## CONVENTION CLOSED FRIDAY FORENOON

As The Record went to press last week the delegates and officers, who were our guests at the annual convention of the Michigan Branch of the King's Daughters were enjoying an auto ride about the country surrounding Northville and about fifty cars were required to convey all who desired to make the sight-seeing journey. The members of the Northville Auto club very kindly made this feature of the convention possible and all were very grateful for the courtesy shown.

Thursday forenoon's session was given, over largely to the reports of the various officers and committees. Rev. E. V. Belles conducted the devotionals. A silver collection was taken and \$55.00 was realized for the fund to purchase delicacies for the children at the U. of M. hospitals. The reports submitted indicated that 41 of the 78 circles of the state were represented, and that a total of \$55,000 was raised during the year and that \$43,000 was expended.

The 78 circles have a membership of 3,200. It was voted to continue the Bay View scholarship and to contribute \$150.00 toward the expense of engaging a teacher for the children confined in the U. of M. hospitals. An effort will be made to raise \$1,500 for the purpose. There are 17 active Junior circles.

The convention was late in getting started Thursday afternoon. Miss Worthy of Detroit conducted the devotional service and this was followed by the president's message by Mrs. D. H. Hunt. At the conclusion of Mrs. Hunt's remarks, she was presented with a handsome bouquet by Mr. Ed. Sessions in behalf of the local circle. Mrs. Charles Witte of Detroit, gave a vocal solo and kindly responded to the hearty encore given. Miss Anna E. Bettys of the Pontiac Social Service bureau, gave an interesting talk on the subject of the relation of The King's Daughters to public health, and Mrs. W. E. Grant of Detroit gave an interesting address upon the relation of The King's Daughters to the church, in which she urged a hearty cooperation between the church and the churches of the communities in which they are located. Miss Eva Schaefer rendered a piano solo and then followed the closing prayer.

The election of officers was the next order of business and the ballot resulted in the election of the following:

President—Mrs. D. H. Hunt, St. Louis

Vice-President—Mr. Thomas Gunn, East Lansing

Recording Secretary—Mrs. Siegraves Thompson, Owosso

Corresponding Secretary—Mrs. A. J. MacDonald, Jackson

Custodian Hospital Supplies—Mrs. Charles Webb, Ann Arbor

Treasurer—Mrs. W. B. Hogue, Detroit

Executive Board—Mrs. Ed. Sessions, Northville, Mrs. Charles Witte, Detroit

Delegates to National Convention—Mrs. McClure, Mrs. Reid, Mrs. Forman, Mrs. Izor, Mrs. Darling

Thursday evening's session was opened with a duet by Mrs. A. E. Stanley and Karl Bryan, the devotionals which followed being conducted by Mrs. J. N. Lewis of Detroit. Mrs. Harry Blake rendered a violin solo and was compelled to play a second number. Capt. Denison of the Detroit House of Correction Farm, gave an interesting address in which he told of the aims and plans of the institution, with reference to the treatment of prisoners. He said his idea was to give every man sent to the institution a fair deal, three good meals a day and to place them upon their honor. In his estimate of men he said he sometimes made mistakes, but not often did they abuse the confidence placed in them. Miss June Atkins gave a vocal solo and very kindly sang a second selection in response to the hearty encore given.

Mrs. J. N. Lewis of Detroit, the guest of the convention, gave a most appealing and inspiring address, taking for her subject "Themes," music, art, poetry, human lives, in which she brought forth the thought of the value of harmony. Mrs. J. N. Lewis of Detroit, conducted the memorial service in honor of those who had passed over the river since the last convention.

Mrs. John Tinham presided at the organ and during Mrs. Lewis' remarks rendered very softly "Lead Kindly Light" and at the close of the service Mrs. Witte sang "Home, Sweet Home."

Friday morning session was opened

with devotionals by Mrs. A. J. McDonald of Jackson, and then followed a number of reports. Miss Avis Brown played a piano solo and invitacitas for the next convention were then extended. Flint and Woodmere Circle of Detroit asked for the honor of entertaining the convention next year and it was voted to accept the invitation of the Woodmere ladies, as next year will mark the 25th anniversary of the circle. The committee on resolutions presented the following which was unanimously adopted:

WHEAREAS, The 23rd annual convention of the Michigan Branch of the International Order of King's Daughters and Sons was held in the Presbyterian church at Northville, October, 19, 20, 21, be it

## DETROIT THEATRES

An event for which the theatrical world has waited for the last few years is the return to the legitimate stage of Madame Petrova. This event is now at hand. The international, celebrated star will be presented by the Seywys in "The White Peacock," a romance of modern Spain, for a limited engagement of one week beginning on Sunday night at the Shubert-McLagan theatre, Detroit, with matinees on Wednesday and Saturday.

Madame Petrova turned away from the dramatic stage, after her successful tour in "Panthea," to seek new triumphs upon the silver sheet. This venture was successful beyond her fondest dreams, but she is delighted nevertheless to return to the field in which she laid the foundation of her international fame. She returns with a play fulfilling her own ideas—an entertainment with romantic flavor, but embodying the modern spirit. For Madame Petrova believes woman fully capable of working out her own destiny; and this is exactly what the heroine of "The White Peacock" does.

Mr. Leo Ditzstein, debonair and dapper, playing the part of a fashionable and resplendently wicked Parisian, opens Sunday night, October 20th, a week's engagement with matinees on Wednesday and Saturday at the Carrick theatre, Detroit, under the direction of Mr. Lee Shubert.

The young man was rushed to the City hospital here by hunters who found him.

Coopersville.—Jacob Soulard, 36, was instantly killed when he is believed to have fallen or was hurled beneath his moving tractor on the highway about one mile south of this village. Neighbors who found his body lying in the road and the tractor going rideless down the road, believe he must have gotten off the machine to repair something on it while it was still in motion, and perhaps tripped, falling beneath the drive wheel which passed over his head. The coroner from Grand Rapids was summoned.

Lansing.—The United Engine Co. of Lansing has arranged to take over the American interests of the Aktiebolaget Pump Separator Co., a Stockholm, Sweden corporation, it was announced here by C. L. Sprinkle, president of the local concern. The deal entails the transfer of properties and accounts valued at approximately \$750,000. It was said the Swedish concern has branches throughout the United States for manufacturing dairy machinery. Plans contemplated by the new management include removal of the tuning and repair shop.

#### DR. TOM B. HENRY DIES.

Deep and universal sorrow was expressed by the people of this community Wednesday afternoon when the news of the death of Dr. Tom B. Henry, became generally current. He passed away at St. Joseph's Hospital, Dearborn, where he had gone a few days previous for treatment. He spent a few days at his home before the first of the month and friends had hoped that he had recovered from his illness and would again be able to take his place in the active affairs of the community, in which for many years he took a very great interest. Bill too good in this community, if any in fact, enjoyed a large circle of friends and acquaintances and his friends were legion.

At a young man at the University of Michigan he stood at the head of his class in his course of medicine and throughout the years of general practice he held a high and enviable position, the medical professors are a physician and surgeon of far more than ordinary ability. He was warmly received and respected and had the happy faculty of rendering service readily and he endeared himself to all his large practice in the community.

At the outbreak of the first World War when it became evident that the United States must take part in the great conflict he offered his services and after entering the service was rapidly promoted until he attained the rank of major, and his work in the army was merely characteristic of his natural ability to reach the top among his fellow.

For a number of years he served this village as president and gave freely of his time and efforts to further the best interests of the whole community; and in his death this section has sustained a distinct loss.

Besides his wife, daughter and son, he is survived by two brothers, Dr. Dan B. Henry of this village, with whom the deceased was associated for many years, and Dr. Fred Henry of Detroit, to whom the deepest sympathies of this community are extended.

Funeral services will be held this Friday afternoon at two o'clock from the home of Dr. Dan Henry Main Street.

OBITUARY—MRS. ANNA B. HOTZING.

Mrs. Anna B. Hotzing mention of whose death was made in our last issue, was born in Medina New York, June 16th, 1845, and spent her whole life in her native state until about a year ago when she came to Northville to make her home with her son, Geo. Hotzing and wife. She was the mother of three children, one daughter having preceded her to the grave at the age of 29 years, George Hotzing and Mrs. Fred Moffit being the surviving members of the family. The husband and father died thirteen years ago.

The deceased was a member of the Presbyterian church and when health permitted was punctual in her attendance at the services of the church.

She accepted Christ early in life and her example endeared her to others in the right way and into His presence.

Funeral services were held at the home of Mr. and Mrs. Hotzing last Saturday afternoon being conducted by Rev. W. Butler. Burial took place in the cemetery.

#### Northville School Notes.

A "High school" play will be given sometime in the near future under the direction of Miss Blawfield.

Miss Marion Smith, Kindergarten teacher, who was absent from school last week on account of illness, has returned to her former duties.

Miss Blawfield, public speaking teacher, is absent from school this week on account of illness. Miss Aletha Yerkes is acting as substitute.

Wednesday was freak day at school, and every one dressed in some odd and freakish costume which caused a great deal of merriment among the pupils and teachers. One boy came to school decked out in a dress suit.

School closed, Wednesday for the balance of the week on account of the State Teachers Association in Detroit Thursday and Friday. Every teacher in the Northville school is a member of the association and attended the meetings.

Plsmonth second team played the Northville second team warriors Wednesday afternoon, and defeated them 14 to 6. The Dearborn regulars defeated the home team by a large score on Tuesday. The Northville team has been handicapped right along on account of injuries and the drilling of new men to take the places of the veterans, who graduated last year. The next game will be played at Wyandotte one week from Friday.

To encourage the habit of thrift among the boys and girls a novel system of banking has been established at the school. Each boy and girl is given a folder which will hold a number of stamps valued at one five, ten or twenty-five cents. The stamps are obtained from a stamp machine located in the grade building and redeemed at either of the local banks. By this method the boys and girls are encouraged to save small amounts which would otherwise be spent. Losle German acts as cashier and collects the money and prints the machine.

#### DID DOG HAVE RABIES?

An Airedale dog belonging to S. A. Lovewell died Sunday night, but prior to the animal's death, it acted strangely for two or three days, snapping at imaginary objects and attacking dogs. There were no indications that the dog had been poisoned and from its apparent nervousness and the further fact that the animal seemed to desire water, but could not drink, indicated it was afflicted with rabies.

The head of the animal was sent to Ann Arbor by Health Officer Schuyler for analysis.

It will be wise if all owners of dogs in this community would keep their animals tied up at home or muzzled for the next few weeks as a precautionary measure.

If your husband fails to do his duty "club him" at the Alseum theatre on November 21st. —Ad 15

## THE 18TH AMENDMENT

NO GOOD—

WHO SAYS SO?

Look some of the folks over who  
are railing about this personal  
liberty stuff.Yes sir—liquor is flourishing in  
the land. There are rum runners  
speeding right thru our town—but  
when was liquor ever handled  
strictly legal?Yes sir—we have very stringent  
laws against murder. Since Cain  
killed his brother Abel, man has  
been killing geese?Yes sir—stealing is a fundamental  
item in the decalogue—the laws  
are numerous and strict. Since Cain  
wiped out his brother Abel, man has  
been stealing for lack of theft-crimes?If you do not think the 18th  
amendment has done good go ask  
the Salvation Army who deal with  
a strata of society where strong  
drink and damned souls and  
bodies—whole regiments of them.  
They find a great change.The manufacturing establishments  
know where the benefits are and  
the savings banks have results on
