THE KING'S DAUGHTERS HOLD ANNUAL MEETING

The annual meeting and spread of Mizpah Circle, King's Daughters, was held at the home of Mrs. Ed Sessions on Tuesday evening. A delightful banquet was served at six o'clock, being in charge of Mrs. G. W. Hills and her committee and in all its appointments the spread was most enjoyable. After the dinner had been partaken of by the fifty or more ladies present the annual election of officers took place. In announcing the election Mrs. Sessions expressed her deep appreciation for the co-operation she has received from the officers and committees during the past year and expressed the hope that the future years of the Circle might be as fruitful and profitable as the past has been. The several officers and committees submitted their reports which showed a very gratifying condition in all branches, and that a great deal of work had been accomplished during the past year.

The officers elected for the ensuing year were as follows: President, Mrs. Ed Sessions; vice-president, Mrs. Lizzie Harger; secretary, Mrs. E. C. Hinkley; assistant secretary, Mrs. Leroy Stewart; treasurer, Mrs. Mae Noble.

Encouraged by past achievements and by the cordial and hearty support given by the good people of Northville and vicinity the members of the Circle enter upon the new year with hopefulness and a desire to be of real service to the community.

TO PROVIDE TRAINING FOR SOLDIERS.

A bill, providing a college education for soldiers, sailors, marines or nurses who elect to attend a Michigan college training school is expected to be among the first measures to appear before the legislature namely the "honoring bill."

Though several phrases treating upon the subject have been devised many of which will be submitted to the legislature for approval, this new educational feature has been greeted with the warmest enthusiasm and will probably receive the strongest support of the solons.

The measure provides for the state to pay the tuition of any soldier, sailor, marine or nurse who elects to attend a Michigan college or training school for a full college course, the yearly tuition not to exceed \$200 and \$50 to be provided for books and equipment. This is not limited to members of certain organizations of veterans, but includes every person who saw more than six months service in the army navy or marine corps of this country. This clause is inserted to exclude members of the S. A. T. C., who have already received educational training at the expense of the state.

Educational forces of the state are backing the new measure which includes provision that Supt. of Public Instruction Johnson must place the stamp of approval upon any school elected by an individual.

OAKLAND COUNTY FARM BUREAU RE-ELECTED OFFICERS.

President B. A. Holden, Maford, of the Oakland County farm bureau; vice-president, George W. Gunn, Goodson; and the three retiring members of the executive board, Dan, Matthews of Novi; Fred Weaver of Rochester; and Lee Noble of Oxford, were re-elected at the annual meeting of the bureau held last Thursday afternoon in the supervisors room at the court house.

George Gunn of Goodson, Fred Weaver of Rochester, B. A. Holden, Maford and R. J. Corbett, Birmingham, were unanimously re-appointed as delegates from Oakland county to the annual meeting of the Michigan state farm bureau, which is to be held in Lansing in the near future.

The financial report showed total receipts for the year of \$20,089.62, expenditures of \$20,071.21, cash on hand of \$18.41, and a decrease in the deficit of the organization, which was \$6,500 at the beginning of the year, to \$2,800 at the end of the year—Pontiac Press.

In the committee assignments at Lansing Representative Milo N. Johnson was appointed as a member of the committee on agriculture and the committee on Marquette prison, in addition to the committees on roads and bridges and village corporations. Mr. Johnson in company with other members of the legislature is visiting the Marquette institution this week.

FORESTERS INSTALLED THEIR NEW OFFICERS

Court, Northville, Foresters of America, installed the newly elected officers last Friday and the ceremonies of installation were witnessed by a large company. Past Chief Ranger Edward Edwards of Detroit officiated as installing officer and he was ably assisted by Grand Herald A. H. Saunders also of Detroit. After the newly elected officers had been installed into their respective offices, a very interesting program was given, one of the most pleasing features of which was the appearance of the "Mulligan Guard," composed of members of the L. O. T. M., who gave a minstrel performance to the delight of all. Individual musical numbers were given by Master Charles LeFever and by Miss Arthur, while the "Barber Shop Trio" composed of Wayne VanDyne, Thario Masters and Charles Hutton, sang a pleasing number. Harry Wood and family contributed a number of instrumental numbers which elicited generous applause. All who took part in the program did exceedingly well and the Foresters are very grateful to all who contributed to the pleasure and success of the gathering.

The Grand Court officers made brief addresses and complimented the Northville Foresters upon their activities and the good work they were doing.

ALL PARENTS SHOULD ATTEND.

Parents and Teachers met in a friendly debate last Tuesday evening, and for two hours there was a lively give and take over the question of the relative merit of vocational training as cultural education.

Prof. Cochran presented the arguments for vocational training in his well known vigorous and convincing manner, while Charles A. Dolph led the arguments for cultural education in an equally able speech.

The question was then thrown open for discussion and a number of good speeches on both sides of the argument were given by the Rev. H. J. B. Marsh, Rev. E. V. Belles, Mrs. Wigle, Miss McCully, Supt. Helfrich and others. Several methods and subjects in general, came in for some sharp criticisms, but the devotees of culture were abundantly able to take care of themselves and even at times, carry on a novel sort of vocational ranks.

It is gratifying to see the number of parents who take enough interest in school questions to attend, but it is to be regretted that the assembly room was not filled. Surely the parents of our village have enough interest and pride in the schools to spend one evening a month in meeting the teachers and talking with them on methods of getting better results.

Hostile now, don't you care even a little bit? —PATRON

BONUS BEING PAID THIS WEEK.

Employees of the Ford Motor company were notified to present themselves at the Highland Park plant of the company the first of the week to receive their check for the amount of the bonuses which they were entitled to.

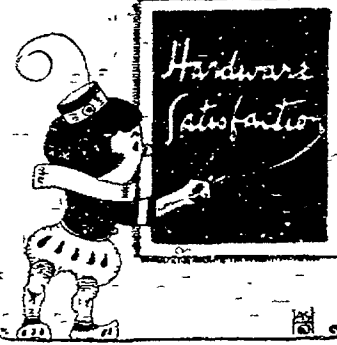

During the past few weeks there have been any reports of some rumors going about concerning the Ford affairs many of them being so absurd as to brand them as lies, and doubtless many of the others are without foundation. It is believed, however, that the company will begin active operations again soon after the first of February and that the year 1921 will be one of the biggest in the history of the organization.

It is altogether likely that the Ford interests will soon establish a plant for the manufacture of dirigible airships at an initial outlay of \$15,000,000. This does not indicate that Mr. Ford and his associates were going to sleep on the job.

AN INSPIRING ADDRESS.

Rev. A. B. Leonard, District Superintendent was present at the Methodist church Sunday evening and those who missed hearing him lost a fine opportunity.

At the opening of his address he stated that he did not have any new doctrine to tell about but would try to put a new emphasis upon the well known truths. His statement that the Bible gave pictures of typical people of those ancient days and they fitted the ordinary folks of today, seemed most practical. He urged people not to slow up in religion; not to cool off or let go, but to remember that God was identified with human needs and sought constantly to get folks to understand it. He said you might search through the Bible and not find a discouraging thing in it.

Handy Andy Says:

Hardware Satisfaction is the natural result of selling goods quality merchandise. Whether its hot or cold—winter or summer, quality never changes at this store. No matter what you buy here you can be sure that we have carefully judged its quality before it found a place in our stock and that the quality of everything we sell is the very best that you can get for the money.

The motorist, the carpenter, the builder, the mechanic, the electrician, the handy man, the house owner, the housewife, the farmer—all can purchase here with utmost confidence.

It's far better to prevent the accident than it is to collect accident insurance. A skidding car is entirely out of control of the driver and may cripple or kill, before it stops. You'll have no fear of skidding on wet streets if you have a set of our dependable chains on your wheels—they bring that feeling of security which you'll appreciate. We have non-skid chains in all popular sizes, in both genuine, Weed and Reo-skid.

ROUGE BRIDGE BONDS FINALLY APPROVED.

Paul W. Voorhes, prosecuting attorney, returned from New York on Tuesday with the approval of John W. Thompson, bond expert, on the \$2,000,000 issue of county bonds for bridges over the Rouge on Fort street and Jefferson avenue. These bonds, authorized in December, had been disapproved by Mr. Thompson when issued under the acts of 1911 and 1919, but he offered them approval if they were issued under the State Highway Act, to which Mr. Voorhes agreed. The work on the bridges will now proceed.

RECORD LINERS PAY TRY ONE.

COMMISSIONER'S NOTICE.

In the matter of the estate of Helen Welch, deceased. We, the undersigned, having been appointed by the Probate Court for the county of Wayne, state of Michigan, Commissioners to receive, examine and adjust all claims, and demands of all persons against said deceased, do hereby give notice that we will meet at the Lapham State Savings bank, in the village of Northville, Michigan, in said county, on Monday, the 7th day of March A. D. 1921, and on Thursday, the 5th day of May A. D. 1921, at ten o'clock a. m. of each of said days for the purpose of examining and allowing said claims, and that four months from the 5th day of January A. D. 1921, were allowed by said court for creditors to present their claims to us for examination and allowance.

Dated, January 5th, 1921.
EDWARD LAPHAM,
ROY TERRILL,
Commissioners.

LIVESTOCK MEN URGE NEW INSPECTION LAW.

Resolutions, asking a state law requiring inspection of all cattle offered for public sale in Michigan, were adopted by the Michigan Live Stock Breeders' and Feeders' association in general session of its 30th annual meeting, at M. A. C., on January 12 and 13. The proposed law would be a blow to tuberculosis and is an important step in the association's avowed campaign to eradicate tuberculosis from the herds of the state.

C. C. Yerkes, Attorney, Northville, STATE OF MICHIGAN, county of Wayne, ss.

At a session of the Probate court for said county of Wayne, held at the Probate Court room in the city of Detroit on the eleventh day of January in the year one thousand nine hundred and twenty-one.

Present, Edward Command, Judge of Probate.

In the matter of the estate of DEWITT PACKARD, deceased.

On reading and filing the petition of Altha Packard praying that administration of said estate be granted to Louie A. Babbit or some other suitable person.

It is ordered, that the sixteenth day of February next, at ten o'clock in the forenoon at said court room, be appointed for hearing said petition.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.

(A true copy)
EDWARD COMMAND, Judge of Probate
EDMUND DOWNEY, Deputy Probate Registrar.

LIVELY FIGHT AHEAD.

A lively fight is anticipated in legislative circles concerning the county government home rule amendment, one of the chief issues expected to confront the legislature early in the session.

When the government first organized in Grand Rapids and a state-wide association was formed, sentiment about the state apparently favored its passage. Since then, rural districts have turned against the proposed amendment, claiming that the amendment takes away the power of the rural members of the county legislative bodies and places it in the hands of the larger cities.

The home rule code would institute a form of government entirely foreign to that now in vogue, if passed by the legislature and followed up by acts naming its jurisdiction.

Though the movement to enact such legislation was fostered by a number of prominent citizens of Grand Rapids, Kent county supervisors and other officials from the rural districts do not want a commission form of government, but favor reforms in the present supervising head for the county government.

These facts were agreed upon at a meeting of supervisors from the townships, villages officials and representatives of village boards, held in the court house, Monday.

Strong opposition is evidenced in the sentiment of the following resolutions adopted unanimously at the meeting:

"That a committee be appointed to act as long as the exigencies of the case demand, whose duty it shall be to oppose by all legitimate means the submission to a vote of the proposed amendment."

"That in the event said amendment should be submitted to a referendum, to oppose its ratification by all possible means."

"To draft, or cause to be drafted, a bill within existing constitutional limitations for submission to the legislature, giving to the board of supervisors such authority over county affairs as will enable it to remedy the evils now complained of and at the same time preserve to all the people of the county the right of a representative government which has been one of our American principles from the first."

By a vote, the amendment must be passed by a two-thirds majority in both houses. If the amendment becomes a part of the state constitution, the legislators will be forced to enact laws to govern its jurisdiction.

F. M. B. IS LOCOMOTIVES.

The Pere Marquette railway has accepted delivery of 16 Pacific type passenger locomotives of the 12 which were ordered early last spring. The others will leave the shops of the American Locomotive Works at Danbury, N. Y., sometime this week. The new locomotives represent a total outlay of \$735,000 or approximately \$45,937.50 each. The new locomotives will be assigned to service on the Chicago, Detroit, Toledo and Saginaw districts.

TWENTY-FIVE YEARS AGO

Stories taken from The Record files of 1895, for the week corresponding to this week.

Rollin Parry is convalescent.

Mrs. John Barley is seriously ill.

Charles Dutton visited among Detroit friends last week.

The interior of Murdoch Bros. store has been newly papered and decorated.

Mrs. M. J. Murphy, nee Filkins, of Peoria, Ill., is visiting among Northville relatives.

Mr. and Mrs. Al Balir have moved to Pontiac, where they will make their future home.

Cards are out announcing the Freeman-Clark wedding for Thursday, January 30th.

Frank Macomber was at Grand Rapids this week, attending the big poultry show there.

Mr. and Mrs. A. C. Williams of Penn Yan, N. Y., were guests of F. R. Beal and wife, over Sunday.

A private telephone connection is to be made from uptown to the P. & M. railroad freight office.

Mrs. L. D. Evans is able to be out again after several weeks of confinement, the result of a sprain.

H. A. Shepard of Battle Creek is spending a few days at the home of his mother, Mrs. Eunice Shepard.

Mrs. Lusetta Parsons died Wednesday of liver complaint, aged 64 years. The funeral occurs this afternoon.

Mr. and Mrs. Becker and son left last week for Cincinnati, being called there by the serious illness of their father.

Miss Eva Bovee has decided to go out of the millinery business and will have a public auction Saturday afternoon.

Friends, to the number of fifty assembled at the home of Mr. and Mrs. Pitt Everett last Friday afternoon for a rousing old surprise party. Those present had one of the best times of their lives.

PARADE OF AGRICULTURE TO FEATURE FARM WEEK.

A big parade of agriculture including all movable equipment of the agricultural division at M. A. C., and special delegations representing the college military organization, the student body, and the visitors, will pass in review before the crowds at Farmers' Week at East Lansing, on January 31 to February 4. The parade will pass the college gymnasium at 1:30 in the afternoon on Thursday, February 3rd.

The parade will be but one feature of the special exhibits which will be on display during the week. The M. A. C. states troops exhibit, which won nation-wide recognition at the Chicago International Hay and Grain show in early December, will be reproduced in entirety for Farmers' Week. An elaborate horticultural show will be staged in the college armory, while special exhibits of poultry, animal, and dairy husbandry subjects will be on display. Various scientific departments at M. A. C. will present illustrations of phases of their work, practically every branch of agriculture being covered.

DETROIT THEATRES.

"Cinderella on Broadway" direct from a record-breaking Chicago engagement, opens at the Shubert-Detroit opera house Sunday night, January 23rd. In the history of the New York Winter Garden, there has never been any attraction that has been staged with the same sumptuous and disregard of expenditures, which the Messrs. Shubert have shown in the mounting of "Cinderella on Broadway". The book or lyrics for this big production has been written by Harold Atteridge, music by Bert Grant; incidental music by Al Goodman, and it has been staged by J. C. Huffman, the dancing numbers have been arranged by Allan K. Foster. The whole production is under the personal direction of Mr. J. J. Shubert.

In "Hearts of Erin," an Irish comedy from the pens of Charles Bradley and Lorin Howard, Mrs. George M. Gatts will present his young Irish star, Walter Scanlon at the Garrick theatre for a week's engagement commencing Sunday night, January 23rd, with the usual matinees Wednesday and Saturday.

Mr. Scanlon, who is a portage and friend of the composer, Victor Hort Hort, has one of the most beautiful tenor voices on the American stage today and as an interpreter of Irish ballads, has few equals. He is best known, perhaps, from his performance in the leading tenor role of Victor Herbert's opera, "Eileen," in which he scored an unqualified success. As may be supposed, Mr. Scanlon will introduce a number of songs during the performance which will not be its least interesting feature. "Hearts of Erin" tells a story of love's young dream.

The farm home of Everett Whipple near Frain's Lake, was totally destroyed by fire one night last week. It is believed the fire originated from the kitchen stove.

**Announcement
To The Public**

I desire to announce to the public that I have purchased the Pool and Billiard Room, conducted for the past year or more by Georg Pickel and that I will continue the business, striving at all times to provide a place where men and young men may come for recreation and amusement at pool and billiards.

I will continue to handle Cigars and Tobaccos and Confectionery and will serve you with the best goods to be obtained.

Meet your friends here and spend a pleasant hour or evening on the tables. Pool and Billiards afford a pleasant pastime.

Drop in any time. Meet your friends here.

J. R. WALKER
Pool and Billiards, Tobaccos and Cigars.

Let's settle this right now!

No man ever smoked a better cigarette than Camel!

You'll find Camels unequalled by any cigarette in the world at any price because Camels combine every feature that can make a cigarette supreme!

Camels expert blend of choice Turkish and choice Domestic tobaccos puts Camels in a class by themselves. Their smoothness will appeal to you, and permit you to smoke liberally without tiring your taste!

Camels leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

You'll prefer Camels blend to either kind of tobacco smoked straight!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when post-travel.

NORTHVILLE, MICH., JAN. 21, 1921.

DOING VERY WELL, THAN YOU.

Sunday last was observed in many communities throughout the country as the first anniversary of the adoption of national prohibition. It may be said with confidence that much has been accomplished during the first year...

In some quarters a great deal of concern is being exercised because it is costing something to enforce the present law. Of course these fellows never were concerned about the money that was expended year after year in maintaining asylums, prisons, poor farms, homes for orphans and numerous other institutions to care for the product of the saloon...

Those who supported the Eighteenth amendment have no apology to make. The results thus far have been very satisfactory, considering the immensity of the problem to make a whole nation dry.

A Topeka, Kansas, man died recently and it was arranged before his death that a copy of the local paper should be delivered each day at his grave, and for this unusual service he paid twenty years in advance for the paper.

President-elect Harding has made many friends by placing his stamp of disapproval upon the efforts being made by the citizen's committee at Washington to turn the inauguration ceremonies into a street fair and carnival.

Business is gradually swinging back to normal. This week a large number of mills and factories throughout the country have resumed operations and by February 1st many more will be on the production list.

Detroit police will "get you" if you drive your car without your 1921 license, so declares the police commissioner.

Glorious seed catalogues have commenced to arrive.

PRESBYTERIAN CHURCH NOTES.

Why Throw Your Money Away?

Why throw your money away by buying bread for 16c and 17c a loaf when you can secure a home product for 14c and a bigger and better loaf?

Then there is another side to this proposition. When you buy bread produced here at home you are helping to support and maintain an industry that is a necessity in every progressive community. We employ labor and our employees live here and spend their wages here among the other people of the community. That helps all around, you see.

We are very sure if you will give our Bread and Baked Goods a trial you will be pleased with the products of our ovens. Your neighbors are and surely you are no different in your desires for the best than the average citizen.

Come in and take home a loaf at 14c and we are sure you will come again.

Choice Canned Goods, Teas, Coffees Confectionery, Fruits, Cigars.

W. H. ELLIOTT Northville, Michigan. Nevison's Old Stand.

Good Warm Underwear AND HOSIERY

Are needed now to protect yourself from the cold weather, and it is a real pleasure for us to be able to announce that we can supply you with Underwear and Hosiery for women, misses and children, and that we are offering them at very attractive prices.

You cannot make a mistake in buying Underwear now, because everything indicates that prices will be just as high and perhaps higher next season. The government consumption of materials that are used in the manufacture of underwear was so very great that the supply has been exhausted, hence the present scarcity of good Underwear.

Ready-to-Wear House Dresses, Skirts, Fancy Waists, Corsets, Fancy Neckwear, Knitting Cotton, Notions.

Northville School Notes.

Monday afternoon the Plymouth High school debating team met our team in debate in the assembly room on the question, "Resolved, That all Questions of Dispute Between Employers and Employees be Made a Part of the Administration of Justice." Our team composed of Elizabeth Van Valkenburg, Elizabeth Henry, and Mildred Baldwin did very excellent work considering the short time the class has been organized. They deserve much credit for their splendid efforts and the fine constructive arguments they presented. Wednesday afternoon the team returned the debate at Plymouth. As this was only for practice, no decisions were rendered.

Our boys' basketball team (second) met and defeated the Wayne second team at the latter place Tuesday night by a score of 19-8.

Next week the semester examinations will begin and all of the students are working hard in preparation. Friday of next week students will be classified for the next semester.

Additional physical training classes have been organized for the benefit of the Fifth and Sixth grades. The girls will meet twice and the boys twice a week for training in the gymnasium. The classes will be under the supervision of Miss Munro and Mrs. Zimmer.

The Hot Lunch club has been doing very good work and making the afternoons pleasant for about forty pupils daily. One hot dish is served making the noon lunch much more attractive and beneficial.

All students who have neither been absent nor tardy and have a scholarship of A will be excused from the semester examinations. The standard has been set high, but is within the reach of most students. Examinations are never a worry to A students.

The band concert given in the gymnasium Wednesday night by Millard's band was a decided success and proved entertaining to a good crowd.

Don't forget to come to the High school next Monday night and hear the celebrated University of Michigan lecturer, Prof. W. D. Henderson in his well known and popular lecture "The Rediscovery of America." Prof. Henderson is well known to many Northville people and needs no introduction at this time. The lecture is free to all who may care to come.

Mr. G. A. Ponsford was a pleasant caller at the High school, Tuesday.

Efforts will be made to have a special car for the basketball game at Plymouth this Friday evening. If this materializes it is hoped a goodly number of town fans will take advantage of this opportunity to help boost the home team.

Friday evening at 7:30 o'clock our High school debating team will meet a team from the Monroe High school in the assembly room at our school. A small charge of 10c is made to defray expenses and it is hoped we will have a good attendance. Don't forget to come.

Tuesday afternoon a special teachers' meeting was called at which time Prof. F. B. McKay gave a splendid informal talk on the subject that was vitally interesting to every teacher. His subject was "Teaching By Inspiration." All agreed that his talk was inspiring and offered many things for thought.

Friday, January 21, our teams go to Plymouth. They have two strong teams this year and are determined to do to us in basketball what we did to them in football. Let's go to Plymouth and yell for the team and help them to win.

Last Friday evening in the local gymnasium two very fast and exciting games of basketball were played before as large a crowd of fans as ever gathered here on such an occasion. Two special cars brought the Farmington teachers while Northville was equally well represented. Both teams were determined to win and inspired by the girls from the bleachers put forth their very best efforts to win for their home school. At the end of the first quarter of the boys' game the score was 2 and 2, but in the second and third quarters the visitors got the lead. In the last quarter the home team came back with two baskets to the opponent's one, and when the final whistle blew the score stood 21 to 16. The girls' game too was a hard fought contest showing plenty of pep from the first toss-up to the final whistle. The score ended 16 to 19 in favor of Northville.

Chapel was held Tuesday afternoon, the program being in charge of Miss Birtley. The students sang the "Boy Scouts' March" and then listened to a violin duet by Mrs. Ernest Kohler and son, Albert. They were accompanied by Mildred Elliott. Ray Van Valkenburg favored us with two vocal solos. The above numbers were very much appreciated by everyone. Prof. Helfrich then introduced Prof. McKay, who is head of the Public Speaking department of the Michigan State Normal college. From start to finish Prof. McKay proved a lively entertainer and had the boys and girls bubbling over with good will at all times. His talk was full of punch and so inspiring that every boy and girl must have received some good.

MENTAL TESTS AT MICHIGAN.

The University of Michigan will be the first institution of learning to give mental tests to all students who fail in their studies. Under the direction of Professor Guy M. Whipple, professor of experimental education, tests similar to those of the army will be given in an attempt to discover the reasons for scholastic failures.

From two to four hundred students fail yearly in at least one subject. This is a loss to both the student and the school. Professor Whipple hopes by these tests to weed out the mentally deficient from those who fail because of lack of application, or time for study. The mentally deficient will be advised to take work for which they are best fitted, and definite recommendations will be made to the other delinquents, for the purpose of minimizing the loss, in both time and money, to the college and the student.

NUMBER OF RENTED FARMS INCREASEING.

Percentage of farms rented in Michigan have increased two per cent in the last ten years, according to a survey of thirty counties, embracing 52,561 farms, made by the Michigan State Farm bureau.

Rented farms totaled 9,637 in the 30 counties. Farms operated by owners totaled 42,924. The tendency toward increasing renting of farm land has been on a fairly steady increase for the last 50 years. In 1880 only 16 per cent of Michigan farms were rented, according to the United States census.

State Farm bureau officials believe that probably the greatest cause for the increase in renting farm land is the lack of adequate long term rural credits that would enable taking on an immediate heavy burden of financial obligations. Other reasons cited by the farm bureau for an increasing number of renters are the lack of a uniform cooperative method that would take the extreme elements of chance out of farming, the greater desirability of the comforts of the large city, and the disproportionate raise in price of rural real estate as compared with the raise in crop values.

Estimates in 18 of the counties showed that renting was increasing, in six counties the situation was unchanged, and in six others the percentage of rented farms was judged to be somewhat smaller. The counties surveyed were well scattered over the entire state.

Results of this survey, combined with the recent United States census report that 67 Michigan counties had lost population in the last ten years, convince the state farm bureau, its officials assert, that the state's basic industry needs attention. The survey was made during November and December.

W. R. C. NOTES.

The second regular meeting of the W. R. C. will be held Wednesday evening, January 26th, promptly at 7:30.

It falls to the colors support the new bill or by your attendance and make this a record year in W. R. C. work.

NORTHVILLE AUTO CLUB MEMBERSHIP.

Your membership card for 1921 is now ready and your annual dues of \$2.00 are now payable at the secretary's office, Record building.

New members are solicited if you drive a car or are interested in good roads, you cannot afford to not be a member.

GOING IT TOO HARD

Overwork, worry, overeating and lack of exercise and sleep, are responsible for much kidney trouble. If your back aches and the kidneys seem weak, rest up and use Doan's Kidney Pills.

Bill Westcott, Butler avenue, Northville, says: "I have used Doan's Kidney Pills on three different occasions when suffering from disordered kidneys and they proved to do just as represented in my case. My work is hard on the kidneys, owing to being so much on my feet without any rest whatever. I had to lay off work for days at a time, as my back was so aching and painful. Now and then I would get dizzy-headed. Doan's Kidney Pills were recommended to me, so I went to the Northville Drug Co. and got two boxes. After using them, my trouble left me entirely."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Westcott had. Foster-McMillan Co., Mfrs., Buffalo, N. Y. Adv. 13

COMMISSIONER'S NOTICE.

In the matter of the estate of William J. Wainwright, deceased. We the undersigned, having been appointed by the Probate Court for the county of Wayne, state of Michigan, Commissioners to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that we will meet at Lapham State Savings bank, Northville, in said county, on Friday, the 18th day of March A. D. 1921, and on Wednesday, the 18th day of May A. D. 1921, at 2 o'clock p. m. of each of said days, for the purpose of examining and allowing said claims, and that four months from the 18th day of January A. D. 1921, were allowed, by said court for creditors to present their claims to us for examination and allowance.

Dated January 18, 1921.
 ERNEST B. MILLER,
 THOMAS E. MURDOCK,
 Commissioners.
