NORTHVILLE, MICHIGAN.

GOOD RACE PROGRAM ARRANGED.

For the Northville fair this fall we will have the best race program ever given on the local track. Liberal purses have been offered and the three days' racing calls for purses amounting to \$1,950. The following are the events:

Thursday, September 28th.

2:30 trot Purse, \$300.00
2:30 pace Purse, \$300.00

Friday, September 29th.

2:15 trot Purse, \$300.00
2:17 pace Purse, \$300.00
Colt race, three-year-old and under Purse, \$250.00

Saturday, September 30th.

2:25 pace Purse, \$300.00
Free-for-all pace or trot Purse \$300.00

Harry Robinson of Plymouth will officiate as starting judge, and the committee in charge of the races is composed of W. H. Sloan, E. M. Starkweather, V. V. Johnson and H. H. Hamilton.

OPENED MACOMBER HOUSE.

W. J. Cowell is now the rental landlord at the Macomber House in the village. He has given the building a thorough cleaning from cellar to garret, painted all the woodwork and treated all the walls to a fresh coat of paint; covered the floors with an attractive linoleum and made the place look real home-like.

In cleaning up the place Mr. Cowell found a wagon load of empty bottles and a few sulf'ones stored away in a secret hiding place where the officers could not have found them had they searched the place. Some empty bottles were returned by someone Sunday, but Mr. Cowell is not interested in them; even so those who possess bottles should return them now, trouble themselves to return them. The old landlord has now moved and a new landlady is now in charge.

THREE YEARS OF FAITHFUL SERVICE.

Mrs. Jessie Roe of the local telephone exchange, has reached her position having just completed 26 years of service in Northville. Mrs. Roe has seen a great many changes and considerable progress in that time from the old 100 drop switchboard of 1902 with 50 subscribers to the big equipment just installed with over 600 subscribers.

During this time there has been 10 chief operators and 25 operators.

Twenty years is a long period of service, yet Mrs. Roe passes us the bat round, the work a pleasure and has always done her utmost to serve the public, knowing that success depends upon trying to please and help some one else.

SMITH-STAY.

Mrs. Jennie Stay daughter of Mr. and Mrs. Pratt Perkins of this place, and John S. Smith, a well-known and respected farmer, living near Northville, were quietly united in marriage in Detroit, Tuesday afternoon, July 28th, by Rev. F. N. Field former pastor of the Methodist church of this place. The bride is well known in Plymouth, having resided here for several years and the greater part of the time has been engaged in nursing. Many times she has been called to administer to the sick and suffering and whenever possible has given generously of her strength and time. Mr. and Mrs. Smith will resume on the groom's farm and the best wishes of Plymouth friends go with them for health and happiness—Plymouth Mail.

SURPRISES THEIR PARENTS.

Announcement has been made of the marriage of Miss Floyd Stay of this place and Ray Smith, son of John S. Smith, of Northville. The ceremony was quietly solemnized in Detroit, Saturday, July 15th. For the present, Mr. and Mrs. Smith are staying at the home of the groom's father, near Northville. Plymouth friends extend best wishes—Plymouth Mail.

While Mrs. Stay and Mr. Smith were perfecting plans for their marriage the daughter and son were evidently doing some planning also. At any rate the young people were married before their parents, and surprised the latter somewhat.

PATCHEN SCHOOL REUNION.

The picnic and reunion of the Patchen school, Nankin District No. 3, will be held on the school grounds, on the car line between Warren avenue and 113rd road, Saturday, August 12. A basket lunch at noon. There will be a program in the afternoon. Bring your family and meet your old schoolmates and teachers of days gone by—Plymouth Mail.

TAYLOR FAMILY HOLDS ANNUAL REUNION.

Members of the Taylor family were numerous about the home of L. Taylor north of town, last Saturday. Ninety people who claim to be descendants of some ancestral Taylor gathered around the long table set under the shade trees on the lawn and partook of a chicken pie "feed" that did make the above-mentioned tables groan a bit.

The occasion was the fourth annual reunion of the family and guests came from Detroit, Northville, Salem, Franklin, Milford, Pontiac, New Hudson, Alma and Rose City.

Colt race, three-year-old and under Purse, \$250.00

Novi News:

S. Dow Thompson and family of Marsnail have been visiting Novi friends.

Mrs. Frank Deer is spending short time at Petoskey and other northern points.

Mrs. L. Woodruff is in very poor health and is still with her daughter, Mrs. Archie Kent.

Mrs. Will Kirk and daughter, Tessie and Mrs. Kirk, Sr., all of South Lyon called on Mrs. Lizzie Coates Tuesday.

Mrs. Lizzie Coates has returned from a two-weeks' stay among friends at Algoma, Detroit and Whitmore Lake.

Clare Woodrum and Forest Wilcox accompanied by two friends drove out from Detroit Friday evening and called on Novi friends.

Franz Power is visiting his sister, Mrs. James Field, in Jackson. He was accompanied by Mr. and Mrs. Major Power of Ann Arbor.

The August meeting of the Wixom Farmers Club was held at the home of Mr. and Mrs. M. S. Pratt on the south shores of Elizabeth Lake, Wednesday, August 2nd.

A number of young people from the Wixom Baptist church have been camping at Silver Lake and last Sunday afternoon the pastor and members of the church went over to the lake and enjoyed an out-of-doors service.

The Oakland county W. C. T. U. will have a rally on the shores of Walled Lake, in Taylor's Grove and Pavilion on Monday, August 21st.

This will also include the Law Enforcement League of the county and it is hoped that this will be a very helpful and interesting day.

The members of the local W. C. T. U. also of Wixom and Walled Lake, are requested to be present, as well as members and officers of the Law Enforcement League. There will be some special musical numbers and several speakers including Mrs. Judge of Detroit, Mrs. Lockwood of Holly and others. Those who have affair in charge are desirous of a large attendance as there are important issues now confronting every American home every boy and girl—the time will be opportunity and therefore make it impossible to keep up and talk of at this time. Bring your families and friends in baskets, traps, cups etc., and everybody come and have a good time.

A settlement kept on each subscriber with the July bills reads "Wanted the latest preserved vegetables to obtain our opinion, clearly or dark and therefore make it impossible to keep up and give good reason to have our duty to the public to present the facts to the court and such action has therefore been taken, with the result that today a trial will be held in the city of Wixom before the public prosecutor. The trial will be conducted in the city of Wixom, Michigan, on August 21st, 1922, at 10 A.M.

WANTED: "Slippery Jim" fought a battle with Captain Dennison's Cohorts of the House of Correction Farm and the Chamber of Commerce of stand and dugout. Right off, but, also, he who puts trust in his neighbor, trusteth in something which is not, and thereby hazards his life.

Plymouth business men visited out and about the age for age Plymouth could suck the everlasting daylights out of Capt. Dennison's ancient bell flyers at any time and any place. No one knew just what Capt. Dennison's come of a late that lists to reason but never so threats.

Therefore the gage of battle was accepted, and the articles of war were signed to the effect that all warriors engaged in the combat were to be forty years of age or over.

But the Chamber of Commerce crowd were business men and it is a notorious fact that business men cannot only make figures talk, they can at will make them talk and sing and even turn them backwards in its well known flight. The figures four oh meant nothing in their young life. The gland doctor operated successfully on four or five of their alleged ball players, and when the game started, Capt. Dennison and his ancient, though game warriors realized it was to be the old battle of Age and Youth and Brains against Brawn.

To the cheers of Plymouth fair sex, who came in force, and the other guess of the farm three hundred strong, the game started with Old Man Davis, the half-century starlet and Charley Fleishman receiving his shots.

Rambo, Plymouth's man of beef and brains, came up as first sticker and though willing enough to meet Davis' delivery had to accept a base on balls. Two runs were allowed before Plymouth retired.

Five men faced Rambo in the first inning with no results to chalk up and the last of the second saw Plymouth give runs to the good.

Let us draw the mantle of charity about the rest of the conflict, for Age was weakened in the assaults of Youth and Harry Robinson's super-

ior line of pershage successfully drowned Capt. Dennison's hopes that ball games might be won by word of mouth. The day was nearly done but before the setting sun disappeared behind the verdant hills, Plymouth youth added insult to injury by adding nine runs to their score.

Victory belongs to Plymouth and sore arms and legs belong to all who took part in the memorable conflict, but memory is long and Capt. Dennison is game. Game to take the flower of Plymouth's business men and kick them to a frazzle on their own grounds.

"THE MAN WHO CAME BACK" AT THE GARRICK.

Out of deference to the man, others cast Miss Bonstelle will offer at the Garrick next week the gripping, red-blooded drama "The Man Who Came Back," by Jules Eckert Goodman from a story by John Fleming Wilson.

This play holds a record for long and continued runs in various cities and is great has been its popularity it will be sent forth the coming season by a touring company.

"The Man Who Came Back," which played several times in Detroit

was one of the plays that ran high in the voting contest conducted by Miss Bonstelle through the Garrick program—"Miss LuLu Bell" led all plays, followed by "Enter Madame," "The Second Mrs Tanqueray," "The Copperhead," "3 Live Ghosts," respectively, followed by "The Man Who Came Back" even though this play was not on the list published in the program.

MRS. WRIGHT IS COMING

While in Northville She Will Call on Several Ladies by Appointment.

Have you heard your friends say, when speaking of the popularity of some other woman. "What is there about her that attracts people to her so quickly?"

Let us answer this question for you. That woman, whose presence is felt at any gathering, knows first of all how to safeguard the clear skin and healthy complexion that nature has endowed her with; she realizes that

To Neglect the Skin is to
Forfeit Its Attractiveness

She also has the good sense to know that to get the best results she must follow the advice of someone who has successfully specialized in the beautifying of complexions, just as you seek the services of a specialist in time of sickness.

That's What Mrs. Wright Is—A Toilet Goods Specialist who has Succeeded in her Profession

That's why we contracted for a week of her services for the women of Northville.

Mrs. Wright will give you a Personal Demonstration of Jontee Toilet Requisites in your own home Free of Charge.

She will show you by actual massage how you can get the best results. If you are interested in your skin—and you should be—Mrs. Wright will be glad to show you how you can retain or restore its original attractiveness.

She arrives August 14th and will be with us until August 19th.

Understand her massage and advice on skin treatment costs you nothing whatsoever. Let us know when she may call upon you, and we will be glad to make the necessary arrangements.

Mrs. Wright's services are also Free to Women's Clubs—Just Phone us.

STATE MAY GET KENTUCKY COAL

FORD REPRESENTATIVES APPEAL TO GOV. MORROW FOR CO-OPERATION.

HOOVER FIXES NEW MINE PRICE

Operators Allowed \$3.75 a Ton Instead of \$3.50 But Higher Prices Are Being Paid.

Frankfort, Ky.—Representatives of Henry Ford on Sunday appealed to Governor Edwin P. Morrow to assist them in obtaining hurried relief for Michigan by devising some means whereby the production of Ford's eastern Kentucky coal mines can be diverted to the Detroit, Toledo & Ironton railroad, which is prepared to transport it at once to Detroit and other Michigan cities.

Following a conference which was held for several hours in the afternoon at the governor's mansion, the Ford officials left here apparently satisfied with their visit and with the hope they will be able to get some of the coal assigned to their tracks.

Governor Morrow declined to state what took place at the conference with the Michigan men. It is reported, however, that he reiterated to the visitors his previous statement that he wanted just as large a production of coal by Kentucky mines in the present national emergency as could be arranged for, and that surplus supplies might be forwarded to northern cities which are natural customers of Kentucky.

It was understood that E. G. Liebold, Charles E. Sorenson, W. L. Rockeman and C. B. Longley, members of the Ford party, would return to Louisville in time for the first meeting the following day of the Kentucky coal commission which was appointed by Morrow to take charge of production and marketing of the product in this state.

Kentucky operators have been told by Herbert Hoover that they would be allowed a rate of \$1.75 a ton at the mine instead of \$3.50 previously fixed as a fair price. It was also reported here that some northern cities are paying as high as \$11 a ton at the mines.

ENGINEER BLAMED FOR WRECK

Failure to Hear Signal Causes 87 Deaths and 138 Injured.

St. Louis, Mo.—Failure of an engineer to heed a block signal caused the rear end collision on the Missouri Pacific here August 5 in which 87 persons were killed and 138 injured, 23 seriously, according to John O'Conor, assistant general manager of the road.

Train No. 4, a fast passenger express, slowed after safely running at full speed through No. 32, a cloud composed of five wooden day coaches, a baggage and an express car, as the engine was taking on water with the catcher stretching back on a trestle over Glass Creek.

The train had run two of the local coaches down a 50 foot embankment, striking a misaligned and telescoped four other coaches, causing a number of passengers to die in their seats.

ROME DECLARES MARTIAL LAW

Warring Socialists and Fascisti Create Gravest Crisis Since War.

Rome—Martial law has been declared in the provinces of Genoa, Milan, Parma, Ancona and Leghorn according to an announcement made Sunday. The military authorities have been given complete control over these territories until order is restored.

In Rome, troops, armed with machine guns, rushed to the chamber of "députés" in order to protect it against possible attack by fascisti.

An appeal to the warring fascisti and socialists to end their bloody civil strife was issued following a meeting of Premier Facta and his cabinet.

OFFICERS TO DECIDE ON SITE

Construction of New Camp Custer Hospital Soon to Begin.

Rattle Creek—Captains Staib and Dershimer, from Washington, have arrived to look over a suitable site for the \$1,500,000 psychiatric hospital which the government plans to erect at Camp Custer. The incident of locating seems to have been settled, despite efforts of Colonel Sprague and Illinois politicians to swing official opinion back to the Great Lakes site. It is said that once the site is obtained construction work will begin.

BUDAPEST HAS DUELING CRAZE

Two or Three Mortal Encounters Almost Daily, Despite Sentiment.

Budapest—Budapest's dueling craze claimed a fresh victim when Colonel Leidenberger shot Captain Karlovsky, a member of the international Danube commission. Although the anti-duelists are continuing their campaign of active propaganda, and there are laws on the statute books prohibiting duels and providing punishment for the participants, yet there are two or three encounters almost daily.

C. MERRITT AND CHAS. THOMPSON WIN SHOOTING TOURNAMENT.

The trap shooting tournament held by the Northville-Plymouth Gun club August 6th, developed some unexpected results. Some of the new shooters gave the old-timers a surprise by topping their scores with a margin of several targets. Clyde Merritt, a native son, had his opponents in the game bag in the 50-target race for the club trophy. In this event Merritt was high with 48. His nearest competitor was F. E. Hills, who broke 47.50. H. B. Hall finished with three down.

In the 50-target Matt Powell, C. T. Trimmer, Harry Passage and F. E. Hills scored 48x50. Harry Passage proved his ability at the 16-yard targets and repeated the proof by breaking 48x50 in the handicap shooting from the 20-yard line.

The handicap winners in the handicap were C. Trites of Wyandotte and Charley Thompson of Detroit. In the first event they each made perfect scores. In the second each dropped one bird thus tying for the trophy in the shoot-off which followed. They weakened each man dropping three targets. In the second round Trites let three get away while Thompson made a perfect score and won the Badger trap gun.

Wm. Cruse, Wm. Renwick and C. H. Porter finished in third place with three down in fifty.

OBITUARY SARAH J. LUCAS

Sarah Jane Lucas was the second daughter of the Rev. Oliver and Mary Johnson and she was born at Wales Center, N. Y., October 11th, 1845.

Her early education was obtained in the rural district school. Subsequently the family moved to the town of Ellington, Chautauqua County, where she attended the Elliston academy. She attended school several terms and advanced to the teachers class and taught school many terms. In 1866 she was united in marriage to Corporal Ira Lucas of the 112th N. Y. Regt. of Volunteers. Mr. Lucas passed away to the great beyond in January, 1903.

Mrs. Lucas was converted at the age of 14 years, was baptized and united with the Free Will Baptist church. From that time until the last year she has been a faithful and consistent worker in the church.

Mrs. Lucas possessed a constant and abiding faith in the religion she professed. Her steps were never faltering and all who have known her will remember her for her fidelity and her constant activity in the discharge of duty.

In the year 1905 she came among us and has since been a resident of the village of Northville. She has been an active worker in the W. C. T. U. and the Baptist church of which she was a member at the time of her death. She leaves a daughter, Mrs. A. M. Gaylor of Erie, Penn., a long list of relatives and friends in different parts of the country, who will keenly feel her loss, and deeply regret her departure. The Baptist church has lost one of its best, ablest and most faithful workers, and the community a noble character.

She inherited a good many of the characteristics from her father, who was an early evangelist in the Baptist faith. He would go into a community where there was no religious services, and work up a revival and organize a church and then he would go to another church and he continued that work until he had baptized over six hundred converts himself and received them into the church.

HOPE FOR ENDING OF COAL STRIKE

AGREEMENT REACHED WHEREBY
SETTLEMENT ON NATIONAL
BASIS CAN BE MADE.

CONFERENCE MAKES PROGRESS

Proposed That Miners Resume Work
At Old Scale and Have Board of
Inquiry Named.

Cleveland, O.—Settlement of the nation-wide coal strike under a definite plan that may result in the making of wage agreements on substantially a national basis was presented to a conference here Wednesday of coal operators with officials of the union miners.

In the main the plan provides for resumption of coal production by union miners under the wage scales that existed when the strike began last April 1, and for the appointment of an advisory commission of inquiry within the coal industry the personnel of this commission to be approved by President Harding.

Existence of the plan which had been approved by some operators scattered over the country became known here Monday when union officials and operators controlling about one-third of the output of the central competitive field met both separately and jointly with a view of taking action toward breaking the coal strike.

The plan was understood to have the approval of John L. Lewis, president of the miners, and Alfred M. Ogle, president of the National Coal Association.

SHOPMEN APPEAL TO "BIG FOUR"

Refuse Harding Settlement Plan and Urge Other Unions to Join Strike.

Washington—President Harding's latest proposal to settle the railroad shopmen's strike failed Monday within a few hours after it was presented, and the country now faces the prospect of a general railroad stoppage.

The president's proposal that the shopmen return to work, that the rail road operators assign them to work and that both sides submit the issue of rate to the railroad board meeting to be held Saturday, determinedly opposed by the part of the shopmen.

It was answered promptly by the shopmen's leaders for a general conference of all the railroad labor organizations to be held in Washington on Friday this week for the purpose of concluding measures to make the shopmen strike more effective.

The four brotherhoods, the organization of operating men, were asked by the strikers to decline to operate equipment believed to be essential.

In this plan the strike leaders hope to bring about complete stagnation of the entire railroad transportation system of the country.

WARN'S FRANCE NOT TO STRIKE

Lloyd George Says Britain Will Not Tolerate Seizure of Ruhr

London—Premier Poincaré threatened to act alone against Germany if the Allies fail to support just claims, in an impassioned opening address in conference Monday morning, when he expounded France's needs and admitted the republic is in a desperate financial situation.

Replying, Prime Minister Lloyd George warned any single power against taking independent action, and urged Germany's case, asserting the Reichstag had done all possible to execute Versailles treaty obligations.

Lloyd George made the bitter pill of shocking Premier Poincaré's demands less unpalatable by promising France Great Britain's aid in enforcing Germany's obligations, "once the right method is found."

LABOR LEADER'S CASE DISMISSED

Wealthy Chicago Theater Janitor Freed On Murder Charge.

Chicago—The case of Cornelius ("Con") Shea, head of the theater janitors' union, and one of the three big Chicago labor leaders on trial here on murder charges in connection with the shooting of Police Lieutenant Lyons, has been dismissed.

Attorneys for "Big Tim" Murphy, Fred Mader and Daniel McCarthy asked the court to strike out a large portion of testimony against their clients, but the motions were denied.

P. M. FORCED TO REDUCE WORK

Railroad Curtails Service Because of Depletion of Coal Stock.

Detroit—Depletion of the reserve coal stock of the Pere Marquette has made it necessary for the railroad further to curtail service and reduce its present force of employees.

This announcement has been made by President Frank H. Alfred in an order to all in his employ.

The number of men who are affected by the reduction order was not mentioned in the announcement.

Demand for Draught Horse Increasing, Says Dickinson

Fair Manager Discusses Plans of Michigan Exposition to Aid State's Farmers.

There is greater demand for the draught horse today than there has been in the past several years and this demand is constantly increasing.

Mr. Dickinson believes George W. Dickinson, secretary and manager of the Michigan State Fair, Tawas City, would be the member of the board of managers in charge of the horse department, and Howard C. Allen, Washington Court House, O., would act as superintendent.

"It is surprising the popularity of the hunters and jumpers," said Mr. Dickinson in discussing plans for this year's exhibit, "and we also intend to show this class in its true form."

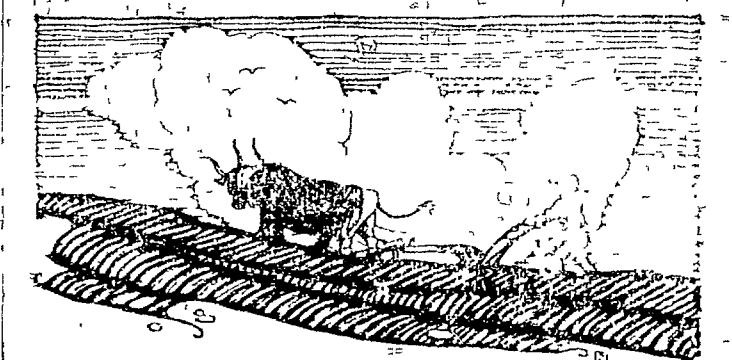

Prizes in the horse department will exceed \$12,000.

Mr. Dickinson is anticipating a great exhibition of sheep at the fair here September 1 to 10. He sees Michigan as one of the really great sheep raising states and stresses the government's recommendation that farmers employ draught horses on farms of 200 acres and less, if they hope to make money.

"It is the plan of the Michigan State Fair this year," says Mr. Dickinson, "to show how the draught horse can be used to profitable advantage, through a series of charts to be shown under the supervision of the United States Department of Agriculture."

This exhibit, he believes, will be almost identical to the one put on by the government at the National Fair.

Frank Coward of Bronson, treasurer of the Michigan State Grange, and a member of the board of managers will be in charge of the sheep department, Mr. Dickinson announced.

STATE MAY GET KENTUCKY COAL

FORD REPRESENTATIVES APPEAL
TO GOV. MORROW FOR
CO-OPERATION.

HOOVER FIXES NEW MINE PRICE

Operators Allowed \$3.75 a Ton Instead
of \$3.50 But Higher Prices
Are Being Paid.

Frankfort, KY.—Representatives of Henry Ford on Sunday appealed to Governor Edwin P. Morrow to assist them in obtaining hurried relief for Michigan by deviating "some means whereby the production of Ford's eastern Kentucky coal mines can be diverted to the Detroit, Toledo & Ironton railroad, which is prepared to transport it at once to Detroit and other Michigan cities.

Following a conference which was held for several hours in the evening noon at the governor's mansion, the Ford officials left here apparently satisfied with their visit and with the hope they will be able to get some of the coal consigned to their tracks.

Governor Merritt declined to state what took place at the conference with the Michigan men. It is reported however, that he reiterated to the visitors his previous statement that he wanted just as large a production of coal by Kentucky mines in the present national emergency as could be arranged for, and that surplus supplies might be forwarded to northern cities which are natural customers of Kentucky.

It was understood that E. G. Lebold, Charles E. Sorenson, W. L. Rockefellman and C. B. Longley, members of the Ford party, would return to Louisville in time for the first meeting the following day of the Kentucky coal commission which was appointed by Morrow to take charge of production and rationing of the product in this state.

Kentucky operators have been notified by Herbert Hoover that they would be allowed a rate of \$3.75 a ton at the mine, instead of \$3.50 previously fixed as a fair price. It was also reported here that coal northern miners are paying as high as \$11 for a ton mines.

ENGINEER BLAMED FOR WRECK

Failure to Hear Signal Causes 37 Deaths and 118 Injured.

St. Louis Springs, Mo.—Failure of an engineer to heed a hush signal caused the recent collision on the Missouri Pacific here August 5 in which 37 persons were killed and 118 injured, 25 seriously, according to John O'Connor, assistant general manager of the road. Train No. 14, fast passenger train, although well-trimmed at full speed, crashed into No. 32, which had stopped for the wooden day coaches a baggage and express car as the engine was taking on water with the coaches stretching back on a trestle over the lake.

The impact buried two of the last coaches down a 50-foot embankment edge the Mississippi and telescoped four other coaches, crushing a number of passengers to death in their seats.

ROME DECLARES MARTIAL LAW

Warning Socialists and Fascisti Create
Gravest Crisis Since War.

Rome.—Virtual law has been declared in the provinces of Genoa, Milan, Prima Astoria and Leghorn, according to an announcement made Sunday. The military authorities have been given complete control over these territories until order is restored. In Rome, troops armed with machine guns rushed to the chamber of deputies in order to protect it against possible attack by fascisti.

An appeal to the warring fascisti and socialists to end their bloody civil strife was issued following a meeting of Premier Facta and his cabinet.

OFFICERS TO DECIDE ON SITE

Construction on New Camp Custer Hospital Soon to Begin.

Battle Creek—Capitals Stall and Dersimer, from Washington, have agreed to look over a suitable site for the \$1,000,000 psychiatric hospital which the government plans to erect at Camp Custer. The incident of the shooting seems to have been settled, despite efforts of Colonel Sprague and Illinois politicians to swing official opinion back to the Great Lakes site. It is said that once the site is obtained construction work will begin.

BUDAPEST HAS DUELING CRAZE

Two or Three Mortal Encounters Almost Daily, Despite Sentiment.

Budapest—Budapest's dueling craze claimed a fresh victim when Colonel Leidenberger shot Captain Karlovsky, a member of the international Danube commission. Although the anti-duelists are continuing their campaign of active propaganda, and there are laws on the statute books prohibiting duels and providing punishment for the participants, yet there are two or three encounters almost daily.

MERRITT AND HIS SON WIN SHOOTING TOURNAMENT.

The trap shooting tournament held by the Northville-Plymouth Gun Club August 6th, developed some unexpected results. Some of the new shooters gave the old-timers a surprise by topping their scores with a margin of several targets. Clyde Merritt, a native son, had his opponents in the game bag in the 50 target race for the Club trophy. In this event Merritt was high with 48. His nearest competitor was F. E. Hills, who broke 47x50. H. B. Hall finished with three down.

In the 50 targets Matt Powell, C. T. Trimmer, Harry Passage, and F. E. Hills, scored 48x50. Harry Passage proved his ability on the 16-yard targets and repeated the proof by breaking 48x50 in the handicap shooting from the 20-yard line.

The head liners in the handicap were C. Trites of Wyandotte and Charles Thompson of Detroit. In the first event they each made perfect scores. In the second each dropped one bird, thus tying for the trophy in the shoot-on, which followed, they weakened, each man dropping three targets. In the second round Trites set three get away while Thompson made a perfect score and won the Baker trap gun.

Wm. Gavers, Wm. Renwick and C. H. Porter finished in third place with three down in fifty.
