A few of the young people spent a pleasant evening at the residence of Ezra Thornton, on the 11th

Hiram Benton has partially recovered from his illness, and was on the street one day this week

The violin solo, by Prof. Hudson, "The Mocking bird with variations," is simply immense. Go and hear it

Don't forget about the Continentals. They will give one of their entertaining concerts at the School house, next Tuesday evening

M. Goodell, for a long time in poor health, is now in a pecanious condition from dropsy. His family are in need of public help and sympathy

Wm. Sackett has returned from Nebraska, and says he is so well pleased with the country he has visited, that it is his intention to move out there

The Methodist social was held at residence of F. R. Beal, Wednesday evening the 8th. There was a fair attendance, and the ice cream and cake (served on the occasion) was greeted with smiling countenances

That beautiful song, by J. R. Thomas, entitled "The hand that Rocks the cradle, is the hand that Rocks the World," as sung by Prof. P. O. Hudson, is alone worth the price of admission to the "Continental" Concert

A certain lady living in this vicinity, the daughter of a wealthy farmer, was looking over some goods in one of the stores a day or two since. After she left, the merchant had a suspicion that his stock was lessened without his proper permission, and going to her home was fortunate enough to recover the missing articles. We suppress name this time but look out for a repetition of such conduct

The Continental Vocalists, gave a most pleasing and entertaining concert at Colwell Hall last evening, and one which was fully enjoyed by all present. Prof. Hudson and Cromwell have each a pure toned voice, which is equalled by few of the professional singers now traveling, and when accompanied by the organ and violin, produce a harmony which is delightful to hear. Their music is both grave and gay, comic and sentimental—something to please the tastes of all—consequently their concert everybody. If you have an opportunity go and hear the Continentals—Fun on (Mich.) Independent

To the Young Ladies of Northville

Some time since there was a "Young Ladies' pick ribbin' club" organized here, with some thirty signers on the pledge

The young ladies soon discarded the pink and donned the white ribbon and were auxiliary to the "Ladies' Christian Temperance Union." The meetings were for a time well attended, but the numbers soon diminished to the faithful few, and upon the 6th it devolved to run the thing "But these although zealous, do not propose to do this, and it is something is not immediately done, it is evident that the temperance spirit (among the young ladies) will depart for regions unknown. Young ladies, will you not do your duty and make this a profitable and pleasant enterprise. All are cordially invited to come. Will you not?

At the Continental Vocalists—The Baptist Church was comfortably filled on Monday evening, to hear the popular Continental Vocalists in their inimitable old time songs, including "A Hundred Years Ago," "Sword of Bunker Hill," "Mountain Bogle Echo," besides some of the modern style, and one operatic extravaganza by P. O. Hudson. We venture the assertion that none in the audience were ever more agreeably surprised than upon this occasion. They were taken by storm, at times enchanted by the sweet melodies of the old songs and at others enraptured and convulsed with laughter over the comic songs. "O, it's funny when you feel that way," after half the buttons have been shaken off your clothes. We understand that they expect to come this way again, in a few weeks, and every one who was present will be a good advertisement for them—Perryburg (Ohio) Journal

At the Detroit Opera House, next Thursday evening, May 23rd, a complimentary benefit is to be given Mr. D. S. Amsden, the business manager. For a long period Mr. Amsden has catered to the amusement loving people, and from his gentlemanly demeanor, in that capacity, has won a deserved popularity. "The Serious Family," by the Barrett Club, will be presented on the occasion

The 15th annual distributions to the subscribers of the Detroit Commercial Advertiser was held last Wednesday, at Windsor, Ont. No. 2756 and 7749 drew each \$500 and the fortunate ones were T. H. Roberts, of Milwaukee, Wis., and Miss Abby Jones, of Adrian, Mich.

A Trip to Texas

Our former resident, Dr. H. H. Jackson, of Detroit, returned last week from a visit to Texas. The same evening he had the pleasure of a visit with himself and lady, and were very much edified with the Dr.'s description of the country. He owns 2,000 acres about 150 miles south of Dallas, a portion of which land he says is as fine as any in Michigan. The Dr. was accompanied by his son, Master Harry, and two or three friends that live in Dallas. From Dallas, they roughed it across the country some 150 miles, camping out nights. The party had a two horse carriage and two saddle horses fully equipped for hunting

Small game being plenty; they had lots of sport, and the climate being warm they suffered no inconvenience from camping out

We understand that the farmers are harvesting their wheat down there. The country in that part of Texas is well adapted to wheat, cotton and all the variety of grain, fruits and vegetables of a semi-tropical climate

There is a great rush of emigration to Texas this season. The Dr.'s land being well located, is a valuable investment

Roll-Call in Heaven

An incident is related by a chaplain who was in the army during one of our hard-fought battles. The hospital tents had been filling up fast as the wounded men had been brought to the rear. Among the number was a young man mortally wounded, and not able to speak. It was near midnight, and many a loved one from our homes lay sleeping on the battlefield that sleep that knows no waking until Jesus shall call them

The surgeons had been their rounds of duty, and for a moment all was quiet. Suddenly this young man, before speechless, calls in a clear distinct voice, "Here." The surgeon hastened to his side, and asked what he wished. "Nothing," said he; "they are calling the roll in heaven, and I was answering to my name." He turned his head, and was gone—gone to join the great army whose uniform is washed white in the blood of the Lamb. Reader, in the great roll-call of eternity, your name will be heard. Can you answer "Here?" Are you one of the soldiers of Christ, the great Captain of Salvation?

The Standard Journal says that a globe made of glass, containing the streets of the city, was discovered in the street there the other day. It was afterwards found that the globe was a relic of the past, who walks in the city, and was recently sent to the city by a man who had started a firm, and was going to start a business before he was discovered.

There are now old barbers each with good razors and comfortable homes living a few miles south of this city, and all tell me, "Glad to see your country." (Farwell Register)

The United States Commissioner's report classes Business Colleges, with a thorough and efficient course of study, among the "most advantageous of the country, and says: "One of them is the Mayhew Business College, Detroit, conducted by Hon. Ira Mayhew, formerly State Superintendent of Public Instruction, deserves special mention. We cannot speak in too high terms of commendation of this institution. Young men (or women) desiring a business education will find the advantages here offered the most perfect possible." A State School Commission, in a report of the visit to this College, uses similar language. Centennial Pamphlets and Circulars sent on application to the President.

See what the Clergy say

Rev. R. H. Craig, Princeton, N. J., says: Last summer, when I was in Canada, I caught a bad cold (croup). It became so bad that often in the middle of my sermon my throat and tongue would become so dry I could hardly speak. My tongue was covered with a white parched crust, and my throat was much inflamed. An old lady of my congregation advised me to use the Sherrill's Electric Oil, which she had been using. The first dose relieved me, and in a few days my throat was well.

See what the medical faculty say: Dr. Beaton, Hall P. Q. says I have used Sherrill's Electric Oil for two years, and I have never sold a medicine, which has given more thorough satisfaction. I have used it in my own case, on a broken leg and dislocated ankle, with the best results.

A. H. Gregg, manufacturer of moving machines, Ferrisburgh, N. Y., says: My thumb was caught in a machine and badly injured, being away from home for two days, was obliged to apply such remedies as I could get, but without relieving the pain, immediately reaching home, I applied the Electric Oil, with almost instant relief. I have a large number of men employed, and your Oil has established for itself such a reputation that nearly every one of them keep it.

So by all medicine dealers. Price, 25 cents, 50 cents and \$1.00.

Ayer's Sarsaparilla

It is widely known as one of the most effective remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great impurities of the blood, such as the scrofulous and syphilitic contamination, humors or diseases that have linked the system for years, and yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By rousing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
