## TOOK TOO MUCH BOOZE SAT. NIGHT

### TWO MEN FROM NEAR SALEM "ON TARE"

They Finally Landed in the City  
Bastille.

Four of the employees of Ed Meyer's lumber camp near Salem came over here Saturday night, for the usual week end Northville excitement and wound up by getting gloriously drunk at one of the local bars. John Campbell and John Paul were finally corralled Sunday morning by Officer Perrin and landed in the city bastille, before Judge Knapp Monday morning they pleaded guilty and promised to keep shy of Northville's liquor houses, especially on Saturday night. They paid a fine of \$2 and \$3 respectively.

Paul, in addition to the booze spread, had kept Mr Meyer's horse out all night without any drink at all, and came near getting a much more severe sentence, but on promise to hustle right back to the Meyer's lumber job he was let off with the light fine for this offense.

Usual attractions for next Saturday afternoon and evening. Boys from the country especially invited. Drunks said that are guaranteed to get you drunk in two hours. Don't go to other towns where it takes double that time. Hurrah for Northville, the liveliest town in Kentucky!

Auction Sale.  
Rev. W. S. Jerome will hold an auction sale of household goods in the Presbyterian manse tomorrow, Saturday. L. L. Brooks will act as auctioneer.

## OBITUARY

James H. Taylor, son of Wm. and Sarah Taylor, was born in Montgomery N. Y. March 8, 1841 and died in this place May 1st 1912. When he was two years old his parents moved to Michigan and settled on a farm near Milan, being pioneers of the then new country. There his young manhood was passed and from there he went to answer his country's call. In 1868 he was united in marriage to Martha Dunston, who with a son Ed and a daughter, Mrs. Edith Chandler, six children, and three sisters, he left a host of friends, and he is missed.

His home, for the past twenty-eight years, with the exception of eight years in Detroit, has been in Northville. He was a faithful member of the Methodist church, his Christianity shown in his every day life, a man loved by all who knew him. His last days of suffering were met with patience and fortitude, and he was ready and willing to enter his Father's house of rest.

The funeral was held at the M. E. church last Friday afternoon, Rev. M. Pierce officiating. His loved comrades of the Allen M. Harmon Post, G. A. R., marched by his side to the church, where they were met by the W. R. C. ladies. After the service, they again took up the march and just as the sun was setting, paid their last loving tribute to their dead comrade.

## CARD OF THANKS.

To the kind friends who assisted us by their thoughtful acts and loving sympathy, the singers and organists for their sweet music and for all the beautiful flowers bestowed in our late bereavement, we tender our most sincere thanks.

Mrs. James H. Taylor,  
Mr. and Mrs. Edwin Taylor,  
Mr. and Mrs. J. R. Chamberlain.

Many times a few cents spent for a Record Want Ad will bring as many dollars in return.

## PREACHED HIS FAREWELL SERMON

### REV. WM. S. JEROME DID LAST SUNDAY MORNING.

Had Been Pastor of Presbyterian  
Church Here for Twelve Years.

On Sunday last, Rev. Wm. S. Jerome, for twelve years pastor of the Northville Presbyterian church, preached his farewell sermon in that church. This was the longest pastorate in the history of the church except that of Rev. Mr. Dunbar. One hundred and sixty-two members have been added to the church during that time. The manse has been modernized, and new parlors and kitchen have been added to the church itself. Rev. Jerome has officiated at fifty-five weddings and one hundred and thirty-six funerals during his pastorate here, fifty-five members having passed away in the twelve years.

He has been a splendid citizen, a popular pastor and a preacher of unusual ability, and Northville people will be sorry to lose him. As an after dinner speaker he was without an equal in the village, and his ever-ready wit and gracious smile have been features of many of the village festive occasions, both public and private.

Northville people will also regret to lose Mrs. Jerome. She was a great worker in the church, and one of the society leaders of the town. Her gracious manner and personal charm won her many warm friends everywhere, and executive ability and literary attainments made her decidedly popular in the social and business clubs, not only in Northville, but in Detroit and other cities as well.

Mr. Jerome leaves this place Sunday to try a charge at Albion, but has not yet decided whether he will accept that, or one which he has in view in New York state.

## Fly's Keen Eyesight.

It has been estimated that the eye of a fly can discern an object one five-millionth of an inch in diameter.

## Wife's Unqualified Praise.

The young novelist, had had a hard time of it, and his dear wife had had just as hard a one. She held his talents in poor esteem and often urged him to try something else, for she was sometimes hungry and all the time ill clad. But one day his luck changed. He began to make money. And there came a day when he was able to write his check for \$100 and pass it to his wife.

Her eyes filled with tears as she read it. "Willibrand, darling," she said, as she hastened around the table and put her arm about his neck, "I'll take back all the mean things I ever said about your work. This is the best thing you ever wrote!"

## Michelin Quick Detachable Clincher or Tires.

Tire fitting is not always the easy task motorists could wish, but the Michelin Tire Company has minimized the difficulty with the introduction of its 1912 Quick Detachable Clincher. An important advantage of this tire is that it is very easy to put on any Quick Detachable rim. It simply drops on the rim without forcing, and without the use of tools.

Another feature is the elimination of the inside envelope flap or tube protector, which has been considered a necessary evil. The absence of protectors simplifies the fitting of inner tubes, reducing the danger of pinch logs, as well as the labor formerly involved when protectors were necessary.

The Michelin Quick Detachable Clincher is shaped full and round.

The tread is broad and flat. The side walls are properly proportioned to assure maximum durability with out sacrificing resiliency.

It is offered by the Michelin Company that car owners will appreciate a tire of advanced design that at once removes several of the old vexations of motoring. W. B. Pettibone of the Northville Garage has the agency for all Michigan supplies.

Miss Ethel Barrymore, apropos of leap year, told a story at the Colony club, in New York.  
"A girl," she said, "looked calmly at a caller one evening and remarked: 'George, as it is leap year—'  
"The caller turned rather pale."  
"As it is leap year," she continued, "and you have been calling regularly now four nights a week for a long, long time, George I propose—"  
"I'm not in a position to marry on my salary," George broke in, hurriedly.  
"I know that well, George," the girl pursued, "and so, as it is leap year, I thought I'd propose that you lay off and give some of the more eligible boys a chance."

**Chinamen as Students.**  
There are today in some of the universities of America and Europe Chinese students, who in laboratory work, in physics and other natural sciences are distinguishing themselves even in comparison with western students. The Chinese have a power of application and patience and a capacity for detail that is destined to bring success in scientific inquiry when once they get the background, adopt the method and make the start. The irresistible progress destined to be made by western science in the Chinese empire will surely undermine the Chinese faith in the "Book of Changes," which is at the base of Chinese philosophy. Whatever is permanently true will remain in imperishable blocks, but the structure as a whole will fall in ruins, with Chinese ideals pitilessly and irrevocably shattered. At this critical period of the disintegration of outworn forces, what new moral and spiritual ideas are to replace the old in order that the new state of these people may not be worse than the first?—Dr. C. E. Edmunds in The Popular Science Monthly.

**Legend About the Wind.**  
We have plenty of wind in London just now, especially at that corner by Blackfriars Station. But the men of Lincoln assert that the breeziest spot in England is outside their cathedral. According to a local legend, the devil some hundreds of years ago met the wind outside the cathedral and told him to wait there while he went in to see the dean and chapter. The wind has not yet been able to tear himself away from the congenial society he found on paying his visit. Consequently all the year round a strong breeze blows in front of Lincoln cathedral.—London Chronicle.

## Great Mass of Proof

Reports of 30,000 Cases of Kidney Trouble, Some of Them Northville Cases.

Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who have used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Northville is no exception. Here is one of the Northville cases.

Mrs. John Raymond, Linden Ave., Northville, Mich., says: "I used Doan's Kidney Pills, procured at Murdock Bros' Drug Store and they did me a wonderful amount of good. I suffered from dull, nagging backaches, felt tired and languid and had no strength or energy. I was unable to rest well and in the morning on arising my back was lame and sore. Doan's Kidney Pills helped me from the first and soon after beginning their use, the disagreeable symptoms of my trouble disappeared. I now feel better in every way. I can recommend Doan's Kidney Pills as a remedy of great merit."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

### The City in Brief.

Mother's Day should be observed by all this Sunday, May 12.

S. Carrington and family have moved into the Frydall house.

Mrs. Jane Sessions is now nicely settled in her new home on High street.

The All Stars will give a Beneficent dance in the rink next Friday evening, May 17.

F. S. Harmon and Chas. Sessions are improving their residences with a new coat of paint.

Ex-Supervisor Floyd Northrop has succumbed to the measles, being confined to his bed.

The High School baseball team put it all over Ypsilanti High team in that city last Friday afternoon by a score of 17 to 8.

Remember the concert given by the Chaffers family, under the auspices of the local St. Mary's Society, Tuesday evening, May 21.

Mr. and Mrs. W. E. Tatham expect to move into the rooms in the rear of the millinery store soon and will rent their home on Main street.

The American Bell Foundry Company have moved their office buildings to the west end of their lot on Cady street and will build a cement block building on the old site for furnace work.

Mrs. Oscar Harger suffered an attack of heart trouble Tuesday afternoon, from which it seemed doubtful for a time as to whether she would rally. She is better at present, however.

Mrs. Dr. Burrows had a severe attack of indigestion Tuesday night. Dr. Schyler, who was called, worked over her four hours before he was sure of her recovery. She is resting easily at this writing.

Monday night the council passed a resolution authorizing Supt. Wilkenson of the water works system to make a canvass of the village and ascertain just who was using water.

A convention of Northville Sunday school teachers, officers and members will be held in the Baptist church this (Friday) afternoon and evening, commencing at 4 o'clock. The program is replete with numbers which promise to be interesting as well as beneficial.

The annual Junior class play will be given Wednesday evening, May 15, in the Northville Opera House. A three-act comedy, played by a troupe of high school juniors, of great histrionic ability should contain the worth while. The price of admission are 10 cents and 25 cents seats reserved at Murdock's, 5 cents extra.

Under the new water works ordinance passed by the council Monday night, commencing June 1 Supt. Wilkenson will make out the water works bill and present the same to the village treasurer at the Lapham State Bank, where the consumer must call and pay his rental on or before the 10th of the month (of each quarter) or the water will be shut off.

One of the Graton avenue cars in Detroit, of which Ray Haddock is motorman, hit a defective rail early Monday morning and jumped the track, landing on the sidewalk. The car was loaded with people going to their work, but fortunately only one man was injured, the others escaping with a shake-up and scare. One man jumped when the car left the track, or he would not have been hurt. As it was, he was quite severely injured.

### Former Northville Resident Dead.

Mrs. Anna Slater, aged fifty-five years, was found dead in the bath room of her home in Ann Arbor last Friday morning, by her son Will. Mrs. Slater had been in poor health for sometime and it is thought that her mind becoming temporarily deranged, she took her own life, slashing her throat. She had retired the night before apparently in the best of spirits.

Mrs. Slater was for some time a nurse in this town and was greatly beloved by all who knew her. She leaves a daughter Mary and a son Will, a professor in the U. of M. She was a niece of H. R. Holmes of this place. The remains were buried in her old home town of Chelsea.

"Doan's Ointment cured me of eczema that had annoyed me a long time. The cure was permanent."—Hon. S. W. Matthews, Commissioner Labor.

### Why He Was Late.

"What made you so late?" "I met Smithson." "Well, that is no reason why you should be an hour late getting home to supper." "I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble." "Did you tell him to take Chamberlain's Tablets?" "Sure, that is what he needs." Sold by all dealers.

## TO SOON LEAVE NORTHVILLE.

Rev. W. S. Jerome of the Northville Presbyterian church, and wife Mrs. Jerome preached his farewell sermon Sunday morning. See news item elsewhere.

Letters for the following persons are advertised at the postoffice this week:

Irene Post  
Chas. Dams  
A. J. Gardner  
Mrs. Peter Biddle  
M. J. Fred Bishop  
Mrs. Lizzie Bauman  
Mrs. Jackson, Box 812

Mrs. R. A. Grant is slowly convalescing and is able to sit up a very little each day.

Mrs. Joe Hetley has been seriously ill the past week. Mrs. J. B. Cook is helping to care for her.

Margaret Murdock entertained twelve little girls at her home Tuesday afternoon in honor of her eighth birthday.

Special Communication of Northville lodge No. 188, F. & A. M. Monday evening, May 13, at 7:30. Work in M. M. degree.

Mrs. E. J. Tremper and family have moved into the Catherine house on East Main street where she will devote her time to keeping boarders.

Frank Dolph, agent at the P. M. depot, has been enjoying a two weeks' rest. W. J. Ryan, relieving agent has been taking his place. Mr. Dolph resumes work Tuesday.

Little Edgar Oldenburg, while jumping over a fence in the school yard Tuesday, caught his foot in the wire, causing him to fall. His right arm was broken in two places, at the wrist and above the elbow.

Mrs. Magdalena Decker aged eighty years, and Mrs. Mary Hoyer, aged eighty-seven years, died at their respective homes in Plymouth last week. Both had been residents of that town for many years.

The Leap Year party given by the young ladies of the town in Catherine Hall Wednesday evening, was a very enjoyable affair. The hall was beautifully decorated with pennants and cozy corners, while Gray's orchestra furnished the music. There were about thirty couples present.

The ladies of the Library Board observed Arbor Day last Friday afternoon in a very fitting manner. In stead of planting trees in the town park, the library grounds received their attention, each lady planting a tree or shrub, under the direction of the Civic Improvement committee. An appropriate program followed the planting, after which refreshments were served, making the afternoon a very pleasant occasion.

### Finally Excused.

A juror summoned to serve in the court of Judge Gates asked to be excused because of pressing business that he must attend to. The judge refused to excuse him and went on with the examination of other jurors. Every once in a while this juror would interrupt and ask to be excused because of the pressing needs of his business, and the judge would command him to sit down. At last Judge Gates, losing patience, demanded: "And what is your business, sir, that is so pressing?"

"I am a guard at the smallpox hospital and I have left six smallpox patients there this morning who need my attention," he answered.

There was a stampede from the court room and the judge, holding his handkerchief to his nose, nodded for the juror to go.—Exchange.

### Eyes of Night Prowlers.

Many creatures are noctambulist. Some have eyes specially adapted to the conditions of the night, among them, cats, night birds and night butterflies. In the eyes of night animals the ends of the optic nerve are divided into about 120,000 000 cylindrical fibers, and 60,000 conical fibers. According to Von Kries, the conical fibers perceive dark colors. Many animals see clearly in the dark because in their eyes cylindrical and conical fibers are uniformly intermingled.

The horse follows the road, however dark the night; the owl sees dark things better than he sees light things; therefore, it is probable that the cylindrical fibers of his optic nerves are either more numerous or more powerful than the conical fibers.—Harper's Weekly.

### HAD LOST HIS "CREDENTIALS"

Salesman May Have Improved His Appearance, But Shave Cost Him Customers.

Charles A. Cotterill has a grand and gorgeous set of whiskers which, in their own gold and tawny way show as many varying hues as changeable silk under the midday sun. There are mixed up in that growth of beard all the marvelous tints of the sunrise, the South African gold mines, and the circus posters. But there is a sad story connected with the facial adornment.

The first year that Cotterill traveled for a big drug firm of New York city, he shaved the whiskers up and down a wide territory, selling much merchandise and making many friends. At the end of the season he got a shave and on his next trip the tragedy began to unfold. Nobody knew him. Every time he went up to a man to whom he had made a sale previously, the fellow would say:

"You are not Cotterill. How well I remember Cotterill! He was a merry, good-natured, entertaining fellow, and he told such good stories. Besides, he had whiskers, and you have none. You can't be Cotterill."

After a week of this, Cotterill, utterly dejected by the fact that he could make no headway in his business, telegraphed his firm as follows: "Must have leave of absence long enough to grow a beard."

He has not shaved since.—Popular Magazine.

### Peculiarly Mean Swindler.

An elderly man has just been arrested in Berlin, Germany, who had won quite a reputation as a swindler of widows. He was in the habit of visiting the cemeteries and bringing himself under the notice of widows who had come to weep over their husbands' graves. He would engage a bereaved woman in conversation and then pour forth to her his sorrow over the recent loss of his own wife. Acquaintanceships begun in this way invariably grew into friendships, and that resulted in a proposal of marriage from the "widower" to the widow. The man would then borrow a sum of money from his future bride, or pawn some of her late husband's possessions and disappear. Some dozens of widows have been defrauded by him.

# ANTICIPATION AND REALIZATION

There's a Great Difference between Anticipation and Realization. It's one of the things best emphasized by the title of the following picture.

## LIFE'S DISAPPOINTMENTS

ANTICIPATION

REALIZATION

Did you ever set a dozen of eggs under a big winged hen and count twelve Brown Leghorns or an even dozen White Wandotties and then when they hatched out there was just one lone chick? That's it!

Did you ever see the picture of a \$20 Bed Room Suite marked down to \$12 or the picture of a \$12 Chair tagged down to \$8, or the picture of a \$11 Couch reduced to a quarter off? There it is again. In a picture a \$15 Suite looks as good as a \$25 Suite, when you see it in the city papers or a mail order houses' catalog. But when you get the goods there's another "Life Disappointment."

"Where did you get the Bedroom Suite" said Bill Smith to John Jones one day last week.

"At Schraader Bros' down to Northville," replied Farmer Jones.

Smith—"How much?" Jones—"Twenty dollars."

Smith—"Saw picture of a thirty dollar one for \$25 in a Detroit paper the other day." Jones—"So did I, but when I went in the Detroit store to see the real goods, I found it wasn't as good as the one at Schrader's for \$20. Another thing about Schrader's Store is that it is reliable. You can depend on what they tell you. If Schrader says its worth \$8 or \$10 or \$20, you can be sure it is worth that. You see its like this, that firm is here all the while and they depend on the same customers month after month and year after year, while the Detroit and other city stores depend on getting all they can out of each customer regardless of whether he ever sells him again. Believe me Bill, this is right. You just try it yourself?"

Smith—"I'll do it, by gosh!"

These names are fictitious to be sure but it is an actual happening. Our prices are lower than city stores. We deliver goods to your house. We are here to make good damages or anything not satisfactory. We want your trade not only this week but next month as well and next year and for years and years to come. Our satisfied customers is why our trade is increasing each month.
