NORTHVILLE, MICH.,

THURSDAY,

MAY 4, 1893.

\$1.00 per year, dvance:

AFTER EIGHTEEN YEARS

B A Wheeler Retires From Mer- The Yarnall Gold Cure Club Meet cantile Life.

Yes, it is a fact, Barton Wheeler has sold out his grocery business to Rollin H. Purdy. The deal was consumated last week, and Mr village next Wednesday. Over fifty of Purdy took possession at once Mr. Wheeler the members have already signified has been in the grocery business here for their intentions to be present, and many more are expected. The Ladies -ome eighteen years Always courteous and rair, and a liberal supporter of all Northville enterprises, he built up a large and lucrative visitors without stint or price. In the pusiness. Mr. Wheeler has been suffering afternoon they will meet in the opera from ill health for some time past, and the house where business meetings and opportunity coming just right he retires from public business. Mr. Wheeler informs us in. In the evening the club will be that after resting a short time he will devote entertained again in the opera house himself to the real estate business, such as

Duilding and selling houses and lots.

As a grocer, Mr. Purdy is nearly as well the club will-be admitted free; the until within the past six months, when he stairs; gallery 15 cents; children 10 has been east for his health, he was Mr. Wheeler's head clerk, and during the latter's liness off and on fer several years past, had seats. entire charge of the business Mr. Purdy i one of our most popular young men and well deserves the success he is bound to have.

COUNCIL PROCEEDINGS.

Interesting Amount of Business Did at the Last Regular. the speaker or the purpose of the

A regular meeting of the common audience out to greet Mrs Gen Custer council of the Village of Northville was held at the council room Monday evening, May 1st, 1893.

Pres. Chas L Dubuar in the chair were among Northville's most cultured Present trustees, Swift, Rayson Burgess, Clark, Wheeler.

Minutes of last meeting approved and following bills were presented and F R. Beal introduced Mrs Custer. In subst nce be said. 'Michigan has on motion allowed.

r. A. Perriu, repairs	\$8 80

one of the visitors secreted himse's somewhere in the room until night. Lanitor Dunne before retiring states for a drink of water. Upon reaching the corridor he heard a slight nose in room K and went there to investigate. When he reached the open door he saw a man walk from the Colembus urn to the window. As the unknown man thrust the urn beneath his coat and toward his pocket, Janitor Dunne shouted, "Drop that". The thief did not drop the urn but made a rush for the door. Before he reached it Dunne seized him and together the two men rolled upon the floor. The urn was dropped during the conflict. The men fought vigorously for the mastery for one of the visitors secreted himse't mg. frophe uning the confider in the mastery for several minutes, but finally the thief, loosened from the jantor's grip, jumped to his feet bounded out of the door and made his escape. But he left the little box of sucred ashes behind.

ONE THOUSAND DOLLARS

is the Reward Paid by a Newspaper for

New York, May 1.—Immediately fol-lowing the death of Jay Gould, of con-sumption, last December, and that of a number of other prominent citizens, The Recorder offered one thousand dol-

Physicians were appointed to conduct the invest gation, and a series of systematic tests were made with patients who volunteered in response to invitations which were publicated. The result of these tests were remarkable. A treatment which was presented by Dr. W. R. Amick, one of the leading physicians of Cincinnati, Ohio, profed so etheatious that The Recorder, acting on the advice of its physicians, hiss degiated the contest closed, and has awarded the sum of one thousant dollars to Dr. Amick. A check for that amount was handed—to

places the came of the graph decorated float came by their voices rose in cheers and songs to greet it, and the sur above closed, and has awarded the sum of them was a tossing sea of red, white and blue. The enthusian was perhaps greatest at the Learngton Roici, where are bresident Cleveland greeted the bell.

On the arrival of the bell at the Pennsylvana building in Jackson Park, Mayor Stuart, of Philade phia, delivered a short address, turning the bell over to the temporary care of Chicago and of the World's Tair officials. Wayor Haffison responded in a short speech of a ceptance on bealiff of consumption and other lung of the lity of Chicago, and President Palmer of the World's Tair officials and the lity of the Chicago and of the Chicago and of the Chicago, and President that the produce a new lung in a commassion spoke for the Chicago and statistical will infact arrest the progress short speech of a ceptance on bealiff of consumption and other lung of the luty of Chicago, and President that the produce a new lung in a commassion spoke for the Chicago and that it will produce a new lung in a commassion spoke for the Chicago and that it will produce a new lung in a commassion spoke for the Chicago and the tractory repend for himself and his clivity great and the services of the local World's Tair affectively repend for himself and his clivity great the last stages of consumption and that it will regain the figor of the local World's Tair affectively repend of the world and his clivity great the destruction of lung tisses, and stops the progress of disease effecting the Duke de Verigat addient at Chicago.

The Duke de Verigat addient at Chicago. The Duke de Verrgal - Adren. at Chergo Cases. These claims are fully borne out by the test Laide under the immediate event of the Recorder. In Christopher Columbus the discovered of the Recorder. In addition, its reporters have brought in interceus with nearly one lundred partial as and records have been retained to occur in the person of his descendant. —Duke de Veragau—when he reached the treatment in their own practice. confirms the decision of The Recorder-Dr. Annels still expresses his willingness to supply physicians and through them all surferers from lung trough their at sancers both leng troubes with sufficient medicines to test the effects of the treatment, without cost Application for the test medicines should be addressed to Dr. Amer, presonally at 166 West Seventh street Cin innact Ohio

The Columbi n Ball. The Columbian ball at the Mudison Square Garden in the evening, was in respect to magnificence of decoration and arrangement and of the large number of world-famous guests present the most splendid ever given in the new world. Besides the President and his the presentation of the Florida tiag, advisers, the Consection of the presentations of the Enited States and a Spanish Connection from, kentucky. California, Cincinnati and New York rooms in the namesake and lined descendant of hearsais, and on the opening night order named, then the presentation of Christopher Columbus, there were the diplomatic corps the admirals and subject to the state of acting the diplomatic corps the admirals and subject to the state of acting the other that instead of acting the constant of the state of the power in the world, governors of naighboring states and famous army officers. It was in fact, a gathering of celebrities so varied and so gloriously arrayed that the oldest and most traveled guest acknowledged that seldom or never had he seen a parallel to the gorgeous picture presented. The decorations of the garden were rich and elaborate, eclipsing in their magnificence and elegance anything every before attempted in the great auditorium.

Mayor Gilroy as head at the seen a parallel state of the garden were rich and elaborate, eclipsing in their magnificence and elegance anything every before attempted in the great auditorium. ordinate officers of every great naval power in the world, governors of neighboring states and famous army

ne repled pushing his fin ~-\[a 2015 through his long han and gaz mr fixedly at the jac his's woman ·i'e hat Ha' I would never do my

dear, and the few spectators who overheard this remark agreed with

him, for it v_s.s plainly not his forte.
He was an actor. His every movement indicated this but one of the od school. He had been L'aying serious parts so long that the assumed expression of the stage is ricined with him on the street and probably did not depart from him even in his sieen

Here as compared. Never says the Densel I me. It would be impossible and so the pur passed out of sight. Ever body on Sixteenth street that afternos? -m them

were not an ordine veculat, and has those who gluce? at then known then histor they would probably here is numbered some of the plan-Lue man in-his southful days gave

promise of become a great actor, but he diveloped centum exceptions the a veloped certain eccentrictions that always helf him in the lower tanks of the profession. His wife who was a celebrated ballet dance in her da, narried him when both were young and she has been a good and authority in the same through all his troubles. In first but for the all his floub'es In fact but for the money she carned he sould probab'y have starved

He is still an accentile man and his amountance in comedy would be a he has been the first walking gentleman in various companies. Once he as peared in comedy, and once only A manager who had known him in his early days resolved to give him a chance. He was cast for the part of a jolly o'd man who was very fond of the guls, in a skit which was brought out in an Eastein city many years

and poses on every opportunity. The front of a theater is his principal lounging place. He is positively delighted if any one looks at him, and to be pointed out as an actor makes him happy for an hour.
He carries in his pocket a chipping

from a little country paper in New York state which contains the only favorabe newspaper notice he ever received. This is exhibited on the slightest provocation, with the great es, pulle How does the man live '

His wif's supports him most of the time, and occasionally he gets &
