TO SUBMIT SEWER PROPOSITION TO VOTERS

At a meeting of the village council Monday night, the matter of providing an adequate sewer system for Northville was given additional momentum when a motion was offered and carried to submit the proposition of bonding the village in the sum of \$90,000 to the people of this village for some years, with the result that people are pretty well convinced of the necessity and desirability of having a system adequate to meet the needs of the community. Plans and specifications were prepared some years ago and the matter has been kept alive with the passing of the years. The plans and specification and estimates of costs as formerly prepared have been brought up-to-date to meet present day conditions as to labor and material costs; Detroit engineers having been engaged in this work for some months past.

A special election will, doubtless, be held this fall to give the people an opportunity of expressing themselves relative to the proposition.

A GOOD WOMAN GONE TO HER REWARD.

Mrs. Shannon, wife of Rev. W. H. Shannon, pastor of the Plymouth Congregational church in Lansing, died at her home in that city last Saturday morning after a long illness. She was 62 years of age and for several main years was a resident of Sault Ste. Marie where she was united in marriage to Mr. Shannon. She was the daughter of the late Mr. Susie Gorton, who died two years ago this fall at her home in Northville. Funeral services were held at Lansing on Tuesday afternoon and the remains were brought to Rural Hill cemetery for interment. A large company of old friends and acquaintances gathered about the grave to pay their tribute of respect.

Mrs. Shannon was a woman of many Christian graces and her life was a benediction to all who came under its influence. She is survived by her husband, four step-children and one brother, Tracy Gorton, of Detroit.

LOCAL FIRMS BUSINESS EXPANDING.

But few of our people realize how extensive are the doings of one of our local manufacturing institutions. As an instance of the broad field covered the Globe Furniture company received seven church seating orders last year and they were from five different cities. They have recently made statements of church pews to Louis, Calif., Kansas, Illinois, New Jersey and New Hampshire. The quality of material used and the solid workmanship put upon the products of the Globe factory have won an enviable reputation throughout the country.

PIPER-HANOVER.

Married in Rev. Coleman at the home of the bride's mother, Mrs. J. S. Hall over 235 Avalon Ave., in Highland Park, Miss Doris Haddock to Mr. Albert Pierce on Monday September 12th. The attendants were Miss Bertha Wagstaff and Mr. Jesse Brandell. Little Miss Bernice Clark, daughter of Mr. and Mrs. Roy Clark of this place, was ring bearer.

Mr. and Mrs. Pierce will make their home in Detroit.

The bride is well known here, having formerly resided in Northville for a number of years.

TO BE BURNED WITH MILITARY HONORS.

The remains of Private Lloyd H. Green the first Northville soldier to pay the supreme sacrifice overseas, will arrive in Northville Friday and the funeral services will be held Sunday afternoon. Members of the American Legion will attend in a body. The local Post was named after Private Green, a custom that was universally followed, and his comrades desire that the funeral services shall be impressive and appropriate.

Born to Mr. and Mrs. Roy Cramer, an eight-pound baby girl on Thursday, September 5th. The young lady's name is Maxine Louise.

C. H. Neilson, manager of the Brennan, Fitzgerald & Sons Jersey farm, is

feeling pretty happy over his success at the State Fair last week. His herd of Jersey cattle won championship on bull, two second championships, ten first premiums, three seconds, three thirds and one fourth. He exhibited eleven head in all. Mr. Neilson will bring this prize-winning herd to the Northville Fair.

SCOTT H. DUNHAM BURIED AT NOVI

Another of the young men of this community, who paid the supreme sacrifice in the great World War has been laid to rest in the community which delights to honor his memory. The remains of Scott Harrison Dunham were received in Northville Friday night and taken to the home of Mr. and Mrs. J. D. Hazen in Novi township. On Sunday morning they were conveyed to the Novi cemetery where they were buried with military honors, members of the American Legion Posts of Pontiac and Northville gathering about the grave to pay their tribute to their departed comrade. Rev. Huey made a few remarks and offered an earnest and eloquent prayer.

Scott Harrison Dunham was born in Novi October 25th 1892, and was a graduate of the Northville High school. He was called into military service September, 1917, and spent one month at Camp Custer and three months at Camp Meade, Maryland. In February, 1918, he went with the Thirty-Second division over seas, his company being the 126th Infantry.

He was in the hospital a short time after arriving in France and after his release he was sent through France buying horses for the U.S. Cavalry and was called to the trenches later where he had the experience of going over the top three times before being called into the dangerous work of bearing the messes to the front line during a heavy barrage from the east. This ended the war on November 11th, 1918.

Scott leaves a brother, Eddie, a sister and two brothers who now share his home, was bad debt for his father in the electric company.

1000 MILES GUARANTEE.

A quiet wedding took place on Wednesday evening September 14th at the home of the bride's mother, Mrs. J. S. Hall over 235 Avalon Ave., in Highland Park, Miss Doris Haddock to Mr. Albert Pierce on Monday September 12th. The attendants were Miss Bertha Wagstaff and Mr. Jesse Brandell. Little Miss Bernice Clark, daughter of Mr. and Mrs. Roy Clark of this place, was ring bearer.

Mr. and Mrs. Pierce will make their home in Detroit.

The bride is well known here, having formerly resided in Northville for a number of years.

NORTHVILLE HORSE WON IN MANY EVENTS.

At the State Fair at Detroit last week Miss Geraldine Young, daughter of Mr. and Mrs. C. H. Young, of Chastain Farms, had her handsome riding horse, Linda B. entered in seven events and she captured six of the purses offered in the seven classes. The smallest number of entries in the riding classes was 12 and the largest was 24, and Linda B. was "inside" the money more than any horse entered. She won three seconds, two thirds and one fourth prize. Geraldine made a fine appearance on her mount and won a great deal of applause.

NO BALL GAME SUNDAY.

On account of the funeral of Lloyd H. Green there will be no ball game, the game with Strathmore having been postponed.

CLUB BOYS' COP HIGH STATE FAIR HONORS

Youth triumphed at the recent Detroit State Fair when members of Boys and Girls' club livestock teams won high honors in the open classes of exhibits.

Competing against the best field of livestock ever entered at the annual state exposition, Michigan youngsters made the judges sit up and take notice of the fine stock they were showing.

First prize senior bull calf, and champion junior bull calf (Holstein) fell to the Lenawee County Boys' and Girls' club, as well as fourth place with senior yearling. Eaton county boys pulled down first and second awards with Berkshire sows under

six months, reserve grand champion junior Berkshire sow, third prize

Poland China sow under six months,

and other notable places. Hillsdale

county youngsters also cut into the

prize money, taking first in the

Poland China class under six months,

fourth with Chester Whites under six months, etc.

All these winnings were made in open competition with the best breeders of Michigan, as well as entries from outside states, and indicate that the boys and girls are handling fine stock as is to be found.

Livestock clubs are scattered throughout all the counties of Michigan, under the direction of R. A. Truner, state leader of Boys' and Girls' club work, which

is the junior extension division of the Michigan Agricultural college.

Camels are made for Men who Think for Themselves

Such folks know real quality—and DEMAND it. They prefer Camels because Camels give them the smoothest, mellowest smoke they can buy—because they love the mild, rich flavor of choicest tobaccos, perfectly blended—and because Camels leave NO CIGARETTE AFTERTASTE.

Like every man who does his own thinking, you want fine tobacco in your cigarettes. You'll find it in Camels.

And, mind you, no flashy package just for show. No extra wrappers! No costly frills! These things don't improve the smoke any more than premiums or coupons.

But QUALITY! Listen! That's CAMELS!

NORTHVILLE MICH. SEPT. 18, 1921

LUMPIE WAS INFALL.

Among the many ball teams that have visited the local grounds this season, the Forresters' team has gained the reputation of being composed of good clean ball players—ladies that play fair for me for the sake of the sport, more than for the sake of winning by fair means or foul. The home team's sense of fairness was put to a severe test last Sunday afternoon when they journeyed over to Chelsea for a return game. It was the team of that village. The Forresters were accompanied by a large delegation of rooters from Northville and the game would have been an enjoyable one but for the unfairness of the umpire who officiated for Chelsea. His decisions were so unfair and unjust that the home team left the grounds in their half of the fifth inning with the score in their favor 3 to 1. The management of the Northville team entered its protest, but to no avail, and finally the home team walked off the field and the visitors accompanied them. Eugene Hayes was the chap who inspired the game and if he ever knew anything about the game he had evidently had a lapse of memory. Certainly his decisions were a disgrace to his team and his town.

ONCE UPON A TIME

On a moonlit night there was a man who went to the place of swamps, up where he heard the birds sing for ever he would say to his wife, "Go you to church and I will pray for you and for me, and I may dream that both he and his wife were dead and that they knocked together at May's gate entrance, but the soul of the wife suffered the wife to enter, but kept the husband out alone." She going in, for herself said she also, "Servants at the Presbyterian Church Spadra at 10:30 a.m. and 6 p.m. Sunday school at 12 noon. Preacher meeting Thursday evening at 7:30.

GAVE A WONDERFUL CONCERT.

Twenty years ago this season there was established a store in Detroit by J. L. Hudson. It was not a large establishment, as stores are judged at present, but the founder established his business upon the sound foundation of fact and fair dealing. The business grew and expanded, as all enterprises do, until it was established, and as the years passed the vision of Detroit's greatest merchant became a reality. Large buildings were required to care for the larger stocks displayed, but the piles of stock and stores and extent, and the racks upon stacks of merchandise displayed never fully revealed the secret of the merchant's success who had founded for the business.

It is through the great musical organizations which bear the name of the J. L. Hudson company, are reflected the great heart and soul of the master mind who conceived one of America's greatest mercantile establishments. These splendid organizations gave a wonderful concert in this village Wednesday night, appearing under the auspices of Northville Lodge F. & A. M. The artists came in a splendid car, and were served supper in the Masonic hall by a committee composed of Northville's best caterers. The Alseum theatre was filled and every one in the large audience thoroughly enjoyed the program given.

LET YOUR NICE BIRDS AND GOOD TASTE DRESS YOU CP.

COUNTY ROAD WORK MAKES NEW RECORD.

Wayne County is continuing its fine record for road building which was established during the early months of spring and summer, according to Edward N. Hines, chairman of the Board of County Road Commissioners. In August Mr. Hines says, the commission established a new record for roadway, having laid 111,152 square yards of concrete pavement, more than was ever constructed in any previous month in the history of the commission. This is equal to 10½ miles of paving, 18 feet in width. In actual miles this amount has not been laid, due to the fact that much of the new road construction is 20 feet in width and more.

During the present season, up to and including September 1, the county has laid 400,572 square yards of concrete, which equals 38.33 miles of 18-foot paving. The county's work will be completed by October 15, at that time everything the county planned for 1921 will have been completed, Mr. Hines states—Detroit News.

CO-OP NEW APPRAISAL OF D. U. R. LINES.

Expectation on the part of the D. U. R. Railway of an early appraisal of its properties at the bar, of the Michigan Utilities commission, and relief from the oppressive condition of a half a mile rate now in effect, on its various lines, received a severe setback Friday. The utilities commission refused to accept the Cooly appraisal of the D. U. R. which is now on file and indicated it would make a complete new appraisal which would take at least six months.

It is suggested to the commission of the D. U. R. that it take the appraisal made by Prof. Cooley in 1915, which has since been brought to date with a supplementary appraisal. The utilities commission, however, indicates it would be valuable in assisting them in making a new one.

The commission ordered a new appraisal made and it is expected engineers will begin work on it soon. Under the Glaspie rate act the D. U. R. is permitted to charge not to exceed a cent and a half a mile for transportation over its lines until such time as the state commission can fix a new rate based on its appraisal.

An injunction or the original court circuit court restrains the railway from collecting a higher fare.

At the conference held in Lansing Friday, the D. U. R. was represented by Alex Dow, a member of the board of directors and Attorney Elliott G. Stevenson. The suggestion that the Cooley appraisal be taken, it was stated, was merely a suggestion intended to expedite the fixing of a permanent rate of fare.
