## ROYAL ARCH MASON WERE GENEROUS HOSTS

The banquet and musical given at the High school gym last Friday evening by Union Chapter, Royal Arch Masons, was one of the most enjoyable fraternal society affairs ever given in this community and reflected credit upon the members of the chapter and the very competent committee having the arrangements in charge. Members of the chapter and their wives to the number of about four hundred responded to the invitations issued and from 6:30 to after midnight they were royally entertained by the chapter's orchestra which was engaged for the evening and while the guests were being received in the auditorium a fine musical program was rendered, and when the guests were invited to the gymnasium to partake of the bountiful banquet the orchestra "moved" with the crowd and during the serving of the meal played a number of lively numbers.

Five long tables were spread in the gym and three of them were filled by the "large" company. Rev. E. V. Belles offered the invocation. The tables were most attractive and the "spread" prepared by the committee was all that could have been desired. When all had been served, F. S. Harmon addressed the banqueters in a few well chosen words and extended a very cordial welcome to the ladies. In closing his remarks he called upon the chapter members to give their guests three huzzahs, and the request was responded to with enthusiasm. Immediately following the banquet, the Hudson Male Quartet of Detroit gave one of its popular concerts. Northville people were especially anxious to hear this splendid organization because of the fact that one of our young men, Guy C. Filkins, is the accompanist of the quartet and goes with them upon their concert tours. The quartet is composed of Messrs. Harry Parker, Harry Leider, Tom Muir and Al Copperwaite and every one is an artist in the special position he holds. Each number was not only heartily applauded, but the banqueters were not satisfied and would not be quieted until their generous encoures were responded to. The members of the quartet seemed to enjoy the enthusiasm shown by their audience and they responded graciously to the repeated encores. The concert was indeed a rare treat and one that will be long remembered by all who had the privilege of being present.

At the conclusion of the concert High Priest, James N. VanDyne, announced that the members of the orchestra had kindly consented to remain and to furnish music for dancing and all invited to partake of this added feature of the evening's entertainment. Tables were soon removed and a large number of the banqueters remained for dancing until after midnight.

The members of the chapter had planned for a singular entertainment last winter, but the affair had to be postponed on account of sickness and conflicting attractions until this time, and the committee evidently decided to "make up" lost time in its plans for Friday night's entertainment. It was a big undertaking, but Northville's Masonic bodies are becoming familiar with large affairs and are very capable in planning and carrying them out. The chapter certainly proved itself a generous host.

The brothers of Northville Lodge, F. & A. M., who have not yet received the chapter degrees, very kindly assisted in serving the banquet, and their services were greatly appreciated.

**ILLUSTRATED LECTURE—PLAY BY SCHOOL CHILDREN.**

## H. RAY BOGART WON OUT FOR PRESIDENT

Monday's village election which was expected to be a very quiet affair developed into a real contest as the day passed and when the votes were counted it was discovered that the successful candidates had but a few votes to spare. H. Ray Bogart, the People's candidate for president, won over Charles H. Coldren, the Workingmen's candidate, by eighteen votes, and upon the face of the return George M. Henry, People's candidate for trustee, defeated Frank E. Hills, Workingmen's candidate, by only seven votes. The remainder of the Workingmen's

candidate and the People's candidate were 536 votes cast for president. The result of the election was as follows, the names of the Workingmen's candidates appearing first: For President—Pre 1 Pre 2 —Frank E. Hills 165 124-283 Charles H. Coldren 173 111-284 H. Ray Bogart 137 165-302 For Trustee—Carl R. Ely 151 133-214 Stewart Montgomery 180 122-203 Chas. Van Valkenburg 129 141-261 Edward M. Bogart 137 146-278 George M. Henry 139 155-294 For Clerk—Thomas E. Murdock 217 150-363 For Treasurer—Floyd R. Laning 218 147-365 For Assessor—Chas. A. Sessions 221 117-368 The women of the village manifested a great deal of interest in the contest and were out in large numbers in the afternoon.

**OLD MILL WAS LONG IN SERVICE.**

The Northville flouring mill, which has been operated by members of the Yerkes family for twenty years or more, was closed for business Saturday, and workmen have been busy this week removing the machinery which will be installed in a new and modern mill soon to be erected by Messrs. D. P. Yerkes, Sr., and D. P. Yerkes, Jr. The building was erected about 1848 by Capt. William Dunlap, father of Mrs. John Dubuque White. Mrs. White stated to The Record a few days ago that previous to the erection of the present mill, a smaller mill acquired by her father when he purchased his farm of 160 acres did the work of the surrounding country and was the only flouring mill for miles. This mill brought customers from as far away as Shiawassee county, the men coming with teams, bringing grists for themselves and their neighbors as there was no hotel in those days nearer than Detroit. The patrons of the mill were compelled to remain over night and they were hospitably cared for by Capt. and Mrs. Dunlap in their little log cabin. The men would sleep in the loft and the family on the floor of their little home, and no infrequently there would fifteen or twenty men accommodated over night and for their meals. "My mother," said Mrs. White, "often baked a barrel of flour a week into bread."

Continuing Mrs. White said, "When the present mill was built there was quite a village here and conditions were very much improved. I well remember the raising of the present mill, as the timbers were so large and heavy it took all the men who could be found to put them in place. A bountiful supper was provided and placed on tables in the front yard of what was then our home, now the Ball Real place. But most of the men were from a distance and could not stay for supper, consequently the family lived on the top shelf for a while and pies and cookies were shared with neighbors and friends. The mill was run by water power for several years before the steam engine was put in and when the spring freshets carried off the mill dam, it made hurrying work both indoors and out, requiring 15 or 20 men for two or three weeks to rebuild.

After the mill was sold to John Smith it changed owners several times before it came into possession of the Yerkes Brothers.

The old mill, which Capt. Dunlap acquired with his farm, was located about where C. L. Dubuque's lumber office used to stand. The farm extended from what is now Main street to the Base Line and as far west as Rogers street.

THE UNIVERSAL CAR

The Ford car will be called the "people's car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the rarest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that any body can everybody can safely drive it. ## Notice To The Public:

Having purchased the yards and equipment of the Clark Coal & Ice Company of this village, we are in a position to serve the public better than ever, and we especially solicit the patronage of all the former patrons of the retiring firm.

We are doing our best to supply the public with coal of all kinds and we shall continue our efforts, in spite of the many discouragements which confront us daily. The coal market is in a bad condition, but we are trying to secure our share of fuel at the mines.

It is to the advantage of our customers to place their orders for their year's supply of fuel as early as possible. That will enable us to estimate our needs and to make a showing with those from whom we purchase coal that will have its influence to our mutual advantage.

## FAVORS COUNTY HEALTH OFFICER.

Although the Townsend bill for the establishment of medical county health officers is not strictly a measure for the eradication and control of tuberculosis but a general health measure, the Michigan Anti-tuberculosis association is backing the bill with all the influence at its command and will do all it can to get it passed by the legislature.

"Whatever is done for the promotion of general health is done for the control and prevention of tuberculosis," said Miss Elizabeth L. Parker, executive secretary of the state association in commenting on the association's support of the bill. "A community that looks after the building up of the general health will be less troubled with tuberculosis than a community that does not do so."

The public is gradually beginning to understand that tuberculosis is a disease of the civilized as long as men, women and children keep their general health up to a high standard. Tuberculosis has little chance to strike them down. Most people are tuberculous at one time or another, but as long as their general health is good they do not know it and the disease does not become active. But as soon as they become run down, tuberculosis has a good chance to attack them.

"We believe the county health officer bill will help to maintain the general health of the people of the state and hence we are doing all we can as a tuberculous association support the bill."

## PODS ARE CALLED COLDSCOUTS.

Campion cold were selected today as "cold-scouts" for many other calamitable diseases by Dr. R. M. Olin, Michigan commission of health.

Communities which have made special efforts to keep down the number of common colds assisted Dr. Olin, who experienced appreciable decrease in the incidence of other diseases. The common cold may often be taken as an index to a person's physical fitness, or the prevalence of colds in a community to the general physical fitness of the people.

"Daughter from colds lies not so much in the cold itself," Dr. Olin asserted, "as in the fact that a person's physical resistance is lowered. The common cold scouts ahead blazes the trail, and makes far easier entry of the more serious sickness. Study of case histories of tuberculosis and pneumonia reveals that in a large majority of instances the disease was preceded by frequent colds."

Since measles, scarlet fever and diphtheria start with common cold symptoms and are unusually prevalent now, it is advisable whenever possible to call a physician for early diagnosis.

Methods for prevention of common colds stressed by the commission included:

Keeping away from persons affected with colds especially care in guarding against undue exposure and wet feet during spring weather; daily ventilation of houses and offices, and maintenance of "good physical tone" through bodily cleanliness.

NOVI MAN SENT TO JACKSON.

From ten to 25 years in Jackson prison with the recommendation he serve the minimum period, was the sentence Judge Frank L. Covert gave Charles L. Martin of Novi township, convicted last week of a serious offense against his 14-year-old stepdaughter. Martin is nearly 66 years of age so the sentence virtually means life imprisonment for him, it is said.

"I am innocent. That is all I've got to say," was the statement Martin made to the court when given an opportunity to speak before sentence.

"I am sure I do not know whether you are innocent or not," said the court. "The jury said you were guilty and, from the testimony I believe, the verdict was warranted."

"It was a case of my family trying to get away from me," replied the prisoner—Pontiac Press.

## The Northville Record.

E. E. BROWN, Publisher.

An independent newspaper published every Friday morning at Northville, Michigan, and entered at the Northville post office as Second-class matter.

NORTHLVILLE, MICH., MAR. 18, 1921.

## WILL SOON BE OPEN FOR BUSINESS.

The past week has been a very busy one for the Northville Milling & Lumber Co. They have taken the machinery out of the old mill and have moved it to their new warehouse on the P.M. tract near the Condensery and if they could have secured electric power they would have been able to grind feed on Wednesday. It is expected they will have their motors connected and be in readiness to grind next week Friday. They will be able to serve their patrons with flour and sacked feeds next Monday.

On Tuesday surveyors were here to stake out the side-track leading from the P.M. main line and work of grading is now under way. The first car load of lumber for the new yard arrived Wednesday and others are on the way. The new yard will soon be fully prepared to serve the public.

## TWO TOWNSHIP TICKETS NAMED.

In spite of the rain a good sized crowd attended the republican township caucus Saturday afternoon. E. E. Brown was chosen chairman and Ernest Miller secretary, and Mrs. F. A. Northrop, Mrs. A. E. Fuller, Scott Montgomery and T. R. Carrington were appointed tellers. There was but one contest and that was over the nomination for treasurer. The following nominations were made: Supervisor, W. H. Yerkes, clerk; Ernest Miller, treasurer; Helen A. Morris, justice of the peace; Carl R. Elly, highway commissioner; Stewart Montgomery, overseer of highways; Harley D. Johnson, member board of review; Floyd A. Northrop, constables; Horace S. Greene, Frank N. Ferrin, Perry Austin and George Whipple.

The democrats held their caucus Saturday night and the following nominations were made: Supervisor Lewis V. Valleymoor, clerk; Spencer Steiner, treasurer; Eva Boyce, highway commissioner; William Montgomery, overseer of highways; Wilma Matheson, justice of the peace; Fred J. Newell, member board of review; Louis A. Lubbing, constable; Willard Cole, 1st Lieut. Earl Montgomery, Captain; G. E. Gifford, Hon. Cramer, ex-chairman of the council; and F. L. Vincett, secretary.

## WITH VICTORY ANSWERS IT ALL.

The people of the community were greatly taken aback to learn that when they were in the lead death of Benjamin McMillen Parmenter, became current about the village. He was stricken Saturday morning and the death messenger relieve him of all suffering shortly. He was held in high esteem by all who enjoyed his acquaintance and the circle of his friendships was only equaled in the extent of his acquaintanceship among the people of this section. He was a good citizen, a devoted husband and father, and a self-sacrificing friend and neighbor whose passing has brought sorrow to many hearts in Northville.

The deceased was born May 7th, 1842, on the farm now owned by R. Christensen in Novi Township, and thus his voice has been passed into the immediate vicinity of his childhood home. His great to manhood in this community and when the call came for men to lead, the Union cause in the war of the rebellion, he enlisted in the U.S. Navy in 1862 and served on the U.S.S. Elsin until it was destroyed in an engagement on the Tennessee river. He then served on the Cincinnati until the close of the war. For some act of bravery Mr. Parmenter received a medal from Congress several years ago, but in his usual modest way he had never told the specific act for which the token was given.

At the close of the war he returned to Northville and on December 3rd, 1867, he was united in marriage to Anna Guthrie. It was the good fortune of Mr. and Mrs. Parmenter to celebrate their golden wedding anniversary in December, 1917. All of the five children born to this union survive—Mrs. E. C. Arthur, Clarence and William D. Parmenter of Detroit, Mrs. John Schoultz and W. A. Parmenter of Northville. Besides his widow and children he is also survived by one brother, Charles, of Windsor, and two sisters, Phua Hammon and Dolly Hosmer, besides 12 grandchildren and four great-grandchildren.

For many years Mr. Parmenter conducted a cider and vinegar plant in this village and was actively engaged until about a year ago when he sold his interests to his son, W. A. Parmenter. He became a Methodist church member of the M. E. church services at his home on Wednesday evening, March 18th, by Rev. E. E. Brown, conducted by Rev. E. E. Brown.

Members of Allap. M. Harmon Corps and Post, of which latter organization he was an honored and devoted member, attended in a body. Many handsome floral tributes attested to the esteem in which he was held by the people of Northville.

Burial took place in the Knapp cemetery, the bearers being his grandsons—Harold, Parmenter, Paul Parmenter, Carl Schoultz, Charles Schoultz, Clyde Schoultz and Russell Fuller.

## Northville School Notes.

Spring vacation will start one week from Friday, March 25th. School will be closed for one week.

The Hot Lunch Club which has proved such a fine success will be discontinued after the spring vacation. This project is only carried on through the winter months and has been of great benefit to many students during the past winter. A report of this will be given in a later issue of this paper.

Sixty-four non-resident pupils have been in attendance at the Northville schools this year, netting the school district over two thousand dollars in tuition.

Miss Elizabeth Lapham carries the honors of the senior class this year, winning the position of valedictorian. She has the highest average of the class covering the four years of High school work. Miss Mary Hunt won the salutatorian by having the next highest. Congratulations.

The Wesleyan Methodist basketball team of Detroit came to Northville on the evening of March 10, to meet our High school team in the last home game of the season. The visitors were late in getting here and when their men's team arrived they informed us that their girls' team was not coming. Then a girls' game was arranged for between two High school teams. At the close of this game the two men's teams came on the floor. By two out of three of the fans the Methodist team were picked as the winners, for their squad was composed of ten men larger in size and older in years than our boys and very clever at handling the ball. After a short warm up the girls blew their whistle, the teams took their places, the ball was tossed up in center and the contest began. The local team's defense was tight and the visitors were forced to resort to long shots which failed to bring about their downfall, but playing up sharp and the score was close throughout the first half which ended 13 to 12, Northville. After a intermission between halves the local team came back with more determination than ever to win and scored 18 points in the visitors. In the last half the Methodist coach made six substitutions but was unable to keep the score closer than 19 to 27, Northville. Superintendent C. Stilwell, E. A. Johnson, A. Buckley, J. L. Schaeffer, G. Webb and F. C. Price II represented the Northville High school. Wm. Ellsworth, W. Yerkes referred the game.

## LICENSSES FOR STATE ANGELRS.

Licenses for anglers are provided in a bill introduced in the state senate last Thursday, by Senator Osborn. Every resident of the state fishing with hook and line, or in any lawful manner, from the lakes and streams within the jurisdiction of the state of Michigan, would henceforth be obliged to pay an annual fee of one dollar. The fund so raised would be known as the resident Angler's License fund, and would be used by the state board of fish commissioners for necessary propagation and distribution of fish within the state.

Mr. and Mrs. Fred Roberts arrived Saturday from Ovid, Mich., and until their newly purchased home in Bealton is ready for occupancy, will remain with Mr. and Mrs. Robert Laning.

Miss Reva Schrader entertained about half of Legg's young friends at a very prettily appointed St. Patrick's party at the Library last Friday night. Dancing was enjoyed until midnight, and ice cream and cake were served as refreshments.

All ex-service men residing in this community are invited to attend an ex-service dance to be given by Lloyd Green Post American Legion, at the high school gym, Tuesday evening next at 7:30, whether they receive an invitation or not. Refreshments will be served free, no admission will be charged.

Mr. and Mrs. Carl H. Ely have moved into their handsome new residence on Rogers Street. The new home is modern in every way and is most attractive both inside and out, fitting well with its exterior arrangement. When the windows graded in the spring and fall, started the will be one of the best painted houses in Northville.

It is very important that all voters who have moved from one precinct to another during the past year have their names transferred on the township rolls. This can easily be done by making application to the township clerk and should be attended to before the 26th of March. To give proper attention to this matter will avoid confusion and misinterpretation.

The regular monthly meeting of the Farther Light Bible class of the Baptist Sunday school was held last Tuesday, at the home of Mr. and Mrs. Eugene Palmer. There was a large attendance, and the usual good time was experienced. The class is doing fine work in raising money for the improvements now going on about the church property.

On Friday evening, April 1st, will occur the opening dance of the season at the Walled Lake Pavilion. For this event Stone's orchestra of eleven pieces, has been engaged. This is the third season at this popular dancing pavilion and judging by the past two it will be a very successful one. Manager Taylor always has good music and the merry dancers are assured a pleasant time.

Mrs. Mary E. Wilson of the Wilson Hotel was called to Alpena recently to attend the funeral of a brother, Dr. J. D. Dunlap, a prominent and well-known physician. Dr. Dunlap was regarded as one of the most skilled practitioners in the state and he was one of the first, if not the first, to discover a cure for liquor victims and devoted a great deal of time to its application. No one in Alpena was held in greater esteem by all classes of people than was Dr. Dunlap and his death was universally mourned by his neighbors and friends.

WHERE THEY WILL BE DE-  
PORTED AT END OF WEEK.

### DEPARTURE FROM DETROIT QUIET

Radicals Admit Membership in Com-  
munist Party But Make No  
Protest of Treatment

Detro—Adjudged guilty of being mem-  
bers of the communist party and violat-  
ing the law against anarchism, 37  
men, 20 of them women and chil-  
dren, were deported Sunday and be-  
gan their journey to their native  
lands. The party left on the  
train to New York, where they will  
arrive in Mongolia, March 19.

Some of the men admitted member-  
ship in the communist party. New  
spaper cards were found in the pos-  
session of others, and some said they  
favored the overthrow of government  
in Russia, Poland, Denmark, Mexico  
and Great Britain are the countries  
to which the men have been ordred  
deported. Those held guilty as anarchist  
is were from either Russia or Po-

land.

No disturbance was made by the  
men on their way to the station and  
remained quietly in their place  
in the train. No regret was expressed  
as they seemed satisfied with their lot.

As the train pulled out of the  
Michigan Central station several of  
the men crowded to the platform and  
said farewell to Detroit with smiles  
on their faces.

### POISON WHISKEY PROVES FATAL

Monroe Paper Mill Foreman Had  
Planned Auto Party.

Monroe.—Poisoned whiskey claimed its first victim here when Charles McCarthy, 45, a foreman in a Monroe paper mill, died. Another man—a companion of McCarthy, is also said to be in a serious condition "as the result of drinking some of this booze."

Two men, one of whom is an Indian, are being held by Monroe police charged with being the vendors of the whiskey which killed McCarthy. According to the story told Monroe, McCarthy bought the booze in Monroe to be used in an automobile party with several friends. While going to a friend's home, McCarthy took of several drinks and was suddenly taken ill. He was taken to his home and before he could get out he was unconscious and died.

### NON-PARTISAN CHIEFS TARRED

Legion Posts Drive Former Senator  
and Aids From Kansas Town

Great Bend, Kansas.—Details of the  
anti-partisan leg gag demonstration in  
Barton county which reached a climax  
in the escorting from Great Bend of J. Ralph Burton, former United States  
senator from Kansas, and the lassoing of J. O. Steele and A. A. Parsons  
members of the League, revealed that  
Steele and Parsons were compelled to  
apply lassoing to tar to themselves  
after their clothing had been removed.

After they had been forced by the  
League of several hundred men to roll  
on the ground their clothing was re-  
turned and they were told to leave  
the country.

### CLAIMS HAMON ACCUSED GIRL

Girl Faces Charge of Murder of  
Prominent Politician.

Ardmore, Okla.—The first real sen-  
tencing of the Clara Smith Hamon mur-  
der trial was sprung when the prosecu-  
tion revealed the deathbed state-  
ment of Jake L. Hamon, Oklahoma oil  
millionaire and Republican national  
committeeman.

In his dying statement, the prosecu-  
tion claims, Hamon told intimate  
friends that Clara Smith Hamon de-  
liberately shot him. According to the  
prosecution, the young woman came  
into his room where he was lying in  
bed, and as she affectionately ruffled  
his hair with one hand, fatally shot  
him with an automatic pistol.

### SEARCH FOR GUNMEN, FIND RUM

Surprise For Booze-Laden Cars Com-  
ing into Genesee County.

Flirt—Bonded liquor valued at  
more than \$2,000, seized in the south-  
ern part of Genesee county when  
sheriff's force and state constabulary  
officers stopped every automobile in  
an effort to obtain Detroit gunmen,

Offered Japan's Navy Plans.

Tokio, Naval Lieutenant Tsuru  
Hamaguchi was arrested and handed  
over to a court martial in connection  
with an attempt to sell Japanese naval  
secrets to Captain Edward Howe Watson,  
naval attaché at the United  
States embassy here. Captain Watson  
it is said, received two letters signed  
"Goto Yacapa," asking for an appoint-  
ment as the writer desired to sell to  
Japan's modernization  
plans against a certain country." He  
reported the matter.

### BIG DEMAND FOR MAY FESTIVAL TICKETS.

Lucrezia Bori, celebrated Spanish  
soprano of the Metropolitan Opera  
company, and Orville Harrold, distin-  
guished American dramatic tenor of  
the institution, have been engaged to  
appear as soloists at the Ann Arbor  
May Festival, taking the place of  
Innis Teazzini and Tito Schipa, who  
have been prevented from fulfilling their  
Ann Arbor engagements on account  
of the fact that they will sail from  
this country early in May.

Miss Bori and Mr. Harrold have  
both made profound impressions in  
the operatic world, and neither has  
been heard in Ann Arbor previously.

Mr. Harrold will appear as soloist  
in a miscellaneous program Wed-  
nesday evening and Miss Bori in the  
same capacity Friday evening, each  
singing several of the favorite arias.

Mr. Harrold is an American, who  
was discovered by Oscar Hammerstein  
in the days of the Manhattan Opera  
Company. During the intervening  
years he has won many successes both  
in this country and abroad and today  
stands at the zenith of his powers.

He possesses a voice of great clear-  
ness, purity and beauty. The New

York critics invariably refer to his  
performances in glowing terms and  
credited with creating many  
furors.

Miss Bori returned to this country  
about the middle of the year and  
since has been heard to splendid ad-  
vantage. She possesses a glorious  
voice which is quite in keeping with  
her own charming and pleasing per-  
sonality.

Other artists who will appear at  
the Festival are: Ross Ponselle,  
Florence Hinkle, Grace Johnson,  
Kohoid, Sopranos; Cetena Van Gordon  
and Merle Alcock, contraltos;  
Charles Marshall, Lambert Murphy,  
tenors; Arthur Middleton, Theodore  
Harrison, Chase Sikes, Robert Mc-  
Candless, baritones; Gustaf Holm-  
quist, bass; Fanny Bloomfield-Zeisler,  
pianist; Albert A. Stanley, Frederick  
Stock, George Oscar Bowen, con-  
ductor; The University Choral Union  
(200 voices), a chorus of several  
hundred children and the Chicago  
Symphony Orchestra; Mendelssohn's  
"Elijah," and Verdi's "Aida" will be  
performed by the adult chorus, while  
the children's chorus will perform  
work specially written by Earl V.  
Moore, as well as a number of mi-  
crophones groups.

The demand for course tickets has  
been exceptionally large. Beginning Saturday morning, March 19, all  
course tickets which have not been  
reserved to mail orders will be placed  
on public sale at the University  
Post Office of Musk at \$4.50 \$5.00 \$6.00  
\$7.00 each.

## WEEKLY NEWS LETTER

The newly chosen executive board of the Wayne County Farm Bureau, composed entirely of the old members re-elected for a second year, met at Dearborn on Saturday and named August L. Bunte as president, Nelson L. Rogers, Vice-president and Milton Carmichael as secretary-treasurer. The executives immediately laid plans for the activities of the year, working along both educational and business lines. The resignation of G. O. Stewart, county club leader, was received to take effect May 1st. Application has been filed with the M. A. C. for an experienced man to take his place and continue this very important line of the extension service. With the county now thoroughly organized along co-operative lines the Farm Bureau will proceed cautiously to expand the business side of the organization, buying of commodities in large quantities wherever possible to save money for the membership. The binder twine supply for Wayne County farmers, will be one of the first business propositions to receive direct attention. It is calculated that in this alone half of the expense of operating the program for the coming year can be saved.

A county wide health campaign, aimed to increase the use of this article of food among the children, was started this Monday and will continue through next week. Meetings will be held in as many villages and country schools as it is possible to reach. Miss Marian Rogers, County home demonstration agent, is being assisted by Miss Hayens, of the M. A. C., in this important work.

## DETROIT TREATS.

Having come direct from a long and successful engagement at the New York Winter Garden, a show typical of that theatre of extravagant entertainment with a host of girls, clever dancers and an abundance of laugh-making material, George L. Vare's "Broadway Brevities" will enter upon its second and final week at the Subert-Detroit next Sunday night.

"Broadway Brevities" claims the services of more than twenty principal players, a majority of whom are well known to Detroit. Clever and versatile, they keep the piece moving at a pace that never allows the audience to grow fat, for the action, fun and effects are a continuous stimulant to jaded nerves and people who go to the theatre for the novel, the unusual and bright satisfactory entertainment.

"The Bird of Paradise," Richard Walton Tully's delightful story of the Hawaiian Islands, will be seen for the second time this season at the Garrick theatre next week commencing Sunday night. The play is in its tenth year, which in itself is sufficient tribute to its quality. It tells with frank truthfulness that the brown-skinned race and the white should not wed, and it also teaches a wonderful moral lesson. Although there is a note of tragedy in it, yet through its runs many flashes of wit and humor. Richard Walton Tully is sponsor for the play's production and announces Florence Rockwell in the role of Luna, the Hawaiian princess.

## STATE TROOPER SHOT

## BY UNKNOWN BANDITS

Harold Anderson, a member of the state constabulary stationed at Farmington was shot and killed by two bandits early last Saturday morning at a point on Grand River three miles west of Novi. Trooper Anderson, Trooper Hughes and Deputy Sheriff Lee, of Farmington had been called to the scene of the shooting by a telephone message from Ernest Gray, who had discovered some men in a short distance from their farm home. Suspecting that the felons intended to burglarize the home of their neighbor, John Porter, who had held an auction sale the previous day they called Mr. Porter on the phone and gave him warning. Miss Cressa Cowell, telephone operator in the local exchange, immediately notified the state troopers at Farmington, who responded quickly.

The officers made the journey to West Novi in record breaking time and as their car rounded the corner their search lights picked up the big sedan standing in the shadows with lights out. Troopers Anderson and Hughes left their machine in charge of Deputy Sheriff Lee and approached the parked car and asked the occupants to get out of the machine. Anderson stepped on the running board at the right of the car while his companion went around in back to the rear door on the opposite side. Hughes opened the door, leaned in and said "Come on out here fellas we want to look you over" and at his request one of the fellows in the car exclaimed "Who the

are you," and pushed him away. Anderson then asked the man beside the driver to "come out" but he refused and when the trooper reached in and grabbed a hold on his clothing a shot rang out. It missed Anderson but a second was fired almost immediately which struck the trooper. Anderson, despite the wound, ran to the deputy's car, secured his pistol and emptied it's chambers. Suddenly he said "Follows I'm shot through the heart" and toppled over. He was dead when a few minutes later Hughes picked him up.

After Anderson was attacked the car started. Hughes, with one foot on the running board, was hit full upon his back and by the time he sat up the car was speeding out on the roadway. A fusillade of shots was kept up by the occupants to which Hughes replied.

Shattered glass in the road and battered bullet holes were found the next morning indicating, officers say, that the glass of the car was broken and that other bullets struck it. Trooper Hughes believes he struck one of the car's occupants of whom there were five, he says. A scream after one of the shots leads him to think a bullet found its mark. Trooper Hughes and Deputy Sheriff Lee rushed Anderson to the office of Dr. Holcomb at Novi. Later the body was taken to the Farmer undertaking parlor at Pontiac, and County Coroner Farmer impanelled a jury composed of Alpheus Angel, Stephen Hicks, Archie Kent, Frank Deer, Archie Atkinson and Ford Brooks who held an inquest over the remains.

Trooper Anderson was a sergeant in the Michigan constabulary, having joined the force last September. He is an overseas man, having entered October 12, 1917, in the 174th Field Squadron with which he spent 12½ months overseas, reaching the rank of corporal. He was discharged May 5, 1919. His home is in Hastings Mich., where he attended the Hastings High School.

During his service with the state troopers Trooper Anderson was assigned to some of the most important cases. Recently he spoke before the Kiwanis Club of Bay City on the subject of law enforcement, taking the place of Captain Ralph Strope, who was unable to be present. Officers believe the bandits were the same fellows who killed an officer in Detroit Friday night. They drove a big Cadillac sedan and were described as Italians, though they could speak English.
