House Cleaning ...Days...

It's really too bad to take some of the joy out of your anticipation of spring time by mentioning spring house cleaning days, however, there is certain pleasure in house cleaning because there is the necessity of something new for the home. Usually it is curtains—and right here we want to tell you that we have just received our Spring Line of Curtains, all kinds. All ruffled nets and voiles include tie locks. We invite you to look them over.

This week we are featuring a 36-inch Serge for one-piece dresses, at \$1.00 per yard. Pearl greys, tans and sans, prettily checked in contrasting colors—3½ and 4 yards makes a sufficient pattern. Collars and cuff sets to match. One of the many narrow belts at 29c 50c, \$1.00 complete the outfit.

This week the big show cases contain the newest styles of American Lady Corsets. The Spring line of Olive brand Underwear and Linerie; also those popular slip-on Sweaters to wear with blouses, from \$2.95 up.

NEW COMPANY TAKES OVER FOUNDRY.

Last Saturday the final papers were signed and the transfer of the property for many years owned and operated by the American Bell & Foundry Co., was made to the newly organized company, the Bell Furnace & Manufacturing Co. The new company has been financed largely by Northville men and John E. Parker of Howell. The new stockholders are for the most part young men of vision, full of energy and enthusiasm, which speaks volumes for the success of the new enterprise.

In passing it might be of interest to many to mention the splendid record of the American Bell & Foundry Co. during its many years of existence as one of Northville's leading industrial enterprises. The company was organized in 1893, just after the old Globe company's fire, which put Northville in the slough of despond. At that time it required heroic efforts to get subscriptions for a \$16,000 company, after the business for which it had been acquired had been nearly wrecked by fire and time. This task was finally accomplished, however, and the new concern started on its 24th year journey. What its accomplishments during the passing years can best be told in figures. During this time its total "close down" was less than eight weeks and its total sales over \$1,335,000. Wages paid during that period amounted to nearly a half million dollars—\$490,000 to be exact.

The financial success of the company can be measured in terms of dollars and cents in the statement that stockholders have received over \$100,000 in cash dividends and will receive in liquidation sufficient cash on capital assets, after the few outstanding bills are paid, to be highly pleasing to all.

The stockholders of the company have reason to feel proud of the employees during these years. Their loyalty has been of such a character as to presage success and the limited turn over of labor has been remarkable. The new company inherited from the old Charles Fikins and Charles Van Valkenburgh, who each served faithfully for 40 years in the same building. H. Clay Calkins and James Savage came near the same mark, while Zedac Allen and William Kay served almost continually until gathered in by the Great Reaper, the former two years ago and the latter recently, after being with the Ford Motor company for a couple of years. James N. VanDyne was a fixture of the old company when the new one was organized and remained with the American Bell & Foundry Co. until it closed its honorable business career, and he now goes with the Bell Furnace & Manufacturing Co. as traveling salesman.

The old company passed off the state of action with sincere thanks to the community for its many favors and support and its officers and stockholders believe and trust the continued good will and loyalty of Northville people will be extended to the new organization to which it has disposed of its interests.

This article would not be complete nor would it be just if the long and faithful services of Frank S. Harmon in behalf of the American Bell & Foundry Co. were mentioned. In season and out of season he gave the business of the company his best thought and most efficient efforts, and his untiring labors for the up-building of the company have been greatly appreciated by those with whom he has been associated. Poor health prevented him from giving the affairs of the company his personal attention and he finally decided to relinquish the duties of president and manager. To Mr. Harmon's vision and keen business sense is due largely the success of the old company and he retires with the respect and esteem of all the stockholders as well as with the good wishes of the patrons of the company who have been regular customers during all the years the company has been in business. By the people of Northville he is held in highest esteem and it is the sincere wish of all that his health may be speedily restored and he may be permitted to enjoy many years of health and happiness.

Miss Beth Ponsford is spending the week with relatives at Saginaw.

Among the out-of-town people who attended the funeral of Mrs. Ida Helm of Plymouth, were Mr. and Mrs. Wm. Miller, Harold Miller; Mr. and Mrs. Howard Greer of Novi; Mr. and Mrs. Wm. Tesch, Mr. Rudolph, Miss Lena Witt, Edward Witt, Mrs. Gussie Witt, Northville; Mr. and Mrs. Fred Witt, Mr. and Mrs. Herman Witt, Mr. and Mrs. Carl Witt of Detroit and Charles Zimmerman of Marine City.

MASONS HAD A BIG TIME.

One of the largest crowds ever gathered in the Masonic hall in Northville was present at the meeting on Monday night when the officers and members of Highland Park Lodge came over to confer the M. M. degree upon two candidates. A beautiful dinner was served at 7:30 and Brothers Fred Hedge and Robert Pickell, with the assistance of their efficient "kitchen police," are deserving a great deal of credit for the manner in which the hungry fellows were served.

The male quartet sang three numbers greatly to the delight of the big crowd and Dr. Eli J. Forsythe made some appropriate remarks. The lodge room was crowded to its capacity when the work was taken up after the big feed. Highland Park Lodge did the work in a very interesting and praiseworthy manner and the meeting proved one of the most enjoyable of the year.

ENJOYED A GOOD SING.

At the meeting of the Exchange club on Wednesday the members enjoyed a good sing under the leadership of A. Royal Forsythe, and how the men about the long table did sing. Mr. Forsythe contributed a couple of solo numbers to the program. F. S. Harmon was the special guest of the club and he was given a very cordial welcome. Past President Dolph expressed the sentiment of the members and the community at large when he said "Mr. Harmon is the type of a man who has been a great help to Northville and an inspiration to those with whom he has been associated." He told of his first meeting with Mr. Harmon and reviewed his activities during the intervening years. Mr. Harmon responded to the cordial welcome and admonished his hearers to "carry on" in their efforts to make Northville and this whole community a bigger and a better place in which to live.

TO-DAY AND TO-MORROW ARE OPENING DAYS.

The people of this section will do well to remember that to-day and to-morrow have been designated by a number of Northville merchants as Spring opening days, when they will be glad to receive visits from all the people of this community. The local stores are showing very attractive lines this season and Northville merchants are anxious that all should be afforded an opportunity to make a personal inspection of their stocks.

It very often occurs that people go to the city to trade only to find afterward they could have done as well or even better right at home, besides having saved their car fare. These opening days will afford all an opportunity to visit the local stores and to look around—not necessarily to buy if you are not prepared to make your selections at this time, but that you may become better acquainted with the stocks carried by our home merchants.

PREBYTERIAN WOMEN TO MEET AT WILFORD.

The Presbyterian Missionary society is busy with the preparations for entertaining the annual meeting of the Detroit Presbyterian society, which is to be held in the Wilford church on Tuesday and Wednesday, April 1 and 2.

The sessions open at 11 o'clock on Tuesday forenoon and close on Wednesday afternoon. Included in the program will be addresses by Miss Blanche Stevens from the mission fields of Chasen and Miss Maude A. Kinniburth, field secretary of the national missionary board.

It is expected that one hundred and fifty delegates will be here who will be entertained in local homes over night and for breakfast. The Methodist Ladies' Aid society will serve the dinners and suppers in the dining room of the Methodist church—Wilford Times.

FRANKLIN-SHOEBRIDGE.

A very quiet wedding ceremony was performed at the home of Mr. and Mrs. Merrill Franklin, when their eldest daughter, Grace Hennessey, was united in marriage to Mr. Chauncy Shoebright both of Salem, on Wednesday evening, March 26th, at 8:00 o'clock. They were attended by the bride's sister, Miss Irene Franklin of Salem and their cousin, Albert Broegman of Plymouth. The ceremony was performed by Rev. Lucia M. Stroh of Salem. The bride is the eldest grandchild of Mrs. Minnie Broegman of this place.

Their many friends wish them a long and happy life.

Miss Dorothy Taylor is spending the week with her parents at Clinton.

IN GOOD TIMES

The sky is usually bright and things, generally, look rosy.

But, too often, we forget that good times are not permanent. They are not like death and taxes—always with us.

In good times, it is well to look ahead and prepare for those times that may not be quite so good; to conserve our energies and our earnings to the end that, though times, generally, may not, in some future day, be good, no time will find us unprepared.

A Savings account is the best of all guarantee against the times that are not so good. Start now.

ANNUAL MEETING WAYNE COUNTY FARM BUREAU.

The annual meeting of the Wayne County Farm Bureau held at the Methodist church, Wayne, March 12th, was very well attended by members from all over the county. The business meeting, including election of officers, was held in the forenoon and dinner was served by the ladies of the church. The first speaker on the afternoon program was W. W. Billings, president of the Genesee County Farm Bureau. Many said Mr. Billings' talk was the best Farm Bureau speech they ever heard. He stressed better methods of production and marketing and a closer touch with the Michigan Agricultural college and progressive farm organizations. Mrs. Louise Campbell, state leader of home demonstration agents, gave a general summary of extension work for the women and girls. In her talk

she suggested many helpful inexpensive devices for new or old houses which would add to convenience and comfort.

Miss Sylvia Wixom, assistant state leader, Boys' and Girls' clubs, the last speaker, was crowded for time but entertained the members with a snappy ten-minute talk on the value of boys' and girls' work.

The following are directors for next year:

Harold Stinson, Flat Rock, Brownstown township; Clifford M. McClumpha, Ypsilanti, R. No. 3, Canton township; Fred R. Schafer, Wyandotte, R. 2, Ecorse township; George J. Wolf, New Boston, Huron township; Levi Clemens, Plymouth, R. No. 5, Livonia township; W. E. VanVleet, Inkster, Nankin township; Albert Ebersole, Plymouth, R. No. 3, Northville township; Mrs. Maud Bennett, Plymouth, R. No. 4, Plymouth township; Sylvester Shear, Redford, R. No. 2, Redford township; A. F. Klages, Romulus, Romulus township; Mrs. Fred Miller, Willis, R. No. 1, Sumpter township; Nelson Rogers, Belleville, VanBuren township.

Walled Lake Warbles.

Teachers and pupils of the Walled Lake schools are enjoying a vacation this week.

Walled Lake's independent basketball team defeated a team made up from a number of Pontiac organizations on the local floor last Thursday night, the final score being 22 to 28 in Walled Lake's favor.

Commerce township republicans have named the following as their candidates for township officers: Frank Malcomb, supervisor; Lloyd Coe, Clerk; treasurer, Earl Garner; high-

wayoverseer, Joe Long; justice of the peace, Charles Rose.

Henry Gilbird of Walled Lake was on Tuesday morning sentenced by Judge Harpster to spend 30 days in the county jail, after pleading guilty on a charge of threatening to burn the home of Daniel Gould of Commerce. The threats are said to have been made through the mail.

Arrangements have been made for Senator Hiram Johnson of California, candidate for the Republican nomination for president of the United States, to speak in Pontiac on March 31. The senator will be starting a tour of Michigan on that day and will make his first speeches in Pontiac. Both will be noon addresses, delivered at local factories.

Fred Day, for many years a resident of this place, died at the home of his sister, Mrs. Frank Kinney, at Atlanta, and the remains were brought here for burial. Funeral services were held at the Baptist church last Friday afternoon and were attended by a large number of old friends and neighbors, the Oddfellows being present in a body. Rev. J. W. Green had charge of the services.

LADY MACCABEES ENJOY ELBORATE BANQUET.

The Lady Maccabees of Northville had a merry time at Foresters' hall on Monday night, and B. Wade's Workers wish all to know that they regard the Busy Bees as a lively lot and competitors worthy of the best of them. It fell to the lot of the Busy Bees to banquet B. Wade's Workers and the very delightful affair took place on Monday night at six o'clock. Covers were laid for 100 and the gathering was a really wonderful event and one not soon to be forgotten by those present. The hall and tables were decorated very appropriately in Maccabee colors and the flowers were artistically arranged. Lady Watts and her efficient committee devoted much time and effort in making the gathering an interesting and enjoyable one.

At the conclusion of the feast Lady Gilbert, deputy great commander, of Detroit, delivered an excellent address, to which the banqueters listened with close attention. She spoke highly of the order and respectability of the work that Wayne, Plymouth and Northville Chives had done during the past two months. Plymouth initiated 26 members, Wayne adopted a class of 50 Thursday and Northville secured 26. She spoke of the Busy Bees losing in the contest, but assured all they had not lost in their efforts in preparing the banquet and in providing such an enjoyable meeting. Lady Gilbert is a real inspiration to all Lady Maccabees and all were glad to have had her present at the banquet.

Lady Cora Martz then turned the meeting over to Lady Smith who conducted the work in a very creditable manner. Lady McCullough and Lady Hendryx gave two very interesting readings, and they also took part in the fancy drill given by the Busy Bees. The rest of the evening was spent with cards and dancing and everyone present enjoyed the affair to the utmost. The Busy Bees received many compliments for the manner in which they planned and carried out the meeting.

HARRY S. JACOBS DIES FROM INJURIES IN AUTO ACCIDENT.

Harry S. Jacobs, who was a resident of this village for a number of years, the family moving to Pontiac a year or so ago, died at the City hospital in that city last week Tuesday, as a result of an accident. Mr. Jacobs and Floyd Bickford were riding north on Woodward Avenue in a Chevrolet sedan owned and driven by the latter. When they reached the D U R crossing at Hickory Grove road, their car collided with a large semi-trailer driven by Noah Fisher of Maumee, Ohio. Fisher had just driven over the crest of the hill south of Hickory road when obstructions on his side of the road compelled him to swing suddenly to the left. At that instant Bickford's machine appeared. Both drivers swung to the east and passed clear across the two D U R tracks colliding beyond the east rails. Bickford's machine was wrecked and hurled on its side, with Jacobs beneath.

Fisher and others nearby lifted the sedan from Jacobs, a passing motorist was impressed into service and the injured man hurried to the City hospital. He died just as he was being removed at the institution. Injuries about the head were of such character that had he been received alive it is believed he could not have survived. Bickford was not seriously hurt and was taken to his home. He appeared to be injured somewhat about the back.

The wrecked car was towed into a Pontiac garage. Oakland county officials who made a test of the brakes on Fisher's car found them to be defective, and practically useless.

Funeral services were held at the home of George Whipple west of town last Thursday, being conducted by Rev. F. P. Knowles and interment took place at Plainfield. The deceased is survived by his wife and two children, who have the sincere sympathy

of many friends and acquaintances in this section.

REV. SETH REED DIED AT FLINT.

Rev. Seth Reed, who had the misfortune to fall from his bed at his home in Flint some days ago and to sustain a fractured hip, died late Monday afternoon. Mr. Reed was past 100 years of age and was familiarly known as "The Grand Old Man of Michigan Methodism."

Mr. Reed had spent his life since young manhood in the service of the church and for many years was engaged as a circuit rider, riding on horseback through the wilds of Michigan to reach his appointments.

For a few years he was presiding

elder for this district, and during that time he resided in Northville.

LEW FIELDS AT THE GARRICK.

"The Jazz King" is Lew Fields' vehicle this season. It was written by Herbert Richard Lorenz, and will be seen in Detroit, beginning Sunday evening at the Garrick Theatre a week's engagement. Mr. Fields, who is one of the best known comedians on the American stage, having established a reputation as such during the many years he was associated with the Webber and Fields Music Hall in New York and on tour, is very fortunate to have a role such as he has in "The Jazz King," which gives him no limit of opportunities to create gales of laughter. He plays an old music composer, who in his youth earned fame as the creator of a sonata that won the prize in Europe in competition with composers from the entire world. Now in his old age he is compelled to earn a livelihood by working in a music publisher's establishment, where jazz reigns king. The work is repugnant to him, but nevertheless he must live.

The laughs begin when he is called upon to arrange a piece of jazz music to the vocal and dancing talents of vaudeville actors. If you have never been in such a shop where this is done a treat is in store for you; that is, if you have a sense of humor, and Mr. Fields contends that ninety-eight percent of Americans have a sense of humor. How this sort of music is written and tried out and later popularized, give the authors of jazz no limit of mirth-provoking opportunities, and that is why this play should make a laugh record that will stand for a long time to come.

BE CAREFUL WITH YOUR MAIL.

Suggestions to business firms on handling their mail matter are given in a bulletin that is being sent out through the Washington postoffice in connection with "Better Mailing Week." They are:

Enclose your letters in good strong envelopes; wrap and pack your parcels carefully.

Address plainly, including specific address, postoffice box number, rural route.

A complete return card is a business asset. Your patrons can always reach you by mail or otherwise.

See that a return postage guarantee is placed on all circular, printed and parcel matter. This is a simple and direct means of maintaining a correct mailing list.

Place all letters and circulars one way, separate by large circles and states and tie in bundles.

Do not wait until late in the day to deliver your mail. Mail boxes are connected with the earliest dispatches for the destination to be reached.

Use special delivery service for prompt delivery; the registry service for safety; the insurance service for indemnity; and the money order service for safe transportation of money.

Mail your monthly bills in the morning, as the congestion in the postoffice in the evenings on the first and last days of the month is great.

OBITUARY—MRS. IDA HELM.

Thursday, March 13, 1924, Mrs. Ida Helm passed away in this village. Mrs. Helm was born September 21, 1850, in the province of Pomerania, Germany. It 1884, Mrs. Helm came with her husband, the late John Helm and three children to this country. The family found their first home in the state of New York. Then they went to Chicago, where they resided for nine years, whereupon they moved to Novi, Michigan. Fourteen years ago the husband died, and Mrs. Helm had to carry the burden of life alone. When she became feeble three years ago, she made her home with Mrs. Elizabeth Zander for one year. The last two years she lived at the home of George Pierson.

When Mrs. Helm took seriously ill about six weeks ago, her daughter, Mrs. Friederica Witt, rented a flat on Main street, and nursed her mother until her death. The funeral took place March 15th, from Schrader Brothers' funeral home, Rev. J. Bollens of Farmington officiating. On account of weather conditions at this time, the body was placed in the vault, and burial will take place some time in May.

Besides the daughter, Mrs. Witt, there are left to mourn their loss, four nieces and three nephews. May those who are left behind find comfort and solace in our christian hope.—Plymouth Mail.

STABILIZED TRANSPORTATION.

"This has been a hard winter for automobile driving," says the Benton Harbor-St. Joe Railway & Light company in its publicity campaign through local newspapers. "But when the cold weather made starting hard and the snow drifts made driving impossible, the street cars were running regularly. Stabilized transportation—cars everyday, taking you to work, to school, to church, and relieving what otherwise would be a serious handicap to the regular transaction of business. By riding the street cars you are insuring this necessary civic service."

Slow Pay.

More work would be done for posterity if it wasn't such slow pay.

Sure Used Travel.

"If I had a race horse," said Uncle Eben, "I'd name 'im 'East Dollar,' 'cause dar ain' nuffin' dat goes faster."

During the next few months you will need a good supply of COAL and we are in a position to serve you.

It will be to your mutual advantage to keep your bins reasonably well filled, because a continued cold spell—such as we usually get at this time of year—will make the fuel situation most acute.

Do not permit your bin to get where you are compelled to scrape the bottom.

10 MILLIONS FOR GERMAN RELIEF

CONGRESS APPROPRIATES SUM TO HELP AVERT SUFFERING AND STARVATION.

FAVORABLE VOTE IS 240 TO 97

Measure Provides That Food Stuffs Be Purchased in This Country and Sent On U. S. Ships.

Washington—Ten million dollars to buy food for starving women and children in Germany has been authorized by the house after a long, stormy session which resulted in virtual array of the south against the north and west. By a vote of 240 to 97 the house approved a resolution of Representative Fish of New York to send American food to Germany.

Party lines were blurred in the voting, southerners opposing the measure, and northern and western Democrats favoring it. Michigan representatives voted solidly to expend the money for the relief.

Opposition to the measure was based primarily upon the unconstitutionality of the appropriation and the propriety of expending public money this way. The proponents of the resolution declared that sections of the constitution directing legislation for the good of the country, included gaining the good will of foreign nations as being for the good of the United States.

It is believed that the donation not only will result in good to the Germans but will aid the American farmer, since the resolution expressly stated that the money was to be used to buy food and supplies for shipment to Germany's destitute, and the cash would stay in this country. Under the provisions of the act, the supplies are also to be shipped to German ports in American vessels.

Representative Wood, of Indiana, declared that if this act of charity violated the constitution, so also did the war loans to France and other countries because he said the French loan was really charity, since it would never be repaid.

WIFE SHOTS MAN IN THEATER

Audience In Panic As Shots Are Fired—Woman Drinks Poison

Detroit—Sigmund Rosen, 21 years old, organist at the Del The motion picture theater, 3935 Mack avenue, was shot in the back three times by his wife, Harriet Rosen, of Sandwich, Ont., as he sat playing for the final scenes in a movie drama at the close of the afternoon performance.

Rosen was fatally wounded. His wife, who threw away the revolver and drank poison immediately after the shooting, will recover. In a statement to the police at the hospital she said "I did it because I loved him."

Patrons of the theater, including 500 children attending a special juvenile performance, were thrown into a panic as Mrs. Rosen who had been sitting in the front row—just behind her husband, fled.

The theater was in darkness when the shots were fired. Women and children began to scream and the lights were turned on. Rosen was found lying in the orchestra pit and his wife lay nearby. A revolver was found on the floor beside her.

POPE ELEVATES 2 U. S. BISHOPS

Hayes and Mundelein Made Cardinals of Roman Catholic Church.

Rome—Monsignor Patrick J. Hayes, archbishop of New York and Monsignor George W. Mundelein, archbishop of Chicago, have been made cardinals of the Roman Catholic Church at a secret consistory in the historic Hall of Consistory at the Vatican. The ceremony, carried out in conformity with the centuries-old ritual, was performed in majestic solemnity, amid a setting of colorful splendor.

The Pope in his allocution declared America to have attained "primacy" in charity and that he wished to remember this in an unusual way. Therefore he elevated to the sacred purple two prelates whose qualities and the importance of whose See warranted it.

The two American prelates, raised to the dignity of princes of the church were not present, but awaited notification of their elevation at their respective temporary places of residence in Rome, in accordance with custom.

TWO MORE INQUIRIES VOTED

House to Investigate Aircraft and Engraving Bureaus.

Washington—The House has authorized two more investigations—one into the aircraft industry, the other into alleged duplication of Government bonds at the Bureau of Engraving and Printing.

Investigation of the Army, Navy and mail air services, as well as of the aircraft industry generally, is proposed in the resolution, presented by Rep. John M. Nelson (Rep.), after he had charged on the House floor that corruption could be proved in the industry in its relation to the Government.

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1897 for the week corresponding to this week.

John Darlington was home this week.

D. McPhail was home from Walker, Ont., over Sunday.

Mrs. Helen Nash has returned to Muktonago, Wis., with her sister.

Edmund Harmon and wife are to occupy the Murray house on Rogers street.

Miss Nora Rasch has been suffering with a severe attack of erysipelas for two weeks.

Thomas W. Taylor, for several years foreman on T. G. Richardson's farm, has accepted a position with the D. M. Ferry seed growers at Detroit, and will move to that city shortly.

Mrs. A. M. Evans, aged 78 years, mother of Mrs. H. Turner died at the latter's home on Monday as the result of a paralytic stroke. Funeral services were held Wednesday, Rev. Ward officiating.

Mrs. Mary Burdick of Mead's Mills has been brought to the home of her daughter, Mrs. Frank More. Mrs. Burdick suffers intensely and constantly in spite of medical attendance, but endures all with true Christian fortitude.

The general store of Stephen Gage of Walley Lake was destroyed by fire Tuesday. The residence of Mrs. Dr. Hoyt, close by, also caught fire and was burned to the ground. The Mich. Telephone Co.'s office located in the Gage store was completely wiped out.

The Democratic-Union-Silver convention at Detroit last week nominated Mrs. Petilla F. Nichols, wife of Arthur S. Nichols, for county school commissioner. Mrs. Nichols is a bright, attractive young woman and is generally popular in this community. She is exceptionally well qualified for the office of county school commissioner.

Landford and Mrs. Shafer of the Park hotel gave their little daughter, Loretta, a birthday party last week. Some thirty of her young friends from Northville and Plymouth were present.

Mrs. Lockwood of Highland visited over Sunday at the home of her daughter, Mrs. Chas. Judson.

Wm. Case entertained R. W. Hamilton of Moline, Ill., last week.

Susie Morrison of Commerce visited Grace Porter last Friday and Saturday.

Charles Thornton and family will move into the Houk house on Mill street.

Miss Rosa Banfield of Wixom is assisting at the home of Mr. and Mrs. Charles Thornton.

Miss Lute Paulger was the guest of Farmington relatives a part of last week.

When the Ann Arbor Courier transported our own village bodily to Washtenaw county by putting us in its locals we didn't feel very bad about it, but when we found the Record had been transferred to Northfield we must protest. "We don't want to be in Northfield (where is Northfield anyway?) and we utterly refuse to be credited to that hypothetical location." We insist on staying in Northville for the present. We don't want to "move on."

METHODIST CRUSADERS TO MEET IN YPSILANTI

Approximately 500 young people of the High school groups of the Methodist church and the Epworth League of the Ann Arbor district, are expected to gather in Ypsilanti April 4 and 5 to attend the annual Crusaders conference and Epworth League convention to be held in the Methodist church. The local High school Epworth League and the Wesleyan Guild will be hosts for the occasion.

Friday evening the four dining rooms of the church are expected to be crowded for a banquet and to hear Dr. Ames Maywood, a prominent speaker in Michigan Methodism. Saturday Dr. Harry C. Wilson of Chicago, will give two addresses and a play, "The Rich Young Man," will be offered by the Ann Arbor delegation.

CELEBRATED SILVER WEDDING ANNIVERSARY

Mr. and Mrs. William Thornton celebrated their silver wedding anniversary by entertaining at a six o'clock dinner Saturday, Mr. and Mrs. C. E. Rogers. Mr. and Mrs. Donald Robertson of Detroit, Mr. and Mrs. C. T. Thornton and son, Charles, and Mrs. Hazen of Northville, Mr. and Mrs. Earl Banks and son, Russell of Novi, Mr. and Mrs. Harry Bogart and daughter, Beryl and Mr. and Mrs. Ford Burch of Pontiac. The decorative scheme was green and white. They received many lovely gifts appropriate for the occasion.—Farmington Enterprise.

Personal Liberty. Some folks conflict a temporary touch of sentimental feeling with calm, deliberate reasoning and judgment. That's why personal liberty is sometimes placed above vaccination against such debilitating and serious diseases as smallpox, typhoid fever and diphtheria.

To Farmers and Fruit Growers

If you have any Trees not bearing marketable fruit I will be glad to graft any kind of fruit you wish to put in them this spring. You can cut your own scions or I will get them for you. Remember I do not use any "suckers" for scions—just the last year's growth from ends of limbs. My work is guaranteed or no pay. Call Northville phone 7121 F-4, or write me at Novi, Mich.

SENATE CONTINUES INVESTIGATIONS

OIL LEASES, DEPARTMENT OF JUSTICE AND CAMPAIGN FUNDS BEING AIRED

SINCLAIR CITED FOR CONTEMPT

Refuses to Give Further Testimony—Will H. Hayes Says Oil Magnate Gave \$75,000 for G. O. P. Deficit

Washington—The three major senate investigations into the oil scandals, the department of justice and the internal revenue bureau—are now going forward on all fronts, while sensation-mad Washington hangs breathless on their daily disclosures.

Another inquiry, said by its sponsors to be fraught like the others with potential disclosures of scandals, has just been launched by the house, into the administration of the shipping board.

Far from going into a decline as was predicted by some two weeks ago, the senate oil investigation is reaching out toward new heights. Swerving aside from the leasing of the naval oil reserves on which it put several months of hard work, it is now reaching back for "first causes" back to the 1920 Republican national convention where, according to reports it has received in various forms, the plot for turning over the naval reserves to oil interests was hatched.

The oil committee this week is digging deeper into reports that the presidency in 1920 was offered by oil interests as a bribe for control of the nation's resources. Likewise it has gone into contributions made by Sinclair and other oil interests to the Republican treasury.

The senate oil committee decided early in the week to recommend that the senate certify Harry F. Sinclair to the district attorney of the District of Columbia for grand jury proceedings because he refused to answer further questions put by the committee investigators.

Will H. Hays, former chairman of the Republican National Committee, testified that at his solicitation, Mr. Sinclair had agreed to contribute \$75,000 to help wipe out the \$1,500,000 deficit of the committee after the 1923 campaign.

After being directed by the unanimous vote of the committee to take the witness stand "for the sixth" time, Sinclair announced his refusal to submit to further questioning.

"I do not decline to answer any question on the ground that it would tend to incriminate me," Sinclair said at the outset, "because there is nothing in any of the facts or circumstances of the lease of Teapot Dome which does in any way incriminate me."

Stating he already had been before the committee on five different occasions, the oil magnate reviewed many of the facts of the case, as presented to the committee by his counsel in arguing that he be excused from further attempts to examine him.

ARMS EMBARGO TO HONDURAS

Coolidge Prohibits Further Export of Munitions to Rebels

Washington—A proclamation prohibiting the transportation of arms or munitions of war to Honduras has been issued by President Coolidge.

The action was taken under authority of a joint resolution of congress of January 31, 1922 and the proclamation recited that the step was required because of conditions of domestic violence in Honduras which are or may be influenced by use of arms or munitions of war procured in the United States.

Concern has been felt in Washington with reference to conditions in Honduras incident to the revolution for some time, and the situation reached an acute stage last week when de facto government officials at Tegucigalpa demanded that American bluejackets return to the cruiser Milwaukee. The demand was refused by Franklin Morales, the American minister.

REED QUITS RACE IN MISSOURI

Announces He Will Abide by Selection of People at Primaries

Washington—Senator James A. Reed, of Missouri, in a statement has declared he would not ask the convention of Democrats of his state to support his candidacy for the presidency or to cover upon him any favors whatever.

"I expect to abide by the decision of the people of Missouri, rendered at the primaries," he said, "and to heartily support our ticket."

Hits Voyage To Rescue Deer

Port Townsend, Wash.—Rescuing a deer that had been driven into Puget Sound by dogs, Captain Lonsdale, of the coast guard boat Arcata, hauled the animal aboard and released it on shore. With his ship Captain Lonsdale was en route to Discovery bay when he saw the creature leap into the water and swim wearily about. He headed the ship toward it. Exhausted and frightened, it was the work of a moment to haul the deer on board.

R. R. POINTER

BERGDOLL'S RETURN IS ASSURED

American Legion Guarantees Full Protection To Draft Dodger.

Washington—Grover Cleveland Bergdall, draft dodger, now in Germany, has definitely promised the American Legion he will return to the United States within a month to serve his sentence, the American legion legislative headquarters announced.

The legion has guaranteed the personal safety of Bergdall, if he will return to the United States to serve his sentence, Garland W. Powell, director of the National Americanization commission of the legion, announced.

The legion has undertaken to guarantee him safe delivery to the custody of the United States authorities, and to protect him from mob violence.

Powell did not reveal any details of the arrangements of Bergdall's return to the U. S. States but said he made his announcement because it had been rumored that the legion had offered him certain inducements to return, and he desired to make the legion's position clear.

RECOGNITION OFFERED TO REDS

Mexico Has Approached Soviet Government With Proposal

Rome—Mexico has recently approached the Soviet government with a suggestion that negotiations be opened looking toward mutual recognition and full diplomatic and commercial relations, according to information gained by the writer in Russian circles here.

In eastern and southern Europe such resumption is now rapidly proceeding following recognition of Russia by Italy and Great Britain.

The Soviet have adopted a standard formula of recognition on which insist in all negotiations with small nations except those newly created as a result of the war.

This consists of three articles to be jointly signed the first providing for reciprocal de jure recognition, the second for immediate resumption of diplomatic and consular relations and immediate appointment of plenipotentiaries, and third immediate negotiations aiming to friendly settlement of all questions whether derived from the Czar's government or from the revolution.

CROP OUTLOOK IS FAVORABLE

Normal Production By Farmers Forecast in United States Report

Washington—The general agricultural outlook for 1924 indicates that farmers are undertaking a normal production program, the department of agriculture has been announced here. Agricultural production this year, the department said, will still be attended by the difficulties arising from high wages and other costs; loss of farm workers and the general disparity between prices of farm and urban products.

The wheat situation was described as showing some tendency toward improvement, with the market continuing somewhat more favorable for producers of spring than winter wheat. Spring wheat growers report intentions of reducing their acreage 14 per cent below last spring's planting.

Million Leave Farms For City

Chicago—Since last year another million people left the farms for the cities, the Sears Roebuck Agricultural Foundation reports, adding that the population has increased during the same time about 1,400,000, which means there are 2,400,000 more people to feed and a million less producers to do the feeding. "This condition," the report said, "warrants industrial and commercial leaders doing something definite and concrete to help the farmer get on his feet."

GOOD CROWDS ATTEND SPECIAL MEETINGS.

"The Realities of Life" campaign in the Methodist church conducted by Dr. E. J. Forsythe of Detroit and his son, A. Royal Forsythe, with Fred Wright as pianist, is growing in interest and volume. Last Sunday the audiences were the largest yet and many were the visitors from out-of-town. Sunday afternoon Dr. Forsythe spoke to a fine audience of men and the message was well received.

Sunday night the message on "The Tragedies of Home" was a mighty appeal for the preservation of the home in our American life. Monday evening A. Royal Forsythe with Fred Wright at the piano put on the first "boosters" night. Before the service the large gathering of children marched down to the main corner of the town and rendered several selections. The program of the evening was composed of choruses, solos, quartets, and "yells." It was a mighty interesting service and displayed the genius of Mr. Forsythe with young people.

Sixty-four men attended the men's luncheon at the Methodist church on Friday noon. It was one of the M. B. ladies' usual superlative meals and Dr. Forsythe gave a demonstration of "Character Analysis" with several of the prominent citizens as "subjects."

This Friday, another men's luncheon will be served at the church, 12 to 1. The subject will be "When Good Fellows Get Together."

Friday night will be another "boosters" night and everybody should hear the program rendered by our young people.

Sunday will be a red-letter day. In the morning the American Legion will attend in a body and Dr. Forsythe will address them on "What America Stands For." Sunday afternoon to men only he will speak on "Hot Shot or the Devil's Griddle." Every man invited. Bring your boy.

Sunday night a great audience will gather to hear Emily Nora Forsythe, the talented wife of Dr. Forsythe, and mother of A. Royal Forsythe. Mrs. Forsythe has spoken to audiences of thousands of men and women and is a charming speaker.

Northville will be glad to hear this accomplished woman. Mr. Forsythe will speak on "How to Tell the Real from the Unreal in Men and Women."

All next week the meetings will continue with special addresses at the High School. Dr. Forsythe will give an address on "Mixtures" to the faculty two addresses to the scholars and personal interviews spread all through the week.

Tuesday—"The Master Mind"

Wednesday—Sex Talk to Married people only—men and women

Thursday—"How to be Popular," second on this subject

Friday—Mrs. Forsythe on "A Woman as old as she Looks"

JAMES H. BELL,
Secretary-Treasurer Detroit Conservatory of Music.

Fifty golden years of constructive artistic education of the Detroit Conservatory of Music, founded by Jacob H. Hahn in 1874, the oldest musical institution in Michigan.

James H. Bell, Secretary-Treasurer of the Detroit Conservatory of Music, has been closely affiliated with the financial activities of the Conservatory.

As Secretary under Mr. Hahn's direction, during sixteen years, it has eminently fitted him as the guiding hand to continue so prosperous and well established an institution. Thirty seven consecutive years of constructive building is Mr. Bell's record to date.

Unusually equipped, with keen vision, an optimism which engenders confidence in his associates, like his predecessor, Mr. Hahn, Mr. Bell's humanity and keen understanding of all problems, and personalities makes him beloved by faculty and students.

As one reviews the accomplishment of the Detroit Conservatory of Music, one is emphatically impressed with its steady growth. Its students are not only from Michigan, but from all parts of the country. This is indeed a golden era for the Detroit Conservatory of Music. Approximately three thousand students are enrolled for the year 1934.

"Flashes of Action" is not a posed war picture. Some of the scenes were filmed by camera men who later lost their lives. See this wonderful picture at the Alseum theatre, March 31st.

WIXOM WHISPERINGS.

The home talent of Wixom will present the play "Deacon Dabbs," at the Community hall in Wixom, on Friday evening, March 28th. This is a three-act play and will furnish two hours of solid fun for all who attend. Music will be furnished by the Michigan Melody Makers, who will be right on the job between acts. This number concludes the lecture course of Wixom for this season.

NOVI CHURCH NOTES.

The observance of "Attendance Sunday" at the Baptist church last Sunday brought out a good sized audience. The church is endeavoring to enlist every member in its activities, and the pastor's sermon was in keeping with this plan. The subject of the sermon was "The Purpose and Work of the Local Church."

The sermon next Sunday will be on "Giving and Taking Offense." Those who are troubled with either phase of this malady should be present, as the pastor says he has a scriptural prescription, which if followed according to directions, is a sure cure for this
