group of freshmen began their high school career. Perhaps a brief history of their activities since that long ago day will serve as an introduction to the following pages of graduates.

Their first officers included Ray Dahl, President; Kris Krauter, Vice President; Carole Tabor, Secretary; David Nash, Treasurer. Under the guidance of Mr. Williams and Mr. Reimer, the freshmen surprised everyone by organizing many unusual activities. The energetic freshmen worked hard on several bake sales and a disc jockey dance featuring Jack Scott.

As sophomores they elected Kris Krauter, President; Bob Trombley, Vice President; Jay Wittenberg, Secretary; Bob Hilton, Treasurer. They continued their freshmen activities and

included a card and stationery sale.

In September all was excitement as the Juniors received their class rings. They again did the unusual by having the Four Freshmen at their J-Hop, "Blue World." Other activities included a magazine sale, Junior Play—"Unguided

Miss," and the Junior Senior banquet. The officers for the year were Ray Dahl, President; Carol Krezel, Vice President; Janet Wilson, Secretary; Nancy Beard, Treasurer.

Upon entering their senior year, they elected Dave Nash, President; Cris Hammond, Vice President; Janet Wilson, Secretary; Bill Juday, Treasurer. Their sponsors were Mr. Ausum and Mr. Mollema. N.H.S.'s first three night play, "Papa is All," was presented. Throughout the year the seniors were kept busy ordering pictures, announcements, name cards, and preparing for their trip. Still, they had time to present a wonderful Senior Prom, "Enchanted Isle," which featured Tommy Baldwin's Band.
