NORTHVILLE, MICH.

TWO GOOD TICKETS ARE IN THE FIELD

The village caucuses were held the
first of the week and two good tickets
were placed in nomination for the an-
nual election to be held on Monday,
March 12th.

WORKINGMEN'S TICKET.

The Workingmen's caucus was held
on Monday evening at the village hall,
with an attendance of 18 electors.
Ernest Miller was elected chairman
and W. H. Safford clerk, and the
chairman appointed C. L. Blackburn
and E. C. Langfield as tellers. C. A.
Dolph was nominated for the office of
president and receiving a majority of
all votes cast was declared the nomi-
nee of the caucus. Under the sus-
pension of the rules the remainder of
the candidates were named and they
were as follows: Trustees, Charles
G. Atkins, Carl R. Ely and Stewart

Montgomery, clerk, Thomas E. Mur-
dock, treasurer, Ernest Miller, as-
sessor, Charles A. Sessions.

The committee for the ensuing
year is composed of N. C. Schrader,
F. W. Lyke, Mrs. Ed Sessions and
Mrs. F. S. Neal.

President Dolph was present and
being called upon made a few re-
marks in which he reviewed briefly
the work of the past year and stated
that it would require about two
months, perhaps longer, to complete
the sewer system, and that several
matters pertaining to the water
system must receive attention in the
spring. He said the great need for
the new year would be the procuring
of an efficient and adequate fire fight-
ing apparatus. The present council
had given this matter considerable
thought and had about concluded that
an equipment which would cost ap-
proximately \$3,500 would meet North-
ville's needs, and the same could be
purchased without adding materially
to the village taxes for the coming
year.

At the conclusion of his remarks, H.
S. German made a motion that it was
the sense of the caucus that the new
council purchase suitable fire fight-
ing equipment as outlined by Mr.
Dolph, and the motion was carried
unanimously.

PEOPLES' CAUCUS

The Peoples' caucus was held at
the village hall Tuesday evening.
George Hotelling was chosen chair-
man, W. E. Ross secretary and W. D.
Stark and John McCully tellers. A
ballot was taken to nominate a can-
didate for president and George H.
Baker was declared the nominee of
the caucus. The candidates named
for trustees were Willard D. Stark,
W. Alonzo Parmenter and Sydney
Litsenberger.

It was decided to leave the office of
clerk, treasurer and assessor vacant.
The committee appointed for the en-
suing year consists of George Hotel-
ling, S. W. Knapp, John McCully and
W. E. Ross.

MYSTERIOUS FIRE IN HIGH SCHOOL BUILDING.

When Emery VanValkenburgh, jan-
itor at the High school for many
years, went to the building Monday
morning to attend to his fires, he was
greatly surprised to discover that
during the night there had been a fire
in the boiler room and that con-
siderable damage had been done but
fortunately the fire had gone out,
leaving only embers to tell of what
might have happened.

He attended to his fires as usual
Sunday night and when he left the
building everything was alright, for
Mr. VanValkenburgh is very careful.
Sometime during the night, however,
there was a fire that put some of the
radiator pipes leading to some of the
rooms in the building, out of com-
mission.

FATHER AND SON BANQUET A BIG AFFAIR.

The Record went to press too early
yesterday afternoon to give a detailed
account of the father and son banquet
which was held at the High school
gym last evening. The demand for
tickets far exceeded the fondest ex-
pectations of the committee and
places were provided for 325 men and
boys at the banquet tables. A fine
program was given and the whole af-
fair reflected great credit upon North-
ville. The ladies served a fine dinner
and for their untiring efforts the com-
mittee is very grateful.

A full account of the affair will be
given next week.

Northville High school basket ball
teams will play at Wayne tonight.

DEMAND FOR VALVES INCREASING

With 320 men now employed at the
Northville branch of the Ford-Motor
company, new men are being engaged
nearly every day and an effort is being
made to increase the daily production
of valves to 90,000 each twenty-four
hours. At the present time about
77,000 is regarded as a good day's
output.

A visit to the local plant discloses
the fact that it is a pretty busy place,
each one of the 320 employees doing
his best to speed production and to
fit in the niche he is intended to fill.
It requires a good many motions and
processes to make and complete a
perfect valve and they must be perfect
before they are passed by the in-
spectors. After the steel has been
delivered in the plant it is cut the re-
quired length and the little steel bar
scarcely stops in its movements until
it receives its last and final inspection
and is placed in packing boxes for
shipment either to the Highland Park
plant or to some one of the many
assembling plants now maintained by
the company.

High speed automatic machines and
the quick and steady movement of
the operators gives a hum and a dash
to the work that is interesting to the
visitor, and the employees have become
so accustomed to the speed with
which the valves are pushed
from one operation to another that
they have become experts in their
special lines.

The factory is kept in a very clean
and orderly manner and everything
about the building indicates careful
supervision. The Ford plant is
certainly a great benefit to Northville
and surrounding country.

OBITUARY.

Alfred A. Sitlington passed from
this life in the early morning of Feb-
ruary 8th 1923. He was born Aug-
ust 8th, 1848, in Canton township,
Wayne county, Michigan. In early
manhood he was a railroad bridge
carpenter until deafness forced him

to give that up. In 1883 he was
married in marriage to Ella A. Nash,
also of Canton. To this union were
born four children, twins, who died in
infancy. A. Earl, who passed away on
September 26th, 1912, at the age of 21
and Mrs. James N. Erwin of Farm-
ington. He took his bride to Clinton
county where they cleared and de-
veloped a fine farm. In 1904 he sold
that home and purchased the property
of George Yerkes in Novi township,
Oakland county. Nine years ago he
gave up active work and moved to his
late home in Northville. In later
years his deafness became more pro-
nounced but he bore this affliction
cheerfully. He was well and strong
until the last few weeks, being con-
fined to his home only one short
month. He is survived by the widow,
the one daughter, three grandchildren,
his aged step-mother of Denton's, two
half-brothers, George and Robert of
Canton and a sister, Mrs. Anna How-
ard of Dearborn.

Funeral services were held at the
home in the afternoon of February 5,
1923, Rev. Wm. Richards officiating.
Burial took place at the Novi cem-
etery.

GUN CLUB TO HAVE BUSY SEASON.

The Northville-Plymouth Gun club
are planning on holding sixteen reg-
istered club shoots, 75 sixteen targets
each, and two registered tournaments
during the coming season. Trophies
will be given this year in the reg-
istered club shooting events. A long
arm trophy will be given to the mem-
ber making the three longest runs of
the season. The club is planning a
most interesting program for the
coming season.

Don Baker was in Orion Monday,
the guest of his uncle, John A. Neal.

NO NEED FOR THIS LEGISLATION.

President Frank H. Alfred, of the Pere Marquette railway calls the attention of the public to two bills which have been presented in the Michigan legislature for enactment, which, if passed, will not only do great harm to the railroads, but will also perhaps result in the cutting down of train service, particularly on the branch lines where earnings are lean, because of the encroachment of the motor bus and the motor truck as competitors. Senator Young has introduced Senate Bill 62, which is known as the "Full Crew Law." This bill provides for an extra flagman on all trains, involving an additional expense of at least \$1,500,000 for Michigan transportation users. While the measure is prompted supposedly in the interests of safety, railway experts see in it a source of additional hazard, inasmuch as the responsibility will be divided further than obtains at present.

There is another side to the issue: In the event of a railroad strike transportation by rail would be completely "roped and hog-tied," for it provides that no flagman shall be employed without at least one year's experience. In discussing this situation attention is called to the situation which developed during the outflow switchmen's strike. It is contended that had this law been in effect at that time, not a pound of farm commodities could have been moved to market, not a ton of coal could have been transported. The bill virtually makes a "closed shop" of the railroads.

Senator Gann's Senate Bill No. 72 is another measure that is proposed and to which exception is taken. This bill calls for the installation of automatic fire doors on all locomotives. In many cases, it is pointed out, the work of making the alterations would be such as to involve such expense that a number of locomotives would preferably be scrapped. As the users of transportation have to "pay the shot," Mr. Alfred requests the people of Michigan to see that these bills are killed. He suggests that a letter opposing the measures be sent to the state senators and state representatives protesting against these measures.

Expression Almost Obsolete. — Salt river, the derisive destiny of defeated nominees, was once almost universally favored by political donors in estimating the chances of the opposition but lately finds its way in print now days.

ROBERT B. MANTELL AND GENE VIEVE HAMPER TO APPEAR IN SHAKESPEAREAN AND CLASSIC PLAYS AT THE NEW DETROIT OPERA HOUSE, DETROIT.

One of the most important announcements of the season is the engagement of Robert B. Mantell and Genevieve Hamper who will appear at the New Detroit opera house, Detroit, week of Monday, February 12th, in a series of Shakespearean and classic plays. "Macbeth," which is said to be the swiftest moving of Shakespeare's plays will be the opening bill. In this character Mr. Mantell shows him as no mere villain, but as a man obsessed, a mind diseased, and a victim of ambition. Miss Hamper brings all her emotional power into play in her impersonation of the wicked Lady Macbeth. On Tuesday evening "King Lear" will be the offering with Mr. Mantell in the title role, a part in which he is without an equal, in fact no other tragedian of the present day attempts to essay the mad king. Miss Hamper will be seen as Cordelia, the faithful daughter. For the mid-week matinee "As You Like It" will be given, and it is certain a more fascinating Rosalind never romped through the "Forest of Arden" than Miss Hamper. As the cynical Jacques, Mantell takes every advantage of the quaint humor of the character and his reading of the famous "All the world's a stage" is a rare dramatic feat. On Wednesday evening in "Julius Caesar," Mr. Mantell appears as the Roman patriot Brutus, who believed the death of Caesar was necessary for the public welfare. Miss Hamper makes just such a wife as Brutus would have. Hulwer Lytton's "Richard III" on Thursday evening affords Mr. Mantell fine opportunity as the Cardinal Minister to give one of the most remarkable portrayals of the stage. Miss Hamper gives a lovely characterization of Juliet, the Cardinal's ward. On Friday evening "Macbeth" will be repeated. The "Merchant of Venice" will be the Saturday matinee bill. This is probably the best known of all poetic dramas and it is certain that the Shylock of Mr. Mantell is one of his most delightful and impressive impersonations. Miss Hamper plays Portia with much skill and charm and as the woman jurist makes an effective delivery of the "Quality of Mercy" speech. A magnificent production of Richard III will conclude the engagement on Saturday night. Mr. Mantell in the title role presents this cruel,

cunning demon in a manner that has removed all rivalry in this part. Miss Hamper will be seen as the gentle-hearted Lady Anne. Each play has been given a complete scenic production, with correct costuming and novel lighting effects.

OAKLAND WILL BUILD 2 NEW CONCRETE ROADS.

Little in the way of road construction is contemplated by the Oakland County Road Commissioner for the year 1923.

The county has raised enough money to pay its share of two trunk lines and which will constitute the major portion of the new construction.

These are the concrete road bed to be laid in the Grand River road, known as M-16, and extending from a point one-half mile west of the village of Farmington to New Hudson, and the completion of a concrete road on the Dixie Highway, M-10, from the end of the concrete pavement near Drayton Plain to Green Lake, south of Clarkston.

No provision has been made for county gravel road building.

THE BONSTELLE COMPANY.

"Lady Windermere's Fan," Oscar Wilde's brilliant comedy of tense moments, was a big favorite in the voting contest conducted by Miss Bonstelle at the Garrick last summer. However, certain conditions made it impossible, but on account of numerous requests it will be offered at the Shubert-Michigan next week by the Bonstelle company.

THE DETROIT EDISON COMPANY

Fordson

You Will Want Your
Fordson Tractor Early

Everything points to the highest shortage of Ford products this year that has ever existed. Never before has the demand been so great.

You will want a Fordson Tractor early—here is one product you cannot wait for—when weather opens up you will need it. You will want it for plowing, seeding, cultivating—and all your other work. Already it has proved the greatest help to profitable farming that has ever been offered to you. And at \$395 f. o. b. Detroit, the price is so low that you lose money every day that you are without a Fordson. To get delivery you must order early. There are no reserve stocks among our dealers—our production capacity, great as it is, will not enable us to build up a reserve. It must be a case of "first come, first served" and the only way in which you can protect yourself is to list your order with a Ford Dealer immediately.

By taking advantage of our dealer's first opportunity to make delivery you will be assured of having your Fordson when you need it.

WHY NOT TRY A 25c LINER IN THE RECORD?

GIVING THE BIRDS A RECEPTION. Soon hosts of birds will be coming back to their summer homes from the far south. It will be a good idea to have birdhouses all ready and hanging up to welcome them. Indeed, this is a good way to stage a reception for the birds. The Martin family and

many others, will enjoy this reception very much and will not spurn your invitation, you may rest assured. They will pay you for your trouble in song and cheer and also by ridding early gardens of insect pests—Dumb Animals.

THEY ARE BOUND TO COME.

The engineers employed by the village council of Farmington to make a survey and formulate plans for the betterment of the water system of that village reported in his estimate that Farmington would have a population of 2,500 within a decade. We believe the engineer is very conservative in his estimates and his prophecy. Farmington is right in line for the increased population that is bound to drift out of Detroit along the Grand River route, and within a very few years, sooner than many of us now think, Farmington will enjoy such a growth that has come to Redford within the past two or three years. The village is ideally located for a home place and it has advantages that will attract people from the city who desire to locate in a community that has good schools, good churches and a citizenship that is of a very high order.

Farmington is bound to grow and expand just as every other community within thirty miles of Detroit will grow, if the people provide those things which people coming out of the city will demand, and our neighbor is well supplied with all the modern conveniences with the exception of gas.

Dumdum Bullet Prohibited.

The dumdum bullet is a soft-nosed or expanding bullet so named after Dumdum arsenal, the place near Calcutta, India, where it was first made. Its use was prohibited in warfare by The Hague conference.

The Point.

"My dear," asked Blackstone, looking for a compliment, "what would you do if I should leave you?" "How much?" asked Mrs. Blackstone, absent-mindedly. American Legion Weekly.

AUCTION SALE.

Under the authority of an order of the Probate Court for Wayne county, Michigan, of date January 23, 1923, I will sell at public auction, at the front door of the residence of the undersigned on the north side of Main street in the Village of Northville in said county, on Monday the 5th day of March, 1923 at 10 00 a. m., the following items of personal property, being a part of the estate of Catherine Kator, deceased, to-wit:

SEVERE COLD WAVE SWEEPS COUNTRY

REPORTS FROM ALL PARTS OF
UNITED STATES SHOW
ZERO WEATHER

MICHIGAN GRIPPED BY COLD

Southern Texas Has Snowfall for First Time in Twenty Years Below Zero At Chicago.

Detroit—The coldest wave of the winter gripped the entire country Sunday according to reports from all sections of the United States. The official thermometer here registered zero Sunday morning. Other Michigan points reported temperatures considerably under that.

Chicago Faces Zero Weather Chicago—The winter's record-breaking cold wave, which has gripped the northwest and central west since Friday night spent its force Sunday. The thermometer here registered 8 below at the lowest point, then began slowly to rise.

Many sections of the middle west in addition to Chicago, experienced the coldest weather this winter. Detroit, which had a temperature 32 degrees below zero Saturday, however, recorded but 24 below Sunday, and this was the minimum reported for the country. The same minimum also prevailed at Bismarck and Fargo, N. D. while St. Paul reported 20 below. White River Ont. had a temperature

Snow On Rio Grande.

Houston, Tex.—The most severe weather in years was experienced in south Texas Sunday according to reports. Snowed in the Rio Grande valley for the first time in 20 years.

Heavy snow in the northern part of the section and rains in the southern portion fell all day and the mercury continued a steady downward movement. The entire coastal country experiencing freezing weather.

The heaviest losses probably will be suffered by cattle producers and truck growers. The cotton belt will be benefited, while grain and sorghum raisers believe the heavy precipitation will supply long needed moisture.

Reports received here from Chattanooga, Tenn., Columbus, Greenville, Greenwood and Yazoo City, Miss., said that snow and sleet fell through out the day.

TURKISH PEACE PARLEY FAILS

Attempt of Compromise by Allies Goes on Rocks.

Lausanne—The European statesmen have failed to restore peace in the Near East and the conference called for this purpose definitely collapsed Sunday night after desperate efforts to save it.

The conference failed because the Turks failed to accept the clauses concerning the future economic regime in Turkey, and, to some extent, because they would not accept the allied formula dealing with jurisdictional guarantee of foreigners, which were to replace the territorial privileges. Briefly, the Turks wanted to strike from the treaty all clauses binding them to recognize contracts and concessions granted by the old Ottoman empire.

They maintained that they had been left free to study these questions and if necessary, reopen negotiations concerning them with their interested countries and peoples.

INFLUENZA: GERM IS ISOLATED

Rockefeller Foundation Physicians Working on Antitoxin

Schenectady, N. Y.—Following announcement of Dr. Simon N. Flexner, of the Rockefeller Foundation, that physicians have discovered and isolated the influenza germ, scientists now are working on an antitoxin to halt the ravages of this disease.

Dr. Flexner gave credit for the discovery to Dr. Frederick T. Gates and Dr. Peter K. Cliftsky, of the institute, who were said to have spent years at the work.

The isolation of the germ is especially interesting at this time when a mild form of the "flu," which has in recent years killed millions of persons, is prevalent.

Should the Rockefeller scientists succeed in perfecting a serum which will nullify the work of this germ, thousands of lives will be saved.

Statistics show that from May, 1910, to March, 1919, 25,000,000 people have died of influenza throughout the world. The epidemic of 1918 killed thousands in both allied and German armies.

Warren Leaves Tokio for America

Tokio—Charles Beecher Warren, United States ambassador to Japan, left here enroute for Washington, where he will tender his resignation to President Harding. Count and Countess Uchida, Baron Kijuro Shidehara, many foreign officials, ambassadors and ministers were present to say farewell to the American ambassador. At Yokohama, consuls, American residents and others were on hand to say farewell to Ambassador Warren and his family.

Grand River and Griswold.

Sailing Under False Colors

SENATOR YOUNG has introduced Senate Bill No. 62 in the Michigan Legislature, known as the "full crew law." Under the guise of a Safety measure, it means really—

An additional tax of \$1,500,000 at least to the users of Transportation in Michigan.

The creation of an artificial demand for more labor.

Waste in man power.

Greater hazards to the men, it is designed to protect, since it divides responsibility.

THERE is another phase to the issue: In the event of a strike, such as the "outlaw switchmen's strike" of three years ago, complete paralysis of the transportation system will follow, because one clause of that measure makes experience mandatory upon the newest recruit to the train crew—the flagman. Had such a law been in full force and effect when the strike referred to occurred, there would have been a complete tie-up of not alone the railroads, but of every factory in the country. Not a pound of farm produce could have been transported to market, nor a ton of coal brought from the mines by rail. There would have followed in its wake greater misery, greater chaos, greater general suffering upon all who are dependent upon transportation—and profiteering on a scale the like of which the country had never seen!

This bill would give to organized labor in times of peace what the country reluctantly gives to the general in the field in times of war.

SENATOR GANN'S bill No. 72, requiring automatic fire doors installed on all locomotives means the scrapping of a number of serviceable engines. This bill, too, means higher transportation costs to you, who "pay the shot" eventually.

Send your local representative a "cuss card" today telling him that these measures are uneconomic, unreasonable, unnecessary and un-American.

Frank M. Alfrey.

President and General Manager

Detroit, Mich., February 4, 1923.

Something You Have Always Wanted

All Finished Family Washing Service

—NO MARKS—

You can now have your entire family washing, including wearing apparel and flat work, carefully laundered by a responsible laundry, for less than it has cost you to have it done at home.

Under this new service all wearing apparel and flat work are first separately weighed, then each family bundle is individually washed in the softest water, with purest soap, the entire cost being decidedly economical.

5 Pounds Wearing Apparel

5 Pounds Flat Work

Both for \$2.00

For excess weight over the minimum 5 pounds, a small charge of 10c a pound for excess flat work, and 20c a pound for excess wearing apparel, is made. This service includes all family wash except starched collars, starched shirts, and lace curtains. The average family wash costs between \$2 and \$3. This service is new in Detroit but growing in popularity every day.

ARTHUR HUSTON, Clerk

Act Quickly

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective. Ask your neighbor.

Plenty of Northville evidence of their worth.

Dell Westcott, Butler, avenue, Northville, says: "I have used Doan's Kidney Pills on different occasions when suffering from disordered kidneys and they proved to do just as represented in my case. My work in the scale factory, is hard on the kidneys, owing to being so much on my feet without any rest whatever and this put my kidneys out of order. I had to lay off work for days at a time, as my back was so lame and painful and now, and then, I became dizzy-headed. Doan's were recommended to me, so I went to the Northville Drug Co. and got two boxes. Using Doan's my troubles left me only." Price 60c. at all dealers. Don't merely ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Westcott and Foster-Milburn Co., Buffalo, N. Y.

STATE OF MICHIGAN, County of Wayne ss.

At a session of the Probate Court for said county of Wayne, held at the Probate court room in the city of Detroit, on the eleventh day of January in the year one thousand nine hundred and twenty-three.

Present—Edward Command, Judge of Probate.

In the matter of the estate of JOSEPH W. HETLEY, deceased.

William S. McVarr, administrator of said estate, having rendered to this court his final administration account.

It is ordered, that the thirteenth day of February next at ten o'clock in the forenoon at said court room, be appointed for examining and allowing said account and assigning said estate.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing, in the Northville Record, a newspaper printed and circulating in said county of Wayne.

(A true copy.)

EDWARD COMMAND, Judge of Probate

RAY HARRIS, Propr.

FORREST ROBERTS, Clerk.

BRITISH DEBT SETTLEMENT

TO COST U. S. \$300,000,000
A YEAR IN INTEREST

Washington—If the settlement of the British debt of nearly \$3,000,000,000 becomes effective, according to informed authorities, it will be made the basis for settlements with other debtor nations.

In other words when all the \$11,000,000,000 debt which Europe owes this government has been refunded, if it ever is, it will bear a rate of interest, in all probability, of a little under 4 per cent and will produce somewhat more than \$400,000,000 a year, exclusive of amortization.

On the same amount of money this government will be paying out in interest approximately \$50,000,000 more each year.

FARM BUREAU ON SOUND BASIS

Co-operative Marketing Organizations Well Established.

Lansing—Although the membership of the Michigan State Farm Bureau at the lowest point it has reached since the mother campaign of its organization in 1919-1920 according to figures made public at the annual meeting which convened at the M. A. C. last week, it also was shown that 27 affiliated co-operative marketing organizations are established on a firm basis than ever before.

Offsetting this falling away in membership, the returning officers of the organization presented to the meeting of county delegates a financial report showing that the organization is being operated on a sound basis and that the co-operative marketing organizations affiliated with it the seed and marketing departments, the produce exchange and wool pool are firmly established and doing an annual business of many hundreds of thousands of dollars.

RADIO CONTROL BILL PASSED

Would Assign Wave Lengths to Be Used in Broadcasting

Washington—The Federal Control Bill, vesting broad powers in the Department of Commerce for regulation and supervision of all phases of wire less telegraph and telephone communication has been passed in the lower house of congress.

The bill is intended to bring order out of the chaos in the air as the result of thousands of stations competing on similar wave lengths.

Licensed would be required from all transmitting operators, except Government employees and the secretaries of commerce would assign wave lengths to various stations and supervise, where necessary, their sending periods.

Amateur receiving stations would not be affected by the bill and amateur transmitters would have a special series of wave lengths set aside for them.

BRITISH DEBT UP TO CONGRESS

Proposal is to Carry it Over a Period of 62 Years.

Washington—If congress ratifies the British debt settlement on a basis of which the British will pay a little less than four per cent on their \$3,000,000,000 refunded bonds that body will agree to a loan bringing in less money than is being paid out in interest to the American people from whom the money was borrowed at an average rate of a little more than 4 1/4 per cent.

Great Britain last week formally accepted the American terms for refunding of the war debt owing to the United States, whereby the debt will be carried over a period of 62 years at an interest ratio of 3 per cent for the first ten years and 3 1/2 per cent thereafter.

RAILROADS TO SELL MILEAGE

I. C. C. Orders Big Lines to Resume Issuing Coupons.

Washington—Railroads have been ordered by the Interstate Commerce Commission to resume the practice of selling interchangeable mileage books good for 2,500 miles of travel at reductions of 20 per cent from the regular passenger rates.

Sale of the books must begin March 15, the commission decided. A number of small railroads were excluded from the requirements of the order because of their financial inability to meet the reductions. Practically all of the class one roads, however, must establish the reductions.

INCOME TAX LAW TO BE CHANGED

Congress Passes Amendment to Tax Profits on Stock Exchange.

Washington—Congress last week passed the first of a series of amendments to the existing tax law designed to close up what Secretary Mellon has described as avenues availed by the wealthy to escape federal taxation.

Under the terms of the amendment gains made through the exchange of stocks, bonds and other securities of a similar kind, would be made subject to taxation.

Walled Lake Warblers

Mr. and Mrs. H. E. Rubins are the happy parents of a little daughter, Beatrice Elaine.

Glenn Buffmeyer has been very ill with pneumonia at his home here during the past week. His mother, who resides at Milford, came to assist in caring for him, Mrs. Buffmeyer and children being in California.

The ladies of the M. E. church held an all-day meeting at the church yesterday. Dinner was served at noon.

William Gassman of Detroit, a young man who formerly lived at the Kyle home here, was injured while playing at the High school gym Saturday night.

Accomplishment Credited to Few.

It has been the enviable lot of here and there a favored individual to do some one important thing so well that it shall never need to be done again.

REGISTRATION NOTICE.

To the Qualified Electors of the Village of Northville, (Precinct No. 1) State of Michigan.

Notice is hereby given that in conformity with Act 126 of Public Acts of 1917, I the undersigned Village Clerk will, upon any date except Sunday and a legal holiday, on the day of any regular or special election or official primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration or who may make application for registration by mail or messenger as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election.

March 3rd, 1923—Last Day for General Registration for Election March 12.

All electors not already registered and intending to vote at said election, should make application to me on or before the 3rd day of March, A. D. 1923.

Notice is further hereby given that I will be at the Village Hall, Northville state of Michigan, on

FEBRUARY 17, and FEBRUARY 24, 1923, from 8 o'clock a. m. to 8 o'clock p. m. on each of said days for the purpose of reviewing the Registration and Registering such of the qualified electors in said Village as shall appear and apply therefor.

REGISTRATION OF ABSENTEE

BY OATH.

If any person whose name is not registered shall appear and claim the right to vote at any election, and shall, under oath state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the Constitution, and that, owing to the sickness or bodily infirmity of himself or person, or some member of his or her family or owing to his or her absence from the Village on public or business of his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors, preceding such election then the name of such person shall be registered and he or she shall then be permitted to vote at such election. If such applicant shall in said manner, wilfully make any false statement, he or she shall be deemed guilty of perjury, and upon conviction, be subject to the pains and penalties thereof.

Registration by Mail or Messenger.

Under Act No. 7, Public Acts of 1919, the privilege of Absent Voters is extended to include registration. Upon compliance with this act registration can be secured by mail without personal appearance. An affidavit similar to the following must be made:

State of Michigan

County of _____

ss _____ being duly sworn, deposes and says that he is a duly qualified elector of the _____ Ward or precinct of the Village of _____, in the county of _____ and State of Michigan, that he is not now registered as an elector therein, and that he makes the affidavit for the purpose of procuring his registration as an elector in accordance with the statute.

Taken, subscribed and sworn to before me this _____ A. D. 1923.

Signed _____ Notary or Justice.

The time limit for registration by mail or messenger is the same as where personal application is made. Therefore the affidavit of an elector desiring to register by mail or messenger must be received by the Village Clerk not later than the SECOND Saturday preceding the Election.

NOTE—A blank form for making application for registration can be had by addressing the Village Clerk and giving name of Village above named.

Provisions in Case of Removal to Another Precinct.

Any registered and qualified voter who has removed from One Precinct of the Village to another precinct of the same Village shall have the right, on any day previous to election day, on application to the Village Clerk, to have his or her name transferred from the registration book of the precinct from which he or she has removed to the registration book of the precinct from which he or she then resides. Such elector shall have the right to have such transfer made On Election Day by obtaining from the board of inspectors of election of the precinct from which he or she has removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then resides.

Dated, February 1st, 1923.

THOMAS E. MURDOCK,

Village Clerk.

AUCTION ADVERTISING IN THE RECORD PAYS

'HOMES'

There is a house shortage in this community. The demand for houses has been far ahead of the supply for several years. Until building catches up with the demand there is a splendid chance for profit thru building homes.

PLAN TO BUILD IN 1923

We have some good plan books

Where you will buy—bye and bye.

HOME FOR FEEBLE-MINDED AND EPILEPTIC TO BE LOCATED ON PHOENIX ROAD.

During the past few months options have been secured on all the farm land lying along the west side of the Phoenix cement road from Plymouth highway corners to the lands now owned by the Detroit House of Correction for the purpose of establishing a home for feeble-minded and for epileptics. The new institution will be erected by Wayne county and will cost one million dollars and will be one of the most modern institutions of its kind in the United States, and that means the world.

The farm will comprise 900 acres of the choicest farm land in this township and the site selected for the new buildings commands a magnificent view of the surrounding country.

It is expected that work on the institution will start in the spring.

OBITUARY.

George H. Johnston was born near Rochester, Oakland county, October 5th, 1866, being the son of Charles and Jane Johnston, the latter of whom survives. He was married to Eliza H. Tyre on November 11th, 1880 and three children blessed the union. Mrs. Cecil Elting of Coldwater, Charles W. and Marion A. of Northville.

The deceased learned the jeweler's trade with L. E. Palmer of Rochester and pursued the business until poor health compelled him to retire from active business. When 19 years of age he started in business at West Branch and afterwards purchased the

conducted for many years. Funeral services were held at his home on South Center street and were conducted by Rev. Wm. Richards. Northville Lodge, F. & A. M., attended the services in a body and conducted the burial services at the vault. Burial will be made at Stony Creek in the spring.

BOWLING TOURNAMENT A SUCCESS.

The county bowling tournament which closed at H. S. German's alley in this village last Thursday was a most enjoyable affair and all of the bowlers in attendance expressed the desire to come again next year. There were in all 480 bowlers, who took part in the tournament. Detroit, Pontiac, Monroe, Ypsilanti, Farmington, Plymouth and Redford being represented by teams, to say nothing of the stalwarts from Northville and it might be said in passing our own boys showed up pretty well. The following were the leaders in the several events:

Five Men Teams	
Pontiac Oaklands	2796
Rusdon Creams	2770
Bauer's Gardens	2727
Plymouth Rocks	2661
Farmington Lads	2638
A. Brooks' Five	2632
Cadillac Bears	2616
