## THREE JOLLY CHUMS VISIT NORTHVILLE

Messrs. Henry Ford, Thomas A. Edison and H. S. Firestone Were Here Tuesday

Thomas A. Edison and H. S. Firestone with their wives have been spending part of the week with Mr. and Mrs. Henry Ford at Dearborn. Before leaving for northern Michigan for an outing, the three gentlemen having enjoyed these annual camping expeditions for a number of years. On Tuesday afternoon Mr. Ford brought his distinguished guests to Northville, where they made a tour of inspection of the Ford plant here, remaining for an hour or so.

The gentlemen attended the funeral of the late President Harding at Marion, Ohio, last Friday, being accompanied by their wives. Mr. Harding spent a few days in camp with these gentlemen last year, while they were sojourning in Maryland.

### STONE SCHOOL REUNION

Two hundred people were present at the Stone School reunion held at the home of Mr. and Mrs. Joseph Blackwood of South Lyon on Friday, August 10. The early part of the day was spent in visiting and in greeting old friends. Dinner was next in order and after a delicious luncheon all were seated to listen to a short impromptu program consisting of recitations and short talks by a few former pupils.

Mrs. Albert Marshall of South Lyon recited a fine original poem; George Bannister of Orion told of his first year at school and something of his late life; Albert Adams of Mt. Morris told of his early life in the district and said this was his first visit to the neighborhood for sixty years. George Adams of Fowlerville then called upon all present to stand for a moment in honor of the late president and then in a few well chosen words he gave a fitting tribute to the memory of President Harding.

A short time was spent in visiting and the guests, after voting Mr. Blackwood and family royal entertainers, departed for their homes.

### ANDREW HOUK DIED WEDNESDAY NIGHT

Andrew Houk, an old veteran and an honored citizen of this village, died at his home on Wednesday night between seven and eight o'clock. Funeral services will be held at his late home, Friday afternoon, at two o'clock and burial will take place at Rural Hill cemetery.

Mr. Houk served during the Civil war as a member of Company D, Fifth Michigan cavalry (Custer's brigade) and he was the last surviving member of that famous band of brave men in Northville. He was a good soldier, fearless and loyal to the cause for which he offered his life. At one time he saved the life of the late Capt. E. K. Smonds.

### CHILD DIED OF PTOMAIN POISONING

The little three-year-old girl of Mr. and Mrs. Edward Frederick died early Monday morning from attack of ptomaine poisoning, caused it is believed from drinking cocoa which the family had served the day before. The child was ill but a few hours when death claimed it for its own. Funeral services were held at the home of the bereaved parents on Tuesday afternoon, being conducted by Mrs. Allen of Rochester.

### NORTHVILLE DEFEATED MONROE SUNDAY

Before a crowd of base ball fans estimated to have been 1500 the Northville Foresters' team met and defeated the Greening team of Monroe at Carleton last Sunday afternoon. The crowd expected to witness a good game of ball and they were not disappointed. Carleton provided food and shelter for Harry S. German for a few years and he has a large circle of friends and acquaintances in that section who were anxious to see him in action again and they were rewarded by having him pitch a most remarkable game. The score at the close of the game stood 2 to 1 in favor of Northville and the crowd was happy.

Monroe made its one score in the fifth inning and Northville made its two scores in the same period. German struck out 11 of the Monroe men.

### HARRY GERMAN, JR., TWIRLS A TWELVE INNING GAME.

The Seven Mile Merchants disappointed the Center-Line base ball team last Sunday when they were unable to come. But Center Line was able to schedule the Madison Realty team of Detroit for that date.

On the west side and back of the screen automobiles were lined up to witness the game between the Center Line team and the Detroit team which is considered a class team. Center Line got six runs in the first inning and knocked out the Detroit pitcher. The Madisons scored two runs in the first inning. In the eighth inning the Detroit team tied the score 9-9. Then the scramble started to get the odd run. Harry German, Jr., pitched like an iron man, holding his opponents to no runs for the last four innings. Instead of German getting weaker the longer he pitched, the better his pitching. While Detroit's pitcher walked out of the box in the twelfth inning and took left field. That is a good thing for some pitchers to quit when the score is a tie. Jacka catching for Center-Line made it hard for the opponents to score. In the twelfth inning Center Line scored on two hits the first being a three bagger and then scoring on the next hit made by Perry Krum.

### IT'S A GOOD IDEA

Stop signs have been placed at the intersection of Main street and Penniman avenue in Plymouth, and while no ordinance has been passed by the village compelling motorists to stop as they approach that dangerous crossing, nearly everybody does stop, or else they approach the corner very carefully with their car under perfect control.

Just such a plan ought to be adopted in this village and "stop" signs should be placed at the intersection of Main and Center streets. Motorists go flying past this corner at a terrific rate of speed and someone will be seriously injured some of these days. Why not insist that all cars come to a full stop as they approach Main street from North and South Center streets and also as they pass up and down Main street. Other towns are adopting this plan to guard against accidents and surely Northville has as much traffic on its streets as any small town in Michigan.

### FEEDING BREAD TO DAIRY COWS.

Dairymen of this section are feeding stale bread to their dairy cattle and the result has proven very satisfactory. The bread is purchased from the big Detroit baking companies at one cent a loaf and much of it looks good enough to eat when it is unloaded in the dairy barns. Cows not only like the bread as a part of their daily ration, but they seem to do well and to hold up well with their milk in spite of some dry pastures.

One farmer in this section has fed stale bread to his horses for a long time and his work-horses thrive upon it without adding grain to their daily rations. This is a case where both cows and horses earn their daily bread.

### FORESTERS TO HOLD ANNUAL PICNIC

Court Northville, Foresters of America, will hold its annual picnic at Keith's grove at Union Lake on Sunday next, August 19th, and the public is invited to join in the outing. A good program will be given during the day and the Northville band will give a concert. The big dinner and the good fellowship will be features long to be remembered.

All Foresters and friends are requested to meet at the hall at 8:30 a. m. Arrangements will be made for everybody to ride.

### GIVES LUNCHEON TO MONTANANS

A delightful luncheon and party was given by Mrs. M. E. Simmons at her home, 634 Rose avenue, Friday, in honor of the Misses Ruth Hinman of Missoula, Mont., and Mable Burgess, of Detroit, Mich.

Other guests were Mesdames Tom Selfridge of Hollywood, Ernest Croshier and E. A. Merritt of Pasadena, F. J. Scott of Alhambra, Marion Hilliard of Gardena, Cal., and Miss Alice Human of Northville, Mich., and Mrs. W. H. Nash of Venice, Calif.—Venice, Cal., Vanguard.

### MERE GASOLINE WAR SPREADING.

The gasoline battle started last week by the governor of South Dakota spread over into other states within a few days, reaching Michigan on Saturday with the happy result that prices of gasoline were reduced to 16 cents a gallon.

A Lansing dispatch says "Gasoline users of South Dakota and other western states are not the only ones who have been pouring millions of dollars into the pockets of the Standard Oil of Indiana, and other refineries, according to figures available here in Lansing."

The Standard Oil company is taking a profit of upwards of 10 cents a gallon from the users of Michigan when the gasoline is purchased from a Standard Oil retail station and the profit is split when Standard Oil is purchased from some local station.

While gasoline selling for 23.4 cents in Lansing, Monday, the state could buy the same gasoline from the Standard Oil company at its Whiting Indiana refinery, for 12 cents a gallon, in tank car lots. The freight on a gallon of gasoline from Whiting to Lansing is 16 cents, making the price 13¢ laid down in Lansing, or two-tenths of a cent less than 10 cents a gallon under the retail price.

The Standard company has offered the state gasoline for 13.7 cents delivered in tank cars in Flint, and similar prices in various other sections of the state, where it is carrying out extensive highway construction work.

### \$20,000,000 Consumers' Loss.

Figures presented by the Standard Oil company to the legislature last winter placed its annual sale of gasoline in Michigan at 124,921,500 gallons, which at a profit of 10 cents a gallon, would net this company \$12,492,000 a year out of the gasoline users' pockets alone in Michigan.

This figure, according to the Standard Oil company representatives represents about 53% of all the gasoline sold in Michigan.

### PLAN NOW TO ATTEND THE NORTHVILLE FAIR

After six successful years the North Wayne County Fair for 1923 will be larger and better in every way. The extent and scope of the premiums in the various departments have been increased and the lists enlarged and liberal prizes are offered for every conceivable thing.

The display of live stock will be bigger than last year, the poultry department, always above the standard for country fairs, will be larger and more attractive, the woman's department will have more space for the display of thousands of articles exhibited, the fruit department will be expanded over former years and the Agricultural exhibit will eclipse anything ever seen here.

In the Boys' and Girls' club work the exhibition will be most interesting and will embrace all lines of club endeavor and interest.

The speed program will be larger than in former years, besides the Michigan Classic, the Michigan Breeders' three-year-old trot and three-year-old pacing events and the two-year-old colt trot.

### \$2,000.00 In Free Attractions.

Eight ball teams will contest in two tournaments to be played during the four days. The Better Baby contest will be the center of interest on Wednesday, which has been designated as Ford day in honor of the Universal car and its distinguished owner. Liberal prizes will be offered for special entries of Ford cars for the day. The Highland Park Band will furnish music on Wednesday.

The display of Automobiles and Farm Tools and Machinery will be extensive and every department will be filled to overflowing. The rental space is practically all spoken for both on the grounds and within the buildings.

Interest the boys and girls of the farms in this annual exhibition of the best products of the best farms in this section.

Plan to make a lot of entries in the various departments and carry home your share of the cash premiums. You will find it pays well for the time you spend.

Plan to make a lot of entries in the week for the family. Meet your old friends and neighbors.

Articles should be brought to the grounds on Monday and all must be in place by 10 a. m. Tuesday. Wednesday is Ford day, Thursday Plymouth Day, Friday Redford and Farmington Day, Saturday Detroit Day. Every day will be one you cannot afford to miss.

For premium list write to E. L. Smith, Secretary, Northville, Mich.

### TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897, for the week corresponding to this week.

R. H. Porter is recovering from a week's illness.

Miss May-Grove left Tuesday for her home at Alpena.

Charles Rogers of Scranton, Pa., was in town over Sunday.

Mrs. H. D. Dean of Neosho, Mo., is visiting among relatives here.

Miss Jessie Ely is home from Detroit for a four-week vacation.

Miss Jennie Brown of Worden is visiting Mrs. Earl Cobb this week.

Miss Nettie Smithman of Ovid is the guest of Miss Ethel Vradenburg.

Fred Leonard and mother of Ovid, N. Y., are among Northville relatives.

A. T. Stewart of the U. S. fish station is taking his annual fortnight vacation.

Miss Adeline Spalding has returned from a trip to Orion, Niagara Falls and Toronto.

While at Niagara Falls last week George Hueston obtained some fine Kodak views.

Jesse Holden, who has been doing California for some time, has returned home.

Mrs. Wm. Slater is home from a six weeks' visit at Lawton, Jackson and Battle Creek.

Mr. and Mrs. John Stratton have moved to the corner of Rogers and Dubur streets.

Chauncey Hinman has been taking a vacation at Rochester, N. Y., where he visited his sister.

Miss Nellie Thomas and Miss Lena Whitehead have returned from a week's visit at Ypsilanti.

Dr. J. M. Burgess, son Claude and Bert Phillips are at Buffalo and Niagara Falls this week.

Misses Nina and Ida Clark entertained the Misses Etta Burch and Minnie Major of Milford, Sunday and Monday.

Mrs. Helen Nash has returned from her western trip. Her daughter, Mrs. Flora Kellogg-Sackett accompanied her home.

Married at Walled Lake, August 4, by Rev. Mitchell, Chas. F. Roe to Miss Daisy Gould. The happy couple will reside at Walled Lake.

The town board met Wednesday and granted a 30 year franchise to the Detroit, Plymouth & Northville street car company. It calls for a 5-cent fare to Plymouth, 15 cents to Wayne; 35 cents to Detroit and school children's tickets 2 for 25 cents.

Northville business men have a plan to organize a stock company here to build an electric car line to Novi, Walled Lake, Wixom, New Hudson, South Lyon, Salem and back to this village again. It will be known as the Northville loop line.

While driving from Northville to Novi last Saturday Mr. and Mrs. A. C. Harpott saw a large eagle sitting upon a telephone pole. It was dark brown in color with a white head—the Michigan bald eagle. It looked as if it might measure four feet from tip to tip.

### METHODIST CHURCH NOTES.

What about our worship next Sunday at 10:30? It is this: "What is the Solution out of all our Troubles?" A cordial welcome is extended to all to come and worship. Our Bible school will be at 12:00—noon. No evening services.

The church year closes August the 31st. The following weeks will be busy ones for the annual conference in Detroit at Central church. This is also the closing of the fourth year of the Centenary. Kindly pay up your yearly pledge. I have been seeking the pledges of those leaving our church before my coming. I have been told they felt no more obligation. This is incorrect. The leaving of a church does not nullify the five years pledge. In principle it was pledged to Almighty God, for His Kingdom, irrespective of human indiscretion. It's an "honest" pledge and it belongs to God through the source it was pledged. I hold in my possession the vouchers of those—though not with us—who have paid direct to the office. These are honest people and may God bless them. Therefore, for the Kingdom's sake, "Praise up. Pray up, And Pay up."

## Great Fireworks Exhibition Ready For State Fair

"India," a stupendous feature characterized by costly exhibitions of fireworks both day and night will be one of the big entertainment features of the \$5,000,000 Michigan State Fair which will be held this year at Detroit from August 31 to September 9.

The daylight fireworks will be a special attraction for the benefit of the children, who are at the fair in large numbers before nightfall.

Real elephants, ridden through the streets of the fair grounds by native Hindus, are part of this attraction.

The fireworks exhibition will be held each night for nine nights. Each show will last 45 minutes.

## HALF A MILLION TO SEE BIG FAIR

\$1,000,000 BEING SPENT TO CARE FOR GROWING ATTENDANCE

"Half a Million"

That is the slogan of the 1923 Michigan State Fair which will be held in Detroit August 31 to September 9.

Our annual attendance has just about reached the 400,000 figure already," said Secretary Manager George W. Dickinson. "But with an additional \$1,000,000 being spent this year for extensive improvements we expect fully half a million persons to visit the fair during the ten days."

"This is the nation's greatest exposition. It is a \$5,000,000 show given by the state of Michigan for the education and entertainment of the people. It is the state's great playground, as well as an agricultural school so there is every reason to believe that the hosts that come from near and far each year will become an army of half a million this fall."

"Already we have arranged for stupendous attractions and many more are being planned that will be a most pleasant surprise to the people of cities and farms."

"Our agricultural and live stock exhibits this year will surpass by far anything of the kind ever seen, everything seems to indicate. And our races and other sports, our great spectacular stunts and our lively midway where the carnival spirit reigns will be without parallel."

"Every man should try to spend at least a few days at this great exposition, bringing his family along to enjoy an educational vacation in the finest weather of the year."

#### FOUND GUILTY AS EMBEZZLER.

Judge Withholds Sentence in Case of Bay County Official.

Bay City—Lovell E. Grant, county register of deeds and former city recorder, was found guilty of embezzling funds from the Union School district by a jury in circuit court. Judge Arthur Webster, of Detroit, before whom the case was heard, will not pronounce sentence, pending rulings on exceptions taken by the defense.

This was Grant's third trial. In the first case, last spring, he was acquitted of a charge of embezzling Oak Ridge cemetery funds and in the second, in which he was charged with the school district offense, was a disagreement.

The specific charge in this case was the embezzlement of \$95.55 of teachers' payroll checks.

#### SAYS ALL EUROPE HATES U. S.

Senator Caraway Declares Hatred is "Universal Passion."

Baltimore, Md.—Hatred of America is in Europe "the universal passion," Senator T. H. Caraway, of Arkansas, told a meeting of the Baltimore Association of Credit Men Thursday night. He has just returned from a tour of Europe.

"Hatred of the United States," Senator Caraway proceeded, "is the only thing on which there is agreement anywhere in Europe, and this is so, no matter what M. Clemenceau may try to tell us."

The failure of the United States to live up to international obligations, he charged, is responsible.

#### U. S. WOULD HANDLE ALL CROPS

Proposed Law Provides for Purchase and Sale of Output.

Washington—The bill to provide for purchase and sale of farm products through a \$100,000,000 government corporation, introduced in the senate by Senator Norris, Republican, Nebraska, was presented in the house by Representative Sinclair, Republican, North Dakota.

## CUNO RESIGNS; WORKERS REVOLT

PRESIDENT EBERT ACCEPTS  
OFFER OF CHANCELLOR  
TO QUIT

WILL FORM NEW GOVERNMENT

Leader of Peoples Party Appointed  
to Plan Germany's  
New Policy.

Berlin—The resignations of Chancellor Wilhelm Cuno and his entire cabinet were accepted Sunday by President Ebert.

Dr. Gustav Stresemann, leader of the people's party, has been commissioned by President Ebert to form a new government. After accepting the task, Herr Stresemann had a conference with the representatives of the various parties. The greatest difficulty seems to be in connection with the foreign ministry and it is believed possible that he will take the post himself temporarily.

It is believed in official quarters that Herr Brüning will be the new finance minister and Herr Sellman will be named minister of interior while the name of Herr Rheinbaben, of the people's party, is mentioned as the new secretary of state to the imperial chancellery.

Thus, the new cabinet would include representatives of the united socialist clerical, peoples and democratic parties.

The united socialists have made it known that they expect to have four seats in the ministry.

Dr. Stresemann is Germany's strongest leader, and industrialist and president of the German-American commercial union. He will form Germany's first majority coalition cabinet in history.

It generally is expected that Herr Stresemann will give the socialists three cabinet portfolios, whereupon the nation's nervous and excited labor masses, who for a week have been engaged in isolated uprisings, riots and disturbances, will be greatly quieted. The foreign office believes the communists are falling everywhere, with their general strike propaganda.

The monarchists and extremist conservatives also are keeping quiet. They will not act unless the communists' revolution plans mature when they expect to crush bolshevism completely.

FLOODS CAUSE MUCH DAMAGE

Heavy Property Loss Suffered in  
Ohio and West Virginia.

Columbus, O.—One man was killed and thousands of dollars' worth of property was damaged in a series of severe wind and rain storms which swept over Ohio today. Walter Kwarczynski, of Toledo, is dead as a result of having attempted to beat out a sparking live wire with a broom. Many thousands of dollars worth of live stock were killed in many parts of the state, according to reports. Companies operating communication lines reported that damage to their wires was the most severe encountered this summer.

Athens, Chillicothe, Caldwell and Zanesville were practically cut off from surrounding country, due to trees and telephone poles blocking roads and railways. At Athens, electric lighting service was demoralized, the greater portion of the city's telephones put out of commission and hundreds of trees blown down. Homes of many families were flooded. Washouts occurred on the lines of the B. & O., Hocking Valley and Kanawha & Michigan railroads, and no rail traffic was moving in or out of the city.

Lightning striking a barn at the Gibbins dairy farm near Toledo caused a loss of \$30,000 in livestock, grain and farm implements. Zanesville street car traffic was suspended for several hours because of fallen poles and wires.

Thousands of acres of corn in the Scioto valley were flattened. The temperature here dropped from 90 to 67 degrees within five minutes just after the storm broke early this afternoon, according to weather bureau officials.

Charleston, W. Va.—Three persons are known to be dead, while others are reported to have lost their lives in the New River and Winding gulf districts as a result of flood waters caused by heavy rains early today, according to advices reaching here.

Feared Weight Would Bar Entry

New York—Tony Stetela, a coal and ice dealer in Newark, N. J., and weighing 405 pounds, was told by his fellow passengers on the liner Providence, returning from a visit to Naples, that the immigration law had been changed and no person not a citizen who weighed over 350 pounds, could enter. The big fellow took the news seriously. He consulted the ship's surgeon about reducing, refused to eat and exercised violently so he could enter the U. S.

## PRESIDENT TO ACT ON MINE DEADLOCK

PREPARES TO USE PRESSURE TO  
FORCE THE SETTLEMENT OF  
ANTHRACITE TROUBLES

OFFICIALS SENT ULTIMATUM

Coolidge Determined Fuel Shortage  
Shall Be Averted—Three  
Plans Offered.

Washington—President Coolidge will "act firmly" to prevent a cessation of work in the anthracite coal fields, it was learned Saturday.

The president is determined there shall not be a shortage of fuel during the coming winter, with its attendant hardships and sufferings to this people, it was declared by his closest advisers. He is prepared to wield the proverbial "big stick" in forcing a settlement of differences between anthracite operators and miners.

The president has passed this ultimatum along to government officials in close touch with the situation. Above all, he has told them there shall be no strike September 1, as was threatened when recent wage negotiations were stopped by operators and miners.

The president has been told that the real crisis will not be reached until late next week, but after that time the hard coal output would be jeopardized by further disagreement between operators and miners. A voluntary settlement seems remote. Neither side has shown any disposition to yield an inch. The conference broke over the check-off system, and both contending factions have remained adamant.

President Coolidge first leaped to national prominence by his forceful handling of the Boston police strike. An almost coincidental situation may give him his first great opportunity as leader of the nation. Those close to the president said Saturday that he was going to dig into the anthracite problem with the same determination and unswerving resoluteness that marked the quelling of the Boston strike.

Three immediate plans are known to be under consideration for effecting a settlement:

1. Appointment of Secretary of Labor Davis, who returns to this country Monday, and the coal commission to act as mediators between the contending forces.

2. Summoning of operators and miners to the White House for a round-table discussion.

3. Use of a threat of government seizure of the mines.

A decision may be expected shortly, possibly early next week, as the situation becomes more critical.

Labor officials have been in constant touch with all negotiations and it seemed certain Saturday that Davis would step in the role of "peace-maker."

If Davis's efforts are futile, President Coolidge himself plans to summon both factors and tell them point blank the country never will stand for a strike, that disputes must be reconciled and a steady supply of hard coal be taken from the mines for the approaching winter months. Seizure would be the last resort.

STATES UNITE FOR CHEAPER GAS

North and South Dakota Join Forces  
in Price War.

Bismarck, N. D.—North and South Dakota joined forces in a war on high gasoline prices.

Following the coup of Gov. W. H. McMaster, who forced the Standard and other big companies to reduce retail prices in South Dakota, Gov. R. A. Neston sent a telegram to the Standard Oil Company, of Indiana, demanding 16-cent gasoline in North Dakota.

State officials received notification from Gov. McMaster, who is at Marion, O., that contracts have been made for 160,000 gallons of gasoline now, and a half million gallons later, "to be sold at reduced prices."

The governor the other day issued a statement in which he said the retail price of 29 cents was "highway robbery."

The oil for which Gov. McMaster contracted at Marion is to be shipped to Mitchell, it will cost 15 cents a gallon and will be sold at 16 cents direct from tank cars.

Standard Oil dealers at Sioux Falls announced they had orders to sell at 15 1/2 cents a gallon and that the Standard price throughout the state will be that figure.

Unter Den Linden—Now Dog Market.

Berlin—Unter den Linden has become one of the world's greatest dog markets. Enterprising former soldiers and other Germans who have police dogs to offer go to the heart of the tourist section of the city and parade their wares before the hotels and other centers thronged by foreigners. While all the great police dogs of the wolf strain are muzzled and held on leash according to the municipal regulations, it does not prevent them from trying to fight.

## Fireworks to Show Smyrna's Burning At The State Fair

Another great fireworks feature has been obtained for the \$5,000,000 Michigan State Fair which will be held in Detroit from August 31 to September 9. Secretary-Manager George W. Dickinson has announced.

This monster pyrotechnic spectacle will be known as the "Burning of Smyrna," being a vivid re-enactment in multi-colored roaring flames of the great tragedy that not so long ago held the attention of the world.

This demonstration will be held in the race track inclosure the first three days of the fair. From then on the great spectacle "India" will be held daily until the end of the exposition.

"India" combines from history and legend a medley of entrancing scenes, mystic ceremonies and thrilling episodes of that great wonderland of the Orient.

Included in the spectacle, which occupies over 500 feet of scenic space will be seen the Durbar of Delhi, Indian Sutee, Pageant of State, religious ceremonial of Ramazan and the mutiny and destruction of Delhi.

INDIA IS GIANT  
FAIR FEATURE

THRILLING SPECTACLE AMONG  
\$50,000 FREE SHOWS

TONS OF FIREWORKS TO BE USED

Hundreds of beautifully costumed princes, Maharajas, muharrattas, natives, soldiers, British officials, with live elephants, gaily caparisoned howdahs and mohats, horses and cars of juggernaut will pass in review at the big fireworks spectacle "India" which will be one of the \$50,000 free attractions at the Michigan State Fair, August 31 to September 9. Secretary-Manager George W. Dickinson announced.

"The feature, with a weaving mass of actors and animals typifying a great oriental pageant, is probably the greatest of its kind ever produced," Mr. Dickinson said.

"The ancient custom of Sutee, or immolation of the widow on her husband's funeral pyre will be one of the subjects treated in the spectacle. This is a custom that the British authorities have tried hard to suppress, but is still carried on in various parts of India. Efforts to eradicate it have caused much trouble for the British government among the natives."

"Two full carloads of fireworks and equipment will be used in this exhibition. The shipment includes more than 20,000 square feet of scenic settings, literally tons of rockets, bombs, set pieces and pyrotechnic paraphernalia, together with material for the 500-foot outdoor stage on which the production will be held."

A staff of fireworks experts will arrive a week or so before the fair to build the structures and select the cast for the pageant.

CHICKEN SEEKS  
HONORS AT FAIR

EGG AND PRODUCTION CONTESTS  
TO BE FEATURES IN  
DETROIT

Michigan's best-looking chickens are going to furnish a few thrills in the shape of an egg laying contest at the \$5,000,000 Michigan State Fair which will be held from August 31 to September 9. In addition, there will be a production contest in which the biggest eggs will take the honors.

Lectures will be given each day by E. C. Foreman, associate professor of poultry husbandry at the Michigan Agricultural College, who is superintendent of the fair's poultry department.

Mr. Foreman will tell farm and city folks how they may pick out a good chicken by the looks and feel, and what steps they should take to get better production in their chicken yards.

"This will be one of the farm subjects that will appeal to many city as well as rural dwellers," said George W. Dickinson Secretary-Manager of the fair. Thousands of persons living in cities have small chicken yards and the information Mr. Foreman will give them will enable them to cut the cost of living still more.

"The information to be gleaned from this department is especially valuable for the farmers to look to his poultry flocks for a share of his income. The application of the scientific principles demonstrated at this exhibit will, if the lessons made use of, result in greater production and bigger profits."

Once when he was ill, she navigated his four-masted schooner bound from the west coast of Africa, taking her regular trick at the wheel.

## STATE NEWS IN BRIEF

Grand Rapids—About 200 delegates attended the annual state convention of the Ancient order of Hibernians and its auxiliary here.

Blanchard—George Drake, 43 years old, a carpenter, was killed instantly when he fell on his head from the roof of the new barn on the Smith Guy farm.

Willis—Charles Thompson, 60 years old, ended his life by hanging himself in a barn on his farm near Willis. He was an auctioneer and farmer. No cause for his act has been given.

Saginaw—A building bee of at least 100 American Legion men of the eighth and tenth districts will join in the erection of a big bunk house at the legion camp, Higgins Lake.

Lansing—Charles J. Deland, Secretary of State, has suspended the licenses of 20 Detroit motorists. Licenses of 11 drivers from other sections of the state were also suspended.

Monroe—Petitions in the village and township of Erie for the purpose of raising funds with which to purchase fire equipment, have been circulated. As soon as sufficient funds have been obtained a permanent organization will be formed.

Rapid City—Fire, the origin of which has not been determined, last week practically wiped out Rapid City, a resort town of 300. The loss is estimated at \$50,000. The Methodist church, town hall, postoffice, drug store and hardware store were destroyed.

Holland—Two aviators, who hoped to fly from Milwaukee in the first attempt to fly across Lake Michigan in a land plane, successfully completed the trip, according to reports issued here. The aeroplane landed at Holland 57 minutes after it had left Milwaukee.

Hillsdale—Miss Virgil Roe, of Franklin, Ind. has been appointed assistant professor of economics at Hillsdale college. Miss Roe received the degree, bachelor of arts from Franklin college in 1919, being graduated with honors in her major subject, mathematics and "cum laude" in course.

Detroit—Albert Lenhagen, 43 years old, kleptomaniac burglar, who escaped last week from the Asylum for the Criminally Insane at Ionia, was captured here by Detective Lieut. William Eck and Detective John Hoffmann, who found him looking in a grocery store window. He was returned to Ionia.

Pellston—Twenty-nine brush fires which sprung up from three miles north of here to Mackinaw City are believed to have been caused by sparks from engines. The worst fires were at Leavering and Carp Lake. Section men and residents of the various towns fought the fires which gained rapid headway because of the dried condition of the land.

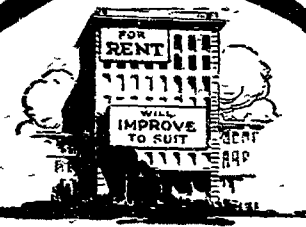

Alpena—The order of Hagarai concluded its convention here by choosing Marshall, for the convention in 1924. The following officers were elected: Oscar Ehrman, Kalamazoo, president; Max Kramer, Detroit, vice-president; Paul Richter, Lansing, deputy; Ernest Wilks, Detroit, secretary; Mrs. Ottilie Mooy, Detroit, and John Eibler, Ann Arbor, trustees.

Cadillac—Eugene Miller, arrested several weeks ago on a charge of attempting to wreck a passenger train on the Pennsylvania lines near Marquette, pleaded guilty to the charge and was sentenced by Judge Fred S. Lamb to from 15 to 25 years in Marquette prison. Miller, at the time of his arrest, claimed he wanted revenge for having been thrown off a freight train some time previous.

Flint—Genesee county now has its first woman deputy school commissioner. She is Miss Belle Jordan, former deputy in the county clerk's office and one of the best known school teachers in Genesee county. The appointment of Miss Jordan by Miss Florence Nichols, recently elected county school commissioner, now places the destinies of the rural schools of Genesee county entirely in the hands of women.

Detroit—Detroit will be visited Aug. 25 by General John J. Pershing, it is expected, incidental to resumption of his military tour of inspection halted by the death of President Harding. According to a wire sent General George Van Horn Moseley, commanding officer at Camp Custer by Major General Harry C. Hale, commanding officer of the sixth corps area, General Pershing will resume his trip and carry out the original schedule.

Detroit—Two municipal landing fields in Detroit for air-craft, complete air mail service, new commercial air lines, city and state legislation for aeronautical development and use of aircraft for the state forest patrol—these are some of the aims of the Detroit Air board, organized in Detroit. The formal meeting was held at the Board of Commerce. In a national way, the new organization will work for the establishment of a new department of the federal government, its head to be a member of the cabinet.

#### LET MICHIGAN BEWARE.

Immediately following the date when Virginia's gasoline tax law went into effect, filling stations in Richmond marked up their prices five cents a gallon, according to the New-Port News "Times-Herald."

#### TOOK GOODS FROM FREIGHT CAR.

William Soul and Sherman Robinson of Detroit, were arraigned in Justice Phoebe Patterson's court, Monday morning, charged with breaking into a freight car in the Plymouth yards, and throwing out about \$500 worth of merchandise. They pleaded not guilty and were bound over to the circuit court, with bail fixed at \$2,000 each with two sureties. The men were arrested here by Chief of Police Springer, early last week Friday morning. All the goods were recovered. Plymouth Mail.

#### THAT'S GOOD: GO ON, SAID HARDING.

Sam Blythe's article which the late President liked now out in Book Form.

The article Mrs. Harding was reading to the dying president about himself, "A Calm Review of a Calm Man," by Samuel G. Blythe, will be published August 15th by Cosmopolitan Book Corporation. The article, which sums up the administration and personality of Mr. Harding, met with his approval and it was in the midst of it that he spoke his last words: "That's good! Go on, read some more." The issuing of this book so promptly will not only preserve permanently an invaluable historical monument, but will make available for every American citizen an unusual personal record of one of our best-loved presidents.

#### COULD NOT PROVE GUILT.

Editor Northville-Record: In your paper of August 10th, was an article entitled "To observe safety drive week." I see that the writer feels that I failed to do my duty while acting as prisoner in the case where F. Gray, while driving on the Plymouth road, went into the ditch and tipped over, killing the man who was with him. There is no doubt in the minds of many that Gray was guilty of a crime but could it be proven? Gray made the statement that he was driving between 30 and 35 miles per hour and up to the present time no one has come to me who would swear that he was driving faster than 35 miles and this the state law allows. Now if the writer of the article will get up a petition to hold on request signed by not less than five freeholders (which the law requires) and give names of good witnesses, I will only be too glad to take the matter up with the prosecuting attorney and if he will allow the request I will summons the jury that I impeached at the place and time of accident and will hold an inquest.

GEORGE H. BAKER,

Justice of the Peace.

#### MASONS TO HOLD PICNIC.

The second annual basket picnic, field day and barbecue under the auspices of the Masonic Masters association of Washtenaw county will be held in Eisenbeiser's grove, North Lake, about five miles north of Chelsea and eight miles northwest of Dexter, on Monday, September 24th—Labor Day.

All lodges within a radius of twenty-eight miles have been invited to participate.

It is expected that a number of prominent members of the Masonic Fraternity will be present from Detroit including officers and families of the Shrine of Consistory.

A beautiful silk four by six foot American flag will be presented to the Lodge having the highest percentage of its membership on the picnic grounds that day.

A very interesting program for old and young has been worked out and it is anticipated that there will not be a dull moment. Base ball, barn yard golf, tug of war, trap shooting, swimming events, water base ball, penny scramble for the kiddies and other events will keep things on the jump every minute of the day.

Ample parking space has been secured to take care of all automobiles on private grounds adjacent to the picnic grounds.

Some prominent member of the fraternity will make an address when the flag is presented to the Lodge winning it.

The place selected for this year's picnic is a beautiful spot with ample shade and facilities to take care of all the members and their families, including the in-laws and a very pleasant time for all is anticipated.

#### HONORED HIS MEMORY.

The stores of the village and the industrial institutions of the town closed last Friday afternoon as a tribute to the memory of the late President Warren G. Harding. The funeral at Marion was attended by upwards of 200,000, the little city being literally packed with people eager to add their tribute to their friend and president. Never in the history of our country has there been just such an outpouring of sympathy shown a citizen of America. Not only as president was Mr. Harding loved, but as a private citizen, as a friend and neighbor, he was held in highest esteem by those who had known him since boyhood. Mr. Harding believed thoroughly in the people. He believed they could be trusted and if properly aroused and interested they would settle the great problems confronting the world. As senator and as president he believed the framers of our constitution wrought wisely when they provided for the executive, legislative and judicial branches of our government and not once in all his active political career did he attempt to usurp the functions of either of these foundation stones. He believed in law and order, and that the security of our government rested in a just administration of our laws.

His remains were placed in the vault in the city cemetery at Marion and will remain there until a suitable place can be erected for their permanent abiding place. A company of soldiers will keep guard over his remains.

#### Novi News.

Joseph Handison and mother, attended the Farmers' picnic at Woodruff Lake, Wednesday.

Margery Stillwell and Zada Putnam spent part of this week with their aunt, Mrs. Clyde Putnam. They returned home Tuesday night.

Mr and Mrs. Frank Thompson and daughter Allene, and David Gage of Lansing, spent the fore-part of the week with Mrs. R. D. Stephens.

Do not forget the entertainment to be given at the Novi Baptist church tonight by Mrs. McLean of New York, who will give the reading "The Blue Bird." A number of musical selections will also be given, making a program all will enjoy.

The Michigan State Highway department has established its camp in this village and have about 250 men employed on the Grand River improvement between this place and Farmington. Up near New Hudson there has been a camp established for prisoners from Jackson prison and about 50 will be employed when the crew is fully manned.

#### ICE CREAM AND BOX SOCIAL.

The Ladies Aid of St. Paul's Lutheran church will give an ice cream and box social at the country place of Wm. Kreyger on Base Line road Thursday evening, August 23rd. Ladies are kindly requested to bring lunch boxes. All are cordially invited.

#### NOTICE.

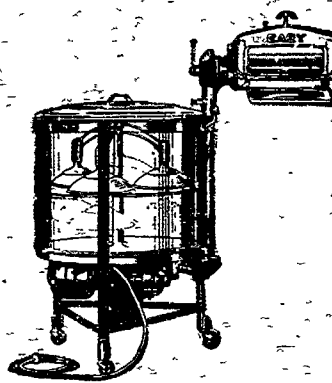

I have this territory for the sale of the E. W. Ross company, who are manufacturers of the best line and most dependable Ensilage Cutters that are on the market today. A size made for four horse power and up. Our regular size is our No. 60, which is suitable for any kind of tractor power. Capacities from 12 to 15 tons per hour. All sold on trial. If you are not pleased with it, it is no sale, and my price is 20% less than for any other filler of the same capacity. Don't think this is bunk. I mean business, and it will pay you to take time enough to look this matter up. Send for circular at once.

Now  
the Easy  
has Three  
Vacuum  
Cups

The new model EASY is a 3-cup washer, differing in this respect from all previous models.

The importance of this new feature cannot be overemphasized, for it has direct bearing upon the efficiency and speed with which it washes the clothes.

Just as the old model EASY with two vacuum cups had a distinct advantage over washers having only one cup, so the new model EASY with three vacuum cups is eminently superior to machines having only two cups.

Before buying an electric washer, make it a point to see the exhibit of the New Model EASY in our store—on phone for a free home demonstration. You will then be posted on the latest development in electric washers.
