HERBERT F. GREEN THIRTY-SIXTH SATIRE
DAY MORNING.

Herbert F. Green was born in joyful field, Genesee County, Mich., November 23, 1866. His father, Jacob Green, was one of the early settlers of Michigan, having come to the state sometime during the first half of the last century. Mr. Green spent most of his boyhood and young manhood years in Ozaukee and Wayne counties. He was the oldest of a family of ten children. Two brothers now survive him: Bert and Ralph of Flint, Jacob of Oscoda, Charles of Missouri and West Virginia, somewhere in South America. He is also survived by three half-sisters and one half-brother, Mrs. Alice Smith and Mrs. Delilah Compton of Boston, Mrs. Florence Wagner of St. Louis, Mo., and Samuel Green of Birmingham.

Mrs. Green was married to Miss Sarah Young of West Bloomfield, Oakmont, August 18th, 1888. To them were born ten children, three of whom died in early infancy, one son killed in battle in 1918 and six children still living. To mourn his departing, to the great beyond, Mr. Green leaves his wife, two daughters, Charlotte and Pauline, and four sons: Will, Al, Lew, Judd and Jim. He and his family moved to Northville seventeen years ago where he died at his home after a lingering illness from cancer Saturday morning March 4th.

Funeral services were held at the Presbyterian church Tuesday afternoon Rev. E. V. Bruce officiating. Interment took place in Rural Hill cemetery.

WHY NOT IN NORTHVILLE?

Something like two years ago the Howell Board of Commerce commenced a campaign looking toward lower insurance rates in Howell. The insurance rating bureau gave as their excuse for the high rates the practice of burning rubber back of Howell stores and similar practices. The City Council arranged to stop this when their attention was called to it and have also put in the stand-pipe, extra pumping equipment and fire alarm system. As a result of these changes Howell has been reduced from 8th to 7th class for rating, which puts Howell in the lowest class of any town in Michigan under 10,000 population. Cheaper insurance rates will pay for the improvements in a few years.—Howell Republican.

SUES FOR \$10,000 DAMAGES.

Charging that his wife, Jeanie J. Upman, died as the result of internal injuries suffered when she slipped on grease on the floor of the Great Atlantic & Pacific Tea Co. store in Northville, Lawrence M. Upman Tuesday brought suit against the company for \$10,000 damages. The accident occurred December 4, 1920, he charges.

Mr. and Mrs. Sam Sassaella and little son spent Sunday with Detroit relatives.

FAIR ASSOCIATION HELD MEETING

The annual meeting of the stockholders of the Northville Driving Club and the Northville Wayne County Fair Association, which was held at the village hall last Thursday night, was a very harmonious affair. A majority of all the stock was represented and the officers and committees who had served so faithfully and efficiently during the past year were complimented upon their efforts in behalf of the society and the community. A year ago the association owed \$700 borrowed money, the loan having been made to meet outstanding obligations. The association expended \$2,000 during the past season for moving the horse barns and enlarging them improving the grounds, for an addition to the woman's building and for other building operations. This sum, together with the \$700 loan, has all been paid and the society starts the year with a cash balance in its treasury of a little over \$1,400. These figures indicate the society made a profit last year of \$4,400 after paying all premiums and other expenses due to the fair in full—a most remarkable and satisfactory show.

The resolution was decided to go into a "no tax" for 1922 upon the same corresponding dates as last year,即 April 1st to Sept. 1st, 1922, and the plans are already being made for a bigger and better fair than in previous years. The election of twenty directors followed, in the election of the B.

For the year, H. J. Huff, H. M. Sturk, Dr. C. E. Murdoch, H. B. Clark, M. A. Johnson, Stewart M. Zimmerman, A. J. F. Clark, N. C. Schreider, F. S. Neal and M. H. Slagle.

For one year, W. B. Selsby, G. R. Richardson, C. E. Thompson, F. A. Northrop, C. A. Atchison, H. R. Richardson, F. W. Lyle, T. A. Richardson, F. E. Brown, A. E. Stere, C. C. Knutson.

A meeting of the directors will soon be held to select officers for the ensuing year.

Supt. HEINRICH'S BODY STOLEN
MONDAY.

Superintendent Heinrich of the Northville schools has been ill the habit of getting back and forth from his home on the Plymouth road to the high school building and parking his car in the street Monday afternoon when he had closed he followed his usual custom and walked to where he had left his Ford sedan auto, dinner and behold, there was no sedan in sight. Some one had driven the vehicle away and left no clue to their identity. Officers were at once notified and a search for the missing auto was instituted.

Tuesday morning Mr. Heinrich received a phone message from a farmer living west of town stating that a car was in the driveway near his place and that he saw two young men leaving the car in great haste Monday afternoon. The gasoline supply had given out and at times even a Ford cannot be operated successfully without gas. The car was left to one side of the road and seemed to be in no worse for the drive.

This is a pretty serious offense and it is hoped the boys who played this prank may be apprehended before they actually get away with some car and are forced to take a trip for a period of a few months or a year.

RELIGIOUS WORK AT THE SANATORIUM.

The privilege of ministering to the spiritual needs of the protestant patients and employees of the Sanatorium has been extended to the pastors of the Northville churches. They will serve in periods of about four months each. The work includes holding Sunday services and the necessary pastoral work during the week.

Rev. H. J. E. Marsh will have charge during the first period and take the responsibility for the next four months. The spiritual interests of the Roman Catholic patients will probably be looked after by the Rev. Father Leferre of Plymouth.

FORD TURNS OUT 3,4500 CARS DAILY.

Ford Motor Co. is operating at the rate of 3,400 cars a day on four-day-a-week schedule. March schedule calls for between 60,000 and 65,000 cars. Michigan distribution now takes 450 cars a day, the remainder being shipped, knocked down to assembling plants.

A Big Bill

GIVE US A CHANCE

Some people like to shop around when they have a big bill of lumber to buy and generally think they'll save a lot by giving the order to some big city dealer.

Some of these wisebeimers who have taken their big order to the city have discovered they paid a good price after all, and could have bought for less money right from their home dealer, but often in such cases the home dealer doesn't get a chance.

The Epworth League will give a St. Patrick social in connection with their business meeting at the M. F. church Friday evening.

The Experience social given Tuesday evening by the Ladies Aid society at the M. E. church was well attended and was much enjoyed. A very neat sum was added to the treasury.

The evening service Sunday at the M. E. church was in charge of Forest White and Earl Baumgartner. Mr. White gave a very pleasing talk on the "Relation of Father and Son," and Mr. Baumgartner gave the sermon of the evening from the text "I press toward the high calling of God in Christ Jesus." Both young men deserve much credit for the fine addresses given.

EDWIN BRUSH, MAGICIAN

For more than a decade, Edwin Brush, illusionist and entertainer, has delighted Legion and Chautauqua audiences in every state. His unusual pleasure and magnetic personality, his accurate mastery of his art combined with the suave manner in which he performs his clever and fascinating deceptions upon his audience make his performance the most unique of its kind and him a favorite with old and young alike. Through it all runs a lesson, interpreted and emphasized by the artist in his talk accompaniment.

The Akron, Ohio, News (Aug. 8, 1919) says:

"Horrible mention is certainly due 'The Great Brush,' who delivered his lecture on 'The Mystery of Magic' on Sunday evening. It is not the magic that he performs with his hands that makes his lecture remarkable, but it is the magic of his words and his ability as an entertainer that marks him for a world-wide message. He is wittier but more than that, he expresses some solid philosophy in the course of his lecture that makes it worthy of an audience."
