

1. Any person who takes a paper regularly from the post-office, whether directed to his name or otherwise, or whether he has subscribed or not, is responsible for the payment of the same.

2. If a person orders his paper discontinued, he must pay all arrears, or the publisher may continue to send it until payment is made, and collect the whole amount, whether the paper is taken from the office or not.

3. The printer has decided that refusing to take newspapers and periodicals from the post-office, or removing and leaving them uncollected, is prima facie evidence of intentional fraud.

To Subscribers—Particular Notice.

We would again remind our subscribers of the change to take place in newspaper postal matters. After the first of January next—but a short time distant—publishers will be required, under the new law, to prepay the postage on every one of their papers sent outside of the County in which they are published. At the rate fixed, the postage on the Record will be about 15 cents a year, which we shall have to prepay. Now not being flush in money, and therefore unable to advance the amount of postage, we must demand prompt payment of each after Jan. 1st, 1875. Fifteen cents would not be a large amount on one paper, but on several hundred, it would be a considerable sum; and certainly more than we are able to loan. Those that do not give heed to this call—pay up arrears and also the price for the new year with postage—need not be surprised should their paper fail to come after that period. Those that have paid up for the paper for the next year, or any portion of such, will simply send the amount of postage. The names of those owing for the paper for two or three years back, will be stolen from our list, and the amount charged to their account, for collection.

The conductors of the Michigan Central Railroad Company have received orders, when they find any gamblers, three-card monte men, or confidence men, playing their nefarious games, to stop their trains at the first station and put them off. Mr. Strong, and Mr. Loomis, the new general and assistant general superintendents, are determined to run all such rascals off their lines.

TALMAGE'S PAPER.—THE CHRISTIAN AT WORK (New York) ranks with the best of the religious weeklies. Dr. TALMAGE is its active editor, and his sermons are published exclusively in its columns. The terms, \$3.25 per annum, cover the entire year, including postage and delivery of the new premium, a "Portfolio of Twelve Gems," or a copy of LAMARCA'S "Twins." Without the premium it is only \$3 per annum, postage prepaid, as above. Agents will find this a success.

ONCE AGAIN into our sanctum comes the STAR SPANGLED BANNER—the December number, and the one which closes the twelfth year of its existence. Few are there who know not this splendid paper, with its 40 long columns, are of EDWARD, illustrated and rated, and its contents with the very best reading—Poems, and Fun. It also contains the celebrated, "Rogues' Corner," in which every Scoundrel, Humbug, Quack and fraud in America has been, and will be fully exposed. For 1875 every subscriber receives the paper fifty prepaid, and after a pair of charming "Prang Chromes," an elegant Dictionary, Album, Books, or choice of twelve premiums—any one being worth more than price of the paper, which is only \$1.00 a year. No paper is more thoroughly established, better known or better liked. Specimens for 6 cents. He who fails to subscribe fails to do what he should do. Send \$1 to BANNER PUBLISHING CO., Hinsdale, N. H.

LEARN A TRADE.—Horace Greeley said "I never look at my old steel composing rule that I do not bless myself that, while my strength lasts, I am not at the mercy of the world. If my pen is not wanted I can go back to the type case and be sure to find work, for I learned the printer's trade thoroughly—newspaper work, job work, book work and press work. I am glad I have a good trade. It is a rock upon which the possessor can stand firmly. There is health and vigor for both body and mind in an honest trade. It is the strongest and surest part of the self-made man. Go from the academy to the printing office or the artisan's bench, or, if you please, to the farm—for, to be sure, true farming is a trade, and a grand one at that. Lay thus a sure foundation and after that branch off into whatever profession you please."

Hon. John Ball is 80 years of age, and has been a resident of Grand Rapids for nearly 40 years.

STATE NEWS.

THE NEW GRIST-MILL.—The new grist-mill at Blissfield, Lenawee county, erected on the site of the one burned last spring, commenced running this week.

THE BIG RAPIDS MILL MEN.—The Big Rapids mill men have contracted for 60,000,000 feet of logs to be cut up into lumber during the coming summer.

DURING THE PAST YEAR Burrell & Bros. of Kalamazoo have sold 175 wagons and carriages.

A NEW PAPER called the Investigator has been started at Whitehall, Muskegon county.

THE RAILROAD EMPLOYEES at Jackson have commenced to work eight hours per day.

THE NEW OFFICE of the Jackson Citizen is inclosed and roofed.

FARMING AND HORTICULTURE.

THE TECUMSEH RECORD says that Horace B. Eaton of that place recently shipped 12 tons of Hubbard squashes in a car from that station to Boston, where they readily command from \$35 to \$40 per ton.

MANY FRUIT-TREES are being planted in Mason county during the present fall. Mr. Hubbard has set out 1,000 peach-trees.

RELIGIOUS AND EDUCATIONAL.

FOR SEVERAL YEARS the Methodist church-building at Quincy has been under mortgage to the amount of \$2,600. Last spring it was foreclosed, and church members were disarranged. Hiram Bennett, a young man, outside of the church, befriended himself, raised the amount by contributions, and now the society is out of debt.

THE ALBION DISTRICT CONFERENCE of the M. E. Church, held at Battle Creek last week, voted to license women to preach. There were only four votes against the measure.

CRIMES AND CALAMITIES.

SEVERAL MONTHS ago the wife of conductor Dybol of Grand Rapids was knocked down by an engine on the Grand Rapids & Indiana Railroad, and so severely injured that one of her legs had to be amputated. Mr. Dybol commenced suit against the company for \$10,000 damages.

THE LOSS by the burning of Shafer's Block at Big Rapids last week amounted to \$48,000; insurance \$27,000. The principal losers were J. D. Dutton, dry goods, \$3,000; Charles Shafer, \$15,000; Masonic Lodge \$2,000; G. W. Crawford, loss on grocery-provisions stock \$11,000.

A PASSENGER TRAIN was recently wrecked on the Grand Rapids & Indiana Railroad about 15 miles south of Grand Rapids, by the breaking of an axle under the tender of the engine. One man was killed, and 15 others more or less injured.

J. A. DELANEY a guest at the Russell House, Detroit, did not properly turn off his gas, and when found was supposed to be dead. It required several hours' work by the firemen before the gentleman was revived.

RICHARD C. ROSS, a conductor on the Grand Rapids & Indiana Railroad, slipped and fell under the wheels of a car Nov. 6. His right arm was crushed, necessitating amputation.

HUREL'S SAW-MILL near White Hall was burned Oct. 31. Loss \$6,000; insurance, \$2,500.

DEATHS.

JUDGES EZEKIEL W. DAVIS, who settled in Kent county in 1834, died at Grand Rapids Nov. 9, aged 79 years.

OTIS H. LEE, an old resident of Ypsilanti, died last week.

PERSONAL.

GEORGE C. HICKS has resigned his position on the Marquette Mining Journal, with a firm conclusion that as a newspaper man he is a failure. For the 21 months that he was in editorial harness he did not succeed in getting his head punched or the paper saved for itself.

HON. H. H. RILEY of Constantine has just brought out a new edition of "Puddelford and its People." He first published the book 20 years ago. It describes scenes and incidents of early Michigan life in a novel and ludicrous manner.

WIN. T. UNDERWOOD of Detroit, who was recently acquitted of the murder of Charlotte Priggen on the ground of insanity, has been committed to the insane hospital attached to the State Prison.

Governor Bagley has pardoned David Church, who was sentenced for manslaughter from Calhoun county for ten years in the State Prison. He is said to be in the last stages of consumption.

On Monday a pardon was issued by Governor Bagley to Milo C. Holcomb, who had been sentenced for burglary by the Genesee Circuit Court in 1872, to three years in the State Prison.

MISCELLANEOUS.

THE GRAND RAPIDS EAGLE says in regard to the condition of affairs in the Grand Rapids poorhouse, brought to light by the recent investigation, a complete change should have been made in the officers having charge of the poor and the funds, even though there is no certainty that a new set would give better satisfaction. The people of the county, before whom all the material parts of the evidence have been placed, will scarcely approve the soft tone of the committee's report.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found in the mountains of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great Nood purifier and a life-giving principle, a perfect Emmenagogue and Invigorant of the system. Nerve before in the history of the world has a medicine been compounded that has been so successful as VINEGAR BITTERS in healing the bulk of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Constipation or Inflammation.
