GOVERNOR URGES ALL TO HELP.

"Buy Christmas seals and save human lives" is the message that Gov. Alex J. Groesbeck sent to the people of Michigan today through the Michigan Tuberculosis Association. Gov. Groesbeck is not saying this in a perfunctory way. Long before he was governor he took a deep interest in the fight against tuberculosis. During the war he was chiefly responsible for securing quarters at the state sanatorium at Howell for tuberculosis soldiers, and for many years he has been actively behind the tuberculosis campaign.

In his statement today Gov. Groesbeck says: "Shortening days, chilly nights, and falling leaves warn us of the approach of winter, and with winter comes that glad Christmas season heralded by the Michigan Tuberculosis association's annual sale of Christmas seals. The proceeds of this sale will be used in the fight against the tuberculosis scourge and will gladden many a heart with the thought that some one does care. The salesmen receive no remuneration. Their work is a labor of love. 'Buy Christmas seals and save human lives.'

"Christmas seal your Christmas mail."

This seal sale will begin on Thanksgiving day and closes on Christmas day.

TRACTOR OPERATORS TO STUDY AT M.A.C.

Truck and tractor operators on Michigan farms will study correct methods of handling their machines at a special short course which opens at the Michigan Agricultural college November 23. The school, which is to run for one month, will be the first of four similar ones to be held at M.A.C. during the winter.

"The farm operator of trucks and tractors must be thoroughly trained if he would handle machines economically and efficiently," says H. E. Nuselman, professor of farm mechanics at the college. "It is just as important for him to give his gas power thorough attention as it is for him to take care of his horses." Ability to make adjustments and extraordinary repairs is to be one of the results of the work of the school. All practical phases of operation will be studied, farm conditions and especially governing the outlining of the course. Stationary engines, ignition, stems, and shop work will be included in the schedule in addition to trucks and tractors proper.

MICHIGAN POTATOES SUPREME AT SHOW.

Michigan producers of potatoes, golden russet potatoes in Alpena, Cheboygan, Presque Isle, Charlevoix, Benzie and Emmet counties took nearly every prize offered in that class at the International Potato Exposition at Duluth, Minn., during the last week in October, says the state farm bureau.

In the individual one percent exhibit Michigan took nine out of the prizes offered the seventh going to New York Farmer. The Michigan first prize exhibit also took sweepstakes in this class. Individual prize winners were Lee Stearns of Charlevoix, first; Fred Bruyl of Wolverine, second; Son of Central Lake, third. The Wolverine Co-operative association of Cheboygan took first prize of \$250 and a loving cup for the largest territorial club from the American Potato Association.

REINSTATEMENT LIMIT EXPIRES ON DECEMBER 31.

The importance of re-instating insurance, which has been allowed to lapse, is emphasized in the announcement. Detailed information regarding the re-instatement of insurance can be procured by writing to the Insurance section of the U.S. Veterans' Bureau, 14 east Congress street, Chicago, Ill.

Walled Lake Warbles.

Cecil Sherwood and Miss Matie Hansard, well known young people of this place, were quietly married in Pontiac last Saturday. Rev. W. D. Martin, pastor of the First M. E. church performing the ceremony. Mr. and Mrs. Sherwood will reside here.

While drilling a well on the farm of Herbert Roach, a half-mile west of Walled Lake, workmen discovered what is believed to be a valuable deposit of coal, at a depth of about 50 feet. Just below the first vein another and a larger one was encountered and the "find" has created considerable excitement here. Mr. Roach was having the well drilled for the purpose of securing a supply of water for an artificial lake he is constructing on his home place.

Mrs. Garret's division of the ladies aid entertained the women at her home on Thursday afternoon.

The Advance Bible class of the Methodist Sunday school met at the home of Mr. and Mrs. O. E. Young on Tuesday evening.

WALLED LAKE WARBLERS.

Howard L. Woodworth, who had been ill for the past two years, died Thursday night at the home of his daughter, Mrs. Calloun, where he had been kindly cared for as the shadow of Walled Lake cemetery.

METHODIST LADIES HAD BANNER EVENT.

Notwithstanding the storm and the deep snow the Methodist ladies had the largest attendance in some years at their annual chicken-pe supper Wednesday night. It was a delightful and sumptuous affair and the ladies will clear up about one hundred and twenty dollars as a result of the efforts. They served 240 people in some ways. It was luck it was stormy night for the ladies do not know how they could have prepared for any more than they did.

LITTLE POLKAS ENJOY BIRTHDAY PARTY.

AUTO TIRES IN DEMAND.

A pair or two of three tires was sold, Northville sometime during Sunday night, and judging from their method of operation it would seem they were in search of auto tires. They broke into Chas. H. Collier's barn and house taking a rim and a good tire, carried over a fine auto and a bushel of choice apples. Those present, wife, Bertram, Arline Richardson, Dorothy, Helen, Gertrude Geal, Pauline Mason, Mrs. Harper, Phyllis Flarity, Dorothy Flarity, Warner Neal, Donald Baker, Carter VanValkenburgh, Jack Harpe, George Harpe, Billy Stage, Jack Farley, Merle Frazer, Jack Lake, Robert Lusk and Richard Shugler.

FOR SALE—TICKLE ROLLING LEAGUE.

Representatives from Northville, Plymouth, Redford and Farmington met at Farmington last Monday night and formed a bowling league. Officers elected were H. S. Cermak, president, E. S. Grace, vice president and J. C. Clark, secy-treas. Each little town will be represented by two five-man teams and a game in each village will be played every Thursday night all winter.

Captains for the several towns are Woolley and Hamilton for Northville, Wheeler and Thorburn for Plymouth, Brown and Bentles for Redford and Lamb and Lapham for Farmington.

The constitution and by-laws of the old Tickle League were adopted, including liberal prizes for high scores.

A big banquet at the end of the winter will also be a feature to be looked forward to.

PRESIDENT BOGART DIRECTED RAID.

At the conclusion of the meeting of the village council Monday evening, President Bogart produced a search warrant issued by Justice Patterson of Plymouth and invited the members of the council to accompany him on a raid to the Northville bowling alley.

The invitation was accepted and accompanied by Marshall Lyke the village law maker visited the place and made a very thorough search of the premises with the result that a bottle containing, it is alleged, a small quantity of whiskey, was found in a store room, on the second floor of the building, and two bottles said to contain alcohol. The proprietor of the place claimed the alcohol was used for cleaning the alley floors and for no other purpose, that he has never dispensed liquor of any kind to anybody and diligent inquiry made among those who are in the habit of hanging out in the bowling alley has thus far failed to discover any one who claims they have secured liquor there.

George Rosnovan, proprietor of the place, was placed under arrest, charged with having liquor in his possession. He was taken to Plymouth Tuesday morning and arraigned before Justice Patterson. He pleaded not guilty to the charge and in default of being able to furnish suitable bonds was taken to the County jail at Detroit.

People are wondering why the village officers did not run out their neighbor down the street.

Mrs. Wm. Richardson is on the sick list this week.

OFFICIAL AVERAGE OF MICHIGAN TRAPSHOOTERS.

A Northville Man Heads the List While Other Make Good Records

The Michigan shooters are justly proud of the records made by their shooting, as shown by the American Trapshooting Association's official average last published recently in the Sportmen's Review. The extremely high average of 9750 made by Howard W. Benson of Lansing places him in fifth place among the shooters of North America. George W. Slaughter of Benton Harbor, and Wm. Thompson of Jackson, are also to be classed among America's best, their averages being respectively 9590 and 9580.

The Michigan regular champion, J. A. Fesler of Detroit, whom we are very proud to claim as a United Club member, follows very closely with the fine average of 9533. J. A. Fesler's remarkable work at the state tournament at Battle Creek, where he broke 198 out of 200 targets, places him among the real contenders for highest honors in any tournament.

With the possible exception of two or three, the shooters whose names appear in the average list, are all well known to the local scatter-guns and old friend, Howard B. Hall of Northville, with an average of 9226 stands in first place among Michigan professional shooters. As was to be expected, Frank E. Hills and Harry W. Passage, president and treasurer, respectively, cannot succeed in getting farther apart than one per cent, their averages being Hills, 9130, and Passage, 9182. For two years their averages have been less than one per cent apart. We expect a fine showing from Mr. Hills for the 1922 season. His work for the latter part of this season has been remarkable, having turned in as high as 98 per cent scores.

Official averages of Michigan's mud-shooters are as follows:
