FATHERS AND SONS ENJOY THEMSELVES

Northville's first community father and son banquet which took place at the High School gym last Thursday evening, was an unqualified success. In fact it was a much larger affair than the most enthusiastic booster had estimated and, if one may judge from the expressions of those in attendance, the gathering was a very enjoyable one. The gathering was certainly a credit to Northville and was the most noteworthy demonstration of community co-operation this community has ever witnessed. The committees having the matter in charge planned well and the fathers and sons of the community co-operated with them in an enthusiastic manner.

The crowd gathered promptly and although the large number caused a slight delay the banqueters were at their places 5:30 or thereabout. They gathered in the halls and in the auditorium and to the strains of a march rendered by the High School orchestra marched to the dining room. Covers had been laid for 325 and the tables presented a very attractive appearance. Eavors and a program graced each place and handsome ferns added their beauty to the tables. While the banqueters were standing Rev. William Richards offered the invocation and before being seated the audience sang "America".

The following menu was served, the men of the community acting as hosts:

Pickles Olives
Roast Pork with Apple Sauce
Creamed Mashed Potatoes
Brown Gravy
Buttered Rolls
Cabbage Salad
Waters

Pie Coffee

At each place as the banqueters were seated were found a flag bow or a whistle and in some instances there was considerable of a contest who should have the whistle—the father or the son. The whistles made a lot of fun and a lot of noise which all seemed to enjoy.

In introducing C. A. Dolph as toastmaster of the evening, E. E. Brown, chairman of the committee of arrangements, took occasion to thank the ladies for the admirable manner they had planned the feast and for their kindly interest in behalf of the project. They labored under great difficulties owing to illness among a number who were depended upon to help, but other willing workers filled up the ranks and the service was all that could have been desired.

Mr. Dolph presided as toastmaster with ease and introduced each number with a story or a bit of mirth that kept the audience in good humor. The first number was a selection by the orchestra, following which R. R. Brown extended a few words of welcome to the boys and the fathers assembled. His words of greeting were responded to by James Wood of the High School. Harold Bell sang two numbers and the audience insisted upon the third one and he responded. Miss Marion Mulford playing his accompaniment. One of the most enjoyable treats of the evening was the talk given by C. Ray Van Valkenburgh and many expressed themselves as being surprised that Mr. Van Valkenburgh could express himself so forcefully. He has long enjoyed a reputation in Northville as being a good singer but few had had the pleasure of hearing him talk. The subject of his splendid talk was "Let Us Reason Together" in which he made an appeal for better living and a better understanding between fathers and sons.

Dr. W. M. Nelson favored the audience with a violin solo Mrs. Nelson accompanying him. He responded to the generous encore given. "Our Blessings and Our Privileges" was the subject assigned to Willard Elv, another High School student, and he presented his theme in a very creditable manner, reviewing briefly the progress that has taken place in our school system during the past fifty years. Under the leadership of Carl Bryan the audience arose and sang two familiar songs.

W. E. Ross told of "The Boy Scouts—their Aims and Purposes," describing in detail the requirements of a scout. Wayne Van Dyne followed with a vocal solo and kindly consented to sing a second number to the delight of all. Rev. E. V. Belles gave an interesting address in which he made a special appeal for a closer fellowship between fathers and sons. Edward Elliott followed with a piano

solo and Judge Arthur E. Gordon of Detroit, who was present as a guest, was introduced and made a few brief remarks. Owing to the lateness of the hour he did not attempt to make an address, but he gave his hearers something to ponder over as he discussed briefly the relations that ought to exist between fathers and sons. A selection by the orchestra closed the very interesting program.

A flash light picture of the assemblage was taken at the close of the program.

A PRETTY WEDDING.

A very pretty wedding was solemnized at the home of Mrs. Ray Calhoun at Powers Station, on Valentine's day, February 14th, by the Rev. Wm. Richards, the contracting parties being Mr. Julius M. Burger of Detroit, and Miss Wilma Juhl, daughter of Mrs. Calhoun a graduate of the Northville High School of the class of 1921. The bride was attired in a very pretty gown of gray crepe de chine and carried a bouquet of pink roses, place of the valley with maidenhair ferns tied with pink ribbon. The bridesmaid was Miss Kathleen Juhl, sister of the bride, who was dressed in grey satin, and the best man was Mr. Arthur E. Hill of Detroit.

The full service with the double ring ceremony was used at the request of the bridal pair, which was impressive to the relatives and friends assembled. After the usual congratulations all sat down to a table of dainties in the center of which was a wedding cake of beautiful design, the top layer having a bell with twining orange blossoms beneath which were two doves.

The happy pair left later for Detroit where they will make their home at 1667 Blaine. Mr. Burger is employed as an electrician and is skilled in fine art. May all their days be as happy as the bridal day.

WAS KNOWN HERE.

Mrs. Lester Cook received a message the first of the week bearing the sad news that her brother, William G. Hubbell, who for many years was a resident of West Branch, had died after a short illness in Philadelphia, Pa., to which city he and his wife had gone to spend the winter with a sister. Mr. Hubbell was known to a goodly number of Northville people, he having visited here often. A year ago last fall Mr. and Mrs. Hubbell were here at fair time and he thoroughly enjoyed the outing.

He was born in Plymouth May 2nd, 1868, and was the son of William and Elizabeth Hubbell. Besides his wife he is survived by three sisters—who keenly feel the great loss they have sustained—Mrs. J. R. Meyers of Philadelphia, Mrs. C. S. Raymond of West Branch and Mrs. Lester Cook of Northville.

Mrs. Hubbell is very ill and unable to accompany the remains to Michigan, and in consequence they were placed in a vault and will be brought to West Branch later.

TO WIDEN GRAND RIVER AVENUE.

Residents of the Grand River road in Oakland county held a meeting at the Novi town hall last Saturday afternoon to discuss the proposal to widen the right of way on that thoroughfare to 100 feet from Detroit to Lansing. Representatives of the state highway department were present and the plan was fully explained. It was proposed that the state shall pay for all additional land at the rate at which the property is assessed and in cases where old fences have to be removed the state shall pay the expense of erecting new ones. There were about 60 property owners present at the meeting and while there was some opposition to the plan a great majority seemed to favor the improvement.

FORMER RESIDENT DIES AT SOUTH LYON.

Wesley Mills, who resided in this village for many years, and who moved to South Lyon a year or so ago, died at his home in that village Sunday night after a long illness, aged 73 years. He is survived by two sisters and one brother.

Funeral services were held at his late home yesterday afternoon and his remains were brought to Northville for burial.

MOVED TO NORTHVILLE.

Mrs. S. Prentice and son, who a few weeks ago disposed of their farm property at auction, have moved to Northville, expecting to make that village their future home. The Prentice family had lived near South Lyon for years and the many friends they have made will regret to learn of their departure.—South Lyon Herald.

Walled Lake Warbles

The W. M. B. class gave a shadow social on Tuesday evening. Lakeland Lodge, I. O. O. F., of this place held its regular meeting at the High School gym on Monday evening. The Pontiac Lodge was present and conferred the first degree upon a large class of candidates. Lunch was served at the conclusion of the work.

Rev. W. E. Marvin of Pontiac preached at the M. E. church here Sunday while Rev. Blake filled the pulpit at Commerce.

Walled Lake's new fire fighting apparatus proved its value on Monday when the department was called to the home of J. E. McLean where a fire had started near the chimney. Had it not been for the new fire equipment the home of Perry Austin on the west of the McLean house would doubtless have been burned also. The furniture was all removed from the McLean home and taken to the Johns residence nearby.

The farm home of Mr. and Mrs. A. J. Church was threatened with a fire on Monday, but the timely arrival of neighbors extinguished the flames.

CASS R. BOLTON

FORREST ROBERTS, Clerk.

STATE NEWS IN BRIEF

Bozeman—While jumping off a train near Bozeman Falls Tony Polseney, 25 years old, brakeman on the Cobbs & Mitchell railroad, was run over and killed by the train.

Detroit—Charles H. Eichen, for many years clerk in the city hall died from heart disease. He was the first white child born in Farmington, Mich., his birth occurring January 25, 1876.

Petoskey—The 10th, for 14 years flagship of the Petoskey motor boat fleet, has been sold to Traverse City parties and will be sent to Grand Traverse bay as soon as navigation opens.

Adrian—Adrian's venture in municipal ownership of its water plant has proven successful. A report of the water board to the city commission shows a surplus of \$9,005 for a three-month period.

Ionia—Richard Omess, 18 years old, and Lawrence Stillman, 24 years old, who escaped from the Michigan reformatory by sawing a bar and going over the roof of the wall, were re-arrested at Beijing.

Bay City—Election of district officers of the United Mine Workers of America, District 2 will be held, March 6. The candidates for president are George B. Foskey, St. Charles, Michigan; Robert Legg and William B. Murr, Bay City, and Oscar Deshonne, Saginaw.

Marshall—Calhoun county will have no primary election, March 6, and as a result, the taxpayers will be saved several thousand dollars. The time for filing petitions, under the statutes expired last week. Only two petitions were received, and these were for different offices.

Battle Creek—Dates for the annual Odd Fellow state convention, with 2,000 delegates, have been announced as May 14, 15 and 16, in Battle Creek. Among the lodge nobles who will attend will be W. G. Grichell, grand patriarch of Petoskey, and L. R. Y. hold, grand secretary of Ann Arbor.

Pontiac—Pontiac's new welfare board, consisting of seven well known local men and women, was appointed by the commission to function as the welfare department under the new charter. The board will have an advisory capacity and seek to coordinate all local welfare and charity work.

Grosse Pointe—Mr. and Mrs. Ben Jensen of this city, lost all their possessions with the exception of the clothes they wore when their home was destroyed by fire. An oil stove exploded and almost instantly the house was in flames. Mrs. Jensen, who was ill of influenza, was driven from the house by the flames. She collapsed in a neighbor's yard.

Royal Oak—Royal Oak residents will have an opportunity at the April election to vote on adding about 500 acres to the city. The supervisors approved their petition for such a vote. Berkeley residents also will vote on the project of incorporating as a village permission having been granted on the petition at a special session of the board.

Detroit—United States Judge Arthur J. Tuttle issued an order restraining the Boyne City, Gaylord & Alpena railway from building a direct line between Alpena and Boyne City without obtaining the consent of the Interstate Commerce commission. The action was brought by James R. Henry, of Alpena, and the Detroit & Mackinac Railway company.

Lansing—To enable farmers to obtain electric power, when so far distant from plants of commercial or organizations that the latter will not build the transmission lines, a bill has been prepared for introduction in the Michigan legislature, allowing townships, of 300 or more population, to bond themselves to five per cent of their assessed valuation for the erection of the line.

Mason—The Mason Red Cross society has been disbanded and the books have become a part of the county war records. The society had several hundred dollars in the treasury, and from this amount Jerome Waggoner was reimbursed for caring for the city electrician and the remainder has been turned over to the American Legion auxiliary Browne-Cavender Post No. 148.

Flint—A fractured skull, sustained when he was hit on the head by a descending elevator at the Industrial Bank building, which is under construction proved fatal to George Bunting, 39 years old. Bunting was standing on the first floor of the new sky scraper, looking down the elevator shaft into the basement. He did not see the approaching elevator. He died on the way to Hurley hospital. Besides five children, he leaves a widow and his mother.

Flint—Fred Murel of Jackson, serving 20 to 40 years in Marquette prison for attempted murder, two years ago, of Shirley Johnson, detective sergeant, has appealed to the state supreme court for a new trial. When Johnson attempted to take Murel and two companions whom he suspected of stealing an automobile to police headquarters, the trio gave battle. Investigation revealed that Murel and his companions escaped from an Ohio jail by knocking the jailor unconscious and walking out with his gun.

JAMES C. McNARY

Washington—James C. McNary, a banker of El Paso, Texas, has been nominated for controller of the currency by President Harding.

President Harding will withhold the commission of the M. D. Campbell as a member of the federal reserve board until the senate has confirmed nominations of D. R. Crisler as governor of the board and James G. McNary as controller of the currency. It was stated officially at the treasury department last week.

U. S. BUDGET 8 BILLIONS YEARLY

Cost of Government \$220 for Each Worker, is Estimate.

New York—The total cost of governing the people of the United States is nearly \$8,500,000,000 a year, according to a computation made for the Budget, the monthly publication of the national budget committee, by William P. Helm, Jr., its Washington correspondent.

On the basis of 40,000,000 workers whose gross income is \$60,000,000,000 a year, this means that the burden of government on every man or woman in business or professional life including the 2,000,000 persons who are on the public payrolls in national states, cities, counties and other municipalities, would be about \$220 annually.

All the hired men on all the farms in the United States barely equal in number our public pay-roll attaches.

INTERURBAN KILLS TWO WOMEN

Step in Path of Speeding Car—Auto Driver Blamed.

Detroit—Blinded by the lights of an automobile, Mrs. Della Hamilton and her niece, Mrs. Hilda Mercurio, both of 624 Charlotte avenue, stepped into the path of a north-bound Pontiac interurban car at the Pleasant Ridge stop on Woodward avenue near Royal Oak and suffered fatal injuries.

The two women had been visiting a sister of Mrs. Hamilton, Mrs. E. C. Parent, who lives nearby. As they were crossing the street, they became confused by the bright headlights of an automobile speeding toward Detroit. The headlights also blinded the motorman of the approaching north-bound car and he did not see the women until they reached the tracks a few rods from him.

The car was traveling 30 miles an hour and the women were hurled 50 feet.

The motorman, A. Thompson, applied his brakes so quickly that many passengers were thrown from their seats.

BANDITS TAKE \$8,400 PAYROLL

Force Company Officials to Drive Pay Car into Alley

Detroit—John A. Dietrich, supernatendant and Frank G. Welbon, auditor, of the Detroit Twist Drill Co., 2056 21st Street west, were held up by four armed bandits at 8:50 a. m. last Saturday and robbed of an \$8,400 payroll which they were taking to the plant in a satchel.

The bandits escaped on Howard street after forcing Dietrich and Welbon to follow their automobile to an alley, where the money was taken away from them at revolver point.

The holdup was apparently carefully planned, Dietrich said, by some one familiar with the regular Saturday methods of company officials bringing the payroll money to the plant. Neither he nor Welbon had ever seen the bandits before, however.

DEBT, SHIP BILL, ACTION PENDING

Funding Plan of Money Owed by Britain Before Congress.

Washington—Overriding all protests of two Democrats and Senator La Follette, Republican, the senate finance committee, by a vote of eight to three Saturday, reported favorably the British debt funding bill, which passed the house Friday, and Senator Smoot was to bring it before the senate Tuesday.

President Harding surprised congress last week when, in appearing before a joint session of that body to ask approval of the proposed settlement of the British debt, he demanded a vote by the senate on the ship subsidy bill.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897, for the week corresponding to this week.

Mrs. Judd Lanning is quite ill. Roy Clark is visiting friends at Milford and Wixom.

Spencer Clark is improving in health and is able to sit up.

Miss Kate Sands of Milford is the guest of Miss Kate Buchner this week.

Mr. Hutton will take formal possession of the post-office next week Wednesday.

Mrs. George Woodman has recovered from the effects of the accident she received by being thrown from a cutter while driving in Pontiac week before last.

Grand Matron Mrs. Ida Joslin installed O. E. S. officers at Three Oaks this week and visited lodges at Lansing and other points. She returns home tomorrow.

Dr. Burgess wishes it understood that he also has a goodly supply of cats now and that no more need be brought in. He does not know just how to account for it, but since the rat item came out last week there has appeared about the office from one to six new cats per day. The cats were in search of the rats or had been sent on a neighborly protection.

Miss Pauline Gebhardt, Miss Berice Davey and George Pickell came near meeting with a sad accident at the F & P M railroad crossing at Novi, Thursday night, while out sleigh-riding. They were but a little way from the crossing when the 7-30 train came thundering along. They could not turn about as the banks at that place are quite steep, and the only way to escape with their lives was to cross the track. The horse was held in perfect control until the crossing was reached, when he became frightened and made one desperate leap across the track. Hardly had the animal struck the ground again when the monster engine had passed the crossing.

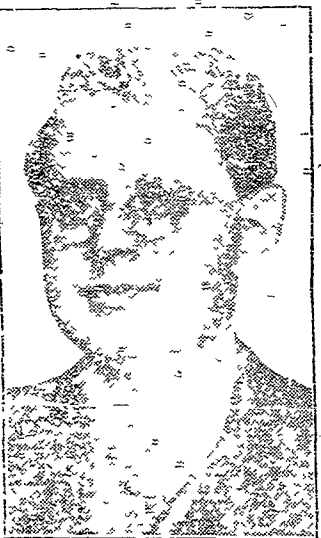

NORTHVILLE SCHOOL NOTES.

Next Monday at 2:15 the debating team of the High school will meet. Upsilon Normal High school in the auditorium. Every one is cordially invited to attend.

Last Friday evening the basketball team of the N. H. S. took a south-bound car for Wayne to play the fair athletics of that city a game of basketball. After about fifty minutes of passing the ball to either Helen Vanatta or Virginia Smith the girls triumphed 30-7.

The boys for about the same length of time shot baskets almost at will and once in a great while the Wayne team would get the ball. Of course as it would have been altogether too near to not to let them get a basket so they were given one and later shot a goal which netted the 1 point. Score in the end 10 to 14. N. H. S. 25 Wayne 11 S.

At the annual service the ground again when the monster engine had passed the crossing.

Arthur E. Gordon who was a guest at the dinner and son-in-law last Thursday night, is a candidate for the nomination to the office of circuit judge and his name will appear on the ballot at the primary election to be held on March 7th. Mr. Gordon possesses a keen, judicial mind and he is capable of filling the position of circuit judge with credit to the people of Wayne county. He will appreciate the support of Northville people.

PRESBYTERIAN CHURCH NOTES.

Sunday morning service of worship at 10:30 o'clock. Sunday school at 12:00. Christian Endeavor at 6:30. In the evening at 7:30 we join in union service in the Baptist church to welcome the new pastor who has recently taken up his work here.

Prayer meeting on Thursday evening.

METHODIST CHURCH NOTES.

Next Sunday morning the pastor will preach on "Memory" as it effects the conscience in old age as well as in the "Hereafter." We may evade things that have been done in youth and middle age which to many is a thoughtless age—but we reap what we sow. Time of service, 10:30.

The Bible school is at 12:00 with growing and interesting interest. This is what the devil dislikes, training the young for noble manhood and womanhood. Don't help him by keeping them home.

The Epworth League is on the march under the leadership of Roy Clark with "India" on the March. We welcome Lloyd Edwin into the Methodist ranks with God's blessing upon him.

In the evening we all rally to show our good will to our Baptist brother, Rev. MacRae, who has recently become pastor for our Baptist brethren. Let us be united to keep "H2H" out of Northville Union service in the Baptist church at 7:30.

The Methodist Christian Educational Advance canvassers all over the state have done well with our 185,000 Methodists this last week. Commencing with Monday, February 5th up to last Saturday the 10th, \$500,000 has been subscribed. The two million two hundred thousand will come by March 15th then "Albion will shine."

The Northville church was mentioned for the canvass either the week or next, the pastor observed from the committee. Let our people be as considerate as possible whether it be little or much. We are only asked to do "according to our ability." Everybody will be canvassed. The pastor was surprised with the interest given in this work, being one of the canvassers last week and this. Those who could not give had a word of commendation and are praying for its success. We are helping to save the youth of our country and God only knows the great need.

BAPTIST CHURCH NOTES.

Usual services at this church Sunday morning and in the evening there will be a union service, when the other churches of the village will unite in extending a welcome to the new pastor.

Sunday school as usual.

BOWLING NOTES.

The Business Men's league is the most interesting of the local bowling league as the teams are so closely bunched—the teams are so closely bunched—three teams tie.

Harry German rolled 1198, pins down at the Woodward alleys, Detroit, last week in six games. He led in the sweepstakes that day, averaging about 200 per game.

E. S. Grace and John Clark of Farmington rolled some very high scored games at the Northville alley Saturday.

The Farmington alleys will be the nearest to Northville, week as the manager will conduct a tournament here similar to the recent tournament held at the local alleys.

One of the Northville bowlers are expected to do well in some of the tournaments.

Harry German Jr. rolled 4th his career in the "Father and Son" tournament at the Detroit alleys. They landed in fifth place, scoring 1091 pins in three games.

Captains Charles Sessions A. Heatley and P. R. Alexander rivals in the business men's league, produce some interesting arguments. They bowl it off to see who is right. Then Captains Shafer, Hicks, Hall, Kolgoor or Zimmer prove they were all wrong.

Some of the Northville enthusiasts will attend the state tournament at Grand Rapids in the near future.

Mrs. Addie McKahn was called to Detroit the first of the week by the death of her niece, Mrs. Millie MacKibson.

Owing to the fact that so many pupils were ill and the bad weather conditions the village school was closed Wednesday for the remainder of the week.

Miss Blanche Clark returned to the U. of M. Sunday, after spending the latter part of the week with her parents, Mr. and Mrs. James Clark, and her sister, Mrs. James Sessions.

Wednesday was the worst day experienced in this section for a good many years. Tuesday night a blizzard came from the west and the storm continued unabated until late in the afternoon. Wednesday night was one of the coldest nights of the winter. The storm swept down across the country from the Canadian northwest and the cold throughout the west was intense.

INSPECT SCHOOLS: MAY OBTAIN AID.

The new consolidated schools at Walled Lake and New Hudson were officially inspected by B. J. Ford, assistant state superintendent of public instruction, and if they meet state requirements, will be recommended for state aid, according to A. L. Craft, county commissioner of schools.

Mr. Ford reached the city Wednesday morning from Lansing, and Wednesday inspected school buildings at Farmington and Clareville, and yesterday devoted his time inspecting the other two schools.

State requirements for consolidated schools, if met, Mr. Craft says entitle each school to \$1,000 annually as a grant, and \$400 annually for each motor bus used in transportation of children.

Following this inspection, federal officials will inspect the two institutions, and if the federal requirements are met each will be entitled to annual federal grant of \$1,000 and annual payments of \$200 for each motor bus used.—Pontiac Press.

A GREAT DAY FOR A MAN WHOSE CURIOSITY WAS FULLY AROUSED.

A fellow of that hated class—the Roman tax gatherers—heard of the wonderful prophet of Galilee.

This famous one was expected in his town one day and the place was crowded.

Zacchaeus was bound that he would get a good look at the celebrity and ran out into the highway and climbed into a tree.

That act snatched him from oblivion and won a place among historic characters. He also had the opportunity to entertain the greatest man of the ages.

What does it mean to you to meet some noted man? How act if some great man should suggest that he was coming to dine with you?

How far are you from the road by which the great prophet is to arrive in town?

Circuit Clerk Thomas Farrell, Judge Theodore J. Richter and C. L. Blackburn made a circuit of this section of the country on Wednesday in the interest of Mr. Richter's candidacy for circuit judge. He was appointed by the governor to fill a vacancy and then last fall he was elected to the office the term of which expires this spring. His friends naturally feel that he richly deserves the place for another term.

The Record is indebted to T. G. Richardson for a box of choice Florida oranges and grape fruit sent us by express and which were delivered at this office Monday by H. E. Richardson. Mr. Richardson purchased an acre of grove at Clermont a few weeks ago and the oranges sent are from this grove. Mr. and Mrs. Richardson are enjoying themselves greatly and it is well to know that Mr. Richardson is greatly improved in health.

The Record is pleased to publish this week an article from Leslie Alexander relative to the memorial building as proposed by this paper last week. His suggestions are timely and to the point and we believe the members of the Legion will find that Northville people are ready and willing to co-operate with them for the public good. We believe sufficient funds can be raised to erect a building suitable to meet all the needs of this community if the proper effort is made.

John A. Porter of Wilcox was a Northville business visitor on Tuesday. The Schrader-Ely party returned home from the Southland Wednesday afternoon in the midst of the blizzard. A high tension wire on the D. U. R. lines did considerable damage to the local telephone exchange on Tuesday afternoon.

Another Northville Case.

It Proves That There's A Way Out for Many Suffering Northville Folks.

Just another report of a case in Northville. Another typical case. Kidney ailments relieved in Northville with Doan's Kidney Pills. A Woodmansee, retired farmer, Grace avenue, Northville, says: "I took Doan's Kidney Pills and they proved so beneficial that I recommend them to anyone suffering from kidney complaint. I had a bad spell with my kidneys. They weren't acting regularly. Too frequently, then again, were slow and painful. Backache had me all bent over for several days and there was a deep-seated pain across the center of my back. I had a tired, drowsy feeling all the time, so I inquired at the drug store for a good kidney medicine, and they told me to try Doan's. They proved to do just as represented and soon cured me up in good shape."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Woodmansee had. Foster-McIlburn Co., Mfrs., Buffalo, N. Y.

REGISTRATION NOTICE.

To the Qualified Electors of the Village of Northville, (Precinct No. 1) State of Michigan.

Notice is hereby given that in conformity with Act 126, Public Acts of 1917, the undersigned Village Clerk will upon any date except Sunday and a legal holiday, or the day of any special election or official primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to him personally for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the Second Saturday before any general or special election or official primary election and the day of such election. Registration for Election March 12, 1923, from 8 o'clock a. m. to 8 o'clock p. m. on each of said days for the purpose of reviewing the Registration and Registering such of the qualified electors in said Village as shall appear and apply therefor.

REGISTRATION OF ABSENTEE BY OATH.

If any person whose name is not registered shall appear and claim the right to vote at any election, and shall, under oath, state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election, designating particularly the place of his or her residence, and that he or she possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself or herself, or some member of his or her family or owing to his or her absence from the Village on public or business of his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered and he or she shall then be permitted to vote at such election. If such applicant shall in any manner, willfully make any false statement, he or she shall be deemed guilty of perjury and upon conviction be subject to the pains and penalties thereof.

Registration by Mail or Messenger.

Under Act No. 7, Public Acts of 1919, the undersigned Village Clerk is authorized to receive by mail or messenger, the names of electors who are unable to appear in person for registration on the last day provided by law for the registering of electors preceding such election, then the name of such person shall be registered and he or she shall then be permitted to vote at such election. If such applicant shall in any manner, willfully make any false statement, he or she shall be deemed guilty of perjury and upon conviction be subject to the pains and penalties thereof.

The time limit for registration by mail or messenger is the same as where personal application is made. Therefore the affidavit of an elector desiring to register by mail or messenger must be received by the Village Clerk not later than the SECOND Saturday preceding the Election.

NOTE—A blank form for making application for registration can be had by addressing the Village Clerk and giving name of Village above named.

Provisions in Case of Removal to Another Precinct.

An registered and qualified voter who has been removed from one Precinct to a Village to another election precinct of the same Village shall have the right, on any day previous to election day, on application to the Village Clerk, to have his or her name transferred from the registration book of the precinct from which he or she has been removed to the registration book of the precinct from which he or she then resides. Such elector shall have the right to have such transfer made on Election Day by obtaining from the board of inspectors of election of the precinct from which he or she has been removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then resides.

DETECTIVES FAKE "RED" MENACES

FORMER BLEUTH BARES SCHEME OF AGENCIES TO RAISE SCARE IN COUNTRY

VIOLENT ACTS ENCOURAGED

Witness for Radicals on Trial at St. Joseph Tells Story of Plotting Lawlessness

Chicago.—An amazing story of intrigue and deception was unfolded Monday when Frank P. Walsh, attorney for 22 communists facing trial at St. Joseph, Mich., for advocating criminal syndicalism, began taking the deposition of Albert Bailin, alias Balanow, self confessed spy and agent provocateur.

By Balanow's testimony, Mr. Walsh is seeking to show that radical organizations and "red" scares were invented at will by private detective agencies to assist them in collecting large sums from banking and other interests for the purpose of investigating an imaginary radical menace.

Making and Faking "Reds."
Balanow, in a story that ranged from details of double crossing and the "double" double cross to high comedy, swore he had worked for the W. J. Burns and the Thiel detective agencies at the same time as an expert on radical questions, that he had sold the secret reports of the Thiel agency to the Burns people, that an official of the Burns agency had picked his pocket and appropriated other Thiel reports, and that Allan O. Meyers, head of the radical bureau of the Burns agency, had proposed that he make bombs and get well known radicals to throw them, so Burns men could arrest the radicals.

Balanow swore that as an operative of the Thiel agency in 1917, he had been assigned to join the cigar makers' union as an agent provocateur during a strike, and was instructed to urge the strikers to break windows and commit other violence.

His instructions, he said, came from Michael Flannigan, general manager of the agency who, he said, told him to "always show your radical side, be so extreme that they'll have confidence in you."

Sought to Stir Up Violence
Later under direction of Flannigan, he said, he joined the I. W. W., Socialist party, Socialist Labor party, Communist party, Communist-Labor party, Young Peoples' Socialist League, Workers' Industrial Union, and other organizations, and sought to stir up violence among their members.

Flannigan, he said, furnished him typewritten speeches to read at meetings of the organizations, seeking to cause dissension and trouble.

While working for the Burns agency, he swore, he was sent to meetings of several organizations to preach violence.

Cooney, of the Thiel agency, he said, invented the "Knights of the Red Star," and gave him a copy of its alleged manifesto, which described the organization as the most dangerous revolutionary organization in the United States.

Cooney admitted he said, that no such group existed but explained it was necessary to have evidence of it to show Alfred Austrian attorney for J. P. Morgan and other Chicago bankers to keep the radical hunt going.

In October 1920 he swore he met J. P. Morgan and Stephen Barrows, sons of J. P. Morgan and Allen Meyer, head of the Burns Detective Agency's Chicago department, and Meyer told him to make a speech and scare the mob.

BOYS ADMIT "KIA" THREATS
Three Youths Confess Sending "KIA" Letters.

Battle Creek.—The "Men" that has been pestering Harry Reid, a local resident, was driven to its lair by the police Monday. It proved to be three imaginative youths of Washington Heights, 14, 16 and 17 years old respectively. Reid was served with warning giving him three weeks to get a job, it being explained that one more warning would be given and then if it were not heeded the "secret eyes" would act.

Reid took the communication to the police, and good detective work did the rest. The boys said they did it just for fun. Their names are withheld by the police.

NAVY REJECTS EDISON IDEAS
Electrical Wizard Says 45 Inventions Have Been Pigeon-Holed.

West Orange, N. J.—Thomas A. Edison said Monday that he had offered the United States navy 45 inventions since he had been president of the naval consulting board, but that everyone of them had been rejected.

"Navy officers seem to resent ideas for the betterment of the navy, rather than to welcome them," he said.

The occasion was the electrical wizard's annual birthday interview with news writers. He was 76 years old Sunday.

ASK UNIFORM SIGNALS

Railway Association Recommends Standard Colors.

One of the suggestions made in the interest of public safety is the use of yellow in automobile tail lights.

Chicago.—In the interest of public safety, recommendations for the standardization of colors for traffic signals are being considered. These recommendations were made on behalf of the signal section of the American Railway Association at a recent conference requested by the Illuminating Engineering Society and the International Traffic Officers' Association and held under the auspices of the American engineering standards committee. The recommendations are:

1. The principle of red for stop everywhere, unless qualified by a more favorable indication, that is at highway crossings with railroads if train is approaching, in fixed signals and in the hands of traffic officers at street intersections, at the ends of streets, and possibly to indicate excavations in streets.

2. Yellow for tail lights of automobiles, possibly excavations in streets and for calling policemen, or for any other purpose where caution is required, possibly at busy street intersections to indicate that the traffic lights will be changed from red to green or from green to red.

3. Green lights for fire escapes, for proceed at street intersections and other purposes to indicate the way is clear.

In presenting these recommendations on behalf of the signal section, A. H. Riggs, chief signal engineer of the Pennsylvania system, said:

"The railroads are particularly interested in eliminating the use of the red light for various purposes other than that of indicating danger or stop unless qualified by more favorable color. They desire that any scheme devised may conflict as little as possible with their own signal systems already established and that uniformity of indications in the protection of highway crossings at grade may be established."

HAS GOPHER TURTLE

Miss Theodora Olsen is pictured here with the gopher turtle brought from the dry place woods of Florida by Clinton English of the Brookline Museum. The turtle is of a queer species and known to be a vegetable feeder for most part on grass and various farm products. It is exceptionally tame and harmless, and it is the best of all the gopher turtles.

PARIS DEPUTY SUES MANAGER
Francis "Queen of Queens" Passes Up Marriage for Stage Contract

Paris.—Because he dashed her hopes of becoming a stage star Francis "Queen of Queens" is suing a theatrical manager for breach of contract.

Elected by popular vote Francis "Queen of Queens" for 1922 and secured the most admissible out of 5,000,000 admissible homes and brunnets. Miss Germaine Bucher expected to fulfill her childhood dream of appearing before the footlights.

She turned down many offers of marriage, she alleges to sign a contract for appearance in the opera "Helen Returns" and the role went to a rival beauty.

Now she has her hands that the court will order the manager keep his promise or pay.

SKUNKS LURE BEES
From Hives, Eat 'Em

Washington.—A report from Ohio received by the biological survey of the United States Department of Agriculture says that skunks are giving a great deal of trouble to beekeepers in that region. The skunks visit the hives at night and scratch on the outside till the bees come out. As soon as they appear the skunks eat them. The biological survey recommends that under such conditions the hives be fenced in with chicken wire at least three feet high.

But Will He "Melt"?

They say America is the "Melting Pot" of nations, and sob-throated propagandists are again demanding that we lift the bars and admit Europe's hungry hordes. But the real situation, according to

The COUNTRY GENTLEMAN

is that we are more of a dice-box than a melting pot—from a shake-up of faces we get a different result with every throw.

For generations the Italians, Hebrews, Armenians, Greeks, Japanese and Finns have maintained their own churches, customs and languages almost as in their own countries. So why should we admit more than three per cent, especially—as this same article (in next week's issue) will benefit you and your family. The cost is negligible—

Salt Lake, Utah—Pilot Kenneth Unger of the Air Mail Service flew to the head of the American Fork Canyon, southeast of Salt Lake City, and dropped 200 pounds of foodstuffs to three marooned at the Pacific Mine because of deep snows.

Stamp Collectors Give U. S. Revenue
Washington—Stamp collectors continue to prove an important source of revenue to the postoffice department. During January all records were broken at the Washington philatelic agency in the sale of stamps to Philatelists, the receipts totalling \$13,500.

Two Ships Collide; 400 Periled
San Francisco—In haste for the inbound liner Wilhelmina from Honolulu with 275 passengers and a crew of more than 100, aboard crashed into the motorship Sierra, outward bound from San Francisco for San Pedro near the San Francisco lightship about 20 miles out of the Golden Gate.

\$237,000 Embezzler Gets 3 Year Term
Philadelphia—Raymond C. Newlin, convicted of embezzlement of \$237,000 of the funds of the Coatsville National bank, has been sentenced to three years in Federal penitentiary at Leavenworth, Kan.

11,000 Miners Lay Off to Hunt Baby
Cardiff, Wales—Two year old Merwyn Hodges played about the door of his father's cottage at Aberaman Wednesday unmindful of the fact that for two days practically no coal in the great Aberdare Valley field had been mined because the 11,000 miners who should have been at work were searching for him.

Viscountess Lascelles Bears Son
London—Princess Mary, wife of Viscount Lascelles, gave birth to a son. The physicians' bulletin announces princess and infant are in excellent condition. Princess Mary was the first of the children of King George and Queen Mary to marry and this is the first grandchild of the British royal house.

Finnish Grammar in English Publie
Minneapolis—A Finnish grammar said to be the only work of its kind in the English language, has been published by Clemens Neimi, a member of the department of Minneapolis. Mr. Neimi also has published recently a small volume entitled "The Americanization of the Finnish People in Houghton County, Mich."

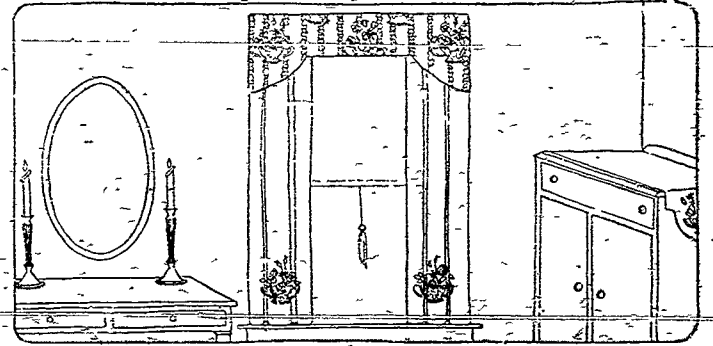

Death Rate of U. S. Increases
New York—The death rate for Canada and the United States during the year 1922 was 8.8 per thousand according to a statement issued by the Metropolitan Life Insurance company. The 1921 rate was 8.7 and the slight increase over 1921 was said to be due to influenza. Death from alcoholism and suicide also increased.

White Woman Queen of Sea Isle
San Francisco—News of the discovery by an English survey ship of a lost island in the Far Pacific whose several hundred natives are ruled by a white woman, was brought by Miss Ella Brown, buyer for an Australian firm, arriving on the liner Sonoma. A Mrs. Sealhel went to the island called Bardoo, years ago. She is now recognized as "High Priestess" and Supreme Ruler of the island.

Water Power Rights for St. Lawrence
Washington—Application for authority to develop water power in the St. Lawrence river has been received by the federal power commission from the Super-power corporation of Lewiston, N. Y., which desires to erect two dams for generating power, which, it is claimed, will be transmitted as far south as Baltimore and Washington while Philadelphia, Boston, New York and Buffalo also would be served.

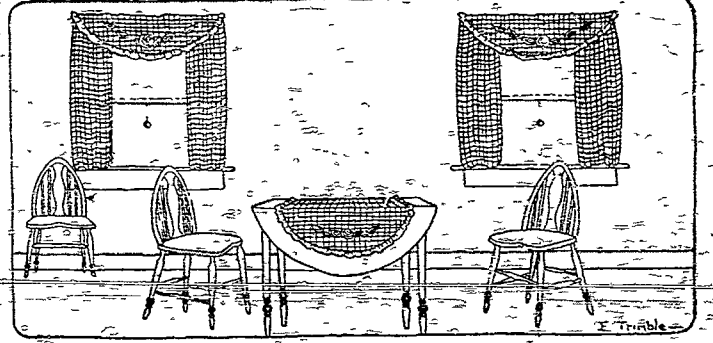

New \$300,000 Bank for Flint Planned
Flint—Flint's downtown skyline is due for another change, it was announced by the First National bank, which will erect a seven-story bank building, costing \$300,000 on the northwest corner of South Saginaw and First streets. Construction will be started next month and the project will be finished in the fall. The building, which will have a 33-foot frontage on Saginaw street with a depth of 96 feet, will be of Italian renaissance architecture.

CRETONNE FOR THE BEDROOM DECORATION

Cretonne, with a basket pattern, furnishes the keynote for this bedroom. The valance over the windows is made of the cretonne and the baskets are cut from the material and pasted on to the blue rep which forms the side drapes. Blue candles in mahogany candlesticks and mahogany furniture carry out the plan. The scarfs for the dressing table and chifforobe are of blue rep with an appliqued basket at either end.

TO MAKE THE BREAKFAST ROOM CHEERFUL

Black and white is the color scheme used in this cheerful-looking breakfast room. The table and chairs are painted deep cream with touches of black and the drapes and table cover are black and white gingham with flowers of colored chambray appliqued on. One of the new linoleum rugs with a tile pattern would be very pretty in this room.

NORTHVILLE — and — PLYMOUTH

LET'S ALL JOIN OUR FORCES.

Mr. Editor and Citizens of Northville: In last week's edition of "The Record" an article appeared stating the need of a new Town hall, and suggested the erection of a building in its stead which would be known as a Memorial Hall. It was asked that articles be sent to this paper, discussing the question and offering suggestions as to how this should be accomplished. In behalf of the American Legion I will take this opportunity to put before the public a plan which we have discussed among ourselves for some time back. A plan, which, when completed, would give us a new home consisting of an auditorium, club room, offices, etc.

For the last three years we have been using different methods of raising funds, such as giving dances and shows. Contrary to public opinion, the money earned in this way has not been spent for our own enjoyment but has been deposited in a local bank, in what we call our memorial fund. A fund created for the sole purpose of purchasing a lot upon which we hope to some day see a building erected, dedicated to our dead comrades, which we could call our own. It was our intention to solicit the aid of the community in raising funds for this enterprise by the sale of bonds. We wanted to handle and stand behind the proposition ourselves, but wanted the moral and financial support of the council and citizens of Northville.

And now the very idea that we have discussed has been brought to the public by one interested in the welfare of the community. So why could not a plan be worked out whereby the council, the citizens and the American Legion could join forces and through their united efforts, secure a building which would answer the purpose of all concerned—a building which would house the council of officers fire department and any other public utilities needed and at the same time provide a home for the local post of the American Legion.

In this way the citizens of this community could, in a very fitting way, erect a memorial to those men and women who gave up their lives during the world war, and at the same time show their appreciation to the living veterans who now make up the local Legion Post. We do not ask you to do this without our aid. We want to be in the "ring" now, as we were before. We have worked hard and saved with this idea in mind, and we will not be content to cease our labors until we see a building of this nature erected in Northville. So let us get together work up some plan whereby a benefit like this may be added to our growing little city, and when we can look upon it, a finished product, all be able to say that we helped to provide a new home for our local government and also did our bit to raise a memorial to those whom we all must honor.

HARDWARE CONVENTION LARGE-ATTENDED.

Messrs and Mesdames J. A. Huff and Harry Elliott returned home last Friday from Grand Rapids where they spent a few days in attendance at the annual convention of the Michigan Retail Hardware Dealers' association. The attendance this year was the largest in the history of the organization and visitors were royally entertained by the people of the Furniture City.

On Tuesday evening all members with their wives were entertained at the "Empress Theatre". A business session occupied the time Wednesday forenoon in the Pantland Hotel and in the afternoon the exhibitors' hall was opened. The feature of the convention was the annual banquet which was held on Thursday evening at the Coliseum. Tables were spread for 900 guests with nearly 200 waiting to be served at the second table. Dr. Marion Leroy Burton, president of the University of Michigan, gave a very interesting address on the subject "Education and Citizenship," and during his remarks he made an urgent appeal for the needs of the university.

Special entertainment was planned for the ladies and there were a goodly number present. On Wednesday evening a 500 card party was given at the Pantland, at which there were ten tables and fourteen prizes, the lady winning first prize having her choice of the prizes offered. Dainty refreshments were served. On Thursday afternoon the ladies were entertained at a theatre party, while the men were talking "shop."

The membership of the association is now 1,620 and there were 160 firms exhibiting. It was the largest hardware exhibit held in any state this year and occupied the first floor of the Kingman furniture exhibition building. The association has become the largest one of its kind in the United States and in point of membership is the largest mercantile trade association in Michigan.
