TWO NEW MEMBERS CHOSEN ON SCHOOL BOARD.

Out of several hundred "stockholders" in this school district only thirty-three were interested enough in the success of our schools to attend the annual meeting held at the High school auditorium on Monday evening. The meeting was called to order by President D. P. Yerkes, Sr. and the minutes of the last annual meeting were read by Secretary Carl Bryan, and they were approved without any changes.

The election of trustees to succeed Carl Bryan and Mrs. E. H. Lapham resulted in the choice of Dr. A. B. Wickham and T. L. Cousins. The whole number of votes cast were 33. On the first ballot Mr. Wickham received 19 votes and Mr. Bryan 14. For trustees to succeed Mrs. Lapham Mr. Cousins received 18, Mrs. Lapham 7, Mr. Bryan 5 and Dr. Alexander 3. The annual report of the secretary, showing the receipts and expenditures, and which appears in The Record today, was read by Mr. Bryan and was accepted and adopted. The report shows that it cost more than \$80,000.00 to operate our school last year, \$62,024.25 to be exact.

A motion was made and unanimously adopted that the thanks of the district be tendered Mrs. Lapham and Mr. Bryan for their faithful and efficient services in behalf of the district and for the interest they have manifested in the success of our schools.

President Yerkes stated that the grade building and the gymnasium were being re-decorated and other needed improvements were being made throughout the buildings. He also stated that the board of education had decided to introduce domestic science in the school for the coming year, and that the present board had in mind the establishment of manual training next year. It was also stated that a course in Bible history would be established with the opening of school this coming September.

Messrs. Ernest Miller and Charles L. Blackburn officiated at tellers.

FORREST L. BALL DIED AT TUSCON, ARIZONA.

After a long and lingering illness Forrest L. Ball died at Tucson, Arizona, Sunday, aged 36 years. He had been confined to his bed for the past year, and in spite of all that loving care and the best medical skill could do he gradually failed and death came as a sweet relief after three years of illness.

Forrest, as he is familiarly known by Northville people, was born in Saginaw, his parents being Mr. and Mrs. Thaddeus Ball and soon after his birth the family moved to Northville where the deceased grew to young manhood. He graduated from the Northville schools with the class of 1906 and after his graduation took up music as his profession, and for some years he was a member of the Detroit Symphony orchestra and was director of the Colonial and Orpheum theatre orchestras.

Besides his wife he is survived by his mother and two brothers, Ross Ball of Redonda Beach, Calif., and Don C. Ball of Detroit, to whom the tenderest sympathy of this community is extended. Forrest was a member of Northville Lodge, F. & A. M., and during his long illness he was greatly cheered by flowers supplied the sick room and by messages received from his brothers here.

The remains are being brought to the old home for burial and funeral services will be held at 2.00 o'clock this afternoon.

NORTHVILLE WON EASILY.

The ball team recently organized by Fellowship Chapter, Order of DeMolay, of this place, was more than a match for the Lansing team which came to Northville last Saturday afternoon for a game. The score was 16 to 2 in favor of the home team. Harry German pitching a remarkably good game.

At the conclusion of the game the visitors and the members of the home team were served a bountiful dinner at the Masonic temple. A number of impromptu talks were given by members of the two teams and by members of the Masonic fraternity who were present to assist in entertaining the boys. The affair proved a very enjoyable one.

BIG SUNDAY SCHOOL PICNIC.

Thirteen Sunday schools in the northeast district of Washtenaw county will have a picnic at the "Island" in Ann Arbor, Thursday, July 31st, with an interesting program, delightful refreshments and a jolly good time for all.

Band concert Saturday night. Tell your neighbors.

H. K. BRYAN BURIED AT CHARLOTTE.

Homer K. Bryan, mention of whose death was made last week, was born in Findlay, Ohio, where he grew to manhood and graduated from the High school in that city. Soon after his graduation he came to Michigan and became associated with his brother in the publication of the Charlotte Leader, and continued his residence in that city until 1898, when he acquired the Alpena News which he conducted successfully until 1910 when he sold the property and moved to Plainwell, where he became the owner and publisher of the Plainwell News. In the fall of 1911 he sold his newspaper and purchased the farm on the Base Line road, where he resided until 1915, when he moved to the city. For the past five years he had been employed in the printing department of Dodge Brothers. Mr. Bryan was a good newspaper man, and by his genial, happy nature won a large circle of friends in the communities where he conducted the printing and publishing business.

On November 13, 1890, he was united in marriage to Edith Haslett of Charlotte, who with three children—Carl, Philip and Ruth—survive.

He was the first of a family of ten children to pass to the great beyond. He was ill but a week, the cause of his death being acute appendicitis followed by general peritonitis. Brief services were held at his home in Detroit Saturday morning and the remains, accompanied by members of his family were taken to Charlotte where services were held and burial took place.

PHOENIX PARK IS BEAUTY SPOT.

Have you visited Phoenix Park on the banks of the Phoenix pond? If not, you will be happily surprised on the occasion of your first visit. The park is a beautiful spot, has been improved by the Wayne County Highway Commission and tables, camp stoves, water, and ladies' and gents' comfort stations have been placed for the convenience of the public. When a representative of The Record stopped there while passing Tuesday evening he found a number of family groups gathered about the tables enjoying their picnic supper, and it is a most delightful place for such gatherings.

The pond lies at the foot of the steep embankment like a mirror and as the public becomes acquainted with Phoenix Park it will become a popular gathering place. It is worth the effort to drive over and view this beauty spot.

AUNT JANE SESSIONS CELEBRATED HER BIRTHDAY.

Mr. and Mrs. Charles A. Sessions planned a most delightful surprise upon Mr. Sessions' mother last week Wednesday when they invited a few relatives to their home to assist Aunt Jane Sessions in celebrating her 89th birthday. Brothers and sisters gathered and spent the day in a very happy manner and enjoyed a bountiful dinner, of course.

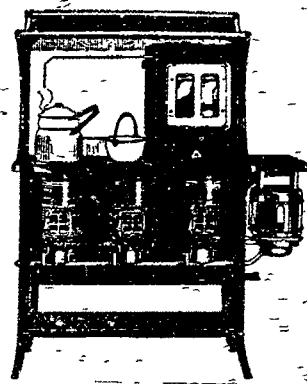

Aunt Jane, as Mrs. Sessions is affectionately known by Northville people, has been a beloved resident of this village for many years and her life has been a benediction to the community. Always cheerful and happy she radiates sunshine and blessing wherever she goes, and it is the sincere wish and hope of Northville people that she may be spared to enjoy many more such happy birthday gatherings.

THE NACKER REUNION.

About forty-five were present at the third annual Nacker reunion held at the home of Charles Nacker at Salem on Sunday July 13th. The guests gathered about noon and served a sumptuous pot-luck dinner on the lawn. After this a program was enjoyed and the following officers were elected for next year: President, Adolph Nacker, Farmington; secretary, Walter Nacker, Redford; treasurer, John Schaffer, Detroit. Guests were present from Redford, Plymouth, Farmington, and Detroit. Mr. and Mrs. Adolph Nacker volunteered to have the next reunion at their home in Farmington.

BASE BALL AT PRISON FARM.

The House of Correction defeated the Ford Motor Co. team of Detroit, in a close game 10 to 9. The Fords played good ball and tied the score in the first of the ninth, but could not hold the officers Jaska scoring the winning run on Hammond's hit in the last of the ninth. The House of Correction will play Plymouth at the Farm grounds, Sunday, July 20th.

Wixom Whisperings.

Miss Mildred Gibson was home from Ann Arbor for the week-end.

Miss Jennie Rauch of Monroe is visiting her sister, Mrs. J. B. Chambers. Mr. and Mrs. B. A. Kitson and daughter's spent Sunday at Williamston.

Mr. and Mrs. Thomas Gillick spent a part of last week with relatives in Rose Center.

Mrs. Hubbell and children have returned home after visiting relatives at Grand Rapids.

Mr. and Mrs. Burr Decker, Mr. and Mrs. George Morris of Detroit, Mr. and Mrs. John Ruggles of Milford were Sunday visitors at the Chambers home.

The Wixom Farmers' club held its annual picnic at Elizabeth Lake last Saturday. It was well attended. After the dinner hour the afternoon was spent visiting and a good time was reported by all present.

NOVI TOWNSHIP SCHOOL DISTRICT TO HOLD SPECIAL ELECTION.

On Saturday, July 19th, the voters of Novi township school district will vote on the proposition of bonding the district for the sum of \$55,000.00 for the building of a four-room school house. The above amount to cover the cost of site, erecting and furnishing the building complete. It is the duty of every qualified voter of Novi to vote on this bonding proposition. If you are in favor of the building of said school, vote "yes," if not vote "no." The present board of directors of Novi school district represent a majority of the people and the people alone, and the result of four vote on Saturday, July 19th, will be your instructions to said board.

THE NOVI SCHOOL BOARD

BROWN TELLS OF NEEDS IN PROSECUTOR'S OFFICE.

Republican Candidate Starts Series of Talks on Reforms He Proposes.

Much delay in the presentation of cases in court by the prosecuting office can be eliminated, were there in that office a man whose duty it would be to perfect and conduct a system whereby the work would be well laid out in advance," contends Frederick B. Brown, republican candidate for prosecutor.

"I would prefer this man not be an attorney, for the rush-of-business at some times might suggest that he handle cases in court and this would detract from his efficiency."

It is a notorious fact that when a case is called for trial the defendant's attorney, due mostly to the fact that he has prepared his case, has a decided advantage over the prosecutor, and many of the startling miscarriages of justice brought about by the litigation of criminals by juries, is the result of lack of preparation on the part of the prosecutor's office.

"The Supreme court recently took occasion to severely criticize a case where an assistant prosecutor, in an important murder case, made the statement: 'I never knew of this case until we started to try it.' It was a well-merited rebuke and is an offense of which no prosecutor's office should be guilty."

—Advertisement.

NOTICE OF SPECIAL MEETING.

Notice of a Special Meeting of the Qualified School Electors of the Township School District of Novi, County of Oakland, and State of Michigan.

TO THE QUALIFIED ELECTORS OF SAID DISTRICT:

Please take notice that a special meeting of the qualified school electors of said School District will be held on the 19th day of July, 1924, at 10 o'clock a.m. for the purpose of submitting the proposition of whether or not said School District shall borrow the sum of Sixty Five Thousand Dollars (\$65,000.00) and issue the bonds of said School District therefor, for the purpose of purchasing a site and erecting and furnishing a new school building in said District, said bonds to mature and be payable on such date or dates and bear such rate of interest per annum as the Board of Education of said District shall determine.

The polls of said Special Meeting will be open from 10 o'clock a.m. until 5 o'clock p.m., on said 19th day of July 1924.

Take notice that the Board of Education of said Township School District of Novi Township, has estimated the expense of purchasing a site, erecting and furnishing a new school building therein at Sixty-five Thousand Dollars (\$65,000.00).

This notice is given by order of the Board of Education of said Township School District of Novi Township, Oakland county, and State of Michigan.

Dated this 23rd, day of June, A. D. 1924.

ORREN S. HULETT, Sec.
A. C. ATKINSON, Pres.

Michigan Happenings

Mrs. Etta Hoadley, 40 years old, Dowagiac, was burned to death in a fire which destroyed their farm home, five miles west of Dowagiac. Mrs. Hoadley, poured kerosene into a kitchen stove, causing an explosion. She rushed to a bedroom where rescue was cut off by spreading flames. Rescue workers, who pulled the bed to the door found the body of a newly born child lying dead beside the mother. December 9, 1908, a brother and sister of Mrs. Hoadley were burned to death when trapped in an upstairs room of their home.

The new county jail at Fremont has been completed at a cost of \$142,978-18, which is \$21.32 less than the amount of the bond issue voted by the county for that purpose. The lowest bid from outside parties was for \$21,000. Sheriff Noble McKinley, who is a contractor and builder, agreed to build it within the bond issue and was allowed by the board of supervisors to go ahead with the job. The building was recently inspected by a member of the board of corrections and charities and the work was very satisfactory.

The waterways committee of the Bay City Chamber of Commerce has announced the opening of another boat line out of Bay City. The second line will run to Alpena and Rogers City. Ewald Hanson, of Alpena, has purchased the C. and M. a government boat that has been a relief ship in the lighthouse service. She has capacity of 300 tons dead weight. The owner of the boat is now conditioning her in the Clute ship at the Third Street bridge. She has already been fitted by the American shipping bureau.

Petitions placed in circulation by the Merchants' bureau of Lansing, ask that a special election be called to vote on a bond issue to provide for the paving of Michigan and Washington avenues. The paving is asked at this time to provide employment for several hundred men out of work through the closing of factories. The proposal for the paving was lost at the spring election but city officials claim this was because it was on the ballot with a number of outlying streets.

John Quarter, speed officer, it is reported, was discharged recently from the Grand Rapids police department for speeding. On the night of July 4, while off duty, he is said to have driven a borrowed automobile at a rate of nearly 80 miles an hour and escaped a pursuing motorcycle officer by driving through a sandy stretch of road several miles from this city. His identity was established through the license number of the car.

Forty delegates, appointed by their respective communities in counties interested in the formation of metropolitan areas, met at the Board of Commerce, Detroit recently and organized themselves as the Michigan Metropolitan Conference. Permanent officers were named to set about the immediate preparation of a constitutional amendment to be submitted to the State Legislature.

Fred Southcombe, former treasurer of the Capital City Lodge, No. 45, I. O. O. F., who left Lansing last January with his funds, \$1,300 short, was examined in Justice Court and was bound over to Circuit Court for trial. Southcombe went west after leaving notes indicating that he had ended his life. He was recognized by a friend and his arrest followed.

William Bodkin, 15, is dead near Unionville, victim of a rifle bullet fired accidentally during a "wild west" show which he and his brothers were staging in a barn on their father's farm. The boys were imitating a western picture which they had seen recently at a Unionville motion picture house. William was shot through the abdomen and bled to death.

W. A. Blake, 92 years old, one of the oldest Masons in Michigan is dead at his home in Galesburg, nine miles east of Kalamazoo. He was a pioneer hardware dealer and served one term in the state House of Representatives, 1890-92. He was initiated into the Masonic order at C.H. max, Oct. 15, 1853.

Separated from their mother, 20 years, Melvin M. Brush, of Kalamazoo and his brother, William A. Sweet, of Detroit, have appealed to the sheriff here for assistance in finding their missing parent.

Clifford Falcove, 3 years old, fell from a third floor window of his home in Detroit, while his mother was in another part of the house. He was taken to Receiving Hospital where it was found his skull, three ribs and his right arm were fractured. It was believed he would recover.

Two persons were injured when a south bound D. & R. interurban collided with a gravel truck on the road near the intersection of Brown

M. A. C. ENTERTAINS COUNTY CLUB MEMBERS.

Nearly two hundred boys and girls, county champions in the various divisions of boys' and girls' club work from practically every county in the state, spent the week of July 7th on the Michigan Agricultural college campus as the guests of the state club work leaders—Ray Turner and his staff.

The week was devoted to entertainments, talks from M. A. C. professors and specialties and exploration and use of the laboratories and equipment of the state institution. A visit of

Governor Groesbeck at the state capitol on Friday morning terminated the week's events.

Officers of the Michigan association of County Club champions for the coming year were elected as follows: President, Grace Aldrich, Adrian; vice-president, Lawrence Shilling, Coldwater; secretary, Nellie Warren, Hillsdale; treasurer, Harold Strange, Charlotte.

WAYNE CHAMPIONS ATTEND CLUB WEEK AT EAST LANSING.

Thirteen club champions from Wayne county assembled early Monday morning, July 7th, at Wayne to take advantage of a trip to East Lansing for a week of instruction and recreation. A bus was provided which took care of all the boys and girls from the county in fine shape. Those attending the Club Week Conference were:

Arley Elliott, Ypsilanti, second year poultry champion.
Lloyd Riggs, Belleville, third year poultry champion.
Albertina Wilson, Willis, first year cooking champion.
Greta Price, Romulus, first year canning champion.
Thelma Swegles, Plymouth, second year canning champion.
Alvis Alford, Detroit, garden project.
Bernice Finnegan, Plymouth, first year clothing champion.
Mary Treder, Romulus, second year clothing champion.
Frank Fox, Trenton, first year handicraft champion.
Earl Tillman, Flat Rock, hot lunch champion.
Luella West and Melvin Hawker, Ypsilanti demonstration work at State fair.

Accommodations for girls were provided in two of the college dormitories. The boys were housed in the gymnasium.

Instructions were given to both boys and girls in club organization, music appreciation and the value of Michigan birds. The boys received instruction in wood shop, live stock diseases and live stock judging, poultry club work and milk testing. The girls, as well, had lessons in cooking, sewing, judging of clothing, canning demonstrations and flower arrangements.

Recreation held a place in each day's program, which consisted of games, swimming, moving pictures, group stunts, and field day.

On Thursday the State Board of Agriculture entertained the boys and girls at a fine banquet after which toasts occupied the evening's program.

After a trip to the capitol on Friday morning each group assembled for the homeward trip. Everyone expressed an appreciation of a most enjoyable week, and we are sure it was most profitable.

— LOIS CORBETT,

Home Demonstration Agent.

IT PAYS TO APPLY EARLY.

The adjusted compensation is insurance. The cost of insurance is gauged according to the applicant. The older you are, the less insurance your compensation credit will purchase.

As the age increases the expectancy decreases. The age which is taken in selecting a particular factor is the age of the veteran at his birthday anniversary nearest the date of the certificate.

The longer a veteran delays in sending in his application the higher his age and the lower the insurance policy.

Another reason for immediate action is if a veteran who has applied for adjusted compensation dies before the certificate has been actually issued, his beneficiary receives the full value of the policy, provided application has been made. If application has not been made his dependent would only receive the flat amount of his adjusted service credit.

Application blanks are now on hand at the American Legion Post headquarters.

THIRTY-SEVEN HAMTRAMCKERS SENT TO PRISON.

In the Federal court at Detroit last Friday Judge Arthur Tuttle handed out prison sentences to 37 residents of Hamtramck, who were convicted of conspiracy against the government in the sale of liquor, the sentences aggregating 28 years and five months and the fines totaled \$11,500.

Had this gang been tried in the circuit court many of them, doubtless, would have been sent home, while a few might have been fined a small sum.

TOWER FAMILY REUNION.

The ninth reunion of the Tower family, which concerns a number of present and former people of this locality, is to be held at Greenville, Michigan, July 23-24. This reunion brings together members of the family from all over the country, who are descended from John Tower, who came from England and settled at Bingham, Mass. in 1637. The house which he built is still standing and is now the home of his namesake of the eleventh generation.—Milford Times.

PRIEST RETURNED FROM CONFINEMENT.

Rev. C. T. Dolan, pastor of the St. Mary's church, Milford, and St. Joseph's church, South Lyon, has returned from abroad and has again taken charge of the two pulpits. Rev. Dolan has been in Europe since about the middle of March and reports a trip far more wonderful than his expectations. Rev. Thomas Hennessey, who supplied both churches during his absence has returned to Notre Dame, Indiana.—South Lyon Herald.

Interesting Items

Arkansas Ratifies Child Labor Law.

Little Rock, Ark.—The Arkansas house of representatives has gone on record as the first legislative body to ratify the proposed child labor amendment to the constitution of the United States. The vote was 45 to 40.

Bug Flies in Eye, Lost Nine Hours.

Clearfield, Pa.—Because a bug flew in her eye while she was gathering wild flowers, Miss Essie Lydick lost her way and for nine hours wandered in the wilderness near Rockton. Finally she came upon a railroad which led to a station.

Gopher Damages Canal, 20 Men Fix It.

Hamilton, Mo.—A break in the big canal in the Root Irrigation District which carries water for 19,000 acres was caused by a gopher which honey-combed the ditch, causing it to give way. The services of 20 men and 15 teams were required to set the canal right again.

Canadian Plants 125,000 Pine Trees.

Bowmanville, Ont.—George Coulton of this town, has just finished planting 125,000 young pine and fir trees which cover about 65 acres. On a large plantation at Pine Point, on Scugog Island, where 25 acres were planted a few years ago, some of the trees now reach a height of 18 feet.

Morgan Trust's Income \$4,614,961.

New York—The seven trust funds aggregating \$10,800,000 created by the will of the late J. Pierpont Morgan produced from January 1, 1916, to January 1, 1924, an income of \$4,614,961, or an average of more than 5 per cent a year, according to accounts filed in surrogate court by the trustees.

Court Throws Out Bonus Contest.

Washington—The suit to test the constitutionality of the bonus has been thrown out of the court here. Justice Stafford of the District of Columbia supreme court ruled that Joseph Wheelan, New York, who asked for an injunction because he was a taxpayer, had not sufficiently direct interests involved.

Designs Boat to Navigate Under Ice.

Washington—Simon Lake, the inventor, has been granted a patent by the government for a submersible cargo vessel designed to navigate under northern ice-covered waters. It consists of a boat with a superstructure by which its navigator may dive under ice and rise again, breaking open a path for continued surface navigation.

English Art Gems Draw Yankee Gold.

London—Americans are pouring millions into London for art treasures according to auctioneers here. They have spent more than \$50,000,000 for pictures since the war and the total for the first half of 1924 is \$2,148,045 against \$10,000,000 for all 1923. Americans promise to be keen bidders for some of the Princess Royal's 50 old masters which are to be sold at auction July 18.

Cotton Crop Defies Boll Weevil.

Hartington, Tex.—Notwithstanding the fact that it was in the Lower Rio Grande valley that the cotton boll weevil entered the United States from Mexico many years ago, the growing of the staple in this region is being done on a more extensive scale this year than ever before. The area planted to cotton is about 206,900 acres, which is an increase of approximately 40,000 acres.

Steel Co. Buys Cast Iron Pipe Plant.

Easton, Pa.—The Replique Steel interests have taken an option on the stock of the Warren Foundry & Machine Co., of Phillipsburg, N. J., the largest individual manufacturers of cast iron pipe in the northern section of the country, it has become known here. The price agreed on is \$400 a share and the aggregate amount involved is \$4,000,000. The property probably will be taken over the last week in August.

U. S. Doubles Exports to Brazil.

Buenos Aires—The statistics of Santos, Brazil's greatest port, and gateway to the thriving industrial state of Sao Paulo, show that the value of American imports for the first three months of 1924 doubled the same period of 1923. In the same period the United States exceeded the rest of the world in purchase of Brazilian products, importing \$136,000,000, worth of raw materials out of a total exported of \$245,000,000.

Factory Pays Help With Shoes.

Pirmasens, Germany—When pay day came around in this shoe manufacturing town recently, the factory owners were up against it for cash. Instead of paying the men off in marks, they gave them each a pair of shoes as part payment of their wages. An hour later virtually the whole shoe working population had been transformed into a sales aggregation. From store to store wandered heads of families, trying to dispose of shoes in return for eats.

Give the Children Good Milk

After a hard day at play your boy or girl needs plenty of good-nourishing food.

Of all strength and health-giving foods milk ranks first.

Essentials to be fulfilled in cow's milk are: freshness; it should not be skimmed or in any way falsified; it should be pasteurized to free the milk from all bacteria.

Advertise your Auction Sales in The Record

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., JULY 18, 1925.

TEN MILLIONTH FORD SPEEDING ACROSS COUNTRY.

With half its journey from New York to San Francisco completed, the Ten Millionth Ford car is rolling toward the Pacific, reeling off a vivid and colorful motion picture for the automotive history of America.

Crossing the Missouri river into Nebraska, the sturdy little car that represents ten million transportation units of one kind, left behind it for the eastern section of the United States along the Lincoln highway a picture that will live long in the memory of the thousands that enjoyed it—a picture filled with enthusiastic scenes, lengthy processions and unique features, all in tribute to the great industry of which the car is a product.

As it progresses westward the picture takes on a new and varied phase, with the great welcoming hand of the west outstretched to receive it and send it on its journey to the coast.

Entry of the Ten Millionth Ford into Chicago was triumphant, in anything, for it was accompanied by a parade of 300 cars. The trip across Illinois was one ovation after another. At Clinton, where the car entered Iowa, the state in which it has lately been trying to outdo the corn, it was greeted by a big delegation of Ford dealers, a band of Scotch bagpipers and songs written to the optimistic tune of "It Ain't Goin' To Rain No More." At Omaha city officials are preparing a warm welcome for the car, and will participate in the big parade which will feature its entry into Nebraska's metropolis.

HARRY WHITE CHOSEN BOYS' LEADER.

From a copy of the Honolulu Star-Bulletin which was left at this office on Wednesday by W. H. White, the Record is pleased to take the following which refers to Harry White, a Northville boy. The committee having charge of the boys' summer vacation selected Mr. White as leader, and the newspaper contained the following reference to him. It is with great pleasure that the boys' department announces the name of Harry White as a club leader. White is here in Honolulu making a sociological and psychological study of the boy problem. As an authority on boys' work he is a great addition to the staff of club leaders. He is taking charge of the Kukui Kamrade Club. In a letter to his parents, Mr. White stated that he was recently awarded two tickets for admission to the Hawaii theatre, and explained that the papers contained several articles regarding the volcano. We here on this island are about 150 miles from the Island of Hawaii, where Mt. Pele is spouting forth daily.

BAND CONCERT SUNDAY AFTERNOON.

The Northville band will give a concert at Eastlawn Sanatorium Sunday afternoon and the public is urged to attend. The members of the band have kindly consented to give their time for this concert and they should be repaid by having a large crowd present to enjoy the splendid program they will present. Three members of our band played with the Detroit Elks' band at Boston last week and in the contest in which a number of the best bands of the country took place, the Detroiters carried off first prize. The fact indicates that Northville has an exceptionally good band and the members are to be commended for having offered to give their services on Sunday afternoon.

Tell your neighbors and friends about the concert and let's give them a good audience.

E. L. RIGGS DIES IN CALIFORNIA.

E. L. Riggs, for many years a resident of Plymouth, where he was engaged in the mercantile business, died at his home in Venice, Calif., last week Thursday, aged 64 years. For years he was a great sufferer from deafness and he moved to California where he was greatly benefited.

Besides his wife he is survived by one son, Charles B. Riggs of Plymouth. The remains were brought to Plymouth for burial and funeral services were held on Wednesday.

Mr. Riggs was engaged in business in this village for about two years, coming here from Richmond.

Mr. Riggs had many friends and acquaintances in this community who will learn of his death with sincere regret.

EXCHANGEITES ENJOY FISH DINNER.

Through the generosity of Exchangeite W. H. Elliott the members of the Exchange club enjoyed a feast of fish at their noon-day luncheon on Wednesday. The fish were caught

on Tuesday and were shipped direct from Rose City to Mr. Elliott and the obliging and efficient force at the Ambler Hotel prepared them after eleven o'clock Wednesday forenoon and served them piping hot at 12:15. It was a great feast that will not soon be forgotten and was a most agreeable surprise. Frederick Brown, candidate for prosecuting attorney, was the speaker of the day.

PRESBYTERIAN CHURCH NOTES.

We were gratified last Sunday by the large congregation. Only two more Sundays before vacation as the church services will not be held in August.

The Sabbath school will be continued as usual.

Subject for next Sabbath morning at 10:30 "Walking with God." Evening at Eastlawn at 6:30. "The Testimony of Human Experience."

ST. PAUL'S LUTHERAN CHURCH.

Next Sunday the silver jubilee of the Lutheran Michigan Children's Friend society will be celebrated at Frankmuth, near Saginaw. Pastor Essfeldt, who 25 years ago organized this society, has been requested to deliver the festive sermon at this jubilee.

There will be no services at the Lutheran church next Sunday.

We had the pleasure to meet two families as new members at our service last Sunday, Mr. and Mrs. Wurm and Mr. and Mrs. Martens. Mr. Wurm has moved here from Detroit and Mr. Martens from Alberta, Canada.

Mr. and Mrs. M. L. Wuerfel and son, Leonard, came to Northville by auto last Thursday to spend a few days with Rev. and Mrs. Essfeldt. Mrs. Wuerfel is the oldest daughter of Rev. and Mrs. Essfeldt. They left for their home at Mt. Prospect, Ill., on Monday morning.

Watch for the notice next week about an open air service.

Rev. and Mrs. Gugel from Detroit showed their friendly faces in Northville last Wednesday.

BAPTIST CHURCH NOTES.

Twenty-one were present at prayer meeting last week. We can beat this, let's do it.

Next Sunday evening we will have an auction sale of children. A number of Northville people will take part in this service.

On Sunday evening, the 26th, a number of young people who are members of the Christian and Missionary alliance will have charge of the service.

Remember, our evening service starts at 7:30.

Sacrament of baptism was observed last Sunday.

The get-together social was held at the home of Mrs. L. F. Eaton last Wednesday evening. It was a lawn social and everyone had a good time. The big feature of the program was the initiation of men as honorary members in the Baptist Ladies society.

If you wish to attend our services and you are not able to walk to the church, please notify the pastor and he will have someone call for you with a car.

METHODIST CHURCH NOTES.

The conference year is fast coming to a close and all the departments of the church are anxious to account for a good closing.

Our people have stood loyally back of the benevolences. Many who have pledged their contribution have paid through they moved away from us. Others have "evaded" by making excuses. You cannot run a grocery bill in one store and expect to pay it in another. It's a pledge to the Kingdom of God in this church, and the loss in the keeping, will be greater. No one can break faith with the Almighty without serious consequences. Judgment will come: "I will repay saith the Lord," we are asked to give "as the Lord has prospered us" and there is no severity in this request of God. Balance up our luxury for the year, and stand over against what we have given for unselfish purposes, the latter would need a microscope.

Next Tuesday, the 22nd, our closing business meeting will take place with Dr. H. Addis Leeson, our district superintendent in the chair, commencing at 7:30. All the officials are requested to be present with their reports.

Don't forget the Sabbath services next Sunday at 10:30 with sermon by the pastor. Also the Sabbath school at 12:00.

In the evening we will have a united service in the Eastlawn grove at 6:30. Rev. F. P. Knowles will give the address.

W. C. T. U. NOTES.

The W. C. T. U. will hold its next meeting on Thursday, July 24th, at the home of Mrs. F. L. Crosby, on Cady street. A full attendance is desired. This will be a "Rea Letter Day," as July 4th of this year marks the 148th anniversary of the birth of our nation. So come out and let us fittingly observe the month and the year of our independence.

WHAT DO YOU THINK OF YOUR SON?

The youth who balks at authority—who goes contrary to your wishes—who demands more often than requests—what do you think of him?

What ambition have you for your son—what are his prospects—what does he aspire to be—what is the ground work for his success?

A dramatic scene occurred at the Jordan when Jesus—the Christ—was baptized by John. As the ceremony ended the Heavens opened—a voice sounded—a Presence came.

These words—THIS IS MY BELOVED SON IN WHOM I AM WELL PLEASED came thru that open sky. It was a verdict any father would like to express.

As a son of the Highest do you merit such a verdict from the Great Father?

C. A. DOLPH BIBLE CLASS**METHODIST SUNDAY SCHOOL****First Presbyterian Church**

These are vacation days when we wander here and there in quest of those pleasures for which we long as we are busy about the ordinary tasks of life, and we are glad for all who for a time can lay aside the cares and toils of these busy days and find enjoyment in God's great out-of-doors, and as we view the beauty and the grandeur of it, may we not forget to thank Him who planned it all? And then perhaps, we, too, may hear from out some bush the whisper of His voice, and see revealed the purpose of our lives.

SUNDAY PROGRAM.

Public Worship at 10:30 a. m. God made the Sabbath for Himself and you, that you might praise Him for His goodness to you.

Sunday School at 12:00—noon. "There's a place in the ranks for you." Will you fill it?

Union Service at 6:30 p. m. In the grove at Eastlawn. If weather is unfavorable, services will be held in the M. E. church. We had a fine meeting last Sunday evening and a goodly number were there to enjoy it. You come and have a part in it this Sunday evening.

A CORDIAL AND SINCERE WELCOME AWAITS YOU AT

THE FRIENDLY CHURCH**"AN ENTANGLING ALLIANCE"**

is always dangerous. The pastor will speak on the subject Sunday morning. This is a sermon for all who want the truth.

On Sunday evening there will be an AUCTION SALE OF CHILDREN

when a number of beautiful children will be sold to the highest bidder.

What's The Use of Baking?

What is the use of spending your time in the kitchen over the range or cook stove these warm days when you can supply your Baking needs right here. We bake an immense amount of Bread, Buns, Cakes, Cookies, Doughnuts, Pies, etc., every day—our bakers work all night so we may have a fresh supply of Baked Goods on hand every morning.

If you should desire anything special for any occasion—weddings, receptions, picnics, family reunions, etc., we can supply your needs promptly if you will tell us what they are.

Your Grocery Needs

Can be supplied here just a little more satisfactory, we think than any other place in this section. Our stock is fresh and we carry only the well known brands in Canned and Package Goods. We also have a good assortment of fresh Fruits and Vegetables every day.

Our own Special Blended Coffees are the best coffee values being offered and a trial will convince you of this fact.

Sweet Heart Watermelons

FOOD MERCHANTS

Safeguard Your Children's Health

This is always of vital importance. Many simple ailments undermine a child's health, preventing physical and mental progress if not corrected.

A simple, harmless and yet most effective preparation for children's use is Milk of Magnesia. Doctors recommend it as an antacid and mild laxative. Colic, flatulence, constipation, biliousness, intestinal indigestion, dyspeptic diarrhea and hives are a few of the many children's ailments which are promptly relieved by using it according to directions.

Rexall Milk of Magnesia is best. It is many times more effective as an antacid than lime water, and it is mildly laxative. Lime water on the other hand is constipating, a condition we should avoid when giving medicine to children. It is superior to chalk, as the latter constipates and causes flatulence. Bicarbonate of Soda has a disagreeable taste and often causes flatulence and nausea. Rexall Milk of Magnesia has none of these disadvantages. Solid forms of magnesia are not entirely soluble and may cause dangerous concretions during continued use. Rexall Milk of Magnesia is entirely soluble in the acids of the stomach and intestines and possesses all the virtues with none of the disadvantages of the solid forms.

Use Milk of Magnesia whenever an antacid or laxative is indicated. You will safeguard your children's health.

Rexall Milk of Magnesia is made full U. S. Pharmacopoeial strength and purity and by a process peculiar to this brand alone which makes it a most elegant and stable compound; almost tasteless, it is pleasant to take, highly efficacious and reliable and not in any way injurious. Be sure to get Rexall Milk of Magnesia at the Rexall Drug Store, as it is not obtainable at any other.

LOCAL

Fry & Rollatt are building some houses at Farmington.

A chapter of DeMolay was recently organized at Birmingham.

H. G. White spent a few days with Ross Dixon at San Souci on the St. Clair river.

Mr. and Mrs. H. R. Bogart are located at 202 Bailey street, East Lansing.

The Record is 55 years today, and for an "old chap" is hale and hearty and going strong.

Fred L. Newton is visiting his mother and other relatives and old friends in New York state.

The band concert to be given at Eastlawn on Sunday afternoon will begin at 2:30 and continue until 4:30.

Mr. and Mrs. Ray Lanning and Mr. and Mrs. Geo. Ford motored to Flint Sunday and heard Rev. Joe Payne preach.

Mrs. L. N. Terrill has returned from Seattle, Wash., where she has spent several months visiting with relatives and friends.

Mrs. Floyd Preston and two children returned Wednesday from a three months' visit with her sister in Augusta, Ga.

Mr. and Mrs. A. J. Heltrich and Doris are spending a couple of days this week at Niagara Falls, going by boat from Detroit.

Mr. and Mrs. J. A. Boyle, who recently returned from a visit with their daughters in California, are spending the summer in Northville and have come with Mrs. T. H. Turner.

A number of acre tracts have been sold in beautiful Fairview tract on the Seven Mile road during the past week.

The Lovell Farm company of this village has the sale of the property.

The No-Tobacco League will have a union meeting on Sunday evening, August 3rd, at Eastlawn at 6:30 o'clock. There will be a musical program by Charles M. Fillmore and John Huddleson and a lecture on the subject "The Child in the Midst."

Everybody is invited.

The DeMolay boys, an auxiliary of the Northville Masonic order, are giving a dance at Tolettene Walled Lake casino on Friday evening, July 25th.

Any assistance given by the public to help swell the crowd will be greatly appreciated by the boys, who are trying to raise money for athletic purposes.

John Payne, the cowboy evangelist, visited Rev. A. K. MacRae and family last Monday. He was on his way home from Flint. He had a very successful campaign in Flint. Raised \$50,000 for a new church and had over 40 converts. Joe expects to be in Northville the first three weeks of November.

Two ball games will be played at Northville Sunday. First game at 2:00 o'clock, when the Northville Foresters tangle with the Washtenaw Farmers for seven innings. At 3:30 o'clock the Foresters will then take on the Pontiac nine. These two games should interest the fans—all for one admission.

On Monday afternoon and evening of next week Northville Lodge F. & A. M. will confer the third degree upon a class of candidates. Lodge will convene promptly at 4:30 and dinner will be enjoyed at 6:30. After the "feed" employees of the Detroit Edison company, gathered from a number of surrounding towns, will do the work.

Mrs. G. M. Lamb was taken to Harper hospital in Detroit on Sunday afternoon. She underwent a serious operation on Monday and Tuesday. Her condition was reported as favorable as could be expected. Mr. and Mrs. Lamb came to Northville from Ann Arbor a little more than a year ago purchasing a new home in Orchard Heights.

The union meeting at Eastlawn grove on Sunday evening was attended by upwards of fifty people and the service was greatly enjoyed. A number of familiar hymns were sung and Benj. Stewart sang a solo. Rev. F. P. Knowles offered prayer and Rev. William Richards read the scripture lesson and gave the sermon, taking for his theme "The Sea." There will be services next Sunday at the same hour—6:30.

H. C. Robinson of Plymouth was a Northville visitor on Monday and made a pleasant call at The Record office. Mr. and Mrs. Robinson attended the international convention of Rotary clubs which was held at Toronto, Canada, and he reports a wonderful time. Naturally he discussed Northville's approaching fair and declared Plymouth people were going to make Thursday—Plymouth Day—eclipse anything heretofore presented.

Wayne county jail is crowded to overflowing and the authorities are wondering what they can do. Built to accommodate 137 prisoners the jail now has 520 inmates, and the institution is so crowded that its condition has become unhealthy. If the circuit judges of the county would speed up a little this condition might be improved very quickly. One cause for this congested condition is that our circuit courts do not work. The judges make their days too short to accomplish a great deal.

There is but little change in the condition of Dr. G. W. Johnson this week.

William Wayne has been appointed nightwatch in place of Lester Stage, Sr., who resigned.

Mrs. C. R. Batenhan and two children of Milwaukee, Wis., are guests of Mrs. J. R. Walker.

John Sedan of Detroit spent a few days with his cousins, Harry and Robert Sedan, during the past week.

Mrs. S. C. Taylor of Walled Lake has been spending the past week with her sister-in-law, Mrs. Tremper.

Mrs. F. S. Neal and son, Warner, left Wednesday afternoon for Niagara Falls. They will return home today.

Mrs. Lee Lundy of Lansing is spending a few days at the home of Mrs. A. E. McCullough and is calling on a number of old friends this week.

Mrs. Charles Bever and Mrs. R. Kikon and children of Detroit are guests at the Langfield home on Rogers street.

The exterior of the Ambler Hotel is being treated to two new coats of paint and a trim this week, making a great improvement in its appearance.

There are a lot of noxious weeds about the village that ought to receive the attention of some one. This same condition applies to the highways of the township also.

A new time table went into effect on the Plymouth-Wayne branch of the D. U. R. on Tuesday. The cars leaving Northville now connect at Wayne with the limited cars going both east and west.

Mr. and Mrs. F. C. Evans and children and Mrs. Main of Waterbury, Conn., arrived in Northville by auto last week Thursday and remained as guests of the Fikins families until Monday.

The Sixth district American Legion convention will be held in this village on Friday afternoon and evening of next week, the 25th. A banquet to be served at the High school gym will be one of the features of the convention.

A carload of furniture for Hoffman Lodge at Middletown, N. Y. left the Globe Furniture & Mfg. company's factory this week. Another carload is ready for shipment to West Virginia as soon as shipping instructions are received.

J. W. Perkins and Mr. and Mrs. Peter Perkins arrived home late Friday afternoon from their auto trip to the east, driving from Niagara Falls on Friday. They covered a lot of territory, visited many places of interest, and enjoyed the outing greatly.

L. G. Shaddock of Chicago, Ill., has been the guest of Mr. and Mrs. Chas. Goldren for the past week. Mr. Shaddock was born on the farm where the Detroit House of Correction building now stands, his father owning the place for many years. He is now superintendent of South Jackson park in his home city.

COCHRAN-TAGGERT.

Married, July 8th, at Redford, by the Presbyterian minister, Harold Cochran and Miss Lana Taggert of this place. The young people are well known here and all will unite in wishing them happiness.

IMPORTANT O. E. S. MEETING.

A regular meeting of Orient Chapter O. E. S. will be held on Friday evening, July 18th. There will be work and supper will be served at 6:30. During the evening a worthy matron will be elected to take the place of Mrs. H. R. Bogart, who has moved from Northville. A good attendance of members is desired. 2nd 2c

ANNUAL MEETING.

The Annual Meeting of the Stockholders of The Northville Loan and Building Association, for the election of directors, and the transaction of such other business as may come before said meeting, will be held at the store of John McCully in the village of Northville, Michigan, on Friday evening, July 25th, 1924, at 8:00 o'clock.

Dated, Northville, Mich., July 15th, 1924.

"It Pays To Keep Track of Your Money"

More and more people every day are realizing that fact—the growing number of check users proves it.

Paying bills by check not only gives you a sure, certain way to watch the "outgo" from the family treasury—it blocks ever paying the same bill twice, and also promotes economical spending.

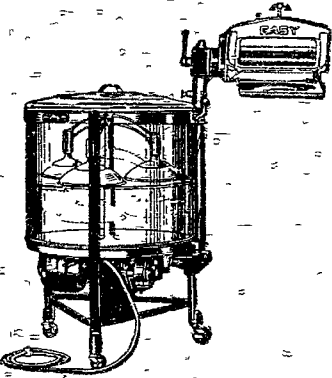

You will find a checking account here a big convenience.

Lapham State Savings Bank

We Pay 4 Per Cent.

The "EASY" Requires Less Power

One would naturally think that the EASY, being an extra large size electric washer, would require an extra large size motor.

But as a matter of fact, a 1-6 horsepower motor is sufficient to operate the EASY, whereas other machines of smaller capacity require a 1-4 horsepower motor, and are therefore more expensive to operate.

The reason for this lies in the fact that the mechanism of the EASY is of unusually simple design—an important feature from the standpoint of durability and cost of operation.

If you incline toward economy, by all means see the EASY before you buy.

PONTIAC HORSE IN FAST COMPANY.

Peter the Brewer, trotter, owned by Edward M. Stout, of Pontiac, won the \$3,000-stake race at Columbus, O., Thursday, being driven by Nat Ray of Cleveland Ohio.

Mr. Stout's horse entered all through the grand circuit and will race in Toledo, Kalamazoo, Devonshire, Cleveland and all through the east and south, finishing at Lexington, Ky. It was there that he won the Transylvania in 1922 which, with the M. and M. at Columbus made him the champion trotter of 1922. He also won the Charter Oak stake with its \$10,000 purse at Hartford, Conn.

In Thursday's race Peter the Brewer was entered against Clyde the Great, recently purchased at \$25,000 and also against Grey Worthy, who has a record of 2:02 1/4, and several other high-class trotters.

The winner's time was 2:03 1/4 and 2:02 1/4. —Pontiac Press.

Ann Arbor—Miss Florence V. Essey, daughter of E. V. Essey, Washtenaw county school commissioner, who died last week, has been named to succeed her father for the rest of the present term of three years, as school commissioner. Miss Essey has had 10 years' teaching experience and has attended the Michigan State Normal college at Ypsilanti, the University of Michigan and Columbia university.

TAXES and rising costs haven't yet robbed the BEECH-NUT Chewing Tobacco of quality and quantity. Just as much and just as good in 1924 as in 1915.

Recent years of higher revenue, State and Federal taxes, mounting labor and raw material costs, we've kept BEECH-NUT tight sealed against a reduction in weight and a rise in price.

Suit the best and the most, best chewing tobacco 10c. ever bought.

That's why sales exceed 250 million packages annually. That's why every third tobacco chewer in America ten-centists protests against any substitute.

Make your 10c. do its duty too.

L. Lillard Company
INCORPORATED

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

Mrs. W. A. Carrothers has gone east for a visit.

R. H. Purdy and wife are encamp at Walled Lake.

Miss Kate Brooks of Detroit is visiting relatives here.

Albie and Ruth Webb are visiting Olive Wixom at Novi.

Miss Adeline Spalding of Cadillac is the guest of Mrs. Belle R. Long.

Charles Hagen and wife of Durand are among Northville friends this week.

Mrs. Ida Joslin leaves Monday for a four weeks' trip in the upper peninsula.

Mrs. Earl Cobb and daughter, Gladys, are spending a week at Brighton.

Miss Frances Russell of Pleasant Hill, Tenn., is visiting her cousin, Mrs. John Ambler.

Dr. and Mrs. Carrothers left Wednesday for St. Thomas, Ont., for a two weeks' vacation.

Mrs. Merrill and Noble of Pittsfield, Mass., are visiting their sister, Mrs. George Clark.

John Lefler of Ann Arbor has been selected as the new superintendent of schools here, as successor of Mr. Gilbert.

Mrs. George Rayson, Mrs. Chas. Keyes, and daughter, Beatrice, left Tuesday for New York to be gone a month.

Married at the Presbyterian parsonage last week by Rev. Hemminger, Fred Bennett to Miss Addie Dibble, both of Plymouth.

J. D. Mordock still wants \$2,000 damages from the village for injuries received from a fall on an alleged defective sidewalk several years ago.

Amos C. Lamm died of paralysis at the home of his daughter, Mrs. H. F. Jackson Monday morning, aged 75 years. The funeral occurred at Newburg, Wednesday.

The electors of Northville will vote next Monday on the question of bonding the village for \$27,500 five per cent interest bonds for the purchase of an electric lighting plant.

Grant Power has a new dog. In a measure its a patriotic dog—that is, it "took" to Grant on the 4th, and followed him home from Detroit. The dog is a thoroughbred and likes both Northville and its master.

While a Northbound P. & M. freight was switching here at ten o'clock Saturday night brakeman Chris Schults fell between the cars and was killed. He leaves a wife and two children in Saginaw.

STATE HORTICULTURAL TOUR.

The annual tour of the State Horticultural society will end this year in Oakland county where the last day of the three days' tour will be spent.

Indications are that this will be a most successful tour, since it covers a section of the state not previously touched by tourists. The tour starts at Benton Harbor, Monday morning, with stop-over at Kalamazoo at night, then on toward Ann Arbor which was reached the second night.

This is the schedule for the third day Wednesday, July 23rd, 1924. At 8 a. m. fast time, leave corner 12th and Huron streets for drive, through University of Michigan campus.

The tour in Oakland county will be under the auspices of the Oakland County Horticultural society.

9:30—Fred P. Simmons & Son's orchard, 125 acres of apples, plums, peaches, air-cooled storage.

10—John Lathrop orchard—a very remarkable 40 acre apple orchard.

10—Drive through orchard of D. B. Button.

11—C. H. Halstead's orchard.

12—Noon—dinner at Orchard Lake.

1:00 p. m.—American Pomological society speakers.

2:00—Leave Orchard Lake for drive through Wabek farms of James S. Couzens to orchards of Edwin S. George, 125 acres of dusted orchards.

4:00—Sly Fruit farm, Maple avenue west, Birmingham.

Mr. and Mrs. W. H. Hutton recently had as their guests Mrs. J. M. Burgess and daughter, Mable, and Mrs. Fannie VanZile.

Watch and wait. The W. M. B. class will soon present a Japanese carnival and the affair will be worth waiting for.

Mr. and Mrs. Walter Avey returned last week from their wedding trip and are at the home of Mr. Avey's parents from the present.

Walled Lake's Craftsman's club presented a moving picture entertainment at the High school auditorium on Tuesday evening—"Big Brother."

Record Liners Cost But Little.

RECORD LINERS PAY—TRY ONE

DISCOVERING THE COST OF PRODUCING EGGS.

Co-operation with 150 farmers on determining the cost of producing eggs the Michigan Agricultural college found that on 40 farms the egg cost between 12 and 14 cents per dozen, on 30 farms it cost the farmer \$1 or more per dozen and one farm the production cost per dozen eggs, \$11.

The college found in tests that hens producing 120 eggs per year required 8 pounds of feed per dozen eggs while hens producing 140 eggs required but 6 pounds of feed per dozen eggs and hens producing 160-200 eggs annually required 5 pounds of feed per dozen.

These things show the necessity of good poultry culling and breeding for production.

INSTALLING NEW MACHINERY.

Jewell, Blach & McCordie, Plymouth's enterprising plumbers, have just added two labor-saving pieces of machinery to their equipment that will be real time savers. One of the machines is an electric thread cutter that will cut a thread on piping from the smallest to the largest size used in their line of work. It does the work quickly and accurately, and is a great advantage over the old method. Another machine just installed is a

drake, which will bend all kinds of sheet metal, into any shape desired. If does the work smoothly, and when the work is completed it is a finished job. Machines of this kind are only found in the larger places, but Jewell, Blach & McCordie are anticipating the future growth of Plymouth, and with a desire to give their customers the best service possible, are making their equipment for doing plumbing and heating work, right up to the minute. —Plymouth Mail.

Highest City in Europe.
Madrid, in point of geographical elevation, is the highest city in Europe.

VICTORIES that build Firestone LEADERSHIP

Firestone Leads on Speedway with Five Record Breakers

When the race driver selects his tires he does so realizing that his life and chances for success depend upon them. It is significant that all of the ten money winners in the Indianapolis race were Firestone shod. Firestone, using gum-dipping and other special processes, has developed tires to such a high degree of efficiency that at Indianapolis, May 30th, the following drivers broke the world's record for 500 miles over the brick track, making many rounds at over 100 miles per hour. Never before were tires put to such grueling service where it was necessary for every ounce of rubber and every fibre of fabric to work in perfect union with every other part.

| Driver | Time | Miles per hour |
|-----------------------|------------|----------------|
| Joe Boyer—L. L. Corum | 5:05:23.51 | 96.24 |
| Earl Cooper | 5:06:47.18 | 97.99 |
| Jimmy Murphy | 5:08:35.35 | 97.27 |
| Harry Hartz | 5:10:44.23 | 95.55 |
| Bennett Hill | 5:11:07.00 | 96.48 |

Leadership in Everyday Service

Millions of motorists are profiting by the lengthened service of Firestone tires. Scores of unsolicited testimonials emphasize the long mileage Firestone Gum-Dipped Cords deliver which builds leadership in service, safety and economy.

Leadership on Cabs, Buses and Trucks

The largest taxicab companies in the five largest cities in the United States use Firestone Gum-Dipped Cords exclusively. One fleet alone, the Yellow Cab Co. of Chicago, uses over one-half million tire miles per day.

Firestone for years has been first to develop tires and rims complete which would meet the heavy trucking loads, great strains and demand for traction. By originating and carrying forward the Ship by Truck movement, and establishing Ship by Truck bureaus in all large cities, Firestone helped to speed up highway transportation and reduce costs.

Balloon Tire Leadership

Firestone's latest contribution to motoring is the low air pressure or "Balloon Tire." This, the original full-size Balloon, was made practical by the special Firestone Gum-Dipping process, insulating every fibre of each cord, adding great strength and stamina. Firestone has also simplified the application of full-size Balloon tires to your present car by designing a special unit consisting of tires, tubes, rims and spokes applied by any dealer at a very low cost.

Leadership Against British Rubber Restriction Act

Attacking the unsound and uneconomic character of the British Rubber Restriction Act limiting the exportation of rubber from the Far East, Firestone was the one large tire manufacturer to take up the cause for the car owner. Soon after the agitation was started for America to produce rubber under its own control, the cost of crude rubber was reduced and tire prices brought back to normal.

Dealer Leadership Through Tire Quality and Service

Through Firestone dealers you can obtain organized service and the soundest values on the market, whether you need a Ford 30 x 3 1/2 Fabric, a set of full-size Balloon Gum-Dipped Cords or a 10-inch truck tire.

Federal Tax on Telephone Toll Messages Removed

UNDER the provisions of the Federal Revenue Act of 1924, all telephone messages became free from tax at midnight, July 2, 1924. The taxes imposed under the previous law were as follows:

- On a telephone toll message for which the charge was more than fourteen cents and not more than fifty cents . . . 5 cents
- On a message for which the charge was more than fifty cents . . . 10 cents

These taxes were highest, in proportion to the charge for service, for toll messages over moderate distances, the tax in some cases amounting to one-third of the toll charge.

We have anticipated the increased use of toll facilities that will follow the removal of these taxes and are prepared to care for it.

EDSEL FORD BUYS LARGE ACREAGE IN OAKLAND COUNTY.

Deeds revealing the sale of 640 1/2 acres of land in Highland and White Lake townships of Oakland county, to Edsel B. Ford of the Ford Motor company were left for recording Tuesday morning in the office of the register-of-deeds. The consideration as indicated by revenue stamps was \$68,650. For several months William A. Neer, of Grosse Pointe, has been obtaining deeds to property in this vicinity of which this is only a part. The purpose of acquiring such a large acreage was not divulged.—Pontiac Press.

PRIMARY SCHOOL TAX QUOTA SETS RECORD.

Apportionment of state taxes to primary schools will be \$14 per child, the highest in the history of the state, O. B. Fuller, auditor-general announced Monday.

Primary schools will receive a total of \$15,067,500 in taxes for the 1,076,250 school children in the state, Fuller said.

The fund for primary schools is raised by taxes on railroads, telephone and telegraph lines, sleeping car companies and similar levies.

The primary school apportionment for 1923 was \$11.50 per child. The highest ever recorded prior to the year was \$12 for each child in the state.

GOOD PLAY TO BE REPEATED.

"The Awful Mrs. Batson," a play

both historical and romantic and carrying a rare degree of comedy, dealing with the turbulent days during the early period of Andrew Jackson's presidency, which was produced at the Garrick theatre last Monday night by the Bonstelle company, has caught the public fancy in a firm grip. Consequently, Miss Bonstelle has decided to continue this play for a second week in order that her many followers and those interested in the play might have an opportunity of witnessing the famous characters of the period of the late 1820's and early 1830's in flesh and blood.

MADE A WISE CHOICE FINALLY.

Hon. John W. Davis of West Virginia, the democratic candidate for president in judgment and ability, is far above the poise and sanity shown by his party in their two weeks convention at New York. That the democrats finally named a man of Mr. Davis' fine equipment is a gratifying thing for the nation. While his chance for election at this time at least seems very remote it is always fortunate that the two leading parties offer their strong men. Davis is by tradition, training and employment of much of the same stamp as President Coolidge. With this true New York and the east will stay with Coolidge which means his re-election. Gov. Charles Bryan of Nebraska, a brother of William Jennings Bryan, is the candidate for vice-president.—Charlotte Republican.

OF SPECIAL INTEREST TO POTATO GROWERS.

The growers of early potatoes in the Detroit area will have a chance to see what good northern grown seed and thorough spraying will do in the way of producing a crop of potatoes if they come to the farm of James McKenny at Belleville on the morning of July 24th, and those further north can see what they may be looking for at the farms of L. Clemens and George Schmidt, near Plymouth, in the afternoon. Both men have planted good seed and both are using high pressure sprayers capable of producing 200 to 250 pounds pressure per square inch. Three nozzles are arranged to spray each row and four rows are sprayed at a time. Flea beetles are pretty scarce in these fields and the fields look good enough so you will think you are in Northern Michigan, Maine or Minnesota. Old fashioned home-made Bordeaux with a proper amount of calcium arsenate is getting the results. The last two sprays probably won't need the poison as the flea beetles will be about gone and what potato bugs succeed in hatching are going to have a surprise waiting for them for calcium arsenate, like arsenate of lead, sticks to the vines when once applied.

There is no use talking early or mid-season potato production in Michigan unless you say good seed and proper spraying in the same breath. On the farm of L. Clemens you will find a good demonstration of what a good fertilizer will do and just how it makes the plants look. Most of our used lighter soils need potash and the evidence of its lack is right here.

The growers in Wayne county are awake to the fact that there is good money going out of the state for about 1,000 cars of potatoes that are received here at a time of the year when Michigan growers can put that same 1,000 cars of potatoes on the market and put the money in their own pockets. New Jersey, Maryland and Virginia growers get good certified seed and spray just the best they can and when Michigan growers are willing to do the same and find out just all about it, they can be quite successful mid-season potato growers too.

The Cobbler makes a good point for any other season too—the quality is fine and when properly grown and matured many people prefer them to any other potato. They are excellent keepers.

Plymouth, Mich.

Novi News.

Mrs. John Goodman of Detroit and Mrs. Bessie Dunham and daughter, Margaret, of Redford, spent a part of last week at the home of Mr. and Mrs. R. D. Stephens.

Mr. and Mrs. O. Richardson of Vicksburg, spent a day recently at the home of the later's sister, Mrs. Frances Dandison. They also visited other Novi friends and returned home last Saturday.

At the annual school meeting on Monday, Frank Hamilton and Jay D. Hazen were elected trustees.

Mr. and Mrs. Bryon Power, of Seattle, Wash., have been visiting Novi friends and also his brother, Franz Power, and family at South Lyon. While there both families went to Jackson and visited their sister, Mrs. Fields. While there they spent a week camping at Clark's Lake.

The Mission Band of the Novi Baptist church will have a bake sale at Deer's store on Saturday afternoon. Mrs. Stella Miller is home from Detroit and is in very poor health.

F. C. Rice and son, Warren, attended the big circus in Detroit, Tuesday. Rev. Preston of South Lyon occupied the pulpit in the Baptist church Sunday morning.

Roy Leonard and family of Detroit were Sunday guests at the home of Mr. and Mrs. C. C. Fox.

Mr. and Mrs. Edward Kogher of Detroit visited at the homes of Lester Woodruff and L. E. Coates Saturday night and Sunday.

Mrs. Lizzie Coates spent a part of this week in Detroit with her niece, Mrs. Russell Holcomb and children, while Mr. Holcomb is at the Ford hospital for medical treatment.

Mr. and Mrs. Messice and the late's mother, all of Detroit, who were so badly injured in an automobile accident July 4th, in front of L. Woodruff's house, are all improving nicely.

The Oddfellows and Rebecca orders have moved their paraphernalia from the lodge room at Walled Lake and will hereafter hold their lodge meetings in their new home in Henry Goers' building, which they have purchased.

Mr. Eugene Root was in Detroit on business, Tuesday.

Mrs. Lee Wooster of Pontiac is visiting old friends here.

Mrs. Lida McHenry of Bay City is visiting her aunt, Mrs. B. Munro, this week.

Mrs. Maud Butler and daughter of Clio are spending the week at the Beckwith home.

Mr. Blair and son, George of Detroit, spent last week at the home of George Coleman.

Mr. and Mrs. Bert Richardson of Detroit, spent the first of the week at the home of L. B. Flint.

Mr. and Mrs. J. O. Munro and children and J. B. Munro spent Sunday at A. J. Greer's at Newburg.

Mr. and Mrs. W. D. Flint spent last Saturday and Sunday in Ypsilanti, at the home of the former's mother.

Mr. and Mrs. F. C. Rice and son, Warren, were Sunday callers at the former's sister's home, Mrs. E. J. Simmons, in Plymouth.

Mr. and Mrs. Beckwith are enjoying the company of their brothers from Cleveland, Ohio, who they have not seen in thirty years.

Miss Mary Munro entertained 12 boys and girls Tuesday afternoon, the occasion being her 9th birthday. A very enjoyable time was reported by all.

Roy Rohsloper of Detroit and Mr. and Mrs. Brent Bruce and children, of Flint were over Sunday guests at the home of Mr. and Mrs. Burton Munro.

Mr. and Mrs. Beckwith entertained for dinner Sunday Mrs. Nellie Beckwith, Mrs. Bessie Beckwith of Clio and Miss Eva Godwin of Flint, Mr. Logan of Clio, Mrs. Maud Butler and daughter, Leona-Mae of Clio and Charles Beckwith of Cleveland, Ohio.

NOVI CHURCH NOTES

The R. Y. P. U. will be in charge of Mrs. F. C. Rice next Sunday evening. Topic, "Being a Good Neighbor."

Rev. Thompson of the Baptist church has been granted a leave of absence from the pulpit for two weeks when he will attend the Baptist Summer school at Kalamazoo.

Next Sunday evening will be a music night at the church, the entertainment to be given by a party of singers from Detroit. Come and hear them.

CROQUET TOURNAMENT.

The Eastlawn Sanatorium team defeated the Methodist team last Thursday. The remaining two games were played on the parsonage lawn, the visitors winning one, completing three out of five for 24 in.

The scores are as follows: Eastlawn won on their own ground the first game. Eastlawn winning one of two on the court of Roy Clark, the second game and then winning the final one of two played last Thursday, at the parsonage court.

Tinning Plate-Iron

The art of tinning plate-iron was invented in Bohemia, and introduced at a later period into France, England and other countries.

No Car Like It!

47 horsepower! 50 miles and more an hour—hour after hour—without over-heating—without loss of power—without carbon cleaning!

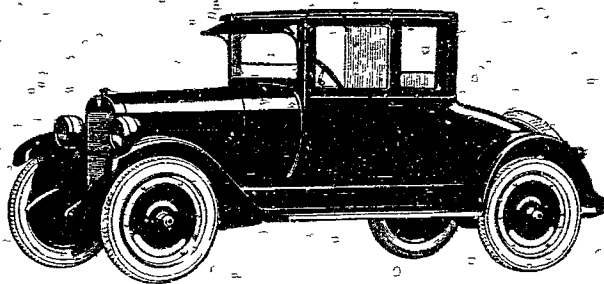

And at the end of a long sustained high speed, your motor will be cooler, will need less water than any similar sized poppet-valve engine.

This engine's power curve keeps climbing up while the power of a poppet-valve car is dropping off. Furthermore, the Willys-Knight is entirely free from those engine repairs which make up 50% of the upkeep cost of practically all poppet-valve cars. It has no cams—no springs—to get out of order. A car you can keep season after season. Take a ride today.

BACK PAY SUITS LOST BY SHOPMEN

U. S. CIRCUIT COURT OF APPEALS
DECIDES IN FAVOR OF PENNSYLVANIA SYSTEM.

HOLD CANNOT ENFORCE RULING

Congress Set Up Machinery That Did Not Work to Final Decision
—Opinion Says.

Philadelphia—The United States circuit court of appeals has dismissed equity suits brought by System Federation Number 90 of Shopcraftsmen, and the organization of clerks against the Pennsylvania railroad for the enforcement of wage increases and working conditions decisions of the United States railroad labor board, on the grounds that the charge of conspiracy made in the suits had not been proven against the carrier.

The suit of the shopcrafts federation was for a claim of \$15,000,000 back pay which, it asserted, was due under a decision of the railroad labor board. The sum was said to be based upon the difference between the scale fixed in the national agreement made by the railroad administration during 1922, and the scale paid by the company after the railroad was returned to private ownership.

The appellate court's action, contends that of Judge Dickinson who dismissed the suits in the federal district court several months ago on the ground that the courts had no jurisdiction to enforce decisions of the railroad labor board. Claiming they were not seeking enforcement of the railroad labor board's decision, the organizations asserted they were basing their action on a charge that the company and its officers were in a conspiracy to deprive them of their "civil and statutory rights" as defined in the transportation act.

The practical effect of a decision favorable to the employees' organization would be to do away with a labor board's action on enforceable law court's opinion on it.

"This is an instance," the opinion held, "where the machinery which the congress set up did not work through to final decision and resulted in no punishment except that of public opinion directed against the company" by the announcement of the labor board that the company had refused to obey its orders, which were favorable to the employees.

DECLARE WAR ON HAY F.V.R

Government Health Service Declares Eleven Million Suffer Disease.

Washington—Aided by the co-operation of leading medical authorities of the country, the United States government has launched a campaign to bring relief to millions of hay fever and asthma sufferers throughout the nation the public health service announced.

Officials estimate that probably more than 11,000,000 persons are incapacitated annually during at least a portion of the hay fever season.

Dr. Harry S. Dornon, special expert in the public health bureau is making an exhaustive investigation of the disease and declared that a fever is increasing in spite of modern methods and treatment. Hay fever and asthma, which heretofore diseases are aroused by pollen from grass, flowers, weeds and trees, emanations from animals, horse dander, cat hair and certain foods, climatic conditions and nose diseases.

C. H. BRYAN, Secretary

Minutes of annual meeting of School District No. 2, Fractional Northville and Novi townships, Wayne county, Michigan, held July 14th, 1924.

Present: D. P. Yerkes, L. A. Babbitt, C. L. Dubois, Edith L. D. Lapham, C. H. Bryan, members of the Board of Education, and 28 other residents.

The minutes of the last annual meeting were read and approved. The annual report was read and adopted.

The next item of business was the election of two trustees to fill the expired terms of C. H. Bryan and Edith L. D. Lapham. On motion it was ordered that we proceed with the election of a trustee to fill the expired term of C. H. Bryan.

The chairman appointed Ernest Miller and Charles Blackburn tellers, who with the chairman and secretary were duly sworn.

A total of 33 votes were cast on the first ballot of which Dr. A. B. Wickham received 19 and C. H. Bryan 14. Dr. Wickham was declared elected.

A total of 33 votes were cast on the second ballot with the following result: T. I. Cousins was declared elected.

Seconded by E. H. Lapham, supported by William Stark that Mr. Bryan be tendered a vote of thanks. Carried unanimously.

Moved by Supr. Helfrich, supported by Mr. Stark that Mrs. Lapham be tendered a vote of thanks for her faithful services as a member of the board. Carried unanimously.

A general outline of the work of the board what it had done and what it hoped to do was presented by Dr. Yerkes.

No further business appearing the meeting adjourned.

C. H. BRYAN, Secretary

VILLAGE TAXES NOW DUE.

Village taxes will be received at the Northville State Savings Bank any time during business hours, beginning Friday, June 13th.

CARRIE E. LITSENBERGER, Village Treasurer

POSTAL RECEIPTS DECREASE

Detroit Office 2.76 Per Cent Under 1923 June Record.

Washington—Postal receipts at Detroit in June decreased 2.76 per cent under June, 1923, the postoffice has announced.

The total receipts last month were \$805,661.80 and in the same month of 1923, were \$822,823.94. The net decrease was \$17,162.14. In June, 1923, there was an increase of 20.89 per cent over June, 1922, and the latter month there was an increase of 15.8 per cent over the same month of 1921.

Grand Rapids had a decrease in receipts of 51-100th of one per cent.

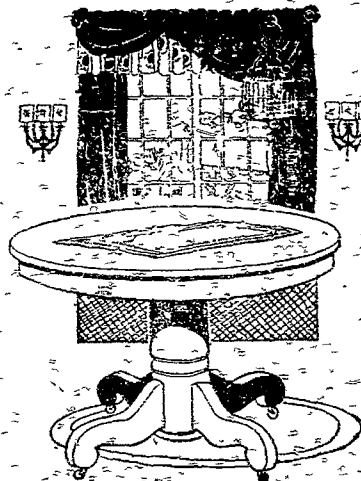

The total receipts last month in Grand Rapids were \$107,338.29. In the same month last year they were \$107,886.73. In June, 1923, there was an increase over June, 1922, of 7.43 per cent, and that month showed an increase over June, 1921, of 18.03 per cent.

Night Flying Proven Feasible.

Dayton, O.—An era of cross-country night flying experiments has been predicted by Army officers, as the result of the successful flight from Dayton to Kansas City and return in darkness by Lieut. W. H. Brookley and Navigator McShort. The fliers depended wholly on their earth induction compass and aerial log, a new McCook Field device. Both instruments were found to be reliable. Stops were made at various places but all flying was done at dark.
