All Shows begin at 7:00 o'clock.

POPULAR NORTHVILLE GIRL MARRIES FARMINGTON YOUNG MAN

The home of Mr. and Mrs. Frank Morris, on Dunlap street, was the scene of a pretty wedding on Wednesday evening of this week, when Miss Ida May Morris was united in marriage to George A. Hunt of Farmington. The ceremony was performed in the presence of about 35 relatives and friends of the contracting parties, Rev. William Richards officiating.

The color scheme throughout the rooms was yellow and white and in all its appointments the affair was a most attractive and happy one. After congratulations had been extended refreshments were served the guests.

The happy couple left soon after the ceremony for a wedding journey that will include a sojourn of several months in California. They went from Northville to Reading, Ohio, to visit Mr. and Mrs. Harry Simmons and from that city they will continue their journey by auto, camping along the way.

The bride has a host of friends in this community where she is well and favorably known. Having been employed by the Detroit Edison company for the past few years, while the groom is a contractor and builder, being associated in business with his father in Detroit. The best wishes of all their friends will accompany them on life's pilgrimage.

GOOD ROADS TEAM WON THE HONORS.

On Sunday afternoon the Wayne county good roads team came to Northville to play the final game in a series of three with the Foresters' team of this place, and the contest was one of the best seen on the local grounds this season. The honors of the day and the series went to the good roads players, who won the game by the score of 5 to 4. Northville made one run in the second inning, while Wayne made two. Wayne scored again in the fourth and Northville secured two scores in the fifth. In the sixth both teams secured one score and in the eighth Wayne secured another, making the result 5 to 4. In the fifth Northville had three men on bases and but one out, but they could not tie the score.

The game furnished lots of thrills for the fans and both teams were well supported on the side lines.

The good roads team will play here during the fair.

PUSHING WORK ON GRAND RIVER.

The highway work being done on Grand River in the vicinity of Farmington is progressing in a very satisfactory manner. On the Farmington end of the improvement about a mile and a half of cement has been completed and the first of this week two mixers with full crews were started at the Wixom road, one working east and the other west. If the fall weather will permit a good stretch of highway will be completed before December.

GOOD OPENING HERE FOR HOTEL MAN.

Owing to their interests in California, W. E. Ambler & Son are desirous of disposing of their interests in the Hotel Ambler in this village. Some experienced hotel man who can furnish references as to his ability and reliability will be assisted in securing this business by the people of Northville. Here is a fine opportunity for some one.

GUN CLUB TO HOLD SHOOTING TOURNAMENT.

The Northville-Plymouth Gun Club will hold its annual far-time tournament on Friday and Saturday, September 23rd and 24th, on the afternoon of each of these days. There will be four events, with three trophies in each event. Lovers of the gun should plan to attend the tournament and also the Northville fair.

EDGAR LYKE DIED IN DETROIT.

Edgar Lyke, who had been hovering between life and death for several days, died at Harper hospital in Detroit, Wednesday afternoon. His remains were brought to this village later in the day and funeral services will be held from Schrader Brothers' funeral chapel this Friday, afternoon at two o'clock. A suitable obituary will be published next week.

Christ Neilson exhibited his handsome herd of Jersey cattle at the state fair last week and received fourteen premiums for the fifteen head he took to the big show. Naturally Mr. Neilson is feeling pretty good over the result of the exhibition.

SEVENTH ANNUAL NORTHVILLE FAIR.

For the past six years the Northville Wayne County Fair at Northville has been pronounced the "biggest little fair in the state," and the seventh fair to be held on September 25, 26, 27, 28 and 29, gives promise of being larger and better than any of those heretofore given. All departments will be filled and the grounds will present a scene of great activity when the gates open on Tuesday morning. Exhibits will be received all day Monday and all must be in position by noon on Tuesday. There will be five big free acts, concerts by the Ford Motor Company's band and by the Northville band, exciting races three afternoons and the Ford car races to take place on Wednesday. Ford day will afford a great deal of amusement. There will be a poultry and pet stock show and a fine display of live stock, fruit and vegetables, while the boys' and girls' clubs of the county will have interesting exhibits. Wednesday will be the better baby contest which has created much interest in former years.

There will be the usual rides for the children and the fireworks display for four nights will be equal to anything ever seen in this section. Detroit Detroit drill team and drum corps will be present on Saturday afternoon to give an exhibition drill. The base ball tournament this year will be one of the biggest affairs of its kind ever given at any fair. Eight teams will take part and the two winning teams will play for the championship of the fair on Saturday afternoon. Eight of the best ball teams in this section have already signed up for the games.

There will be plenty of eating places on the grounds that all may be well cared for. Bring the family and spend a few days with old friends and neighbors. Wednesday will be Ford day, Thursday Plymouth day, Friday Redford and Farmington day and Saturday Detroit day.

TWILL BE SOME TOURNAMENT.

There will be staged during the Northville fair one of the biggest base ball tournaments ever attempted at any county fair in the country, when eight teams will contest for honors. There will be two divisions, the Reds and the Blues, and they are composed of the following teams which have made good records this past summer. The Reds will be Franklin, North Farmington, Redford and Livonia, and the Blues will be Wayne county good roads, Northville, Rusdon's Creamery and Five Points.

The teams comprising the two divisions will play to determine which is the best and on Saturday afternoon the winners in the two divisions will play for the championship of the fair.

For this tournament the fair management is offering cash prizes amounting to \$300 and the contest will be fought to a finish. If you really enjoy base ball here is your opportunity to "fill up."

AMERICA RESPONDED NOBLY.

You did not read much about it in the newspapers, but no sooner had the news of the great disaster that had befallen Japan been received in Washington than all the agencies of the government were in action in rendering assistance. War ships were rushed to the scene of the great calamity and representatives of the United States navy were given orders to buy provisions and supplies and to rush them with all speed. Not a moment was lost nor a penny pinched, but from out of its abundance America has poured out substantial sympathy to those who are in dire need. The Silent Coolidge is evidently alert to America's opportunity to render assistance in time of need.

L. F. MEISNER SELLS GARAGE.

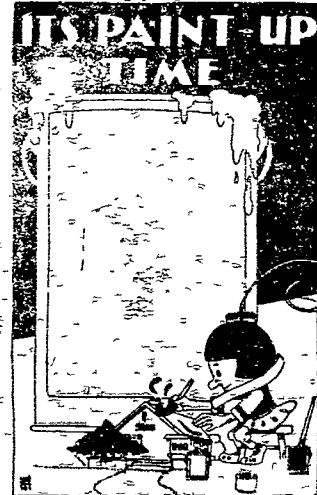

A deal was consummated the first of the week whereby Harry S. German and son, Loyle, purchased the interests of L. F. Meisner in the garage business and the Dodge agency, which the latter has conducted for the past year or more. Messrs. German are well and favorably known to the people of this section and they can be depended upon to conduct the business in a manner that will merit the patronage and confidence of the public.

They will give special attention to service for Dodge cars and to the sale of them also, besides handling gasoline, oils and automobile accessories for all makes of cars.

Mr. and Mrs. E. C. Langfield are visiting relatives and friends up in the thumb country and at Saginaw.

SHERWIN-WILLIAMS HOUSE PAINT SWP

How SWP cuts painting cost
The only way to buy paint economically is to buy the best paint and figure costs by area covered and years of life. SWP covers one-third more area than paint which is cheaper per gallon. It lasts twice as long without repainting, so requires half the material and costs half the labor price (for painting and repainting).

EUROPEAN CORN BORER PRESENT IN WAYNE COUNTY.

Officials of the United States Department of Agriculture have discovered the European Corn Borer in Taylor township. This and Huron township, where the insect was discovered last year, are the only infected areas in Wayne county. Every precaution should be taken to prevent its spread.

The U. S. Department of Agriculture recommends that all sweet corn fields should be cleaned up as soon as possible after crop is removed. The best place for the stalks which should be cut low in a silo, but, lacking a silo, feed them green. Next plow deep and burn everything not thoroughly covered.

This matter should receive serious attention and eradication should not be hard to complete if proper precautions are taken now. Continued and increasing infestation will mean a great loss to growers of not only corn but of many other plants which the borer attacks.

The European corn borer probably is the most injurious plant pest that has yet been introduced into this country. It is now known to be present in an area of about 320 square miles near Boston, Mass. Unless repressed and restricted it may spread throughout the country and cause serious and widespread losses to the corn crop.

The larvae, or borer, tunnels thru all parts of the corn plant and destroys or severely injures the ears and stalks. The pest also attacks celery, Swiss chard, beans, beets, spinach, oats, potatoes, tomatoes, turnips, dahlias, chrysanthemums, gladioli, geraniums, timothy and certain weeds and grasses.

There are two generations each year, so that multiplication and spread are rapid, especially as very few of the borers are destroyed by natural enemies. The winter is passed in the larva or borer stage within infested plants.

To suppress this pest burr or otherwise destroy during the fall, winter,

or spring all cornstalks, corn stubble, crop remnants and stalks of garden plants, weeds or wild grasses within the infested areas likely to harbor the overwintering borers. Work of this kind is now being conducted by the federal, state and local authorities, and the hearty co-operation of all property owners, tenants or other interested persons is earnestly solicited. This work must be done very thoroughly. The borers in a few overlooked plants may increase by the end of the season to as many as were present before the clean-up.

To prevent the spread of the insect, quarantine measures, both federal and state, must be strictly enforced to prevent shipment of infested plants or plant products out of the area now infested.

Improvement for five years and a fine of \$5,000 are the penalties provided by law for the intentional transportation of this pest.

OAKLAND BOYS WIN AT STATE FAIR.

Members of three Oakland County farm boys' clubs exhibiting their stock in the boys' farm club classes at the state fair, carried away most of the prizes for Hampshire hogs, according to announcement made today by George H. Kimball, Jr., county club leader.

Seven boys, members of three different boys' clubs, the Clarkston, Webster School District, and Wixom clubs, exhibited 25 animals.

In the junior sow pig classes winners were as follows: Clarkston Club—Farris Miller, first junior sow pig; Paul Tindall, 3rd and 4th; Allan Fish, 8th; Webster School District winners in this class were Clifford Jones, 2nd, 5th and 6th; George Richardson, 7th; Wixom winner Heath Holden, 9th and 10th.

In the junior boar pig classes the winners were: Clarkston—Tindall, 2nd; Miller 4th; Terry, 6th; Webster Club—Jones, 5th; Wixom—Holden 3rd. First junior boar prize was won by a Hillsdale entrant.

The Clarkston club won first prize for the best junior herd, and Wixom won second prize.—Pontiac Press.

TEN FRUIT INSPECTORS AT WORK.

The state department of agriculture now has 10 inspectors working in the fruit belt of Michigan searching for violations of Michigan grading laws. More inspectors will be added, as their services are required. It is planned to appoint three or four to work in the grape districts as soon as the grape shipping season opens.

A number of changes have been made in the state grading laws and any person desiring copies of these laws may obtain them in booklet form by making application to the state department of agriculture. The fruit inspectors and their territories are as follows: William Esslinger, supervising inspector in southwestern Michigan; Vere Burger of Bangor, Berrien, Cass and St. Joseph counties; Clare Hopey of Bangor, Van Buren, Allegan and Kalamazoo counties; William Kammeraad of Grand Rapids, Kent, Tonia and Ottawa counties; O. L. Kratoch of Hart, Oceana, Muskegon, Mecosta and Newaygo counties; J. T. Larr of Scottville, Mason, Manistee and Wexford counties; J. D. Davis of Mason, all south central counties; W. B. Blanchard of Traverse City, Grand Traverse region; B. J. Verduyn of Novi, the Detroit area and Thumb district. The remainder of the state will be handled from the Lansing office by O. K. White, general fruit inspector.

FORD MOTOR PROFITS.
Net profits of the Ford Motor Company are estimated at \$54,000,000 equal to about \$315 a share on its 172,455 shares of stock in the four months ended Jan. 23, 1924, according to compilers made from the balance sheet. The period's earnings were at the annual rate of more than \$702,900,000, or about \$945 a share, compared with a net profit of \$119,700,000 or about \$690 a share earned in the year ended Feb. 23 last.

In the 12 months ending Feb. 1, 1922, the company earned approximately \$69,000,000, or about \$400 a share.

For the first time the balance sheet as of June 30 last consolidates the items of good will and cash into an aggregate of \$230,511,818. For several years past the company has carried good will at \$20,517,886. Assuming that there has been no change in the latter figure, the cash item alone as of July 1 last was \$210,233,932, representing an increase of more than \$50,000,000 in the four months ending March 1 last, and a gain of nearly \$65,000,000 over that of June 30, 1922. The profit and loss surplus on June 30 last amounted to \$414,125,158, an increase of more than \$54,000,000 over that reported on Feb. 23 last, and \$124,000,000 more than that on June 30 last.

The Ford company during August produced 172,000 cars and trucks, compared with 182,735 in July, the decline being attributed to changing over to new models. September's output is expected to be more than 185,000 units.—Michigan Record.

Announcing the 1924

Oakland 6

It's Brand New—and True Blue

This True Blue Oakland was deliberately planned to be the most perfectly balanced, the most accurately engineered and the finest built light-six in the world.

Two years have been devoted to its design, manufacture and test. Two years—plus the wealth of Oakland experience gained through many other years of exclusive light-six manufacture and the limitless resources of General Motors.

From axle to axle—it's new! It embodies features of mechanical superiority—of beauty and comfort

and performance—heretofore unheard of in cars of its price! Every single part—from the new engine to the new bodies—was designed and built to fit and function in perfect harmony with every other part.

And because it has been so carefully designed, so soundly built and so thoroughly tested—Oakland places upon it, without hesitation, the same written 15,000 mile engine performance guarantee and the same Mileage-Basis gauge of value that have proved the quality and the value and the excellence of Oakland cars for years!

Four-Wheel Brakes—New Engine—New Bodies! Special Showing All Week—You Are Invited!

Come in and see this True Blue Oakland—built to be the finest light-six!

Study its exclusive features and you will marvel at the value built into this car at its new low price.

Test its four-wheel brakes—an outstanding safety achievement on a car of Oakland's price! Note how simple they are; learn why they require so

much less attention than conventional two-wheel brakes.

Inspect the brand new engine—smoother, quieter and more powerful than even its highly successful predecessor, the Six-44.

See the new blue bodies built by Fisher. The top is permanent with new side curtains comparing in snug-

ness and utility to the doors of a closed car. Controls are centralized on the steering wheel. Disc steel wheels are standard at no added cost.

See this new Oakland at our special showing this week! Don't miss the first public exhibition of this True Blue car—the latest and finest achievement of the Oakland Division of General Motors.

A Nation-Wide Demonstration

"True Blue Travelers"—of which the 1924 Oakland's are exact counter parts—have started on a remarkable tour! They are part of Oakland's fleet of test cars, some of which have traveled fifty thousand miles. Traveling the routes indicated on this map, they are demonstrating not only the high quality of Oakland construction, but also the remarkably efficient performance buyers may expect from their True Blue Oakland's after months of the hardest service.

NORTHVILLE, MICH., SEPT. 14, 1923.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897, for the week corresponding to this week.

John Little is convalescent. Mrs. Charles Sessions is quite ill. Miss Irene Green left for Albion college yesterday.

Mrs. E. C. Hinkley is suffering with an attack of diphtheria.

Mrs. A. K. Carpenter has been on the sick list this week.

Frank Lewis of the 32nd arrived home Sunday morning.

School opened this week with an enrollment of 340 pupils.

Fry Brothers & Co. started their new delivery wagon Friday.

Mrs. Henry Smithman has returned to her home in Ovid.

Mr. and Mrs. R. L. Smith have returned from their wedding trip.

Miss Mae Spilman has gone to Ansonia to visit her grandmother.

Miss Bertha VanZile will teach in the Judd Chapman district this year.

Miss Mamie Huff has returned from a week's visit with her aunt, in Detroit.

E. K. Nash of Salt Lake City has been visiting his mother, Mrs. Helen Nash.

Dr. Turner of Farmington has moved and settled in F. D. Adams' home.

M. N. Johnson and wife are visiting Mr. and Mrs. C. A. Gardner at Cleveland.

Mrs. W. H. Priest and daughter, Florine of Detroit, are visiting in Northville.

Mrs. M. Buzzell and family move to Los Angeles, Calif., to join Mr. Buzzell this month.

Mrs. W. H. Hutton and two sons, Lewis and Percy, are visiting at Saginaw and Flint.

It will now present you with a ring," says the bicycle rider, as he jingles his bell.

Mrs. Charles Burton of near Farmington died last Wednesday. She was 82 years old.

J. M. Dixon has recently built a large addition to his already commodious greenhouse.

Rev. Ward has been setting type and learning other branches of the printers' art this week.

At a meeting of the state board of A. W. in Detroit, Monday, E. H. Hines was nominated chief counsel.

Charles Walters left Wednesday for Detroit to see his brother, who was in the battle of Sanago, and is very ill.

Lewis D. Tower of this place and Miss Hulda Kuehn were married on Wednesday at the bride's home in Richmond.

After a month's visit with Northville relatives, Mr. and Mrs. Bron Brigham returned to their home in Flint last Saturday.

Mrs. Ida Joslin goes to Washington the 27th inst. to attend the triennial meeting of the Supreme Chapter of the United States O. E. S.

The engine room and main shaft belt in the J. A. Dubuay factory were damaged about \$150 by fire Wednesday night. The loss is covered by insurance.

On Wednesday evening at the Presbyterian manse Thomas G. Gibson of Farmington was married to Miss Pearl Blanchard of the same place. They will live on the groom's farm near Farmington.

WESTMINSTER GUILD NOTES.

The first fall meeting of the Westminster Guild will be a welcome roast, at the home of Mrs. D. P. Yerkes, on Monday, September 17th, at 5:00 p. m. Everybody be on hand and let's start the season right.

PRESBYTERIAN CHURCH NOTES.

There will be preaching next Sunday, morning and evening. There was a good attendance last Sunday and Rev. Frank Knowles gave two very interesting discourses. He will occupy the pulpit again next Sunday. All are invited to hear him.

POSTOFFICE NEWS.

Business places are requested to have their mail at the postoffice by, or before, 5 p. m. each day to make sure of its dispatch. The 7:30 mail is a catch pouch and can accommodate only a limited amount of letters, and besides there is always a chance of the "catch" on the train missing the pouch.

Every day someone mails a letter with no stamp on the card or envelope or no name on it or else no city. The postoffice employees can guess the most of them out but not all.

Children should not call at the postoffice for mail on their way to school.

Try Record Liners For Results.

LUTHERAN CHURCH NOTES.

Next Sunday the congregation will celebrate the annual mission festival. In the English service in the morning at 10:30, Rev. G. H. Peters of Detroit, will deliver the sermon; at the afternoon service at 2:00, Rev. Hertwig of Detroit, will fill the pulpit. The afternoon service will be in German. A liberal offering for the mission funds of the Lutheran-Missouri Synod is expected. The ladies of the congregation will serve a noonday lunch and vesper-lunch after the afternoon service. All are cordially invited.

BAPTIST CHURCH NOTES.

The Farther Lights class will meet with Miss Ella Lockwood next Tuesday evening. Important business. Every member urged to be present. Subject of Sunday morning sermon "Christ's Three Fold Mission." R. H. MacRae will assist at this service.

Subject Sunday evening will be "Marriage." After over 20 years of married life the pastor does not believe that marriage is a failure.

We have been very fortunate in securing the services of Mrs. May Henry for church organist. Mr. Meisner has been forced to resign because of poor health.

A short young people's meeting will be held Sunday evening at seven o'clock. R. H. MacRae will be in charge.

You miss something worth while when you miss the prayer meetings. Come our next Thursday.

METHODIST CHURCH NOTES.

Next Sunday is the last Sunday in the conference year. The conference will meet in Central church, Detroit, next Tuesday and conclude Monday night on the twenty-fourth. The pastor hopes to return to commence the new conference year on September 30th.

The message next Sunday morning will be on "The Devil's Text." A full choir will greet the congregation and everybody will have a helpful time. Time, 10:30.

The Sunday School will meet at 12 and all are invited to stay for the study of the scriptures.

In the evening the Epworth League will meet at 6:30. Waldo Elliott will speak of his experiences in his trip to Alaska this summer. Come along and hear Waldo and see the pictures he brings for the young folks to look over. The pictures are of his own taking.

In the evening the pastor will give a lecture on "Japan," the country of the Wisteria and running brooks recently devastated by the earthquake. The views are beautiful and a pleasing time will be had by talk and illustrated views. Time, 7:30.

Northville School Notes.

The teachers of the Northville schools are very much indebted to the thoughtfulness of the W. C. T. U. who placed flowers on the desk of every teacher on opening day of the school. The beautiful bouquets were appreciated by both pupils and teachers and added a great deal in starting the new school year right.

Annals from last year may still be purchased or obtained by ticket from the High school office.

Plans are being made to organize a business man's course in physical training under the direction of Coach Miller. The course will be given once each week in terms of ten weeks. It is hoped that the work can be started by the first part of November. More will be said later.

Be sure to keep the night of November 15th free for that is the opening of a series of entertainments to be given under the auspices of the High school. The first number will be the play "Six Cylinder Love." Everyone in Northville will be approached to buy season tickets, proceeds of which will be used to help send the present Senior class to Washington for a week in the spring.

The High school orchestra under the direction of Miss Olson, met Monday evening for the first rehearsal. The orchestra is being re-organized and credit will be given the same as High school music.

A large number of boys are training for football each night under the direction of Coach Miller.

The student council is being organized this week. It is too early to announce the results in this week's issue.

Mrs. Leroy Childs at Atlanta, Ga., is visiting her father, Dr. Schuyler.

Mr. and Mrs. John Quick of Rainy River, Ontario, who have been visiting friends and relatives here, sailed for home Friday, on the steamer Noronic. Mrs. Quick is a sister of Mrs. Abie Meyer and Joe Weston of this place.

You will be thinking about a new hat for the fall. We have them all colors, all styles, all prices. We will try and please you. Mrs. McCully.

SIGNS FOR THE FAIR.

Place your orders for cloth signs for the fair with J. M. Tesson, 228 North Harvey street, Plymouth, Mich. Phone 107-M.

Try Northville first.

LOCAL.

Mrs. Caroline Buers died at her home near Salem, on the Fishery road, on Monday, aged 64 years. Funeral services were held at her late home on Wednesday afternoon and interment took place at the Thayer cemetery.

Mrs. Jacob Stephens of Los Angeles, California, and daughter, Mrs. B. R. Cloyd of Yuma, Arizona, who have been touring Europe since June, returned home last week.

CARD OF THANKS—We desire to express our thanks for the flowers sent and for the kind assistance rendered during our recent illness. Dorothy Schweizer and Vera Van-sickle.

stopped on their way home and were guests of Mrs. Franz Power, last week. Messrs. T. E. Murdoch, C. A. Dolph, J. A. Huff and E. A. Keeney attended a dinner given at the Port Shelby hotel in Detroit on Tuesday evening by Potentate Frank T. Lodge, the gathering being distinguished as ambassador's night. Representatives were present from a number of towns and cities outside of Detroit. The Shrine are perfecting plans for a large ceremonial to be given at the coliseum at the state fair grounds this fall.

A very pretty wedding was solemnized at the Methodist Episcopal parsonage last Saturday afternoon, when James B. Dowling of Detroit, and Miss Beatrice O. Germain of Ypsilanti, decided to drive to Northville for the ceremony. The ring ceremony was conducted by the Rev. William Richards. They were accompanied by Miss Winnie Brigel of Ann Arbor as bridesmaid, and Norman Evans of Ypsilanti, as best man.

Mr. and Mrs. J. D. LaRue and sons, who have been spending the summer with Mr. and Mrs. M. R. Seeley, will leave today for their new home in Ypsilanti. On Tuesday evening the members of the Wayne Rotary club and their wives gave a banquet and farewell reception for them at the White House Inn, near Flat Rock.

Mr. LaRue was presented with a gold pen and pencil in token of its appreciation of his efforts as "father of the Wayne Rotary Club."

The meeting of the Northville Exchange club on Wednesday was planned as a compliment to F. S. Harmon in keeping with the plan to have some of the business men of the village who have been actively engaged here for many years as guests of the organization from time to time.

Others will be invited during the next few weeks and months. C. A. Dolph was chosen a delegate to attend the national convention of Exchange clubs to be held at Springfield, Mass., the week of September 25th.

ONE TRAFFIC LAW NOW FOR ALL STATE.

The Palmer Uniform Traffic law, which became effective last week, apparently conflicts with local ordinances in several cities in which through traffic streets have been designated. The new law holds that trunk-line traffic has the right-of-way. It stipulates that cities may designate through traffic streets "except where they intersect with trunk lines, when the trunk-line has the right-of-way."

According to an interpretation of the law by the Attorney General's Department, there is no conflict in cities where traffic officers are stationed at intersections of a through streets and trunk lines, as in Detroit.

A BETTER DOCTOR NEVER LIVED

This is the estimate of many hard working—all around family physician—the sort who knows and cares.

The worth of a good doctor can scarcely be reckoned. Such a one comes into lives at very critical times. Knows the disposition and physical make-up to a marked degree.

A good doctor does more than mend broken bones or heal unhealthy tissues. He comes with hope and cheer and faith for sick and well alike.

Luke was a physician in Palestine many years ago. He came to be the advisor and companion of Paul in those wonderful journeys thru Asia Minor.

Luke cared for the physical well-being of Paul and was a faithful helper in establishing the Christian societies. He stayed with Paul until Nero's executioner ended the great evangelist's career.

Dr. Luke had the scientific mind—the careful way of stating facts and he wrote out a history of the Christian religion that is superior to all others.

C. A. DOLPH BIBLE CLASS

METHODIST SUNDAY SCHOOL

First Presbyterian Church

Expend energy means the commerce of the world. We are striving to make this church a power for good in Northville. You need the church and the church needs you. Let us co-operate in the Lord's work and see if he will not again open the windows of heaven. Rev. Knowles will be with us again this coming Sunday. Hear him; you will not be disappointed.

At 10:30 a. m.—Morning Worship.

Solo—Selected. Male Quartet—Selected.

Sermon—Rev. F. P. Knowles.

At 12:00 o'clock (noon)—Sunday School.

A class for every one. A teacher for every class and a welcome for everybody.

At 6:30—Christian Endeavor Meeting.

The first Christian Endeavor meeting this year will be at 6:30, Sunday evening, under the leadership of Jesse Thompson of Detroit. All young people cordially invited. Several things will be discussed that will be of interest to you. Come and bring your friends.

At 7:30—Evening Praise Service.

Some time we will want to praise Him—we may as well begin now.

Special Music—Selected.

Sermon—Rev. Knowles.

WELCOME

THE FRIENDLY CHURCH

There'll Be No Regrets

If you make your selection from our very attractive assortment of Room-Sized Rugs. We know you will be pleased with the patterns and with the quality, and we are doubly sure you will be pleased with the prices we are offering at this season of the year.

There are so many different grades of rugs sold under the same name that it is always a good plan to look before you buy. You cannot afford to make your selection from a catalogue or a photograph. By visiting our Rug Department you cannot only look, but you can feel—you can examine—the rug you select to satisfy yourself as to its wearing qualities and workmanship.

When you desire a rug, come here and let us show you an assortment that will appeal to you.

LOCAL

Read the fair notes today.
Master Warner Neal visited with relatives over Sunday at Ovid.

Mr. and Mrs. Ed. Walters of Belleville visited the Neals on Sunday.

The Northville Foresters will play ball at Dexter Sunday afternoon.

The Milford fair this week is being attended by many Northville people.

H. J. Partridge of Memphis, Tenn., has been the guest of Miss Ella M. Power, since September 1st.

Mr. and Mrs. S. L. Brader were in Detroit the first of the week with relatives and friends.

The Northville Foresters ball team will play the fast Pontiac team at Milford fair this afternoon.

Mrs. C. A. McCullough and Miss Ellenora Sutton have returned from a three weeks' visit at Lansing and Jackson.

Read about the special cash prizes in the floral department at the fair this year. You will find the offerings in the fair notes.

Mr. and Mrs. C. W. Platt of Grand Rapids spent a few days this week with the former's sister, Mrs. Florence Sackett and family.

Mr. and Mrs. C. R. Blakeslee returned home Wednesday from an auto trip through the east. While in New York City they ran across Mr. and Mrs. Floyd Lanning and Miss Elsie Branson.

Starting with the 18th and continuing until the 23rd, Detroit will have a real wild west exhibition at the state fair grounds, in which hard boiled cow-boys and dainty cow-girls will take part.

Messrs. and Messdames D. J. Smith of South Lyon, Robert Rhodes and Ira Carney of Walled Lake and Dr. B. Bunn of this village recently spent ten days at Glen Lake, where they

The Seniors of the Northville High school will have a lunch stand at the Northville Fair. They will have lots of good eats and urge that you make their tent your headquarters at mealtime. Their goal is Washington, D. C. in 1924.

The Detroit Edison company "turned the switch" on the Milford lighting system Wednesday afternoon. Our sister village is fortunate in having made arrangements with this well-known company to supply its electric energy. Edison service is always satisfactory service.

A pretty garden wedding took place last Wednesday evening at Maple Grove, the pleasant farm home of Mr. and Mrs. F. L. Becker in Northville township, when their daughter, Mable, was united in marriage to Otto Reamer of Plymouth.

Mr. and Mrs. E. H. Ryder of East Lansing, whose names appeared among the missing at Tokio, were fortunate enough to have left the stricken city some days before the quake. They were touring the Orient with two Lansing teachers. Mr. Ryder is a brother of Mrs. Charis Coudren of this village.

The Masonic lodge rooms now present a very attractive and inviting appearance. The walls have been finished in gray with a cream ceiling and a brown stencil border and they are a great improvement over the old ones. The committee in charge of the work certainly did well and they are to be congratulated up the splendid results obtained.

Rev. H. J. B. Maish, who went to Tecumseh last fall as pastor of the M. E. church, has been asked to remain for another year. A Tecumseh dispatch recently stated that during the past year's pastorate Mr. Maish has been instrumental in making the Tecumseh Methodist church one of the most beautiful edifices in that city. New floors have been laid, the interior re-decorated and a new steam heating plant installed.

Judging from the number of the washing machine industry in machines on display at the State Fair last week a stranger might conclude that Detroit was the center of the washing machine industry instead of the hub of the automobile business of the world. Northville will have a much better and bigger automobile display this year than the Detroit fair had last week.

In the dairy cattle judging contest held at the State Fair last week Northville and Wayne county was represented by Starr Northrup, Rex Shuart and Herbert Miller and they secured second place, being "headed" out by only a few points by the team representing Washtenaw county. There were 16 counties of the state represented in the contest, and to "land" in second place in such a large field of contestants was a distinct honor to our boys.

E. M. Partridge of Detroit has purchased the Clark grocery on Center street and took possession of the store on Monday. Mr. Partridge will be assisted in the store by Mrs. Partridge and they have been busy this week re-arranging the stock preparatory to giving the interior of the building a complete renovating, finishing with a coat of paint. Northville people will find Mr. and Mrs. Partridge very pleasant people to meet and we bespeak for them a good patronage.

Miss Marion Montgomery has accepted the position of second grade teacher in the Almont schools.

The King's Daughters will hold their regular evening meeting Tuesday, September 18th, at the home of Mrs. Fred Simmons at 7:30 o'clock.

Mr. and Mrs. Gertrude VanDrun of Grand Rapids, called on Mr. and Mrs. A. Fritz Sunday evening. Mr. and Mrs. VanDrun also spent several days with relatives in Pontiac.

The Superior Churn & Manufacturing Co. of this village made a display of churns, root cutters and mail boxes at the State Fair last week. Messrs. Wm. Scott and F. E. Vanatta being in charge.

On the list of jurors drawn for the September term of the Oakland county circuit court, which convened on Monday at Pontiac, were the names of 17 women. E. D. Flint was drawn from Nov-township and M. B. Pierce from Farmington.

President H. R. Richardson and Secretary E. L. Smith of the Northville Fair association attended a meeting of the Redford Exchange club on Thursday to confer with the business men and citizens of that thriving community relative to Redford and Farmington day at the fair Friday.

The Wayne County Board of Auditors are advertising for bids for the boards with which to secure money for the erection of the home for feeble minded, which will be erected on the Phoenix road, between Northville and Plymouth townships. More than 1,000 acres of land have been secured for the institution.

Northville people witnessed the disgusting spectacle on Tuesday of having a drunken man stagger up and down the streets both in the forenoon and the afternoon. Marshal Lyke was in the city, owing to the serious illness of his father, and could not be communicated with. Fortunately for the foolish fellow who had a larger load of "booze" than he could carry without wobbling all over the sidewalk, other officers did not see him.

One week from next Monday morning the gates to the Northville fair grounds will swing open for the receipt of entries. Have you decided what you are to bring to the fair this year? To make the annual exhibition a success all must help and if you have something on display in the various departments you will feel that you are really a part of the big show, and that you contributed something toward making it interesting for your neighbors.

Northville friends have received invitations to the marriage of Miss Marion Mulford to George Rengalis Harrison, which will take place at the Gladstone Hotel, Chicago, on Tuesday, September 25th. The young people will reside in Grand Rapids, where Mr. Harrison has a responsible position. Miss Mulford was supervisor of music and drawing in our schools for three years and has many friends here who will extend sincere congratulations.

November 14th is the date for the annual bazaar and chicken pie supper given by the ladies of the M. E. church at Foresters' hall. 9wlc

Make Your Dollars Boost The Home Town

If our dollars are stored up, for present and future use, the product of many days' labor.

Spending or saving in our hometown keeps them hard at work for the community as a whole, and so advances the prosperity of us all.

Every dollar spent elsewhere robs the community of precious capital, without which it can never hope to grow.

Spend wisely, patronize home merchants, and keep idle dollars at work by depositing them at this bank. They will earn interest for you and keep turning the wheels of home industry.

NORTHVILLE, MICHIGAN

EVERYBODY OUGHT TO ATTEND THE COUNTY FAIR

Now comes the season of county fairs. The old grounds are raked up, the buildings washed, the paths are laid, the race track repaired; there's a vision of pumpkins and fruit, there's a suggestion of odors from cattle pens and the loud carolling of poultry sheds, there is the spirit of that great autumnal holiday of the American people—Fair Time.

Don't fail to go to the fair. Whether it be a pretentious state fair or just the county fair, don't fail to go and take the children. This counsel is doubly emphasized if you are city folks. There is more down-right "country" in a fair than in a summer vacation. City people get the idea that they are supported by grocery shelves and that their odors sprout in tin cans. The can-opener has come to be one of the principal appurtenances of urban housekeeping. But at the fair you see the beginnings of things, you meet the man and the woman who had the production of your food long before the grocery saw it. You begin to see beyond the counter to the fields.

And if you are country folks, don't fail to go to the fair. Town and country depend on each other just as the country has done more for the town in the matter of food, so the town has done more for the country in the matter of labor-saving devices. The farmer ought to put himself up-to-date on the machinery which is ushering in the era of power farming. And his family ought to be permitted to see that there is now no obstacle to living the finest kind of city life, so far as comfort is concerned, on the farm. The farm plus all natural advantages, plus all city advantages minus all city discomforts is the dream of millions of well-up citizens.

Go to the fair and see the yellow honey and the golden butter, and the prize embroidery and the "reddest apples, the biggest potatoes, the most succulent melons, the fattest steers, the woolliest sheep, the proudest roosters, the noblest horses, the prettiest girls and the best people on earth—Dearborn Independent.

Unfalsified Truth.

How small is our knowledge in comparison with our ignorance.—Baxter.

Men of Weight and Influence
"Success brings noise," says a magazine writer. Especially at the fair.—Cleveland News.

Novi News.

R. D. Stevens of South Lyon, carried off several honors at the state fair on his American Marino sheep. For first, eight second and grand champion prize on a two-year-old ram. He also secured the grand champion prize at Ionia, Owosso and Bay City on his ram. Mr. Stevens has been in the sheep business for many years.

David Gage of Lansing, attended the home-coming at Walled Lake last Saturday. He visited at the home of R. D. Stevens and other Novi friends while here.

Quite a number of Novi people attended the home-coming at Walled Lake last Saturday. James Lynch gave a very interesting address. Mrs. Gertrude Clapp gave two recitations and Harley Bickling of Pontiac, sang two solos.

Mrs. G. H. Fuller is spending several days with her son in Detroit and other friends.

Herman Taylor, who has been very ill, is a little better at this writing.

Ross Kenner is suffering from blood poisoning in one of his hands.

Mr. and Mrs. Clarence Snow and children are spending a part of the week in Jackson and attending the fair.

Mrs. Bert Rags (Mrs. Oliver Coates) of Detroit, and her son, Harold Coates, who is in the Liggett's drug store in Terre Haute, Indiana, visited Mrs. Lizzie Coates last Thursday.

The Woman's Mission Circle of the Baptist church has been postponed one month, owing to the illness of Mrs. Frank Clark.

Mr. and Mrs. John T. Brennan and Mr. and Mrs. Ed Kocher of Detroit, called on Mrs. J. E. Chates and Mrs. Archie Kent Sunday.

Mr. and Mrs. E. J. Rice and son, Walter, went to Detroit Sunday to see Mr. and Mrs. Frank Clark at the Ford hospital. Mr. Clark is improving slowly but his condition is still in a critical condition from the injuries sustained in an automobile accident last Thursday, when a truck driver ran into their car as they were driving to Detroit. It is time some means was being used to prevent such reckless drivers handling a car, if they cannot regard the safety of others without driving directly into another machine when they are on the right side of the road, as was the case in this accident.

Highest Earthly Joy.

When the power of imparting joy is equal to the will, the human soul requires no other heaven.—Stimley.

Northville Fair, Sept. 25-26-27-28-29.

"PARTNERS AGAIN" AT GARRICK THEATRE, WEEK OF SEPT. 9.

Every other year or so there simply has to be a new Potash and Perlmutter comedy. Playgoers fairly demand it. And all those concerned in those classic productions appear to be equal to the task of bringing forth another comedy well worn while.

Hence "Partners Again," latest addition to the new historic series, which ran through almost a full season in New York last year, followed that with a three-month capacity engagement in Chicago and now is turning east again to answer calls from other cities. It comes to the Garrick theatre for a week commencing Sunday night, September 9th, with matinees Wednesday and Saturday, with the famous Barney Bernard and Alexander Carr appearing in their original roles.

"Partners Again" is one of the briskest, meatiest comedies of the whole Potash and Perlmutter series, with wit, humor and humanity saturating every scene. Back of the friendly yet ferocious bickerings of Abe and Mawruss, blossoms the usual romance; and in this instance it plays an important part in the release of the partners from their new-found miseries. It is the lovers who save the partners from Atlanta, where, as Mawruss remarks to Abe, the sun is always shining but you won't see much of it.

The company assembled by the Selwyns to support the popular stars includes many well-known players.

ALL-SET FOR RECORD BREAKING FAIR.

The greatest fair ever held in Washtenaw county will be thrown open to the public at 8 o'clock a. m. September 13th, 1923. On Tuesday, the first day of the fair, all school children of the county will be the guests of the fair.

County School Commissioner Essery has requested all schools to close and endeavor to have one hundred per cent attendance, accompanied by the teacher. The children will enjoy a very busy day. They are requested to bring their dinner and eat together on the grounds. The afternoon will be busy with the entertainment provided for them. An elaborate program of high fire works has been purchased by the fair board for the special entertainment of the young people. The Milan High school band, which performed so creditably last year, will again provide music for the occasion, leading the grand parade of floats which is expected to present indications of anything that can be done in the Washtenaw county. The grandstand will be free to the school children on Tuesday afternoon when they will enjoy the entire program of acts and entertainment provided for fair week.

COUNCIL PROCEEDINGS.

Regular meeting of the Village Council was held in the Village Hall Monday, September 10th, 1923. Present—Charles A. Dolph, President; Trustees, Simmons, Filkins, Montgomery, Blackburn, Van Atta.

Minutes of meeting of August 6th, 1923, were read and approved. The finance committee reported the following bills:

SEVENTH ANNUAL Northville Wayne County Fair

SEPT. 25, 26, 27, 28, 29, 1923

Better Baby Contest—Wednesday, September 26th

Mrs. Flora Larkins, Superintendent.

To be held in a Tent Especially Provided, beginning at 1:30 p. m. No Entrance Fee is required, aside from the regular admission at the gate.

AGE LIMIT—9 MONTHS TO 3 YEARS.

All Babies entering this contest will be required to have application blanks filled out and presented as names are called. These blanks can be obtained and filled out at the office of the Secretary, E. L. Smith, Main Street, until September 15th. You can secure them by mail by addressing Mrs. Flora Larkins or Phone No. 186, any time. September 26th, at tent on Fair Grounds until 11 o'clock—none filled later. This is done to get nearer in line with State Fair work. The classifying of babies will be left entirely with the doctors.

RUSSIA KEEPS WRANGELL ISLE

Great Britain Announces Expedition Was Private Affair.

Moscow.—In reply to the note sent by Foreign Minister Tchitcherine to Great Britain protesting against the raising of the British flag on Wrangell Island by an expedition of Vilhjalmur Stefansson the explorer, Great Britain has informed Russia that the expedition was a private affair, organized by Stefansson and that it does not touch the question of Russia's sovereign rights over the island.

In reply, M. Tchitcherine accepts the explanation. He declares, however, that "coordination between the countries concerned must exist when the sovereign rights of one state are at issue."

Tchitcherine's note to Great Britain said Wrangell Island had been incorporated into Russia's territory in 1921. That Russia had built lighthouses and other work there and in 1915 formally notified Allied and neutral governments that the island was an integral part of Russian territory.

Allan Crawford leading an expedition financed by Stefansson, landed on Wrangell Island in 1921 and raised the British flag there. Recently an expedition headed by Harold Joyce was sent to rescue Crawford and his party. Joyce found the entire expedition with the exception of an Eskimo woman, had died.

OFFERS FULL COLLEGE COURSE

City of Detroit Extends Its Public School System.

Detroit.—This fall, for the first time, Detroit, through its public school system, will offer a four year college course leading to A. B. or B. S. degrees. Class work will begin September 17 at the College of the City of Detroit in the Central High school building.

New York has had such a college of liberal arts and sciences for a long time and several cities smaller than Detroit have established municipal colleges.

Up to this time Detroit has offered only two years of a college course, accepted in full by leading universities.

In addition to the arts course, the college will give the first two years of engineering and the pre-professional work required for dentistry, law and medicine.

The evening college will offer many of the same courses with the same credits and same instructors.

EXTENDS CULT INVESTIGATION

Action Against House of David, As a Whole, Is Decided On.

Lansing, Mich.—Preparations to act and act quickly, against the Israelite House of David as a whole, regardless of whether or not "Kluge" Benjamin Purnell is found in whatever cloister the revelation of his "righteous immoralities" has driven him, are being made by the state of Michigan, Attorney General Andrew B. Dougherty announced.

Dougherty also announced that resumption of the grand jury investigation into affairs at the House of David will be delayed until October 2, that the state may have ample time in which to obtain evidence to substantiate the charges of abuse of young girl.

ITALY TIGHTENS GRIP ON CORFU

GREECE TO ASK COMPENSATION FOR DEATHS DURING THE BOMBARDMENT

ALBANIA—ANGERED BY GREEKS

Hellenic Ultimatum Ignored and Invasion Planned to Venge the Assassins of Gen. Telloni.

Athens.—If the Italians refuse to respect the Allied armistice terms on Corfu, or if they make further advances on Greek soil, we will fight to the last drop of blood," Premier Constantinos, voicing the opinion of himself and his cabinet.

Greece will ask compensation for the persons killed in the Italian bombardment at Corfu, but it is doubtful if it will be granted because a great state dealing with a weak one disregards justice.

A report from Corfu says that an official of the Italian ministry of finance, with his staff, has arrived at the island to organize it under an Italian economic system.

Passengers arriving from Corfu declare the Italians are strongly fortifying the island and are daily landing quantities of munitions. An entire army corps is encamped in the interior while a submarine base has been established on the island of Paxos.

Relations between Greece and Albania are strained, as a result of an attempt by the Greek government to fix the blame for the Janina assassination upon Albanians.

The Albanian government has communicated with Greek authorities at Athens forbidding Greeks to enter Albania even if they possess passports. Greece has demanded that Albanian head of state, those responsible for the slaying of the Italian commander at Janina within five days from last Saturday.

Albania's reply said the murderers were not in Albania, but that they were in Irova and that the Greek government did not respect the rights of Albanians. Albania would cross the border and get them.

President Masolini says Italian evacuation of Corfu depends on holding the assassins of General Telloni before September 27.

"Unless that is done Italy will not have obtained satisfaction from Greece," the Italian premier was alleged to have said.

An Italian landing party from the destroyer Pope occupied the port of Leros, near Corfu, Monday. The party met with no resistance.

SPAWR-NAMED LEGION'S CHIEF

Benton Harbor Man Gets Big State Majorcy.

Ironwood.—Dr. C. V. Spawr of Benton Harbor, was elected department commander of the Michigan legion when he defeated William E. Winegar, of Grand Rapids by an overwhelming vote.

Other officers are: Joseph Hebert, of Van Nuys, first vice-commander, R. K. Anderson, of Tecumseh, second vice-commander, John F. Roehl, of Detroit, third vice-commander, Clarence R. Sivers, of Caro, finance officer, Rev. Frank Seifert, of Saggett, chaplain, M. M. Van Valkenburgh, of Cadillac, historian, Glenn R. Wilson, of Saginaw sergeant at arms. Delegates at large to the national convention included Dr. Harkness, present commander; John Kass and Abraham Zussman, of Detroit, Harvey Gormley, of Newberry, and Wilbur Drucker, of Saginaw.

The Zouave drill team of Jackson won a prize of \$100 from Commander Harkness for the best military feature in the parade, and the Learned Post of Detroit, won a prize of \$200 from Dr. Harkness for having the greatest number of men miles. Jackson was second.

ECLIPSE OF SUN PICTURES MADE

Clouds and Forest Fire Haze Prevent Completion of Observations.

Santa Barbara, Cal.—Almost perfect photographs of the sun's corona during the total eclipse were made by a party headed by Professor James Worthington of London, and Dr. Alfred E. Burton of the Massachusetts Institute of Technology, in Lower Lompoc Valley, 60 miles north of Santa Barbara.

The photos are believed to be virtually the only satisfactory ones made today, owing to unfavorable weather conditions caused by clouds and forest fires.

Professor Worthington said tonight that he had developed four negatives of the many taken and that the results would be among the best ever made of the corona accompanying a total eclipse. The instrument used was a specially built Ceolostat with three mirrors feeding light to four cameras of 17, 14, 9 and 6 feet focus.

Housework Made Easy

Formerly, electricity in the home was considered only in relation to lighting. In the modern home it is a general servant as well—efficient, faithful, low-waged. It cooks, sweeps, dusts, washes, irons and performs many another household task. It saves labor and lends leisure.

For the proper performance of these services "convenience outlets" (small sockets in wall or floor) should be provided in kitchen, laundry, dining room, living room, wherever you may want to use an electric appliance. The cost is trifling compared with the benefits received.

Have a talk with your electrical contractor; or, if you prefer, speak with us. We shall be glad to advise.

Where the Cars Stop. NORTHVILLE.

FAIR NOTES.

The ladies of the Northville Baptist church will again serve meals in the room under the grandstand. The ladies serve a good meal and all will be sure of being able to satisfy their appetite.

The Detroit Grotto drill team and drum corps will be the special guests of the fair management on Saturday afternoon, when an exhibition drill will be given on the fair grounds. The Detroit Grotto won second prize at the Washington meet recently.

The new addition to the grand stand will accommodate a lot more people. Those who desire to do so may reserve seats for the entire week by applying to Secretary Smith.

The free acts to be offered are appearing only at the best fairs in the state and Northville people will find they are high class attractions. There will be the DeLamead troupe giving posing acts, the Earle Sisters in a flying ladder act, a real thriller, the Ferris Wheel Girls will give an exhibition of gymnastic dancing, and Joe Kilroy will make you laugh with his funny ways.

The fireworks displays this year—four of them—will excite anything ever seen here, and they will be given by the Pan-American Fire Works Company, which insures their success.

Northville women are urged to make their entries in the women's department on Monday if possible. This will greatly assist the committees having charge of this department.

The Ford Motor Company's band will give concerts on Wednesday—Ford day.

The exhibit to be made by the Ford Motor Company will be both interesting and unique—something different than has ever been shown at a county fair in the state. This exhibit will be worth the price of admission, if you should see nothing else.

The base ball fans are becoming very much excited over the ball tournament. Eight of the best teams in this section will take part in the two games and on Saturday afternoon the two winning teams will play for the championship of the fair. Eight ball games ought to make the most enthusiastic fan take notice that Northville is right on the base ball map.

Those who contemplate making entries in the art department will please remember that all articles entered must be made by the person entering them. Gifts cannot be entered.

The display of flowers has always been a very attractive feature of the Northville fair and the committee in charge of that department this year desire to urge all to protect their flowers and their baskets and boxes from frost, should one occur before fair time.

The silver cup to be given by the Northville Exchange club to the poultryman making the best display at the fair will soon be on exhibition in C. A. Ponsford's window. It is a beauty.

The ladies of the M. E. Sunshine desire to thank the business men of Northville, Farmington, Wixom and Milford for their contributions to the bazaar held at the Cenequa club rooms on September 1st.

A real oriental chop suey supper will be given by the Sunshine club at the Novi M. E. church on Saturday evening, September 15th, from six to eight o'clock. Supper, 50c, children, 25c. There will be music and a good time.

For the most beautiful and distinct variety of Dahlias a special prize of \$2.00 will be given, and for the choicest basket of Zineas a prize of \$2.00 will be given.

The space for the antique exhibit will be enlarged this year and it is hoped all will feel free to bring anything they have that will add to the interest of this department.

The committee in charge of the baked goods department desire that all should remember their department and plan to make an exhibit. The committee will have more room this year and expects to make a very attractive display.

Both the ladies' and gentlemen's toilets have been enlarged and improved.

The new addition to the grandstand will accommodate a good many people. The band stand and the free amusement platform are being rebuilt and improved. In fact everything about the buildings and grounds is being put in fine condition.

Yes, there will be no band concert on Saturday night, owing to the fact that our band is playing at the Milford fair this week.

Workers and Dirty Windows.
English tests showed that factory hands gained from 5 to 15 per cent in efficiency after the factory windows had been cleaned.—Scientific American.

Fish Whose Flesh Is Poison.
No known land animal has naturally poisonous flesh. There are, however, several fish whose flesh is deadly.

Trade in Northville.

Week's News in Brief

President's Secretary Sworn In.

Washington—Former Representative C. Bascom Slemp, of Virginia, was sworn in as secretary to the President on his 53rd birthday.

Resistance to End.

Berlin—A member of Chancellor Stresemann's cabinet made the following statement: "It is true that Germany must give up the passive resistance. This step will be taken within a few days."

U. S. Judge Van Fleet Dies.

San Francisco—Judge William C. Van Fleet, of the United States district court here, died last week. Death was preceded by two days of semi-consciousness after a cerebral hemorrhage suffered while he was at dinner.

Dies Lecturing On How To Live.

Enid, Okla.—Dr. W. W. Martin, a lecturer of Glasgow, Scotland, who told an audience here recently that he was more than 90 years old, while delivering a lecture on "The Fountain of Youth" or "How to Keep Young," died from a stroke of apoplexy at a hotel the next day.

Meet, Separated 42 Years.

Brockton, Mass.—Napoleon LaFleur, of Chicago, walked into the home of his brother, George LaFleur, here recently, the two brothers meeting for the first time in 42 years. Napoleon left home when the family lived in Worcester and has since traveled in every corner of the globe.

Climbs England's Highest Spot.

Millon, England—The Prince Consort of Holland achieved the distinction recently of being the first member of a royal family to climb Scafell Pike, the highest point in England, 3,219 feet above sea level. It is said he intends to persuade King George and the Prince of Wales to make the journey.

Canada Behind Big Dry Parley.

Montreal—General sympathy is expressed in Canada with the proposals of the American government that the two countries shall co-operate in the suppression of "rum-running" across the American border, and the hope is held out that some means may result from the forthcoming conference in Ottawa to promote that end.

Cross Ocean in 60-Foot Motor Boat.

New York—Robert Vincent, of Port Washington, sailed on the Berengaria for Wilhelmshaven to get a 60 foot motor boat equipped with three engines of 225 horsepower each, and a speed of 50 miles an hour, which he intends to sail back to this country by way of Spain and the Madeira Islands. He will keep the boat at Miami and Palm Beach.

Bullet in Brain 24 Years.

Omaha, Neb.—John S. Greizer, 45, who since the Philippine Insurrection of 1899 lived with a steel-jacketed Mauser rifle bullet in his brain, as dead at his home in Jamaica, N. Y., according to word received here by relatives. For 13 years, the last eight of which he served as inspector, Greizer has been in the postal service, working in and about Greater New York.

General Public Gets Forts of 1776.

Newport, R. I.—The Newport Historical Society has come into possession of Butts Hill fort in Portsmouth, R. I., and Fort Barton, another revolutionary relic in Tiverton. The president of the society, Rev. Dr. Roderick Terry, has given the two properties to the society, to be held in perpetuity as a memorial to those who fought in the revolution and to be kept open to the public.

For Your Inspection

Coats, Dresses, Hats

We have for your inspection a splendid assortment of Women's and Misses' Coats and Dresses, to which we desire to call your attention. You will find these garments are real values, and much below those shown in the city stores. The materials and workmanship are all that you could desire or expect, and they will give you splendid service.

Our showing of Hats for women, misses and children is most attractive this fall and embraces the newest and latest models and styles.

Come and fit yourself out for Fall.
