BACCALAUREATE EXERCISES MOST IMPRESSIVE.

An audience that taxed the seating capacity of the Methodist church to its utmost was present at the baccalaureate exercises Sunday evening. The church was made attractive with the class colors of yellow and blue and with potted plants and flowers. Members of the class of 1923 were given seats of honor and were accompanied by the Juniors and the teachers of the High School. As the young people took their places, the choir and congregation sang "Onward Christian Soldiers" and that grand old hymn never seemed more appropriate than upon this occasion. Rev. A. K. MacRae offered prayer and read the scripture lesson, choosing Gal. 6 as the evening lesson. The choir sang an anthem "Thy Way, Not Mine Oh Lord" and Miss June Filkins sang "Consider Thou Me" as an offertory.

Rev. William Richards took for the theme of his very practical and interesting discourse "Sow Well and Reap Well," taking his text from the words of Paul—"whatsoever a man soweth, that shall he also reap." He made an appeal to the young people to consider the kind of seed they sow and to live clean, upright, Christian lives, that their harvest in the years to come may be all they desire it should be. He related a number of personal experiences, incidents that had come under his own personal observation, and his appeal made a deep impression upon all in the large congregation. The choir and congregation sang "Sow in the Morning Thy Seed" and the pastor pronounced the benediction.

NORTHVILLE FORESTERS 7; PONTIAC WILSONS 11

The Northville Forester ball team came back from Pontiac Sunday night defeated nine. No hits were offered, given or forced, but they point blank admitted they were opposed by a very good team. Our local boys admitted they "they played about as poor base ball as Northville has played in two years and with such playing could not expect to win. The Foresters in the sixth inning tied the score, making it seven to seven, then after this encouragement still kept misjudging flies and making errors. The Pontiac pitcher was hard to save the first five innings but after that our team secured five runs. Ordinarily that is enough runs to win for Northville when the team is going right but at Pontiac it was different. There will be a return game here some of these fine afternoons and giving both Northville and Pontiac credit for having extra good teams, it will give the fans here a chance to see another clash.

The Springwells' nine will be here Sunday and that means Northville is now taking on all high-class teams and semi-professional ball clubs.

YOUNG PEOPLE DID WELL.

The recital given at the Library building on Monday night by some of the piano students of Guy C. Filkins was greatly enjoyed and each number of the program given by the young people was heartily applauded, and carried out as published last week except that Leonard Keller of Detroit was unable to be present owing to the fact that graduating exercises in which he was specially interested were taking place in the city at the same time. Mr. Filkins took his place in the piano duet with Ray Buck of Detroit. Miss June Filkins sang three numbers which pleased both the young people and the adults present.

The playing of the young people clearly demonstrated the ability and the patience of Mr. Filkins as a teacher, and he is to be congratulated upon the success of the recital.

LANSING WON IN ELEVEN-INNING GAME.

The ball game on the home grounds last Saturday afternoon between the DeMolay team of Lansing and one from Fellowship Chapter of this place, was a lively contest from start to finish. The game was "nip and tuck" all through, Northville tying their opponents in the ninth inning. Lansing made two scores in the eleventh inning, winning the game to the score of 8 to 6. It was the first game in which either team had played this season.

After the game the visitors and the members of the home team enjoyed a fine dinner at the Ambler Hotel. Northville will go to Lansing for a return game July 28th.

Mr. and Mrs. B. C. Stark spent last week with relatives and friends at Lima, and other points in Ohio and southern Michigan.

TWENTY-SEVEN YOUNG PEOPLE RECEIVE DIPLOMAS.

Twenty-seven young people from Northville and immediate vicinity received their diplomas of graduation from the Northville High School on Wednesday night and received hearty congratulations from their friends. In spite of the intense heat the auditorium was filled, in fact some were unable to gain admittance. The platform was prettily decorated with potted plants, cut flowers and class colors. At the appointed hour Miss Marion Mulford took her place at the piano and rendered the processional while the members of the class marched to their places on the stage. Rev. William Richards offered the invocation in which he asked God's richest blessings and benediction upon our school and the community from which these young people were soon to take their departure as they enter into life's activities. Norman Kerchoff gave the salutatory in verse and extended a very generous welcome to all. The High School orchestra gave a selection and Miss Alvina Stamann gave the valedictory in which she expressed her appreciation for the opportunities and privileges that have been extended to members of the class and expressed the hope that they would go out into the world and make their influence felt in loyal, helpful service.

The girls' chorus composed of Ruth Yerkes, Ursula Lumpert, Vivian Parmenter, Ada Ely, Helen VanAlta and Geraldine Young sang "Graduates Farewell" with good effect. The address of the evening was given by Prof. H. Z. Wilbur and his remarks contained a great deal of good sound advice to both old and young.

Superintendent Haltrich presented the diplomas and offered his congratulations and the best wishes of the teachers of the school to the members of the class who had striven hard to reach the goal of graduation day. The boys' quartet composed of Wayne VanDyne, Cleo Dev, Gordon Cragg and Allen Buckley sang "Farewell" in a very creditable manner. The benediction by Rev. Richards closed the very impressive and interesting exercises.

The following are members of the class:

Cleo Day, Clifford Day, John Blackburn, Lyle Kestell, Billy Martin, Irene Thompson, Angeline Sowles, Alvina Stamann, Kathleen Juhl, Lotie Millard, Ralph Wood, Glen Hammond, Maurice Woodworth, Merritt Young, Ralph Coaner, Allen Buckley, Wayne VanDyne, Raymond Watts, Geraldine Young, Ferolin Angell, Emily Tiffin, Ursula Lumpert, Donnel Merritt, Harold Bloom, Russell Lyke, Norman Kerchoff, Vivian Parmenter.

ALUMNI BANQUET NEXT FRIDAY NIGHT.

On Friday afternoon and evening next, the 29th, will occur the annual reunion and banquet of the Northville High School Alumni association and the affair gives promise of being of great interest. The officers and program committee have arranged a most enjoyable program and the banquet will be one that will fully maintain Northville's reputation. The following is the program to be presented:

Toastmaster—Rev. W. T. Jaquess
Invocation—Rev. Wm. Richards
President's Greeting

Helen Cunningham

Vocal Solo—Miss M. Sullivan

Smiles—Aletha Yerkes

The Older Order Chanteth—Arthur Power

Vocal Solo—E. Vickers

Address—Mr. James Schermerhorn

Duet—Miss Sullivan, Mr. Vickers

Benediction—Rev. A. K. MacRae

The annual reunion will be held at the High school auditorium at four o'clock, when officers will be chosen for next year.

SPRINGWELLS COMING SUNDAY.

The strong Springwells base ball team will play the Northville Foresters at the park here Sunday. The Springwells team is backed by the business men of Springwells, that suburb of Detroit that has been doing things the last two years out Michigan avenue. Nearly all of the municipal officials are not only booming the village but also the ball team. They sent them to Jackson to play last Sunday and a large delegation will be at Northville Sunday to see their representatives play. The team was here last year and also the year before and brought a very creditable ball team. If they defeat our boys or give them a real tight up game, they are promised by the Northville July 4th committee to again come here for a game on the big day.

SHERWIN-WILLIAMS PRODUCTS

Paint and Your Pocketbook

Decay causes losses of thousands of dollars annually. These losses are caused by weather acting upon unpainted surfaces. Weather is a destructive agent. Repairs are expensive. They are usually neglected because they are not apparent—seldom are they looked for. Good paint, properly applied before decay attacks your home, prevents depreciation in property values—makes expensive repairs unnecessary. Painting is a good investment—it pays dividends in increased property values, minimum repair bills, and increased life of buildings.

Sherwin-Williams PAINTS AND VARNISHES

are highest quality protective finishes for your home—they have a permanent beauty and an unusually long life.

HILLS' HIGH GUN AT DETROIT PASTIME TOURNAMENT.

With excellent weather and a large
attendance of spectators and contest-
ants the Registered Shooting tourna-
ment conducted by the Detroit Pastime
Gun club, June 17th, was one of the
most successful and enjoyable events
of the season. Eighty-three entries
were received and the full program,
singles, handicap and doubles, was
finished at 6:30 p. m. Many of the
shooters stated that the efficiency of
the Pastime club under the present
management is 100%.

Dr. Wray, Lofgren, McHenry, Hall,
F. Hartford, Odell, Landquist and a
snappy force of trappers and pullers
kept the squads moving in a rhythmic
manner.

In the race for first place in the
150 16-yard targets, Frank E. Hills,
of Northville, won high general aver-
age scoring 146x150. Hills shot in a
late squad, upsetting the calculations
of the dopsters by finishing one target
ahead of the three high scores which
had been reported as winners.

Hartwick, Bopp and Cavers also
gave an exhibition of brilliant shoot-
ing, each finishing with a 145x150.
Bryan and Volk tied with a 144, a bad
one-half hour in the fourth event
dropped Dr. Britton in the 143 hold
Maust and Spots scored 141 and
Baumknecht, Craig, Burroughs and
Gundersen broke 140.

John Hartwick broke his first 75
straight and was a favorite up to the
finish. In this event he let three
escape and turned in 24's in the last
two, scoring 145 and a run of 37.
Harry Bopp overcame a bad start and
shot a mighty good race. Bopp
misses three screams in the first and
one in the second. From then on he
did not draw a zero until the last
event, scoring 145 and a long run of
91. Cavers went straight in the sec-
ond and turned in five 24's. Dr.
Britton failed to detain three targets
in the fourth. In the other five
events he cored twenty-five 24's, fin-
ishing with 143. Hills started with a
25 missing one in the second and
third, going straight in the 4th and
scored 24's in the fifth and sixth.

B. T. Craig of Britton and E.
Maust of Detroit, tied with 48x50,
in the handicap race for the Hartford
Brothers' trophy. In the shoot-off the
Britton gunner touched the scalp of
the Detroit man by one target.

In the double event Bill Cavers
held the attention of the crowd with
a wonderful performance of double
shooting. He led the entire field with
a wide margin, scoring 47x50.

Lansing—The state administrative
board Wednesday authorized the state
highway department to prepare plans
and specifications for widening Wood-
ward avenue between Pontiac and De-
troit, as provided in an act passed by
the legislature. The plans will be
submitted to highway commissioners
of Oakland and Wayne counties, and
will be subject to the final approval
of the state administrative board.

NOTICE REGARDING FIRECRACK- ERS AND FIREWORKS.

Notice is hereby given that there
shall be no firecrackers, cap guns or
fireworks fired in this village before
the morning of July 3rd. In former
years the premature firing of these
has become annoying to many of our
citizens.

The attention of the general public
is called to the following law regu-
lating the sale of firecrackers and
firearms:

Section 1. It shall be unlawful
for any person to sell or keep for sale
any blank cartridges, toy pistols, toy
gun or toy cannon that can be used
to fire a blank cartridge; or to sell or
keep for sale, or to fire, explode or
cause to explode and blank cartridge
or bomb; or to sell or keep for sale,
or to set off, explode or cause to ex-
plode any fireworks containing any
peric acid or picrates, or substance of
a like nature, or any firecracker ex-
ceeding two inches in length and three
eighths of an inch in diameter or of a
greater explosive power than a fire-
cracker of such size containing black
powder only. Provided, That this sec-
tion shall not apply to illuminating
fireworks set off between the hours of
seven o'clock in the evening and
twelve o'clock midnight, excepting
those containing peric acid or pic-
rates, or substances of a like nature.

Penalty for Violation.

Section 2. Whoever violates any
provision of this act shall be pun-
ished by a fine not exceeding one hun-
dred dollars or by imprisonment for
not more than thirty days or by both
such fine and imprisonment in the dis-
cretion of the court.

Reserve Board's Power Limited

Washington—The Federal Reserve
Board has only a "limited" right to
enforce par clearance of checks by
non-member banks, the Supreme Court
so decided in two cases which have
attracted wide attention in banking
circles.

Harding to Review Fleet

Washington—President Harding
will review the United States battle
fleet off Seattle July 27, it became
known when the navy department is-
sued orders for the concentration of
the various units of the fleet in that
locality.

Caterpillars Invade Canada

Regina—A plague of caterpillars is
reported from the MacLean and On-
tario districts. Millions of insects
are eating the leaves off the trees
and crawling into the houses, accord-
ing to reports reaching the provin-
cial agricultural department.

Twenty-one Churches Unite

New York—A religious experiment,
uniting 21 denominations under one
minister and one roof was started at
Jackson Heights, Queens county, with
the dedication of the Community
church by Bishop Luther B. Wilson,
of the Methodist Episcopal Church.

Typhoon Kills Thirteen

Manilla—Thirteen lives were lost
and a large area was laid waste by
a typhoon on the island of Samar,
according to reports received here. It
is reported that in seven towns 95
per cent. of the houses were blown
down and that the homeless thousands
were threatened with famine.

Dickens' Home to Be Sold

London—The last home of Charles
Dickens is for sale on the open mar-
ket. The great author bought the old
red brick house near Cobham in 1856
changing it to make it "as pleasantly
irregular and as violently opposed to
all architectural ideas as the most
hopeful man could possibly desire."

Feed Sheep on Waste Grain.

Ft. William, Ont.—The feeding of
Western sheep and cattle on the
screenings from the big elevators at
the head of the Lakes has been car-
ried on successfully during the past
winter. The animals are brought
here from the prairie provinces and
finished for shipment to Eastern mar-
kets. This plan was inaugurated by
R. C. Harvey, an Alberta sheep ranch-
er, two years ago. In 1921 he win-
tered some 6,000 sheep.

"Canned Blizzards" Predicted.

Washington—Scientists at the Bu-
reau of Standards in Washington have
just discovered how to produce a
temperature of 425 degrees below
zero, freezing hydrogen, the most
difficult of all gases to condense,
except helium. This degree of cold-
ness, which was the result of experi-
ments in charge of Dr. C. A. Kanott,
a chemist, broke all records at the
government's experimental laboratory
being 115 degrees colder than liquid
air.

Device Records and Weighs Traffic.

Washington—Uncle Sam is taking
an automatic permanent record of the
economic worth of all highways
which he is helping the individual
states to build, which will also show
the development of highway trans-
portation. An automatic device for
recording traffic, which shows not
only the number of vehicles which
pass over it, but also their weight
is now being installed in front of the
campus of the University of Mary-
land at College Park, Maryland.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897 for the week corresponding to this week

Miss Edna McRobert is a little better. Dr. Yarnall left Tuesday night for Cleveland.

Charles Thornton and family have moved to Searanck, Pa.

A. D. Kendrick is off on a two weeks' visit to Saginaw and Flint.

F. McNitt of Lisbon is visiting his daughter, Mrs. Clara Sessions.

Mr. Dingman has a field of rye which averages eight feet high.

Strawberries were selling on the streets this week for four cents.

T. N. Emery and daughter, Lizzie, visited friends here over the week-end.

R. H. Purdy has gone a-wheel to Blissfield for a week to visit relatives.

Mr. and Mrs. G. L. Bradley and son of Geneva, Ohio, are visiting relatives in town.

Miss Elizabeth Trotter of Ypsilanti, is the new clerk in Robert McCully's restaurant.

Frank Root of Richmond, Ind., is spending two weeks with his father, August Root.

Mr. and Mrs. F. G. Moore and Roy Smith, spent Sunday with Miss Lettie Johnson at Ypsilanti.

Mrs. E. A. Shafer and Mrs. W. A. Carruthers left yesterday for an extended visit in California.

Miss Ethelwyn Dubuque's piano recital given by her pupils in the library last week was a very fine affair.

Willard Stark of Lyon, and Miss Grace Vanatta of Salem, were married Wednesday. Congratulations.

Jake Miller has bought out one of the best meat markets in Tecumseh and expects to move to that city next week.

Frank Lewis spent some hard tack from Tampa this week. Some days only coffee and hard tack are supplied, he writes.

L. A. Babbitt has returned from his western trip to Colorado Springs. Although pleased with the west in general he has decided to remain in Northville.

Mrs. T. G. Richardson and Mrs. Ida Joslin went to Holly Wednesday to attend a banquet given by the Whiting Chapter of that village to the O. E. S. of Miford.

John Westphall, aged 35 of Novi, fell from his boat while fishing in Walled Lake Monday afternoon, and was drowned. Heart failure was the cause of death.

A reception will be tendered Mr. and Mrs. Bliss at the Methodist church tonight. They have been residents of Northville for several years and it is to be regretted that we are obliged to part with them.

W. E. Ambler, head book-keeper in the Globe office has been promoted to take Mr. Babin's place. Mr. Dolph steps up a peg as assistant book-keeper and E. S. Holton takes Mr. Dolph's place as time keeper.

Another reunion of the Dean family gathered on June 4, at Henry White's. The occasion was the celebration of his mother, Mrs. Harriet White's 87th birthday and the 21st anniversary of his wedding day, both occurring about that time.

The steel cruiser, Nurrep, was sunk on the Park lake Tuesday night. Capt. Crampton and Lieut. Hinkley were the only ones saved. The cruiser broke in two in the middle and 'twas probably the work of some Spanish sympathizer.

TWO SPECIALS NEXT SUNDAY

BAPTIST CHURCH.

Subject, Morning Sermon: "Our Children For God."

This is a special Children's Day sermon. Every parent and every lover of the little folks should be present. Special music.

CHILDREN'S DAY

will be observed at the evening service. The program will consist of recitations, songs and exercises. One feature of the program will be

Unusual, Interesting, Helpful, Surprising

something different in a Children's Day program

PRESBYTERIAN CHURCH NOTES.

There will be the usual services on Sunday—morning and evening—with sermons by Dr. Jaquess. At the close of the morning service a meeting of the church and society will be held for the purpose of electing two elders.

Members of the church who fail to attend services on Sunday are missing a rare treat. Dr. Jaquess' discourses are interesting and helpful.

The Westminster Guild picnic will be held at the home of Mrs. Elmer Whipple on Monday, June 25th. Meet at Ambler House at 5:00 p. m. and don't forget to bring Christmas presents.

BAPTIST CHURCH NOTES.

The surprise for next Sunday evening is creating considerable interest. It is not one surprise, but many.

The choir boys are still in existence but we have more than boys.

Our Sunday school has reached its high water mark. Now watch us make a new record.

The contract to paint the church has been let and work will commence soon.

The hot weather has not effected our congregations yet. They continue to grow larger.

Gas is being installed in the parsonage.

See our advertisement for further particulars regarding Sunday evening service.

METHODIST CHURCH NOTES.

Now the "spectacular" specials are over let us make the summer Sabbath to come special by our presence. We need God, and God needs us.

"Forget not the assembling of yourselves together," says the apostle, Paul, "as the manner of some have" in finishing his admonition.

On Sunday morning the pastor will preach on "The Dying Companion" and the choir will render the anthem "Sometimes a Light Surprises." Come and worship. We have a cool building to worship in. Time 10:30.

The Sunday school will convene at 12:00 with opportunities of religious instruction for all.

The Epworth League will have its closing service at 6:30. Remember Allen and its cool shady campus where young life will throb with a wonderful program commencing next Monday. My, what a time! Fifteen hundred delegates are expected. We will have an Epworth League night to tell of its value later.

In the evening the pastor will preach on "The Last Judgment" or "The Second Coming of Christ." This will be supported from scripture. It will be a short, helpful service in the shadows of the evening hour.

Next Thursday all members are expected to be present to elect their lay delegates for the general conference at Springfield, Mass. Time, 7:30.

A. C. NOTES.

Regular meeting Wednesday, June 27th, at the usual time and place. Suggestions will be in order for our annual picnic.

Shady grove.

Where members meet.

Lots of fun.

And lots to eat.

The entertainment promised for our last meeting was unavoidably postponed until this meeting. Bring your can and help us make the evening enjoyable.

NOVI CHURCH NEWS.

A splendid program for Children's Day was given at the Baptist church last Sunday morning and was enjoyed by a full house. Much credit is due those who had the program and practice in charge.

Next Sunday the pastor will begin a series of sermons on the text "Behold, God is Great." These sermons will be given on successive Sunday mornings. Come and let's consider together the greatness of our God.

LOCAL.

Miss Della Stoffer and Miss Ruth Gills were called to Morenci yesterday to attend the funeral of a relative. The ladies of the Maccabees will hold their picnic at Mrs. Nellie Wood's cottage at Grass lake, on Monday, July 2nd. Further notice in next week's Record.

Mr. and Mrs. C. A. Withey and Mrs. C. G. Wersue of Boston, Mass., spent a few days with Mr. and Mrs. Glenn Richardson. Mr. Withey is a brother of Mrs. Richardson.

The regular business meeting of the Baptist Ladies' Aid will be held at the home of Mrs. R. G. Lang on Wednesday, June 27th. The May and June birthday ladies will serve light refreshments.

Harold Ensing, who has been very ill at the Sessions hospital, was able to be moved to the home of Mrs. C. H. Young the first of the week. He will return to his home as soon as he is able to make the journey.

At the meeting of the Exchange club on Wednesday noon the following officers were chosen for the ensuing six months: President, J. A. Huff; vice-president, E. E. Brown; secretary, William Richards; treasurer, L. A. Babbitt.

On Wednesday morning Miss Catherine Safford, daughter of Mr. and Mrs. W. H. Safford of this village, and Archie W. Long, a guard at the Detroit House of Correction prison farm, went over to Salem and were quietly married by the Congregational minister, returning to Northville after the ceremony. They will reside in this village. Their friends will extend hearty congratulations.

BETTER POTATOES FOR WAYNE COUNTY.

The Washtenaw Ridge Potato Club, near Thayer school in Northville township, was the fortunate recipient this week of twenty-five bushels of northern-grown certified seed potatoes which have been donated by the growers in Cheboygan, Otsego and Presque Isle counties to the Agricultural department of the Michigan Central railroad, which in turn has donated them to this club. A whole carload is to be used for comparative tests with our home-grown seed and the car stopped in our county last week Thursday to leave our share.

These potatoes come from counties that have become famous for the quality of potatoes which they produce. At the International Potato Show in Duluth in 1921, Cheboygan county took several of the highest prizes and she repeated in 1922 by taking second, third and fifth in the Rural Russet class. A grower from Otsego county took the first prize at that show. At Grand Rapids Apple and Potato show (the biggest of its kind), Cheboygan growers took five "firsts" out of a possible seven including the sweepstakes. It is from stock such as that that these seed potatoes come and we believe that our club is performing a great service to his country in bringing the idea of good seed potatoes to the attention of our farmers.

The boys who are co-operating in putting on these tests are as follows: Stanley Proctor, Kenneth Proctor, William Ringle, Floyd Cogsdill and Charles Angell. They met at the home of their local leader, Mr. Proctor, Thursday, June 7th, and formed their organization. Plans for the summer work were discussed. The club will hold regular meetings throughout the summer at which time various phases of potato culture will be studied. The project will close with an exhibit at the Northville Fair in September. At this time record on comparative yields will be published.

For power, economy and mileage use American Gasoline, its decidedly better. Edw. Sessions, agent. Phone 223-J. 49w1c

HAVE WE ANY MEN LIKE THE PIONEERS?

The men who came into this vicinity in 1824 and afterwards—are there any like them? Are there any as rugged—virile—steady thinking and heroic?

Does any man of our day look ahead as far—use the present as faithfully—regard the past as worthily—as those early settlers of Northville?

Right now where will you match such men as Swift, Yerkes, Johnson, Pinkerton, Rowland, Mead, Cady and Dunlap, and all the other upstanding men of pioneer days?

The Bible is a record of men who pioneered for God—who left their native haunts—who welcomed danger—who dared to stand up—stand out—stand true—who would go on great adventures for the Creator.

Who can span the influence and worth of Abraham, Moses, David and Isaiah? Three great religions honor Abraham—every lawyer honors the Mosaic code—every musician honors the Psalms of David—every preacher seeks to preach with depth and value of Isaiah. Who is your favorite Bible character and why do you admire him or her?

Mr. and Mrs. O. S. Hulett of Novi were Northville visitors on Wednesday.

Mrs. Olive Sprague of Farmington spent Saturday with Mrs. E. J. Tremper and family.

Mrs. Minnie Seloff and Mr. Shafer of Detroit were guests at the Tremper home, Sunday.

Waldo Elliott is confined to his home this week, being afflicted with Job's comforters.

Mr. and Mrs. George Pickell have moved into Mr. Pickell's residence in Orchard Heights.

Mr. and Mrs. L. A. Young of Detroit attended the commencement exercises Wednesday night.

Mr. and Mrs. Henry Schmitz of Detroit visited Mr. and Mrs. John Schmitz, this week.

J. H. Steer's writes to have his address changed from Los Angeles, Cal. to 638 Blaine avenue, Detroit.

S. A. Lovewell in company with some South Lyon gentlemen spent the week-end at Mio, fishing and reports splendid luck.

Mrs. W. H. White went to Maple Rapids last Thursday, being called there by the illness of her daughter.

Mrs. Lloyd Morae.

The members of the Senior class are enjoying an outing at the Draper cottage at Silver Lake. They will remain over Sunday.

There are 22 members of the graduating class of the Farmington High school who received their diplomas on Thursday evening.

The corner stone of Redford's new Masonic temple was laid by the officers of the Grand Lodge, F. & A. M., Thursday afternoon.

Northville Commandery, Knights Templar, attended the ceremonies.

Read Schrader Brothers' announcement in today's paper. Be on hand Saturday night at eight o'clock to secure one of the carpet sweepers they will offer for sale for just one hour—or until their supply of six dozen has been sold.

The work of erecting the new set of poles for the Detroit Edison Company along Grand River avenue has reached Mill Road, and they are a fine looking string of poles. A great improvement over the little old ones which they replace—Redford Record.

Harold Belles was a member of the graduating class at the University of Michigan and received his diploma on Monday.

Rev. and Mrs. E. V. Belles of Kenton, Ohio, came to attend the exercises and visited Northville friends Monday afternoon and Tuesday.

The Fourth of July falls on Wednesday this year—a week from next Wednesday. Just remember that Northville will celebrate again this year with street sports and games in the forenoon, racing and ball game in the afternoon and free street dancing and band concert in the evening.

Mr. and Mrs. George R. Brown and son Forman G. Brown of Oscego were guests of Mr. and Mrs. E. E. Brown over Friday night.

Mr. Brown, Jr., received his master's degree at the University of Michigan on Monday.

He has been engaged as instructor at the university for the coming year.

Mr. and Mrs. Clifford Castlerline and Mr. and Mrs. Ray Castlerline and little son spent a few days during the past week at their old home in Sparta, and attended the annual commencement exercises of the Sparta schools last Friday night, a sister of the Messrs. Castlerline being a member of the class.

Carl R. Ely came down from Mio last Friday for a few days to look after some business matters. He returned to "camp" on Wednesday and will remain there for a few weeks. His condition is improving and it is believed that complete rest for a few weeks will completely restore him to health.

Rev. William Richards and Mr. and Mrs. E. E. Brown attended the commencement exercises of the University of Michigan, held at Ferry Field, Monday forenoon. The exercises were most impressive and the sight of the many thousands of young men and women who received their diplomas and honorary degrees was an inspiration.

The truth is out. It was not fully known last week just why a number of Northville's young women desired to visit Buffalo and Niagara Falls at that particular time, but now the facts are known. They desired to extend to Miss Sieba a very cordial welcome to Detroit and to Wayne county. Our girls returned from Buffalo on the same boat that brought the Detroit citizens' elephant, Sheba, to the city.

Mr. and Mrs. A. J. Hulett were called to Detroit Tuesday afternoon by a message bearing the sad news that Mr. Hulett's brother, Claude, who had been badly burned by a gasoline explosion at their home in North Detroit, when they reached the city they found Mr. and Mrs. Hulett in the hospital suffering from shock.

Fortunately their condition is not serious.

W. H. Elliott was in Saginaw the first of the week.

The Detroit-Milford picnic will be held on June 28, at Belle Isle.

A. B. Ransom and daughter, Miss Ruth Ransom, were Flint visitors on Tuesday.

Mrs. Lauray of Detroit is spending the week with her daughter, Mrs. Wm. Richards.

Mrs. C. A. Bowen and little son of Detroit's spent Monday and Tuesday with Mr. and Mrs. F. S. Neal.

Master Warner Neal has been confined to his home during the past week with an attack of measles.

Mr. and Mrs. Eugene Baker of Toledo and Summer Bash of Huntington, Ind., were over Sunday guests at the home of Milford and G. H. Baker.

Mrs. L. J. Simmons returned home Tuesday after spending ten days with Mrs. A. K. Dolph and other friends.

Mrs. Simmons is a sister of Mrs. Dolph.

Mrs. S. A. Lovewell was hostess to the Sewing club at her home at Silver Lake last Thursday. Luncheon was served and the afternoon was pleasantly passed.

The King's Daughters' picnic at the home of Mrs. Milo Chapman on Tuesday afternoon proved a very enjoyable affair, in spite of the heat. A fine supper was enjoyed and those attending had a good time.

At the last meeting of the Foresters plans were set in motion for the annual picnic, the date of which will be announced later. Plans are being made for a big time. The Northville band has been engaged for the occasion.

The Palladium, the high school annual, made its appearance on Tuesday. It is a very creditable publication and has been well patronized by our citizens. The copies sell for \$1 and they are worth the price asked.

The date for the Northville-Detroit picnic will soon be announced. It is desired that all former residents of Northville who are now residing in the city attend this year. Just tell your Detroit relatives and friends to watch for the announcement of the date.

Mrs. John Truitt invited a few neighbors and friends to meet Rev. and Mrs. Belles and sons, Harold and Donald, on Tuesday evening at her home on Danlap street. The evening was pleasantly passed in conversation. Refreshing punch and wafers were served.

Harold Belles, who graduated from the U. of M. on Monday, has accepted a position with the Standard Accident Insurance Co. of Detroit and will enter upon his duties the first of July. He spent a couple of days in Northville this week and accompanied his parents to Kenton, Ohio, on Thursday for a few days' visit.

Lansing—Five hundred convicts may be employed on Michigan highways this year. The highway committee of the administrative board has decided to use prison labor on state roads. Present plans provide for about 150 convicts on two projects.

\$1,500—"Father Was Right"

That is just what you will say in less than one year from this date.

I am selling five-acre LITTLE FARMS for \$1,500 on time. I again repeat, that in less than one year these same farms or others no better will be selling for \$2,500 in this section on the Northville-Nowi road.

There are only four of these little farms left, so after all are sold prepare to pay the resale prices.

I am, right now, negotiating with the Hannah Realty Co. of Detroit, for sale of the 40 acres near these little farms and you know what that means when they begin to subdivide.

Believe me; you will pay more for a lot than you pay me for an acre.

Get busy—will furnish correct information.

Flint—Dr. Hugh A. Stewart, of Flint, former state senator from Genesee and Livingston counties, has been appointed to the state medical board by Governor Alexander J. Groesbeck.

Ann Arbor—Michigan's production of electricity by water power in April totaled 70,767,000 kilowatt hours, an increase of 4,100,000 over March, according to figures released by the United States Geological survey.

Ann Arbor—The second fatality among students at the University of Michigan as the result of diving into shallow water in Whitmore Lake, near here occurred last week when Charles H. Seitz, of Willoughby, O., died in University Hospital.

Grand Rapids—The forty-first convention of the Michigan State Pharmaceutical Association was held here. More than 100 members of the Michigan Pharmaceutical Traveling Association met with the state convention which was attended by more than 500 delegates.

Flint—State aid in the re-paving of Saginaw street here has been refused. It was announced to the common council by John S. McChine, city engineer. This section of the road was formerly part of the county but now is in the city and the state can not, it was said, aid a corporation of more than 5,000 population.

Lansing—The Old State office building property on Washington street was sold to the United Cigar Stores for \$404,000 by the State Administrative Board. When the property was offered for sale a year ago, the highest bid was only \$203,000, and it was refused. The purchasers intend to erect a 10-story building on this property.

Benton Harbor—Delegates from fruit shipping associations in western Michigan met in Benton Harbor to complete the organization of Michigan Fruit Growers, Inc., a new statewide fruit marketing exchange. Headquarters for the new organization will be opened in Benton Harbor immediately after a central sales agency is established.

East Lansing—Ground for the new Michigan Agricultural college athletic stadium is broken. It is expected that the structure will be ready for use the latter part of the football season this fall. The stadium will have a capacity of about 15,000. The construction work will be done by the state building department. It will consist of five concrete sections on each side of the field, and will cost about \$180,000.

Lansing—The State Administrative Board amended its recent motion authorizing the University of Michigan to proceed with the construction of heating tunnels to include the completion of the University Hospital entrance and sufficient work on the building to make it possible to close it up and heat it this winter. No estimate of the cost was given. The work will be paid for from the 1923-24 appropriation.

Hillsdale—The Rev. W. F. Jerome, former member of the Legislature from this city, will launch his "Episcopal Church on Wheels," on a larger scale whereby he will be able to give his audiences music by radio following his sermons. The "church on wheels" is fitted with radio apparatus. It will receive music each Sunday from St. Paul's Cathedral, Detroit, Bay City, Mackinaw City and St. Ignace will be visited by the church.

Monroe—Only 14 of the 20 men left of the 1,300 stalwarts who enlisted in the Seventh Michigan Volunteers in 1861 were able to attend the thirty-seventh annual reunion of the regiment here. The regiment lost 300 in battles taking part in the storming of Petersburg during the last days of the war when Col. George Lapointe saved the regiment's flag from capture by wrapping it around the body of a wounded soldier who was supposed to be dead. The flag was proudly exhibited to visitors last week.

Wixom Whispers

Ray Thornton of the Rotary Motor Co. have moved to Wixom. A total of about \$1,000 has been raised toward the future erect of a parish house in connection with the Baptist church of this place. The B. P. U. are pushing the project and they would appreciate your help. They need about \$300 more to insure the enterprise being a success.

Wixom has had quite a scarlet fever scare and there have been a number of people afflicted with the disease, but no new cases have developed during the past week or so. People became so much alarmed during the prevalence of the seige that they would not attend church, but about 200 or more people were not afraid of being "exposed" by attending Malcom Brothers' new remodeled show which exhibited here.

Walled Lake Warbles.

The annual commencement exercises of the Walled Lake High school occurred at the school auditorium last evening. The baccalaureate sermon was preached by Rev. H. E. Savies of Plymouth, a former Walled Lake pastor.

At the last meeting of Walled Lake's Rebekah Lodge the following officers were chosen for the ensuing term: Noble Grand, Mrs. Mattie Bullard; vice-grand, Miss Sadie Hopkins; recording secretary, Mrs. Elsie Kent; treasurer, Mrs. Della Coste.

Mrs. Perry Austus died Monday morning, after an illness of about two weeks. Besides her husband she is survived by three sons and four daughters. Funeral services were held on Wednesday afternoon and interment took place in West Salem.

Walled Lake has the proud distinction of having its high school on the accredited list of the University of Michigan. Seidom does a school established but a year receive such distinction.

The home of Mr. and Mrs. Ray E. Parks was the scene of a very pleasant gathering last week, when guests gathered to help them celebrate their fortieth wedding anniversary. Guests were present from a number of surrounding towns and before they took their departure presented Mr. and Mrs. Parks many beautiful gifts.

Rev. C. L. Berry will have an auction sale of household goods at the Baptist parsonage on Saturday afternoon, June 30th, at one o'clock. Mr. and Mrs. Berry expect to leave for Florida soon, hoping that the change will benefit Mrs. Berry's health.

Nearly all the cottages about the lake are now occupied.

NOVI NEWS.

A goodly number Novi Citizens accepted the invitation of the Walled Lake school board and met with them in their new school building at Walled Lake Wednesday, June 13th. All were favorably impressed with the building and equipment, Kindergarten, Domestic Science and Manual Training rooms were all in order as well as the regular school rooms. After some music furnished by the pupils of the school the school board declared their books open and answered all questions asked. The Walled Lake school is on the University list.

All pupils living over one mile from school building are transported direct from their homes. Supt. Upton says the average attendance for the year will exceed 94%. Under the old plan 85% was considered high. The total cost of the building was \$97,869.08. Total cost of operation, including an item of \$1,511 for three years' insurance, was \$22,123.05. And best of all, everybody seemed proud of the building and pleased with the work of the board.

Novi News.

Miss Orril Holmes is home from her hospital work at Kalamazoo.

Mr. and Mrs. Claire Woodruff of Detroit, are spending a few days with Novi friends.

Mr. and Mrs. Edward Koeber of Detroit visited at the home of Mr. and Mrs. Archie Kent, Sunday.

Rev. and Mrs. O. J. Lyon of Detroit and little son are spending their vacation with Mrs. Lyon's parents, Mr. and Mrs. D. Donelson.

The Children's Day exercises at the Baptist church last Sunday were very interesting and well carried out, and the little ones showed the training they had had in preparing for the day. The church was very prettily decorated.

The blue team of the Mission Circle of the Baptist church will have a cake sale at Frank Deer's store on Saturday afternoon, June 23rd. These societies are doing a good work and should be well patronized. When the different societies of the church are trying to do a good thing the people should stand by them and help the good work along. Let's not be "knockers" but "boosters."

There was a large attendance of the Woman's Mission Circle at the pleasant home of Mr. and Mrs. Elmer West last Thursday afternoon and all reported a very pleasant time with a delicious lunch. Mrs. Carrie Crawford, McLean of New York was present and gave an interesting talk on the play and drama, "The Blue Bird," that being her line of work. Mrs. Lizzie Coates was called upon to give a talk on her trip to California and of the wonderful work in the Angeles Temple and other churches in Los Angeles and other places.

The following persons made a very pleasant trip to Adrian Sunday and spent the day with Mr. and Mrs. Perry Taylor: Mr. and Mrs. Glenn Sallow and son, Mr. and Mrs. James Taylor, Mr. and Mrs. Ross Kenner and children, Mrs. Lester Woodruff, Mrs. Lizzie Coates and Mrs. Fred Briggs of Detroit. They drove thru Northville, Plymouth, Cherry Hill, Ypsilanti, Saline, Macomb, Tecumseh, etc. All were favorably impressed with the city of Adrian in most parts, and it has a very large and beautiful cemetery, well kept and one splendid feature of it was the "soldiers' ground," which lies upon a slight incline and the many graves, marked by the headstones flowers and flags, are lined in a semi-circle making a rather unusual but pretty spot in the large grounds, which cover many acres. Another interesting feature of the city is its parking system—lined with white marks for every car and on the same diagonal lines so no one can park their cars any other way but inside these lines, and no mistakes need be made, no excuse for parking a car lengthwise, crosswise or any other old way as in some towns we might mention and not far away either.

Last Wednesday being flower mission day, of the W. C. T. U. quite a company with Mrs. Susie Mairs, Rev. Frank Osborn and Eugene Root as drivers, motored to the home for crippled children east of Farmington, carrying with them nearly 40 bouquets. Previous arrangements had been made by Mrs. Effie Root and the company were welcomed by the very pleasant and sweet nurse, Miss Anderson, who piloted us through the various parts of the institution, the children's play rooms, boys and girls having large separate play rooms, fitted with home comforts, tables, little cozy arm chairs, boxes arranged along the walls for books, writing materials, playthings, etc., and all fitted with covers so they can be used for seats as well. The large airy windows all nicely curtained with over-drapes of heavier material, designed with all kinds of animals to please the eyes of the many little ones. The rooms and beds all were in a beautiful condition and no expense has been spared to make the home what it should be. The upper part of the walls and ceilings are done in ivory with lower part in brown brick and the floor coverings are in brown tiling or marble design. The corridors are all built on an incline plane to do away with the stair climbing bug-bear. One can start from the basement and go to the top floor and out upon the roof where several of the little ones are taken on pleasant days to enjoy the sunshine and fresh air, and not have to go thru the trying ordeal of going up stairs. Special rooms are prepared for any who may be very ill or in need of special care; also large, clean airy rooms for examinations and for the physicians in charge of the home. Drs. Kidnee and Youngs of Detroit, are on the medical staff and much interested in the work. Large porches are provided where the children who are in bed can be moved outside in their beds. When the new part of the building was opened the 9th of May, there were in the old section thirty-two children to be looked after and now the number has reached sixty-three. Any child can be cared for, rich or poor alike, in that splendid home and no charges are made. Competent nurses are in charge, who

have the welfare of the little ones at heart. No need be told this, the children's faces show their love for their nurses. One exceptionally interesting part of the afternoon was when a large number of the children were gathered in the chapel for a short program of the W. C. T. U. and we had the blessed privilege of watching the eager interested faces as we showed them books, cards and pictures brought from California and were permitted to talk to them for a very few moments of places and things we had seen. Many questions were asked and all were much interested and those who were fortunate to have the opportunity to visit the institution felt well repaid in the pleasure it gave the little ones. The grounds which were given by James Couzens of Detroit, cover 47 acres and when all fitted up, will be a delightful place. The home was formerly taken care of in Detroit and known as the Florence Brown VanLeuven home. Those who have an inclination to visit the place will never regret it, after seeing the pleasure it gives the children to receive attention and to know the world is interested in them. At the close of the program and looking at the cards, pictures, etc. the nurses led the children to the pleasant dining room on the first floor (some of course being in their wheel chairs), where we left them at the tables and with happy faces telling us "good bye" and thank you people for coming to see us.

FORD MOTOR COMPANY 20 YEARS OLD LAST SATURDAY.

Twenty years ago last Saturday, June 16th, 1903, the Ford Motor Company was incorporated, and its growth and expansion in the intervening years has been most marvelous, in fact it has been one of the outstanding wonders of the industrial world. Had Mr. Ford desired to have done so he might have had an immense crowd present at the birthday, to assist in its celebration, but where could he have held such a celebration. No city could have accommodated all the Ford car owners, to say nothing of the truck owners, the parts makers, and the countless thousands of employees employed in the various Ford industries. Instead of celebrating the anniversary all plants were operated with "full steam" and more Ford cars and factors were produced in a single day than were sold during the first year of the company's existence.

The company was originally capitalized at \$100,000 with but \$28,000 paid in, and on this amount Mr. Ford held 25%. In 1907 Mr. Ford acquired additional stock until he owned 55% of the company's holdings.

Ford personally presented his car to the public at the very start, by practical demonstration. He quoted the first Ford raced himself and won race after race in all parts of the country. Driving old "99" on an ice track at Baltimore bay, Mich., he was the first to break the mile-a-minute record.

In 1913, Mr. Ford set a new standard for the industrial world, when he announced his now famous \$5 a day minimum wage and the \$10,000,000 profit-sharing plan, a move that gained him international fame.

Many will remember, too a year or so later, when announcement was made that if sales went to a certain figure every Ford purchaser would receive a rebate. The sales passed the figure and checks went out by the hundreds of thousands.

VETERINARY MEN TO STUDY ANIMAL ILLS.

Ills and ailments of Michigan's livestock and poultry will be up for discussion before the forty-first annual meeting of the state Veterinary Medical association, to be held at the Michigan Agricultural college from June 26 to 28. Several hundred of the leading practitioners of the state will gather at this year's conference, according to Dr. R. A. Runnels of East Lansing, secretary of the association.

Results of recent experimental and research work in connection with the more serious diseases among Michigan's livestock will be presented at the meeting by specialists from the M. A. C. staff, and by practitioners from this and other states. The three-day program is filled with numbers which are reported as already attracting major attention from agricultural interests.

Various entertainment features, and a special program for the ladies who "come along with the doctor," are also scheduled.

Officers of the association during the last year, who will preside at the coming conference are: President, Dr. J. E. Wurm of Pigeon; first vice-president, Dr. B. J. Killham, Lansing; second vice-president, Dr. H. P. Hopkins, Detroit; third vice-president, Dr. G. W. Cronkite, Saginaw; and secretary-treasurer, Dr. R. A. Runnels, East Lansing.

Milford—The body of John Stohart, 89-year-old farmer, who has lived on his farm five miles west of here for the last 70 years, was found in his garden Wednesday, where he had apparently died suddenly as a result of apoplexy, while at work.

EXCHANGE CLUB PLAYED GOLF.

It has been said that when one has been "stung" by the golf bug he never fully recovers from the "malady" which the "sting" produces. If that is true there are a lot of fellows in Northville who will soon become golf fiends, because about twenty members of the Exchange club became "infected" at the links of the Northville Golf club on the Seven Mile road on Monday afternoon. C. D. Kilgour, a member of the golf club, arranged for the outing and working in harmony with the management he left nothing undone that could have added to the enjoyment of his fellow Exchange members. After playing a round of golf the "experts" and the novices enjoyed an "alfalfa rub and shower" in the oar and presented themselves at the "pinner door" of the dining room where they "fed off" to a bountiful dinner. At the conclusion of the feast, Fred C. A. Dolph, called upon a number of those present for some remarks. Dr. Nelson told how to "desect" a golf course; R. R. Brown gave his companions some "light" on the fine points of the game; Dr. Alexander told how he "filled" his score card with small figures; C. W. Wilber explained how he "banked" with a bunker; D. P. Yerkes, Jr. explained the difference of "piling lumber" and "piling up a large score" at golf; J. A. Hunt explained the different kinds of "hardware" found on a golf course; N. C. Schindler explained he "engaged" the golf balls "make them go" is lying in the long drives. Plans for the summer meetings of the club were discussed and they will be announced later. The outing proved a most delightful one and the members of the Exchange club will have the pleasure of a luncheon at the Meadowbrook club some time in July through the efforts of R. R. Brown. The afternoon will be spent on the greens.

TO HAVE AUTOMOBILE PARADE.

There will be a parade of decorated automobiles at Northville's Fourth of July celebration and it is the desire of the committee having the matter in charge that all take part. E. L. Smith, chairman of the committee, on parade and the committee has decided to offer three prizes in two classes—four car class, first prize, \$5; second prize, \$10; third prize, \$5; truck or commercial car class, first prize, \$15; second prize, \$10; third prize, \$5.

For the best decorated Dodge car L. N. Weisner will give one \$24 tire, for the best decorated Essex car A. Zimmer will give a \$10 spot light, D. B. Dunn will give a spot light for the best decorated Ford car, the Plymouth Buick Sales Co. will give guide light, motor meter and cap, value \$16, for the best decorated Buick, the Chambers Auto Sales of Plymouth will give a guide light, motor meter and cap for the best decorated Wylie-Knight, Studebaker or Overland car.

Charles W. Hills will give a spot light for best decorated Oakland, The Allison-Bachelor Motor Co. will give a \$30 3/4 tire for best decorated Chevrolet, Rathbun & Hillmer will give an automatic windshield wiper for the best decorated Paige or Jewett.

Other special prizes will be given also.

The parade will form at one o'clock and after passing through the business section of the village will proceed to the fair grounds where ranks will be broken.

DIES FROM INJURIES RECEIVED IN RUNAWAY.

Walter Avey, a resident of this village, met his death last Friday while employed on the Brookhurst Farm near Farmington as a result of injuries received in a runaway. He was working in the field with a team and wagon and in some way while on the loaded wagon lost the reins and in his effort to recover them he lost his balance and fell off the front end of the vehicle. As he fell the horses became frightened and started to run. One of the rear wheels of the wagon passed over his chest, crushing him so badly that death claimed him within a short time.

The remains of the unfortunate man were brought to his home in Northville by Schrader Brothers and were prepared for burial. Funeral services were held from his home on Monday afternoon, being conducted by Rev. William Richards. Burial took place in Rural Hill.

Mr. Avey was born in England and was past 55 years of age. He is survived by his wife and two children. One son died of the flu about three years ago. He was a kind and considerate husband and father and a generous neighbor. His tragic death was a great shock to his many friends in this section.

STATE FAIR ENGAGES MANY ATTRACTIONS.

Free public attractions costing the management \$50,000, were promised by George W. Dickinson, secretary-manager of the Michigan State Fair, last Saturday, in announcing the 1923 exhibition which will be held from August 31 to September 9. The State Fair property now is valued at \$5,000,000.

The attractions will be in or on the double race track, and may be viewed from the side lines. A charge is made for the grand stand.

The attractions include automobile and horse races. The famous trotter Peter Manning, driven by Thomas W. Murphy, will attempt to beat the Michigan State trotting record of 1:59 3/4.

One spectacular feature will be a series of balloon and parachute races, in which aeronauts leap from balloons and face to the ground. The trick is to keep the parachute closed to the danger line and let it open.

The fire works display will cost \$10,000 and will depict the burning of Smyrna.

The Ninety-first Highlanders will be among several popular bands.

Miss Vera Lovewell of South Lyon, has received an appointment as superintendent of a community house on West Division street, Chicago, which post she will assume on September 1. The institution is one of fifteen of the kind maintained by the Extension Board of the Presbyterian Church. Miss Lovewell is a U. of M. graduate and has had considerable experience in Red Cross and social service work. Plymouth Mail.

Funeral services for Fred Witt, formerly of Nov township, who died at Eloise, were held from Schrader Brothers' funeral chapel yesterday afternoon. Burial took place at Novi cemetery.
