LOCAL CHAUTAUQUA COMMITTEE ORGANIZED

A meeting of the Chautauqua guarantors was held at The Record office Monday evening for the purpose of organizing for the forthcoming Chautauqua season. B. A. Beebe of the Central Community Chautauqua system was present at the meeting and in discussing plans for this year he assured the committee the program this season was of a very high order, better in many respects than the Community management had ever been able to present. The local organization was perfected by the selection of the following officers and committees: president, E. E. Brown; vice president, H. M. Bogart; Chas. E. Smock; Mrs. H. B. Clark; Frank Durfee; Mrs. S. G. Power; C. H. Young, secretary; T. R. Cuttington, treasurer; C. A. Dohm, chairman of ticket committee; Ray Van Valkenburg, chairman of advertising committee; C. A. Ponsford, chairman of the grounds committee; C. L. Blackburn, superintendent Junior Chautauqua; Miss Frances Yerkes. The chairmen of the several committees will select their assistants.

The Chautauqua will open on Thursday July 28th and will continue until August 1st—Monday night. There will be two splendid programs each day, afternoon and evening.

The officers and committees invite co-operation of all the people of this section in making the eighth annual Chautauqua a great success.

NORTHVILLE G. A. R. MEMORIAL SERVICE

The program for the annual Memorial service, as arranged by Allen M. Harmon Post, G. A. R., for the year 1921, is as follows:

Sunday, May 29th, the Post, W. R. G., Spanish War veterans and American Legion will attend services at the M. E. church at 7:30 p.m. Sermon by Rev. H. J. B. Marsh.

Monday, May 30th, at the Aladdin Theatre, at 1:30 p.m. sharp, when the following programs of exercises will be given:

"Star Spangled Banner" by Northville Band; Prayer by Rev. H. Grinwood; Music by Male Quartet; Reading of Orders by Adjutant Lincoln's Gettysburg Address, by E. K. Statkevich; Music by Male Quartet; Silent address by member of American Legion; Music by Male Quartet; Soldiers by Rev. E. V. Belles; America by the Audience (Led by Male Quartet); FORMATION FOR PARADE.

Band: Knights Templar on right of line; World's War Veterans; Spanish War Veterans; W. R. C.

G. A. R.; Boy Scouts.

All Civil war veterans who served during the war whether they entered the national guard before April 6, 1861, or enlisted in the army prior to the declaration of war, will receive the state bonuses in the opinion of Colonel Samuel D. Pepper, assistant attorney general, who is preparing the Dacey bill for submission to the special session of the legislature, called for May 24. The wording of the constitutional amendment submitted to voters last month had been taken by some to exclude certain units or individuals inducted into service before the declaration of war.

It is requested by the National Commander, G. A. R., that flags fly at half-mast during the forenoon, and be raised to the top of the staff at noon.

SHRINERS' CLUB HAD ENJOYABLE MEETING.

A fine company of 75 people representing the members of Moslem Temple, known as the Northville Shrine club, and their ladies sat down to one of the well-known Masonic banquets last Friday evening. When the repast was over and a brief social hour enjoyed, the guests listened to musical numbers by the male quartet and Waynes VanDyne, short addresses by Rev. H. J. B. Marsh and Dr. L. N. Tupper on the worth of the Shrine degrees.

James A. Huff, secretary of the club, was master of ceremonies, who was properly introduced by the president, L. A. Babitt.

Other engagements kept many nobles away for none would ever regard the combination of Friday and the 13th.

And Telling Them
The wisdom of some people, consists largely of knowing what other people ought to do.—Boston Transcript.

SUNDAY NIGHT'S FROST DID GREAT DAMAGE

Fruit growers in this section declare that Sunday night's frost did more damage to their orchards and vineyards than all the other late frosts combined. Plums, pears and peaches were especially great sufferers from the frost and in some orchards all the small fruit on the trees has turned black. In other orchards the damage was not so heavy, but in all orchards the frost raised havoc. Some varieties of apples seemed to escape pretty well, while others were nearly all destroyed.

One of the largest growers in this section informed The Record that fully 80% of his apples were killed, judging from the present indications, and all his cherries, plums and peaches were destroyed.

Strawberries, currants and raspberries were also badly damaged, and early garden truck also came in for its share of the damage in some sections of the state it was reported that rye was badly frozen and will, doubtless, have to be cut for hay.

HAD A NARROW ESCAPE.

That splendid organization known as the Hudson Male Quartet of Detroit, with Guy C. Filkins as accompanist, gave one of its popular concerts at Brighton last Thursday night. While returning to Detroit they attempted to pass a truck and in the darkness the side of the highway gave way and the car went to the ditch about four feet deep. Fortunately for the citizens of the city it did not go into the bottom of the ditch, but the gentlemen were thrown into the water which was about three feet deep. The driver of the truck did not stop, but drove along little realizing the condition of the fellows he had left behind. After proceeding some distance he thought he ought to have rendered assistance and decided to return and it was fortunate that he did so. He found the five men in the water struggling to find a way out of their difficulty. After all had been assisted from the ditch he took them to his home and a Ford sedan was secured and the unfortunate musicians were brought to the home of C. S. Filkins where they were provided with dry clothing from Mr. Filkins wardrobe and after being given some hot coffee and thoroughly warmed were put to bed. Friday they returned to the scene of the accident righted their car and proceeded on their way to the city. Fortunately the car was only slightly damaged and the five men seemed to have suffered no ill effects from their midnight plunge in the water.

Naturally the accident caused quite a stir, but all the members had been kindly taken care of at the hospital. Filks is some perfect "harmony" in his service to the organization. He will not soon forget their midnight ride from Brighton.

ALL VETERANS TO SHARE IN PAYMENTS.

All the men who served during the war whether they entered the national guard before April 6, 1861, or enlisted in the army prior to the declaration of war, will receive the state bonuses in the opinion of Colonel Samuel D. Pepper, assistant attorney general, who is preparing the Dacey bill for submission to the special session of the legislature, called for May 24. The wording of the constitutional amendment submitted to voters last month had been taken by some to exclude certain units or individuals inducted into service before the declaration of war.

The amendment, according to Colonel Pepper, was merely to provide funds with which to pay the bonus, and in no way limited the action of the legislature, which it is considered certain will place a liberal construction on the amendment.

PLYMOUTH WANTS STATE POLICE

Since Col. Roy C. Vandercook, commissioner of public safety, ordered the closing of all state police posts in the state a week ago, numerous remonstrances are beginning to come in from all sections of the state.

Residents of Plymouth are the latest to register a protest. They claim they are now absolutely without police protection, and request the re-opening of the post at once.

Col. Vandercook expects to take up the matter of police posts throughout the state with the administrative board during the coming week; at which time some definite program will probably be outlined.

NORTHLVILLE, MICH., MAY 29, 1921.

EXTRA SESSION SET FOR MAY 24.

Governor Alex J. Groesbeck Friday morning issued the long expected call for the special session of the legislature. The extra term will be begun May 24, five days after the sine die adjournment of the regular session, May 19th.

The governor's call, contrary to expectation, was couched in general terms and made no mention of the business to be presented to the legislature. This leaves, the executive free to propose any measure that he may see fit.

Only two things have been announced as certain of consideration in the extra term. These are the enabling act for the soldiers' bonus—the chief "necessity" for a special session—and a bill to take care of the bounties still owing by the state to veterans of the Civil War. Announcement that the latter measure would be included in the business of the extra session was made by the governor several days ago when it was discovered that the Baker bill appropriating \$50,000 to pay the half-century old debts, has been overlooked in the last minute rush of the regular session and had died in the house ways and means committee.

FORD COMPANY BUYING GIANT FORGES.

More than 100 large steam drop forge hammers, costing in excess of \$1,000,000, were ordered this week by the Ford Motor Company. It has been announced.

This equipment, added to that already installed, will give the Ford company the distinction of having the largest drop forge plant in the world, with the possible exception of the Krupp works in Essen, Germany.

The new equipment is designed to produce every tool required used in construction of Ford passenger cars, trucks and tractors. The present plant produces only one eighth of those needed, it is stated.

The machines are scheduled for delivery beginning in July. They will probably be installed in the present forgery building at the Highland Park plant, it is understood, which is to be vacated prior to the removal of the foundry equipment to the Roslyn plant this summer.

Ford officials announce, in view of the production of steel hammers, that forgings will be made mainly in aluminum and cast iron, and for a short time it is believed, but all part for the products of the Detroit plant, probably will be made entirely in industrial units operated by that company at Dearborn.

TYPHOID IN VICTORY SOUTHERN COUNTIES.

Typhoid fever is now one of the 20 leading most common of the state according to the Michigan Department of Health. Report of cases have been received from Eaton, Ingham, Jackson, Lapeer, Kalamazoo, Calhoun, Jackson, Washtenaw, Wayne, Berrien, Hills, St. Joseph, Branch, Hillsdale, Lenawee and Monroe counties.

"Coming at this time of the year, typhoid fever is especially dangerous," declares Dr. R. H. Old, commissioner of health. "It means that as the season advances the disease is liable to become epidemic unless strict measures are enforced to control it."

Counties which are not yet free from the disease should realize the possibilities of spread of infection. Local authorities everywhere should take every means to determine and abolish the sources of infection.

Emphasizing the danger of individuals picking up typhoid fever infections, especially in and near communities where the disease exists, the department of health is urging people to have their family physician immunize them against typhoid fever.

GARDEN NOTES.

Tomato plants may be set as soon as all danger of frost is over. If the plants are to be trained to stakes, set them about 2 feet apart in rows 4 feet apart. It is some trouble to train the plants to stakes, but they bear a little earlier and the fruit is more easily picked and sprayed.

It is not too late to sow seeds of cabbage and cauliflower, but don't wait too long. Early, well-grown plants are essential for good crops. Don't be satisfied with a few messes of sweet corn. Make successive plantings of Golden Bantam at intervals of ten days or two weeks until June 1st and be sure of a continuous supply for canning and drying.

Plant cucumbers, melons and tomatoes in rich warm soil. It is a good plan to put a shovelful of well-rotted manure in the bottom of each hill.

NELSON-ROSS.

A quiet wedding was solemnized on Monday evening, May 16th, at eight o'clock at the home of Mrs. Alice Ross, in the presence of only the immediate relatives, when her daughter, Miss Edith Charity Ross became the bride of Mr. Nicholas Nelson. The ring ceremony was performed by Rev. E. V. Belles of the Presbyterian church.

Miss Ross, who was dressed in a blue silk dress, carried a bridal bouquet of sweet peas and snapdragons.

Mr. and Mrs. Nelson will make their home in Northville for the time being.

Their many friends extend hearty congratulations.

Northville School Notes.

Last Friday a room on the ideal diamond the High School base ball team visited. We ingrate in a score of 15 to 5 to the Indians, Germantown, winning the N. H. S. and struck in 17 met walked 1 and hit 2, while the Waukegan Indians struck out 1 and walked 5. Five errors were made by the Indians, though and obviously the visiting team in 16 runs were beat by the N. H. S. team and one by the W. H. I. S.

Monday afternoon the N. H. S. lost to Wayne 10 to 5. Score on the latter's field. Geraghty, Moffit and D. Fowle constituted the Northville battery and Stanian, California an freshman made in the Farmington bats. Each team took six turns Northville won and eight. Northville men and eight Farmington men were struck-out at the plate. The N. H. S. won with two scores to their opponents due to the firstinning but were unable to hold the lead. In the third inning two men scored on a wild throw to first making the score 3 to 2. This score stood until the seventh inning when two men were walked and scored or Smith hit to center field.

Tuesday Missford came to Northville with a team that had been defeated but once this season. A good crowd roared accompanied the boys. In the first inning the local team made three runs, two in the second inning and three in the fourth, while Milford scored two runs in the fourth inning making the score 9 to 2. Northville held the lead until the end of the game when the score was 12 to 7. Moffit struck out seven men and walked 3, while Hitchcock struck out 4 and walked 1. Eleven hits were made by the local nine and eight by the visitors.

A Humane Mayor.

Talk about Sunday blue laws, here's a decree issued not long ago by the mayor of a little commune in the Pyrenees: "Whereas, the young people of the commune are wont to meet and dance every Sunday after mass, and the noise they make frightens the cocks, hens, and all other animals of the village, we hereby prohibit dancing within the bounds of the commune during the hours in which the domestic animals take their repose."—Boston Transcript.

Liquid to Replace Solid Coal.

A noted engineer states that coal, under 200 atmospheres pressure, heated to between 540 and 720 degrees Fahrenheit, and mixed with hydrogen gas, becomes liquid. As the energy is greatly increased he predicts that in the near future it will replace the solid coal.

Graze for Orchids.

The widespread liking for orchids is evidenced by the fact that a century ago only 300 species were known, and those very imperfectly. Now the latest authority gives the number of known species as 10,000.

RACES AND BALL GAME.

On Saturday afternoon, May 28th, there will be a fine race program of three events and a ball game at the grounds of the Northville Fair association. In the racing events there will be a good field of lively steppers and all who enjoy racing will be given an afternoon of real fun and enjoyment.

The Northville Foresters' ball team will cross bats with a good strong team from out of town and baseball fans will also get a lot of fun out of the afternoon's program.

On July Fourth there will be races and a ball game and a real old-fashioned celebration. Keep these dates in mind and plan to come to Northville for the races and for the glorious Fourth.

Programs giving full information regarding the races will soon be issued.

ACCOMPLISHING GOOD RESULTS.

Cutting the tuberculosis death rate in half in a definitely specified class of persons in the short period of ten years is the record made throughout the United States, according to the report made by a large national life insurance company. According to this report, the pulmonary tuberculosis death rate for insured white males between the ages of 25 and 40 in the two years 1919 and 1920 combined was one-half of that for the combined years of 1911 and 1912. At these age divisions, ten years ago, pulmonary tuberculosis prevailed at a rate of four to six deaths per 1,000 persons annually, during the past two years the tuberculosis death rate of this age division of life varied from two to three deaths per 1,000 persons exposed to risk.

There are also increases in other age groups and other sex and color groups.

The attack on tuberculosis seems to be succeeding to a degree not dreamed of by advocates of the work ten years ago.

This deduction is drawn by the life insurance company from its figures.

These deductions are in large part due to the organized efforts being made by anti-tuberculosis associations throughout the country.

Michigan News Tersely Told

Chesbrough.—With the spring election less than three weeks away there are no candidates for mayor.

Kalamazoo.—Joseph Person, 57, of Sturgis, died of a brain at Vicksburg while en route to a hospital here for an operation.

Grand Rapids.—Records of the state fire marshal show that this county suffered a loss of \$1,400 during 1920 and ranked third in the country in the number of fires.

Marquette.—James Gillett, 65, died Saturday evening when he was struck on the head by a stake while unloading logs in the yard of the Calumet & Hecla company.

Alpena City.—The Worth Transformer Co., of Hamtramck, Mich., will locate in this city. It is a \$100,000 concern and manufacturers of heavy equipment.

Alpena.—The body of Emory Sibley, 28, years old, drowned last Tuesday while trying to cross Pere Marquette lake in a canoe. He was found on the beach at Butterville.

Ashtabula.—Ashland, of more than \$200,000 in the Muskegon War Chest,

will be the nucleus of a memorial to soldiers of the World War. War Chest members have authorized this disposi-

tion of the fund.

Desoto.—George W. Shepherd, for 20 years county clerk, has been asked

to stand by his supervisor to resign

for neglect of duty. He has

asked to be placed on the pension list.

Alpena.—The city council has ordered

the cutting off all sewers, water

and gas mains and similar improve-

ments to be started at once.

Alpena.—When officers went to

the home of Vincent Niedzwiecki, a

local farmer, and located

all the coal in front of the

meal tank. It was in

the baby's cradle where

it had been hidden.

William Thompson has an-

swered a writ of attachment

from the village to re-

turn his money who have

been defrauded. It is prob-

ably the common miners recall

the old days.

Alpena.—A. L. Wright says

he is in charge of an audience

of 1,000 at a meeting which

he held for the re-election

of George H. Miller, a Repub-

lican candidate for the

U. S. Senate.

Alpena.—The trial of Harry

Watson, a university medical stu-

dent, for murder, a harbor, on

the lake, under the second

degree, is to begin here

May 23. The accused, 21, is

charged with the death of

Edith Goss, Traverse City nurse.

Alpena.—The Michigan Traction

Co. has petitioned the

Interstate Commerce Commission to

allow its corporation in Mus-

kegon to continue

contending that the

rate of 10 cents must go.

The commission has eliminated

the 10 cent fare to 10 cents.

Ashtabula.—Warren Bansfield, 11 years

old, was accidentally wounded by

his dog Claus and then shot again

by his father to put him out of his

misery. He is taken to the State Ps-

ychiatric Hospital at Ann Arbor on

a Probate Court order. He will be

there for 10 days for observation. Physi-

cians who examined him here said

they found him normal.

Marquette.—The property of the

Marquette City & Presque Isle Rail-

way Co. and under the decree of the

U. S. District court for the western

district of Michigan, was purchased

by E. S. Rice, H. S. Gallup and A. E.

Her, acting as a reorganization com-

mmittee on behalf of the bondholders

of the street railway company. The

bonds were sold on a mortgage of \$100,

000.

Grand Rapids.—The city commission

has ordered the submission of a char-

ter amendment to the electors at the

spring election to prevent and punish

fraud in the signing of petitions for

the nomination of city officials. Many

petitions filed at the March 3 pri-

marines were fraudulent. Names of

the candidates were removed from the

ballot because of these

fraud.

Reed City.—Reed City is in dark-

ness and many of the industries are

without power owing to the breaking

of the gas line.

The loss is estimated

between \$25,000 and \$35,000. Heavy

rains and the breaking of the gas

line dropped the water pressure caused

in a storm due to closed gates. The

turboing water soon filled the water

power plant. Foundations of the

plants and the flume were under

water and soon a big portion of the

canal was open way and cement walls

caved in.

Chaplin's Trousers on Fire.

Los Angeles, Cal.—Charlie Chaplin

was painfully but not seriously burned

at his motion-picture studio here when

his feet stumbled and he fell over an

acetylene blow torch which was part

of the "set" in which he was work-

ing. His trousers caught fire and he

was burned from ankles to waist.

Patient Disappears With Radium.

Oklahoma City, Okla.—Treatment

of a charity patient has resulted in

the loss of radium valued at between

\$3,500 and \$3,500 by a well known firm

of doctors of this city. It was an-

nounced by a member of the firm.

The patient disappeared with the

radium on May 8, and police investiga-

tions have failed to reveal any trace of

him. The radium, in two needles, had

been placed in a capacious growth

and the patient instructed to return to

have it removed.

Michigan News Tensely Told

Two days of automobile racing with airplane events, will be staged at the fair grounds track, May 28th and 29th, according to C. W. Pickering, secretary-manager of the Michigan State Fair. Five drivers, whose names are familiar to followers of the dirt track sport, have been entered and others are expected to complete. Miss Ruth Law, the aviator, and her flying circus, will also be here for the two days. Miss Law specializes in stunting on the wings while the airplane "loops-the-loop." Lieut. Berne Treat is her flying companion.

Marshall V. A. Lepper, well known in business here and at Hartland, died suddenly at Covert. He had gone there to meet his daughter. A widow and three daughters survive.

Owosso—Farmers will cut their potato acreage this year around 40 percent, because of the low price of potatoes. One farmer has 5,000 bushels on hand out of 15,000 raised.

Pontiac—To help support the Pontiac city band, which has been privately maintained, the city commissioners voted \$1,000. The band will play 12 outdoor concerts this summer.

Kuskegon—Betty Lewis, 10 years old, found a diamond ring and a gold band ring in a bar of candy she was eating. The manufacturer has been notified in hopes of finding the owner.

Saginaw—After making deductions of \$23,937.60 from the \$1,373,591 asked to be placed on the tax roll for municipal purposes, the board of estimates approved a city budget of \$1,054,633.40.

Pontiac—As the result of a drive here for clothing for the Armenians, a car load of clothing will be on its way soon. Local factory heads superintended the trucking and packing of supplies.

Lansing—The state administrative board has announced it would issue \$3,000,000 worth of state highway improvement bonds June 1. State Treasurer Cormier will receive bids for bonds of this issue until May 25.

Owosso—Dr. Samuel Snyder of Owosso, 66, oldest Odd Fellow in Michigan, died at the Odd Fellows' home at Jackson. Dr. Snyder was born in Utica, N.Y., in 1825. He came to Owosso about 35 years ago as an eye specialist.

Traverse City—Neighbors are not satisfied with the mere announcement that Stephen Carol, Traverse farmer, came to his death by the kick of a horse. He was found dead in a barn. They have asked for an inquest, which will be held.

Iron Mountain—Thomas McQuire, 70 years old, was found on his farm at Sagola with the bark of his head blown off. Dynamite sticks were found at the base of a big rock near his body. McQuire is believed to have taken his own life.

Pontiac—The Michigan State Salvation Army fresh air camp for disabled soldiers and children of slain soldiers will be located in Oakland county. A site of 40 acres has been secured on Lake St. Croix and an appropriation of \$10,000 made by the Port Huron Canadian Legion in memory and keeping up the colors to see if they have received more than 10 cases of liquor from Montreal recently. In two instances owners of large consignments gave signed statements that it was for personal use.

Grand Rapids—A seemingly taken refrigerator car on a side track of the Pennsylvania railroad here was found by the police to have been the abode of a gang of moonshiners. Inside the car was found a complete still, with an oil stove, cooking apparatus and coil intact.

Lansing—in an effort to fit the exact amount of loss sustained by the state and place the blame for the misconduct of the affairs of the state house of correction and branch prison at Marquette, a grand jury investigated into the conduct of the institution was begun before Justice of the Peace C. F. Button.

Battle Creek—Arthur Walker, president and manager of the Bock-Walker Hardware company, was recently fined \$50 and sent to jail for ten days for driving an automobile while intoxicated. He appealed to circuit court and Judge W. H. North fined him \$100 instead of \$50, but sent him to the sanitarium for treatment instead of to jail.

Owosso—Members of the city commission favor erecting a municipal lighting plant to be operated in connection with a water works plant that may be built within the next few years. The Consumers' Power company has asked a raise of 29 per cent in the rates and the commissioners declare the city can generate its own power cheaper.

Owosso—Kathleen, the 19-months-old daughter of Mr. and Mrs. Ralph Walker, of Moyer, is in the University hospital in Ann Arbor and will be operated on soon for the removal of a peanut from her lung. The child choked on peanuts about a month ago. One of them lodged in the windpipe and gradually worked down into the lung, causing an abscess, and pneumonia has set in. An X-ray photograph revealed the peanut.

Grand Rapids—in an address before the second annual Kent county girls' conference, Miss Jessie Phelps of the Michigan State Normal college, said: "Women in the past have put too much confidence in the moral stamina of men. Our brothers are weak oftentimes, and many women have gone to ruination because they have trusted where there was no reason to trust. As we expect gallantry from the men, so do they expect modesty and dignity from us. We are both our brothers' and sisters' keepers, and we must help them."

AUTO RACES AT DETROIT

Two days of automobile racing with airplane events, will be staged at the fair grounds track, May 28th and 29th, according to C. W. Pickering, secretary-manager of the Michigan State Fair. Five drivers, whose names are familiar to followers of the dirt track sport, have been entered and others are expected to complete. Miss Ruth Law, the aviator, and her flying circus, will also be here for the two days. Miss Law specializes in stunting on the wings while the airplane "loops-the-loop." Lieut. Berne Treat is her flying companion.

Leon Duray, a former Detroit, who is billed as the dirt track champion, Duray, has driven here in other years and last season was very successful on the dirt tracks. Another star of the earth circles is Ray Lampkin, Lampkin hails from Missouri and has competed here before. Lampkin will drive a car he has named the Sun-Ray.

E. Ted Hill, an Englishman, has also nominated a car for the meet. Verne Soules, one of the veterans of the speed game, and Ray Claypool,

Chicago North, does an automobile race also.

Dickinson expects to have the entry of one of the most famous dirt track drivers in the history of the racing game before the date of the meeting.

His Awful Thought

Warren was an only child and

there were no boys in the neighborhood, he was obliged to play with

girls, of whom there were a sum-

ber. One day he appealed to his

father to move, saying "Dad, if

you don't get me away from here and let

me play with boys, I am afraid I'll

grow up to be a man."

Down to Choctawatchee Bay, in the northwest corner of Florida, is a won-

derland of beauty and health and happiness which the tourist and vacationist are

just beginning to find out about.

In the center of this favored region, on a high wooded bluff which overlooks

Choctawatchee Bay almost from end to end, is VILLA TASSO.

The Florida National Forest, adjoining it on the north, contains deer, turkey and lesser game

in abundance. The nearby bays, lakes, rivers and Gulf teem with fresh and

salt water fish. There are 1,000 miles of sheltered waterways radiating from

it. The bathing beach is unexcelled and there is splendid surf bathing nearby.

There was a big crowd in Northville Saturday night. The streets were lined with cars in all directions and parking space was at a premium. The assemblage had the appearance of summer crud.

Joe Weston, a force of men at work constructing a curb along the Main street side of the school grounds and a cement driveway on the west side of the lot. This will make a fine improvement to our school property. Now let's have a lawn in front.

The teachers of the Northville schools entertained the Plymouth teachers Wednesday evening. A delightful dinner was served at the Presbyterian church and the merry company then repaired to the High school building where a social time was enjoyed.

Miss Ida Barley, a teacher in our public schools, was taken to the Ford hospital in Detroit last week, where she will receive treatment. As soon as her condition will permit it is expected she will undergo an operation. Many friends in Northville hope for a speedy recovery.

Rev. McDermie, pastor of the Methodist church at Alma, presented the needs of Alma college at the Presbyterian church in this village Sunday morning. He came to Northville Saturday night and left for Detroit Sunday afternoon. He presented the needs of the college in a very convincing manner and at the close of the service pledges amounting to more than \$1,000 were received. Mr. McDermie stated he was very glad to perform this service for Alma college because he not only knew the needs of the institution, but he was also familiar with the splendid work the college was doing.

Mrs. C. C. Verkes, and Miss Edith Head gave a delightful luncheon and kitchen shower in honor of Miss Margaret Verkes at the home of the former on Saturday last. After the enjoyable repast the guests "lined" a comforter and the task afforded a great deal of merriment. The bride to be was presented with a fine assortment of kitchen utensils.

TAKING THE CHILDREN FOR GRANTED.

A part of the scenery as it were merely incidental—having a feeling that they will get along somehow.

The biggest part of the mother and father job is to help the kids form right habits—is how Colliers pictures it! Twenty years from now can the average child say they had good habits fixed in their character?

How much of the difficulty of our present day school pupils is chargeable to amateur parents? Why is there such wide disregard for rights of property—the value of good character—the worth of human life—if the American home has been doing its full duty during the past few years?

You cannot estimate the value of a top notch yard wide red wool Christian home.

You agree may be several points from the foregoing and the time to use them up will be Sunday at 11:30 at the

WE
Either FOLLOW the Market
OR ANTICIPATE IT

You always get the lowest market price when you buy your Furniture, Rugs, Floor Coverings and general House Furnishing equipment from Schrader Brothers. This is a strong statement but equally strong is our policy of always following the market when the factories reduce their selling prices.

No matter what loss we have to take we feel that we are never justified in charging our patrons more than the market price. Many times during the past few months we have gone through our stock and marked our goods down to meet present-day conditions and wholesale costs. We feel that this is the only fair policy, though the loss to us has been pretty large at times. But we have the satisfaction of knowing that we have "played fair" with our customers. When wholesale prices are reduced our patrons get the benefit and that fact is worthy of your consideration at this time.

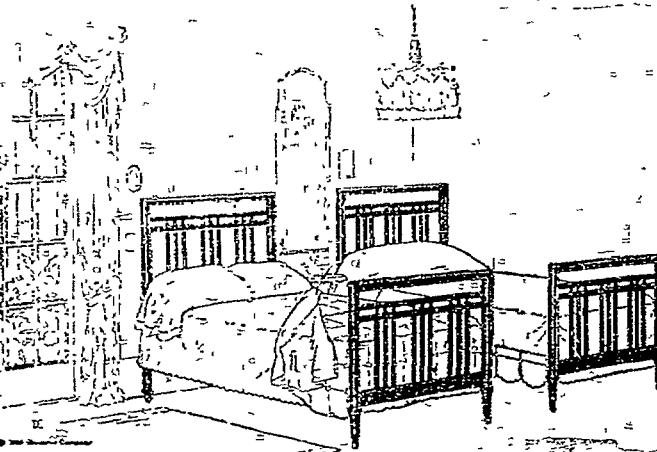

When you need Furniture, Rugs, Floor Coverings, Shades—or anything in our line you will do well to visit our store and make a personal inspection of our stock. The quality of the goods we offer you speak for itself and you will be pleased we are sure.

Our assortment of Rugs is especially worthy of your inspection. We have them in many patterns in room-sized—very attractive.

Porch Furniture

Will be in demand before long we invite you to inspect our assortment of Chairs suitable for your porch. We have a big line Porch Shelves also.

In-Bedroom Furniture we are especially fortunate in having a fine assortment in many styles and patterns, both in the periods and in single pieces.

Seeing is believing and you cannot afford to make your Furniture purchases from a catalogue. Come here and make your selections personally—examine the goods we offer, and make sure you are getting full value for your money.

STOCK IN LEAGUE OF NATIONS AT \$10 A SHARE IS LATEST "BARGAIN"

Chicago—Stock in the League of Nations, at \$10 a share, is the latest bargain to be offered to the Chicago investing public. Department of Justice agents have begun searching for the men who have written numerous poison by setting the stock collecting 25 per cent of the price in charge or delivery.

The League of Nations was represented as the greatest organization in the world and prospective purchasers were told dividends would be large because of the great value of the league to humanity.

SEND OUT AUTO TITLE BLANKS

Every Transfer or Sale of Machines Must Be Recorded

Lansing—Secretary of State Charles Deland has announced that registration blanks for recording with his office the sale or transfer of automobiles would be ready for distribution to the automobile dealers of Michigan this week.

Under a law passed by the recent legislature, designed to make theft of automobiles more difficult, certificates of title are required to be issued and recorded with the state department whenever a machine is sold or transferred. A fee of one dollar is to be charged for each registration of a certificate of title.

Every car in the state must be accounted for at the state department on or before July 1, 1922.

CAMERON DAM DEFENDER FREED

John F. Dietz Pardoned After Sewing 10-Year Sentence.

Madison, Wis.—John T. Dietz who attracted nation wide attention more than a decade ago as the defender of Cameron, in northern Wisconsin, has been pardoned by Governor Blaine. Dietz was convicted and sentenced to life imprisonment for the killing of Oscar Hagn, a deputy sheriff on October 6, 1910, but the sentence later was reduced to 20 years.

Governor Blaine in granting the pardon said he considered the trial was legal, but declared that he had come to the conclusion that Dietz should be free "from consideration of public policy and in justice allowance for the exceptional circumstances."

JANETTE GETS APPOINTMENT

Detroit Journalist Named by Groesbeck to Head Pardon Board

Lansing—Governor Groesbeck has announced his appointment of Fred E. Janette, Detroit newspaper editor, to the new office of commissioner of pardons. The bill creating this office abolished the advisory board in the matter of pardons and transferred the powers to the governor with its routine work in charge of the commission, not of pardons.

Mr. Janette is well known in newspaper circles of the state, having managed several upper peninsula papers and rounded one before moving to Detroit 15 years ago.

SHOOTS WIFE AND KILLS CHILD

Enraged Husband Then Takes Own Life with Shotgun

Cadillac, Mich.—Firing point blank at his wife with a shot gun, Tony Valensky tore away a part of her hand, and killed his 5 year-old baby, which was in the mother's arms. The enraged man then left the house and shot himself through the heart.

A domestic quarrel is believed by police officials to have been the cause of the murder and suicide.

The boy, and his mother were rushed to a hospital where the boy died shortly after.

MICHIGAN MAY MAKE SHOES

Administration Board Considering New Industry for Institutions

Lansing—The Michigan state administration board is considering a plan under which the state may take up the manufacture of shoes for the inmates of the several state institutions.

If the plan to make shoes is judged feasible a plant probably will be installed in the Michigan reformatory at Ionia and 10 practical shoe men placed in charge.

FINAL TRIBUTE TO FRANKHAUSER

Friends of Suicide Congressman Attend Funeral at Hillsdale

Hillsdale, Mich.—Friends from every part of the state were in Hillsdale to pay a final tribute to the late Congressman William H. Frankhauser of the third district, who was buried with full Episcopal and Masonic services.

Congressman Frankhauser committed suicide in the Battle Creek sanatorium because of failing health.

DETROIT THEATRES

It is doubtful if any production, film or otherwise, has been so unanimously panned by the New York critics as D. W. Griffith's picture version of "Way Down East," which was given its first showing at the 44th Street theatre in the city of September 3rd with Lillian Gish and Richard Barthelmess in the leading parts, and which commences the third week of its engagement at the Shubert-Detroit next Sunday.

Mr. Griffith's first public presentation of his new film was of such importance that his audience was composed largely of those who attended the first nights of the conventional drama rather than the regular movie fans and to quote a paragraph from the New York Telegram: "Those who went for a thrill were not disappointed. It was there full measure and running over."
