ELLIOTT'S HARDWARE
NORTHLVILLE, MICHIGAN

ANNUAL PICNIC AN ENJOYABLE AFFAIR

Upwards of seventy-five people enjoyed the Detroit-Northville picnic which was held at the High school gym last Saturday afternoon and evening. Detroit friends began to arrive shortly after three o'clock and along about four a few Northville people arrived, but the number attending from Northville and vicinity was not large, not as large as the occasion ought to have demanded. Visiting and handshaking was the order of the day until the "alarm" for supper was sounded. When the guests gathered in family groups about the tables and enjoyed a fine picnic spread. A local committee supplied liberal amount of cold tea and served some of Elliott's special ice cream.

After all had enjoyed the spread and had "taken on" that picnic feeling, President W. A. Hart of the association called the company to order and announced an impromptu program. He expressed his appreciation for the courtesies extended and declared his desire to come again. Remarks were made by T. J. Knapp of Highland Park, Rev. W. T. Jaquess, Albert Holmes, B. O. Webster, F. S. Neal and E. E. Brown, the latter extending greetings and a hearty welcome to the guests in behalf of the citizens of Northville and the Exchange Club. Misses Rose Schrader, Barbara Blackburn and Avis Brown rendered a piano trio and were compelled to repeat their selection, so well did their playing please the guests. Miss Elizabeth Emery sang two numbers to the pleasure of all.

The election of officers resulted in the re-election of Dr. W. A. Harper as president and Miss Emery as secretary-treasurer. It was voted to hold the next reunion in Northville the date to be determined later.

George A. Walters, who is a candidate for sheriff, could not be present as he had planned but he sent a liberal supply of cigars and candy which were distributed with his compliments and good wishes.

It was after eight o'clock when baskets were re-packed and good-bye and good night was said. The gathering had been a success and was thoroughly enjoyed.

WALLED LAKE MAN REPORTED MISSING.

Oakland County officials were notified Monday morning that Harry Hastings, 60 years old, foreman at the Finley farm, west of Walled Lake, had been missing since Sunday afternoon at 2 o'clock when he left the place. Fears are felt that Hastings may have met with an accident and is unable to communicate with his friends, or that he may have wandered to the lake and fallen into it.

The man is said to have been suffering from illness and was under care of a physician at the time of his disappearance, officers were told.

He is described as being tall and thin and wore a light coat and gray cap. He was unmarried.—Pontiac Press.

WARNER DAIRY PATRONS TO ENJOY PICNIC.

The patrons of the Warner Dairy company, will enjoy a picnic at Centaqua Shores, Walled Lake, tomorrow, Saturday. In the afternoon there will be a program with talks by N. P. Hull and R. C. Reed of the Michigan Milk Producers' Association, to be followed by an address by Hoy Patrick H. Kelley, who will make a tour of Oakland county upon that day. He will speak at Milford at 12:45, Walled Lake at 3:00, Farmington at 5:00, Redford at 7:00 and Royal Oak at 8:30.

The general public is invited to attend the picnic and to enjoy the day with their neighbors.

GUY C. FILKINS IS GIVING RECITALS.

Daily organ concerts at noon in Central Methodist Episcopal church began Monday and will continue for five successive weeks, prominent artists of the city having contributed their services to cover that length of time. Guy C. Filkins, organist of Central church, will occupy the seat for the first week and will be assisted by the Hudson male quartet with Miss Elizabeth Emery as soloist.

Detroit Free Press

Thomas Dermody returned home from Detroit the first of the week. His condition is improved, but he expects to return soon to an extended

FIVE DAYS OF REAL PLEASURE

Northville's Community Chautauqua for 1922 closed Friday night with the presentation of "The Mikado" by the Davies Light Opera Company and the performance was especially well received. In the afternoon the company gave a prelude to the pageant given by the children. Considering the time Miss Wolte, the junior superintendent, had to train those who took part, they all did well.

From the opening number to the last act or the closing one, the program this year was above the average and the Chautauqua afforded many of our people a delightful outing and five days of helpful and refreshing recreation.

When the committee presented its plan for next year and asked that 500 tickets at \$1.00 each be pledged, there was a very poor response, indicating the people had become tired of that kind of entertainment in Northville. Less than 280 tickets were pledged, and as a result it was not deemed advisable to attempt to secure signs to a contract for another year.

People expect too much from a Chautauqua for the price they pay for ten entertainments. Season tickets, selling at \$2.00 each makes the average cost of each entertainment 20 cents—no more than people pay for a picture show with which they are pleased. With some the concerts were classical and with others they were too commonplace. The lectures were either too dry or else the speaker was not dignified. Mr. Hart was too "high toned" while Dr. Corp was "flat" in the estimation of some who attended the lectures and here you are. Scores of people who go to have patronized the enterprise if for no other reason than to help maintain an institution of that kind, remained at home and even paid one ticket.

At any vendor that citizens and business men have become tired of having to "dig down" each year to pay the loss when the public does not appreciate an enterprise of this character. Every year since the first Chautauqua was brought to Northville except just one, the signers of the contract have been compelled to make good the loss. This year 38 signers were agreed \$10 each. If they all paid up, they will, of course, the committee will have enough to just cover expenses.

BROUGHT THE DEAD TO LIFE.

While all are willing to concede Northville's Fourth of July celebration was a pretty lively affair, no one dreamed it was exciting enough to bring the dead to life. Judging from the following item taken from the Brighton Argus it would seem that was just what happened here however.

The body of Jay Peach was found on the Fourth of July at Northville in an animated condition. Livingston county officers discovered him there. He is now held at the county jail at Howell. The bond which was required was not paid as the bondsman was allowed until the 17th of July to produce the "body."

JOSLIN BUILDING BEING REMODELED.

Workmen began the task of remodeling the Joslin building Monday morning. The building was recently purchased by a number of local business men and extensive improvements will be made in the structure, making the building modern in every way. A new front will be placed in the building and an addition will be constructed in the rear.

The building is nicely located, convenient to our main corner, and with the contemplated improvements will make a fine addition to Main street business places.

GLOBE COMPANY EMPLOYEE SERIOUSLY INJURED.

Ambrose Fritz, an employee of the Globe Furniture company, met with serious accident Tuesday while attempting to run a belt on a pulley. He was trying to put the belt on with a stick used for that purpose, but not understanding it very well, took his position on the wrong side of the shaft, with the result that the stick struck him with great force. A physician was summoned and an examination disclosed what was believed to have been an internal injury. He was taken to a Detroit hospital Wednesday for treatment.

The Library will be open Saturday afternoon from three until 7:30.

You've Got to fight the Hambut! The Hambut feeds on the bottom of the sea and when he is hooked he allows himself to be drawn toward the top without very much of a protest. The struggle commences the instant his nose emerges from the water and the possibility of a fight is anticipated by a hard blow on the head. This blow must be sure and hard for if there is any compassion for the fish he is as good as gone for any opportunity to struggle means its escape.

Keeps Silver Bright
In order to keep silver that is not in constant use in a good condition, fit a paper with alternate layers of forks, spoons and other objects and common flour that is perfectly dry. If the silver is bright and dry when you put it away it may be used at any time without being cleaned for a year or two. After this time the flour needs drying again. This plan saves a great deal of cleaning.

HARTFORD TIRES and TUBES

JAS. A. HUFF

Prices on Hartford Passenger Car Tires and Tubes, effective May 8th, are not subject to war-tax, the war-tax having been included.

ELECTRICAL CONVENiences!

Why not have your home equipped with some of our convenient labor-saving Electrical Appliances?

Electric Stoves, for cooking—just the ideal kitchen stove for warm weather. No extra expense necessary to install them. Just connect them with a lamp socket and turn the button. They are economical and you can cook and bake with them to perfection.

Then we have Electric Plates, Toasters, Broilers, etc. They save fuel and will give you splendid service during the whole year.

Electric Water Heaters—just the thing for summer. No need of starting the furnace fire to warm water for your bath. Let us install one of these electric heaters and you can have all the hot water you need by simply turning on the current. Call and let us tell you about them.

Everything Electrical—Prices Reasonable.

STATION AGENTS STRIKE AVERTED

WALKOUT OF DEPOT MEN STOPPED BY CONFERENCE OF UNION CHIEF AND RAIL BOARD.

PLANS FOR NEW UNIONS MADE

Shop Workers of 40 Eastern Roads Expected to Join Movement for New National Body.

Chicago.—The averting of a strike of approximately 10,000 station agents, preparations for the formation of new unions of shop workers on 40 eastern roads, and negotiations for a separate peace on the Baltimore & Ohio, marked the progress Monday of the railway shopmen's strike.

The move for new unions to take the place of the striking shop crafts was initiated by L. F. Lorse, eastern regional chairman of the Association of Railway Executives, and was taken as an indication of the intention of the roads to hold out against the strikers' demand for a return of seniority rights as preliminary to any settlement.

The eastern roads, according to Mr. Lorse's plan, to take advantage of differences by the labor board by organizing new shopmen in such a way that each system will have its own union and will be able to negotiate separately with its men.

Parties for a separate peace, due Tuesday at Baltimore, between representatives of the striking shopmen and the Baltimore & Ohio railroad, attracted considerable attention in union circles, but strike leaders refused to make any comment.

The efforts of W. L. McMenimen, labor member of the railroad board, prevented further spread of the strike in a conference with W. J. Nocca, head of the station agents' organization.

Mr. Nocca complained that the station agents were being forced to do the work of the strikers, but Mr. McMenimen gave him such assurances that any grievances would be corrected that he afterward announced that the station agents would remain at work pending a conference with the labor board.

MORE TRAINS ARE CANCELED

Michigan Rail Lines Curtail Service Owing to Fuel Shortage

Detroit.—Two passenger trains to Chicago were canceled by the Grand Trunk railroad due to acute coal shortage, it was announced by officials of the railway Monday night. Seven other trains had already been suspended by the Grand Trunk. Removal of the trains, coming on the heels of partial plant of dereliction of the Pere Marquette and cancellation of their freight trains on the Michigan Central out of Jackson, has caused railroad officials to express great fears of return to binders as route is followed during the year.

Governor Groesbeck was reportedly awaiting announcement of expected action by the federal government to take immediate control of the country's steel production and distribution through the interstate commerce commission during the present national emergency.

Governor Groesbeck announced he was willing to meet any suggestion that may be offered by the government.

BRITISH AIDS U.S. TO CUT RUM

Promises Help to Stop Contraband Shipments From Bahama Islands

London.—In response to a communication from the United States, Great Britain has advised Washington that the British government is willing to co-operate in the suppression of illegal rum running from British territory. It was learned Monday from an official source.

The British admiralty for some time has been conducting an investigation of the allegation that a vast amount of whisky and other contraband of an alcoholic nature, were finding their way into the United States from the British colony on the Bahama Islands in violation of the eighteenth amendment.

MOVIE INDICTMENTS DROPPED

Five Held Guilty for Knickerbocker Crash Are Freed.

Washington.—Indictments against five persons in connection with the Knickerbocker theater disaster of last January, in which 37 lives were lost, were dismissed Monday by Justice Sodman of the District of Columbia supreme court, who sustained demurrers.

The court held the indictment defective and insufficient in that the material and essential facts forming the basis of the alleged offense were not set out with reasonable certainty, and the indictment therefore was too vague, indefinite and uncertain.

The indictment failed to show what acts or acts of negligence were committed by each of the accused persons, the court decided.

Careful Mrs. Newwyed
"Mother." "Yes, Ethel?" "Will you do something for me?" "What is it?" "I wish you would buy me a rolling pin." "Why don't you buy one yourself?" "Oh, you know Jim and I have only been married a few weeks and the store man might think we were not getting along together." Youngstown Telegram.

Working of True Love.
Put a seal upon your lips, and forget what you have done. After you have been kind, affection has stolen forth into the world and done its beautiful work, go back into the shade again and say nothing about it. Love hides even from itself.—Proverb. Drummond.

New Branch of Engineering.
Methods of regulating the humidity of the air in buildings, especially in factories, where moisture plays an important part in various industrial processes, constitute a branch of engineering known as "air-conditioning."

Daily Thought.
When all is done, human life is at the greatest and the best, but like a forward child, that must be played with and humored a little to keep it quiet till it falls asleep and then the care is over.—Temple.

Horse Racing 900 Years Ago.

Says Country Needs Clean, Smart, Perfect Children

George W. Dickinson Looks Forward to Greatest Better Babies Show.

How to make the home and its surroundings more agreeable and worth while will be the purpose of the Michigan Art Institute, a fixture at the Michigan State Fair, Detroit, September 1 to 10, says George W. Dickinson, secretary and manager. While Mr. Dickinson pays particular attention to this division of the fair and realizes it means much to the farmer to have a nice home, he is fond of children and does not neglect to see they come in for due consideration at the fair.

To him, better babies is a mighty important subject and he intent of making the fair play an important rôle in the development of them.

The father and mother should take just as much care in the raising of a baby as the good farmer does in the raising of his thoroughbred stock, he contends.

"Give the baby the best environment possible," says Mr. Dickinson. "Be sure your baby grows up with the right type of associates."

"What this country needs most of all is clean, intelligent, perfect babies. Babies need much open air, free country in which to romp and exercise. They need care. Care, that is the secret of better babies."

Mother's bringing their babies to the contest at the State Fair will receive valuable information from the judges in charge.

Shoes You Will Enjoy Wearing

We Have that Kind, and we Sell that Kind. In fact, we sell no other kind of Shoes, because we do not carry shoes in stock, we feel will not give good service and comfort at the same time.

Week's News in Brief

Detroit News Buys Journal

Detroit—The Detroit Evening news paper field was narrowed down to two papers Friday, July 21, when the announcement was made that The Detroit News had purchased The Detroit Journal.

Strike Brings Cut in Train Service. Detroit—Twenty-five passenger trains on the Pere Marquette railroad either were withdrawn or their runs shortened last week because of the coal shortage resulting from the fall road strike.

Horse Electrocuted; Scared by Plane. Kalamazoo, Mich.—Frightened by an aeroplane, a valuable horse belonging to R. A. Vandervoordt, of Richland, ran away and stepping on the third rail of an interurban line, was burned so badly that it had to be shot.

Train Hits Moose; Fireman Killed. Port Arthur, Ont.—Fireman Robert Kramer, of Kenora, was killed, and George Goodman, of a Canadian National ballast train, severely gashed near Home Payne, when the train ran into a moose, overturning the locomotive.

What the Strikes Are Costing. Washington—The twin coal and rail strike have caused a loss of over \$600,000,000 to workers, employers and American industry generally and the figures grow daily, according to best estimates made by government statisticians.

White Fortune to Salvation Army. New York—Samuel Clark Williams, of Brooklyn, has left the bulk of an estate estimated to be from \$200,000 to \$300,000 to the Salvation Army for relief of worthy aged persons and the "down and outs." Mr. Williams was 60 years old and unmarried.

Marquette Prison Being Enlarged. Marquette, Mich.—Ground has been broken at the upper peninsula branch prison for the new factory and the new south wall of the prison yard. It is expected work on the new cell block will be started soon as the funds are appropriated by an emergency measure.

Five in Family Die in Wreck.

Buffalo—Six persons were killed and one was seriously injured when a train struck an automobile at a grade crossing. The automobile bore a Colorado license. The dead are reported to be Daniel Fritz, his wife, two sons and one daughter; and the 16-year-old son of Mrs. James Baker, of Stevesville.

Rats Steal Five Cases of Eggs.

Ligonier, Wash.—Missing eggs from the kitchen by the case, employees of Paradise Inn, Mount Rainier National Park, exonerated themselves by discovering that wood rats had been carrying away and hiding eggs under the hotel roof. More than five cases of eggs were recovered in caches made by the rats.

Saves Boy, Finds His Own Son.

Vancouver, B. C.—Police Sergeant Charles Tufey, while trouting along English Bay heard the cry of "Boy drowning!" Fully dressed he plunged into the water and grabbed the lad, who was about to go down for the third time. Taking the boy ashore and looking into the face, he discovered he had rescued his own son.

Mouse Buries Nest in Boy's Hair.

Ionia—Russell Gilmore, 4 years old, went to sleep on the kitchen floor of his home in Shiloh, near here. A mouse crept out of the cellar and was building a nest in the child's hair when the mother intervened.

Considerable effort was required by the mother to remove the mouse from the child's head, it having become tangled in the hair.

Bee Sting Causes Wreck; 1 Dead.

Cincinnati—The sting of a bee cost one life and caused the severe injury of two persons. When the bee stung the hand of William T. Shannon, 80 years old, he failed to steer around a corner and the automobile was wrecked. Mrs. Shannon was killed instantly. Mrs. Gustave Coleman, wife of a St. Louis newspaper man, suffered internal injuries.

Court Refuses to Bar Jitneys.

Lansing—The state supreme court last week denied the appeal of the Grand Rapids, Grand Haven & Muskegon Railway Co. for an injunction to prevent jitney busses from competing with electric interurbans. The supreme court held that the regulation of jitneys is a matter for the state legislature to settle, and that in the absence of state laws preventing them from operating they should not be barred from the highways.

Bars' Negroes From White Sections.

Pontiac, Mich.—A decision of the supreme court received here settles for the first time in Michigan, attorneys say, the question whether property can be restricted against occupancy by Negroes. An appeal was made from the ruling by Judge G. O. Gillespie against Charles Morris to prevent Morris from occupying a house he had bought in a restricted plot. The supreme court holds a Negro may purchase and own such property, but may not occupy it.

Poultry

SODIUM FLUORID EFFICIENT

Recently Discovered Insecticide for Poultry Is Cheaply and Quickly Applied.

Prepared by the United States Department of Agriculture.

Nothing has given so much satisfaction in getting rid of chicken lice as sodium fluoride, used by poultry specialists in the United States Department of Agriculture. It kills adults and young lice, including the young which emerge from eggs present at the time of treatment.

Sodium fluoride can be obtained in two forms known as commercial, and as chemically pure.

Both of these are in the dry state, the first being a dry powder and the second in small crystals, somewhat lumpy.

While the chemically pure material is effective, it is not so easily applied by the dusting method as the more finely powdered, commercial form, and furthermore, it costs more. The commercial grade should contain 90 to 98 per cent sodium fluoride.

This material is the sodium salt of the chemical element known as fluorine, and hence is a compound very similar to ordinary table salt, which is known chemically as sodium chloride. In asking for sodium fluoride, therefore, it is important that the name "fluoride" be carefully stated to the druggist.

If the proper methods are followed remarkable control is attained. One thorough application of sodium fluoride to all fowls will destroy completely all the lice present. It is essential, however, to see that treatment is thorough, and that every fowl is treated. It may be applied in two forms—as a dry dust and as a dip. In the dust form the action of sodium fluoride is comparatively slow; hence, if examining the next day after treating, or even two or three days later, a few lice may be found, but the material persists and after four or five days all disappear. It kills, too, all lice emerging from eggs on the feathers. For best results small amounts of the material should be placed on different parts of the infested fowls.

Specialists have found what they call the "pinch method" to be entirely effective against lice, and to have the advantage of economy of time and material. The material is placed in an open vessel on a table, the fowl is held by the wings or legs in one hand, while with the other hand a small pinch of hempen is placed among the feathers next to the skin in this way. One pinch on the head, one on the neck, two on the back, one on the breast, one below the vent, one on the tail, one on either thigh, and one scattered on the underparts of each wing spread. Each pinch can be distributed somewhat by pinching the

We Are Baking The
Best Bread Sold In
This Town

And to prove this fact to you we invite you to take home one of our nice, big brown loaves of Bread today—any day—and give it a trial. Our Bread will remain fresh longer than city-baked bread—because it is fresher when you get it at our store. It comes direct from our sanitary ovens to our customers—no carting about the country in the heat and dust.

Our Buns and Rolls are also better than those you can secure from any other source. This fact we can also prove by a trial.

You will also find our Cakes, Cookies, Doughnuts fresh every day.

Orders for special occasions given prompt attention.

Elliott's Special Blend Coffees at 28c and 35c are the best coffee values ever offered in Northville. Take home a pound today.

LOCAL

Five Points is soon to have a new, modern hotel.

Dr. J. W. Snow is driving a new Oldsmobile sport car.

Born to Mr. and Mrs. Al. Healey on Wednesday, July 19th, girl.

Work on the new Perrin block is progressing nicely. The floor is being laid this week. The sidewalls of the first story have been plastered.

It is expected that Northville Commandery Knights Templar, will attend the ceremonies of turning the sod for Pontiac's new Masonic temple on Saturday afternoon.

"The Awakening" being given under the auspices of the Detroit Grotto, is attracting great crowds nightly. The fireworks display is said to be the most marvelous ever given in the city.

September 19th to 22d, inclusive, will be the dates of the Washenaw County Fair this year. The fair will be held on the new fair grounds at the west city limits of Ann Arbor.

Mr. Marvin Carpenter, who has been at North Star the past seven weeks caring for her sister, Mrs. MacLaren who had bad misfortune to fall and break her hip, has returned to her home here.

During the past week many of our subscribers have responded promptly to our request for a renewal of their subscription accounts. There are still a goodly number from whom we would be glad to hear.

J. O. D. interurban track and field meet will be held at Dearborn on Labor Day, September 4th. Lodges taking part are Dearborn, Wayne and Plymouth. There will be something doing every minute all day and evening.

Dr. and Mrs. L. N. Tupper started Monday night on their western trip.

After visiting their daughter, Mrs. Cramer and the former's sister, Mrs. L. T. Bent, of Oregon, they will stop at all places of interest in different states. — Redford Record.

The Northville Record was 52 years old with the issue of last week. The

Record under the able management of E. E. Broek is one of the best week

paper published in Michigan, and is

certainly a credit to the village of

Northville.—Plymouth Mail.

William Dotson writes to friends

here that he has given up his plan

of visiting Northville this summer and will remain at Sandusky, Ohio.

Mr. Dotson is fearful that in view of the

present railway situation he might

have to walk home when the winds of

temperance begin to blow down.

Parents and descendants are ob-

liged to their flesh and building a

farm and raising the old and

young. Yesterday by June eve-

ry day, the threshing machine and

the mowers for the opening of school

The eighth annual outdoor and field

day of the Detroit Market Gardeners

society will be held at Put-in-Bay

Tuesday, August 1st. About four

hundred people will be in

A ball game with the Toledo market

growers will be a feature of the pro-

gram on the island.

The Library building was opened

to the public last Saturday after hav-

ing been closed for several weeks

while repairs and alterations were

being made. The building is now

very attractive with its new paint and

paper and its newly arranged book

shelves. A formal opening will be

granted later in the season.

Next Sunday at noon the Capuchin

Garden's team of Detroit will come to

Northville for a game with the Tor-

esters. The visitors are heralded as

one of the fastest aggregations of

ball players in the city, but as

Northville seems to be able to gather

them all in, whether fast or slow,

local fans need not worry about the

outcome of the game, except to be on

the side lines to help!

The strike situation seems to be

getting more and more complicated

and serious. Trains, both passenger

and freight, in all sections of the

country are being cancelled, until

some cities are very much concerned.

In Detroit, in fact, the situation is

becoming alarming, because if the

railways are crippled manufacturing

plants will soon be compelled to close.

The Record has been asked to make

an effort to find any of the heirs at

law and next to kin, either on the

father's or mother's side, of Benja-

min Edwards Stevenson, now deceas-

ed, but who was born in Wayne coun-

ty, October 8th, 1843. It is believed

he was born outside of Detroit, and

that his mother's maiden name was

Edwards, owing to the son's middle

name being Edwards. Anyone who

can supply any information will con-

fess a favor by leaving the facts at

this office.

The Ford Motors' ball team of High-

land Park came to Northville last

Sunday with the determination of

making the local team look like a lot

of punctured "tires" but they did not

figure accurately. When the game

was over and the clouds had passed

the score totaled eighteen to six in

favor of the home team. The visitors

though defeated, were not satisfied

and asked a return game, when they

hope to regain their reputation. The

date selected is Sunday, August 27th—

giving the visitors a good long time

in which to practice.

Harry Elliott put eave troughs on a

Plymouth residence this week.

The Northville municipal band has

been engaged to play for two days at

South Lyon Home coming in August.

Mr. and Mrs. A. H. Kohler and

daughter, Miss Lena Kohler, left yes-

terday for an outing in Canada. They

will be gone for some time.

Mr. and Mrs. Thomas Schoof of

Plymouth and Waldo Elliott left Wed-

nnesday for Gladwin and other points

in central and northern Michigan.

The annual meeting of the stock

holders of the Northville Loan &

Building association will be held this

evening at the store of John McCull

at 8:00 o'clock.

A number of maple trees about the

village seem to be dying. It is

believed the trouble is a lack of mois-

ture. Dig a trench about the roots

and apply water freely.

The Watts-Young-Perkins party

writes Northville friends on Monday

from Atlanta, Ga., stating they were to

start for home on Tuesday. They

have had a delightful trip thus far.

There will be a Grange rally at

Lake Orion on Monday next, in which

the Granges of Oakland, Macomb,

Lapeer and Tuscola counties will take

part. A very interesting program

will be given.

The Detroit orchestra rendered a

delightful program at the sanatorium

on Saturday night to the delight of a

large

MORTGAGE SALE

Detail having been made for more than thirty days in the payment of overdue interest under a certain mortgage made by Jas. Rubin and Esther Rubin, his wife, and Isaac Larar and Sarah Larar, his wife, of Salem township, Washington county, Michigan, mortgagor to William D. LeClear, of the same place, mortgaged date January 24, 1921, and recorded in the office of the Register of Deeds for the county of Wayne, State of Michigan, on January 31, 1921, in Liber 164, of Mortgages on page 178, which mortgage was on a house 17x23, 1921, as signed by said William LeClear at the Elkhorn State Savings Bank of Northville, Michigan, which assignment was recorded on March 12, 1921, in said Register of Deeds office in Liber 34 of Assignment of Mortgages on page 303, and said mortgage, by reason of said default, having elected to declare and now declaring all of the principal and interest of said mortgage due and payable immediately, on which mortgage the whole amount claimed to be due at the date of this notice, for principal and interest, is the sum of Seven Thousand Seven Hundred Eleven and 80/100 Dollars, as provided for in said mortgage, and by law, and no suit or proceedings at law having been instituted to recover the moneys secured by said mortgage, or any part thereof.

Notice is hereby given that, by virtue of the power of sale contained in said mortgage and the statute in such case made and provided for the 9th day of October A.D. 1922, at 12 o'clock noon, Eastern Standard Time, the undersigned will, at the southernly entrance of the Wayne County Building, in the City of Detroit, Wayne County, Michigan, that being the place where the Circuit Court for the County of Wayne is held, sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforementioned on said mortgage, with seven per cent interest and all legal costs, together with said attorney's fee, to wit:

The northerly thirteen-feet and four inches of Lot No. 586, also the southerly thirteen-feet and four inches of Lot No. 587 of Johnston's Subdivision of the Lafontaine Farm, Private Claim 44, as per record in the office of the Register of Deeds for Wayne County, Michigan, said premises being situated on the west side of Sixteenth street, between Breckinridge street and Grand River avenue, Detroit, Wayne County, Michigan.

Dated, July 11th, 1922.

W. R. DICKERSON

STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF WAYNE - IN CHANCERY.

Myron E. Atchison and Myrtle Atchison, plaintiffs,

vs.

Daniel L. Cady, Alonso W. Hosner, William F. Hughes, William H. Brigham and Lydia A. Brigham, or their unknown heirs, devisees, legatees, legalies and assignees, defendants.

At a session of the said court, held at the court house in the city of Detroit, in said county, on the 18th day of July, A. D. 1922.

Present—the Hon. Ira W. Jayne, Circuit Judge.

In this cause it appearing from the bill of complaint filed herein, and from the affidavit of Myron E. Atchison and Myrtle Atchison the plaintiffs herein, that Daniel L. Cady, Alonso W. Hosner, William F. Hughes, William H. Brigham and Lydia A. Brigham, or their unknown heirs, devisees, legatees, legalies and assignees, are necessary and proper defendants herein, and it further appearing that after diligent search and inquiry, that the said plaintiffs have been unable to ascertain the whereabouts of any of the persons who are included as defendants herein.

On motion of William S. McNair, the attorney for the plaintiffs, it is ordered that the appearance of the said defendants, Daniel L. Cady, Alonso W. Hosner, William F. Hughes, William H. Brigham and Lydia A. Brigham, or their unknown heirs, devisees, legatees and assigns, be entered in this cause within three months from the date of this order; and that in case of their appearance, or the appearance of any of them, they respectively cause their answer or the answer or answers of such of them, as shall have appeared to the bill of complaint in this cause to be filed and a copy thereof to be served on the attorney for the plaintiffs within fifteen days after the service on them, or such of them as shall have appeared respectively, or their respective attorneys, of a copy of said bill and notice of this order and that in default thereof the said bill of complaint to be taken as confessed by them, that the said defendants, or their unknown heirs, devisees, legatees, and assigns, respectively.

And it is further ordered, that within twenty days the said plaintiffs shall cause a copy of this order to be published in the Northville Record, a newspaper, published and circulating in said county of Wayne, and that such publication be continued therein once in each week for at least six successive weeks, or that they cause a copy of this order to be personally served on each of the said defendants, or their unknown heirs, devisees, legatees and assigns, at least twenty days before the time above prescribed for their appearance.

IRA W. JAYNE, Circuit Judge.

William S. McNair, Attorney for Plaintiffs.

Northville, Michigan.

TO THE ABOVE NAMED DEFENDANTS:

Take notice that the above bill of complaint is filed to quiet the title of the said plaintiffs in and to certain land in the Village of Northville, county of Wayne, and state of Michigan, described as follows, to-wit:

Lot number (11) eleven, in block (12) twelve, according to the plan of the Village of Northville as recorded.

Dated at Northville, Michigan, this 18th day of July, A. D. 1922.

ADVERTISEMENTS**SANITARY SEWERS AND WATER MAINS, NORTHVILLE, MICHIGAN.**

Bids August 14, 1922.

Sealed proposals will be received up to 8 p. m., August 14, 1922, by the Village Clerk, at the Village Hall, Northville, Michigan, for the construction of Section No. 4 of the Sanitary Sewers and Water Mains.

Approximate quantities:

Section No. 4, 431 ft. of 8-in. sewer and 15 manholes.

Water Mains, Lay 180 ft. of 10-in. cast iron, 12-in. and 16-in. 1,000 ft. of 10-in. pipe.

Plans and specifications are on file at the office of the Village Clerk and copies may be secured from the office of Clarence W. Hubbell, consulting engineer, 2348 Penobscot Building, Detroit. A deposit of \$100 will be required, which will be refunded upon the return of the plans and specifications in good order on or before August 25, 1922. Contractors may bid on either of both jobs.

Certified Checks for the sum \$100.00 on Section No. 4 and \$300.00 on the Water mains, made payable to the Village of Northville, must accompany each bid. In case of failure or neglect to enter into contract and furnish the required bonds within the time specified the certified check shall be forfeited to the village of Northville.

No bids will be received unless made on the blanks furnished and delivered to the Village Clerk before 8 p. m., August 14, 1922.

The Village reserves the right to reject any or all bids.

By order of the Village Council,

T. E. MURDOCK,
Village Clerk.

OLD STONE SCHOOL REUNION

The second reunion of teachers and scholars of the Old Stone Schoolhouse will be held at the home of Mr. and Mrs. Elmer Jones, four miles east of South Lyon, on Friday, August 11th.

A pot-luck dinner will be served at noon and dishes and silverware will be furnished at the house.

If you have ever taught or gone to school at East Lyon Stone Schoolhouse come bring your family and renew memories of bygone days on August 11, 1922.

All forenoon trains will be met at South Lyon.

WATER NOTICE.

Although the consumption of water in Northville is, at least, double the quantity used ten years ago, by pumping constantly, we expect to be able to continue allowing sprinkling of lawns and gardens; but must ask a number who sprinkle nearly all day and part of the night to cut it down to an average of one-half hour per day.

It is also requested that all leaks be repaired and as little water be wasted as possible.

The above is asked in order to insure drinking water for everyone at all times and a sufficient supply for fire protection.

One of the committees with the Water Commissioners covered the whole village recently and noticed considerable waste of water, which makes it necessary to publish this notice and we hope it will not be necessary to restrict further or forbid sprinkling entirely.

ERNEST LYKE,
Water Commissioner.

To Polish Glass.

Glass is polished in various different numbers. Plate glass is roughed with sand, smoothed with emery, and polished with crocus. A good polishing powder for show cases consists of rosin alum, burned and finely powdered, six parts; powdered chalk, one part, mix and apply with a dry brush.

Time Kept by Standard Clocks.

The time of the whole of the United States east of the Rockies is regulated by three standard clocks kept in an underground vault at the Naval Observatory, in Washington. These clocks are wound by electricity and their hands are transmitted electrically throughout the observatory; the vault is never entered except in cases of emergency.

To Be Good Readers.

Well, gentlemen, whatever you may think of these historical picnics, the dearest and most imperative duty lies on every one of you to be addicive in your reading. Learn to be good readers—which is perhaps a more difficult thing than you imagine. Learn to be discriminative in your reading; to read faithfully, and with your best attention, all kinds of things which you have a real interest in, a real not an imaginary, and which you find to be really fit, for what you are engaged in.

—Carlyle.

"He Will Not Move a Muscle."

A Coney Island Barker's speech is called by Marc Connelly thus: "Sir Ed-o-ard," the man with a face of stone. He will not laugh; he will not smile. Mock him, scoff him, jeer, jest, or jape. He will not move a muscle of the face. Sir Ed-o-ard believes that laughter, like grief, pain, sorrow, or any other emotion, can be controlled by the muscles of the face.

Should any lady make Sir Ed-o-ard laugh he has a standing offer to either forfeit ten thousand dollars or marry her.—New York Tribune.

At Home and Abroad.

A nine-year-old youngster who has a cultured mother and has received the most careful training all his young life, had his luncheon alone downtown recently. His family is exceedingly careful of his diet at home, but the boy placed on his own tray baked beans, a dill pickle and brick of ice cream. He timed himself to determine how quickly he could consume the beans with a soup spoon, used a knife and fork for the brick cream, and threw the pickle at a schoolmate who sat at an adjoining table.—*Wide World*.

Wolverine**News Brevities**

Grand Rapids—Persons interested in potato growing will make a tour of the Western Michigan potato districts from Aug. 21 to 24.

For 1922 an increase of \$2,000,000 in the total crop yield of St. Clair County over that of 1921 is predicted.

Lansing—The state administrative board has authorized immediate commencement of the foundations for the new \$450,000 physics building at the University of Michigan.

Port Huron—A posse of farmers, many of them armed with shot guns, broke up a gypsy camp near here and recovered the loot of two robbers which they charge the gypsies committed.

Big Rapids—A boy, 16 years old, of Chicago, a traveling man, died of injuries suffered when the automobile, in which he was driving, ran into a culvert, two miles north of Morley.

Flint—Flint City council has raised the speed limit for automobiles to 25 miles an hour in residential districts and 15 miles in the business district, five miles an hour faster for each section.

Ann Arbor—Delegates to the annual meeting of 2,500 representatives of American Legion Posts from every section of the state, will meet here Sept. 5 and 6 in the annual state convention of the American Legion.

Detroit—Edward Tiago, 29 years old, was fatally injured when the belt of a machine on which he was working at the Northern Engineering plant snapped. The belt struck Tiago's head, fracturing his skull.

Cadillac—Two hundred and forty-one residents of Cadillac have signed a petition to abolish the teaching of dancing in the public schools. Aerobic dancing is included in the curriculum of the girl's physical training department.

Mt. Clemens—The cherry crop, which was expected to be one of the largest in years, practically has been destroyed by an influx of insects, which attacked the trees, killing many. The damage will amount to \$35,000 thousand dollars, it is estimated.

Flint—Members of the Genesee road commission have begun the work of removing all advertising signs of every nature inside of eight of way along all trunk roads, following state orders. Many signs are on trees and fence posts obstructing the view of road signs for drivers.

Detroit—Michigan's youngest plaintiff in a libel case, in Jack Watson, 19 months old, who has filed suit for \$50,000 against the city of Detroit. Little Jack lost his right foot at the ankle when run down by an M. O. Brush street car on May 27, and has since been confined to a Recyclery hospital.

COAL SHORTAGE CUTS TRAIN RUNS

DRASTIC REDUCTIONS MADE IN
MICHIGAN TRAIN
SCHEDULES

ONLY 185,000 MINERS AT WORK

Survey issued by Secretary of Labor
Shows 610,000 Men on Strike—
Situation Becomes Serious.

Detroit—Further curtailment of passenger service, affecting the greater part of Michigan and part of Canada, was announced by the Pere Marquette railway Sunday. Several trains have been cancelled, due to the acute condition brought about by the strike of the coal miners, in addition to the score cut off by the company last week. Other roads have also curtailed schedules.

The situation is becoming more serious each day, officials of the road said. Railway service during the coming week was declared uncertain.

Boat lines operating out of this city also have been affected by the strike. The Detroit & Cleveland Navigation company announced that week it would suspend the day run to Cleveland.

The Nicholson Transit company has cancelled the Monday boat to Kingsville. Out of the White Star line and the Detroit & Windsor Ferry company still are maintaining normal schedules, although Walter B. Campbell, manager of the latter concern, said he did not know how long it would continue so far as his company is concerned.

Three-Fourths of Miners Idle.
Washington—Operators from coal producing districts of six states were asked Monday by Secretary Hoover to co-operate with the government and railroads in a plan to insure distribution of fuel to carriers and public utilities and to prevent profiteering during the strike emergency.

All angles of Hoover's scheme, which contemplated formation of a central committee to operate through local committees in producing districts of Virginia, West Virginia, Tennessee, Kentucky, Pennsylvania and Alabama, were thrashed out Sunday at a series of conferences of federal agencies involved.

Mr. Hoover's program is intended to give the country the full benefit of the proposed bituminous production in the face of a rapidly dwindling coal supply and active mine force.

According to a survey issued by James L. Davis, secretary of labor, 610,000 miners are now out on strike and 195,000 are still at work.

The policy of the Administration to go slow in the assignment of Federal troops to guard duty in the mine fields was indicated by John W. Weeks, secretary of war who stated that except at the request of state governors, troops would be detailed only after a survey of the situation in a troubled district.

U.S. MOVES TO APPORTION COAL

If Situation Becomes More Serious,
Priority Orders Will be Issued

Washington—Violently not counting on Preston's building's plan to use troops against the mines as a sure producer of coal for the needs of the immediate future, Secretary Hoover started the task of the administration working to effect a distribution of the available supplies of coal that will care for the needs or the railroads and the Northwest.

Secretary Hoover said that as yet the situation did not warrant the issuance of priority orders on the movement of freight. He said if the government is forced to issue priority orders, necessities of life would first be moved, and then essentials would have to be sidetracked.

Railroads must be given first call on current supplies of coal in order to increase the current supplies. Production in the non-union fields is falling off because of the lack of sufficient transportation.

U.S. PLANS NEW RESERVE ARMY

National Guard Divisions To Be
Officered by War Veterans.

Washington—Steps to establish a national position in readiness for the army as a development of the national military policy are forecast in a memorandum submitted recently by General Pershing to Secretary Weeks and made public Sunday at the war department.

The project contemplates assignment of national guard divisions to specific defensive positions on coasts and borders to which they would be sent in event of war.

U. S. EXPENSES CUT OVER A BILLION.

Washington—Ordinary expenditures of the government during the fiscal year just closed fell off by \$1,383,000,000 as compared with the previous year, while public debt disbursements showed a decline of \$2,131,000,000 according to a statement of classified expenditures for the 12 months ending June 30, issued by the treasury. For the last fiscal year, ordinary expenditures aggregated \$3,272,000,000 against \$5,116,000,000 for the year ending June 30, 1921.

ANNUAL FARM PICNIC

Grange to Work with Farm Bureau to
Make Outing a Big Success.

The fourth annual picnic of the Wayne County farm bureau will be held at Carpenter's Grove, two miles west of Wayne on Michigan avenue on Wednesday, August 8th. All of the Granges in Wayne County, including the Pomona, are cooperating to make this meeting one huge success; also the numerous community organizations and farmer's clubs will be in attendance and hold little individual picnics during their own hour.

There will be only one real speaker for the day, the aim being to give all of the time possible to visiting games and other recreation. Congressman John O'Ketcham, of Hastings, known to every Grange member and farm organization worker in Wayne county, was selected as spokesman and his theme will be the legislative program at Washington and how it is going to benefit agriculture not only in Michigan but all over the country. Congressman Ketcham is part of the "farm bloc" in Washington that is doing things and his talk will be of particular interest at this time.

The real feature so far as games concerned will be the horse shoe

ring contest open to all comers;

the program of some experts who re-

quested for this event. National

rule and regulation weight shoes will

be used. There will also be tug-of-

war and other events during the day.

Trip Wednesday, the 8th of August,

starting as early in the morning as

the road arrives; place Carpenter's

grove, just off Michigan avenue, two

miles west of Wayne, where there is

a new trout lake, bathing facilities,

boating and other features to give all

a good time. The Farm Bureau and

Grange are working together to make

this picnic a great success.

COLVIL STATE ROW & DELAWARE BUILDING.

Ind. authorized by contractors for the construction of the new Detroit Home of Correction were re-

quested by the board of commissioners on the Marion grounds because of the

dissent between the city and the state

over the question of the cost of board

DETROIT'S ANNIVERSARY PASSES UNOBSERVED.

Two hundred and twenty-one years ago Monday Sieur Antoine de la Mothe Cadillac, with a number of French adventure-seekers and Indians stepped from their rude canoes to the banks of what today is the Detroit river, and started a settlement which was to become one of the greatest of the continent. That fact gave Detroit a birthday, Monday, but there was no celebration. No holiday was declared.

Mr. L. P. Flint. Besides, his daughter and she leaves several relatives and friends.

Mr. and Mrs. M. N. Johnson returned home Friday from a delightful mid-summer vacation.

They motored up the central part of the state and returned down the east side, visiting the great fruit sections of the state.

FORMER NO. 1 LADY DIES IN IOWA

From the Springfield, Iowa, Journal we take the following notice of the death of Mrs. Judy Z. Flint, mother of Mr. A. L. Bradenburg of this village. Mrs. Flint was a former resident of New York and will be kindly remembered by many of our readers.

Mrs. Mary A. Flint passed away at her home in Sibleyton on Tuesday morning, July 18th, after an illness extending over a period of years.

Death was due to heart trouble incident to advanced age. The remains were taken on Wednesday to Stockton, Kansas, for interment beside her husband. Mrs. Flint moved to Sibleyton in 1907 and had since made this her home.

When a young girl Mrs. Flint became a member of the Methodist Episcopal church and later affiliated with the Baptist denomination.

Mrs. Flint was the mother of nine children, two of whom predeceased her in death.

Those who remain to mourn are Charles A. Flint, Stockton, Kansas; Jennie E. Bradenburg, of Northville, Mich.; Alta M. Tolle of Independence, Iowa; Boyd W. Flint of Sanborn, Jackson, L. Flint, Hominy, Oklahoma; Clarence W. Flint, Sioux City, Edith M. Jackson, Sanborn.

Besides the children, she leaves also nineteen grandchildren and eleven great grandchildren.

Mrs. Flint was a good neighbor and friend and during the first few years she resided here took an active part in church and society.

During the past several years she had suffered almost continuously, which prevented her leaving home.

Her many friends here and elsewhere unite in sympathy for those left in sorrow.
