Board Continues Strategic Plan

The Board continued to implement the Strategic Plan approved in June 1989. One of the major focuses of the Plan was to review the structure and class offerings in the high school. A second major goal of the Plan was to bring additional technology such as video, data, and voice communications, additional computer labs, and computer aided design units to the high school. In addition, the Board worked with the community to pass an additional millage to replace money taken away by the State of Michigan. At the yearly Board meeting at Northville High School, the Board heard reports about student trips to Europe and Africa, and also met students receiving academic honors. The board also adopted a special resolution commending the football team for a special "dream season."

Administrators Keep N.H.S. Going

The administrative staff of Northville High School has helped it to become one of the top rated schools in the state. They are proud of the active student body that has helped get us where we are. This year N.H.S. was chosen by the North Central Committee as an exemplary school.

The Problem Solvers

The Northville High School support staff is the secret behind our school's success. Our three secretaries, Nan Oliver, Betty Colovas, and Mary Lillemoen, not only assist the administrators, but also handle the student crises that arise in the main office every day. Linda Murphy holds reign over the counseling office as its new secretary. All college and scholarship applications are handled by her. Our hall monitors, Linda Salvador and Lorie Boshoven, keep things running smoothly in between classes. The cafeteria workers prepare and distribute our lunches. Our janitorial staff is responsible for our clean halls and classrooms and the healthy environment of our cafeteria. Northville High School owes a lot to these hard-working and devoted people.

Mrs. Murphy deals effectively with any counseling office problem.

Support For Special Needs Students

N.H.S. provides a support program that helps students with special needs by offering individualized programs through the teachers and courses in the Special Education Department. This program modifies the student's curriculum to ensure educational growth so they will be able to accumulate enough credits to graduate. The Special Education Department also offers special activities such as the Special Olympics to promote physical competition for the mentally impaired.

Mrs. Borchert discusses a student with Mrs. Curl.

Prevention and Intervention

Mr. Stilec conducts a support group meeting.

The Student Assistance Program at Northville High School was implemented in November 1987. It is a school-based program which provides education, support, and awareness in order to intervene, identify, assess, and refer when necessary for students and families involved in or concerned about chemical use, abuse, and dependency. Students can be referred by families, staff, friends, or be self referred. Students are seen in groups such as Aftercare, Chemical Awareness, Relationships, and Fresh Start Stop Smoking.

Students benefit from this program and in most cases, it helps them take a hard look at their substance abuse problem, as well as the positives and negatives of relationships they are in.

"Project Pride Day"

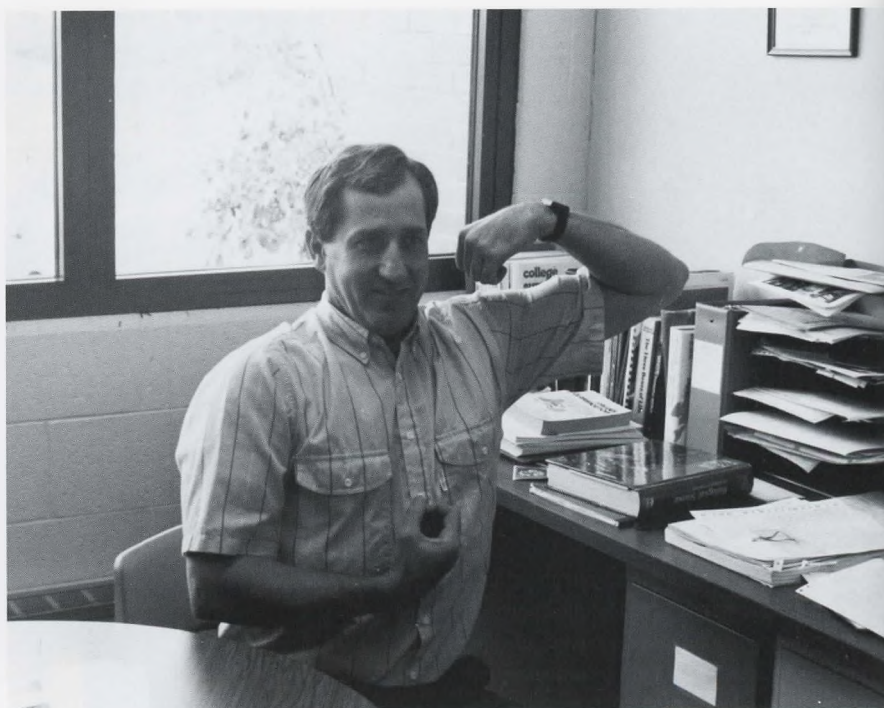

Last March, Northville High held its first "Project Pride Day" featuring speaker Laurie Stewart. Although the three hour assembly seemed to promise only boredom and lectures, it instead captivated the audience by including students in demonstrations and by telling anecdotes. Stewart spoke of a topic that all high school students are familiar with: self-esteem. She spoke about how much positive and negative criticism affects a person more than others realize. Phrases such as, "Criticism hurts. It hurts you, it hurts me. It injures our goals," made students realize that everyone has feelings. The assembly ended emotionally as students spoke to the school about thanking and apologizing to friends. Then everyone was allowed to seek out their friends for a hug, thank you, or apology. After the assembly, classes held discussions relating to self-esteem, and in the evening, parents were invited to listen to Stewart speak. Laurie Stewart taught students and parents not only about themselves, but also about others.

Ben Zumbrunnen enjoys a laugh with Laurie Stewart.

Help Is There For The Asking

As usual, the Northville High School counseling staff was ready and willing to help. Everyone was thankful for their help in creating schedules, supporting students, and advising solutions to problems. Any problems that anyone had was listened to and advised. The selection of colleges and careers was assisted by the counselors. The future of all N.H.S. students is optimistic with their continuing guidance.

Department Diversifies

Because of the large range of class offerings, the English department at Northville High School enables students to find several classes of interest. Since so many credits are needed for graduation, students do not find their choices limited. From "Individual Reading" and "Now Poetry" to "Humanities" and "Advanced Composition" all the skills and levels of difficulty are covered.

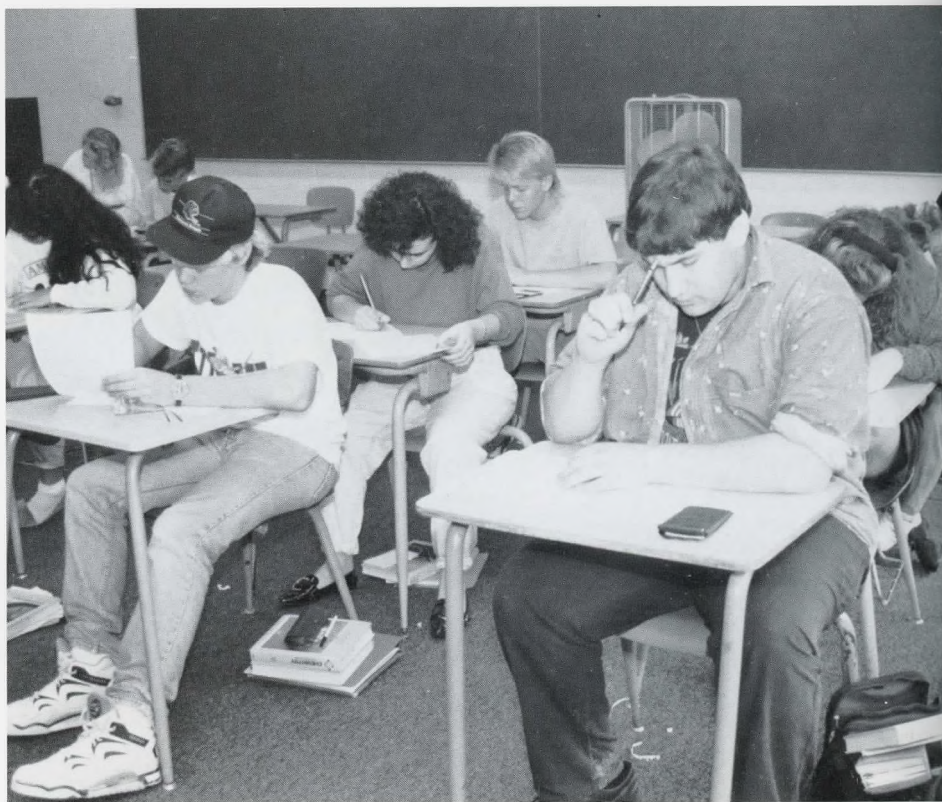

Ms. Sovereign checks the students' daily assignments.

Humanities' students get an art lesson via a filmstrip.

Math Offers A World of Opportunity

The Mathematics department has received new equipment to use in their variety of classes. For example, graphing calculators help students see the picture of the equation they are working on. Mr. Schumacher, the new chairperson of the Math department, has helped guide the department to help students prepare for the future.

Mr. Osborn takes attendance to see who is cutting class.

Ms. Pisani, a new math teacher at N.H.S., begins to instruct a new lesson.

Science Spells Success

The Science Department at Northville High School continues to keep students up to date with modern equipment and interesting teaching techniques. With the four basic science classes — Earth Science, Biology, Chemistry, and Physics, students learn about the major areas of these sciences. For those students with a greater interest in the sciences, classes like Advanced Biology, Conservation, Opposing Viewpoints in Science, and Michigan Natural Resources are offered. The Science Department welcomes Ms. Sandra Vala as a new chemistry teacher and Science Olympics sponsor.

Mike Spies and Stephanie Allenspach perform an exciting experiment in Chemistry.

Ms. Vala, a new chemistry teacher, lectures to her attentive class.

Habla Ud Español? Sprechen Sie Deutsch? Parlez-vous Français?

The Foreign Language department is proud to say that yes, their students can speak Spanish, German or French and sometimes more than one. Students not only learned grammar, but also experienced the culture of the language. German students took an active part in the German Club. Spanish students had fiestas with Spanish and Mexican food. French students also learned about French Christmas traditions. With the help of all the language teachers, students have added a little more to their high school experience.

Watch Out Europe, Here Comes NHS!

During the summer of 1990, sixty-four Northville High students ventured off to Europe for three fulfilled weeks. The group, consisting of freshmen, sophomores, juniors, and seniors, traveled across Europe from England to France, down to Spain, into Switzerland, and finished the trip in Germany. The students toured the historic cities of London, Paris, Barcelona, Madrid, Nice, and Munich. The trip, sponsored by Frau Kammeraad and Mrs. Serafa-Manschot took along students from all four foreign language classes. Despite the dinners of hard bread and mystery meat, everyone had a great time.

Teachers Broaden Students' Horizons

The Northville High School social studies department again offered students with a variety of courses. Some of these were history classes, others behavioral classes, and still more were current events classes. To broaden their knowledge of our changing worlds, some N.H.S. teachers have traveled to foreign lands. Ms. LeBoeuf went Kenya last summer and visited Senegal during Mid-Winter Break. Mr. Aune and Mr. Ford are planning to go to the Soviet Union this summer. With their newly acquired knowledge, these teachers will add new material and variety to their classes.

Not Just For Books Aymore

The instructional materials center at Northville High School is not the place to go to only "take out a book". Materials, including books and magazines, for research or pleasure reading can be found there. The librarians and their student assistants oversee the use of computers, copy machines, laminating and all the audio-visual equipment for the school. They also instruct on proper usage.

Head librarian Mrs. Ibach assists Adam Rosichan with a research project for English.

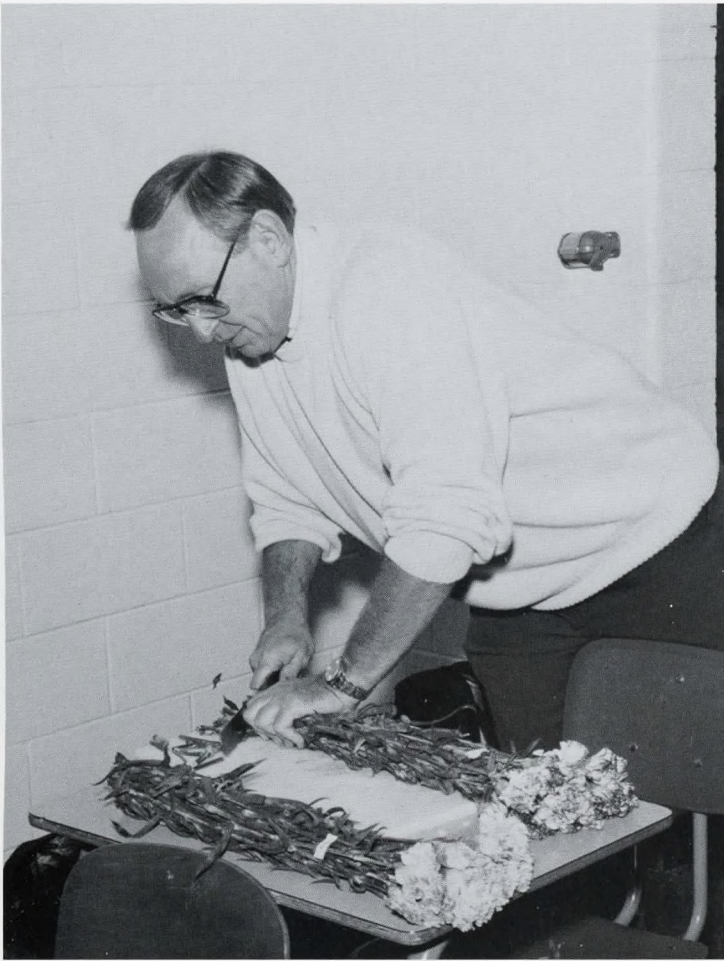

Mrs. Wiseley catalogs research materials.

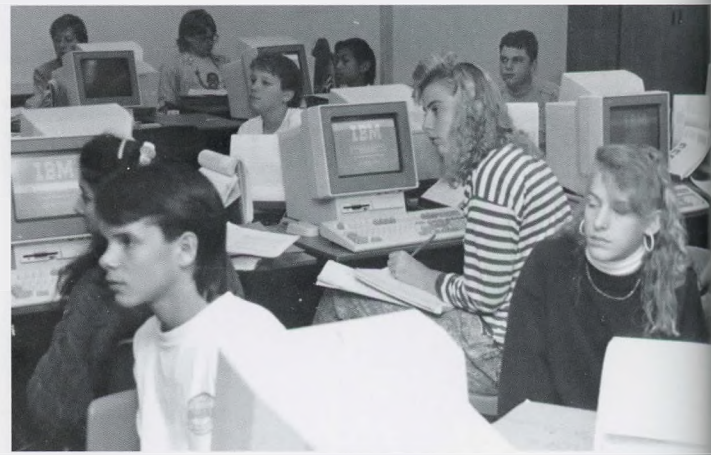

Mrs. Kehoe checks on overdue books and fines.

Business Students Prepare For Outside World

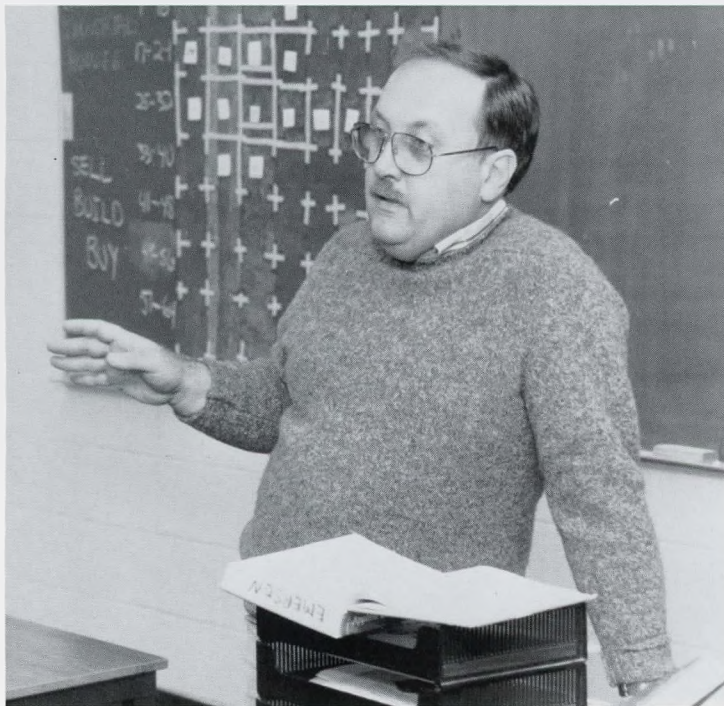

The Northville High School Business Department successfully prepares students who are interested in entering the world of business. They offer such classes as Accounting I-IV, Word Processing, Computer Software Applications, and Marketing. The business teachers — Mr. Burley, Mr. Emerson, Mrs. Gorshak, and Mr. Saunders — prepare their students with basic business skills necessary for college and for the outside world.

Expanding Responsibilities

Under the supervision of Mr. Burley, the Marketing Management class continues to run both the Hilltop Shoppe and the Hillbottom Shoppe. Working in these shops, students get experience selling their merchandise and dealing with customers. The Hilltop Shoppe sells candy, sweatshirts, and school supplies. The Hillbottom Shoppe sells popcorn and candy to the lunchtime crowd in the cafeteria. The Marketing Management class successfully gives students an idea of what it would be like to run a real store in the outside world.

Life Skills Department

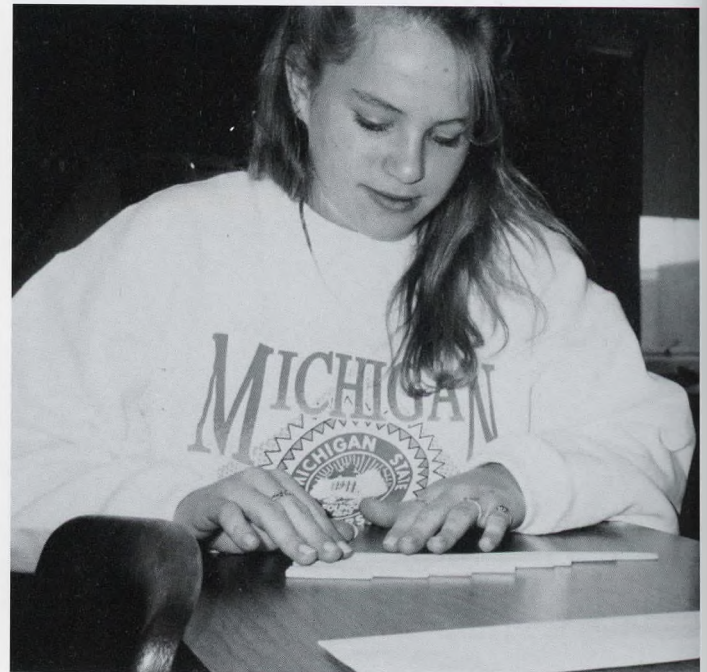

The Life Skills Department offers a variety of courses which allow students to become involved with both the personal and practical aspects of life. The freshmen gather around their collages which define some of their goals and aspirations. In the course of the semester they will tackle timely teen topics which will assist them as they progress through high school. Parenting students learn how preschoolers approach the world. With their knowledge they plan and operate an on-site preschool. Once a week they travel to the Northville Early Childhood Development Center to work with preschool students and their teachers. Food for Thought students use an investigative approach to learn more about nutrition. They test foods for their nutritive value in order to make better food selections for healthy lifestyles. Students enjoy working together to practice Life Skills that they can use now as well as later when they are on their own.

Freshmen show off their collages.

Hands On Experience

The industrial arts department specializes in student participation. The more involved the students become, the more skill they obtain. Classes available include training in auto mechanics, drafting, electronics, printing technology, welding and woodworking. A new project taken on this year was the printing of the school newspaper. The knowledge obtained from the classes in this department carry over into lifetime careers.

Art Smart

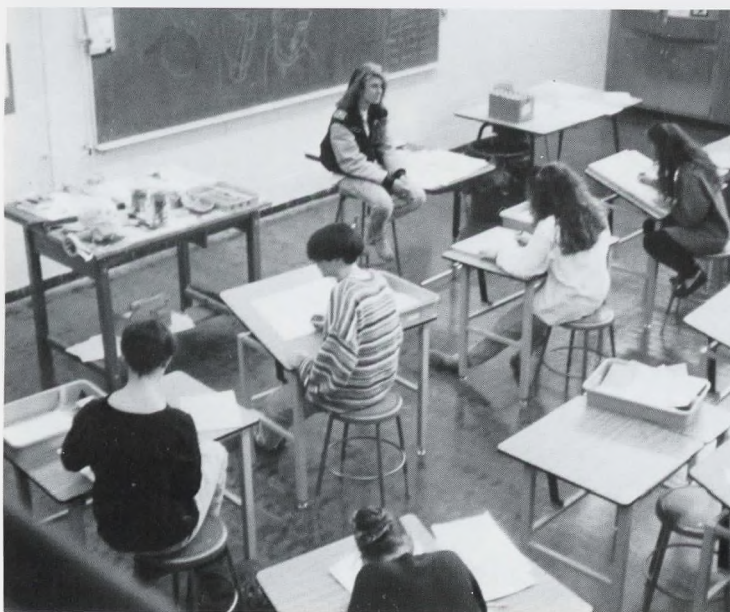

Northville High School had four winners at the Southwestern Scholastic Art Competition. Meghan Brown, freshmen, won a certificate, gold key, and blue ribbon in the Junior Division for a pencil still life. Winners of gold keys and certificates in the Senior Division were: Chris McCreedy, senior, for his mixed media portrait, Jon Cooney, junior, for his monoprint, and Jason Clark, junior, for his chalk illustration. Special congratulations are in order for Jason Clark who won a blue ribbon PLUS the Youth Merit award from the Center for Creative Studies entitling him to free classes in C.C.S.'s Saturday drawing classes for youths. This is juried exhibition, and these students were selected from a field of 5,000 entries. Gold Key winners are 350 out of the 900 exhibitors while Blue Ribbon winners number 195. The art exhibit will be on display at the Summit Place Mall on Telegraph Road in Pontiac, Michigan through February 27. Then the Blue Ribbon winner will go on the New York City for the national competition.

P.E. Classes Produce Fit And Healthy Students

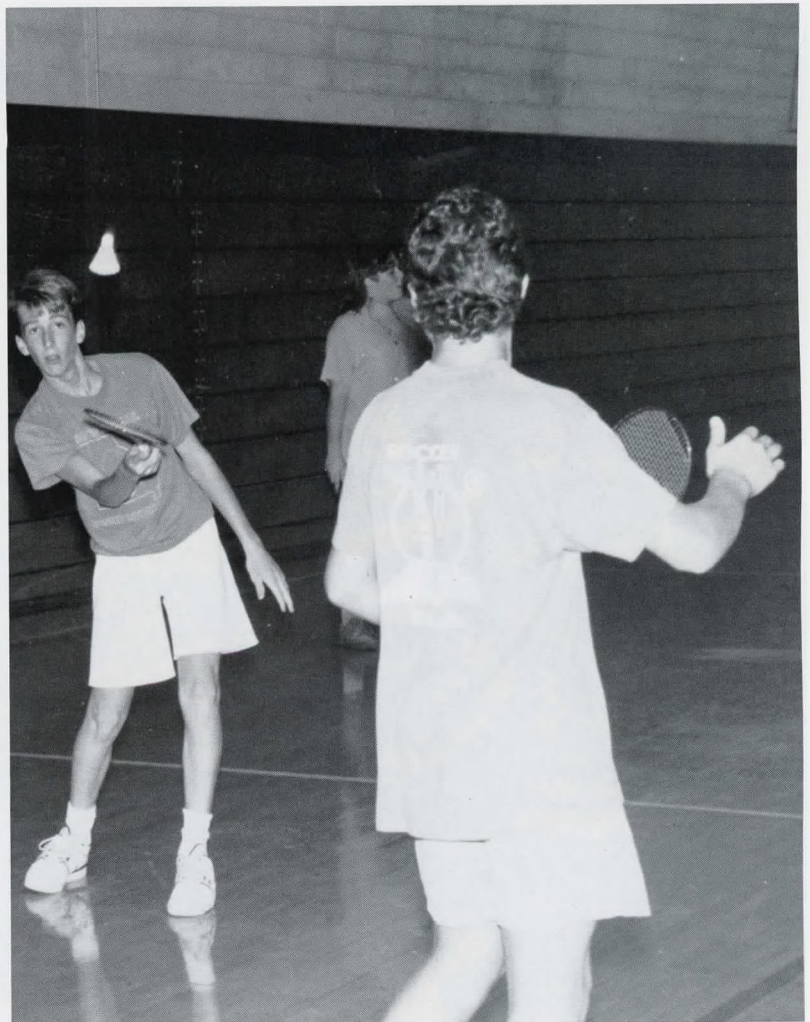

After you take the required P.E. Fundamentals as a freshmen, you are only required to take one more year of P.E., but many people take more. The Physical Education department offers exciting classes like Individual Sports and Racquets, Team Sports, and Co-Ed Lifetime Sports. In these classes, students can play badminton, paddle tennis, and volleyball, and they can practice their archery and bowling skills. Under the direction Mrs. Cook, Mr. T. Johnson, and Mr. Lauber, students can learn new games and improve old techniques.

Band Plays Its Way To The Top

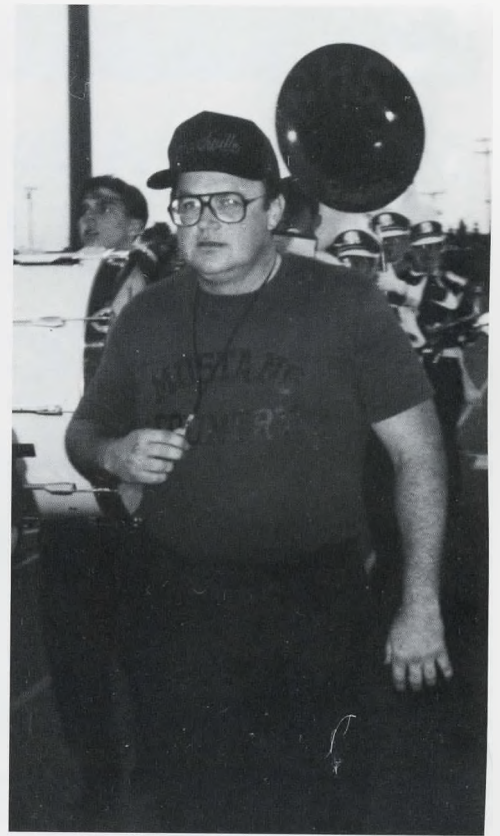

Beginning with a great year, the N.H.S. Marching Band performed at the home football games with great spirit. Pep Band also attended the away games to show its support. Helping Mr. Rumbell direct the band were Drum Majors Shari Abramovich and Dave Garry and Assistant Drum Majors Tim Magers and Vicki Madaus. The Symphonic and Marching Band played in their Band-O-Rama concert. Jazz Band performed around the community so people could enjoy their syncopated music. The band has had a successful year and looks forward to a promising future.

Music Is Alive And Well At N.H.S.

This year Northville High School Choirs were up and moving from the word go. Mrs. Pryce had a full schedule of events ready and waiting. We saw the return of all our old favorites: Concert Choir, Varsity Choir, Girls' Ensemble, and Male Chorus. Northville Singers were back up to the full sixteen members, and Barbershop returned with a wonderful sound a new name Backbeat. This year all numbers were up in choir with nearly 200 students involved in the program. The year started off with traditional singing of the National Anthem at the Homecoming Pep Rally and game. After a successful Fall Concert we went right into preparing for the christmas season and the First Annual (we hope) Madrigal Dinner. The Christmas Concert had the auditorium packed to the rafters leaving not even standing room available. The Madrigal Dinner was a worthwhile experience for all. The musical sound of the choirs kept up with our tradition of quality. With honors recieved at both Choral Festivals and at Solo and Ensemble Festival. Our very own Mary Kay Pryce was also selected to conduct one of the State Honors Choir for 1991-1992. Sophomore Valerie Bassin was this year's representative in the SSAA State Honors Choir. Concert Choir also received the honor of being invited to Flint to Sing the Rutter Requiem. The future looks bright for Northville High School choirs.

NHS Awards Conferred

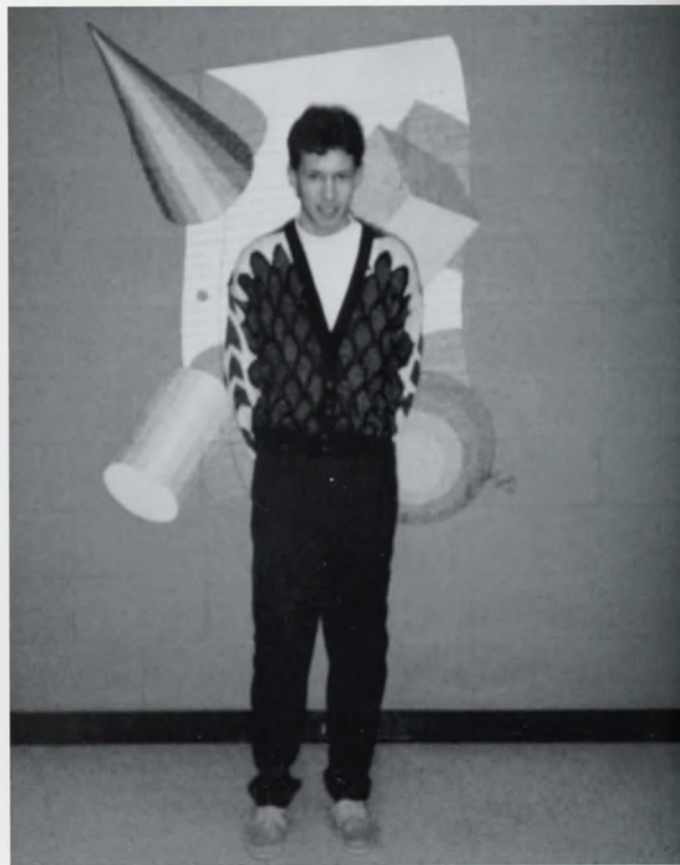

Many of our talented students at N.H.S. received awards for their outstanding abilities. The department awards included English, Art, Business Education, Computer Science, Foreign Language, Industrial Technology, Home Economics, Mathematics, Science, Social Studies, Vocal Music, and Athletics. Swimmers Kata Gurski and Kristen Woodsum were chosen for the Academic All American team. All these students reflect our school's prominence.

Kamal Bagga, Ris Fleming, Stacey Nyland, Andrea Kovalak, Michelle Zarou, Vinay Mohtia, Wendy Simpson, and Kim Woody won writing awards.

Jason Sherman received an award for being an outstanding student leader in the 1990-91 U.S. Senate Youth Competition.

Peter Beyersdorf finished in the top 100 in the Michigan Mathematics Prize Competition.

Peter Beyersdorf, Amanda Parke, Bob Holloway, Jason Sherman, Adam Fisher, Claire Cryderman, and Matt Beemer are National Merit commended.

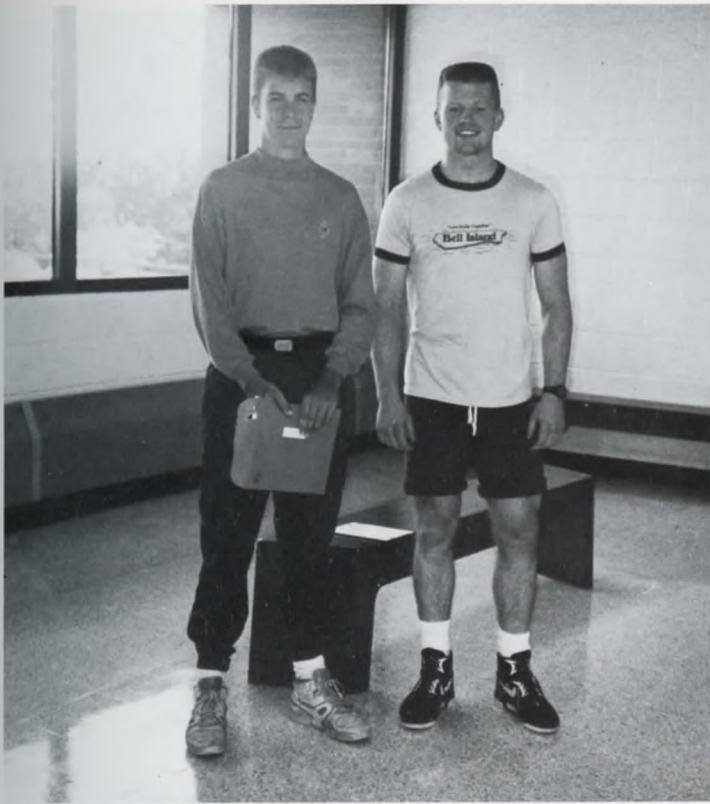

Mike Hayden, Tom Parry, and Chris McCreedy are National Merit Finalists.

Mr. Bolitho congratulates senior Bob Holloway for being selected to the Academic All State Team.

Organizations

N.H.S. Student Congress

In 1990-1991, Northville High School's Student Congress had a very successful year. Under the leadership of President Jason Sherman and Vice President Stacy Segowski, Student Congress undertook many varied activities. A prosperous Homecoming Week and millage campaign started the year off. The year continued with Student Congress taking a leading role in school policy by appointing members to faculty committees, including the school day and climate groups. Along with this, Student Congress ran a successful Charity Ball and many teacher appreciation days.

S.A.W. Members

Students Aware of the World

Students Aware of the World is an organization of students concerned with increasing student and community awareness of human rights, animal rights, and environmental issues. Bimonthly meetings are held both to discuss current issues and concerns and plan activities to meet the goals of the organization. During the 1991-92 school year, S.A.W. participated in "Maybury Madness" in an effort to help raise funds for S.A.D.D.; held a "Pictures with Santa" fundraiser in the cafeteria, and went caroling during the holidays; honored Earth Day through the implementation of "S.A.W. Week" at the high school and the celebration at Maybury State Park; and, with the help of the administration, continued its efforts with the installation of the high school recycling program.

A special thanks to President Lori Brummett, Vice-President Matt Chicoine, Secretary Angela Helmer, Treasurer Saif Hafeez, faculty sponsor Ms. Lisa Rohde, and all the members who helped make the year a success.

S.A.D.D. On The Move

Northville High School S.A.D.D. began this year with a first annual Maybury Madness Haunted Forest Walk. With the support of many of this area's groups, the event proved to be a success. In November, a group of nine of S.A.D.D.'s leaders made the annual trip to Shanty Creek for the Michigan S.A.D.D. conference. Here, the group pooled their ideas and planned the events for the upcoming year. Upon returning, Northville was visited by the anti-drug rap group QTMC and the Sniff Dog. In December the chapter went Christmas Caroling with SAW and the choir. They also decorated the lockers for a mini Red Ribbon Week before the holidays. The Talent Show in February was a great success as was the real Red Ribbon Week in March. The year ended with the annual S.A.D.D. car wash in May and a S.A.D.D. billboard over Novi Road, an inspiring end to a spectacular year.

National Honor Society

The National Honor Society continued to serve the school and the community this year by sponsoring several fundraisers and activities. The Honor Society members assisted the school by hosting parent teacher conferences again this year. They also raised money through selling flowers, coupon books, stockings, and fudge. The members are also active in the community. They participated in the Northville Victorian festival in the fall, they assisted in the Meads Mill math competition, and they serve Thanksgiving dinner at Allen Terrace. National Honor Society members are also responsible for running inductions in the spring. To be inducted into the Honor Society, you must have at least a 3.5 GPA and show outstanding leadership ability, character, service to the school and the community, and scholarship. You also have to participate in activities and retain a high GPA to remain in the Honor Society. This year the two sponsors, Emily Serafa-Manschot and Marie Williams were honored as National Honor Society regional advisors of the year at the Fifth Annual Southeast Michigan National Honor Society Conference, a very welcome and surprising honor. Congratulations!

Dedicated Members Work Hard

Once again, the Northville High School Palladium was a great success. Meetings in the fall began with great enthusiasm, but towards the end of the year they were only attended by a dedicated few. The yearbook staff worked hard on drawing layouts, selling advertisements, and writing interesting copies. All of the hard work by co-editors Jenni Rossow and Amy Lee and sponsors Cindy LaChance and Pat Rossing combined to produce a yearbook that this school should be proud of.

Public Speaking At its Best

Twice a week finds the Northville High School Forensics team and sponsor Ms. Cheryl Gazlay listening to and critiquing each other's performances. On February 22 and 23, team members traveled to Frankenmuth for their first meet of the season. Several of these invitational competitions occur throughout the spring to offer "practice competitions" before districts in April. Team members can earn an activity letter by accumulating two hundred points through competing, attending dramatic performances and performing for peers.

Debate Has Winning Season

The Varsity Debate team had a very successful season. At their league tournament the team won a trophy for their 6-5 record. The whole team worked hard all season for this respectable record and it paid off. The pairs, Angie Tune and Heather Lee, Pete Beyersdorf and Chris Lemmon, Jeff Berkaw and Tim Duff, and Ginta Kukainis and Parag Parikh, all qualified for the state finals. The novice debaters also had a very successful season. At their season ending tournament Sonya Gupta won first place of her speaking position. Jenny McCormick and Marc VanSoest also won speaker trophies. Next year, these novice debaters will be a great asset to the varsity team. The team was coached by Mrs. Couzens and Mrs. Tibble. Congratulations on an outstanding season!

Science Olympiad

1990-1991 was another successful year for the Science Olympiad. Membership was high and this helped create a strong team. Sponsors Ms. Culik, Mr. Edwards, Ms. Vala, and Mr. Sharrar brought new insight to the team and helped students to prepare for the competition. Team members are Jenni Rossow, Julie Buser, Vinay Mohita, Chris McCreedy, Anthony Wen, Sumit Gupta, Jennifer Lutze, Amande Parke, Rana Adawi, Brad Cook, Jolie Graf, Ellen Song, Amy Lee, Matt Rossing, Eric Abbey, Scott Innes, Emily Kniebes, Julie Zwiesler, and Dan Dietiker. They must work on a variety of events ranging from navigating a compass course to running an obstacle course and answering science questions to building a car powered by a falling brick to computer programming. N.H.S. teams have always done well in past competitions.

Pep Club Leads N.H.S. In Spirit

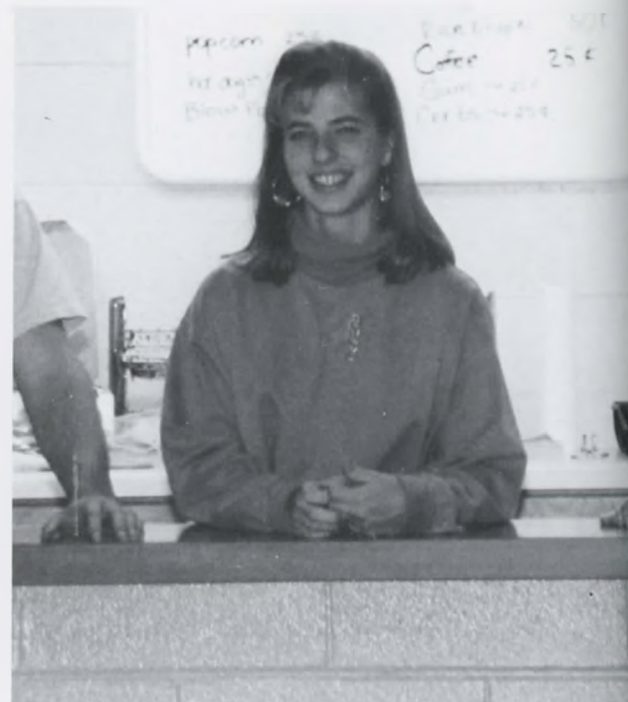

The N.H.S. Pep Club has once again succeeded in feeding the hungry crowds at the football and basketball games this year. These hard working students supplied the football crowds with popcorn, pop, hot chocolate, candy, and nachos at their new concession stand. The Pep Club also did something new this year — they adopted a family for Christmas, which included buying clothes and food. They also planted trees around the Northville High School sign on the hill, and they lit with spotlights. Thanks for all your hard work, Pep Club!

Northville Pom Pon

With the help of coach Judy Walsh, the team performed for audiences through both football and basketball seasons. The girls started practices at 6 a.m. in the summer in preparation for camp. The team attended Mid-American Pom Pon Camp at Grand Valley State University. There they learned new skills and techniques such as speedlearning and quick tips for better improvement. The season began with a kick-off dinner for the squad and a mid-year flower sale to raise extra money. The team consisted of seven returning girls and eleven new squad members. Thanks to all the Mustangs for their help and support throughout the year!!

N.H.S. Cheerleaders

During the summer, Northville's Cheerleaders attended the UCA Summer Camp at the University of Michigan. Both squads came home with numerous ribbons for their technical performances, as well as the Spirit awards for daily participation and congeniality. After cheering the football team on to a Regional Championship, the Varsity cheerleaders went into their own competition for the WLAA title, where they remain undefeated for the fourth consecutive year. Immediately following football, the cheerleaders worked the crowd during the basketball season, which helped "pump up" the team. Cheerleaders are coached by Margaret Surdu.

Life in the Wilds of Kenya

"An exciting and unforgettable experience" was the unanimous conclusion of the small group who traveled to Kenya, Africa last summer. The thirteen-day excursion included a sightseeing stopover in Rome and a ten-day trip through three game parks in Kenya. The group went on two game rides each day, observing and photographing animals in the breathtaking wild. We were driven through the beautiful Rift Valley, which was far less bumpy than our camel trek. We were afforded the opportunity to get a close look at African culture by visits to two Kenyan schools and a Masai village. In the evenings we were entertained by tribal dancers and singers and often awakened by the sounds of nearby animals. The entire group learned a lot, laughed continuously, and fell in love with the country of Kenya.

Rescuing the Rouge

Each year on a Saturday in early June, a massive clean-up of the Rouge River begins. Volunteers in dozens of communities in Wayne and Oakland Counties pull debris from the water. Northville High School students and teachers help in our area. A program through the Northville Recreation Department brings people together at a certain spot to remove branches, tree limbs, bikes, pipes, and anything else that could impede the swift flow of the Rouge through our the community.

"The Man" Comes to N.H.S.

This year's fall play was "The Man Who Came to Dinner." It is the story of radio personality Sheridan Whiteside played by John Norman. The story takes place in the 1930s in the small town of Mesalia, Ohio. Whiteside's unexpected broken hip turns a dinner visit into a long-term stay, by the order of Dr. Bradley (Jeff Dart). This greatly inconveniences Mr. and Mrs. Stanley (Matt Chicoine and Jennifer Weaver) and their entire household. During his stay, Whiteside faces the problem of losing his secretary Maggie Cutler (Karin Pearson) to newspaper man Bert Jefferson (Mike Collins). With Whiteside comes an entourage of friends; Lorraine (Ris Fleming), Beverly Carlton (Dave Garry), Barjo (Shumit Dasgupta), and Dr. Metz (Lee Hyland). Once again, the technical crew with the help of Technical Director Dwight Wellborne, provided the show with a fantastic set. Mr. Nick Beasanski returned for his fifth year as director. His assistant and producer Beth LaManna lended a helping hand. The cast and crew can be proud of another outstanding production.

Evita

Northville High School proudly presented Andrew Lloyd Webber's musical *Evita*. It is based on the true life story of Eva Peron. She came from a life of poverty and social injustice. Eva made it to the top by marrying Argentine president Juan Peron. At age 27, she became the most powerful first lady the country had ever seen. She was lovingly referred to as Evita by the lower classes. Evita was played by Karin Pearson, and her husband, Juan Peron, was played by Dave Garry. Although Eva was loved, she was also despised by many. Che, played by John Norman, brought this truth out. Opposition came mostly from the military and aristocracy. Tim Kerns (Migaldi) and newcomer Stacey Nield helped round out the cast of characters. Under the musical direction of Mrs. Pryce, the chorus was phenomenal. Jane Beier once again did the choreography with the assistance of senior Beth Gettig. Mr. Rumbell also returned this year as orchestral director. With the help of technical director Dwight Wellborne, the set and staging made the show. It all came together under the direction of Nick Beasanski, and his assistant Beth LaManna. The entire cast and crew deserve a standing ovation for a great job!

Students Get Involved In Community

Besides school, Northville High School students get involved in many outside activities. Many hold part-time jobs in local businesses and restaurants to save up for college and for a little extra spending money. During the summer, many students travel abroad. Some stay in the United States, but others visit Europe and the Middle East. Some students play in bands at local nightclubs. In their spare time, students also snowboard, skateboard, and take part in a variety of other games and hobbies. In the end, students have fun away from school.

Cagers Set New Record

The 1990 Women's Basketball team set a school record this season for the most consecutive wins. Despite a slow start, the Cagers won seven games straight in the mid-season. Overall, they finished the season with a 13-8 record and a conference record of 8-4. The team was led by seniors Karen Cavanaugh, Maria MacInnis, and Kate Holstein. Holstein made All-Conference and averaged 13.5 points per game and 7.2 rebounds. MacInnis led the team with eleven three-pointers. Juniors Karen Pump, who received All-Conference Honorable Mention, and Kara McNeil should provide the 1991 team with a strong showing despite graduation losses.

Gymnasts Flip To Success

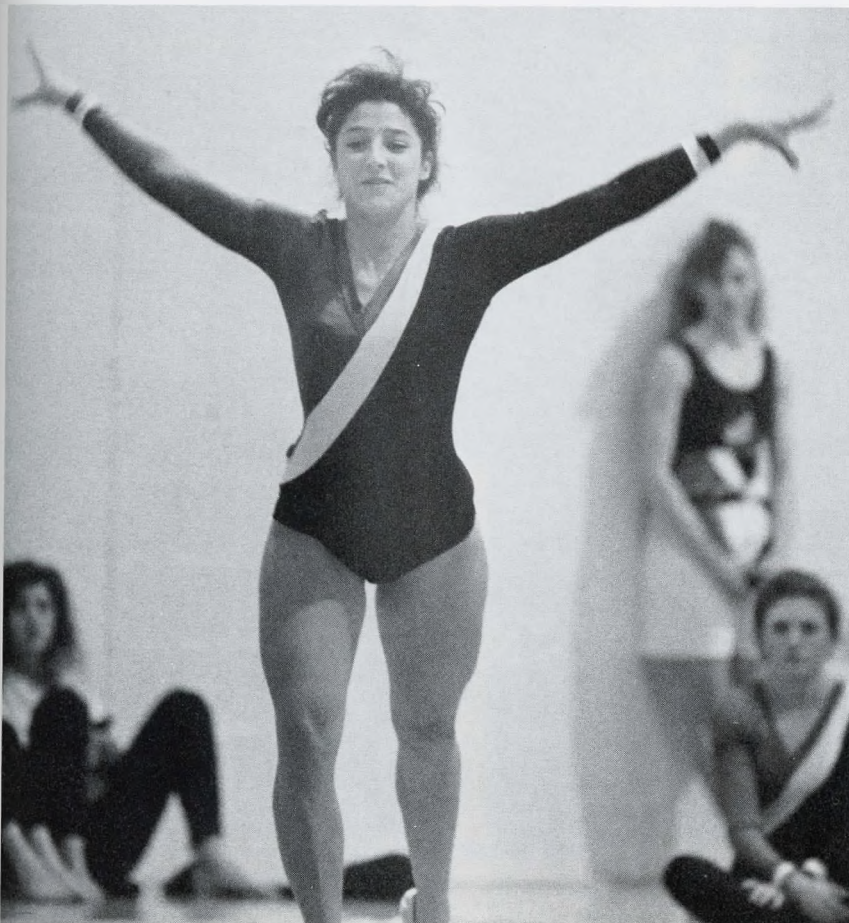

The essence of gymnastics is to perform extremely difficult body movements in such a smooth, fluid, and aesthetic manner that the performance appears almost effortless. Many hours of intense practice are required to develop and achieve the timing, balance, strength, and mental discipline necessary for an outstanding performance. The 1991 gymnastics team has worked intensely to achieve the high standards of a gymnast. And with the help of their new coach, Jeff Pergament, they have done an outstanding job. Each individual gymnast achieved new goals every meet, and the level of Northville gymnastics has increased greatly for the 1990-91 school year.

Netters Face Challenging Season

The Northville Varsity Basketball team started the season with a hard fought 6-3 record before dropping two WLAA games in a row. From that point on, the Mustangs went on a five game winning streak, placing them into a first place tie with Farmington Harrison, heading into the regular season finale for the Western Division title.

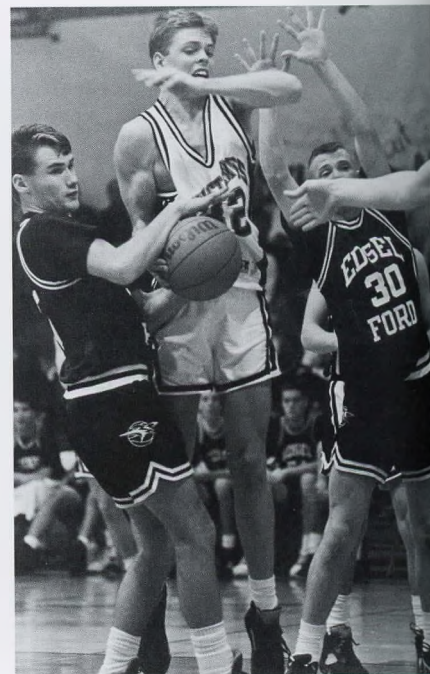

Led by seniors (Captain) Paul McCreddie and Mike Lang, and Junior Ryan Huzjak, the Mustangs are shooting for a high seed in the league playoffs.

Grapplers Strive For Success

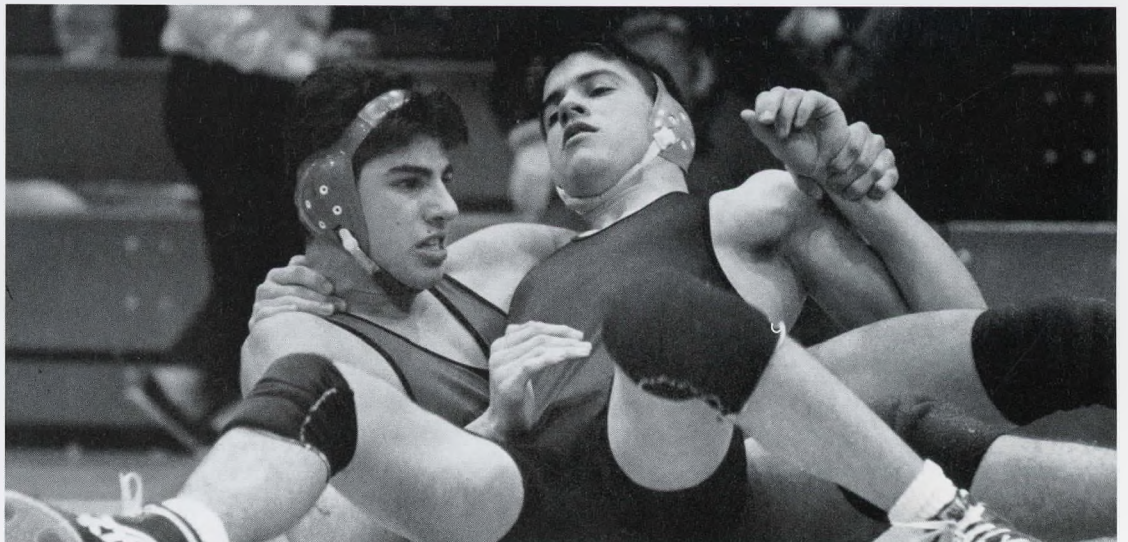

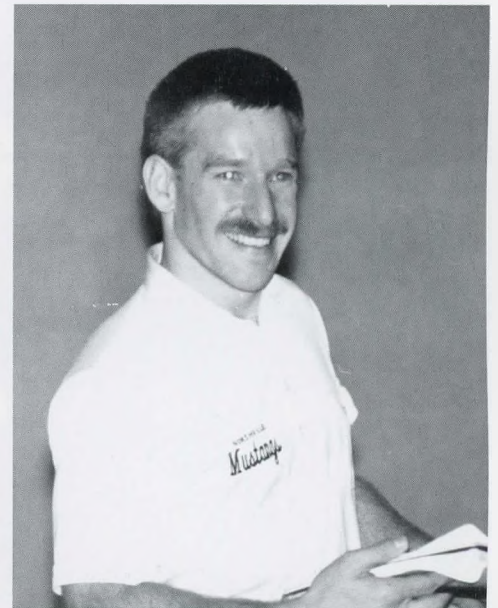

The 1990-91 season for Northville Wrestling has proven an exciting one. Along with experience, the veteran wrestlers of our team set a precedence for excellence both in technique and sportsmanship. Our new wrestlers demonstrated a desire to learn and improve. Brandon Mardossian placed second in his weight class and Kevin Khashan placed eighth in states. A winning attitude ensures Northville Wrestling's continued growth and success. Our motto: Life is full of challenges, a champion accepts them, and with time and commitment, conquers them. This year's wrestling team has demonstrated this philosophy with honor.

Western Division Winners!

The Women's Varsity Swim team entered their season with determination that led them to have an impressive 10-1 season. Their hard work led them to triumph over rivals Canton and Churchill and to win the division title. The girls overpowered opponents at the Fenton Relay meet, winning it for the third year in a row. This year's State Meet qualifiers are Megan Holmberg, Claire Cryderman, Pam Holdridge, Teri Juhasz, Jodi Wesley, Brenda Newton, and Sheila Osborne. The diving squad had a great season. All the divers showed improvement throughout the year. Beth Frayne qualified for the State Meet and represented our divers well. She broke both the records for diving. Pam Holdridge set a new pool record in the 100 Butterfly. The 200 Free Relay team also holds a new pool record. The whole team can be proud of a four year record of 37-7-1, three division championships, and one conference championship.

Swimmers Best Ever

Coaches Mark Heiden and Terese Petersen led the Men's Swimming team to their best season ever, defeating Novi for the first time in seven years. Captain Brad Cook, Steve Lang, and Eric Newton, led their team to dominate the Western Lakes League. Divers Steve Lang and Larry Osiecki ruled the league and state, losing only to each other. Seniors Eric Newton, Brad Cook, Matt VanHorn, and Junior Bob Holdridge rewrote the record board. Standout Eric Newton destroyed the individual records and led the team with the most state qualifying times. The team was picked as **The Detroit Free Press** team of the week in February. They were ranked ninth in the state in Class A. Newton, Lang and Osiecki made All-State teams.

Growth Against Tough Competition

Once again, Kristi Collins and Judy Trexler led their five member team to a successful season. In three meets, the team won more points than last year, but still found it hard to compete against ten-member teams. For the second time, the equestrians participated in the Northville Homecoming Parade.

This year's captain was senior Lynda Christoph. She and her horse, Black Tie Affair, competed in the jumping and english division. Juniors, Heidi Megdan and Holly Schwartz, both competed in western and contesting. Newcomer Karen Schwartz and her pony, Gold Cup, participated in english and jumping. The only freshman, Brooke Horan, and her mare, Blue Eyes, showed in western and showmanship. Congratulations on a successful and fun season.

The Linkers Wrap Up Fine Season

The Men's Golf team made Don Morgan's last year as coach a memorable one. The team went 10-1, including a first place finish at the Plymouth Best Ball. The team qualified for the State Golf Meet by placing third out of twenty-one teams in their region. Chris Lemmon was named to the All-State and All-Conference squads. Mike Fischer and Jason Sherman made the All-Division team. Freshman Matt Telepo and Junior Kevin Krupansky contributed greatly to the team's success. The team ended the season by finishing 12th in the state.

Harriers Post A Strong Season

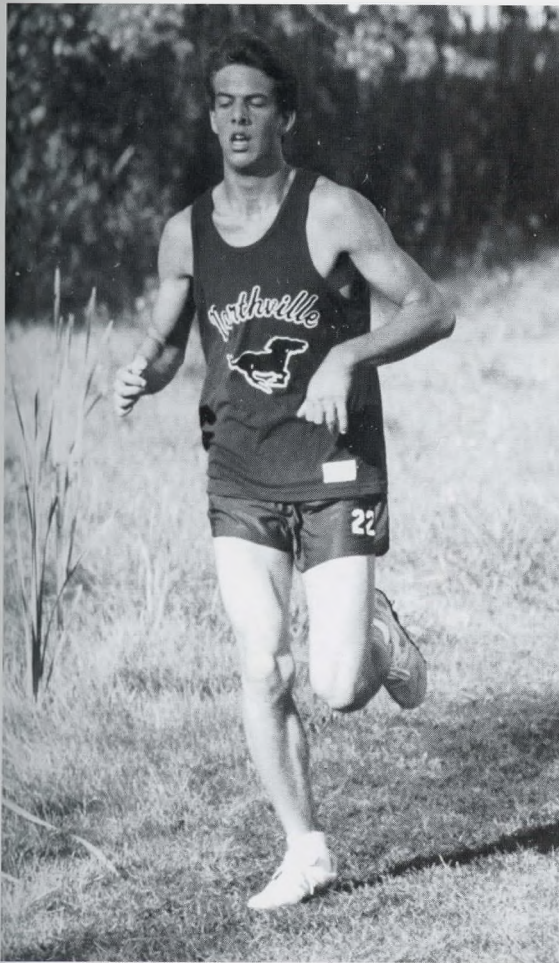

The Women's cross Country team earned a 4-2 mark under the direction of Coach Nick Dunwoodie. Marcie Dart finished her career by making All-Division for the third time. Other standouts were Amy Goode, Kamal Bagga, Michelle McQuaid, and Cheryl Mittman. Next year's team faces the loss of nine seniors but underclassmen should give a strong showing.

Mustang Runners Earn A .500 Mark

The Mustangs improved their record to 3-3 this season. Captains Andy Haas and Mike Connery led the team to key victories over Farmington Harrison and North Farmington. A strong, season-closing performance by Jamie Groves at the Regional underscored the senior leadership that was evident this year.

Looking to build a winning tradition in 1991, the Mustangs will be led by Steve Coon, a two time State Meet qualifier, who recorded a rare sub-seventeen minute race this season. He will be supported by Doug Huntington and Parag Parikh, who both showed excellent improvement throughout the season.

"New and Improved" Women's Track

The 1989 Women's Track team underwent several changes. The school district hired a new coach, Anna Turnbull, Assistant Coach Bob Boshoven, and Hurdling Coach Debbie Julow. Although the team only won two meets, the scores of the rest of the meets were closer than previous years. Runners improved with each race and all realized their potentials. At the end of the season, the Most Valuable Player Award was given to Junior Tricia Lukowski, the Scholar Athlete Award to Senior Kamal Bagga, the Most Improved Award to Senior Cheryl Mittman, and the Most Guts Award to Junior Mari Kissenger. The Captains chosen for the 1990 season include Seniors Kamal Bagga, Megan Holmberg, Kendra Huard, and Shannon Price. Many potential underclassmen provide an optimistic outlook for next year's season.

A Winning Season For Men's Track

The 1989 Men's Track Team held a winning season for the first time in several years. Dave Faletti coached the team with the help of Assistant John Briningstool. The team won over half their meets — a tremendous improvement from previous years. Several underclassmen stood out as pointgainers. Junior Jaime Miller mastered the long jump and also did well sprinting in relay teams. Junior Brett Butz stood out in hurdling as did Junior Steve Coon in long distance. Sophomore Rob Subotich consistently improved his 400m time and became one of the main middle distance runners. Several seniors highlight the team, including Kevin Gill, Mark Hilfinger, and Bill Kelley, who are also the new captains for the 1990 season. With such a strong team, the outlook for the upcoming season is optimistic.

Netters Miss Title

The 1990 Women's Tennis team had an excellent season, but for the first time for years, the Netters failed to take a conference or division title, and they missed the MHSAA State Meet by one point. The team had an overall 99-27 and No. 4 singles player, Senior Kavitha Sriraman led the team with an 18-4 record. The top doubles team of Seniors Melanie Aplingian and Laura Dellamy had an 11-7 mark and went to the WLAA semifinals.

The team had the ability to come out as good as they did last year, but the late completion of the new tennis courts hindered them. However, the team had a successful year and once again proved to be a power in the WLAA.

Men's Tennis Is Promising

Even with tremendous talent, the Northville men's tennis team finished just under .500 for the 1990 season. The squad ended up 6-7 overall and suffered four close defeats. The team's strength was No.1 singles. Mark Schwagle completed the year with a fine 15-2 record. He won a WLAA No.1 singles title, and finished as runner-up in the MHSAA Regional tournament. Kyle Legel(7-11) and Andy Haas(7-9) concluded the season as the top doubles team at NHS. After a slow start, they worked to win five of their final eight matches. At number 4 singles, Brit Davis had a fine season. Number 3 man Brad Telepo combined with Brit for a 24-10 record. The Netters should look forward to a great 1991 season.

Kickers Have Great Season

The Women's Soccer team had another winning season. The team was defensively solid which helped them to a successful 9-3-5 record. Their season ended in the district finals in a shoot-out to the eventual state champs, Livonia Stevenson. Marcie Dart, Karen Cavanaugh, Niki Higdon, and Michelle McQuaid received All-Division honors. With a strong J.V. program, the varsity team will continue their success.

Upper right: Rachel Held steals the ball from the opposing team.

Varsity: Row 1: Sean Furman, Matt Mills, Ed Petit, Greg Bernardo, Chris Walker, Brent Garner, Clay Cutchins, Matt Osiecki, Brian Nawrocki. Row 2: Steve Moore, Lou Stoecklin, Dave Smith, Jason Flading, Gordie Collins, Larry Osiecki, Steve Lang, Ryan Davis, Matt Rossing, Brandon Cuadra.

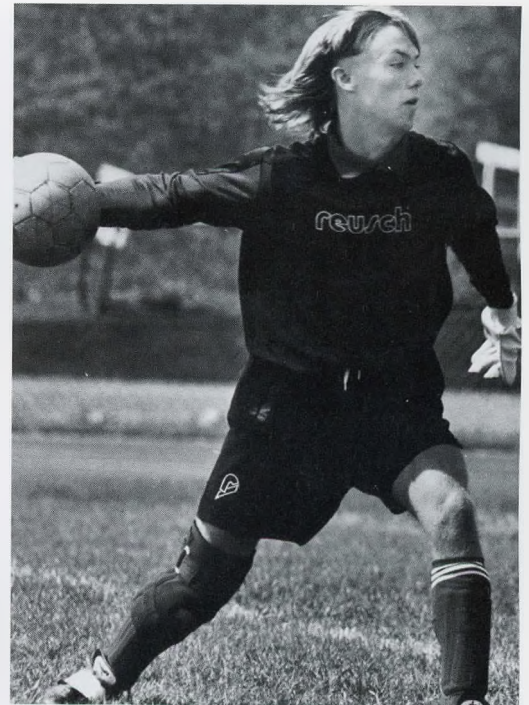

Soccer Program Improves

The Men's Varsity Soccer team, under the direction of a new coach, Bob Paul, finished the season with a 7-8-3 record. Although the team suffered a mid-season slump, they rallied to a strong finish. The Mustang kickers fell to Stevenson in overtime in the MHSAA Districts semi-finals. The powerful defense was led by Larry Osiecki, who was named to the WLAA All-Conference and 1st team All-State, and by Ed Petit, who was an All-Division selection.

The Junior Varsity team had a great season with a 9-5-1 record.

Row 2: Coach Whitehead, Frank Corrieri, Ken Schultz, Greg Peelman, Jeremy Lawrence, Bo Fowler, Dave Chaves, Joel Elsesser, Greg Hodgins, Andy Woodrich, Sean Gordon, Coach Lyon.

Spikers Go To Divisions

All of the volleyball teams, coached by Paul Osborn, Linda Roselle and Melinda Cain, had one of the most successful seasons in Mustang history! The freshman, J.V. and varsity all celebrated winning records. The girls showed outstanding team spirit off the court by recruiting spectators with banners and posters for every game. The varsity team was led by captains Amanda Parke and Ashley MacLean. Other senior spikers include Beth Ursel, Shannon Price, Karen Vogt and Marcie Dart. Congratulations to all the teams (way to go Big Mamas)!

Softball Team Has Prosperous Season

The softballers were unsuccessful in defending their division crown of 1989, but they did have a 13-8 record and a 5-4 mark in the Western Division which was third place. Kara McNeil joined Laura and Melanie Apligian on the All-Division team. Laura Apligian led the team with a .352 batting average and three home runs. Team members look forward to a successful season next year.

Baseball Players Start Off Well

The 1990 Northville High School Varsity Baseball team got off to a solid 7-7 start. However, in their last nine games, they only won one, finishing the season with a 8-16 mark. Hurler George Smojver had a 3-1 record and a 2.22 earned run average. Mike Lang led the team with 47 strikeouts. The return of many players should lead to a good 1991 season.

Below Right: Joe Staknis winds up and delivers.

Best Team Ever!

The Northville High School Varsity Football team had their best season ever. They finished the season with a 8-4 mark, and for the first time ever they advanced to the playoffs. The team didn't stop after upsetting Wyandotte in a 23-22 overtime game. For the regional title, they defeated Dearborn High 23-18 in a game in which the best team won. In the Class A semifinals, Northville lost a heartbreaker 14-7, when Birmingham Brother Rice scored a touchdown with thirty-two seconds left. Senior Bill Kelley rushed for a total of 1486 yards and Junior quarterback Ryan Huzjak rushed for 820 yards and passed for 1564 yards. Senior Mark Hilfinger had a great season with 481 yards receiving. On the defensive end, Bob Holloway led the team with 29 solo tackles, 87 assists, and scored a TD. Also, Ryan Huzjak broke every school record in the passing department. The team was led by Coach Darrel Schumacher who perfected the run and shoot offense which the Lions should take notes from. Congratulations on an excellent season Mustangs!

Underclassmen

Class of 1994

The Freshman class has accomplished the goals and achievements aimed towards and planned for this school year. Those include raising over one thousand dollars and bringing the class of '94 together with unity and school spirit. Their fundraisers included a flower sale, bussing tables for a dinner, a car wash, and a limousine raffle for the Prom. To show their Homecoming spirit the class designed a man-eating shark chowing down on a Churchill Charger. This great float won second place. The class was responsibly led by President Rob Nelson, Vice-President Ted Downs, Secretary Krista Howe, and Treasurer Sonya Gupta.

Above right: Eve Rief and Rob Nelson are Homecoming representatives.

Class of 1993

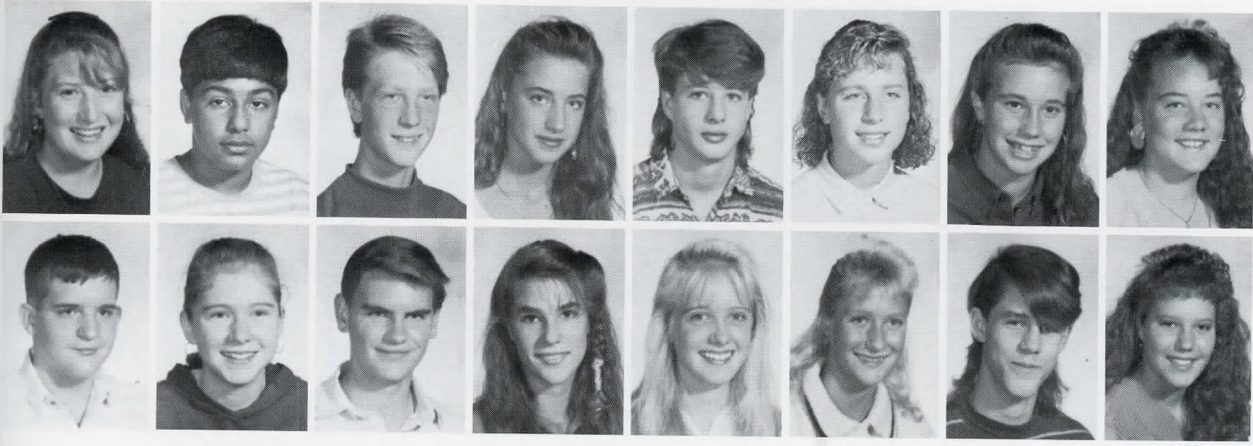

The Sophomore class finished another successful year. They participated in the Victorian Festival with a button-making booth and held a garage sale. The class continued to raise money with a mitten sale. They showed their Homecoming spirit by building a float of a Northville merman sinking the S.S. Charger. The class of 1993 completed the year led by President Parag Parikh, Vice-President Katy Murphy, Secretary Leslie Allen, and Treasurer Ellen Song.

Class of 1992

The "Jumpin'" Juniors, led by President Angela Helmer, Vice-President Jeff Berkaw, Secretary Michelle McNally, and Treasurer Ben Zumbrennen, have had another successful year. They started off the year with a car wash, a flower sale, a booth at the Victorian Festival, and the ever so popular and successful magazine sale. The class of '92 showed tons of class spirit and enthusiasm and set many new records, including winning first place in the Homecoming float competition for the second year in a row. By the end of the year they had over ten fundraising activities, bringing their total up to about \$11,000, which goes towards Senior Prom. They concluded their year with a Junior class trip.

Seniors

Class of 1991

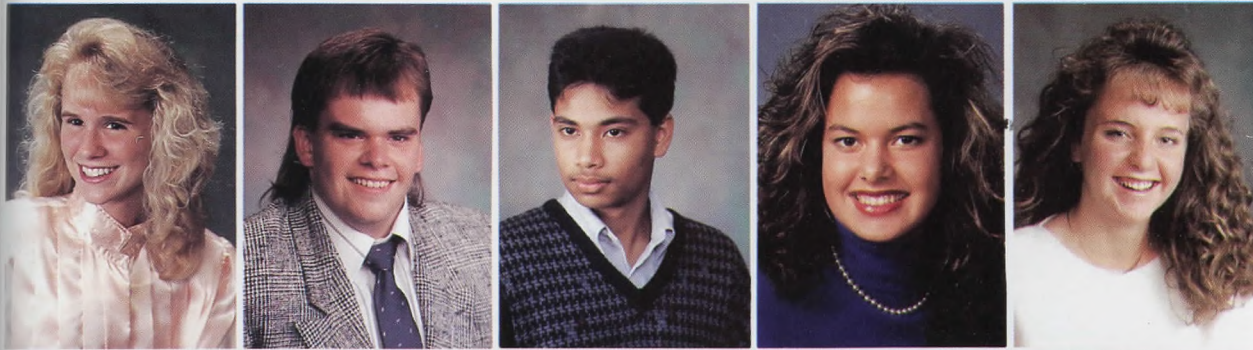

This year's graduating class can boast of its great success in new fund-raising efforts. Class members started the year selling discount cards from local merchants and establishments. A great variety of services were included. A pumpkin sale was also conducted. After the first of the year, credit cards were being sold. For their efforts during Homecoming Week, the Seniors won the Spirit Award for class competition. In December, a successful Sadie Hawkins' Dance was held. In early May, a large percentage of the class attended the Prom at Laurel Manor in Livonia. The class was ably led by President Tim Kerns, Vice-President Chuck Hugener, Secretary Abbey Cross, and Treasurer Jenifer Pidruzny.

Krissy,
Our petunia has been transformed into a rose bringing us great joy. Life's successes and God's blessings be with you always.

Love,
Mom, Dad, and Dave

Matt Borrusch

You've been "instrumental" in bringing many songs into our lives. We wish you many blessings in the future.

Love,
Mom, Dad, and Ben

Congratulations Tom!

You were a wonderful gift to us and now you belong to the world. Lucky world. Remember, doing the hard thing is almost always the right thing.

All our love,
Mom and Dad

Tom Gatti

Good luck in swimming, college, and everything you do in life.

Love,
Mom, Dad, & Brenda

Eric Newton

Gwennie,

As this chapter in your life closes — new and exciting ones will open. Best of luck in the future.

Love,
Mom, Dad, Karin, Matt, and Laura

Jenne Lotarski

We are proud of your wisdom, strength, discipline, and courage especially in difficult situations. Continue holding your head high and your dreams will come true.

Love,
Dave, Mom & Cassie, Dad

Shane Patrick Callaghan

If we could choose one child for our last,

It would be a joy to repeat the past.

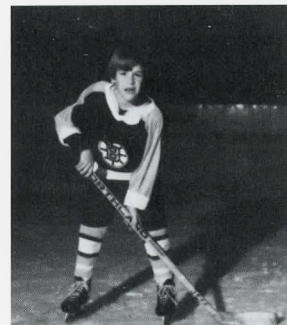

Torrie McPhail

Jeff,

We're so proud of you and all your accomplishments — but the best is yet to come!

We love you,
Mom, Dad, & Mike

Jeff Todd

Go for it Kare-Bear! MSU is ready for you so step off and get ready for the best four years of your life! You know it, ya love it!

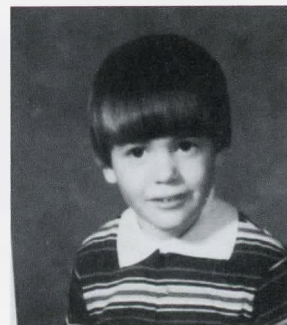

Love,

Home is where the heart is,
 As everyone might say;
 But what happens to the heart,
 When we move away?
 You determine your destiny,
 By making choices and plans;
 You ensure a bright future,
 By doing whatever you can.
 So say what you mean,
 And mean what you say;
 Show how much you care,
 In every possible way.
 No matter how far away,
 Your accomplishments may seem;
 If you want it enough,
 Just follow your dreams.

Crawfords' Restaurant has become a popular Northville eatery for many good reasons. Delicious food made from scratch, friendly service, and most of all the pride and care the Crawford family takes in making a warm inviting atmosphere where every customer feels at home. Known for years for wonderful rolls, muffins, cakes and pies, the demand for these items led to the opening of Crawfords' Bakery Connection located immediately behind the restaurant. Now the goodness of Crawfords' desserts are even easier to enjoy. Stop in today and take a little old-fashioned warmth home with you.

"THE STAR-SPANGLED BANNER"*

O say, can you see—
By the dawn's early light
What so proudly we hail'd
At the twilight's last gleaming,
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watch'd,
Were so gallantly streaming?
And the rocket's red glare,
The bombs bursting in air,
Gave proof through the night
That our Flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free
And the home of the brave?

O, thus be it ever
When free men shall stand
Between their loved homes
And the war's desolation!
Blest with vict'ry and peace
May the heav'n rescued land
Praise the Pow'r that hath made
And preserved us a nation!
Then conquer we must
When our cause it is just,
And this be our motto:
"In God is our Trust."
And the Star Spangled Banner in triumph
shall wave
O'er the land of the free
And the home of the brave.
