## FRED M. WARNER DIED IN FLORIDA

The news of the death of Hon. Fred M. Warner was received in this village early Tuesday morning, and caused universal sorrow among the many Northville people who enjoyed his acquaintance. Mr. Warner had been at Orlando, Florida, for the winter and had been in a hospital in that city for a number of weeks. Death came to him shortly after midnight Monday night, Mrs. Warner and his son, Howard, being at his bedside when the final summons came. Plans were at once made to bring the remains to his home in Farmington.

But few men in Michigan enjoyed a larger acquaintance or a larger circle of sincere and devoted friends. His interests in dairying and cheese making brought him in touch with a large number of farmers and dairymen in this section and in the adjoining counties and his extensive political acquaintance throughout the state and nation. He served his county two terms as state senator, was twice elected secretary of state and served the state three terms, six years in all, as governor, being the only Michigan

man thus honored by the voters of the state. At the time of his death he was national committeeman for Michigan. In all his political positions he endeavored to serve the people to the best of his ability and in his business dealings he was honorable and straight-forward.

His whole life had been spent in the vicinity of Farmington and he gave his best thought and effort to the upbuilding and improvement of his home town. He was proud to call Farmington his home and he always had a kindly word to speak in its behalf. He was identified with the business and social life of the community and contributed liberally of his means toward every worthy cause. By his passing Farmington has lost one of its most enthusiastic supporters and the community will deeply mourn his passing.

Besides his wife he is survived by two sons and two daughters, to whom Northville people extend their warmest sympathy. C. W. Wilber, cashier of the Northville State Savings bank, and a lifelong friend of Mr. Warner, paid his neighbor and fellow-townsmen the following tribute upon learning of his death: "Although his death was not unexpected it is a great shock to me, for I have known him since we were boys together at school. We were always close friends. We were associated in the establishment of the Farmington State Savings bank and the Redford State Savings bank, and were both interested in a banking venture in Detroit. I have been his partner in a general store. I have known him under every possible circumstance, and I can only say that in his death the village of Farmington where he was known by all, the county and the state have suffered a greater loss than will be at first appreciated."

Funeral services will be held at the Warner home in Farmington this afternoon at 2:00. T. G. Richardson and F. S. Neal will act as honorary pall bearers.

Out of respect to the memory of Mr. Warner the flag was placed at half mast in this village Tuesday morning.

### SIX TOOK THE EXAMINATION.

Five residents of Northville and one from Lansing took the examination held on Saturday last for the position of postmaster at this place. Messrs. B. G. Filkins and F. S. Neal of this place and Frank Thompson of Lansing took the examination at Plymouth and W. H. Safford, T. R. Carrington and W. L. Baldwin went through the ordeal at Detroit. The civil service commission at Washington will certify to the eligibility of the three highest among this number and one of the three will be chosen postmaster. We do not believe this new plan is any improvement over the old system, however.

### DE MOLAY MEETING SCHEDULED FOR MAY 4.

The first grand council meeting of the Order of De Molay in Michigan will be held in Battle Creek, May 4th and 5th. This is an order composed of boys from 15 to 21 years of age, sponsored by the Grand Chapter, Royal Arch Masons.

Fellowship Chapter of this place will send a delegation to the meeting. The local Chapter now has a membership of 41 and is making good progress.

## EXCHANGE CLUB RECEIVES CHARTER

The Northville Exchange club received its charter on Wednesday evening, the presentation being made by National Past President Horatio S. Earle of Detroit. The ceremonies of presentation took place at the Ambler House, where a bountiful dinner was enjoyed by the local members and a few representatives from clubs at Detroit and Highland Park. The following menu was served:

- Pickles
- Cream of Tomato Soup with Crotons
- Roast Sugar Cured Ham
- Cream Potatoes
- Cream Pies
- Hot Rolls
- Apple Pie
- Cheese
- Coffee

After all had been served President C. A. Dolph extended a cordial welcome to the guests present and expressed his pleasure that the Northville Exchange club had received its

charter and emblem. In closing he introduced E. E. Brown, who gave a brief history of the local club. Greetings were extended by Past Presidents Charles D. Hartman and Paul Cowgill of the Detroit club, and by President J. M. Hackett and Vice-President G. J. Altenburg of the Highland Park club. They expressed their pleasure at being present to offer words of greeting and congratulated Northville upon having an organization of the character of the Exchange club, whose slogan is "Unity for Service," not only among its members but for the whole community.

In introducing Mr. Earle as the speaker of the evening, Mr. Dolph stated that our honored guest was well and favorably known in all sections of the country and it was difficult to coin a new phrase with which to present him to Northville. Exchange clubs, because he had been introduced in many ways: "I take pleasure, however," said Mr. Dolph, "in presenting him as the Earl of Horatio, famous for his wit and his farm tools." For an hour Mr. Earle spoke in a most interesting and appealing manner, filling each sentence with some homely philosophy that not only brought forth much merriment, but conveyed a lesson and an inspiration. He has an individuality peculiarly his own and one that has won the hearts of all who have come to know him. He urged his hearers to strive for things higher and better things of life and to render a service to each other and to the whole community—a service that typifies the slogan of the organization—"Unity for Service."

Mr. Dolph accepted the charter in a few well chosen words and expressed the hope and the belief that Northville would do its share in upholding these splendid principles of service upon which the Exchange idea was built. The following are the members of the Northville club: R. R. Brown, past president, C. A. Dolph, president, J. A. Huff, vice-president, Dr. Paul Alexander, secretary, L. A. Babbitt, treasurer, W. L. Esham, A. B. Ransom, E. L. Smith, Rev. William Richards, E. E. Brown, D. B. Bunn, R. L. Richardson, C. D. Kalgour, C. R. Ely, A. J. Helfrich, W. J. Thompson, Dr. Wm. M. Nelson, Wm. H. Elliott, Lewis C. Stewart, John R. Walker, Nelson C. Schrader, Charles A. Ponsford, Carl Bryah, Dr. E. B. Cavell, Albert Hall, C. R. Horton.

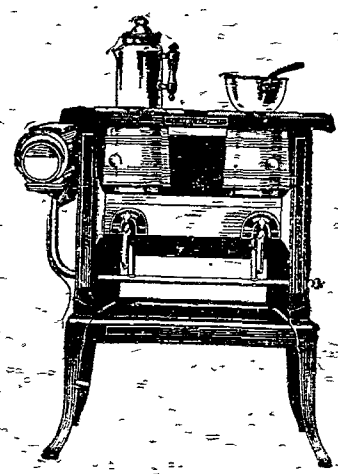

### Exchange Club History.

Last week was observed as the twelfth anniversary of the organization of the Exchange club idea. On April 11, 1911, William A. Berkey of Detroit, who is affectionately known as the father of the Exchange movement, gathered a few personal friends together and formed the first club of its kind in existence. It was not regarded as a national idea or that it would become within twelve years one of the largest luncheon clubs in the country. But the influence of the parent organization soon spread to the neighboring city of Toledo and soon a club was formed at Grand Rapids. Last week during the observance of the twelfth anniversary of the organization the two hundredth club was formed at Martinez. Not until three years ago was any organized effort made to extend the organization materially.

While at the present time Exchange ranks as the oldest organization of its character there are those who predict that it is but in the stage of infancy and has just entered upon a (Continued on page 3).

**TON LITTER CLUB TO HAVE APRIL ENTRIES.**

Michigan swine raisers will have an added month in which to enter the big state Ton Litter contest, being promoted by various swine associations of the state and the extension division of the Michigan Agricultural college. April 30 instead of March 31, has been named as the final date on which entries for the event will be taken, and May 15 as the final date on which contest litters may be farrowed.

Many farmers in the state who did not get their entries in during March, due largely to the late date on which the contest was started, have expressed a desire to get in on the event, and were responsible for the lengthened entry period.

Cash prizes running into considerable totals have been put up on the contest, including several large awards offered by special breed associations

for the biggest litter sired by their breed. First place in the general contest draws fifty dollars, with following places dropping off ten dollars each.

The weight of each litter at the end of six months will determine the rankings. Every litter reaching a ton in the 180 day limit will be awarded a medal, this being the fundamental object of the contest, as the name implies. Entries must be made before the litters are farrowed.

Every farmer in the state is eligible for the event, and there are no entry fees. Rules and farrowing record blanks may be had of V. A. Freeman, M. A. C. extension specialist, at East Lansing. Freeman is state leader of the Ton Litter club.

PERE MARQUETTE RECEIVING NEW EQUIPMENT.

Pere Marquette railway has received

six of the 20 new switch engines, ordered sometime ago from the American Locomotive company, Cook's Works, Paterson, N. J. These are of 0-4-0 type. The other 14 switch engines will be all delivered within a few weeks.

The Ralston Steel Car Co., Columbus, Ohio, has delivered 106 of the 500 gondola coal cars which were ordered some time ago. Delivery will now go on at the rate of from 12 to 15 a day. It is expected that the entire order will be filled by the end of the first week in May.

Twenty-three of the 1,500 automobile cars ordered from the pressed Steel Car company, McKees Rock, Pa., near Pittsburgh, have been delivered and the balance are expected to be in service within the next three months.

**WALTER HAMPDEN IN REPERTOIRE, GARRICK THEATRE.**

One of the outstanding dramatic events of the season is the appearance of Walter Hampden at the Garrick theatre beginning next Sunday night. During the week he will be seen in five plays. The repertoire includes the star's two latest productions, "The Ring of Truth" by Arthur Goodrich and Ross A. Palmer, based upon Robert Browning's, "The Ring and the Book," and "The Black Flag," a romantic comedy by A. E. Thomas. Both of these pieces are scheduled to be introduced to New York next Autumn at Mr. Hampden's National theatre. The actor will also be viewed here for the first time in "Cabeleto." It's embodiment of the jealous Moor is said to be an achievement which easily takes with his famed interpretation of Hamlet, in which character he will appear Monday night only. In addition a single performance will be given of Phillip Massinger's famous sardonic, "A New Way to Pay Old Debts."

The basic story of "The Ring of Truth" was obtained by Browning from an authentic record, over two centuries old, of a famous Roman murder trial, and, through the testimony of the vivid human story which led to the murder and trial. In its dramatic treatment it might be termed a seventeenth century "On Trial." In "The Black Flag" Mr. Thomas has written an imaginative comedy in a whimsical vein which tells a gripping and exciting story. The scenes are laid aboard a pirate ship and on a desert island and the interest centers about a strange and fascinating love adventure between a man and woman—whom circumstances bring face to face for the first time on the bloody deck of the buccaner's brig. These two plays were produced under the direction of Iden Payne and Miss Carroll McComas has been especially engaged to portray the feminine leads.

**Novi News.**

Novi will begin to take on "city airs" when the new pavements have been completed in Grand River. It is proposed to make the pavement 40 feet in width.

Mr. and Mrs. E. J. Verdun will soon move from their farm-home to the property they recently acquired here in the village. Mr. Verdun has also purchased the land where the old hotel barn stands and will convert the building into a warehouse for his stock of spraying materials.

**NOVI CHURCH NOTES.**

Why are the Baptists so peculiar in their belief and practice concerning baptism and the Lord's supper? This question is often asked, and but few persons are able to give the real reason in a clear way. Come to the Baptist church at 10:30 a. m. next Sunday and find out. The answer is to be found in your own Bible and the pastor will direct you in a study of the "Meaning of the Two Church Ordinances." Come and bring that inquiring friend with you. Also bring your New Testament. We will not consider what men say about the Bible, but what the Bible says to men. Next Sunday is "Pay-up" day; let's bring all our finances up to date, especially missions. Sunday school at 11:45 and the Worker's Conference will follow. B. Y. P. U. at 7:15 followed by sermon.

**NOTICE TO THE NOVI TAXPAYERS**

In last week's Record was printed an unsigned statement inferring that I had been won over to the figures presented by the Novi school board, relative to the cost and maintenance of a \$135,000 school building. In reply, I will say that I am not, or never have been in favor of bonding for such a school. I attended the meeting of the Novi school board by invitation, but I am one with the people who stand by the court's decision that there be a calling together of the taxpayers to vote on the school bonds once again. This is where I stand. J. D. HAZEN, 40w1c.

**OLD DAVE'S "SHILOH" TO BE "OPENED."**

A grand jury investigation into conditions at the Israelite House of David colony at Benton Harbor is to be instituted by the state, to begin probably Monday, April 23.

The proceedings will be conducted before Circuit Judge Harry J. Dungey of Detroit, presiding circuit judge for the state, he announced. Announcement that a grand jury action would result was made by Governor Alex J. Groesbeck, who said he had called upon Judge Dingeman to name a jurist before whom the proceedings might be conducted. The judge decided to go to Benton Harbor himself.

**GOVERNOR VETOED WARNER GAS TAX MEASURE.**

Governor Alex J. Groesbeck, Tuesday vetoed the Warner two-cent gasoline tax bill on the grounds that it is not only unconstitutional, but that

as it was passed it personally exempted the huge oil interests from paying any of the burden, in spite of their great profits, and passed the additional tax along to the consuming public.

The governor also pointed out that the placing of a \$7,000,000 additional burden on the tax payers of the state "is a pernicious attempt" to exact from the tax paying public more money than is needed for the public purpose.

A regular meeting of the Village Council was held in the Village Hall Monday, April 2nd, 1923.  
Present—Charles A. Dolph, president, Trustees—Filkins, Blackburn, Vanatta, Ely.  
Quorum present.  
Trustee Filkins presented the following memorandum of agreement and moved its adoption:  
**MEMORANDUM OF AGREEMENT** made and entered into this 9th day of April, 1923, by and between GRACE Y. DUSENBURY of the city of Detroit, Wayne county, Michigan, and EVELINA YERKES, of Novi, Oakland county, Michigan, parties of the first part, and the VILLAGE OF NORTHVILLE, Wayne county, Michigan, a municipal corporation, party of the second part, witnesseseth:

WHEREAS, said Grace Y. Dusenbury is the owner of the south 62½ acres of the west half of the south east quarter of section 34, town 1 north, range 9 east, in the township of Novi, Oakland county, Michigan, subject only to the life estate of her mother, the said Evelina Yerkes, and said first parties are desirous of platting same into lots, and putting same on the market for sale, and are also desirous of procuring the annexation of said property to the second party on account of the benefits and advantages to be derived therefrom, principally the securing of water and sanitary sewers;

AND WHEREAS, second party, recognizing the fact that such annexation will be of benefit to second party, is desirous of co-operating with said first parties to that end.

NOW THEREFORE, in consideration of the foregoing and of the sum of one dollar each to the other in hand paid, received, acknowledged, it is agreed to, by and between the parties hereto as follows:

I. First parties agree to procure said above described property to be platted and to cause the same to be approved by the proper authorities and recorded in the office of the register of deeds for Oakland county with all convenient speed, and to grade and gravel the streets therein in accordance with the requirements of the township authorities of the said township of Novi.

II. First parties agree to install sewers in the blocks of said subdivision adjoining the Base Line road and the same to be under the direction and control of the said second party or its duly authorized engineer, and to pay the cost of same as the payments therefor become due and payable.

III. First parties agree to install water mains as and when required, to serve the dwellings erected on said subdivision, the same to be done under the direction of said second party or its duly authorized engineer, and to pay the cost of same as the payments therefor become due and payable.

IV. If said subdivision is annexed to the said second party and becomes a part thereof, then said second party agrees to pay to said first parties the pro rata cost of said sewers on a basis of one hundred feet thereof for each dwelling erected in said blocks above described until the cost of said sewers has been repaid to said first parties, said payments as to houses already erected on and before the date of said annexation to be made on or before one year after the date of annexation.

V. If said subdivision is annexed to said second party and becomes a part thereof, then said second party agrees to repay to said first parties the cost of said water mains on a basis of the pro rata cost of one hundred feet thereof for each dwelling erected and served until the cost of said water mains has been repaid to said first parties, said payments as to houses already erected on and before the date of said annexation to be made on or before one year after the date of annexation.

VI. The cost of laying and installing sewers shall not exceed one dollar and fifty cents per lineal foot and the cost of laying and installing water mains shall not exceed one dollar and twenty-five cents per lineal foot, and in any event the cost of sewers and water mains shall not be more than the lowest contract price obtainable. All expenses for survey, plans, supervision and inspection for laying and installing sewer and water mains shall be paid by said first parties.

VII. If for any reason said subdivision is not annexed to said second party and does not become a part thereof, then said first parties shall pay or cause to be paid such reasonable amount as shall be agreed upon by the parties hereto for the right and privilege of connecting said sewers with the sewer system of said second party, and shall also pay to said second party for water furnished by it the same water rates or taxes paid by the users in said Village of Northville, plus one hundred per cent (100%) thereof, it being understood and agreed that said second party shall not be liable in any manner to said first parties or to any users of water on said subdivision for its failure to furnish water because of limited supply, breakage or stoppage of its mains, or for any other cause beyond its reasonable control.

IN WITNESS WHEREOF, the parties of the first part have hereunto set their hands and seals, and the party of the second part has caused these presents to be signed in its name and its seal affixed by Charles A. Dolph, its President, and Thomas Murdock, its Clerk, in duplicate, the day and year first above written.

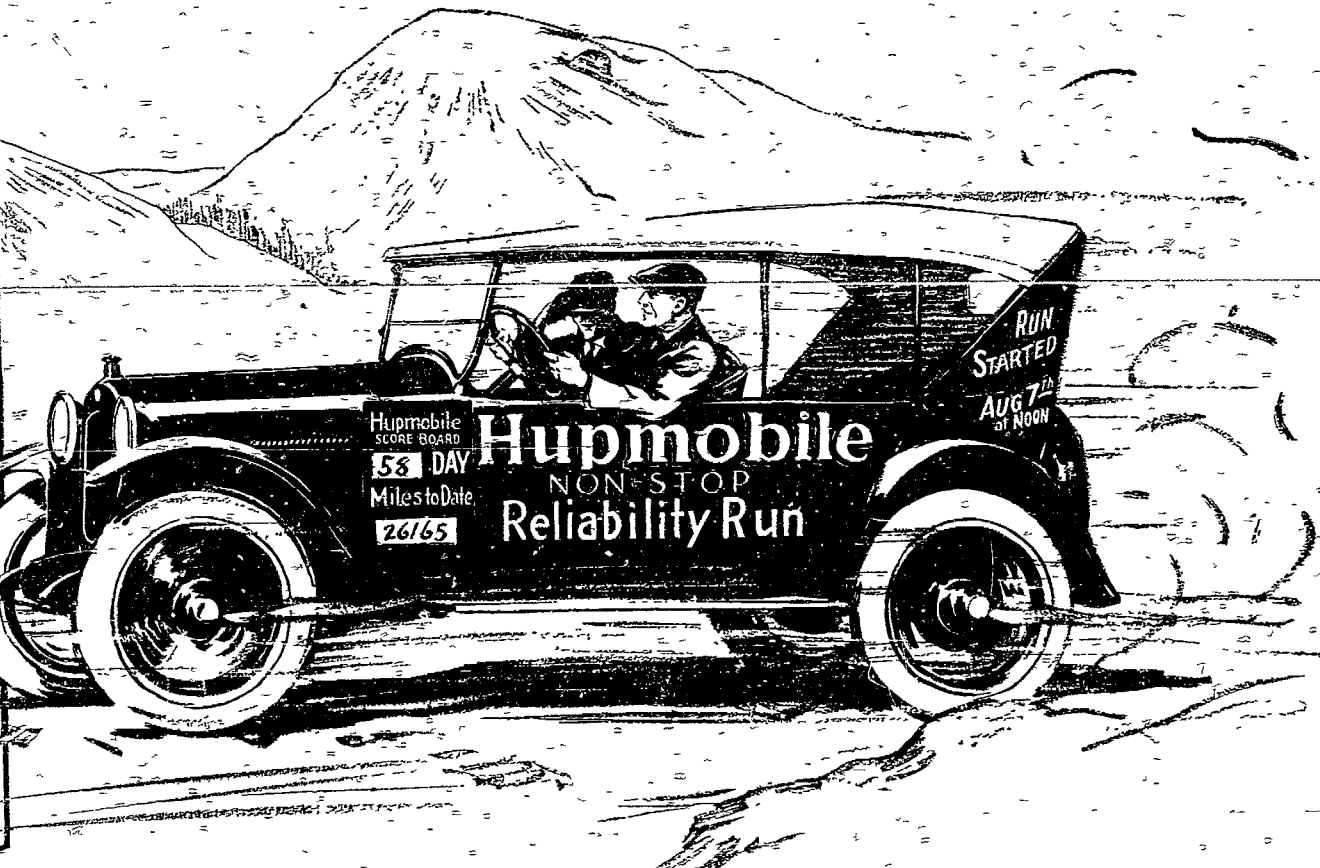

Supported by Ely  
Yeas—Filkins, Blackburn, Vanatta, Ely, Nars—None Carried.  
On motion Council adjourned.

**58-Day Run of 26,165 Miles Without a Stop Proves Hupmobile Stauchness and Reliability**

*High Opinion of Hupmobile Stamina and Durability Justified by Its Splendid Condition after Gruelling Test*

Perhaps no motor car ever before was given such a reliability test as this.

Day and night for 58 days, without the engine being stopped once, and without the official seals on its hood being broken, a stock Hupmobile was driven 26,165 miles by drivers working in three shifts about Salt Lake City and over a maze of Inter-Mountain highways in Utah, Idaho and Wyoming.

The starter was removed before the run began. Oil was taken on through a special tube in the side of the sealed hood. This intake for oil, as well as the intakes for gas and water, were all securely sealed, and were broken and re-sealed only under official inspection.

The route of the car, for the most part, was over a maze of mountain highways. Part of the course led the car into the precipitous mountain canyons of Heber, Provo, and Parleys, in the Wasatch range.

The "high spots" of the test included trips into many of the steepest canyons of the west, including Brighton, at the head of Big Cottonwood and American Fork Canyon, generally

conceded to be the steepest incline in the west. During the last 14 miles of this trip cars are forced to climb from a 4400 to an 8700-foot elevation.

The engine was brought to a stop only after the fan belt had broken, at 26,165 miles. The car then completed its 60th day with a mileage of 27,096.

It was immediately torn down and inspected under direction of Prof. A. LeRoy Taylor of the Automotive Department of the University of Utah. He reported that the engine—with 33,000 miles to its credit—showed only slight wear; that the life of this stock Hupmobile had only just commenced.

Prof. Taylor's detailed report contained the following significant statements:—The amount of carbon deposited on the pistons and cylinder block was surprisingly small. The pistons showed, by micrometer caliper measurements, the maximum "out of round" of .0005 (five ten thousandth) inch. The second and third rings showed practically no wear. The first rings on three of the cylinders

had worn .002 (two thousandth) inch. The crankshaft bearings were in excellent condition and showed practically a perfect fit.

The qualities revealed by the car in this test—its economy records—the way it stood up in continuous service such as not one motor car in ten thousand is asked to give—these things are not remarkable or unusual for the Hupmobile.

They are the daily portion of every Hupmobile owner. He counts upon them confidently. They are his interpretation of reliability.

**The Reliability Record**

Days without Engine Stop	58
Total non-stop mileage	26,165
Average Miles Per Day	449
Gas—ave. miles per gal.	21.5
Oil—ave. miles per gal.	1,278

**Replacement**

At 22,106 mi.—Brake lining
At 24,955 mi.—Head lamp tie rod
At 26,165 mi.—Fan Belt

The first engine stop was necessitated by the breaking of the fan belt. The run was then continued two days, the total mileage at the end of 60 days being 27,096, on which the daily average is computed.

## FORD

### Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions of people who have been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your Ford Car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start today. Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you to get started toward the ownership of a Ford car.

#### Saturday Evening.

7:00 p. m.—International Night—Reception to Michigan Students from Foreign Lands, Director of Wesleyan Guild.

9:00 p. m.—Address—"World Fellowship," Bishop Henderson.

Those in charge of the gathering are: Superintendent Ann Arbor District, Rev. H. Addis Leeson, D. D., pastor of Ann Arbor, First church, Rev. A. W. Stalker, D. D.

District Epworth League officers: T. O. Huckle, president, Ypsilanti; J. C. Springman, treasurer, 193 Washington street, Pontiac; Mark Dick, secretary, 1234 Prospect street, Ann Arbor; Miss Dorothy Bailey, Jr., Supt., South Lyon.

#### Salt Makes Sea Blue.

Though generally appearing blue in clear weather, the ocean varies greatly in color. In stormy weather it looks green or even black. The blue of the sea is not, as generally supposed, due to reflection from the sky, but to salt in the water. That is why the Mediterranean, which is very salty, appears exceedingly blue.

### DROWNS AS AUTO DIVES INTO CANAL

WOMAN SAVED AS CAR PINS FOUR UNDER WATER—THREE VICTIMS RELATED.

### BREAKS THROUGH GUARD RAIL

Fire Department Called—Pulmotors Used in Unsuccessful Effort to Bring Back Life.

Detroit—Four persons met slow deaths—only one survived to tell of the tragedy—when an automobile crashed through a bridge railing at Dearborn road and Pere Marquette railroad crossing, plunged ten feet into an icy creek and overturned, securely imprisoning its occupants last Sunday night.

Mrs. Dorothy Gordon, 23 years old, alone survived of the five who were plunged into the creek. She is in Delray hospital in a critical condition suffering from shock and exposure.

The victims were: Lester Cherry, 28 years old; Mr. and Mrs. Henry Schield; Mrs. Victoria Selwa, 52.

The car was recently purchased by Cherry Sunday he took his mother, Mrs. Schield, his father-in-law and Mrs. Gordon for a drive. They visited Mrs. Selwa, who operates a store near the Ford River Rouge plant and leaving early in the evening offered to take her to her home on Michigan avenue.

Cherry was driving east on Dearborn road, near West Fort street, and was forced to turn sharply to the side to avoid a west-bound automobile. The machine was near the bridge and the sudden swerve turned it against the protective railing placed between the road and Baby creek. The board guard splintered and the car hurtled over the edge, overturning as it dropped the 10 feet to the creek and sank upside down in the six feet of water. Mrs. Gordon was thrown partly out of the car. She pulled herself to the surface of the water clinging to the machine. The others were purged by the surface.

Pulmotors dove into the water and brought Mrs. Gordon to safety. Efforts to release the other victims were unsuccessful until ropes had been obtained and with them the car tipped over. Then, five minutes after the accident, the other four were brought from the water.

Meanwhile hurried calls had been sent in to the police of Detroit and Springwells and to the Detroit fire department.

Acting Lieutenant George Sandrock, of the fire department's rescue squad No. 1, and his men at once went to work with pulmotors.

For more than an hour in this lonely spot at the side of the creek, with only the silvery beams of the moon for illumination, the little group toiled over the bodies of the two victims.

They kept to their tasks until assured by physicians, summoned by Sergeant Benjamin Theisen and Patrolman Fred Eojowski of Springwells police, that the couple were beyond human aid.

### GRAND JURY PROBE ORDERED

Judge Dingeman Heads Quiz—Berrien County Asks for Rigid Inquiry.

Presiding Judge Harry J. Dingeman, of the circuit courts of Michigan, personally will conduct the one-man grand jury investigation ordered by the state into charges of alleged immorality on the part of "King" Benjamin Franklin Purnell, founder and high priest of the Israelite House of David, Benton Harbor, Mich.

The grand jury will be held at St. Joseph, Berrien county seat and sister town of Benton Harbor beginning Monday, April 23.

Announcement that he will personally assume direction of the grand jury inquiry was made by Judge Dingeman early Saturday.

Attorney General Dougherty told Judge Dingeman Governor Groesbeck had decided definitely upon a grand jury investigation into the affairs of the House of David, and requested that Judge Dingeman, in his capacity as presiding judge of Michigan's circuit courts, assign a judge to conduct the inquiry.

If it is deemed necessary, the grand jury will make a thorough inspection of the House of David premises at Benton Harbor. Special attention will be given to Shiloh, headquarters of the cult and official abode of "King" Benjamin and "Queen" Mary his wife.

Young girls found living under the same roof with the self-styled "seventh angel" will be summoned before the grand jury, should such a step be deemed essential to a thorough going inquiry. Judge Dingeman hinted, and every effort will be made to locate the allegedly missing cult chief himself.

Since the trial, and following statewide indignation roused by the girls' testimony, Sheriff George C. Bridgman, of Berrien county, was reported to have failed to find Purnell at the colony.

The cult leader since that time has variously been reported as dead, as a fugitive in Australia, or as hiding at the colony for fear of being lynched by angry mobs, should he emerge into the streets of Benton Harbor.

Why not send your washing to a good laundry, which will do this work for you carefully and at reasonable prices? Just try

Week's News in Brief  
Dressed Up, Refuses to Fight Fire.  
Hazelton, Pa.—Because they were dressed in their new clothes, four miners refused to fight a forest fire when drafted by state troopers and were fined \$5 each in court last week.

French Ordered Away From Funeral.  
Essen—The French command have issued orders confining the troops to their barracks except where they are on duty when the funerals of the 13 men killed at the Krupp works took place.

Italian King Receives Americans.  
Rome—King Victor Emmanuel last week received delegates to the congress of the International Chamber of Commerce, shaking hands with them and conversing at length with a number of the Americans.

Moslems Kill Jews.  
Jerusalem—Scores of Jews are alleged to have been killed in almost uninterrupted warfare launched on them by the Moslems at Yemen, southwestern Arabia, according to reports received here.

Storm Sweeps Maryland.  
Havattsville, Md.—Damage to the extent of several thousand dollars was caused here last week by a severe wind and rain storm, which swept upper Prince Georges county, according to reports received here.

Immigrant Quota Increased.  
Washington—A temporary order permitting the entry of Russian immigrants as a part of the quota assigned to Bessarabia under the United States immigration laws, was announced by the labor department.

"Wild Trains" Foul French.  
Paris—Imitating the methods of the Irish Republicans, the Germans successively dispatched nine trains without engineers from Friedrichs field, in occupied Germany, in the direction of Weser, according to reports received here.

Advocates "Blue Sunday."  
Sydney, N. S. W.—Condemnation of sports and other amusements on Sundays and a plea for a most Christian observance for the Sabbath were contained in a manifesto just issued by the several church organizations of New South Wales.

Heavy Snow Covers North Ontario.  
Toronto—The heaviest fall of snow in many years mantled Northern Ontario last week, dispelling hope of a spring thaw. Winter reasserted itself all along the north shores of Lakes Superior and Huron, extending its grip back over the mining regions.

Wants Oklahoma Divided.  
Oklahoma City, Okla.—Oklahoma would be divided into two separate states under a resolution, introduced in the house last week, by F. M. Boyer, Tulsa county. A line running from north to south through the center of Oklahoma would mark the boundaries of the new states.

Chicken and Egg Output Gains.  
Washington—More chickens were raised and more eggs produced last year than in the year before, but their farm value was not so great. The combined farm value of chickens raised and eggs produced was estimated at \$854,207,000, by the United States Department of Agriculture.

Old Statute Saves Man.  
Pittsburgh—An old Pennsylvania law, providing that a person cannot be held for murder if the victim lives more than a year and a day after the assault, saved Ignatz Jendzestri from facing that charge when a coroner's jury considered the case. Michael Cloonan died 16 months after he was shot by Jendzestri.

Africans Drop Savage Trails.  
New York—Natives of the Cameroons, on the west coast of Africa are being won away from the traditions of their life in the bush and from their savage instincts and are being educated to the point where their industrial and agricultural development may have international significance, says a report made to the Presbyterian Board of Foreign Missions last week.

Many Killed and Injured in Tornado.  
Alexandria La.—The death toll as a result of the tornado which last week swept Alexandria and Pineville, was placed at 17. A check by authorities developed that undertaking establishments here had the bodies of 13 white victims and four Negroes. Sixty were injured, more than 30 of whom are in the United States Veterans' Hospital near Pineville. Property damage was placed at \$500,000.

Feared Mountain Will Drop.  
Mount Carmel, Pa.—The surface of the Black Diamond mountain is steadily sinking as the anthracite coal in the Old Black Diamond workings burns, and it is feared that eventually the side of the mountain may drop. The fire has been raging in the mountain for 12 years and many tons of coal are consumed daily. The fire in Summit Hill mine has been raging for 70 years, spreading from shaft to shaft and consuming millions of tons of hard coal every year.

STATE NEWS IN BRIEF

Lansing—Henry J. Boyer, 87-year-old Civil war veteran, died last week at the home of his daughter, Mrs. Etta Bemis.

Traverse City—The sudden spring thaw of last week flooded this district, and many fox ranches were imperiled by the flooding of underground pens.

Battle Creek—Michigan chapters of the order of De Molay for boys will meet here, May 4 and 5, to form a state chapter. Each chapter will be invited to send four officers and an advisor.

Caro—Short-horn breeders of Tuscola county have formed an association and elected the following officers: President, George A. Winter, Akron; vice-president, Arthur Tonkin, Fairgrove; secretary, James Kirk, Juniata.

Argentine—Fractional school district No. 9 Gaffney and Argentine, at a recent school meeting voted to raise \$3,500, for use in building additions, and purchasing equipment. The school building is situated in Gaffney village.

Kalamazoo—The Western State Normal School's roed debating team defeated the debating team of the Northwestern College in a spirited debate. This is the first victory won by the Normal School team over the Northwestern team in six years.

Hastings—Robert S. Stem, student at the University of Michigan, was named to West Point Military Academy, by U. S. Representative John C. Ketcham. Robert Walton, senior at Hastings High school was chosen alternate.

Battle Creek—Work on a \$150,000 addition to Battle Creek's Masonic temple started last week, the contract having been awarded. The main features will be an auditorium seating 2500 people and a banquet hall seating about 1500.

Cadillac—Rev. J. Wesley Esveld, of this city, will surrender his credentials as pastor of the Methodist Episcopal church and accept a call from the Baptists here. The Rev. Esveld was transferred here from the Michigan Avenue M. E. church, 25 Lansing.

Houghton—Dr. F. V. McNair, president of the Michigan College of Mines, last week returned from Lansing where he consulted with state officials relative to plans for the placement of the metallurgical building at the college which was destroyed by fire.

Alpena—Port O'Brien, 65 years old, veteran conductor of the Detroit and Mackinac railway died of pneumonia last week, at his home here. He was conductor on one of the first D & M. trains into Alpena in 1888 and had served continuously until illness forced his retirement last fall.

The ball given at the High school gym last Friday night by the Northville Catholic club was a most delightful affair and the attendance was good in spite of the bad weather conditions.

People over on Novi avenue are singing the praises of Marshal Ernie Lyke for the manner in which he has placed a string of drainage pipe and repaired gutter, making an ugly looking place presentable.

Guy C. Fikins gave an organ recital at the M. E. church in Plymouth on Monday evening, the occasion being the dedication of the new Eskey pipe organ recently installed in the church. Mr. Fikins rendered a program which delighted all who were present.

At a recent meeting of the W. C. T. U. Mrs. S. E. Crosby was elected president. Mrs. Ida Jackson, secretary, Mrs. Bertha Kerr, corresponding secretary and Mrs. C. M. Healy, treasurer. The vice-presidents will be appointed by the president at the next meeting.

A long truck used to convey automobiles from Jackson to Pontiac and a street car collided at the Seven Mile road crossing on the Plymouth road Wednesday and the truck came out of the fray second best. Fortunately no one was hurt, though some of the "bodies" were damaged.

The Michigan State Fair will present a final program of harness races at the annual fair this fall. Among the stars which will appear to entertain the crowds will be Peter Manning, champion trotter, who will be driven by Thomas W. Murphy, in an effort to lower the record of 1:59 3/4 held by Uhlau.

In the bowling tournament at Grand Rapids James Woolly of this place carried off the honors in the single events with a total score of 619 while Messrs. Harry German and John C. Clark landed in fourth place in the doubles. The Grands of Grand Rapids captured first place in the five-man event.

The minstrel shows given under the auspices of Lloyd H. Green Post American Legion, last week Wednesday and Friday nights, were very successful affairs, both from the point of providing good wholesome entertainment and from the point of the box receipts. The chorus was especially good and the work of the orchestra was praiseworthy. The individual numbers given by members of the cast were well received and each elicited hearty applause.

There has been an exhibition at the Northville State Savings bank this week an enlarged photograph of the late Cass R. Benton which has attracted a great deal of favorable comment by those who have been privileged to look upon it. The picture is the work of L. L. Ball, photographer of Northville and Plymouth, and is a real work of art. The picture will be sent to Lansing to be displayed in the office of the Michigan State Tax Commission, where Mr. Benton spent a good many years in the service of the state.

Mr. and Mrs. P. M. Gillispie have recently moved to Northville from Detroit and are located in the house at the foot of Scotten hill. Mr. Gillispie has been selected as manager of the sanatorium soon to be established on the property by Dr. A. B. Wickham of Detroit, who purchased the buildings and grounds from Mr. Scotten last fall. He expects to be able to announce the opening of the new institution along the first of June, providing the extensive improvements to be made are completed by that time. The house on the hill and the grounds surrounding will be made most inviting and home-like for those who may seek health and rest in this delightful spot.

The pavements of the village have been given a good cleaning this week. Mrs. George Stanley of Royal Oak was the guest of Mrs. N. C. Schrader Tuesday.

George and Luis Gibson, who are attending the U. of M., spent a part of their spring vacation with relatives here.

The annual meeting and election of officers of Orient Chapter, O. E. S., will be held this (Friday) evening. All members are urged to be present.

Do not fail to see "Molly Bawn" to be presented at the Alseum theatre next week Wednesday night. The play is a good one and will be well given.

Mrs. C. L. Dubuar, who underwent an operation at the Sessions hospital is getting along as well as could be expected, a fact her many friends will be glad to learn.

A mirth provoking comedy, "A Womanless Wedding," will soon be presented by Northville talent under the direction of the Woman's Union of the Presbyterian church.

Mrs. Catherine S. Gibson received some interesting souvenirs, this week, from her grandson, Augustus Gibson of Montclair, N. J. August and his grandfather, Luis Jackson, have been spending some time in Egypt and other Mediterranean countries, and while in Egypt, they visited King Tutankamen's tomb.

S. L. Morgan of Walled Lake was a Northville visitor Tuesday. He expressed great sorrow because of the death of his old boyhood friend, Fred M. Warner, of Farmington. They have fished and hunted together and the friendship formed early in life continued through all the passing years.

"Molly Bawn," the play to be presented at Northville next Wednesday night by Plymouth talent under the auspices of the Epworth League of this place was given in our neighboring city a few weeks ago with marked success. There will be some special numbers by Northville's best talent.

The Alseum theatre was filled to its capacity on Wednesday evening when the Juniors of the High school presented the play "Safety First" which was given in a very creditable manner. There were special musical numbers and the High school orchestra furnished music. Edmond Yeates and William Marikham gave a "skit," between acts that provoked a great deal of laughter.

### SALEM SAYINGS.

The comedy-drama, "Molly Bawn" was presented at Salem last Tuesday evening. A packed house and an appreciative audience, went a good way in making this wonderful production a great success. This is similar to "Peg O' My Heart." Come prepared to witness this play full of human interest to both old and young at the Alseum theatre next Wednesday night.

A Matrimonial Truce

By MYRA C. LANE

Father's coming to spend a week with us. Little Mrs. Harrison looked up at her tall, athletic husband in dismay. "Now of all times," she said. "You haven't sent him that letter announcing our intention of separating?" "No, I haven't posted it. What's to be done? We can't embitter his last days by letting him find it out."

"We'll have to stick it out for another week. I'm sorry for you, Mary." "I'm sorry for you, Tom," compelled to spend a whole week with such a dreadful person as myself. The Harrisons had talked things over and absolutely decided that they could no longer endure life together.

Tom was such a brute, always grumbling about the bills, and bothering one when one was working—and how could you fry an egg and at the same time listen to a man talking about his friend Bill? And then he smoked in the drawing room, and was untidy and mused things up, besides having a fiend of a temper.

And Mary was cold and hard as nails, and utterly unsympathetic, and she made the home into a museum, and hated tobacco and all the good things of life. And—oh, well, they had just made a mistake, and there was no turning back.

"We'll have to pretend to care for each other while father's here," said Mary. "Pretty hard, but we'll try," said Tom. "Oh, you are a brute, aren't you?" said Mary.

Nevertheless, as they had agreed, it had to be done. Old Mr. Radcliff belonged to the old school. It had never entered his mind that married folks could seriously disagree, and as for separation—why that was absolutely impossible.

They drove up from the station, the old man plying them with sympathetic questions. They showed him over the house and garden. "You two young folks must be as happy as turtle doves," said Mr. Radcliff.

"Ha—ha! I mean—of course we are," said Tom, in a hollow voice. "I've got to get lunch ready," said Mary. "Don't be long, darling," said Tom, drawing her into his arms and kissing her sweet lips.

Mary wiped the kiss away when Mr. Radcliff's back was turned, and departed with a furtive scowl. "Tom, you're overdoing it," she said, when the old man had gone to take his afternoon nap.

FUNDS SOUGHT FOR GRAVES IN FRANCE

LEGION PLANNING ENDOWMENT FOR CARE OF FALLEN HEROES' GRAVES

SHOULD KEEP MEMORY GREEN

To decorate the graves of the 500 Michigan deceased veterans who sleep the eternal sleep overseas, the American Legion of Michigan is raising a Memorial Day Fund. This money will all go into a \$100,000 endowment planned by the national organization of the Legion, which will provide an annual sum to care for the graves of these heroes in perpetuity.

This national fund will be expended in France and elsewhere overseas under the direction of Byron T. Herwick, ambassador to France. In all, there are 32,100 graves to be cared for. Two trances five centimes will be granted for each grave a year.

In Michigan, the campaign for this fund is led by Dr. Frank B. Broderick, state welfare officer. He will receive contributions either by check or in cash at his office at 214 Lincoln Building, Detroit, Michigan. All funds whether received by mail or from individuals in person will be receipted and strictly accounted for. No donations in excess of \$10 are requested, as the Legion feels that this collection should be a fund of the whole people.

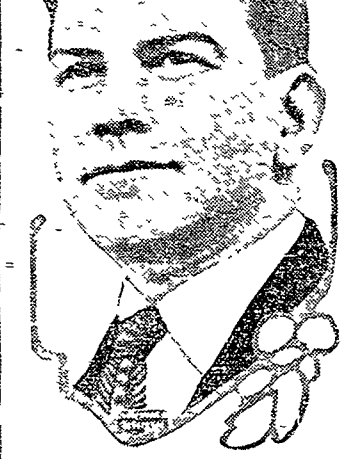

The United States government now maintains these graves keeps them in splendid appearance. But the Legion wants each grave to have on Memorial Day a little direct personal tribute from the people of the United States. Will Michigan do its share?

This money, says Dr. Broderick, will be raised without a definite campaign as such. We hope that a spirit of cooperation will be shown by Michigan will bring to us more than ample funds to care for Michigan's quota. The question is, shall we honor on Memorial Day the memory of those boys who died for us and who now sleep overseas?

LEGION LEADER TOURS MICHIGAN

BIG CENTRAL RALLY AT BATTLE CREEK FOR SOUTHERN MICHIGAN VETERANS

Michigan has welcomed Alvin Owsley, national commander of the American Legion for a short tour of the state from April 16 to 21. His itinerary was in the hands of Dr. Robert B. Harkness, state commander, and Lyle B. Tabor, state adjutant.

ALVIN M. OWSLEY

On account of briefness his visit was necessarily restricted to the larger cities in the lower peninsula of the state. Owsley has been particularly interested in the Legion's work in behalf of the disabled. For this reason, he has given special attention to the Legion's hospital for tubercular veterans at Battle Creek, devoting all day April 20th, there for a big Legion rally.

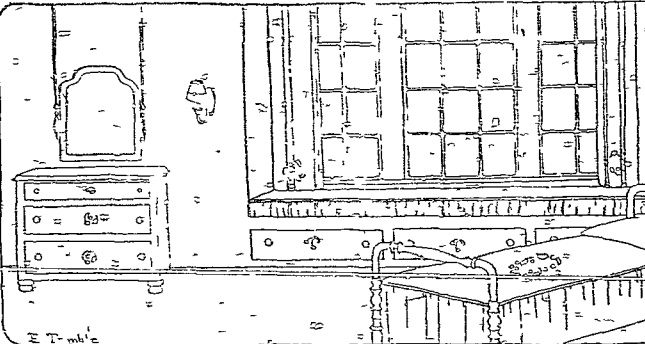

His itinerary on the trip was: Detroit, Flint, Bay City, Saginaw, Lansing, Jackson, Grand Rapids, and Battle Creek. Legionnaires were invited from the smaller cities and towns near these centers of population to meet Commander Owsley and hear his Legion message.

COLOR SCHEME FOR THE CHILD'S BEDROOM

A color scheme of slate gray and cherry red is very attractive as well as practical for a child's bedroom. The tiny chest of drawers is painted gray with red painted cherries decorating each drawer and the gray painted mirror hanging by red cords. Gray settee piped with cherry red and apple green with red cherries makes the window seat cushion, the window draperies and the cover for the red painted single bed. The drawers under the window seat are for toys.

Opportunity

A missed opportunity is like the sun in the heavens. At midday when it is nearest us we cannot perceive it sufficiently clearly. The white glare is too much for our eyes. It is only when it is passed when it is already sinking that it looms large in our minds, waxed and the world saturated in golden splendor.

Time Kept by Standard Clocks

The time of the whole of the United States east of the Rockies is regulated by three standard clocks kept in an underground vault at the naval observatory in Washington. These clocks are wound by electricity, and their beats are transmitted electrically throughout the observatory; the vault is never entered except in cases of emergency.

Week's News in Brief

Vermont Secretary of State Killed. Wells River, Vermont—Secretary of State Harry A. Black was killed here last week when he stepped in front of a train.

Stuyvesant Is Dead. New York—Stuyvesant Fish, 72 years old, died at his home in the National Park Building suddenly here last week.

Go to Work, Friend Out. New York—In the first going accident of the year Michael Golden, demonstrator, was thrown enthusiastically to a road, knocking the latter unconscious with a wild swing.

Oil Prospecting Barred. Washington—Prospecting for oil or gas upon the government's spruce reservation in Alaska will not be permitted, it was announced at the department of interior last week.

Devoted to the Cause. Detroit, O.—A man of more than 70 years of age, made last week a heroic effort with the deck of a ship to save an airplane that was about to crash without a landing start.

Governor Halts Boy's Execution. Atlanta—Governor Hardwick, after three hours' deliberation, granted a reprieve of two weeks for the two Baker boys, sentenced to die on Friday April 13 for slaying Deputy Sheriff Joseph Morton in 1922.

Twenty-two Earthquakes in 2 Days. Ponta Delgada—Twenty-two earthquakes shocks have been felt in the Azores in the last two days. The tremors were the strongest in the western part of St. Michael's Island, of which Ponta Delgada is situated.

Man's Body Found in Pulp Car. Hamilton, O.—Finding of the body of George B. M. Alister, of Woodbury, N. J., in a car of wood pulp bales here last week may develop a story of a slaying at Norfolk, Va. The imported pulp was shipped from Norfolk and the body was found by a truckman between a row of bales head down.

India Swept by Plague. Simla, India—The plague that is raging in almost all the provinces of India, claimed 5,000 new cases for all India of which 600 were fatal. The death rate is especially heavy in the central provinces, the United Provinces, Bombay, Presidency, Punjab and Delhi. In Calcutta there have been only three deaths.

Man Notified He Was Dead. Philadelphia—Joseph Cole, Roxborough had the experience of being notified that he was dead by police of the Branchtown station. Mr. Cole answered a phone call himself and received the startling information. Later he viewed the body mistaken for himself and identified it as that of his brother William Cole.

New National Anthem Needed. Cleveland—Declaring that the "Star Spangled Banner" probably is the most difficult song for the human voice to negotiate, R. G. Jones, superintendent of Cleveland Schools, urged that a substitute be selected as the national anthem. Mr. Jones suggested that "some beautiful, dignified expression of emotion found in American life" be chosen.

Bullet in Head, Didn't Know It. Winsted Conn.—While playing in a tree last fall Raymond, 16 years old son of Orson Heath felt something strike the back of his head. The wound healed rapidly and the boy gave the matter little thought until a few days ago when a hard lump appeared on his head where the wound was. A surgeon's knife revealed a 22 caliber bullet.

Galoshes Hide Jewels from Bandit. Trenton, N. J.—Galoshes proved their utility here when they saved for a young woman her jewels when a trolley car was held up by a bandit. The carman fled. The bandit entered to rob the lone occupant, Mrs. Loretta Boss, of this city. He found her penniless and devoid of jewelry. Her galoshes were the hiding places.

Death Prediction Comes True. Sergeant Ky.—Aaron Lucas, in his ninety-ninth year, is dead at a time he had announced for his death. A month ago Lucas informed his friends that his end would come in the middle of March. He arranged all business affairs, called in relatives, bade them farewell, gave directions for his funeral and then waited the summons which came at the predicted time.

Strange Malady Affects Boy. Fremont, O.—John Neiset, 6 years old, Millersville, near here, is a victim of a strange malady, said to be the second case of it kind ever reported in this country. It is called purpura hemorrhagica. The illness consists of breaking out of blood blisters all over the body, both inside and out, and at times also in the brain. The blisters frequently burst and cause hemorrhages. The condition of the boy is reported very serious.

FATHER DILLON IS GIVEN LIFE

PRIEST SLAYER PLEADS GUILTY TELLS JUDGE HE IS SANE READY FOR PRISON

FUNERAL OF VICTIM IS HELD

Bishop Gallagher Celebrates the Pontifical Requiem High Mass For Fr. O'Neill.

Kalamazoo—Rev. Charles Dillon, a week ago the quiet, assistant pastor of St. Augustine's Roman Catholic church, here, now convicted slayer of his church superior, was on his way to Marquette prison last Monday night to begin a life sentence at hard labor for his crime.

Sentence was pronounced after the prisoner, against the vain pleadings of his counsel, entered the plea of guilty to the charge of murder in the first degree. As a last resort the lawyer begged the court to question the prisoner declaring the defendant refused to take advantage of the defense of temporary insanity.

At the end of an hour's conference with the prisoner Judge Welmer announced in a courtroom crowded to the doors: "The court explained to the respondent with much care the matter of legal insanity. I analyzed carefully insanity as a defense for crime. The respondent is highly intelligent and capable of understanding all that has been said to him. He insists that he was not driven by any uncontrollable impulse that he understands the difference between right and wrong that he had no legal or moral right to kill Henry O'Neill. He says the act was deliberate and premeditated, and the result of a deliberately thought out preparation that he had been harboring grievances against his victim for a long time, at least since last summer and that he purchased the gun five days before the shooting for the purpose of killing Henry O'Neill if the occasion arose. He insists that the act was done sanely with a conscious mind."

Clad in the priestly garb he was wearing at the time of his arrest, Dillon stood before the bar of the court, his hands loosely folded in front of him and calmly heard his position of sentence.

At the same time that Father Dillon was in court the pontifical-requiem high mass was chanted by the Right Rev. Bishop Michael Gallagher over the body of the victim.

The funeral of Fr. O'Neill was one of the largest ever held in Kalamazoo. It is estimated more than 2,500 people gathered inside the church proper, while the vestibule and ante rooms were also crowded to capacity.

Announcement was made that Rev. P. C. Dewey of Detroit, at one time assistant at St. Augustine's, will remain here until permanent appointment of a successor to Rev. Henry O'Neill. He began studying for the priesthood when Right Rev. Mgr. F. A. O'Brien was dean of the local parish.

As the services were brought to a close the coffin was removed solemnly down the aisle of the church followed by the bishop, deacon, master of ceremonies, acolytes and priests.

It was then placed in a hearse to be taken to Hubbardston, Mich., for interment.

RHINE COST PARLEY IS HALTED

Differences Arise Over Demands of the United States.

Paris—The inter-allied conference regarding costs of the Rhineland armies of occupation, which was attended by Elliot Wadsworth for the United States, struck a snag last week and adjourned sine die.

Proposals submitted by Wadsworth on behalf of the American government, differed so radically from those put forward by the allies at previous sessions that the French, Belgian and British representatives asked time to consult their governments.

The differences were over technicalities, the Quaid d'Orsay's of fiscal announcement stated. It is reported disagreement arose on the subject of priority. The allies original plan was not satisfactory to the United States.

TO IMPROVE CANAL DEFENSES

Joint Maneuvers Show Modernized Methods Should Be Adopted.

Washington—Plans for improving the defenses of the Panama Canal which army and navy authorities say were shown to be inadequate, by the joint maneuvers just concluded, were discussed by Secretary Weeks with Senator Wadsworth, of New York, chairman of the senate military committee. Senator Wadsworth recently made a personal inspection of the canal's defenses, and presented definite recommendations for their improvement. "The coast defenses should be modernized," the senator said. "They are out-ranged by naval rifles, and the guns are mounted on fixtures of old design, which will not give them the elevation required for maximum range of the 12-inch and 14-inch guns, the largest calibre the defenses now have."

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective. Ask your neighbor.

Plenty of Northville evidence of their worth. Dell Westcott, Butler, avenue, Northville, says: "I have used Doan's Kidney Pills on different occasions when suffering from disordered kidneys and they proved to do just as represented in my case. My work in the scale factory, is hard on the kidneys, owing to being so much on my feet without any rest whatever and this put my kidneys out of order. I had to lay off work for days at a time, as my back was lame and painful and now and then, I became dizzy-headed. Doan's were recommended to me, so I went to the Northville Drug Co. and got two boxes. After using Doan's my troubles left me." Price, 60c, at all dealers. ### Walled Lake Warbles

Fred Zenner died at his home near this village last Friday, aged 77 years. Funeral services were held at the home of his daughter, Mrs. Wolff, in Detroit, Tuesday afternoon.

George Rattenbury will erect a building 40x60 feet in size adjoining the one he built last season for a meat market. In the new building he will install a general stock consisting of groceries, ready-to-wear, garments, dry goods, etc., besides conducting his meat business. Mr. Rattenbury is a hustler and he is very much pleased with his business at Walled Lake. Thus far, and his business has promised him to expand.

A group meeting of the Edwerth League was held here on Monday afternoon and evening, Pontiac, Clarkston, South Lyon, Walled Lake and Southfield being represented. Dr. and Mrs. Peter Stair of Detroit and Dr. Leeson of Ann Arbor took part in the very interesting program given. The ladies of the M. E. church served supper at six o'clock.

The advance class of the M. E. Sunday school held its regular monthly meeting at the home of Mr. and Mrs. Charles Menthen on Tuesday evening.

Mr. John DeConick entertained the members of the Embroidery club last week. The ladies have always taken a great deal of interest in civic affairs and they propose to assist in securing a side walk from Main street to the new school building. They will assist in furnishing the material and will also serve dinner to the men on the day they meet to do the grading.

Mr. and Mrs. Eugene Coe have announced the engagement of their daughter, Pearl, to Edmund N. Dickie of Farmington.

Miss Josephine Ellenwood, who has been very ill with pneumonia, was taken to the Pontiac city hospital the first of the week for special treatment.

### WATERFORD WAFTINGS.

The girls' sewing club of Waterford which has been in charge of Mrs. Ada Watson, teacher of the local school for the past few months, closed its winter's work a few evenings ago with an appropriate program at the school house. Five girls of the community finished their work, while three other girls who were too young to be members of the club added their work to the display, which was a most creditable one.

### THIEVES ARE BUSY IN OAKLAND COUNTY.

Thieves are becoming pretty active in various parts of Oakland county. Just the other day a family washing was stolen from the line at Leonard, and last Friday it was discovered that burglars had entered the farm home of W. H. Duchrane near Rochester and carried away goods valued between \$500 and \$600. The thieves gained entrance to the house by breaking a window.

### SUMMER SESSIONS SCHEDULED AT U.

Announcements of the 1923 summer session of the University of Michigan have gone out to more than 6,000 persons and institutions in all parts of the United States and in many foreign countries. The announcement is a volume of more than 180 pages and gives the courses and similar information for the thirtieth summer session of the university.

Last year 2,805 students attended the summer session from 47 states and from the District of Columbia. Twenty-two foreign nations were represented. Panama led with 56 far ahead of South Africa, the second which was represented by 19. Michigan led in American enrollment 1,630 being present from counties of this state. Ohio was second with 275, and Illinois third with 115. Others over 100 were New York and Pennsylvania.

A university bulletin announcing the courses in athletic coaching, physical education and administration under Fielding H. Yost, has also been broadcast. For the first time since the establishment of the Yost teaching staff, credit for attendance and study in this department will be given this summer. More than 300 inquiries already have been received by the local athletic association.

The summer session opens on June 15, with registration in the law school. Instruction in the law school starts on June 19 and in the other schools and colleges on June 25.

### TO HOLD COUNTY FARM BOYS' MEET.

Oakland county is one of the few counties in the state giving special attention to the interests of farm boys. Among the activities that are peculiar to this county is the so-called Farm Boys' conference the third annual of which will occur at Milford on April 20, 21 and 22.

For the past six months different groups of Waterford folks have been planning an entertainment these farm lads from all over the county. Groups of women in the different churches and from the Monday Literary club are assuming responsibility for the entertainment of the boys in the homes of Milford people. The banquet which will occur Friday night, April 20, is sponsored by the whole community and is being served by a joint committee representing all the ladies' organizations. The Board of Commerce is providing financial backing for this banquet by the sale of tickets to Milford merchants and business men at one dollar apiece, this ticket entitling the holder to attend the banquet with the farm boys who attend at no cost to themselves. Registration cards will be placed in the hands of all pastors in the county, superintendents of schools, and leaders of farm boys' club organizations. Additional registration cards may be secured from the county office by addressing Box No. 192, Pontiac. Special features of the program on Saturday, the 21st, will be cattle judging and feeding demonstrations by Mr. Nevels Pierson, assistant state club leader and live stock specialist from M. A. C. A special illustrated lecture on potato culture, with special reference to certified seed, will be given by H. C. Moore, state potato expert. Hon. D. D. Auker of Flint, veteran member of the legislature, and a well-known Holstein breeder, will be the main speaker at the banquet.

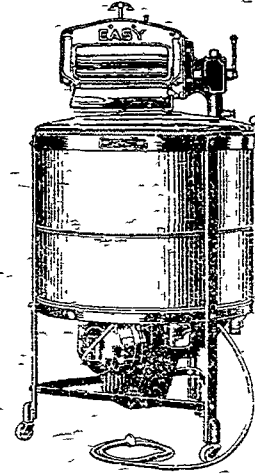

A special recreational and athletic contest will consume the bulk of the time Saturday afternoon and the conference will close Sunday afternoon with a special meeting for men and boys.

### What Every Woman Should Know

#### About Elec. Washers

The reason why washing machines are built is primarily because they save work. In choosing an electric washer, therefore, it is important to investigate its labor-saving features, with a view to determining which machine of all the different makes, actually saves the most work.

It is this that we ask you to keep in mind when you investigate the EASY—the electric washer with ten-shaft adjustable capacity, four-way wringer and gas heated attachment. These and other noteworthy advantages combine to make the EASY, in our opinion, the greatest labor-saving washer on the market today.

It costs you nothing to have a demonstration of the EASY in your home with your own washing. Just telephone us.

# Enuresis (Bed-Wetting) and Enuresol Tablets

Incontinence of urine in adults, commonly known as bed-wetting in children, is more common in boys than in girls. Incontinence of bed-wetting has been considered incurable when it persists beyond maturity.

Incontinence of urine is more common in women than in men. Constant or very frequent urination, day or night, indicates some abnormal condition or disease.

Enuresis may be caused by paralysis, the secretion of a large amount of urine, as in diabetes, calculus (gravel) excretion, irritation, worms, indigestion, sleep, dreams or gastric disturbances.

It is claimed by many people that bed-wetting will be outgrown. This is true to a certain extent, but bed-wetting may stop but the cause remain. ENURESOL TABLETS removes the cause of which bed-wetting is only a symptom.

This theory has been proven correct by the uniformly good results obtained with ENURESOL TABLETS in young and old, as the following typical cases from our records show, names of which will be furnished upon request.

R. D. Minnesota. Girl, age 14 years, had always been a bed-wetter, although apparently well otherwise. Her parents tried many treatments, medical and mechanical, without benefit. Seven weeks since beginning to use ENURESOL TABLETS she stopped wetting the bed, but continued the treatment six weeks longer and she has had no return of the trouble since.

R. G. Wayne, Michigan. Boy, 11 years. Three years ago his mother ordered four boxes of ENURESOL TABLETS and for months later reported the boy had not wet the bed for six weeks and since reports the trouble has not returned.

Mrs. W. Milwaukee, Wis. Age 44 years had never had a full night's sleep, having to get up four to eight times a night. Treated Hot Springs, mud baths, sanitarium and was operated on twice in two different hospitals without benefit. Six weeks of ENURESOL cured her completely, three years ago, and has had no return of the troublesome nuisance.

F. J. Minnesota. 75 years old is no less interesting. For over 25 years F. J. suffered with incontinence of urine day and night. As he grew older the trouble increased, having to pass water every half hour or more. Had a stroke of paralysis which rendered it impossible for him to get up, that only a few drops of bloody urine could be voided without intense pain. Surgeons suspected cancer of the bladder. Being placed on ENURESOL, at the dose of two tablets every two hours, with a glass of water or milk, the trouble disappeared in three hours and he had a good restful sleep the next night and fully recovered perfect health in the next three months. Mr. F. J. is now 75 years old and as last report was still at work.

It is important to regulate the diet and overeating, coffee and acid foods should be used sparingly.

ENURESOL TABLETS are absolutely safe and harmless, being a tonic for the kidneys, bladder and nervous system.

It is dependable for weak nervous, restless, slow growing, languid children. A fair trial of ENURESOL TABLETS will convince you of their value.

## Build a Home

Here are some interesting government figures:

- 1 per cent of all men in this country die wealthy.
- 2 per cent of those who die are in "comfortable" financial circumstances.
- 15 per cent have from \$2,000 to \$10,000.
- 82 per cent have Nothing.

There are few men who pass thru this life who are not at some time in position where they MIGHT save and buy a HOME. And the fact that 82 per cent of the men who die have nothing proves that entirely too few of them take advantage of this opportunity.

PLAN TO BUILD IN 1923.

greater development that will make it a giant in influence in the affairs of the nation. The entire national organization has been built without the employment of commission-paid organizers or paid propagandists. No individual either locally or nationally has ever received remuneration for his assistance in the forming of a local club. Such assistance as new clubs have received has been rendered through national headquarters by the national secretary or his trained assistants who receive no remuneration from local clubs or those in process of organizing. These men are salaried, devote their time to and are paid by the national organization and their only object when rendering assistance in the forming of a new club is to help in the selection of its membership and properly start the club on its career of usefulness.

## EDISON COMPANY EXTENDING ITS INTERESTS.

The Detroit Edison Company is extending its lines north of Port Huron. The company is securing franchises in the townships of Burchville, Grant, Blackway, Lynn and Greenwood. As soon as the franchises are secured the necessary work will begin to furnish light and power for the section north of Port Huron, connecting with Great Lakes Power company lines in Sanilac and Huron counties. Power will be furnished from the Port Huron station. It is proposed to have the necessary equipment for furnishing electricity along the line between Port Huron and Lakesport in operation early this summer.

## ADDS COLOR NOTE TO THE KITCHEN

The tile-patterned inoleum used in this kitchen and its breakfast corner gives the color note to the room. It may be blue and white, or black and white, or any other combination of color with white. The white muslin curtains have a narrow band of color to match that in the inoleum. The white enamel furniture is really quite practical, as it can be washed so easily.

## Bible Thoughts for This Week

- Sunday.**  
PURE RELIGION:—Pure religion and undefiled before God and the Father is this. To visit the fatherless and widows in their affliction, and to keep himself unsupported from the world.—James 1: 27.
- Monday.**  
LET US GIVE THANKS:—Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever.—Revelation 7: 12.
- Tuesday.**  
GOD'S WONDERFUL LOVE:—For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.—John 3: 16.
- Wednesday.**  
PRIDE A PITFALL:—Pride goeth before destruction, and a haughty spirit before a fall.—Proverbs 16: 18.
- Thursday.**  
A NATION'S GREATNESS:—Righteousness exalteth a nation: but sin is a reproach to any people.—Proverbs 14: 34.
- Friday.**  
THE GOLDEN RULE:—As ye would that men should do to you, do ye also to them.—Luke 6: 31.
- Saturday.**  
HEAR THE WORD:—O earth, earth, earth, hear the word of the Lord.—Jeremiah 22: 29.

## REV. E. V. BELLES INSTALLED AS PASTOR AT KENTON, OHIO.

From the Daily Democrat of Kenton, Ohio, we take the following from an extended account of the ceremonies of installing Rev. E. V. Belles as pastor of the Presbyterian church in that city:

Formal installation of Rev. Edward V. Belles, prominent Presbyterian clergyman, as pastor of the First Presbyterian church here, was completed Tuesday night at services held in the church.

More than 200 members of his congregation witnessed the installation conducted by representatives of the Marion and Columbus Presbyteries. The impressive and formal services followed a church supper served by the ladies of the church.

Rev. J. S. Freeman, pastor of the Forest Presbyterian church presided in the absence of Rev. W. E. Heldstab, of Crestline, moderator of the Marion Presbytery, and read to the pastor and congregation their obligations. Other speakers on the program were: Dr. Moses Breeze of Columbus, member of the state laymen's committee, Dr. W. F. Mickey of Dayton, Rev. Francis Hartwick of Belle Center, and Rev. C. L. Hine of Mansfield. These men also spoke on the program following the supper.

The church auditorium was beautifully decorated with palms, lilies and spring flowers forming an elaborate setting. Preceding the addresses a program of music was presented by the choir with Miss Lettie Koch at the organ and Miss Frances Harbison at the piano. Their presentations were beautifully rendered and appropriate. Solo numbers were given by Mrs. Karl Ellis and Mr. Harper.

## TO ERECT MONUMENT TO DR. ANNA HOWARD SHAW.

The women of Big Rapids have launched a movement for funds for the erection of a monument in honor of the late Dr. Anna Howard Shaw, noted suffragist who spent her early life in that city and was educated there.

Woodbride N. Ferris, United States senator-elect has pledged a fund toward the monument. He has been urging a monument in her honor for some time. Women of the state will be asked to aid in raising the money needed. The monument will be located in Big Rapids.
