## ANNUAL SCHOOL MEET WAS WELL ATTENDED

Nearly sixty persons attended the annual school meeting in this village Monday night in spite of the heat. The attendance showed an increasing interest and an awakening upon the part of the people of the district that is to be commended, because in years past but a mere handful have attended. The meeting was called to order by President C. L. Dubuar and the minutes of the last annual meeting were read by Secretary C. A. Dolph. The report was accepted without comment and the meeting then gave its attention to the election of two trustees to succeed C. A. Ponsford and C. A. Dolph whose terms had expired. W. H. Safford and Ed Sessions were appointed as tellers and the ballot was spread. Mrs. Ed Sessions nominated Mrs. M. S. MacDermid and the nomination was seconded by Wellington Roberts. The ballot resulted in the election of Mrs. MacDermid, she having received 48 votes out of a total of 54, and was declared the unanimous choice of the meeting. B. A. Wheeler nominated Mr. Dolph to succeed himself and Mr. Roberts named Karl C. Bryan. Mr. Dolph declined the honor, stating he had served the district for fifteen years and thought he was entitled to a rest. No other nominations were made and when the ballot was taken Mr. Bryan received 46 out of a total of 53, and was declared the unanimous choice.

Mr. Ponsford expressed his appreciation for the honor that has been conferred upon him in the past and urged all to take a deeper interest in our schools. He said Northville people ought to be proud of their schools, as he believed they were, and should strive in every way to make them better and more efficient.

Mrs. Charles Bloom moved that a rising vote of thanks be extended to Messrs Dolph and Ponsford for the interest they had taken in the schools and for their faithful and efficient service while members of the board.

No other business appearing the meeting adjourned. The official report of the secretary will be found elsewhere in to-day's paper.

## DES AUTELS—BARRONS.

A pretty wedding took place on Monday evening July 11th, at the home of Mr. and Mrs. Henry DesAutels on Duval street, when their son, Raymond Charter DesAutels, and Mrs. Lena Appleby Barrons of San Antonio, Texas, were united in marriage. The wedding party took their places before a bank of palms and ferns, geraniums and sweet peas. The bride, who was becomingly attired in gray tulle, with hat, gloves and shoes to match, had as her bridesmaid, Miss Helen Cunningham. Leo DesAutels attended his brother as best man. The ceremony was performed by Rev. Edward V. Bellis, pastor of the Northville Presbyterian church, in the presence of only the relatives and intimate friends of the bride and groom. Mr. and Mrs. DesAutels will make their home in Detroit.

In honor of the bride, a shower was given on Friday evening by Mrs. Stewart Taylor, and on Saturday evening, Miss Helen Cunningham gave a dinner, covers being laid for eight.

## FORESTERS LOST BY ONE RUN.

The ball game last Sunday afternoon between the Foresters and Hot Tamales was about the liveliest contest seen on the local grounds this season and the large crowd present was on "tip-toes" most of the time. The Foresters played their regular line-up, but a number of strange faces were seen about the diamond when the Tamales marched upon the field, players being present from Plymouth, Ann Arbor, Wayne and Detroit. The Hot Tamales secured one run in the first inning, three in the third, and three in the fifth, while the Foresters made a grand rally in the fifth and chalked up four runs. They also secured one in the seventh and one in the ninth.

Both teams were loyally supported by their friends, and the interest throughout the game was keen and everybody was on "edge" until the final inning, when the score was seven to six, the Hot Tamales leading by one tally.

Harry Butin, one of the owners of the bowling alley, pleaded guilty to assault and battery upon a poor, sickly fellow who had been employed about the place, and was fined \$25 and costs, amounting in all to \$35 in Justice Ambler's court on Monday. The assault took place on Sunday.

## BOYS' AND GIRLS' CLUBS HAVE ROUNDUP.

Wayne county was well represented at the third annual boys' and girls' club roundup at M. A. C. last week when 125 lads and lasses, county champions in some particular line of club work, were entertained as guests of the college.

Among the visitors from Wayne county were Edith F. Munro of Flat Rock, who excelled in sewing; Victoria Larson, Dearborn, cooking; Leota Wagar, Flat Rock, sewing; Edwin Korpdorfer, New Boston, handicraft; Elvis Alford, Detroit, gardening; Herbert Miller, Plymouth, rabbit raising; Russell Lyke, Northville, pig raising, and Howard MacPherson, Wyandotte, poultry.

The boys and girls had a taste of real college atmosphere during their stay. Promising young farmers were quartered in Wells Hall, men's dormitory, while members of the feminine contingent made their home for the time being in Abbott Hall and Howard Terrace, occupied during the school year by co-eds. All were given their meals at the Woman's building.

Business and pleasure were combined in the week's program. The girls got a peek into the mysteries of the college way of handling, such essentially feminine enterprise as cooking, garment-making, art work and basketry and the boys at the same time were busy with stock judging, gardening and growing of farm crops. Games, picnics, swimming and movies whittled away the odd hours for both groups.

On Friday night the champions were tendered a complimentary banquet by the state board of agriculture. The climax of the program came Saturday with a trip to the state capitol in Lansing and a visit to the governor's office.

## SANITARIUM OPENING DELAYED UNTIL OCTOBER.

Installation of equipment, which has begun at the new Detroit tuberculosis sanitarium at Northville, will delay the opening of the hospital to patients until the first of October, Dr. Henry F. Vaughan, health commissioner, said Thursday.

"The construction of the building is all but finished," said Dr. Vaughan. "There are a few of the floors to be finished but we have all of the laundry, kitchen and other equipment to install."

The hospital, when finished, will, it is said, be one of the most modern institutions in the world, located in a fireproof building designed to accommodate 300 patients, built at a cost of \$2,000,000.

There will be no wards in the sanitarium, unless rooms occupied by three patients are included under the term. Patients confined to their beds will be in rooms by themselves, while those able to be up and around will sleep two or three in a room. Each room will be provided with a porch, which may be used for sleeping purposes when the course of treatment demands outdoor sleeping. Detroit Free Press.

## DISTRICT MANAGERS ENJOY GOLF.

R. R. Brown, district manager of the Detroit Edison Company of this place entertained a number of his fellow-managers of the Meadowbrook Golf Club grounds on Tuesday. Nine holes were played during the forenoon and then the merry company enjoyed a fine dinner. After cigars and an enjoyable social hour nine more holes were played. Those forming the company were W. J. Fitzgerald, of Monroe, Ralph Hutton of Mt. Clemens, Dan Hayes of Port Huron, Herbert Silverster of Ann Arbor and Dan South of Ypsilanti, all of whom are managers for the Edison company in their respective districts. All enjoyed the day's outing greatly and Mr. Brown was voted a generous and genial host.

## WORK COMMENCED ON NOVI ROAD.

Actual work has commenced on the Novi section of the Novi-Northville-Livonia-Farmington highway Monday morning. Contractor McGillicuddy has a large force of men and teams on the job and seems to be determined to push the work as fast as possible. The motive power on the job is mule teams and it is said they are a fine lot of animals. Mr. McGillicuddy will build six and one-half miles of 12-foot gravel road.

W. O. Brown of Detroit, who has the contract for the concrete portion of the highway running east from Farmington to the Base Line, has also started operations.

Schrader Brothers of this village delivered a big order for furniture to Millard people this week.

Dated July 5th, 1921. THOMAS G. RICHARDSON, EDMUND S. BEARD, Commissioners and Appraisers.

LEGISLATORS TO BE CALLED BACK

FOURTH MEETING OF YEAR SET FOR JULY 19 TO RECTIFY RAMSEY ACT ERRORS.

EXTENDS CITIES BONDING LIMITS

Saginaw Compelled to Cancel Special Election Called to Provide Funds for Water System.

Lansing.—The state legislature will be asked by Governor Grosbeck to reassemble in Lansing July 19 and continue the deliberations of its special session long enough to rectify errors found in the Ramsey act aimed to extend the bonding powers of cities of the 30,000 class for certain desired improvements, under which Saginaw and Lansing had hoped to raise funds for a new water system and a new lighting and power plant respectively.

Although the Ramsey act was passed in due form, it was found by the attorney general's office that an act subsequently passed to provide for city zoning amended the same section of the home rule law in such a manner that it actually nullified the Ramsey act.

The legislative error was responsible for the calling off of the special election in Saginaw. The old law fixed the bonding limit at 8 per cent of the assessed valuation and limited the bonds for public utilities to 2 per cent. The Ramsey act fixed 10 per cent as the bonding limit, all but 2 per cent being available for water works, and allowing 3 per cent to be used for electric plants.

The Saginaw election was to have been held July 13, but was cancelled. Lansing's election on the electric light program had been set for August 30, and there is still a possibility that the error may be rectified in time to make that election legal.

The convening of the legislature for the fourth time this year will not involve any added expense to the state. Technically the legislature is still in session. Although the business which called it together for the third time, the altering of the soldiers bonus enabling act so as to make the bond more attractive to investors was disposed of in two days, the legislators availed themselves of the constitutional provision for a 20 days' special session and set the formal adjournment date as July 19. The constitution provides that a per diem may be paid legislators in special session for 20 days. Ordinarily the formal adjournment would be dispensed of by one or two members. Now the entire body will be brought together to untangle errors in the Ramsey bill before quitting.

SHIPPERS LOSE ZONE RATE YILT

Commission Approves Reduction and Establishing of District.

Lansing.—The Michigan public utilities commission has issued an order denying the petition of members of the Michigan Traffic League that it suspend operation of the new freight schedule, effective Sunday, reducing freight rates on railroads south of the main line of the Michigan Central. The reduction amounts to 10 per cent on practically all classes of goods.

The traffic league had opposed the new schedule on the ground that it creates a new zone, and thereby further complicates the rate structure in Michigan without giving relief to a large percentage of the state's shippers. The league contended that the commission should abolish the one system and announced that it would file a petition, asking that this be done.

STORM CHECKS \$300,000 BLAZE

Business Section of Bellaire Wiped Out Before Help Comes.

Bellaire, Mich.—While firemen from four cities battled vainly on the afternoon of July 7 to hold in check a fire which laid in ruins \$300,000 worth of Bellaire's finest business property, the heaviest rainstorm of the season came up and saved the town from destruction. Firemen from the neighboring towns of East Jordan, Manselona and Traversa City had responded to the call for help but were handicapped by the lack of water, the reservoir having been drained low by excessive sprinkling.

POISON CHARGE IS WITHDRAWN

Mrs. Kaber to Be Prosecuted On Charge of Conspiracy.

Cleveland.—The state withdraws the charge of murder by poison from the indictment against Mrs. Eva Catherine Kaber.

With this one ray of hope gleaming out of the somber evidence against Mrs. Kaber's trial for the murder of her husband, Dan Kaber, was suspended, the state's case being finished. The defense will now take the stand and will attempt to prove Mrs. Kaber a mental defective.

All In a Day's Work. His gun held ready, his eyes glancing about eagerly, a man in hunter's garb moved silently through a North Michigan swamp. Suddenly the beat of flapping wings sounded. Quickly raising gun to shoulder, he fired. "A miss!" he growled disappointedly as the duck rose high into the air and disappeared from view. But—had the duck hunter missed?

Called from his bed that night (it was raining) one of the repair men went out to investigate the trouble. Following the toll lead, he drove more than a score of miles, in the darkness and rain and tramped additional miles through a swamp. Using a flashlight, he finally found the source of the trouble—an insulator that had been shot off.

Interruptions in telephone service, we repeat, may be due to a thousand and one causes. The foregoing is a statement of an actual incident. A thousand similar stories could be written. The point is just this: Through all such difficulties, night and day, regardless of weather conditions, the people of the Telephone Company are doing their duty to the public by being constantly on the job to keep service up to its high standard.

### BIG DOUBLE CIRCUS HAS VAST PROGRAM

Kingling Bros and Barnum & Bailey To Present Scores of Entirely New Features.

The announcement that the famed Kingling Brothers and Barnum & Bailey combined shows are to exhibit at Detroit Monday and Tuesday, July 25th and 26th, has aroused no end of interest. It would seem as though practically all the youngsters and grown-ups in this section were planning to attend.

Twice each day for almost two months New York's great Madison Square Garden was packed with those who thronged to see the biggest program in circus history. They saw scores of the jungle's most ferocious beasts, subjugated to such a degree that these beautiful animals leaped and rode on the backs of elephants and horses, jumped through hoops of fire, opened their mouths that their men and women trainers might lay their heads and hands inside them, or leaped from pedestal to pedestal like trained dogs. And these marvelous dumb actors are all on tour with the great double circus. The four immense steel arenas in which they perform are set up in the mammoth main tent. There is no additional charge—everything is on the one program. And by "everything" is meant not only the wild animal displays, but the entire circus. More than 600 men and women, embracing the world's foremost athletic stars, take part. There are almost 100 clowns. Aside from the ferocious beasts, the program includes thirty trained elephants. Troupes of camels perform in the rings. There are five companies of trained seals, many dogs, bears, monkeys, pigs and pigeons. Fully seventy trained horses and Shetlands are presented. It is the biggest circus program the world has ever seen, given under the largest tent and, in connection, is the famous combined Kingling Brothers and Barnum & Bailey menagerie.

### Michigan News Tersely Told

Monroe—Samuel A. L., 32, was fined \$100 and costs in justice court charged with having driven an automobile while under the influence of liquor.

Birch Run—William Owens, 45, farmer living east of Birch Run, was killed by lightning while shocking wheat. He leaves a widow and eight children.

Powers—A large six-cylinder touring car belonging to Richard Rue of this place was burned near McAllister on the way to Wallace. A spark exploded the gas tank.

Bay City—Earl Bryce, 45, farm worker, died in the hospital here of a broken skull received when a Pere Marquette train struck an automobile in which he was riding on Michigan avenue.

Lansing—Frank S. Keeble, president of the Michigan Agricultural College, is recovering from injuries received when the horse he was riding suddenly reared, breaking his nose and badly stunning him.

Oxford—With a view to moving its tracks in this village to take them off the main business street, the D. U. R. has obtained options on land through the residence district. A double track is to be laid.

Pontiac—Clarence Stanton, 59, widely known bank official of Oakland county, was found dead in bed at his home in the village of Oxford. Heart disease, brought on by pneumonia, is believed to be the cause of death.

Adrian—Lenayee county's equalized valuation, including both real and personal property, was placed at \$72,385,920, in the report of the committee of equalization that was accepted by the board of supervisors.

Allegan—While the gas consumers of Allegan and Otsego were preparing to petition for a reduction in rates, the company sent an appeal to the state public utilities commission requesting an advance from \$2.10 to \$2.15 per 1000 cubic feet.

Lansing—Dr. R. M. Olin, state health commissioner, has been instructed by the administrative board to investigate the various cities to see if they are complying with a law to insure a sanitary place for housing public institutions.

Pontiac—Settlement out of court was reached in the case of Mrs. Edith Constable, suing Jesse and Eugene Vliet and A. J. Parrish for the death of her husband, struck by their automobile last January. The amount of settlement was not made known.

It is a pity that many girls in one of the great problems before the cities of Michigan, Mrs. Mahel H. Thompson, secretary of the State Federation of Women, is this coming from the country to the city seeking employment and with, perhaps, the greatest trouble in the girl problem.

It is a pity that many girls in one of the great problems before the cities of Michigan, Mrs. Mahel H. Thompson, secretary of the State Federation of Women, is this coming from the country to the city seeking employment and with, perhaps, the greatest trouble in the girl problem.

Charlottesville—Assistant Fire Chief Herman Gulde had his right arm broken when an airplane, giving exhibitions for the July 4th celebration, crashed into the barn of Daniel Huber. Aviator Harold Moyer, of Lansing, was badly cut about the head. Mr. Huber was in the barn, but the plane after tearing out the roof slid to the ground.

Vicksburg—The village council adopted by unanimous vote a resolution expressing confidence in Dr. F. S. Colver, village president, who is held on a charge of killing Robert B. Thompson of Kalamazoo. The shooting was in self defense, the resolution says, and was justifiable. The doctor's discharge from custody is asked.

Battle Creek—While Mrs. William Henry No. 1, and Mrs. William Henry No. 2, sat in the circuit court room here Judge Walter H. North imposed a sentence of from one to five years upon William Henry, their husband, who pleaded guilty to a charge of bigamy. The judge recommended a term of one and one-half years in Jackson prison.

Owosso—Kasimir Kallacinsky and Frank Voss, 22 quarts of moonshine whisky, and complete still are in the custody of Sheriff Sproule following a raid on the farm of Kallacinsky. Voss was found cultivating a field and nothing suspicious appeared about the home until one of the officers noticed a girl in the family was very eager to get to a woodlot 80 rods away. Making their way to a dense thicket, the officers found the still in operation and Kallacinsky tending it.

Marshall—Jessie Boomhower, of Battle Creek, who married Lou S. Boomhower on April 21, 1909, in Flint, began suit for divorce, alleging extreme cruelty and infidelity. She left her husband July 1 and took a child with her. In a lengthy bill of complaint Mrs. Boomhower alleges her husband has pounded her so that she is black and blue. She also names Myrtle O'Leary of Battle Creek as a correspondent. Mr. Boomhower is proprietor of auto stores in Battle Creek, Kalamazoo, Jackson, Muskegon and Flint.

### RED CROSS TO HOLD CONFERENCE

American Red Cross chapter representatives from seven counties in southeastern Michigan will hold a regional conference in Ann Arbor on July 22. This will be the last of a series of six gatherings in this state for a discussion of ways in which the Red Cross may best serve the community.

Starr Cadwallader, manager of Lake division of the Red Cross, to which Michigan was recently transferred, will sum up the purpose of Saturday with nine men he suspected

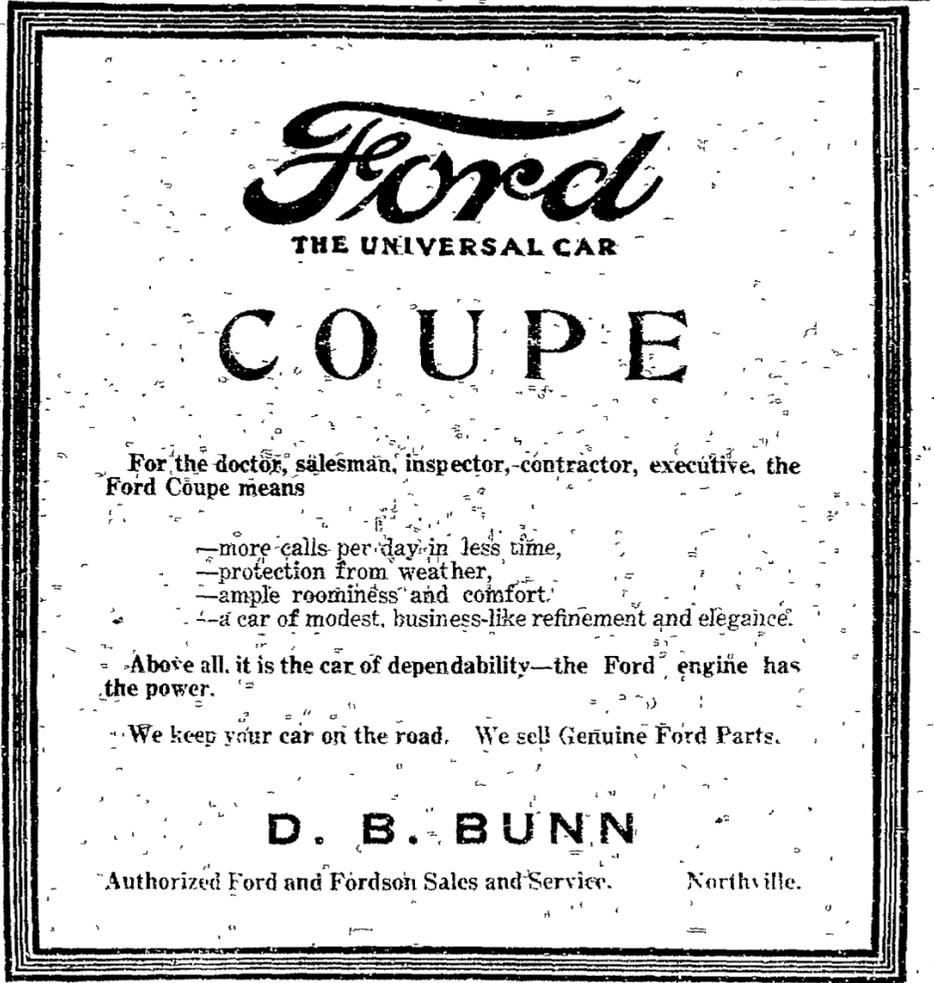

the conference, emphasizing that service is the outstanding feature of the Red Cross program. Chapter delegates from the following counties will attend the conference: Monroe, Washtenaw, Wayne, Livingston, Oakland, Macomb and St. Clair.

### OFFICER AMBUSHED, SHOT, NEAR REDFORD

Elmer Steffen, 26, a deputy sheriff in charge of the work for Saturday with nine men he suspected

of being house breakers. Steffen answered a call to the home of Frankie Brown, the boy, when he was shot 12 times by the intruders, who had hidden behind some shrubbery. The men then escaped. Officers believe one of their number was wounded in the exchange of shots.

NORTHVILLE, MICH., JULY 15, 1921.

CHAUTAQUA IS COMING.

Local plans for our coming Community Chautauqua are nearing completion and the ticket and advertising committees are getting into action. All indications point to a successful Chautauqua week. The Chautauqua opens July 29th and closes five days later. The five days will bring one of the best Chautauqua entertainments that has ever been presented under a tent. "Variety" is a dominating note in this 1921 program and every holder of a season ticket will get his money's worth and more too. On the season ticket plan, each day's program may be heard for a few cents. The price is low and no one need feel excluded. Season tickets admit to all regular sessions of the Chautauqua entertainment during the week.

It is evident that the Community Chautauqua system has surpassed itself in building the program this year. The coming of the fine production "Polly of the Circus" is in itself a notable advancement over any similar entertainment of previous years. This ever-popular comedy-drama of circus and county life is known everywhere as the most successful play ever written by an American author. Special scenery and effects accompany this production. From New York's theatrical circles came the actors—each a carefully selected player exactly suited to the character he or she is to portray. No expense has been spared in making "Polly of the Circus" a glorious Chautauqua attraction.

Other new and decidedly interesting features of the Knox Concert party; C. W. Wason, noted educator, Omar Wilson Singer, Louis Williams, electrical entertainer, Benjo C. Crowl, the "Sally Jones" man; Fenmarata's Mediterranean Musician Louise J. McInerney, health expert "B" in Seeds, farmer lecturer and the Philippine Quartet.

An hour of special features will include recitation of the novel "Honor Chautauqua" which in itself provides barrels of fun for the kiddies. "The Cruise of the Jolly" and the adventures of the Jolly Jokers will be featured every day and each of these in Chautauqua time in our town. All plays and recitations of the children will be under the careful supervision of a play expert sent here from the Community Chautauqua office.

Make the most of your part of your summer vacation. Hear the entertainment and still be near your home with all its comforts. A season ticket for you and other members of your family will mean a saving and sensible economy and you'll be repeating many times over for the few hours you spend in our community tented college.

FLUENT LINES TO HAVE HEARING.

All electric railway companies, operating intercity service, have been ordered by the Michigan Public Utilities Commission to appear July 28 and show cause why they should not be considered, so far as their rates are concerned, as coming under the Glaspie Act passed by the legislature. The matter has been brought up by the Houghton Traction Co., which claims it should not be brought under the law, because of the manner in which the company was formed, and because it is operating on its own right-of-way. Other companies have indicated that they would claim exemption, and it is to be decided which companies are to come under the law, and which are not that the meeting is called.

At this hearing the D. U. R. must also show why it should not come under the law, as a whole, with its four lines, instead of reporting each company separately.

The law provides that when the earnings of any interurban exceed \$14,000 a mile, its rate shall drop to 1 1/2 cents a mile. The D. U. R. should come under the law as a system, could charge only 1 1/2 cents a mile on all lines; if it is permitted to report each company separately, two lines could charge 2 cents a mile and two 1 1/2 cents.

The Glaspie law bases the temporary rate of all interurbans on the basis of per mile earnings, until such a time as the commission can fix a permanent rate.

OBITUARY—JULIETTE SPENCER.

Mrs. Juliette Spencer, mention of whose death and burial was made in The Record last week, was born May 22, 1831, near Albany, New York. When 15 years of age she moved with her parents to West Bloomfield, Oakland county. There was a large family of brothers and sisters, all living in middle life, and five sisters living

young, past the allotted time, according to the Scriptures. Four sisters still survive her; their combined ages now equal 336 years.

In 1849 she was married to Norman C. Spencer of Novi and for many years they lived on the same farm which his father, Col. Spencer purchased from the government. In their declining years they moved to New Hudson, where they enjoyed many pleasant years together.

September 1, 1899, they observed their golden wedding anniversary, but less than a year after Mr. Spencer was called to his reward.

Mrs. Spencer united with the Baptist church in her young womanhood and was always a devoted member during her active life. During the last year of her life she spent much time reading her Bible. She was a member of the First Baptist church of Pontiac at the time of her death. She was a person of sterling Christian qualities.

Mrs. Spencer died July 4th, at the home of her son-in-law, H. Rockwell.

It has been very hot this week. The Hot Tamale played at Howell yesterday afternoon. Orient Chapter, O. E. S. will hold a regular meeting to-night.

Seven members of the "Between Our Selves" club enjoyed an outing at Put-In-Bay on Monday.

Married at the Presbyterian manse, July 14th, Daniel Merritt and Mrs. Susie MacFarland, both of Detroit.

Peter Wall pleaded guilty in Justice Ambler's court last Saturday morning to assault upon Mrs. Irving Austin, and drew a fine and costs amounting to \$30.00.

Friends of Harold Whealon, formerly of this place, now of Detroit, will be interested to learn of his marriage to a young lady of that city one day last week.

The Weith Chemical Company's team of Detroit will come to Northville Sunday for a ball game with the Foresters. The visitors are said to be a lively aggregation.

Northville Lodge, F. & A. M., will confer the first degree next Monday night. Light refreshments will be served after the work.

Married at the Presbyterian manse, July 14th, George Loomis and Miss Hazel Schwab, both of Plymouth. Mrs. Carl A. Rorabacher was matron of honor and Mr. Rorabacher best man.

The advance advertising man for the Community Chautauque spent Monday and Tuesday distributing advertising matter of Northville's Chautauque to be held from July 29th to August 2nd.

The biggest crowd of the season was in Northville last Saturday night. The streets were filled with people and autos and it was with difficulty that parking places were found for all automobiles.

Several members of the Pontiac Chamber of Commerce accompanied by a band made a "boster" trip about Oakland county on Tuesday. They visited Northville during the afternoon.

Mr. and Mrs. Charles Roberts of this place, and Mr. and Mrs. William Roberts of Northville, went to Rockwood, last Saturday, to attend the funeral of their sister, Mrs. Edward Gray, of Plymouth Mall.

The Pontiac Harmonic Club held an enjoyable party at Walled Lake Wednesday night. A picnic supper was prepared at 6 and dancing followed, music being furnished by the "Kings" orchestra. It was a merry company.

The new pump on the water works was installed the first of the week and the iron on sprinkling was lifted. It will be necessary, however, for fire department to be very careful in July, as sprinklers to be used on lawns and gardens.

The Presbyterian Sunday school enjoyed picnic at Island Lake on Tuesday. Autos conveyed the merry company of children and adults to the lake and a beautiful dinner with plenty of ice cream was one of the big features of the day.

Let us hope that our Saturday night visitors will for have to listen to the pat in medicine vendors any more this season. They are beginning to be a nuisance, and their presence on the principal corner greatly interferes with traffic and endangers the lives of pedestrians.

A deal has been closed whereby A. A. Briggs of Northville becomes the owner of Mrs. Rebecca Welch's building occupied by the Whitmore grocery and Coe tailor shop and also of Mrs. S. E. Paro's residence, property on Hickory street. He moves here, to occupy the latter, -Milford Times.

Northville needs a new ordinance regulating pool and billiard parlors and bowling alleys - one that will give the council authority to grant and to revoke the privilege of conducting such places in this village. A new pool room has been opened in the old Couch building on Main street by a fellow named Coe.

Supervisor W. H. Yerkes, who is a member of the committee appointed by the board of supervisors to consider the advisability of establishing an institution in Wayne county for the care of feeble minded children, is making a tour of the eastern states with other members of the committee making observations of similar institutions.

E. J. VerDun of Novi was a Northville business visitor on Monday. When asked regarding the condition of the apple crop in Oakland county he replied that he did not believe there would be 4,000 barrels all told. He has been contracting for a Chicago firm and has about everything spoken for. Upon his own place he said he would not have 150 bushels, when he ought to have harvested 2,000 bushels.

Mrs. Mary Stecho, for many years a resident of Walled Lake, died at the Pontiac State hospital on Monday. The remains were brought to Schrader Brothers' funeral chapel on Tuesday and will be taken to Walled Lake this Friday afternoon, where funeral services will be held at the M. E. church at two o'clock. Rev. F. A. Brass will conduct the services.

A commodious and well equipped bath house, has been added to the Taylor pavilion at Walled Lake. Bathing suits and towels are kept on hand for renting purposes and they are sterilized by chemical process after being used, thus keeping them sanitary at all times. The new bath house is proving very popular with the public.

Significance of Dream of Pump. To dream of a pump signifies that you may with study become a great musician, artist or actor, as your imagination leads you; development is all you require, you have genius. To jump water from a well signifies that you will learn something to your advantage. Big fish comes from the pump it signifies unexpected wealth, if wine or whiskey, it denotes much happiness and good fellowship.

A FLASH--A VOICE A VERDICT

An angry man under the midday sun on an oriental highway on the way to kill and destroy his fellow men saw a light that outshone the splendor of the Syrian moonlight.

A voice spoke to the proud, hating Pharisee words that alter the life of this man so that he became a great Christian leader.

Blinded by the flash that smote his life he is lead to the city whose people he has set out to punish.

That Damascus trip changed a narrow-minded man into a leader of the Christian religion and kept it from being a mere religious sect.

Proven By A Trial 100% EFFICIENT! STARKWEATHER-BUICK COMPANY Detroit, Mich. June 24th, 1921. Ajax Rubber Company, 2959 Woodward Avenue, Detroit, Michigan. Gentlemen: Allow me to express my opinion on your improved "Black Tread Non-Skid Cord," based on an actual demonstration. On June 11th, 1921, to convince myself that there really was a Non-Skid Tire on the market, I drove Mr. O'Connor's new five passenger sedan equipped with Ajax Cords, for a mile or two and I beg to state it is the only tire I can safely say will absolutely stop skidding. This demonstration took place during a heavy rain fall and I gave them every test available to make them skid, but was unable to do so. Gentlemen, I am so completely sold on AJAX TIRES that I am placing a set on my new four passenger Buick. I may state further that your 34x3 1/2 Cord appears to measure up to any standard 35x3 1/2 tire and also it is my opinion that it is the snappiest appearing tire on the market. Trusting others may enjoy a Cord Casing that is 100% efficient and with best wishes for your continued success, I beg to remain Very truly yours, Lois Rose, Sales Mgr. ## ..Use Stock Eden.. Upon Your Stock

You will find it will pay big dividends if you will take a few minutes once or twice a week and spray your stock with Stock Eden—a non-irritating, non-poisonous fly expeller. Your animals will eat, digest their food and sleep in comfort, thereby adding to their vitality during the trying days of summer. To neglect to do this is money out of your pocket.

Your hen house thoroughly sprayed with Stock Eden will keep out mites, lice and ticks.

We also have sprayers with which this can be applied.

The sad news reached here Saturday morning from Fall River, Mass., of the death of Dr. J. M. McKenzie, husband of Mrs. Hattie Yerkes of this place.

The doctor had been seriously ill for some months, but of late was considered to be unimpaired through the effects of a southern trip and one week ago he was to have left for a bereaved wife and one daughter, a year with him.

TO FREE DAIRY HERDS FROM TUBERCULOSIS.

A concerted campaign to be carried on in Wayne county to completely eradicate tuberculosis from all dairy herds, the bureau of animal industry of the U. S. department of agriculture furnishing the technical and other aid to do this very important work in co-operation with the Wayne County Farm bureau.

The board of supervisors, after looking into the matter carefully, made the necessary appropriation to meet up with the large expense and it is expected that the work will be started not later than August 1st.

The executive board of Wayne county Farm bureau, at its meeting Saturday evening, instructed County Agent Gregg to arrange at once with the local dairy operator, so that the federal agents could work rapidly once upon ground.

It is the intention to visit every farm in the county where cows are milked in this campaign and by making a thorough sweep to entirely eradicate tuberculosis in the dairy herds of Wayne County.

To date the average has been 2 1/2 percent loss in animals, a very low tubercular percentage if is calculated. The federal and state governments pay for all affected animals that are destroyed, \$50 for grades and \$100 for registered, as a maximum figure upon appraisal.

Health authorities calculate that with the dairy herds free of tuberculosis that dread disease will be reduced more than fifty percent in the human family in less than three years.

In many sections of the county least milk cannot be sold from cows that are not tubercular tested and in a short time that will be true in Michigan, so Wayne county aims to be ahead of the procession by doing this important work now.

The agreements the farmers sign under which this work is carried on were prepared by the federal authorities and the executives of the leading live stock associations of the county, so are absolutely fair to the owners.

In cities like Detroit where all milk is pasteurized there is really very little danger of tuberculosis according to the health authorities, so the greatest benefit will be in the villages and rural communities, where the modern methods of handling milk are not in vogue.

It has long been calculated that ninety percent of the tuberculosis in farming sections comes from bad milk, so it is easy to calculate who will be the greatest beneficiaries.

County Agent O. I. Gregg, from the Farm bureau office at Dearborn, can furnish dairy herd owners with the necessary blanks to have this work

done, which is absolutely without any expense to the farmers.

Ann Arbor—The fact that the other day the Washtenaw county jail was empty, speaks well for the orderliness of the community. With 50,000 people in the county, not a single one needed to be confined and put under lock and key, with deputies and others to watch them and feed them, and attend to their wants. And this notwithstanding Washtenaw county has a considerable foreign as well as colored population.—Post.

Milford—The body of Rolla Waterhouse was brought to Milford Saturday from Canton, Ohio. Death was due to a fall from a balloon. The deceased was 34 years of age and until about eight years ago was a resident of Milford. Since that time he has lived in Pontiac, Flint and other towns, following fairs from place to place.

## HEADS DAIRY BUREAU

H. D. Wendt, chief of the dairy division of the old state food and drug department, also general secretary of the Michigan Allied Dairy Association, the Federation of Michigan Dairy Industries, has been appointed acting head of the Bureau of dairying under the new state department of agriculture. Dairying is to receive considerable attention from the state, according to the department's plan of operation.

## GET YOUR CERTIFICATE OF TITLE

The new law designated to protect the title of motor vehicles and make the disposal of stolen cars more difficult went into effect July 1. Owners of cars should lose no time in filling in and returning the blanks sent out by the state department as the operating of a car under a Michigan license without securing a certificate of title is a misdemeanor punishable by a fine anywhere from \$25 to \$1,000. The fee is one dollar.

## GARDEN NOTES.

Quality of vegetables depends largely upon their being used while strictly fresh. Chemists tell us that sweet corn loses 50% of its sugar content within four hours after it has been removed from the stalk.

Corn, beans, peas and all other vegetables used for canning, drying or table use should be prepared as soon as possible after they are gathered, if vegetables of high quality are desired.

Make your garden work all summer by sowing a succession of crops. Succession crops are valuable because they furnish a supply of fresh vegetables for fall and winter use.

Try the planting now in the spaces where the early short-season crops have been grown. Bush beans, turnip beets, lettuce, summer radishes, winter radishes, kohlrabi, rutabaga, turnip and Chinese or celery cabbage.

There is still time to sow seeds of perennial flowering plants. Make the soil in which they are sown very fine and keep it cool and moist by spading and frequent watering.

## SWEET CLOVER—THE ROADSIDE BEAUTIFIER.

Never has there been as much white sweet clover along the road-sides as this year. This is a biennial starting from seed in the spring, growing through the first summer and flowering the following summer. It is crowding out a large number of our weeds and grasses and thereby not only beautifying the roadsides generally but keeping out the noxious weeds which might otherwise do a great deal of damage. If when cleaning out roadways the sweet clover can be left and the noxious weeds cut the sweet clover would soon spread over all the area so that there would be no need of cutting out other weeds.

As soon as it becomes thoroughly established, it could be cut early for hay purposes, making a great deal of good forage as it is nearly equal to alfalfa if cut before blooming. Some of the sweet clover, however, should be allowed to seed each year in order to insure a crop the coming season. If everyone would encourage the growth of this important legume along the roadways of Wayne county it would soon be noted far and wide and as it is one of our greatest honey plants more bees could be kept profitable than are kept at present.

## WOMEN TO HAVE PART IN STATE DAIRY TOUR.

Consumption and marketing of milk as it affects the women folk on the farm will have a prominent place in the dairy demonstration tour to be made through many counties of the state during August under the joint auspices of the Michigan Holstein Friesian association, M. A. C., and the New York Central and Pennsylvania railroads. One entire car will be given over to exhibits and demonstrations on the care of milk in the home, stressing its use in children's diet particularly. Mrs. Louise M. Campbell, state leader of home demonstration agents, will be in charge of the car and will be assisted by Miss Grace Holtrop and Miss Luella Wilber. Accompanying the train for part of the trip at least will be Miss Tessie Hoover, milk utilization specialist for the dairy department of the United States department of agriculture.

Lectures will be given at each stop, special literature will be distributed, and timely exhibits will be on display. Besides those showing the use of utensils, one exhibit will consist of wax models of foods prepared by artists in the dairy department at Washington, while another will be of rats prepared by the Smithsonian Institute.

That milk is extremely valuable as an article of diet for adults, and absolutely necessary for children will be emphasized. Its ease of preparation and the variety of ways in which it may be served will be shown.

## HARDING INVITES WORLD TO DISARM

WAY TO END FUTURE WARS IS POINTED OUT BY PRESIDENT TO WORLD POWERS

## WASHINGTON SCENE OF ACTION

Proposal Is Accepted, National Capital May Be Scene of New World Congress

Washington—President Harding has invited an armament reduction proposal to the great powers so broad in its scope that it constitutes a move toward a new order of world affairs. The state department has announced that the president has proposed a conference in Washington not only on the limitation of armaments, but on a settlement of the Pacific and far eastern problems.

If the proposal is accepted, Washington will be the scene of a new world congress rivaling in importance that of Paris in 1919.

The conference, as proposed by the president, would consider not only a settlement of the issues which might precipitate war between the United States and Japan, but a re-shaping of the policies and relations of all the nations bordering the Pacific ocean, upon which Mr. Harding deems a permanent reduction of armament largely dependent.

Out of this conference, it is held, may come a new international understanding on affairs in the Pacific and far east which will obviate any necessity of a renewal of the Anglo-Japanese alliance, a question now embarrassing the British government. So prominent is this possibility that the question is raised whether the British government has not already approved, if it did not originate, the suggestion that the far eastern and Pacific problems be considered by the conference on reduction of armament.

Out of the conference also may come President Harding's plan for an association of nations to preserve world peace and promote the Pacific adjudication of international disputes. Altogether, the step taken by the president is not only the most important since he assumed office, but one of the most important moves in the realm of foreign relations in the history of the republic.

## JEALOUSY CAUSE OF SHOOTING

Fireman Killed by Sweetheart Who Believes Him Unfaithful

Detroit—Edward Matowski, fireman at pugina house No. 22, on Michigan avenue, near Military, was shot and killed early Sunday morning by Louise Elzabeth Sniezek, 23 years old, his sweetheart, as he attempted to embrace her, according to police. They had been keeping company three years. The woman then turned the weapon on herself, the police say. Hospital authorities say she will recover.

"You have ruined me," Miss Sniezek is reported to have said. She then pulled the trigger. Jealousy was declared to be the motive.

## THREE APPLICANTS FOR EACH JOB

Federal Government to Relieve Situation by Opening Offices

Chicago—For every job open in Chicago, there are three applicants. In some lines of work the proportion is greater but this is the average announced by the general advisory board of the Illinois free employment service, which maintains 17 offices in 13 cities of the state.

The federal government has stepped in to no avail. It can no longer relieve the situation. It has divided the country into nine districts and opened employment offices in each district. The one of which Chicago is the center covers Illinois, Indiana, Ohio, Michigan and Wisconsin.

## PLANE CRASHES INTO AUTOS

Five Killed and 50 Injured by Explosion Which Follows

Moundsville, W. Va.—Five persons are known to have been killed and approximately 50 injured at Langlin field here late Sunday when a Martin bombing plane crashed into a group of automobiles parked on the grounds. An explosion followed, setting fire to the machines. The dead were all spectators. Lieutenant C. R. McIve, pilot, and Lieutenant T. H. Dunton, assistant pilot, were rescued by Carl Miller, coach of Bethany college.

## Coal Miners Return to Jobs.

London—There has been general resumption of work throughout the coal fields. Many pits, however, are in bad condition and some are likely to be closed permanently. Many thousands of workers will be idle while the mines are being placed in working order. The Board of Trade has announced immediate removal of the restrictions on export of coal and coke. Normal service is being resumed generally on the railways according to the announcement.

**Canada Refuses Jap Treaty.**  
London—Premier Meighen of Canada, who is attending the British imperial conference, threatens that Canada will proclaim herself outside of the Japanese treaty if it is renewed by Great Britain, says a sensational dispatch printed by the Manchester Guardian.

**Despondent Mother Kills Child.**  
Sooke, B.C.—Despondent over failing health, according to her statement to the police, Irene Weber shot and killed her daughter, 2 years old, while the child was asleep. She said she had intended to kill herself also, but just couldn't do it. She was held on a charge of murder.

**Passenger Repairs Damaged Ship.**  
Naples—During the voyage of the American steamer Pocahontas, which left New York May 23 and has just arrived here, the crew mended and would not make repairs to damaged machinery. A German passenger volunteered to repair the damage, thus enabling the steamer to reach Naples.

**Pay Homage to Unknown Poilu.**  
Paris—More than 500 visiting Rotary club delegates and their wives went to the grave of the unknown soldier in the Place d'Etoile and stood by silently, while Dr. Crawford Y. McCullough of Fort William, Ont., president of the International Rotarian organization, laid a wreath on the tomb.

**Hotel Fire Traps Two.**  
Good Ground, L. I.—Trapped in their rooms in the Cahoe Place inn, where John L. Sullivan trained for his fight with Corbett, Miss Florence Whittington, a maid, and Richard Heffernan, cashier, were burned to death when fire destroyed the hostelry. There were only three guests and they escaped without injury.

**Chokes 10-Year Old Girl.**  
Springfield, Ill.—Following his confession of killing Beatrice Kim, 10-year-old daughter of James Kencabi, a farmer residing near Winchester, Ill., Ed Mundy, 52, was brought to Springfield for safe keeping. Mundy said he choked the girl and placed her body in a water trough because she screamed when he attacked her.

**Eagle Blamed for Missing Pigs.**  
Morgantown, W. Va.—A huge black eagle, at least eight feet from tip to tip of wings, has been seen in the hills of Monongalia County along Cheat River. A number of young pigs have recently been reported missing in the section and a calf has likewise disappeared. It is believed that the eagle has carried them away to his lair on top of the mountains.

**Medal for Service to City.**  
Cleveland, O.—"For distinguished service to the city of Cleveland" that is the inscription on a bronze medal that will be awarded to Clevelanders, and possibly others, who render conspicuous service to the city of Cleveland. The board of directors of the Chamber of Commerce has announced that a Cleveland man who will not permit his name to be divulged has presented and endowed such a medal in perpetuity.

De Olivares, American consul here, was fined \$50 in police court by Magistrate Jelle May or Copples sent an apology to Mr. De Olivares. The consul had previously reported the affair to his government and he also forwarded the apology to Washington. The incident occurred on the evening of Dominion day.

**Report Health Conditions Satisfactory.**  
Lansing—Resort places in Southern Michigan show a decided improvement over last season in sanitary conditions, according to W. C. Hinn, assistant sanitary engineer of the Michigan Department of Health. He has just returned from an inspection tour of the more popular summer resort places which were surveyed last year by the state's traveling laboratory truck. His report described all the resorts as in "satisfactory condition."

**Airedale Saves Kitten's Life.**  
Gloucester, N. J.—Mrs. Bessie Hoppe has an airedale dog named "Jersey," which is going to receive a medal for saving the life of "Benny," a kitten which belongs to Mrs. Hoppe. The dog and kitten play together and the latter was lying in the center of the street when two autos approached. The dog grabbed the kitten and carried it to safety. Lieut. Henry L. Edwards, United States Navy, and others declare they are having a medal made for "Jersey."

## 22ND HOLD ANNUAL REUNION IN DETROIT.

Ten thousand former soldiers of Michigan and Wisconsin, members of the Thirty-second Division Veterans association, are expected in Detroit August 23, when the second annual reunion of the organization will begin. The meeting will continue three days.

The reunion is to be under civic auspices and elaborate plans already have been made for entertainment of the visitors, who will represent practically every county of the two states.

Last year's reunion, the first, took place in Milwaukee. It has been agreed that the annual meetings of the division shall be given in alternating years to Michigan and Wisconsin cities.

Alex. J. Groesbeck, governor of Michigan, has been named honorary chairman of the committee of citizens to plan the meeting here this year. Mayor James Couzens of Detroit is also a member of the committee.

One of the important features of the reunion will be city memorial services to be held especially for relatives of Red Arrow men who fell in battle. This next-of-kin service will be the first of its kind ever held in the country, according to officials in charge.

# To Water Users

We can now sprinkle without restrictions to the time of using water, but users are requested not to waste water in any way as we do not wish to prohibit sprinkling again. Please have all leaky faucets, etc., repaired and do not allow water to run to waste.

**GOOD FOR  
3 DAYS OF MUSIC**  
*Delivered free onto  
your front porch*

Mr. Edison offers \$10,000 in cash prizes. He wants a phrase which will distinguish the New Edison from all other sound-reproducing devices. This certificate entitles you to the loan of a New Edison and RE-CREATIONS for 3 days. Experiment with them in your own home. No charge or obligation. Folder of complete information free. Just sign and send this Certificate.
