## WARNER'S LETTER AT ALPENA

CREATED MUCH ENTHUSIASM  
WHEN IT WAS READ.

Favors an Uncomplicated Effective  
Primary Election Law.

At a republican congressional convention held at Alpena last week gubernatorial candidates Stearns, Warner and Horton were present but each sent a letter. Fred Warner's letter when read created the most enthusiasm and we copy it in full from the Detroit Evening News:

It is the mission of the republican party before another legislature shall have adjourned, to give to the people of this state an effective primary election law. A law which without complications or delay will make it not only possible, but practicable and certain.

"The people shall have placed in their hands" power to abolish corrupt influences in the making of nominations and the securing of an election.

"This law I believe should be most carefully drawn and should represent the most mature deliberation and the best thought and experience of the law-making bodies. The central fact should always be kept in mind that the evil to be done away with is the improper use of money, money patronage and other corrupt practices have been making nominations for public office. I believe firmly that the next legislature of this state will pass such a law, and I count it my privilege to stand shoulder to shoulder with the conservative friends of honest government in the support of such a measure, and not only its enactment, but also its effective and fearless enforcement."

Home, Warner was present and made a nice talk and sang "The Sword of Bunker Hill" and was given an enthusiastic reception. Warner delegates from Alpena were elected several weeks ago.

Well Known Plymouth Boy Pneumonia Victim.

The many Northville friends of Fred Shafer of Plymouth learned Wednesday with much regret of his sudden death from pneumonia after but a day's illness. ## FARMERS' MISTAKE

COST HIS LIFE AND THAT OF  
ONE CHILD.

PUT STICKS OF DYNAMITE IN  
COOK STOVE OVEN.

WIFE AND OTHER CHILDREN  
BADLY HURT.

Corunna, Mich., April 27.—William Francis and his baby were killed and Mrs. Francis and two other children badly hurt by an explosion of dynamite that destroyed the Francis home near Corunna. Francis had a quantity of dynamite for use in blowing out stumps and placed some of the explosive in the oven of the stove to dry it exploded with terrific force.

Farmer Francis, a well-to-do young land owner, had been engaged for some days in removing stumps from a piece of new-land. To make the stump digging easier dynamite was used, and it had proved very successful in blowing the biggest and "root" stumps clean out of the ground.

Francis found that the dynamite was slightly damp, failing to explode with the ease desired, so he returned to the house from the field, carrying the 25-pound package of dynamite sticks in his hand. There was a low fire in the kitchen stove and into the oven the dynamite sticks went.

That was the last Francis thought about it until with a blinding flash and a deafening roar the side of the cook stove came crashing down through the living room wall and the consciousness of a neighbor's wife who was in the room at the time was so shocked that she fell unconscious.

The father and one child lived but a short time. The mother and child are in a serious condition.

Albert Cone sent from Monroe June 8 1901 to Jackson prison for five years.

A commutation of sentence was granted in the case of Frank Smith sent from Ingham county in June 1900, to Jackson prison for five years for stealing wool. His sentence would expire in July but he will be released at once.

## Tuberculosis Congress Delegates.

Lansing, Mich., April 27.—The following delegates have been named by Governor Bliss to attend the American International Congress on Tuberculosis to be held at St. Louis Oct. 3, 4 and 5 1904 to serve as such without expense to the state: Ernest L. Shirley, Oscar LeSueur, F. Lyndon Newman, Charles T. McIntock, Charles G. Jennings, all of Detroit; Lyman W. Biss, Saginaw; Joseph H. Cowell, Saginaw; Victor C. Vaughan, Ann Arbor; George Dock, Ann Arbor; Oscar R. Long, Ionia; Henry C. Maynard, Hartford; B. D. Harrison, Sault Ste. Marie; J. B. Whinery, Grand Rapids; Benjamin F. Horner, Lake Odessa; H. J. Hartz and Louis J. Rosenberg, Detroit.

## No More Switching For Him.

Flint, Mich., April 27.—R. P. Countryman of this city was at one time spare switchman in the Pere Marquette local yard and at spare times keeps his hand in by chasing the engine about the yard. Late the other afternoon, after throwing a switch, he attempted to board the fast moving engine by jumping on the footboard on the rear end of the locomotive, but he missed the step and was knocked down and shoved along the track several yards before he was able to draw himself up by catching hold of the tool box. The accident was witnessed by several bystanders who expected to see Countryman's body mangled at any second. Upon being released Countryman left the yard and will probably devote his spare time somewhere else in the future.

My general health is much improved by its use, as I am much stronger than I have been for years."—W. E. Griffith.

### A Congressman's Letter.

Congressman H. Bowen, Ruskin, Tallapoosa county, Ga., writes:

"I can cheerfully recommend your valuable remedy, Peruna, to any one who is suffering with catarrh, and who is in need of a permanent and effective cure."—H. Bowen.

Mr. Fred D. Scott, Larue, Ohio, Right Guard of Hiram Foot Ball Team, writes: "As a specific for lung trouble I place Peruna at the head. I have used it myself for colds and catarrh of the bowels and it is a splendid remedy. It restores vitality, increases bodily strength and makes a sick person well in a short time. I give Peruna my hearty endorsement." Fred D. Scott.

Gen. Ira C. Abbott, 906 M street, N. W., Washington, D. C., writes:

"I am fully convinced that your remedy is an excellent tonic. Many of my friends have used it with the most beneficial results for coughs, colds and catarrhal trouble."—Ira C. Abbott.

Mrs. Elmer Fleming, orator of Reservoir Council No. 168, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 2385 Polk street, N.E.:

"I have been troubled all my life with catarrh in my head. I took Peruna for about three months, and now think I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail. I can heartily recommend Peruna as a catarrh remedy."—Mrs. Elmer Fleming.

### Treat Catarrh in Spring.

The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failure if Peruna is taken intelligently during the favorable weather of spring.

As a systematic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of The H. Hartman Sanatorium, Columbus, O.

Eight cents a pound is what a young woman paid for two pounds of flesh.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion.
