PAINE'S CELERY COMPOUND

Does a Wondrous Work for a Lady Who Was Almost Crazed with Pain and Suffering.

It is well known that terrible rheumatism, sciatica, and neuralgia cause more helpless ress, acute suffering, and agony; than any of the other diseases that afflict humanity. The great medicinal virtues of Paine's Cellery Compound make it the only frustworthy specific for the cure of all forms of rheumalism and neeral gas. Thousands of storig testimonal letters from the most prominent people of the land, grove that Paine's Celesy Compound has bankshed these terribly fatal troubles, yier all other trutment has failed. Mrs. Mac-garet Bethe, of Frances, Minn.; elect theny years of agonying tenergy had a desire to end her life, if it's the will of Heaven; she also most prayed for the time to lay it down. Heavensometed, she made use of Tames Celary Compound, and is enjoying true life once more. She says:-

"For thir, years I have been a great surferer from souralgia in the head, and also with focusation in the whole body. I began taking Paint's Celery Compound and soon found I washing the Compound my life was such a burden that I almost prayed to lay it down. I was bedies every-two teeks with hornble par in the head, back, and nech, until was almost am really enjoying life again, Paine's Ceery Compound. I ar gara, nanks to I am somsfel that my life has been prolonged many y as by its use.

ANOTHER VICTIM ROPED INTO WATER DEAL SCANDAL.

Grand Rapids, Mich Dec. 16 -It is learned that one of the reat warrants to be issued by the prosecution in tae later scandal cases will be for one of the members of the grand jury that convened in this crimin May, 1800, and investigated the Lake Michigan water dear

It is stated that in Salsour, s confession to the prosecuting officials he divulged the name of a juror to whom he says he paid \$360 in consideration of a complete report of the proceedings of the grand jur., which was furnished daily.

There was much speculation when the grand jury was in session in regard to how the jutormation from the inside of the grand jury room was learned, and this disclosure appears to explain it all. The charge may he contempt of court, or may even be

Another prosecution is to be pushed in connection with the water gases. The new lictim is William Leonard whose arrest has been ordered by Prosecutor Brown The Information against Leonard is drawn under section 11 308 of the revised statutes, and covers eight closely written typewritten pages, charging Leonard with the crime of subornation of perjury.

Leonard appeared in court Tuesda. afternoon and refused to plead Judge Newnham ordered a plea of not guilty pro forma entered. Much to Leonard's surprise he was neld in \$2,000 Much to Loonbonds, with two surcties, which he

Leonard's case, which came up dur-ing the trial of Salsbury in November, 1991, has been running through the court eilendars ever since, but he has never been arraigned in superior court and the information has never been

The charge against Leonard is sub ornation of perjury. He was accused over two years ago in connection with ex-Senator Nichols of attempting to bribe F. H. Garman, one of the star wither sees for the people in the water cases. Nichols was tried and acquit fed, but the case again f Leonard was never me hed

Live Stock Breeders Opposed to Can-· adian Reciprocity.

Detroit, Mich, Dec. 16 .- The shortforn was king at the Griswold house Tuesday afternoon, where several hundred prominent live stock breeders met to discuss one of the vital foctors in the state's prosperity. A more successful meeting the Michigan Improved Live Stock Breeders' association has not held in some years, and a note of optimism was discernible in every one of the instructive papers read The general meeting will be on call today; yesterday the sub-organizations had their several innings with the shorthorn breeders-in the lead for numbers and enthusiasm.

The breeders are stoutly opposed to eciprocity with Canada, and it is understood that the committee on resolitions has already drafted resolutions attacking the reciprocity policy. In his address before the Michigan Shorthorn Breeders' association yesterday afternoon, President N A_ Clapp of . eclaring that "it means the swapping Canadian farm products"
