SIMILING SKIES HAPPY CROWDS BRILLIANT SUNSHINE

It was indeed grand and glorious Fourth of July. If any one was disappointed in the "warmth" of the welcome extended in Northville the price of admission will be cheerfully remitted. The day was perfect for a celebration and the generous hospitality extended by Northville people was truly in keeping with the day and the weather. People were astir early putting the finishing touches upon the arrangements for the day and Old Sol seemed to smile upon the efforts that were put forth to make all feel that a "warm" welcome was extended. The forenoon hours were passed with a band concert by our own municipal band and a fine program was rendered. At about eleven o'clock the band and a number of citizens met the speaker of the day, Col. John Cody, on east Main street and escorted him to the speaker's stand. Col. Cody was introduced to the waiting crowd by C. R. Benton. Mr. Cody is a forceful and eloquent speaker and his address seemed with a true spirit of Americanism. It was an eloquent appeal to those lofty ideals of citizenship upon which rest the foundations of our government.

The exercises of the afternoon were held at the fair grounds and by two o'clock a large crowd had congregated to enjoy the program. The grandstand was filled to its capacity and the program of sports was given in plain view of everyone. The foot races, sack races, barrel boxing contest, night shirt race, greased pole and greased pig created a great deal of merriment and the several events were "warmly" contested. With the aid of a lot of sand and a long board in the hands of a few stalwart boys a little Willis boy reached the top of the greased pole and secured the coveted prize. Roy Randall and Arthur Smith captured the greased pig as the animal made a wild dash underneath an automobile parked far down on the east side of the grounds. The pig was a good sprinter and gave the score or more of boys in pursuit a good race. Fred Neal won in the night shirt race.

The ball game between the Northville Foyeters and Farmington came to an abrupt ending. In the fifth inning with the score at 10-to-10 four Clinton Treadway, pitcher for the Farmington team, had the misfortune to run into a hog state as he was trying to catch a foul ball and injured himself quite badly. The accident and the extreme heat completely overcame him and he was unable to go on with the game. The game between the Hot Temples and Springwells was won by the local team, the score being ten to three. A large crowd gathered about the diamond as the games were being played and each fan cheered his favorites heartily.

The race program was one of genuine sport and never in the history of the track has better racing been seen in Northville. The weather conditions seemed to be just right, the horses were in fine trim and their drivers seemed to be as proud of them as a boy with a new toy. Benji Dempsey, good scout of Detroit, officiated as starting judge and handled the four events in a very pleasing manner. The races were fast, not a few of the first half-miles being below the 1:10 clip—the horses taking first, second and third places being pretty well "bunched" as they passed under the wire. The first race, class A, was won by Marjorie C. Major, Merrimac, second, and Morning Gale, third. In class B Trixie G. won first, Vici, Kid, second and Ruby Hat, third. One heat in the free-for-all was stopped in 3:19 1/4 and the race was won by Henry Ford after three lively finishes. Harry W. won second place, King Look third and Gov Tom Marshall fourth. In the fourth and extra event Miss Flora Axelson won first place, Beth Dorr second and Olga Brooks third.

The band gave a fine program during the afternoon and the crowd lingered at the grounds until nearly six o'clock to enjoy the sports. In the evening came the free street dance and while the dancers were a little slow in getting into the fun, the affair was in full swing by eight o'clock and it was really a merry company. W. H. Ambler offered a dollar each to the first couples who would take the "floor" and his generosity seemed to break the "ice" and afterwards others kept falling in until at nine o'clock fully one hun-

dred couples were on the pavement. The streets had been roped off and properly "corn-mealed" by the committee and with the splendid music furnished by the band the dance proved one of the most enjoyable features of the celebration. People came from many of the surrounding towns to enjoy the dance and they entered heartily in the festivities. The committee extended the time for dancing until 10:45 and when "Home Sweet Home" was finally rendered by the band many applauded for "just one more".

Apart from the two accidents which occurred at the fair grounds nothing happened to mar the pleasures of the day. The officers and directors of the Fair association worked hard to make the celebration enjoyable and their efforts were crowned with success. Everywhere the spirit of good fellowship was manifested and the strangers who came to spend the day with us were made to feel at home. In fact a real Northville welcome was extended and from first to last the celebration reflected credit upon the people of this community.

This spirit is the motive power that has put Northville on the map for years and a continuance of this good fellowship that will continue to draw people Northward. Now let's all get behind our fair with the same enthusiasm and self-interest and its success will again be assured.

SPARKLERS.

On the morning after our streets had the resemblance of a big "Johnny cake" after the rats and mice had played over it all night. The area used for dancing was covered with corn meal and gave the pavement a splendid surface for dancing. Frank J. Boyle kindly consented to call an old-fashioned "square dance" and this number created a great deal of merriment. In the last "heat" some wonderful records were made by Frank Perrin, Carl Ely and Mr. Favell, who at times struck a 2:10 "clip". Mr. Boyle seems to be able to handle a large dance crowd with much ease as he conducts an auction sale.

The music, rendered by the band received many compliments from the dancers, and even further was heartily applauded.

The refreshment stands at the fair grounds did a rushing business all afternoon.

Udo Laney of Dearborn, was run over by a horse and sulky, but fortunately escaped without serious injury.

She was only slightly bruised on her right cheek and nose.

Everybody was thirsty and the summer beverages were in great demand.

The fair grounds were in splendid condition, neat and clean in appearance, and the track was fast.

Visitors from all the surrounding towns were seen among the crowd, both in the afternoon and in the evening. Many of them declared they always liked to come to Northville because there were assured a good time here and a hearty welcome.

Two zealous were seen upon the fair grounds so full of the spirit of July spirit they could hardly navigate.

The weather man was certainly most kind to Northville. On a number of surrounding towns rain came in the afternoon and early evening.

Perhaps some one had more real fun at the dance than our former townsmen, George Ferguson of South Lyon, but The Record man failed to discover the person in the crowd.

The near-by lakes attracted great crowds all day, but the real fun was had right at home. Not only our own people enjoyed the day's festivities, but a great many visitors were present from out of town.

Northville people may well congratulate themselves upon the success of the whole affair.

Gary Deal won the auto race, in which contestants were compelled to operate their cars backwards.

The day's crowds were handled in a praiseworthy manner and no traffic accidents occurred.

The exhibition drill given by the Royal Neighbors degree team, in the evening, was an added feature to the celebration and proved a most interesting one. The members were gowned in white with Master caps of purple and sashes to match and their drill was splendidly given.

The several movements and figures were well executed and the ladies were roundly applauded. Those who took part in the drill were Mesdames W. H. Elliott, Charles Wade, Frank Green, S. L. Brader, S. M. Sasamella, George Dixon, Forest Brown, Fred Hall, Barney Schultz, Joseph Hurtle, Fred Strautz, Paul Bissell and William Montgomery.

the same as here. Crops are suffering from the drought, having had no rain for several weeks. The trip in all was about 500 miles.

DETROIT MAN DROWNS AT WALLED LAKE.

Max Fisher of Detroit was drowned at Walled Lake Sunday afternoon. Fisher was in company with a number of friends from Detroit who had two boats in the middle of the lake off Taylor's point. The young man was attempting to swim from one boat to the other and was observed to sink. Whether he was taken with a cramp is unknown but it is believed to have caused his sinking. The friends all returned to shore and made no effort to locate the spot where Fisher went

down with the result that Coroner C. Farmer was unable to tell where the body sank. Fisher was accompanied by a young woman, Miss Mollie Gilbert, 1337 Theodore street, Detroit.

HARVEY PRAISES PEACE EFFORTS

DEFINES VIEWPOINTS ON ANGLO-AMERICAN QUESTION AT INDEPENDENCE DAY DINNER.

SAYS BOTH NATIONS ARE WRONG

Europe Has Wrong Idea of U. S. and America Has False Notion of Allies, He Says.

London.—Diplomatic representatives of more than 30 foreign governments were guests at the annual Independence day dinner of the American Society of London. Ambassador Harvey was the guest of honor.

Lord Lee of Fareham, first lord of the admiralty, toasting the guest, referred to Harvey as "a foreign envoy to whom the muzzle of diplomacy had not been obstructive." Therefore, he said, "both Britain and America could expect from him open and frank comment upon Anglo-American relations."

Referring in his reply to revolt of the American colonies, Ambassador Harvey declared:

"Whether the territory comprising the United States could have been restrained is wholly speculative. But one fact is certain—if George the Third had issued a proclamation even approximating in eloquent sincerity and appealing force that uttered the other day by George V in his faithful endeavor to reconcile a nation, there would have been no ringing of bells in Philadelphia one hundred and forty-five years ago this night, nor for many years thereafter."

Ambassador Harvey declared mutual helpfulness which all desired could not be realized until two grave misapprehensions had been removed, one of which pervaded Europe respecting the United States and the other permeated the United States as to Europe.

The two combined appear to constitute the chief barrier to full and effective play of cooperation based upon confidence and understanding said the ambassador. "I find in Europe the common impression that the United States alone among nations of the world, is today a land of milk and honey whose people not only are universally prosperous, though recently discontented, but are rich beyond traditional dreams of avarice. You have only to supplement the fancy with a snapshot which I find not wholly lacking, that all this opulence and thin happiness are direct results of the great war to account for the wholly natural sense of resentment."

The second misapprehension is that my own countrymen have been led to doubt that the peoples of Europe have been doing the utmost for the neutrals before seeking help. "I have tried to impress that before I left home I told somewhat to that surmised myself. I do so no longer. During the past two months I have been privileged to talk freely and frankly with representatives official and unofficial, of every state in Europe, and I have not heard one complaining word nor received a single request for benefaction. It is not charity but opportunity they crave and all that they seek."

Legislature Puts Through Needed Changes for Safe of Bond Issue.

Lansing.—Action providing a tax-exempt clause in the bonds to be sold to raise money for the paying of a bonus to Michigan soldiers, was taken by the legislature at its second special session and plans are now being made to begin payment this month.

Because of the unfavorable market for bonds provision was made for selling short term notes until such time as a more favorable market enabled the state to sell the issue at advantageous figures.

DEMPSEY BEATS CARPENTIER

American Heavyweight Boxing Champion Knocks Out Frenchman.

Jersey City, N. J.—Jack Dempsey is still heavyweight champion of the world. Demonstrating his fitness to dominate the pugilistic realm, the American battered Georges Carpentier, the French challenger, into helplessness in the fourth round. A terrific right punch to the stomach scored the knockout.

Close to 90,000 people, including prominent officials, attended and gate receipts totaled over \$1,600,000. Dempsey received \$300,000 and Carpenter \$200,000.

PEACE RESOLUTION IS SIGNED

Formal Declaration Will Declare War With Germany At End.

Washington.—The resolution of congress declaring war with Germany and Austria Hungary at an end has been signed by President Harding and a formal declaration of peace will open the way for resumption of diplomatic relations soon.

NAMED AS CHIEF JUSTICE OF U. S. SUPREME COURT

WILLIAM HOWARD TAFT.

Washington.—President Harding appointed former President William Howard Taft as chief justice of the U. S. supreme court was confirmed last week by the senate. Mr. Taft succeeds the late Chief Justice Edward D. White, who he had appointed in 1910.

LABOR DEPARTMENT FUNCTIONS

Governor Appoints James A. Kennedy Chairman of Commission.

Lansing.—Governor Groesbeck has announced the appointment of James A. Kennedy, Sault Ste. Marie, Thomas B. Gloster of Detroit, and Carl Young, of Muskegon, as commissioners of the state department of labor and industry. The department became operative July 1. Kennedy and Gloster are members of the state industrial accident board, which will be absorbed by the labor and industry department. Young was formerly president of the Michigan Federation of Labor. Kennedy will be chairman of the commission.

PREDICTS DISTANT WORLD PEACE

British Ambassador Speaks at U. of M. Commencement Exercises.

Ann Arbor—Sir Archibald Geddes, British ambassador to the United States, speaking at the 17th annual University of Michigan commencement, told the graduating classes that there was such a thing as world peace, though the dawn was not immediately upon us. "The age will come when war will be no more, when peace will reign all round this spinning globe, but the choice that lies before humanity is between a peace of reason and a peace of death," he told them.

TARIFF SCHEDULE SUBMITTED

Measure Reported Out to Senate by Representative Fordney.

Washington.—Representative Joseph W. Fordney, chairman of the ways and means committee of the senate has introduced his bill providing for new tariff schedules to replace the Underwood law. Simply conflicting views as to the tax burden to be imposed on the American people were expressed by Republican and Democratic leaders and this would indicate that it will be some time before the measure is adopted.

STATE TO GUARD LIQUOR SUPPLY

Administrative Board Orders Building for Storing Purposes.

Lansing.—The long disputed question of what is to be done with the state's excess liquor supply has been settled by the state administrative board. A reinforced concrete strong-hold will be constructed at the state police post in East Lansing. Liquor will be stored there. Not more than \$5,000 will be spent on the building, which will be guarded.

BASE REPORTS ON INVENTORY

Corporations Not Required to Make Mid Year Appraisal.

Lansing.—The state administrative board in an informal decision has decided that enactment of the Vandenberg corporation law, requiring corporations to make returns as of a fiscal year ending June 30, will not necessitate mid-year inventory. The board held that corporations may file their financial statements based on the last regular inventory.

Japan Pleased With Envoy. Tokio—Great interest has been evinced here by news of the nomination of Charles B. Warren of Detroit as the new American ambassador. The Chingai Shogyo Shimpou, leading organ of the business world, interprets the delay in appointing the new ambassador as being due to the pains taken to make the proper selection. The newspaper emphasizes the importance of the task of Mr. Warren in view of the numerous pending problems.

D. E. BROWN, Publisher

An independent newspaper published every Friday morning at Northville, Michigan, and entered at the Northville post-office as Second-class matter.

NORTHVILLE, MICH., JULY 8, 1921.

FOR THE MANY AND NOT THE FEW.

Those who believe that school and college athletic exercise is beneficial to the growing boys and girls and to the more fully developed young men and women will rejoice to know that the University of Michigan has established a department of physical training for all the students of the institution and that Fielding J. Yost has been selected as head of the new department. There has been a growing sentiment for a number of years that both school and college athletics have been conducted for the few, rather than for the many, and this action on the part of our great university may be the means of influencing other institutions to adopt a different policy than has been in practice in the past.

"In our high school we believe it is time that some action be taken to provide suitable physical exercises and training for all the pupils rather than for just a few who are able to make the base ball, basket ball and football teams." In the selection of these organizations but few of the student body can ever hope to "make the team," because but a few are required to complete the membership. In the very nature of things then, but a very few receive the training that is given to those who are chosen to maintain the standing of our school in athletics.

Would it not be better to lay more stress upon the proper physical development of all the pupils of the school—boys and girls alike—rather than to bend every effort to win a football or a base ball pennant? It is a false notion into which the people of the country have been led to imagine that school or college athletics properly directed are for the benefit of the few. They should be so conducted that all the children of our school would be properly trained not only for their ability to play a good game of base ball, foot ball or a hot ball as for the proper physical training of the individual. The girls need this training as much as the boys, because it is just as important that our girls develop strong well developed bodies as it is that the boys should do so. We believe in the splendid success that has been the efforts of those who directed our high school athletics during the past year and we are sure the members of the school will be more than willing to play their part so well, but we are afraid for all the boys and girls the we are and will develop as well as for the strong and robust that will be given suitable training to know how to properly care for their bodies.

It would seem that this new order could be brought about at no additional expense to the district and that no more trouble could be taken. From the study periods that is now taken, a certain number of grades could be given training every day—say an hour a day—and thus each child receives training and instruction that would prove of untold benefit all the years of their lives.

KNAPP—WIDMAIER.

A very pretty home wedding was solemnized at the residence of Mr. and Mrs. Philip Widmaier on the Bass Line road, on Saturday, July 2nd, at five o'clock by Rev. Masas of Ann Arbor, when their only daughter, Hilda, became the bride of William G. Knapp of Buffalo, N. Y.

The bride was gowned in honey-dew georgette crepe and carried Ophelia roses and baby breath. She was attended by her cousin, Selma Fischer of Ann Arbor, who wore pale green orange and carried pink roses and sweet peas. The groom was attended by his brother, Louis H. Knapp.

After the ceremony a bountiful dinner was served, the color scheme being honey-dew and green with large bouquets of marguerites.

Mr. and Mrs. Knapp left for the west and will be at home to their friends in Buffalo, N. Y., after July 15th.

The out-of-town guests were: Mrs. G. A. Knapp and son, Louis, of Buffalo; Mrs. Mae and Julia Weaver, Mr. and Mrs. George Maskill and family, Mrs. Henry Kiser and daughters, and Mr. Meyer all of Detroit; Mrs. Nettie Weston and son, Fred, Miss Doris Chapman, Miss Emily Zeeb, Mr. Herbert Fischer and daughters of Ann Arbor.

FORESTERS RECEIVED
A HANDSOME TROPHY

The meeting of Court Northville, Foresters of America, of Friday evening, last, was one of more than ordinary interest, as much as all the stations were filled by grand court officers during the ceremonies of installation. Officers of Court Northville occupied the chairs during the opening ceremonies and while the business of the evening was being transacted, but when the time came to install the newly elected officers the grand court officers took their places. The list of officers given last week were installed in an impressive manner.

The silver loving cup won by Court Northville, for having made the largest net gain in membership during the past two years was presented by Past Chief Rainger S. S. Crohn of Pontiac who donated the handsome trophy. Mr. Crohn complimented the officers and members of the local court upon the splendid record made and urged them to continue their activity and enthusiasm in the years to come. W. A. Crane accepted the cup in behalf of Court Northville, expressing the appreciation of all present for the gift and for the honor which the presentation conferred upon Northville Foresters.

There was a large crowd present to enjoy the occasion and it was difficult to find seats for all. In spite of the intense heat it was a merry, good natured assemblage and all present thoroughly enjoyed the festivities. Ice cream and cake were generously served at the conclusion of the ceremonies.

It is not often that all the grand court officers attend a meeting of a local court and their presence here on this occasion was a very great compliment to Northville.

HOT TAMALES AT SPRINGWELL'S

It was very warm July 4th, any time from 6 a.m. to 6 p.m. and to 6 a.m. again. Therefore a good day for Harry German's Hot Tamales for the, began to sizzle from the first minute when the ball came stacked with Springwells. The Northville nine gathered in 10 runs while the visitors were getting 9.

Springwell's then never in the field, put up a long lightning strike from Carl's barn and were obtained in the play. German and McLean were 100% winners of the Hot Tamale.

Temporary excuse, when the visitors through the umpire handled his position quite and the game was free from dispute.

PRESBYTERIAN CHURCH NOTES.

The Sunday communion service will be held Sunday morning at 10:30 o'clock. Sunday school at 12:00. The Union service in the evening at 7:30 o'clock will be in the Baptist church. Prayer meeting Thursday at 7:30 p.m.

METHODIST CHURCH NOTES.

At 10:00 communion service at 11:30 Sunday school at 6:30 P. M. youth League at 7:30 Union service in the Baptist church—sermon by the pastor of the Methodist church. The Ladies Aid society will meet at the parsonage for its monthly business meeting next Tuesday afternoon.

BAPTIST CHURCH NOTES.

Next Sunday morning, the pastor will preach a sermon on "Some Visions We All Need." Text: "Where there is a vision the people perish." Prov. 29:18. The application of the text to the home, the community and the church will be given.

In the evening the churches will have a union service here. Make it a real demonstration of our faith in God. One might think sometimes there is very little religion in Northville, but we believe there is more than seems to be. Let us not fail to show it next Sunday evening.

Morning service at 10:30. Sunday school at 11:45 Evening service at 7:30.

W. R. C. NOTES.

An interesting program is one of the attractions to be staged at the meeting of the W. R. C. Wednesday evening, July 13th. One of the district officers may be present, so this will be a splendid opportunity to boost the reputation of 225. Don't fail your Corps.

WALLED LAKE MAN ARRESTED.

Michael J. Dugan, arrested at Walled Lake last Saturday, charged with violating the prohibition laws, and who pleaded not guilty when arraigned in police court, Friday made a request that he be allowed to change his plea and waive examination in the lower court. No objection was made to this and he was bound over to circuit court under \$1,500 bond. Pontiac

To The Tire Trade!

Owing to the demand for a cheaper tire by some of the tire users, I have put in a line of 3 and 3½ tires. I looked the field over and picked up the very best tire I could get for the money. It is not a rebuilt tire, but a first wrapped in paper, and I have been given a written guarantee for 6,000 miles on these tires. If you buy a cheap tire, look for words "rebuilt" or "re-constructed". If you see these words upon them, leave them alone. They try to hide the words by putting them on in the very smallest type possible. The Federal law says they must mark them so they use letters about one-eighth of an inch high sometimes.

My advise is to let all cheap tires alone and buy a standard brand at my place. You will find them cut almost to the level of the gypsies.

Sale on Locktite Oil and Grease—in fact all prices are cut in my place.

NORTHVILLE, MICH.

LOCAL

A good many from Northville attended the circus at Detroit Monday.

Wendell S. Miller is attending the Summer school at the University of Michigan.

Now for the Chautauqua. The dates are July 29th to August 2nd, inclusive.

Lester Pratt and family of Detroit have moved into the Neal residence on Randolph street.

William VanStickle has a calf at his farm which is wearing a fleece of wool instead of a coat of hair.

The regular meeting of Orient Chapter O. E. S. will be held next Friday evening, July 15th, at 7:30 o'clock.

The annual school meeting will be held at the High school auditorium on Monday evening, July 11th.

Thomas McCordle and family have moved from their home on Rogers street to a house on First avenue.

Mr. and Mrs. John Walker and Mr. and Mrs. Al Zimmer are now living in their new bungalow on West Main street.

The North Farmington ball team defeated Taylor's team at Walled Lake Monday afternoon, the score being 8 to 4.

The Northville Woman's club held its annual picnic at the pleasant home of Mrs. E. A. Shafer at Union Lake, last Friday.

Work on Northville's new flouring mill is progressing rapidly. The builders are now at work on the interior of the structure.

Mrs. Leona McDonald entertained a company of fifteen relatives and friends at dinner at the home of Mrs. Charles Whipple, on July 4th. Be careful about fires. If a fire should break out in Northville great damage might follow owing to the condition of our water supply.

The heat has been most intense for the past week. Tuesday and Wednesday thermometers about town registered from 98 to 105 in the shade.

John S. Turnbull, who spent the winter with C. E. Turnbull, died at his home in Canada two weeks ago. He suffered a stroke of paralysis.

The thirteenth annual reunion of the Smitherson family will be held at the home of Mr. and Mrs. Seymour Seelye, 1196 Hudson Avenue, Detroit, on Saturday, August 6th.

Mr. T. B. Harry, who was operated upon at Harper Hospital, Detroit, for the relief of a spinal ailment, has finally recovered to be brought home and is improving nicely.

Mr. and Mrs. H. A. Wheeler were given a very acceptable and appropriate gift—a new Ford touring car which was presented by Mr. and Mrs. J. E. Paul of Dayton, Ohio.

The pump for the village water system has become defective and a new one has been purchased from Lake & Lang. It is expected that the new pump will be in operation later.

The fourth heat wave was broken Wednesday evening. Storms circled about Northville and a slight rainfall visited this section, bringing relief from the terrible heat which prevailed for nearly a week.

Invitation has been issued for the wedding of Ward V. Jones 11th of Miss Lenore Appleby Barrons of San Antonio, Texas, and Raymond Charter DesAutels of this place, at the home of the groom's parents, Mr. and Mrs. H. A. DesAutels on Dunlap street.

The total combined resources of Northville's two strong financial institutions, according to the reports published in today's Record, amounts to \$1,700,132.51. That is a lot of money and reflects the prosperity of this section.

Mike J. Dugan of Walled Lake, who was arrested for peddling booze, pleaded guilty on Tuesday to furnishing liquor to Roy Wheeler of Novi and was sentenced by Judge Covert at Pontiac to pay a fine of \$100 and \$25 costs or to spend thirty days in jail.

Vera, daughter of Mr. and Mrs. William Holmes, who reside north of town, died at her home last Friday, aged seven years. Funeral services were held at the family home on Sunday, Rev. Young of Novi officiating. Burial took place at the Novi cemetery.

Mrs. Juliette D. Spencer, widow of Norman C. Spencer, died at the Rockwell home on the Bass Line on Monday afternoon, aged 96 years. Funeral services were held at the house on Thursday forenoon at 10:30, Rev. E. A. Brass officiating. Burial took place at Walled Lake.

Bettie Jane Thompson, daughter of Mr. and Mrs. J. D. Thompson, died at her home in this village Sunday, aged two years and four months. Funeral services were held at the house on Tuesday afternoon, Rev. H. J. B. Marsh officiating. Burial took place in Rural Hill cemetery.

Rev. H. J. B. Marsh made a patriotic plea for a finer national spirit in his sermon Sunday morning at the Methodist church. Assuming that his audience had but lately arrived in America he presented the factors which make this nation great—its beauty of location—its unequalled opportunities—its free speech—its basic foundation as Christian. He urged that folks be real citizens by making the principals of Christ part and parcel of everyday life.

Lyke & Lang have secured the contract for the plumbing and heating of the new bank and apartment building being erected at Farmington.

W. R. Dickerson and Frank Brown were the victims of an auto accident near Mayville on the Fourth. A large car running at a terrific speed struck Mr. Dickerson's Ford, turning the machine over.

The Epworth League held its monthly business meeting at the home of Mr. and Mrs. Lee Shipley on Wednesday evening. A large number were present and light refreshments were served.

A fire report of the work and progress of the League was presented. Everybody had a good time.

The twelve o'clock southbound train on the Pere Marquette line, struck a large Federal truck at the Wilsey crossing on the Seven-Mile road Thursday noon and carried the machine for nearly four hundred feet down the track. The truck driver did not hear the train whistle or account of the noise of his machine and was fairly on the railroad crossing before the collision came. The driver was uninjured but a man riding with him was bruised and cut. The truck was loaded with chairs for the Detroit House of Correction Prison farm and nearly all of them were smashed to pieces.

MAY HAVE BOND DRIVE.

A drive, similar to former Liberty bond drives, to dispose of the \$15,000,000 short term note issue authorized by the legislature for soldier bonus payments, among the banks of the state, is being considered by the state administrative board. Indications are that the plan will be adopted.

Governor Groesbeck canvassing bank officials and a meeting of the administrative board has been set for late this afternoon when definite action will probably be taken.

The issue will, if the plan is adopted, be prorated according to the capital and surplus of the bank.

Subscribed and sworn to before me this sixth day of July, 1921.

INFANT DIETS HANDICAP SERVED 4,863 MEALS DURING CHILD.

"Wives be great Americans," says Dr. R. M. Olin, author of her report of the number of children examined, in which it is stated that the child, in too many cases, submitted to the county board of health in speaking meals furnished prisoners for June of the findings of the traveling clinic. The report shows that there were at the state department of health, served during that period 4,863 meals which is recent months, has held or an average of 146 meals a day. This is more than some of the restaurants in the city are serving—Pon- Lower and Upper Peninsulas and examined 5,211 children.

Of the 5,211 children examined 3,442 or 65 per cent, were found to be underweight on an average of seven pounds and six ounces enough Dr. Olin says, "to seriously handicap the children since this amount represents about 10 per cent of each child's weight."

Undernourishment is not due to lack of food in the homes, in the majority of cases," states the commissioner, "but rather to the fanciful appetites of the children acquired through lack of discipline exercised over their diets, and to misunderstanding on the parents part as to what constitutes a proper diet. On a conservative estimate 25 per cent of all Michigan children are seriously undernourished. It's a case of the child dictating to his parents what he shall eat and when he shall eat it."

"Thousands of families in rural districts where milk is cheap and easily obtained use but very little. The mere fact that the child may consider milk a baby food is enough to keep it off the table."

To bring the children's weight up to normal, in order that they may develop properly and gain a natural resistance to sickness and disease, Dr. Olin urges parents to adopt a diet of milk, cereals, fresh vegetables and fruits for their children, and compel them to eat at regular hours.

Or the 5,211 children examined 3,442 or 65 per cent, were found to be underweight on an average of seven pounds and six ounces enough Dr. Olin says, "to seriously handicap the children since this amount represents about 10 per cent of each child's weight."

Undernourishment is not due to lack of food in the homes, in the majority of cases," states the commissioner, "but rather to the fanciful appetites of the children acquired through lack of discipline exercised over their diets, and to misunderstanding on the parents part as to what constitutes a proper diet. On a conservative estimate 25 per cent of all Michigan children are seriously undernourished. It's a case of the child dictating to his parents what he shall eat and when he shall eat it."

"Thousands of families in rural districts where milk is cheap and easily obtained use but very little. The mere fact that the child may consider milk a baby food is enough to keep it off the table."

To bring the children's weight up to normal, in order that they may develop properly and gain a natural resistance to sickness and disease, Dr. Olin urges parents to adopt a diet of milk, cereals, fresh vegetables and fruits for their children, and compel them to eat at regular hours.

DETROIT THEATRES.

"Nightie Night," a name which sounds naughty, yet in farce form as offered as a theatrical entertainment, was found to be clean and exceptionally funny, will be the offering of the Bonstelle Company at the Garrick next week.

It is from the pens of Martha M. Stanley and Adelaide Matthews, and was previously offered at the Garrick with Frances Byrne in the principal role. The only naughty thing about the entire laughable farce is a girl situated in a nighty-night of masculine design, which is far more modest than many of the evening gowns recklessly displayed at fashionable and first night affairs.

"Polly of the Circus"—Chautauqua Feature

"POLLY OF THE CIRCUS"

"Polly of the Circus" is a comedy-drama—an argument against indecence and narrowness. "Polly" is the little circus lady who, with the aid of a minister, teaches the philosophy of tolerance. This production is the finest ever presented to a Chautauqua audience. Carefully selected players from New York City enact all the parts. Special scenery has been provided, the entertainment being complete in every way. We can not rate this feature too highly nor urge you too strongly to see it, for it is well worth the full price of the season ticket. Other Community Chautauqua attractions are the Knox Concert Party, the Omar Wilson Singers, Cammarata's Mediterranean Musicians and the Philippine Quartet. Make Chautauqua time vacation time. Secure a program folder for a full list of attractions and complete Chautauqua information.

A PRETTY WEDDING.

The home of Mr. and Mrs. Edwin W. Millard on the Seven-mile road was the scene of a pretty wedding ceremony last Thursday evening, when Miss Ada Marquerite Millard and Levi C. Pankow were united in marriage. Rev. E. V. Belles performing the ceremony. About 50 relatives of the young couple were present. The young people were attended by Misses Helen Millard and Nellie Pankow and by Messrs. Millard and Pankow, sisters and brothers.

After the ceremony and the exchange of hearty congratulations the guests were served a bountiful supper.

Mr. and Mrs. Pankow have been friends since childhood and are most worthy young people. Many friends will extend hearty congratulations.

HARDING'S CHOICE OF FORMER
PRESIDENT IS APPROVED
BY THE SENATE.

IS WELL QUALIFIED FOR BENCH

Attorney General Says Taft's Advice
Will be Most Helpful in
Reorganization Plans.

Washington.—President Harding has announced the appointment of former President William Howard Taft, to be chief justice of the United States supreme court to succeed the late Chief Justice Edward D. White.

His name was sent to the Senate for confirmation. The senate went into executive session and Taft was confirmed, all senators present voting yes, with the exception of Senators Hiram Johnson, of California, William E. Borah of Idaho, R. M. La Follette, of Wisconsin, and Tom Watson, of Georgia.

The dissenting four senators have been severely criticized by their colleagues and their action has been dubbed "spite work." However, these senators insist they opposed Taft because of the conservative turn of mind of the former president.

Although it was announced at the same time that Mr. Taft, who is now in Canada acting as an arbitrator in an important valuation case, had not been apprised by the White House of the president's intentions, it is generally assumed that he will accept the position.

Judge Taft's appointment does not come as a surprise. At the time of Chief Justice White's death, it was taken for granted on every hand that Taft would be called once more into the service of the government. Other names were suggested, of course, including Secretary of State Hughes, Justices Van Devanter, Day and Pitney and former Senator Sutherland.

Mr. Taft's appointment to the chief justiceship was dictated wholly by reason of his record and ability as a jurist, it was explained by the president, but because of wide and intimate knowledge of the administrative phases of the government's

work.

Prohibition enforcement has so heavily taxed the criminal end of the federal district courts that a bill to extend new ones to 20 and some measure of reducing the existing judges and of lengthening the period of justice. One plan proposed is to give each state commissioners in charge of trial jurisdiction over as many as 100 cases.

Another is to create a number of circuit court judges who will sit where they might be summoned.

There is no doubt that Mr. Taft, who is a strong advocate of the principles of court reorganization, will be in full accord with the appropriate committee of congress, tells that the legislative advice of Mr. Taft would be most helpful to all concerned in working out this plan.
