MANY VISITORS HERE THE FOURTH

Last Friday was an ideal day for the Fourth of July, and notwithstanding the fact that Northville failed to stage its old time celebration, there were probably more automobiles on our streets from daylight until ten o'clock at night than there ever had been before in the same number of hours. People were astir early and all seemed to be "going somewhere."

In fact many left for the nearby lakes and resorts on Thursday afternoon and night, but they were not missed in the traffic which crowded our streets on the Fourth.

There were the usual noise-making firecrackers, and those who possessed them seemed to realize they were "giving their last salute" to the glorious Fourth, because their sale will be prohibited in the state in the future.

In spite of the great amount of auto traffic, but very few accidents were reported. In fact none occurred in the village during the day. Mrs. Robert Strachan, who resides on Horton avenue, received serious injuries as a result of an accident on the Seven Mile road and she was taken to a Detroit hospital for treatment. A fan was "powder burned" while playing with a toy cannon, and from the surrounding country reports, came of a number of accidents.

Some One Celebrated Enthusiastically. About ten o'clock at night, when many of our citizens were seeking their couches, the business portion of the town was thrown into great excitement by the explosion of a bomb between the buildings known as the red brick and Alexander's barber shop, and the force of the explosion broke out a number of windows in both buildings. Occupants of the building rushed out into the alleys and the streets, greatly alarmed. The noise of the bombardment soon attracted a large crowd and when the "smoke of battle" had rolled away the remains of a bomb were found in the alley between the two buildings. The bomb was a "fifteen inch No. 1-B Salute" and must have been procured from some one who supplies fireworks for special occasions.

A great many people were excited and at once concluded that some one set the bomb for the purpose of destroying the buildings. But The Record does not believe anything of the kind. In the first place, we do not believe that we have any one in this community who would commit such an offense, with the attendant chances of killing the occupants of the two buildings. In the second place, we believe the bomb was placed there by some over-enthusiastic celebrator, who did not dare "touch it off" on the streets. It is reported that during the evening there were some fellows here selling fireworks and firecrackers from a conveyance, and if that is the case this bomb was probably brought here with their supply.

Wholesale dealers in fireworks were especially anxious to dispose of all their stock this year before the close of the celebration and it is not too much to believe that this bomb which frightened some people until they really stuttered was fired off merely as a matter of having some fun. Surely had it been intended to wreck either of the buildings it could have been placed in a more dangerous location.

We have rum runners and bootleggers, but we do not believe we have any of the "red handed gentry" who would seek to destroy property or to take life with a bomb. It is said that the occupants of the red brick were very much agitated over the affair—probably as a result of a guilty conscience. "They deserve punishment alright, but not that kind. If they cannot be reached by the laws no one would desire that their property be destroyed in an attempt to 'get even'."

SUNDAY CONCERT POSTPONED ONE WEEK.

Owing to the fact that some members of the Northville band had a previous engagement the open air concert to have been given at Eastlawn Sanatorium on Sunday afternoon next, the 13th, has been postponed one week. Kindly spread this news among your friends and neighbors so no one will be disappointed. On Sunday afternoon, the 20th, the concert will be given and the public is cordially invited to enjoy the treat.

MRS. ROBERT STRACHAN DIED AS RESULT OF ACCIDENT.

Mrs. Robert Strachan, who was the victim of an auto accident on the Seven Mile road on the morning of the Fourth, died at Harper hospital in Detroit Tuesday. Her remains were brought to Schrader Brothers' funeral chapel Tuesday night and prepared for burial.

Mr. and Mrs. Strachan and children were motoring down the Seven Mile road intending to spend the Fourth with friends. Mr. Strachan was at the wheel and he passed a car and, in attempting to get back on the right hand side of the road, again the wheels of the car became "locked," making it impossible for him to direct the course of his auto. The auto went into the ditch and turned completely over. Mr. Strachan and the children being thrown clear of the machine, while Mrs. Strachan was found underneath the up-turned car with a compound fracture of her skull. She was rushed to the hospital, but she did not gain consciousness and death came as a sweet relief Tuesday afternoon.

The funeral was held on Thursday at the Methodist Episcopal church, at 7 o'clock, where the family worshipped at church and Sunday school. The services were held by their pastor the Rev. Wm. Richards. Burial took place in Rural Hill cemetery.

Helen Stephens was born in Inverloughy, Aberdeenshire, Scotland, on the 25th of May 1880. She leaves besides her husband two young children, Robert, and Helen, also one brother and four sisters in Scotland.

The public is pained at this tragic death of Mrs. Strachan, and heartfelt sympathy goes out to the father and children in their sad loss.

GERALD ROBERTS DIED OF TETANUS.

The death of Gerald Roberts, which occurred at Harper hospital in Detroit early Monday morning, brought great sorrow to Northville people. The unfortunate boy was but fourteen years of age and he had been ill but a few days, having been taken to the hospital on Friday afternoon suffering from tetanus, or lockjaw, caused from a slight bruise on his elbow some ten days before his condition was regarded as serious. The slight flesh wound had evidently healed completely when the lad became ill and attending physicians at first thought he was suffering some "breasted fever." On the afternoon of July 4th he was taken suddenly worse and the nature of his illness having become known he was rushed to the hospital for treatment. Everything that the best medical skill could do was attempted but all efforts to save his life were unavailing, and he passed away.

Gerald was the only son of Mr. and Mrs. William Roberts, to whom the tenderest sympathy of this community is extended in their great sorrow. Gerald has spent his entire life in Northville where he was born on May 24th 1910. He had just finished his seventh year in the public school, and completed a year with the Boy Scouts. He was also a member of the Sunday school class in the Methodist Church with Mrs. Richards as teacher.

The funeral services were conducted by the pastor Rev. Wm. Richards at the Methodist Episcopal Church on Wednesday July the 9th at 10 o'clock.

The body was taken to the Highland cemetery for burial. He leaves besides his mother and father three sisters, Mrs. Dewitt Hallard of Pontiac, Lela and Wilma of this place.

Much sympathy is extended to the family in their hour of bereavement.

AIR MAIL SERVICE AS APPLIED TO NORTHVILLE.

Mail may be deposited at the Northville post office for delivery via the air mail service. The letters are sent from Northville to Chicago on trains and from there dispatched by air planes.

The rates are—8 cents an ounce to Colorado, Iowa, Nebraska, South Dakota, Wyoming (except Rawlins and Rock Springs); New York City and all Eastern states; 16 cents an ounce to California, Montana, Nevada, Oregon, Utah, Rawlins and Rock Springs Wyo., and trans-Pacific foreign points. Mark letters to be delivered by air-mail as "air mail."

Northville received its first air mail letter from California last week Thursday, when Mrs. C. L. Dubuar received a letter from her brother which was sent by the air mail route, and reached its destination in less than two days after its dispatch.

GLAD TO BE AN AMERICAN.

In an extemporaneous speech at the recent convention of the National Electric Light Association, Owen D. Young, chairman of the board of the General Electric Company and one of the three American members of the Dawes committee which recently rendered such valuable service to the Allied Reparations Commission, said: "My attitude is very much like the story of the negro who was walking very rapidly and was stopped by someone who said to him, 'Mose, where are you going?' He replied, 'I ain't goin' nowhere. I's been whar I's goin' and now I'm goin' home.'"

The greatest pleasure which I have is in returning home.

"Nobody can enjoy a sojourn of three or four months in Europe with its difficulties and its problems, its suspicions and its distrusts, its promises for the future and its threats, without coming back to the wholesome atmosphere of America pleased as never before that he was born an American and will be permitted to live and die an American."

In a talk which consumed less than five minutes, Mr. Young painted a word picture which impressed on his listeners the wonderful possibilities before this nation.

His simple statements which any school boy can understand should be an aspiration for every citizen to strive to maintain the conditions which have made this nation what it is today through a policy which encourages every individual in every line of industry and endeavor.

HAY DAY TO FEATURE M. A. C. FARM MEETING.

The first "Hay Day" of its kind ever held in Michigan, and probably the first in the entire country, will feature the big summer farmers meeting at M. A. C. on August 1, it was announced here this week.

The best and cheapest methods of modern hay making will be shown in operation, with the most modern machinery in use. The demonstrations will be made on a 25-acre field of alfalfa on the college farm. Leading manufacturers of mowers, rakes, hay loading machinery, etc., are invited to take part, each being given an equal area of land. Both horse and tractor power will be in operation.

The new Dain system of making hay will be shown in operation. A special "Old Timers Say the Contest," with Michigan pioneers competing for honors in skill at the hand methods of hay making, will be a big feature of the hay day program. State farmers who used the scythe in their younger days in the hay field will rally from all points of the state to show the present generation their old-time skill.

As a result of the scythe contest the newest of machinery will be in use alongside the methods which were in vogue when Michigan was first settled.

The hay day program will be one feature of the seventh annual Farmers Day at the college. A big afternoon meeting, special exhibits and numerous entertainment features will combine to provide a full schedule for the day's program. More than 5,000 Michigan farmers and their families are expected to attend.

DEATH TAKES SON OF PRESIDENT

YOUTH PUTS UP BRAVE STRUGGLE BUT POISON OVERCOMES HIS STRENGTH.

SINKING SPELL BALKS DOCTORS

Infection Which Brings End Caused By Blister Received While Playing Tennis.

Washington—Calvin Coolidge, Jr., the 16-year-old son of President and Mrs. Coolidge, is dead from blood poisoning. The end came after the boy had battled with the utmost bravery and fortitude for five days against a disease which had racked his body with pain and sapped the reserve strength of his frail constitution.

President and Mrs. Coolidge, who had maintained constant vigil at the hospital, were at his bedside, hopeful and cheering and comforting their son to the last.

A sinking spell, the fourth he had suffered in 24 hours, brought death. Notwithstanding the use of oxygen and other restoratives, the courage which had withstood crisis after crisis and had beaten death off repeatedly, was unable to meet the final attack.

Every resource of medical science was brought into play in vain to save young Calvin's life. An operation was performed on the left leg to drain off the poison and blood transfusions and oxygen were resorted to in the later days of his illness.

One of the final complications and the one which the physicians were unable to meet was the formation of gas on the stomach. The organ was washed out repeatedly in an effort to put it in condition to retain nourishment, but the effort was unsuccessful.

The infection developed from a broken blister on the right foot, sustained during a tennis match with his older brother, John, on the White House courts. At first paying no attention to it, the youth soon developed an alarming condition and physicians were summoned.

The poison, however, once started had spread so rapidly that medical skill was without avail. A number of specialists were called to act with White House physicians on the case and a desperate fight for life was made by the boy, who struggled in great pain and with high fever.

Calvin was born April 13, 1908, at Northampton, Mass. and went through the grade schools of that city and then entered the high school, completing the first year after his father had come to Washington as vice president in 1921. Both he and his brother, John, who is 17 years of age, the next year entered Mercersburg academy at Mercersburg, Pa., John being graduated last month while Calvin had another year before him. John is to enter Amherst, the president's alma mater, this fall, and Calvin was to have followed him.

CHICAGO HAS PROGRESSIVE PLAN

To Spend \$2,673,000,000 for General City Improvements.

Chicago—Projects which will entail an expenditure of approximately \$2,673,000,000, are in various stages of development for the beautification, unity health commercial and industrial progress of Chicago, according to the Chicago Chamber of Commerce.

Projects under way, or soon to be, total \$1,374,557,000, a summary shows while those in the preliminary stage will cost \$1,305,100,000. The latter include the various terminal propositions, municipal purchase of the surface and elevated lines, construction of a subway and proposed new portofice and federal building.

Railway terminal solution is forecast by the association in plans which call for \$318,000,000 to be spent. Seven new hotels are valued at \$94,000,000. Educational institutions have a program with a total of \$54,500,000; reconstruction of the Fine Arts Building, erection of the Stadium, Shedd Aquarium and prospective zoological park, \$10,500,000; clubhouses, \$47,000,000; public utilities \$73,250,000; sewage treatment works, \$120,000,000; and \$200,000,000 worth of minor building.

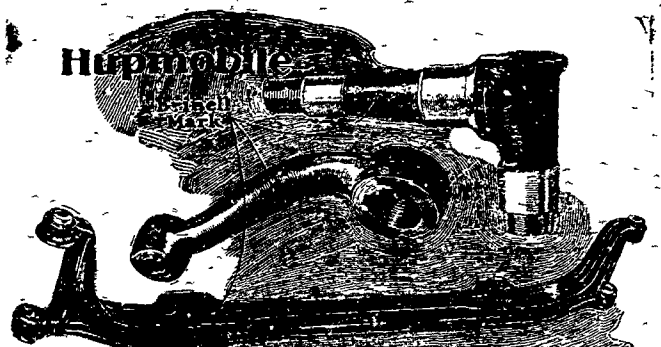

MILLION READY FOR BIG CHURCH

New York Structure to Contain Apartments, Costs \$4,000,000.

New York—Underwriting of the first \$1,000,000 toward erection of New York's first skyscraper church announced by Barton G. Collier, at a meeting of interested parties, at which the Rev. Dr. Christian F. Reiser, pastor of the Chelsea Methodist Episcopal skyscraper idea, was guest of honor.

The project, to eventually cost \$4,000,000, will be financed by bond issues secured by mortgage on land and buildings. The site is at Broadway and 173rd street. Most of the building will be in apartments and rooms for young men.

Surmounting a 24-story tower will be an electric cross, exceeding in altitude the building mark set now by the Woolworth building tower.

Invisible Values

Now You Can SEE What Makes The Hupmobile So Much Better

Those "invisible costs," that have so much to do with the proverbially solid and substantial qualities of every Hupmobile, are now made visible for you.

Step into our salesroom and ask to see the Parts Display.

There are tickets on these parts that tell you in black type what they are for, how they are made and what they are made of.

The same ticket in red type, tells you a similar story about similar parts in other cars not so carefully and thoroughly made.

Safety: Hupmobile, by means of fine materials and determinative tests, provides safety throughout the chassis. The parts shown here—steering knuckle, steering arm, and front axle—are of the finest material that can be used. All are drop forged steel, double heat-treated, and are unusually heavy. In this group, each individual part for each individual car must pass the Brinell test, within close limits, for proper hardness of material and bears the Brinell hardness mark.

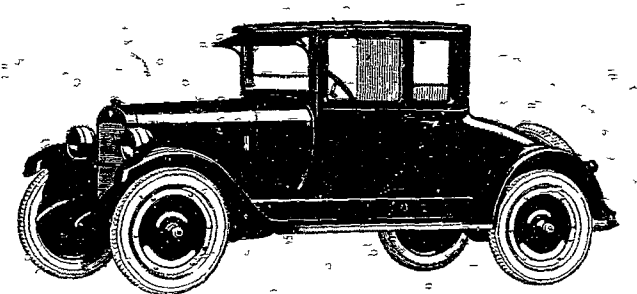

If these other cars could match the Hupmobile in excellence and reliability of performance, in durability and economy of upkeep—well, you might then be justified in laying your money down on the "red."

But wisdom says black is the safe and sane color when it comes to investing hard-earned money in an automobile.

It takes quality to produce quality results. See the Hupmobile Parts Display at our salesroom.

NORTHVILLE, MICH., JULY 11, 1924.

STATE CLUB CHAMPIONS TO MEET

Two hundred and fifty Boys' and Girls' Club champions, gathered from 30 lower peninsula counties, will meet at the M. A. C. from July 7 to 11 for the sixth annual Boys' and Girls' Club Week. Winners of county and state championships during the past year are eligible to attend the camp, which will be in charge of R. A. Turner, state leader, and an able staff of assistants.

The work of the week will include both entertainment features and a schedule of class work. Classes in livestock, farm crops, poultry, farm carpentry, food study, canning and clothing club work will be held each morning, with the recreation programs in the afternoon. A big banquet tendered by the state board of agriculture and a trip to the state capitol at Lansing will be features.

The boys and girls will be housed in the dormitories during their stay on the M. A. C. Campus.

Oakland county will be represented by several county champions—Kenneth Rucker of Wixom in handicraft, Paul Tindall of Clarkston in pig culture, Russell Thompson of Milford in potato raising and Norval Farrell, who received county honors in calf raising.

Milford will also be represented by Misses Dorothy Holden and Ruth Rowe who were awarded \$25 and first honors in the state canning club contest at the state fair last fall. Milford Times.

ELEVEN PERSONS TAKEN IN WAILED LAKE RAID.

Conditions about Wailed Lake have been going from bad to worse for a long time and the Oakland county officials decided a few weeks ago that matters had to be cleaned up, and they have been trying to improve conditions but the task has been a big one. Last Friday night a nest was cleaned out and eleven persons were taken to the county jail. Four women and seven men were taken from one cottage where it was reported they were conducting themselves in a disorderly manner. Under-sheriff Frank Schram and a number of deputy sheriffs made the raid. According to the Pontiac Press the list of persons arrested was as follows: Betty Schultz, 24 years old, 4194 Gladwin street, Detroit; Mrs. Tess Hall, 28 years old, 1540 Twenty-fifth street, Detroit; Grace Ansarno, 25, of 574 Woodward avenue, Detroit; Betty Nojand, 24, of Walled Lake; George O'Donnell, 24, 2460 Fifth st., Detroit; Raymond Hawkins 30, of 6318 Thredo avenue, Detroit; Harry Kelly, 26, of 529 Lafayette boulevard, Detroit; Henry Schultz, 24, of 4926 Sixth street, Harry Miller, 30, of 3640 Cass avenue, Detroit; Ned Walters, 25, of 2015 Second avenue, Detroit; Frank Bondi, 28 years old, no residence. Great crowds gather at the lake nearly every night to attend the dances and many reports of "wild parties" are current. Perhaps a few arrests will help to control matters somewhat.

BASE BALL AT PRISON FARM.

The House of Correction defeated the Vincennes Club of Detroit the 4th to the score of 7 to 6. Sully for the Municipal Club pitched good ball, while Jasha for the officers pitched consistently.

The H. of C. lost to the Northeast 11 to 7 on Detroit Sunday to the score of 7 to 8. The officers were holding their own till the eighth when Parnack for the Merchants put one out or the park for a home run with three men on base.

The House of Correction will play the Ford Motor of Detroit next Sunday at the farm grounds.

DR. FORSYTHE COMES TO NORTHVILLE.

Monday's Detroit News contained the following item: "Dr. E. J. Forsythe, pastor of the Fort Street Congregational Church, is at the Eastlawn Sanitarium, Northville, suffering from a nervous breakdown. He was stricken Saturday."

DEMOCRATS FINALLY COMPLETE THEIR TASK.

The democratic national convention which convened in Madison Square Garden, New York, a long, long time ago, finally was able to conclude its labors and adjourned on Wednesday. As standard bearers for the party they named John W. Davis of West Virginia, as president, and Gov. Chas. W. Bryan of Nebraska, as vice president. On the 103rd ballot Smith was in sixth place and McAdoo in fifth position.

Mrs. Edward Burson and daughter, Mary of Kalamazoo, are spending a few days at the home of Mr. and Mrs. W. G. Taft.

PRESBYTERIAN CHURCH NOTES.

Sunday will be our mid-summer communion of the Lord's Supper and reception of members. The session will be glad to send cars for any who are unable to walk to church.

Union evening service at Eastlawn at 6:30, Rev. Wm. Richards being the speaker. Special music. In case of rain the service will be in our church.

METHODIST CHURCH NOTES.

On Sunday morning at 10:30 we will meditate on "Unclean Things." Let us get together for worship and fellowship.

Let everybody as far as convenient remain to the Sabbath school, at 12 noon.

In the evening at 6:30 we will worship at Eastlawn grove. Every provision is made for this out-of-door worship. Bring your rug or cushion if you prefer sitting on the hillside. If the weather is inclement, the evening service will be held in the Presbyterian church at the same hour 6:30.

Mid-week service every Thursday.

ST. PAULS LUTHERAN CHURCH.

Next Sunday 10:30 a. m. service in English, theme of sermon, "Leaders of Others to Life."

A mid-summer ice cream social is under consideration.

The repairing of the church steeple damaged by lightning, has been entrusted to Contractor Hicks.

The monthly meeting of the Ladies Aid at Mrs. Foss, was well attended.

Rev. Elisfeldt, having been invited to deliver the festive sermon at the Silver Jubilee of the Lutheran Children's Friend Society to be held at Frankenthum, on Sunday, July 20th, there will be no service on July 20th.

Mr. and Mrs. Zeedies, from Moose Jaw, Saskatchewan, have been visiting with their friends, Rev. and Mrs. Elisfeldt.

BAPTIST CHURCH NOTES.

The old time testimony meeting held last Sunday evening, was a success. At times several people were on their feet at once waiting an opportunity to testify for Christ. We will have another one next Sunday evening and after the testimony meeting the pastor will preach a revival sermon with punch to it.

Thirteen were present at prayer meeting last Thursday. At least half of these were young people. Don't miss the prayer meeting next Thursday.

On Sunday evening, the 20th of this month, we will have a sale of children in the church. Keep this date in mind. You will hear more about it next week.

The pastor will not be in his pulpit for three Sundays during August. The young folks will have charge of the services and have plans for profitable and interesting services. One feature of these services will be three chapters of the sweetest story ever told. One chapter each Sunday evening, illustrated with stereopticon.

The next congregational social promises to be a live one. The ladies are in charge and there are hints of something different from anything we have yet had.

Committees have been appointed to arrange for picnic and are to report next Sunday at Sunday school.

Dr. W. G. Thompson has been very ill at the home of his daughter, Mrs. Ross Northrup, at Redford for the past week. Latest reports on Thursday morning were that his condition seemed somewhat improved.

Farmington's base ball team will come to Northville Sunday afternoon for a game with the Foresters. Local fans are urged to be on the side lines and to help their team to win. Farmington expects to carry home the honors of the day.

Mr. Bryan, father of Carl Bryan of this village, died in a Detroit hospital Wednesday night, after having undergone an operation for appendicitis last week Thursday. He is survived by his wife and two sons. For a few years Mr. Bryan was a resident of this community, coming here from Plainwell and settling on a farm on the Base Line road. He was engaged in the newspaper business for a number of years, owning papers at Alpena and at Plainwell. The editor of "The Record" purchased his Plainwell paper and consolidated the business with the Plainwell Enterprise.

Record Liners Cost But Little.

POSTOFFICE NOTES.

For the year ending June 30 last, the Northville postoffice did the largest business in the history of the village, and the result shows the substantial and permanent growth of the town.

The total number of letters registered was 1,793, against 1,469 the previous year. Packages insured 2751 in place of 2530, a year ago. There were issued 11,437 money orders. Last year the number was 9,978. The total receipts of the office amounted to nearly two thousand dollars more than the previous year. In the office there are 400 call-boxes and 250 lock boxes, and every one is rented and there is a waiting list of no small dimensions. More lock-boxes are needed but there is no place to put them, until the department decides that larger quarters are required.

Mrs. Beth Blackburn has been assisting in the postoffice this week in the absence of the regular substitute, Mrs. Calhoun, who has been away on a vacation. Mrs. Blackburn was a clerk in the office back in the days when Milo Johnson was postmaster.

IMPORTANT O. E. S. MEETING.

A regular meeting of Orient Chapter O. E. S. will be held on Friday evening, July 12th. There will be work and supper will be served at 6:30. During the evening a worthy matron will be elected to take the place of Mrs. H. R. Bogart, who has moved from Northville. A good attendance of members is desired.

HE GREW UP IN A SMALL TOWN

Such is the history of a host of men who have had a large part in world affairs—Ford—Edison—Grant—Lincoln and others.

Men reared in the simpler life of small communities have a slower and deeper development. They unconsciously build deep and so are able to build high.

The little town of Nazareth, of Palestine, nearly 2000 years ago sheltered a lad who grew in stature and wisdom and deportment, and so built himself into the world life in an unforgettable way.

Jesus—the Christ—Savior—Redeemer—Friend—was a small town boy. His mind was keen—his spirit alert—his will strong—his power over the lives of people attractive.

You—young or old—are challenged to match the pattern which is for you to follow.

METHODIST SUNDAY SCHOOL

First Presbyterian Church

We hear so often these troublesome days that Christianity has failed. But the failure lies not with Christianity, but with man, because of his failure to apply the teachings of Christ to the problems confronting the human race. There is no remedy for the ills of the world save the gospel of the Son of God.

SUNDAY SERVICES.

At 10:30 a. m. Public worship.

Reception of members. If there are any who desire to unite with the church, please communicate with the pastor or some officer of the church. If you know of anyone who has a church letter and has not presented it tell the pastor about it.

Special music and a helpful sermon, followed by the communion of the Lord's Supper.

At 12:00 o'clock (noon), Sunday School.

The "EASY" Requires Less Power

One would naturally think that the EASY, being an extra large size electric washer, would require an extra large size motor.

But, as a matter of fact, a 1-6 horsepower motor is sufficient to operate the EASY, whereas other machines of smaller capacity require a 1-4 horsepower motor, and are therefore more expensive to operate.

The reason for this lies in the fact that the mechanism of the EASY is of unusually simple design—an important feature from the standpoint of durability and cost of operation.

If you incline toward economy, by all means see the EASY before you buy.

A. E. Stanley formerly of this village, has purchased the Norton drug store and business at Rochester and business at Rochester and will continue the business. He purchased an interest in the store some months ago and now he becomes the sole owner.

Albert Stevenson, who has been employed at Hills Brothers market in this village for a number of years past, has accepted a position with the Holloway market at South Lyon and is moving to that village this week. He is a courteous and obliging clerk and many Northville friends will regret his departure from this village.

At the recent meeting of the Michigan Funeral Directors' Association, held at South Haven, Fred D. Schrader of Plymouth was unanimously elected president of the organization. The honor came to Mr. Schrader unexpectedly because he was unable to attend the meeting, and was certainly a fine compliment.

N. C. Schrader spent a few days this week at the July furniture exposition in Grand Rapids and while there selected his fall and winter stock of furniture and rugs. There is a distinct advantage in being on the "ground floor" to make furniture selections because it affords one an opportunity to select the newest and latest designs and patterns. Mr. Schrader has always given Northville people an up-to-date furniture store and he promises a better and bigger display than ever this fall.

William Spieckel will have an auction sale at his farm on the Livonia town line, half mile south of the Seven Mile road, on Thursday afternoon of next week, when he will sell horses, cows, farm tools, and some household goods. Frank J. Boyle will conduct the sale.

Fred E. Newton has resigned his position with the Simpson Scale & Manufacturing Co., after a number of years of faithful service. He has not fully decided upon his future plans. His many friends here will hope that he may find something to liking in this community so he will not have to move from Northville.

Members of the Ladies Aid of more than the usual number met for a social event and business meeting at the home of Mrs. Schoof on the Fishery Road Tuesday. The committee made everything joyous for the occasion and after the pleasant repast in the open air, everybody felt the contact of good fellowship with a few hours well spent.

Frank C. Sibley of Detroit, who is a candidate for the republican nomination for prosecuting attorney, was the speaker at the meeting of the Exchange Club on Wednesday noon, and gave an interesting talk on the subject of crime in Wayne county and Detroit. He urged as one of the remedies the necessity of all citizens becoming interested in the matter of law enforcement and in the selection of the right type of men for public office. He urged all to see to it that a 100 per cent vote be cast at the primary election to be held later in the season.

DRY LAW SURE TO BE ON BALLOT

Wets, File Petitions, Bearing 50,000 More Names.

Lausling—Filing of 50,000 additional signatures with the secretary of state here recently makes it certain that Michigan voters will ballot on an amendment to the state constitution which would modify state prohibition laws in conformity with the Volstead act.

The petitions were filed by Robert D. Wardell, state representative from Detroit. Petitions containing a total of 70,000 signatures have been filed here.

Wolverine dry laws are now the strictest in the union. The petitions were circulated by the Association Against the Prohibition Amendment.

This amendment will be one of several upon which voters will pass at the November election, including one which would abolish all parochial and private schools.

SIX KILLED IN TRAIN WRECK

Michigan College Head Among Those Who Lost Their Life.

Chicago—Six persons, including Dr. Fred W. McNair, president of the Michigan College of Mines, lost their lives and sixteen others were injured when a fast mail train of the Chicago, Burlington & Quincy railroad crashed into the rear of the Burlington's Denver to Chicago passenger train No. 2, near Buda, Ill.

Train No. 2, a through passenger, run from Denver to Chicago, was running 40 minutes late, followed by the solid mail train No. 8, which was eight minutes behind its schedule. The passenger had stopped at the coal chutes at Buda.

The block signal system is used and apparently the engineer of the mail train failed to observe the signal against him, according to a statement issued from the railroad office.

ARMY-WORMS CUT ILLINOIS CORN

Farmers Battle Frantically as One-fourth of State is Involved

Chicago—More than one-fourth of the Counties in Illinois have been invaded by the army worm. A big percentage of the young corn has been cut down level with the ground in many parts of the state.

The worms feed on the young corn, practically consuming all of the leaves, leaving nothing but the central rib. They are moving in great armies as they did 10 years ago.

Farmers have been working day and night to control the pest. Trenches have been dug ahead of the advancing masses, trapping the worms, which are saturated with kerosene and burned.

AMERICAN SLAIN BY CHINESE

U. S. Consul Goes from Hong Kong To Probe Missionary's Death.

Rekin, China—Chinese outlaws murdered George Douglas Byers, an American missionary stationed at Kachek on the Island of Hainan, in the China sea, southwest of Hong Kong according to advices here.

American Consul Chamberlain has proceeded aboard the U. S. S. Sacramento from Hong Kong to Hainan Island to investigate the killing which took place June 24.

Byers was a member of the Presbyterian mission, North, with headquarters on Fifth avenue, New York.

Singer Forgets Day He Was To Go

Paris—Because of the forgetfulness of Feodor Chaliapin, the Russian singer, the Paris-Boulogne express had to stop on its way the other day. Thinking it was his day to leave Paris for his concert in London, the singer packed and hurried to the station. When 45 minutes out of Paris, he looked at his appointment book and discovered he had left a day too soon. The conductor stopped the train to permit the singer to get the next train back.

Wixom Whisperings.

F. E. Pearsall was at Pontiac Saturday.

John Shannon was in Detroit Thursday.

Mrs. Albe Sine is having her house painted.

Mrs. Mary Stevens of Pontiac was a Wixom visitor Thursday.

Miss Ruth Porter is at Ypsilanti attending summer school.

Mr. and Mrs. J. R. Rauch of Plymouth were guests of Mr. and Mrs. J. B. Chambers the Fourth.

The annual picnic of the Wixom Farmers' Club will be held at Elizabeth Lake this Friday.

The Hopkins family and the Johnson family spent the Fourth at Clifford Shaw's Lake near Milford.

J. M. Furman, N. W. Schermerhorn, H. P. Gillick, B. A. Kinson and Wilber Waterman spent the Fourth at Jackson.

Mrs. Nettie Martin, Mrs. Mae Seferance and son Vernon spent Sunday at Pontiac the guests of Mrs. Florence Carter.

Mrs. Elizabeth Nixon and Florence Hussy of Northville and Erwin Martin of Walled Lake spent the Fourth at Mrs. Nettie Martin's.

Mrs. Delos Lehman and son have gone to Saginaw for the summer where Mr. Lehman is employed as train dispatcher on the P. M.

Mr. and Mrs. M. S. Pratt and daughters Iva and Irene and Mr. and Mrs. Howard Pratt and daughter of Pontiac attended church services here Sunday.

Earl Pearsall is now busy picking his strawberries, he is selling most of them in Pontiac Saturday. He made two trips to the above place, having on that day 447 quarts picked.

Mrs. Mowry and daughter Titta arrived here Friday from California and are visiting their son and brother Edwin Mowry, and their daughter Ed and sister Mrs. LaRue Bogart and family.

The Evangelistic Band from the Baptist church at Highland Park had charge of the services here both morning and evening, last Sunday. They also were at Woodluff Lake near Clyde in the afternoon and held a religious service. They will be here at Wixom again next Sunday.

GIVING ATTENTION TO MUNICIPAL BUILDING.

At a meeting of the village council on Monday evening the question of providing a suitable municipal building was brought up for consideration and discussion, and it was finally agreed that the council resolve itself in a committee of the whole to consider the matter of a suitable site, plans etc., and to receive ideas and suggestions from the citizens generally.

Anyone having any special suggestions regarding suitable and available sites, plans, etc. will confer a community service by conferring with members of the council.

FARMERS' CLUB TO HOLD PICNIC.

The annual picnic of the Wixom Farmers' Club will be held on the east shore of Elizabeth Lake Saturday, to-morrow. All are welcome and each person is requested to bring plate, cup, knife, fork and spoon.

NOVI ELEVATOR.

Many of our old customers and some new ones have allowed us to put in their supply of hard coal for next winter.

Early shipments have been exceptionally free from slate, stone and other impurities.

During early summer less damage is done to your lawns or driveways, and again the price is advancing from month to month. There are some of the reasons why early buying is desirable.

Last but not least, we have been able to place several cars of Anthracite Coal just where it will be needed in a few weeks, instead of keeping the same stored up in our bins, for this we wish to thank all our customers, as we are enabled to use these bins for farther shipments, so as to keep things moving.

If you are interested in this matter just call and give us your order, or if more convenient call 7102.

STATE NEWS IN BRIEF

Holland—Prof. A. A. Haan, for nearly 20 years professor of Dutch language and literature at Hope college, has tendered his resignation. He has not announced his intentions.

Owosso—The co-operation here of all city health forces during the last year has resulted in reducing communicable disease 45 per cent, according to Dr. R. C. Mahoney, health officer.

Albion—Albion's postoffice is now first class, having been advanced from second class because of big recent increases in the volume of business. Postmaster E. J. Mallory's salary was increased as a result of the change.

Grand Rapids—Severe injuries, including fractures of the legs, were suffered by John Step, 19 years old, and his brother, Allen, 23, when a motorcycle on which they were riding collided with a street car during a storm.

Detroit—Submission to a vote of the people at the primary September 9 for a \$1,000,000 issue for another bridge over the River Rouge has been ordered by the board of supervisors. The proposed bridge will span the Rouge at Dix avenue.

Fennville—While it is reported that virtually the entire peach crop of Berrien and Van Buren counties was winter-killed, a survey of orchards in this section of Allegan county shows that there will be at least 65 per cent of an average crop of the fruit.

Adrian—The mill operated by Martin and Charles Coy, in the village of Jasper, was recently destroyed by fire of unknown origin. The loss is estimated at \$18,000, including a new engine valued at \$4,500. Two car loads of feed also were destroyed.

Lansing—The construction of a central heating plant to serve both the Kalamazoo State Hospital and the Western Michigan Normal School, has been authorized by the State administrative board. It will cost about \$276,000 and will be located at the hospital.

Owosso—Matthew Bush, judge of probate of Shiawassee county, now serving his thirty-sixth consecutive year, has announced his candidacy for another term of four years. Only one other probate judge in Michigan has served longer than Judge Bush. He is Judge Edgar Q. Durfee, of Detroit, now serving his forty-sixth year.

Detroit—The first electric locomotive for the Detroit, Toledo & Ironville Railroad will be assembled in the River Rouge, Mich., shops beginning July 15. This will be the first step in the electrification of the road, which has been watched with interest by industry in general since its purchase several years ago by Henry Ford.

Dowagiac—Mrs. Martha Jane Rife, 58 years old is dead as the result of being burned while building a fire at her home north of this city. The explosion of kerosene threw her under a table. She was seized by her son, Edward, who carried her to a water tank in the yard and extinguished the flames, but she died without regaining consciousness.

Schoolcraft—Noticing that one of the passenger coaches of the Grand Trunk train No. 9 was on fire as the train was leaving the station, the agent signaled the engineer, and the burning coach was uncoupled. The Schoolcraft fire department extinguished the fire after the roof of the coach was partly destroyed. The train was delayed 45 minutes.

Ypsilanti—Albert Bologna, 21 years old, Detroit, was killed instantly three miles east of here when he stepped in front of an interurban car operated by Charles Willets, of this city. Bologna was bringing a load of fruit to Ypsilanti when his truck developed motor trouble. He stopped close to the interurban track and stepped from the truck directly in front of the limited car.

Lansing—State receipts on June 30 were the greatest for a single day in the history of the state, Auditor General Fuller has reported to the administration. They totaled \$3,210,000. A large share of the money was from state tax payments. The board gave the Southern Michigan Telephone company three months grace to pay about \$85,000 taxes. The company is in financial difficulties.

Detroit—Frank Cody was retained as superintendent of Detroit schools and his salary increased from \$12,000 to \$15,000 a year at the annual meeting of the board of education. The salaries of two of Cody's assistants also were increased, despite the objection of Inspector Edward D. Devine that the present time was not appropriate for the spending of more money than was absolutely necessary.

Detroit—Though the salary of carriers was not increased, postmaster John W. Smith's salary has been increased from \$6,000 to \$8,000. Assistant Postmaster Peter Wiggle from \$4,000 to \$4,300. Superintendent of Mails Charles C. Kellogg from \$3,800 to \$4,000. Cashier A. G. Calton from \$3,500 to \$3,700, and Money Order Cashier William A. Corbett from \$3,200 to \$3,300. All station superintendents receive a raise of from \$100 to \$300. Detroit is now seventh in the list of American cities for mail business done.

Grand Rapids—Clifford Hotchkiss, 20 years old, of Saranac, died here recently from burns received when a farm tractor gasoline tank exploded.

Monroe—By a vote of 12 to 6, the Monroe county board of supervisors here decided to retain the services of a county school nurse the coming year.

Ludington—Mason County supervisors are to be penalized hereafter for coming late to sessions, according to a resolution adopted unanimously. Members who are half an hour late will be marked absent and lose one-half day's pay.

Lansing—The State will collect between \$75,000 and \$100,000 in delinquent corporation franchise fees, through a check of the returns made for corporations by the accountant firm of Seidman & Seidman, of Grand Rapids. H. V. Chilson, deputy secretary of state, has estimated.

Allegan—The Allegan county board of supervisors has voted to pay Mrs. Lillian Mayhood \$500 for injuries suffered when her horse became frightened at a county road scraper and ran away, throwing her from the buggy. Mrs. Mayhood had intimated she would institute a suit for damages.

Manistee—A reduction of \$2,720,173 in the valuation of Manistee county's real estate was adopted by the board of supervisors as recommended by the equalization committee. This brings the total valuation of both real estate and personal property down to \$14,793,144 as against \$17,513,317 last year.

Lansing—Over 200 streams flow into Lake Superior and 800 more flow into the other Great Lakes. These lakes contain over half of the area of fresh water on the earth. The water surface of the Great Lakes, with the land draining into it, presents a total drainage basin of 270,000 square miles.

Westphalia—While wading Edward Wonschied, 18 years old, stepped into deep water and was drowned in Grand River near here. His brother, Marion, 12, narrowly escaped when he also stepped off a shelf into deep water. Although neither of the boys could swim, Marion struggled back to shore. The older boy's body was recovered.

Lansing—In its campaign to get out a big vote at municipal, state and national elections, the board of directors of the Lansing Chamber of Commerce has adopted a resolution urging the enactment of a compulsory voting law. It has announced. The board would disfranchise and fine all legal voters who failed to register and vote.

Lansing—Dr. R. M. Olin, state health commissioner, has announced the smallpox quarantine imposed on circuses, carnivals and street fairs lifted. According to Dr. Olin, between 150,000 and 2,000,000 persons have been vaccinated in Michigan since the campaign for 100 per cent vaccination started, and conditions are vastly improved.

Iron Mountain—Only a heavy rain will prevent the almost total loss of this year's hay crop in Dickinson County, according to Arthur Lonsdorf, county agriculturist. The crop in the sandy sections already has been cut in two and that of the loam and clay sections, hit hard by the late spring, will suffer heavily if rain does not come. Farmers have been advised to plant emergency crops.

Detroit—The appointment of 32 additional letter carriers has been announced by Postmaster John W. Smith. This brings the total of carrier appointments since Smith assumed control of the office up to 278. In the same period 13 supervisors and 280 postoffice clerks have been appointed, making a total of 571 new employees engaged during the last two years. The entire postal force now numbers around 2,800.

Fennville—The Montmorency cherries, the most extensively cultivated variety in this section and the variety figured on largely to provide work in the field and in the cannery is now known to be not more than a 50 per cent crop. The limbs are still laden with the cherries, about a pea size, but they are turning white, and withering and at the slightest touch they loosen and drop. It is conservatively estimated that half of this extensive variety will drop. The early sweet cherries are holding much better.

Lansing—Representatives of the Michigan Electric Railway company appeared before the state public utilities commission recently to protest the valuations fixed on the company's various properties by the last appraisal. They claim that values, when the appraisal was made were unusually low in comparison to the present worth of the property. An increase in the valuation probably would not affect rates, as the interurbans are now collecting the maximum fares under the Glaspie interurban rate act.

Lansing—A quarter of a century ago Michigan was one of the greatest timber producing states of the nation, but in 1922 Michigan people paid \$15,000,000 in freight on timber imported into the state, Edward Cockrun, secretary of the state conservation commission, declared in an address here. The state conservation department, in co-operation with federal authorities, is planting trees in approximately 5,000 acres of cutover land. If legislative appropriation can be secured, the plan is to double the planting acreage every ten years.

CLEANED OUT A BAD NEST.

Some weeks ago officers from Sylvania, Ohio, came to Northville in search of a fellow who had purchased a horse on contract and had removed the animal from the state without satisfying the amount of the claim. They conferred with local officers and asked them to keep watch for the fellow and if found to place him under arrest and send them word. Not until Sunday did the local officers hit the trail of the Ohio man, and then only by accident. A woman came to Mr. Lyke and demanded that he arrest her husband who had given her a beating. He accompanied the woman to her rooms in the Alexander building on Main street but the "husband" had taken his departure. Further questioning on the part of the officers revealed the fact that the couple were not married, although the woman had accompanied the fellow from Sylvania to Northville. When she told the officers the name of her "husband" they as once remembered that they were cautioned to watch for a fellow answering his description, and after some hours search the fugitive was found and placed in the village jail. His name was John Dragnet and he had spent some time in this section as a scoundrel. Sylvania officers were notified and they lost no time in getting to Northville, arriving here after midnight Sunday night. They returned with their prisoner.

During the investigation Northville officers learned that another couple were also living as husband and wife in the Alexander building, whom the woman in the case claimed were not married and they gave them a few hours in which to pack their belongings and get out of town. The woman claiming to be Dragnet's wife was supplied with car fare to Salline and she left town Monday.

OAKLAND HOME DEMONSTRATION TO HOLD ANNUAL PICNIC.

Oakland county's annual home demonstration picnic will be held this year Wednesday, July 16, at the home of Mrs. W. H. Williamson at Scott Lake. A letter from Miss Muriel Dundas, home demonstration agent, urging that all women and girls of the county attend is being prepared and will be sent out in the near future.

The entire day will be given over to entertainment and instruction of those who attend. In the morning a program of games and bathing is being planned which is expected to appeal especially to the younger women. There will also be a short business meeting in the morning for the purpose of electing an executive committee and to effect an organization. Talks by Mrs. Louise H. Campbell, state leader and Miss Julia Brekke, assistant state leader of home demonstration work are included in the afternoon program. Miss Dundas will also give some reports on the Extension Conference at Ithaca N. Y. which she attended recently—Pontiac Press.

PROMISES AN EFFICIENT ADMINISTRATION.

Frederick B. Brown of Detroit, who is seeking the republican nomination to the office of prosecuting attorney was in Northville on Monday calling upon friends. Mr. Brown has been a resident of Detroit for the past twelve years, coming to Wayne county from St. Clair county where he served as prosecuting attorney for two terms and he promises an efficient and business like administration of this very important office if elected. His six platform planks are a promise to try the important cases himself; to have at least a half dozen competent trial lawyers on his staff, to insist on speedy trials of accused persons without constant adjournments, a return to the policies of the late Allan H. Frazer; special attention to collection of forfeited bonds and to civil work of the office, which he says, is greater than many people realize. Mr. Brown's name will be on the Republican ballot at the September primary.

MR. AND MRS. FORD TOOK PART IN CELEBRATION.

At Dearborn's Fourth of July celebration last Friday Mr. and Mrs. Henry Ford took a prominent part and seemed to enjoy the sport as well as the many hundreds of other people who crowded the town all day. Mr. Ford appeared dressed as a gentleman of the 50's and Mrs. Ford appeared in a costume of 70 years ago. With a liveried footman on a high seat in the rear, they drove in a Victoria drawn by one horse. The parade was led by a band wagon in use in Dearborn in 1862, followed by prairie schooners, chaises, buckboards and other horsedrawn vehicles of many years ago. It is reported that Mr. Ford's horse "balked," but the report was probably started by some owner of a Packard.

Do not forget the annual school meeting to be held next Monday evening.
