IMPRESSIVE FUNERAL SERVICE SUNDAY

TWO MASONIC ORDERS ATTENDED IN A BODY.

Burial was at Old Home at Wales, New York.

The Charles M. Joslin funeral was held from the Presbyterian church Sunday noon, Rev. Wm S. Jerome, for many years Mr Joslin's pastor, officiating. The order of Eastern Star and Knights Templar Commandery attended in a body, and the latter organization acted as escort from the home and from the church to the depot.

Eminent Commander Kimball of the Northville Templars had charge of the Masonic services, assisted by Chaplain Harlan. The impressive loss of this service was greatly added to by the touching impromptu tribute paid the deceased by the Eminent Commander.

The church was filled to its capacity by Mr Joslin's many friends, gathered to pay a last tribute of respect and to drop a final tear for the one whom Northville people have known and loved for these many years.

The casket, laden with magnificent flowers, was placed aboard the afternoon train and accompanied by the family, taken to the old home at Wales, N. Y. for burial in accordance with Mr Joslin's last request.

Card of Thanks.

With deepest gratitude, the wife, children and brother of Mr. Joslin, acknowledge their great indebtedness to each and every friend for the numerous words and deeds of sympathetic kindness—personal and rough organizations—so constant, thoughtfully and unselfishly bestowed throughout many days of suspense and sorrow.

SISTER OF HIRAM HOLMES OF NORTHVILLE TOWNSHIP.

Mrs. Amanda Holmes-Norton, sister of Hiram Holmes of this town, died at her home in Arkansas City, Kansas, April 22. The remains were brought here for burial Monday and Rev. Mr. Murdock officiated at the services. The interment was in the Yerkes cemetery.

From the age of three until her marriage in 1847, she lived with her parents on the Holmes farm west of Northville and upon the death of her husband in 1864 she returned to this place with her two children where she lived until 1887 when she moved to Kansas.

All who were acquainted with Mrs. Norton will remember her quiet unassuming way, her kindly disposition, her sympathy for those in trouble, her devotion as wife and mother.

The Record's Voting Contest

Elegant Oakland Piano And Many Other Valuable Prizes To Be Awarded To The Successful Contestants.

NORTHVILLE MERCHANTS WILL ALSO GIVE VOTES

Read The Announcement And Particulars On Last Page of The Record And Get An Early Start In The Game.

When it became known The Record intended to inaugurate a popular voting contest, interest began to develop and many are inspecting the plan with a view to aiding a friend in winning the handsome \$400 Oakland Piano or some of the other prizes that are offered.

Many nominations will soon be made and votes cast.

Such valuable prizes as are offered are worth working for and will no doubt fall to the lot of the industrious, worthy and interested ladies who make an effort to win. A piano is the pride of any household and the fact a number of other prizes not usually found in contests are being given away make it doubly interesting.

The prizes given by the merchants in the list are all fine ones and the contestant who makes a good showing and falls to win the piano will be awarded one of the other valuable prizes.

Read the rules elsewhere in this issue, or we will mail them on request. Inspect the offerings of the merchants and learn how you may secure votes for yourself or friend. Be sure and ask these merchants for coupons.

Use the twenty-five vote coupon in this issue and cast it for some one as it may be a starter of a winner. Fill out the nominating blank and send

it or hand it to the publisher, as this act may be the means of helping some deserving lady to win a hand some piano or some of the other valuable prizes enumerated in the list.

The contest is without doubt the biggest business getting enterprise that has ever been presented to the people of Wayne and adjoining counties.

While The Record enjoys a prosperous business, nevertheless we are always reaching out after more and in our present method of helping we hope in turn to help ourselves. We expect to increase our subscription list at an exceedingly rapid rate, and thereby benefit the advertiser.

Remember that a number of our merchants are interested in this contest and give twenty-five vote coupons with every dollar cash purchase. Also those who do not fully understand the rules and regulations of this contest can call or write this office and we will be pleased to go over the proposition with them.

The merchants are: Jas. A. Huff, Hardware; C. E. Ryder, Grocer, Chas. A. Ponsford, Dry Goods; Wm. H. Cattermole, Implement Dealer; Wm. Gorton, Clothier, Schrader Bros., Furniture, A. E. Stanley, Druggist, W. L. Tinham, Shoes; Otto Loomis, Jeweler; Mrs. G. A. Tinham, Milliner, F. Oldenburg, Grocer.

Makes Us Tired.

This constant howl about state taxes makes any thinking man tired. State taxes are a very small portion of the real burden—if it is a burden—the taxpayer is called upon to pay. For instance last year on a \$1,000 assessed valuation the state tax in this town was \$2.36 while the town tax was \$2.42, the county \$1.15 and the school tax was \$6.17. We never hear anyone kicking about the school tax which is as much as all other taxes combined. And the town and county tax is never objected to but the two together amounts to more than the state tax. Why bless your souls, you poor taxpayers don't know what you are talking about. And it's the rich fellow who does all the hollering at that. The man with the little home doesn't find much fault about taxes. He believes he is getting it back through the streets, wells, water, lights, schools, etc., all he pays and as a rule is thankful because his taxes are as low as they are. The wealthy men however—the man who pays taxes on about half what he's worth—is the kicker, and he always lays it up to the legislature and the state administration. Just think of it \$2.36 on a \$1,000 valuation last year to support the state of Michigan. And what does it do? Why, it maintains its five large asylums, its three state prisons, its two industrial schools for boys and girls and one children's home. Its feeble minded home, its school for the blind and if that isn't enough for your \$2.36 add on the great University at Ann Arbor, the four normal schools and the two noted military schools at Marquette. By this time your \$2.36 is pretty well gone but the balance of it—probably thirty-six cents—is divided among the state offices, the legislature, the state library, military, supreme court. In the meantime Mr. Taxpayer just figure out that you have at the same time been spending \$9.71 in county township and school taxes.

Don't Wait Too Long.

Half the joy of life comes from getting good out of things as we go along. Some of us are always putting off our enjoyment. After a while, we expect to take a rest, see a friend, read a book or buy an auto. But after a while never comes the good times we are looking forward to. We are always putting off our pleasure. It and enjoy it. Meanwhile we are getting old and growing old passing by with useless eyes and happiness we might get out of every day.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When the tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can be cured by Hall's Catarrh Cure. Send for circulars.

No Reason for It

When Northville Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney-ills when relief is so near at hand and the most positive proof given that these ills can be cured. Read what a Northville citizen says:

W. H. Denton, Horton Ave., Northville, Mich., says: "Some years ago my kidneys were badly disordered and I was annoyed by too frequent and painful passages of the kidney secretions. I suffered from severe pains in the small of my back and I seemed unable to get relief. Finally I procured Doan's Kidney Pills from Murdock Bros., Drug Store and they soon drove away the pain in my back and strengthened my kidneys. I do not hesitate to recommend this valuable kidney medicine to anyone afflicted with kidney complaint."

For sale by all dealers. Price 50 cents. Foster-McBride Co., Buffalo, N. Y. sole agents for the United States. Remember the name—Doan's—and take no other.

The Northville All Stars simply whirled the Plymouth boys last Saturday by a score of 18 to 16. A New man on 7rd and Horabach on 1st did some good playing while Stimpson pitched a good game. The All Stars will go to Plymouth this afternoon, and will play here a week from tomorrow.

W. H. Cattermole has taken out the plank floor in his agricultural building on center street and will replace it with cement on a level with the street. Mr. Cattermole will equip the place as a garage and will make a specialty of repairing, caring for and washing automobiles, a place much needed in the town.

The nine gambling slot machines are still thriving in the village in defiance of the law and it must be the village authorities look with favor upon these devices which as a rule are barred even from the toughest joints in Detroit. Marshal Bogart says he will act in the matter just as soon as the village authorities tell him to and there's where the matter rests at present.

The Misses Christina Klett and Permelia Kohler had an experience Monday afternoon when they were driving through the streets of Plymouth in a spring wagon a bolt came out of the shaft, frightening the horses, which ran for a couple of blocks, threw the girls out and then broke away and ran farther until finally caught by Mr. Penny, who loaned them a buggy in which they could return home. The girls were not seriously injured but considerably frightened and shaken up.

THE DOCTOR'S QUESTION

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient for any of the ailments of the bowels is "Are your bowels regular?" He knows that ninety-eight per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 50c. Sold only at our store, The Rexall Store, A. E. Stanley & Co., Northville.

Beware! Feel heavy after dinner? Forget constipation? Better fast? Compound on salina? Laxer faster, with less pain! Regularity cures bilious attacks. 25c at any drug store.
