"CIRCLE N" BOYS CROP ANOTHER

"Acme Qualities" Were the Victims Saturday.

The "Acme" fellows from Detroit paced out here Saturday and ran up against the Northville "Circle" boys in one of the liveliest games of the year. It ended by a score of 10 to 9 in Northville's favor.

The Acme's had the home team scared in the ninth when they ran in two scores coming within one of tying the game.

Brilliant and Stimpson did the battery work for Northville.

One feature of the game was Todd's running one-handed catch of a dizzy fly in the 5th.

Carl Stimpson stole second and

third sacks and played an all around corks game, as did all the Circle. The Acme's second baseman fell asleep and allowed the Northville boys to do a lot of thieving.

BALL GAME ON OCCASION OF
50TH BIRTHDAY.

Circle N's Coach Given a Fine
Send Off.

In honor of Coach Dr. T. H. Turner's fiftieth birthday, the "Circle N" boys played a game of ball here yesterday with the Milford team. The doctor has been the real "Hughie Jennings" for the Northville boys and much of their good work on the diamond is attributable to his labor.

The game was 3 to 3 in Northville's favor.

During the game Doctor Turner was presented with a beautiful silver loving cup by the Northville team. The cup was appropriately marked and had the team's emblem "N" inside a circle engraved on the front.

In the evening Mrs. Turner surprised the boys, and the doctor as well, by giving a banquet to all the players and officers of the club on the lawn at the Turner home on Main street. This was an enjoyable affair.

Want Them to Ask.

Editor Record: The Lady Macca-bees desire through the Record to suggest that parties in our town ask for the key to the L. O. T. M. lockers before they get caught breaking their own key in the lock, trying to gain admittance for things that do not belong to them.

A Man of the People.

In its issue of July 30th the Lansing State Republican carries an entire page devoted to the display of 100 newspaper comments from grange labor, fraternal papers and from metropolitan daily and country weeklies favorable to the candidacy of Patrick H. Kelley for governor. There has been no effort made to malign either of Mr. Kelley's opponents and the comments are confined to the favorable things which the press of the state has said concerning the Lieutenant Governor even including kindly comments from papers which are not supporting him. It is claimed that no such tribute has ever before paid a republican for gubernatorial honors and when the diversity of the interests included are concerned and the fact that the clippings have been taken from papers in every portion of the state is considered, this is probably true. It is a remarkable testimonial for the man now seeking honors at the hands of his party and proves most conclusively that he is admired and trusted throughout the length and breadth of the state. In the words of the State Republican it proves Mr. Kelley to be "A Man of the People."

Michigan Pretty Good State.

In a recent speech made by United States Senator Owen in the United States Senate he said:

"Michigan is a pretty good state. It is a state which has made a record for itself in the history of the nation. It is a state which has made a record for itself in the history of the nation. It is a state which has made a record for itself in the history of the nation."

The following statement is made by Auditor General Fuller under the date of July 29th:

"We have the honor to acknowledge the receipt of your letter of the 27th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration."

Does a two million dollar bond look like thirty cents to a rich man or to a poor man? Most people think Michigan is a pretty good state and never knew before that it was so badly "diverted" or bankrupt.

The editor who can please everyone is not suited for this earth, but is entitled to wings. Human nature is so constituted that some of our readers would like to have us tell the unvarnished truth about them, while others would like us to tell them what they want to hear.

It is a comforting thought to the editor to know that the Lord himself did not please everyone while on earth. We labor hard to entertain and please our subscribers, but that we should occasionally fail is to be expected; but you will always find us willing to be forgiven.

Had to imagine it.

Chambers—I think a man should never miss an opportunity of improving his mind. I don't wish to boast, but I can truthfully say that I began to improve my mind as a young man, and have gone on doing so ever since.

Chubb (reflectively)—Great Scott! What a state your mind must have been in when you started on it!—Stray Stories

Curiosity on the Farm.

A little girl of the electric lighted places went to her grandfather's farm to spend the summer. She saw an unfamiliar animal on one of her strolls and ran to the house very much frightened. "I don't know if it was a snake or an owl," she said, "but it ran crooked and spit fire, and I guess it was a griffin."

Candidate for United States senator. Is a man in the prime of life, with an experience of nearly four terms in congress, and a record which is markedly progressive. He was sponsor for the railroad rate bill recommended by both Roosevelt and Taft and is recognized as an authority on the subject of rate legislation. He has taken an active part also in framing much of the constructive legislation enacted during the last two administrations, and has attained national prominence as a result of the close attention which he has given to matters of legislation.

Don't Kiss the Baby.

An enterprising eastern manufacturer is turning out gold buttons bearing the warning words, "Don't Kiss me," and intended for babies whose mothers are afraid of germ contamination. Of course, however, the same buttons would do for young ladies who have the same fear and in case of a change of heart on special occasions they could place a finger over the first word of the motto.

IT IS JUST AS EASY FOR ONE FIRM IN BUSINESS AS FOR ANOTHER TO "TALK," BUT WHEN IT COMES TO "MAKING GOOD" THAT'S DIFFERENT, IT TAKES KNOWING—HOW, MONEY AND A GOOD NAME TO GET THE BEST LINES OF GOODS INTO A STORE. IT IS A MISTAKE TO THINK THAT ANY MERCHANT CAN BUY ANY LINES OF GOODS HE WANTS TO BUY. THE MAKERS OF THE BEST GOODS HUNT FOR THE BEST STORE IN A TOWN TO HANDLE THEIR LINES, AND WHEN A MANUFACTURER HAS ONCE PLACED HIS LINE IN A STORE THERE IT STAYS. THIS IS WHERE THE KNOWING—HOW COMES IN. THEN BILLS MUST BE PAID. THAT TAKES MONEY. THEN THE STORE MUST GIVE ITS PATRONS A SQUARE DEAL—GOOD STUFF FOR THEIR MONEY. THAT BEGETS A GOOD NAME. All Wrong.

The Mistake Was Made by Many Northville Citizens.

Don't mistake the cause of back-ache. To be cured you must know the cause. It is wrong to imagine relief is cure. Backache is kidney ache. You must cure the kidneys. A Northville resident tells you how. Mrs. John Raymond, Linden Ave., Northville, Mich., says: "I used Doan's Kidney Pills, procured at Murdock Bros. Drug Store, and they did me a wonderful amount of good. I suffered from dull, nagging backaches, felt tired and languid and had no strength or energy. I was unable to rest well and in the morning on arising my back was lame and sore. Doan's Kidney Pills helped me from the first and soon after beginning their use the disagreeable symptoms of my trouble had disappeared. I now feel better in every way. I can recommend Doan's Kidney Pills as a remedy of great merit in cases of kidney complaint."

For sale by all dealers. Price 50 cents. Foster-McBurn Co., Buffalo, N. Y. sole agents for the United States. Remember the name—Doan's—and take no other.

C. D. Potter, editor and publisher of the Farmington Enterprise, has purchased the Redford paper, edited by Miss Anna Labber, of that place.

Mrs. Hulda Simmons celebrated her 50th birthday last Friday. She was the recipient of ninety-five post cards sent by Northville and other friends throughout the United States.

Did you see the balloon Monday? The one from Jackson passed over Northville Monday noon and was plainly visible. There was a lady on board and it landed safely at Mt. Clemens.

Mrs. Ida Lee, who has been confined in Grace hospital the past two months from a broken hip, is able to get around on crutches a very little. Her many friends hope to see her in Northville soon.

L. D. Cole of Mt. Pleasant was instantly killed last Monday by an accident to his auto. He was well known in Northville as the builder of the new high school building and the Lapham State bank building.

Receiver, Babbitt for the scale company has about forty men at work and is turning out about forty scales per day. This is a better showing than the old company made, as the expense is much less.

The ladies of Northville and vicinity are invited to attend a free lecture on "Health and Steps to Symmetry," given by Mrs. F. E. DuPaul of Detroit in the Methodist church Wednesday afternoon, August 10th, at 3 o'clock.

The Misses Myrtle and Anna McHugh, who have successfully carried on millinery business here the past four or five years, have sold out to Mrs. John McCully, who will carry on the business. Mrs. McCully will make her announcements later.

During the storm Monday night G. P. Allen, our well known store repairer, was blown over with his wagon while coming home from Plymouth. The accident occurred near the tunnel. Although not seriously injured he received several bruises but is able to be out.

The reasons why Lieutenant Governor Kelley should be governor of this state are numerous. The main reason is because he is the best qualified for the position and has, through years of service to the state, been proven honest and above reproach.—Clio Messenger.

Will Mosher and Rev. N. E. Mosser went up to Commerce this week fishing and huckleberrying. Three bushel of the huckles was the result of their labor besides a few fish. Mr. Mosser plucked sixty quarts in just nine hours and captured the big medal.

That Mister Kelley just about hits my eye. He's big, good natured and has the poll. The poll horse is a safe one to bet on every time there is a free for all race. Kelley may do things to be proud of and his friends are not slow in telling about 'em.—Arenac County Independent.

According to Supt. Wilkinson, the adequacy of the water works as a fire extinguisher is impaired by allowing the use of hydrants for any purpose other than for which they were intended. They are apt to become leaky from constant use and to repair them requires the shutting off of a main. Mr. Wilkinson will recommend special pipes for public sprinkling and similar purposes.

After a heavy meal, take a couple of Doan's Regulants, and give your stomach, liver and bowels the help they will need. Regulants bring easy, regular passages of the bowels.

The Record is forty-one years old today.

The walls of L. W. Simmons' new house on Wing street is completed and the carpenter work has been commenced.

Mrs. Vanderboort is slowly recovering from severe injuries received in a street car collision near Pontiac a few weeks ago.

Marvin Sloan had the best field of wheat in this town and Geo. Rattenbury comes near having the best field of corn in this vicinity.

The members of the G. A. R. and W. R. C. boarded a special D. C. R. car at 6:30 this morning for Detroit from where they will go to Toledo where they will join the Fairbanks lodges and picnic for the day.

The large barn of Norman Miller, rear Plymouth, was struck by lightning Monday night and burned to the ground. A large quantity of hay, grain, etc., was stored in the barn. The loss was about \$2,000. Insurance \$700. A fire standing near the barn was blown over but was not damaged in any way.

The Northville Foresters will give an excursion to Bois Blanc Island Saturday, August 27. This will be their annual picnic occasion. Get your tickets of the Foresters. Round trips to Detroit 50 cents. Special electric car leaves Northville at 7:00 o'clock a. m. Fare on boat 35 cents. Everybody invited. Good time is assured.

The musical given in the Ladies' Library last Friday evening by Mrs. Withee and daughters of Detroit was exceptionally good. The young ladies showed marked ability as mandolin and violin players, while the piano accompaniment by the mother makes a program to be enjoyed by any audience. The Mate Quartet, Ray VanValkenburg and Guy Filkins gave selections which were also well received and enjoyed.

One of our citizens who occasionally wipes the dishes for his wife, became tired of the job and refused, saying that "it is not a man's work." Not feeling disposed to lose his help she brought the Bible out to convince him of his error and read as follows from II Kings, 21:17: "And will wipe Jerusalem as a man wipeth a dish, wiping it and turning it upside down." It is needless to say that he is still doing his occasional stunt.

It is indeed refreshing to see and hear a man, who has and is conducting a clean cut campaign for a political office. It has been our pleasure, among hundreds of thousands of others to hear the plain, honest and common sense talk given the people of our great state by the Hon. Patrick H. Kelley who is aspiring for the governorship of Michigan. What a treat to watch the fleet, Governor step to the front of the platform and in his upright and convincing manner, talk to the audience straight from the shoulder.—Detroit Social Moose.

I wish to announce to the public that I have opened a first class barber shop in the old post-office building and will be pleased to have a share of your patronage.
—E. C. WILKINSON.

Card of Thanks.
I wish to thank the friends and neighbors for kindness rendered and beautiful flowers sent during the sickness and death of my wife.

Ozone for Purifying Water.
The value of ozone as a purifying agent for water is being recognized in many places. Its attack upon infusorial life is akin to the process of combustion. Any well constructed, apparatus by which air charged with ozone may be made to traverse the water answers the purpose. Professor Soper of Columbia University, has found that New York water is not only sterilized by the ozone treatment, but that unpleasant odors are removed. Prof. Geddes, of Glasgow, is quoted as saying that the use of ozone will render costly filtration plants virtually superfluous. At Baltimore an ozone plant, capable of treating 10,000,000 gallons daily, is about to be put in operation, and in Europe the method has been adopted at Nice, Brest, Chartres and elsewhere.

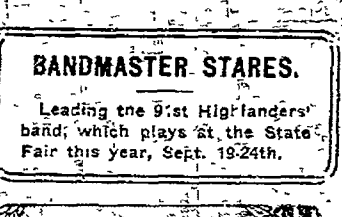

Improvement Coming.
Enraged Creditor—"I've had enough of prouthing all these stars every day to collect this bill." Debtor—"Well, I can tell you a piece of news that will please you. After to-morrow I'm going to live in the basement."—Pete Mele.

Itching, torturing skin eruptions, disfigure, annoy, drive one wild. Doan's Ointment brings quick relief and lasting cures. Fifty cents at any drug store.

Coming Easy.
Mrs. Gramercy—What in the world put the idea of a divorce in your head? Mrs. Park—I've been so happy here in the country with the check my husband sends me regularly. I'm sure living on alimony must be the ideal existence.

Are Doctors Any Good?

Foolish question! Yet some people act as if a medicine could take the place of a doctor! The best medicine in the world cannot do this. Have a family doctor, consult him frequently, trust him fully. If we did not believe doctors endorsed Ayer's Cherry Pectoral for coughs and colds, we would not offer it to you. Ask your doctor. No alcohol in this cough medicine. F. C. Ayer Co., Lowell, Mass.

If we did not believe doctors endorsed Ayer's Pills for constipation, biliousness, sick-headache, we would not offer them to you. Ask your own doctor about this.
