January ...Clearance Sale...

While preparing our advertisement this morning we hear our selling force remarking about the great number of customers who have asked them if we were going out of business. Upon questioning we find that the remark is brought about by the big cuts we have made in many lines of merchandise. We are NOT going out of business. It is our policy when we cut prices to cut them deep enough to get the buyer's action. We are "clearing our decks" for the 1924 stock that we will soon be taking in.

See big Circular or last week's ad. for detailed account of sale.

SENIORS TO SERVE THE F. & S. DINNER

The second annual community father and son banquet will be held at the High school gym on Thursday night, February 14th, at seven o'clock. Arrangements have been made by the committee, having the affair in charge to have the dinner served by the members of the Senior class, who will be assisted by their mothers and a number of other Northville ladies who have offered their assistance in order that this splendid community enterprise would not have to be abandoned.

It is a big task to serve 350 hungry men and boys and it requires a lot of work just to secure a complement for dishes and the necessary silver, but the members of the Senior class have offered to render this service in behalf of the community. Of course they will need a lot of help and the Record is very sure that the people of this community will respond liberally and loyally. By helping the Seniors in this enterprise you are not only doing your bit to make the annual gathering of fathers and sons one in which the whole community may take just pride, but you will also be assisting the Seniors in their efforts to raise enough funds to pay the expenses of the members of the class to Washington D. C. during the spring vacation. Thus will your contributions of money or things to be served at the banquet be made to do double duty, and you will be able to rejoice with all Northville people in the fact that what ever is undertaken here for the benefit of the whole community never fails for lack of proper encouragement or support.

The speaker for the evening will be Rev. H. M. Crocker, president of Alma College, and he will bring a message that will be both interesting and inspiring. Because of lack of room and ability of the Seniors to secure the necessary dishes it will be necessary to limit the number of tickets to 350. Due notice will be given when they will be placed on sale and all will be given sufficient time to secure their tickets until the 350 have been sold.

By offering to render this service to the community the Seniors have displayed a fine spirit of community helpfulness and during all their school years they have never learned a more helpful or inspiring lesson. To be trained to think of the other fellow, to be willing to work and to plan for others, to manifest a willingness to be of real, helpful service to the community from which many of the members of the class will, doubtless, be taking their departure to attend institutions of higher learning or to fill various positions out in the world of business, is worthy of commendation and is a manifestation of that splendid spirit of service that is so much needed in the world today.

GARFIELD HELD FOR TRIAL

At the hearing of Henry Garfield, and his wife, Etta Garfield, held in Justice Jefferies' court in Detroit on Monday, the former was bound over to the circuit court and the latter was released. Garfield furnished the required bond and with his wife returned to his home in this village.

It is very unfortunate that Mrs. Garfield could not have been held with her husband because she is regarded as the worst offender of the two. Her condition when the officers made their recent raid on the Garfield home ought to be sufficient to secure her banishment from this community forever. We have no room here for such people and it is to be hoped that some means may yet be found to rid the village of her presence.

WON ONE, LOST TWO.

Northville's basketball team went to Farmington last Friday night and met the two girls' and boys' team of the Farmington High school. The contest between the girls' was a runaway for Northville, the score being 38 to 3, and then the Farmington boys trimmed Northville's team to the tune of 29 to 8, outplaying the visitors in every point of the game. The result of the girls' game was a great surprise and the outcome of the boys' game was as great a disappointment.

Our second team was defeated by a score of 4 to 6.

S. R. Dhalwani, of Bombay, a native of India, will give a lecture at the High school next Thursday forenoon at 10:30 upon the subject "The Social and Educational Life of the People of India." He will sing some Hindu songs and the public is invited to attend the lecture.

OFFICERS RAIDED WILSON'S HOUSE

AND FOUND A LOT OF BOOZE
CONCEALED ABOUT THE ROOMS
—WILSON TAKEN TO COUNTY
JAIL—HEARING SET FOR THE
29TH.

Boozeleggers and boozers, behold your king. King behold your slaves. The king is dead, long live the king. Albert Wilson of this place, who has long been regarded as the king of the boozeleggers for this entire section of the country, was arrested and taken to the county jail shortly before midnight Tuesday night after deputy sheriffs and local officers had made a raid upon the Wilson residence on the northside and gathered in a lot of booze. There were 72 pints of beer, five quarts of whiskey, four gallons of "white male," two and a half gallons of white, one two quarts of wine.

Wilson was at home when the raid took place and while he was bracing the front door to prevent the officers from entering, other officers forced their way into the house through the back door and the heavy hand of the law was placed upon Wilson, greatly to his surprise.

The house was thoroughly searched upstairs and down and the stock of liquor was found in various places about the rooms. Nothing was found in the garage. Two slot machines found in the house were also gathered in by the officers and with the very generous supply of booze were taken to the village building. John Barleycorn was placed in one of the cells in the village jail and put under lock and key for safe keeping.

For months Wilson's place has been a gathering place and it has not been an uncommon thing to find as many as a half-dozen autos parked in his yard at night and frequently on Sundays. He has been regarded by the officers as the leader of the rum runners—the king bee of a notorious swarm of booze peddlers. He was bold and daring and in his trips to and from the city it is alleged that he used as many as three different license plates on his car—Wisconsin, Michigan and Ohio. But a few weeks ago he escaped from the officers just by the skin of his neck when he was on his way home from Detroit.

Rum runners crowded his yard to such an extent with their autos that the fire hydrant near Wilson's place has been broken off twice during the past few months, men even coming here from surrounding towns for their supply, it is alleged. The frequent trips he has made to the Garfield place on Randolph street have led officers and the general public to believe that he supplied that joint with its booze, in fact the Garfields intimated that such was the case and thought it unfair that they should be arrested while Wilson was permitted to operate his place unmolested. With his dupes and sympathizers Wilson has been a hard fellow to catch "with the goods," but from the amount of liquor taken from his house on Monday night it would seem that he had just recently renewed his supply. In fact while the officers were in the house Mrs. Wilson upbraided him for not taking her advice to hide his generous stock of booze.

Oscar Jackson was the only man found in the house, and officers took a bottle of liquor from him as he sat at a table drinking.

Two deputy sheriffs from the Belleville patrol and the local officers, Marshal Ernie Lyke and Nightwatchman Stages worked in harmony with Deputies Safford and Troher and all deserve credit for the success of the raid and for the manner in which it was planned and carried out. It is strange that some of Wilson's pals did not discover the officers before they reached the Wilson place, but fortunately they did not.

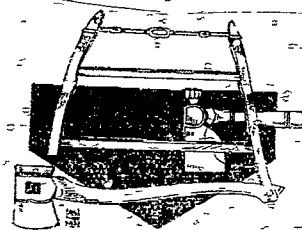

Wilson was taken to the county jail by Deputies Safford and Troher and locked up. About ten o'clock Wednesday forenoon he was released on bond, but with only one surety. He found it no easy matter to secure the other bondsman and it was after six o'clock before he could appear in Justice Patterson's court at Plymouth for arraignment. He stood mute when the warrant was read to him and Tuesday, January 29th, was set for the day of hearing. He was released upon a bond in the sum of \$1,000 with William Beyer of this place and George Rice of Detroit, as sureties.

Wasting Light

You waste your current and lose light when you allow your lamps to accumulate dust. You will have more and better light if you keep them clean.

You also waste light when you use lamps that have become blackened from too long service. Lamps in this condition may give you no more than half the amount of light you ought to have. You pay for the wasted current, however.

You need not bear this loss. You are always welcome to new lamps (40, 60 and 100 watt sizes) in exchange for your blackened, or burnt-out lamps, without charge.

Bring them in our office and get new ones in exchange.

George Brown visited his children at Lansing and Howell this week where they are employed in the milk condenseries.

Ed Fern has resigned as shipping clerk at the Globe and moved to Lansing where he assumes the foremanship of the Beeman Stove Works.

Sad news reached here Thursday of the death of C. R. Stevens in California. Mr. Stevens was a well-known druggist here for a number of years. His eldest daughter is Mrs. Harry Johnson of this place.

Three weddings and a social in one evening after 6 o'clock was Rev. Ward's record for Wednesday night.

Harry Sackett and Miss Maudie Garfield at the home of the bride, two miles west of the village, at six o'clock.

At the Methodist parsonage on the same evening at 7:30 o'clock, Augustus Dickerson to Miss Abie O'Connor.

The witnesses were C. J. O'Connor of Stark and Miss Rose Crocker of this place. At 8:00 o'clock at the home of Samuel Wilkinson, brother of the groom, Fred Wilkinson and Miss Mable Kimball were united in marriage.

Mr. and Mrs. August Dickerson were witnesses. About 30 guests were present, and a wedding supper was given at the home of the groom's mother, Mrs. Wilkinson. The three couples will take up their abode in Northville. The hard-worked pastor then repaired to the home of W. H. Hutton to restore his flagging energies by a paper of soda and a dish of ice cream.

CONSTABLE SMIDT REMOVED BY GOVERNOR.

Louis Smidt, constable was removed from office by Governor Grosbeck Friday after a hearing in the governor's office in Detroit. Smidt was found guilty on two charges, which were pressed at the hearing.

The first charge was that the constable had collected a levy against an automobile for \$70, and had accounted for but \$36.10 of the amount.

The other charge was that he had taken \$46 from the cash register of a Highland Park restaurant in collecting a judgment of \$11, and later sold the restaurant at auction for \$350 to obtain the additional \$75.

A charge against Smidt which was not pressed related to the allegation of Justice Arthur E. Gordon, that Smidt had attacked him in Gordon's court room because the constable was refused a writ that he asked. Smidt asserted Gordon struck him first.

DISCLOSED TRANSPORTATION PROBLEMS.

A D. B. VanZandt of the publicity department of the D. U. R., was the guest of the Northville Exchange Club last week Wednesday noon and gave a very interesting talk on the subject of transportation as related to interurban service. He cited the increased cost of operation of the D. U. R. system and stated that the taxes for 1923—all combined—amounted to \$600,000. The wages of the D. U. R. employees have increased 113% within the past few years. He further stated it was almost impossible to maintain a limited service on a line which served interurban traffic—the more people living along the route—the more stops and the longer they become to say nothing of the delays encountered in getting in and out of the city because of the city cars.

Mr. VanZandt declared it was his belief that within twenty years Grand River avenue would be solidly built from Detroit to Farmington, one community over-lapping the other.

Again

During the past two weeks this store has been somewhat "upset" owing to the improvements, alterations and rebuilding that has been going on in our basement and first and second floors, but the rubbish will soon be cleared away and we shall have a larger and more attractive store than ever.

If these improvements or alterations have interfered in any way with your contemplated visit to select new Home Furnishings we ask that you be patient for a little while.

When our improvements are all completed we shall have about the niftiest Furniture Store to be found in Michigan, and when our new Spring Stock arrives we will have the largest and most complete assortment of Home Furnishings ever assembled in Northville.

This new stock is worth waiting for, because it will comprise many of the newest and latest designs in Bedroom, Dining Room and Living Room Furniture.

In the meantime come in and look around. You may find here just the article you have been desiring to place in your home.

She began teaching school when she was 18 years old and at the age of 25 was married to John Greer who died 14 years ago. After their marriage Mr. and Mrs. Greer moved to Pine Lake and Mrs. Greer lived there until 12 years ago when she moved to Powers Station. Mrs. Greer always interested in religious and charitable work.

Mrs. Greer leaves six children, Fred of Northville, Mrs. Sadie G. Skarrut of Highland Park, Elizabeth Greer, employed by the First National Bank of Detroit, and William, Mable and Myrtle at home. Also she leaves a foster-daughter, Dorothy, whom Mrs. Greer took into her home when she was two years old.

Funeral services were held at her late home on Wednesday afternoon at 2 o'clock conducted by Rev. J. R. Michigan of the First Presbyterian church. Burial took place at Oak Hill cemetery.

STATE SENATOR WALTER J. HAYES DIES SUDDENLY.

The news of the sudden death of State Senator Walter J. Hayes, which occurred at his home at Grosse Pointe, shortly after midnight Tuesday morning, was a great shock to his many friends and acquaintances throughout the city, county and state. Mr. Hayes was president of the American State Bank and was one of the best known figures in banking circles in Detroit, and for several years had been actively identified with state politics. He was serving his third term as state senator from the first district.

He was born in Holly, Mich., in 1871 and was educated in the public schools of Holly and the high school at Birmingham and Cass high school, Detroit.

He had been in the banking business ever since leaving school. In 1906 he founded the American State Bank. He was actively connected with its management until the time of his death, having served as its president since 1919 when he succeeded W. E. Moss.

Mr. Hayes was an ardent Republican and took a keen interest in politics. In 1918 he became a candidate for the state senate and was elected. He was re-elected in 1920 and 1922. In the last presidential election he was a presidential elector.

During his last two terms in the senate Mr. Hayes served as president pro tem and occupied an influential position on several important committees.

His friends recently had urged him to become candidate for lieutenant governor and it was understood he had given the matter some serious consideration.

He is survived by his widow, Mrs. Ida Ellis Hayes, and a sister, Miss Mercy J. Hayes.

SKIING IS EXCITING SPORT.

The people of this community, many of them at least, will be given an opportunity to attend their first skiing tournament on the Balden hill just south of the fair grounds on Sunday afternoon at three o'clock. Earl Brothers, who are the promoters of the tournament, and Haugen Brothers with other celebrated lovers of skiing, will be present to give exhibitions and the public is invited to turn out and enjoy the sport.

A slide sixty feet in height has been erected and if the sport proves popular this season a gr at steel slide will be erected before next winter.

"POUNDED" PASTOR RICHARDS AND WIFE.

Some people have to submit to a whole lot of things without complaint. Last week Tuesday the ladies of the Methodist church rallied their forces and proceeded to the parsonage where they gave Rev. and Mrs. William Richards a good "pounding." Of course the visitors did not commit violence on the good pastor and his wife, but they piled the table full of "pounds" of various good things and some of the packages tipped the scales at more than sixteen pounds. There was a wonderful array of things, from chicken to choice fruits, and then, as if to make amends the good ladies of the society spent the afternoon with Mrs. Richards and were busy with their needles helping her catch up with her sewing. The "pounding" affair proved a most enjoyable one.

OBITUARY—MRS. JOHN D. ROOT.

Mary McClelland daughter of Geo. D. and Mary McClelland of West Bloomfield township a daughter born in Nov. January 16, 1872. Her birthplace was in Southfield township on the old McClelland homestead in 1874. Had she lived until February 5th, she would have been 50 years old. Mary required her education in the Birmingham High School and at the age of 16 began teaching school which practice she continued for 15 successive years. On June 19, 1905 she was united in holy matrimony to John D. Root of Novi, and they began their married life on the farm from which Mrs. Root departed this life to enter her heavenly rest. Besides her husband Mrs. Root leaves to mourn her loss, three boys, George M. Cesar J. and Walter E., also two sisters Jane and Christina; and two brothers John and George, besides many nieces and nephews. While yet in her teens Mary became a Christian and a member of the United Presbyterian church. Funeral services were held at the late home Saturday January 19th and interment was in Smithfield cemetery. Rev. H. W. D. Garfield of Detroit, who was an old personal acquaintance at age time her pastor, and who married Mr. and Mrs. Root conducted the funeral services. He was assisted by Rev. F. E. Osborn pastor of the New Baptist church.

THIRTY-TWO HEAD CATTLE BURNED IN MYSTERIOUS FIRE.

The dairy barn on the Joe Holman farm west and north of this village burned to the ground Sunday night and 32 head of cattle perished in the flames. The fire was first discovered by members of Gust Barnhart's family and Mr. Barnhart and son rushed to the barn as rapidly as possible, but when they reached the barnyard the roof of the building fell in and all efforts to save the cattle were unavailing.

The large horse barn near by was discovered to be on fire and willing workers soon had the blaze under control. It was a terrible night for a fire and many of the neighbors who responded to the call for help suffered frozen fingers, ears and feet.

In addition to the loss of the cattle Mr. Holman also sustained the loss of a great deal of his farm machinery and tools. It is estimated the total loss will reach from \$7,000 to \$8,000 with but \$3,500 insurance which was carried in the Monitor Insurance Co. of Pontiac.

Mr. Holman assisted about the chores as usual and later with his family went to the home of a neighbor to spend the evening. He did not know of the fire until nearly midnight when neighbors were able to locate the Holman family.

FOR KING'S DAUGHTERS' BENEFIT.

On Wednesday evening next The King's Daughters will give a picture show and a home talent entertainment at the Alseum theatre. The first show will be at 7:00 and the second one will follow at 9:00. The public is invited to attend this entertainment and thus assist a very worthy cause in the community.

STATE NEWS IN BRIEF

Lansing—New members added during the recent Red Cross roll call conducted by Ingham county chapter totaled 1,165. The total does not include those recruited in the county outside of Lansing, but includes new membership from the community chest fund.

Flint—Consideration of plans for submission to the taxpayers of Genesee County of a bond issue for \$1,000,000 with which to replace the courthouse destroyed by fire, and to combine the jail in the new building, was the principal business at the January session of the board of supervisors.

Alpena—Work was started last week on opening W10, south from Alpena, in order that automobile traffic could be resumed. There was 11 inches of snow to be plowed in order to open the entire road. Fifty cars were stalled at various points between Alpena and Lincoln awaiting the opening of the road.

Saginaw—A two-foot snake, very much alive and wriggling and a butterfly with daintily tinted wings were added recently to the Saginaw list of harbingers of spring which already had assumed sizeable proportions through the presence here of a dozen or more chubby, red-breasted robins and several pairs of cardinals.

Muskegon—Muskegon has fewer minor workers than any other city in the state, in the opinion of Benjamin Peterson, public school attendance officer. This condition is the result, he says, of the recent decision of virtually all the industries of the city not to employ any minor who cannot produce a working permit.

Grand Rapids—George Hooper, formerly superintendent of the Victoria Copper Mining Co. in the Upper Peninsula, died here. He was a prominent Mason, being a member of Rockland Lodge at Rockland, Mich.; Francis M. Moore Consistory of Marquette, Palestine Consistory of Houghton and Ahmed Temple of Marquette.

Kalamazoo—The state administration board authorized the release of \$22,000 of a \$100,000 appropriation for a women's infirmary at the Kalamazoo state hospital. According to Superintendent of Public Instruction Thomas E. Johnson, the plans for the structure virtually are completed and it is planned to expend \$50,000 now and the rest later, perhaps next year.

Kalamazoo—One thousand three hundred and fifty-five births to 399 deaths is Kalamazoo's official record for 1923. This would indicate a population increase of 370. There were more than 1,100 deaths in 1922 while 25 more persons died in the last year than in the preceding one. Of the new arrivals 707 were boys and 657 were girls. Records also show that 496 males and 484 females died.

Ann Arbor—A gift of \$2,000 has been made to the University of Michigan by Dr. William J. Mayo, head of Mayo Brothers Hospital at Rochester, Minn. to be known as the Mayo Lectureship in Surgery. With it, the university will bring prominent surgeons to address the medical students in the school of medicine according to the terms of the gift agreement. Dr. Mayo graduated from the University of Michigan during the 1890's.

Lansing—The State Administrative board granted a request for \$10,000 for a refrigerator plant at the Iowa reformatory, gave the Newberry state hospital \$16,000 for improving its dining hall and the Traverse City state hospital \$1,200, for improvements to its industrial building. A request from the state industrial school for boys for \$152,200, to complete its heating plant, on which \$98,000 already has been spent, was referred to a committee.

Lansing—The sale of \$3,000,000 worth of highway bonds, to meet payments on contracts awarded and work done in the 1923 building season was authorized by the state administrative board recently. Bids will be received on 4, 4 1/4 and 4 1/2 per cent basis. The board also ordered the transfer from the 1923 automobile license to the highway sinking fund of an amount sufficient to care for interest in 1924 and 1925 on the total outstanding bonded indebtedness.

Ann Arbor—Though it draws its students from every state in the Union and from practically every civilized nation in the world the University of Michigan remains, primarily, a "state university." Of the 11,800 students enrolled during the academic year of 1922-23, 7,155 were residents of the state, the remaining 4,641 non-resident undergraduates lending the cosmopolitan touch to the institution. Wayne, Washtenaw and Kent counties furnish the largest number of students.

Lansing—The Michigan Electric Railway Co. filed a petition with the Michigan Public Utilities Commission recently for authority to operate a highway bus line between Owosso and Flint, thereby continuing their present electric line between Lansing and Owosso, to Flint via the high ways. The proposed bus line would compete with the existing automobile carrier line between Owosso and Flint. The latter was started 10 years ago and was one of the first highway bus lines in the Middle West.

PRESBYTERIAN CHURCH NOTES.

The special meetings, opened on Tuesday evening with Dr. Ganz of Detroit as speaker. There was a good attendance at the opening service and the male quartet led the congregation in a service of songs. Dr. Ganz also spoke on Wednesday night and last night Rev. Bromer of Flint was the speaker and he will also give the sermon this evening. On Sunday Rev. G. W. Simon of Lansing will speak at both the morning and evening services. Sunday evening his subject will be "What is Conversion, or what makes a man a Christian." The public is cordially invited to attend these special meetings.

THE WALLED PATH THROUGH YOUR SEA OF TROUBLES

The King and his armies may be following your fleeing steps.

The mountains of difficulty may rise at either side of you.

The untamed sea may stretch its barrier out before you. Such a situation confronted the Hebrew mob in the formative hour of its national history.

The case was so hopeless for the runaway crowd that Pharaoh and his leaders laughed at their easy problem.

It was a dramatic hour—the play of divine forces began—the sea obeyed its master's voice—the Hebrews listened to Jehovah and came dry and to safety—the disbelieving monarch was swept to his doom.

Birmingham Chapter, R. A. M., cele-
brated its 50th anniversary on Monday
evening.

Dr. T. H. Turner left this week for
Florida, where he will spend a few
weeks in the sunshine.

C. R. Horton attended a state con-
vention of Rexall dealers in
Detroit Monday and Tuesday.

George M. Henry has resigned his
position as manager of the Wolf
store and meat market at Plymouth.

The baby clinic, under the direction
of the Red Cross, will be held Tues-
day, January 29, in the High school
building.

Next week Friday and Saturday a
number of Northville merchants will
join forces in a nine cent sale. See
their announcement in today's Record.

Mrs. H. G. Marburger and two chil-
dren left yesterday for St. Augustine,
Florida, where they will spend the re-
mainder of the winter with relatives.

Mr. and Mrs. Samuel Wilkinson of
Northville spent Sunday with their
son and wife, Mr. and Mrs. F. R.
Wilkinson, Hartford avenue—Redford
Road.

Plymouth's school buildings are
so badly crowded that an effort will
be made to bond the district for the
purpose of erecting a new High school
building.

Redford's basket ball teams will
come to Northville this evening for
two games with our girls' and boys'
teams, and they will be accompanied
by a lot of enthusiastic footers.

A large track belonging to the
Wagner Baking Co., of Detroit took
fire on the Starkweather hill Monday
forenoon and was badly damaged be-
fore the flames could be extinguished.

C. A. Penford's January clearance
sale which opened last Saturday has
attracted a great many people dur-
ing the week. The sale is still in
progress and many bargains are being
offered.

Some enthusiastic individual who
evidently desired to advance the sea-
son a few months, placed a sign in
the postoffice lobby Monday which
announced that cherry pickers were
wanted at Powers.

Mrs. F. B. Shaffer received a box of
chocolate fruit from her sister, Mrs. Roy
Cole, who is spending the winter at
Sutcliffe, Florida. Mrs. Cole
writes that it has been pretty cold
there this winter.

Mrs. H. E. Sayles and son, Alton,
arrived home from Florida, Wednes-
day night, January 24, after nine
days in an auto. They had a de-
lightful time, and spent two weeks
at Harry Sayles' home at West Palm
Beach. It was a long journey but
Mrs. Sayles says it was worth the
trip to see her first grandson, Stanley
B. Sayles—Plymouth Mail.

If appearances count for anything
the Baptist church at Walled Lake
has a live-wire pastor. Rev. James
W. Green, who was recently called to
the pastorate of the Walled Lake
church, was in Northville last Friday
and made The Record a pleasant call.
He has some up-to-date ideas as to
the purpose and mission of the small
community church and here is hoping
the good people of Walled Lake will
co-operate with him heartily.

Rev. F. P. Knowles gave a very in-
teresting talk before the Exchange
club at its Wednesday noon luncheon,
in which he discussed "Life and its
Purpose" in a most helpful manner.
He reminded his hearers that life was
not so much in getting as in giving,
and admonished them to seek the
higher things of life though they may
not always attain to position and
power. President E. E. Brown and
Secretary William Richards were
elected delegates to attend the state
convention of Exchange clubs at
Jackson next Monday.

Mr. and Mrs. N. C. Schrader return-
ed last Friday night from the furni-
ture exposition at Grand Rapids.
Mr. Schrader purchased a large stock
of furniture and rugs for spring and
summer and they will begin to arrive
within a few days. He assured a
representative of The Record that he
had selected a larger assortment
than he has ever shown in Northville
and that when the new stock all ar-
rives his store rooms will be filled to
their limit. When the improvements
now being made to the Schrader store
are all completed there will be a
formal opening to which the public
will be invited.

Lillian Clark went to Ann Arbor on
January 11, where he is taking treat-
ments in the hospital there.

Mrs. Wm. Littlewood, who has been

Roy B. Miller and Florence Wheeler
were united in marriage by Rev. A.
K. MacRae on Monday, the ring cere-
mony being used. The young people
were attended by Massell A. Lash and
Joseph Farr.

Mrs. S. A. Brown is visiting her
daughter, Mrs. Nogar, and family at
Dundee. Thursday was her little
grandson's birthday and grandpa was
anxious to be present at the celebra-
tion.

Regular meeting of the Ladies of
the Maccabees next Monday night.
After the meeting there will be a
pedro party and the outfit will be
lunch. There will also be aassar
a few dances and a general good time.
Everybody welcome.

The business men's gymnasium
class is now meeting on Tuesday
evenings. A few class will be ignored
soon and all who would like to join
will please confer with Physical Di-
rector Miller. Members of the class
have enjoyed the training they have
received greatly.

G. W. Leedle of Marshall, grand
lecturer of the Grand Chapter, Royal
Arch Masons of Michigan, conducted
a school of instruction for Union
Chapter on Wednesday evening. Be-
fore the work a bountiful dinner was
served which was enjoyed by upwards
of 100 members of the order.

Monday morning thermometers
about the village registered from three
to 20 degrees below zero according to
their location. The majority of them
registered around ten, however. The
cold wave arrived during Saturday
night and both Sunday and Monday
night the cold was intense. Tuesday
the wind shifted and it became some-
what warmer.

The automobile school held at the
High school building on Tuesday night
was well attended and those present
felt well repaid for the time spent in
conference. On Friday night of next
week, the 1st of the chief safety en-
gineer of the Michigan Central rail-
way system will give an address at the
M. E. church on the subject of "Dan-
gerous Crossings." A good program
will be given in connection with the
address. Keep the date in mind and
plan to attend.

METHODIST CHURCH NOTES.

Go-to-Church is the Slogan.
The Master said to all of us
"Come, Pray, Hear, Go, Hear, Go,
Tell, Do." Why go to church?
Because the church is God's way of
saving, conserving and keeping hu-
manity from moral degeneration.

Sunday morning was surprising but
we are getting used to the zero now,
that we don't mind coming to church
again next Sunday, folks.

We are going into a "garden" next
Sunday morning. No frost or cold
can injure it. Let's go, and walk
together. Get acquainted with the
Gardener and take home the
"automatics." Time, 10:30.

Of course, you know the Sunday
school is at 12:00. Bring your chil-
dren and then go to the Dolph Bible
class.

The Epworth League will meet at
6:30. Glen Charter reads with the
topic "Youth and Physical Efficiency."
In the evening at 7:30 we will have
a very interesting "travelogue" on
"The Pioneer Trail," a wonderful
history of the early life of our Far
West, giving an account of present-
day pioneering along the Pacific. This
is deeply interesting and will be en-
joyed by all. Come along and bring
your friends.

Prayer meeting next week, Thursday
at 7:30.

THE PUBLIC IS INVITED.
Prof. Wm. A. Frayer of the Uo of M.
will speak this afternoon (Friday) in
the High school auditorium at two
o'clock on "The Political Conse-
quences of the Peace." The lecture
is open to the public under the aus-
pices of the Woman's club, and it is
hoped that many will improve the op-
portunity to hear so fine a speaker.
There will be no admission.

BIG TRADING EVENT NEXT WEEK.
On Friday and Saturday of next
week ten Northville merchants will
join forces in a Nine Cent Sale and
will offer some exceptional bargains
in seasonable merchandise. You
can save money by attending this sale.
See their announcement in today's
paper, page eight.

DANCE AT NOVI.
There will be a dance at the Novi
town hall on Wednesday evening next,
the 30th. There will be good music
and a good time. The public is in-
vited.

BIG DANCE.
Don't miss this one. Follow the
crowds Saturday night, January 26, at
Pioneer Inn Walled Lake. Music by
Perkins' orchestra. 28w1c.

402 BILLIONS?

Did YOU Help
Make 1923 Checks
Reach This Figure?

Checks drawn on American banks last year
reached a total of \$402,553,486,888; a gain of
5 per cent. over 1922. In December alone the
checks exchanged amounted to nearly \$36,000,-
000,000, an increase of 4.1 per cent. over the
same month in 1922.

Picture the tremendous handicap if cash had
been used in the millions of transactions repre-
sented. What chances for loss, for theft, for
errors—all completely barred by use of checks.

If you do not yet have a checking account,
can you afford longer to be without one?

We will welcome your account here. You
will find at this strong, progressive institution
every convenience for transacting banking
business.

STRIKE TIES UP BRITISH RAILS

TRAIN SERVICE CRIPPLED AS
PARLEY FAILS—SIXTY
THOUSAND OUT

ONLY MAIL TRAINS OPERATED

Trade Congress Not in Sympathy—
Retired Workers Called
On To Help

London—Eighty per cent of the en-
gineers and firemen of the railways
in England, Scotland and Wales have
gone on strike. It was estimated that
60,000 men went out.

Eleventh hour conferences to avert
a transportation fiasco were fruitless,
and since the last of these broke up
there were no further efforts toward
peace.

Passenger service has been affected
seriously. Only a few mail and sub-
urban trains were operated, and
every energy has been concentrated
on the movement of foodstuffs. The
locomotives are manned by the re-
maining 20 per cent of Great Britain's
engineers and firemen who are mem-
bers of another union, and by vol-
unteers from retired employees of men
who have taken up other occupations.

This strike does not have the sym-
pathy of the powerful trades union
congress, which, as mediator, sought
to settle the question on terms which
would be acceptable to both its ex-
ecutive council and the railway man-
agers.

These were that the award of the
national wages board should go into
effect and that the strike order
should be called off, in return for
which the railway managers should
agree to an immediate meeting with
the leaders of the dissatisfied en-
gineers and firemen.

In London the newspapers advanced
the closing time for their various
editions and printed as much of their
circulation as possible before mid-
night. They have assembled large
fleets of trucks to carry papers.

URGES GREATER FRUIT VARIETY

Consumer Would Have Larger Choice.
Claims Horticulturalist.

Geneva, N. Y.—That the consuming
public is unnecessarily restricted in
the choice of varieties of fruit offered
on the markets, in view of the large
number of excellent kinds that could
be grown and marketed to advantage
is the opinion expressed in a state-
ment issued by Dr. U. P. Hedrick, hor-
ticulturist at the New York state ag-
ricultural experiment station at Ge-
neva.

With only a few varieties of apples
one or two pears, a few kinds of
peaches, plums, or grapes to choose
from, the consumer is often limited to
sorts that are poorly adapted to the
purpose for which he wishes to use
them.

The wide range in color, flavor,
quality, etc., of the many varieties of
fruits known to fruit growers, make
it possible to supply every need of the
consumer with the product best suited
to his taste.

"Fruit growing in America is suf-
fering because of the naggardly as-
sessment of fruits which fruit grow-
ers put on the markets," says Dr.
Hedrick.

There are hundreds of varieties of
the different tree fruits which fruit
growers could offer the multitude of
consumers to supply varied tastes at
the several seasons of the year and
for different purposes.

"Yet, unfortunately, growers offer
and consumers buy only a few kinds of
red apples, some one of four or five
pears, about a half dozen kinds of
peaches, and a few plums, cherries and
grapes out of the thousands of sorts
that might be grown."

UNITED STATES WINS RUM PACT

Britain Accepts All U. S. Plans For
Blocking Booze Smugglers

Washington—British ratification of
the proposed Anglo-American rum
treaty probably will be forwarded to
this government within the next two
weeks, it was learned here.

The great length of time that has
elapsed since this government sent a
revised draft of the treaty to Great
Britain was occasioned, according to
officials here, by the fact that the
matter was submitted to all the
British dominions by the Foreign Sec-
retary Curzon, and they have been
dilatory in replying.

It is understood, however, that the
draft of the treaty, as revised by
Secretary Hughes, has been approved
by the majority of the British domi-
nions.

British government officials feel
that when the treaty has been rat-
ified and put into effect, the greatest
cause for all-feeling between the
United States and Great Britain will
have been removed, and they are
anxious that the present government
go down in history as having exe-
cuted the compact.

Similar rum treaties just being
negotiated by this government with
the government of the Netherlands
and other powers are described by
state department officials as "pro-
gressing satisfactorily."

OAKLAND FARM BUREAU HELD ANNUAL MEETING.

Oakland County Farm Bureau
members in their annual meeting last
Thursday re-elected officers, urged
that the United States enter the per-
manent court of international justice,
emphatically recommended the es-
tablishment of a municipal market and
expressed their appreciation of the
services of C. B. Cook, retiring county
agent, and Eva Carrett, home agent.
P. C. King, president; Fred G.
Beardsley of Oxford, vice-president,
and Isaac Bond of Farmington, direc-
tor, were re-elected. Charles Taylor,
Oxford, and Philip Coventry, Orton-
ville, were elected to the executive
board to take the place of Frank Pow-
ers and A. O. Caimel, retired Mrs.
Earl Celano, Oxford, was elected to
succeed Mrs. L. J. Walters, retired, as
the woman member on the executive
board.

A committee was appointed to con-
sider a policy for 1924, and to outline
a specific program of action as re-
gards a county agent, and other mat-
ters. As soon as the committee re-
ports, a favorable plan of action a
meeting of the board of delegates will
be held. The meeting of the board
must be held within three weeks, from
January 10th.

Thursday's meeting was considered
one of the most important in the his-
tory of the local farm bureau orga-
nization. The matter of the munic-
ipal market, a resolution favoring it
having been passed at a meeting held
in November, was stressed to an
even greater extent. A resolution
recommending a commission of three
men to govern the market was passed.
One member from the Oakland county
board of supervisors and a third from
the county farm bureau are provided
for in the new recommendation.

A resolution also was adopted urg-
ing that as an aid to the fruit and
potato growers of Oakland county the
supervisors provide ways and means
whereby the prisoners in the county
jail may proceed to make bushel-
crates for farmers.

EARLY TREATMENT FOR SYPHILIS CASES BEST.

Declaring the first case of syphilis
on record was that of a sailor, shortly
after the discovery of America, Dr.
H. L. Keim of the University of Mich-
igan, told staff members of the State
Department of Health, "the authentic
aniquity of syphilis does not extend
back further than the time of Chris-
topher Columbus."

"Syphilis," said Dr. Keim, "is a dis-
ease peculiar to the human race." It
is identified by its chronic character
its intermittent attack, by the fact
that it may be acquired or inherited,
and that it effects any part of the
human body. It has been known as
Luis Veneria, as large pox, as contra-
distinguished from small pox, but it
was first designated as syphilis by a
philosopher of the University of Padua.

Syphilis is a disease of three stages,
primary, secondary and tertiary. The
points of demarcation are determined
by the action of the syphilitic germs,
called spirochetes. While these re-
main local, as evidenced by the
chancre or initial sore syphilis is in
the early stage. But with the prog-
ress of the disease an "explosion"
occurs and the spirochetes get into
the blood stream to be distributed to
all parts of the body.

Latent syphilis, a condition attend-
ing the second stage is an obscure
form of the disease. Many consid-
ering themselves rid of the attack after
the passing of early manifestations
with on subsequent developments,
prefer to "let sleeping dogs be,"
rather than investigate their condi-
tion. These cases lie dormant dur-
ing the second stage, only to break
out actively with paresis, locomotor
ataxia and other "telling" aspects of
tertiary syphilis.

WAYNE BOARD WILL BUILD ROAD COMFORT STATIONS.

Heeding the request of numerous
automobilist the board of County Road
Commissioners will begin the erection
of comfort stations next spring. In
Wayne county roads most frequented
by motorists, Leroy C. Smith, engi-
neer-manager of the road commission,
said Monday.

Approval of the sites for two sta-
tions is expected at the meeting of
the commissioners today. One will
be built at the junction of Middle Belt
road, with Huron River drive, while
the other will be located in Phoenix
Park, between Northville and Plym-
outh, where Livonia Center road runs
into Northville road.—Detroit News

Do You WEAR Out Clothes or
WASH Them Out?

Clothes are more often worn out on the scrub board and
through the wringer than through ordinary wear. That's why
we say that Federal-washed clothes will wear longer.

At Federal Laundry we use no scrub boards, no wringers,
no chemicals. Your clothes are washed in softest water with
mild, pure soap. Then the water is gently whirled out of them
in our modern centrifugal extractor. And they are dried and
ironed with the greatest care.

You may send your washing to Federal with absolute
confidence.

Walled Lake Warbles.

The Methodist Aid society held its regular monthly meeting at the church yesterday and served dinner.

A little daughter, Elaine Augusta, came to make her home with Mr. and Mrs. Forest Green last week Friday. Mr. and Mrs. F. H. Andrews had as their guest over the week-end Miss Dorothy Rowe of Milford, who is teaching at Feindale.

The newly elected officers of the Rebekah Lodge were installed last evening, the officers of Plymouth Lodge coming over for the ceremony of installation. The meeting was a most delightful one.

The Baptist Ladies' Aid held its annual meeting at the pleasant home of Mr. and Mrs. Frank Nook last week Thursday and elected the following officers for the ensuing year: President, Mrs. Emily Galkrist; vice-president, Mrs. Eloise Coe, secretary, Mrs. Lena Lare, treasurer, Mrs. Helen Nook.

The annual meeting of the Baptist church was held Saturday, January 19. After a dinner, which was enjoyed by a goodly number, the business meeting was called to order by Pastor Green. The following officers were elected: Trustees, L. V. Johnson, C. Young, Clerk, L. E. Hoyt; Treasurer, A. C. Pauline, pianist, L. Della Howard, assistant pianist, Gertrude Coe, chorister, Rev. J. W. Green. It was decided to observe February 28th with appropriate program, that day being the 70th anniversary of the dedication of the present church edifice. It was also decided to begin special revival meetings on February 28th.

Novi News.

A RARE OPPORTUNITY.

Will be afforded the people of Novi and vicinity this week Friday night when Rev. H. C. Long, a returned missionary from Bengal-Orissa, will give a stereoscopic lecture at the Baptist church. Mr. Long tells how the work is conducted on the mission field and shows over 100 beautifully colored pictures to illustrate his lecture entitled, "Besieging the Citadel." No charge for admission. Come and bring your friends. Let's greet Rev. Long with a full house at 8 p. m., this (Friday) night.

Next Sunday the usual services will be held. Last Sunday morning the text of the sermon was a question, viz: "Is Anything Too Hard for the Lord?" Next Sunday the pastor will consider together a statement of scripture which asserts "And nothing shall be impossible unto you." Our question will be on what conditions is this true?

COUNTRY TOURNAMENT DATES SELECTED.

Northville will hold its annual "country bowling tournament" on Harry German's alleys here February 1-10. Many entries are expected from Detroit and surrounding suburban villages and towns. Doubles are omitted from the program. The bowlers are restricted to singles and five-man events.

Gardens, Woodwards and Cadillacs of Detroit have already sent in their entries. Upwards of 55 teams, including those from the country are expected to take part. Last season, the city bowlers could break no better than even with their country brethren. Send in entries to Harry German, Northville, Michigan.

WIXOM BOYS' CLUB VISIT IN PONTIAC.

Thirteen members of the Handicraft club of Wixom, a boys' organization, which devotes its time during the winter months to the turning out of useful bits of furniture from wood, paid a visit to Pontiac Saturday and inspected the county building. The boys were much interested in the workings of the various county offices and were shown through and told of the work that is carried in. The boys were in charge of their scout-master, Harold Rocker—Pontiac Press.

THROW OUT FOOD FOR BIRDS, SOCIETY URGES.

Scatter to the walk life of Michigan the crumbs from your table. This appeal to the people of Michigan was issued by the Detroit Audubon society to remind them that the food repositories of the birds and beasts have been locked by winter's cold and snow. Many of the birds that winter in Michigan face a hard fight for life if the public fails to help, the appeal said. The society asks that bread-crumbs, suet, grain and other bird delicacies be scattered at convenient places. Bins of water, free from ice, also should be set out.

NEW YORK GETS CONVENTION

Democratic National Committee Declines on Eastern City

Washington—A novelty in more than a half century of American politics—a national convention in New York City—is to be presented in the 1924 campaign.

Historic Madison Square Garden in New York will be the scene of this year's Democratic national convention. New York was chosen last week by the Democratic national committee after a spectacular contest with Chicago, San Francisco and St. Louis.

The convention will open June 21 probably a week after the Republican convention at Cleveland ends.

Not since 1868, a lapse of 56 years has New York had a national political gathering. It wins the Democratic conclave this year by dint of much effort and a contribution aggregating \$205,000 to the Democratic National Committee. An equal sum was offered by San Francisco, but the committee voted against repeating its 1920 trek to the Pacific coast.

The final vote giving the convention to New York after Chicago has been withdrawn, was New York, 57; San Francisco, 40 and St. Louis, 6.

HERRIN KLAN WAR IS RENEWED

Kluxers Arrest Sixty And Seize Stills in Surprise Raid

Marion, Ill.—Liquor raids in Williamson county were resumed by 500 members of the Ku Klux Klan, led by S. Glenn Young, dry worker in which 60 alleged bootleggers were captured and seven stills were reported found.

Shrouded in secrecy, the raids, which took 10 hours to complete were over before Major Omar J. McMackin, recognition officer of the Illinois national guard and the county sheriff's office and learned of them.

Major McMackin had remained in the county when state troopers were withdrawn, following the announcement by Sheriff Galligan that conditions were again peaceful. The raids were made at Weaver, a mining camp near Herrin and at Spillertown. Those arrested were taken to Benton where they were placed in jail, or gave bond. The raiders met in West Frankfort, it is reported where they were sworn in as special deputies and then divided into teams of three each and given the names and locations of suspected bootleggers. The town of Weaver, which consists of but 160 homes, bore the brunt of the raids. According to the raiders all houses belonging to members of the Klan were marked by a white cloth tied at the door knob.

EXTRA SESSION HELD UNLIKELY

State Has Funds To Carry Out 500-Mile Road Plan.

Lansing—Another special session of the Legislature will be unnecessary for the State to carry through a record-breaking road building program in 1924, Gov. Alex J. Groesbeck announced recently.

"I am convinced we will have ample funds," he declared, "to build 500 miles of concrete roads, as against the 230 odd miles of concrete that were laid in 1923."

"Rumors of a highway emergency to the contrary, we shall be able, with the help of prison labor, to put through the biggest program of modern hard roads in the history of the State, and at the same time keep on the credit side of the ledger without any additional tax legislation."

There are contracts outstanding amounting to \$7,831,211, all of which have been figured as liabilities by the State accountants working on the revised balance sheet that the Administration Board will use as a basis for determining what new roads will be built in 1924.

WIXOM WHISPERINGS.

The Wixom Progressive League held its annual election Tuesday evening, F. A. Pearsall being elected president, Charles Harmon vice-president and J. A. McDonald, secretary, Judd Furman, treasurer.

Wixom has a fine Boys' Club under the leadership of Heath Holden. The boys are busy twice a month doing high school work. There were about fifteen present when they met at the home of Mr. and Mrs. Rocker.

The Kidneys Should Receive Help. Northville People Recommend Doan's Pills.

The constant strain of busy life is hard on the kidneys, and if later year

The kidneys cry for help. Old backs often ache, day in, day out.

Urinary ills frequently add their weight of woe. Give the help the kidneys need. Aid the kidneys with Doan's Pills. Northville people endorse this remedy.

Ask your neighbor. Mrs. S. Clark, 22 Main street, Northville, says: "My back had been this misery in my back. I couldn't do my housework properly, owing to this misery in my back. I couldn't be on my feet for any length of time and had to sit down. I was dizzy by spells, too. I knew my kidneys weren't acting regularly. A friend suggested I try Doan's Pills so I sent for the Northville Drug Co. and got a box. Doan's soon did me of the trouble, so I gladly recommend this medicine to those requiring a good kidney medicine."

ROYAL NEIGHBORS INSTALL NEW OFFICERS.

The zero weather had no terror for the Belleville ladies of the Royal Neighbors of America, for they arrived in Northville Monday evening, January 21st to install the officers of Northville Camp, No. 8726. At six o'clock a sumptuous banquet was served, there being covers laid for 75. The tables were beautifully decorated in colors of purple and white and much credit is due the supper committee.

The evening session began at 8:00 o'clock. The installing officers, and ceremonial marshals did their work in a very gracious and impressive manner. Belleville ladies put on the floor work most creditably. At the close of installation the retiring oracle, Mrs. Ora Pickell, was presented with a beautiful silver tea set in appreciation of her faithful services. She has served as oracle for three years and has put every effort forth to make the Camp a success. The officers installed are an enthusiastic lot and if co-operation is extended them, the year 1924 will be a successful one. So neighbors, let us be inspired to do still better things for our camp. —A Member

NOTY MAN DIES SUDDENLY.

Herman Taylor of North Township died suddenly at his home Monday morning while seated at the breakfast table. Mr. Taylor had been ill for upwards of two years but on Monday morning he seemed to feel remarkably well for him and his sudden death was a great shock to his family and friends. Mr. Taylor was born in Leon township, July 11th, 1859, being one of eleven children born to his parents. He grew to manhood in this community and by his kindly manner won the confidence and esteem of all who enjoyed his acquaintance.

Besides his wife he is survived by three sisters and four brothers—Mrs. Rosetta Fink of Alma; Mrs. Louise Taylor of Peroskey; Mrs. Athia Baker of Pontiac, Bur and Grant Taylor of New Hudson; Judson Taylor of Salem and Burt Taylor of Detroit. He was a kind and devoted husband and a considerate and trusting brother.

Funeral services were held at his late home on Wednesday afternoon and were conducted by Rev. William Richards of Northville.

NORTHVILLE SCHOOL NOTES.

Examinations are being held this week all through the school. The new semester begins next Monday. Monday will be registration day in the High school with regular work on Tuesday.

Don't forget the next number of the lecture course which will be given under the auspices of the Senior class on Wednesday, February 6th. The Music Makers will appear at that time and give promise of a very fine program.

On Thursday of next week a noted traveler and lecturer who is a native of India will give a talk before the members of the High school. The lecture will be given at ten-forty-five a. m., and the townspeople are cordially invited to attend. A small fee of 10c will be charged.

Credit in physical training will be given beginning next semester. Two and a half hours per year will be allowed making it possible for a student to earn one full unit of ten hours covering a period of four years in high school. The credit will be allowed only upon recommendation of the physical directors.

WALTER SCANLAN AT THE GAR- RICK THEATRE, DETROIT

In witnessing the performance of Walter Scanlan in "The Blarney Stone," one can almost smell the turf smoke as it rises from the chimney of his mother's cottage. Those who love a fine play dealing with delightful Irish characters will find in "The Blarney Stone" coming to the Garrick theatre Sunday night, a most satisfying performance. The play has all that charming romance that still lives in the Green Isle, the gentle wit and rollicking humor that is so characteristic of the Celtic race, and with a love story of absorbing interest. Edward E. Rose, the author, is a skilled dramatist who knows how to blend all the elements that make a successful play in a masterly manner. In this last creation of his there are unique characters who bring to the story a picturesque atmosphere, and yet thoroughly racial in type and true to the soil. He has given Mr. Scanlan a character that fits him well.

NEW JUVENILE OFFICER.

Remember Kent, the former chief of police of Pontiac has been recommended by prominent Pontiac people for appointment as juvenile probation officer of Oakland county. His appointment by Governor Grosbeck is expected to be announced shortly. For some time the duties of this position have been handled by Frank S. Jackson in connection with his work as county juvenile officer. —Milford

MORO FANATICS' REVOLT GROWS

Danger Increasing On Bucar Island—Reinforcements Asked.

Morocco—Fanatics menacing the constabulary in Surigao Province, Island of Mindanao, and Bucar Island, off the coast of Mindanao, have caused a serious situation, according to advices received here.

Col. Bowers, constabulary commander of Surigao, has asked for reinforcements on Bucar Island, where he led a force a few days ago to pacify members of the religious society of Colorum, whose recent clash with the troops resulted in the deaths of 19 constabulary soldiers and 80 fanatics. It is known that several thousand Colorums live in the provinces of Surigao, Leyte and Samar and they are said to be threatening to aid their comrades on Bucar Island. Many of the fanatics have vowed they will wipe out the constabulary.

Gov. Gen. Leonard Wood instructed Col. Bowers to continue the peaceful tactics of trying to persuade the fanatics to return to their homes, not using force unless it became absolutely necessary. The gunboat Sacramento and the coastguard cutter Potillo will remain at the port of Surigao until the fanatics have dispersed.

Chinese Adopt Yankee Methods

Shanghai—Following similar action by municipalities in India, Australia and Japan, cities in China are putting into practice the latest methods adopted by American highway engineers for the construction of automobile roads and modern paved streets. According to C. Harpur, commissioner of public works at Shanghai, Chinese highway bureaus are beginning to replace their waterbound macadam streets with asphaltic concrete, increasing service ableness.
