GOOD VOTE POLLED AT MONDAY'S ELECTION

A more delightful day could not have been desired than Monday for the annual township election, and while the total vote polled was small compared with the total number of electors in the township there were more than 500 voters who went to the polls. The soldiers' bonus proposition was overwhelmingly carried here, and, of course, the republican township, county and state tickets received large majorities. The combined vote of the two precincts for township officers was as follows:

Supervisor—
Wm. H. Yerkes 411
Louis Van Valkenburgh 91
Clerk—
Ernest Miller 409
Spencer Heaney 90
Treasurer—
Helen Morris 385

ANNUAL TOWNSHIP MEETING

The annual township meeting was held in the Library building at two o'clock and was well attended. Township Clerk Ernest Miller presided and T. R. Carrington acted as clerk. It was voted to raise \$4,000 for the contingent fund, \$1,500 for highway improvement, \$1,500 for road repair and \$100 for the poor fund. The matter of the highway improvement fund and the road repair fund brought forth considerable discussion and a number of pretty pointed questions were asked by a resident of the township, who declared he was not pleased with the manner in which the funds had been expended. The township officers present were unable to give some of the information asked for and it was voted to request the highway commissioners to submit an annual report in the future showing how and where the funds have been expended.

A resolution was unanimously adopted favoring the employment of the community health nurse in connection with Plymouth township, the same arrangement that has been in force for the year past. The amount voted for this purpose was \$850, providing Plymouth township will pay its proportionate share.

WILL OPPOSE SPREADING TAX FOR NURSE.

At the time the matter of adopting the resolution was under consideration F. J. Cochran expressed himself as being opposed to the plan, basing his objections upon the fact that taxes were continually increasing and that there must be a stopping place somewhere. On Tuesday he notified Supervisor Yerkes that in case the amount proposed to be raised for the employment of the nurse was spread upon the tax roll he would start proceedings by injunction to prevent the spreading of the tax.

Inasmuch as the people of Plymouth voted by a majority of 98 in favor of paying their portion of the salary for the community nurse, and the further fact that the vote here was unanimous in favor of the plan, it would seem that the township board would be justified in testing this matter out in the courts if Mr. Cochran really wants to carry the matter that far.

NORTHVILLE TO HAVE GOOD BASEBALL TEAM.

Manager Conklin of the Northville Independents has already booked a good lively bunch of players and they expect to have a good many interesting games on the home grounds. For the opening game the Foresters' team from Detroit has been booked for Sunday, April 24th.

Rev. H. Grimwood goes to Wayne this afternoon to act on the Program committee of the Wayne Baptist association, in arranging for the meeting to be held there in June.

WOMAN'S CLUB HELD ANNUAL MEETING

The spring luncheon and the annual meeting of the Northville Woman's Club for the election of officers was held at the parlors of the Presbyterian church last Friday afternoon. A three-course luncheon, complete in all its appointments, was served at one o'clock and during the course of the spread a number of the members were given the privilege of cultivating a taste for dates—filled with cotton—just to remind them that the annual meeting had fallen on April 1st. The arrangements for the luncheon were in charge of the program committee with Mrs. B. A. Wheeley as chairman.

Mrs. Noble of Detroit gave a number of readings in a very pleasing manner and following this very delightful part of the day's program the committees made their reports concerning the activities of the club for the past year and the officers for the ensuing year were chosen. The following are the officers and directors:

President—Mrs. F. A. Northrop
Vice-Pres.—Mrs. J. Christensen
Secretary—Mrs. H. R. Bogart
Treasurer—Mrs. L. A. Babbitt
Directors—Mesdames C. L. Dubuar, G. W. Perkins, B. C. Stark, J. A. Dubuar, Charles Wilkins
Delegate to State Federation—Mrs. G. L. Blackburn, alternate, Mrs. R. H. Willis.

While the various committees were giving their reports Mrs. C. L. Dubuar, as chairman of the historical committee, stated that it was the desire of the club to prescribe as far as possible everything pertaining to the early history of Northville and she urged all members and citizens to co-operate with the committee in this matter. She told briefly of some of the early history of Northville—of the old pottery which was operated on land just west of the village, of the Northville Academy which was conducted in the home now known as the Randolph residence on Randolph street and of how the foundation was laid many years ago for the establishment of an industry here for the manufacture of school seats which afterwards became the Globe company.

THE KNIGHTS TEMPLAR ELECT NEW OFFICERS

The Knights Templar closed a very successful year's work under the leadership of Werner C. Thayer, who has been commander. There were 125 members at the opening of the year and 130 at its close.

The annual meeting was very largely attended and was presided over by a director at the helm.

Eminent Commander Andrew Taylor.

The result of the ballots was as follows:

Em. Commander—Andrew Taylor
Gen. Isaac D. Wright
Capt. Gen. Lewis N. Tupper
Sen. War—Joseph Grace
Jun. War—James N. VanDyne
Prelate—Thomas H. McGee
Treasurer—Barton A. Wheeler
Recorder—Charles A. Dolph
St. Bearer—Norman C. Lee
Sw. Bearer—Howard G. Eisenlord
Warder—Edmund N. Dickie
Sentinel—Dean F. Griswold.

These officers were duly installed by Past Commanders Charles A. Dolph and Barton A. Wheeler.

The growth for the coming year will probably not be as great as the one just ended, but the officers have all they want to do.

The Commandery voted to attend Ascension Day services at the Farmington Methodist church, May 8th. It is expected that the Commandery will attend the State Conclave to be held in June.

Spring Housecleaning

Handy Andy Says :

Spring Housecleaning has no terrors for the woman who is equipped with proper tools when she gets after the dirt and dust. Everyone knows that a good workman cannot perform his labor with poor tools. It's the same with the housewife. A good carpet beater—sweeper—broom—brushes—pails and all other necessary articles, will make the housewife's cleaning work easier and enable her to do it quickly.

We've selected our assortment of housewives with the idea of service both in utility and lasting quality.

CARBOLA

The Disinfecting White Paint

Carbola is a white paint in powder form is turned into a smooth spreading liquid paint simply by mixing with water.

Carbola will save you time, labor and trouble, and give you better results than you possibly can get from whitewash and disinfectants. It kills lice, mites, fly eggs, etc., and helps prevent the germs of contagious diseases that affect poultry and live stock.

Farmers—use Smuticide; it will prevent smut in Oats, Barley, Rye and Wheat. Pays for itself many times over.

What 4% Means

THE NORTEVILLE STATE SAVINGS BANK OF NORTHEVILLE pays 4% interest, compounded twice a year. What does 4% compound interest mean? It means that if the interest is allowed to remain on deposit with the principal sum, interest will be paid on interest—that is, \$1.00 placed at 4% compound interest, will double itself in a little less than eighteen years through the interest additions.

To secure the best results it is necessary to set aside weekly or monthly a fixed sum from your income, and deposit it to your account. The tables here given show what may be accomplished by this method. The interest earnings equal from 20 to 50% of the money deposited during the period shown. That is, if monthly deposits of \$5 are made for twenty years, the total sum would be \$1,200. With 4% compound interest, it will amount to \$1,833.50; the earnings added equaling \$633.50, or 52% of the money actually saved.

HOW YOUR SAVINGS GROW

WEEKLY DEPOSITS

Weekly	In 10 Years	Amount

You Are Invited To Become A Stockholder

An effort is being made to organize a company in Northville to take over the local Dodge Brothers' service station and agency and to conduct a general garage business. An option has been secured upon a suitable building in a good location and it is planned to incorporate the new company for \$15,000—all common stock.

The stock is being offered at par, \$10 per share and we believe the proposition will prove a profitable investment. The present Dodge agency will be taken over and continued by the new company, and the business will be conducted under the personal direction of R. L. Richardson, who established the Dodge service station here last season. Mr. Richardson has had wide experience in garage management and he has agreed to give his entire time and effort to the new enterprise. Parties desiring to invest in the new corporation are requested to make an appointment with Mr. Richardson, who will explain fully the plan or organization.

The proposed new company will deal in new and second-hand cars and do a general garage business, carrying at all times a full and complete line of supplies and accessories.

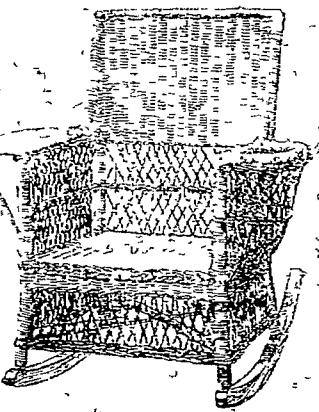

There Is A Difference In Furniture and Rugs

When you are selecting your spring supply of Furniture and Rugs you will do well to keep in mind that there is a vast difference in the quality of these household furnishings. In a catalog a cheap, inferior article shows to as good advantage as a good one, because you cannot examine the workmanship of the particular piece of Furniture you desire or the quality of the Rug you desire to select. By buying here you have the advantage of not only inspecting your purchase before making your decision, and you also have the added advantage of our guarantee—we stand behind every article we sell.

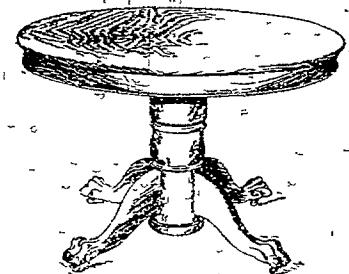

Just bear these facts in mind when you select your Furniture and Rugs, and you will find it to your personal advantage.

Reed Chairs and Rockers

You will find our assortment of Reed Furniture very extensive, embracing both chairs and rockers. They make handsome additions to any room and from our large stock you will be able to satisfy your taste for particular colors.

WAYNE WANTS LARGER REPRESENTATION.

The first sign in the big fight which Wayne is preparing to make for greater representation in the legislature was fired when Rep. Laddie of Detroit introduced a constitutional amendment to remove the constitutional provision which provides that every county having more than half the number of voters, which would naturally be entitled to one representative in the House, should have a representative of its own. The proposed constitutional amendment would allow for the grouping of two or more small counties into one representative district thus allowing Wayne to secure greater representation. According to the present population of Michigan there should be one member in the Lower House for each 36,666 people. This would allow Wayne of 22 representative areas instead of 11 as at present.

WAYNE LEADS IN U. S. STUDENTS.

But three counties in Michigan fail to send students to the University of Michigan, 2,743 of the 9,401 who last year came from the state. Manistee, Muskegon and Oceana are the three which fail to send a single representative to the state university while Kenosha and Monroe have each sent but one each.

Wayne leads in students on the Michigan campus with 1,621. Washtenaw was second with 542, and Kent third with 292 students. Wayne county has 50 high schools, Washtenaw 16 and Kent 29.

Among the other leading counties were the following: Bay county, with nine schools, sent 37 students last year. Genesee county had 16 schools, sent 119 students. Isabella county, with 13 schools, 102 students.

Lenawee county, with 21 schools, sent 93 students, while Muskegon county, with but nine schools, sent 53 students to the campus. Oakland with 25 high schools, sent 148 students. Saginaw ranks eighth having 16 schools and 147 students.

POULTRY TEST SHOWS FARM FLOCK VALUES.

That the average farm fowl flock in Michigan is a money maker if it is properly bred, fed, housed, and culled is the opinion of Prof. C. H. Sturges, head of the Michigan State Experiment Station. Professor Sturges based his statement quite largely on the results of a demonstration flock he kept at the college at price of 10 cents selected from various local flocks throughout the state.

In order to show the potentialities of the farm flock, when correctly handled, we gathered together five hens from each of 25 to men in the state, 120 in all. These have come from 16 different counties, and represent fairly the average of the state. On November 1, 1920, we started up in nesting on a full year's demand, in order to determine the exact production of this representative group of birds.

A total of 7,678 eggs were gathered from this flock in the 15 1/2 days of the test. Sales at market brought in \$471.07 during this period. The total cost of feed came to \$115.48 leaving a labor income of \$35.57 for the flock, or \$2.98 per hen.

An income of nearly three dollars from each hen in a flock, averaged cost (feed during the winter 100) sounds mighty good to Michigan growers. The college test shows what can be done with the average flock when the birds are handled properly.

FARM BUREAU TO GRADE WOOL.

Farm Bureau wool department grading warehouses will be located in every county of the state, several in some counties, says the department in announcing that graders will begin work in some sections on April 1st. Field men are still making recommendations for the 100 or more warehouses which will dot the state, and the complete lists will be announced shortly, says the department.

A feature of the 1921 pool will be a substantial cash advance at the time of pooling, says A. J. Hawkins, director of the pool. Pooling, grading and weighing will take place in the presence of the growers at the various warehouses on dates arranged for by the counties. Expert graders will explain their work as it goes along. Three teams of farm bureau graders will cover the state. It is thought by farm bureau wool men that the 1921 warehousing and grading system, in addition to its educational advantages, will cut wool handling costs to a minimum.

Sale of Michigan virgin wool in manufactured form with the farmer as its owner will be an important outlet for the 1921 pool, according to Mr. Hawkins. Michigan wool growers, through their wool pool, are already successfully engaged in the manufacture and sale of blankets. Arrangements are now complete for the manufacture of ladies' and men's suits according to the announcement.

FORESTERS HAVE BIG BIRTHDAY CELEBRATION

Nineteen years old and growing stronger than ever. That is a brief sentence explaining the condition of Court Northville. Foresters of America, and proof of this declaration were needed we might never want to see the nineteenth anniversary celebration held at the Princess Inn on Friday evening last. More than 500 people were serving the banquets and the ball was so full that one could scarcely get about. But, in spite of the big crowd all were duly cared for and the guests were made to feel they were royal members of the large and growing Foresters in Northville.

The committee in charge of the affair had worked untiringly during the day and night to have it ready to receive the guests. The tables were handsome and the hall never looked more attractive. Streamers and decorations of red crepe paper were used to splendid advantage and numerous American flags added their beauty to the decorations. Each table was graced with a basket of red apples and at each plate was a little reminder that Friday, April 1st, was all-fool's day. The large crowd was good natured and entered heartily in the pleasures of the evening. The dinner was bountiful and was splendidly and generously served. Judging from the manner in which the guests gathered about the first tables all had brought their appetites with them, and they were regular Forester appetites, too. But there was plenty of food for all, though it was necessary to re-set the tables a number of times to accommodate all who came.

After the dinner had been served the tables were removed and dancing followed in the delight of all—the children as well as the adults entering into this feature of the evening with much pleasure. It was really one of the largest gatherings of its kind ever given here and success followed it right up upon the order under whose auspices it was given and so successfully organized.

A number of Grand Court Officers were present and they were available in their prime at Northville and the like others.

THE UNAPPROVED IN ALBION.

In driving a motor vehicle he would very probably prefer to drive a Road Committee car or a Northville Auto Club.

However, if you do it may be to the joy of humanity we know of no higher fate than always to remember that the other fellow is back and that you are.

Assume the most simple form the next coming Friday if you see any sign.

Assume that all who are fit for birth, may or may not be the head of a family at the time of the road and have the car brought around abruptly.

Assume also when you turn a corner, that he will be coming round from the other way, too fast and on the wrong side of the road.

In a word, keep a sufficient distance between his car and yours so that nothing at all possibly can involve you in trouble.

TO PROVIDE HOME FOR DEFECTIVES.

Paul W. Voorhies, Wayne county prosecutor, has been requested by a committee representing the board of supervisors to draft an enabling act for submission to the legislature, under which the county could build a home for the feeble-minded.

Definite plans for the institution have not yet been worked out, but it is designed to care for cases that cannot be committed to Lapeer owing to crowded conditions there. Tentative plans also include the working out of an industrial program that would make the county institution self-supporting.

City authorities have reported that there are now about 400 cases at liberty that would be in Lapeer if that institution was able to take care of them.

GERMAN AND CLARKE LEADING IN BOWLING TOURNAMENT.

The following taken from the Detroit News refers to Harry S. German of this village and Mr. Clarke of Farmington. German and Clarke have the lead in the two-man event in the "225" bowling tournament at the Woodward alleys with a total of 1,121 pins. J. W. Murray's Peis are first in the five-man event, 2,505. F. C. Smith stands first in the singles with a score of 612. Smith had the high individual game with 237. The German and Clarke team had the best double game with 457, and Murray's Peis the highest team game with 511.

ELY BABY DIES.

The sincere sympathy of the people of this community will go out to Mr. and Mrs. Claude Ely in the death of their little babe, which occurred Monday morning. Both mother and little one were getting along nicely and everything gave promise of a bright future for the little flower which had come to brighten that home, but the child was taken suddenly ill and died within a short time. Funeral services were held Tuesday afternoon.

N. C. T. Y. NOTES.

The annual meeting of the Women's Christian Temperance Union will be held in the home of Mrs. Jane Sessions on Monday afternoon, April 11, followed by an cooperative supper. Each member is asked to bring sandwiches for herself and one other article of food. Let every member feel it is easy to be at this meeting to elect officers for another year. This has always been a very profitable meeting as a happy one. The meeting may be still better if it takes a little keener interest in the work and be at our place in Farmington. This is not all "standing and reading," the banner year not only nation wide, but world wide.

Children can take out cards on installment plan by paying 5 cents a week until paid off.

BIRTHS NEED HELP.

A special drive is being made in Detroit this week for funds to help start up a Chinese W. M. F. museum to be a larger number of prominent Detroiters. Dr. M. F. Ting who is on the staff of the Woman's Hospital in that city are an ad破 in which we can get a lot need for a Chinese W. M. F. museum for a collection in the past and still not quite up to this era of hand pieces for sale in this time of open sale.

Remember what China exports to us is in June and only 10% of it is in July.

It is the Chinese who are the chief importers of rice and wheat, and it is the Chinese who are the chief importers of tea and coffee.

We are not importers, we are exporters.

JUST SUPPOSE

Suppose a number of salesmen should call upon you offering some article.

And suppose one of these salesmen offered you an article equally as good as his competitors for three cents less.

And suppose you were convinced that the article offered at the lowest price was just as good and in some respects better than the higher priced article.

Do you suppose you would throw away your three cents?

Well, that is just what some people are doing right here in Northville. We are offering two nice, big brown loaves of our bread for 25c, while other dealers are charging 28c for two loaves not any better and we do believe they are as good and rich in food qualities. Why throw away your money? Take home two loaves of our bread and give the home product a trial.

on will be served after the work.

Mr. Harper, who purchased the

Stanley residence at the corner of

Dunlap and Rogers streets, is improv-

ing the appearance of the property.

Mr. and Mrs. Fred P. Simmons write

to friends here that they expect to

leave Florida about the 18th and will

arrive in Northville about the 26th.

George Pickell has commenced the

erection of a six-room modern home on

his lot in Orchard Heights. This will

add one more new residence to North-

ville's handsome subdivision.

Mrs. C. J. McKahn has awarded the

contract for the erection of a new resi-

dence on one of the Chapman lots on

Dunlap street, which she recent-

purchased from W. H. Cattermole.

The U. S. Department of Agriculture

has recently issued a bulletin on

"How to Cook an Old Ham." If the

Department will kindly tell us how to

get the ham so it's tender it's a very

great favor.

Mr. and Mrs. Harry Bishop who are

spending the winter in Detroit

will soon return to Northville to re-

side. They are at Tuesday planning

lunch and supper about their

home ground street.

At a meeting of the village council

Walter Young C. J. Blackman was

appointed to go with the village

trustee in the resignation of H. H.

Bogart who was president.

The appointment was good one.

A call for all members of the Ameri-

cian Legion to contribute 16 cents on

memorial day for the decora-

tion of American graves overseas

has been sent out in a bulletin from

national headquarters of the Legion.

Large quantities of gold fish were

released into the pond to afford

at the 1st and 3rd on Monday

afternoon, an unusually attractive

site to those who are unprivi-

ileged to be present when the transfer was

made.

The remains of Senator Myron H.

Beals, who died in a dental hospital

in France, were brought to his home

for burial. A military funeral was

held Saturday afternoon. He was

the son of Mr. and Mrs. Frank Beals

of Plymouth.

A district gathering of the Epworth

Leagues of the Pontiac district was

held at Plymouth on Sunday forenoon

and afternoon. Rev. A. B. Leonard,

district superintendent, was present

and had charge of the meeting. The

local chapter was well represented.

Mr. and Mrs. Gus Pankow, who are

soon to move from their farm in

Livonia township to Plymouth, were

given a very pleasant farewell sur-

prise by their neighbors and friends

one night last week. Cards and

dancing afforded the amusement of

the evening.

John Cooper, who would have been

50 years old had he lived until Sun-

day, died last Friday at the home of

his daughter, Mrs. Wray Klump, in

this village. Funeral services were

held at the house at 8:30 Monday

morning and the remains were taken

to Tuscola county for burial. Schrader

Brothers' ambulance conveyed the re-

mains.

Mr. and Mrs. M. F. Stanley and son

Claude, left Wednesday by auto for

their new home at Conway, Emmet

county. Mr. and Mrs. Stanley have a

daughter residing there and they ex-

pect to purchase a small place and

make their future home in that section.

Many Northville friends will wish

them health and happiness in their

new home.

The annual meeting and dinner of

the Presbyterian church was held

Tuesday evening. Mrs. F. L. Carpenter

was chairman of the committees

having charge of the spread and it is

needless to say the feast was a won-

derful one. owing to unforeseen con-

ditions the annual meeting for the

election of two trustees had to be

postponed and rescheduled.

Mr. and Mrs. Jud Green have moved

to their new home on Cody street.

Mrs. Stewart Taylor of Alma, is visit-

ing her parents, Mr. and Mrs. Brund

Freydl.

WOMEN ORGANIZING TO BETTER, will mean, "she said, "the equivalent of reciprocal advantages from the various agencies and a multiplication of their power. Matters concerning one group of workers will be referred and systematically handled." With 75% of the women's clubs shown by actual survey to be doing local health work where a few years ago "literary endeavors" is said to have predominated, progressive health programs will be urged by the council. Installation and supervision of nutritional work in schools, members state also to be emphasized.

"Contact with practically every woman throughout the state will be established by the council," declares the chairman, May Person, professor of nutrition at M. A. C. T., RECORD LINERS PAY TRY ONE.

**Michigan News
Tersely Told**

Ironwood—Charles Hankonen, 51 years old, killed himself by setting off a stick of dynamite he had put inside his vest.

Benton Harbor—Work was started last week on a \$250,000 moving picture theater here. It will have a seating capacity of 2,000.

Grand Rapids—The appointment by Pope Benedict of Monsignor Thomas Fischer, of Grand Rapids, as his domestic prelate, was announced in a dispatch from Rome.

South Lyon—Ten thousand five hundred dollars is the price paid by Massell brothers, well known South Lyon oculists, for the three-year-old Holstein bull auctioned off by J. Ziegler.

Kalamazoo—Mrs. William G. Loveland, wife of the president of the Waterloo Paper Co., has been given a divorce. She charged that her husband swore at her and had an incited bad disposition.

Belding—Harold Crane, 21 years old of Portland, a teacher in the Hopkough School, near here, is believed to have been drowned in the river here when he went for a canoe ride. His overturned canoe was found.

Escanaba—A glass door at the Escanaba National Bank was broken away by 200 school children, eager to place their deposits in the bank. Automatic receiving tellers were placed in the schools for thrifty week.

Muskegon—High rents in Chicago are expected to bring big crowds to the summer resorts near here next summer. Requests for accommodations already are being received. Several new cottages are being built at White Lake.

Caro—Mrs. Clara Howell Van Gilder, postmistress here for the past four years, has resigned to rejoin her husband on his farm near Webberville. Miss Nora Walls, assistant postmistress, has been appointed temporary successor.

Adrian—Aaron Whitbeck, 79, veteran of the Civil war, and Mrs. Elizabeth Anderson, 65, both of this city, were married at the home of Mrs. Anderson's daughter, Mrs. F. J. De Good. Mr. Whitbeck has been a resident of Adrian for 60 years.

Flint—Failing to take advantage of a chance given him by Judge P. W. Brown last September when he was placed on probation for larceny, John Rob, 17, was sentenced to three to 10 years at Ind. He failed in fact to report to the probation officer.

Midland—Charles Gunz, 31 year old, ended his days by tronics by cutting his throat with a scimitar on the street in this city. Gunz had trouble with his wife and, when refused admittance to the hospital where she was staying, killed his wife at front of the house.

Huron Mountain—The Iron Mountain Daily News will make its first appearance April 11. Frank A. Russell of Marquette will have charge of the editorial department and William F. Young of Marquette will have charge of the business department. The daily news will replace the Press and Tribune Gazette.

Canton—Charles A. Rowles, superintendent of construction for the Consumers' Power Co., refused to allow workmen to repair a broken insulator believing it too dangerous, but started the work himself. A few minutes later he touched a live wire and fell 40 feet to the cement below. He died yesterday late.

Traverse City—Fred G. Adams, of Scottville, foreman of the jury which last October convicted Mrs. Stella Blaine of poisoning her husband was arrested by Deputy Sheriff Andrew Anderson on a charge of perjury. The complaint was made by William S. Paxton, father of Mrs. Blaine who is serving a life term in the Detroit house of correction.

Lovell—A fallen telephone pole in the prison enclosure served as a scaling ladder by means of which Joe Cooper and Frank Staley, alias Gordon, went over the wall of the Michigan reformatory. The men were trusted inmates and served in the kitchen. Staley was sent up from Shiawassee county, January 22, 1921, for burglary. Cooper formerly lived at Flint and Fieberman.

Dowagiac—A petition to Attorney General Merlin Wiley to reopen the investigation into the death of her husband, Sidney Ben Butler, billiard room proprietor, killed during a liquor party March 17, is being circulated here by his widow, Mrs. Katherine Butler. The widow has expressed dissatisfaction with the handling of the case which resulted in the exonerations of Butler's three co-conspirators by a coroner's jury. Mrs. Butler said she had obtained 50 signatures.

Saginaw—Appearing in his own defense in circuit court, Byron G. Correll, Chesaning banker, accused of larceny of more than \$9,000 while managing treasurer, testified he handled the funds according to his best judgment and that every cent he received and paid out as village treasurer was recorded. He said he could not tell the exact amount of taxes he had collected nor the total of his expenditures as village treasurer, for the reason he asserted that he had never added up the items as listed in his books.

FARMERS, ATTENTION!

We have confidence enough in the future horse market for young, large son of horses that we have purchased the imported Percheron Stallion, Janze (No. 8707), which we will stand at our farm, 3 miles southwest of Northville for the season of 1921. The service fees is \$20 to insure a standing colt. By all horses refers as to the shortage of young, sound horses and the few mares that have been bred the last four years, especially the last two years, which was about 20% of the regular breeding. Looks like a good time to breed a few mares, if nothing more than to raise a few good farm horses for yourself. And farmers who have been reading the tractor reports on farms for the last year we believe are fully convinced that the horse will make a far larger gain over the tractor the next two years than the tractor has made on the horse for the last two years; and Mr. Farmer, if you are in a puzzle whether to buy a tractor or a good team of horses, this spring go and talk to a few farmers who have a tractor, which to get, and after they tell you, have them explain the reason why, then act accordingly.

However, come out and take a look at the old horse, and we have several farm mares, both graded and pure-bred, and we will look them over also, and have a good visit on the horse possession anyhow.

We have a team of mares weighing 3,000 pounds, a team of mares coming three years old, and a saddle horse for sale.

Ann Arbor—One hundred and one members of the University faculty are listed in "Who's Who in America," testifying to the type of men who are leading in the instruction of the 20,000 students who have been listed during the past year at the state university.

Detroit—The name of Charles B. Warren, of Detroit, has been mentioned among those being considered for appointment as chairman of the republican national committee, according to a Washington special to the Free Press here.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1896 for the week corresponding to this week.

Born to Mr. and Mrs. George Galbrath April 7th, a daughter Albert Long and Louie Root visited Ann Arbor friends last week.

Miss Anna Blair has been visiting among Wayne friends this week.

Miss Lily Simmons has been spending the past week at Livonia.

Mrs. R. Colvin is receiving a visit from Mrs. Joan of Ann Arbor.

Prof. R. R. Patman of Ypsilanti visited Mrs. C. A. Evans Sunday.

Henry Simpson has disposed of his property in the Buchner addition to Mrs. Fox for \$500.

T. P. Banks, as delegate, attended the state G. A. R. encampment at Saginaw last week.

Mrs. F. G. Clements left this week for Tennessee where Mr. Clements has a position at Jackson.

D. B. Northrop has sold his interest in the corner hardware building and lot to Charles Yerkes for \$2,000.

There is now a fair prospect of the township of Plymouth being divided into two towns in the very near future.

Mrs. H. E. Lake, who has been on an extended visit west and south for some time, has returned home much improved in health.

Miss Carrie Young left Tuesday for her home in Watertown, N. Y. She will visit Detroit and Rochester (N. Y.) friends enroute.

Mrs. E. M. Smith and family have moved into the Waterman house and will remain there until their new home on the corner is completed.

Miss Nellie Dawson has opened a millinery store at South Lyon. The young lady's numerous friends will wish her much success in their neighboring town.

A very pretty duet was sung at the social of W. H. Hutton's last week, by little Louise Joslin and Lee Becker. Everyone enjoyed the song, sung by the children's sweet voices and their efforts to please gave genuine pleasure.

Will Holcomb mourns the loss of 19 young hens which were stolen from his henery one evening last week. Will has only one favor to ask and that is that the parties will make one more trip and take the old hen, also the chicken coop.

Frank Brown, a little boy, Frank Jr., wandered into a bonfire Monday and was rescued from his perilous situation by the prompt action of his brother, Ledger, who, seeing the child's clothes on fire threw him to the ground and rolled him about in the wet grass until the conflagration was smothered.

This week witnessed another business change in the consolidation of M. D. Gorton & Co. with Mr. Richardson's Star Clothing House. Mr. Brooks has moved his stock into the Union block store where the business will be hereafter carried on under the name of the Star Clothing Store. Robert Waterman is head clerk.

After a long and suffering illness, Mrs. Walter L. Arlington died at her Nash, Tu day afternoon. The funeral occurred Tu day with burial in Rural Hill. Five children by her first marriage survive. They are Mark and Will Chadwick, who live out west; Charles and George of Northville and Mrs. J. D. Murdoch of Plymouth.

Mrs. Nellie Lowden-Webb died Tu day morning at her sister, Mrs. W. E. Nash, Tu day afternoon. The funeral occurs from the home of her sister, James K. Lowden, this afternoon. Nellie Lowden was born in this village December 7, 1870. She married John Webb of Novi in 1890 where they resided, and a few weeks ago when they removed to Northville. Besides the husband, father, three sisters and one brother, she leaves two children. She was a very lovable, young lady and was held in high esteem by a host of warm friends.

BERKSHIRE ASSOCIATION OUTLINES AGGRESSIVE CAMPAIGN.

The American Berkshire association, which is an aggressive organization for the improvement of swine production, through its affiliated-state organizations, the Michigan Berkshire association, will enter upon an aggressive campaign in the state of Michigan. J. W. Ciapp of Northville, executive secretary of the state organization, plans to open an office in the city of Detroit shortly to carry on the work. Definite plans and arrangements are just being completed.

"The Berkshire is unquestionably the oldest and most widely disseminated of the modern popular breeds of swine," says Dean C. F. Curtis, Ames, Iowa. "The breed has stood the test of ages and proved its adaptability in practically every agricultural region on the globe." Its outstanding excellence is universally conceded. Berkshire type and quality have been a potent factor in shaping the standards of many of the other breeds, either by imitation or by direct resort to Berkshire blood.

BETTER BUY HARD COAL EARLY.

In an interview with a local coal dealer a few days ago a Record representative was informed that the hard coal situation this year gave no promise of being better than it has been for the past few seasons. This is looking glasses. The cigarette cases dealer has about 100 tons of chestnut, and pieces carried by the young men in his cars, but no oil seems to desire to have their supply put in at this time, expecting prices to be lower. Men who are in the coal business and who have given the situation a careful survey declare that prices of hard coal will be higher in July and that an adequate supply will be hard to obtain at any price.

Soft coal is being offered now in liberal amounts, but in order to place wholesale orders local dealers must move their present supply. From past experiences people ought to fill their bins as early in the season as possible instead of waiting until fall when large manufacturing concerns are bidding for coal for winter storage.

Mrs. R. Colvin is receiving a visit from Mrs. Joan of Ann Arbor.

Prof. R. R. Patman of Ypsilanti visited Mrs. C. A. Evans Sunday.

Henry Simpson has disposed of his property in the Buchner addition to Mrs. Fox for \$500.

T. P. Banks, as delegate, attended the state G. A. R. encampment at Saginaw last week.

Mrs. J. Neal of Orion, is visiting Northville relatives and friends this week.

Harmon Gaston of Sandusky, Ohio is spending the week at the Benedict home.

Mr. and Mrs. Martin Feiger and niece of Saginaw, spent the weekend with Mr. and Mrs. Bert Tapp.

Miss Frances Seelye spent her vacation with her mother, in Poniac returning to Northville Saturday.

Misses Gertrude Young and Reva Schrader spent Saturday in Detroit, attending a matinee in the afternoon.

Mrs. May Noble spent the weekend with Ann Arbor friends and attended the Michigan Union opera Saturday night.

Mrs. B. C. Stark and W. H. Stark returned home Monday from a week's visit with relatives and friends at Lima, Ohio.

Mr. and Mrs. Karl Bryan were guests of the latter's cousin, Miss Florence Walker, at Ann Arbor last Thursday evening and attended the opera given by the Michigan Union.

Mr. and Mrs. Floyd Lanning, Mrs. Robert Lanning, Mrs. Thomas McCordle of Northville and Harvey Lanning of Detroit, attended the funeral of a relative at Lansing, last Thursday.

C. R. Horton was in Detroit Wednesday to attend a meeting of the Michigan Rexall Club, at the Hotel Shaffer, and also remained to the banquet given that evening. Dad Keeney attended the convention on Tuesday.

Mrs. Arthur Williams of Tugaska, Sask., has been the guest of her brother, E. A. Fuller and wife during the past week. This is her first visit to Northville in seventeen years and she noticed many improvements to this community. She is delighted with her home in the west and will return after a few months visit in the states and Canada.

Northville School Notes.

School began Monday, April 4th or the last term of the school year which ends Friday, June 24th. Students and teachers alike have entered into the work with renewed vigor as a result of the restfulness of the spring vacation.

The library of the school has lately been undergoing some changes which will make it first-class in every respect. Miss Alice Wing of Lansing spent about two weeks at the school organizing and classifying the library according to the latest and most improved methods. This is a service which is offered by the state library commission and without charge with exception of the expenses of the organizer during her stay in the village.

The books are now indexed and catalogued and arranged in a systematic manner. Miss Elder did the typing while Miss Frances Yerkich helped in the arrangement and classification under the direction of Miss Wing.

Also, several of the boys and girls of the High school rendered valuable service which was very much appreciated.

The Northville High school joined the Michigan State Oratorical League and has entered Miss Elizabeth Van Valkenburg as one of the contestants in the coming oratorical meet. This meet will be held

nowell this Friday, evening, and it is hoped as many active students as possible will attend to give Miss Van Valkenburg real support. Some of the schools which will be represented in the contest are as follows: Plymouth, Ann Arbor, Detroit, Highland Park, Pontiac and many other large schools. Miss Van Valkenburg will compete against some of the very best recognized orators of the state but she has made a fine record this year and we feel sure she will do credit to our school.

Most of the commencement parts were assigned to the Seniors before the spring vacation and we are looking forward to a very successful commencement. A variety of parts somewhat different than usual will be given Class Night which will add much to the interest of the occasion and will not be tiresome to the audience. All who come will be assured of a very pleasant evening. There are twenty Seniors at the present on the roll.

Baseball season is here again with spring weather and good prospects for a winning team. We have a number of veteran players out this season including German, E. Freydl, Moffit and Stilwell. We have a new catcher's mit, mask and breast protector which will improve the good brand of baseball played by E. Freydl. German and Moffit have already developed good control and are rapidly developing speed and curves. Stilwell gathers the grounders around third base and pegs them to first, second or home without error. There are a number of good men out for each of the positions who will develop into good players with plenty of practice. Our first game is at Plymouth, April 15.

Leland Hawley of the Hotel Lyon, South Lyon, is serving splendid dinners on Sunday for \$1.00 and they are being liberally patronized.
