LET NO ONE GET EXCITED

The village schools are closed this week as a preventive measure against the spread of small pox among the children of the school. Last week four pupils left school on account of illness and their trouble developed into mild cases of small pox, and in order that all necessary precaution might be taken it was decided to close the school for this week. The cases are under strict quarantine and every effort will be made to prevent the spread of the disease from those four homes. If any other cases should develop they too will be carefully guarded.

In a time like this people often become very much excited and in telling of the trouble make the matter a great deal worse than it really is. It has been reported in neighboring towns already that an epidemic of small pox prevails there. There will be no epidemic if local health authorities and the members of the school board can help it and it is believed they can, but they must have the cooperation of the public. If any member of your family is ill or becomes ill it is only fair under existing circumstances to give your neighbors and friends the benefit of all doubts and to keep your home guarded until you are sure there is no danger.

If this disease spreads it will be the fault of those into whose homes the disease may come, and surely no one deserves to spread the disease.

There is nothing so far to "come excited over." Just be careful and watchful—all physicians are anxious of the welfare of other members of your home become ill. That is the direct and safe way.

Save time and other trouble by doing all of the planned ones in the house in very cold frost.

EARLY SERVICES GREATER ENJOYED.

Now in the history of Northville Presbyterian church did a larger congregation participate in the Lord's Supper than that which gathered on Easter Sunday morning. Every available seat in the body of the church was occupied, including chairs in the rear of the room, while the balcony, only recently completed, was brought into requisition to accommodate the remainder of the people, thus indicating the wisdom of this addition to the church's seating capacity.

Twenty-four members were received, sixteen of whom came on profession of faith. Five adults receiving the sacrament of baptism. The Service service drew a goodly number of worshippers and the services, as ever, was very impressive. The informal program by the Sunday school was enjoyed by all as it brought into prominence so many of the little folks. In the evening another large and appreciative audience enjoyed the choir's presentation of the cantata, "The Conquering King." The rendition throughout—both of special parts and choruses—was so uniformly excellent that one part could hardly be praised without mentioning all. Altogether it was a great day, the spirit of joyful praise mingling with that of reverence, and to everyone it must have meant a renewed impetus to consecrated service in the name of Him abhorred for us—and rose again.

STATE POLICEMAN KILLED IN PECULIAR ACCIDENT.

Sergeant Milan Pratt, in charge of the State Police post at Farmington, was instantly killed Saturday afternoon when his motorcycle crashed into the concrete abutment of a bridge on the Plymouth road a mile and a half from Wayne.

Pratt was pursuing a motorist. Just ahead of a bridge is a sharp curve. As Pratt rounded the curve he swerved to avoid striking a rural mail carrier's automobile, and apparently lost control.

Pratt was 23 years old and had been in the State Police service since his discharge from the Navy, two and a half years ago. His body will be taken to Homer, Mich., his home.

A MYSTERIOUS FIRE.

A mysterious fire occurred some time during Monday night in the boys' locker room at the High school building. A number of base ball and basket ball suits were destroyed, but the lockers being constructed of steel the fire did not spread. Just how the fire started will, doubtless, always remain a mystery.

GOOD FRIDAY SERVICE AT N. E. CHURCH.

"Good Friday" was observed in Northville by the cessation of business activity during the hours from 2:30 until 4:30 p.m. At three o'clock public service to which the other churches of the village and citizens generally were invited was held in the Methodist Episcopal Church Northville Commandery. Knights Templar was represented in response to a special invitation by a number of Sir Knights in full dress uniform.

The services were opened by the singing of "When I Survey the Wondrous Cross." During the singing the illuminated crimson cross of the church was used with impressive effect. The solo "Calvary" was rendered by Ralph Richardson in a way that was greatly appreciated by all present.

The address of the day was delivered by E. B. T. Schumacher of Detroit. Mr. Schumacher has been a traveling salesman, and also a public speaker for a number of years.

but since the Billy Sunday meetings in Detroit he has devoted his talents more particularly to Christian work.

He is a veteran of the Spanish American war and has had a wide experience as a W. Y. M. C. A. worker during the World war superintending

recreational work among our boys from the coast to the trenches.

His address of Friday "On the Way to Calvary" was based upon one of his experiences "over-seas"—a visit to a cemetery in France where

he was an attendant upon the two

and three in God's Lord's knowl-

edge of the stations of the Cross" pro-

duced in life-size marble figures.

The speaker assumed the role of one

of the sufferers on that last Good

Friday, and in audience thru the

walls of pain, judgment shall

be given. (Continued)

Mr. Schumacher is unique in his man-

ner of addressing his audience in order to be seen and heard in order to be appreciated.

More than a hundred people should

have heard him and via friend the next

time he will be in Northville he will be

greeted with the full power he is worthily deserved.

BILL AT GRACE HOSPITAL.

Mrs. Irene Dromody died last Thursday night at Grace Hospital, Detroit, to which institution she had been taken for treatment of the effects of stroke of her life. She had given birth to a child in three weeks previous to her death and her condition became so alarming she was taken to Detroit for special medical treatment.

The remains were brought to Schneider Brothers' funeral chapel in this village on Friday and funeral services were held there Monday morning, conducted by Rev. Father LeFever of Plymouth. Burial took place in Saint Hill Cemetery.

Besides her husband she is survived by six children who love the sincere sympathy of the entire community in their great bereavement. She was born in Colgate, Conn., and soon after married Mr. and Mrs. Dromody came to Detroit where they resided for ten years, and eight years ago came to Northville. She was a devout wife and mother and to her home was her castle, and she was very happy in the care of her little ones, who are bereft of a mother's care.

OAKLAND COUNTY'S HOLSTEINS MAY BE TUBERCULAR.

The Oakland County pool farm stands in a fair way to lose its entire herd of 23-grade Holstein cattle. This week, when the herd was tested by L. A. Vaze, veterinarian, it has been stated that 29 of the cattle tested had one or more reactors. He expected to give the herd's second inspection today, which will verify his former test. It is probable that all the cattle showing indications of tuberculosis will be killed in the course of the next week. —*Post*.

DAVIES-GERSCHOW.

With Dr. J. R. J. Mulligan reading the ring service, Miss Marjorie R. Gerschow of Detroit, and Harold Davies of Birmingham, were united in marriage in the First Presbyterian parsonage at Pontiac, last Wednesday afternoon at 3:30 o'clock. Mr. and Mrs. Davies expect to make their home in Northville.

THE KING'S DAUGHTERS' BENEFIT.

The Hudson Male quartet of Detroit, far famed and always acceptable, are coming to Northville again. The King's Daughters have secured these singers and entertainers for the evening of April 23rd, and they ask everybody who can do so to get into the Alseum on that evening. It will be only 50 cents for each and you are too late to get a seat you might leave the half-dollar "anyway." Keep the date in mind and tell your friends.

MRS. JENNIE WHITE, HONORED.

Mrs. Jennie White, honored by the Alseum, entertained a small company of old friends of her mother, Mrs. Jennie White, in honor of her 82nd birthday, on Friday, April 14th.

The occasion was a very enjoyable one as the guests were all old residents and could recall many incidents of former days.

A delicious supper was served at six o'clock, and all expressed their enjoyment of the day. Mrs. Addie Simonds of Plymouth was the only guest from out-of-town.

MISS NELLIE BRUCE DIED SUNDAY.

Miss Nellie Bruce died suddenly at her home on First avenue last Saturday afternoon after a very brief illness and her passing was a great shock to her friends who had not learned of her illness. Feeling ill Saturday forenoon she consulted a physician but there seemed to be nothing alarming about her condition. Death claimed her about 6 o'clock in spite of all that kind neighbors and well-bent friends could do to relieve her.

Mrs. Richard Nake, a native of Windsor, Ont., who at one time resided and on Sunday afternoon the remains were conveyed to the home of Mr. and Mrs. Kline, where funeral services were held on Tuesday afternoon, burial taking place at Puce Out, where she was laid to rest beside her father and mother. She is survived by one brother, Geo. Hunt of Walled Lake, one sister, Mrs. Belle (now well) of Windsor, Ont., and numerous other relatives besides a host of warm friends.

NO FOOL LIKE AN OLD FOOL

Is a saying of ancient origin. It is a good one today also.

Cuziah—68 years old—king of Judah since youth—clever leader and builder—famous—wealthy—powerful.

Like many another man under similar conditions he thought he was self-sufficient—his will the only law.

His pride led him to profane the temple—to disobey the plain instructions of God—what happened—he was stricken with leprosy—was isolated—degraded—outcast.

Prosperity is a dangerous condition—it opens the way to many troubles. Discuss it with us Sunday.

The fourth Annual D. & G. Boys and Girls' Club meeting Saturday, April 15th, at Plymouth High School, was the grandest in the club's history. Due to the club members, Mrs. Helen and Mr. who successfully completed his project, left to Canada to Albermarle, the Michigan Agricultural College and the Academy. This is the second year which is about the same number of boys and girls that are engaged in projects as have been "Carpet Making and Handicrafts".

GEO. B. YERKES'
HOME DESTROYED

PERSONAL.

Mrs. C. Reynolds is on a sick leave at Cunningham's for the present. Her son has been away for some time now. Mr. and Mrs. Otto Loechis of Pleasanton, Ohio, were guests of Northville's Mr. and Mrs. George B. Yerkes, last evening. The house was destroyed by fire Wednesday evening, only two rooms being unoccupied, standing as fire in the building. The building stood after nine o'clock for an hour at the W. H. Yerkes' and an alarm was sent to the village. Our fire fighters and many citizens responded to the call for help quickly and soon as real crowd of men were on the scene but it was with difficulty that the fire was located and consequently the blaze had gained considerable headway before it could be reached. There was no available water supply and while the men fought heroically to save the building their efforts proved of no avail and it was with difficulty that the contents of the house were saved. The furniture and furnishings of the first and second floors were removed but the fire burned so rapidly and the heat soon became so intense that but few little of the furnishings on the third floors were spared.

"Braeside" was one of the show places of Wayne county and Northville people were always very proud of this handsome country estate. The house was erected 22 years ago by F. D. Eatherly, who took great pride and comfort in its building and in the beautification and improvement of the grounds. About a year ago Mrs. Eatherly sold the property to Mr. Verkes, who was then residing in Detroit. Northville was Mr. Verkes' old home and his old friends here were very glad when they learned he was to return to make his home in this community. They will be much pleased to know that plans are now under way to rebuild the house.

This old house was also destroyed.

Mr. and Mrs. Verkes are very grateful to all the willing workers who came and volunteered their services.

The company of the neighbors from far and near who came to help out in the building.

W. R. G. NOTTS.

Proposed reorganization of the Ward of Northville, which will be held on Wednesday, April 23, at 8 A.M. at the schoolhouse. The new ward will consist of the former Ward of Northville, the former Ward of Southfield, and the former Ward of Hamtramck.

Henry K. Miller left on the steamship "Special" yesterday with his family for Europe. He will remain about two weeks, returning about the middle of May. All his expenses are to be borne by the city.
