"THE CRIMSON CHALLENGE"

A western picture is filled with thrills and they are of that gripping quality which holds the spectator of suspense from start to finish.

A SAFETY RALLY AT ALSEIUM THEATRE.

On Wednesday evening next, beginning at eight o'clock, a safety rally will be staged at the Alseium Theatre in this village under the auspices of the Northville branch of the Ford Motor Company and the public is cordially invited, in fact all are urged, to attend. Admission will be free and a very interesting and instructive program will be given. There will be good music and interesting speakers, two safety reels and moving pictures to follow.

Whether you drive a car or not you are interested in the subject of safety, because it is as important for those who walk our streets to observe certain rules as it is for those who drive motor cars. A spirit of co-operation will solve our traffic problems and all are urged to attend this rally. Remember there is no admission charge. Let's fill the theatre to overflowing.

HAD SERVED NORTHFIELD CHURCH FOR 35 YEARS.

The Rev. Fr. Louis P. Goldrick, known throughout the state as "The Grand Old Man of Northfield," died last week Monday at St. Joseph's hospital, Ann Arbor, after a three weeks illness of pneumonia. He was nearly 65 years of age, and had served the parish of the Northfield Catholic church for about 35 years. It was the longest pastorate in the history of the state.

Father Goldrick was born April 14, 1859, in Cleveland, Ohio, and was ordained June 15, 1886. He was a man who was loved by everyone, regardless of church affiliation and his passing is mourned by many.

The funeral was held Thursday morning, February 14th, 1924, at 10:30 o'clock from the St. Patrick's church, and that edifice was filled with a capacity crowd. The Rt. Rev. Bishop Michael Gallagher of the Detroit diocese sang mass assisted by Rt. Rev. Bishop E. D. Kelly of Grand Rapids and seventy priests from different parts of the state, and also from outside the state. Rev. Father Smith of Cleveland, who was a boyhood chum of the deceased, delivered the sermon, and paid high tribute to the high esteem in which Father Goldrick was held. —South Lyon Herald.

OUR TUBERCULOSIS PROBLEM.

The above topic was handled exceptionally well by Dr. A. B. Wickham to a large audience in the Methodist church last Sunday evening. The address was illustrated with stereoscopic views, showing the human body in the stages of the disease as well as pictures of the Sanatorium in Detroit, also of the East Lawn Sanatorium now in vogue in our midst on what was known as the Scotten hill, proving a blessing under the keen and kindly management of the doctor.

The speaker's principle remarks were the evidence of a million active cases in the United States and the lack of accommodation for them. Also another million of what is known as arrested cases moving among the population day by day with the possibility of transmitting the disease. It was a revelation that approximately sixty were in our own community. The fact was brought out that Sanatoriums were safer places than many public institutions where people gather like theatres, halls, churches, etc., as the former teaches patients how to take care of themselves. The age in which the disease is easily contracted is the adolescent age of young people, in the high school period, of sports study and athletics. The strain of such activities lessens the resisting powers and there is a possibility of breakdown. These things were necessary to be carefully watched over by parents with caution and advice.

Many friends congratulated Dr. Wickham to his helpful address at the close of the meeting and spoke of the East Lawn institution as a valuable asset to the community.

FARMINGTON TO HOLD FIFTEN-NIAL BANQUET.

Friday, March 7th, at 6:30, has been chosen as the time for holding the centennial banquet to celebrate the one hundredth anniversary of the founding of Farmington. Rev. Clyde McGee of Chicago, a former Farmington boy, will officiate as toastmaster and W. J. Cameron, editor of the Dearborn Independent will be the speaker of the evening. The banquet will be served in the community hall in the M. E. church.

Rev. and Mrs. H. E. Sayles were in Goodrich, a few days this week, where Rev. Sayles spoke at revival meetings there on Tuesday and Wednesday evenings. —Plymouth Mail.

ATTORNEY McNAIR HAS BEEN IN A HOSPITAL.

Wm. S. McNair as expected home the latter part of this week from Ford hospital, where he has been the past three weeks for examination and treatment. It will not be necessary for Mr. McNair to undergo an operation, as was thought probable at first, but he will be under physicians care for several months. He is improving rapidly. —Redford Record.

PEOPLES' PARTY NAMED A FULL TICKET.

In last week's Record a mistake occurred in the report of the Peoples' party caucus, which we very much regret. It was stated that a motion was made not to nominate other candidates after the candidates for president and trustees had been named. That motion was reconsidered and Thomas E. Murdock was nominated for clerk, Miss Carrie Litsenberger for treasurer and Floyd R. Lanning for assessor. Mr. Murdock and Carrie Litsenberger were named as candidates for clerk and treasurer on the workmen's ticket and this action of the peoples' caucus is a fine compliment to pay them.

On Friday Mr. Lanning declined to accept the nomination and the committee substituted the name of Conrad E. Langfield.

MRS. NEWTON J. COLE DIED IN CHICAGO.

Friends of Mrs. Newton J. Cole received a message on Monday informing them of her death, which occurred at her home in Chicago on Sunday after a short illness. Mr. and Mrs. Cole and their two sons, moved from Northville to Chicago about five years ago, after having been residents of this village for eighteen years. They came here from Milan, where Mrs. Cole was born. While a resident of Northville Mrs. Cole was active in the affairs of the M. E. church and served Orient Chapter, O. E. S., as worthy matron.

Her remains were brought to Milan where funeral services were held yesterday afternoon at 2:30 and burial took place in Marble Park cemetery at that place. Besides her husband she is survived by her two sons, Stuart of Berkley, Calif., and Howard, who resides in Chicago, besides two sister and one brother—Mrs. E. S. Haight of Ypsilanti, Mrs. Amos Taylor of Milan, and Adelbert Stuart of Milan. Many friends here will extend sincere sympathy to the bereaved family in their great affliction.

ENGINEERS DECLARE VILLAGE BUILDING UNSAFE.

Village Clerk, T. E. Murdock, received the following letter from Clarence W. Hubbell, consulting engineer of Detroit which explains itself.

Detroit, Mich., Feb 22, 1924.
Mr. T. E. Murdock, Village Clerk,
Northville, Mich.

Dear Sir: At your request we have inspected the old brick building used for a fire station and city hall. The front wall is cracked from top to bottom. The foundation at the rear of the building is insecure. The west wall is bulged in nearly three inches and the east wall is bulged out about four inches, breaking the bond in the masonry. Some of the movement is of recent date and the complete collapse of the west end walls is only a question of time.

In our judgment the building is unsafe and should be condemned. Other quarters should be found for the fire apparatus and no public meetings should be permitted in the building.

LOCAL.

Miss Ada Ly was brought to her home in this village on Wednesday from the woman's hospital in Detroit, to which institution she was taken for an operation for appendicitis. She is in fine spirits and is getting along just as well as her many friends could hope for.

The Exchange club of Detroit has arranged a special service at the Central M. E. church on Sunday evening at 7:30 and it will be broadcast. Plans are being perfected to "pick-up" the service at the M. E. church in this village and the public is cordially invited to attend the services. Pastor Hough is an enthusiastic member of the Detroit Exchange club and he has chosen for the theme of his discourse the slogan of the club—"Unity for Service."

The bell has been removed from the tower on the village building, the local Edison crew doing the work.

"It's my turn to Valspar now!"

IT'S so easy! Anyone can do it! A smooth sweep of the brush—and immediately the pattern shines forth like new.

And Valspar does more than beautify. A coat of this tough, durable varnish gives floors and furniture—wood, linoleum, Congoleum or Oilcloth a sturdy, protective surface that greatly prolongs its life. It fortifies these floor coverings against wear. It makes them proof against spilled liquids, heat or cold—even against hot greases.

INDUSTRIAL SHOW TO BE ANNUAL EVENT

Michigan Manufacturers Express Desire for Permanent Exposition.

From the Michigan Industrial Exposition, if rightly staged, should grow an annual event of inestimable value to Michigan and an institution that could become nationally known," declared George H. Barbour, president of the Michigan Stove company, one of the largest manufacturing institutions in the world, in a recent interview.

This was putting into few words the hope entertained by hundreds of Michigan manufacturers and expressed by them to the management of the Michigan Industrial Exposition, the winter show of 1924 to be held in Detroit, at Convention Hall, opening May 3rd and continuing until May 17th.

Mary of these declared that Michigan has long needed such an institution where the world buyers could gather once a year and find a local point of the varied interests of the state.

State Comes First.

The management of the Exposition keeping in mind the keynote of the spirit that brought about the Exposition, i. e., a show for all Michigan, has requested its representatives to give service throughout the state before seeking Detroit representation.

It would be an easy matter to fill every foot of available space in the mammoth Convention Hall, over 200,000 square feet, with Detroit manufacturers' exhibits, but the Michigan Industrial Exposition would then become a Detroit exposition and such is not the aim or desire of its backers. It is hoped that the state representation will be so diversified, so representative of every locality, that any Michigan visitors will find somewhere within its walls something that will speak to him of home and which he can point at with pride.

DETROIT ALARMED OVER SMALL POX

A quarantine by the United States health agents, Windsor and E. H. Rife, and where five persons are reported to have died of smallpox and where more than 50 cases of the disease are said to be prevalent was extended Monday. The request for the quarantine order was made by Dr. Henry S. Vaughan, city health commissioner.

THE FAVORITE MUSICAL COMEDY "IRENE" COMING TO DETROIT.

"Irene" the smart musical comedy which comes to the Shubert-Detroit opera house for one week, commencing Sunday, March 2, with a matinee on Wednesday and Saturday, is the Babe Ruth among record-breakers in the world of the theatre. Its run at the Vanderbilt theatre, New York, of over two years has been the most astonishing accomplishment in theatrical history.

"Irene" is the work of those three up-to-the-minute writers, James Montgomery, Joseph McCarthy and Harry Tierney, who respectively are responsible for the books, lyrics and the music, and those ideas found in a large measure for the enthusiastic audience wherever the piece is presented. The play contains every element required to satisfy amusement seekers.

Its appealing story, catchy lyrics and jingly score, together with a cast of recognized players headed by Dale Winter, augmented by a splendid chorus of singers and dancers, with a special orchestra, leaves little to wonder as to its tremendous success.

Among the big hits of "Irene" none will find more favor than "Alice Blue Gown," "Irene," "Last Part of Any Party," "Castle of Dreams," "Skyrocket," "To Love You," "There's Something in the Air" and "We're Getting Away With It."

Special attention will be given mail orders. The scale of prices for the evening performances is 50c to \$2.50. The Saturday matinee, 50c to \$2.00 and a special matinee on Wednesday at 50c to \$1.50. All mail orders must be accompanied by check or money order, with government tax added to price ticket desired.

LAST CHANCE TO SEE "LIGHTNIN'" DETROIT.

Exactly as presented last season, with Thomas Jefferson, Bessie Bacon, Charles E. Evans and other national favorites in the principal roles "Lightnin'" has returned to the New Detroit opera house this week. To meet the continued demand for seats the engagement has been extended through next week for that performance is scheduled for Saturday night, March 3. The usual matinees will be played on Wednesday and Saturday.

Not since "The Old Homestead" "The Varsity Show" "We Down East" and one or two other beloved classics have American audiences found such unalloyed enjoyment in

a play as the famous courtroom scene, the quaint sayings of Bill Jones and other much-discussed features of "Lightnin'" has afforded. It holds the boxoffice record of practically every theatre where it has been presented, with hundreds turned away at many of its performances on tour.

Mr. Jefferson, who has succeeded to the honors of the late Frank Bacon as Bill Jones, is a son of the late

Joseph Jefferson, who immortalized "Rip Van Winkle." Miss Bacon is a daughter of the beloved artist and playwright who passed away in Chicago last year, at the zenith of his career, and she appeared in his support during "Lightnin'" historic run on Broadway. Mr. Evans starred with Bill ("Ole Hoss") Hoey in "A Parlor Match" and other famous successes.

ENTERTAINED SANATORIUM GOOD FELLOWS ON WASHINGTON'S BIRTHDAY.

A very unique program was given by the Lutheran Young Peoples' Society of Northville at the Detroit Municipal Tuberculosis Sanatorium on Friday evening, February 22. The large auditorium, attractively decorated and having a large portrait of Washington drawn and painted for the occasion, was filled with patients and employes.

The music was fine, and there was lots of fun. The thoughts on George Washington were very interesting and well given by Mr. Goldsmith. The numbers by the orchestra, the piano solos and the roaring comedies brought many an applause and hearty laugh. These jolly entertainers were greatly enjoyed by everyone. The program was as follows:

Orchestra—Navel Cadets
Orchestra—"Pal of My Heart"
Player—"Haas and the Goose"
Orchestra—American Patrol
Mr. Goldsmith—Thoughts of Washington
Player—"No Beating Today"
Piano Solo—Selected
Orchestra—"Two Roses"
Player—"Dunderbach"
Orchestra—Selected
Player—"Who Returns the Fry- ing Pan"
Orchestra—General Pershing
Chorus—"God be with You"
All (closing)—America

The players were side splitters. Hans and the Goose—a joke on the farmer, No Beating Today—a comedy on apartment dwellers, Dunderbach—a pleasant thought for sausage eaters, Who Returns the Frying Pan—a warning to newly weds.

The Lutheran Young People's Society are good, and we want the people of Northville to know that the Sanatorium Goodfellows Club think so.

The same program will be given at Alseim Theatre on March 3rd. It's a big show. Charlie will be there. Out here he was looking around in the crowd for Henry Ford—he saw his car outside.

T. OF M. DRYS WIN AT POLLS.

The drys emerged victorious from the final count of the campus referendum at the University of Michigan on the prohibition question. The voting closed Saturday night, after 10 days of balloting. The wetts led until Thursday when those in favor of the existing statute, forged to the front with a majority of 18 votes. They kept their lead and finished with a majority of 45 votes.

The total number of votes cast was 4,082. Of these, 1,743 were for retention of the prohibition amendment, and 2,339 for repeal of the existing laws. This vote is taken by those in charge of the referendum to reflect the opinion of the campus.

The Yale News is collecting the results of the ballots in all the colleges in the country.

HAUGEN IS WINNER OF EASTERN JUMPS.

Andres Haugen, who took part in the slung tournament here some weeks ago, won the United States eastern ski championship at Lake Placid, N. Y., last Friday. He won not so much on the distance made as on form displayed. Polt Monsehl of Brattleboro, Vt., and Karl Nansen, Noige Ski club, Chicago, was third.

Haugen's victory gave him also a leg on the Robinson trophy which, awarded for form, must be won three in succession to assure permanent possession. Bing Anderson of the Nansen Ski club, Berlin, N. H., was two legs on the cup.
Karsten Moen, Nansen Ski club, Berlin, N. H., won the Class B event for men who never have won a national event, and Chris Berger, Noige Ski club, Chicago, won the contest for the longest standing jumper with 113 feet.

DETROIT, MICH.

OFFICERS RAIDED A COCK PIT.

Gathered in A Number of Men and Birds Late Saturday Night— Everything Set for a Big Go.

Representatives from the sheriff's office from Northville and Plymouth made a raid on a cockpit on the Andrew Walker farm located about a mile from Newburg late Saturday night and gathered in about thirty men and as many birds. The raid was staged just a little too early, because some of the patrons of the place had not yet arrived when the officers demanded entrance. The building in which the fight was staged, a located back in the field some distance from the highway and the structure is 40x50 feet in size, arranged with seats and a very elaborate pit. The seats had been erected on the bleacher order and the pit was leather lined to prevent the birds from getting seriously injured while in the arena. Every crack and crevice about the building had been covered to prevent any light from being visible from the outside and everything about the premises had been arranged to insure secrecy.

The officers knocked at the front door and as the keeper of the place unlocked the door they rushed in, one of the officers having a sawed-off shot gun and commanded all the occupants of the place to "stick 'em up." Of course everybody complied with the demand and the names of the fellows were taken by the officers who notified them to appear before Justice Patterson Monday morning for hearing. The owner of the cockpit was taken to Plymouth and placed in jail.

Two or three weeks ago the sheriff's office received a tip that a cock fight was to be staged at this place on Saturday night and three deputies were dispatched to the place to warn the owner that the affair must not take place. Walzer was in Plymouth when the officers called, but his son was very agreeable and he took it upon himself to show the officers the whole outfit—pit seat, bar and all, and a number of birds that had been received for the fight. Later in the afternoon the owner of the place reached home and he was warned not to attempt to pull off the fight, and he promised he would not. He did not keep his promise, however, and it is alleged that along about midnight the fight was staged as scheduled, men being present from Detroit, Wayne, Dearborn, Northville and other surrounding towns and the contest was waged until about six o'clock Sunday morning. Last Saturday the promoter of the fight was not warned, but instead officers visited the place and placed him under arrest. There was evidence that a fight had been in progress as the officers entered, two of the birds having on spurs, and there was a frightened and a surprised lot of men as the command was given to "hold up your hands. Before the officers left this place they wrecked the very elaborately constructed pit and made kindling wood of some of the equipment of the place. It is said that Detroit men furnished the money for the construction of the building.

When arraigned before Justice Patterson on Monday morning Walzer pleaded guilty and was fined \$25 and costs amounting to \$10. The other fellows were merely assessed the costs. Walzer promised the court that the place would be abandoned so far as cock fighting was concerned.

The last pre-Lenten party was given at the library by Mr. and Mrs. Thos. McCordle Wednesday evening, February 20. The attendance at this and all other parties was indeed gratifying.

Lent begins next Wednesday, March 5. Devotions will be held once a week at the home of Mr. and Mrs. Arthur Mitchell on Cady street just below the school house.

Mass will be said there Ash Wednesday at 9 a. m., followed by the distribution of the ashes. The Lenten evening devotions will open that same day at 8 p. m.

During the rest of Lent devotions will be held every Tuesday evening at 8 p. m.

We are heartily in accord with the article "Make It Worth While" in last week's Record. There is a difference between personal welfare and selfishness. Personal welfare and community spirit work hand in hand; selfishness always works alone and for self only.

By boosting your community you always boost yourself; selfishness and knocking will always loose out, and their promoters inevitably loose in the end. Religion, true and tried, teaches duty to God and country. The test of devotion to country is the devotion to your community.

Miss Mary Sarnes, of the Sarnes Laboratories of Detroit, will be at the Truett Beauty Shop to demonstrate her toilet preparations on Tuesday, March 11th. All ladies are cordially invited.

Washburne Council No. 7, will hold a meeting on Wednesday evening, March 5th, at 7:00. After the business meeting progressive polo will be indulged in. Prizes, refreshments. Admission, 25c.

WINDSTORM INSURANCE. Mr. R. Seelye of this place has accepted the agency for the Michigan Mutual Windstorm Insurance company, the largest of its kind operating in the state. The company has assets amounting to \$2,800,000, and has paid over two million dollars in losses to its members since its organization. It is a wise policy to protect yourself against damage by wind or explosion. Mr. Seelye will gladly explain advantages of this company to all who are interested.

WANTED A WATCH DOG.

If anyone in this community has a watch dog—a real, honest-to-goodness dog, that will keep off "cows and eavedroppers," irresponsible intruders, who do not know what time to get up in the morning, and those who "sneak" in kitchen windows and through back doors while you desire to enjoy the last and final "shooze" of the morning, they will do well to communicate with H. R. Richardson. He wants a real watch dog. Last Wednesday morning twelve members of the Quality club gained entrance to the Richardson home by prying up a window and before Mr. and Mrs. Richardson were aware of their presence were in the house stirring up the batter for the morning stack of hot cakes. After some labile effort on the part of the uninvited guests Ray and his wife were aroused and had just about time to dress by the time the cakes and coffee were ready. Ray declared he will be ready for them the next time, and all day Wednesday he was nailing down windows and changing locks on his doors—the locks on his head are burglar proof now. The desired canine's name does not matter. It can be "Elmer," "Ernie," "Floyd," "Charles" or "Jim," but the animal must be a good watch dog with a keen sense of hearing and a fondness for prowlers.

Reserve for yourself the best laugh of the season by securing a ticket from the J. U. girls for the comedy "Too Much Business," to be given at the Alseum theatre, on Wednesday evening, March 12th. Reserved seats 35 cents, balcony 25 cents. 33w4c

President's Flag. The President's flag, as it is now, shows the President's seal in bronze on a blue background and a large white star in each corner. There have been several different presidential flags, but this latest one is not easily confused with any other. The four stars denote the rank of an admiral or a general, and the seal signifies the commander in chief—Your's Companion.

THE MAN WHO CAN RALLY A WHOLE NATION

The people of this country have been guided time and time again by the personality of a great leader. Washington and Lincoln are still powerful factors in molding the policies of the American people and of the world.

Roosevelt is to be reckoned with when the forces of American thought and action come into full play. Wilson impressed his ideals upon our countrymen and influenced the movements of the body politic here and abroad.

Every now and then some one must come forward who has vision and initiative and shape anew the life of his day.

The Hebrew nation had become merely twelve scattered tribes. Each man was out for himself. They were an easy mark for their enemies.

Samuel was of humble parentage, well trained by a godly man and woman, sensitive in mind and heart—a strong, virile, active young man.

Samuel saw the pitiful state of his beloved people. He understood that their poor political state was due to lack of religion—the kind that is real in all ways. Samuel called a national meeting at Shiloh. They restored national worship. They acknowledged their sin—THEY CAME BACK.

The story of SAMUEL—the boy—the man—the leader—is full of human interest. Better take a little time right now to consider this many sided character from the old book.

METHODIST SUNDAY SCHOOL

First Presbyterian Church

Go to church somewhere every Sunday until Easter. Religion is the greatest thing in the world, and the Christian religion is the greatest religion. No other religion has ever inspired such tenderness of thought or such expression of faith and trust as is expressed in that greatest of all hymns "Jesus Lover of My Soul," of which Henry Ward Beecher said, "I would rather have written that hymn than to have the fame of all the kings that ever set on the thrones of earth."

SUNDAY PROGRAM. Morning Worship—10:30 o'clock. Evening Service—7:30 o'clock. Sunday School—12:00 o'clock (noon). Christian Endeavor—6:30 o'clock. Music by the Male Quartet.

OUR INVITATION. This church offers its ministry to all who are in trouble to the weary and heavy laden, to the friendless and the stranger, to the happy and the prosperous, to the saint and the sinner, to whosoever will come, the doors are wide open and we will make you feel at home.

STATE NEWS IN BRIEF

White Pigeon—A scratch on his
hand suffered while he was closing
the postoffice door two weeks ago
has proved fatal to Daniel Grosse, of
White Pigeon, mail carrier.

Pontiac—The First Church of
Christ, Scientist, of Boston, will be
beneficiary of an entire estate of
\$41,000 left by Peter Hanes, Farm-
ington township resident, whose will
has been filed in probate.

Pontiac—The Oakland County Pro-
fane and Historical Society celebrated
its 50th anniversary. Residents of
Farmington township had charge of
the program in commemoration of
the settler of that township 100
years ago this year.

Detroit—Robert W. Warren, son of
Mr. and Mrs. Harry L. Warren, has
received an appointment to West
Point military academy, and has been
ordered to report to Columbia bar-
acks March 4 for examination. He
has been a Boy Scout for many years.

Battle Creek—Transfer to the city
of Battle Creek, of two un-
served islands in the Kalamazoo river,
has been asked of the government by
Representative Arthur Williams. The
two islands are within the corporate
limits of the city, and all rights and
ownership were requested for public
use.

Grand Rapids—The new automobile
rates which became effective recent-
ly show a decrease of 20 per cent in
cost of liability insurance in Grand
Rapids, according to safety director
James Sinks, who says he has been
informed that reduction of deaths and
injuries during 1923 was held a con-
tributing factor in the change.

Lansing—The State Highway De-
partment will make strenuous efforts
this summer to control the dust
clouds that follow traffic along the
gravelled country roads, and will for
that purpose, receive bids on 7,600
tons of calcium chloride, 150,000 gal-
lons of light oil and 2,500,000 gallons
of various surfacing materials.

Kalamazoo—Two of the oldest res-
idents of Kalamazoo County died re-
cently. Edward P. Titus, 95 years
old one of the best known builders
of Kalamazoo in pioneer and later
days, and Mrs. William H. Morgan, 85
years old who last December cele-
brated with her husband the sixty-
eighth anniversary of their wedding.

Ann Arbor—The University of
Michigan ranks second in the list of
leading universities of the United
States in enrollment in the liberal
arts department according to statis-
tics just compiled. The University
of California with the southern
branch included, leads the list with
6,911. Michigan's total is given as
4,505.

Alpena—Owing to the great depth
of snow in woods and swamps, wild
deer have lost their footing places.
Various hunting clubs of this section
are strewing tons of hay in the ac-
customed feeding places. At this
time of the year, the deer are so
tame they come to lumber camps and
are fed on the ground around the
camps.

Ann Arbor—June 13 has been set
by the alumni association, of the Uni-
versity of Michigan as reunion day
for this year. Sixteen classes will
return for reunions under the Dix
plan, which brings each class back
at three or four-year intervals. In-
cluded in the classes expected this
year are '63, '64, '65, '66, '32, '33, '34,
'35, '91, '02, '03, '04, '21, '22 and '23.

Lansing—Professor M. M. McCool,
head of the soils department at M.
A. C. was granted a four months'
leave of absence from April 1 to Au-
gust 1, by the state board of agricul-
ture, in session here. McCool will
go to Europe to study agricultural
conditions. He also will represent
Michigan at an agricultural confer-
ence to be held in Rome during May.

Lansing—Two new courses will be
established at Michigan Agricultural
College as a result of action taken
by the state board of agriculture. One
of the new courses offered, and the
most important from the standpoint
of the college, is the liberal arts
course. This will place M. A. C. in
direct competition with the Uni-
versity of Michigan and other colleges
of the state offering literary courses
leading to a degree of bachelor of
arts.

Flint—The Democratic State Cen-
tral Committee met in Lansing and
designated May 15 as the time and
Flint as the place for the state con-
vention that will elect delegates-at-
large and alternates to the National
Convention in New York, June 17,
and to nominate candidates for Presi-
dential electors Michigan is entitled
to four delegates-at-large, but eight
will be elected, four men and four
women, and each will have half a
vote in the convention.

East Lansing—That sugar beets
paid the largest gross return to Mich-
igan farmers of any field crop grown
in the state last year, and that the
United States continues to import
about one-fourth of the sugar con-
sumed from foreign nations, are rea-
sons advanced for an increase in the
Michigan acreage by Prof. J. F. Cox,
head of the farm crops department
at Michigan Agricultural College.
From the standpoint of soil and cli-
mate, Michigan is particularly adap-
ted to the growing of this crop over
an extensive area.

Monroe—Because many of the city
ordinances were out of date, the city
commissioner authorized the city at-
torney to have them revised. They were
last revised in 1901.

Lansing—Mrs. Sophronia Bower-
man, prominent V. W. C. A. and W.
C. T. U. worker, died at her home
here. She organized the Ingham
County Temperance Union.

Detroit—Delos G. Smith has received
his official appointment as district
attorney of the United States court.
The appointment was signed by Pres-
ident Coolidge and Harry M. Daugh-
erty. The new district attorney was
sworn in last week.

Kalamazoo—Masonic delegations
from all parts of the state were in
attendance at the grand commandery
funeral service last week for Edmund
S. Rankin, past grand commander of
Michigan, and one of Kalamazoo's
three thirty-third-degree Masons.

Charlotte—Hayes E. Wells, the
clerk of Eaton county, announces
that no more suppressed marriage li-
censes will be issued from his office.
Couples who wish to get married must
expect to see their names in print,
and if they do not want publicity, all
they have to do is to remain single.

Alpena—Never in the history of this
city has winter fishing been carried
on to the extent that it has been this
year. Five tugs have been fishing
from Rockport and Presque Isle har-
bors and record catches have been re-
ported. Five tons of trout were ship-
ped from Alpena in one day recently.

Ann Arbor—Members of the Cos-
mopolitan club of the University of
Michigan, an organization composed
of foreign students, will make a trip
through the state during the spring
vacation, beginning April 14. Stops
will be made in Battle Creek, Kala-
mazoo, Grand Rapids, Flint and Lan-
sing.

Grand Haven—The Grand Haven
Farm Bureau, at its annual meeting
here, declared an eight per cent di-
vidend on all stock issued prior to Dec-
31, 1923. The bureau went on record
in favor of the gasoline tax, a gradu-
ated income tax and sufficient funds to
carry on the bovine tuberculosis work
in the state.

Mt. Pleasant—Beet growers of this
section were made jubilant because of
the receipt of checks from the Colum-
bia Sugar Co., representing the bonus
on the 1923 crop. A total of \$96,000
has been distributed in the district
surrounding Mt. Pleasant. The bonus
represents an extra payment to beet
growers of \$2.29 a ton.

Grand Rapids—Veterans of the
Civil, Spanish-American and World
wars, aided by other patriotic orga-
nizations, have organized a committee
for a joint observance of Memorial
day here, May 30. In all, 19 orga-
nizations are represented in the Mem-
orial day federation, of which Major
Stephen W. Collins is president.

Saginaw—The Michigan Sugar Beet
Growers' association has gone on re-
cord, opposed to the "45-55" contract
starting at \$7 a ton, which the Mich-
igan Sugar company proposed to offer
this year. The association cites the
contract of the Owosso Sugar com-
pany, which offers a 50-50 split and
has also a \$7 a ton basis to start.

Lansing—Dr. J. D. Munson, of the
Traverse City state hospital, has ten-
dered his resignation effective next
July 1, has been announced at the
governor's office. Dr. Munson was
made superintendent when the in-
stitution was established and has been
at its head about 35 years. He had
the record of being one of the most
efficient institutional heads in the
state service.

Alpena—John J. Hansen, 56 years
old, assistant foreman in the works
of the Huron Portland Cement com-
pany, was electrocuted last week
when he came in contact with a wire
carrying 4,900 volts of electricity.
His son, Carl, employed in the power
plant, turned off the current releas-
ing the body of his father, following
a telephone message to him that a
man had been killed.

Lansing—The steady downward
trend of the State's ad valorem tax
on real and personal property and
the contrasting upward trend of the
tax levied by cities, counties and
school districts on the same classes
of property was shown again here by
a series of tax totals and significant
percentages made public by George
Lord, state tax commissioner. Mr.
Lord's totals disclose that the \$50-
714,816 raised by Michigan cities for
municipal purposes in 1922, rose to
\$57,434,532 in 1923.

East Lansing—A second "ton litter
contest" will be staged by Michigan
swine breeders during the coming
season, according to announcement
by Verne A. Freeman, leader of the
state Ton Litter Club and extension
specialist in animal husbandry at the
Michigan Agricultural College. Val-
uable results along educational and
demonstrational lines were obtained
in the contest which was held last
year, which was won by a litter
weighing a total of 2,340 pounds at
the end of the 160-day period.

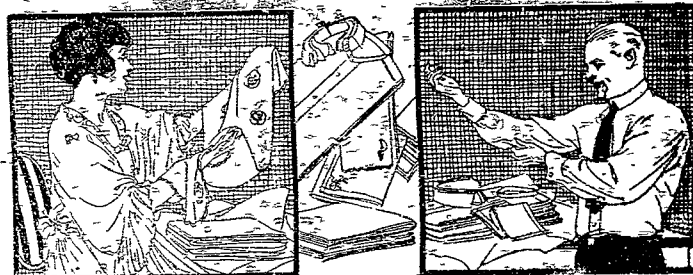

Ann Arbor—Faculty members of the
literary college of the University of
Michigan have approved the estab-
lishment of a combined curriculum
in letters and business administration
upon the same basis and under the
same regulations as the other com-
bined curriculum. Students expect-
ing to enter the new school must com-
plete three years of work in the liter-
ary college and include courses pre-
scribed for admission to the school.
The faculty also decided in favor of
a general renumbering of all courses
in the literary college.

**GERMAN RAIL
SEIZURE LOOMS**

REPARATIONS EXPERTS REPORT
ED FINALLY AGREED ON
NEW SCHEME

INVOLVES END OF OCCUPATION

Network of Roads Throughout Nation
Would Be Security for International Loan.

Paris—Germany's railways can pay a large part of her reparation debt. They can win back for the reich economic control of the Ruhr. The railway system that networks the fatherland and permitted troop movements on an unprecedented scale during the World War can also provide the securities France demands.

The above is the recommendation of the committee of experts, headed by General Charles G. Dawes, a plan which envisages giving France a share in a general lien on the entire German railway system in exchange for relinquishment of economic control of the Ruhr will be submitted to the reparations commission.

French and British railway experts are unanimous in agreeing upon the availability of the German rail system as security for an international loan.

Railway experts Acworth and Leve have submitted a program to the Dawes committee for a loan of two billion gold marks to be secured by the railways.

The Allies, under the plan, would maintain supervision of the lines through a new bank or a new company, in which they would participate. France would have a major share.

Drastic reduction in staffs and increase of rates where such are warranted would be enforced. The experts reported the German railway system as valued at approximately 25,000,000,000 gold marks.

The total debt of the railways is only \$12,000,000 gold marks. The immense money-making possibilities of the project can thus be seen.

BATTLE ON AUTO TAXES LOOMS

Stiff Fight Expected From Friends of
Railroads in House

Washington—The house has completed consideration of the taxes to be levied on estates and inheritances, the next sections are on the tobacco and gift taxes and those on the tea, seats and admissions. The excess taxes come next and the automobile levy head the excess list.

The stiffest fight against the move to afford relief to users of trucks and automobiles is expected to come from speakers for the railroad interests. Whether or not a possible compromise with these congressmen has been effected is to be seen.

According to several friends of remission of automobile taxes, an agreement may be reached by which the railroad group will not hinder cutting of the auto taxes in order that, later, when the expected legislation favoring the roads comes up they will not meet the massed opposition of the automobile group.

RUSSIAN REVOLT THREATENED

Trotsky Warns Soviet Leaders To
Keep Hands Off Red Army.

Berlin—"This is my second and last warning," Leon Trotsky's solemn ultimatum to the central committee of the communist party reads: "I warned you once, and I warn you again that unless the measures of violence taken against the chief leaders of the red army are stopped immediately by M. Zinovieff, M. Kameneff and M. Stalin, who are responsible for these measures the red army will stand up and overthrow the trio in the hugest revolt Russia has seen."

Simultaneously, reports of countless uprisings from Petrograd to Vladivostok show the strength of M. Trotsky's followers. The center of the battle is a triangle, from Krasnov, Yelst and Valunk, where the red troops are supporting M. Trotsky in an open violent fight against the troops sent from Moscow.

TO TEST POTATO LOAN PLAN ACT

Farmers Will Be Able To Borrow On
Crop With: Flooding Market.

Grand Rapids—The percentage of the market value of potatoes, which a banker may lend on stock stored in a government licensed warehouse and the precautions which the banker takes to safeguard the bank's interest, would not be determined by the federal warehouse act, which it is proposed to amend to include potatoes, according to H. S. Yohe, of Washington, D. C., who has been holding conferences here on the contemplated amendment.

"With potatoes, of course, bankers will doubtless make it a part of their loan agreement that the borrower must provide additional collateral if the market price of potatoes goes down below a certain figure, or if the potatoes in storage deteriorate. Many call loans will be made."

HENRY P. FLETCHER

Washington—Henry P. Fletcher, of Pennsylvania, present ambassador to Belgium, who has been selected by President Coolidge to the post of ambassador to Italy. He will succeed Richard Washburn Child, who recently retired.

COMMITTEE O. K.'S ROAD FUNDS

Agricultural Bill Approves More Than
Fifty-six Millions.

Washington—A total of \$56,753,513, of which \$17,700,000 would be available for improvement of highways during the coming fiscal year, is carried in the annual agricultural bill has been reported by the house appropriations committee. The total is \$16,082,940 less than the appropriation a year ago, when \$32,300,000 was allotted for state aid, road construction, and is \$17,312 less than budget estimates.

For the enforcement of special laws by the department of agriculture, the bill carries \$2,627,000, the items including: Packers and stockyards act, \$452,540; Grain futures act, \$104,460; plant quarantine act, \$324,426; insecticide act, \$40,575; grain standards act, \$500,000; warehouse act, \$183,000; Cotton futures and cotton standards act, \$135,000; food and drug act, \$715,600.

An additional \$1,071,150 is provided for meat inspection, \$308,000 for market inspection of perishable food, and \$682,480 for the department's new service on fruits and vegetables.

An appropriation of \$20,000 is authorized to enable the weather bureau to give warnings throughout the country to fruit growers as to frost and advising on harvest weather and fruit spraying conditions.

The bill carries \$3,277,600 for eradication of tuberculosis among cattle the major portion of it to be spent in indemnities; \$600,000 for eradicating cattle tick; \$134,000 for eradicating hog cholera; \$328,480 for bluetongue control; \$411,315 for barberry eradication; \$572,360 for preventing the spread of moths, and \$216,350 for preventing the spread of the European corn borer.

NEW BONUS PLAN IS PROPOSED

Would Obliterate Necessity for Additional Taxation.

Washington—A new plan for financing the soldiers' bonus through use of the British debt settlement has been proposed by the southern commercial congress.

The plan, based on the principle of amortization, would finance the bonus without increasing taxation and without a drain on the federal treasury by means of a bond issue to be paid off in 50 years at a cost of only \$55,000,000 annually for every billion dollars paid the World war veterans.

It was designed to meet the objections raised by the late President Harding in his veto and by President Coolidge in threatening a veto that the bonus bill must contain a plan for financing its payments.

The annual cost, could be met by diverting war debt payments by Great Britain or other allied nations. The British payments alone amount to \$161,000,000 a year.

In other words, the plan would permit financing the bonus with the expenditure of only \$4,000,000 a year from the treasury if its total cost was \$3,000,000,000 and if no further debt settlements were entered. If the total bonus cost were less than three billion, the British debt payments alone could finance it.

If this plan is adopted, congress would not find it necessary to raise taxation, nor find new sources of revenue nor appropriate money coming into treasury from usual sources.

It would be necessary only to apply to the annual payments a part of the annual amortization to be received from Great Britain.

Los Angeles—Three months in research work and study of the little known submarine life of the South Pacific will be spent by Dr. Wilton McCarthy, noted ichthyologist, and a party of other scientists who sailed from Los Angeles harbor aboard C. D. Hubbell's power cruiser, Black Swan. A complete laboratory has been installed aboard the craft, including equipment for the securing of plaster casts of all specimens that are desired.

HELP THE OLD FOLKS

A Helping Hand Extended to Many
Old People in Northville.

The infirmities of age are many. Most old people have a bad back. The kidneys are often weak. Or worn out with years of work. Backache means days of misery. Urinary troubles, nights of unrest. Dean's Kidney Pills have helped to make life easier for many.

They are doing so for old and young. Northville people are learning this. Read the following local endorsement. George P. Goodall, retired blacksmith, 9 Cady street, says: "Dean's Kidney Pills have been a real remedy with me for the past years. Whenever my back gets to aching or my kidneys don't act regularly, I take Dean's, getting them from The Northville Drug Co., and they soon have me feeling all right. I have always relied upon Dean's Kidney Pills ever since my first experience with them and don't know of any medicine more worthy of recommendation." 60c. at all dealers.—Foster-Milburn Co., 315 N. PRESCRIPTIONS

The most important part of any drug-store is Prescriptions. When your doctor writes a prescription, he knows what the results should be, if the drugs and chemicals used are fresh, and of the required standard.

Your doctor's orders and your health depend on the quality of the ingredients used in the prescription, as well as the accuracy with which it is compounded.

Your Rexall Drug Store conducts its prescription department in the most exacting and painstaking manner, using only the finest quality drugs and chemicals, of the highest U. S. P. Standard, and by frequent purchases is always sure of freshness and potency.

Your Rexall Drug Store's Prescription Department is under the management of experienced, qualified, licensed pharmacists, whose every thought is prescription service; to give you everything exactly as your doctor ordered it.

Please don't ask us to RUSH a prescription; the work of compounding a mixture upon which your health and even a life depends, it too serious a matter to be hurried. If, however, there is immediate need of it, the work on it will be started immediately.

In all prescriptions, the first thought is best possible ingredients—and next accuracy in compounding.

SMALLPOX FIGHT ASSISTED BY U.S.

HEALTH CHIEF OF MIDWEST IS
ORDERED TO DETROIT—
MANY NEW CASES

BOILER QUARANTINE IS COMING

Energetic Measures Likely To Stamp
out Violent Disease—Seven
Deaths Reported

Detroit, Cal., Jan. 22.—The federal government is clamping down a drastic border quarantine to prevent the further spread of a black smallpox, which caused seven deaths in Windsor the last few days and one death in Detroit, has been assured.

Surgeon General Hugh S. Cummings has ordered Dr. C. C. Pierce, district inspector of health service at Chicago, to come to Detroit to take charge of the situation and assist Dr. Henry R. Vaughan, city health commissioner, and Dr. Fred Agam, occupying a similar position for the border cities, in controlling it.

Dr. Pierce has been empowered to take such precautionary measures as he deems prudent, including a quarantine against Windsor, if he thinks it necessary. Dr. Vaughan announced that preparations are being made for putting such a quarantine against unaccompanied persons in effect.

Nurses and doctors have been detailed to await Dr. Pierce's orders in taking up strategic posts along the river, to intercept for examination all persons undertaking to enter Detroit. Those unable to show scars of vaccination will be turned back unless they consent to vaccination in connection with their entry.

Detroit health officers have asked for the quarantine, and it has been inaugurated. Dr. Pierce's approval is largely a matter of formality.

Federal health officials were deeply concerned about the smallpox situation in Detroit.

Reports given them indicated that 32 new small pox cases were reported last week compared with 124 during the entire month of January.

While the number has not yet reached proportions of great alarm, reports showing from 40 to 50 new hemorrhagic cases were extremely disconcerting.

RUSSIA PLANS FOR LARGE NAVY

League's Permission Asked To Build
Capital Ships

Rome.—Permission to build 420,000 tons in capital ships has been asked by Russia of the conference here under the League of Nations auspices for extending the principles of the Washington naval treaty.

Admiral Behrens, representing Russia, set forth the difficulties of her position with its frontage on three seas, and pointed out that she had not received any guarantees from the other nations for her security.

The conference offered Russia 125,000 tons, but her representative refused to consider that tonnage, and after much discussion the figure was reduced by Admiral Behrens to not more than 300,000 tons in exchange for which he asked certain guarantees for the Baltic and Black Seas.

The spirit of the Washington conference by all accounts has been intensely pervasive throughout the discussion while the delegates as a whole concede that rivalry on capital ships is a heavy drain on the resources of all the countries, and anxious for an agreement as to limitation in the future of economy for no other reason.

The great question now, when hanging over all the sessions has been the problem of Russia due to the uncertainty of her future development, and the bearing this would have on her desire or ability to put a navy on the seas.

AUTO TITLE DATING CHANGE

DeLard Rules Against Stamping Time
of Manufacture

Lansing.—Under a ruling issued by Secretary of State Charles J. DeLard, the year in which motor vehicles are manufactured will no longer be stamped on certificate of title. Hereafter new cars will rank according to the date of issue on the certificate of title.

The ruling according to DeLard will benefit grocers of purchasers without a title purchaser of a car early in 1921 or instance, undoubtedly would get a car made in 1923 and his title would be stamped "1923."

The trade in value of the vehicle would be considerably reduced by the fact that the title showed it to be a 1923 car, when in reality it was never taken into a sales room perhaps until 1924.

The practice of dating titles according to manufacture, rather than the date of sale, had been the subject of many complaints.

The new ruling was made, the secretary said, because the old method was becoming dangerous to automobile production.

Berlin Selects Ambassador.
Berlin.—Herr Solf, German envoy to Japan, will succeed Otto Wiedfeldt as ambassador to the United States, it was stated here in official circles.

D. T. & I. EARNED \$1,786,000

In 1923 the Detroit, Toledo & Ironton Railway Company had a deficit of \$2,121,000. In July of that year Henry Ford became the owner of the railroad and stated that he expected to place it on a paying basis. A preliminary announcement has just been made to the effect that during 1923 the operation of the railroad resulted in an income of \$1,786,000—Michigan Manufacturer.

Walled Lake Warbles.

Mrs. Matthew Vozler was taken to St. Mary's hospital in Detroit last week for treatment.

A message was received by Mrs. J. J. Church bearing the sad news of the death of her niece William Wilson, which occurred at his home in Santa Cruz, Calif. Mrs. Wilson was born in Walled Lake about 67 years ago, his father, George W. Wilson being proprietor of the hotel here for many years.

Mr. and Mrs. Mark Ormsby are soon to become permanent residents of Walled Lake. They have purchased the H. G. Roach residence property, and Mr. Roach will build a new home in the spring. Mr. Ormsby's home at Clarkston was destroyed by fire a few weeks ago.

The mothers and daughters of this community will enjoy a banquet on Tuesday evening next at the High school gym. An interesting program is being prepared.

Walled Lake girls' basketball team defeated the second team from the Northville school on Tuesday night. Northville boys defeated the Walled Lake team to the tune of 27 to 19 and the Walled Lake Independent team trounced Northville's Independent to the score of 12 to 6.

If you enjoy dancing you certainly will miss a treat if you do not attend the O. E. S. ball next Friday night, the 29th. You will meet a lot of your friends there.

Mrs. W. D. Rathbun of Detroit is visiting her brother, J. B. Cook.

Mrs. Peter Collier has been visiting Salem friends the past week.

Mrs. Edna Doerflinger has returned to her home with a Detroit military.

W. Worth Wendell of Ontario was back in his home town for a few weeks.

Miss Edna Durg of Milford visited Northville friends the first of the week.

Mrs. Wm. Slater who has been on a nursing case at Evonia, has returned home.

Claude Burgess and room mate, Mr. Black of Detroit were out here Wednesday night.

Mr. and Mrs. Brockmiller of Clarencerville are seriously ill at the Louie Miller home.

Mr. and Mrs. Henry Fry entertained a number of friends at a card party Monday evening.

C. R. Rosecrans and wife of Detroit called on Mr. and Mrs. T. J. Perkins Saturday.

The D. P. & N. electric railway is now running cars regularly between Plymouth and Wayne.

Miss Mae White left this week for Poland where she has a position in the Port of Asylum.

John Scipio was the first man to ride on the electric road from Northville to the Mills col.

John Tiffin was tipped up by Fred Tiffin at school Tuesday and his collar bone was fractured.

The Northville U. S. fish station recently shipped 700,000 trout eggs to the fishes at New Zealand.

The copper stock craze has caught Northville and a number of our people are interested for small amounts.

John H. Bennett attended a reception at the home of E. H. Bennett at Plymouth on Monday evening.

Mr. and Mrs. E. Dugman of Vradenburg, wife and daughter, Ruth, spent last Saturday at the home of R. Wolfe at Farmington.

Iva Stilson entertained a number of friends Wednesday evening. Her cousin, Dr. Bassett, gave them a gramophone exhibition.

Notwithstanding the storm, there were over fifty couples present at the Anniversary ball Wednesday evening.

A number of people were here from Plymouth and adjoining towns.

Tuesday's telegram in the daily papers contained the news that the 55th Michigan regiment stationed at Augusta has received orders to be mustered out.

Northville boys in the regiment are expected home within the next 30 days.

John Yarnall, a local boy, was a member of the Northville boys who were stationed at Honolulu.

John Yarnall was the son of the late Dr. Garber and is well known to the older residents of Northville.

Mrs. Nancy Randolph, aged 83 years, died Sunday morning at the home of her daughter, Mrs. H. M. Harrington in Detroit.

Burial was in Northville on Wednesday. She is survived by two children, Mrs. Harrington and L. G. N. Randolph of Detroit.

Too much traffic on lawns and gardens.

Editor Record: If you will give me a brief space I will explain a matter that is gradually getting worse.

The time will soon be here when the lawns will be getting soft, and a week or so of traffic by the unthinking public will spoil any lawn for the rest of the year.

If a stranger were to drop in town some morning after a six inch fall of snow and follow the foot-paths from the corner of Dunlap and Wheelbarrow avenue to the cemetery he would have very little chance that there are sidewalks on the north side of town.

Barb wire enclosures may have been a good thing against the crowd in time of the fair, but they are a joke against the onslaught of the north-sider going to and from town.

I myself have put up many a fence but to no avail. The last one after the attack of the neighborhood children stood up for about three weeks, after which it was pulled up, rolled up and heaved against the house.

The old saying is "We are the people and must be respected." Why not respect our neighbors' property a little bit?

—A CITIZEN.

Walled Lake Warbles

WALLED LAKE WARBLERS.

Owing to the bad roads not many were able to attend the meeting of the Oakland county farm bureau held at Pontiac last Saturday. Another date will be announced soon.

Mrs. Arthur Harris and children returned home Friday from a few weeks' sojourn in Florida. Mr. Harris is driving his automobile back and is encountering some bad roads on the way. He was compelled to ship his car between certain points in Kentucky.

On Tuesday evening Rev. J. W. Green, pastor of the Baptist church, gave the people of this community something to think about when he gave an address upon the subject "One Hundred Per Cent Americanism." Can the Klan Produce It?

Not to be outdone by their neighbors the fathers and sons of Walled Lake enjoyed a banquet at the school building last Friday night.

It was attended by 146 men and boys, who marched to the dining room as Miss Dorothy Rose rendered a march on the piano.

The ladies were handsome in their snowy linen and silver and the feast was nicely served by the Pleasant Lake Aid society and was a most beautiful one.

Rev. J. W. Green offered the invocation and Loren Long officiated as pastor and in a very creditable manner.

Charles Stuart gave the address of welcome, Superintendent A. H. Upton of the Walled Lake schools gave an interesting talk on the subject of "The School and the Boys."

Charles Hutton sang two numbers, "The Trumpeters" and "He Met Her on the Stairs."

Arnold, Sherman gave a toast of "Fathers" which was responded to by Dr. H. C. Stuart who gave a toast to "Sons."

Ellsworth Blake read one of Edgar Guest's poems and this was followed by an interesting talk by Nels Peters, assistant home and child labor leader.

Who discussed Boy's Club work. Miss Mayone Stuart sang "My Lullaby" and was complimented by the audience.

Rev. H. C. Stuart gave a prayer and the service closed with a benediction.

George E. Kurbach, Jr., county fire bureau leader.

Arthur Harris arrived home from Florida Tuesday morning.

Walled Lake Rebekah Lodge celebrated its first anniversary on Thursday evening, when a pot-luck supper was enjoyed and a merry time was had following the feed.

Mrs. Jaunita entertained 24 men at dinner Monday night, the affair being planned in honor of Frank Tuttle to assist him in celebrating his birthday in a fitting manner.

In the center of the handsomely arranged table was a large birthday cake embellished with icing and decorated with a Masonic emblem in red.

During the heights of the merry-making the guests presented Mr. Tuttle a handsome Masonic signet ring.

Progressive Pedro followed the beautiful feast and Dr. H. C. Stuart won the honor prize and of course Iva Carnes won the consolation trophy.

HIGH-CLASS BULLS COME TO WAYNE COUNTY.

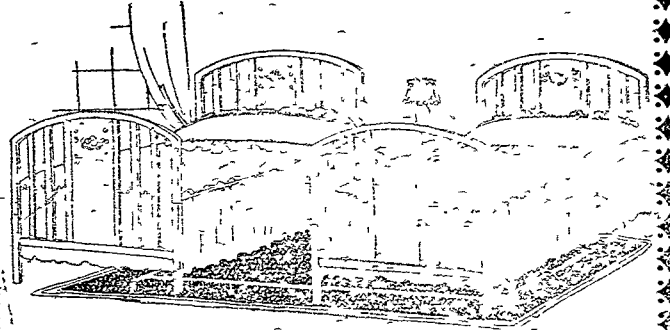

Wayne county breeders had the opportunity of securing two of the fine bulls offered at the state dairy cattle sale held by the Michigan Horse and Farmers association at M. A. C. during the recent Farmers Week.

Harry Macomber of Plymouth bought a fine veal calf whose mother

is a half-sister to the cow that topped the sale price at \$420.

The junior member of the W. H. Wernett and Sons firm of Plymouth brought home a very showy and promising young bull calf out of W. R. Harper's herd at Middleville, Mich.

These two head of cattle were all that were brought into Wayne county, but E. M. Stewart of Inkster, sold four head of an average price of \$263.25, which was above the sale average.

SALEM SAYINGS. OBITUARY.

Mrs. Anna Elizabeth Reed, nee Anna Wyke, wife of Dora Reed, died very suddenly of heart failure at her recent home near Salem, on Wednesday evening, at 8.30. Mrs. Reed was born in Monroe county, Ohio, near Jesu-salem, June 8, 1879; she attained the age of 44 years, 8 months and 12 days.

In January, 1897, she was united in marriage to Dora Reed and to this union eight children were born, two having preceded their mother in death.

The deceased is survived by the husband, a married daughter in Oklahoma, a son in Ohio, Mrs. Mary Ivis Fitzwater of Northville, Hollis, Charles and Edith Helen besides a host of relatives and friends to mourn her loss.

Funeral services were held at the late home Friday last, Rev. Lucia Strah of the Congregational church of Salem, officiating.

Mrs. Herschel Munn and Mrs. Louise Witsch rendered two appropriate duets.

The body was accompanied by Mr. Reed to Barnesville, Ohio, where interment will take place, this being the former home of the Reed family.

Mr. and Mrs. C. O. Hammond and daughter Gladys, were Sunday visitors at the home of Mr. and Mrs. Fred Pass at Northville.

Mrs. John H. Smith is recovering from the grip.

Mr. and Mrs. R. E. Geraghty were Northville shoppers Tuesday.

On March 6th, the men of the Federated church will show and serve their culinary art at the Salem town hall for dinner come and see what good cooks we have in Salem. Charges will be 25 cents.

An old-fashioned masquerade ball will be held at the Salem town hall this (Friday) evening, February 29. Stevens four-piece orchestra will play. Given by Mr. and Mrs. Will Cole and Mr. and Mrs. C. J. Savery.

John Herrick had a radio installed last Saturday.

The Farmers' Institute was held at the town hall on Thursday, the ladies of both churches serving the dinner and supper. In the evening moving pictures were given for entertainment.
