in

"THE COWBOY AND THE LADY"

MRS. E. K. SIMONDS DIES AT PLYMOUTH.

Mrs. E. K. Simonds, one of Northville's oldest residents, passed away, in Plymouth, at the home of her niece, Mrs. W. T. Conner, last Thursday, aged 85 years.

Adaline Ovenshire was born on a farm in the township of Novi, Oakland county, November 7th, 1838. When a young girl she moved to Northville, and resided there until her marriage to George B. Morse, December 15th, 1858. They moved to Holly, where Mr. Morse's death occurred March 5th, 1863, when Mrs. Morse returned to Northville, and resided with her parents, Mr. and Mrs. John Ovenshire, until her marriage to Capt. E. K. Simonds, which took place October 12th, 1880. After 32 years of wedded life, Capt. Simonds passed away April 2nd, 1912.

Mrs. Simonds continued to live in Northville, until three years ago, when she took up her residence with her niece Mrs. W. T. Conner. Her thoughtful and unselfish character endeared her to all.

She leaves three nephews, Clinton E. John, C. and George H. Wilcox, one niece, Mrs. W. T. Conner, three great nieces, three great nephews, two great great nieces and a host of friends, to mourn her death.

DOLLAR DAY WAS A SUCCESS.

Northville's first dollar day proved a success, and created a great deal of interest, not only among people from the surrounding country, but from townspeople as well. The affair also had another very helpful influence, aside from affording our merchants an opportunity to "turn over" a lot of merchandise—it demonstrated the value of co-operation among the business men of the village. Before eight o'clock some of the stores were full of customers and all through the day trade was brisk, many specials being closed out before noon.

The free picture show afforded entertainment for those who were in town after four o'clock and for a whole lot of people during the evening.

The streets had been decorated early in the week, each electric light post being entwined with corn stalks and the band stand was decorated with colored paper and pumpkins. Monday night's rain damaged the decorations, but they were very attractive before the rain came and created a great deal of interest.

A dollar was something new to our merchants and to the people of this section, but it is believed others will be given in the next few months.

AMERICAN LEGION ARMISTICE DANCE.

Just bear in mind that the officers and members of Lloyd H. Green Post, American Legion, will give an Armistice Day dance at the High school gym in this village on Friday evening or next week—the 9th of November. Frazz's orchestra of Detroit has been engaged to furnish music for the dance program and the presence of that organization insures the success of the affair. Tickets will be \$1.50 per couple with a charge of 50 cents for each extra lady. Refreshments will be served.

The public is cordially invited to attend.

ENTERTAINED AT MASQUERADE PARTY.

On Tuesday evening Mr. and Mrs. Charles LaFever entertained the members of the High school football eleven and subs, together with a number of other young men and women at their home on High street. The guests appeared in varied colored costumes made after as many different models as there were those who accepted the very kind invitation to be present to make merry with Northville football warriors. Games were played and the guests regaled themselves at a buffet luncheon later in the evening.

DISTRICT SUNDAY SCHOOL CONVENTION.

The second annual district Sunday school convention will be held at the Methodist church at Walled Lake on Friday, November 16th, commencing at one o'clock and continuing until evening. Supper will be served by the ladies of the church. For this convention a very interesting program has been prepared and the public is cordially invited to attend.

This district comprises all the Sunday schools of the southwestern portion of Oakland county.

On Monday evening a group meeting of the Epworth League was held at South Lyon, which was attended by a number of Northville young people.

DR. DAN. B. HENRY DIED MONDAY NIGHT.

Dr. Dan. B. Henry, mention of whose serious injury was made last week, died at the Sessions Hospital Monday night about eight o'clock. The news of his passing caused universal sorrow among the people of this entire section with whom he has been intimately associated for many years.

As a physician and surgeon he was efficient and considerate and as a friend he was warm hearted and generous. No one in this community will be more greatly missed, and no other death could have caused greater or more universal sorrow. His death coming as the result of an accident, seems doubly sad, and from the time the news of his injury became current until the final summons came anxious friends from all sections were eager to know his condition. They rejoiced when indications pointed to his recovery and were depressed when his condition seemed unfavorable. Men and women, as well as boys and girls, were constantly inquiring regarding his condition, all anxious to hear how "Dr. Dan" was getting along.

It seems rather strange, but he was laid to rest on his fiftieth birthday, having been born at Thornton, Ontario, on October 31st, 1873. He grew to manhood at the old home and when a young man entered the Detroit College of Medicine from which institution he graduated in 1896. After his graduation, he settled at South Lyon, being associated with the late Dr. House for a few years, and afterwards having an office for himself. In 1911 he came to Northville and during the years he resided here he had a large and lucrative practice and was regarded as a skilled and successful physician by those who had occasion to call upon him.

While a resident of South Lyon he served as president of the village, the only political office he ever held and the only one to which he aspired. He was quiet and unassuming in manner, was not given to display of any kind, and while generous in the extreme he never referred to his benefactions. Sometimes a little rough to outward appearance he possessed a kindly heart and he was happiest when he was ministering to those in need.

Four years ago next month Mrs. Henry died, leaving her husband and one son, Lawrence, who is now bereft of a father's care. Besides his son he leaves one sister and three brothers, among them being Dr. Fred J. Henry of Detroit who is well known to many Northville people. One brother lives on the old homestead at Thornton and the other is a farmer in northwestern Canada.

Funeral services were held at the home of Mrs. T. B. Henry on Wednesday afternoon, being conducted by Rev. William Richards. Interment took place at South Lyon. The stores of the village were closed during the funeral hour out of respect to the memory of the deceased.

The attendance at the funeral was large and the floral tributes were profuse and beautiful.

OBITUARY.

Ellie Beebe Merritt, whose sad death was recently mentioned in The Record, was born in Phoenix in the year 1856. Her mother dying when she was but six years old caused the breaking up of the family, she spending most of her girlhood days in Plymouth. In young womanhood she became a teacher, following that vocation successfully for three or four years.

In the year 1877 she was united in marriage to George Merritt and spent her entire married life on their farm four miles west of Northville. Three children blessed this union—Mrs. Royal B. Larkins, Mrs. Guy Rorabacher and Mrs. Ivan Dickinson.

She was a consistent member of the Salem Baptist church, uniting with the church many years ago. Being dead she yet liveth in the hearts of all who knew her. Her many words of encouragement and deeds of love will be remembered by all to whom her sympathy and help were so cheerfully given.

"No offering of my own I have,
Nor words my faith to prove;
I can but give the gift He gave,
And plead His love for love."

At the Methodist parsonage last Friday evening Andrew D. Spruce and Miss Gladys Kennedy both of Highland Park, were united in marriage by Rev. Wm. Richards. The ceremony was witnessed by Miss Alice Cavanaugh of Royal Oak and Miss Olive McLeod.

SAXON DIET HAS BEEN DISPERSED

REICHSWEHR TROOPS LEAD MINISTERS FROM GOVERNMENT OFFICES

HEINTZE GRANTED WIDE POWER

Chancellor Stresemann Opposed By Socialists for His Aggressive Policy.

Dresden.—The entire Saxon government was deposed by Reichswehr troops Monday afternoon. Soldiers led the ministers, including Premier Ziegner, from the government offices. The diet was dispersed by troops who entered the capital chambers during a legislative session. Many of the lawmakers were reported arrested.

President Ebert appointed Dr. Heinze commissar for Saxony. This action was taken after the Dresden government earlier in the day had rejected Berlin's ultimatum that it resign.

Dr. Heinze will have wide powers under the reich to carry on administrative powers that were formerly vested in the Saxon cabinet.

Dr. Heinze was the last minister of justice in the old kingdom of Saxony. Later he continued as minister of justice under the republic. He belongs to the right wing of the German People's party.

Berlin.—The German crisis Monday took the form of a political battle against Socialists in the federal cabinet. Chancellor Stresemann's position is one of the utmost difficulty with the Socialist ministers pressing him to desist from his aggressive course against Saxony or at least proceed with equal sharpness against reactionary Bavaria.

Bavaria is at any moment to declare a new federal government with Dr. Von Kahr, former dictator, at its head and is so rumors in general and in the quarters to fight.

FARMING EXPENSE DIMINISHED U. P.

Explosive for Clearing of Land Obtained

Lansing.—Financial independence for Upper Peninsula farmers as a result of more productive acreage due to land clearing is forecast by the extension department of the Michigan Agricultural college.

There is a vast amount of tillable land in the Upper peninsula which could be put to use in producing a high type of agriculture if it is put out. It is now cleared of free stumps by a cheaper method than the present use of explosives or by the long and arduous method of hand grubbing.

The land clearing department of the Agricultural college has now announced that a new war salvage explosive for use in land clearing has been made available for distribution among Upper Peninsula farmers.

This explosive can be used for churning stumps rock blasting and for all other agricultural blasting according to L. F. Livingston, head of the department. Of a total of 13,000 pounds of it is now available from the United States government. It is a new public what transpired was a case of work done closely with Canadian officials. The first later, and led to more meetings of this kind. Conference was a success and kind.

CHICAGO SAILS 1,000 BATS

Enforcement Proceedings Hit Many Property Owners

Chicago.—First fruits of President Coolidge's law enforcement conference with the governors of the several states were seen here in the action of Federal Judge Adam C. Cliffe in setting aside this whole week for the hearing of injunction suits against violators of the Volstead act.

More than 200 petitions for permanent injunctions sealing for one year the property used in dispensing illegal "soft drinks" were placed on the special docket.

In line with the suggestion of Attorney General Harry M. Daugherty before the White House meeting October 20, C. W. Middlekauff, special assistant attorney general assigned to prohibition cases in northern Illinois, has taken charge of the injunction proceedings.

U. S. SUBMARINE O-5 IS SUNK

Collision With Freight Steamer Sends Three to Death.

Panama.—Three members of the crew of the United States submarine O-5 were drowned Sunday when the vessel was sunk in collision with the United Fruit Co.'s steamer Abangarez, at the Atlantic entrance of the Panama canal.

Seven other men went down with the submarine in six fathoms of water, but one came to the surface eight minutes later.

Two of the five men reported missing on the submarine O-5 at Panama have been rescued from the sunken ship, the navy department was informed officially late Monday.

FRANCE WILL NOT EVACUATE RUHR

TERRITORY TO BE HELD UNTIL FULL DEBT HAS BEEN PAID.

BAVARIANS DEFY STRESEMANN

Plundering and Violence Prevalent in Occupied Zone—Republics Proclaimed.

Paris.—France will remain in the Ruhr valley until she is paid in full by Germany of war damages. This was the answer of Premier Poincare to the suggestions of Secretary of State Hughes and the British government for a conference to settle the reparations condition made in a speech Sunday afternoon at the unveiling of a monument to the war dead at Sampigny. He added that any conference held must be under the direction of the reparations commission.

While France is willing to discuss a new schedule of reparations payments, he said, she will not accept the slightest reduction of the Versailles terms.

Berlin.—Bavarian insurrectionists will not obey the government ultimatum—it was decided at a meeting of the Bavarian People's party in which former Premier Von Knilling participated. Von Knilling gave over his position when Von Kahr assumed the dictatorship.

The meeting agreed that Bavaria cannot drop the Losow government in compliance with the federal demand. Chancellor Stresemann has said his demand was not met by Monday extreme steps would be taken. The People's party leader, Doctor Held, said Bavaria would be unable to meet the demand and that the party would support Von Knilling and Von Kahr.

Düsseldorf.—Plundering and violence have become general throughout the Ruhr while mobs have become rampant. Similar instances of lawlessness are reported in almost every town in the Ruhr. French and Belgian troops continue to guard the public buildings in all the towns where strikers are installed.

A republic has been proclaimed in the villages of Barn, Nonsenge and Sonderheim in the Coblenz district.

PLAN TO CUT DOPE TRAFFIC

Closer Co-Operation Between U. S. and Canada.

Buffalo.—Closer co-operation between the United States and Canada to suppress illicit traffic in narcotic drugs across the border was agreed on the first international conference of representatives of the two countries. Although Col. William J. Donovan, Federal attorney, was presiding at the conference, details were not given in detail, what plans were adopted at the meeting, it is understood that the combined narcotic forces of the two countries will take immediate steps to stem off drug smuggling.

Col. Donovan in a statement to the newspapers at the conclusion of the conference said it was a very satisfactory meeting. While I am unable to make public what transpired, we were able to work more closely with Canadian officials. The first later, and led to more meetings of this kind. Conference was a success and kind.

Problems confronting the two governments in combating the illicit traffic were discussed and the plans adopted to wage a fight against dope peddlers and smugglers will be included in a report to be forwarded to Washington and Ottawa.

BRITAIN OK'S 12 MILE LIMIT

U. S. Proposal for Searching Ships for Liquor Fully Approved.

London.—The British government has accepted in principle the proposal of the American government that vessels in American waters be searched for contraband liquor within twelve miles of the American shore.

The expert committee of the imperial conference, which has been studying the question under the chairmanship of Foreign Secretary Curzon, has drawn up plans which are believed to meet the essential points of the American request.

The plans will be submitted next week to the full conference, which is expected to approve them.

Huge Citizen's Army is Ready.

Washington.—With an army of 2,000,000 men waiting the first call to arms in the next great war, America will be ready. But the very fact she has prepared for war, military experts here declare, is the greatest step for peace in the world's history—even greater, they say, than the memorable disarmament conference in which all the larger nations took part. The men will come, when the "bugle" sounds, from the homes of the richest to the humblest.

Week's News in Brief

Carranza's Aid is Dead.
Mexico City.—Eliseo Airadondo, who acted as Carranza's personal representative at Washington, and who also served as Mexican minister to Spain, is dead.

Dictator Orders Potato Crop Split.
Munich, Bavaria.—Dictator von Kahr has ordered the potato growers in the Rhemish section of Bavaria to deliver 30 per cent of their crops to the consumers under the threat of confiscation and money of prison penalties.

Cleveland to Have Manager.
Cleveland.—The first big city to try the City Manager form of government, Cleveland will elect 25 City councilmen Nov. 6. The councilmen will be elected from four districts. He will take office Jan. 1 and elect the city manager shortly after.

Norway Purchases Russian Grain.
Moscow.—An agreement has been signed between the Russian and Norwegian governments, according to Moscow newspapers, whereby Norway will buy all her grain from Russia this year. The amount is estimated at approximately 200,000 tons.

New Currency Planned in Ruhr.
Düsseldorf.—New currency, backed by public utilities, which will replace the paper marks in general circulation, has been decided upon for the Dusseldorf district by the newly formed economic council of 12 Germans and five French representatives.

Many Negroes Quit South.
Washington.—The Negro migration from the south to the north totaled 487,700 during the 12 months ended August 31, the department of labor estimated from statistics submitted by state, municipal and civic statisticians and authorities of 13 southern states.

Dives Flaming Locomotive.
Bridgeport, Conn.—With the woodwork of the engine cab of a train from Springfield for New York in flames, Engineer Moore, of Springfield, Mass., stuck to his throttle and brought the train to the station. The engine was uncoupled and live steam used to put out the flames.

Many New Freight Cars in Operation.
Washington.—During September, American railroads added 18,519 new freight cars and 380 locomotives to their equipment stocks. This brought the number of new cars installed in service since January 1 to 134,636, and the number of new locomotives added during the same period to 2,936.

Bootlegger's Fines Finance Town.
Akron, O.—Summit county bootleggers have contributed so much money to Silver Lake village in the last 19 months that that community has the lowest tax rate for 1924 of any municipality in the county, according to Mayor William R. Lodge, who presides over the village court.

Midwest College Honor.
Notre Dame, Ind.—The world's smallest college student is the one claimed by Leo M. Cullen of Boston and Notre Dame University. He is 22 inches tall and weighs 66 pounds. But university authorities say they don't grade a man on his size.

Has First Auto Crash.
Nantucket, Mass.—Nantucket has just had its first automobile accident in which anyone was injured. The victim was George Dabney of Boston, who was badly smashed up when a car in which he was riding collided with another. Until May, 1918, automobiles were barred from the island.

Urges Official Milestone

Washington.—An official milestone is suggested by the American for every city and town in the United States, to avoid the confusion arising from the present habit of taking measurements from any one of several points in a city, which themselves may be a mile or several miles apart.

Christmas Trees Banned.

Boston.—Christmas tree shippers in this city have been notified that the Michigan department of agriculture had placed a quarantine on the importation of evergreen trees from any part of New England, effective October 31, because of the danger of a spread of the gypsy and brown tail moths. Several other states have taken similar action.

Lake Morat Turns Red.

Neuchatel.—Lake Morat, near Neuchatel, turned red a few days ago. A local legend says that when the "blood of the Burgundians" (36,000 of whom, under Charles the Bold, were defeated in 1476 by 24,000 Swiss near the shores of the lake) returns it is a presage of war in Europe. The cause of the red coloring of the water is an aquatic plant which blooms at irregular periods. The last time was in June, 1914.

QUALITY SHEEP TO BE SOLD FOR ADVERTISING.

Quality sheep from many of Michigan's best sheep raisers will go on the block the second week in December, in the interests of the sheep raising industry of the state.

Believing that a consignment sale of high quality stock would be of value in creating interest in sheep raising in the state, members of the Michigan Sheep Breeders and Feeders Association, decided to hold the coming event. Various breeds, will be included.

That the sale will prove of value in adding new breeders to get a good start with high quality stock, is the opinion of V. E. Freeman, extension specialist at M. A. C.

ANN ARBOR TO ENTERTAIN OLDER BOYS' CONFERENCE.

More than 2,000 older boys of the state will come to Ann Arbor November 20 and December 1 and 2 to attend the 21st annual Michigan State Older Boys' Conference, to be held here under the auspices of the Student Christian Association of the University of Michigan. The delegates will represent all the counties throughout the state and 150 towns of the lower peninsula.

Among the prominent men who will be present and deliver addresses are Allen Hobbs, of Kalamazoo; Dr. M. S. Rice, of Detroit; and E. C. Wolcott, of Kansas City, Mo. Mr. Wolcott who is vice-president of the Western Protective Insurance company has been sought for this conference for several years; but until this year has been unable to attend. Harry White, International secretary of the foreign department and former editor of "The Outlook" will address the convention on foreign topics.

The general sessions of the convention will be held in Hill auditorium, while local churches will be used for meetings of the groups into which the delegates will be divided. At the church meetings the delegates will be divided into smaller groups, and the discussion in each led by a college student.

The conference was held in Battle Creek last year with an attendance of more than 1,200. Indications are that a much larger turnout can be expected this year. In the past 20 conferences, more than 20,000 boys of high school age have attended.

America's Marvels

NATURAL AND OTHERWISE

By T. T. Maxey

CHICAGO'S MAIL TERMINAL BUILDING

To speed up the handling, distribution and dispatch of all paper, catalog, and parcel-post mail originating in Chicago or passing through Chicago destined to Illinois, Indiana, Iowa, Kentucky, Michigan, Minnesota, Missouri, Ohio, South Dakota, Tennessee, and Wisconsin there has been recently placed in service in Chicago a master mail terminal building which is without a parallel anywhere.

This building is of brick and steel, approximately 50 feet long, 75 feet wide and 100 feet high. It is a masterpiece of modern architecture which has been built on the site of the old Union Stock Yards.

The entire first floor is given over to the receipt, dispatch, and storage of mail; another floor is devoted to the distribution of parcel post mail; another floor is used for the handling of paper mail, and so on. One floor is necessarily an operating or service floor—for the proper maintenance of the plant, and contains the office of the superintendent and his force, machine shop, carpenter shop, stock room, cafeteria, first aid, studdy, and rest rooms.

About 970 persons are employed in the work of handling mail matter, while about 80 additional employees and 25 clerks and officials are required to look after and operate the building and its machinery.

Four stairways, three passenger and fourteen freight elevators facilitate movement between floors. The mail-handling equipment includes about 1,800 trucks of various kinds and sizes; several hundred sorting tables, sack racks without end, and a small fleet of electric tractors. Most of the work of distribution is done by means of some eight miles of mechanical belt conveyors which function with an amazing rapidity and an uncanny sureness. These conveyors, some of which are 44 inches wide and 650 feet long, carry mail between divisions, between floors, and dump it on distributing tables from which they also carry it to chutes which drop it to dispatching platforms.

This terminal ultimately will handle an average of 26,000 sacks of parcel post and 18,000 sacks of paper mail every 24 hours—or 1,833 sacks per hour. According to an official of the railway mail service, through this one building will pass more mail than originates in the entire Dominion of Canada.

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., NOV. 2, 1923.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897 for the week corresponding to this week.

Orange Butler has sold his hivery barn to E. A. Shafer.

Jack Trufant of Wyandotte, spent Sunday with Northville friends.

Mrs. Ida Clark of Chesaning, is visiting her sister, Mrs. J. W. Perkins. Mr. and Mrs. Harrison Yerkes left Tuesday for Thomasville, Ga., for the winter.

Mrs. M. Buzzell expects to leave with her family for California on Tuesday.

Clifton Covert has secured a position with the H. M. Post Hardware Co. at Owasco.

Mr. and Mrs. B. C. Stark attended the wedding of the latter's brother at Adrian this week.

E. K. Nash, son of Mrs. Helen Nash at whose home he has been visiting has returned to Salt Lake City.

Nell Taylor is at home with an injured side, having been struck by a car while at work on the F & P. M. road.

Miss Mable Clarkson has left for Kearney, N. J., where she will live at the home of Prof. and Mrs. D. C. Bliss.

Mrs. Ann Dover left this week for Baltimore, Md., where she will spend the winter with her daughter, Mrs. Mahon.

J. M. Simons, wife and daughter Carrie and Mrs. Whipple, have been visiting at the Ernest Miller home in Tecumseh.

Miss Alta Holbrook of Jersey City, who has been the guest of Grace Yerkes, is visiting at Epsilanti before returning to her home.

Mr. and Mrs. W. T. Murdock have moved from Epsilanti back to Northville. Mr. Murdock has a position with the Star Clothing House.

The following real estate transfer are noted this week: F. R. Beal to G. E. Williams, lot 1 Yerkes' add. to Northville, Sept. 30, \$670; E. Ross to E. S. Horton land in trap of Northville, Oct. 11, \$4,500.

Wm. Lawrence left his home last Monday for Meads Mills to look for a house and has not been heard of since and Mrs. Lawrence is much worried over his strange absence. She expressed a fear that he might have met with foul play.

John J. Thompson of this place and Mrs. Bulah Banks of Novi were married Wednesday. Mr. Thompson is widower of 76, while the bride is just past three score. Mr. and Mrs. Thompson will live in the latter's home just west of Novi.

LOCAL.

Noble Hunter, Sr. and Mr. and Mrs. Noble Hunter, Jr. of Capri, were guests of E. E. Brown and family.

Uselessners.

About the most useless worry we know is the worry of the bald-headed man about whether or not he looks funny to people who are topped off with hair—Richard James D. patch.

YOUR PLUMBING NEEDS

I am prepared to do a general plumbing business and I shall be glad to make estimates on your plumbing jobs, do repair work of all kinds, and serve you in any way your plumbing needs may require. Just Phone R. G. LANG.

12-M, Northville 15-ft-c

METHODIST CHURCH NOTES.

The church will have a better appearance for our worship next Sabbath now the painter's brush has been busy. Our worship at 10:30 will be inspired with special music, and the pastor will preach on "The King's Business."

The Sunday school will meet at 12:00 noon.

At 6:30 Lela Roberts will lead the Epworth League.

In the evening at 7:30 the message will help us all. Come and bring others with you.

Remember the bazaar and chicken pie dinner next Wednesday. Also the prayer on Thursday.

ST. PAUL'S LUTHERAN CHURCH.

Next Sunday celebration of reformation festival. Topic of sermon: "Luther's Work of Reformation."

Last Sunday evening St. Paul's Lutheran congregation held a business meeting when the following resolutions were adopted: To hold regular quarterly business meetings; to buy a new church record book; to ask the Ladies' aid and the Young people's society to supply the school hall with electric lights. The meeting was well attended.

On Wednesday evening Mrs. Emil Teschka gave a Halloween party to the Ladies aid and the Young people's society. The entertainment committee of the Y. P. S. furnished the entertainment. A potluck lunch was served and all present greatly enjoyed the gathering.

The Ladies' aid will meet at the school hall next Thursday afternoon. All members are requested to attend. As quilting for the bazaar is to be done.

BAPTIST CHURCH NOTES.

The recreation hall fund continues to grow. Let's keep the hands moving all the while on the dial. See it at church Sunday morning.

Of course the Holloween social was a success.

Next Sunday morning the pastor's subject will be "Ten word Pictures of Jesus." There were no cameras and few artists when Jesus was on earth so all we have is word pictures. They show His character if not His face.

Sunday evening we will have an illustrated story of the MacRae family's western experiences, that is some of them. See the ad in another part of the paper.

Also on Sunday evening Miss Fay Christ will sing "Lead Kindly Light" and Miss Marguerite Warner will pantomime this beautiful hymn. This will be a living picture of the song.

Our young people's meeting is well attended and the way the young folks hold is very encouraging. This meeting is held every Sunday evening at 6:30.

TRUFANT SHOPS OPENED WEDNESDAY.

The ladies of this community who attended the opening of the Trufant Shops on Wednesday, were given a very pleasant surprise. They had received invitations to the formal opening but no one had any idea of the elegance and the very complete appointments of Northville's newest business enterprise. The rooms on the second floor of the Lovewell building had been a tract of decorated in grey and blue and the furnishings were arranged in a most artistic manner. Handmade cut flowers and floral pieces adding their richness and beauty.

The new shops are the conception of Mrs. John R. Trufant and she is to be complimented upon their appearance. She will do all kinds of facial massaging, shampooing, manicuring, marcel and water waving, scalp treatment, etc., and will also carry an assortment of cut flowers and floral designs. Her equipment is very complete and of the most improved patterns, and she solicits the patronage of the ladies of Northville and surrounding country.

Northville School Notes.

Mrs. Miller is giving a regular course in physical training to the teachers of the High school one night each week. Much interest is being shown in the weekly girls' hikes, conducted by Mrs. Miller, across country as many as forty girls have taken part. The hike is usually followed by a weenie roast. About four hikes have been held so far.

HOLLAND BELL RINGERS COMING

The Holland Bell Ringers will appear at the Alseum theatre this evening in a program of musical numbers that all will enjoy. The company recently appeared at Charlotte and the Republican of that city had the following comment regarding the attraction:

"The entertainment while quaint and simple was well worth the price paid and transported you to the simple yet cultured, talented Holland. The melodies they played were all the melodious old songs that everybody loves and played with skill on the different kinds of bells. The company was a family, father, mother and daughter and three boys, all dressed in their native costume and using their odd musical instruments besides the bells. The Westminster Cathedral chimes was beautiful. The bird music by the boys was exceptional. And all in all you had only to close your eyes and see the famous dikes and windmills of quaint old Holland and it's honest, prosperous people."

NORTHVILLE SCHOOL NOTES.

Last Friday afternoon Northville defeated the League champions of 1922 by a score of 30 to 0. In spite of a cold rain more people saw the game than any other played on the local field this season. The Northville team was pointed for this game and showed very good form. Although the Dearborn team fought stubbornly and at times showed a brilliant attack, they were at no time able to get within the local's 20 yard stripe. Riley, at quarter displayed very good gunship and made several brilliant runs with the ball. Wood's punts and Crouch's passes featured in the victory. Hall, on the receiving end of the pass, showed up well. LeFevre starred on the defense.

Northville plays at Wayne today, Friday. This game decides the championship and if Northville beats Wayne we will win the State cup trophy at the Suburban League which includes the following towns: Dearborn, Wayne, Northville, Redford, Plymouth and Farmington.

Be glad, to meet the ticket sellers of the Season class with a smile and purchase your season tickets for the entertainment course early. Three big numbers for \$1.00, since admission on 50¢. The first number November 19th. "Six Cylinder Love" is a yingling and will be enjoyed by all. Buy your tickets next week and help send the Senior class to Washington. Your support will be greatly appreciated. In offering this course to the public the Northville High School has done everything in its power to give the people of this community a series of entertainments worth a liberal patronage.

A very interesting teachers' meeting was held Monday evening after school. The subject of silent reading and the meetings of the convention recently held at Detroit were given consideration. Miss Dorothy Dubar gave a report of silent reading which was followed by a discussion.

Halloween parties were featured in the various grades and the Kindergarten this week.

"BACK BONE."

OBEY THE LAWS—THEY ARE YOUR FRIENDS.

What is law. A law is a rule of action. A law is the way intelligence acts. A law is common sense applied to the relationships of men.

No one has been able to devise a better code than the original ten commandments or their essence as expressed in the Golden Rule.

Our laws are made for the purpose of defining present day application of the old principles laid down at Sinai.

The law of the Sabbath is for the purpose of giving real refreshment to the mind and body and to build up the inner self.

The law of marriage governs the family and promotes a better home life and keeps the community constantly organized in an orderly manner.

Traffic laws are to conserve human life and protect property values. These laws relate to the rights of humanity in and on the highways.

The Prohibition law is the result of sixty years intensive discussion of the liquor question and its rumorous program. That education placed the 18th amendment in the Constitution to stay, together with the enabling acts.

Just now THE COVERING OF LIFE IS RIPPED OFF and we see the naked fact as to the real disposition of a lot of folks. They are law violators, pure and simple.

The propaganda of the vets is a fresh product of the devil's workshop. They are spreading lies by the square mile and many folks are deceived.

Conditions in Northville are representative and those conditions are 100% better than before we had three saloons.

The Prohibition amendment is a step in the right direction. Uncle Sam will perfect it in spite of all the damnable lies and opposition.

C. A. DOLPH BIBLE CLASS

METHODIST SUNDAY SCHOOL

First Presbyterian Church

Sacrifice has been written in large and shining letters upon all the achievements of men for their fellow men. Only by sacrifice do men erect enduring monuments to their memory. Upon a lonely hill God made the supreme sacrifice of all times. The cross not only symbolizes God's great love for all the world, but also His confidence in human kind. He gave Christ on Calvary for you.

There was a fine attendance last Sunday. Let's make it larger this Sunday. God is depending on you; do not disappoint Him. The service is never just what it might be if you are absent.

At 10:30 a. m.—Morning Worship and Preaching Service. Good music, comfortable pews, a warm church and a good sermon.

At 12:00 o'clock (noon)—Sabbath School Hour. Help make this most important department of the church play the part it should in the life of the community. Help the Superintendent by your presence.

At 6:00 p. m.—Christian Endeavor Society and Devotional Hour. The young people of the community are cordially invited to this service.

At 7:30 p. m.—Evening Worship.

WE WELCOME YOU TO ALL THE SERVICES

OF THIS CHURCH.

THE FRIENDLY CHURCH**WORD PICTURES**

The only pictures we have of Jesus are word pictures. In the New Testament we find at least ten of these. Put them together and we get a picture of Jesus. Sunday morning the pastor will present these.

"Ten Word Pictures of Jesus"

LIVING PICTURES

At the evening service Miss Fay Christ will sing "Lead Kindly Light" and Miss Marguerite Warner will pantomime this beautiful song.

PROJECTED PICTURES

Beautiful dissolving stereopticon views. The story of the MacRae family's western experience showing big rabbit hunts, big game, the horse that saved my MacRae's life and many other pictures.

Good music at both services and a hearty welcome to all.

BAPTIST CHURCH.**NEW TRUFANT SHOPS**

You are cordially invited to visit the Trufant Shops, second floor of the Lovewell building, at any time.

We shall take pleasure in demonstrating our facilities for Facial Massaging, Shampooing, Manicuring, Marcel and Water Waving, Scalp Treatment, etc.

We will carry Cut Flowers and a line of Floral Designs.

For appointments call 71.

DRY FORCES TO GIVE BATTLE

If the fellows who are advocating the return to light wines and beer, and especially those who favor five per cent beer, think they are going to put their propaganda across without opposition, they have another "think" coming for they are not. Last Sunday more than 2,000 people gathered in Detroit at a mass meeting to declare their opposition to any modification of the present prohibition laws and to pledge their support to the efforts that have been made and that are to be made in the future to enforce their provisions. Hon. Grant M. Hudson was chairman of the meeting and during his remarks he took occasion to pay a tribute to Federal Prohibition Director James R. Davis, Sheriff George A. Walters and Prosecuting Attorney Paul W. Voorhies for their efforts in suppressing the liquor traffic.

A committee consisting of 75 prominent men and 25 prominent women of the city to co-operate with the officials to enforce the laws and to arouse the people to the danger of being inactive while the liquor forces were striving so hard to put their program over.

Following this meeting a conference of prominent men and women of the state was held at which Governor Alex. J. Groesbeck presided, and that meeting also went on record as being in favor of enforcing the present prohibition laws.

It is now proposed to prosecute all violators of the prohibition laws in the circuit courts of Wayne county instead of using the recorder's court in the city of Detroit, because of the fact that a great deal of difficulty has been experienced in getting convictions in the past. Violators are released on every conceivable technicality, even after they have been caught with the goods.

The problem is a big one, and so was the saloon question which required years and years before the licensed saloon was driven out of business, but if the people become sufficiently aroused the number of law violators can be materially decreased. In the past too many public officials have "winked" and open violations and the time has arrived when these fellows should be retired to private life.

"UP SHE GOES" AT THE GARRICK NEXT WEEK

If you have never thought of marrying you will want to marry quickly after you see that "clean, delicious musical comedy" "Up She Goes" a William A. Brady production, which comes to the Shubert Garrick Theatre beginning Sunday evening, November 4th, after a long season of tremendous popularity at the Playhouse, New York.

"Up She Goes" has the color and haunting music and pretty girls to make any musical comedy a success. Besides it has warm human qualities, even a tug at the heart strings now and then which make it one of the jewels of the musical comedies of recent years.

Gifted Joseph McCarthy and Harry Tierney created the lyrics and music and clever Frank Craven is at his best in the libretto.

The cast is distinguished, selected by Mr. Brady with the greatest care. Lovely Gloria Foy, Marjorie Sweet, Jack Hartley, Arthur Utley, and Frank Graham are in the principal roles with a host of other clever people.

MADE A MESS OF IT.

It seems to the ordinary lay mind that the state of Michigan has done as fine a job of bungling in its handling of the case against the "House of David" as could possibly have been done. Every few days a statement is made through the newspapers that sufficient evidence has been secured to wipe out the pest-house and that a raid will be made and King Ben will be captured, which of course would give sufficient opportunity for Ben to make himself scarce on that occasion at least.

If it was a pest-house where Holstein cattle, or any other kind of animals were being destroyed, it would have been wiped out long since, but because it is only young girls that are being ravished and ruined the thing seems to be allowed to continue its devilish business. We seem to have laws to cover any little petty offense, but when there is some real evil to be wiped out there is either no law to fit the case or the proper officials are too weakened to do the work.—Fowlerville Review.

FIRE INSURANCE RATES LOWERED.

A new fire insurance rate schedule lowering rates from seven to ten per cent on mercantile and industrial risks, was filed with L. T. Hands, state insurance commissioner by O. M. Henn, newly appointed manager of the Michigan Insurance Bureau last week. It is estimated that the state-wide reduction will save policy holders in the neighborhood of \$2,000,000 a year.

The submission of the revised rate schedule marks virtually the last step in the capitulation of the insurance bureau to the state's campaign against

alleged unfair and discriminating rates. Started more than a year and a half ago, the insurance commissioner first succeeded in getting several Michigan members on the advisory board of the rating bureau, to replace men from other states. Then the legislature passed a law placing the rating bureau under the direct supervision of the department. It was announced that George W. Cleveland, manager of the bureau, had been succeeded by Mr. Henn and the next day the new schedule was filed—Exchange.

GRAND RIVER GRAVEL PLANT SHUT DOWN.

The Grand River Washed Sand & Gravel Company's plant on the West phal farm a mile out of town along the Pere Marquette railroad is now idle. And what is worse, there is no telling when it will be in operation again. This is bad news not only to the stockholders but the village as a whole as it has given employment to a good gang of men. The Grand River Washed Sand & Gravel Co. was organized about three years ago and was capitalized with money from Ann Arbor, Detroit, Brighton and other places. It was thought by its promoters to be an industry that would pay a good dividend for years but it has not fulfilled expectations. The company operated it for two seasons and then leased it to the Detroit-Gravelville Gravel Co. They made extensive alterations and improvements there and worked at this season until last week when they decided to close. It is reported their reason is a scarcity of the right kind of material. This the owners dispute and the outcome will be determined later. The board of directors of the Grand River Company will meet next week. D. A. Killins of Ann Arbor is president of the company—Brighton Argus.

Try Northville first.

Record Lines Cost But Little

STATE OF MICHIGAN County of Wayne ss. At a session of the Probate Court for said county of Wayne held at the Probate court room in the city of Detroit, on the twenty-third day of October in the year one thousand nine hundred and twenty-three.

Present—Henry S. Hulbert Judge of Probate.
In the matter of the estate of ROSANAH RALL, deceased.
An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this court for probate.
It is ordered, that the twenty-second day of November next at ten o'clock in the forenoon at said court room be appointed for proving said instrument.

And it is further ordered, that a copy of this order be published three successive weeks previous to said time of hearing in the Northville Record, a newspaper printed and circulating in said county of Wayne (a true copy).

THE SHOEMAN

Do You WEAR Out Clothes or WASH Them Out?

Clothes are more often worn out on the scrub board and through the wringer than through ordinary wear. That's why we say that Federal washed clothes will wear longer.

At Federal Laundry we use no scrub boards, no wringers, no chemicals. Your clothes are washed in softest water with mild, pure soap. Then the water is gently whirled out of them in our modern centrifugal extractor. And they are dried and ironed with the greatest care.

You may send your washing to Federal with absolute confidence.

"SIX CYLINDER LOVE" IS BIGGEST COMEDY SUCCESS OF RECENT YEAR

Here's a real up-to-the-minute, high-speed American comedy—hot off the theatrical griddle from Broadway and Chicago. Capacity houses in these two cities the past season proclaim it the best play in years. Early last October it finished a 54-week run at the Harris Theater, New York, and began a long engagement at the Harris Theater, Chicago. It is a modern "gas-wagon" story that hits you right where you live—and the villain, strange to say, is a high-powered six-cylinder automobile that just about gets everybody into the sorriest kind of a mess. America can be divided into two classes—those who have cars and those who would like to have them. That's where the universal appeal of "Six Cylinder Love" comes in. That's why it grips you, thrills you and tickles you! The production is well cast and elaborately staged under the direction of Percival Vivian of New York, well-known actor-producer. The play is William Anthony McGuire's greatest success.

Dodge Brothers' Garage and Service.

ANDREW BONAR LAW

London—Andrew Bonar Law, who was former premier, died Oct. 29, of cancer. He had been considered gravely ill the previous week and late Monday night sank into a coma from which he failed to rally. Because of his illness he gave up public life several months ago.

"ELECTRIAL WIZARD" IS DEAD

World Has Lost One of its Greatest Practical Mathematicians.

Schenectady, N. Y.—Death Friday ended the career of Charles P. Steinmetz, the electrical wizard, the man who snatched down lightning from the skies and made the thunder bolts do his bidding.

Steinmetz, the hunch-backed little German who became chief consulting engineer of the General Electric company returned October 13 from a speaking tour which had taken him to all parts of the United States.

As in the case of the late President Harding and of Woodrow Wilson, he had overtaxed his strength endeavoring to see all the people he was called on to see, and to make all the speeches expected of him.

Steinmetz was 53 years of age. For 34 years he had lived and worked in the United States, following his emigration from Germany. He attained his greatest prominence during the last 10 years during part of which and until the time of death, he was chief consulting engineer of the General Electric company.

Dr. Steinmetz's birthplace was Breslau, Germany. He was born April 9, 1865. He came to America 34 years ago.

He studied in common school, high school and university at Breslau, making a specialty of mathematics and astronomy.

Realizing that mathematics did not offer a living for anybody whose political opinions differed from those of the German government, he studied physics, chemistry and electrical engineering.

WAYNE TO O. K. ALIEN COUNT

Elimination of Non-Citizens Would Not Affect Number of Solons.

Detroit—Changing the state constitution to eliminate aliens from consideration in apportioning legislative districts, the proposal urged by Mrs. Dora H. Stockman, of Lansing, member of the state board of agriculture at the state grange meeting, would have practically no effect on Wayne county's quota among the law makers.

United States census figures refute the charge of agricultural interests that Wayne county's population includes a far larger alien population than the state at large.

Actually there are only half of one per cent more aliens in Detroit, in relation to the whole population than in the state at large.

Out of 2,215,436 persons of voting age in Michigan 241,189, or 10.8 per cent either are known aliens or of unknown citizenship.

Out of Detroit's 626,515 persons over 21 years of age, the aliens and "unknown" class number 112,504, or 11.3 per cent, just half of one per cent over the state's average.

Eliminating the "unknown," the state has 264,549 adult aliens, 9.2 per cent of the total adult population.

Detroit total of known aliens is 112,504, or 16.3 per cent of the total adult population.

Detroit has 29,328 adult illiterate, of 4.7 per cent of its total adult population.

Uncarved Pre-Glacial Oyster.

Winnipeg.—A fossilized oyster, believed by scientists to be a relic of the pre-glacial ages, has been unearthed by A. G. Shearer, plowing the top of a hill at Pope, Manitoba. Dr. R. C. Wallace, professor of geology at the University of Manitoba, stated that, in all probability, Shearer struck a rock, carried by the ice of the glacial age and belonging to a period millions of years earlier than the ice age, as there is now neither river nor lake near Pope.

OAKLAND'S TAXES LESS THAN IN 1922.

Calling for the raising by taxation in December in Oakland county of \$1,616,522 33 for state, county road and Covert road expenses, the board of supervisors adopted without comment just before noon Saturday the report of the committee on ways and means. An attempt was made by Supervisor A. Willson, when the report was read by Chairman R. W. Clark, to have consideration of the report postponed until this afternoon, but was voted down and the report was accepted and adopted unanimously.

This year's state tax levied on the county is \$506,490 64; county tax, \$588,236 52; county road tax, \$171,357 99; and Covert road tax, \$339,948 17. These sums are spread on the county's new valuation, fixed by the state commission, of \$213,961,682.

In 1922 the county valuation was \$127,301,477. The state tax was \$45,955.81; county tax, \$567,137 74; county road tax, \$209,419 62; and Covert road tax, \$238,941 33 making a total of \$1,661,454 69. In 1921 the county raised \$1,925,541 38 for these purposes.

Even with an increase of \$27,000 in salaries of county officers this year, the total to be raised by taxation is \$44,932 17 less than the amount raised a year ago. The state tax is less; county tax more; road tax less; and Covert road tax a trifle more than a year ago. To these taxes must be added the school tax in cities and in the townships the school and various township taxes.

Following the plan outlined and adopted by the board a year ago a budget was again adopted for the ensuing year and each department is

given a stated amount of money with which it is expected to keep its disbursements.—Pontiac Press.

The U. S. coal commission in a recent report states that the retail dealers throughout the country are not to blame nor have they been in past years, for the high cost of coal, but that wholesalers have been the profiteers, charging any price they thought they could obtain. Local dealers have been compelled to pay the high prices or go without fuel with which to supply their customers. Of course they paid, and as a result the consumers of coal of all kinds have been compelled to pay a high price. The government ought to find some way to regulate the wholesalers.

RECORD LINERS PAY—TRY ONE.

Brand New

True Blue

All for \$945

Brand New Engine—Very latest six-cylinder design. Smoother, quieter, more powerful.

Four-Wheel Brakes—Simple, tried and true, giving added safety under all conditions.

Marketing Your Products

October in Michigan railroading is always the month of peak load. Coal is coming in; crops are rolling out. To so handle this additional traffic that it may be carried smoothly and without interruption to the normal year-round flow of raw materials and finished products is a task which finds every employee of Michigan's twenty-four railroads, keyed and ready.

Our personnel is at its highest point of efficiency.

Our rolling stock is in virtually 95% perfect repair condition.

Our road beds are in better shape than at any time since the disaster of Government operation. We have bought 620 miles of new rail this year.

Two seasons of prosperity of Michigan have permitted us to invest this year in new locomotives, cars and other betterments the record-breaking sum of \$75,980,881.26.

Despite restrictions such as handicap no other business, Michigan railroads are solving—not their problem—but the problem of transportation that naturally follows the industrial, social and economic expansion of a prosperous state.

Do you notice and experience this improvement in your transportation? Tell us frankly and fully.

Upon the attitude of you people of Michigan towards your railroad system rests much of the future prosperity of your state.

Michigan Railroad Association
Railway Exchange Bldg., Detroit, Mich.

FRESH ROASTED COFFEE

They Melt In Your Mouth

That's what everyone who has tasted our delicious Cakes will tell you. Made from the choicest and purest ingredients, prepared in a sanitary Bake Shop and baked in our scientifically correct ovens, these Cakes are as nearly perfect as possible.

The same can be said of our Bread, Buns, Cookies, in fact ALL our Baked Goods are produced with the idea of satisfaction to you. We do not scrimp with good materials, but we use the best and plenty of them.

Our Grocery Department

Is meeting with a very generous patronage from the people of this section. They seem to appreciate the kind of goods they get here and of the kind of service they receive. If you are not a regular patron of this department of this store we invite you to give us a trial order. We are sure it will prove to our mutual advantage.

Hart Brand Canned Goods

If there were better Canned Goods we would offer them to our customers—but fortunately there are none and that is why we have secured the exclusive selling privilege for the Hart Brand in Northville.

C. R. HORTON

LOCAL

The first snow flurries of the season came Tuesday morning, following a generous rain.

Mrs. Jesse Burgess and son of Isabella county, visited at the home of James Clark and wife during the past week.

Mrs. C. L. Dubuar returned Monday evening from an extended visit with her son, Paul Dubuar and family at Seattle, Wash.

Michigan will play Iowa at Iowa City, Ia., on Saturday afternoon. Next week Saturday will occur the Marine game at Perry Field, Ann Arbor.

The Kings' Daughters will hold their regular afternoon meeting, Tuesday, Nov. 6th, at the home of Mrs. John Walker, at 2:30 p. m. Mr. and Mrs. S. L. Crosby left Saturday for Florida and they are making the journey by auto. They will stop at Washington, D. C., while en route.

Northville High school football team will go to Wayne this afternoon for a game with the High school eleven of that place. Of course, we expect to win.

A number of the members of Union Chapter, R. A. M., of this place were in Detroit Monday evening when the Most Excellent degree was conferred upon a number of candidates.

The Detroit Edison Company is erecting towers from Port Huron to Detroit for the purpose of transmitting electric current to the city from the company's new power house.

December 1st to the 8th inclusive are the dates selected for the International Live Stock Exposition to be held in Chicago, at the Union Stock yards. A day and night show will also be held at the same time.

Mrs. Helen Ball expects to leave next Wednesday for San Antonio, Texas, to visit her son, Forrest Ball. From there she will go to California to see her son and wife, Mr. and Mrs. Ross Ball.

Marshal Ernie Lyke and his assistant's have a great deal of credit for their efforts in decorating the band stand and the village streets for day and night and did a good job.

Mrs. Fred Foreman underwent an operation at Harper hospital, Detroit, on Tuesday of last week. At the present writing, she is doing as well as could be expected, and members of her family are greatly encouraged.

Mrs. Byron Covell of Britton was called here last week to care for her mother, Mrs. Mary Marvin, who is ill at her home on Dubuar street. Mrs. Covell returned home Sunday and Miss Lella Greenhoe of Etooskey came to take her place.

Senator James Couzens and others who favor five per cent beer will confer a favor upon the public by stating just how they propose to dispense the stuff—how they intend to get light wines and beer to the consuming public.

Mr. and Mrs. G. W. Perkins left Tuesday by automobile for Washington, D. C. After spending a few days in that city they will proceed to Jacksonville, Florida, and expect to spend the winter in that state, motoring about from one place to another.

The tax payers of Novi township will contribute the sum of \$2,786.62 to the general fund and \$10,000.00 for school purposes this fall and winter when they pay their taxes. The township will also pay \$1,321.33 on property owners for highway work.

Mark A. Gardner, Ed Stinson, David Wadell and John Gerchow of Detroit, attending the meeting of Northville Commandery, Knights Templar, Tuesday evening. They brought with them a number of pictures of the new Masonic temple being erected in Detroit and displayed them to the great pleasure of all who were present.

As a result of the final debate try-outs, the following have been chosen to represent the University of Michigan in the Michigan-Ohio debate on the question of the Sheppard-Towner bill: Affirmative—Florence Fuller of Lansing, Catherine Stafford, New York City, Clara Lau of Detroit.

Negative—Mary McCully, of Pittsford; Elizabeth Van Valkenburg of Northville and Johanna DeWitt of Detroit.

A wireless from Mr. relates that when W. L. Tinham left Northville lodge he was compelled to "hunt" for some new gears for his auto. The fellows who coaxed him to go—much against his desire—left camp some days in advance of Mr. Tinham's departure, and while roaming through the country hunting for game they used Tinham's car, and literally wore the "insides" out. Will declared his companions "auto" be ashamed of themselves.

The masquerade party given by the Royal Neighbors last Monday night proved an enjoyable affair. The music by Perkins' orchestra was good, the costumes worn by the dancers were attractive and all had a good time. George Dixon won first prize for the best dressed woman, and he certainly fooled everybody. Madalyn Wade received second prize. Victoria Markham was awarded the prize for the most comical woman's costume, and Doris Tashka received the prize for the most comical "man."

The Foresters will hold a regular meeting this evening. Mr. and Mrs. Harry Elliott were guests of Bonnac friends Sunday.

Mrs. Rice is very ill at the home of her daughter, Mrs. E. J. Simmons on the Base Line road.

Mrs. G. W. Hills entertained the members of the chat and sew club at luncheon at her home last week Wednesday. The affair was a most enjoyable one.

Hallowe'en has come and gone with the usual result—soapy windows, wrecked outhouses, lots of noise and a whole lot of sleepy youngsters on Thursday morning. Nothing serious.

Miss Harriette of Detroit will address them, eating of The King's Daughters to be held at the home of Mrs. John Walker on Tuesday afternoon next. Her theme will be "The Children's Aid Society," and it is desired that all members of the chapter be present.

The patients and nurses at Eastlawn Sanatorium enjoyed a masquerade hallowe'en party on Monday night and some very attractive costumes appeared from mysterious sources. It was a family affair and was greatly enjoyed.

Mrs. E. A. Lee of Memphis, Tenn., who has been the house guest of her cousin, Mrs. Franz Power, the past three weeks, returned home Monday.

Wednesday's Exchange Club luncheon was a Hallowe'en affair, the decorations being in keeping with the occasion. At each plate was a hat of varied colors and the dignified business men were soon "covered" with the bright head-gear.

Carl R. Ely will leave this week for Rochester, Minn., to receive medical treatment. His condition has improved wonderfully during the past few weeks and it is believed that a slight operation will make him "as good as new" again. The best wishes of a host of friends will accompany him.

Bazaar and Dinner

The Ladies Aid society of M. E. church will hold a bazaar and serve a chicken pie dinner at the Foresters hall next Wednesday, the 7th afternoon and evening. From 12:15 to 1:15 decorated booths articles of fancy work will be offered for sale and from the assortment of pretty and useful things you can select many of your Christmas gifts. At 5:00 a chicken pie dinner will be served, with the following menu:

- Beer Pickles Celery
 - Chicken Pie
 - Crabapple Sauce
 - Mashed Potatoes
 - Rolls
 - Coffee
 - Pumpkin Pie Apple Pie
- This bountiful dinner will cost you but 59 cents—it is worth much more. Remember the time, the place, the bazaar and the splendid "feed."

WHO PAYS THE PENALTY

If you select the wrong Electric Washer?

You alone must pay the penalty in buying an electric washer, you fail to select the one which saves the most work. That is why we emphasize the fact that every woman owes it to herself to compare the labor-saving features of the EASY with those of other electric washers before making a final choice.

We make it very convenient to do this—by offering to loan an EASY to any housewife in order that she may test it with her own family washing.

Phone us today, so that we may send an EASY to your home in time for use on your next wash day. We make no charge for this service.

STATE NEWS IN BRIEF

Kalamazoo—Harold Wheeler, Muskegon, was named president of the Michigan Library association at the last session of the thirty-third annual meeting here.

Lansing—Scott E. Lamb, chief examiner of the State Banking Department, last week announced his resignation. Harry G. Grose, of the examining staff, will succeed Mr. Lamb as chief.

Big Rapids—A crane measuring four feet from tip to tip put electric power out of commission for a little while here recently, and lost its own life in so doing. It flew in between two wires, causing a short circuit.

Bay City—The Odd Fellows of Michigan concluded their state convention here last week. Alpena was selected as the 1924 convention city for both Odd Fellows and Rebekahs. Homer C. Carr, of Detroit, was re-elected as a member of the home board of the grand lodge.

Lansing—John R. Eaton, former Kalamazoo newspaper man and former sheriff of Kalamazoo county, has been appointed secretary to Governor Cresswell. His successor, Major Ralph Dugan, who recently was appointed a member of the Michigan public utilities commission.

Monroe—The board of supervisors of Monroe county adopted the grand levy for 1923, in which the state tax is fixed at \$193,935.86; county tax, \$139,478.60; county road tax, \$241,962.63; and state covert road tax, \$62,260.67. Monroe county's tax rate will be approximately \$13 per \$1,000.

Kalamazoo—The thirty-third convention of the Michigan Library Association was held here. One of the speakers was Dwight B. Waldo, president of Western State Normal School, Jacobus Kindelberger, of the Kalamazoo Vegetable Parchment Company, explained the process of making paper.

Muskegon—The Muskegon State Park is the name selected by a committee for the new \$25,000 state park near here. The name was chosen after a contest conducted by the Muskegon Chamber of Commerce. Four Muskegon County residents, all women, submitted the winning name.

Alpena—The city of Alpena has purchased from the United States Government the buildings of the Alpena radio station, which was established during the war and abandoned a year ago. With other lake radio stations, the site reverted to the city, having been given by the late Frank W. Fletcher with that proviso.

Lansing—Figures compiled by Judson Pratt, city comptroller, show that the winter tax rate for Lansing covering the state, county and school district taxes will be \$15.12 per thousand dollars of valuation, an increase of \$1.25 over last year. The biggest item is the school district, \$9.85, with the state \$2.46 and county \$2.81.

Ann Arbor—Georgia Robertson Baird, wife of Charles Baird, former director of the University of Michigan athletic association, died in Kansas City, Mo., according to word received here. Mrs. Baird studied in the medical school of the university from 1934 to 1936 and was graduated from the literary college in 1941.

Lansing—Briefs filed by W. W. Porter, chairman of the State Public Utilities Commission, with the Interstate Commerce Commission, in connection with the latter's general hearing on depreciation reserve recommendations that the public be not required to pay for the excess depreciation of railroads or telephone systems caused by mismanagement.

Alpena—The Monroe County board of supervisors voted, 10 to 3, against having two platform scales for the purpose of weighing overloads on automobile trucks. Each scale was to have cost \$1,500; one was to be located in Monroe and the other on the North Dixie Highway, at the intersection of the Roadway Road. Weighing at present is being done in the aid of "jacks."

Lansing—An opinion has been asked of the attorney general's department by the Michigan public utilities commission, as to whether automatic lines which have operated during the summer, but will suspend during the winter months, are entitled to a refund on their license fees. Several bus lines throughout the state which have been operating through the summer, have written the commission asking for a refund because they will not operate during the winter.

Muskegon—Practically every Western Michigan port city were represented at the Great Lakes Harbor conference at Milwaukee. Both Mayor Hadden and City Manager Ellison, of Muskegon, attended. The object of the conference was to preserve the levels of lakes, harbors and channels; to promote harbor development and port efficiency on the Great Lakes; to co-operate with harbor cities in stimulating commerce, and to co-ordinate water and rail lines in expediting the movement of freight from inland points to lake ports.

Lansing—Principals of high schools in Michigan will meet here December 6 and 7 for their annual convention.

Bay City—The seventy-ninth annual state convention of Odd Fellows and the thirty-ninth annual state convention of the Rebekah assembly was held here.

Grand Rapids—Because he stole a fellow worker's gun, James Brown, a Pere Marquette railroad employee, was sentenced by Police Judge Frank J. Tress to 30 days in jail.

As an act of the city of Detroit was successful in obtaining the 1924 convention of the F. O. E. T. U. at the Anderson hotel here. F. O. E. T. U. was the only other city to place a request for the convention.

Detroit—Inspector Harry H. Jackson, head of the police traffic division, has been selected by Governor Groesbeck as the new head of the state department of public safety, succeeding Col. Roy C. Vandercook, whose resignation became effective October 1.

Lansing—Protests against the recent order limiting auto buses to a speed of 30 miles an hour have begun to come in to the Public Utilities Commission. Companies which operate touring-car lines are the chief objectors, operators of the large buses favor the rule.

Muskegon—The Muskegon County supervisors voted 25 to 3 to place all male prisoners serving sentences in the county jail at work on highways. The men are to receive no additional compensation. The action was inspired by reports of the state's success with prison labor on highways.

Marquette—Marquette will be host to about 500 visitors Nov. 8, when the Congress of Michigan Game Associations and the Northern Michigan Sportsmen's Association meet here in joint convention. Prominent sportsmen from this and other states and men high up in game conservation work will be speakers.

Ann Arbor—For the first time in its history the University of Michigan will have a blind man on its faculty. Paul Muechke, of Westfield, Tex., who was a student in the graduate school last year, and is this year continuing his studies, working for a doctor of philosophy degree has been appointed an instructor in English.

Detroit—Edward D. Smith, 29 years old, an employee of the Fisher Body Corporation died as the result of a broken neck, suffered, the police were told, when he fell while playing ball. Smith, together with other workmen, was playing baseball during the lunch hour. Three men attempted to catch a fly ball. They collided and Smith's neck was broken. Death was instantaneous.

Sault Ste. Marie—After paying a bounty during the past year of \$25 for each wolf caught in Chippewa County, the Board of Supervisors repealed the resolution. Only 12 wolves were caught in the year, and some claim that of these a few were imported from counties which paid no bounties. It was also said that the bounty interfered with the work of the State trappers.

Marquette—That the past few years have brought a material change in the county agricultural fairs of the upper Michigan region is the opinion of Paul Bowen, expert dairy and herdsman, who has recently returned to the Bay Cliffs stock farm at Big Bay after accompanying a herd of pure-breds from that institution on a three fair circuit—Marquette, Escanaba and Houghton.

Marquette—Forest fires in the western and central part of the Upper Peninsula the last week have killed thousands of partridge according to game and fire wardens. The bird season opens Oct. 15 and closes Nov. 9, the day before the deer season begins. Last year the bird season overlapped the deer season, but the State Department of Conservation changed the dates at the request of Upper Peninsula sportsmen's organizations.

Port Huron—Grand Trunk officials and business men of Bad Axe conferred recently on a plan to operate an additional train for freight and passenger service between Bad Axe and Detroit and Pontiac daily except Sunday. The plan discussed will be submitted to higher railway officials for approval. The curtailment of trains into the Thumb section by the Pere Marquette railroad has placed many Thumb cities and villages at a disadvantage, it is claimed.

Houghton—Plans and specifications for the new metalurgy building to be built at the Michigan College of Mines Houghton, have been received by the college authorities from the state architect. The new structure will be considerably larger than the old building. It will have a frontage of 155 feet and a depth of 114 feet to the end of the wings. It will be of brick and steel construction, three stories in height, including the basement floor with two wings two stories high.

Grand Rapids—The board of supervisors passed favorably upon the 1924 program of the country road commission permitting construction of \$1,250,000 of paved roads within the boundaries of Kent county next year. This program, when completed, will provide paved roads throughout the county on all trunk lines except the extension on the Ionia road through Ada and Lowell. It was made possible by the granting of a half mill tax amounting to \$140,730 and certain transfers which, with the expense.

FORD PRODUCTION STILL ABOVE THE 40,000 MARK.

Domestic production of the Ford Motor Co. is still running in excess of 41,000 a week. The output for the week ending Tuesday, October 23, was 41,286 cars and trucks. The Ford News announces. Fordson tractor production for the same period was 1,536. The Lincoln division of the company set a new record with 217 cars for the week ending Tuesday.

ARE WARNED OF DIPHTHERIA SPREAD.

"All children must be closely watched this fall," thus spoke Dr. O. L. Olin, state health commissioner, when asked about the menacing condition of diphtheria throughout Michigan. "Much light diphtheria and diverse throat troubles are about, and a doctor ought to be called immediately, should a child manifest suspicious symptoms. Youngsters are often easy victims of diphtheria and the utmost care must be observed in their behalf."

WALLED LAKE MEN CONTEST FOR LAND.

Ownership of a strip of land approximately eight feet wide, lying between their properties and fronting on Walled Lake, is claimed by both Perry Austin and Joseph McLain of that village who are plaintiff and defendant, respectively, in the ejectment Judge Covert and a jury are hearing in circuit court. The jury was obtained Friday afternoon. Austin claims the land by right of years of possession, while McLain alleges his deed calls for the strip in question. Pontiac Press.

CIVIL SERVICE EXAMINATION FOR POSTOFFICE CLERK, AT NORTH- VILLE.

There will be held here for the first time in the history of Northville, a U. S. Civil Service examination Saturday, November 15th.

The examination is for the appointment of a clerk in the Northville post office. The salary is \$1,400 a year for the first year, and for good service, an advance of \$100.00 each year is granted until the salary reaches \$1,800 per year. There is also a vacation allowance of 15 days each year (for one and one-fourth days for each month) granted with full pay and also a sick leave of 15 days with pay if the clerk is really sick. At the age of 65 the clerk has served 15 years he or she is retired with an annuity. Applicants must be at least 18 years of age and not more than 45 years.

The exam. will take place in the High school auditorium commencing at 9:00 o'clock a. m. Nov. 15th. Blanks and further information may be obtained at the Northville post office on application.

DETROIT LODGE IS GREATLY HONOURED.

At the great Masonic gathering being held in Washington this week in connection with the laying of the corner stone to the George Washington national memorial building at Alexander, Y. A., six miles from the capital city, Corinthian Lodge of Detroit was chosen from among all the Masonic lodges of the United States to confer the third degree on a class for Hiram Lodge of Washington. This is a distinct honor and one that every Michigan mason will take personal pride in. In the ceremony of initiation, which took place before a great throng, Northville was represented in the person of Guy C. Finkins who officiated as organist during the conferring of the degree.

Michigan Grand Lodge is represented by all of its officers and many of the subordinate lodges of the state have representatives present. The Michigan visitors will pay a visit to Mt. Vernon and Arlington today and lay wreaths on the tomb of Washington and on the grave of the unknown soldier. In the afternoon they will visit the White House and be received by President Coolidge.

The George Washington-Masonic National Memorial is primarily a memorial to George Washington, the Man and the Mason. Its form is inspired by the great towers built in the ancient days of Greece and Rome to mark the entrances to the harbors and from whose summits ever-burning flames that could be seen for miles at sea guided the mariner on his way.

The memorial will be constructed of solid granite and will involve an outlay of \$4,000,000.

WALLED LAKE WARBLERS.

The home of Mr. and Mrs. Lee Welch on the Pontiac road was the scene of a merry gathering on Tuesday evening when the W. M. B. class of the M. E. Sunday school held a masquerade social.

The K. K. K. held a "feed" at the Walled Lake restaurant last Friday night after a meeting at the casino.

A number of new residences are being erected in Walled Lake and on lots about the lake.

H. G. Roch spent a few days during the past week at Traverse City.

FORMER WALLED LAKE PASTOR CALLED TO FLORIDA CHURCH.

Rev. C. L. Berry, former pastor of the Baptist churches at Highland and Walled Lake, was in town Saturday for a short time. He returned last week from Florida, where he has been during the summer. He is leaving this week on his return to Florida, where he takes the pastorate of the Baptist church at Williston, a thriving town a hundred miles southwest of Jacksonville. It is in the center of a region where agricultural possibilities are great and where cucumber-raising has been developed into a great industry. He will have a church of over 250 members, fine church building and a furnished parsonage. He went about Florida a good deal during the summer and has become something of a Florida booster. Mrs. Berry and daughter, who remained with relatives at Remus during his absence, are driving down with him to their new home at Williston. Milford Times.

POST OFFICE NOTES.

The Northville postoffice has been equipped with a new Dalton adding machine.

R. F. D. No. 2 is nearly perfect as the location of boxes and their being painted white and lettered.

Every one of the 400 call boxes in the postoffice were taken last week. All of the lock boxes were also in use. From time to time, however, there are vacancies caused by residents changing their address or moving away.

The "Mail Early" slogan for the Christmas rush will soon again be in vogue.

A whole dray load of mail arrives every Monday morning.

Civil service exam in the High school bldg. Saturday, Nov. 10th, beginning at 9 a. m. for the appointment of clerk in the Northville postoffice.

The post-office department is asking that the mailing of small or odd sized envelopes and small greeting cards be discontinued that the burden of the department may be relieved in handling them.

NOVI NEWS.

The Baptist Mission Band of Novi meeting with Mrs. Osborn next Thursday, November 8th, for dinner with Mrs. Coates and Mrs. Riv. assisting.

TO HOLD AUCTION SALE.

W. H. Tousey & Son will have an auction sale on their farm, on the Salem road, three miles west of Northville, on Tuesday, November 13th, commencing at 12:30. Frank Boyle will conduct the sale.

W. R. C. NOTES.

Lloyd H. Green Post American Legion extend to all members of the Woman's Relief Corps an invitation to attend with them the service to be given in commemoration of Armistice Day, November 11th at the M. E. church. Members are requested to respond.

A card party and social evening was given at Eastlawn Sanatorium Thursday evening, Nov. 1, in honor of the veterans who are staying there, members of the American Legion and the W. R. C. furnishing the entertainment.

Holly-Word has been received here of the death of Miss Winifred Grace Webb, daughter of W. P. Webb, at the family home in Pasadena, Calif. Miss Webb was 49 years old and was born in Holly and had spent the early years of her life here.

ADVERTISED LETTERS.

Mrs. Alma Lempinen
Miss Cora McCulloch

MR. FORD IS NEEDED WHERE HE IS.

A national conference has been called to meet at Dearborn on December 12th, for the purpose of perfecting plans to present the name of Henry Ford as a candidate for President. If Mr. Ford is nominated he will, doubtless, be named as a candidate of a new party, because the Labor party has already declared it would nominate a full ticket of labor men, and Ford's stand on the Volstead act has eliminated him as a candidate of the democratic party, at least a number of prominent party leaders have so declared, and it is now practically assured that the republicans will call President Coolidge as their standard bearer.

With all due respect to the opinions

of those who are pushing Mr. Ford forward toward the presidency, we believe they are doing him a great injustice. He is needed in the field in which he has established himself more than he is at Washington. His training has never been along political lines and the work and worry of the presidency would, we believe, greatly shorten his very useful life. Mr. Ford is needed right where he is and where he gives every indication that he is happy and contented.

Land of Rubber.

A traveler can ride for seven hours by railway train, or more than 300 miles, between Singapore and Penang, in the Federated Malay States, and not once lose sight of the rubber plantations.

TONIGHT

THE ROYAL HOLLAND BELL RINGERS

The Best Novelty that ever came to America. Nothing like it ever presented here before.

They present a versatile program of many rare and artistic novelties interspersed with Folk Songs and Dances of the picturesque Netherlands.

Among the specialties introduced and featured are the Swiss Hand Bells, Cathedral Chimes, Cymbal Harp, School Bells, Farm Bells, Whistling, Rattle-Bones, Saxophone and the Occarina.

There are six members in this popular family organization and their program will satisfy the most particular audience.

No attraction in years has made a more favorable impression than this charming family of Hollanders, Mr. and Mrs. Brouwer and daughter and three sons. They have been enthusiastically received throughout the city as well as at the Y. M. C. A., Oscar Schrieber, Secy Y. M. C. A., New Orleans, La.

The Holland Bell Ringers have played our Majestic theatre four different times. This act goes well with any audience and I do not hesitate to recommend them to anyone desiring a high class, novel and entirely pleasing musical offering. Chas. Overton Evansville, Indiana.

Reserved Seats may be obtained at the Northville Drug Co's store.

Admission: Lower Floor 35c; Balcony, 25c
