COULD A CHILD BE HAPPY IN YOUR HOME?

The Children's Aid Society, 71 West Warren, Detroit, Michigan, needs boarding homes for children of all ages in both town and country.

Requirements:

1. Good locality (convenient to street car if in country or on a paved road).
2. Good sanitary home conditions.
3. Ability to give intelligent care—to enter into the interests of the children.
4. A spirit of service for the rate of pay is only \$5.00 for children under three years; \$4.00 for older children (clothing and medical care supplied by the Society).

In addition there is a generous reward in the love of a little child and in the joy of service.

The Society is just now particularly in need of real homes where older boys and girls will find true friends.

FATHER AND SON BANQUET A COMMUNITY AFFAIR

Thursday, February 8th, is the date selected for the annual community father and son banquet, and the High school gym has been chosen as the place for the feast and get-together. A very interesting program has been arranged for the event and it is desired to make the gathering a community affair in every sense of the word. Every number of the splendid program will be given by our own home folk, and every father and man in this section is invited to attend. It is desired that all fathers bring their sons, and that men who have no sons "borrow" one or more for the occasion.

The price of the tickets has been placed at 50 cents each, just what the committee has agreed to pay the ladies of the Presbyterian church for the "feed" which will be a good and substantial one. The dinner will be served promptly at seven o'clock and all are urged to be on hand at that hour.

In order to make suitable arrangements for the banquet it will be necessary to know a few days in advance just how many tickets have been sold. To secure this information it has been decided to sell no tickets after Monday, February 5th. This arrangement will give the ladies time to plan for just the required number of places at the banquet tables.

The men of the community who have no sons or who have no trouble in securing a boy for the occasion if they will speak in time. In a number of families there are more than one boy, and it will be an easy matter to borrow a boy from your neighbor.

Tickets will be on sale soon and all are urged to buy their tickets as early as possible.

The committee in charge of the affair are hard at work, but they cannot make a success of the undertaking without the co-operation of the men of this section. Other communities are planning similar gatherings for their men and boys and Northville has never been behind its neighbors in any community effort. We must not fail in this.

Tickets may be secured at Huff's Hardware, Bunn's Garage, C. R. Horton's Drug Store and at the Northville Drug Co's store, or from any member of the committee—E. L. Smith, C. R. Horton, J. A. Huff, D. B. Bunn and L. A. Babbitt. Remember, secure your tickets before Monday night, February 5th. Two hundred and fifty tickets will be the limit. First come, first served.

TO ESTABLISH INFANT WELFARE CENTER HERE.

Northville has been chosen by the Red Cross for the location of an Infant Welfare Center, such centers having been established all over the state with great success. The two rooms in the school house which were used for Red Cross work during the war, have been offered by Prof. Helfrich and will be properly heated and open for use one afternoon each month.

Dr. Cole of Detroit, a baby specialist, will give each child a physical examination and instruct the mother in the care of the baby and in health rules. All children found to be ailing will be sent to their own family physician, no medical care being given by Dr. Cole. Babies up to two years of age will be thus cared for, free of charge, expenses being paid by the Red Cross, for the benefit of all mothers in the town and surrounding country.

This movement is sponsored by the Northville Woman's club, members of which will be in attendance at each clinic to assist in compiling record cards of each baby, etc.

All articles in use are to be furnished by the Red Cross including scales for weighing, etc. Pamphlets containing helpful advice will be distributed and a suitable layette will be displayed.

These clinics will be held the last Tuesday of the month at 1:30 o'clock beginning January 30th.

It is to be hoped that every mother of a baby under two years of age will avail herself of this opportunity to acquire free assistance in keeping her child well by proper care and food.

An extra force of men were put to work in the tractor department of the local Ford plant Tuesday night. The shift is designated by the employees as the "grave yard shift" and is from midnight until eight o'clock the following morning.

GEORGE H. JOHNSTON DIED SUDDENLY TUESDAY.

Last week Thursday George H. Johnston, who had been in poor health for some months, went to Madison, Ohio, where he planned to remain for a few weeks to receive medical treatment. He wrote to members of his family after his arrival assuring them he was getting along as well as could be expected and they were hopeful that he might soon be restored to health and strength again. On Tuesday forenoon, however, a message was received from the physician in charge of the institution where Mr. Johnston was receiving treatment that he had passed away suddenly and unexpectedly. The news spread rapidly about the village and expressions of sorrow were heard on every hand.

For many years Mr. Johnston was engaged in the jewelry business and he was well and favorably known to the people of this section and all who enjoyed his acquaintance held him in high esteem. In all his business dealings he was honorable and trustworthy and his word was regarded as good as his bond. Owing to the condition of his health he felt obliged to retire from active business and he had hoped that within a few months rest and treatment he might recover his health.

The remains of Mr. Johnston arrived in the village Wednesday evening. A letter received by the bereaved family from the attending physician stated that up to within three hours of his death everything indicated that Mr. Johnston was getting along nicely. A rupture of the bowels was given as the cause of his death.

He is survived by his aged mother, his wife, no daughters, and one son, to whom the tenderest sympathies of this community are extended. Funeral services will be held at his late home on South Center street this afternoon at two o'clock and will be under the auspices of Northville Lodge, F. & A. M.

FORESTERS' MINSTRELS.

Wednesday evening, January 31st, is the date chosen for the presentation of the Foresters' minstrel show and tickets will be placed on sale within a few days. For a number of years past the Foresters have given a similar entertainment, but we have been informed, confidentially, that the forth-coming entertainment will be a top-notch—bigger and better than any one yet given.

The parts have been well assigned and those who are to take part have spent a lot of time and effort in preparation of the particular role they are to present. The chorus is large and there will be quartet and duet numbers in addition to solo parts. Four end men will make fun for all and it will be an evening of real merriment.

Better get your seats early, because last year you will remember all could not be accommodated.

Just remember the date—Wednesday evening, January 31st.

OBITUARY.

Mary L. King was born in Chapinville, N. Y., August 31, 1856, and died at the home of her daughter, Mrs. Allen Wilkinson, January 7, 1923, aged 66 years, 4 months and 6 days.

She came to Ann Arbor in her early twenties and was married to E. W. Clark in 1881. Three children were born to them, Mrs. F. R. Woodworth of Northville, Mrs. A. C. Wilkinson of South Lyon and Mrs. F. A. Neville of Detroit who with the husband, five grandchildren and one brother H. N. King of Detroit, remain to mourn her loss. She was a life-long member of the Methodist church, having united with it in her early girlhood. Services were held at the home of her daughter, Mrs. A. C. Wilkinson, Wednesday afternoon, January 10 at 2 o'clock. Rev. F. C. Watters and Rev. W. G. Evans officiating. Burial at South Lyon—South Lyon Herald.

CANNOT KEEP DOG WITHOUT LICENSE, GETTIE DISCOVERS.

Gus Gettie, Novi township man, has found that one can't keep a dog around without having duly paid for license from the proper official in his community. Gettie paid \$5 costs in justice court here Wednesday, in addition to the \$1.50 for license, in return for this knowledge.

Gettie was arrested some time ago on complaint of Ben Coe, license collector for Novi township, that he was harboring a dog without having a license for the animal. Gettie demanded a jury trial which the court set for Wednesday, but changed his mind and came in that morning and pleaded guilty, heard his cost read and paid the same.

Mr. J. C. Lee has been very ill, his illness being caused by having some teeth extracted.

Mr. and Mrs. Mary E. Bachelier recently catered a company of friends at progressive picnic.

Boys' and girls' basketball teams from the Methodist church at Pontiac came over here for a game Thursday evening.

Rev. H. A. Leeson, district superintendent, and Rev. H. C. Pierce, a former Pontiac pastor, addressed the quarterly conference of the M. E. church of this place Monday evening. Mrs. William McNulty was stricken with an attack of appendicitis while visiting at the home of Mr. McNulty's parents at Milford and her condition was considered so grave that an operation was performed.

At its annual meeting, held recently, the Ladies' Aid society of the M. E. church elected the following officers for the ensuing year: President, Mrs. Roy Griswold, vice-president, Mrs. W. H. Hutton, secretary, Mrs. F. A. Carnes, treasurer, Mrs. Clarence Chaffey.

The annual meeting of the Baptist Ladies' Aid society, held at the home of Mrs. A. C. Berthel, the following officers were elected for the ensuing year: President, Mrs. C. L. Berly, secretary, Mrs. Earl Lane, treasurer, Mrs. Frank Nook, chairman of flower committee, Mrs. Clifford Young.

A number of the pupils of the Walled Lake schools, accompanied by some of the teachers, enjoyed a sleigh ride last week Wednesday night.

They finally "brought up" at the home of Miss Helen Church near Pleasant Lake where refreshments were served and a social hour enjoyed.

The tenth annual conference of the Older Boys of Oakland county will be held at Pontiac, February 2 and 3. Delegates to the conference come from an organized group of older boys such as high school church, Sunday schools, etc. Age limits from 15 years up.

Registration cards will be in the hands of pastors, school principals, etc. For application is necessary.

The Ladies' Aid club held its annual meeting at the home of Mrs. Clarence Chaffey last week when the following officers were elected for the ensuing year: President, Mrs. Geo. Groff, vice-president, Mrs. W. H. Hutton, secretary, Mrs. Robert Rhodes, treasurer, Mrs. F. A. Carnes, members of flower committee are Mrs. N. C. Coste, Mrs. B. G. Kreuter, treasurer, Mrs. Fred Paumgartner.

HIGHLAND PARK FIGHTS TO FIGHT COUNTY REFORM

An organized movement has been started by a group of citizens in Highland Park to oppose passage by the Legislature of the county re-organization bill, now under consideration by that body. William A. Rankin, justice of the peace, was appointed permanent chairman of a committee to oppose passage of the bill at a mass meeting held in Highland Park Sunday night.

Mr. Rankin is to name three other members of the committee which will ask the council to send a representative to Lansing to lobby against the bill. —Detroit News.

We believe every community in Wayne county outside of Detroit should hold similar meetings and plan to make a fight against this proposed measure. We know of no reason why the officials of Wayne county can manage the affairs of the outlying townships and villages of the county better than local officers.

IN MEMORIAM

In the annual report of the Michigan State Tax Commission just recently published appeared the following tribute to the memory of the late Cassius R. Benton, who for a number of years was a member of the commission.

"It is with deepest regret that we chronicle the death of Hon. Cassius R. Benton, Chairman of the Board."

Mr. Benton passed away at his home in Northville on October 2, 1922. With his passing the state has lost the services of one who has unusual training in the work upon which he was engaged. His long service as a local assessing officer, as a member of the legislature, and as tax commissioner for Wayne county, especially fitted him to act as a member of this board, and his valuable and wise counsel will be greatly missed by those who have been permitted to serve with him during his term of office.

"Appropriate resolutions, expressive of his high character and of our sympathy and condolence, were adopted at the time of his death and spread upon the records of the board."

GRAND JURY.

MAYOR OF TOWN HEADS LIST

Prosecuting Attorney, Sheriff, Justice,
Accused of Conspiracy to Violate
Prohibition Act.

Charges made with warrants charging conspiracy in the grand jury indictment at United States and state courts were swooped down on the city and placed more than 100 arrests and officials of that city under arrest.

One of the first to be seized was Mayor Boswell C. Johnson, who turned his office over to federal officers and placed city policemen at their disposal in serving warrants. Mayor Johnson and practically all of those arrested were released on bonds ranging from \$1,000 to \$5,000 before night-fall.

The arrest of the mayor was followed by seizure of the following prominent officials:

Bright M. Kinder, prosecuting attorney of Lake county and former state senator; Lewis E. Barnes, former sheriff of Lake county, now president of the board of works of Gary; Charles I. Clemons, justice of the peace; William Dunn, city judge.

Clyde Hunter, former prosecutor; Nathan Potts and Andy Wray, police detective sergeants; and Policemen John Mullin, Ed A. Lucas and Fred Seabright, prominent Gary attorneys; Sheriff William H. Olds, of Lake county; Charles Dougherty and Deputy Clem Hentges.

The arrests are the result of action taken by a federal grand jury at Indianapolis following an investigation several months ago when charges were made that high officials were leaders of a ring running thousands of dollars in illegal traffic.

Practically all were arrested and covered by the police and charged with conspiracy to manufacture and transport liquor and to select and elect county officials who would violate the prohibition act. The grand jury also charged administration of the law.

KILL X HEADS YEARS END

Scores of Klansmen Face Arrest As
Result of Murder Hearing.

Bastrop, La.—From 25 to 50 arrests on charges ranging from murder to assault and battery will result from the state's open hearing into the activities of masked bands in Morehouse parish according to Attorney General A. C. C. in charge of the investigation.

The investigation has reached the stage where it is a settled fact that the Ku Klux Klan is responsible for disorder and lawlessness in the parish, bordering on revolution, and culminating in the murder of Watt Daniel and T. F. Richard according to the attorney general.

He added that it also had been developed at the hearing that a deep government virtual had supplanted the constituted authorities.

Watt Daniel and T. F. Richard were halted on the Mer Rouge highway two miles from Bastrop on August 24 by a band of masked men and were never seen alive again, their mutilated bodies being found in Lake La Fourche on December 22.

EXTRA SESSION NOT LIKELY

Leaders in Congress Say Rest of Nine
Months Will Be Taken.

Washington—Assurances given by republicans, democrats and progressives makes an extra session of the new congress after March 4 extremely unlikely.

The decision to give the nation a rest of nine months from national legislative activities means:

1—There will be no action taken toward amendment of the Esch-Cummins railroad supervisory bill until 1924.

2—Only the Lenroot-Anderson and Carper bills will be enacted to aid the farmers.

3—The ship subsidy faces practically certain death, and shipping relief will have to be handled in the new 1924 congress, if at all.

Most of the appropriation bills are through. The four remaining probably can be pushed through within six weeks.

MAN KILLED IN CDD ACCIDENT

Fractures Skull By Striking Head On
Steps When Car Starts.

Detroit—An accident without local parallel occurred here when Eugene Krause, 62 years old fell into a street car and was instantly killed.

Krause was trying to board a Davison avenue car at the foot of Joseph Campau avenue. As he was rising from the step to the vestibule, the car started.

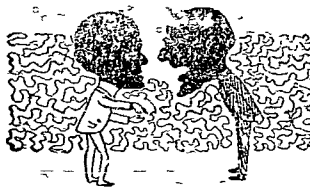

Krause sprawled forward, striking his head on the metal tread of the step leading from the vestibule into the car. He was killed as from a fall.

WALLED LAKE WOMAN DIES FROM EFFECTS OF A FALL.

Mrs. William Seeley, a highly respected woman residing three miles

east of Walled Lake, died Saturday night about nine o'clock, her death being due to injuries she received a few days before when she tripped on a rug in her home and fell to the floor with great force. A day or so after the accident she suffered an attack of pneumonia and owing to her weakened condition she was not able to rally her strength to fight the disease.

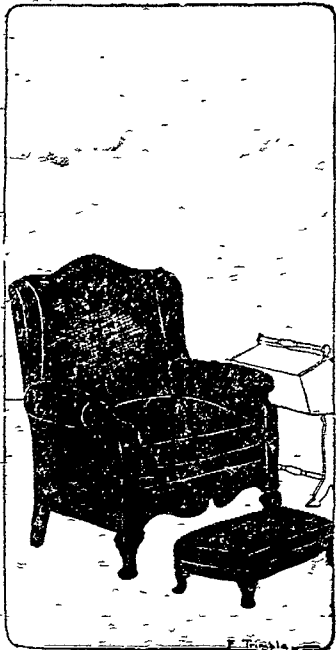

Besides her husband she is survived by one daughter, Ethel, who lives at home and two sons, Edward and Guy, who live near the old home. One son, Claude, died last December. Funeral services were held at the family home on Tuesday afternoon.

"IRENE" AT THE GARRICK.

In the land of make-believe there is a tribe of people known to the public as press agents, who are not always blessed with veracity—in fact, hyperbole, seems to be a fundamental inculcated in infancy and developed with each succeeding attraction they are sent out to boost. However, every rule has its exceptions and in this case it happens to be the modest publicity promoted for the Vanderbilt Producing company's smart musical comedy "Irene," which will be the attraction at the Garrick theatre for a week's engagement beginning next Sunday night.

The total abstinence of "Bigger and Better Than Ever" phraseology and the quiet dignified manner in expressing the fact that Mr. Montgomery has sent the play here with practically the same excellent cast and production seen here last season, seems to be assurance enough that the patrons and music lovers of this city will again enjoy the story of the little shop girl Cinderella and welcome those delightful musical numbers "Alice Blue

STATE NEWS IN BRIEF

Lansing—Sugar beet growers of the state, 275 strong, held a three day sugar beet conference here last week.

Pontiac—A "better home" show was held here January 22 to 25, with the idea of stimulating home-building in Pontiac.

Lansing—Bonds aggregating \$100,000,000 and debentures for \$50,000,000 figuring in the Anaconda Copper Chile Copper companies merger, have been approved by the state securities commission.

Kalamazoo—The Kalamazoo police department has installed a radio receiving and broadcasting outfit. Two men have been appointed as chiefs of the station and 24-hour service will be maintained.

Detroit—Mrs. Verna Harrington, of Redford, 35 years old, taken ill on an interurban car, died in a drug store where she had been removed for treatment. According to the coroner death was due to heart trouble.

Saginaw—Henry Zeharch, 14, died from the effects of a wound received from a gun in the hands of a cousin, David Zittel, 16. The boys had been hunting on a farm of their uncle a few miles outside the city and had borrowed their uncle's gun.

Detroit—With orders to be the "first on the draw," two automobile loads of deputy sheriffs, equipped with riot guns, are patrolling the outskirts of Detroit every night.

This is an innovation of Sheriff George A. Walters, whereby it is hoped to discourage robberies in the outlying, sparsely settled districts.

Holland—An automobile containing two men and two boys broke through the ice on Black Lake and sank in 10 feet of water. Ernie Miles, Arthur Miles, L. J. Jones and Fred Jones, occupants of the car, escaped. They were in the water 30 minutes, managing to work themselves out on the ice as help arrived.

Flint—After eight years of continuous service as principal at the Michigan school for the deaf, Miss Frances K. Bell has resigned, to take a much needed rest. She will be succeeded temporarily by her assistant Miss Sarah Fenner. Miss Bell is noted especially for her success in teaching speech and lip reading.

Lansing—Fred Jeanette, commissioner of pardons and paroles, reported that inmates of Michigan penal institutions were paroled last year at the rate of 57 for every 100 committed. The 1922 reports shows 2,127 commitments to the three state prisons and the Detroit house of correction. The paroles were 1,205.

Kalamazoo—Blinded in one eye by hot grease, the 3-year-old daughter of Elmer Dokey, of Menra, is recovering from terrible burns she suffered when she pulled over a bowl of lard. Her mother had just finished frying meat, and was pouring the hot grease into a bowl when the little girl crept up behind her and pulled the liquid over on her upturned face.

Lansing—The value of the Citizen's Telephone company property, not including exchanges at Jackson, Battle Creek and Marshall, is \$7,696,214, figures in the hands of the state public utilities commission indicate. The figures were submitted to the commission in connection with the forthcoming merger of the Citizen's company and the Michigan State Telephone company.

Grand Rapids—The hearing on the petition filed by Mrs. Melvin E. Trotter for a rehearing of the divorce proceedings against the Rev. Melvin E. Trotter the evangelist has been set for Feb. 15 by Circuit Judge M. L. Dunham. The Trotter divorce case was tried last summer, a decree having been granted to Mr. Trotter. Mrs. Trotter was given a property settlement. She desires a rehearing to substantiate her claims.

Pontiac—Michigan has been failing to provide adequate sums for road maintenance in Oakland county, according to G. Ross Thompson, county road commissioner. He says an agreement was made last year for \$104,000 for maintenance of state trunk lines. This was pared down until only \$69,000 was paid by the state, although it actually cost \$90,000, the additional sum being expended by the county. An effort will be made to have the state legislature adjust the situation, Thompson says.

Muskegon—Frank Denato, who took possession of a house here during the night after it had been rebuilt by another man, has been given legal possession by the court. Mr. Denato held a contract for purchase of the house, on which he failed to continue payments. The house was partly destroyed by fire, and Iver Anderson who purchased the Denato contract rebuilt the burned house. Then Denato moved into the house. The court held the notice of forfeiture of contract served on Denato was faulty.

Lansing—The State of Michigan will start action in the United States Supreme Court to prevent the State of Illinois from diverting excessive quantities of water from Lake Michigan. It is alleged by State officials and representatives of shipping and fruit interests that Illinois is diverting too much water through Chicago drain canals; that the level of Lake Michigan has been lowered 5.5 inches, and the levels of Lake Huron, Lake Erie, Lake Ontario and the St. Lawrence River in proportion, damaging harbors and increasing freight rates.

If You Are Sleepless

We all, some time or other, suffer from sleeplessness. Worry, anticipation of the morrow, and evening thoughts of the past day all drive sleep from the eyes and should be put right out of the mind.

The only way to get rid of sleeplessness is to get rid of the cause. The only way to get rid of the cause is to get rid of the worry, the anticipation, the thoughts of the morrow, and the evening thoughts of the past day. The only way to get rid of the cause is to get rid of the worry, the anticipation, the thoughts of the morrow, and the evening thoughts of the past day.

A Sales Manager's Letter

LONG DISTANCE helps one large wholesale house serve its 4,500 customers in Southern Michigan and builds business for the Company.

The General Sales Manager of that Company, comparing the work of a modern telephone salesman with that of one of the old school, writes:

"In 124 days the telephone salesman called on 4,628 merchants, 4,522 of them by telephone, averaging 37 calls per day.

"The old school salesman made 3,750 calls in 216 days, less than half of them by telephone, and averaged only 18 calls per day.

"The average daily sales of the man who sold by telephone were two and one-half times those of the member of the old school."

The telephone is quick, handy and a sure card of admittance. It builds business and good-will and lowers selling costs.

Michigan State Telephone Company

Something You Have Always Wanted

All Finished Family Washing Service

—NO MARKS—

You can now have your entire family washing, including wearing apparel and flat work, carefully laundered by a responsible laundry, for less than it has cost you to have it done at home.

Under this new service all wearing apparel and flat work are first separately weighed, then each family bundle is individually washed in the softest water, with purest soap, the entire cost being decidedly economical.

5 Pounds Wearing Apparel

5 Pounds Flat Work

Both for \$2.00

For excess weight over the minimum 5 pounds, a small charge of 10c a pound for excess flat work, and 20c a pound for excess wearing apparel, is made. This service includes all family wash except starched collars, starched shirts, and lace curtains. The average family wash costs between \$2 and \$3. This service is new in Detroit but growing in popularity every day.

TWENTY-FIVE YEARS AGO

Items taken from the Record files of 1897 for the week ending Sunday of this week.

Spencer Clark is seriously ill. Mrs. W. H. Somerville is visiting in Canada for a couple of weeks. Miss Cora Brigham leaves Monday to attend Business College in Lansing.

Tuesday morning the thermometer registered 10 below and ranged about the cipher all day long.

Mrs. W. G. Lytle of South Lyon is visiting her daughters, Mrs. E. A. Shafer and Mrs. Fred Burch.

A second newspaper "The Plymouth Rock" is to be started at Plymouth next week by M. F. Gray.

Mrs. Wilma Stoffer and Miss Nellie Hooper of Flat Rock, are guests of their sister, Mrs. L. A. Beal.

Mrs. Fred Burch of this place and Mrs. L. Burch of Plymouth spent last week with friends at Pontiac.

Born to Mr. and Mrs. Grant Gorthy, of Milwaukee, Ohio, formerly of Northville, on January 7th, a son.

Harry S. German leaves next week for Ann Arbor, where he will take a law and literary course at the U. of M.

Mrs. Seth Reed, formerly of Northville, is spending the winter in Cleveland with her grand-daughter, Mrs. C. A. Gardner.

Last Monday evening about fifteen of our young people attended a sleigh-ride party given by Minnie Leslie, at the home of Roy Smitherman, two miles east of the village.

Two sleigh loads of Northville people gave the Messrs. Rogers and Mr. Piper a neat surprise at their farm home northwest of town Tuesday evening. It was a lively crowd and they had the nicest kind of a time.

Mrs. George Clark was the instigator of the plot.

Dr. Burgess made it known that he wanted a few rats this week on which to test a piece of the "Clarenceville meat." The rats began to arrive Monday and by noon he had a half-dozen ready for the ordeal. He thought he had but when he opened the door a half-hour later the rodents had all escaped the trap and were flying about the room.

With the aid of a broom two stove-pokers, a chair, a cuspidor, a blocking brush, and a neighborly assist the doctor succeeded in routing the enemy. The doctor asked us not to say anything about this therapeutic we ask our readers to consider it as being strictly confidential.

Northville School Notes.

Last Friday evening the High school team met the Alumni. The H. S. girls won decisively—48-10. It was a good game except for the fact that it was one sided. The H. S. boys, however, were defeated—14-17 by the same team that represented the N. H. S. last year and brought back her first cup from Ypsilanti. The H. S. boys were too small and consequently the older boys got the jump on them, and therefore won. The game was very exciting from beginning to end, the teams both being very fast. The star of the game was "Lefty" Hammond who scored all of N. H. S.'s points but two. The H. S. boys outplayed the Alumni in every part of the game except jumping and tossing baskets. In this our boys seem to be very weak, however, they are improving a bit along and the Alumni on their part Friday night was one of which the team should be proud. As all of the boys were "Northville's own" the rivalry was not as great as it ordinarily is. Score, N. H. S. 14 Alumni, 19.

DRINK ELLIOTT'S COFFEES

THESE COLD MORNINGS

A cup of hot coffee made from our Special Blend Fresh Roasted Coffee at 28c or 35c a pound, just seems to "touch the spot." If you haven't tried a pound of these coffees we have both lost money, and you have missed a real treat. Scores of people in this section who have been in the habit of paying 45c and 50c a pound for their coffee are now regular customers here and they declare our 35c blend is the best coffee they have ever used—and it is.

Take home a pound today and convince yourself.

BREAD-BAKED GOODS

Our Bread and Baked Goods are having a wonderful sale among the people of this section who desire the best. We bake every day and hence we do not have any old, dry stuff to offer customers. Some bakers bake only every other day, or else supply today's trade from yesterday's baking. We do not. Our Baked Goods are FRESH every day.

Father Finn's Paulist Choir will appear at the Arcade Detroit on Thursday evening next, the 1st seats may be reserved at Grinnell Bros. Music House, Detroit.

W. H. Safford has been appointed deputy sheriff by Sheriff Walters and has been assigned to the position of court officer. He entered upon his new duties Monday morning.

Hon. Fred M. Warner and Harley Warner of Farmington left Monday for Florida. The latter will remain but a few weeks but Mr. Warner expects to stay for several months.

Just mark Thursday night, February 8th on the calendar as your date out, men of Northville. This is the date selected for the father and son banquet. Tickets will be on sale soon at 50 cents each.

On Sunday evening, February 4th the choir of the Presbyterian church will give a musical program. Those who were present to enjoy the one given some weeks ago will be glad to learn that another treat is in store for them.

Louisa Lapham was found dead at her home in Lavonia township last week Thursday. It was thought he had died about three days previous, says the Farmington Enterprise. He was a bachelor and was 52 years of age.

The home of Mr. and Mrs. S. L. Brader was damaged by water caused by the freezing of water pipes one night last week. The rooms down stairs will have to be re-decorated and some of the furniture in the rooms was badly damaged.

Archdeacon Ramsay of the Upper Peninsula, one of the organizers of St. John's Episcopal church in Plymouth will speak at the services to be held there next Sunday morning at 9:45. Northville friends are invited to these services.

This evening Court Northville 17 of A. will have a big class initiation and at the close of the ceremonies the members will enjoy an old-fashioned plantain smother. All members are urged to be present. Those who stay away will miss a lot of fun.

Russell and Harley Cutlerman of Farmington, well known to many Northville people, were among those who received their football letters at Alma college recently. The boys were members of Alma's successful football team and are also members of the basketball team.

Friday evening, February 23rd, has been selected for the annual ball to be given by Orient Chapter, O. E. S. Finzel's orchestra will furnish music and committees are now planning to make the affair one of the most enjoyable of the season. Keep the date in mind.

Miss Elizabeth Poole, sister of Mrs. David Cook of this village, died in Lincoln hospital in Detroit, on Saturday and the remains were brought to Northville by Schrader Brothers, funeral directors. Funeral services were held at the home of Mrs. Cook on Monday afternoon, being conducted by Rev. E. V. Belles.

The officers of the Detroit House of Correction Prison Farm social club will give a dancing party at Penniman-Allyn hall, Plymouth, this Friday evening. All are invited, and all will be assured a good time. There will be good music and the officers of the club will be on hand to extend a cordial welcome to all who attend.

Village caucuses have been called for Monday evening and Tuesday evening, February 5th and 6th. The Workingmen's caucus will be held at the village hall on Monday evening at 7:30 and the People's will be held at the same place on Tuesday evening, and at the same hour. This year there will be only the regular officers to be elected—president, clerk, treasurer, assessor and three trustees.

N. C. Schrader had the misfortune to slip and fall on the ice and cut one of his hands badly.

The members of Orient Chapter, O. E. S., had a very enjoyable time after the regular meeting last Friday night. Cards and various games were played and doughnuts and coffee were served as refreshments.

Foresters are urged not to forget the initiation ceremonies which will take place tonight when a large class will be "taken in" to the order. After the work of initiation there will be an old-fashioned plantain smother. Members ought not to miss the fun, and if they miss the latter they will always have something to regret.

Miss Genevieve Parmenter is now teaching in the Kindergarten department of the Birmingham schools. During the holiday vacation she is positioned at Birmingham and was offered a promotion to the superintendent and school board at Alba where she was teaching, would release her. She asked to be released and her request was granted.

Louie Ransom had an experience while returning from Ann Arbor Tuesday that he does not care to have repeated. Driving his Essex car at a moderate rate of speed he encountered some ice in the road and like a flash the vehicle turned around and before it could be righted made for a ditch.

Fortunately Mr. Ransom escaped without injury, though the car was damaged considerably.

M. S. Sweet, who is employed by the Detroit Edison Co., held the key that opened the door to the silver chest at C. R. Horton's store. He tried his keys yesterday morning and carried off the prize. Some people are wondering just what he will do with a chest of silver.

Members of the Royal Neighbors and their friends had an enjoyable time at Foresters' hall on Monday evening, when the newly elected officers were installed. Mrs. Leah Green officiated as installing officer in a very creditable manner and Mrs. Eva Martz acted as ceremonial marshal presenting each officer for installation. After the installation ceremonies cards were enjoyed and later refreshments were served.

DANCE AT SALEM FEBRUARY 2ND. The last dance before Lent will be given at the Salem Town Hall on Friday evening, February 2nd. Music will be furnished by Schneider's orchestra of Ann Arbor and the dance bill will be \$1.00. Spectators, 50c.

**PLANS COMPLETE FOR M. A. C. FARMERS WEEK.**

With programs completed for the various meetings, and exhibit material groomed for the display booths, plans for the annual Farmers Week at M. A. C., from January 29 to February 2, were finished here this week.

Preparations have been made to receive the largest crowd of farmers and their families which ever gathered for the annual conference. More than 5,000 registered in 1922, and an even larger attendance is expected next week. Farmers Week has grown steadily for the last half dozen years, each crowd exceeding the previous one by a large margin, until the occasion has come to be by far the largest gathering of its kind held in the state.

Thirty farm associations and groups will hold their annual meetings during Farmers Week this year. Addition of the fourteen special associations numbered under the Michigan Improved Livestock Breeders and Feeders association to the lists of convening groups has doubled the number for the coming conference.

New and interesting exhibits on all phases of agriculture and rural life will be on display in the college buildings, championship livestock being featured especially. Speakers of wide reputation will address the meetings of the general program, business and political as well as agriculture, being represented from the platform.

Special emphasis is being placed on women's exhibits and meetings, a complete program of home economics material being prepared for those who are interested. The college's slogan has been "Bring the Whole Family," and no effort is being spared to provide plenty of entertainment for the wives and mothers, as well as for the men themselves.

**GENERAL STRIKE
STOPS RUHR MINES**

FRENCH BALKED AT EVERY TURN
BY REFUSAL OF GERMANS
TO CO-OPERATE.

STRIKE ALSO STOPS RAIL LINES

Inhabitants of Occupied Area Told to
Stop Tax Payments—Russ Army
Reported Mobilizing.

Essen—A general strike of miners in the Ruhr district became effective on Monday.

The strike decision was taken after a 12-hour session of labor delegates here. It points to complete defection of labor. An ultimatum from Berlin announced workmen would be prosecuted and sent to jail if they transported coal to France and if miners brought it to the surface.

The entire Ruhr valley is seething with excitement. Manifestations and protests against arrest of German industrial officials are being organized, although these are forbidden by the French, who announce their intention to repress them ruthlessly should the necessity arise.

Labor leaders, who favor co-operation with France apparently have been overwhelmed by popular sentiment. Railroad men declared a strike at noon Sunday, stopping passenger and freight traffic in the region of Dortmund, Langendreer and Bochum.

Tax Payments Forbidden

Berlin—Minister of Finance Hermes has issued an order forbidding payment of customs and coal tax and export dues to any account other than German.

The association of German iron and steel industrialists has decided to carry on no business relations with France or Belgium as long as occupation of the Ruhr continues.

The German charge d'affaires at Paris has been instructed to protest to the French government arrest of Herr Thyssen and other German industrial leaders and to demand their immediate release and full satisfaction. He further was ordered to enter a protest in the case of the shooting of the German workman Kowalski at Langendreer, January 19.

Russians Reported Mobilizing.

In view of the reported mobilization by Poland and the French invasion of the Ruhr a Russian revolutionary war council has been established said a Central News dispatch from Stockholm quoting advices received there from Moscow. The council is a triumvirate consisting of Trotsky, Djerzinski and Kamenev and will conduct all necessary measures. General Tuchajewski has been appointed Russian commander on the "western front."

Diplomats Bring Pressure

Washington—Diplomatic pressure once more is being vigorously applied to France in the hope of finding some basis of compromise under which the French will abandon further coercive measures against Germany, and Germany on her part will faithfully undertake to meet all reparations demands to the total limit of her capacity.

IRISH EXECUTE 11 "REBELS"

Drastic Action Follows Attempts to
Overthrow Free State Rule.

Dublin—Threatened with destruction by its foes, the Irish Free State Saturday began a campaign of extermination, executing 11 Republican irregulars for rebellious activities and train wrecking in three different towns. This brings the total of irregulars put to death by the Free State since the middle of November, up to 25.

Saturday's executions came as the climax of one of the most disorderly weeks Ireland has known in her recent turbulent history. Never at one time since the Free State was established were so many military prisoners put to death at one time.

This drastic action follows a report that a new coup has been discovered against the Free State government. It aimed to destroy all railway transportation and all telephone and telegraph communication.

WALLACE REID LOSES FIGHT

Noted Film Star Dies—Breakdown
Caused by Drugs

Los Angeles—Wallace Reid, hero of filmdom, died last week in a sanitarium at Hollywood in which he had been under treatment for more than a month. The direct cause of death, according to his physicians, was congestion of the lungs and kidneys, induced by the patient's recent nervous collapse.

According to Dr. G. S. Herbert, who has been attending Reid since he entered the sanitarium, the actor's health was broken by his fight to break himself of the use of narcotics. Reid, who was six feet tall and whose normal weight was 135 pounds, had lost 60 pounds during the past several weeks.

Reid was born in St. Louis, Mo., in 1892. He leaves a widow, one son and an adopted daughter.

**OAKLAND COUNTY FARM BUREAU
ELECTS OFFICERS:**

The annual meeting of the Oakland County Farm Bureau was held Thursday at Pontiac, with about thirty delegates present representing as many organizations.

The election of officers resulted in the choice of Percy King of Waterford as president to succeed B. A. Holden of Milford, Fred Beardslee of Addison was chosen as vice-president. The secretary will be chosen by the board of directors at their first meeting. Four members of the executive board were elected for a two-year term, Mrs. Hendrie of Bloomfield Hills, J. S. Mitchell of Holly, Frank Williams of Highland and Frank Power of Hickory Ridge. Mr. Williams and Donald Sayre of South Lyon were elected as delegates to the state Farm Bureau convention.

The financial report showed that operating expenses of the Bureau for the year were \$16,446.86 and receipts were \$17,246.84.

WOMEN TO HAVE OWN FARM WEEK PROGRAM

Matching the men with exhibits for exhibit and meeting for meeting, women who come along with Dad for the annual Farmers Week and Housewives Congress at the Michigan Agricultural college, from January 29 to February 2 this year, will have a complete program of their own all through the big conference.

The college women's building will serve as headquarters for the women during the week. Exhibits will be on display and a national conference will be held there, while the special home economics meetings are scheduled for the auditorium of the East Lansing Peoples' church.

Leaders in the home economics world, including several of the specialists on the M. A. C. staff, are listed for talks during the various women's meetings. Mrs. Doris H. Stockman, only woman member of State Board of Agriculture, and Mrs. Louise H. Campbell, dean of Home Economics at M. A. C., will preside at several of the sessions.

Everything from "Types and Powers of Washing Machines" to "Hygienic Requirements in Clothing" is included in the various subjects which will be up for discussion before the assembled women, while exhibits and demonstrations will cover a wide range of household and home-life questions.

In addition to their own program, women visitors will attend all of the Farmers Week general sessions, at which national leaders in agriculture, political and business matters are to speak. Moving pictures, music and other entertainment features will be scattered through the week's program.

PROHIBITION PAYS, SAYS DAVIS.

The following figures answer the question "What does prohibition enforcement cost the United States government per year?"

Amount realized from forfeitures, compromises, penalties taxes and federal for one year, ending June 30, 1922, and actually collected	\$8,121,209
approximate value property seized	6,000,000
Total Collected	\$14,121,209
Cost of enforcement	6,500,000
Total gain	\$7,621,209

"No one who has any legitimate use for whiskey and alcohol has any ground for complaint against the provisions of the prohibition act," said Federal Prohibition Director James R. Davis. "Physicians may obtain alcohol for sterilization, anesthetic and medicinal purposes and whiskey also for emergencies by prescription. More than 1,000 physicians in Michigan have obtained such permits. Dentists and veterinarians also may procure alcohol under certain prescribed conditions for legitimate purposes."

"Two thousand five hundred permits have been issued in Michigan to individuals and to concerns, ranging from small drug stores to large pharmaceutical manufacturing establishments, for withdrawals of alcohol ranging from five gallons to 15,000 gallons quarterly or more."

"The department realizes that alcohol has its legitimate uses and desires to act promptly and efficiently in requests for it. We consider it just as much our duty to see that persons having a legitimate use for alcohol may obtain it promptly as it is to arrest the violators of the prohibition laws."

"Many persons seem to be under the impression, this being inspired, probably, by those opposed to prohibition, that whiskey and alcohol cannot be obtained for legitimate purposes. This is erroneous. Anyone who has a legitimate use for either may obtain it through authorized channels and not from bootleggers. The stuff he sells is poison, pure and simple."

Everything Points to The Greatest Spring Demand for Ford Products in Company's History

1,202,517 Ford Cars and Trucks were delivered to retail purchasers in the United States alone during 1922—Actual deliveries for last month greatly exceeded any previous December in the history of the Ford Motor Company.

It was the ninth consecutive month in which more than 100,000 Ford Cars and Trucks were retailed—keeping the Ford Plants working at capacity to meet dealer's requirements.

In many parts of the country dealers are already finding it necessary to specify later delivery dates on certain types because there are no reserve stocks to draw from.

Commercial users, business-houses and farmers, anticipating their future requirements, are placing orders and taking delivery of Ford Cars, Trucks and Fordson Tractors to insure against delay.

Everything points to the biggest shortage of Ford Products this Spring that has ever existed.

We have given you these facts as they actually exist so that if you are planning to purchase a Ford Car, Truck or Tractor for use this Spring or Summer, you can list your order now and take advantage of D. B. BUNN's first opportunity to make delivery.

DR. H. W. EVANS

Dr. H. W. Evans of Dallas, Tex., was elected imperial wizard of the Ku Klux Klan at the recent annual national "Klonselium" (congress) in Atlanta, Ga. He succeeds William Joseph Simmons.

The Klan is at the present time very much in the public eye because of the court investigations in Bastrop, Louisiana, where it is claimed a band of the hooded Klansmen brutally murdered two citizens.

1,205 PAROLED DURING YEAR

For Each 100 Sent to Prison in State.

Lansing—Inmates in Michigan penitentiaries were paroled during the year just closed at the rate of 57 for every 100 committed, according to figures set forth in the annual report of Fred Jeanette, commissioner of pardons and paroles.

During that period 2,227 commitments were made to the three state prisons and the Detroit house of correction. The paroles for the same period totaled 1,205.

The report shows that the rate of parole dropped during the year, as compared with the year 1921, there being 1,543 paroles during the previous year.

U. S. ARMY REMAINS SAME SIZE

Proposal to Cut Personnel Defeated—Enlistment Age Limit Now 21.

Washington—After turning down all proposals to reduce the size of the army by trimming the appropriations for the fiscal year 1923-24, the house has approved the provision in the war department appropriation bill fixing the strength of the military establishment at 12,000 officers and 125,000 enlisted men—the present authorized strength. The provision was accepted without a record vote.

A provision was adopted preventing enlistment in the regular army of men under 21 years of age without consent of parents or guardians. Boys are taken in now at 18 years of age.

DYNAMITE USED IN DRY RAID

Police Blow Up Safe When Employee Refuses to Open It.

Detroit—Champagne, booze, great quantities of barreled and bottled beer and an army pistol with a case of cartridges were seized when federal and police agents conducted a sensational raid on the near-beer saloon of Al Wertheimer, 1923 Grand River avenue.

When an employee of the place stubbornly refused to open a safe in a rear room, holes were drilled in the door and it was dynamited, filling the room with flying pieces of steel and broken glass.

BRITISH DEBT PARLEY FAILURE

War Clouds in Europe Bring Negotiations to Abrupt End.

Washington—The breakdown, at least temporarily, of negotiations for funding the British debt to the United States, which has developed in Washington, is directly related to the French invasion of the Ruhr Valley in Germany and the general financial uncertainty resulting therefrom.

Stanley Baldwin, chancellor of the British exchequer, and his colleagues, sailed for home last week as an agreement could not be reached at this time with the American representatives.

WOULD PROBE KLAN IN STATE

Bill Introduced Asks Investigation of Michigan Ku Klux.

Lansing, Mich.—A resolution demanding a thorough investigation of the alleged activities of the Ku Klux Klan in Michigan was introduced in the Legislature last week by Rep. James A. Burns, of Detroit, the young set member of the House.

It sets forth that the Klan has organizations in many cities in the state; that its purpose is to take part in the "alleged administration of justice without official authority," and asks the appointment of a legislative committee to inquire into its purposes and activities.

A LETTER FROM W. A. ELY.

In a letter to The Record, in which he enclosed a check for his subscription for 1923, W. A. Ely of Riverside, California, wrote as follows:

"We have had the nicest winter so far that we have had since we have lived here. Last night was the coldest night we have had so far—28 above. I like the climate here fine but I am free to admit that I get homesick, but don't tell that to Ray Richardson. He told me when I left to come the longest way for when I came back I would come back the shortest route. I don't know how he knew but he was correct in his guess and I'll tell you right here that when I left Northville—Bill Ely left home Old Bill's hair had gotten too thin and white to get so far away from his friends, but I am the only one in the family who gets homesick, so guess I would have to come back alone if I came but have seen a lot of Northville people since I have been here and that helps some. I have been working at the packing house that I ship my oranges from and I was talking with the book-keeper the other day. He used to live in Lansing and he drew the plans for the Northville water works so we have got quite chummy. A man from Grand Rapids also works there. Will say good bye until next January."

Respectfully yours,

BILL ELY

ELLIOTT'S HARDWARE
NORTHVILLE, MICHIGAN.**WHO'S WHO AT LANSING.**The Detroit News of Sunday con-
tained the following complimentary
reference to Northville's well known
and popular legislator:"Milo N. Johnson, who represents
the Northville district of Wayne county
in the House, was born on a North-
ville township farm and all of his 55
years he has lived in that community."A self-made man is Rep Johnson.
His parents' death threw him at 16 on
his own resources. Doing chores for
his board and lodging, he worked his
way through the Northville Highschool. Then for six years he was in
the mercantile business at Northville
and for 12 years postmaster.Acquiring a farm he conducted it
for many years, finally selling out
several years ago, at a large figure, to
a wealthy Detroit citizen. Since then
he has been doing a real estate busi-

ness at Northville where he is one

of the town's solid citizens.

Rep. Johnson was elected to the

legislature in 1918 and has been twice

re-elected. At the present session

he is chairman of the House com-

mittee on roads and bridges, which

carries with it the leadership in di-

recting the consideration of all high-

way improvements bills. He knows

the highway situation thoroughly and

stands high in the confidence of his

legislative associates.

**HANDSOMELY APPOINTED SWEET
SHOP.**While a number of delays in the re-
ceipt of some of the equipment for
his Sweet Shop have prevented C. R.Horton from selecting a definite date
for a formal opening yet the hand-
somer appointed room has been open-ed since before Christmas and it is
already becoming a popular refresh-ment place. Mr. Horton has spared
no expense in his efforts to giveNorthville a Sweet Shop that would
be a credit to any city. The wallsand ceilings of the room have been
decorated in a most attractive man-ner and the fixtures are in keeping
with the room itself. Large display

cases have been added and a very ex-

tensive line of candies, embodying
many of the most popular and bestknown lines, have been added to his
stock. A fountain constructed ofmarble and mahogany adds its beauty
to the furnishings of the room andfour tables, each accommodating four
persons have been conveniently placedfor serving the public. Those who
desire may be served at the fountain,while those who prefer the privacy of
the tables may be served there.The fountain is equipped with the
most modern cooling system knownand no ice is required to keep every-
thing at an even temperature. Thisnew improvement makes the fountain
and all its equipment most sanitary
and does away with the trouble andlabor of using the cans and trays each
day.Just as soon as all the equipment
arrives Mr. Horton contemplates hav-ing an opening to which the public
will be especially invited. In themeantime all who desire a nice quiet
place in which to rest a bit and torefresh themselves will find the Sweet
Shop an ideal location.**Wixom Whisperings.**The B. Y. P. U. had a party at B. A.

INTERESTING.**The first annual mid-winter country
bowling tournament opened at the
Northville alleys on Monday evening
with two Northville teams contesting
for honors. The affair was planned
and directed by Harry S. German and
its success thus far indicates that itwill become an annual affair at
Northville. On Tuesday evening one
of the closest and most interesting
contests seen at any alley was played
between Al Hanna's Crows of Detroitand German's Country Five. In the
first and second games Northville wonby a good margin, but in the third and
final game the Crows made a grandrally, defeating their opponents by 33
points. The final score, however,gave the contest to the sod-busters,
they having defeated the city slickersby 29 points in the three games. It
was a splendid exhibition of pin roll-ing and it looked for a time during
the third game that the city chapsmight not have to walk home, but
they were unable to overcome the leadthe country jays had piled up in the
two first games.After the game the members of the
Country Five were handed \$100 bysome one in the crowd of spectators.
The tournament has created a gooddeal of interest and has provided some
splendid sport for lovers of the

alley.

Leading in the tournament to date
are:

Five Men Team 2,505

Ypsilanti Stars

Doubles.

1st—Snow and Chevrolet 2,169

2nd—Clark and German 1,156

Singles

1st—Page 618

2nd—Brookman 615

3rd—German 594

On Wednesday and Thursday of
next week the tournament will be con-cluded, the contesting teams being
Monroe Ducks vs. Vizard's Wizards.

Gallen Juniors vs. Wandotte Boys.

Woodward Juniors vs. Mountain

Lions; Pontiac Oaklands vs. Recrea-

tion Juniors. The usual home team
games will also be staged.**GROCERIES—MEATS**In addition to our well se-

SONG DURING SHORTAGEAt seven o'clock in the morning
The man delivers the Coal.
There's a bang and a crash and a rattle and a smash.
As it slides down into the hole.
I spring out of bed in a twinkling
And sing with a merry din,
Hi lee! hi lo! for the joy I know
When the Coal slides into the bin.At seven o'clock in the morning
The man delivers the Coal.
There's a whoosh and a bang and a rush and a whang
As it slides down into the hole.
The darn noise gives me a headache
And it's broken my sleep to boot,
Oh, I'm mad to my soul when I hear the Coal
As it roars in my neighbor's chute.**Northville Lumber & Coal Yard**
