EDITORS MET AT ANN ARBOR.

The editor of The Record had the pleasure of attending the annual meeting of the University Press club at Ann Arbor last Friday and Saturday, when newspaper publishers from all sections of the state gathered to discuss subjects of mutual helpfulness. On Thursday night Melvin E. Stone was the guest of the club at a dinner at the Michigan Union, where the sessions of the meeting were held, and where the visitors were extended every courtesy by the management and the university authorities.

On Friday night the editors were guests of President Burton of the University at dinner and after the spread had been partaken of Mr. Burton told his guests about the university's building program—what had been accomplished during the past two years and what the regents hoped to accomplish within the next few years. The program as outlined is an extensive one, and will call for the expenditure of several millions of dollars, but it has been well planned and in the opinion of President Burton it must be carried through if Michigan is to do its full duty to the more than eleven thousand young men and

women who are attending the institution.

On Saturday afternoon the editors were taken for a trip about the campus under personal direction of Mr. Burton, who explained in detail the sites of the proposed new buildings and pointed out the needs of the several departments many of which are now badly crowded.

Saturday noon the visiting editors and their families enjoyed a specially arranged luncheon as one big family and in the afternoon they were the guests of Coach Vost at the Illinois Michigan foot ball game.

The meeting proved most profitable and enjoyable and all present will look forward to the meeting to be held next October.

COURT NORTHVILLE, F. OF A. HIGHLY HONORED.

On the evening of November 17th, Court Northville, Foresters of America, will have the honor of entertaining Supreme Chief Ranger George P. Sullivan of New Jersey, who is coming to Michigan for a visit to the Courts at Calumet, Detroit and Northville. He will be accompanied by a number of Grand Court officers. The guests will be entertained at dinner at the Ambler Hotel at six o'clock. Following the dinner there will be an open meeting at Foresters' hall at 7:30. To this meeting each member is urged to bring a gentleman friend.

It is a distinct honor for Northville to be chosen as one of the three towns in the state to be visited by the Supreme Chief Ranger and the fact that he has selected Court Northville indicates that the local organization is regarded as a pretty likely and aggressive link in the great Forester chain.

MISS SCHULLING MAY GO TO AUSTRALIA.

Northville people who have had the pleasure of hearing Miss Schulling will be interested in the following item taken from the Free Press of last Sunday:

"The first artist's tea of the Drama league, season of 1922-23, was given in the hall room of the Hotel Statler Wednesday, at 3 o'clock. Honor guests were Miss Bonstelle and members of her company. Other honor members were Miss Margaret Schulling, mezzo soprano; Mr. John Koneczny, tenor; Miss Margaret Mannebach, and Mr. Herman Hoexter accompanied, who offered a short musical program. It will interest Drama league members to know that Miss Schulling's proper voice has been discovered to be mezzo soprano instead of high soprano. She is working now with Herman Hoexter for repertoire which she hopes to have ready to go to Australia with Scotti."

FORD MAKES 401,264 MACHINES IN QUARTER.

The greatest monthly production of the American plants of the Ford Motor company stands at 136,132 cars and trucks.

In August, 1921, it was necessary for the American plants to build but 109,187 cars and trucks to establish a record for a month.

Home plant production in August this year was thus approximately 27,000 cars and trucks greater than the same month of 1921—yet both were record-breaking periods.

Three times this year production has touched the 130,000 mark for the American plants, June, July and August, and during these three months 401,264 cars and trucks were turned out.

NORTHVILLE TO HAVE NEW HEALTH RESORT

During the past week a deal has been consummated whereby Dr. A. B. Wickham, who is director of the division of home treatment of the Detroit Board of Health, has become the owner of the beautiful home of W. E. Scotten, locally known as "Broadview". Mr. Wickham has acquired the property for the purpose of converting the premises into an institution to be known as the Northville Academy of Health, and extensive alterations and repairs will be made in the house and many improvements will ultimately be made on the beautiful grounds surrounding it.

Dr. Wickham has had this project in view for some time and he has given the matter very careful study and he has concluded that Northville possesses advantages for a health resort not found in any section surrounding Detroit. The Scotten home is fully twelve hundred feet above sea level and its wooded hillside and pure spring water made a very strong appeal to a health specialist who is as thorough in matters pertaining to his chosen profession as Dr. Wickham has the reputation of being. He is very enthusiastic over the project and with his experience and medical knowledge he will, doubtless, establish an institution here that will become second to none in America.

It is expected the institution will be opened for the reception of patients about February 1st.

Dr. Scotten acquired the property a couple of years ago from the Buchan family and he soon converted the premises into one of the finest and most attractive country estates to be found.

SCOTT'S GAME FORFEITED TO NORTHVILLE.

The third game of ball between Franklin and Northville was played at Franklin last Sunday after each team had previously won a game. But the final game was settled by the Franklin umpire in the first half of the ninth inning. He awarded the game to Northville 9 to 0, by forfeit after Franklin stalled for fifteen minutes apparently for darkness to set in. From the side lines, it appeared that Franklin was bound to win if they had to resort to unsportsmanship to do it. One umpire vacated the box in the fifth inning after he had made a decision against the visitors that would not appear good on a movie screen.

In the ninth inning, Northville called for a decision by the new Franklin umpire upon a wild thrown ball in the crowd. It was decided according to the Franklin home ground rules and it meant practically defeat for their club. So it was at this time that stalling began by the home team. A Northville player leaped on third base and another on second with one-out, and a batter up. But no pitcher would deliver the ball so the Franklin umpire called the game forfeited to Northville 9 to 0.

On the score sheet, the score stood 6 to 6. It was the largest attendance of the season with about 1,500 fans on the side lines. No pop bottles were thrown, but there is still to settle 9,000 arguments. The manager of the Northville club is reported to have said that he will play his team against the same opponents at any time at any place for any amount with a neutral umpire officiating. Now, who said that the base ball season is over with.

MUSOLFF-WARD MARRIAGE.

In the quiet evening of Wednesday, October 25th, a bridal party left Northville for the Lutheran church at Farmington, where Rev. Lorenz read the ceremony which joined in holy matrimony, Harry Louis Musolff, youngest son of Mr. and Mrs. Edward Musolff of Lyon township and Jennie Mae Ward of Northville.

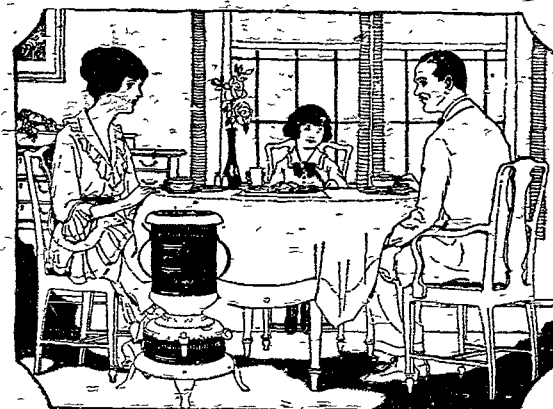

Miss Edith Preistly and Charles Musolff were the attendants.

The bride was charmingly dressed in midnight blue georgette, draped with Spanish rose-point lace and carried white rose buds.

The bridesmaid was also dressed in blue and carried pink roses.

The bride has been a resident of Northville and vicinity for the last four years, and in that time has made a host of friends who join in wishing these young people a happy and prosperous wedded life.—A Friend

Mrs. Catherine Wing, who has been on a visit to Lansing and Jackson for three weeks, has returned home.

FLORENCE OIL HEATERS

KEEP the breakfast-room warm and toasty these crisp Fall mornings with a Florence Oil Heater. Neat, compact, and beautiful, the Florence Oil Heater gives generous heat. Besides, it is easy to keep clean. One gallon of kerosene gives twelve hours of heat.

An indicator tells at a glance when the large supply tank needs refilling.

Come in and see this beautiful heater. Three beautiful finishes to choose from.

THE CHOICE OF FRIENDS AND READING.

Your family is worth the best you can give it. You desire for their enjoyment the best home, the best food, the best clothes that you can afford. And you are very careful that they cultivate the right kind of friends. But are you just as careful about choosing the right kind of reading? You should be, for reading has a marked influence upon character, especially the reading that comes under the eyes of the young and impressionable. If you choose the Youth's Companion you are giving your family an acquaintance with the best there is in periodical literature.

If you see the Companion in a house you may be sure it is a safe family to tie up to a family worth knowing. Try it for a year and see.

The 52 issues of 1922 will be crowded with serial stories, short stories, editorials, poetry, facts and fun. Subscribe now and receive:

NEW BOWLING ALLEY AND BARBER SHOP OPEN SATURDAY.

The basement at the re-modeled Joslin building is about completed. The barber shop and bowling alley located there will open for business on Saturday.

The first bowling game will take place at one-thirty o'clock and will be contested by C. A. Sessions and Joe Weston in doubles against Richard Kilgus and Horace Boyden. This game came about through the enthusiasm of Sessions and Weston who shipped the remark that they could defeat any two in the village. Possibly they may have taken in too much territory but they are willing to be shown better if they travel north on their bowling trip.

It will be an even break for both as the boys will have no opportunity to practice due to the closing of the bowling alley.

Barber Shop and Bowling Alley. The barber shop and bowling alley are located in the basement of the Joslin building.

There is no doubt about the management, but that Northville will have a good, clean amusement and business place.

THE LONG CHRISTMAS GIFT.

There are many good gifts that one can choose at Christmas but for long-lasting satisfaction long drawn-out what is there, after all, that can be named in the same breath with the Youth's Companion? The magazine only began with the first Christmas number. There are now through the 52 weeks of the long year it is constantly supplying fresh sources of enjoyment and information. Now it is the beginning of a new year then it is a contribution of vital interest to the youth interested in pure science, literature, history, art, or a story of a man who has made a mark in the world.

But why say that? The Youth's Companion is a gift that is not only a pleasure but a necessity.

The 52 issues of 1922 will be crowded with serial stories, short stories, editorials, poetry, facts and fun.

U. S. INDEPENDENT IN NEAR EAST ROW

GOVERNMENT ASSUMES NO RESPONSIBILITY BUT INSISTS ITS RIGHTS BE GUARDED.

WANTS MINORITIES PROTECTED

Note—Shows Concern for Humanitarian Rights and Educational and Religious Institutions.

Paris—The reply of the American government to the invitation of the Allied powers that America participate in the peace conference at Louvain for settlement of Near Eastern questions was presented to Premier Poincaré, Monday evening by the American ambassador, Mr. T. H. Rockwell. The substance of the reply was made public.

After pointing out that the principal purpose of the proposed conference was the drawing up of a treaty of peace with Turkey and dealing with problems resulting from the state of belligerency between the Allied powers, Turkey and Greece, the reply says:

"The United States does not desire to participate in the final peace negotiations or assume responsibility for the political and territorial adjustments which may be effected, for the reason that it is neither at war with Turkey or party to the armistice of 1918."

"The United States government, however, does not desire to leave the impression that United States interests are less entitled to consideration than those of any other power, neither is it desirous of relinquishing rights enjoyed in common with other powers or is it unconcerned with the humanitarian interests involved."

Among the points to be taken into consideration are:

First, the protection under proper guarantees of philanthropic, educational and religious institutions.

Second, appropriate undertakings to secure freedom of opportunity, without discrimination of special privileges for commercial purposes.

The United States while it desires to protect its rights and assure a policy of the open door has no intention of seeking for itself or its nationals a position of special privilege. It further desires to assure the protection of civilians who wish to continue their education or humanitarian work which has been carried on in the Near East for generations and which under present conditions would amount to be more essential than ever.

NEW ITALIAN PREMIER HAILED

Signor Mussolini Centers With King Emanuel On Problems.

Rome—Benito Mussolini, chief of the Fascists and the new premier of Italy, arrived in Rome at 11 o'clock Monday morning. He was greeted at the railroad station amidst the wildest enthusiasm by tens of thousands of people who acclaimed him the savior of the country.

He conferred with King Victor Emanuel for an hour immediately after his arrival and he then proceeded to the Hotel Savoy, opposite the Tribune's Rome bureau which was full of American tourists cheering him.

Signor Mussolini made a short address from the balcony of the hotel, in which he said:

"The Fascists are completely victorious. I have come to Rome not only to give Italy a ministry but a true government. In a few hours you will have such a government. Long live King Victor Emanuel. Long live victorious Italy. Long live Fascism!"

"EARL" ALSO WANTED IN CANADA

Warrant Charges Fraud in Sale of Worthless Stock.

Charlevoix, Mich.—A warrant for the arrest of A. J. Walker Greig, "Earl of Dunblane," on trial before Judge George W. Sample and jury here for larceny by conversion issued in St. Thomas, Ont., by Police Magistrate C. F. Maxwell, was received Monday by Sheriff George W. Weaver, of Charlevoix county. It was accompanied by a letter from D. T. Augustine, chief constable of Aylmer, Elgin county, Ont., asking that the "earl" be held for the Canadian authorities in the event of his acquittal here.

The warrant alleges that Greig "fraudulently converted to his own use" \$350 paid to him by a resident of Aylmer for stock in the Title Guaranty and Casualty company, the charge being similar to that on which he is now being tried.

MARRIAGE LAXITY IS MENACE

Bishop Sumner Declares U. S. Ranks Next to Japan.

Chicago—"Next to Japan, we are the worst nation in the world so far as the sacredness with which we regard the marital tie is concerned," said Bishop Walter T. Sumner, of Oregon, who is visiting in Chicago. "Modern marriages are virtually nothing more than 'trial marriages' he continued, and the United States is in danger of becoming the most dissolute nation in the world."

THREE AMENDMENTS TO BE VOTED UPON TUESDAY.

In addition to the regular official ballot, which will contain the names of all the candidates to be voted for, each voter on Tuesday next will be given a ballot containing three proposed amendments to the state constitution, and they will appear in the following order:

"Amendment to Article XIII of the constitution empowering the legislature to authorize municipalities to condemn and to take the fee to excess land and property for parks, etc., and to issue bonds therefor; authorizing enactment of an income-tax law, and amendment relative to the incorporation of ports and port districts with power to engage in work of internal improvement."

Under the first amendment the legislature is authorized to make municipalities subject to reasonable limitations to condemn and to take the fee to more land and property than is needed in the acquiring, opening and widening of streets, boulevards, public places, streets, alleys, or for any public use, and after so much of the land and property has been appropriated.

The second amendment, regarding an income tax law, has been discussed for months. Under its provisions, as drafted, the legislature shall provide by law a uniform rule of taxation except on property paying specific taxes, and taxes shall be levied on such property as shall be prescribed by law. Provision may be made by law for a tax not to exceed four per centum upon or with respect to the net gains, profits and incomes from whatever source derived, which tax may be graduated and progressive and which may provide for reasonable exemptions.

Cities and villages on the Great Lakes are principally interested in the third amendment which is in Article VIII of the constitution and provides that the legislature may provide for the incorporation of ports and port districts and confer power upon them to engage in work of internal improvements in connection therewith.

HAVE YOUR AUTO TUNED UP FOR WINTER

Bring your Automobile to the Church Street Garage and have it put in good running order for winter use. There will be a grand rush later in the season, but now we can give your car just that particular attention it needs.

G. W. Deal is in charge of our Service Department and he will be pleased to serve you.

Drive in any time. We will not keep you waiting long.

Order Your Coal Now!

It will be a help to your local dealer if you will place your order for coal now if you have not already done so. We are receiving some Soft Coal and Coke these days and hope to secure some Hard Coal soon, but it is scarce and hard to get.

Our advice is not to wait for Hard Coal. Let us put some Soft Coal in your bin so you will have some fuel when cold weather comes.

Like every other coal dealer we are doing our very best to supply our patrons, but the task has been a difficult one. Very little coal compared with former years, has been mined during the past few months, and now everybody wants coal.

Give us your order and we will do our best.

FARMINGTON BOYS MAKE GOOD AT ALMA.

Farmington is being well represented in athletics at Alma college this year by the commendable performance of the two Cathman brothers, Russell and Harley, and by Chinton Tredway. Russell Cathman is a letter winner from the 1921 eleven and is again holding down the quarterback's job and is running the team in a smooth and snappy manner. Harley is making a strong bid for one of the half-back's position by his ability to run with the ball, to pass, and to kick. Chinton Tredway has already established a reputation as a line smasher and his kicking ability has earned him praise. Much is being expected of the "Farmington Trio."—Farmington Enterprise.

TO MEET IN FARMINGTON NEXT YEAR.

Oakland County Sunday School Convention for 1923 will be held in Farmington, according to action taken Saturday afternoon in the closing session of the gathering here Friday and Saturday. The date for the meeting will be fixed later by the executive committee.

Former officers were re-elected and plans discussed for the coming year's work and final discussion of problems was had at the session Saturday preceding the address of Dr. William A. McKeever, which closed the convention.

Officers are: President—F. B. Pearsall, Wixom. Vice-president—Mr. Johnson, Novi. Secretary—Mrs. Geo. H. Kimball, Jr. Treasurer—E. A. Mowry, Wixom. Wixom Sunday school, with its attendance of 25, was easily the winner of the county banner, a silk, blue and white church flag with the words, "By This Sign Conquer" across its white field.—Pontiac Press.

OAKLAND'S TAXES REDUCED.

Oakland county will raise \$264,056 88 less in taxes in December to cover state, county, covert and county road expense than it did a year ago. The budget for 1922 calls for raising \$1,661,454 50 for these purposes as compared with \$1,925,543 33 raised in 1921. This year's state, county and county road taxes are all lower than a year ago but the amount spread on the county at large for covert roads is greater and offsets part of the saving made on the other taxes. This year's tax will be spread on a lower valuation than in 1921 because this year's valuation is but \$127,301,477 as compared with that of \$139,613,081 of a year ago. In addition to these taxes there will be in every instance the school tax which varies in the various townships and cities.

The reports of the ways and means committee showing the amounts which will make up the 1922 budget together with the distribution of the tax on the county, were read to the board of supervisors Friday afternoon and adopted without comment. The committee was composed of Supervisors R. W. Clark, Isaac Bond and E. J. Ledegle.—Pontiac Press.

Walled Lake Warbles.

Lakeside Lodge, I. O. O. F., held a box social on Monday evening and the affair was well attended.

Walled Lake and Novi school teams met in a foot ball clash last Saturday and the former won the honors of the day, the score being 26 to 12.

After a great many delays and a fire which at one time threatened the structure, Walled Lake's handsome new consolidated high school was opened Monday morning. The new building is regarded as one of the best of its kind in the state and the people of this section have a right to be proud of their school and its modern equipment. It is expected there will be more than 200 pupils enrolled by the end of the week and a teaching staff of seven are employed. The new busses, which will convey the pupils to and from the school are rendering good service. Friday evening, November 10th has been selected as the date when the dedicatory exercises will take place. There will be a pot-luck supper at the new building from 5:30 to 7:30 and at 8:00 a program will be given. A good speaker will be secured for the event. It is hoped to make the new school building the center of the life of this community, and plans are now in the making to bring this happy condition about.

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., NOV. 3, 1922

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897 for the week corresponding to this week.

Mrs. Martha Beal is quite ill. R. H. Beal continues very poorly. Miss Maude Stanley has returned from Farmington.

Mrs. L. A. Lyon and son are visiting friends at Highland.

A. T. Steyer was down from AuSable over Sunday.

R. C. Yerkes has moved into the Mrs. Rockwell house.

P. W. Doegle left this week for Ohio where he has a position.

August Simmons of Iowa, was the guest of Edward Whitaker last week.

Wm. Watkins, Jake Teakre and W. T. Gurr picked over to Lansing and Mair, recently.

Mrs. E. M. Peck and daughter, Lulu, left Wednesday for a visit at Battle Creek and Lansing.

Miss Mae White Sundayed with her uncle and aunt, Mr. and Mrs. J. B. Waterman at Salem.

Died, at his late residence in Nov., Monday, November 3, Deane Flint.

59 years, 8 months and 11 days.

R. M. Waterman returned Saturday from Ypsilanti, where he had been at the mineral springs for treatment for sciatica.

B. G. Filkins and Thad Knapp have successfully passed the fish culturist examination and are eligible for promotion.

Mrs. Linné Dunlap Burrett, of New York, who has been spending two weeks in Northville has returned to her home.

Max Porter has been re-elected president of the class of '98 at H. S. The other officers are Bert Northrop, vice-president, and Max Coldren, secretary and treasurer.

Ervin Thompson has just finished running his father's house just west of town. The residence is one of the largest and most imposing farm houses in the state and was built at a cost of \$25,000.

The Miller bridge between here and Northville has been condemned. Plans are being made to build a new bridge.

It was condemned six months ago but how under the sun the Mill failed it out is still a mystery.

Col. Brownell and three associates have bought out the Detroit and Howell Plank Road Co., and it is the intention of the new owners to build an electric railway along this road thru Farmington with a branch to Orchard Lake. There is no doubt but what the line will be branched from Nov. to Northville.

NORTHVILLE SCHOOL NOTES.

The various grades have been having Halloween parties and the youngsters are very enthusiastic over them.

On Monday evening a Halloween Masque was given by the Student Council. A good time was reported by all present.

The school closed Thursday and Friday of this week for the teacher's convention in Detroit. All Northville teachers are expected and are on the 100% membership roll of the association.

On Friday our boys will meet Wyandotte on our field. Last year we were defeated by Wyandotte—13-6, and this year we are going to avenge that defeat. A good game can be expected. Come and support your boys.

Beginning soon programs will be given, the first will be given by several of the grades and High school students. Later each grade will give one in turn. We extend an invitation to everyone to come, especially the parents.

Last Friday afternoon the Northville High school foot ball team journeyed to Belleville where they met the team of that place. Although being outweighed about ten pounds to the man and Kestell being out with a lame back, we managed to bring home the "bacon."

This was the first victory in two years for the team and they now feel that the jinx is broken. There was no scoring in the first quarter, but the half ended with our boys leading 7-0. Jim Wood making the touch down and G. Hammond kicking the goal. Northville scored twice in the third quarter and Belleville once. The game ended with the ball in our possession and almost another touch down. Score—Northville 20—Belleville 6.

Don't forget the bazaar and chicken pie supper to be given by the ladies of the M. E. church on November 15th.

The December Circle and Martha Chapter will hold a Christmas Bazaar and supper December 8th. Watch for Record Liners Cost But Little.

The Sunday school will be at 12:00, at the close there will be an election of Sunday school officers. The Epworth League will be at 6:30. Topic: "The Secret of Making the Gift Attractive." All our young people are invited to be present and help. Evening worship at 7:30. The sermon will be, "Divine Surgery." Prayer meeting on Thursday at 7:30. Everybody welcome.

SESSIONS HUNTING PARTY GOING NORTH AGAIN.

On Tuesday evening next the Sessions hunting party of this village will leave on its annual pilgrimage to northern Michigan. The party will

travel in a special Pullman car and their destination this year will be Keweenaw, Michigan. The party this year is composed of the following Northville men: C. A. Sessions, W. H. Stark, G. C. Hueston, Dr. Dan Henry, Don Vanatta, Thomas Gibson, Glen E. Richardson and John Schultze.

INTERNATIONAL EGG CONTEST AT M. A. C.

With pens entered from several foreign countries as well as from many of the states in America the first Michigan Agricultural College International Egg Laying contest got under way at East Lansing this week.

The contest will run from November 1st to 1922 until November 1st, 1923.

Some of the most famous poultry breeders in the world have entered the contest and the best stock for the competition according to Prof. F. C. Foreman head of the Michigan Department of Agriculture is in charge of the contest. The records to be made during the event will be the best of the biggest of its kind ever held.

One hundred pens all told, are entered with birds from most of the popular breeds represented. Included in the list of breeds are: Leghorns, Rocks, Reds, Wyandottes, Orpingtons and others.

Six new poultry houses, constructed at the college for the express purpose of housing the contest entries were completed last week in time for the incoming birds.

"Laying contests are popular now in all sections of the country and are the only medium the utility poultryman has for getting official records on his stock," says Professor Foreman. "Records will also be available on all."

Have You Tried It?

Some weeks ago a Plymouth man came to our store and purchased a pound of our Special Blend Fresh Roasted Coffee just to see, as he said at the time, if it was really as good as we had claimed. Just the other day he came in again and bought two pounds, and while his purchase was being put up he declared it was the best coffee he had ever used and that some of his neighbors who had enjoyed the coffee at his home were of the same opinion. There are lots of people who will give the same testimony living in this section. Are you among the number? If you are not, then we are very sure you have never tried a pound of Elliott's Better Coffees. Come in and take a pound or a half pound home today. Give it a trial. Subject it to any test you may desire. We will abide by your decision.

Vote early next Tuesday.

Dr. F. W. Main is moving into his new offices in the Joslin building.

You are invited to attend the opening of the new Woodworth's store on Saturday.

Lester D. Stage, Sr., has been appointed night watch and he began his duties last week.

Mrs. Charles E. Davis, a former resident of Milford, died in Los Angeles, Calif., on October 13th.

The King's Daughters will meet with Mrs. Mark Seeley next Tuesday afternoon, November 7th, at three o'clock.

The Oakland County federation of women's clubs held its annual meeting at Milford on Wednesday of this week.

The Lovewell Farms Co. have moved the offices of the new remodeled building on the north side of Main street.

Mrs. E. R. Babcock, who has been living in Toledo and Dundee for a year or more, has returned to Northville to reside.

Every good citizen will go to the polls next Tuesday and vote for the candidates of their choice. There should be no stay-at-homes this year.

Saturday afternoon the M. A. C. team and the U. of M. squad will contest for foot ball honors on Ferry field, Ann Arbor. Northville will be well represented at the game.

The Wayne County Highway Commission have a crew of men engaged in trimming the trees along the Seven Mile road. For the past week they have been trimming some of the trees along Main and Rogers streets in this village.

The musical program given at the Presbyterian church Sunday evening drew a large crowd and all were pleased. Each number was well rendered and the choir and congregational singing proved a very enjoyable feature.

The annual meeting of the first district of Michigan State Teachers' association is being held in Detroit and the village schools are closed in consequence. Superintendent Helfrich, Daniel Winn, and Athletic Director Eising will take part in the program.

Conrad Langfield, who went to Chicago last week to enter a government hospital, is located at the Speedway hospital at Maywood a few miles from the city. He may have to remain at the institution long, a fact his many friends will be pleased to learn.

Mr. and Mrs. O. C. Casteline very pleasantly entertained ten of the Highway Motor Bus company's employees at dinner Thursday evening. The dinner was complete in all its appointments and the guests enjoyed the gathering greatly.

N. A. Clapp expects to leave within a few weeks for Chautauque county, New York, where he will reside with his sister. He has been a resident of Northville and this vicinity nearly 40 years and has a large circle of friends and acquaintances in this section.

Time clocks have been placed at five convenient places about the business section and the nightwatch "punches" these with a key as he makes his rounds each hour. People desiring the services of the officer will find him at the village building when not making the rounds of his beat.

Woodworth's Bazaar will open for business Saturday morning in the remodeled Joslin block. The interior of the room has been all remodeled and decorated and new shelving and counters have been placed, making the room very attractive. The public is invited to visit the new store on Saturday.

Forty-three thousand people witnessed the Illinois-Michigan foot ball game at Ann Arbor last Saturday. Not so many years ago a thousand people witnessed a Michigan-Indiana game and the crowd was regarded as a record breaker. When some one proposed that 200 additional seats be provided he was declared to be visionary and extravagant.

On Friday and Saturday, November 10th and 11th, the Michigan Florists' association will meet at Ann Arbor for their annual meeting and flower display. The meeting will take place in the Barbour gymnasium, and a part of the proceeds from the flower show will go to the Woman's League of the University, an organization formed for the purpose of raising funds for a woman's building. There will be dancing on Friday and Saturday afternoons and evenings. A tea room will be conducted both days at which refreshments may be secured.

At the Wednesday luncheon of the Northville Exchange club eight names were acted upon for membership and other matters of importance to the organization were discussed. Superintendent Helfrich of the High school gave a very interesting talk on the subject of "School Efficiency" and to demonstrate his theme more clearly he conducted a brief reading test. Unfortunately he was forced to make his remarks very brief for lack of time, but he aroused great interest among the members present. Perhaps the club members will be going to school before the winter is over. For next week's meeting there will be an out-of-town speaker.

TO GAS USERS

We are compelled to ask all gas users to be as conservative as possible in their consumption of gas during the coal shortage, otherwise we will be compelled to resume short-time service. It is almost impossible to secure a supply of coal.

PLYMOUTH & NORTHVILLE GAS COMPANY

Mr. and Mrs. R. R. Ball have written to relatives here that they have arrived safely in California and are at present at Santa Monica.

The business men and citizens of Detroit are opposing the mayor's plan to shut the interior cars out of the city and a merry war is in prospect over the proposition.

The opening dance of the Pastime Dancing club's season, given on Wednesday night, was well attended. Perkins' orchestra furnished a delightful dance program.

The U. S. Veterans' Hospital, better known as the Speedway hospital, at Maywood, Ill., where Conrad Langfield is receiving treatment is 2,040 feet in length by 50 feet in width, and there are 41 surgeons and 100 nurses employed. It required 4,800,000 bricks and 5,000,000 feet of lumber to construct the building.

Miss Frances Sutton, who has been in Detroit for the past five weeks, spent Saturday and Sunday at the home of her parents, Mr. and Mrs. Frank Sutton, at Orchard Heights. Miss Frances is now in charge of the final accounts under the management of Mr. Hershberger in the Bell building, at 1365 Cass avenue.

A little girl came near being run over in front of the post-office Tuesday noon. The driver of a Ford car being able to stop quickly was the only thing that saved the child from serious injury. Parents should endeavor to warn their little ones to be careful while on the streets. Teach them to look both ways before attempting to cross any street.

Work in the eight-inch water main connecting the springs with the reservoir is progressing rapidly. It has been laid and is now being covered. The contract for laying the ten-inch main on the basin to the system in the village is also being pushed as fast as possible. The sewage disposal plant has been a long slow job, but the contractor hopes to complete his work before severe winter weather sets in.

The regular monthly meeting of the Woman's Union of the Presbyterian church will be held in the lecture room of the church at 2:30 p. m. on Wednesday, November 8th. The subjects for study are "Lumber Camps" and "India" with Mrs. C. L. Dubuay as leader for the day, assisted by Mrs. John Cleavel, Mrs. Bruno Freydl and Mrs. D. U. Stark. Mrs. Lizzie Haiger will act as hostess.

Early Wednesday morning fire of a mysterious origin destroyed the garage at the home of G. H. Baker on Main street. The fire was discovered by Mr. Baker and she aroused Mr. Baker who gave the alarm. Fortunately the two automobiles owned by Mr. Baker and his son, Don, were removed from the burning building without damage, both gentlemen had a "hair singe" without going to a barber shop. The department and many citizens responded quickly but the garage was completely destroyed, so rapidly did the flames do their work.

FARMER SHOT AND KILLED AT NEWBURG.

Eben Ashton of Plymouth, who had recently moved to the village from his farm at Newburg, was shot and killed by a man named McMullen at Ashton's farm Tuesday morning. A dispute arose over the division of the season's crops, it is alleged, and when Ashton went to the farm McMullen met him at the door and with a borrowed gun shot him. McMullen was placed under arrest, but declared he did not intend to kill Ashton, but wanted to frighten him.

SWIFT AND DARING GENEROSITY

A great crowd—a sick man—a physician in the house—four good friends—a hole in the roof—restoration.

This vivid incident was one of the items from a busy day in the life of Christ in the old city of Capernaum.

Folks like these men who will go to unusual trouble to help some one who is down and out—who will fetch them to the Great Healer—have faith of the rarest sort. The commanding power which honored the faith of the few that day and healed the sick body of the young man is ready to give the same satisfactory service today.

The tragic need of men of our time is for a whole life—one that gives ability to use the body, the mind and the soul.

A little daring generosity for yourself will bring the Great Healer within range of your case.

SAY ROADS CAN'T PAY "LIVING WAGE"

PUBLIC AND RAILROAD GROUPS
OF LABOR BOARD DECLARE
ROADS WOULD BE RUINED.

MEANS \$2,241,639,518 DEFICIT

Plan Would Require 125 Per Cent
Pay Increase, or From 37 Cents
to 75 Cents Per Hour.

Chicago—Attacking the theory of "the living wage," as a basis for determining wages of railroad workers, the public and railroad groups of the railway labor board in an opinion made public Sunday night declared such a course "if carried to its legitimate conclusion, would wreck every railroad in the United States and if extended to other industries, would carry them into 'communist' ruin."

The opinion, in the form of a rejoinder to a dissenting opinion filed by A. O. Wharton, labor member, in the recent decision increasing the pay of maintenance of way employees 2 cents an hour, declared that employees were granted a 72 to 75 cents minimum wage for common labor with corresponding differentials for other classes, an increase of 125.7 per cent in the nation's railroad wage bill would be necessary. This, the opinion said, would add \$3,122,852,307 to the annual payroll bringing it to \$5,589,439,518.

Even if the 48-cent minimum wage requested by maintenance of way men were granted and corresponding differentials were made for other classes of employees, the opinion said, an increase of 50.45 per cent in wages would be necessary adding \$1,249,994 to the annual wage bill of the roads bringing it up to \$3,725,834,510, thus forcing the carriers to face an annual deficit of \$378,078,122.

The phrase "living wage" was termed in the opinion as a bit of misanthropic philosophy, well calculated to deceive and mislead. "If the contentions were that the board would establish a living wage the majority would be in favor of the proposition," it is pointed out.

The Red Cross office in the township of Novi will be open on Monday, Nov. 5th and the committee will be in charge of all the assistance and co-operation of all the citizens of the township. The following ladies have been chosen captains by Mrs. D. E. GENERAL ELECTION NOTICE.
Notice is hereby given that a General Election for the Township of Northville, Wayne County, Michigan will be held on

TUESDAY, NOVEMBER 7TH, 1922.
For each Political Party at which time the following officers will be voted for:

FORTY-THREE MILES OF NEW ROAD BUILT IN 1922.

The annual report of the Wayne county board of road commissioners, just published, contains a lot of interesting data regarding the thoroughfares of the county, especially the reference made to the work that has been accomplished during the past year. A total of 43 miles of new cement highways have been constructed during 1922, and a whole lot of grading, widening and the erection of new bridges preparatory to the work for next year has been accomplished, says the Free Press.

Road building and widening at almost every point on the map of Wayne county, with or without financial assistance by the federal and state governments, and construction of bridges, bridgeheads and grade separations, form the topic of the bulk of the 112-page report just made public.

Apart from the actual work of building and improving highways, however, the commissioners point to the success of their policy of giving Wayne county travelers not only the most convenient and lasting, but also the most beautiful roads in the county.

In contrast with the policy of earlier road building in the county, the present commission is striving to apply the principle that "the appearance of our roadsides is becoming of more interest to the traveling public as well as of value to property owners" than was the case a few years ago.

Have Planted Trees.
In view of this, says the report, "we have been planting and maintaining trees, a mark of progress which has not been attained by any other county."

Last spring, according to the report, 2,200 American elms and Norway spruces, which after many experiments have been found to be the most suitable for shade and for Wayne county soil, were planted on the Seven Mile road, over a stretch of 12 miles, from Livonia, a avenue west to Livonia township and from Conner's Creek road east to beyond Gratiot road.

In their scheme of planting roadsides the commissioners aim at an artistic lack of uniformity along the roads lying farther from Detroit where clumps of trees at varying intervals are believed to be more pleasing to the aesthetic sense of a wayfarer than the uniformly spaced trees lining city streets.

Announce Big Program.
A considerable planting program is announced for this fall, when about 4,000 trees will be used on Telegraph road from Flat Rock to Dearborn, and on Seven Mile road westward through Northville, including Fishery road.

Most of this planting will be of the "informal" kind, and pines will be used when sand hills are encountered. A new feature in beautifying Wayne county roads will be the proposed low shrub triangles at road intersections.

Forty-Three Miles of New Roads.
The new roads built during the year cover a total length of more than 43 miles all this representing highways of the approved concrete sort, while more than 15 miles of road have been widened to 20 feet or more, most of this work being done on north and south highways.

"When the car, coal and cement shortage compelled us to cut down our construction activities early in August," the commissioners explain, "we immediately started the work of grading and building culverts and drainage structures for our 1923 road building program."

Among the roads completed up to September 15th are Telegraph road, Cherry Hill road, Fishery road, the Two-Way road on Oakwood boulevard, the Waltz and Willow roads, Phoenix road, Wayne road north and Farmington road and Southfield and Townline roads. Many of these thoroughfares now extend to the Wayne county line, where they link up with highways running far and wide over Michigan.

Among the recommendations made in the report is the levy of a one-half mill county road tax, which would represent 50 cents on each \$1,000 of the equalized assessed valuation of the county. This tax, if levied, would permit the road commissioners to continue their improvement program on roads which they urge should be taken over by the county, including parts of Sumpter road, St. Cosme road, the Middle-Belt road, known as the Jim Ruff road, Allen road and Telegraph road extension, a total length of about 45 miles.

Have U. S. Agreements.
For most of the proposed improvement work the board has entered into agreements with the federal government and the state highway department, which will jointly pay 75% of the cost.

Other roads which the county is advised to take over in the immediate future and which will be improved on federal aid basis are: Five-Mile road for a distance of 17 miles westward from the city limits, and Plymouth road over the 5-mile stretch to the county line.

The Oakland county board of supervisors has appropriated \$10,000 for the purpose of remodeling the old county jail building into suitable offices for

Broken Jail to Get Meal.
West Hoboken, N. J.—Nicholas Suffy, 13, locked up in the local jail for a minor offense, awoke craving for one of those breakfast mother prepares. Soon he got permission to go to the wash room and there obtained two iron bars which he concealed and returned to his cell. Suffy, while the jailer was gone, smashed the cell lock, helped release two other prisoners and went home. After he had put away the home-cooked meal, the youth returned.

STAND BY AMERICA

VOTE NOVEMBER 7 for the re-election of United States Senator Charles E. Townsend, Governor Alex J. Groesbeck and the whole Republican Ticket.

SENATOR TOWNSEND is opposed to the U. S. entering the League of Nations. Were we in the League today the blood of American boys would be staining the sands of Asia Minor in a war that would serve only the selfish interests of Europe.

SENATOR TOWNSEND is the National Leader of the Great St. Lawrence Waterway Project, which will give lake ports direct access to the sea. He is the National Good Roads Leader, sponsor of Welfare Laws Governing Child Labor and Virile Worker for all Real Progressive Legislation.

In voting for Townsend you vote for America's best interests.

GOVERNOR GROESBECK is giving Michigan an efficient, economical, able administration. In the past year he and the State Administrative Board have saved the State \$1,839,617.63 in expenses. The general tax levy for 1922 is \$3,140,489.85 less than that of 1921, and the lowest since 1918. Even greater accomplishments are expected next year.

In voting for Groesbeck you vote for Michigan's best interests.

CARRIED THEIR ABUSE TOO FAR.

Supporters of Woodbridge N. Ferris, who is a candidate for United States senator, have been working over time in their efforts to secure members for a Ferris-for-Senator club. They have flooded the state with letters and among those who received the communications have been a lot of republicans who have resented the insinuations and accusations made.

Among the prominent republicans to receive one of the letters was Judge James O. Murfin of Detroit, who was attorney of record in the Newberry election case and who probably knows more regarding the so-called Newberry question than any other man in Michigan. Mr. Murfin, like many others, did not endorse the contents of the letter and he replied: "Very frank manner. He said."

"Gentlemen: I am in receipt of your card of October 16th inviting me to join the Ferris-for-Senator club. It is strange I should be on your mailing list."

"I note in the third paragraph of your letter you denounce wholesale corruption and prostitution of government. So do I and if you will show me any legal evidence of wholesale corruption or prostitution of government in the recent election of Truman H. Newberry, I will gladly join your club. As I have an intimate knowledge of the facts I know that this whole talk is cheap political bunk. The charge of corruption in the Grand Rapids case was removed from consideration of the jury by Judge Sessions of his own motion because the government did not produce a scintilla of evidence with which to support it."

"As a decent law-abiding citizen I seriously resent the continued circulation of untruths and half truths about this matter. Surely by this time any thinking person must know the facts and if they do know the facts they have no right to use extravagant, unwarranted language as is found in your communication."

"Let me remind you of an important circumstance—the Honorable Charles E. Townsend has served the people of Michigan faithfully and well for upwards of 20 years. Have you ever weighed the good and bad he has done in public service? If you have you will have found that 99% of his acts have properly met the general approval. I have yet to hear questioned his integrity of purpose, his honesty, his conscientious desire to do right. It is a sad reward to seek now to defeat him by methods such as your letter indicates."

It has been the privilege of the writer to have known Senator Charles E. Townsend for more than twenty years. We have known him in his own county and city and have had occasion to be in his office upon a number of occasions before he was elected to congress. We also have had the pleasure of knowing many of his old friends in Jackson city and in the townships of Spring Arbor and Concord where he grew to manhood, and we know how those people regard him. He was a poor boy, worked on the farms of his neighborhood during the summers and did chores for his board in the winter just as some of the rest of us a years ago. He became a teacher, and then after some years was elected county clerk, a position he held for two or three terms. Then he completed his law course at Ann Arbor and returned to his home city and began the practice of law.

He soon gained a good business and had he attended to his law practice instead of drifting into politics he would have had a much larger bank account than he has today. We knew him when he was nominated and elected to congress from the Second district, and we have watched his career both in the house and in the senate, and have always felt proud of the record he has made and of the service he has rendered not only to his own district and state, but to the nation at large, because he has not been a narrow partisan. He is regarded as one of the really strong and influential members of the United States Senate and holds some of the most important committee appointments in that body. During all these years we have never known of his having done a dishonorable thing, nor do we believe he could be induced to do anything that would bring reproach to himself or dishonor to his state.

During the past few months he has been accused of a whole lot of things of which he has not been guilty, and the accusations have been made purely for political effect, until the tide of battle has turned in his favor. People do not approve of the methods that have been used to cause his defeat and to humiliate him before the voters of Michigan. As a general rule people like a fair deal and many of them who have taken but little interest in the campaign thus far, are rallying to the support of Mr. Townsend.

Had Mr. Ferris been elected senator in place of Mr. Newberry the United States would now have been a member of the League of Nations. And while he is appealing for republican votes he endorses everything for which the discredited Wilson administration stood. He has swallowed the whole

It's toasted. This one extra process gives a delightful quality that can not be duplicated

We set program from book as a star and expect republicans to give their support to Tuesday. We are candid in our belief when we say we are firm of the opinion that the election of Mr. Ferris at this time would be a bad thing for Michigan and for America. He would have no influence at Washington. The lake-to-the-sea project of which Senator Townsend is the chief supporter would suffer greatly and the administration would lose one of its most loyal and efficient supporters.

MODERN CLEANING PLANT.

Being proud the tailor is equipped with a modern and strictly up-to-date dry cleaning establishment in a building in the year of his clothing store.

More than two years ago Mr. Freydl installed a pressing machine to take for his business but this is no longer capable of taking care of the business which finds its way to the Freydl store and this new outfit will help materially. The new machinery will be operated by electricity and garments may be washed or dry cleaned as their owners demand.

A fully installed Northville with a modern dry cleaning plant as can be found outside of the big cities. The Freydl store can do no better work than on their larger equipment and they do more.

Paul Reals of Plymouth, while visiting in Grand Rapids, recently had the misfortune to slip and fall at one of the corners of that city and injured his leg near the hip.

DOUGLAS FAIRBANKS IN "ROBIN HOOD."

Opening on Monday evening with elaborate ceremonies including the presence of both Douglas Fairbanks and Mary Pickford, "Douglas Fairbanks in Robin Hood" will be offered at the Orpheum theatre under the auspices of Shadukiam Grotto.

"Douglas Fairbanks in Robin Hood" is declared to set a new mark in photographic history. It is a spectacular romantic drama of the middle ages, based on the history and legends of King Richard the Lion Hearted and Robin Hood, the merry outlaw of Nottingham. It shows the robi-

ly and devotion to his king, his lady and his God of the Earl of Huntingdon, later Robin Hood and the thrilling story with its great spectacle, terrific battles and fine love scenes will rebound greatly to the credit of Douglas Fairbanks as a producer as well as an actor.

The Orpheum theatre is to be re-decorated for the engagement and there will be special stage settings and an enlarged orchestra. After the Monday evening performance there will be two performances each day at 2:15 and 8:15 p. m., the length of the picture and the presentation prohibiting continuous performances of this type.

STEARNS MONTGOMERY WRITES OF HIS TRIP SOUTH.

Batesburg, S. C. Oct. 25, 1922. Editor, Northville Record.

I feel it my duty to write in regard to our trip South. We left Northville Oct. 16 and arrived at Columbia, S. C. Oct. 17, passing through the oil fields. The second day we went through Columbus, O. and stayed at Old Washington, Va.

On the 18th we drove to Hopwood, W. Va. and there we hit the mountains, which made driving difficult for me, as some of them were about four miles long. Part of the time they seemed to be on the level and some were marked 3,995 feet high. They lasted about two days. The 19th we stayed at Hancock, Md. and from there we went to Washington, D. C. where we spent the afternoon of the 20th and stayed that night at Occoquan, Virginia. On the 21st we drove to Petersburg, Va., the 22nd we reached Anconville, N. C. the 23rd Lake View, N. C. and 24th Lancaster, S. C. the 25th Batesburg, S. C. In Ohio we watched them pump oil and in West Virginia saw them mining coal, and in North and South Carolina they are all harvesting cotton tobacco and sweet potatoes. So far we have come about 1,300 miles an average of about 125 miles a day. We have had nice weather and have been riding the last three days in my spartan sleeves, over the very best kind of roads. No car trouble of any kind not even changed a tire. We expect to be in Jacksonville Sunday night, which is 400 miles from here. It is just like summer here.

Yours truly,

S. MONTGOMERY

JUSTICE PHOEBE L. PATTERSON MAKES EXPLANATION.

Plymouth, October 31, 1922. Editor, Northville Record.

Dear Sir: In the next issue of your paper will you kindly give space to the following correction in regard to the Eugene Bostwick case. Evidently your informant was not familiar with the true facts. The papers for which the case was dismissed were made out in the office of the prosecuting attorney. Before they were brought to me to be signed lines had been drawn through the name of Peter Keller, which was type written, and the name of E. L. Horan written in with ink. Lines had also been drawn through the information on which the request for the search warrant was based, and information to which E. L. Horan could subscribe was substituted. Mr. Dolph explained to me that he had made the changes because Peter Keller had refused to sign the affidavit for the search warrant. In regard to the docket, no entry was made until after the return of the search warrant, therefore, there was absolutely no occasion to make any change. However, as no one had examined the docket it has nothing to do with the facts. An attorney for the defense came on from Detroit, and covered the

search warrant, which, according to advice from the prosecuting attorney, he had a perfect right to do. He laid considerable stress on the changes made and stated that he would beat us in circuit court. Another attorney, who accompanied him and who seemed in sympathy with law enforcement, advised that the original search warrant should be in court when the case was called. I phoned Mr. Dolph that I wished to see him before the trial and he promised to call at my office, but owing, no doubt, to the length of time intervening, he forgot to do so. My relations with the officers of Northville have always been friendly, and I feel certain that they would not have given out the information which led to the statements made.

Sincerely,
PHOEBE L. PATTERSON,
Justice of the Peace

REV. HERBERT GRIMWOOD RESIGNS PASTORATE.

Rev. H. Grimwood tendered his resignation as pastor of the Baptist church here, last Sunday morning, after almost three years of service. Although the membership voted unanimously not to accept it, he feels the time has come when he could better work elsewhere, so he decided to leave us at the end of the year.

Mr. Grimwood came to his pastorate here when the church was much discouraged and laid down and notwithstanding many drawbacks that operated against the best success, he has seen the income for current expenses more than doubled, gifts for benevolences increased several hundred per cent, and the church property much improved.

He has also seen several additions to the membership. He has a large circle of friends who are expressing to him their deep regret.
