LILLIAN GIRARDIN DIED IN DETROIT.

Miss Lillian Girardin, daughter of Mr. and Mrs. Louis Girardin of this village, died in Detroit Monday after an illness extending over a period of several months. Miss Girardin spent some months in Denver, Colo., and while in that city was taken ill and was advised by her physician to return to her home for rest and treatment. Her ailment seemed to baffle attending physicians and she gradually failed until the final summons came.

Besides her father and mother she leaves one sister, Mrs. H. M. Fletcher and one brother, Louis Girardin, Jr. The deceased was a vocalist and dancer of more than local reputation and among those of her profession she was held in high esteem, as well as by those friends and acquaintances here with whom she associated. She often assisted in local entertainment and her presence at the local theatre was always cordially welcomed by the public.

CELEBRATED TWENTY-FIFTH ANNIVERSARY

Last Thursday was the twenty-fifth anniversary of the marriage of Rev. and Mrs. F. P. Knowles, although the happy event was not generally known to Northville people. Dr. and Mrs. John Kirker and Mr. and Mrs. J. W. Richardson of Detroit came out to spend the day with Mr. and Mrs. Knowles and a number of friends having heard of the affair sent numerous gifts of silver. The ladies of the Presbyterian church of this village presented the "bride and groom" a basket of handsome flowers.

NEW RECTOR AT PLYMOUTH.

The Rev. Frank Copeland, who for twelve years has been rector of St. Paul's Episcopal church at West Branch, Michigan, has been appointed rector of St. John's Episcopal church at Plymouth. Mr. Copeland has had a very successful and fruitful ministry at West Branch and he commenced his ministry at Plymouth last Sunday and the Northville friends of St. John's are given a cordial invitation to hear him next Sunday evening at 7:30 o'clock.

POPULAR EVANGELIST COMING.

Joe J. Payne, the cow boy evangelist, who has assisted in special evangelistic services in a number of Michigan towns during the past few years, will come to Northville to assist Pastor A. K. MacRae at the Baptist church. The special meetings will open next Sunday night, the 19th, and will continue until further notice. It is said that Evangelist Payne is a forceful and convincing speaker and the public is cordially invited to attend all of the meetings.

NEW ORCHARD LAKE SCHEDULE.

Commencing next Monday the Orchard Lake division limited that is now leaving Detroit at 5 p. m. for Northville, will leave at 4:50 p. m., arriving in Northville at 6:25 p. m. and connecting at Farmington Junction with a local for Orchard Lake and Pontiac.

Mrs. Wm. Richards is recovering nicely from her recent illness.

ARMISTICE DAY FITTINGLY OBSERVED.

In Flanders' fields the poppies grow,
Among the crosses row on row,
That mark our dead—
"If ye break faith with us who die,
We shall not sleep, though poppies blow
In Flanders' fields"

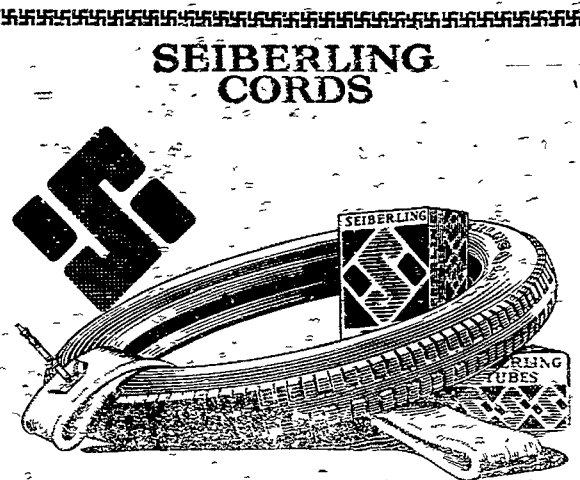

Sunday marked the fifth anniversary of the signing of the armistice and the event was fittingly observed in this village. Members of the American Legion Post, G. A. R. and W. R. C. attended services at the Methodist church at 10:30 and occupied seats of honor while a very interesting and inspiring program of worship was given. A large choir led the congregation in singing familiar hymns especially fitting for the occasion, the choir rendered an anthem and Richard Kilgour sang a solo, rendering his selection in a splendid voice. Rev. William Richards led the responsive reading and read the scripture lesson of the morning, and before introducing the speaker of the day took occasion to extend a very cordial welcome to the honored guests—Chaplain R. W. Rogers, of the College of Chaplains at Ft. Wayne, was the speaker and he prefaced his very interesting sermon by referring to the fact that a chaplain's duties in peace time were not as easy and as rosy as some people believed. He stated that for a time since the war he was stationed on the Mexican border with the American forces and he found his work quite pleasant in many ways most exciting as much or more than in times of war. He selected for his theme the words of Zachariah, "Not by might nor by power, but by my spirit saith the Lord," and during his discourse paid special reference to Wilhelm II, who planned and put in motion the great World War because he had made himself and his followers believe that might was right, and whose ambition was to rule the world, but whose hopes were dashed to pieces, because right conquered might in the defeat of the German forces.

Mrs. Leigh Hickok sang "Let Us Have Peace," and the manner in which she rendered the selection made a special appeal to the large audience. The day was delightful and all nature seemed to be attuned to the solemn day of thanksgiving, which Armistice Day has become. As a community we are grateful to "our boys" who offered themselves in the great struggle for righteousness and liberty, and with reverence we pay our tribute of devotion to those who made the supreme sacrifice, and gave all.

Today the journey is ended,
I have worked out the madness of fate
Naked alone, undressed,
I knock at the Uttermost Gate.
Lo, the gate swings wide at my knocking;
Across endless reaches I see
Lost friends, and laughter, come knocking
To give a welcome to me
Farewell, the maze has been threaded
This is the ending of strife,
Say not that death should be dreaded,
'Tis but the beginning of life

BETTER BUILD A BARRICADE.
Twice within ten days the hydrant on the Base Line road, near the home of Albert Wilson, was broken off by some one backing an automobile or truck into it after dark. Judging from all appearances there must be a whole lot of auto traffic about the Wilson house after night for it is no uncommon sight, so the neighbors say, to see from six to a dozen cars parked in the yard at a time. Strange why so many people are attracted to that particular spot. We know of no other place that seems to attract so many motorists after dark. The village officers will be compelled to build a barricade about the hydrant to protect it from careless drivers in the future.

FORMER NORTHVILLE BOY MARRIED.
Miss Lucile Treadway, daughter of Mr. and Mrs. Stephen Treadway of Farmington and C. Garnet Grant, son of Mr. and Mrs. R. A. Grant of Grand Ledge, formerly of Northville, were united in marriage at the home of Rev. Weldon Crossland at Pontiac Saturday afternoon at one-thirty o'clock. Their attendants were Mr. and Mrs. Peter Perkins of this place. The groom is well known in Northville, having lived here several years ago. Mr. and Mrs. Grant will make their home at Grand Ledge where Mr. Grant is a member of the staff of the Grand Ledge Independent.

AUTO CHAINS

It's far better to prevent the accident than it is to collect accident insurance. A skidding car is entirely out of control of the driver and may cripple or kill, before it stops. You'll have no fear of skidding on wet streets, if you have a set of our dependable chains on your wheels—they bring that feeling of security which you'll appreciate.

Here's Proof That Advertising Pays

Famous Wrigley Building in Chicago Being Doubled in Size

The part of the Wrigley Building erected two years ago has filled such a want that the north section, nearly double the floor area of the south section, is being added. This north-section, nearly completed, occupies the entire block, immediately across North Water Street, fronting on Michigan Avenue, and reaching to the height of the main part of the first structure, with a connecting bridge. The space in the new section is already nearly all taken by high-class firms in advance of the completion of the building.

Here is concrete (as well as steel and glass) proof of the saying that "advertising pays." In these magnificent buildings Mr. Wrigley has erected an impressive testimonial to this great truth. They loom large and beautiful. They typify the achievements of the man who built them. They stand as a monitor over the activity of the Nation's second city—inspiring—dominating—massive—bearing unanswerable testimony to the POWER OF ADVERTISING.

Week's News in Brief

Hungary, Grows Cotton.
Budapest—Hungary is beginning cotton growing on a large scale to make it independent of American cotton, the government announced.

Alaskan Road Head Named.
Washington—Secretary of the Interior Work named Lee H. Laidis, of San Francisco, as general manager of the government-owned Alaska railroad, effective October 1.

Triplets in Auto Accident.
Peckskill, N. Y.—Triplets were victims of an automobile accident here when John Morley, 13 years old, was killed and his sisters, Mabel and Mildred, injured. The car in which they were riding, driven by William Gilbert, was overturned.

German Emigration High.
Bremen—German emigration for the first six months of this year totaled 40,872. Of these emigrants 23,190 were male. Hamburg was the port from which 23,215 sailed, 17,250 went through Bremen and the remainder left Dutch harbors.

Captain Takes Crash Blame.
San Diego, Cal.—Captain E. H. Watson, squadron commander of the ill-fated destroyer that crashed on Point Honda, September 8 last, assumed full responsibility for the changes in their course only a few minutes before they struck when he testified at the naval inquiry on North Island.

Blue Skin, Mystery to Scientists.
New Orleans, La.—Medical specialists here are discussing the case of Mrs. Amelia Leopold, 73 years old, believed by local specialists to be the only woman in the world with a deep blue skin. For more than 20 years, according to her brother, Mrs. Leopold has been a mystery to scientists.

U. S. Restrains Branch Banks.
Washington—National banks may establish branches within the states of their location for the receipt of deposits and the cashing of checks, but such branches may not engage in a general banking business. Attorney General Daugherty holds in an opinion just submitted to the Comptroller of the Currency Laws.

To Study Quake Zone.
Washington—Dr. T. A. Jaggar, volcanologist of the weather bureau in Hawaii, has been authorized to proceed to Japan at the request of the Japanese government, to assist Dr. Omori, the Japanese authority on volcanology and seismology in an investigation of the earthquake which caused the recent catastrophe.

Roadway Links Countries.
Cloverdale, B. C.—A smooth unbroken highway now stretches from Vancouver to Los Angeles, linking two nations and joining three states to the province of British Columbia. The last bucket of cement completing the highway from Vancouver to this border town was poured in the presence of thousands of motorists who met here to attend the opening ceremony.

Copperheads Capture Field.
Charleston, W. Va.—Copperhead snakes are about to take the farm of W. J. Good near Cameron on the Shenandoah road. Although a special snake-killing expedition killed 13 fine large ones, all grown as long as a man's arm, there are many more and Good and his son are giving a large part of their time trying to locate the den which they believe must harbor great numbers of the copperheads.

Cattle Go On Drunk.
Reading, Pa.—Apple pomace, the waste product of cider making, caused some astonishing sights on the farm of William Pfum, near Gibraltar. His cows and ducks ate some of the apple refuse, piled in a meadow, and the hot sun, which had made it ferment, and free ribbons of water after eating the stuff made the cattle and fowls "drunk as lords." The cows staggered and the birds paraded with a tipsy strut for a whole day.

Performs Operation on Dog.
Park Falls, Wis.—Drs. Speck and Riley performed a difficult operation on a valuable Airedale puppy owned by H. J. Brooks of Indianapolis. The puppy was injured by a passing automobile some weeks ago, and, although taken to a veterinarian, did not improve. Finally the local physicians took X-ray photographs of the dog's spine and a severe dislocation was revealed. The only hope to save the animal's life was by an operation.

Dime Novel Writer, a County Charge.
Piqua, O.—A writer and author all his life, Thomas C. Harbaugh, 74 years old, at last has gone to the Miami County Infirmary, where he said he wanted to go several months ago. Early this summer Harbaugh, known for the hundreds of detective tales he wrote in the old dime novel days, announced an auction sale of his household effects, which brought \$400. At that time he was saved from the infirmary by the editor of an eastern newspaper.

NOT A VERY GREAT SHOWING.
Horatio Earle, familiarly known as "Good Roads Earle," did not create much of a stir at his meeting called for the purpose of forming a new church in Detroit. Out of a population of a million and a half only about 500 people were interested enough to attend the gathering Sunday. That was not a very great showing surely. We have no doubt but that there are more than 500 people in Detroit who believe that the Masons, the Oddfellows, the Knights of Columbus, the Y. M. C. A., the Red Cross, the superintendents of the poor and a lot of other organizations are not doing all they ought to do to better the condition of the people in the great city. But it is one thing to find fault and scold and another thing to suggest a better plan for carrying on the great work of the church.

Churches are not perfect—they never have been, of will be, doubtless. Neither are men and women, nor have they ever been, but we believe the men and women who are scoffing at the churches today and who are contributing nothing toward their support or upbuilding are losing more than they will ever realize. With all its faults and shortcomings, the church is the one outstanding organization that is constantly striving for higher ideals and for a fuller knowledge of the meaning of the ideal condition of life.

Every community has men who never think of the church except on their wedding day or when they want the minister to perform some service at a funeral, but these same men would not want to live in a community where there were no churches, nor would they care to rear their children in a community in which there were no church influences. Such men, by their indifference and thoughtlessness, contribute nothing to the support of the church, yet they realize it is a great vitalizing, uplifting force in the community.

COFFEE TRADE EXPANDING.
A couple of years ago W. H. Elliott came to the conclusion that he could buy coffee in the green berry stage and roast it, and produce a better coffee than was being sold in his store or in any of the stores of the village, and for less money. Acting upon that idea he installed a small roaster and a small coffee mill, and tried out his plan. From the first the public seemed to "take" to the new arrangement and Elliott's Special Blend coffee became popular with Northville people within a very short time. To better supply the needs of his trade about a year ago he installed a larger roaster and a larger mill, and even with this new and enlarged equipment he has been pushed at times to meet the demand. During the past eleven months he has purchased, blended, roasted and ground more than ten tons of coffee and still Mr. Elliott is not just satisfied. He is now preparing a room in the rear of his store for the exclusive use of his coffee roaster in which he will store the green coffee and roasted berries until they are needed. The room will be equipped with fans and counters and will be made as neat and clean in appearance as paint can make it.

This splendid business is the result of an idea followed up and put into action. Then the product of that idea was advertised in The Record.

"YOU AND I" AT THE GARRICK.
H. B. Warner, ably supported by Lucile Watson and what has been frequently referred to by the critics as a "wonder cast," will appear at the Garrick Theatre for the week starting Sunday, November 18, in Philip Barry's Harvard prize play, "You and I."

It is a rollicking, sparking comedy of modern American life but deft enough that you will do well to bring your brains along with you when you go to see. In it are combined real humor, unusual dramatic construction and occasions when its pathos reaches out and gets a stranglehold on your heart strings. The story of an American business man who wanted to paint an his youth but who married the only girl instead and who, in his forties still longing to weld a brush, discovers that his son is up against the same proposition which had made his own life one of "quiet desperation." How he finally has a fling at pigments and palette and manages to find a way for his son to eat his cake and have it too, is told by Mr. Barry in three acts so full of human interest that they never pall.

"You and I" was first produced by Richard Herndon and staged by Robert M. Miller at the Belmont Theatre, New York, where it had a full season's run and won the distinction of being classed by the Metropolitan critics as among the first five plays of the season. It comes direct to Detroit from Chicago where it has been playing to capacity audiences at the Playhouse for three months.

Novi News.
Mrs. Frank Clark is gaining slowly in Ford hospital, Detroit.
Mr. and Mrs. Orren Hulet spent Monday in Birmingham.
Mrs. Lester Woodruff is spending the week among Detroit friends.
Mrs. Gaffney, who has been at the Ford hospital, Detroit, for some time, was brought home Tuesday and is still very ill.

At the semi-annual business meeting of the B. Y. P. U. Tuesday evening the following persons were elected to office for the coming year: Pres., Mrs. Grace Shinn; vice-pres., J. O. Munro, secy., Russell Banks; trcas., Warren Rice; pianist, Mrs. A. L. Hill. Rev. and Mrs. Frank Osborn attended a Bible and Missionary conference at Pontiac last Thursday and Friday. This was an echo meeting from the great conference held in Detroit recently, which was attended by Revs. Osborn and Shinn, Mrs. E. M. Root, Mrs. M. A. Bourne, Mrs. L. Munro, Mrs. D. Leavenworth and Mrs. Lizzie Coates.

Mrs. Dora Donelson, Mrs. Susie Mairs and Mrs. Lizzie Coates attended the Oakland County W. C. T. U. convention at Royal Oak last week Tuesday and Wednesday. All the county officers were re-elected. Pres., Mrs. Myrtle Lockwood, Holly; vice-pres., Mrs. Susie Mairs Novi; secy., Mrs. Annette Fisher, Pontiac; trcas., Mrs. Carrie Griswold of South Lyon.

Dr. H. C. Gleiss of Detroit will speak at the Baptist church in Novi next Sunday evening, November 18. Dr. Gleiss, who is president of the Detroit Baptist Union, is one of the busiest men in Michigan in helping to uplift humanity. His principal work is in the city, but he is also well posted on world conditions. The service will begin promptly at 7:30 p. m., and the opening exercises will be brief in order to give all the time possible to Dr. Gleiss. You will be sorry afterward if you fail to hear him.

OBITUARY.
Homer W. Chapman was born July 2, 1856, in Novi township and died October 28th, 1923, aged 67 years, and two months.
He was the fifth child born to Aaron R. and Jane G. Chapman.
He was united in marriage to Miss Sarah M. Porter, on February 6th, 1884. In early life he united with the Baptist church of Novi, afterward transferring his membership to the Wixom Baptist church.

He had lived a conscientious Christian life, contributing liberally to the support of the church and missionary activities. Failing health for the past three years compelled him to remain more at home, a place where he always loved to be, where he will be greatly missed. He was buried in Wixom cemetery, Rev. H. J. Thibaut, pastor of the Baptist church, officiating.

NORTHVILLE SCHOOL NOTES.
We expect five new Woodstock typewriters this week. This will make our typewriting equipment larger and give us a chance to accommodate more people.
Elsie Schultz, Luella Riley, Bessie Mae Pardee, Norman Copland, Albert Kiffert, are writing on penmanship drills from the Palmer book for the Palmer penmanship proficiency diploma.

In the ten minute typewriting test on new material given last week the following people wrote: Ada Ely, 29 words per minute; Howard Green, 27; Clement Huff, 22; Lela Roberts, 25; Hazel Lansing, 21.
On Thursday, November 22nd, there will be a physical training demonstration in the gymnasium. Every grade will be represented. This is entirely new and will be well worth your time. The demonstration will be given by both boys and girls from every department of the school under the direction of our physical directors, Mr. and Mrs. A. K. Miller.

Our football team goes to Wyandotte this Friday, afternoon.

DEDICATED TABLET AT SANATORIUM.
Yesterday noon at the Detroit Tuberculosis Sanatorium there took place the ceremony of dedicating the institution, in honor of Dr. Victor Clare Vaughan, Jr., who died in France during the World War. Dr. Vaughan was deeply interested in the prevention of tuberculosis and largely through his efforts the first unit of the Herman Keifer hospital was established in Detroit, out of which grew the splendid institution which has been erected amid the beautiful Northville hills.
At the ceremonies of dedication appropriate tributes were paid the deceased by Dr. Francis Daffield, Dr. Guy Keifer, W. H. Maybury and others.
Dr. Vaughan, who was drowned at St. Aignon, while serving as a major in the Roosevelt Hospital unit, was a son of Dr. Victor C. Vaughan, Sr., for the last 32 years dean of the University of Michigan medical school, and a brother of Dr. Henry F. Vaughan, present Detroit health commissioner.

REPAIR ROAD SIGNS DURING FEBRUARY.

UNITED STATES RECEIVIS OFFER

European Reparation Problem and Germany's Capacity to Pay Is Cited.

London.—The members of the imperial conference, which has been in session here, apparently were in favor of a conference on the question of Germany's capacity to pay reparations without France, if the plans for the proposed conference with France included should break down.

This was brought out in the official summary of the imperial conference, published Sunday. The summary contains numerous resolutions adopted and sketches by the proceedings. Under the heading of "foreign affairs" appears the following:

"It was while the conference was sitting that the President of the United States renewed the offer of the United States government to take part in an international conference or inquiry to investigate the European reparation problem and to report upon the capacity of Germany to make payments to which she is pledged.

"The conference cordially welcomed and decided to take immediate advantage of this overture, and communications were at once entered into with the Allied powers to obtain their cooperation.

"The conference, after careful consideration of the policies which had been pursued, was of the opinion that the European situation could only be luted on to a plane of possible settlement by the cooperation of the United States and that if the scheme of a common inquiry were to break down the results would be in part both to peace and to the economic recovery of the world.

The following significant passage follows:

"It is felt that in such an event it would be desirable for the British government to consider very carefully the jiterative of summoning a conference itself, in order to examine the financial and economic problem in its widest aspect."

WALTON DEFIES "OUTLAW HOUSE"

Governor Declares He Will Fight "As Long As He Has Drop of Blood."

Oklahoma City, Okla.—Governor J. C. Walton, in a statement to citizens of Oklahoma issued Sunday declared he would listen to the "will of the people" only in the matter of surrendering the state government to the "invisible and outlaw organization of the Klan house of misrepresentation of Oklahoma."

"If you are ready for me to surrender your government," the suspended governor said, "and commit enforcement of your laws to the invisible and outlaw government and the Klan house of representatives of Oklahoma, I shall do so only upon your express command, but unless you do so express yourself, God being my helper, I shall fight this enemy of constitutional government so long as there is a drop of blood in my veins."

"All I ask is for the people to indicate if they, too, believe and demand fair play. If there is anything in which the American people believe, it is fair play."

MELLON URGES INCOME TAX CUT

Recommendations Are of a 25 Per Cent Reduction.

Washington.—Revision of federal taxes estimated to reduce the total assessment by \$23,000,000 next year, is proposed in the program by Secretary Mellon for submission to congress. Recommendations are made for a 25 per cent reduction in the taxes on earned income, reduction of the normal taxes on incomes from 4 per cent and 8 per cent to 3 per cent and 6 per cent respectively.

Application of the surtax at \$10,000 instead of \$6,000 and scaling progressively upwards to 25 per cent on incomes of \$100,000 and repeal of the taxes on admissions and on telegrams, telephone messages and leased wires.

It is proposed also to tax community property income of the spouse having control of the income.

Mr. Mellon suggests that the changes be made effective next January 1.

High Denomination Stamps Ordered Washington.—The largest requisition for high denomination stamps ever received from any post office reached the post office department from Chicago. The order totalled 60,000,000 stamps with a value of \$5,589,000, and included 1,000,000 50-cent stamps, 100,000 \$1 stamps, 4,000,000 of the 20-cent denomination, 8,000,000 10-cent, 3,000,000 15-cent and 2,000,000 each of the 11 and 30-cent denomination. Other stamps of 2 and 5 cent denomination total 5,000,000 respectively.

SALEM, SAYINGS.

The ladies of the second Congregational church of Salem will hold their annual bazaar in the town hall on November 20th instead of the 23rd as given out. Supper will be served and everybody will be welcome.

WAITED LAKE WARBLES.

Three of the 36 Oakland county delegates to the state Sunday school convention which closed in Grand Rapids Thursday, contributed to the program. They were A. L. Moore of Pontiac, who gave an address of "The Business Women's Class," Rev. Sidney D. Ewa, pastor of Farmington Methodist church, who spoke of "Non-Tasafica. Motion Pictures in Religious Education," and Mrs. Ralph Hawthorne of Royal Oak, leader of the Rochester and Royal Oak week-day schools of religious education, who spoke on her work.

BOYS AND GIRLS OF BOOKLAND.

The children of today are a lucky generation, for the publishers seem ever to be trying to entertain them. Here is "The Little Lame Prince" reproduced from a full page color illustration in "Boys and Girls of Bookland," the new Cosmopolitan Book Corporation juvenile designed to introduce your children to the famous children of fiction. In the same volume, Nora Archibald Smith recalls the stories of other classics like "David Copperfield," "Little Women," "Tiny Tim" and "Alice in Wonderland," each one illustrated in color by Jessie Wilcox Smith.

MOVE TO DOUBLE FERRY FIELD SEATS.

There is a movement on foot among certain members of the legislature to propose a bill making a loan to the athletic association of the University of Michigan of sufficient amount to reconstruct its stadium to accommodate thousands of Michigan people who have been turned away from every important game on Ferry field for the last several years.

The present stadium will seat 42,000 people and it is now believed by a good many boosters of the university that this seating capacity should be doubled. The athletic association could have sold 80,000 for the Ohio state game a month in advance this year had accommodations been available.

Drawing crowds of 75,000 for two or three games each year it is pointed out that a loan, no matter what size could be repaid easily within a period of 10 years.

BOYS' POTATO CLUBS.

More than 50 boys in 10 Oakland county farm boys' Potato clubs entered exhibits in the special potato show held on November 1, 2 and 3 in the main banking room of the Pontiac Commercial and Savings bank. The 10 potato clubs whose members sent exhibits are: Milford, Novi, White Lake, Highland, West Highland, Hickory Ridge, Holly, Oxford, Addison and Waterford. Merritt Rudduck of Holly, won first prize in the individual classes; Russell Thompson of Milford, second and Franklin Beardlee of Addison, third. Milford club won first prize for group exhibits; Holly club, second and West Oxford club, third. In the exhibits of certified potatoes, first prize was awarded Foster Brondige of Daraburg, second prize to Vernon Watt of Oxford and third to Allen Wheeler of Holly.

Four Cylinder, Five-Passenger Sedan The Standard of Comparison

A Fine Sedan Anyone Can Own

How capably Buick provides the maximum of closed car comfort, power and utility is well expressed in this new 1924 four-cylinder, five-passenger Sedan. Everything that could be asked for is here. There is the well-proportioned, attractive body, Fisher-built. There is the famous Buick valve-in-head engine. There are the proved Buick four-wheel brakes.

Yet with all of its splendid qualities and mechanical superiorities, the price of this sedan is modest—within the means of the majority of motor car buyers.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897, for the week corresponding to this week.

Miss Katherine German visited in Milford, Sunday.

Mr. and Mrs. Joseph Morris are the parents of a baby girl.

Mrs. A. T. Stewart has as her guest, Miss Florence Curdy of Milford.

C. M. Bullard is the new night man at the F. & P. M. depot here.

Dr. E. N. Root has moved his dental office to his residence on Wing street.

Mrs. H. M. Harrington of Detroit, visited her mother, Mrs. L. Randolph, last week.

Mrs. Emily Swift is making an extended visit with relatives at Fall River, Mass.

Miss Violet Crocker was given a surprise party by twenty of her friends Tuesday night.

Mrs. Rockwell has gone to New York to visit her brother. She will spend the winter in Missouri.

The village council has ordered a committee to purchase a stone crusher for improving the streets about town.

Albert Lyke was mustered out of the First Ohio Cavalry last week, and re-enlisted in the Nineteenth U. S. Infantry, which is stationed at Ponce, Porto Rico.

Harley Johnson and R. E. Penn have returned from their trip to Cleveland, O. where they bought the celebrated brood mare, Marietta and Zeffinda Wilkes.

George Hueston, Ira Lyon, Archie Morris, Charles Sessions and Jake Kimmel of this place, John Shaw of Grant Putnam of New, and Abe Sheffield of Salem are up in Oscoda county.

Mrs. Jane Crain of Chicago, is visiting her sister, Mrs. Fred Fry and her mother, Mrs. Sherman, also her cousin, Mrs. W. S. Clark. This is Mrs. Crain's first visit to Northville in 34 years.

John J. Shufits aged 75 years, died at his home in Chicago Sunday. Mr. Shufits' wife was Sarah DeKay, a former Northville girl and their only son married Miss Belle Starkweather. The family are well known here.

YOU'LL ENJOY THIS.

Here is a brand new type of villain. Not the conventional gentleman of dark visage and drooping mustache, who hisses "Ah, the papers," but rather, an automobile. But even at that the gas wagon which does the dirty work in Anthony McGuire's popular comedy, "Six Cylinder Love," which will be given here on Monday in the High school auditorium simply raises havoc with things in a way that would delight the old-time melodramatic villain. It just about breaks up two homes but to tell any more would be giving the story away—a thing which is not being done in the best theatrical circles today.

If you enjoy something good, something that will make you laugh and that will drive dull care away, do not fail to see this play next Monday night.

NEW TELEPHONE DIRECTORY OUT

Manager Albert Hall of the Michigan State Telephone company, announces that the delivery of the new directories for Northville will commence this week.

There are listed in the new directory 631 subscribers, compared with 597 in the last issue. Throughout the state the company has shown a very considerable growth, making it possible for local subscribers to secure telephone connections with many more thousands of telephone users than a year ago.

Eight hundred and twenty-five copies of the new directory will be distributed to local subscribers. The manager requests that those not receiving copies notify him.

Besides being a directory of telephone subscribers, the new book will largely be used as a city directory as it contains the latest information on street addresses published locally. The books' use as a city directory increases considerable with each issue.

In the front of the directory is much valuable information concerning the telephone company and its dealings with the public, the proper use of the telephone, making of emergency calls and the use of toll or long distance. Special note is made of reduced toll rates of evening and night calls to other cities.

Manager Hall states that local use of the long distance wires is growing rapidly, an average of 2,720 calls being made from here to other points each month.

The young people's society will give a "bunco" party this, Friday, evening. All members and friends of the congregation are cordially invited. Next Tuesday, November 20th, afternoon and evening, a Christmas sale will be held at the school hall under the auspices of the Ladies Aid. Lunch will be served at 5:30. The very best chance to buy Christmas presents. The parcel post office will prove an attraction.

PRESBYTERIAN CHURCH NOTES.

Those who failed to attend the services last Sunday missed a real treat both morning and evening. Come next Sunday and see.

In the morning there will be a general exchange of pulpits by the ministers of the Detroit Presbytery. Rev. F. E. Knowles will go to Detroit and Rev. W. S. Evans of South Lyon will preach in Northville. Mr. Evans is our neighbor so let us give him a good audience.

In the evening will occur the annual missionary praise service and the ladies who will have charge of the meeting have been fortunate in securing Miss Peet, a returned missionary, as the speaker for the evening. All the women of the church and men also are urged to attend this service.

METHODIST CHURCH NOTES.

On Sunday next, November 18th, Dr. C. E. Stedman will assist the pastor in the morning service, preaching at 10:30. Dr. Stedman is a forceful speaker and everybody ought to be present to hear him. The subject will be "The Preservation of the Christian Sabbath." The choir will render special music.

Let everybody stay to the Sunday school at 12:00. Our Epworth League will be at 6:30 with Mrs. Shapley as leader. Topic, "On Trial."

In the evening at 7:30 we will unite with the Baptist brethren in the special services. We will do this for both Sundays in November. The Welsh choir is coming in postponed for this occasion, but we are looking for them early in December.

We hope to have with us Rev. Ralph M. Pierce for our family night December 6th.

The regular meeting of the W. H. M. S. will be held at the home of Mrs. Clay Calkins on East Main street, on Wednesday afternoon, November 28.

EPWORTH LEAGUE NOTES.

The members of the Epworth League of the Methodist church were guests of Dr. and Mrs. Wickham, at the East Lawn residence on Tuesday evening.

The pastor led the song service and devotion, after which the meeting was put in the hands of Roy Clark as chairman for the election of officers for the coming six months, elections being bi-annual.

The following was elected: President Roy Clark, 1st vice-pres. Neva Groth, 2nd vice-pres. Lea Roberts, 3rd vice-pres. Amy Sessions, 4th vice-pres. Mrs. Lee Shapley, secy. Grace Tiffin, corresponding secy. Rachel Conner, treas. Elsie Branson, pianist. Lucile Wickham, chorister. Cecil Wickham, asst. chorist. Lea Shapley. Dr. Wickham gave us a stirring address which did our hearts good, on the importance of the Kingdom of God above every other thing.

We were graciously supplied with refreshments at the hands of the younger Wickhams, after which we adjourned at 9:45, having spent a profitable time. Let us all be true to our motto "Look up. Lift up."

TO OPEN NEW AUTO ACCESSORY SHOP.

A. L. Sheppard, who recently sold his interests in the Main Street garage, will open today a new auto accessory and battery shop in the Macomber building on Main street, where he will be pleased to meet the automobile public. He will specialize in battery and electric service for autos and will also carry a full line of accessories, tires, tubes, oils, etc. He has remodeled the rooms so they are very convenient and has arranged a very attractive front office in which supplies will be displayed. In the room adjoining the office will be a work room and in the rear a battery room fully equipped for the proper care of batteries. Mr. Sheppard will install an outfit to supply free air and water for the accommodation of the public and he will strive in every way to merit the patronage of the people of this section by whom he is held in high regard.

Grand River, from New Hudson to Farmington, is to be opened to the public before Thanksgiving. Work has already commenced on the paving of M-16 west of New Hudson, but the road will not be closed to traffic.

City of Byzantium.

The city is also known as Byzantium, which is the older name. Constantinople was founded, according to tradition, by a band of settlers from Megara under the leadership of Byzas in 658 B. C. and received its name from him. It was nearly a thousand years before the Roman emperor Constantine rebuilt the city, called it by his own name and made it the capital of the empire. It was also called "Roma Nova" or "New Rome" on account of this latter fact.

A MAN WITH A BROKEN PICK. Horatio Earle makes good picks and farm tools—he makes good speeches too. By Gum and he is a pretty good man, but on this church question he is wielding a broken pick. Horatio Earle has no monopoly on knowing that the church is imperfect—that it does not always fill its job—that it comes far short of doing all it can. Horatio Earle has no sovereign remedy for healing the church where it is sick or for keeping it well and in first-class running order. Horatio Earle knows better than to say that preachers talk politics all the time. The greatest number of sermons do not deal with political phases at all. Rice, Vance, Hough, Atkins, Hoag—and others for instance. Horatio Earle—if he is not completely nutty—knows that he cannot correct abuses in the church by going outside and throwing stones at the organization. His Christ did not do so. If the men of this town who hate and despise and damn the church had the guts and sand in their craw to come up and show what THEY CAN DO it would help a lot. As it is they stand by side of the highway and scoff and scold. Come up and render a real service to your fellows and you won't have time to sneer, By Gum.

C. A. DOLPH BIBLE CLASS. METHODIST SUNDAY SCHOOL. The church of God is the best investment ever offered as an opportunity for life. What a man does with his life is far more important than what he does with his money. MICHIGAN FLIER FALLS TO DEATH

Selfridge Field Stunt Aviator Dies Thrilling Armistice Crowd.

Chicago—Lieutenant Benjamin R. McBride, 26 years old, of Selfridge field, Mt. Clemens, Mich., was killed during an Armistice day air meet at Ashburn flying field here when his pursuit plane, flying about 135 miles an hour, plunged into the ground from a height of about 20 feet.

Lieutenant McBride was flying low over the field while thrilling the spectators with the stunt known as "jazzing the clouds." While flying only 18 or 20 feet from the ground he tried to rise, but instead, the plane plunged into the ground. Lieutenant McBride was removed from the wreckage and started for a hospital but died on the way.

Lieutenant McBride, who was a member of the first pursuit group of Selfridge field, was flying a Thomas Morse pursuit plane. Officers said they were at a loss to understand exactly how the accident occurred, as Lieutenant McBride was one of the most careful flyers of the group.

He was the son of Colonel McBride, chief of staff in the Panama canal zone, and was graduated from West Point in 1918.

GUNS GREETED DENBY'S PARTY

Battery Fired Salute to Marines As They Entered City.

Detroit—Official Detroit and social organizations united Saturday in welcoming Edwin Denby, Secretary of the Navy, and a detachment of United States Marines, including the Marine Band, from Quantico, Va., en route to the Marines University of Michigan football game at Ann Arbor.

A salute of 19 guns, fired by a battery of naval three pounders manned by blue jackets, greeted the Secretary and his marines when they step from their special train at the Michigan Central Station.

Lieut. M. R. Wortley U. S. N. R. F., who stationed themselves on the piazza fronting the station.

Maj. Gen. John A. Lejeune, commandant of the Marine Corps, Brig. Gen. Smedley D. Butler, and other high ranking officials were accorded an honor guard of Marine veterans, under command of Capt. Charles F. Bielma, Jr.

The Secretary of the Navy's flag flew from the Board of Commerce, which was official headquarters.

DRY NAVY FUND TO BE SOUGHT

Congress to Be Asked to Provide Additional Chasers.

Washington—Congress will be asked to appropriate \$20,000,000 to provide a powerful fleet of new coast guard cutters and motorboats to chase rum smugglers, it was learned at the treasury department.

The administration plan calls for more than two hundred additional boats to be operated in the coast guard service.

The coast guards recommendations for new ships and additional personnel are supplemental to regular budget estimates of \$11,000,000 for ordinary operations.

New rum-boat chasers, under the larger appropriations planned, will include:

Twenty additional seagoing cutters, of the cruiser type, to serve as bases for large fleets of motorboats.

Two hundred and three motorboats of the cabin-cruiser type, for use in shallow waters.

U. S. Highways Mapped and Named
Washington—Designation of all roads in the Federal-aid highway system, comprising about 185,000 miles, practically has been completed and approved by the bureau of public roads. The selection of 7 per cent of the roads of the nation for future systematic improvement is declared by the government's road-officials to have been the largest and most important task assigned to the bureau. Many conferences have been held with highway officials representing adjacent states.

CONDITION OF WAYNE COUNTY SCHOOLS.

Last year 11 districts completed new school buildings. There were 138 school buildings in the county exclusive of the 5 city districts. Of these, 66 were in excellent condition, 50 were in fair condition (not modern) and 22 were old and should be replaced.

There were 57 one-room buildings, 12 two-room buildings, 4 three-room buildings, and 34 of four or more rooms.

In one and two-room buildings last year salaries ranged from \$80 per month in four country schools to \$155 per month. Eight teachers received \$150 and fifteen received \$125. The average salary paid rural teachers was \$112.

In other primary districts of more than two-room schools, the average salary was \$116 and \$130, including the principal of these small schools.

Teachers in graded schools received considerably more.

The present year shows salaries in rural schools averaging about \$10 per month higher than last year.

"Unbreakable" Glasses.

So-called unbreakable glasses are made from boric-acid glass, compositions of which are usually patented. The chief factor in their strength is the method of cooling, this being done by dropping the lenses in oils of various natures.

WASHTENAW COUNTY TO BUILD PLYMOUTH ROAD.

At the regular meeting here Friday the members of the Washtenaw county road commission were informed that bids for the grading and building of drainage structures on the Plymouth road would be received by the state highway department next Friday at the Washtenaw county road office. The paving of this road has been under consideration for three years and Washtenaw county has its share of the roads ready for the commencement of the work. The road runs through Egoaway and Duxboro to Plymouth. The paving contract will be let separately.—Daily Ypsilanti Press.

FARMINGTON BANK HONORS ITS FOUNDERS.

Portraits in oil of the late P. D. Warner and his son, the late Fred M. Warner, have been hung in the directors' room of the Farmington State Savings bank, with which institution the father and son were intimately associated during their lives and to whom much credit is due for the success of the enterprise.

The portraits are from the brush of C. M. Hayes of Detroit, and are fine specimens of the painter's art. The striking natural tone of coloring is admirably set off by heavy gilded mountings. The picture of the elder Warner, who was the founder of the Farmington Exchange bank which was merged into the Farmington State

Savings bank in 1888, is said, by those who knew him well, to be an excellent likeness of that sturdy pioneer who figured conspicuously in the early history of this locality. The picture of Fred M. Warner as it gleams from the canvas under a shaded light is wondrously true to life. That kindly genial expression so familiar to a Farmington has been faithfully reproduced by the artist and the face that looks down from the wall is an exact counterpart of the one registered in the minds of our citizens—Farmington Enterprise.

COUZENS ONLY INJURING HIMSELF.

Henry Ford recently stated that Senator Couzens knew that five per

cent beer was impractical and Couzens comes back at Ford with a lot of bambast and personal criticism of Ford and that he dare not announce his candidacy for the presidency and a lot of other silly charges that only belittles himself and shows what kind of a man he is and makes himself ever more ridiculous than his proposition. Mr. Couzens is a big man with some big ideas, but he can make a fool of himself as easily as some one who does not know half as much and does not have millions of dollars and when he simply barks at Henry Ford he belittles himself and not Mr. Ford.—Fowlerville Record.

On Monday afternoon next Northville Lodge, F. & A. M., will convene at 4:30 for the purpose of conferring the M. M. degree. Supper will be served at 6:30 and work will again be resumed in the evening. On Wednesday evening, November 21st, a school of instruction will be conducted here by Grand Lecturer Gilbert of Bay City and Northville Lodge will confer the M. M. degree. A number of the lodges in the surrounding towns have been summoned to be present. A buffet lunch will be served at 6:30 sharp. This will be one of the largest Masonic events of the year.

The King's Daughters will hold their regular evening meeting on Tuesday, November 20th, at the home of Mrs. George Gillis, at 7:00 o'clock.

From their loud speaking radio Mr. and Mrs. F. E. Whipple were able to hear very distinctly the address given by ex-President Wilson at Washington, D. C., last Saturday, which was broadcasted over the country. It was regarded as a real treat to be able to remain at home and hear so distinctly an address given at so great a distance.

Mr. and Mrs. E. W. VanDyne, parents of James and Warren VanDyne of this village, have recently moved to Northville and will make this place their home. They disposed of their farm near Bentley and will become permanent residents of Northville. Mr. VanDyne has a position with the American Bell & Foundry company.

The Misses Lucy and Ida Pratt left for Los Angeles, Calif., on Saturday, November 3rd. A few days before they left Miss Ida gave a dinner party to a number of her friends. Among the out-of-town guests were Miss Winnie VanDusen, Mrs. Alice Edgar, Mrs. Frank Melvin and Miss Myra Melvin of Detroit, Mrs. F. E. Bush and daughter of Grosse Pointe. The gathering was a most enjoyable one.

Wise Spending The Better Half of Thrift

Thrift is commonly regarded as meaning merely the saving, or hoarding, of money. The fact is that thrift is primarily a spending problem, the answer to the questions, what to buy, when to buy, and where to buy it.

There is only one answer to the last of these. Buy what you need from local business men, your friends and neighbors. They will give you better service, and values at least equal to those offered anywhere else.

And then the dollars you spend will stay at home and pay taxes, improve roads, and build schools.

Spending money at home
is wise spending.

Dealing Exclusively in Raw, Dressed and Ready-Made Furs from all Sections of the Great Lakes

Why buy or sell your furs elsewhere? We accumulate large lots of furs consisting of every kind from a ground mole to a silver or black fox that is caught in any section of the Great Lakes and as such, a small expense you cannot afford to take a risk of some one else paying you as much as we will. If you think some one else will pay you as much or more you are endangering the value of your hard-earned catch and are much more likely to lose a lot less, especially if you snip.

When we sell we have several thousand dollars worth in any lot we offer and many times sell to houses who are not interested in buying only large lots and direct from dealers who know the value of such merchandise. There is a big expense attached to express or parcel post shipments that have got to go a long distance which amounts to more than the profit we would get for handling your furs, besides we are able to get much more accordingly for large lots, which we accumulate from trappers and buyers from all sections of the Great Lakes, than you could get for smaller ones.

There are some very unexpected changes in the Fur Market which are of much importance to anyone interested. Write, phone or call personally and I will arrange to call on you or meet you at our place, if far away will send price list and shipping tags upon request. We send out several thousand lists to all sections of the Great Lakes and obtain large portions of our furs through this source and have had no complaint from a shipper in two years or more. At home before 9:00 a. m., and after 8:00 p. m. Buyer at house for small lots at any time.

We also have some Alabama Skunk and Coon Dogs at reasonable prices. These dogs are rabbit proof and real hunting dogs.

DEMAND EX-CROWN PRINCE BE TRIED

EX-KAISER TO GO BACK HOME WITH THRONE AS GOAL.

CABINET FALL NEARS, IS BELIEF

Germans Insist They Pass-On-Cult of Wilhelm—New St. Helena Is Urged.

Berlin—The allies have demanded the immediate delivery of former Crown Prince Frederick William, for trial as to his war guilt in a note protesting against his return to Germany. Chancellor Stresemann will answer the demand immediately in the strongest terms. He will declare that if the former crown prince is to be tried for his war actions he will be tried by a German court of justice.

The former German emperor is preparing to return to the Fatherland. He already has in his hands passports for himself and his suite.

The Hohenzollern monarchy is expected soon to be restored. Wilhelm, or his son, the former crown prince, Frederick Wilhelm, ascending the throne.

Dispatches from Doorn, where former Emperor Wilhelm has resided since his retirement, announced that he was maintaining close relations with the leaders of the German monarchist movement and was said to be hopeful that the events in Germany would turn in his favor.

Holland, according to recent French advices, might be regarded as an insufficiently secure retreat for the ex-kaiser, in view of the flight of Frederick Wilhelm. This was stated on the authority of the foreign office and it was suggested that a second St. Helena might be chosen for him.

Under a terrific attack from General Von Seeckt, the Stresemann cabinet is tottering. Already Minister of Defense Gessler, Chancellor Stresemann's staunchest supporter, has announced his intention to resign, while General Von Seeckt is demanding the retirement of the other ministers.

Urged by the extremists General Von Seeckt is attempting a quiet coup d'etat without the use of troops and without disturbances.

He is stretching the executive powers conferred on him by President Ebert when Herr Hitler and General Von Ludendorff attempted to overthrow the Bavarian government.

LAKE SHIP BURNS, CREW SAVED

Survivors Reach Island in Lake Erie—Find Two Marooned.

Port Clinton, O.—News of the burning of the lake steamer Wesco, owned by the Border Transit Co. of Sandwich, Ontario, and the rescue of her crew of 19 off Middle Sister Island, in Lake Erie, near here, Monday, reached here when the freighter Conneaut landed two fishermen who had been marooned on the island. The cause of the fire was not learned.

The crew of the Wesco, which was bound from Sandwich to Cleveland to load coal, succeeded in escaping in small life boats.

After battling with heavy seas for several hours they landed on Middle Sister island where they found Martin Posom and Harry Bass fishermen, who had been without food for 104 hours.

Attempts of Posom and Bass to attract attention by burning signal fires had failed.

The island is not inhabited, but they had found shelter in a deserted fisherman's cabin.

PLANS FLIGHTS INTO AMERICA

U. S. Pilots Will Start From Canada Zone Base.

Washington—For the purpose of giving added impetus to commercial aviation, and interesting South American countries in aviation, a flight of army aeroplanes will proceed from France Fields, Panama canal zone, on a visit of courtesy to the various capital cities of Central America shortly after the new year, the war department announced.

Photographs will be taken of such places as offer suitable landing fields. Copies of these photographs and data collected on this proposed airway will be presented to the different Central American countries to enable them to make a proper start toward the development of permanent landing fields.

Three aeroplanes will comprise the Central American flight, a Martin bomber and two De Haviland planes.

Boy Has Been Tramp Since Seven

Adams, Mass.—George Somers may not be the youngest tramp in captivity but it's a cinch he's in captivity and he's been a tramp since he was seven years old. He's only thirteen now, but he spent all of two days picking locks in the women's part of the jail here, using a piece of wire which had formerly had sustained the weight of his trousers. He was captured by men in motor car as he dashed away from a country store on his bicycle. Two previous attempts to escape also failed.

STATE NEWS IN BRIEF

Niles—Funeral services for former Rep. E. L. Hamilton were held here last week.

East Lansing—Announcement was made here of the election of Miss Ruth Christopher, of Lansing, as corps sponsor for the military department of the Michigan Agricultural college. Other elections were Infantry, Miss Hester Hedrick, cavalry, Miss Ruth Abbott, and artillery, Miss Miriam Bechtel Shelby.

Tustin—John M. Perry, 73 years old, a former State Legislator died suddenly at his home here, being hit by the furnace. Mr. Perry, founded the Bank of Tustin in 1903 and was cashier of the institution. He was president of the village Council at the time of his death. He had lived at Tustin for 23 years.

Ann Arbor—Francis N. Clark, of San Jose, Calif., a graduate student in the University of Michigan, has been awarded an E. W. C. Hunsdale scholarship. The Hunsdale scholarship fund was established in 1921 by Genevieve S. Hunsdale, of Detroit, in memory of her father. The income on \$25,085 is used for graduate scholarships in the museum of zoology.

Ann Arbor—Editors of student newspapers in eight of the 17 conference universities have accepted the invitation to meet in Ann Arbor for the third annual convention of the Western Conference Editors' association December 7 and 8. Speakers that will be reported are O. S. State Wisconsin, Illinois, Indiana, Iowa, Minnesota, North Dakota and North Western.

Ann Arbor—Male students hold full sway in the engineering college of the University of Michigan no women having enrolled in engineering courses during the last two years. Nine teen co-eds, on the other hand, are studying architecture. The first woman engineer enrolled on the university in 1906. She was joined in 1907 by 12 other women students. The co-ed enrollment continued about the same in engineering until 1919, when the number dropped to three.

LOCAL

The Foresters will meet tonight. Regular meeting of the Lady Macabees next Monday night at 7:30 sharp.

Miss Cora Banks of Cleveland, O., is spending the week with Mrs. S. L. Brown.

Mrs. Stanley Smith, wife of Farmington's druggist, died last Saturday after a lingering illness.

In a letter renewing her subscription to The Record, Mrs. E. L. Riggs writes from Venice, Cal., that Mr. Riggs is not very well.

A number of Northville Shriners attended a ceremonial at Detroit on Tuesday night. They were accompanied by their wives and the affair was one of the biggest Masonic gatherings held in the city during the year.

People of this section are advised that no one has authority to solicit funds for the American Legion orphan home, although it has been reported at Legion headquarters in Detroit that some one is traveling about the state asking for contributions.

The Red Cross roll call for Novi township is now in progress, and will be continued for this week and all of next week. The appeals in charge of the work are Messrs. William, Harry, Henry, George, Gleason, Lizzie Coates and E. J. VerDun. All are urged to renew their membership and thus do their part in a very worthy cause.

Nearly one hundred people enjoyed the chicken pie dinner and entertainment given by the W. R. C. on Wednesday evening in honor of the "soldier boys" of this community. After the splendid dinner a very enjoyable entertainment was given, followed by a social dance. The boys are very grateful to the ladies for their kindness and generous hospitality.

A very enjoyable family gathering was held at the home of Mrs. Jane Sessions on Wednesday when Aunt Jane entertained her sisters, Mrs. Hannah Phelps of Detroit, who is 92 years of age, and Mrs. L. E. McRobert of this village who is 75 and four nephews. The gathering was greatly enjoyed and the good dinner at noon added to the pleasure of the meeting. It is quite remarkable to record the meeting of three sisters, whose combined ages are 256 years. Mrs. Sessions is 89 years old.

SENIOR'S BALL NOVEMBER 20TH.

The date for the Thanksgiving ball to be given by the Seniors of the Northville High school has been changed from the 28th to Thursday evening, the 29th. The U. of M. Five have been engaged to furnish the music which will insure all a merry time.

MATT-POWER.

Mr. Franz Power of Novi and his Minnie Mott of South Lyon were married at the Wixom parsonage Saturday, November 10. Rev. Thibault performing the ceremony. After a short wedding trip they will be at home to their many friends at South Lyon. Mr. Power is the youngest son of Mr. and Mrs. Ephraim Power. The Record joins in with their friends in extending congratulations.

OBITARY.

The remains of little Bell Elizabeth Card were laid to rest in Rural Hill cemetery on Tuesday of this week the funeral services being conducted at two o'clock in the chapel by the Schrader undertaking rooms, Rev. Wm. Richards officiating. Ray Van Valkenburgh furnishing the music.

She was the daughter of Mr. and Mrs. Dwight Card, and was born at Owendale, July 23rd, 1912, and died at the home of Mrs. King, her sister, on Armistice Day, November 11th.

She leaves besides her mother and father, four sisters and six brothers. Heart trouble and inflammatory rheumatism was the cause of her death.

HELP THE RED CROSS.

This is Red Cross week in Michigan and the people of the state are being asked to renew their memberships by paying one dollar to the Red Cross fund. As compared with the amount that has been expended for relief by the National Red Cross during the past year one-dollar looks pretty small, yet that is all any citizen is asked to contribute to maintain a fund for the coming year.

In the year ending June 30, 1923, the American Red Cross expended \$397,460 for the relief in 110 disasters in the United States. The cost of disaster relief as supplied by the Red Cross since the San Francisco catastrophe in 1906, has averaged \$1,130,000 a year.

In view of this wonderful work, all should feel that it is a special privilege to contribute their heart and one dollar to carry on this labor of love.

"Not Worth a Rush"

The saying "not worth a rush" dates back to the days before carpets were invented, and the floors were strewn with rushes. When an honored guest was expected fresh green ones were cut and spread—but people of little consequence had to be contented with rushes that had been used, while still humbler folk got none at all.

Walled Lake Warbles.

The Rebekah Lodge gave a card party at its hall here on Wednesday night.

The Pioneer Inn has been rented by Charles Binham of Harrison who will operate the house as a first-class hotel as soon as some needed improvements are made.

POTATO-APPLE SHOW TO BE STATE EVENT.

Two of Michigan's most important crops will hold the center of the stage from November 21 through 23 when the big annual Potato and Apple show is held in Grand Rapids.

Many prominent officials of the state have expressed the belief in the value of the show in boosting Michigan's agricultural interests, and as a result the exposition is taking on all-state angle.

Objects of the show are said to be standardization of production, stimulation of interest in the crops among both producers and consumers, and emphasis upon Michigan markets for Michigan products.

WALLED LAKE WARBLERS.

Mr. and Mrs. Allen Benjamin visited the latter's grandmother at Grayling last week.

Mr. and Mrs. Arthur Harris left last week for Florida, where they will spend the winter. They are motoring through.

Robert Carnes, who is at the U. of M. hospital at Ann Arbor, underwent a second operation last week. He is doing as well as could be expected.

While Joseph and Ernest Reynolds, two brothers, were preparing to go hunting one day last week, a 22 calibre rifle in the hands of Ernest was accidentally discharged and the bullet hit Joseph in the side, making a bad wound. He was rushed to the Pontiac hospital and latest reports were to the effect that he was getting along nicely.

DON'T BECOME CARELESS.

Michigan has recently concluded a strenuous observance of Fire Prevention Week.

Fire Prevention Week to be effective and truly preventive should be observed throughout the year.

The lesson is entirely lost after a week of vigorous effort to eliminate danger of fire, our people settle back to the old habits and permit the usual carelessness to creep back again.

Fire Prevention Week is designed to call attention to the menace that exists on every side because of neglect which results in needless conflagrations.

If Fire Prevention Week has taught you anything, see that the lesson will not be lost in the weeks to come.

Continue to be watchful every day and keep fire prevention week every week in the year.

BAPTIST CHURCH NOTES.

What the Fremont Times-Indecator says about Joe J. Payne, who starts special meetings at the Baptist church next Sunday:

"Rev. Joe J. Payne, the cowboy preacher, who is conducting a series of evangelistic meetings in the Methodist Episcopal church in this city, is attracting good sized congregations. Mr. Payne started the campaign Sunday and was greeted by large audiences both morning and evening in spite of the inclement weather."

"The cowboy is an unusually forceful and effective speaker. He has a fine physique, makes a splendid pulpit appearance, and talks straight from the shoulder. He has an excellent command of language, and a wealth of il-

lustrations taken from his varied life as a cowboy puncher in the Long Star state and on the road with the Wild West shows. He delivers his sermons in plain understandable English and has the faculty of keeping his audience in an excited mood during his entire discourse.

"But there is nothing of the old type of shouting evangelism in the cowboy's preaching. He does not use any 'tricks' in forcing confessions from those in his congregations. He preaches the gospel truths in plain effective language and makes his appeal through the logic of his arguments."

"The evangelist has a pleasing personality and is making many friends in Fremont during his short sojourn here."

Wanted to Know.

Headlight Bill was a colored gentleman of sporting proclivities, who had got his name from a large diamond which he wore as a stud. He had occasion to consult a doctor about a "misery in his chest." The medical man eyed the stud keenly. This made Headlight somewhat uneasy. After asking a number of questions the doctor produced a stethoscope and placed it squarely over the stud. Finishing his examination the doctor looked solemn. So did the patient. "Ain't it genuine, doctah?" asked Headlight.
