WEATHER SIG'S

Prove a Great Benefit to People Hereabouts.

WHISTLE CAN BE HEARD FOR FIVE MILES.

More than 1500 Signal Cards Now in Use.

The establishing by the government of a weather signal station here is proving of much more benefit than was ever anticipated by the promoters. Farmers and others have come to depend upon and watch for the signals every day, and Engineer Dohop of the Globe Co. has been their beneficent angel, fixing up the weather as regular as a clock and in about as improved a style as could be asked for day by day and week by week.

The demand for the signal cards has been far beyond the expectations of even those who fathered the scheme of getting the government to establish the station here. Over 1500 cards have been given out and yet the demand is not supplied. Farmers for five miles away can hear the whistle and have cards for cards. Every card has been exhausted, but all that may be supplied, we publish in this column the code complete, that those who have no cards can cut it out and keep for reference.

Weather Signals.

The warning signals to attract attention will be a long blast of from fifteen to twenty seconds duration, will be blown by the Globe Co.'s whistle at 10:15 a.m. standard time, each day for 12 hours local time. After this warning signal has been sounded, long blasts (of from four to six seconds duration) refer to weather, and short blasts (of from one to three seconds duration) refer to temperature; those for weather to be sounded first.

BLASTS.

One long..... Fair weather.
Two long..... Local rains.
Three long..... Local rains.

One short..... Lower temperature.
Two short..... Higher temperature.
Three short..... Cold wave.

INTERPRETATION OF COMBINATION: BLASTS.

1 long, alone..... Fair weather, stationary temperature.
2 long, alone..... Rain or snow, stationary temperature.
1 long and 1 short..... Fair, lower temp.
1 long and 2 short..... Fair, higher temp.
2 long and 2 short..... Rain or snow, high temperature.
1 long and 3 short..... Fair weather, cold wave.
3 long and 2 short..... Local rains, higher temperature.

The code is furnished by the weather bureau and is the same all over the United States. The forecasts are for the following 24 hours. Formerly the signals were blown at 10:30 but a train whistles for the station here at just that hour and to avoid confusion the signal time was changed to 10:15.

THE '98 BALL

THE YOUNG MEN GIVE IT IN THE RINK TONIGHT.

Finney's Orchestra and Everything for a Jolly Time.

The Young Men's Club, assisted by the ladies, give their '98 ball in Princess rink tonight. Finney's orchestra, including Finney and Stone, furnishes the music and it is needless to say the occasion will be one of rare enjoyment. The ladies are to serve luncheon to dancers in the rink without extra charge. Spectators receiving invitations will be admitted for 25 cents per couple, including lunch. It is understood that while the dancing will commence at 8:30 o'clock the programs will not be distributed until about 9:30. This will be a favor to late arrivals.

The patronesses are Madames Frank N. Clark, John H. Steers, T. S. Ball, Lyman L. Brooks, Frank S. Neal, H. E. C. Daniels, W. H. Crowl, Wm. H. Yarnall, Edwin Thompson, Samuel C. Cranston.

A New "Gibson Girl." A new "Gibson girl," drawn by the famous society artist, C. D. Gibson, will make her debut in print as the cover design for the February Ladies' Home Journal. The new "girl" is the artist's own little daughter, who, at one year of age, will be shown as drawn by her clever father. The legend under the picture is "My valentine."

Mrs. Alice Hughes, Norfolk, Va., was frightenedly burned on the face and neck. Pain was instantly relieved by DeWitt's Witch Hazel Salve, which healed their injury without leaving a scar. It is the famous pile remedy.

Suburban News.

Write it 1893—Plymouth Mail. A South Lyon man advertises for a sum of \$1,000.

The death column each week in the Times would indicate Milford as a very unhealthy town.

Michigan's game warden has been measuring up the fish nets in the state and says there's 3,000 miles of 'em.

L. C. Sherwood, formerly of Plymouth, has been appointed assistant cashier in the Union National bank of Detroit.

In the lead lines of a saloon row on New Years eve a Lansing paper says: "One man shot in the abdomen, the other in the saloon next door."

Until he smashed his finger with a hammer last week Ed. Gayle of Plymouth thought he had an ordinary knowledge of the contents of the English language.

Wedding bells will ring loud and strong next April. We furnish the finest kind of stationery for such occasions—Lafayette Times.

Here at Northville we furnish even the bells.

James Slocum, formerly of the Holy Advertiser will remove the first of the year to Columbus, Ohio, the Phila. Bicycle company, with which he is connected, having decided to make that city their headquarters—Times.

The State Sunday school Association has appointed Capt. E. P. Allen and Hon. J. K. Campbell as two of Michigan's seventeen delegates to the quadrennial International Sunday school Convention to be held at London next July—Ypsilanti.

There will be no preaching at the Presbyterian church next Sunday on account of the illness of Rev. Herbenet—Plymouth Mail.

There will be no preaching by Mr. Herbenet at the Presbyterian church upon any occasion. When Mr. Herbenet preaches in that village it will be in the church and not at it.

The Plymouth Mail says that some of the Record (Northville) man's jokes should be printed in this paper, so that the majority of his readers could see through them. Is that an intimation that people up that way are not overburdened with acute perceptibility?—Milan Leader.

Yes, but it only applies to the "Mail office" however.

Burglars "touched" several businesses places in Milford last week. A safe in the depot and a few bottles of "Golden Wedding" in Loew's saloon were wrecked. The extensive advertising of that brand of wet goods by the Fenton Independent gives rise to the suspicion that Genesee county talent may be implicated.

Delray is on state—a veritable Holland town in that respect. Old and young, married and single are all spending their leisure hours on the steel rollers this week. The Rouge is frozen solid clear to the mouth, and should anyone desire to take the jag cure, we have no doubt that he could skate clear to Northville in the other direction and thus save car fare—Delray Times.

With Delray people it is not so much a question of "desire" as duty.

When Col. John Atkinson bought a family mileage book over the D.G.R. & W. Railroad the other day he asked for a book good for himself and wife and three children. He afterward discovered that the accommodating agent had made the book good for the colonel, his wife and thirty-three children.

Chas. Powelson, an inmate of the Pontiac asylum, made a probably successful attempt to end his life at Milford Monday. Mr. Powelson, who had been employed on the farm of C. E. Lovejoy for several years was taken to the asylum last August. He had improved so much he was allowed to return to spend the holidays with his family. Sunday morning he found a shot gun and went to the barn, placed the muzzle of the gun at his left side and succeeded in discharging it. The charge of shot made a frightful wound.

STORES CONSOLIDATED.

CARPENTER, YERKES & HARMON NAME OF THE NEW FIRM.

Brief Resume of Northville's Hardware Business Since the 50's.

On Monday the two oldest hardware firms of Northville were merged into one and what was once the firm of Carpenter & Harmon of the corner hardware and A. K. Carpenter next door will be after transact business under the name of Carpenter, Yerkes & Harmon in the building at present occupied by Mr. Carpenter.

A short resume of the successive stages through which these firms have passed may be of interest to each concern as well as to the numerous Record readers. Way back in the '50's Robert McFarland did business in the old building recently removed to make room for the handsome brick building of J. S. Larham & Co. F. R. Beal bought McFarland out and then followed Beal & Northrup, Harrington & Northrup; Carpenter, Peeks & Co., A. W. Carpenter, Knapp & Linton, Knapp & Palmer, Knapp (D. W.) & Yerkes; Knapp (J. G.) & Yerkes; W. G. Yerkes and finally Yerkes & Harmon.

About fourteen years ago D. B. Northrup opened a store on the corner and shortly sold out to Geo. E. Waterman & Co., who were succeeded by Carpenter & Johnson and these by A. K. Carpenter.

Both A. K. Carpenter and Yerkes & Harmon are carrying heavy stocks and while one object in combining was to reduce stock, they will in the combination have the largest stock in Wayne County outside of Detroit.

The new firm has the details of business perfected to a nicely and each department will be directly in charge of a member of the firm. Mr. Carpenter will have charge of the plumbing, gas, fitting and general shop work; Mr. Yerkes will do the buying and Mr. Harmon will have charge of the accounts. The total business will receive special and careful attention. In short, the general business of the firm will be conducted in an up-to-date manner, if fact enterprise, experience and capital will work hand in hand.

The new firm expects to be under one roof some time next week.

BANK AT FARMINGTON

A New One Was Organized There

This Week.

And now Farmington is to have a bank of its own. The organization was perfected this week with the following stockholders: Dr. Holcomb, C. J. Sprague, Fred. M. Warner, F. Dean Warner, Oscar and George Whipple, B. Pierce and Clint Wilbur. The officers are P. Dean Warner, president; C. J. Sprague, vice president; Clint Wilbur, cashier. The directors are Messrs. Holcomb, Sprague, Pierce, P. Dean and Fred M. Warner and George Whipple.

It will be a private bank, much the same as that of J. S. Lapham & Co. of Northville, and will be known as the Farmington Exchange Bank. Brick for the new building is already on the ground and it is expected that the new building will be completed and everything in running order by the first of March. The well known standing and business ability of those interested in the new concern is ample assurance of the bank's safe business, as well as its financial success.

Joint debate at Plymouth Jan. 14.

The Algebra I class will be turned into an Arithmetic class before long.

A coat of "dust layer" has been applied to the floor of the main room. It is said that this preparation absorbs all dust which settles to the floor.

The Virgil class has been divided into two divisions. One part prepares daily 25 lines in the third book and the other part prepares besides 25 lines in the seventh book.

During vacation the row of double desks was removed to the laboratory, and the single seats were moved apart, so everyone sits alone now. Several pupils were crowded out by this arrangement, and now May Porter, Grace Porter, Lizzie Johns, Norine Clarkson, May Coldren, Virgil McNitt and Jessie Hutton do all their studying at home and come to school only for recitations.

The Lyceum meeting Monday evening was very interesting and well attended. Clifton Covert read a speech on "Books." Prof. Billis described a trip on the Great Lakes and the St. Lawrence. Miss Dubuque and Miss Clarkson furnished fine instrumental music and Miss Norine Reeb rendered a very amusing recitation. The debate on the subject, Resolved, "That the laboring man is of more benefit to society than the capitalist," was won by the affirmative side. The next meeting will be held Monday evening Jan. 14.

The Cloak

Event
of the season is our January Cloak Sale,
commencing Saturday, January 8.

Nearly a hundred Stylish, Up-to-date, Well Made Garments at prices which the maker could not duplicate.

Never before so late in the season have we shown so good an assortment. You can buy here for a few days and get some choice garments at little cost.

This applies in particular to those who wear sizes 32 or 34.

Some are Rough Goods lined with Satin Rhadame and trimmed with Braid.

Some are Rough Goods lined with Roman Stripe Silk, some with Changeable.

Other styles are made of Fine Kersey, with choice Fancy Linings. The cloth is to be had either in Black or the best shades of Green.

We also have many Good Beaver Capes and Jackets. The kind that keeps the body warm, don't wear very many years or look extra good, but the price is what sells them.

50c, 75c, \$1.25 and up to \$3.

Just think of it, a Cape for 50c! and it is a double cape, and has some fur trimmings on the collar; or imagine a Heavy Cloth Jacket for \$1.98!

Hosiery and Underwear!

It is a great satisfaction to buy where one has only the gratification of the taste to think of knowing that the quality will be right.

We always endeavor to sell Good Underwear whether it be only a 25c garment or a \$1.50 garment. We always see that it is well made and as good in every possible way as it can be got up for the price sold at.

Again we know a difference between "Alabama" Wool and Sheep's Wool although the latter may cost a little more it's more satisfactory this weather.

In Hosiery

Not low Cheap but How Good is our principle. Our large trade in Hosiery was not built up on cheap trifles. On the contrary such makes us "Onyx," "Gordon," "Albion" and "Hornblower" are the foundation of our Hosiery department.

To-day we want to tell you about the best Cotton Fleeced we ever saw for 15c pr for Boys and Girls, all black, all sizes, good firm Stocking and well fleeced.

We have another Hosiery that is nearly all wool at 15c pr, a very good wearing Stocking.

Whence you going to have your Sale?" is asked of us many times each day.

Fact is, care pretty busy as it is, and are taking good care of our customers who want to buy goods cheap, as well as get good goods.

In next week's Record we shall speak of Special Sales more fully.

Northville people can rest assured that they need not go out of town to buy goods cheap.
