NEW HOSPITAL TO BE COMPLETED BY JULY

Construction of the Municipal Tuberculosis Sanitorium, at Northville, now nearing completion, marks a new era in local health work, the department of health states in the annual report.

"This institution, the finest and most modern of its kind in the country, will be ready for occupancy, it is hoped, not later than next July," says the report. "It is splendidly located in rolling country in the northwest corner of Wayne county. The city has acquired approximately 900 acres of land, a portion of it being wooded, as a suitable site for the sanatorium. The buildings range along the crest of a U-shaped ridge, protected on the northern exposure by a dense wood.

"The sanatorium, when completed and equipped, will represent an investment of more than \$2,000,000. Accommodations will be provided for 300 patients. In the near future it is proposed that a preventorium for children will be constructed adjacent to the sanatorium buildings. This preventorium would have a capacity of not less than 100 beds."—Detroit Sunday News.

SEM-MONTHLY SHOOT.

Ideal weather conditions favored the punrods who attended the semi-monthly club shoot of the United Gun Club, Sunday.

In the regular program of fifty targets Harry Passee topped the list with 50x50. Jim Hartwick was a close second, scoring 49x50. To keep Hartwick from feeling lonely in second place, Frank Hill dropped one. In a 25-target handicap, Mr. Hartwick, shooting from 20 yards, led the field and finished with a perfect score. In sixteen-yard special event he again proved his ability by breaking a straight 16m score on all targets was 99x100.

Following are the scores on the 50-target club event:

J. Hartwick	50x50
A. Hall	38x50
H. Passee	50x50
J. Hartwick	43x50
Mrs. Hall	45x50
M. Powell	43x50
F. Hill	49x50
A. McCall	45x50
E. Evans	37x50
Vallaux	21x50

SECRETARY

WOULD INCREASE SUPERVISORS' PAY.

Prosecutor Paul Voolies is preparing a bill for presentation to the legislature which is designed to provide machinery for increasing the pay of county supervisors.

At the present time supervisors are paid \$1 per day while employed on county business, and this is considered far too little under present conditions. The bill, if passed by the legislature, will not effect supervisors from Detroit, whose duties are confined mostly to two yearly meetings. Supervisors living in country districts, however, whose duties include the preparation of the annual tax roll, are engaged in this work from two to six months, depending upon the size and population of the township.

The bill will make it legal for each county to increase salaries of supervisors to \$10 per day, upon favorable votes of the taxpayers.—Detroit Free Press.

BABBITT WILL IS FILED FOR PROBATE.

The will of Kurnal R. Babbitt, formerly of Northville, who died a year ago in New York, has been filed for probate in Detroit. Besides numerous bequests to persons and charitable organizations in the east, \$10,000 is given to a sister, Genevieve Brown; to another sister, Caroline Babbitt, \$25,000 to be held in trust; to a brother, Louie A. Babbitt of Northville, \$20,000; to a nephew, Hugh, \$5,000. A son, Theodore Babbitt, is to receive the family residence at 94 Massachusetts avenue, Highland Park, and two daughters retaining a life lease on the property.

IN AUTO ACCIDENT.

While Mr. and Mrs. Ed Thomas of Plymouth were returning home from Salem Sunday afternoon where they had spent the day with Robert Thomas and family, they had the misfortune to have their car go into the ditch near the Chasen Farms, west of Northville. Mrs. Thomas was quite seriously injured, but Mr. Thomas escaped without injury. Schrader Brothers' ambulance brought the unfortunate woman to the office of Drs. Henry, where her injuries were dressed.

MR. FORD WILL SEEK TO HELP SMALL TOWNS

Life Will Be Worth Living in Small Town, He Declares; Horses and Cows to Go.

(Copyright, 1921, by N. Y. Tribune).

New York, Feb. 9.—Cities will disappear, as great manufacturing centers; horses and cows will be superseded by concentrated energy. This, in the opinion of Henry Ford, is a glimpse into the future if his plans, which involve the expenditure of millions during the next few years, are realized.

Ford today unfolded his plans to put industry "where it belongs"—away from the present congested centers with their unwholesome aspects for workers, concentration of parasitic manipulation in the necessities of life, and other clumsy features.

Ford believes that manufacture, agriculture, and transportation can work to better advantage if grouped about small communities.

"Cities have come to be unnatural," said Ford. "They cause unnatural unrest in men's minds. They have created a condition which is robbing agriculture of its natural power, robbing the worker and the manufacturer, both of normal human conditions which exist and have created the spectacle of the farmer's products having to be transported to these great centers, to be treated or milled or manipulated before they are transported back again to the smaller communities to be sold back to the farmer."

These conditions are artificial.

"The Ford company plans to get a large part of its manufacturing away from the great cities. We plan and are already putting the idea into operation to utilize the water power of small streams throughout the country for making each one small part of our machinery. During the next few years we will enter many of the smaller towns and even villages where the townspersons and the farmer, if he care to, may have all the work he wants when he is not busy on his farm and add to his earnings."

"The food-raising season is comparatively short and the farmer is today slave to enforced idleness and a few cows in winter. The cities with their concentrations of industry are responsible. The farmer will see, the day when both the horse and cow are done away with, the horse will go because of the concentrated energy of automobiles and tractors."

"But what about the cows and their milk?"

"It is a simple matter," he replied, "to take cereals and make them into a milk which is superior to the cow's milk, and much cleaner. The cow is the crudest machine in the world. Our laboratories have already demonstrated that cow's milk can be done away with and the concentration of the elements of it manufactured into an entity food by machines far cleaner than cows and not subject to tuberculosis."

"But what about meat which the cow also provides?"

"Meat is not essential," he declared. "A scientific food, such as I have described, will not only take the place of milk but meat. As for the horse, he's a 1,200-pound, bulky 'haymotor' of one horse-power! A little machine half his size is equal to 20 of him."

Demonstrating his claim that farmers may work in factories in small communities, where all the essentials of life can be had as well as in the cities, Mr. Ford said that his company would be prepared to give financial aid and co-operation to the towns and villages it locates in for the building of sewers and other needs.

"One of the first demonstrations of our plan is being made in a town of 1,500 inhabitants, 20 miles from Detroit. Our factory there employs 250 men in the exclusive manufacture of valves which we use both for the car and tractor. The transportation is by motor truck on good roads, the ideal system of short haul transportation of hauling for railroad shipment further on."

"The town needs a sewerage system which the company is prepared to build in co-operation with the townspeople so that there will be no need of the town floundering in debt for years under heavy issues of bonds—a long standing evil from which no one profits but parasitic non-producers such as cities are filled with. This will be our system in every small community in which we locate. Improvements need not be limited to

What 4% Means

THE NORTHVILLE STATE SAVINGS BANK OF NORTHVILLE pays 4% interest, compounded twice a year. What does 4% compound interest mean? It means that if the interest is allowed to remain on deposit with the principal sum, interest will be paid on interest—that is, \$1.00 placed at 4% compound interest, will double itself in a little less than eighteen years through the interest additions. To secure the best results it is necessary to set aside weekly or monthly a fixed sum from your income, and deposit it to your account. The tables here given show what may be accomplished by this method. The interest earnings equal from 20 to 50% of the money deposited during the periods shown. That is, if monthly deposits of \$5 are made for twenty years, the total sum would be \$1,200. With 4% compound interest, it will amount to \$1,833.50; the earnings equaling \$633.50, or 52 1/2% of the money actually saved.

HOW YOUR SAVINGS GROW

WEEKLY DEPOSITS

Weekly Deposits	In 19 Years	Amount
\$1.00	\$671.15	\$520.00 = \$117.15
3.00	1024.46	960.00 = 64.46
5.00	1517.50	1460.00 = 57.50
10.00	3175.00	3000.00 = 175.00

MONTHLY DEPOSITS

Monthly Deposits	In 20 Years	Amount
\$1.00	\$364.00	\$240.00 = \$124.79
3.00	1012.10	720.00 = 292.10
5.00	1533.50	1200.00 = 333.50
10.00	3067.00	2400.00 = 667.00

OBITUARY - HAZEL R. FURMAN

Hazel Kellogg Furman was born in Novi township, Nov. 17, 1892, and departed this life Feb. 12, 1921, following a four weeks illness. She entertained bright hopes of recovery until a short time before her death which took place in Grace Hospital, Detroit.

She graduated from Northville High School and later took a four year course at Albion College. Since that time, with the exception of one year, she has been continually a teacher in the High schools of Pine River and Detroit.

Her cheerful and sunny personality endeared her to a large circle of friends. The gifts of flowers and many other offerings of kindliness during her illness and since her death, all speak for the tender regard in which she was held. She is survived by a brother and sister, Miss Hazel Furman and by many other relatives who sadly mourn her death.

Funeral services were held at the Furman home in Wixom on Tuesday afternoon, Rev. F. A. Brass officiating. Rev. and Mrs. Sayles, of Plymouth furnished the music which was greatly appreciated.

DETROIT THEATRES.

Could anything be more harmless than a pink chemise? And, yet, that material could anything be more insignificant than an acorn from which great oaks grow? So it was from a pink chemise, which unfortunately had a tell-tale inscription, that all the complications arose that made Garry so unhappy, his wife so jealous, and made one of the great farce hits of the decade out of "Up In Mabel's Room," the famous New York success which A. H. Woods will present at the Garrick theatre, Sunday night, for an engagement of one week.

Playgoers all over the country are familiar with Mr. Woods' fair for farces, and his never-to-be-forgotten bits, "Parlor, Bedroom and Bath,"

"The Girl from Rector's," "The Girl in the Taxi," "Potash and Perlmutter," and a host of others. Yet all New York was unanimous in declaring that "Up In Mabel's Room" was the funniest farce that had come from the Woods' office in its whole history.

Those who were disappointed in

not being able to get seats during the last engagement of Charlotte Greenwood, the famous comedienne in Oliver Morosco's latest musical comedy,

"Linger Longer Letty," will have the

opportunity for Miss Greenwood will

play a return engagement at the Shubert-Detroit commencing Sunday night, February 20th.

The event assumes more than passing

interest for the theatre-goer, as a

Morocco comedy is an interesting

and welcome occasion in the theatre.

The visits here of Miss Greenwood are

always eagerly awaited and it is

stated that in "Linger Longer Letty"

she is funnier than ever.

"Linger Longer Letty" is a sequel

to the elongated comedienne famous

comedy, "So Long Letty."

MADE AGREEMENT TO CANCEL DEBT

PRESIDENT AT PARIS, CONFERENCE MADE CONDITIONAL AGREEMENT WITH ALLIES.

AWAITED APPROVAL OF TREATY

Understood That England Has Made More Than One Request For Cancellation of Loan.

Washington.—Members of the sen-

ate foreign relations committee let it

be known that they have had in their

possession, for some time information

to the effect that President Wilson at

the Paris peace conference promised

after ratification of the treaty to use

his influence to induce congress to

agree to the cancellation of the Allied

indebtedness to the United States,

amounting to nearly \$30,000,000,000.

According to the information in the

hands of members of the committee,

the British representative first pro-

posed the cancellation of the debt.

President Wilson declined to agree to

this on the ground that he lacked au-

thority, but, according to information,

promised to bring the matter before

the American people and congress im-

mediately after the ratification of the

versailles treaty.

The treaty, of course, was never

ratified and the president was never

obliged to comply with the prom-

ise he is reported to have given. The

information, if correct, throws inter-

esting light on the desire of the Brit-

ish to get America to ratify the treaty

and their willingness to accept any

kind of reservations, according to one

member of the committee.

The information in the hands of the

foreign relations committee did not

entirely coincide with the statements

of J. Austen Chamberlain, British

chancellor of the exchequer, who in a

recent speech declared that the Uni-

ited States had squarely blocked the

cancellation of the debt.

Secretary Houston appeared before

the foreign relations committee in re-

sponse to its desire to learn more

about the loan question. He gave the

committee information under informa-

tion of the strictest confidence.

It is understood, however, that he

confirmed Mr. Chamberlain's speech.

REGISTRATION NOTICE.

To the Qualified Electors of the Village of Northville (Precinct No. 1, Saginaw Michigan).
Notice is hereby given that in conformity with Act 126, Public Acts of 1919, I, the undersigned Village Clerk will, upon any day except Sunday and legal holiday, or the day of any regular or special election or official primary election, receive for registration the name of any legal voter in the Village not already registered who may apply to me personally for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the second Saturday before any general or special election or official primary election and the day of such election.

March 4, 1921—Last Day for General Registration for Election March 14.
All electors not already registered and intending to vote at said election, should make application to me on or before the 5th day of March, A. D. 1921.

Notice is further hereby given that I will be at the Village Hall, Northville, state of Michigan on FEBRUARY 19, 1921, from 8 o'clock a. m. to 6 o'clock p. m. on each of said days for the purpose of reviewing the Registration and Registering such of the qualified electors in said village as shall appear and apply therefor.

REGISTRATOR OF ABSENTEE BY OATH.

If any person whose name is not registered shall swear and claim the right to vote at any election, and shall, under oath, state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that, owing to the sickness or bodily infirmity of himself or herself or some member of his or her family or owing to his or her absence from the Village on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election. If such applicant shall in said matter, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Registration by Mail or Messenger.

Under Act No. 7, Public Acts of 1919, the privilege of Absent Voter is extended to include registration. Upon compliance with this act registration can be secured by mail without personal appearance. An affidavit similar to the following must be made:

STATE OF MICHIGAN,

County of _____, do hereby swear, deposes and says that he is a duly qualified elector of the _____ Ward or precinct of the Village of _____ in the _____ County of _____ State of Michigan, that he is not now registered as an elector theron, and that he makes this affidavit for the purpose of procuring his registration as an elector in accordance with the statute.

Taken, subscribed and sworn to before me this _____ day of _____ A. D. 1921.

Signed _____ Notary or Judge.

The time limit for registration by mail or messenger is the same as where personal application is made. Therefore, the affidavit of an elector desiring to register by mail or messenger must be received by the Village Clerk not later than the SECOND Saturday preceding the election.

NOTE.—A blank form for application for registration can be had by addressing the Village Clerk and giving name of Village above named.

Provision in Case of Removal to Another Precinct.
Any registered and qualified voter who has removed from one Precinct of a Village to another election precinct of the same Village shall have the right, on any day previous to election day, to apply to the Village Clerk, to have his or her name transferred from the registration book of the precinct from which he or she has removed to the registration book of the precinct in which he or she then resides. Such elector shall have the right to have such transfer made on election day by obtaining from the board of inspectors of election of the precinct from which he or she has removed, a certificate of transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then resides.

Dated February 10, 1921.

THOMAS E. MURDOCK,
Village Clerk.

NEIGHBORHOOD NEWS

Glen C. Gillespie, ex-prosecuting CARMEL STILL FIGHTING FOR HIS

attorney, was elected chairman of the republican county committee at the county convention held in Pontiac last week.

He defeated P. G. El. wing was a day admitted Robert Garner of Pontiac to the bar by a vote of 20 to 18.

At the boys' conference held at Farmington last week the following officers were chosen for the ensuing session: President, James Halsted of Farmington; vice-president, E. B. McGee of Royal Oak; secretary, Stuart Patterson of Holly; treasurer, Ross Mizik of Oxford.

The Washington birthday celebration at the University of Michigan will include an address by the Hon. Wil-

liam C. Sharp, a graduate of the law class of '33, formerly American ambassador to France, and the present

representative of an official representative of each government of a collection

of war trophies. Among the trophies

will be included several different types of machine guns and the famous French "75's." President M.

Burton will make the acceptance speech.

Henry Newson, who escaped from the Oakland county jail while waiting to be taken to Jackson prison in September, 1915, has been located and taken into custody at Sundance, Wyoming.

South Lyon—The Standard Re-

corded a bat social in the Methodist church parlors, Wednesday evening.

the defense obtained a postponement until September.

Before the second trial was com-

menced it was necessary to question

Garner, who was finally con-

victed of the second count in the in-

matter.

Bad to the amount of \$3,000 was

put up as bail, but it was never

demanded by the court, and when it

came October 11 to trial two, and a

third were returned, Martin was

remanded to the custody of the sheriff.

Another appeal was perfected and the

case will be again presented to the

higher court during the April term.

NO MAN ACCUSED.

Accused in justice court in fire

Lyon girl protective office. He

faces a charge of a bearing of mistreatment

and abuse of a 24 years old girl, Chas.

Martin, 40, of Novi, was later bound

over to circuit court for trial on a

statutory charge.

The airtight tale related by the child,

a step-daughter of the prisoner, was

brought out during the hearing Wed-

nesday afternoon. She said the

alleged mistreatment covered a long

period.

Martin was arrested a week ago on a charge of assault and battery pre-

ferred by neighbors of the Martin family and after a hearing was sentenced

to spend several days in the county

prison.

South Lyon—The young people of

the Presbyterian church held a valentine social Monday evening, Feb-

ruary 13th.

Big Rapids—William C. Hira of

Lansing, a state sanitary engineer, is

making investigations as to the cause of typhoid fever. Nine

cases have been reported.

A new type of airplane designed by

a French army flier is being built at the Lewis Co. factory in Chelsea and

will be ready for a try-out at Selfridge Field, Mt. Clemens, in about a month.

Ferndale—Ferndale voters by a vote

of more than 2 to 1 authorized the

issue of \$50,000 bonds to provide

funds for the completion and furnish-

ings for the new Lincoln High school

here. There were about 200 votes

cast.

RAY

**"RAY battery prices have
always been right"**

The fair and square price of the RAY BATTERY through the period when other makers were getting an overly high amount for their product, has given RAY a position in the battery business which carries with it all the good-will due to equitable business principles; and the inroads which RAY has made on the business of other makers—due to this equitable policy—has told on them to the extent that they are now in a mad rush to drop down to somewhere near the RAY price level.

RAY BATTERY prices have always been right. Therefore RAY business has increased by leaps and bounds, while the business of many battery makers has fallen off.

You battery buyers have come to learn that the low price of the RAY did not carry with it low quality. On the contrary you have read of the wonderful RAY BATTERY tests in which well known engineers, not interested in the Ray Battery Company, proved in their reports of an epoch-making test that RAY BATTERIES would withstand THREE TIMES the abuse of other widely known makers which at the time of the test (August 1920) sold for nearly twice the price.

You have undoubtedly heard your friends whose cars are equipped with RAY BATTERIES praise their performance. If you have not, take pains to ask the next RAY owner you meet.

Stop to think of what RAY BATTERIES have done for you motorists. RAYS are the only batteries equipped with the famous "Lavier Formula Plates." These plates are so superior to the ordinary kind that from a performance standpoint they have practically rendered other makes of batteries obsolete.

The "Lavier Formula Plate" is an achievement for which electro-chemical engineers have been searching for years—namely, high porosity with firm structure. That this may not sound too technical here is the explanation: Picture in your mind two water faucets, one which turns on the full pressure all at once, and the other having a valve which requires five or six turns before the full pressure is obtained. The "Lavier Formula Plates" give off electricity like the first faucet will shoot out the water—full pressure immediately for vigorous turnover of the motor. The sluggish plates in other batteries form the

parallel to the second faucet. The electrical power within them is the same, but they cannot release the charge with the same snap.

It remained for Thomas Lavier, one of the great electro-chemical engineers of the present day, to develop a plate with this high porosity and yet with the most firm structure and resistance against hard use ever known. His plate cannot warp or buckle under the most severe strain in your car, and the battery will not overheat. The recuperative ability of these plates is such that they are practically 100% efficient. Lastly, the "Lavier Formula Plates" will not sulphate harmfully or wash down to short circuit the battery.

Even with the slashing of prices there is no battery which approaches RAY quality at anywhere near its price.

As RAY prices have always been right, they will always continue right. RAY batteries will always be of the same high quality which has made them famous. There will be no cheapening to meet competition.

You are SAFE with a RAY, which still remains the ONLY BATTERY guaranteed unconditionally for two years—a guarantee which no other battery is efficient enough to withstand.

**The Only Battery Guaranteed
Unconditionally for 2 Years**

Naturally it is the "Lavier Formula Plate" which makes this guarantee possible. Whether on the first day or last—any time within two years from the day you bought your battery—if your RAY fails to function properly, you get a new RAY BATTERY. The RAY guarantee is a clean, straightforward, written warranty.

NORTHVILLE, MICH., FEB. 18, 1921.

TREAT FOR CHORAL UNION PATRONS.

Patrons of Ann Arbor concert activities will be interested to learn that announcement has been made by the officials that the next concert in the Choral Union series will bring to Ann Arbor the Detroit Symphony Orchestra under the direction of Ossip Gabrilowitsch, with Ivy Solomon, violinist, as soloist on Monday evening, February 21st. This concert will take the place of the concert originally announced by the Minneapolis Orchestra which organization has broken its contract.

Holders of course tickets will please use coupon No. 5 marked Minneapolis' Orchestra for this concert.

The Detroit Orchestra will be heard again on the evening of March 10th as previously announced.

It will be appreciated by the management and by music lovers in general if readers of this notice will "pass the word along." Regarding the change of date and attraction to other music-lovers.

PRESENT TEKIAN CHURCH NOTES.

The business of the Living Church will be the subject of the sermon next Sunday morning at 10:30 o'clock. Come and worship with us if you have no other church home in the community.

Sunday school at 12:00. Come and tell the other members of the class what you think is the present-day application of Christ's parable of the wise and foolish virgins. Young People's meeting at 7:30. After a study of the evening topic, the third talk on the series on "How We Got Our Bible" will be given.

"Wycliffe and His Work" will be the special subject. This brings us to the first complete English Bible.

The monthly social meeting of the Young People's society will be held next Monday evening, February 21st, at 7:30 o'clock. Prayer meeting Thursday evening at 7:30.

LOCAL.

Mrs. Dean Gifford, underwear surgical operator, who is recovering at her home.

George Simmons was hospitalized about the first few days in the result of starting a fire in his kitchen.

Born to Mr. and Mrs. Phillip Anderson on Monday, February 14th, 7½ pound daughter, Jean Louise. Mrs. Anderson was formerly Miss Viol Miller.

The old-day study club of the Presbyterian church will meet with Mrs. B. C. Stark next Wednesday from eleven to four o'clock. Luncheon will be served at noon.

Ray VanValkenburg and C. H. Horton attended the dedication of the new temple of Acacia Lodge F & A.M. in Detroit last Friday night. The furniture for the new building was supplied by the Globe Furniture Co. of this village and is very handsome.

Mrs. Nettie Webster of Detroit, whose death occurred Monday at her home in that city, was buried in Rural Hill cemetery, Taunton, afternoon. Mrs. Webster was a resident of Northville a number of years ago. She leaves three sons, Clyde, Will, and Floyd all of Detroit.

In the illustrated section of the Detroit Free Press of Sunday last there appeared a photograph of the D. U. R. railway bridge in this village, the work of James Woolley of this village. Mr. Woolley is regarded as one of the best amateur photographers of this section.

This evening the members of the Woman's club will entertain their husbands and for the event a special program has been prepared. George Walters, deputy police commissioner of Detroit, will give an address on the subject "The People and The Police," and there will be special music furnished by Detroit talent.

Rev. H. Grinwood and wife and Mrs. Wm. H. White attended the Baptist Missionary conference at the Woodward Avenue Baptist church in Detroit last Monday and Tuesday and report splendid meetings. More than three hundred were present at the banquet when they were favored with speeches by Dr. Axing of China and Miss Troeck, the Angel of Ellis Island.

Some weeks ago in preparing copy for H. S. Doerr's advertisement a mistake was made in the name of the manure spreaders being offered for sale. Mr. Doerr has handled the John Deere spreaders in this section for years and has sixty of these machines doing service upon the farms of this locality, while the announcement stated that he sold the International machines. Mr. Doerr regards the John Deere the best machine of its kind on the market and he confidently recommends them to his patrons.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1896, for the week corresponding to this week.

Mrs. Springstein has gone to Saginaw for a visit.

The banks will observe Saturday as a legal holiday.

Rev. C. C. Turner was seriously ill part of the week.

W. E. Palmer has gone to Ypsilanti for a week's vacation.

A. Thurston on Clare, visited his son, Charles, over Sunday.

Kiss Sylvie, wife of Detroit spent Saturday and Sunday with her parents.

George Gibson of the U. of M. was home last week to remain over Sunday.

C. V. Joshua left this week for a business trip through western New York.

F. R. Bell has been in Chicago and Texas this week for the Globe company.

A first class bicycle livery is one of the things that will be established here this summer.

Mrs. William Kingswell left Wednesday for California, where she will join her husband.

Charles Harmon and wife and daughter of Sherian, are among relatives here for a few days.

The Ladies' Library association is forming plans to build a new hall during the year 1896.

Mr. and Mrs. H. R. Holmes are being congratulated on the birth of a daughter, born February 18th.

It was from ten to fifteen degrees below zero Monday morning according to the location of the thermometer and the fellow who saw it.

The talk by Dr. J. M. Swift before the Young Men's League Sunday afternoon was one of the very best of the whole year. Mayor Hutton speaks next Sunday.

The water in the reservoir of the Plymouth water works broke through a weak spot of the embankment on the north side yesterday and nearly all the water ran out and into the river.

The names of pupils who were not absent from school this winter appear in the H. M. White directory. Old Mr. Merritt Blitch Bradenbury and Emma Wilson, Willard D. Clark is the teacher.

On the risk list are Mrs. P. C. Porter, Mrs. Elizabeth, Mrs. W. H. Safford and baby, H. Priest, Zebina Rice and others. The convalescent are H. D. McPhail, John Sewell, Dan Hastings and H. J. Brown.

At the annual annual election of officers of The King's Daughters society Mrs. C. H. John airways made honorary pledges and for the coming year, Mrs. Clark Steers was elected president. Mrs. Michel Clark Vice president, Misses Gwendolyn Babbit, secretary and Miss Claude Smith, treasurer.

Here's an item found in the Record of May 17, 1896, which sounds odd at this late date but will probably only be recognized by the people of today as well as one to the people of twenty years hence with the word "velocipede" changed to bicycle. "The velocipede mania has struck Northville as a permanent fixture. Those who can run a machine are at it and those who cannot are doing their best to learn."

Methodist Church Notes.

A good a.m. morning worship "Religion, an Expensive Luxury" Sunday school at 11:30. Epworth League at 6:30. Evening service at 7:30. Illustrative lecture "The Hymn of the Centuries" forty beautiful pictures. Everybody cordially invited.

Northville School Notes.

The Wyandotte "Arrows" and the Wayne town team played our local town team Wednesday in the High school gym. The local team was defeated.

This week Friday evening our boys and girls' teams will play the boys and girls of Wyandotte High school. If you want to see two good games be sure and come. Admission 25 cents.

Last evening our debating team composed of Miss Elizabeth VanValkenburg, Miss Eliza Murdock and Miss Mildred Baldwin, accompanied by their coach, Miss Jean Jackson, went to Adrian to meet the High school debating team at that place.

Plans are now being made for a movie to be given next Monday evening in the High school auditorium.

Through the courtesy of Mr. Stewart, country club leader, a five movie was given for the benefit of the pupils Monday evening in the school auditorium. The film which was educational showed the workings of the big Armour plant, the Chicago stock yards, the McCormick Machine company and several views of the city itself. Merritt Young, who won third place from Wayne county, in the recent stock judging contest held at Jackson, was given a free trip to the live stock exhibition at Chicago and it was at this time that the above films were being made. Tuesday evening the big club met at the auditorium for

the purpose of seeing the above picture. On account of the difference in the size of films the Methodist church machine was used for which we are very grateful to Rev. H. J. B. Marsh.

The Senior class will have their pictures taken next Monday and Tuesday.

Next Wednesday afternoon at three o'clock Prof. Ford of the Normal college will address the Junior and Senior High school students. Everyone cordially invited.

Last Friday evening in a very rough game the Northville High school boys' basketball team lost to Farmington A-special car, chartered by Carl R. Ely, carried our team and spectators to their opponent's gym.

When the game started fully one-third of the playing space was occupied by spectators. This crowding the players to the center of the floor and increasing the opportunities for personal contact foul. There was a very intense feeling between the two schools and both teams played their hardest to win for their home school.

The Northville boys showed some good teamwork but were unable to do much effective shooting because of Farmington's rough style of defense. However, German made two field goals and Schwell one. Chapman shot twice during the game. The final score was 21 to 10.

Remember the "home" games that are to be played in the near future Friday, February 18, the Wyandotte teams come to Northville. The girls' game promises to be especially exciting since our girls lost to them earlier in the season by only one point made in the last fifteen seconds of play. Friday, February 25, the Plymouth teams play on the local floor. Their boys' team is the nearest our equal of any of the teams we have met this season and a hard game is sure to be played. Tuesday, February 22, our teams go to Warne.

BAPTIST CHURCH NOTES.

Next Sunday morning the sermon topic will be "Stewardship the true Basis of Christian Giving." In the evening "The Cross in Heaven."

Service for children in the afternoon at three o'clock. A hearty welcome as always given to all who attend our services. If you work and worship with us we will try to do you good.

Come to church. Get into our parthen's lights or on Philippians and Berea Bible classes. Morning service at 10:30. Sunday school at 11:45. Evening service at 7:30.

The Baptist Ladies Aid society will hold its regular business meeting on Wednesday, February 22nd at the home of Mrs. M. F. Stanley on Cadiz street. Each member is requested to bring needle and thread.

PERSONAL.

Mrs. William Lewis spent Monday in Detroit.

Mrs. Flossie Lanning was in Pontiac on relatives here, Wednesday.

Mrs. Louis Wigle of Detroit, called on relatives here, Wednesday.

Mrs. Stewart Lefay spent Wednesday with her sister, Mrs. Wm. Lewis.

Mrs. Carl H. Bryan attended the annual University of Michigan Women's luncheon given at the Hotel Statler, last Saturday.

Fred Foreman and wife have returned from a three weeks' stay at Palm Beach, Florida. They also visited a St. Augustine, Fla., and Washington D. C. enroute, and reported a very pleasant trip.

BATTERY PRICES DISCUSSED BY EXPERTS.

H. A. Marshall of the Marshall Garage has been keeping it very close secret that at this particular time, when the leaders of the world's battery markets are passing through the adjustment period, that it is necessary for buyers to give careful consideration to quality and service, and not to base their purchases entirely upon price.

The cost of the raw materials entering into the manufacture of storage batteries have not come down to any extent. Lead and other materials used are far from pre-war figures at with every Ray Battery which seems to be taking very well with

The Ray Storage Battery manufacturer users.

PROMINENT BANK CASHIER IS HELD

A. F. CRAWFORD, BRECKENRIDGE IS ACCUSED OF EMBEZZLING BANK'S FUNDS.

DEPOSITS SAFE, SAY OFFICIALS

Accused Cashier Released After Failing \$5,000 Bail; Shortage As Much As \$17,000.

Alma—Alleged irregularities found in the books of the First State Savings bank of Breckenridge, have brought about the arrest of Alfred F. Crawford, for nearly 25 years cashier of that bank, on charges of embezzlement. The warrant secured by Leo H. Kalmar, state bank examiner, was based on single item in December, said to involve about \$2,000.

One director of the bank, declared that the total alleged shortage shown by the audit of the books of the bank will probably be between \$5,000 and \$6,000, but O. L. Smith, prosecuting attorney, asserted the shortage at the bank would be approximately \$17,000. Officials of the bank have safeguarded deposits by transferring assets sufficient more than cover any anticipated loss. One of the directors stated also that Crawford had signed considerable amount of property for the protection of the bank.

Immediately after his arrest, by members of the sheriff's force, Crawford was taken to Ithaca, where he was arraigned. He stood mute in justice court. Bail was fixed at \$5,000, closed nearly a month, which was furnished.

For many years Crawford has been prominent in politics of the county. Crawford is said to be interested in one or two other banks in this part of the state, and in seven or eight through central Michigan.

Henry Yeade has been temporarily placed in charge of the bank.

HOUSE PASSES BIG NAVY BILL

Effort to Halt Construction of Ships Decisively Rejected

Washington—The several appropriation bill, carrying approximately \$355,000,000, was passed Monday by the house after it had decisively voted down an amendment which would have prevented the expenditure of any part of the \$90,000,000 provided for battleship construction until an international disarmament conference shall have been called by the president. The amendment, offered by Representative Brooks, Republican of Illinois, was defeated 324 to 30.

The house also refused to cut the amount that would be available for work on the navy's building program during the coming fiscal year.

RAIL WAGE CUT IS DELAYED

Reduction of Maintenance Men Suspended Pending Hearing

Chicago.—Recent reductions in the wages of maintenance of waymen and changes in the working conditions of train dispatchers, as announced by the Erie railroad, were suspended by the federal railroad labor board pending a hearing.

The board announced that no wage reductions or changes in working conditions could become effective except by agreements between the road and its employees until the board had an opportunity to pass upon the case. The hearing was set for February 23.

URGES CANADA REVISE TARIFF

Governor General Makes Plea At Opening of Session.

Ottawa.—The fifth session of the thirteenth Canadian parliament opened in the new senate chamber Monday amid all the pomp and splendor of pre-war days, and was addressed from the throne by the Duke of Devonshire, governor general.

The Duke advocated a revision of the customs tariff "with due regard to the necessity of revenue," but declared the "principle of protection must be constantly maintained."

8 NOW FACING RUM CHARGES

Two Pleaded Guilty, Others Held Under Bail of \$1,000.

Alma—Two new arrests in connection with Alma's alleged illicit whoring were made, officers arresting Stanley Baker and Howard Griffin.

Six of the eight now under arrest on liquor charges were arraigned, two of them Dan Duffy and Victor Collins, pleading guilty. Bail in their cases was fixed at \$1,000, but was not furnished.

FRENCH DEPUTIES BACK BRIAND

Premier to Attend London Conference On March 1.

Paris.—Premier Briand will face the delegates of Germany at the London conference on March 1 with a mandate from the French republic supporting the reparations terms framed by the superimposed council in this city two weeks ago.

Week's News in Brief

Brazil Public Building Damaged Rio de Janeiro.—The buildings of the ministry of foreign affairs and the stock exchange were considerably damaged by a bomb explosion.

Readjustment Hits Diamond Market Amsterdam—Nearly 800 of the 10,000 members of the diamond workers union are idle. The bottom

line to 25% is out of the world's diamond market.

W. M. Professor Dead Boston—Barrett Wendall, professor emeritus of Harvard university, where he had taught English literature for 37 years, died at his home here. He was 63 years of age.

Commerce Body Fights Two Bills Washington—Enactment of the pending bills for federal regulation of the coal and packing industries will be vigorously opposed by the Chamber of Commerce of the United States.

Thread Factories On Full Time Pawtucket, R. I.—J. E. Cortes, thread manufacturers, announced that all departments would hereafter be operated 48 hours a week, and that a night shift would be started in the spinning department.

Ford Plant in East Opened Cambridge, Mass.—The re-opening

of all departments of the Ford Motor Company's assembling plant here was announced by the New England manager, R. E. Jones. The plant has been closed nearly a month.

Baker Issues 'Retrenchment' Orders Washington—Surplus stocks of refined goods and reclaimed uniforms accumulated during and after the war are to be used in the manufacture of the Regular Army's winter retrenchment orders just issued in Secretary Baker.

Estate Shared in Michigan Kitchener, Ont.—The wife of the late James Livingston, ex W. P. A. Biden, Ont., disposed of an estate valued at \$5,500,000. Mrs. Rebecca Roth, 60, is left \$1,000. Mrs. Louise McCall, Yale, Mich., is also an hour.

Bulgaria Has Large Deficit

Brussels—The minister of finance introduced the budget in the Chamber of Deputies. It totals more than 9,500,000,000 francs. It shows a deficit of 4,500,000,000 francs. Expenditures for reconstruction will amount to nearly 3,000,000,000 francs.

Johnson Immigration Bill Killed Washington—The House Immigration Bill, which would virtually have stopped immigration for years, was disapproved by the Senate Immigration Committee, 5 to 1. The committee agreed to adopt a substitute measure restricting immigration on a percentage basis.

Twelve Lawyers On Jury

Akron, O.—For the first time in the history of Ohio, so far as it is known, a jury composed exclusively of attorneys was impaneled in a municipal court here for an automobile suffrage being waged around the court room that the legally trained juror never would arrive at a verdict.

Landis Closes Drug Store

Chicago—Apothecaries found guilty

of violating the Volstead Act were

warned to follow the straight and narrow path through action of Federal Judge Landis, who issued a permanent injunction closing for one year a drug store that had sold liquor illegally. The action was the first to be taken against such a business place.

Twins Named After Presidents

Clarksburg, W. Va.—O. P. White,

sheriff of Lewis County, West Vir-

ginia, and Mrs. White, parents of twin

boys recently born, have named them Woodrow White and Warren White.

The Duke advised a revision of the customs tariff "with due regard

to the necessity of revenue," but de-

cided the "principle of protection

must be constantly maintained."

The Duke advocated a revision of

the customs tariff "with due regard

to the incoming and outgoing Pres-

idents. The sheriff said the political

division resulted from the fact that

he is a Democrat, his wife a Repub-

lican.

Half Million For Beautifiers

Washington—American women are

spending for beautifiers, candy and

foibles enough to pay the entire cost

of the nation's naval program, includ-

ing construction of new ships. Few

knick-knacks in 1920 cost ap-

proximately \$500,000,000, government

records show. The cost of the Navy

for 1921 will be \$343,000,000, unless

present appropriations are increased.

Forgot to Hand Prisoner

Baton Rouge, La.—Sheriff T. A.

Grant of Ouchita Parish, notified Gov-

ernor Parker that he had forgotten to

hang Lonnie Eaton, Negro, convicted

of murder, on February 4 as required

by the sentence, and asked what to

do with the prisoner. The governor

put the problem up to Attorney Gen-

eral Clegg. Sheriff Grant's letter said

he had been so busy with other mat-

ters on February 4 that the scheduled

hanging had completely slipped his

mind.

proved bankable notes bearing 6% inter-

est.

GEORGE SPARR,

PROPRIETOR

Farmington Flashes

A village caucus will be held on the evening of the 21st.

Norman B. Conger, of Detroit, the weatherman, gave an interesting address here at the town hall Tuesday evening.

Mr. and Mrs. Joseph Sullivan are the parents of an eight-pound girl.

The Senior class of the Farmington Schools will present a play "A College Town" at the

**AS A MATTER OF CONVENIENCE
AS A MATTER OF ECONOMY**

—you should choose
to clean electrically.

An electric Vacuum Cleaner not only cleans much more thoroughly than a broom but also prolongs the life of rugs and carpets.

The convenience plus the economy of Electric Cleaning should prompt you to buy an Electric Cleaner—if you have not already done so.

Let us demonstrate one for you.

**WHAT \$300 WILL DO
IN GERMAN MARKS**

The rapid increase of the present value of German Marks, evident during the last week, indicates a rising market.

\$40 CONTROLS 10,000 MARKS for six months. Should Marks advance to only one-half their normal value, the net profit on an investment of \$40 would amount to \$600.

\$75 CONTROLS 20,000 MARKS, for six months. An investment of this sum, should marks rise to half their normal value, will yield net profits of \$1,200.

\$800 CONTROLS 100,000 MARKS for six months. Should Marks advance to half their normal value, net profits from an option on 100,000 Marks would amount to \$6,000.

Forward today your remittance for six months option on either 10,000, 20,000 or 100,000 Marks.

MONROE—Police found a stuffed dummy on the New York Central tracks, after they had been notified that a man had been killed by a train. The prank was staged by young boys, it is thought.

Grand Rapids—A sum of \$10,000 was raised for the building of an addition to the D. A. Blodgett Home for Children. Mrs. John V. Blodgett and Mrs. D. A. Blodgett made donations of \$5,000 each.

Kalamazoo—After serving for three years as city manager of Kalamazoo, Harry H. Freeman, tendered his resignation, effective July 1, which was unanimously accepted by the communis-

sion.

Monroe—Police found a stuffed dummy on the New York Central tracks, after they had been notified that a man had been killed by a train. The prank was staged by young boys, it is thought.

Flint—Prisoners in the Genesee County jail are being fed at a cost of 11 cents a meal which includes the salary of a cook, according to reports of the first month the new feeding cost system installed two weeks ago.

Pontiac—An ordinance proposing for the repeal of the state present law ordaining and creating a police director or police force to control trade has been digested up by Allen C. G. Clegg. The consideration by the city commission.

Flint—The city commission is of mind to overrule the ordinance.

Michigan—A contest will be held at the Western State Home School in Kalamazoo to determine who is the best stonecutter in Michigan. The contest was planned by the Michigan State Teachers Association.

Bethel—A society of 1,000 will be held Feb. 22nd on a bond issue of \$1,000 for a new grade school. A proposition to bond the village for \$24,000 for the same purpose was recently voted down.

Pontiac, Mich.—John Martin, 36, of Novi, was found shot to death near a statutory charge following a story told by his 15-year-old stepdaughter. Martin was arrested on a warrant sworn out by his wife.

Port Huron—James Wright, 18, has been sentenced to prison for two to five years. He was sentenced for the killing of his father and John McNamee because his benefactor, the late McNamee's car and was arrested on a charge of arson.

Flint—Mrs. Esther A. Holtz is the second woman to file a petition for a trial in the common council. The other woman candidate is Mrs. E. G. Able, a prominent club woman. There are three male candidates for the same position.

Flint—James Wright, 18,

has been sentenced to prison for two to five years. He was sentenced for the killing of his father and John McNamee because his benefactor, the late McNamee's car and was arrested on a charge of arson.

EVERYBODY WELCOME

PERSONAL

Mrs. D. B. Brian was a Pontiac visitor Tuesday.

Mrs. Wigle spent the weekend with her parents at Westerville.

Leslie Miller of Detroit visited his uncle, J. W. Perkins, on Monday.

Mrs. Myra Stark of South Lyon is visiting Northville relatives and friends.

Mrs. S. L. Brown of Dundee was a Northville and Wixom visitor the first of the week.

Mrs. Cass Hough of Plymouth was a guest of Mr. and Mrs. Charles A. Sessions Sunday.

Mrs. Olive Sprague of Farmington spent Saturday with Mrs. Tremper and daughter, Grace.

Mrs. Claude Bennett visited her cousin, Mrs. Kittle Webber in Detroit, last Saturday.

Mrs. L. F. Eaton of Detroit spent Saturday to Monday with her son, Levi M. Eaton and family.

Miss Flora Hendryx and Arthur Aves of Detroit were weekend guests of Mr. and Mrs. Frank Hendryx.

Mr. and Mrs. T. G. Richardson spent Saturday and Sunday with Mr. and Mrs. Chas. F. Murphy in Detroit.

F. P. Simmons returned Saturday night from his outing in Florida. Mrs. Simmons will remain for a few weeks.

Miss Margaret Davis of Detroit was a guest of Mesdames W. W. Thayer and Karl Bryan a few days during the past week.

Mr. and Mrs. Harvey White and family and friends from Detroit spent Sunday evening with Mr. and Mrs. George Williams.

Messrs. Lyke and Lang were in Grand Rapids last week attending the annual convention of the State Hardware Dealers' Association.

Rev. H. J. B. Marsh was called to Hamilton, Ont., the first of the week by the serious illness of his mother. He expects to be home to fill his Sunday engagement.

Mr. and Mrs. J. E. Nims and little grandson of Detroit and Mr. and Mrs. Ebb Simmons of Lake View were guests of Mrs. Elizabeth Ostrand at the Tremper home Sunday.

Mrs. Ruth Berries entertained a number of her young friends at a Valentine party at the Library building Friday evening. Games and dancing provided the evening's enjoyment. Refreshments were served.

George Pearlall, who has been with Pontiac Friends for the past few months, is spending a couple of weeks with Harry Elliott and family. He has sold his residence in this village to a Mr. Nichols of Walled Lake, who will occupy the property soon.

Mr. and Mrs. Harry White and family, Mr. and Mrs. Freckleton and baby and Mr. and Mrs. Bert Tolles of Detroit, bringing a generous supply of good things to eat, took dinner with Mr. and Mrs. Myron White and Mr. Albert Stogmann, Sunday. A merry time was enjoyed.

W. R. C. NOTES.

The W. R. C. meets Wednesday, February 23. An interesting patriotic program was rendered at the last meeting in commemoration of the birth of our hero of '61, Washington and Lincoln.

The Corps is divided into groups for the purpose of raising money and you'll be interested to hear about the proposed plans. Come early and make this a meeting of enthusiasm and fun.

AUCTION SALE

Monday, February 28th Edmon R. Perrin will have an auction sale on the Robert Wilson farm, three and one-half miles west of Northville, on the Bass Line road, on Monday, February 28th, commencing at 12 m. sharp. He will sell his choice Holstein dairy herd, horses, farm tools, hay and grain, a fine lot of farm implements and some household goods. Frank J. Boyle will conduct the sale. Remember the date—next Monday.

311c

NOTI NEWS.

The social announced by the Non-Baptist ladies for Friday evening of this week, has been postponed until Thursday evening, March 3rd. The public is cordially invited to attend.

RESOLUTIONS.

The following resolutions were read and adopted at a meeting of Mizpah Circle of King's Daughters, Tuesday evening, February 15th, 1921:

WHEREAS, The seaper's death has invaded the home of one of our esteemed members and removed from our midst Mrs. Maud Perrin,

WHEREAS, It is the desire of this Circle to manifest an expression of deep and heartfelt sympathy to the bereaved husband, son, mother and other relatives. Therefore be it

RESOLVED, That in the removal from our midst of Mrs. Maud Perrin, the members of this Circle fully realize that the great loss sustained by the family, also Mizpah Circle of King's Daughters cannot be measured by words or other forms of expression. Therefore be it

RESOLVED, That we tender to the husband, son, mother and relatives our sincere sympathy, and be it also

RESOLVED, That these resolutions be printed in The Northville Record, a copy sent to the bereaved family, and a copy be spread on the records of the society.

ADELL BROCK,
Committee

FORD SETS BIG CITY DOOR AS MANUFACTURING CENTER.

(Continued from page 1)

Ford announced that his company had taken over a water site at Hamtramck, Ohio, and had entered 15 other small communities.

Our plan is not to be confined to one portion of the United States, but will extend throughout the country, he said. "We will possibly not limit it to the United States. England offers many opportunities of this kind."

The idea in the smaller community is to get at it and do it. These farming communities feed their manpower, and improved mechanical farming methods will eventually give men time to think of other things than being held to crude farms, driving through the winter for a few cows.

The farmer may work in one of our factories until the time comes to plant crops. He may return when that is done. There will be no need for him to leave the farm or its surroundings for the unnatural conditions of American cities, with their injurious effects on mental, moral and physical life.

There are fewer needy people in smaller communities than in cities.

In the town of Dearborn we have but only three cases to look into, whereas in Detroit there have been too many.

Dearborn was the first location of the Ford Tractor plant and was

Ford's birthplace. There still lives

in this town, once a small village, there are entire streets of attractive well built dwellings put up by Ford for employees at a cost of about \$2,000,000

during the last two years.

Miss Margaret Davis of Detroit was

a guest of Mesdames W. W. Thayer and Karl Bryan a few days during

the past week.

Mr. and Mrs. Harvey White and family and friends from Detroit spent

Sunday evening with Mr. and Mrs. George Williams.

Messrs. Lyke and Lang were in

Grand Rapids last week attending

the annual convention of the State

Hardware Dealers' Association.

Rev. H. J. B. Marsh was called to

Hamilton, Ont., the first of the week

by the serious illness of his mother.

He expects to be home to fill his Sun-

day engagement.

Mr. and Mrs. J. E. Nims and little

grandson of Detroit and Mr. and Mrs.

Ebb Simmons of Lake View were

guests of Mrs. Elizabeth Ostrand at

the Tremper home Sunday.

Mrs. Ruth Berries entertained a

number of her young friends at a

Valentine party at the Library building

Friday evening. Games and dancing

provided the evening's enjoyment.

Refreshments were served.

George Pearlall, who has been with

Pontiac Friends for the past few

months, is spending a couple of weeks

with Harry Elliott and family. He

has sold his residence in this village

to a Mr. Nichols of Walled Lake, who

will occupy the property soon.

Mr. and Mrs. Harry White and family,

Mr. and Mrs. Freckleton and baby

and Mr. and Mrs. Bert Tolles of De-

troit, bringing a generous supply of

good things to eat, took dinner with

Mr. and Mrs. Myron White and Mr.

Albert Stogmann, Sunday. A merry

time was enjoyed.

The thought struck the interviewer

that it may be that the next half

century will see the beginning of a

cowless, horseless, milkless, meatless

era in which the city laborer has be-

come a joint mechanical farmer-laborer,

and the farmer has become a

factory farmer. It is the dream of

a millionaire auto manufacturer who

died 15 years ago that autos

should be articles of bulk production.

Henry Ford did not impress one as

a dreamer, when he said: "The

great thing about organization is that

when men get control they proceed

to build fences around themselves

and begin to exploit other men to pile

up greater wealth. They become

little nations, ready to quarrel

with other little nations. That is

the thing we are breaking up in our

organization." The whole thing sifts

down to the care and assistance you

give the people working for you."

Officials around the manufacturer

are anxious to turn back to the small

town idea. They believe it will

come about like the telephone, the

auto wireless, the street car and the

other things, undreamed of half a

century ago.
