Admission, 10c, 20c and 25c.

HENRY GARFIELD'S PLACE RAIDED—SUNDAY NIGHT.

In view of all the circumstances surrounding the death of Robert Lanning it was decided by the sheriff's forces to make a search of the premises of Henry Garfield Sunday afternoon in order that it might be ascertained if there could be any connection between the stuff that was being sold at the Garfield place and that which caused Lanning's death. Chief Deputy McLeod, Deputy Hardy, Deputy Revley and Deputy W. H. Safford visited the premises and made a search and their efforts were rewarded by the finding of a quantity of whiskey and a bottle of beer and two small drinking glasses. The whiskey was kept in beer bottles and patent medicine bottles, and the supply was hidden under the back steps. Garfield was placed under arrest and taken to the county jail. The supply of liquor was also taken by the officers and it will be analyzed by the county chemist.

That the investigation might be carried further and the cause of Mr. Lanning's death might be determined, if possible, Dr. Dix of the county coroner's office came to the village Monday afternoon and in the presence of Deputy Sheriff Sanford, N. C. Schrader and Ray Caisterline held an autopsy over the remains. The stomach and its contents were taken to the coroner's office for analysis. When reports have been received from the county chemist an inquest will be held, and this may take place before Justice Baker today or within a few days.

Under recent interpretations of the laws it is difficult to secure evidence that will warrant the issuance of a search warrant, and the sheriff's force has been frequently unjustly criticized for not being more active in some quarters. At the very first opportunity no time was lost in making a raid on the Garfield place with the result as mentioned above. The officers who made the visit are to be commended for the thoroughness with which they did their work.

NORTHVILLE SCORES 1923 FORESTER'S STATE CONVENTION.

At the convention of the Michigan Grand Council of Foresters of America held at Calumet last week, it was unanimously voted to hold the convention for 1925 in Northville. Lester Stage, Sr., who served as grand warden for the past two years was advanced to the office of grand lecturer and his wide acquaintance among the Foresters of Michigan was a great help in securing the meeting for this village. The delegates who represented Court Northville were Roy Cramer, L. Lanning and J. McCheever returned home Friday and they report a very harmonious and successful meeting.

The securing of the meeting for this village is a distinct honor for Court Northville and for the whole community. In the plans for the 1923 convention Northville people will be asked to co-operate and to assist the local Foresters' committee in providing proper entertainment for the delegates and visitors who will be attracted here.

To Roy Cramer was extended the honor of having won first place in the membership contest and he was presented with a handsome gold watch, suitably engraved with the Foresters emblem. Mr. Cramer secured 46 members in the past two years, and this handsome gift is a worthy recognition of his interest in the order.

STOCK SPECIALIST TO ADDRESS BOYS.

Nevels Pierson of Lansing, assistant state leader of boys' clubs, and livestock specialist at M. A. C., will spend July in Oakland county to train the county's livestock judging teams for the annual state fair competitions. It was announced today by George H. Kimball, Jr., county leader of boys' clubs.

Last year two Oakland county livestock judging teams entered the State Fair competitions, and one of them was successful and was sent to the National Dairy show where members of the team made high scores in the national competition.—Pontiac Press.

RACES FOR THE FOURTH.

Those who enjoy horse racing will find the program for next Wednesday afternoon an interesting one. There will be three events, three-quarter mile heats, and Harry C. Robinson of Plymouth will officiate at starting judge. There will be a 2:24 pace, a 2:22 trot and a free-for-all trot or pace.

There are a large number of horses at the Northville track training for the season and from among the number there will be a lot of entries for these three events.

NEXT WEEK TO BE A BUSY ONE HERE

Plans for Northville's Fourth of July celebration and made-in-Northville week are being perfected this week and everything points to a busy and interesting time. A big tent, perhaps two of them, will be erected on North Center street next Monday in which the various exhibits of local industries will be displayed and the public may expect some very attractive booths. Space has been engaged by the Northville Milling Co., the Globe Furniture Co., the American Bell & Foundry Co., the Superior Chair & Manufacturing Co., the Simpson Scale & Electric Co., the Ford Motor Co., the Deep Springs Water Co., the Detroit Municipal Sanatorium, C. R. Elv. F. Benedict & Sons, Howard Cole, the Northville Chemical Co., W. H. Elliott & Son, W. A. Parnell, Secord & Gerbstadt, S. Sassauna, J. A. Black while others are expected to contribute something toward the display, which will be a revelation to Northville people. But few towns can make a more extensive or more diversified display of manufactured products than will be shown under the big tent next week.

The display will be open afternoons and evenings during the week and all day and evening on the Fourth, affording those who come to Northville to celebrate an opportunity to "know Northville".

The Empire Amusement Enterprises will open here Monday night with a merry-go-round and Ferris wheel and other attractions to please both young and old and they will remain during the week.

On the Fourth there will be a program of street sports during the forenoon hours and the committee promises something new and novel, among the "stunts" being a water battle between members of the fire department. There will be the usual races greased pole and a greased pig and events enough so all may take part in the fun.

At one o'clock the automobile parade will form and this will, doubtless, surpass any previous effort along this line in Northville. Liberal cash and many special prizes have been "hung up" for this attraction. The procession will disband at the fair grounds.

There will be three racing events at the fair grounds in the afternoon and a ball game between the Northville Foresters and the leaders in the Masonic ball league of Detroit—a team representing Friendship Lodge. This ought to be one of the best games of the season.

For the races there will be a good field of starters and \$100 is being offered in each of the three classes. Harry C. Robinson of Plymouth will officiate as starting judge. There are 35 horses now at the fair grounds and from that number there will be a good field chosen for each race.

Then comes the free dance on the pavement in the evening. Do you remember the dance we had last year and then the one we had on the last day of the fair two years ago? Well, if you do not remember them ask some of your friends who were present to enjoy the fun. The streets will be roped off and there will be good music and plenty of room for all.

The program for the week is big enough so every citizen can feel that he or she has a part to play in making the enterprise a success. Let me one stand back and knock, for there is room enough for all to serve the community in some capacity, and if the affair proves a success, as it surely will, there will be credit enough for all.

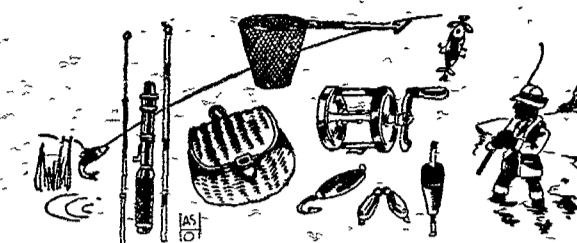

The Northville municipal band has been engaged for the day and evening and they will give concerts and furnish music for the dance at night.

CITIZENS ASKED TO DECORATE FOR THE FOURTH.

The citizens of Northville are urged to decorate their places of business and their residences all next week, in celebration of "Made-in-Northville week" and the Fourth. The committee on decoration has made some extensive plans and if the citizens co-operate we shall have a very attractive business section.

Use flags and bunting and let them remain out all the week.

Mr. and Mrs. C. M. Lamb of Ann Arbor, who recently purchased a new residence in Orchard Heights from E. C. Langford, were Northville visitors the first of the week. They expect to come here to reside about September 1st.

M. A. C. FARMER'S DAY BOOKED FOR JULY 27.

The sixth annual Summer Farmers' Day at the Michigan Agricultural college will be held on Friday, July 27, this year, according to announcement made this week by E. B. Hill, assistant dean of agriculture at the college and chairman of the farmers' day committee.

More than 5,000 farmers and their families gathered on the college campus for the big conclave in 1922, and plans are being made to care for an even-larger crowd this summer.

In 1918, a special conference of state farmers was called at M. A. C. during the summer to discuss problems arising in connection with wartime wheat crops. The following year, a similar gathering was called to plan state problems for soil experimental and test work. So much interest was shown in these meetings that it was decided to hold an annual conference at which timely subjects connected with all branches of agriculture would be taken up for consideration, along with inspection of the extensive experimental plots on the college farm.

While details of this year's program are not complete, it is understood that two or three of the country's leading authorities on agricultural matters will appear on the platform at the big afternoon open air meeting. Band concerts, picnic lunches, special conferences, and exhibits will feature the meeting, as in past years.

The Summer Farmers' Day is rivalled in importance only by the annual Farmers' Week, held at M. A. C. in the winter, among the state's general agricultural meetings.

YOU ARE INVITED

To celebrate the glorious Fourth next Wednesday at Northville. There will be a program of street sports and a band concert in the forenoon. At one o'clock there will be a parade of automobiles and liberal prizes are being offered for the best decorated cars and trucks or commercial cars. The parade will disband at the fair grounds, where three racing events and a ball game will take place. There are 35 horses now being trained on the Northville track and a good field of starters may be looked for. In the evening there will be a grand free street dance with music by the Northville band. The street will be roped off and plenty of room provided for dancing. This has proven a very enjoyable feature in years past.

Under a large tent there will be a free exhibition of articles made in Northville and this will prove a very interesting feature.

Come early and stay as late as you like. Northville people always give their guests a good time.

Grand Rapids—Arrangements for holding the annual meeting of the Red Arrow Division here September 5 to 7 are completed, with Howard F. Baxter as chairman. Maj. Jesse W. Clark has been named personal representative of Brig.-Gen. Guy M. Wilson of Flint.

Wants to Share His Joy.

The man who, after passing you by for ten years, suddenly greets you by our name hasn't been reading an editorial on courtesy. He has just been nominated for something—New York Tribune.

PROGRESSIVE CLUB PRESENTS FACTS AND FIGURES.

As members of the Novi Progressive Club, we feel that some of the statements attributed to Mr. C. C. Yerkes, in the Pontiac Press of June 20, 1923, should be corrected.

This new school movement did not originate with The Commercial Club, or any other club, but did originate as we understand it, at a joint meeting of the school officers of the school of the township, called by school officers to take over the needs of the schools.

Novi's tax rate in 1922 for all purposes (not including road work which is usually worked out) was \$20.65 per thousand.

Mr. Yerkes' article would lead us to think that a tax rate of \$30 per thousand would be necessary under the proposed plan. Let us go into the matter a little. First, he cannot successfully contradict the fact that an average tax rate of \$6.77 per thousand would be sufficient to retire the \$155,000 bond issue, in 15 years at 4%.

That being settled, if we deduct the \$6.77 per thousand from this \$30 tax and set it aside to care for bonds and interest we would have left \$23.23 per thousand with which to run the \$20,000 in other words towards maintaining our school of \$155,000 by this rate of \$23.23, gives us \$1,790, for running expenses. To end this fund we would receive from the state \$450 for each bus used, and we used five of them we would receive \$2,250 also state aid amounting to \$2,000 and primary money which this year was \$3,357. In other words we would receive without tax the sum of \$6,357.

This added to the \$23,500 mentioned above gives us under the \$30 per thousand plan the immense sum of \$49,847 to be used to run the school. This, remember, is aside from the sum we set apart to take care of bonds and interest.

This club issued a little leaflet which has been circulated, in which is given an itemized estimate on cost of running the proposed school, the amount being \$21,500 aside from the amount needed for bonds and interest. You will readily see that this \$30 proposition gives us nearly two and one-half times as much as we estimated. This \$25 or \$30 proposition has gained considerable publicity, and we think the author or authors of it should in all fairness to the voters (whom they are so anxious to safeguard from any misapprehension) come out openly and state to all of us just where and how approximately \$55,000 can best be used for maintenance only. It appears to us that this \$25 or \$30 tax (there is a scare here) is simple and easy to work in a few cases, but an eighth grader who can multiply and divide, and who has a fair degree of plain, ordinary common sense, will not be misled by any such calamity stuff.

He also implies that Novi desires to draw heavily in Northville township. As a matter of fact, only a small portion of our district was located in Northville from which we drew \$123.97 in 1922, while we paid in taxes and mill tax in two districts where school houses are located in Northville township the sum of \$156.978.

THE NOVI PROGRESSIVE CLUB
Advertisement.

A CORRECTION.

In the circular issued by this club relative to the costs of consolidated schools, and which article appeared in The Record last week, there was an error which we desire to correct. In basing our estimate of the cost of transporting the pupils to and from the school we used the figures "500" instead of "200," which more nearly represents the number of children attending. Upon that basis we still maintain that \$6,500 will pay the cost of transporting the pupils.

Realizing an Ideal.

Who says poets never realize their ideals? Maxwell Anderson has bought a waterfall 3 feet high up in Rockland county and every sunrise he sits in the pearly pool at its foot and lets the Hackensack river pour over him.—New York Evening World.

Novi will either have to build one large school, or several small ones before long. We could replace all of our old district school buildings with new ones, and still have no better system of education. Remember that even district schools built now must meet with state requirements, and would cost a great deal more to build than some people realize, or are willing to admit. If you favor better schools, vote for George R. Simmons and James N. Erwin.

Community Chautauqua

JULY 11, 12, 13

Two Programs Daily—Afternoon and Evening

First Day—The Emerson Winters Co. will furnish music and entertainment of a high order, and in addition they will present a splendid one-act play, "Happiness Through Sacrifice," a charming story well acted, which will appeal to every one. In the evening following the musical prelude by the Winters Company, G. E. Weaver, cartoonist and crayon artist, will present a program of sketches.

Second Day—The Four Thrasher Sisters, an orchestral quartet, composed of four members of the same musical family, will give the full afternoon program and the evening prelude. They have been very popular on Chautauqua programs for a number of seasons. Dr. Alexander Cairns will be the speaker of the evening and he has a personality and a style exclusively his own.

Third Day—The Melody Masters, composed of three gentlemen who are artists in their particular lines, will present the musical program for the afternoon and the evening prelude. Dr. C. C. Mitchell, author and lecturer, will deliver his popular lecture "The Millionaire of Uz" in the evening. The lecture is unique and exceedingly interesting—full of humor, sense and vision.

BOSTON COMMON

Boston was founded in 1630 and Boston Common, distinctive and unique among municipal parks or open-air gathering places has been in existence from the very beginning of the community having been set aside in 1634 as a "place for a training field as well as for the feeding of cattle."

The Common occupies approximately fifty acres. In the early days the Charles river bordered on one side. At its highest point stands the Army and Navy monument to the men of Boston who died for their country on land and sea in the war which kept the Union whole, destroyed slavery and maintained the Constitution, occupying the site upon which the British erected a redoubt during the siege of the city in Revolutionary war times. The present pool is of artificial origin. A gigantic elm tree that was old when the Common was laid out, from the limbs of which executions are said to have taken place in early times, was a feature of the landscape until blown down by a storm in 1876.

To remain a fixed institution in progressive America for practically three centuries is an accomplishment extraordinary, yet here is a park—the Common, which has been a common in reality as well as in name since 1634. Its walks and lawns have been enjoyed by rich and poor, old and young, not only by Bostonians, but by citizens of every state in this Union as well as by citizens of practically every country on the face of the earth.

Despite the growth of the town and the pressure to commercialize large open spaces adjacent to the business part of the town, no street car lines have been permitted to encroach on the Common, neither has its size been reduced—the law of 1840 which declares that "There shall be no land granted either for house plots or garden out of ground of common field," having been strictly complied with.

Pleasingly rolling hill and slope—probably no other open space in America is in more general use, due unquestionably to the large population which resides within reasonable walking distance plus the fact that it is "right here in the center of things and does not need going to."

(© 1922, Western Newspaper Union.)

Celebrate at Northville next Wednesday

—Advt

There will be a ball game, horse racing, street sports, and a big free street dance in the evening at Northville next Wednesday—July 4th.

(© 1922, Western Newspaper Union.)

COMMISSIONER'S NOTICE

In the matter of the estate of JUCY J. GERMAN, deceased, of

I, the undersigned, having been appointed by the probate court for the county of Wayne, state of Michigan, Commissioner, to receive, examine and adjust all claims and demands of all persons against said deceased, do hereby give notice that I will meet at the Laramie State Savings Bank, Northville, Mich., in said county, on Wednesday, the 5th day of August A. D. 1923, and on Monday, the 15th day of October A. D. 1923, at 11:00 o'clock A. M. of each of said days, for the purpose of examining and allowing said claims, and that four months from June 15th, A. D. 1923, were allowed by said court for creditors to present their claims to me or examine them and allowances.

Dated June 15th, 1923.

LEWIS MILLER
Cobblers over

STATE OF MICHIGAN, County of Wayne, ss. At a session of the Probate court for said county of Wayne, held at the Probate court room in the City of Detroit, on the twentieth day of June in the year one thousand nine hundred and twenty-three.

Present, Henry S. Hubert, Judge of Probate.

In the matter of the estate of OLIVER R. SLOAN, deceased.

On reading and filing the petition of Marvin H. Sloan praying that administration of said estate be granted to him or some other suitable person.

It is ordered, that the twenty-fifth day of July next, at ten o'clock in the forenoon, at said court room be appointed a hearing said petition.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing in the Northville Record a newspaper printed and circulating in said county of Wayne

(A true copy).

**TO DEMAND NEW
DISARM MEETING****CONGRESS ALARMED BY EU-
ROPE'S AIRCRAFT, SUBMARINE
PROGRAMS****DETERMINED TO BLOCK NEW WAR****French Attitude Chief Obstacle to
New Parley—Britain Is Ready.**

Washington—With France and Great Britain engaged in a quiet but nevertheless intense race for supremacy in the air, the sixty eighth congress, which convenes next December, is going to demand that President Harding inaugurate another world arms conference to do what the Washington conference failed to do—limit the production of aircraft and submarines.

Something will have to be done soon or the next war will bring a conflict so horrible that the horrors of the last war will seem pale by comparison.

Aeroplanes and gas were in their infancy during the last war and see what havoc they did with all the advance that has been made in the last few years in the development of these terrible weapons.

The next conflict may see whole races wiped out and civilization itself destroyed.

Both President Harding and Secretary Hughes favor another conference of principals, although they believe there has never been a time since the Washington conference closed when another would have stood any chance of success.

France has not yet ratified the Washington conference treaties, although more than a year has elapsed since they were placed before the French parliament. There is keen resentment in Washington over failure of the French to ratify.

That Great Britain would subscribe to a new arms conference is regarded here as assured.

British government officials are keenly concerned over the French air and submarine program, and the uneasiness has been brought to the surface frequently of late in parliamentary debate.

No such assurance exists, however, with respect to the French. It was due to France that the Washington conference failed to limit submarines—the fact that promoted considerable ill-feeling between the French and British governments.

Whether France, now engaged upon a comprehensive air and submarine program, would consent to enter a limitation conference is doubtful according to government officials in a position to know. Certainly, it was said Saturday, the policy of the French in the last year has not been conducive to much hope in that direction.

U. OF M. PRESENTED LIBRARY

One of World's Greatest—Tells History of Nation.

An Arbor—The Middle West has been made richer by the presentation to the University of Michigan of the William L. Clements Library of American Historical Source Material. It contains books, pamphlets, maps, and newspapers dating back to the time of Columbus, is the only collection of its kind between the Atlantic and Pacific oceans and is one of the foremost collections in the world.

Its value and importance to the Middle West can be better realized when it is understood that no future American historian can write with authority without coming to Ann Arbor to study in the Clements Library.

This great collection, housed in a temple-like structure of white sandstone or Italian Renaissance design standing just off the president's house on the campus, is the gift to the university of William L. Clements of Bay City, regent of the university and alumnus of the class of 1873.

Its collection is the work of 20 years and the scholars are hopeful to see a monetary value on it if it is sold, but could not be duplicated for \$1,000,000 and some of its material cannot be replaced at any price.

The Northville Record.
E. E. BROWN, Publisher

An independent newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., JUNE 29, 1923

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897 for the week corresponding to this week.

Mrs. Dell Kennedy is visiting her parents at Brighton.

Miss Minnie Fendt of Farmington spent Sunday with her sister, Bertha W. P. Draper and wife of Milan visited Mr. and Mrs. James Taylor, Sunday.

Under Doctor Johnson's care Edward Whitaker is much improved in health.

Mrs. A. W. Root will soon leave for Vernon, Ohio, to visit her daughter, Mrs. J. R. Doell.

Mrs. George Smitherman was called to Lexington last week by the death of her mother.

Misses Mable Crawford and Lillie Woofson of Millford were guests of Mrs. R. C. Yerkes, Tuesday.

Comrades Taylor, Wad, Hamilton, Brigham, Webster, Houk and Nixon attended the state G. A. R. reunion at Port Huron last week.

The Fourth of July celebration arrangements are going blithely along. Big prizes will be offered for bicycle races, and various sports.

To the already finely equipped Record Printer plant has just been added one of the latest improved Babcock printing presses.

Walter A. Wood of Detroit attempted to kill himself one day last week but was unsuccessful. Mr. Wood, who is a veteran formerly lived in this village.

The Methodist choir, with a party of invited friends, gave a picnic at Wall Lake, Tuesday, in honor of Miss Jessie Hurton, one of the 1923 graduates, who soon leaves for her home at Flint.

Mrs. Albert Tradenburgh and daughter have returned from Stockton, Calif. The former's brother L. B. Flint, passed away June 7 at that city. Mr. Flint was born at Novi and moved to Iowa in 1882.

The following pupils will graduate this week from the Eighth grade: Nellie Thomas, Wahl, Freeman, Luke Nash, Jessie White, Jessie Cooper, David Clarkson, Fred Rasch, Paul Dubuar, Lee Becker, Louise Joslin, Clara Johnson, Lena Whitchead, Gertrude Wilkinson, Gladwin, Everett Arthur Mahon, Amrit Wilson, Elmore Wilson, Maude Stanley.

Jane and the sweet girl graduates are twin girls again. This year the Northville school celebrates its 32nd annual commencement by graduating the largest class fifteen in the history of the school.

In the class are eight boys and seven girls: Virgil McNeat, Alie Capell, Louis Reut, Willard Dolph, Ralph Penney, Clinton Covert, Bert Northrop, Bruce Babcock, Nabel Cia Fong, Max Colgren, Grace Porter, May Porter, Bertha Van Zile, Ada Wolfe, Jessie Hurton. After the exercises next Saturday evening, the class will be given a banquet by the Juniors at the home of Miss Grace Parker.

METHODIST CHURCH NOTES.

In our Sunday morning worship our meditation will be "An Honest Week's Work," at 10:30. There was no quarrel between capital and labor but a peaceful condition as God meant it to be.

Our Sunday school at 12:00, noon No. 80th Street during the summer months.

The evening service at 7:30 will be short, bright and helpful.

No mid-week service next week.

PRESBYTERIAN CHURCH NOTES.

Your home is no more comfortable than this church these delightful Sundays. Why not plan to attend services next Sunday? You will enjoy the sermons by Dr. Jaquess and the fellowship extended by your neighbors and friends. There will be special music and you are assured a hearty welcome. Come, you need the church and the church needs you.

BAPTIST CHURCH NOTES.

Thanks to C. B. Turnbull and others for the loan of electric fans that made the church comfortable last Sunday evening.

A church full of folks enjoyed the surprises on the screen last Sunday night. Any one would be surprised to see an eight or ten foot picture of themselves thus displayed.

Two of our young ladies were baptized after the Children's day services last Sunday evening. This was the first time the new baptismal has been used. These young ladies will receive the right hand of fellowship next Sunday morning. All are invited to witness this ceremony.

Sacrament of the Lord's supper will be observed Sunday morning.

The prayer meetings are increasing in attendance and interest. The old religion is presented in an attractive and novel way.

CHILDREN'S DAY AND COMMUNITY BUILDING BOOST AT BAPTIST CHURCH SUNDAY.

Children's Day was observed at the Baptist church Sunday evening with appropriate exercises by the young people. There was some very interesting snap shot pictures shown on the screen, in nearly life-size effect, of various members of the Sunday school, including one of Deacon Wm. White, taken when he was a mere boy-baby. At the conclusion of the exercises Pastor MacRae made a plea for the assistance of all interested in church work, and the benefit of the town, to help boost in the drive for funds for the completion of the new community building which is soon to be commenced on the north side of the church. This new building, the pastor explained, would be built with the idea of a place for entertainment and recreation for both old and young and would be so arranged that it would be accessible at all times for all those interested in the welfare of the young people and the community in general.

TWO BOYS STRUCK BY LIGHTNING.

Last Friday afternoon Donald Reed and his younger brother went to the Ford pond to fish for frogs and during the storm found themselves under a large tree near the old mill race. A lightning bolt struck the tree and the boys were knocked insensible. The younger of the two boys regained consciousness and rushed to his home, informing his mother that Donald had been killed. Mrs. Reed immediately began a search for the unfortunate boy and soon found him lying on the ground under the tree where he had been struck. He was taken to the home of Dr. E. B. Carroll and a physician summoned and it was until late in the afternoon that he regained consciousness. He was burned about the head and face by the fluid.

The residence of Mrs. Mae Lanning in Novi Center street was struck during the height of the storm and slightly damaged. During Thursday night's storm a log was killed on the V. R. Seeley farm and another suffered a similar fate on Friday afternoon. There was a crash after a crash that made things pretty lively.

E. L. Larned was in Battle Creek last week where he attended the commencement exercises of the schools of that city, his grandson, Berle E. Larned being a member of the graduating class.

BAKE SALE SATURDAY.

The ladies of the Methodist church will hold a bake sale at F. W. Lykes store on Saturday, commencing at 10:30. Supply your needs for Sunday.

50wpc

Special thanks to Rev. Mr. Richards for his kind and consoling words. Mrs. Walter Avery and Family.

Gold Not All From Gold Mines. A large part of the gold produced in the United States comes from by-products in copper and lead mines.

President Harding's Opinion.

In every speech he has delivered thus far Mr. Harding has mentioned, not casually but with emphasis, his conviction that what America and the world needs is good old-fashioned Christianity. —Flint Daily Journal.

This is the kind of religion you will hear preached in the

BAPTIST CHURCH

Hear two good old-fashioned sermons next Sunday. The subject of the morning one will be

"Dead and Living Christians"

The text of this sermon is a true story. "All must find Christ in the same way." Do you know the way?

Good Music at Both Services**LOCAL**

The King's Daughters are in need of a baby buggy. Will some one who has one kindly supply the need?

Mr. and Mrs. A. E. Fuller and Mrs. Leo Lawrence attended a meeting of the O. D. S. at Windsor Monday night.

Mrs. Maude Bennett returned home from Detroit Tuesday, after having undergone an operation at St. Joseph's hospital.

Nest week Thursday evening will occur the regular DeMolay meeting, at which time several candidates will be received into the order.

Miss Bernice Henry, who has attended Alma college for the past year, returned home Monday. After the college closed she joined some friends and enjoyed a motor trip to St. Ignace and return.

Mesdames Roy Larkins and Ivan Dickerson have purchased the C. O. Thorsen property on Cadiz street. Mr. and Mrs. Thomas expect to spend the remainder of the summer in northern Michigan and next winter in Florida.

The Lady Maccaes picnic has been postponed until further notice. Past Commander Leah Green will make a report on the convention held at South Bend on the regular meeting night, Monday, July 2nd.

The attention of our readers is called to the statements of Northville's two banks which appear in today's paper. The Lapham State Savings Bank has passed the million mark in resources the total being \$1,027,298.53 and the Northville State Savings Bank amounts to \$750,395.58, making a combined total of \$1,778,394.41.

Mr. and Mrs. T. E. Murdoch, Mr. and Mrs. Starr-Herrick and son, and Mr. and Mrs. Boyd Baileys moved to Adrian Sunday and took dinner with relatives. In the afternoon the company was joined by their Adrian friends and all drove to Wampler's lake, where supper was enjoyed.

The Northville Alumni association was most fortunate in being able to secure James Schemerhorn of Detroit for the speaker at the annual banquet this evening. He is in great demand with Chambers of Commerce and other civic organizations over the country. An orchestra of nine pieces will furnish music at the feast.

Mrs. J. A. Springer, nee Pearl Green, died in Detroit Tuesday night, where she was taken Monday for an operation. The remains were brought to her home in this village Wednesday in Schrader Brothers' ambulance. Besides her husband she leaves five children. Funeral services were held at the Presbyterian church yesterday afternoon.

County Agent Ralph Carr of Dearborn, accompanied by Mr. Weston of the Agricultural college, visited this section of the county on Wednesday and were luncheon guests of the Exchange club. They were visiting potato growers with the idea of getting as large a number as possible interested in the proper method of spraying.

Mrs. E. A. Kohler has the honor of assisting in the work of conferring the degree upon the first class of candidates at Park Corinthian Chapter, O. E. S., No. 401, at Highland Park, on Monday evening. A number of grand officers were present. Mrs. Kohler's brother, Charles R. Merrill, is a worthy patron of the chapter. There were ten candidates and a fine time was had.

Messrs. and Mesdames Lester Stage, Sr., and George Hicks returned home Tuesday night from their motor trip to Calumet and other points in the upper peninsula of Michigan. They made the journey by way of Chicago and Wisconsin and returned via the Straits, driving down the east shore of Michigan. The gentlemen attended the Grand Court meeting of the Foresters and after the convention closed the party motored over the peninsula, visiting a number of cities and towns.

We have found that this kind of service is appreciated by the public and we shall be glad to include you in our growing family of satisfied customers.

FRESH FRUITS and VEGETABLES.

A. BECKMAN**STATE NEWS IN BRIEF****LIQUOR SHIPS SEIZURE LOOMS**

MEDICINAL CLAIMS ONLY HAVE BLOCKED OUTRIGHT CONFISCATION.

MINISTER BALDWIN UP HOLDS U.S.

British Law Does Not Tolerate Even Temporary Presence of Unlawful Liquor.

Washington—If foreign ships should persist in bringing liquor for beverage purposes on the high seas within American territorial waters they will raise the question of confiscation of the vessels as well as the liquor, administration officials intimated Monday.

So far, says the prohibition unit, the treasury department has not insisted upon the seizure of the foreign ships that have brought liquors into American territorial waters for two principal reasons. These reasons are:

1. The question involved concerns the liquors, whether they may be claimed by the foreign vessels, be used for medicinal purposes, and they are brought into our waters with an avowed purpose to test that question legally, and for this purpose the presence of the subject matter of dispute only, to wit, the liquor, is required.

2. For the reasons of delicacy involved, it being the purpose of the department to proceed in as unobtrusive manner as is consistent with a proper enforcement of the law, and thus avoid complications that might possibly be of a serious nature.

As a result of the test the foreign ship lines will learn how much liquor they may bring across the three-mile limit for medicinal purposes. Then if they bring in liquor in excess of the amount for medicinal purposes their ships will be liable to confiscation in addition to the contraband liquor.

Although the public outcry in England against American interference with ship liquor supplies is loud and indignant, any protest or rebuke by the British government would occasion great surprise here, particularly in view of Prime Minister Baldwin's statement in the house of commons that British official media confer no immunity upon any article brought by a British ship within American territorial waters and the disclosure that the British government itself does not tolerate even the temporary presence of liquor of an unlawful status within British territorial waters.

Administration officials called attention to this case, which was decided on June 8, to demonstrate that the United States deals with liquor unlawfully brought within territorial waters no more severely than does the British government.

MANY ARE INJURED IN WRECKS

Seven Dead in "L" Plunge—Interurban Jumps Track.

New York—Seven persons were killed and 83 were injured Monday when a two-car train plunged from the Brooklyn-Manhattan Transit elevated structure at Fifth and Flatbush avenues in Brooklyn and were smashed to matchwood.

Edwin Parcells, motorman, was arrested on a charge of homicide. Firemen tossed aside their helmets and rubber garments and plunged into the wreckage, tearing off the timbers with their hands, when axes and crowbars could not be used without endangering the injured.

As the cars crashed to the street, they carried with them a mass of high-tension electric wires and these, spitting sheets of blue flame, ignited the shattered wreckage of the antique wooden cars.

Kalamazoo—Walter Green, of Kalamazoo, motorman of the interurban car which Monday jumped the Michigan United Railway tracks on a curve at Parma and crashed into the fire and police building 200 feet away is battling bravely for his life in the Jackson city hospital. He suffered a fractured skull, and local physicians fear he has little chance for recovery.

The car, carrying 30 passengers, was running from Kalamazoo to Detroit, via Jackson, and was behind schedule, it is said. Plunging across the street, and swaying from side to side, it periled the lives of several firemen who were sitting about the doorway of their station. They leaped to safety a moment before the car hit the building, wrecking the front and scattering the brick and stone in all directions.

Postman Walks Many Miles.
Baltimore—To the moon! That after a way of figuring, is the record of David C. Walsh, Baltimore postman champion long distance walker of the local postoffice. But the veteran letter carrier, who for 35 years has collected mail from boxes along the city streets, never may return. On May 25, his sixty-fifth birthday, he faced retirement. Now he is 29,750 miles on his return trip. Walsh is credited with walking 267,750 miles during his service at the Baltimore postoffice.

F.O.B. DETROIT

HIGHLAND BAND FOR STATE FAIR

FAMOUS WAR ORGANIZATION OF
KILTIES PLAYED FOR
ROYALTY

CRACK MUSICIANS TO PLAY AT DETROIT SHOW 8 DAYS

The band of the Ninety-first Battalion, Princess Louise's Argyll and Sutherland Highlanders of Canada, Lieutenant H. A. Stares, Mus. Fac. conductor.

That's the official cognomen. But the hundreds of thousands who have sat spellbound by the wondrous music of these warrior-bandsmen know them as just plain.

Ninety-first Kilties. Band. And certainly they have held nearly the world spellbound. From coast to coast in Canada and in the United States they have travelled. And when war clouds drifted this way they called off engagements and led their outfit to Europe in a blaze of musical glory.

All Michigan will again have an opportunity to hear this unexcelled military band, for Secretary-Manager George W. Dickinson of the Michigan State Fair has announced that the Ninety-first Kilties will appear there for eight days, playing their inspiring music at afternoon and evening concerts.

"We feel," Mr. Dickinson said, "that an exposition as great as the \$5,000,000 Michigan State Fair should have nothing but the best, for it is a state institution and the state must be well represented; further we know it is our duty to have only the best in music, fine arts and the other beautiful things of life for the legions of citizens who travel from far and near to be guests of the state."

"I believe that it is due largely to this determination to constantly improve the Michigan State Fair that has been responsible largely for its unparalleled success and growth."

The Ninety-first Kilties Band,

which comes from Hamilton, Ontario,

is composed of selected artists who dress in the pictureque kilts of the Highlander. It has played in more than 50 cities and towns in the United States, Canada and England. It has been one of the leading features at many big exhibitions.

While overseas the Ninety-first Kilties was appointed Canadian staff band by Sir Sam Hughes, then minister of militia and defense. It played before the king and queen of England, other members of the royal family, cabinet officers and prominent civil and military leaders.

BOYS TO VISIT THE STATE FAIR

100 LADS TO BE GUESTS OF STATE AT GREAT EXPOSITION

Mister Michigan Farmer Junior, 400 strong, will again have the time of his life this year at the \$5,000,000 Michigan State Fair which opens August 31 and closes September 9.

For already one or two bright farmer lads in each county of Michigan have passed the examination which proves they know the business of the soil pretty well for youngsters and are qualified to take the course of instruction offered them by their state government at the great annual exposition in Detroit.

The examinations are held in each county under the supervision of R. T. Cameron of Lansing. The boy passing highest or the two tied for highest place in each county are admitted to the course. All their expenses are paid and they are given a busy course in agricultural subjects during the ten days they are the guests of the state at the fair in Detroit.

Not only are they given mental training that will be of value to them on the farm, but their physical well-being is looked after under the careful eye of Foster J. Walker, a physical trainer of note. Every morning he takes them out into one of the big fields at the fair grounds and gives them a course of stiff setting up exercises that would do credit to soldiers.

FAIR BOOSTS FRUITS, FLOWERS

To encourage the amateur and professional raisers of fruits, flowers and plants, the state this year will offer \$15,000 in premiums in this department at the \$5,000,000 Michigan State Fair which will be held in Detroit from August 31 to September 9.

A large increase in the number of entries in this department is expected as in all other departments of the state fair, but Secretary-Manager George W. Dickinson gives assurance that all those persons making entries within a reasonable time will be taken care of.

FAIR WORKERS BUSY

Large crews of men are now busy on the Michigan State Fair grounds in Detroit, getting them in shape for the \$5,000,000 exposition which will be held August 31 to September 9.

DEATH TOLL ON SUNDAY LARGE

LAKES AND RIVERS OF THE
STATE CLAIM FOURTEEN—
AUTOS SLAY FOUR

TOUR MARRED BY AUTO SMASH

Car Plunges Off the Road Into Bear Creek Canyon Killing Driver and G. O. P. Aid.

Detroit—Limpid waters of Michigan's lakes and rivers held inviting promise of refreshing coolness to thousands of sweltering persons Sunday. Into their inviting but treacherous embrace 14 of those seeking relief plunged to their deaths, in most cases bringing to a tragic and sorrowful end pleasure trips of families.

In one instance a father died in an effort to rescue his drowning son, who was saved by others. Another victim, jestingly shook hands in mock farewell to his fiancee and friends as he prepared to dive. It was his last plunge. Again there was another.

Tragedy stalked pleasure hunters and four times it reached out its grim hand, picked a victim and snuffed out a life. One was that of a man just starting on his honeymoon. He was killed at the side of his bride. Twenty-two other persons were injured in accidents. An aged woman died under an automobile her daughter had driven over an embankment near Birmingham; another woman fell to death from a roller coaster; a 2-year-old boy was run down on the street.

Denver, Colo.—Sheriff Curtis of Washington representative of the Republican national committee, accompanying President Harding's party on its western trip, was killed; another man was fatally hurt; two were injured seriously when the automobile in which they were making a mountain tour plunged off the road into Bear Creek canyon 25 miles from Denver, late Sunday.

Thomas French, driver of the car, died on his way to a hospital.

CIVIL WAR LOOMS IN CHINA

Plan to Have Government That Will Be Recognized by the Powers

Peking—According to reliable Chinese information, war upon Tsao Kun and the Chihli party is about to be declared for the reption of Li Yuan Hung in the presidency. Li Yuan Hung, military governor of Chekiang province, who invited Li Yuan to Shanghai to reform the government with the backing of the Yangtze provinces, is reported to have telegraphed Chang Tso Lin, the Manchurian war lord, asking would he join him and Sun Yat-Sen in warfare upon Tsao Kun and the Chihli party in behalf of Li Yuan Hung. Chang Tso Lin is reported to have replied favorably.

Another indication of a combined move against the Chihli party is the action of Sun Yat-Sen in seeking the support of Chen Chung Ming for war upon the north.

Another evidence of the plan to have only a government that would be recognized by the foreign powers is the attitude of Tuan Chihui who is reported to be ready to throw the weight of the Anfu party into the conflict.

Some form of intervention, through the recommendation of a communication seems urgently urgent, with the better class of Chinese favoring such a move on the part of America, Great Britain, Japan and France.

ETNA COOLING; DANGER FADES

Inhabitants Rejoice As Fiery Peril Recedes—New Fissures Appear.

Catania, Italy—For the first time since Mount Etna became violent, a ray of hope dawned for the much tried inhabitants of the volcanic region.

The danger is not yet ended for the crater of the mountain is still belching molten streams of lava and great rocks which threaten the complete destruction of nearby communities, but undoubtedly the violence of the eruption is decreasing.

Only 20 fresh craters opened, indicating that the pressure within the mountain is less.

Experts say it is impossible to prophesy how long Etna will continue active, but they expect a return to more normal conditions shortly.

Meanwhile, though the loss in property has been enormous, the present eruption of Sicily's great mountain of terror has claimed no human victims.

The physical injuries have been extremely rare.

Dedicate American Hospital.

Paris—Ambassador Myron T. Herrick, laid the cornerstone of the new American hospital at Neuilly with 190 beds, replacing the previous institution of 80 beds.

ELECTRICAL CONVENiences!

Why not have your home equipped with some of our convenient, labor-saving Electrical Appliances?

Electric Stoves for cooking—just the ideal kitchen stove for warm weather. No extra expense necessary to install them. Just connect them with a lamp socket and turn the button. They are economical and you can cook and bake with them to perfection.

Then we have Electric Plates, Toasters, Broilers, etc. They save fuel and will give you splendid service during the whole year.

Electric Water Heaters—just the thing for summer. No need of starting the furnace fire to warm water for your bath. Let us install one of these electric heaters and you can have all the hot water you need by simply turning on the current. Call and let us tell you about them.

Everything Electrical—Prices Reasonable.

C. R. HORTON

NORTHLVILLE,

MICHIGAN.

LOCAL

Wallace G. Matheson left last week for Jacksonville, Florida.

Miss George H. Dixon has been quite ill with quinsy this week.

Northville's new fire engine is expected to arrive any day now.

Many Northville homes are being connected with the new sewer system.

Mrs. D. S. Rogers of Los Angeles, Calif., is visiting at the home of Mrs. William Erwin.

Court Northville, F. of A. will elect officers for the ensuing year this Friday evening. A good attendance is desired as reports of the meeting of the Grand Court will be given.

Mrs. C. L. Dubuar will leave next week for a visit to California to visit a brother and to Seattle, Wash., to visit her son, Paul Dubuar, whom she has not seen in seven years.

Northville's heat term was broken during Monday night. For several days the heat was very intense, though not here where everybody has so much room to breathe no one was overcome. Mr. and Mrs. Orin Casterline also attended the commencement exercises of the Sparta High school. Their names were unintentionally omitted from the list of those published last week.

Considerable work has been done by the ball grounds this week in the way of destroying weeds and grass on the infield. The grounds for Sunday and July 4th will no doubt be in excellent condition.

The Brighton ball team will play the local boys here next Sunday and for July 4th the citizens' Committee has chosen the leaders of the Masonic League of Detroit to oppose the Northville Foresters.

A total of 112 prisoners were in the county jail at Pontiac over Sunday. Additional cell blocks will have to be added to accommodate all who seem to delight in being guests of Hotel Butler.

Mr. and Mrs. C. H. Bryan and Mr. and Mrs. P. H. Bryan will leave soon for an auto trip through New York and to Montreal, Canada. They will spend two weeks camping in the Adirondack mountains.

The Empire Amusement Enterprises will show in this village all next week. They are appearing at Wanamaker's this week, under the auspices of the American Legion. Read their announcements in today's Record.

Mrs. Mary York arrived in Northville last Friday and on Saturday she returned to her home, accompanied by Master Arthur Sessions who will spend the summer with her at her home in New York state. What has been known as the Chas. Sessions' farm residence, together with five acres has been recently sold by the owner, Harry German, to Frank Green, who resides at Redford. Mr. and Mrs. Green will soon be back in our vicinity again.

A vacation Bible school is to open in the Farmington Baptist Church July 2 and continue for six weeks. The children will be given instruction in citizenship, Bible, hand work and will have supervised recreation. The pupils are admitted without tuition fee and with no denominational lines drawn.

There are spring-joint trotters and pacers stalled at the Northville driving park that get their daily workouts. The largest number of horses trained by one man is fourteen owned by Wilson and Levey of Detroit. Those interested in that line of sport can find pleasure most any day by visiting the race course.

A special sale of aluminumware is announced for Saturday, to-morrow, at Elliott's Hardware and the sale starts at nine o'clock in the morning and continues throughout the day. Northville ladies will find included in this sale a very attractive assortment of useful utensils that are being sold at very low prices.

Isadore Keeney accompanied Miss Marion Mulford to her home in Chicago last Friday. Her grandparents in Iowa were to come after her on Monday, but a message was received from Miss Mulford Monday afternoon informing Mr. and Mrs. Keeney that the little girl was ill with measles. Mrs. Keeney left for the city Tuesday night.

Harry German, Sr., and Harry German, Jr., of this village, accompanied by R. J. McCormick and Dr. Maxwell of Carleton, motored two hundred miles north into the hunting and fishing grounds of the AuSable near Mid and Yale last week-end. Their object was to locate a lodge near a lake suitable for bathing and good fishing in the heart of partridge and deer territory.

To the family of Robert Lanning the tenderest sympathy of the people of this section is extended in their bereavement. Mr. Lanning was discovered in an unconscious condition about five o'clock Sunday morning and Marshal Ernie Lyko was summoned. With the assistance of the night watch and one other man Lanning was taken to the village building where he died about ten o'clock, never having gained consciousness. Funeral services were held at his late home Tuesday afternoon and interment took place in Oakwood cemetery. Mr. Lanning was a Forester and a member of the Modern Woodmen.

Next Wednesday will be the Fourth of July.

Invite your friends to spend the Fourth in Northville.

Farmington people will enjoy an outing at Bou-Lo on July 12th.

Northville Lodge, F. & A. M., will hold a regular meeting next Monday night.

Dr. A. T. Holcomb of Novi was a Northville business visitor Tuesday afternoon.

Mr. and Mrs. J. A. Huff and children are enjoying life at their cottage at Walled Lake.

T. G. Richardson, Dr. E. B. Cavell and D. P. Yerkes, Jr., are building new residences.

Superintendent A. J. Helfrich is attending summer school at the Ypsilanti Normal College.

The annual school meeting will be held on Monday evening, July 9, at the High School auditorium.

Mrs. Anna Smith expects to leave soon for New York state to spend some time with Mr. and Mrs. James Dubuar.

Dr. and Mrs. E. B. Cavell are spending the week at the M. A. C. where the veterinarians of the state are holding a conference.

The attention of our readers is called to the announcement of the big celebration to be held at Lake Orion next Wednesday.

The exercises for the children at the Baptist church Sunday evening were both unique and interesting and were enjoyed by a large audience.

Mrs. W. H. White returned home Saturday night from Maple Rapids after caring for her daughter, Mrs. Lloyd Morse, for two weeks.

F. L. Hendryx brought to this office last Saturday some apples that were as firm as when picked from the trees last fall, and their color was most attractive.

Dr. A. Kerchom will leave Saturday for New York city to attend the national Osteopathic convention from the 1st to the 7th. Her office will be closed next week.

The annual alumini reunion and banquet will be held this afternoon and evening at the High school building.

The program as published last week will prove an evening of rare and interesting entertainment and a large attendance is expected.

A. W. Mathewson and Marcus Daly are opening a restaurant in the building recently occupied by Ureal's grocery. Mr. Mathewson has conducted restaurants at Farmington and Plymouth during the past two years. He is a very capable chef.

Mr. and Mrs. Albert R. Long left last Saturday afternoon for their home in Long Beach, Calif., from whence they motored to Northville six weeks ago. They were the guests of Mr. Long's mother Mrs. J. B. Tubman. The journey of over 3,000 miles over the Santa Fe route was made in fifteen days, but Mr. and Mrs. Long plan to stop at several places on their return trip to visit relatives. The journey to Michigan was made with no trouble of any kind and the novelty of the trip was greatly enjoyed.

**CATHOLICS PLAN
A NEW CAMPAIGN**

DIOCESE OF DETROIT TO COLLECT PLEDGES FOR GREAT SACRED HEART SEMINARY

TO COMPLETE RECORD WORK

Bishop Gallagher Asks Payment of \$9,000 a Day for Training Seminary Priests

In response to an appeal from their spiritual leader, the Rev. Michael J. Gallagher, D. D., Bishop of the Roman Catholic Diocese of Detroit, opened a campaign on Sunday, May 27, to finish a record-breaking accomplishment—they began three years ago. In the six weeks from May 27 to July 8, inclusive, they will adopt measures which will insure the payment in full of all pledges made for the new Sacred Heart seminary in the campaign of 1920 and the collection of donations to this great diocesan training school for priests from those Catholics who, in the past three years, have come to the diocese to make their homes.

The new campaign continues in Detroit and the nearby parishes until Sunday, June 17, when the cornerstone of the new seminary will be laid. In the remainder of the diocese the drive begins on Sunday, June 24, and continues two weeks.

As was the plan in the 1920 campaign, there will be an exchange of pastors in all churches of the diocese each Sunday during the drive. It is hoped in this way to bring home to every Catholic man, woman and child in the diocese the need of the seminary for a prompt payment of the pledges and for donations from the newcomers who, for any reason, have had no opportunity to take part in the work.

Three years ago in a campaign extending from May 10 to August 10, 1920, 72,000 Catholics of the diocese pledged themselves to contributions in the amount of more than \$9,000,000 for the erection of equipment and equipment of the Sacred Heart seminary.

It was a record never before reached by a like body of people in the history of the Catholic Church, a record which at once became the subject of amazed comment and sincere congratulation throughout the Catholic world.

Today, a group of buildings which for architectural beauty and for modern facilities of convenience and efficiency, are unequalled anywhere, is being erected on a 28-acre site at Lincoln Avenue and Chicago Boulevard, in the heart of Detroit's exclusive Northwestern residential district. The institution will be ready for occupancy in September, 1924.

It is to ensure the opening of the institution at that time, and to provide the \$5,000,000 endowment fund which will forever maintain the seminary that Bishop Gallagher has announced the ongoing campaign.

The finance committee of the Sacred Heart Seminary Fund, the group of prominent Catholic priests and laymen who with Bishop Gallagher, have in their charge the administration of the fund, has sent to every Catholic of the diocese a complete statement of the disposition of the money received to date and of two reasons for a prompt payment of all unpaid pledges.

Of the \$9,129,249.21 pledged in the campaign of 1920, the committee posts out \$8,491,970.39, or considerably less than one-half, actually has been paid in.

Of this amount, a large percentage of the donations were specifically designated as intended for the endowment feature of the fund, the permanent reserve which is to remain forever intact and only the interest of which is to be used for the operation and maintenance of the seminary.

Something over \$2,000,000 of this specific endowment fund has been invested in United States government bonds and these bonds will remain in the bank vaults of the diocese permanently.

The 28 acres of land which include the site of the seminary were purchased for half a million dollars.

The land acquired for the present temporary seminary will be used for the permanent seminary.

HOLSTEINS MADE FINE RECORD.

Top honors for butterfat production in the Wayne county cow testing association during the month of May fell to Glenn Bird.

Bird's eleven pure bred Holsteins averaged 1,179.0 pounds of milk and 42.30 pounds butterfat during the month test.

There are 48 cow testing associations operating in the state this month, an increase of nearly 200 per cent in the last year. The association work is directed and supervised by the dairy extension of the Michigan Agricultural college.

A. L. CRAFT RETIRES.

On July 1st A. L. Craft retires from the office of county commissioner of schools and will be succeeded by E. J. Dederle. For several terms Mr. Craft held this important position and he leaves a record of much good work. Shortly after the close of his term of office he will leave on an extensive trip through the east and southeast. The party will go by auto through Canada, New York, Vermont, New Hampshire, Maine, Massachusetts, Connecticut, Rhode Island, Pennsylvania, Virginia, North and South Carolinas, Tennessee, Kentucky and Ohio, spending some time at Boston, New York, Washington, Richmond and Cincinnati.

MILFORD TO HAVE EDISON SERVICE

Representatives of the Detroit Edison company, one of them Robert R. Brown of the district headquarters at Northville, were in Milford Tuesday looking over the field and getting acquainted with some of the business people on Main street. The Edison Co., which has purchased the distributing plant of the Milford Electric Co., plans to get their lines into Milford within a month or six weeks although no date has been set. As soon as their construction gangs have finished a job in another part of the state they will build the line which will thereafter carry the current to this community. The company already has lines to the New Hudson gravel pit and the new line will come directly north from there.

Mr. Brown says the Edison Co. will rebuild the local lines as soon as practicable, using new material as necessary so as to bring everything up to date according to their standard. They guarantee to furnish a constant voltage at all times.

Mr. Brown says that the rates for services and also minimum charges will be somewhat decreased. Bills will be rendered the first of the month for the previous month's service and a discount allowed for payment before the 15th, which is similar to the system now in vogue—Milford Times.

FERNDALE PEOPLE HAD NARROW ESCAPE.

The Sunday Detroit Free Press contained the following account of the near-drowning accident that occurred at Walled Lake last Friday night:

"Seven Ferndale citizens, who rocked the boat in Walled Lake Friday night, owe their lives today to Miss Ella Duff, a stenographer for the Ferndale school board, who by extraordinary heroism and presence of mind rescued all seven from drowning."

"About eight o'clock Friday evening the small party climbed into the boat and rowed out to the middle of the lake in an effort to escape the heat. In the boat were Miss Eva King, clerk in the American State Bank of Ferndale and voted the most popular girl in the village at a Methodist church contest which was held last week; George Warcup, with whose family Miss King boarded, and Warcup's 12-year-old son; Miss Margaret Reynish and another girl and two men whose names could not be learned.

"The young people, none of whom could swim, believing themselves to be about four feet of water, were rocking the boat and throwing water at each other. In reality the water reached a depth of 40 feet at this point. Suddenly the boat overturned and threw them all into the water. Miss King sank immediately and the Warcup boy dragged the other girls down with him. The others were struggling vainly in the water when Miss Duff jumped into another boat, accompanied by Mrs. Warcup, and by herculean efforts succeeded in dragging all seven into the boat. Miss King, who was unconscious and near death, was revived with considerable difficulty after the party reached the shore."

Or Think of Hat Check.
"Don't eat when in an unhappy frame of mind," says a medical authority, thus clearly indicating that it were wise in some restaurants to order your meal without looking at the prices.

The Cost of Gasoline

Is relative to the service it gives. To insure economical and dependable service.

It must develop the maximum of power at any speed.

It must give the utmost in mileage.

It must effect quick and easy starting in all seasons.

A gasoline that meets these requirements must be a perfect motor fuel and that is best expressed in

**AMERICAN
Certified Quality
GASOLINE**

A pure, highly refined product having physical properties that effect instant ignition, thus insuring quick and easy starting. When properly mixed with air, combustion is continuous, therefore every particle of gasoline is used to produce power. The result is increased mileage at less cost per mile. For economical service use American Gasoline.

Look for the Sign of AMERICAN Certified Quality

WHY NOT TRY A 25c LINER IN THE RECORD?

FORMER NORTHLVILLE GIRL WON
ESSAY PRIZE.

From the Ypsilanti Daily Press we take the following which will be read with much interest by Miss Cattermole's many friends in Northville:

The French prize, originally the gift of Hon. Peter White of Marquette, was won this year by an Ypsilanti girl, Miss Ruth E. Cattermole. The prize is open to any student in a public school French department. It was won by Miss Cattermole for an essay on Jean La Breté's "Mon oncle et ma tante."

Miss Cattermole is a junior degree student, having graduated in February in the Latin and modern language course at the Normal. Her translation of Horace's Ode to Pyrrha was published in the Normal News in May. She is a member of the States, le Cercle Francais and the Soda; has Lotina.

Miss Cattermole is a graduate of the Northville High school and lives with her parents, Mr and Mrs William H. Cattermole, 208 Parsons street.

NORTHVILLE 6—SPRINGWELL'S 3.

The game last Sunday between Northville and Springwells turned out to be quite an interesting ball game. Although Northville held the lead from the start when the obtained four runs the first inning, they were only able to score two runs after that. The Springwells then threatened to do damage in the eighth inning when they obtained three runs but the flight was of short duration to our local bays. They soon saw the hand writing on the wall, tightened up and the game ended six to three in Northville's favor.

The visitors played fair ball but were not considered as strong a team as we should have here July 4th. The Fourth of July committee have chosen the leaders of the Masonic League of Detroit, who are known as Friendship Lodge. Catcher Leo who is catching for Northville, belongs to Friendship Lodge but will play with our boys as he is under contract for the summer. The spirit of the Northville team is to play the best of ball clubs as they had rather be beaten by a good strong team than to win over weak opponents.

Next Sunday the Brighton Merchants come here for their first game away from home. They defeated Redford two weeks ago and are proclaimed to be a good team. They have posters out in their village of 4,000 calling for 3,000 "rooters" to follow their ball team to Northville, but we have our doubts that over three-quarters of their quota will come. Anyhow, the ball park will hold em.

TWO-CENT R. U. R. RATE TO STAND.

An order issued Friday by public utilities commission directed the issuance of two cent rate of fare of the Detroit United Railways. The order is based on tentative appraisals and valuations fixed by the commission for the Detroit United Railway and its system, including the Rapid Railway, Detroit, Monroe & Toledo Short Line and the Detroit, Jackson & Chicago.

The order declares that it is impracticable at this time to determine the rate of fare reasonably required to make a fair return on the actual valuation, but that inasmuch as indications are that the fare would be in excess of two cents if computed in accordance with the state interurban fare act and the roads are not insisting on an increase, the fare will continue at two cents a mile with a minimum charge of five cents.

The commission fixed the total valuation of the system including Detroit city and interurban property at \$33,975,613. This is \$6,696,822 less than the D. U. R. claimed for all property and \$4,836,287 less than the company claimed, exclusive of an item of about \$1,700,000 for the difference in cost of reproduction.

The commission fixed the value of interurban lines and the value of the use of city lines for interurban purposes at \$26,691,320. It calls the two-cent fare an experimental schedule, which it is believed will return the company 7% on the \$26,691,320 interurban valuation.

The commission allocates the valuation as follows:

Detroit city property, \$4,531,619; Rapid Railway system, \$7,161,153; Detroit, Monroe & Toledo Short Line, \$4,746,577; Detroit, Jackson & Chicago, \$4,525,238; Flint division, \$7,356,524; Pontiac division, \$2,147,661; Orchard Lake division, \$1,786,319; Wyandotte division, \$1,062,411; Weir Lane, \$238,724; Highland Park and Royal Oak, \$420,377.

These valuations include all property, operative and inoperative.

Dr. A. P. Chesterfield, a former Northville dentist, is on the way to British East Africa, while Detroit officers are looking for him to place him in the Detroit House of Correction to serve 30 days.

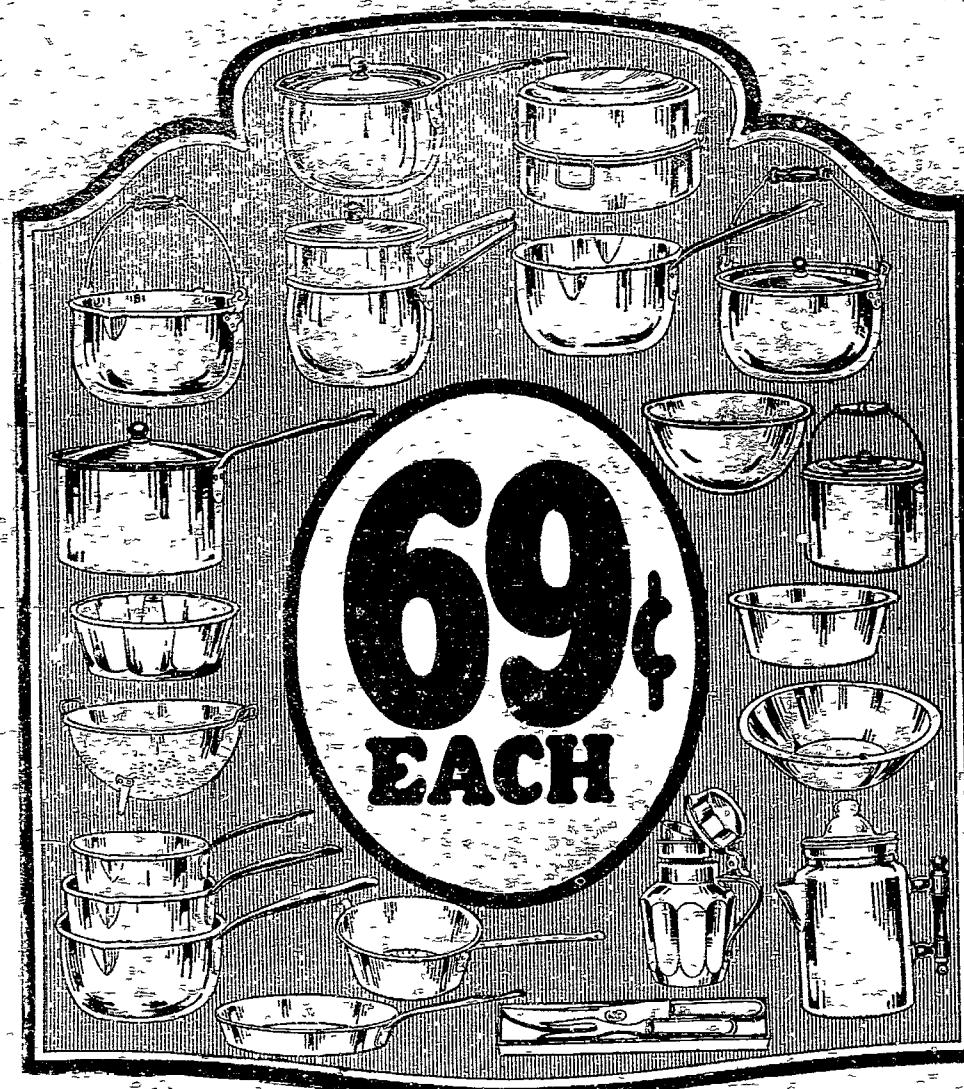

For several years Novi township has had the poorest schools of any township in Oakland county, according to the records of the County School Commissioner. If you are in favor of improving this situation, vote for George R. Simmons and James N. Erwin.
