HAS NORTHVILLE A FIRE BUG?

As Alfred Gow was returning to his home in Novi township last Thursday night, shortly after midnight, he discovered that the large barn on the John Christensen farm, situated on the Northville-Nowi road, was on fire and at once aroused Mr. Christensen who by the use of the telephone spread the alarm as rapidly as possible. By the time the men folks of the farm reached the building the fire had gained such headway that entrance to the barn was deemed unwise and all their efforts to subdue the flames proved futile. The wind was favorable and the many willing workers who had gathered kept the fire from spreading to other buildings. Of course the cause of the fire is unknown, but it is said that members of the family had been aroused a short time before the alarm was given by the barking of the dog, and this led some to believe that the fire was purposely started by some one.

The loss is estimated to amount to upwards of \$8,000 and Mr. Christensen carried but \$3,000 insurance. The barn contained 600 bushels of old wheat, 70 bushels of old oats, 55 acres of new oats, 24 acres of new wheat, 75 bushels of old barley, 100 tons of hay four calves and a quantity of farm tools. The calves were burned with the building.

Saturday night, or to be more exact about two o'clock Sunday morning fire was discovered in a hay stack at the home of Peter Wall on Griswold street, but nothing was thought of that because of the fellows who are often seen hanging around the premises. Sunday morning at about five o'clock the fire alarm was again sounded when blaze was seen issuing from the barn on the farm owned by J. P. Cochran at the head of North Center street. In this fire some chickens were burned and a pig which ran into the burning building perished in the fire. It is believed that this fire was maliciously started by some one.

Sunday night a little after midnight Nightwatchman Stage noticed three strangers with an auto without lights near the Main Street Garage and while he was questioning them Ralph Simons came speeding into town and informed the officer that he had discovered a blaze at the Standard Oil Company's building near the Pere Marquette railway station as he was crossing the P. M. tracks on the Seven Mile road. Messrs. Stage and Simons hastened to the scene of the fire and sure enough the building was on fire, waste having been used in starting the flames. The fire was soon extinguished and Officer Stage began a search of the village for the strangers. In company with Marshal Lyke he drove about the village and made inquiry of all who were asleep and finally the fellows were found on Cady street and were taken to the village jail. Monday forenoon a deputy sheriff from Detroit came out and took the fellows to the county jail for questioning.

This last fire seemed to confirm the belief that many had entertained that this section was being visited by a fire bug, and naturally people are somewhat alarmed.

People will do well to keep a close watch of their premises for a while in an effort to defeat the plans of the fiends if they are operating here. If any suspicious looking persons are seen about the premises after night, shoot straight and make inquiries afterwards.

Some one has started the rumour that the fires over in Novi township were the outgrowth of the school election, but that is nonsense. None of the parties to that contest are arsonists, nor would they stoop to destroy lives and property to seek revenge. The fellow who is doing this work, is without a doubt, some weak minded half wit who likes excitement and enjoys hearing the fire alarm screech in the middle of the night.

FAIR NOTES.

Articles entered in the Woman's department at the fair must be made by the person entering them.

The Woman's department at the fair will be opened Monday afternoon and evening until eight o'clock, for entries in fancy work and the committee would appreciate it if the town's people would make their entries at that time.

C. A. Ponsford and daughter, Beth, are expected home today.

DETROIT WOMAN DIES FROM HER INJURIES.

As a result of an automobile accident on the Novi road in front of the Sessions farm Sunday afternoon Mrs. Herbert Wood of Detroit, died in the office of Dr. W. A. Nelson in this village. Two cars collided, one a Ford and the other a Dorr, and Mrs. Wood was thrown through the windshield of the car in which she was riding with her husband and George Grooms and Elizabeth Bywaters and she struck on her head in the wheel track, crushing her skull. J. D. Schultz was driving the other car and only one of his companions was injured, and he only slightly.

Mrs. Wood was brought to Northville as rapidly as possible and taken to Dr. Nelson's office, where she soon expired, all efforts to save her life being of no avail. It is said both cars were going at a rapid rate and in attempting to pass their wheels and prepared for burial. Funeral services were held at the chapel on Wednesday afternoon and burial took place at Rural Hill cemetery. All of the relatives of Mr. and Mrs. Wood reside in England. She was 27 years of age and was highly esteemed by those who knew her.

Mrs. Wood's remains were removed to Schrader Brothers' funeral chapel and prepared for burial.

STOLE TRUCK AND ITS LOAD

Last Friday a farmer by the name of Leake, who resides in Commerce township, drove his truck loaded with eggs and huckleberries to Pontiac and while he was in a restaurant getting a lunch some one drove the machine and its load away. The truck was traced to Northville and with the assistance of Marshal Lyke, the vehicle was found on the Plymouth road near Waterford, shipped off about everything that could be removed. Mr. Lyke went before Justice of the Peace Baker and asked for a search warrant, giving in detail a description of his truck, its tires, and all equipment, and in company with the officer visited the home of Frank Eckles and a great deal of the stuff was found. Others residing near had taken some of the huckleberries, blankets and cushion from the seat. All that was left intact of the truck were the wheels and body, so thoroughly had the desperadoes done their work.

Eckles was placed under arrest and when arraigned before Justice Baker he pleaded not guilty and he was released under \$500 bond to appear next Monday for trial. Other arrests will be made in connection with the affair.

FORESTERS VS. MONROE TEAMS AT CARELTON.

The second game of the three game series of base ball will take place next Sunday. This has reference to the Greening Nursery team of Monroe against our Northville Foresters club. This game also will take place at Carelton, Sunday and if Northville can win, it will end the series. Northville won the other game by a very close margin—the score being 2 to 1. Should the Monroe boys win, then another battle will be necessary to decide all arguments. If the coming game has added attendance at Carelton it will surpass all crowds that ever attended a game in that village. Three hundred and twenty-five automobiles entered the park at the recent game there between these two teams, over one hundred being from Monroe.

FORESTERS' PICNIC A SUCCESS.

The Foresters' picnic held on Sunday at Keith's grove at Union Lake was well attended and proved a most enjoyable affair. Upwards of 200 people enjoyed the delightful day out in the open and made merry with their friends and neighbors. The Northville band accompanied the merry company and gave a most enjoyable program in the afternoon. The program of sports proved a great deal of real fun and boating and bathing added to the pleasure of the day. At noon all partook of a bountiful dinner served from baskets filled to the brim.

FORMER NORTHVILLE GIRL MARRIED.

Miss Bonnie Mueller, youngest daughter of Mr. and Mrs. L. Mueller, was married to Hugh Titus of Ypsilanti, in Detroit, Wednesday, August 8th. The bride is one of Plymouth's popular young ladies of the younger set, and her many friends here extend congratulations and best wishes. The young couple will reside in Ypsilanti—Plymouth Mail.

Mr. and Mrs. Robert McCully spent Sunday with Birmingham friends, at their cottage at Woodhall Lake.

WHY NOT TRY A 25c LINER IN THE RECORD?

STATE NEWS IN BRIEF

Mackinaw City—Highway Commissioner Frank Rogers has been authorized to purchase the G. R. & I. dock here, to be used by the State auto ferry.

Saginaw—A building bee of at least 100 American Legion men of the eighth and tenth districts will join in the erection of a big bunk house at the legion camp, Higgins Lake.

Caro—Merton Morse, 41 years old, was drowned while swimming with his sons at Foster Dam. The boys were unable to reach him in time to give him help. The body was recovered.

Paw Paw—Horseshoe pitching, sack races and boat and swimming contests were among the attractions of the annual home-coming celebration of this city at Pugsley's lake last week.

Fenton—Charles Johnson, 85 years old, veteran of the Civil war, died at his home here after a long illness. Johnson went from Michigan to New York at the beginning of the Civil war, and enlisted in the 126th regiment N. Y. volunteers, in which he served two years.

Calumet—Michel Sunich, 9 years old, was electrocuted here when he chased a squirrel to the top of a power line pole, and grasped a high tension line. He was killed instantly. The boy's companions fled when the body dropped from top of the pole. The body was discovered some time later by pedestrians.

Hart—Ambrose Mason, 93, said to be the oldest Mason in Michigan died at his home here. He was a carpenter by trade, and was actively engaged in the pursuit until past 87 years of age. He was the last surviving charter member of Wighton Lodge No. 253, F. & A. M., of Hart, which was organized in 1867.

White Pigeon—The fifty-ninth annual reunion of the Eleventh Michigan volunteer infantry association was held at White Pigeon. The regiment was mustered in White Pigeon in September, 1862 and left the following month for the front. It was engaged in the battles of Stone River, Missionary Ridge, and Chickamauga.

Saginaw—Articles of association of the Saginaw Transit company have been filed with the secretary of state also a petition with the Public Utilities commission, asking approval of the financing of the company that is to operate Saginaw's transportation system under the franchise granted by the people at the election, June 25.

Grand Rapids—Frank H. Sommer, 33 years old, a junk dealer whose hobby it was to follow the fire apparatus as it sped to alarms, died recently of heart disease due to the excitement of following the shrieking siren. He took up the chase as a fire truck passed his home, but suddenly fell dead. The alarm, it later was discovered, was false.

River Rouge—The D. U. R. is officially an outcast in River Rouge. "Get on, and stay on!" ordered the River Rouge council last week. The railroad was told, in a resolution introduced by Mayor Thomas Dresbach and adopted unanimously, to remove its tracks from River Rouge's streets and to halt forever any operations within the city's limits.

Lansing—A net profit of more than \$13,000 is shown in the final report of the State fuel administration, completed by Administrator W. W. Potter. The administration has given a drawing account of \$500,000 and \$15,000 for expenses. It turned back \$533,723. The fuel administration was created by a special act of the Legislature to function during the coal shortage last winter.

Detroit—Michigan has 125,000 acres of land devoted to the culture of sugar beets, as against 45,000 acres in Ohio and 10,000 acres in Indiana. So much was developed in the report of F. R. Hathaway, of Detroit, secretary-treasurer of the Michigan Sugar Beet association and an officer of the Ohio organization, as he offered it to the Trans-Michigan-Ohio-Indiana Shippers' convention at the Board of Commerce, Detroit.

Lansing—The purchase of a second steamer for the state ferry service across the Straits of Mackinac was authorized by the State Administrative Board. A report submitted to the board showed that the boat now in service cost about \$25,000 and is averaging about \$500 a day receipts, although its rate is far lower than those formerly in force. It is the idea of Gov. Groesbeck and other board members to ultimately make the ferry service free, as part of the state highway system.

Lansing—Completion of concrete highways between Ann Arbor and Detroit and between Grand Rapids and Grand Haven, has been approved by the state administration board. Contracts were let for the stretch of road between Ann Arbor and Ypsilanti needed to connect up the concrete on M-53, while other contracts were let for connecting bits of road near Marne on M-16, supplying the parts of the road between Grand Haven and Grand Rapids not finished or under contract at the present time.

West Branch—The town of Damon, northeast of Rose City, which at one time was an extensive trading center and lumbering town, is being torn down. The buildings will be shipped to other points.

Holland—Two aviators, who hopped off from Milwaukee in the first attempt to fly across Lake Michigan in a land plane, successfully completed the trip, according to reports issued here. The aeroplane landed at Holland, 57 minutes after it had left Milwaukee.

Camp Custer—Word has been received here by Brigadier General Mosley, from sixth corps area headquarters that General Pershing will be at camp the latter part of August. It is planned to make this the greatest day in the history of Custer. It will be called Detroit day.

Marquette—That immediate steps will be taken to have flood-gates installed in the Nottawa creek drain, was indicated, when it became known that petitions had been drawn up for circulation among those taxed for the drain. It is claimed the drain has ruined land and timber.

Marquette—From three states outside of Michigan come students who received certificates at the first commencement program ever held in the Northern State Normal school at the close of the summer school session. Three were from Kansas and Wisconsin and one from Minnesota.

Marquette—Mrs. Mary Schwetzer, 87 years old, who lived in Marquette longer than any other pioneer resident, died in St. Luke's hospital here, where she had been a patient for two years. Mrs. Schwetzer came to Marquette 72 years ago, from Cleveland, where her family had settled after coming from Germany.

Kalamazoo—The 21st annual convention of the Michigan Letter Carriers' Association was held here and one of the speakers was A. P. Lang, of Pleasantville, O., president of the national organization. Another speaker was Willis Lawrence, of Climax, Michigan's first rural carrier, who is still carrying mail after 27 years' service.

Lansing—Prosecution of Michigan cantaloupe growers who sell green melons treated to look as though they are fully ripe may be started by the State, according to an announcement from the Department of Agriculture. The Department was compelled by State inspectors to destroy nearly all of two shipments which were so treated.

Watsonville—Marcus Hobart, a farmer of Gifford township, and Clifford Wilson, Juniata township, were thrashing on the former's farm, when a spark from the end of the separator set fire to the barn and all the grain, a horse, three hogs, a calf, three silos, a house, 800 bushels of beans, 500 bushels of wheat and his entire hay crops were destroyed.

Iron Mountain—Two girl scouts, Evelyn Vander Weide and Beatrice Pilote, both 13 years old, of the Rainbow troop Escanaba, saved their companion, Hazel Cole, 12 years old, from drowning in Lake Michigan. They will be awarded special scout medals for their bravery. The Cole girl ventured out into the lake beyond the others and stepped into a deep hole.

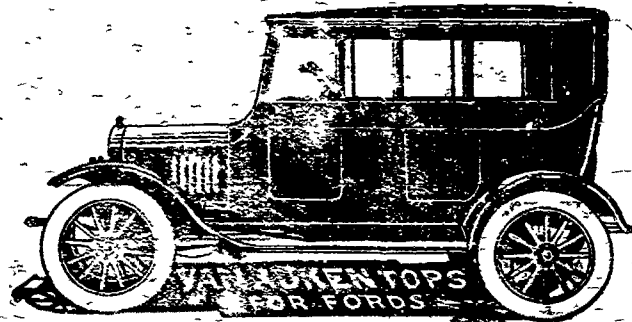

Camp Custer—Nineteen foundations already are laid, walls to sixteen buildings are up and the first story completed on three structures which form a part of the government's new \$2,500,000 psychiatric hospital at Camp Custer; the hospital which President Harding personally directed should be located here, in view of the proximity of other big medical and surgical institutions.

Kalamazoo—Convicts from the Jackson State prison were at work on the Galesburg-Augusta highway helping to complete one of the last gaps in the all-paved way from Detroit to St. Louis, Mo. The prison inmates' camp was set up near the village of Augusta. The work is well under way with orders from the state highway department to rush the gap to completion this fall, if possible.

Detroit—A presentation of William Tell, modernized by the substitution of rifle and the can for bow and apple, ended fatally when Salvey Harper, 47 years old, died in Receiving hospital. The police say Harper and Oscar Haynes, a neighbor of 4645 Lumley, tried some sharp-shooting on the city dump near their homes, one holding a tin can while the other tried to send a bullet through it. Harper fell with a bullet through his head.

Grand Rapids—Mrs. J. S. Marts, of Lake Odessa, has been elected president of the United Brethren Christian Endeavor and Sunday School union, which concluded its twenty-sixth annual convention here. Other officers named are: Vice-President, Rev. C. H. Zuse, of Wyoming Park; recording secretary, Mrs. Mary Babier, Sodus; corresponding secretary, Miss Gertrude Kelsner, of Detroit; treasurer, Mrs. Mildred Gladstone, St. Johns.

Marquette—Bodies of 11 Civil War Veterans, buried in the Old Catholic Cemetery here years ago, will be moved to the special plot being maintained by the Women's Relief Corps for Veterans within the next month, it was announced here. Permission has been granted the corps by the Right Rev. P. J. Nussbaum, bishop of the Marquette Catholic Diocese, and city health officers. The bodies to be removed are the remains of veterans whose relatives are either dead or can not be located by the committee.

Novi News

Mar-in Bogart, who has been in Grace Hospital with a fractured hip, has been removed to his daughter's home, Mrs. Richard McGuire, at Flint. He is improving as well as could be expected.

Novi township had another barn fire Sunday night when the barn on the farm known as the Carl Ely farm, a half-mile east of this village, on Grand River avenue, was destroyed with its contents, consisting of a team of horses, a motor truck, harness and a quantity of produce. The farm is now owned by Detroit parties.

In discussing the fire losses in this township within the past week, Secretary Harry M. Bogart of the Motor Insurance company, said his company has suffered \$10,000 worth of losses so far. Mr. Bogart said "The Christensen loss last week is the heaviest the company has ever sustained. We are wondering whether the \$10,000 are the work of a fire and if so how many more are to come. It will mean a heavy loss to members of the company."

CHARGE MAN SUE FOR BREACH OF PROMISE

Charging that Ray Parker, 30 years old, of Commerce, Mich., betrayed her under promise of marriage which he failed to fulfill, Elsie Robson, 27, is suing Parker for \$15,000. Alleged breach of promise. Parker is in jail at Pontiac, awaiting release on a \$1,900 bond. The suit was filed in Oakland county by Maurice Fitzgerald, attorney for Mrs. Robson.

The defendant charges that the proposal of marriage was made in May and was repeated at various times prior to July 14.

The bill charges that in March Mrs. Robson, widow of a soldier who was killed in France, went to the home of Parker, on a farm near Commerce, to act as housekeeper for him and nurse his motherless child, two years old. She states that she accepted his marriage proposal, with the understanding that the wedding would take place within a month and that for this reason the two lived together until July 13, when Mrs. Robson left for Detroit, to buy clothes and visit friends. She declares Parker accompanied her to the train and bought her a ticket.

On July 14, she charges, she returned to the farm house to find it locked and deserted. She summoned an officer and obtained her belongings and since that time has not seen Parker but was informed by him that he did not intend to marry her she alleges—Detroit Free Press.

WHEAT'S VALUE MORE THAN DOLLAR TO HEN.

Wheat fed to the chickens is worth considerably more to the farmer than wheat sold at the present market price, according to C. M. Ferguson, poultry specialist at the Michigan Agricultural college.

Whole wheat may be substituted for corn meal, the scratch feed and dry mash, says Mr. Ferguson, who has studied the nations being fed at the M. A. C. poultry plants. An excellent scratch feed that is being used at the college, is made of three parts wheat and one part corn, in place of equal parts of wheat and corn.

But the largest saving, in substitution, he says, comes in grinding the wheat, and substituting whole wheat in the dry mash for the bran and middlings usually fed. The old formula for the standard dry mash was equal parts of bran, middlings, corn meal, ground oats, and meat scraps.

The new formula, now being fed at the college poultry plants, and recommended to all farmers with a dollar a bushel wheat on their hands, is: two parts of ground whole wheat, and one part each of corn meal, ground oats, and meat scrap.

The whole wheat increases the feeding value of the mash, and it is a well known fact that the feeding of wheat increases the egg production. Each hundredweight of wheat used saves buying that much bran and middlings. With middlings at \$40 per ton, wheat has a substitution value of more than \$1.20 per bushel for poultry feed.

SAFETY SIGN FLOAT.

In the Safety First parade, staged as the opening feature of Wayne County's Safety Week, a conspicuous and interesting exhibit was a float on which the County Road Commission showed in review of their various safety devices employed on the county's world famous cement road system.

Week's News in Brief

Noted Author Dies.

Chicago—Amelia Gere Mason, noted author, died here after a prolonged illness. She was 92 years old.

Old Newspaper Man Dies.

Youngstown, O.—George McGuigan, 67 years old, for 27 years columnist on the Youngstown Vindicator, died at his home here. He formerly was an employee of the Kansas City Star and other newspapers.

Went Pay Czarist Debts.

Moscow—Russia, that he proposed to acknowledge the Czarist debts as a means to obtain foreign recognition was made by Leonid Krassin, Bolshevik commissar of foreign trade and commerce in an official statement.

Loses Life in Alps.

Interlaken, Switzerland—A 16-year-old boy, member of a Philadelphia family named Wey, was killed by a fall of 2,000 feet, while climbing Weissstrau mountain, according to word received here. The boy's father and brother escaped with slight injuries.

Many Homeless in Flood.

Tokio—Tidal waves combined with a severe storm, have submerged 25,000 houses along the Yalu river and on the west coast of Korea. No estimate of the loss of life has yet been received, but it is said the damage to crops and the lumber industry will be heavy.

Bella Toll Ends 33-Year Silence.

Pawtucket, R. I.—For the first time in 33 years the bell on the Samuel Slater mill, pioneer cotton manufacturing plant in the United States, tolled in tribute to the late President Harding. The last time it sounded was in celebration of the cotton centennial in 1890.

Villa's Assassin Arrested.

Mexico City—Deputy Jesus Salas Barraza, confessed author of the assassination of Francisco Villa, was lodged in prison here, pending trial. Barraza arrived from Monterrey under heavy guard. He was arrested on a train en route to the border. He talked freely of the assassination.

Old Cathedral Repaired.

Paris—A modern engineering feat is planned to prevent the collapse of the medieval cathedral at Strasbourg, built in 1439. The cathedral settled on its faulty foundations and began to spread and split apart. It has been decided to lift the old structure with gigantic hydraulic jacks while reinforced concrete work is done on the foundations.

Tomato Banks Third in Crop Yield.

Washington—The tomato now ranks third in importance among truck crops, according to the Department of Agriculture, and demand for high quality or slicing tomato is increasing. Present need of the early and truck crop tomato industry is not increased acreage, the department said, but a general improvement in the growing, grading, packing and marketing of the crop.

Bullet in Brain, LIVES.

Napa, Wis.—Despite the fact that Bernard Blank, 18 years old, has a bullet embedded in the base of his brain, physicians say he will recover, but the bullet must stay there. It is in such a position that physicians do not dare to operate. He was shot by Seth Radin, one of his companions, who was playing with a loaded revolver. Supported by his companions, Blank walked a mile to a waiting automobile.

Bury Glass to Avert Forest Fires.

Snoqualmie, Wash.—All bottles found along highways running through national forest reserves must be gathered up and buried by rangers on the north or shady side of some mountain. These instructions are given out by the forestry service on the theory that the glass bottles absorbing the sun's rays to a heated focus start fires when conditions are just right. Many tests have been made to ignite matter with bottles and failed.

Boa Constrictor Makes Isle Desert.

Crookston, Minn.—Flag Island, 49 miles west of Warroad, Minn., once a popular spot for picnickers, is now shunned by human beings, according to a report received here, which declares the island is inhabited by a South American boa constrictor. The king of snakes was recently brought back from South America by Fay Young of Warroad. It was penned up on Flag Island, according to reports here, but recently made its escape.

Giant Who Stood Beside Lincoln Dead
Pottsville, Pa.—John Schultz, who because of his unusual height—6 feet 6 inches—was selected by President Abraham Lincoln to stand beside him when he reviewed the Union troops at the close of the Civil War, is dead at his home here. Schultz was a member of Company G, 129th Infantry, and when the regiment was passing the President, noticing Schultz's great height and martial bearing, called on the soldier to stand beside him during the review.

PAINT

....That's Paint....

Before selecting your Paint we invite you to come here and let us tell you about the brands we carry. Gallon for gallon they will cover more surface and cover it better than any other Paints on the market.

This is a good time to paint your house and other buildings and here is a good place to buy your Paints and Oils, Varnishes and Stain.

Let us do that job of Eave Troughing while the weather is pleasant. Why put it off until fall, when it gets cold and disagreeable.

NORTHVILLE, MICH., AUG. 24, 1923.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897, for the week corresponding to this week.

T. P. Banks of Detroit was in town Wednesday.

Mrs. Withee has been seriously ill for several weeks.

Miss Edith Ely left for her home in Gladstone, Tuesday.

Ralph Buzzell is the new tonsorial artist in Thurston's barber shop.

Mr. and Mrs. Stewart-Montgomery are on a two weeks trip up north.

Miss Clara Stonebraker of Bay City is the guest of Margaret Thompson.

The Misses Bertha VanZile and Maude Buchner are visiting in Pontiac.

Mr. and Mrs. W. J. Somerville have returned from a month's visit in Canada.

Mr. and Mrs. M. Benbrook leave next week for their new home in Chicago.

Mrs. Fannie Pearsall has had as her guest this week, her sister, Mrs. Winney of Detroit.

Miss Lillian Simmons has been spending a few weeks with her aunt, Mrs. L. H. Barnum.

Wm. Willets of Plattsburgh, Neb., is here visiting his mother, who has been ill for some time.

Mrs. Emma Horton of Bay City arrived in Northville Wednesday for a visit with relatives and friends.

Mrs. S. J. Haynes, Mrs. A. M. Burgess, and Miss Retta VanValkenburgh have been at Orchard Lake this week.

R. H. Purdy has purchased the Cook peach orchard south of town, and the B. Simmons plum orchard north of here.

Ormal King and son, Ray, moved to Plymouth next week. His mother, Mrs. Empey of Romeo, will keep house for them.

The women of Northville have sent a barrel of canned fruit, jellies and other delicacies to the sick boys of the 32nd at Fernandina.

Miss Myrtle Dungan of Indianapolis and Miss Little of Lockport, N. Y., were guests of Mrs. L. W. Smith the past week.

M. A. and R. H. Porter have been entertaining their nephew, Wotling of the Nashville High school, and Mr. Mallory, this week.

G. S. VanZile received last week a copy of the Los Angeles Times, sent him by his son, Foster. He is at work in a furniture factory in that city.

Adrian Nagellvort of Detroit, visited at A. W. Ely's last week. Nagellvort, tho but fifteen years of age, has just returned alone from a trip through South Africa.

Dr. T. H. Turner has leased the F. D. Adams' house, corner Main and Wing streets, and intends to move here from Farmington not later than September 1st.

In the transfer of some papers last week F. R. Beal paid out \$8 for war tax stamps probably the largest amount paid in Northville for any single transaction thus far.

Mrs. Andrew Harmon entertained Messames Winney and Perrigo of Detroit, Danton and Madison of Wixom, Fuller of Novi, Pearsall of this place and Miss Ena Fuller of Howell last week Friday.

While enroute for Novi with his wife and daughter, Tuesday, Tom Taylor's horse became frightened at G. P. Allen's stove repair wagon on Center street and turned short enough to "dish" one of the forward wheels, landing the occupants safely on the ground.

T. G. has added five more years to the already past 25 years of business life. Commencing August 20th I will offer my services and the past 25 years of experience to the people of Northville. Everybody welcome at T. G.'s whether looking for goods or not, glad to see you at any time.

METHODIST CHURCH NOTES.

On Sunday next the pastor will preach on "Drinking Legal Wine." The service is at 10:30. A cordial welcome to the public is extended.

The Sabbath school will meet at 11:00 o'clock.

No services in the evening. The evening services will be continued Sunday evening, September 2nd. Three weeks from next Tuesday the annual conferences at the Central Methodist Episcopal church, Detroit. This means the closing of our business for the year. We have had nothing to regret through the year. We have done our best as a church for the community in the great task of the Kingdom of God. God forbid that "any should come short of it."

OBITUARY—ANDREW HOUK.

Andrew Houk, mention of whose death was made last week, was born July 24th, 1838, on the Houk farm two miles south and west of Northville, where he grew to manhood. On August 20th, 1862, he enlisted in Company D, Fifth Michigan cavalry, which was organized in Detroit, and left for Washington, D. C., December 4th, 1862, where they were assigned to the Michigan cavalry brigade, known as Custer's brigade. He served with the regiment at Gettysburg and in a number of other engagements, until, February, 1864, when he was transferred to the invalid Corps at Washington, where he remained until he was honorably discharged on June 29th, 1865.

Returning to Northville he was married to Celestia D. Gogdell on September 8th, 1867. Their only child, Vera Fenn, died in June, 1894, and Mrs. Houk passed away on February 1st, 1919. The nearest surviving relatives are a step-daughter, Mrs. LeRoy Naylor, a son-in-law, Fred E. Fenn and five grand-children, among the number being Mrs. R. D. Willis, who kindly cared for the deceased during his last illness.

Funeral services were held at his late home on Friday afternoon and were conducted by Rev. William

Richards, who based his remarks upon the words found in 1st Timothy: "I have fought a good fight."

Members of the G. A. R. from Northville and Detroit were present and Northville Lodge, F. & A. M., conducted the services at the grave, rendering the impressive ritualistic service.

Progressive Republicans to ENJOY PICNIC.

The annual excursion of the Progressive Republican club of Detroit will take place on Wednesday, August 29th, on the steamer Put-in-Bay, boat leaving the dock at the foot of First street, Detroit, at 9 o'clock; returning at 8:30 p. m. Members of the Republican county committee, state and local officers, also others interested in party politics, have been invited to make the trip to the popular Ohio island resort on this occasion.

Milton Carmichael, secretary of the county committee, is president of the Progressive Republican club, so that this can be looked upon as the official opening of the campaign of 1924. Fare for the round trip is only 50 cents; children one-half that sum.

BAPTIST CHURCH NOTES.

Thanks to the good friends for a cottage and a car that made the pastor's vacation one of the best he ever had.

The social held at the church parlors last Tuesday evening was a big success. Every one had a good time. Old and young took part in the games.

At this gathering a social program for the coming season was adopted.

New members will receive the right hand of fellowship Sunday morning.

Sacrament of the Lord's Supper will be observed Sunday morning.

Subject of Sunday morning sermon will be "How Christians Should Grow."

The evening subject is "Signs Along the Road."

NOVI NEWS.

Clarence Snow and family spent the week-end among out-of-town friends.

Homer Kent is spending a time with his uncle and aunt, Mr. and Mrs. Floyd Biery.

Born to Mr. and Mrs. Archie Kent, August 15th, a ten-pound daughter, Thelma Ruth.

Mr. and Mrs. P. C. Eires of Flint spent Saturday and Sunday with Mrs. Alice Jones.

Mrs. James Lapham, Maurine and Maurice and Mrs. Alice Jones were in Pontiac, Tuesday.

C. J. Woodruff and wife from Detroit spent Saturday night and Sunday among Novi friends.

Mr. and Mrs. Ross Kenner and children spent from Saturday until Monday with Mr. and Mrs. Perry Taylor, in Adrian.

Mr. and Mrs. R. M. Holcomb and children of Detroit, and Joe Bradish of Grosse Pointe, spent Saturday night with Mrs. Lizzie Coates.

Novi is a busy place these days, while the read-work is in progress. Many men are looking for boarding places. Quite a number have secured rooms and board in the village, and outside.

The Oakland County Law Enforcement League will meet with the Novi W. C. T. U. at the Baptist church on Wednesday, August 29, at 6:30. This is to be the annual banquet and a fine program will be given by the League committee, assisted by several musicians by Novi people.

Mrs. Myrtle Lockwood of Holly has arranged the program and will be present as will Fred Cowan, president of Royal Oak; A. C. Graham of Detroit; Mrs. Jennie Carter, Royal Oak, and others from out-of-town. Supper 50c per plate for adults; children, 25c. All welcome.

Northville people should not forget that there will be a "Better Baby" contest at the fair again this year, and that liberal prizes will be given.

Try Northville first.

A GREAT BLESSING.

Farmington is now supplied with water, the abundance, purity and coolness of which is equal to that to be found anywhere. The three new wells drilled in October and November of last year have produced since May 6th last, 14,524,700 gallons. The village is now using water at the rate of 200,000 gallons a day, and the supply is sufficient to allow everyone all the water needed.—Farmington Enterprise.

W. C. T. U. NOTES.

The W. C. T. U. of our village had a very enjoyable occasion last week through the hospitality of Mrs. T. R. Carrington. All told there were forty-five present. Rev. Wm. Richards led in the devotions and spoke of the encouraging outlook in this nation which the daily papers scarcely, or ever publish.

We moan over incidents of breaking the law, but fail to vision the immense of good and wealth since the liquor traffic has been curbed, said the speaker.

It was a pleasure to have the district superintendent, Mrs. Ava Donner of Detroit, who spoke of the world having its eyes on America in its great reform movement. Mrs. Seba Patterson of Plymouth, was also present, and graced the occasion with her genial personality. Mrs. Patterson is the corresponding secretary of the district. The usual business was done and Mrs. S. L. Crosby was elected delegate to the National convention, taking place in September, at Indianapolis.

It was also decided to have the district convention in Northville on October 18-19. An enjoyable time was had under the shaded trees of the orchard, eating the good refreshments that had been provided.

Mrs. Carrington surely made a good hostess, and we all regretted leaving so soon, this home, with the tropical appearance of its wonderful plants and fruit.

LOCAL.

There was a frost on the low lands Wednesday morning.

A Zimmer, who has the agency for the Exide batteries, has an important announcement in today's paper.

Mrs. J. P. Fitzgerald of Detroit, was the guest of Mrs. E. C. Hinkley and other Northville friends on Wednesday.

An announcement of the Northville public schools appears in today's paper, to which we direct your special attention.

Morris Daily has purchased the interest of A. W. Matherson in the restaurant and will conduct the business alone.

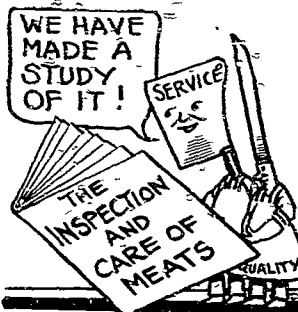

The July and August birthday ladies of the Baptist Ladies' and will have a pot-luck dinner at Mrs. Robert Thompson's cottage at Walled Lake, on Wednesday August 29. Machines will meet at Mrs. W. H. Corrin's, at 10:30 a. m.

FORESTERS MADE FINE RECORD.

The Foresters of America, organized in 1790, the pioneer and oldest fraternal benefit paying organization in this country, was officially opened today at the Hotel Cleveland, at Ranger, George P. Sullivan, Derby, Cleveland, Ohio, by Supreme Chief Conn. Over 350 delegates representing a membership of 350,000 are present.

The report of Supreme Secretary T. M. Donnelly shows that the order has increased 21,000 since the last convention; new territory has been added by the institution of 22 Courts in Oklahoma, Kansas, Louisiana and Virginia; \$965,800 has been paid in funeral benefits and \$1,672,694 in sick benefits and the balance on hand is \$3,353,140.

Get the most for your money, use American Cashmere. Edw. Sessions agent. Phone 223-J. 6w1c.

ROAD COMMISSION MOVES INTO ITS NEW QUARTERS.

Officers of the Oakland county road commission, which have been located in the Red Cross building, Pontiac, just south of the court house, ever since the close of the Red Cross war activities, were on Tuesday moved to the new quarters provided in the remodeled old jail. The entire first and second floors, formerly occupied so that this can be looked upon as the offices for the commission. It will be several days, however, before the commission will be fully settled in its new quarters.—Pontiac Press.

THE PRESIDENT AND FINANCE.

In the matter of worldly goods no poorer man than Calvin Coolidge has come to the White House since Lincoln. His salary of \$8,000 as governor of Massachusetts was the largest amount that Coolidge, the small town lawyer, ever made in a year. The Coolidges never had a motor car till he became vice-president and the government furnished them a Pierce-Arrow with a chauffeur. But the president never let a year go by without adding to his savings, even though the amount might be very small.

HE WAS A GOOD MAN

That was a superlative tribute to Warren G. Harding. He was generous. He was kindly. He forgot himself in his desire to serve. He withheld nothing.

He was a good man—is the exceptionally fine praise which Paul expressed about Barnabas—one of the prominent men in the early church. He too was modest—eager—helpful—self-forgetful.

Barnabas comes onto the stage quite unexpectedly and has a leading part from the very start. He believes in the new religion and backed his faith with money as well as talk.

Barnabas was broadminded and ready to advance the cause he loved. He saw the new religion out-running the narrow Jewish creed. He was not afraid to call in such a man as Paul to help at Antioch.

He was a good man. She was a good woman—what an epitaph for any person. How to be that in the hurry-burry of life is the question.

What is your idea of the matter?

Soaps and Brushes

We Have The Right Kind

Bathing and the proper care of the skin bear directly on the question of health. Indeed, the supplies and accessories for your bathroom should be selected with just as much thought and care as those which go into the kitchen.

More and more people are learning this truth every day, and are finding that it pays to have the right soap or the right brush for each particular function in the daily duty of cleanliness.

Selecting "the right kind" is easy at THE REXALL STORE because we are always glad to assist you, and we carry an unusually varied and complete line of soaps, brushes, talcums, sponges and other bathing needs. Let us show them to you.

IN OUR SWEET SHOP

We sell Liggett's and Whitman's Chocolates and Hard Candies in Glass. Ice Cream Sodas, Sundaes, Ginger Ale and Cold Drinks (none better).

LOCAL

Mrs. Dean Griswold entertained her aunt from Detroit last week.

Miss Green of Detroit has been visiting Mr. and Mrs. T. W. Moss.

C. E. Murphy and wife of Detroit, visited in Northville Sunday.

Miss Beverly Terrill is spending the week with Mr. and Mrs. W. J. Bryson in Detroit.

Mr. and Mrs. Ralph L. Hay are spending part of the week with relatives at Sarnia.

Mr. and Mrs. Stewart Montgomery returned Saturday evening from a motor trip to Rose City.

Mrs. Edward Roxburg and baby of Ann Arbor, visited her grandmother, Mrs. Jane Sessions, Sunday.

Mrs. Charles LaFever spent several days last week at the home of Mr. and Mrs. Lyle Johnson in Detroit.

Dr. T. H. Turner reports the arrival of a little daughter at the home of Mr. and Mrs. Donald Miller on Monday morning.

Persons desiring hunting licenses may procure the same by applying to Eddie Lyke, game warden, who has a supply on hand.

W. F. LeMott of Chicago, visited Mrs. Alice Ross and her relatives and friends here a few days during the past week.

Mrs. E. E. Brown and daughter, Avis, left Wednesday to visit friends and relatives at Plainwell and Otsego for a few days.

Records at the Oakland county jail showed Monday morning that there were 83 prisoners domiciled there, but three of whom were women.

Prof. W. A. McArthur, who has been directing the Grotto band at the "Awakening," will resume his position as director of the Northville municipal band on Saturday night.

Mrs. Alice Ross and Miss Edith Ross attended a family reunion at Fayette, Ohio, last Saturday, returning home Monday. There were 150 relatives present to enjoy the gathering.

Rev. Seth Reed, the well-known aged Methodist clergyman has been presented with the first Flint Six car made by Durant to be brought into Michigan. Rev. Reed, who is 100, is the oldest Methodist minister in the United States.

Mrs. Lillian Belford has sold her home on Godfrey street, near the depot, to Mrs. Myra Wallen.

Mrs. Belford has purchased a site on east Liberty street, between the homes of H. Luster and L. D. Gump, and work on the erection of a new residence there was started this week.

South Lyon Herald.

Mrs. Asa Keller of Detroit spent last Thursday with their aunt and cousin, Mrs. Mary Marvin, and Charles Keller, and enjoyed the day greatly. They also visited Mrs. Gilbert Palmer and Peter Keller, who are cousins. Mr. Keller is street car conductor in Detroit, where he has been employed for 25 years.

Joe and Miss Mae Apel, Mr. and Mrs. W. J. Bryson of Detroit, Mr. and Mrs. Fred Kohler of Plymouth, Miss Edith Armbruster of Buffalo, N. Y., Mr. and Mrs. Byron Matthews and G. Lute of Palmyra, Mich., were Sunday guests of Mr. and Mrs. R. W. Terrill. Mrs. Matthews is senior vice president of the Department of Michigan Woman's Relief Corps.

For the sixteenth and final week at the Garrick Miss Bonstelle will offer Zoe Akins' meatty "Declasse," which served Ethel, more so advantageously as a starring vehicle. It was in this capacity that Ethel Barrymore made her longest stay on Broadway, and the play should serve an admirable vehicle for the use of Miss Bonstelle to say good-bye to her many admirers.

Mr. and Mrs. Walter Tibbles and little daughter, Elizabeth of Chicago, were guests of Mr. and Mrs. F. S. Neal and Mrs. C. J. Ball from Saturday until Wednesday. Mrs. Tibbles is a granddaughter of Mrs. Ball, and lived here in Northville in her younger days. Mrs. Neal and son, Warner, accompanied them home by automobile Wednesday and will be gone a week visiting in the windy city.

President Coolidge has an opportunity of entrenching himself very strongly with the general public if he will insist that the coal mine operators and the miners either settle their differences and set themselves mining coal or else get out and let someone else do the job. With hard coal selling at from \$18.00 to \$20.00 a ton the people are becoming tired of this wrangle.

The New Republic, a freak sheet published in New York City, suggests that Mr. Ford advance \$50,000,000 for the purpose of stabilizing the price of wheat. Perhaps some one else can be found who will attempt to control the weather and to regulate the sun and the moon. America has produced too much wheat during the past two or three years for home consumption and that fact cannot be controlled by Mr. Ford of anybody else. The American farmer can curtail the acreage sown to wheat for the next couple of years and that is about all any one can do toward regulating the price until American wheat can be sold overseas.

Wm. E. Matheson attended the meeting of stockholders of the Consolidated Gas Casket Co. at the Statler Hotel, Detroit, Thursday evening, last week.

Mrs. O. G. Briggs and daughter, Dorothy, have returned to their home in Warren, Pa., after spending a week with Mr. and Mrs. Geo. Henry and family.

At 6 o'clock last Friday cars were seen in business streets bearing license plates from the states of Ohio, Kentucky, Connecticut and Michigan.

Mr. and Mrs. J. D. La Rue and John Jr., left Sunday for a trip to Montreal, Thousand Islands and Quebec. Little Robert is staying with his grandparents, Mr. and Mrs. Mark Seely.

J. W. Perkins of the Record force was called to Merrill, Saginaw Co. Monday afternoon on account of the death of his brother, Peter Perkins, whose funeral was held Tuesday forenoon.

Born to Mr. and Mrs. W. M. Nelson at Harper hospital, Detroit, on Wednesday morning, a little son, Wilford Bourne. Both mother and baby are doing nicely and Dr. Nelson is about the happiest man in Northville.

Fred V. Goodwin and Miss Hazel Shafter, both of Northville, were united in marriage at the Methodist parsonage Wednesday afternoon by Rev. William Richards. They will reside in this village, where Mr. Goodwin is employed by the Northville Lumber & Coal Yard.

Mr. O'Meara, representing the sheriff's force, gave a short talk relative to the safety drive for Wayne county highways from the band stand last Saturday night. He urged all to exercise due care and caution and to assist in making our highways safe so motoring may be enjoyed.

D. M. Winn, of Lyma, Science teacher in the Northville High school, spent Wednesday here visiting A. J. Helfrich, the superintendent of the school, at the home of N. Hunter.

It is thought that these two gentlemen were planning on their supply of blue beech rods for next year. Anyway, at times they looked pretty serious, and at other times they were smiling broadly. The kids will know in time. Space Journal.

While the Thornton boys, brothers of this place, were motoring to the dance at Walled Lake Saturday night some one fired at them from ambush, the shot taking effect in the windshield of their car, making a large hole in the glass. It is also reported that Russell Rogers was fired upon early Sunday morning while driving along the Novi road.

He was commanded to stop, but instead he "stepped on her" and ran away from the thugs, who fired at him as he flew down the road.

The editor of the Record was compelled to take to his couch last Thursday forenoon and in consequence a few late items were overlooked last week, among them being the result of the last and final game of the series between the business men of Northville and a team representing the Plymouth Chamber of Commerce. Northville won the final game to the score of 10 to 5. The three games afforded a high class of entertainment for the fans and created a good feeling between the business men of the two towns.

Every Man Has His Price

...What's Yours?

We don't think that every man can be bought but we do think you all have a price when it comes to buying.

It strikes us that many a sale has been lost by talking a \$3,000 car to a man who has only \$1,500 to spend.

YOUR price—why not? It's going to be your suit—isn't it?

If you say \$30, \$35, \$40 to us we don't debate—we deliver. We meet your request with action—not argument.

Try this kind of a store this Summer for by all laws of human nature you'll like us!

Hall's Catarrh Medicine

Those who are in a "run-down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

ANNUAL WAYNE COUNTY PICNIC

Grange and Farm Bureau Invite all to Elizabeth Park Aug. 25.

Plans for the annual Wayne county picnic are developing nicely and the Grange and Farm Bureau are looking for a large attendance.

The speaker, M. L. Noon of Jackson, vice-president of the Michigan State Farm Bureau, is an authority on agricultural co-operation and has a very pleasing way of presenting the subject.

If you have heard Mr. Noon you will want to hear him again—if you have not heard him—this is an opportunity.

The Flat Rock and East Nankin Farmers' Club base ball teams promise a real exhibition in that line.

Mr. Wagner, County Boys' and Girls Club Leader, promises the youngsters a regular time in their races and games.

Last but not least—will be the horse shoe pitching contest for the championship of the county.

A fine set of horse shoes is offered to the winner.

Everyone is invited to bring a basket dinner and spend the day with these organizations.

FOULTRY CULLING DEMONSTRATIONS.

The County Agricultural agent would be glad to hear from anyone in the various communities who is interested in learning how to cull the flocks for egg production and also willing to house and feed as well as they are able under their conditions.

There are a number of demonstrations already planned and we would be glad to have more. This work will be done during September and early October before the hens go into winter quarters.

NORTHVILLE WAYNE COUNTY FAIR.

It is not too early to scratch your initials on the prize pumpkins or to put the blankets on the cattle you expect to take to Northville September 25th.

The Board of Directors are sparing no money or energy to make this year's Fair eclipse all previous attempts but they cannot do it alone.

Everyone is invited to bring a basket dinner and spend the day with these organizations.

Something You Have Always Wanted

No Marks—

You can now have your entire family washing, including wearing apparel and flat work, carefully laundered by a responsible laundry, for less than it has cost you to have it done at home.

Under this new service all wearing apparel and flat work are first separately weighed, then each family bundle is individually washed in the softest water, with purest soap, the entire cost being decidedly economical.

**5 Pounds Wearing Apparel
5 Pounds Flat Work
BOTH FOR \$2.00**

For any excess weight over the minimum 5 pounds, a small charge of 10¢ a pound for excess flat work, and 20¢ a pound for excess wearing apparel, is made. This service includes all family wash except starched collars, starched shirts, and lace curtains. The average family wash costs between \$2 and \$3. This service is new in Detroit but growing in popularity every day. May we call for your bundle?

JOHN HAYS HAMMOND

New York—John Hays Hammond, who is chairman of the United States coal commission which is making an effort to avert the anthracite strike September 1.

NIGHT FLIGHTS TO START SOON

Postoffice Will Inaugurate Route Across Country.

Detroit—Night flying on the New York-San Francisco route will be started by the Postoffice department this week. Postmaster John W. Smith was notified Thursday by the department at Washington.

The baggages for the guidance of the aviators from Chicago to Cleveland are now in readiness and the department will make a five-day trial of the service. The mails will leave New York at 11 a. m. eastern time, Cleveland at 4 p. m., Chicago at 1 p. m. central time, Cleveland at 4:30 a. m. mountain time, and arrive at San Francisco at 4:15 p. m. western time.

During the experimental flights the postage will be two cents an ounce, and the rate to be fixed later will depend upon the extent of the use of the air mails.

The department is setting out a new series of air mail postage stamps of eight, 16 and 24 cents denominations.

The eight-cent stamp will have as a central design an aeroplane radiator with propeller attached. The 16-cent stamp will have the letters "U. S." on a dark background with the words "Air Mail" above and below.

TROOPS BREAK CHINESE PACT

Cantonese Army Seizes Neutral City of Wuchow.

Canton, China—The West River peace terms recently arranged between General Wei Pui Ping, commanding the Kwang Tung troops of South China and Kwang Si army under General Shun Han Ying at Wuchow in the presence of Lieutenant Leland P. Lovette, commander of the United States gunboat Pampanga, have been violated by Cantonese troops, it was learned Thursday. The Cantonese troops, under Generals Li Chai Sun and Wong Shui Hing, entered Wuchow on Aug. 7; it has been learned and forcibly took charge of the city, taking prisoner General Fung Bo Cho, who had been appointed by both sides to the agreement to take charge of the city. Fung's soldiers were disarmed.

A strong protest against the action of the Cantonese has been made by the gentry, the chamber of commerce and other bodies, through the foreign legations.

EXTEND EIGHT HOUR STEEL DAY

Cleveland, Youngstown and Pittsburgh Cut Shifts.

Cleveland, O.—The eight hour day became a reality in Cleveland steel mills Thursday when open hearth workers of the American Steel & Wire company, a subsidiary of the U. S. Steel corporation, were placed on the shorter working day basis.

Under the new working plan employees will receive a wage increase of 25 per cent.

The eight hour shift took effect at 8 a. m. Thursday in the mills of the Carnegie Steel company, the Youngstown Sheet & Tube company and the Republic Iron & Steel company.

The new system affects about 7,000 men who have been working a 12 hour day and 3,000 new employees were needed.

The 12 hour day in Pittsburgh district steel mills began to fade out of the industrial picture Thursday at the Carnegie Steel company, United States Steel subsidiary, put in effect the eight hour shift.

Sanitarium For Cows

Helena, Mont.—A cow, or any other animal, which becomes addicted to the narcotic habit in Montana, may be arrested and confined in the state sanitarium until pronounced cured by the physicians in charge, according to a new state law. The new law legislators say, is the result of a clerical error made in the closing days of the session. An amendment was tacked to the law providing for the condemnation of stock driven insane by the eating of loco weeds.

BIG STICK OVER HARD COAL MEN

COOLIDGE TO KEEP MINES RUNNING BY DRASTIC ACTION;
EXTRA SESSION IF NEEDED.

COMMISSION MAKES REPORT

Anthracite Strike Would Be Nothing Less Than Suicide, It Is Declared.

Washington—The strong arm of the federal government was raised in an unmistakable gesture of warning to the anthracite miners and operators to settle their differences and produce coal.

The United States coal commission, after a conference with President Coolidge made public a letter addressed to the chief executive and congress, plainly designed to pave the way for any action, however drastic, which becomes necessary to keep the mines running in the event of the failure of the Atlantic City parley to bring about a settlement.

The commission, with the approval of the president, served notice on the miners and operators that if they failed to get together it would proceed at once to "fix the responsibility, lay the facts before the public and make such recommendations as under the circumstances and the law it may deem appropriate."

President Coolidge, who had been late to call an extra session of congress if he feels the need for legislation giving him additional authority to deal with the anthracite situation. Although he is proceeding with caution and reservation, it was stated authoritatively that the president is determined that the mines shall be kept running even if it becomes necessary for the federal government to take them over and operate them. This course, which would only be pursued as a last resort, is being urged in some quarters on the theory that most of the mines on strike would promptly return to work if the federal government operated the mines.

President Coolidge believes that it is within his power to avert, or to check the source, a repetition of last year's disastrous fuel famine, and there is every reason to believe he will "wield the big stick" without caring upon whom it falls.

FEAR SLAYING OF CHANCELLOR

Stresemann's Guard Increased Following Discovery of Bowlers.

Berlin—The guard around the home of Chancellor Stresemann was greatly increased following discovery of two suspicious men prowling about the chancellor's apartment. Police fired several shots at the men without hitting them, and both escaped.

"An attempt by extremists—either monarchists or communists—against law and order and against the republican government will be put down ruthlessly, if necessary, with a policy of blood and iron," Wilhelm Sollman, new minister of interior, declared.

"The present government of Chancellor Stresemann will prove stronger than any of its predecessors since the revolution," he continued.

"Those who would like to establish a monarchy or a dictatorship preparatory to a future monarchy as well as those who wish to establish a soviet state will burn their fingers badly if they try to translate their wish into action."

YANKS LINKED IN KIDNAPPING

Apache Shows List Naming "Aids" in Bergdoll Fiasco.

Heidelberg, Germany—A list of American army officers said to have been found in the baggage of Roger Sperber, the Paris apache, who was wounded during the recent attempt to kidnap Grover Cleveland Bergdoll, is printed by the German newspapers, which say Sperber told the police the men were somewhat interested in the Bergdoll case.

The newspapers attribute to Sperber a confession stating that the kidnapping plot originated in Paris several months ago and that he was to receive a sum of money before Bergdoll was taken into occupied territory.

The press also said Sperber was suspicious that the Americans would "double-cross" him. It was on this account that he kept the names of the men and all the correspondence, consisting of letters and telegrams, connected with the case.

German authorities have not yet decided what the extent of Sperber's prosecution will be.

Petrified Indian's Body Found

Sonoma, Calif.—The discovery by workmen of a petrified body thought to be that of an Indian woman in the creek bed near the Agua Caliente hotel has caused considerable interest. The head, arms and torso are in an excellent state of preservation and are of a stony composition. So well rounded is the form of the stone lady that the petrification is the wonder of all who have viewed her. "Well preserved for her age" is the general comment of all.

Northville High School Will Open September 4, 1923

The Northville High school offers an excellent opportunity to the young people in this vicinity and of Wayne county to secure a High school education. Northville has one of the best equipped High schools in Wayne county and is constantly increasing in size and efficiency. Students attend Northville High school because there they can obtain excellent courses of study under the very best of teachers obtainable. Graduates of this school are admitted without examination to the University of Michigan, and to any other college in the state.

The Northville High School offers courses in English, Mathematics, Science, History, Latin, French, Commercial Arithmetic, Bookkeeping, Typewriting, Shorthand, Public Speaking and Music.

PHYSICAL TRAINING DEPARTMENT

This is one of the strong departments of the school. A finely equipped gymnasium, second to none, serves the physical needs of both boys and girls under the direction of competent instructors. A complete course in physical training will be given to both boys and girls. Northville believes in developing the physical as well as the mental life of its students.

The school has an excellent Commercial Department under the direction of a very competent instructor of several years experience. Graduates from this department are ready for good positions in the business world without additional training.

Tuition of Non-Residents is \$60 per year
Below the High school the tuition is \$50 per year

The Superintendent will be in the office Tuesday a. m., September 4th, at which time he will be glad to meet any non-resident students and make the necessary arrangements for their entering school.

BOARD OF EDUCATION

NORTHVILLE, MICHIGAN.

GAME AND FISH LAW CHANGES FEW BUT IMPORTANT.

Several important additions and changes were made by the last state legislature in the game and fish laws of Michigan. Contrary to general belief there has been no open season declared on male Chinese ring-necked pheasants. Their hunting is still prohibited. The open season on ruffed grouse, commonly called partridge, has been changed in the upper peninsula to October 15 to November 9th, inclusive. The season in the lower peninsula remains from October 15th to November 20th, inclusive. Bob White, or quail remain protected indefinitely, but are still classed as game birds. The season on Sora Rail opens September 16th, instead of September 1st. Cotton tailed rabbits may now be hunted from October 15th until January 31st, and for squirrel from October 15th to 31st, inclusive.

BRIGGS SCHOOL REUNION.

The annual reunion of the teachers, pupils and friends of the Briggs school was held on the school grounds, Saturday, August 11th. A picnic lunch was served at noon, followed with delightful music furnished by Mrs. Gladys Schrader and Daniel Peterson. Community singing, led by Mrs. Cassidy, was enjoyed by all, after which P. B. Whitbeck, in his usual pleasing manner, gave an appropriate talk, and Miss Nellie Riddle read an interesting history of three periods of the school life. A most welcome guest was Mrs. Arley of Wayne, who attended the Briggs school seventy-three years ago. The following officers were elected for the ensuing year: President, Miss Linda Purfee; secretary-treasurer, Mrs. John Melow; historian, Miss Caroline Riddle.

SHIP BY FERRY.

The State Highway department's ferry is now in operation across the Straights of Mackinaw carrying motor cars at from \$2.50 to \$3.50 according to size, and greatly increasing the facilities for tourists desiring to enter or leave the Upper Peninsula. Trucks are charged from \$5 to \$15.

Walled Lake Warbles.

Eugene Goe, who has been in poor health for over two years, died at his home northwest of Lake Tuesday afternoon. He was the son of Mr. and Mrs. Wm. Coe, and has spent all his life in this community. He was a thrasher and poor health forced him to turn his business over to his son. He is survived by his widow and five children: Lloyd, Roy, Mrs. Myrtle Hazel of Walled Lake, and Mrs. Pearl Dickie of North Farmington, his aged mother and four sisters. The funeral was held at the home last Friday afternoon with burial in the Walled Lake cemetery. Six brothers acted as bearers. The Masons had charge of the services at the grave.

Mr. Hunter, one of the new owners of the White Front garage, has moved his family here from Detroit. Charles Landau, 48 years old, 2915 Grand River avenue, Detroit, was seriously injured at 3 o'clock Sunday morning on the Town Line road, near Walled Lake, when a touring car in which he was a passenger overturned. His spine was punctured and the lower extremities are paralyzed. He is now in Pontiac city hospital.

Miss Carrie Moyer who moved from Walled Lake to Cleveland, O., about five years ago, died in that city last week. Her remains were brought to the old home here and funeral services were held from the Baptist church on Tuesday afternoon.

The nineteenth annual meeting of the Home-Comers' association will be held in the Walled Lake Baptist church, Saturday, September 8th, 1923. Memorial and Historical section at 10 a. m. Afternoon program at 2 o'clock. The Ladies' society of the Baptist church will serve dinner at 5:00 the plate.

POSTOFFICE NEWS.

A new schedule telling of the arrival and departure of mails is now posted in the postoffice and is published in The Record today. To make sure your letters will go on the evening mail they should be placed in the postoffice by 5:00 p. m. Sometimes the 9:30 train fails to catch the pouch and once in a while the messenger fails to leave a catch pouch as happened last week Saturday. Rather than have the mail delayed here over Sunday that was left in the office after 5:05 p. m. Saturday the postmaster took the sack to Plymouth to get it on the 9:30 train.

The Postmaster General is finding all patrons of the postoffice who live on Rural routes to see that their boxes are painted white and the name of the owner printed thereon, together with the No. of the box.

Bargains at the postoffice: Eleven envelopes (2c stamps on each envelope) all for 25 cents.

There are 556,000 seeds in a bushel of wheat.

RECORD LINERS PAY TRY ONE.

American Gasoline and Lubricants will give you the utmost in service and satisfaction. Edw. Sessions, agent. Phone 223-J 6wlc

NOTICE.

I have this territory for the sale of the E. W. Ross company, who are manufacturers of the best line and most dependable Emulsion Cutters that are on the market today. A size made for four horse power and up. Our regular size is our No. 60 which is suitable for any kind of tractor power. Capacity from 12 to 15 tons per hour. All sold on trial. If you are not pleased with it, it is no sale, and my price is 20% less than for any other filler of the same capacity. Don't think this is bunk. I mean business, and it will pay you to take time enough to look this matter up. Send for circular at once.

Important Announcement

On August 15th, prices on all types of Exide Automobile Batteries were reduced.

The same high quality that motorists have always associated with Exide Batteries, will be carefully maintained. All of the materials entering into their construction will, as always, be of the best grade obtainable and the workmanship unsurpassed.

Only the adoption of certain new policies, based on present day requirements of car owners, has made this reduction possible.

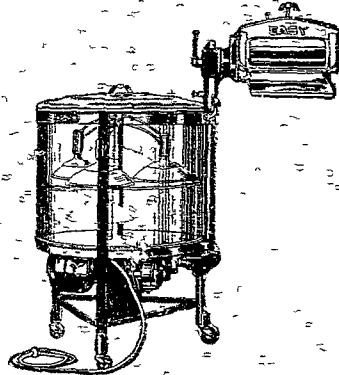

Compare the following new and old prices. You will understand, then, why the Exide Battery with its long life, dependability and low maintenance cost is the most economical battery you can buy.

Car.	Type.	Old.	New.
Buick 4.	Chevrolet.	6 volt, 11 plate \$21.40;	\$17.00
Cleveland.	Durant 4.	6 volt, 13 plate \$28.40;	\$21.25
Essex, Ford, Gray, Maxwell, Nash 4.	Oakland.	6 volt, 15 plate \$34.05;	\$25.50
Overland Star, Studebaker, Veie and others.			
Albion.	Buick 6.		
Chandler.	Durant 6.		
Hudson.	Hupmobile.		
Jewett, Meach.	Nash 6.		
Oldsmobile, Paige, Reo, Studebaker and others.			
Dodge.	Franklin.	12 volt, 9 plate \$39.75;	\$29.75
Maxwell and others.			

We have the type Exide for your car ready at the new price. Stop in and see it.

NORTHVILLE, MICH.

Now the Easy has Three Vacuum Cups

The new model EASY is a 3-cup washer, differing in this respect from all previous models.

The importance of this new feature cannot be overemphasized, for it has direct bearing upon the efficiency and speed with which it washes the clothes.

Just as the old model EASY with two vacuum cups had a distinct advantage over washers having only one cup, so the new model EASY with three vacuum cups is eminently superior to machines having only two cups.

Before buying an electric washer, make it a point to see the exhibit of the New Model EASY in our store—on phone for a free home demonstration. You will then be posted on the latest development in electric washers.
