## THE CHAUTAUQUA WAS VERY WELL ATTENDED

Northville's Chautauqua for 1921 closed Tuesday night after five afternoons and nights of delightful entertainment. Like all chautauquas and all other entertainment enterprises some programs were better than others. The local committee would like to have changed some of the numbers, and, doubtless, the management of the Chautauqua company would like to have done the same, but a contract is a contract and is not easily cancelled. The attendance throughout the five days was exceptionally good in spite of the hot weather of Friday and Saturday. During Saturday night's performance a delightful rain came and the heat wave was driven away.

The Junior Chautauqua was in charge of Miss Freeman and the children of the village had a merry time. Mr. Young, who is a teacher in the schools of Indianapolis, Ind., was superintendent and was a most agreeable gentleman.

The opening number was given by the Theodore Knox Concert Party, who were warmly greeted. The speaker for the evening was Allen Albert, who was sent to take the place of Robert S. Seeds, who was ill. Mr. Alberts gave one of the most unique and entertaining addresses delivered in Northville in a long time and all present were delighted with him. For the second day the Omar Wilson Singers, consisting of a male quartet, a soloist and a pianist, captured the audience as but few organizations of this kind have done. Louis Williams gave the lecture of the evening, his theme being "The Wonders of Electricity," and in spite of a number of interruptions on account of the storm he pleased his listeners, both old and young greatly.

The third day's program for the afternoon was the "weakest" one of the entire course, and the talent sent was a substitute for the Midgets, rambles Musicians, who "fell down" on the ground in Indiana. But what was missed in the afternoon was more than compensated for in the evening with the program given by the trio and the address by Dalton C. Crowl. Mr. Crowl's address was a masterpiece and for nearly two hours he held the closest attention of his audience. His theme was "The Spirit of Service." At the close of his address many declared it was worth the price of the entire course.

For Monday afternoon Mrs. Louie McIntire gave an address on "Kemping in China." In the evening "Poetry at the Circus" was given by a splendid company of players. On Tuesday afternoon the ladies gave their program, "The Cause of the Jelly" to the delight of all, while the Philippine Quartet finished the musical program for the afternoon. Dr. C. W. Wasson closed the program with a lecture on "The Secret of Power."

From a financial point of view the Chautauqua did not pay out and the twenty-seven signers of the contract will have to contribute about \$200 each to the fund to meet all expenses. Notwithstanding this fact, however, it was possible to secure the signatures of 11 of our citizens to a contract for next year, and more could have been secured. This will insure a Chautauqua for Northville next season.

## HENRY FORD WAS DEFEATED.

A fair sized crowd gathered at the Northville Fair grounds last Saturday afternoon to enjoy the race matinee arranged by the horsemen who have horses here for training. The big event of the day, of course, was the marquee race between Henry Ford and Harry W. The supporters of both these "nags" were very enthusiastic and were willing to back their favorite, with the result that considerable money changed hands during the afternoon. Henry Ford is an ungly brute when he takes a notion, and Saturday seemed to be the very day he had chosen to "show off." He acted badly in all the efforts that were made to get the two horses away from the wire and as a punishment for his bad conduct he was defeated by Harry W., who worked wonderfully well. The time for the two mile heat was about 2:24 and 2:25.

The free-for-all was captured easily by Trixie G. Laura Belle won the 2:25 pace and Verona C carried off the honors in the 2:25 trot.

The weather was hot but the crowd seemed to enjoy the meet greatly.

Henry Toussaint is building a very commodious residence on the north side.

## NORTHVILLE'S NEW MILL TO BE A MODEL ONE

Northville is soon to have one of the most modern and up-to-date flouring and feed mills in this section of the state and a large number of men are working hard every day putting on the finishing touches to the new building, installing machinery and getting things in readiness for operation. The building itself is practically completed except to paint the interior, but there is a lot of work yet to be done to get all the equipment in working order.

The new mill will be operated with electricity and a number of motors will be installed. A new 20th Century flouring mill—one of the latest and most improved types of mills known as the short system—has been purchased and is now being set up and made ready. There are three or four immense storage bins extending from the basement to the very roof of the building, having a capacity of 6,000 bushels of grain and from these bins are numerous "shutes" and "spouts" and elevators which will convey the grain from the cars to the huge bins. The shutes and spouts are being placed in convenient positions so the products of the mill can be handled and delivered to the consumer with very little running about. In fact the mill has been carefully planned to avoid all unnecessary steps and consequent loss of time and effort, because it is the desire of its builders to render a service to their customers which was never possible in the old mill.

The new mill, as we have said before, will be a distinct credit to Northville and the community it will serve.

## RECEIVES PICTURE OF SELF IN BATTLE.

Karl Bryan of this village was surprised the other day to get a photo of himself and three "other buddies" doing stretch work three years ago in France. Karl recalled the circumstances but had no recollection that there was any photographer in the vicinity. The picture was taken according to government report, on the first day of August, 1918.

The soldiers are four musicians, Howard Marsh of Pontiac, Russell (Babe) Manatee, Laverna Rukimbora of Mt. Pleasant, and Karl Bryan, Northville, of the 12th Infantry in the actual work of carrying wounded from the battle field near the village of Colsonville just north of Chateau Thierry during the big American drive to the Vesle river.

At the time the picture was snapped Bryan had been working about 20 hours a day and in intense heat they did machine gun fire. The picture was taken by the signal photographers of the 2nd division signal corps and is now a part of official records of the war department at Washington.

## NORTHVILLE WON AGAIN.

The Northville Foresters defeated the Faber team here on the grounds of Detroit last Saturday to 6, 3 and one of the most exciting ball games of the season. The Foresters were unable to score until the fifth inning but in the eighth they certainly earned home base by driving two pitchers from the mound and scoring 12 runs before the visiting manager, Long Tom Hughes formerly of the Washington Americans, took the box and stopped them.

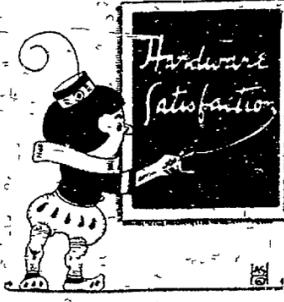

The features of the game were the hitting of Martin and Bulman, also the two "circus" catches of Martin in left field.

Next Sunday, August 7th, the Foresters take on the Wilson Melcos, one of the fastest semi-professional clubs in Detroit with a record of 22 victories in their last 12 games, including such teams as Windsor, Albion, Delray White Sox, and Ypsilanti Independents. The game ought to be a good one.

## TO ESTABLISH HOME FOR FEEBLE MINDS.

Options are being taken on farm lands in the southwest portion of this township upon which the county of Wayne will establish a home for feeble minded. It is proposed to secure upwards of 500 acres for the new institution and the purchase of sufficient land has been authorized by the board of supervisors. The establishment of the home will mean quite an extensive building program, because suitable cottages and buildings will have to be erected to care for those who are to become inmates of the institution.

This will make three public institutions established in this section by the county of Wayne.

Michigan News Tersely Told

Pontiac—Captain W. G. Meldrum, for 17 years in command of sailing vessels on the Great Lakes, is dead here, aged 66. He retired from the lakes a decade ago.

Lansing—The military hospital at Grayling will be opened soon by the state military commission, Fred Z. Pantling of Grand Rapids says. About 100 war patients can be housed.

Grand Rapids—Arthur W. Dodge, of New Haven, Conn., has been appointed by the board of education as instructor of foremen's classes in the vocational schools, at a yearly salary of \$3,500.

Albion—After an itinerant auctioneer, with a good hue of talk, fleeced a considerable number of Albion people with shoddy goods, the city council raised the daily fee for such sales from \$25 to \$35.

St. Johns—The first bonus check to reach St. Johns was received by Ryan De Pute and was for the sum of \$350. De Pute was in service 26 months, 21 of which were spent overseas with the 126th infantry, 32nd division.

Bay City—George Abdella, who shot and severely wounded Mrs. Fannie Dupree and then attempted to kill himself by shooting, drank an anesthetic solution in the hospital in another effort to end his life. He will live.

Muskegon—Work on the proposed Ravening-Conklin powerhouse is to be started immediately. Crocker creek will be harnessed and power and lighting current supplied, Havena and Conklin and surrounding territory.

Pontiac—Mrs. Olive Rasmussen, 25, of Royal Oak, drew a year in the Detroit house of correction for participating in the robbery of a Royal Oak home. Three men, all relatives of Mrs. Rasmussen, were also given sentences.

Alpena—Death has invaded the home of Mr. and Mrs. Orville Ropp, Hubbard's Lake, breaking the family circle of five children who were born within one year. Vera, one of the triplets born in April, died of whooping cough. Two twins are ill.

Ladington—While Mrs. Wilhoit Gray was standing at her bed, lightning struck her home, slashed her cow Ox fords as it with a knife, burned a hole in the pattern of one shoe and splintered the floor of the room, as if played by a hand. She was not injured.

Flint—That Furred Hizzon, recently acquitted in the State Supreme court of killing Lee Wilton, has a record of a letter threatening to leave the country, was announced by Sheriff Louis Vette of Genesee county.

Pontiac—These extra sessions of the state legislature are a joke," declared State Senator John W. Smith on his return from Lansing. Instead of the usual fireworks being expressed among members, the customary goodbye now is, "So long senator, see you next week."

Charlton—George McCornick and Clyde Willson of Bellevue have been held for trial in Circuit Court on a charge of violating the prohibition laws following a raid on Willson's home where officers are said to have found 25 gallons of liquor. McCornick lived at Willson's home.

Grand Rapids—Charles E. Unnary, Jr., manager of the Grand Rapids office of the Progressive Thrift League, is under arrest for alleged violation of the lottery law. The offices were closed on complaint of Charles Finkenstein, local tailor, who claims \$1,000 due in wages.

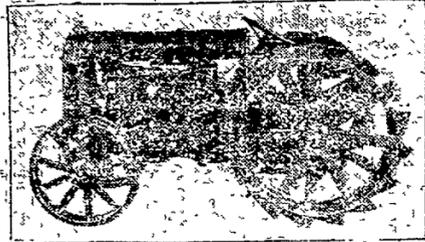

Lansing—Governor Grosbeck announced the following appointments to the commissions of the new department of public welfare: Welfare commission, H. S. Gray, Benton Harbor; hospital commission, Mrs. Robert Y. Org, Detroit; William J. Spears, Vassar; institutional commission, Dr. I. L. Polozker, Detroit; Harry W. Huston, Ladington.

Grand Rapids—County Treasurer Jesse Clark predicts that big financial transactions not only in Kent county but throughout the country for the next few years will be negotiated with bonds as the medium of exchange. He says he recently placed \$35,000 in county road bonds on sale. They were in \$100 and \$500 denominations. Nearly all were sold quickly.

Lansing—No longer are drivers of motor vehicles who are cited to appear for minor infractions of the state automobile law to show cause why their operating licenses should not be revoked and fail to appear—to escape with impunity. The state police, working under the direction of the new department of public safety, will be used to follow up unanswered complaints.

Muskegon—Four weeks ago George and Ethel O'Grady were in Circuit Court asking Judge Vanderwerp for an order restraining them from annoying each other. Judge Vanderwerp ordered that neither should speak in view of the fact that they are divorced. Now the two are married again, and Harry Smith, a boarder, who appeared as a star witness for Mrs. O'Grady in her divorce case and who was charged by O'Grady with stealing his wife's love, is in jail charged with failing to pay a bond set at \$250.

Fordson

The Fordson saves from thirty to fifty per cent of the farmer's time.

The Fordson plows, harrows, drills as much ground in the same time as from four to six horses. (Many farmers say it does the work of eight horses).

The Fordson does for the farmer just what machine power does for the manufacturer—it enables him to manufacture his products at less cost. And that is what the farmer wants to do; grow his crops more cheaply and make his margin of profit greater. And the Fordson will help him do it.

Let us prove this to you by a demonstration on your own farm. Just phone us or drop us a card.

NORTHVILLE, MICH., AUG. 5, 1921

OBITUARY—CHARLES JOHNSTON.

Charles Johnston, mention of whose death and burial was made last week, was born in Hampton, New Jersey, November 3rd, 1833. He was married November 25th, 1859, to Jane Albertson of Harmony, in his native state, and in 1865 they moved to Michigan, settling in Rochester, where they continued to reside until 1913, when they became residents of Northville.

Mr. Johnston served during the Civil war as a member of Co. I, 31st regiment of volunteers of New Jersey. During the last few years of his life he was an invalid and as the shadows came he was kindly cared for by his son and members of his family. He died at the home of his son, George H. Johnston, July 25th, at the age of 82 years, eight months and 13 days. The funeral services were held at the family home on Thursday, and were conducted by Rev. E. V. Belles of the Presbyterian church. Burial took place in Story Creek cemetery, near Rochester, under the auspices of the Masonic fraternity, with which organization he had been affiliated for years.

AUTOMOBILE CLUB NOTES.

For the convenience of automobile owners who wish their applications made for abstract of ownership of their cars Mr. Neal will be at the Record office every forenoon.

Congress is talking very strongly of enacting a law to get after the auto owner again. This time it is the same old idea of 40 or 50 cents per horse power tax. This will make an extra tax for each auto owner from \$18 for a Ford to \$24 for a Pierce-Arrow. In former years the American Automobile association has been able to defeat this bill but this time it looks like it was booked to pass. After a motorist pays for a driver's license, war tax on the purchase of his car, war tax on his spare tires, war tax on his fuel light, a state license, an abstract of title and then this new federal tax, he will have just a dollar and a half left to buy gas with.

The Automobile Blue Book Publishing company of Chicago had their road map and a new map call on to Northville Auto club on the 1st and 2nd of this month. This year's new publication would contain Northville, Michigan, and the states of Michigan, Ohio, Indiana, and Pennsylvania. It will be the best thing that Northville has ever had. It maps and routes trips shown by the book publishing house. It is very beautiful about the state of Michigan. The Northville Auto club and it will be of much value to this village as the way of bringing tourists here from other states.

A YOUNG LIFE ENDED.

The people of this community were greatly shocked this Friday morning when the news became known about the village that Mildred Elliott, daughter of Mr. and Mrs. W. H. Elliott, had died during the night. She was a learned of her illness which was of short duration. She had been ill a few days the week before but she was seen about the streets on Sunday and Monday. On Monday she was again taken ill and her condition grew gradually worse until death claimed her. She was afflicted with spinal meningitis and while those in attendance at her bedside realized the seriousness of her condition, they were not prepared for the final summons. Mildred was conscious to the very last and the death messenger gave no notice of his approach. The end came peacefully and the unfortunate girl fell asleep before she realized she was so near the border land.

When the news of her death became known, expressions of deepest sorrow were heard upon every hand. She was a bright and winsome child, and by her genial and happy manner had endeared herself to her school mates and acquaintances. She had often assisted in her father's store and she was always courteous and affable and won a large circle of friends. She was born in Northville September 13th, 1908, and had always resided here. She was in the seventh grade of our schools and would have entered the eighth grade this fall. Funeral services were held at the family home Sunday afternoon, being conducted by Rev. H. J. B. Marsh. Burial took place in Rural Hill cemetery. The floral tributes were numerous and beautiful, attesting to the esteem in which Mildred was held, and to the sincere sympathy extended to the bereaved parents and brother.

Five Sheriff's officers have in their custody the oldest alleged bootlegger ever arrested in Genesee county. He is Corbin Powers, aged 84, of Thetford township.

METHODIST CHURCH NOTES.

There will be usual services on Sunday. Morning worship at 10:00 a. m. Sunday school at 11:30. Evening service at 7:30 p. m.

BAPTIST CHURCH NOTES.

During the pastor's absence on vacation the following ministers will preach in the mornings at this church: Sunday, August 7, Rev. F. A. Barnett of Holly. Sunday, August 14, Rev. A. Longfield of Milford.

Sunday, August 21, Rev. Mr. Huey of Novi. Sunday, August 28, Rev. Mr. Huey of Novi.

There will be no evening services during August. The prayer meetings will be held as usual every Thursday evening. Sunday school every Sunday immediately after the morning service.

LOCAL COMPANY EXPANDING.

The Northville Chemical company has recently purchased three Ford runabouts, and has manned them with good salesmen who are driving throughout the country selling the popular and well known products made in Northville. This company has a very complete laboratory and they are building up a fine business in the sale of the various preparations. The company's products give universal satisfaction and as a result the volume of "repeat orders" is constantly on the increase.

FOR RED CROSS SEWING.

As announced last week a call has gone out for large quantities of garments for children and babies and the Red Cross chapters throughout the country are endeavoring to meet the demand. Northville chapter will strive to do its part in this great work. The following schedule has been prepared for next week.

- Monday at 2:00 o'clock: Mrs. John Knapp, Dunlap street; Mrs. E. A. Shafer, Dunlap street; Tuesday at 2:00 o'clock: Mrs. Wm. O'Donnell, Center street; Mrs. W. G. Edwards, Northside; Mrs. L. Dubaur, Main street; Wednesday at 2:00 o'clock: Mrs. Albert Vradenburg, Beadtown. Ladies are requested to bring their own needles and they are assured that the sewing required is very simple. It is expected that all will be able to sew every afternoon, but they are requested to select the time and place for a convenient.

FAIR NOTES.

Don't let the early frosts nip your hanging baskets and porch boxes. Sprinkle your plants for the best showing at world's winning. A new and attractive feature at this year's fair will be prize competitions for painting in oil and water colors, also pen sketches. There is a great deal of interest shown in this community.

LOCAL.

Mrs. M. Jackson of Detroit is spending a few days with her daughter Mrs. E. B. Gay.

The home hospital which has been closed for the past three weeks for alterations, is now open.

Mrs. George Neal of Orion, and another Mrs. Madison of daughter of Chicago visited Northville relatives and friends Wednesday.

The regular meeting of the St. E. Ladies Aid Society will be held at the home of Mrs. W. A. Parmenter on Tuesday afternoon next, the 9th.

Mrs. James Heaney gave a birthday dinner on Saturday, July 30th, in honor of her grand daughter, little Miss Helene Anne Heaney of Farmington, who was one year old on that date. Covers were laid for fourteen.

Spencer Heaney completed the two year course of instruction at M. C. Hayers' school of embalming in Detroit in June, and was granted an embalmers license as a result of the examination given by the State Board of Health at Lansing, June 6 and 7.

A recent letter from Mr. and Mrs. Hugh Clawson, formerly of Northville, but now of Culver City, Cal., states they are well and having the time of their lives. Mr. Clawson has more work than he can do and they are getting along just fine. Good for the Clawsons.

ODDFELLOWS TO HOLD ANNUAL PICNIC.

Elaborate preparations are being made by officials of the Oakland County Odd Fellows' association for an outing and meeting to be held at Taylor's pavilion, Walled Lake, August 27. It was announced here Monday by P. L. Ream of Milford president of the association.

Among the speakers of the day will be Grand Master Crampton of Lapeer; Grand Secretary Rogers of Lansing; and Henry Harpstr of Postiac.

Over 2,000 Odd Fellows from all parts of Oakland county are expected to attend, and to participate in the sports program, which will include baseball, pig-race, etc. No charge will be made for anything at the picnic, according to Ream—Pontiac Press.

## ...Liquid Veneer Mop Polish...

### Goes Twice As Far

We want you to know about that wonderful new article, **Liquid Veneer Mop Polish**, just being introduced by the Liquid Veneer people.

It is especially made for renewing Dusting Mops and not only does it do the work wonderfully well, but it really goes **Twice as Far**. No matter what kind of an oil or dust mop you have, just try Liquid Veneer Mop Polish and you will marvel at the results.

This remarkable new polish, while primarily intended for floors, is just as wonderfully effective on pianos, furniture and woodwork, cleaning and polishing at the same time. Requires no shaking and is easily applied with a cloth.

Won't you please favor us with a call and let us tell you more about Liquid Veneer. We shall also be pleased to supply you with anything you may need in Hardware.

### TWENTY-FIVE YEARS AGO

Jenna taken from The Record file of 1896, for the week corresponding to this week.

Miss Irene Cook is visiting at Grand Blanc.

Pur Everett is building a new barn 34x68 feet.

Charles Thurston is visiting friends in Manistee and Clare.

Miss Carrie Steers is camping on Lake Erie with friends.

Miss Leona Sapiro from Detroit, is spending her vacation at home.

Harry Germau is entertaining his cousin, Miss Blanchard, this week.

Robert Pickle left Monday for a week's visit in Leamington, Ontario.

Mrs. Wolfe and daughter are visiting at Frank Macomber's this week.

Miss May Buzzell is visiting relatives in Holly, Grand Blanc and Flint.

Miss Agnes Sivert returned from Orosso Wednesday, accompanied by D. J. Gray and family.

Mrs. G. V. Triphagen returned to her home Monday after visiting her son, Grant Power for a week.

Mrs. W. G. Jerome and mother of Rochester, N. Y., visited at the C. C. Chadwick-home part of this week.

Edwin Neal was in Grand Rapids all this week so Prof. Bliss engineered the local news for this issue.

Orr Webster, who is engaged in the laundry business at Geneva, O., is playing ball with the club in that city.

Jennie Thornton, Zoe Little, and Clara Johnson were entertained by Dottie Leonard at Walled Lake, Tuesday.

In the recent state pharmaceutical examination, Ralph Horton stood third among eighty applicants for diplomas.

He has since accepted a good position at Belding.

Mrs. Jasper Elliott, after a brief illness, died at her home in this village Monday. The deceased leaves a husband and three children, Lute, Mrs. A. W. Miller and Lottie.

Judson Eanning obtained the contract from the government for the two fish hatchery buildings, underbidding 44 competitors. According to the terms of the contract he is to receive \$3,500 for the entire job and the buildings must be completed within ninety days.

In the recent flood, nearly 6,000 feet of lumber belonging about equally to the J. A. Dubuay Lbr. Co., C. L. Dubuay Lumber Co., and the Globe Co. was deposited on the farm of D. H. Northrop. Mr. Northrop collected the lumber and claims to have the right of possession.

Miss Jessie Ely entertained about sixteen of her friends Friday evening in the form of a "cup web" party in honor of her friend Miss Paula Jenner of Detroit. The distributing of the web resulted in the award of the ladies' prize to Jennie Barley and the gentlemen's to Robt. Cannon, while Nellie Inglin received the "booby" prize.

Early last Sunday morning, the first clothing house was entered by burglars. The thieves, mistaking the window, first entered Mr. Whipple's harness shop, and took a valise in an old macintosh. After getting in the clothing house, the burglars proceeded to light matches and help themselves to clothing. Part of four suits and two large valises were taken, and two old suits were left behind. Mr. Brooks recognized one of these suits as that worn by a stranger who made a purchase in his store Saturday evening. No trace of the thieves has ever been found.

### FARMINGTON 10 HAVE CHILDREN'S HOME.

Everitt Winters, Detroit, builder, Friday afternoon was awarded the contract for erection of the new Michigan Methodist Children's home by the building committee of the organization. The contract price is \$40,000, and construction work started Monday morning.

The new building, which is to be the first unit of a social service center, of eight units, to cost it, is estimated around half a million dollars, will be of brick and cut stone, and will contain on the first floor an office, living room, reception hall and dining room. On the second floor there will be two dormitories for 24 children, and quarters for the superintendent and her assistant. The third floor will be devoted to storage rooms, and the basement will contain the heating and plumbing plants, and a play room large enough for all the children.

The building is to be erected on the Landon farm just west of Farmington on Grand River. From the highest point of this property, which has been named Henderson Height, in honor of Bishop Theodore S. Henderson, of Detroit, the skyscrapers of Detroit, 20 miles southeast, are visible. The administration building, it is proposed, will be erected on this height.

### Kalamazoo—The annual state convention of the American Legion, which was to have been held here on the Marine Hotel, September 4-7, has been postponed until September 19-24.

### WAYNE'S ASSESSMENT GREATLY INCREASED.

An increase of more than two billion dollars in the property valuation of the state for this year, as compared to the valuation in 1919, was recommended to the state board of equalization by the state tax commission Monday. The commission placed the total valuation at \$8,706,421,000. Two years ago it was equalized at \$4,500,000,000. The board of equalization heard the report and adjourned until August 15, to give counties time in which to file appeals.

If the recommendation of the commission is accepted nearly one-half of the increase will be placed on the Wayne county assessment rolls. In 1919 Wayne's valuation was \$1,244,556,000. In the suggested 1921 valuation it is \$2,734,000,000.

Oakland county's assessment was boosted to \$297,338,000, as compared with \$139,613,081 placed by the board of supervisors in June. Oakland county officials will fight the increase.

Detroit—In preparation for the annual Michigan State Fair, here September 2 to 11, permanent improvements are being made at the fair grounds at an estimated cost of \$140,000. A new barn for horses is being erected and the old barns are being converted into cattle sheds. A new and improved sewer system is being installed for the entire grounds.

### Ingalls on Death and Life.

Every man is the center of a circle whose fatal circumference he cannot pass. Within its narrow confines he is potential, beyond it he perishes; and if immortality is a splendid but desperate dream, if the incompleteness of every career, even the longest and most fortunate, be not supplemented and perfected after its termination here, then he who dreads to die should fear to live, for life is a tragedy more terrible and inexplicable than death. —John James Ingalls.

Nothing Doing in That Line. I asked Bobbie to take care of his little sister while I went on an errand. He obeyed grudgingly, saving just loud enough to be heard: "Huh, who ever heard of a he nurse?" —Exchange.

THAT'S OUR IDEA in making CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarette aftertaste.

Camels are made for men who think for themselves.

## Week's News in Brief

**Cannot Account for Suicide.**  
New York.—James Brehm, of East Orange, N. J., receiving teller of the Public National bank, shot himself while in the bank's vault and died in a hospital. Bank officials said his accounts were in order.

**Start Long Trip in Boat.**  
Halifax, N. S.—Bound for Vancouver by way of the Panama Canal, Capt. J. T. Day, Harry Ingitts and J. H. Morrison got off from here in a 15-foot boat. Their only motive power will be a small sail, 10 and oars.

**Asks \$125,000,000 for Board.**  
Washington.—Chairman Leaker of the shipping board asked the house appropriations committee for an immediate \$125,000,000 appropriation to meet expenses during the next five months. No action was taken.

**Rescued After 12 Days Adrift.**  
Rockland, Maine.—After being adrift 12 days in a disabled motor boat, A. E. Tunning of Nantucket, Mass., was rescued by fishermen off the Island of Metinic, 20 miles from here. He was much exhausted and nearly starved.

**Baylis For State Dry Chief.**  
Washington.—It is learned from authoritative sources that Joe Baylis, former sheriff of Sault Ste. Marie, is being seriously considered for an appointment as prohibition enforcement officer of Michigan. The appointment will be forthcoming in a few days.

**65 Survive Mother, 82.**  
Paris, Ky.—Mrs. America J. Anderson, 82, who died at her home near here, is survived by 65 children, as follows: Two great-grandchildren, three great-grandchildren, 42 grandchildren and 13 children. She lived in Campbell county all her life.

**Commerce Tribunal Controls Bank.**  
Paris.—The Banque Industrielle de Chine, which recently filed a petition in liquidation, has been placed temporarily under the judicial administration of a tribunal of commerce. This action was taken at the bank's own request following a meeting of stockholders.

**Simpson, Commando Hawaiian Zone.**  
Washington.—Detail of Rear Admiral Edward Simpson to be commander of the Fourteenth Naval District, comprising the Hawaiian Islands, is announced by the Navy Department. He will relieve Vice Admiral W. R. Shoemaker, recently made second in command of the Pacific Fleet.

**Animals Treated With Radium.**  
New York.—Animals as well as humans, now are being treated with radium for in-fluence under Dr. George W. Little, surgeon at the animal hospital of the Society for Prevention of Cruelty to Animals, said that interesting results had been obtained with radium in treatment of horses, dogs and cats.

**Despondent Over Wife's Absence.**  
Havre Creek.—Robert White, despondent because his wife left town with a carnival company and refuses to come home took car to the road and is now at Nichols hospital with small hope for recovery. Friends say Mrs. White had expressed a willingness to come back after the carnival season ends, but prefers the gay life to summer at home.

**"Fresh" Eggs Come As Chicks.**  
Grand Rapids.—Six baby chicks chirped and then stepped out of a crate of eggs at DeGroot's bakery. The eggs marked "fresh" sold to the bakery by a farmer who had supplied the baker for many years. It is believed that the temperature in the rooms in which the eggs were kept at the farm and at the bakery served as an incubator.

**Consider Tax on Autos.**  
Washington.—A Federal license tax on all automobiles is being considered by the House Ways and Means Committee in its revision of revenue laws. The proposal also has been submitted to President Harding. Tax rates of \$5, \$10 and \$15 a car have been suggested. It is estimated that there are 10,000,000 passenger carrying automobiles in the country.

**No Market? Think of It.**  
New York.—Twenty quarts of whisky—no value? Think of it! This was the way appraisers of the estate of Constant M. Bird, former president of the Manhattan Savings Institution, put down the item in the list of property. No market? Think of it! The appraisers said there was no market for it, and thus its intrinsic worth could not be appraised. No market? Think of it!

**Some Salesman, This Office!**  
New York.—Wall Street is telling about Frank Robertson, attorney-general of Mississippi, who wanted to sell \$1,000,000 state bonds, for a tuberculosis sanatorium, at par with 5% per cent. Bankers felt the terms were too low. Mr. Robertson went to life insurance companies and argued that it would be good business for them to invest in the bonds which would help promote the lives of policy holders. He sold them the bonds and the sanatorium will be built.

## Novi News.

Mrs. W. D. Flint was in Ann Arbor last week to have dental work done. Mrs. O. D. Lyon and little son, have returned to their home in Port Huron.

W. D. Flint went to a Detroit hospital recently for the removal of his tonsils.

Mr. and Mrs. Ross Kenner visited their sisters Mrs. Fred Briggs in Detroit one day last week.

Remember the township school election held Monday, August 5th.

Mr. and Mrs. Frank Clark are camping this week at a lake near Jackson.

Mr. and Mrs. Haber, Bourn of Detroit spent Sunday with the former's parents.

Mrs. Ed Bellanap returned last week from her visit in the northern part of the state.

Mr. and Mrs. J. O. Munio and children and Var Allen visited their uncle in Howell Tuesday.

Mrs. Alva Brown of Detroit spent Sunday at the home of her parents Mr. and Mrs. J. S. Green.

Mr. and Mrs. J. D. Foy returned to Kalamazoo last Saturday and spent Sunday with the latter's sister and husband.

Mr. and Mrs. Herbert Bond with and son of Midland, Mr. and Mrs. Sulas Hart and children of Detroit were Sunday callers at the Beckwith home.

Mr. and Mrs. Eugene Hoy and Miss Roxana Risner left Monday for Lake Odessa, also joining the State Horticultural pikers at Grand Rapids and attended the mid-summer meeting. They expect to attend the Grange picnic at Phil Friday.

Mr. and Mrs. Luther Lapham and baby daughter of Northville visited Mrs. Eliza Nichols Tuesday evening.

J. Russell Thompson and a friend of Grand Rapids called on the former's aunt Mrs. Lizzie Conroy Sunday. On their way to Detroit Sunday morning they witnessed a terrible accident when an automobile containing two young women and two young men collided with a street car throwing all of the occupants off the two wheels being thrown through the wind shield and injuring them badly. It was necessary to rush them to a hospital. Both young women were injured also.

Mr. Thompson being near his home in the city of the young men, the most interesting of all was a young sailor just returned from overseas and accompanied with loads of money.

The only explanation any of the party could give was that the brakes and gear of their car failed to work, thus the drive being unable to control the machine which was nearly demolished.

**NEW COUNTY CLUB LEADER.**  
It is proposed by the Executive committee to keep every branch of the Farm Bureau work in Wayne county functioning on all points, although there may be an occasional hitch in the program. The new leader in "Boys and Girls" club work is L. V. Ross, a graduate of the M. A. C., who took hold right where Mr. Boman quit without any loss of motion.

Mr. Ross is getting around among the club workers and keeping all projects started under way. He made the trip to the college with the county champions and, although a stranger to the boys and girls well understand that he was their friend as well as adviser from the start. Mr. Ross will meet the F. B. members as he gets around, as well as the club workers, and the executive board desires that he be given the heartiest of support and assistance.—Dearborn Press.

Salem.—Mr. Brokaw, an old and respected citizen of West Salem for many years, but recently residing with his daughter, Mrs. Edwin Smith of Ann Arbor, passed away at the home of his son, Nate, Sunday night, July 24th.

Guarantee All for the Best.  
We grow tired, and long for some shorter and easier way "home." But there is nothing for us but the steady, patient trudging of the path day after day. And doubtless at the end we shall see there was not one step too many or too hard.

## WHY NOT YOU?

We have been selling a number of Dodge Brothers' Motor Vehicles during the past few weeks—you have doubtless seen them rolling down the street, smoothly and noiselessly.

These cars represent the very best in workmanship, design and material and we have yet to learn of a Dodge owner who is not perfectly satisfied with his purchase.

We shall be glad to place your name on our list of those who desire to purchase a new Dodge, and to make delivery as soon as possible. Ask your neighbors who are driving Dodge cars what they think of them—of their power, or their stability, of their roading qualities. We shall be glad to have you tell what they say about them.

Tires, Tubes, Gasoline, Oils.

Remember we are at your service whenever you need help with your motor or your car. We strive to serve our customers quickly, but our first thought is to serve them well.
