OLD COW-BELL CALLS VETERANS ONCE MORE.

Again the old cow-bell which has rung at so many annual reunions of the Twenty-Second Michigan Volunteer Infantry, was sounded in the corridors of the county building Thursday morning where the gray-haired and blue coated veterans gathered for their 55th reunion. The bell was stolen from a cow near Waron as the regiment marched away and was carried throughout the entire war. It was rung on many a battlefield and its tones bring back many a fond memory to these men whose ranks are being rapidly depleted by the grim reaper. Each year sees fewer of the familiar faces.

During the past year death claimed E. G. Cannon of Egan, president of the association, and vice-president Marvin Bogart of Wixom fell from an apple tree and broke one of his hips. He is making him home with a daughter in Flint. If the absence of the two officers, Col. L. C. Mead of Northville, took charge of the session and presided until the new officers were chosen. He appointed the following committees: Resolutions—Willard Howard, George Goodell and M. J. Whitney; election—N. B. Babcock, A. Ruby and Charles Bagney; to arrange for next year's union—Messdames N. B. Babcock, D. S. Howard and C. J. Simmons.

Col. L. C. Mead brought from his home a framed photograph showing the headquarters of the Twenty-Second Infantry at Chattanooga, Tenn., in 1864 and 1865. It shows the rude but comfortable frame shacks that were built by the regiment in front of Fort Wood. The trees were cut some miles up the Chattanooga river and floated down to the camping grounds where they were converted into timber out of which the barracks were constructed. This was the regiment's home for the greater part of two years.

Thursday afternoon the veterans and their wives were taken for an automobile ride around the lakes by members of the American Legion and had an opportunity to inspect the Legion home on Auburn avenue. Thursday evening at 8 o'clock there was a camp fire in the assembly room at the county building at which time there was an interesting program arranged by the Woman's Relief Corps. The public was invited.

The 55th annual reunion of the Twenty-Second Michigan Volunteer Infantry was brought to a conclusion Friday morning with the business meeting and election of officers. Only 15 veterans registered for this year's gathering. Willard Harwood of Imlay City, was selected president for the ensuing year; Amander Ruby, Flint, vice-president; A. E. Collins, Detroit, secretary and treasurer; and David Paton, Almont, chaplain.

Resolutions of sympathy were adopted on account of the deaths of the following comrades: Blackmon, Alanson Barden, E. C. Cannon, John J. Snook, Major Charles Bassett, George W. Button, Jesse Grover, John Paton, Homer Parker, Joseph Buckett, and Windom Hewitt. A rising vote of thanks was given the committee of women who took charge of the program for this year's reunion and who were reappointed for next year and to the American Legion members who so kindly took the veterans and their wives on a motor trip yesterday about the city and nearby lakes and then entertained them at the Legion home on Auburn avenue.

The feature of the reunion was the camp-fire held last evening in the assembly room. Members of the Women's Relief Corps, 16 in number, staged a mock wedding of the period of 1861. Mrs. Cora Swan was the blushing bride and was attired in a costume of the war period. The groom was Mrs. Elta Jackson attired in men's clothing and wearing a tall hat. All of the members of wedding party were women but half of them were attired as men. It was quite a burlesque and was thoroughly enjoyed and loudly encored. Another skit which provoked much mirth was a duet sung by Mesdames Jennie McClelland and Minnie Simmons entitled "Popping the Question." Both were in costume, one as a man and the other as a woman.

Other numbers on the program were talks by C. B. Chaffee and Willis M. Brewer; readings by Mrs. Gilman Green; song, Lucile and Jone Reed; original sketch by Mrs. Georgia Rigalman; "A Little Diversion," Mrs. Mary Lick; and chorus, Mesdames Hall, Jackson, Mann, Miller, Rigalman and Howard; song, "Jimmy Boker," Charles Basney; and songs by all present. Remarks were made by several of the comrades—Press.

ALL VALVES MADE AT NORTHVILLE PLANT.

Total Output Reaches 44,000,000; Three Shifts Working.

The remarkable production of the Ford Motor company's plant at Northville, Michigan, singles it out as one of the most outstanding of the several smaller manufacturing units located throughout the country. Although the Northville plant is seldom heard from, publicity, nevertheless in whatever part of the world the Ford car is to be found, it carries with it the product from this plant.

Having been engaged in the manufacture of Model T and tractor valves since it was opened in March, 1920, the Northville factory has produced more than 44,000,000 valves. At the present time, the plant employs 550 men working three 8-hour shifts and turning out 85,000 Model T valves and 10,000 tractor valves daily or approximately two and a half million valves a month—Ford News.

NORTHVILLE TO HAVE MAUSOLEUM.

Representatives of the Flowers Mausoleum Company of Toledo, Ohio, are in Northville this week in the interests of a project to erect in Rural Hill cemetery a mausoleum. Option has been taken on land in the cemetery most advantageously situated for such a building and if Northville people desire this community may have as fine a burial place as any town in the state. The community mausoleum has attracted a good deal of attention in recent years and they afford the people an opportunity to provide suitable burial places for relatives and friends at a cost that compares favorably with burial in the ground.

They are constructed of white Bedford stone and the interior is furnished in marble, making a most attractive structure both inside and out.

IMPROVING NOVI-SOUTH LYON HIGHWAY.

A crew of twenty Oakland county prisoners under the direction of Deputy Sheriff Smith and Banks is at work improving the highway from Novi to South Lyon, a distance of ten miles. The road bed will be widened, culverts and bridges will be repaired and the whole project put in as fine condition as it is possible to put a gravel road. A camp has been established and the men are fed and lodged right on the job. During the past three years Deputy Sheriff Smith has handled about 700 men in highway work of this kind and but two have run away. The men do a good days work and seem contented with their lot. They are well fed and well treated and the out door life agrees with them.

NORTHVILLE OBSERVED LABOR DAY.

Labor Day was probably never more generally observed in Northville than this year. The factories closed for the day and the stores and offices were also closed after the morning hours. Our people spent the day at nearby resorts, in family gatherings and many attended the State Fair, while others enjoyed the American Legion celebration at Farmington. The day was a most delightful one and all seemed to enjoy the holiday and occasion afforded.

RESUMED ITS WEEKLY MEETINGS.

The Northville Exchange club resumed its regular weekly meetings at the Ambler House on Wednesday with a good attendance. Dr. Wickham of Eastlawn Sanatorium and Superintendent Gallisple were present as special guests. Plans for future activities were discussed and a number of worthy projects were endorsed. The meetings will be held each Wednesday noon as in the past.

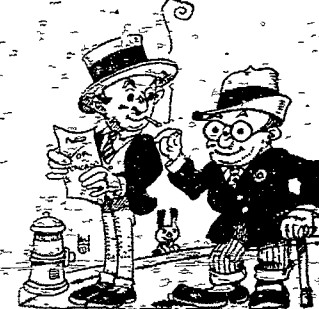

WILL PLAY THE RUBBER.

The Northville Foresters and the Wayne county road teams will battle for base ball honors on the local grounds Sunday afternoon. Each team has won one game in a three game series and on Sunday it will be decided who is who in the contest. Wayne expects to win and so does Northville. Better attend the game and see for yourself.

Northville Lodge, F. & A. M., will hold a regular meeting next Monday night—the first meeting after the summer vacation. The newly decorated hall will add greatly to the meetings of all the Masonic bodies meeting there.

NEW FORD CAR DESIGNS.

Introduction of a higher radiator bringing new and improved body lines to all types of Ford cars, is announced by the Ford Motor Company. The changes have just gone into effect and the various types are now in production.

While the larger radiator has been made standard on all types and while it has made possible other betterments in body design, there is no radical departure in construction, but rather a general improvement which has resulted in more graceful lines.

The new radiator sets an inch and a half higher than the former and has an apron at the bottom which joins a similar apron effect of the fender on either side, giving a highly finished appearance to the front of the car. The large radiator also increases cooling efficiency.

Most conspicuous among the new types is the Ford Coupe which is of entirely new body design and construction, resulting in a more trim exterior appearance, more comfortable seating arrangement and a greater luggage-carrying capacity.

From the dash there is a graceful sweep in the cowl to the radiator, bringing a pleasing effect to the front. The doors are wide and open forward making access and exit easy. They are heavily framed for rigidity and strength. The compartment at the rear has been enlarged to afford increased carrying capacity. The gasoline tank is under the seat, with divided cushions to afford easy filling of the tank from the right side making it unnecessary for the driver to leave his seat. Ventilator in the cowl and a visor over the windshield add much to the attractiveness of the car. A new rear fender of more sturdy character also is a feature.

Interior fittings are of choice material and the arrangement of the deeply cushioned seat has been effected so that at the rear there is a small recess shelf for carrying parcels. The rear vision window is much larger and oblong in shape. Door windows have been equipped with folding-type window regulators and door-latches are provided. Side windows are equipped with the lever type window lifters.

Marked too is the improvement in the four-door sedan. Highly popular since its introduction a year ago, because of its low graceful lines, the car now presents even much better lines and a sturdier appearance.

OAKLAND COUNTY IS HAVE RURAL SUPERVISOR

E. J. Lederle, county commissioner of schools, announced last week the appointment of Miss Fern L. Jennings as rural supervisor and assistant teacher in Oakland county's one and two-room school buildings. Miss Jennings comes from Genesee county, and has had long experience as a rural school teacher. She was selected by Mr. Lederle from a large group of applicants. Her job will be a large one, for she will have supervision of 174 one-room and 15 two-room schools.

Miss Jennings ranked first in a class of 15 who took the rural leadership course the past summer at the Ypsilanti Normal. She finished that course under M. S. Pittman, and was an assistant instructor in the Denton

rural training center at Ypsilanti.

"It is my purpose to install in the rural schools of the county the big family idea," said Commissioner Lederle. "I don't want the teachers to feel the county commissioner and his assistant are merely trying to supervise them. I want them to feel they can call upon us for help and co-operation, and that we stand ever ready and willing to help them to improve the rural schools. I want them to feel it is a pleasure to have Miss Jennings visit the school. We want all to work together with the aim of increasing the standard and efficiency of the rural schools. In Miss Jennings I believe I have a person with a personality who can put this across. I selected her because of her extraordinary qualifications." Pontiac Press.

Walled Lake Warbles.

Elaborate preparations are being made for the annual meeting of the Walled Lake Home-Comers association, which will be held at the Baptist church on Saturday forenoon and afternoon. Dinner will be served at noon by the Baptist ladies. An interesting program will be given and a good attendance is desired.

Mr. and Mrs. Arthur Gibson are the parents of a little son, Warren G., weighing eight pounds, which came to them here on August 25th.

A number of the cottages about the lake were closed the first of the week for the season. People were returning to the city so their children could enter school.

Walled Lake's school opened Tuesday with a good attendance and a full corps of teachers. The following are the teachers this year: Superintendent, A. H. Upson; principal, F. A. Dixon; English and Latin, Miss Beatrice Fox; home economics, Miss Jeanette Spaulding; first grade, Miss Marian Tharrett; second grade, Miss Margaret Loring; third and fourth grade, Miss Theda Pittenger; fifth and sixth grade, Miss Verna Bradley.

THE FLOWERS MAUSOLEUM COMPANY

have made arrangements with the officers of Rural Hill Cemetery Association to erect a mausoleum in this cemetery.

THE BUILDING TO BE BUILT BY THE FLOWERS MAUSOLEUM COMPANY IS TO BE BUILT OF STONE ON THE OUTSIDE AND MARBLE ON THE INSIDE.

It is the purpose of this article to describe briefly a new and beautiful Mausoleum to be erected in Rural Hill Cemetery, Northville, the exterior of the building to be built of stone and interior of Marble. The rotunda will be a beautiful Chapel, the large hallway of the Mausoleum 10 feet wide and the full length of the building was designed especially for use as a

CHAPEL WITH CERAMIC FLOORS AND ART GLASS WINDOWS.

The entire structure will be characterized by several important features, the first of these being freedom from dampness. It is only too true that no underground burial can secure this great consideration, when the level of the water in the ground rises to within a few feet of the surface, and a grave is very damp, if not actually flooded. Picture to yourself the bottom of a grave after a period of long continued rain; the dampness, mould and decay. Compare this with the interior of the Mausoleum where

EACH CASKET IN A SOLID COMPARTMENT, HIGH ABOVE THE GROUND

is removed from even the remotest influence of dampness, the entire building, both within and without, being open to the beneficent influence of sunlight. In truth, there can be no real comparison between the two. It may not be out of place to suggest the wisdom of a plan that makes provision beforehand for the last resting place of one family. In the stress of grief at the time of death, when in the shadow of the great affliction, the soul sits dumb, these matters are usually left to some friend or relative who, perhaps, has little idea of the actual wishes of the one most concerned. There is, then, never ending regret on the part of the immediate family. Don't you feel you ought to make that provision at this time?

Did you ever stop to think that in the rush of business and hurry to obtain for ourselves the pleasures and comforts of this life we forget the fact that ere long we must lie down and sleep the sleep that knows no waking until the last day, and leave all our attainments, all our successes at that point where this deep slumber shall overtake us?

In conclusion the Flowers Mausoleum Co., who are taking orders for compartments will appreciate it if you are interested to notify them by addressing Northville, Michigan, general delivery, and a representative will call upon them and explain the plan, in detail. The Mausoleum will be amply endowed so that the future of the building will be assured. The costs of compartments are moderate in price. Remember we only build for those who subscribe now, so if you want them now is the time to get them.

FORD MOTOR PRODUCTION.

Production of Ford cars is being steadily increased by the Ford Motor Company. The American plants turned out 7,309 cars and trucks on August 15, a new high mark for a single day. The previous record was 7,270 for a day. During the week ended August 21, which was of but five days, a total of 34,744 cars and trucks were made, as compared with 41,145 for the previous week. At the River Rouge tractor plant 1,721 Fordsons were made, as compared with 1,989 the previous week. At the Lincoln division 201 Lincoln cars were produced, or four less than during the preceding week—Michigan Finance Record.

A. L. Hill of Novi was a Northville business visitor on Wednesday afternoon.

PRESBYTERIAN CHURCH NOTES

Services last Sunday were of more than ordinary interest, and the attendance was good. There will be the usual services next Sunday, with sermon both morning and evening.

The young people of the church should read the announcement to be found elsewhere in today's paper, and plan to join in the good time that is being planned for them next Wednesday evening.

Now that vacation days are over see that the children are on time for Sunday school.

METHODIST CHURCH NOTES.

Let our worship next Sunday morning be a season of refreshing grace as we come together in fellowship. The pastor will speak on the "Secret Place of the Most High."

Many of us know the strength of it. May it be the blessing for all of us. Time 10:30. Our Sunday school will be a 12:00.

At the Epworth League 6:30 the topic will be from "Vision to Task."

In the evening at 7:30 the sermon will be on God's Message and Invitation. Everybody invited to worship with us.

BAPTIST CHURCH NOTES.

Six members of the H. F. class and the pastor spent two days at Mahan Lake. They all had a great time. Mr. John Crozier loaned them one of his cottages and the boys had the best of their two days camping party.

Friday evening the boys of the H. F. class will hold a business meeting at the church parlors.

R. H. MacRae conducted the prayer meeting last Thursday evening. Twenty were present. A goodly number of young people are regular attendants at prayer meeting.

"Three important subjects often lightly treated" is the title of a series of three sermons which the pastor will preach this month. The first of the series will be Sunday evening and the subject will be "Courtship."

The subject of the Sunday morning sermon will be "The broad life."

ST. PAUL'S LUTHERAN CHURCH.

Services in English next Sunday at 10:30 a. m. theme of sermon, "Ye cannot serve God and Mammon."

Sunday school at 11:45 a. m. Religious instruction every Saturday 9 to 11:30 a. m. church building north High street.

The annual mission festival of St. Paul's Lutheran church will be held Sunday, September 16th. Rev. Peters of Detroit will deliver the mission sermon in the morning service (English) and Rev. Hertwig of Detroit will speak in German in the afternoon service. Noon day lunch will be served by the ladies of the congregation.

The Ladies Aid of St. Paul's Lutheran church on Thursday met at the residence of Mrs. C. Meisner. The recent Ice Cream and box social was a success.

Next Sunday-afternoon Pastor Elsfeldt will speak on the "Negro Mission of the Lutheran Church" at the mission festival at Clarksville.

ECLIPSE OF SUN SEPTEMBER 10.

A part of eclipse of the sun will be observed from this point on Monday, September 10, between 3:25 and 5:24 p. m. (Eastern time). The degree of obscuration here will be 50 percent. The middle of the eclipse comes at 4:29.

Down in Mexico City, where the eclipse will be complete, the railroads will run special excursions. Posters are being placed throughout nearby provinces like those of circuses in small towns here, announcing half rates.

Southern California also will be completely darkened for a few minutes.

DELAYS HIGHWAY TRAFFIC.

Along all the highways leading out of Detroit farmers and gardeners are offering to motorists the products of their farms and gardens and are finding a ready sale for a large amount of fruits and vegetables. These way-side markets where fresh fruits and vegetables can be procured are a great convenience to the city dweller and they are also a source of ready cash sales for the farmers. Those who have these booths along the highway ought to provide parking space by the side of the cement so that cars whose drivers desire to stop to make purchases will not block the traffic. The writer motored to Detroit Monday evening and traffic was delayed and stopped a number of times because there were no places along the highway to "get off" of the cement while people were making selections from the numerous displays along the road. Just a little effort, and with but very little expense, places can be provided where cars can be stopped off the cement and thus will traffic be made more pleasant and a great deal safer.

WHY CONDEMN JUST ONE?

We understand that word has gone out from Lansing to county officials for a better enforcement of the liquor law.

Some people are making a great amount of noise because the eighteenth amendment is not completely enforced and that violations of the law are repeatedly taking place especially in Detroit and our larger cities, but have you noticed that the daily newspapers are daily reporting holdups and robberies in these cities and yet they do not seem to take these into account and you hear but little said about the law against these depredations. Why this distinction. Is it not a fact that the liquor laws are being as well enforced as most of our other laws?—Howlerville Review.

W. H. SAFFORD ACCEPTS A POSITION WITH W. H. ELLIOTT & SON.

On September 1st W. H. Safford again greeted his friends behind the counter at W. H. Elliott & Son's store having tendered his resignation as deputy sheriff, which he had very acceptably filled for the past few months. Mr. Safford preferred to be at home and as Messrs. Elliott were anxious to secure his services he made the change. He was employed at this store for some months before accepting the appointment of deputy sheriff and he has many friends in this section who will be glad to know he has returned to his former position. Sheriff Walters rather than accept his resignation, gave him a leave of absence for six months, with the understanding that he could come back and join the sheriff's forces at any time.

TEN COMMANDMENTS FOR AUTO DRIVERS.

The Oakland County Automobile Club has prepared the following ten commandments for drivers of automobiles:

"Always have your car under control."

"Save lives—drive to right of safety zones."

"Inspect your brakes regularly."

"Give plain signal before you slow down stop or turn."

"Stop before crossing streets with heavy traffic and car lines."

"Do not speed by heavy traffic or drive three abreast."

"Stop back of street cars."

"Do not drive with glaring headlights or with tail light out."

"License plates must be kept clean and properly hung."

"Use common sense; show courtesy."

ALL SET FOR OAKLAND COUNTY FAIR.

Officers and directors of the Oakland County Fair are exerting themselves in surpassing all previous efforts this year and the day and night fair to be held at Milford Sept. 12-13-14-15 will be replete with thrills and amusement for everybody.

A large and varied exhibit from farm, field and forest may be counted on. The amusement features include three base ball games with big league performance and a purse of \$400. The Red Letter Horse Races will bring to the track many circuit horses. Two races each afternoon with \$400 purses and the fair visitors may look forward to some real racing over a fast track.

Then there will be Roman Chariot races, high jumping horses, and many stunts by the Blanche McKenny Hunter-Racing Combination. The Midway will be bigger and better than ever, and the band concerts, big industrial parade staged by the Pontiac Board of Commerce on Friday, will be only a few of the features. The night program will include an elaborate display of fireworks shown by the Gordon Fireworks Company of Chicago.

FAIR NOTES.

Any who expect to exhibit swine at the fair this year will confer a favor on the management if they will notify Albert Ebersole, superintendent, the number of pens they will need, so that plenty of room may be provided.

The Ford exhibit to be made at the fair this year will require a space of 60x300 feet in size and will be one of the most interesting displays ever seen at a small fair.

The world has been very successfully bunched by the German mark. Its value has steadily declined. They may never come back to their proper value.

John Mark was a young man who grew up in a fine home—was the companion of good men—had a grand chance to serve his generation.

John Mark went with two other men who were doing pioneer work for the then very young Christian Church of 50 A. D.

John Mark became dissatisfied with his job for some unexplained reason and decided to go back to Jerusalem. His act was criticized.

John Mark afterwards did a great work for the world when he wrote that crisp, clear-cut account of the life of Christ.

A man may fail in some venture of life and disappoint his friends but he can come back and render service that is most valuable.

Are you a come-back-backer of a never was?

To The Public

It is with a great deal of pleasure that we announce to the public that Mr. W. H. Safford has again accepted a position with this store and that he will have charge of our Grocery and Bakery Departments. Mr. Safford will be pleased to meet his many friends in this community at any time.

GROCERIES of QUALITY

Our Grocery business is growing by leaps and bounds and we are more and more convinced that the people appreciate goods of quality and good service. No long waits here before some one gets to you to supply your needs. No cheap inferior goods are offered; our patrons we buy only the best known brands. This makes a combination that the public evidently appreciates, judging from the manner in which our trade is growing each month.

YOUR BAKING NEEDS

Can be supplied to your entire satisfaction. Our cases are filled each day with fresh Baked Goods and if you have never used any of our goods you are invited to give them a trial.

Fresh Fruits and Vegetables.

C. R. HORTON

LOCAL

Dr. L. A. Ketchum has returned
from her visit to Montana.

Many Northville people have visited
the State Fair at Detroit during the
past week.

The A. G. Newman residence prop-
erty on Rogers street has been sold
to J. L. Tipton of Chicago.

Mr. and Mrs. Bert Rea of Kenton,
Ohio, spent the week-end with the
former's sister, Mrs. Cora Macomber.

Peter Perkins' orchestra furnished
the music for the street dancing at
Farmington's celebration on Monday
night.

Mr. and Mrs. Lucius Blake and
children spent Sunday and Labor
Day with relatives and old friends at
Sand Lake.

Mr. and Mrs. O. C. Casterline have
moved to Farmington. Mr. Casterline
having charge of the C. F. Smith
store there.

Northville's DeMolay base ball
team played at the M. A. C. grounds
at East Lansing last Saturday, being
defeated to the score of 8 to 5.

Mr. and Mrs. W. D. Iseman and
sons, Burgess and Joseph, spent Sun-
day and Labor Day with Mr. and Mrs.
E. E. Brown, returning home Monday
night.

Mr. and Mrs. A. K. Miller have
rooms at Roy Clark's residence on
Linden avenue. Mr. Miller is
physical director in the Northville
schools.

Mr. and Mrs. A. J. Heffrich and
Doris returned home the last of last
week from their visit with relatives
and friends at Capac and Columbia-
ville.

September 25, 26, 27, 28 and 29 are
the dates for the Northville Fair.
Wednesday will be Ford day, Thurs-
day, Plymouth day, Friday, Redford
and Farmington day and Saturday De-
troit day.

The case of the People vs. Frank
Eckles was dismissed before Justice
G. H. Baker for lack of sufficient
evidence. Mr. Eckles claimed he
had purchased the tires and automo-
bile parts found in his home in De-
troit.

Mr. and Mrs. A. G. Newman will re-
turn to Pontiac this week, where they
will spend the winter with their
daughter. They have rented their
cottage to Mrs. Whipple and daughter.
The latter being a teacher in our
schools.

The Clark grocery store in this vil-
lage has been sold to Mr. Partridge
of Detroit, who will take possession of
the business. Mr. Partridge resided
in Plymouth some years ago and is
well known to many Northville people.

Mr. and Mrs. W. A. Crane and son,
of Marshall visited Northville friends
for a short time Wednesday morning
while on their way to the State Fair
at Detroit. Mr. Crane is secretary
of the Calhoun County Fair in his
home city.

Howard Stark of Romeo, arrived
home last Friday for a ten day's vaca-
tion. This week Howard and his
sister, Doris and their grandmother,
Mrs. Hulda Vanatta of South Lyon,
have been taking in the sights at
Niagara Falls.

Northville Commandery, Knights
Templar, held the first meeting after
the vacation on Tuesday evening.
The newly decorated hall proved an
added attraction and the meeting was
one of great enjoyment, with refresh-
ments and "smokes."

Mrs. Bertha Westfall and four
children have been spending a week
with Mrs. Herman Staman at North-
ville. Mrs. Westfall and Helen re-
turned home Monday, the other three
children remaining for another
week—Farmington Enterprise.

W. H. Elliott & Son's bakery sup-
plied 2,400 buns for the American
Legion's celebration at Farmington
Monday. They have already looked
orders for hundreds of dozens of them
for the Northville Fair. Those nice,
big buns and a hamburger with a cup
of hot coffee make an appetizing lunch.

On Wednesday of last week Mrs. W.
G. Johnson entertained at her home
Mrs. A. M. Eckles of Plymouth, Mrs.
W. C. Leonard and Mrs. Ida Hendryx
of Detroit, Mrs. G. W. Whipple of
Northville and Mrs. John Dellinger of
Farmington. A bountiful dinner,
complete in all its appointments, was
enjoyed and the day was enjoyably
spent.

At a meeting of the board of di-
rectors of the Northville Automobile
club held last Thursday night, E. L.
Smith was elected secretary to suc-
ceed F. S. Neal, who has served the
club faithfully and efficiently since its
organization. Mr. Smith will keep
on hand a full stock of blanks of all
kinds of registering vehicles and for
licensing drivers. An effort will
soon be made to increase the mem-
bership of the club.

The village schools opened Tuesday
morning, and it was discovered that
some one had entered the superin-
tendent's office during the summer
and stolen a lot of report blanks
among them being a quantity of en-
rollment blanks so many of the pupils
could not enroll until Wednesday
when a new supply of blanks was
secured. The thief or thieves also
took some money and other articles
which were of no earthly good to
them in any way.

Milford next week and many
Northville people will attend.

T. S. Mason of Toledo, Ohio, vis-
ited Mrs. Alice Ross over Labor Day.
Mr. and Mrs. Ralph Willis and
daughter Pearl moved to Detroit this
week.

Mr. and Mrs. Harry Elliott spent
Sunday and Monday with relatives in
Grand Rapids, returning Monday
night.

Mr. and Mrs. E. L. Smith spent last
week with relatives and friends at
Long Lake and Howell and attended
the fair.

F. D. Murdock of Berlin, Wis., re-
turned home Monday after spending
several days with Mr. and Mrs. A.
K. Dolph.

Messrs. E. W. and Ernie Lyke were
called to Detroit Tuesday by the ser-
ious illness of their father, Edgar
Lyke, who was at Harper hospital.

The Kings' Daughters of Redford
will hold a street carnival on Septem-
ber 21 and 22nd, for which an
elaborate program is being arranged.
Mrs. William Meisner and son, L.
G. Meisner, have purchased the
Ambler bungalow on Cady street and
have moved to their newly acquired
home.

Born to Mr. and Mrs. C. D. Kilgour
on Monday noon at Providence hospi-
tal, Detroit, a little daughter, Kath-
leen Rose. Both mother and baby
are doing nicely.

Walther Bissfeldt, son of Pastor C.
Bissfeldt, theological student at the
Lutheran Theological Seminary at
Springfield, Ill., has returned to
Springfield to resume his studies.

Alvin Schnute, son of Henry
Schnute, left for Concordia College
at Fort Wayne, Ind., to absorb a six
year college course, preparatory to
entering the Theological Seminary at
St. Louis, Mo.

The Northville band will play at
the Milford fair next week and in
consequence there will be no concert
on Saturday night of next week. On
the following Saturday night the last
concert of the season before the
Northville fair will be given.

Mr. and Mrs. Floyd Lanning are
enjoying a motor trip through the
east, visiting New York City and
Washington besides many other
citizens and places of interest. Floyd
wanted to take a look at Wall Street
and to see if he could capture any
"bears" and "bulls."

The Ladies Aid of the Methodist
Episcopal Church will have an al-
day meeting at the home of Mrs. F.
S. Neal's. Pot luck dinner will be
served. Meat and potatoes will be
provided, and the ladies can provide
the other goodies. Kindly bring all
the aprons and patches for the quilts.
The day is next Tuesday Sept. 11th.

Manager Hall of the local telephone
exchange is arranging for a compli-
mentary ball to be given at Walled
Lake next Wednesday evening in
honor of the Misses June Filkins,
Della Brooks, Bernice Henry and
Katherine Kahl, who are soon to
sever their connections with the local
office. The employees of the
exchanges in many of the surround-
ing towns will be invited to enjoy
the affair. Misses Filkins and Brooks
will go to Ypsilanti, Miss Henry and
Miss Kahl to Detroit.

NORTHVILLE FAIR NOTES.

Make fair week your Fall holiday season and plan to come and bring it family every day.

Eight ball teams will take place in the base ball tournament this year, instead of four as heretofore.

Don't forget to bring the baby to the better baby contest. The physical examination given will prove of great benefit.

Pick out your choicest vegetables and fruits and bring them to the fair. The cash premiums being offered are worth striving for.

The poultry and pet stock display this year will be larger than ever, and will be in charge of A. E. Fuller, G. E. Richardson and Fred Moffitt.

The Ford Motor Company's famous band will attend the fair on Wednesday—Ford day—and will give concerts. This will be a rare treat for fair visitors.

The fastest and most promising colts raised in Michigan will be here to take part in the trotting and pacing events on Friday—Michigan breeders' day.

A new addition is being built on the grandstand, and this will afford more room for those who enjoy the races and the free attractions to be given each afternoon and night in front of the grandstand.

Amateur photographers will find something of interest for them this year. An effort will be made to secure an exhibit of snap shots and liberal prizes are being offered for them.

The Boys' and Girls' clubs of Wayne county will make a most interesting display at the fair this year under the personal direction of J. W. Wagner, county club leader. The poultry club and the calf club and pig clubs will have exhibits that will prove of more than ordinary interest.

You can buy three single admission tickets for \$1.00 and thus save 50 cents if you should attend three days, for the tickets can be torn apart and used by any one presenting them. Better get your tickets this week. The sale of these tickets will close on Saturday night, September 22nd.

Northville people who have flower boxes or baskets and who do not care to enter them for prizes can render a fine service and assist in making the exhibits attractive if they will kindly loan them to the management of the fair. They will be called for and returned. Please notify C. E. Brown.

if you will help with a box or two.

It is difficult to determine just what makes a fair. People of course contribute to its success but there are a lot of other things which help to make a successful fair, so it is your part as a citizen of this community to contribute your share in making the annual exhibition one that will please and interest the people.

Handsome cups and medals are to be awarded in the stock, fruit and corn judging contests at the fair again this year. These contests will be in charge of B. J. Holcomb of Plymouth, teacher of agriculture in the Plymouth schools. High schools from Howell, Plymouth, Monroe and Ypsilanti were represented last year.

The Northville Baptist ladies will again conduct the eating house under the grandstand and the ladies of the Salem Congregational church and the Woman's Union of the Presbyterian church of this village will serve meals and lunches as they did last year. Northville's Fair has always been noted for the quality of the seats that could be secured on the grounds and this feature has aided largely in the success for the fair. When people are well fed they're usually happy.

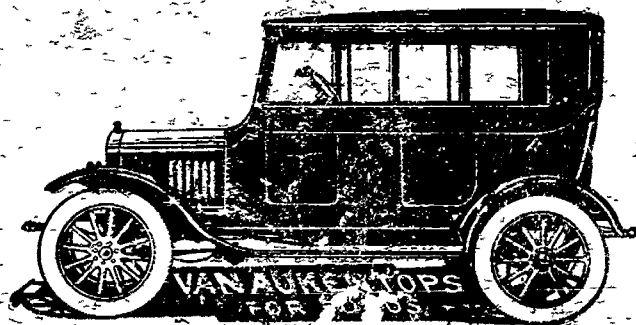

Two weeks from next Monday the gates will swing open at the Northville Fair grounds and people from all over this section will be bringing articles for exhibition, and unless all signs fail every department will be crowded to its limit this year. If you have not already decided to make an exhibit of some kind do so now and thus take part in making the fair a success. You will find that it pays well to do so and that you will more thoroughly enjoy the fair if you have a part in its making.

MARRIAGES IN CANADA.

Richard Barden of Hastings, Sussex, England and Edith Casson of Birmingham, Warwick, England were married last Wednesday in Windsor, Canada. Mr. Barden is riding master of the Northville Riding Academy and Mrs. Barden was a trained nurse in Northville. The young couple are making their home for the present time in Farmington.

Five Slain Members of
Italy's Mission.

Athens—The Greek government has replied to the Italian ultimatum embodying demands for reparation for the massacre of the five Italian members of the boundary commission at the Greco-Albanian frontier. Greece accepts four of Italy's demands with modifications and rejects three.

The commandant of the place where the murders were committed, it is specified, shall express the Greek government's sorrow to Signor Montagna, the Italian minister to Greece. A memorial service shall be held in the presence of the members of the Greek government. On the same day a detachment of the guard shall salute the Italian flag at the legation, and military forces at Trireza shall render honors to the bodies of the victims while they are being transferred to an Italian warship.

The fourth, fifth and sixth demands are rejected on the ground that they infringe the sovereignty and honor of Greece.

The fourth demand provides for the severest inquiry by the Greek authorities at the scene of the massacre, at which the Italian military attaché will be present. The fifth demands capital punishment for all the guilty, while the sixth demand seeks an indemnity of 50 million Italian lire to be paid within five days from the presentation of the note.

The first demand covers apologies of the most sweeping and official nature; the second relates to funeral ceremonies; the third to honors to the Italian flag by Greek warships; and the seventh to military honors to the victims.

Paris—Telephonic advices from Switzerland, in the absence of direct communications with Italy, broken off apparently because of censorship, indicate troop movements in the north, activity in aviation and concentration of naval units at the nearest point north to Corfu, Greece. Reports insist that certain categories of Italian officers have been ordered by telegraph to hold themselves in readiness to join posts immediately. Italian officials stated that if war results it is Greece which is the aggressor, because the Greeks assassinated the Italian officers.

PEACE IN RUHR AGAIN SEEN

Big Business of France and Germany
Get Together.

Berlin—Political circles are informed that the reports of alleged efforts to hasten the opening of the reparation debate on the part of the German government originated in the current impression that the big Rhine and Ruhr industrialists are more concerned in an early settlement than are the army of resisters. The industrialists are said to be growing weary of the expense borne by them in connection with the maintenance of passive resistance and the continued inactivity of their mines and plants.

There have been fresh rumors of "wig-wagging" between the French and German industrialists, who believe that the situation for active contact has measurably improved since Chancellor Stresemann's recent speech.

THIRTY DAY TRUCE IS PLANNED

Four Proposals Made By Governor
Pinchot in Coal War.

Harrisburg—Governor Pinchot's peace proposal to the warring hard coal factions provides first for a 30-day truce. His proposal, has four things to suggest, as follows:

- 1—A 30-day truce, with withdrawal of the union suspension orders.
- 2—Consent by operators to abolition of all but eight hour day employment.
- 3—Consent by operators to allow unions to install agents in company offices on pay days for the purpose of collecting union dues.
- 4—An agreement by both sides to continue joint negotiations for the purpose of fixing wage scales, with the decision to be retroactive to September 1.

Lawyers Bare Crime Growth.

Minneapolis—Startling disclosures of the extent and rapid increase of crime in United States were submitted before the American Bar Association by a Special Committee on Law Enforcement which urged that the whole code of criminal practice in the 48 states of the union be rewritten so that the long arm of the law might also become swift, sure, constant. The blame was laid partly on the structure of the law and the manner in which our courts function.

Governor of Pennsylvania, who is acting as arbiter in the controversy between the coal miners and operators.

NOTABLE FEAT OF AVIATORS

Finish Trans-Continental Flights At
most Between Sunsets.

Chicago—Crossing the continent almost within the hour from setting sun to setting sun, a feat accomplished by the U. S. air mail service, demonstrates the advancement in mail transportation from the day in 1860 when a bronzed rider of the plains mounted a mustang at St. Joseph, Mo., then a struggling frontier settlement, and began the eight-day dash over trackless plains and mountains to the new-hungry gold miners of Nevada and California.

The riders of today, their mountings changed to giant mechanical birds, wing their way across a country, friendly below, but beset in the element they travel by fog, rain, crosswinds and mechanical troubles.

The first trans-continental air mail plane from San Francisco landed at Hazelhurst Field, L. I., with its letters and papers for New York and the east, completing the eastward trip in the 28 hour coast-to-coast mail service being tested by the postoffice department. C. Eugene Johnson drove the machine on the last leg from Cleveland. The plane landed 59 minutes behind the trans-continental schedule.

The westward flight was completed when Air Mail Pilot Vance landed at Crissy Field, San Francisco.

PAVEMENT FOR MAIN ROADS

Road Program Planned in Various
Counties of State.

Lansing—The state administrative board, affirmed the policy recently announced by Governor Groesbeck, of no more gravel surfaces on heavily traveled trunk line highways, by turning down several bids for roads of gravel type.

The highway department was directed to reject all bids for 3.45 miles on M-43 in Ionia county and 5.23 miles on the same route in Montcalm county. The board, after Governor Groesbeck had stated that this trunk line promised to be a heavily traveled route and should be surfaced with concrete, ordered that bids be asked for grading and draining, and that plans be made to pave the two stretches next year.

The board rejected bids for 1.9 miles of gravel on M-21 in Iosco county and asked for new bids on grading, with the idea of paving next year. It took the same action with M-25, between Sault Ste. Marie and Munising. Bids for 4.19 miles of pavement on M-10 north of Monroe, were turned down as too high. This average was about \$42,000 a mile.

ENVOY TO BULGARIA IS SLAIN

Youth Held for Assassination in
Czech Capital.

Prague—Three shots were fired at M. Daskaloff, the Bulgarian ambassador, and he died a short time later. His assailant, Atanas Nikoloff, a 26-year-old Bulgarian, was arrested.

M. Daskaloff was appointed ambassador to Czechoslovakia under the regime of former Premier Stambulsky. When Stambulsky was overthrown in June of this year, the new Sofia government requested the Czech authorities to extradite Daskaloff, but the request never was complied with.

In December last, when M. Daskaloff was minister of interior, a bomb was thrown at his automobile as he was leaving the parliament building. No one was hurt.

Church of Silence for Deaf.

Chicago—Chicago's silent church congregation, composed of many of the 2,600 deaf of the city, will have a permanent church home. The deaf congregation holds services once a week. Every Sunday afternoon they come together from all parts of the city for their worship service of Scripture reading, sermon and hymns in the sign language. There is an illustrated stereopticon lecture, and by watching the signs they enjoy programs of readings, plays and songs.

Squirrels Supply Brushes

The camel has nothing to do with the camel hair brushes so beloved by artists, for they are made principally from squirrel's hair.

Mrs. W. E. Ambler and Mrs. Clyde Scholtz gave a dinner at six o'clock on Wednesday in honor of Mrs. R. T. Ambler. The spacious dining room of the Ambler House was beautifully decorated with pink and white asters and pink roses. Places were laid for thirty-three guests, who enjoyed to the utmost one of those meals for which the house is noted. Guests from out-of-town were, Mrs. John Keyton, Mrs. Sherrill Ambler, Mrs. Harold Turner and Mrs. E. C. Wellwood, all of Detroit. Mrs. Ambler leaves the first of the week for her home in California.

NORTHVILLE SCHOOL NOTES.

Some idea regarding the growth of Northville may be gained from the increase in enrollment in the Northville schools. The enrollment in the first two grades numbers approximately 100 pupils with additional ones entering each day. This has made it necessary to place these pupils on half-day sessions. Parents are advised that this does not mean that these children will receive less instruction, in fact, pupils will be given more individual attention because the group with which the teacher works will be smaller. Another proof of the growth of Northville may be obtained from the school census. In 1921 we had 460 children; 1922, 520, and this year, 586 on this census.

At the time of sending this article to press definite figures cannot be given regarding enrollment in High school, but a record attendance is anticipated.

School will be closed during the Northville fair on Thursday noon for the balance of the week. Our first football game is with Plymouth on Thursday of fair week.

Coach Miller has issued a call for all football candidates and the boys will be in constant practice after school at the fair grounds.

While motoring to Detroit Thursday morning Mr. and Mrs. F. D. Clark of Novi township were injured when their car collided with a truck. The intense fog was the cause of the accident. Their auto was wrecked.

J. W. M. BURTON DIED AT GLENDALE, CALIF.

J. W. M. Burton, who was superintendent of the D. P. & N. Electric Railway for a number of years, and who resided at Plymouth, died at Glendale, Calif., on August 19th. From a Glendale newspaper we take the following:

"The death of J. W. M. Burton, 1544 West Tenth street, well-known local realty man, occurred at a local hospital Sunday August 19th, 1923, at the age of 52 years, following an operation for appendicitis, which he was forced to undergo on August 13, and from the effects of which, in his enfeebled state of health, he was unable to rally.

Mr. Burton had been in poor health since five years ago, when he was injured in an accident in which his automobile was struck by a Pacific Electric car, and in which his two daughters were killed. In the latter part of last year he suffered several attacks of "flu," which are said to have left his heart in a weakened condition that greatly militated against his recovery from the shock of his recent operation.

Besides his widow, Mrs. Ellen E. Burton, Mr. Burton is also survived by a cousin, W. T. Burton of the Burton Realty company, 7004 1/2 West Broadway, Glendale.

Funeral services will be conducted tomorrow, Tuesday, August 21, 1923, at the Little Church of the Flowers of Forest Lawn, by Rev. Louis Tinning, assistant pastor of the Glendale Presbyterian church.

RACES ATTRACT LARGE CROWDS.

Harry German, who has been the new acting secretary of the trotters and pacers at the State Fair, Detroit this week evidently made good. Detroit papers stated that Monday was the largest attendance in grand stand and adjacent standing room, watching the races that ever attended. Also Tuesday found more spectators by more than double of last year in the stand as it was completely filled Tuesday, which follows Labor Day, is usually light in attendance. Proof of the condition of the mile track was seen when Peter Manning, world's champion trotter, trotted an exhibition mile against the Michigan track record of 1:53 3/4. This trotter lowered the record by one second by going in 1:53 1/4. The former record for the State of Michigan was held by Uhlan. Notwithstanding the fact that a number of other states were to hold their races this week Mr. German succeeded in bringing to Detroit a large field of horses with the result that the week's race program has been greatly enjoyed.

MASONS TO MEET AT ALEXANDRIA, VA.

Many McChugan-Masons are planning to attend the ceremonies attendant upon the laying of the cornerstone, on Nov. 1, at Alexandria, Va., of the George Washington Masonic National Memorial. This event will attract to Alexandria and Washington, D. C., the largest number of Masons ever gathered on any occasion in American history.

The memorial, which is declared to be the grandest ever erected in honor of any man, will be built on Shooters' Hill, along the Arlington Ridge and commanding a view of the city of Washington, of Mount Vernon and of all the country most frequented by George Washington in life.

Surrounding the memorial, the entire cost of which will be \$4,000,000 will be a park of 32 acres.

Novi News

Mr. and Mrs. E. D. West visited friends at Caro recently.

Mrs. Orren Hulet is visiting her son and family in New York.

C. J. Woodruff and wife of Detroit spent Saturday night and Sunday among Novi friends.

Several from here attended the booster meeting of the B. Y. P. U. at Farmington Sunday evening.

Mrs. L. B. Finn, who has been quite ill while visiting friends in New York, is expected home this week.

The Baptist Home-Missionary society will meet with their president, Mrs. H. R. Osborn, on Thursday, Sept. 13th. Mrs. Rix and Mrs. Coates assisting.

Though the attendance at the W. C. T. U. banquet and The Law Enforcement League at the Baptist church last Wednesday evening was not as large as was anticipated owing to the storm, those who did attend pronounced it a success in every way. The talks by the different ones were very interesting and helpful. The proceeds from the banquet netted about \$15.00 after all expenses were paid.

The Novi school opened Tuesday with Mr. Curtis, Miss Porter and Miss Dearboughs as teachers and it is hoped by all interested in the education of the children of our town that this may be a very profitable year, and that Novi can be proud of its school children's advancement. Notwithstanding the fact the Consolidated school system did not carry the ones who had the project at heart have not given up nor are they as faint-hearted as some have intimated, but are still interested in Novi having at some not far distant time a Consolidated school of which we can be proud, but not much pride can be manifested in the one now standing.

THE RED CROSS IS THERE.

It is encouraging to realize that in any great disaster like the one which destroyed towns and cities in Japan this past week, no matter in what portion of the world the calamity may fall, the American Red Cross stands ready for immediate relief and assistance. When the first flashes of the terrible disaster were received the Red Cross hosts were marshalled and the response to the cry for help was immediately answered.

America will give freely from its abundance to these stricken people of Japan and it has been wisely decided that the assistance rendered shall be through the agency of the Red Cross and the United States army and navy. Cash contributions are pouring in from every quarter, but a great deal will be required.
