ANNUAL TOWNSHIP MEETING.

The annual township meeting was held at the Library building on Monday afternoon and there was a good attendance of both ladies and gentlemen. Township Clerk Ernest Miller presided and presented the recommendations of the township board. The board recommended the following to be raised in the several funds and the meeting adopted the suggestions of the board:

Contingent	\$2,500.00
Highway Improvement Fund	\$4,000.00
Road Repair Fund	\$2,500.00
Poor Fund	\$300.00
Woodchuck Fund	\$50.00

It was moved and carried that the sum of \$1,000 be raised for the public nursing fund.

Clerk Miller reported that the township was out of debt for the first time in a good many years, and it was moved and carried that a vote of appreciation be extended to the members of the township board for the careful and painstaking manner in which they had directed the affairs of the township.

The reason why so much was recommended for the road repair fund was explained by Mr. Miller when he stated that the township board had been notified by the state highway commission that all the state reward roads in the township must be resurfaced this year. It was not believed, however, that this amount would be sufficient to resurface the two and a half miles of road within the township and to do the other necessary repair work that will be required during the year, but as this fund is paid by the farmers and is assessed against the property outside of the village it was not deemed fair to ask for more at this time.

SPENCER CLARK'S HOME DAMAGED BY FIRE.

Last Saturday forenoon fire was discovered in the residence of Spencer Clark on Main street and an alarm was turned in. The fire department and many willing helpers responded quickly, but it was with difficulty that the fire was located, the blaze being in the attic. While the firemen were fighting the blaze the crowd removed the furniture from the upstairs room and from the rooms on the first floor and the work was done in a very careful and orderly manner. Not all of the furniture and furnishings were saved from the upper rooms however.

During the progress of the fire Miss Clark was burned about the face and head and her eyebrows and hair were singed by the flames. Reginald Hills was also burned about the face. Fortunately the fire was pretty well controlled and the damaged from fire was confined to the upper rooms and the kitchen roof.

HELD ANNUAL MEETING.

The Presbyterian church and congregation held its annual meeting at the church parlors on Tuesday evening. Dinner was enjoyed by upwards of 100 adults and children and after the bountiful feast the business of the meeting was taken up. C. L. Dubuair being elected chairman and W. W. Thayer clerk. Owing to the fact that the society is going through the process of re-incorporation from the First Presbyterian church of Plymouth—as it has been known for many years—to the first Presbyterian church of Northville, a new board of trustees consisting of seven members was elected, and the following were chosen: Robert B. Brown, Carl Bryan, W. W. Thayer, three years; L. A. Babbitt and Dayton Bunn, two years; W. E. Scotten and Guy Taft, one year.

The report from the various organizations of the church was most encouraging and the society begins its new year under very favorable circumstances.

COMMANDERY TO ENTERTAIN LADIES.

The newly elected officers of Northville Commandery, Knights Templar, will be installed on Tuesday evening next, when the ladies of the members will be the special guests. Dinner will be served at 6:45 and the work of installation will take up the remainder of the evening. Sir Knight A. H. Thom, instructor general, will officiate as installing officer and he will be assisted by Eminent Commander Henry Otis of Detroit Commandery, No. 1. The new officers are determined to make this new Commandery year one of real pleasure and profit to the membership. All Sir Knights in Northville, Plymouth, Farmington, Redford, Milford and South Lyon are planning to attend the dinner with their ladies.

TO ERECT A WOMAN'S BUILDING.

At the regular monthly meeting of the directors of the Northville Wayne County Fair held last Thursday night at the office of Secretary E. L. Smith it was agreed to erect a building to be used exclusively for the women's department of the fair, in which all of the exhibits made by the women of this section will be displayed. Space in the present building is now in great demand and the women have been crowded each year to make room for their displays. The space used by the women since the fair started will be turned over to other departments and the women will have a new building all by themselves. In the rear of the building will be a room fitted up as a rest room for women and children.

No other department of the fair attracts more interest than the women's department and no one has been more loyal in behalf of the fair than have the women who have charge of this department. As a compliment to their loyalty the new building will be erected for their use this fall.

It is altogether likely that an addition will also be erected on the grand stand this year. The present stand is not large enough to accommodate the crowds attending the fair.

SPECIAL EVANGELISTS MEETINGS CLOSED SUNDAY.

The special evangelistic meetings conducted under the direction of Dr. Eli J. Forsythe of Detroit, closed at the M. E. church in this village Sunday night, having been in progress for three weeks. The attendance at all the services Sunday was large and the messages given by Dr. Forsythe had a special appeal. The meetings have been unlike the old style revival campaigns, and some have wondered if the campaign has been a success because there has been no excitement, no outward signs of manifestations of conversions such as are usually visible at revival meetings. While the meetings have been free from excitement, they have given every evidence that people were made to think of the great realities of life—of those things which really count, and that many have been quickened in their religious zeal and enthusiasm. Dr. Forsythe and members of his party—A. Royal Forsythe and Frederick Wright—will hear with them the best wishes and the highest esteem of many Northville people.

PANGBORN-SIMMONS.

Miss Stella Pangborn, daughter of Mr. and Mrs. W. A. Pangborn and Marlin Simmons of Plymouth were united in marriage Friday, March 28, by Dr. E. Eugene Bartlett, pastor of the Congregational church in Pontiac. They will reside at Newburg where the groom is employed—Farmington Enterprise.

Mr. and Mrs. Simmons have commenced housekeeping in a nicely furnished home at Newburg, having made their selection of furniture from Schrader Brothers' stock in this village. Many friends and acquaintances in this community will wish them happiness and prosperity.

WOMAN'S CLUB HELD ANNUAL MEETING.

The Northville Woman's Club held its annual meeting last Friday afternoon, when the following officers were elected for the ensuing year: President, Mrs. L. A. Babbitt, vice-pres, Mrs. Waldo Johnson, sec, Mrs. Bruno Freydt, treas, Mrs. E. E. Brown, Delegate to State Federation, Mrs. John Christensen.

O. E. S. TO OBSERVE FAMILY NIGHT.

Orient Chapter, O. E. S., will observe family night this evening and plans are being made for a merry time. A pot-luck supper will be enjoyed at 6:30 to which all members and their families are cordially invited—in fact urged to come. After the supper a program will be given and numerous games enjoyed. Fill your basket and join in the fun with your family and friends.

MILLIONS FOR WAYNE ROADS.

The Wayne County Road Commissioners announced a few days ago plans for the expenditure of \$4,000,000 on road jobs such as paving, bridge construction, widening of highways, tree-planting, the purchase of right-of-way. It is said to be the biggest road improvement program ever announced at one time in Wayne county.

M. Weise of Detroit recently purchased six acres of land from A. E. Ransom on the Fishery road and will make his home there. He is improving and remodeling the house.

STATE NEWS IN BRIEF

Hillsdale—Strictly fresh eggs declined to a record low price for many years here when they were retailing in the open market at 19 cents a dozen.

Owosso—A contract for the construction of the new city hall has been awarded to the Henry C. Webster Construction Co. of Bay City. Its bid for the general contract was \$82,840.

Lafayette—Three hundred and fifty members of the Boy's Life Chapter of Commerce will help Detroit celebrate the Fourth of July. They will stop on their way to Duluth during the second annual cruise of the organization.

Detroit—The economic importance of the lakes to the ocean deep waterway project will be emphasized in one of the numerous educational exhibits to be shown at the Michigan Industrial exposition in Convention hall, May 3, to 17.

East Lansing—With the receipt of the entry of the Bay City Riding Club, the annual R. O. T. C. Horse Show at the Michigan Agricultural College, May 30 and 31, is assuming proportions which rank it with the leading events of the type in the state.

Monroe—Motorists in the vicinity of Carleton, 10 miles north of Monroe, are riding on free gasoline these days. A tank car filled with gasoline derailed and the car was partly upset so that gasoline flowed from it in a steady stream. Residents quickly secured pans, milk cans and other containers and carried it away.

Pontiac—Traffic officers of Pontiac will begin a drive against defective brakes of automobiles. All motorists will be stopped and the brakes of their cars tested. Those which pass inspection will bring a card of approval for the owner while others will be required to visit repair shops at once or lose their driver's licenses.

Charlotte—The lives of Mr. and Mrs. Andrew Barlow, of Kalamo Township, were saved by a book agent who called at their house, looked in the window and saw the two sitting in their chairs, apparently sleeping, and then broke in and found the two had been overcome by coal gas. They were taken into the air and revived.

East Lansing—Michigan potato growers lose more than \$1,000,000 a year, by marketing potatoes of poor quality, according to H. C. Moore, potato specialist for the Michigan Agricultural College Extension Division. "The market demands high quality stock," declared Moore, "and our producers must grow the kind the market wants."

Detroit—The council has approved the ordinance regulating the vaccination of all dogs against rabies. This action was taken upon request of Dr. Henry F. Vaughan, health commissioner, who presented statistics in tended to prove that there is a great danger of persons suffering from hydrophobia as a result of being bitten by dogs at this time.

Grand Rapids—A freight car loaded with imported liquor was seized by Federal prohibition agents in the Grand Trunk Railway yards here. The cargo valued by Mr. Davis at \$20,000 to \$25,000, is one of the richest seizures made by prohibition agents in some time. The car was billed from a fictitious firm in Seabright, N. J. to a fictitious person in Grand Rapids as "auto deck ng."

Detroit—Hereafter, the minimum bail for prisoners, brought before J. Stanley Ford, United States Commissioner, will be \$2,000. In making this announcement, Mr. Ford said the step was necessitated by the frequency with which Federal prisoners—particularly of the bootlegging fraternity—have, of late, forfeited the \$1,000 bonds under which it has been his general practice to place them while awaiting trial.

Pontiac—Clifford W. Ham, city manager of Gladstone, Mich., and former city clerk here, has been appointed city manager of Pontiac at a salary of \$6,500 a year. The appointment was made by the city commission from a list of 11 candidates. He succeeds Irving C. Blower, who resigned rather than demand at the request of the commission, the immediate resignation of Ike Thurman, ousted chief of police.

Grand Rapids—Drastic action against automobile bus operators violating the State truck weight limitation was taken last week when deputy sheriffs stopped buses and compelled several of the passengers to walk to their destinations or to interurban stations. Operators have threatened to discontinue service because of the enforcement of the ruling which limits some large buses to 19 passengers and others to only five or six.

Lansing—Proof of publication of the legal notices of the judgment of custody issued against the House of David has been filed by the state with the secretary of state's department and the clerk of the Ingham county circuit court. This step paves the way for the filing of a petition by the state attorney general's department, asking for appointment of a receiver for the Benton Harbor colony. The big legal fight to oust the colony from Michigan then will be under way, according to O. L. Smith, assistant attorney general.

RAYMOND HITCHCOCK IN "THE OLD SOAK"

Raymond Hitchcock has been entertaining large audiences everywhere on his present tour and theatregoers have added in a most emphatic manner their endorsement to the wisdom of the departure of this comedian from musical plays and placed him high in the galaxy of character actors. That popular "Hitchy" is endowed with all the attributes of stellar accomplishment in the more substantial branch of diversion is thoroughly established in his artistic portrayal of the lovable Clem Hawley and future presentations of Mr. Hitchcock will be keenly awaited.

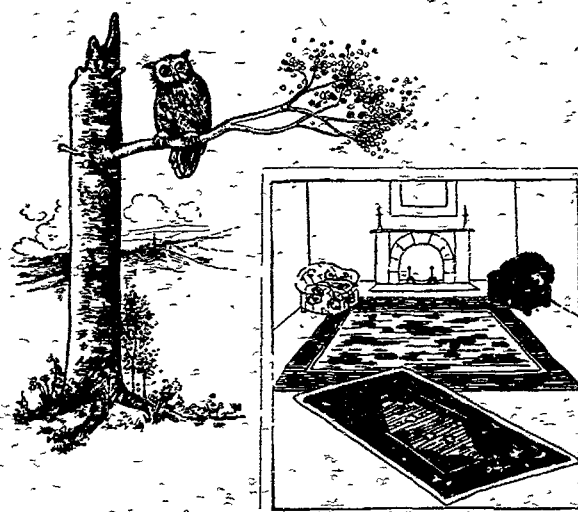

"The Old Soak" takes rank with "Lighnin'" and "Kip Van Winkle" as a phase of American life that theatregoers relish and that offer dramatic values that Americans have applauded in the theatre for half a century.

CATHOLIC NOTES.**NOTICE TO THE ANXIOUS AND WORRIED.**

To allay the fears of many we wish to announce officially that ground will be broken within a few days for the new church in Orchard Heights, and that it is NOT our plans to build a SCHOOL, rumor to the contrary notwithstanding.

Good Friday devotions will be held in the Library from 1:30 to 3 p. m. They will consist of the Stations of the Cross, Meditation, Vespers, of the Cross, and sermon: "The Consideration of Christ Crucified, the Remedy for Religious Indifference." An illustrated lecture on the Sacrifice of the Mass will be presented in the Library next Sunday, April 13, at 8 p. m., by Father Lefevre of Plymouth. These beautiful pictures are real gripping, and explain many things hitherto misunderstood. Everyone welcome.

If any man thinks himself to be religious, not bridling his tongue, but deceiving his own heart, that man's religion is in vain. (James 1. 26.)

MOTHER BURNED TO DEATH IN HER HOME.

Mrs. L. Kingsley, 35 years old and mother of six children, was found dead among the burning ruins of her home just before noon last Friday, five miles southwest of South Lyons. A six-months-old child was rescued from the burning building by the father. The mother could not be found until the body was discovered on the ground over which the sitting room of the house had been.

It is believed that explosion of a soft coal boiler was responsible for the blaze. Mr. Kingsley was working at the time. He heard an explosion and on investigation discovered that the boiler was in flames. He was able to remove his small child but could not get out of the house.

A small frame house, and the boiler, which was in the basement, were in flames when the firemen arrived. The firemen could not get to the boiler and the boiler exploded, sending the mother and child flying into the air. The child was rescued by the father.

The firemen arrived at the house at 11:30 a. m. and found the mother and child in the ruins. The mother was found dead and the child was rescued. The firemen could not get to the boiler and the boiler exploded, sending the mother and child flying into the air.

DECIDING FOR ONE TYPE OF LIFE AGAINST ANOTHER

One cannot serve two masters. One chooses the good or selects the bad. The effort to straddle the fence ends in failure.

Folks hate to come to the base line that there is only one true God—that it is our business to be like Him—to co-operate with Him willingly—lovingly and steadily.

The Hebrew people were learning the old—old lesson—that God fades from the life of those who go trapping after all sorts of notions and isms and sins.

Elijah—the fiery prophet—flung himself into the wild life of the Hebrew nation and brought them to a stand still. His challenge for a test at Mt. Carmel to find out whether Baal or Jehovah was the true God was accepted.

Elijah on Mt. Carmel was mighty in faith—it was an audacious faith—standing in its sweep—outstanding in its action on the nation. The only God who could answer that day did answer.

America must deal with this major problem—that exacted attention at Mt. Carmel—shall it be God or Baal?

BAPTIST CHURCH NOTES.

The congregation social gathering which was held last Tuesday was a great success and the men did themselves credit as cooks and waiters. A fine fish supper was served and the ladies had an opportunity to enjoy a meal they did not have to prepare or serve. They were not allowed to wash a dish or serve as waiters. The tables were nicely arranged and sixty could be seated at one time. When the waiters came into the dining room wearing white coats and aprons they were greeted with shouts and hand clapping and the ladies were loud in their praise of both food and service. Before the second lot were finished with their supper, community singing was engaged in which was led by the pastor and music was furnished by Mrs. Harry Musloff, Miss Fay Christ, Miss Leona McKelley, playing organs and Conrad Langfield at the piano. The soloists for the evening were Miss Ethel Lindon, of Detroit and Mrs. Welby Taylor. Both did themselves justice and their solos added greatly to the success of the evening. E. C. Langfield was toastmaster and proved himself the man for the place. A number of toasts were given and each speaker showed himself able to take and give a joke.

A number of our young people went to Wixom last Friday to attend the young peoples rally held there. All report a good time.

Don't forget the prayer meeting on Thursday.

The morning Sunday will be of interest to all. See the ad.

In these seventeen years of service the Lapham State Savings Bank has faced—with the community and its patrons—many conditions and problems, among them times of financial stress, of war and readjustment. Through them all it has stood firm doing its best for its customers, in trying times and good times—as we are doing today.

We are proud of this record. It proves the strength of our organization and the sound banking policies upon which our broad service is based.

TWOKILLED, 15 HURT IN KU KLUX RIOT

SERIOUS OUTBREAK AGAINST HOODED BAND ENDS IN FATAL SHOOTING.

50 KLAN MEMBERS ARRESTED

Stream of Water From Fire Hose Played on Marchers—Third Outbreak in Month.

Lilly, Pa.—Two men and a boy were shot dead and 15 wounded, three of them so critically their chance of recovery is slight and 50 klansmen were arrested following a battle here that marks the most serious outbreak of the animosity between klansmen and their opponents in this part of the state.

About 600 klansmen came here by special train. They proceeded to Piper's Hill, on the outskirts of the town, performed their ceremonies and were on their return to the Pennsylvania railroad station when the rioting started. Hisses and jeers were directed at the robed visitors and threats of violence were heard.

Then a score of young men dragged a hose from the fire house to the railroad station, a distance of about 400 yards, and directed a stream of water upon the departing train. Almost immediately a shower of bullets came from the ranks of the Klan.

Five or six of the apparent leaders of the Klan who were in the front, according to witnesses, fired into the crowd which numbered about 600, but those in the rear discharged their weapons in the air.

With the first sounds of shots the crowd fled, leaving the wounded on the street.

The klansmen began a retreat into their waiting train in which they departed from Lilly a few minutes after the fatal shooting.

Most of the members of the Klan in custody were arrested when their special train arrived in Johnstown.

The klansmen came from a wide district as addresses given by 50 members of the order under arrest show. Many are from Johnstown and the southern part of Cambria county. Several from Blair county and a few from Indiana county. Forty-five revolvers were confiscated on the police.

The trouble was not entirely unexpected. Klansmen had visited here twice during the last month and in each instance erected fiery crosses which residents promptly tore down upon the departure of the hooded order.

NEW DRY FLEET READY SOON

Fleet of 300 Boats Will Attempt to Stop Rum Running

Washington—The first units of the coast guard's new prohibition navy probably will be ready to put to sea within a few weeks. With an additional \$18,000,000 available under a recent congressional appropriation coast guard officials have drawn up detailed plans for the acquisition of some 300 large and small vessels equipped to chase rum runners from American shores and for an enlarged personnel to man them.

The nucleus of the force will be destroyers which Congress has authorized the coast guard to purchase.

The plan to provide a sufficient personnel contemplates an active recruiting campaign and graduation this fall of next year's class of officers at the coast guard academy at New London.

In all nearly 5,000 additional officers and men will be required to man the fleet.

CAMP CUSTER TO OPEN MAY 1

Regular Army to Get Grounds Ready for Civilian Troops.

Lansing—Camp Custer will open for the summer training season on May 1, according to orders just issued by Maj. Gen. Harry C. Hale, commanding officer of the Sixth Corps area, with headquarters in Chicago. The regular army troops from the various stations throughout the Corps area have been ordered to proceed to Camp Custer to arrive there on May 1.

The first body of troops to arrive for training will be the R. O. T. C. These students will go direct to camp as soon as their schools and colleges close.

The other troops to receive training this year will be the National Guard units from the Illinois and Wisconsin National Guards, the Organized Reserve from Michigan, Wisconsin and Illinois and the Citizens Military Training Camps association.

Woman's Ashes Scattered in Lake Syracuse, N. Y.—In fulfillment of a request that her body should find its last resting place in the waters of Onondaga Lake, on the shores of which she played as a child, the ashes of Mrs. Frances Freer Wingland, who died at 77 in Sioux City, Ia., were scattered through a hole in the ice by George Keith, aged resident of Liverpool who is her cousin. The ice was quite thick and it was a difficult task for the old man, but he cut the hole unaided.

SHOWING HUPMOBILE PARTS.

In the educational Hupmobile parts display, now being shown by its distributors and dealers to motorists throughout the country, is well illustrated the sweeping improvements the automobile industry has contributed toward better steels. The industry chiefly responsible for the high grade nickel, chrome, molybdenum and other steel alloys now extensively used in the better motor cars, as well as in other fine machinery.

A parts board takes the mystery out of the motor car," says O. C. Hutchinson, general sales manager of the Hupmobile Motor Car corporation. "It gives you the facts that count. Buying a car with knowledge of what is in it, is the sound, business-like way. And finding out what is in these vital parts is a liberal education in what makes motor car value. The whole question of price and value, money's worth and satisfaction is bound up in these immensely important exhibits."

"You don't have to be an expert on fine motor car practice. Every part is plainly labeled. You can see it all for yourself. Here is the kind of proof you are justified in demanding from any car."

"The parts board our dealers are displaying shows not only Hupmobile material. It shows our engineering designs and manufacturing what trained mechanics and modern precision machinery have accomplished. This is well worth seeing itself."

"For the first time in motor car annals, Hupmobile has shown the way to get at facts that count. It has shown why a couple of hundred dollars more is not extravagance, but real economy."

LIVONIA HAD LIVELY ELECTION

REPUBLICANS ELECTED FULL TICKET ON MONDAY.

Monday was a typical election day. "Town meeting day" as it was called years ago. It snowed and thawed, and the wind blew and at night there was a frost. The condition of the weather, doubtless, kept many voters at home because there were less than 400 voters out of a possible 1,200 who visited the polls during the day. The Republicans were successful and elected their whole ticket by good majorities. The result of the day's voting was as follows:

For Supervisor	William H. Yerkes	226
For Clerk	Fred E. Vanatta	146
For Treasurer	Ernest E. Miller	227
For Justice of the Peace	Starr Herrick	100

MRS. NELLIE HUSSEY DIED SATURDAY.

Funeral services for Mrs. Nellie Hussey, who died last Saturday morning, at the home of her sister, Mrs. Elizabeth Nixon, were held on Monday afternoon at two o'clock from Mrs. Nixon's home, Rev. A. K. MacRae having charge of the services. Interment took place at Woodlawn cemetery.

Mrs. Hussey's death followed an illness of two months, during which time she suffered intensely. Her family consisted of one son, Jay Hussey of Wayne, one daughter, Florence Hussey or this place two grand children and two sisters, Mrs. Nixon and Mrs. Ed. Martin of Wixom and two brothers. She was a kind and loving mother, a devoted sister and an obliging neighbor. She will be greatly missed by all who knew her.

"WILDFLOWER" TRIUMPHS IN DETROIT.

Arthur Hammerstein's latest musical comedy success, "Wildflower," familiarly termed "The Bambalina" (show) has brought Miss Edith Day and the entire original cast and chorus to the Shubert Detroit Opera House where the piece will enter into its second and last week on Sunday, April 13th.

The piece scored a tremendous vogue last winter at the Casino Theatre and has come to Detroit directly from a run of 60 weeks.

One notable feature of the engagement is an augmented orchestra of thirty pieces conducted by Herbert Stothart who collaborated with Vincent Youmans on the tuneful score. The book and lyrics are by Otto Harbach, Oscar Hammerstein, 2nd, and the story, in brief, tells of Nina, a warm-hearted temperamental maid in Northern Italy, caught in the throes of an amusing love plot.

Miss Day, Arthur Hammerstein's radiant young star, portrays Nina. With all the warmth of her winning magnetism, her rich modulated voice and her gift of spontaneous, joyous dancing. She it was who created "Irene" in New York, and who first won fame dancing "Tinkle Toe" in "Going Up."

NORTHVILLE SCHOOL NOTES.

Mrs. Cass Benton recently gave a very interesting illustrated bird lecture to the members of the Fourth and Fifth grades for which we are very thankful. James Wood operated the machine.

Miss Gladys VanVleet is the new teacher in the Fifth grade.

The Senior class members are all set for the trip to Washington. They will leave Northville Saturday morning via P. M. in a body and it is hoped many of the townspeople will turn out to give them a good send-off. Train leaves at 10:32.

Dr. Ernest Burnham of Kalamazoo College recently gave a very fine talk to the members of our High school. He was accompanied by Fred G. Fisher, assistant County Examiner of Schools.

Dr. E. J. Forsythe gave some very interesting talks to the members of the High school. He also gave a talk to the teachers. Royal Forsythe led the singing, accompanied by Frederick Wright and which was very much appreciated.

CARD OF THANKS—We desire to express our sincere thanks to all who responded so quickly at the time of our fire and for the faithful and efficient services rendered. Especially are we grateful to the members of the fire department who directed the efforts of those who were so willing and ready to assist in taking out the furniture and in extinguishing the flames which threatened to destroy our home. Mr. and Mrs. Spencer Clark, Miss Clark.

CARD OF THANKS—We desire to thank the neighbors and friends for their expressions of sympathy and kindness shown us during the illness and death of our mother and sister, especially Rev. A. K. MacRae for his comforting words, Mr. VanValkenburgh for his singing and all who furnished cars. J. C. Hussey, Florence Hussey, Mrs. Elizabeth Nixon and Mrs. Nettie Martin.
