ANNUAL WAYNE COUNTY PICNIC SATURDAY.

The annual picnic of the Wayne County Grange and the Wayne County Farm Bureau for their members and friends will be held at Elizabeth Park, Trenton, Saturday, August 9th.

The program of sports will begin at 10 o'clock. These are to consist of races for boys and girls, men and women; a tug-of-war and horse shoe pitching for the men; and end with a ball game between the East-Nankin Farmers' club and the Canton Community club.

There will be a musical program and a speech by Stanley Powell, assistant secretary of the Michigan State Farm Bureau. Mr. Powell has also had a long connection with Grange work and is a very interesting speaker.

Elizabeth Park is fast becoming one of the beauty spots of southern Michigan and the county is very fortunate in having such a place in which to hold a picnic.

All are invited and welcome. Come early with your family, bring a basket picnic dinner and have a general good time.

PETER WALL IS HAVING A VACATION.

Peter Wall is having a vacation from his arduous duties as dispenser of good cheer and other things which sometimes go with good cheer and sometimes produce an overload of "good feeling." He is staying 30 days at the Detroit House of Correction because he went to a neighbor's house a few weeks ago and used profane language in the presence of the woman who met him at the door. Of course he was intoxicated when he committed the offense and he was arrested charged with being drunk and using profane language. Justice Baker, sentenced him to 30 days at the "works" and to pay costs in the sum of \$30. If he failed to pay the costs his term was to be 90 days.

There is deep mourning among the fellows who usually hang out about Pete's place, and the drought is terrible.

THE AMBLERS GIVEN MANY FAREWELLS.

A number of delightful affairs were given for the members of the Ambler family previous to their departure for California, included were a luncheon Sunday evening at the H. Babbitt home, a card party for the Schultze's by Mr. and Mrs. Charles Hills some time ago, a family gathering at the Fred Tousey home and a whist club entertainment at the B. G. Filkins' home in honor of Mrs. Ambler. Perhaps the largest affair was the lawn party staged by Mr. and Mrs. Merrill Ambler on the spacious grounds of the Ambler home on Main street last Friday evening. Sixty-five young people made merry with square dances, games, cards, and music on the lantern-lighted lawn. A serve-self lunch at midnight brought the affair to a fitting close. Many guests were present from Detroit as well as from this place.

Mr. and Mrs. George Simmons were hosts to fifteen couples at the Hogie cottage at Walled Lake, one evening last week, at a picnic supper, the guests going to the pavilion to dance.

MRS. C. M. LAMB DIED IN DETROIT.

Mrs. C. M. Lamb, who was taken to a Detroit hospital a few weeks ago for an operation, died at the home of her son, Roy Kusel in that city Sunday morning. Besides her husband she is survived by eight children all grown to manhood in womanhood.

Mr. and Mrs. Lamb came to Northville from Ann Arbor more than a year ago and purchased a new residence in Orchard Heights. Those who formed her acquaintance held her in high esteem and learned of her death with deep regret. Funeral services were held at the home of her son on Wednesday.

PLYMOUTH TO HOLD CELEBRATION.

To celebrate the completion of the new highways entering Plymouth committees have been formed to perfect plans for a big celebration and home-coming and the date selected is September 11th. Plans are in the hands of some real live officers and committees and the affair gives promise of being about the biggest event our good neighbors have ever attempted.

Just mark September 11th on your calendar and plan to attend the celebration.

Dr. T. H. Turner will leave Sunday for a two weeks outing at Glen Lake.

FORD BUYS LAND AT CLARENCEVILLE.

Edsel B. Ford last week purchased the Frank Botsford 40-acre farm on the north side of Grand River avenue in Clarenceville. The old hotel, which is a landmark in Clarenceville, is situated on this property. Mr. Ford also purchased an acre adjoining the forty on the west. A store building is situated on the Grand River frontage of this acre.

A peculiar incident in connection with the Botsford forty is that in 1922 when Mr. Botsford sold this land to the Cummings real estate firm in Detroit for subdivision purposes, Mr. Cummings died on the day that the deal was to be closed. Consequently the Cummings estate was required to join with Mr. Botsford in the sale to Mr. Ford. Redford Record.

BASE BALL AT PRISON FARM.

The House of Correction ball team added another victory to their list in defeating the Rough and Ready club last Sunday 18 to 9. H. Clements pitching for Rough and Ready, was soon retired from the mound by the officers' heavy hitting. Then Detroit tried to hold the officers, but score after score was chalked up against Rough and Ready. The officers seemed to be taking their day off in making four errors which gave Rough and Ready the majority of their scores.

Umpires Taylor and Roman. The House of Correction will not go to Holly next Sunday as it was announced at the ball park.

The House of Correction will play Brightmoor next Sunday at the farm grounds at 3.00 o'clock.

CHILDREN ENJOY OUTING.

The first group of children who have enjoyed two months' outing at the children's camp at the Detroit Municipal Sanatorium were returned to their homes in Detroit on Monday and another happy lot of 100 were brought out to take their places. The children who were returned to the city on Monday made an average gain in weight of five and a half pounds during their two months' stay among the Northville hills. They are in charge of four teachers and five nurses and those who have enjoyed an outing here will never forget Northville or the faithful and efficient young women who cared for them while here.

STANLEY HOTEL PROPERTY CHANGES HANDS.

A deal was consummated last week by which E. E. Brown became the owner of the Stanley hotel property on East Main street, familiarly known as "the red brick." The building and the lot are being cleaned and renovated and put in presentable condition, and will be offered for rent. There are two good business rooms on the first floor and seven good sized rooms and bath on the second floor, besides a commodious barn which will be converted into a three-car garage. The property is well located and the building will be in good condition when all contemplated repairs are completed.

FUNERAL SERVICES LARGELY ATTENDED.

The funeral services of Mrs. James Spangnuala, which were held at Our Lady of Victory church last Friday morning, were largely attended and the impressive rites of the Catholic church were celebrated by Rev. Father Schuler. Fifty automobiles were required to convey the relatives and friends who came from near and far to pay their tribute of respect to the memory of one they had held in high esteem. The floral tributes were profuse and beautiful, consisting of wreaths, baskets, pillows, sprays and blankets. Interment took place in the family lot in Rural Hill cemetery.

MILFORD FAIR IN AUGUST.

August 13, 14, 15 and 16th are the dates chosen for the Oakland County Fair at Milford this year. Plans are being made to make the fair bigger and better in every department. Liberal purses are offered in the speed department and already a good field of steppers is assured. On Wednesday of fair week Royal Oak and Northville will contest for base ball honors.

EAST NOVI SCHOOL REUNION.

All former teachers and pupils (with their families) of the East Novi school are requested to be present at a reunion in the Washington West woods on Saturday, August 16, 1924. A pot-luck dinner will be served at one o'clock. Each family will bring its own silver and cups.

entertaining one of the world's cham-
pions during the past week. Mrs. J.
E. Francisco of St. Petersburg, Flori-
da, was a guest at the Tuttle home,
entertaining one of the world's cham-
pions for "barnyard golf," or pitching
quoits. Her record is most unusual,
being 48 ringers and 15 double ring-
ers in a single game. If anybody
can equal that record Walled Lake
people would be glad to hear from
them.

Some months ago Walled Lake

make alterations and improvements in
the building preparatory to convert-

MUST SPRAY SOON FOR CODLING MOTH.

Spraying for the second generation
of the codling moth should be com-
pleted by the eleventh of this month,
according to information received by
the Oakland County Farm Bureau
from R. H. Pettit, head of the Entom-

Many of the insects are kept under

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., AUG. 8, 1924

HON. C. E. TOWNSEND DIED SUNDAY NIGHT.

Monday morning's papers carried the startling announcement that Hon. Charles E. Townsend had died suddenly Sunday night while visiting at the home of a neighbor, death coming without warning. The news caused great sorrow among the people of the state who enjoyed his acquaintance.

ance and who knew and appreciated his worth as a man and citizen of the commonwealth. Both of poor parents his early life was a struggle, but the struggle was always upward, because the farmer boy had high ideals and as he grew in years those ideals grew and developed and they became fixed. When he had reached young manhood he became a school teacher in his home township and taught school winters and worked on the farm summers. Later he was elected county clerk of Jackson county, which position he held for six years and during those years he took up the study of law, with the same high ideals that he possessed when on the farm down in Concord township. He studied hard at night and attended to his official duties during the day, and it is common knowledge that Jackson county never had a more obliging or efficient official in its court house. After holding the clerk's office he entered the University of Michigan and when he completed his course in law he returned to his home city and opened an office for the practice of law, associating himself with Charles A. Blair, and Charles H. Smith, and the firm was familiarly known as "the three Charleses." From his law practice he was sent to congress to represent the Second Congressional district, of which this section of Wayne county was then a part. During his terms as congressman he gained a nation-wide reputation as a speaker and for the many praiseworthy measures he introduced and which he was able to have enacted into law. He was a tireless worker, and the people of Michigan, appreciating his ability, elected him to succeed Hon. J. C. Burroughs of Kalamazoo as United States senator. His support of Newberry during the days of the unseating contest caused his defeat two years ago by Hon. W. V. Ferris and in his defeat Michigan and the nation suffered a very great loss.

WASHTENAW COUNTY SCHOOLS TO ATTEND ANN ARBOR FAIR.

Florence V. Essery, commissioner of schools, is sending out letters to the directors of the schools of Washtenaw county urging them to see that school children of their schools prepare floats and enter them in the school parade at the Washtenaw County Fair, Tuesday, August 26th. Thirteen prizes are offered for the best floats by the Ann Arbor Times-News. The parade is scheduled to take place at 2:00 o'clock and all school children will be admitted free.

BAPTIST CHURCH NOTES.

The pastor will occupy the pulpit Sunday morning. Sunday evening, Miss Alvera Smith will read the second lecture on Bible history. This lecture will be illustrated with many beautiful stereopticon views. Deacon White will have charge of the prayer meeting every Thursday during August.

VOTE ON BEER BARRED FROM NOVEMBER BALLOT.

The attorney general rules that the Wardell petitions asking for a vote to modify Michigan's prohibition laws, are faulty and therefore cannot go upon the ballot at the November election.

BALDEN & BROWN, Owners,
444-c Northville, Mich.

LOCAL.

Brighton now has a population of more than 9,000.

Mr. and Mrs. M. J. Murphy are spending the week with Cleveland, Ohio, friends.

Mrs. W. M. Nelson and baby returned home the first of the week from a visit with her parents in the east.

A number of children will help Mary Louise Boyden to celebrate her seventh birthday this evening at her home in Orchard Heights.

H. Herendeen, who conducted the Exchange Hotel last year, will again open the house and expects to have everything in readiness next week.

Rev. William Richards has erected a building on his acre tract at Woodlands and with Mrs. Richards and the children he is enjoying an outing close to nature.

Mrs. E. A. Shafer is in Detroit filling the position as matron of the Old Peoples' Home in that city during the absence of the regular matron who is enjoying a vacation.

Sarr Northrop of this place was fortunate enough to win a silver medal in the Union Trust company's \$5,000 college scholarship contest, as one of the first alternate winners.

Mrs. Coriella Wilson, who has been cared for the past two months by Mrs. Melvina Carpenter at her home on Cady street, has returned to South Lyon, where she resided for many years.

Northville Foresters will go to Holly Sunday for the third and final game of the series of three games. Holly has won one game and Northville one, so Sunday's contest will be the "rubber".

The Northville Foresters will take a strong ball team to Milford next Wednesday to play the Royal Oak club in the base ball tournament at the Milford Fair. Should the Foresters be victorious they will play again on Friday. Holly plays Pontiac on Thursday.

Messrs. A. C. Balden and R. R. Brown have recently sold two of the new residences they have erected in Oakwood subdivision and still have some "for sale." They are offering them at very reasonable prices and on favorable terms. These houses are modern and are very desirable.

Nearly sixty attended the Woman's club picnic on Friday, August 1st. The sports were taken up with enthusiasm and prizes awarded. Everything was all that could be desired—save the weather, and that was accepted to mean "keeping cool with Coolidge." Mr. and Mrs. W. E. Ambler, Mr. and Mrs. Clyde Schoutz and son, Billy, and Russell Parks started Monday on their trip to California. They are motoring thru and plan to go by way of Yellowstone Park, spending a couple of months on the road. The Amblers shipped their household effects and plan to locate permanently in the west but the young people are undecided as to the length of time they will be gone. Residents of Northville for years and possessed of many friends and business acquaintances, they will all be greatly missed from our village affairs.

Notice of registration and primary election will be found in today's Record. Voters will do well to read them over. The law providing for re-registration each four years applies to towns of voting units having more than ten thousand population. It does not affect the voters of Northville. If your name is already on the poll list of your township you will not need to re-register, unless you have moved from one precinct to another, and in that case you simply ask to have your name transferred.

W. J. THOMPSON RETURNS HOME WITH A BRIDE.

W. J. Thompson, of the Alseum theatre, who went to Missouri some weeks ago to look after business affairs, arrived home Wednesday night and he was accompanied by Mrs. Thompson, to whom he was married at the home of his sister, at Lilbourn, Mo., last week Wednesday. The lady of his choice was Mrs. Maud Welch, who has spent the past few years in California, where she was engaged in teaching. As Mr. Thompson introduced his bride to Northville friends they were given quite a surprise because he had been able to keep the affair a secret. As soon as they recovered they extended hearty congratulations and a cordial welcome to the bride. She was known by a few Northville people and they all speak very highly of her. The Record joins Mr. Thompson's many friends and acquaintances in this community in wishing him great happiness.

Mr. Thompson's home coming came near being disastrous because he was only saved from being run down by the car from which he had just alighted by the rarest good fortune. With suit case in hand he stepped back of the car to cross to the north side of the street and while on the track the car started to back. By catching hold of the car and backing with it he was able to save himself.

Mr. and Mrs. James Dubuar and son of New York are visiting the former's parents, Mr. and Mrs. C. L. Dubuar.

URGING MR. FORD TO OPPOSE SENATOR COUZENS.

There is a state-wide effort being made to induce Henry Ford to consent to become a candidate for United States senator at the September primaries, in opposition to Senator James Couzens, and petitions have been circulated for signatures during the past few days. Those in charge of the movement expect to secure the required number by today. If Mr. Ford will consent to allow his name to go on the ballot there is no question in the minds of those who are behind this movement that he can defeat the whole field of republican candidates now in the senatorial race.

THE WEDDING DAY THAT ENDS HAPPILY.

Canal of Galilee was the scene of an Oriental marriage. Crowds of gay colors—days of festivity—AND CHRIST WAS THERE.

This particular wedding day could not be forgotten because the special guest saved the host a very embarrassing situation.

All social life needs the enriching presence of Jesus Christ. He wants to be invited. He wants to help. He will save from difficulties that arise.

No wedding that has Christ as the chief guest can end in the divorce court. The many annulments—the marriage wrecks—all bear testimony that He was not present when the vows were spoken.

Christ has right views of life. He counts social affairs worthy of one's best efforts.

Since the "Clermont" Puffed up the Hudson

There was a lot of ceremony a hundred and seventeen years ago—when Robert Fulton proved a steamboat would run by navigating from New York to Albany. Eleven years later, and the first steamer to cross the Atlantic was launched.

What if those pioneers of advanced water transportation, Fulton and Livingston, and those doubting crowds that waited to shout when the power failed, could come back for a visit today!

Progress has been rapid and continuous—every advance has aided and all the rest of the country to greater comforts, conveniences, safety, enjoyment, education.

With progress in other lines have come marked advances in banks and banking methods. At this strong, up-to-date Institution your account will be welcomed, if you are not already a customer.

The
"EASY"
Requires
Less
Power

One would naturally think that the EASY, being an extra large size electric washer, would require an extra large size motor.

But, as a matter of fact, a 1-6 horsepower motor is sufficient to operate the EASY, whereas other machines of smaller capacity require a 1-4 horsepower motor, and are therefore more expensive to operate.

The reason for this lies in the fact that the mechanism of the EASY is of unusually simple design—an important feature from the standpoint of durability and cost of operation.

If you incline toward economy, by all means see the EASY before you buy.

SOUTH LYON'S MASONIC HALL ABOUT COMPLETED.

Alterations and improvements on the building of the Masonic Temple association, on Lake street, formerly known as the Farmers' Implement & Supply Co., and purchased early this year for lodge purposes have been about completed and it is now expected its dedication will take place in the near future.

The upstairs part of the building has been partitioned to make nine rooms: lodge room, sitting room, preparation room, dining room, reception room, committee room, cloak room, kitchen and hall. The building will seat 50 persons at one time. Rooms are modernly equipped with running water and a ventilating system which have a part in making the Temple equal to any of the finer ones of the state.

The floors are to be covered with carpets and rugs and it is the intention of the order of the Eastern Star to furnish the sitting room completely. Very little of the decorating work remains to be done and it is expected the building will be ready for dedication some time the last of this month or the first of next. Quite elaborate ceremonies are being planned at that time and Grand Officers will be in attendance from other parts of the state.—South Lyon Herald.

HOUSE OF CORRECTION FARM PLAN IS URGED.

The mayor's committee on the new House of Correction, headed by Tracy W. McGregor, Friday made public in a conference with acting mayor Joseph A. Martin its report and recommendations.

These included:
1. Establishment of a House of Correction farm to be used solely as a corrective institution for Detroit misdemeanants.

2. Setting aside a portion of the present House of Correction building for the care of state and federal prisoners, until such time as the state and government has made other provisions for them.

3. Establishment of a detention house in the present House of Correction building. This would serve for the reception of all newly-sentenced prisoners before they are sent to the farm and for the permanent housing of those who it is felt should not be sent there. It is also suggested that certain prisoners might sleep in the detention house at night and pursue their regular employment outside during the day.

4. Building of barracks for the housing of prisoners at the farm.

5. Employment of prison labor to as great an extent as possible in all building operations, under the direction of a construction engineer.

6. Separation of the farms for men and women prisoners a distance of at least five miles, and setting up a separate operating units in each.

The committee is to report later its recommendations for the handling of women prisoners and felons.—Detroit News.

RECORD FARM CROWD GATHERED AT M. A. C.

The largest crowd of farm people that ever gathered for a single meeting of its kind in the history of Michigan agriculture attended the seventh annual summer Farmers Day at M. A. C. on August 1st.

Official attendance figures given out by F. B. Hyatt, chairman of the college farm day committee, placed the crowd at 6,000, an admittedly conservative estimate. Other estimates made by officials and visitors ran up to \$900 and even 10,000.

After inspection of the college farm and experimental plots in the morning and a general visit to the buildings and barns, the crowd gathered under the campus trees for a luncheon picnic lunch at noon. Neighborhood and county groups from all sections of the state were in evidence during the luncheon hour.

Following inspection of the specially prepared agricultural exhibits, the crowd gathered in the outdoor meeting ground at one-thirty for the big afternoon conference. A special system of amplifiers carried the speakers' voices to all corners of the assemblage, which was spread out on the slope of the campus near the home economics building.

Gen. Christie of Purdue University; E. T. Hone of the M. A. C. home economics department; and A. V. Brown of Schoolcraft, former secretary of the college, were the principal speakers. A special livestock "style review" of college animals featured the meeting, which was presided over by acting-president Robert S. Shaw, dean of agriculture at M. A. C.

TO SHOW EXPERIMENTS ON VEGETABLE DAY

Extensive experimental work now being carried on with vegetable varieties in the horticultural gardens at Michigan Agricultural College, including work with tomatoes, sweet corn and other market-garden crops, is to be exhibited and explained as a party of the program of "Market Gardeners Field Day," on Wednesday, August 20th.

More than 50 varieties of extra early sweet corn, selected from strains grown all over the country, will be grouped in one test plot. In another an extensive test of extra early varieties of tomatoes, showing by comparison the most profitable for the Michigan grower, will be shown.

One experiment, in which two early varieties have been crossed, has produced a very heavy yield of early tomatoes, and will prove of interest to market gardeners.

A number of other plant breeding experiments which bear on the problems of the truck gardener, experimental work on truck crop fertilization and increase plants of new imported vegetable strains will also be inspected during the day.

NOVI NEWS.

(Last week's Letter)

Mr. and Mrs. E. J. VerDuyn were Toledo, Ohio, visitors on Thursday.

Rev. and Mrs. O. J. Lyon and little son of Flint are visiting Mrs. Lyon's parents, Mr. and Mrs. D. Doneison.

Mr. and Mrs. Ed Koehler and Mrs. Clara Laro of Detroit visited Mrs. Luzz Coates Saturday evening, she returning to Detroit with them.

There were no evening services at the Baptist church last Sunday and some of the members drove over to Walled Lake to hear Rev. Green.

Mrs. Myrtle Lockwood of Holly will speak at the Baptist church next Sunday. The subject for her morning address will be "The Challenge of Today" and for the evening sermon "Hold the Line."

Mr. and Mrs. W. D. Flint had as their guests last Saturday night, Mr. and Mrs. Joe Cote and little son of Romeo, who are enroute for California where they will make their home if they like the west. The best wishes of their many Novi friends go with them—they having been residents here for a time.

The B. Y. P. U. Sunday evening will be in charge of Mrs. Isabel Coveo of Detroit, who has spent a part of the summer here. These evening services are held 45 minutes before the regular preaching service and are interesting and instructive and it is a great help to the ones who have it in charge to have a good and appreciative attendance and the hearty cooperation of all.

Mr. and Mrs. E. J. VerDuyn, Mr. and Mrs. Chas. Halstead and son, Mr. Fisher, Mr. Welker of New York and others were in Kalamazoo, Benton Harbor and other places with the Horticultural and Pomological society and report a very enjoyable time, the parade of about 80 automobiles stopping at a number of orchards on the line and the party having a "feed" ready for them upon their arrival.

Imlay City—The first D. U. R. freight truck made its appearance in Bad Axe Monday. The truck will operate between Bad Axe and Imlay City, the terminus of the electric line. It will afford rapid transit for packages and freight between the thumb towns and Detroit.

Maj. James F. Coupal, medical corps, United States Army, who has just been appointed physician to President Coolidge, succeeding Brigadier General Sawyer, resigned.

DARROW MAKES PLEA FOR MERCY

Defense Attorney for Loeb and Leopold Asks for Humane Decision

Chicago—Cargene Darrow, attorney for Nathan Leopold, Jr. and Richard Loeb, the 19-year-old boys, who kidnapped and murdered Robert Franks, 14 years old, in combating the prosecution before Judge John R. Caverly made his principal argument a plea for mercy.

He argued for mercy and common sense judgment for boys everywhere, boys who could be hanged for murder because they were not insane, but boys who should not be hanged because they were only boys, and not overly bright. He was arguing in the name of humanity, denouncing all the old laws, all the barbarous laws, all the state's attorneys who would hang a boy to make a holiday.

Darrow in simple fashion summed up some other cases where boys and men were charged with murder and the judge "in mercy and common justice" looked into their minds and refused to put them to death.

The defense does not claim insanity, but argues that the minds of Loeb and Leopold are so constituted that in justice they cannot be held responsible for the murders.

HUMAN CHAIN SAVES VICTIMS

Albion Woman Badly Hurt When Auto Plunges 440 Feet on Mountain

Albion, Mich.—Rescued by a human chain when her coupe skidded on wet roads and plunged 440 feet down the side of a mountain at Summit, Pa., Miss Delight Smith, of this city, formerly connected with the Smith drug store, was placed in a cast, with an injured spine.

The accident happened during a rainstorm on the "Old Trail" between St. Louis and Washington, when, at the highest point in the Alleghenies crossed by a highway, Miss Smith attempted to shift from third gear into second. Using her brakes too suddenly, the wheels locked and the automobile left the road, and rolled over and over down the side of the mountain.

TAX TOO LOW, WRITES TREASURER

Encloses \$60. More Than He Is Liable for, But City Returns It.

Detroit—Recently City Treasurer Guy L. Ingalls received a complaint from a taxpayer that his taxes were too low.

It was the first complaint of this nature he had ever received, although he has had many people who complained about paying too much taxes.

The taxpayer who complained not only registered a complaint about not being taxed enough, but enclosed a check for \$60 more than the city asked him to pay. He received a bill for \$120.34 for two lots on Webb avenue between Fourteenth and Wabash. He sent in a check for \$186.51, stating that he should have paid this sum. Now the treasurer says he cannot accept checks for more than the bill calls for, and will have to send the extra \$66 back.

COOLIDGE'S SON TO STAY HOME

To Change Plans for Summer That He May Be With and Cheer Mother

Washington—Plans made by President and Mrs. Coolidge to permit their son, John, to attend the citizens' military training camp this summer at Camp Devens, Massachusetts, have been abandoned and John will remain with his parents at the White House until fall when he will enter Amherst College.

Philadelphia Schools Get \$23,000,000.

Philadelphia—Philadelphia will spend \$23,000,000 on new school building the erection of which is to be speeded during the next fiscal year, according to a recent announcement made by William Rowen, president of the Board of Education of that city. The number includes three senior high schools, six junior high schools, one continuation school, one special school, 17 elementary schools, four wings to existing schools and a girls' trade school.

Order Curtains Army Recruiting.
Washington—All recruiting for the regular army with the exception of enlistments and enlistments of men with prior service was ordered discontinued a few days ago by Maj. Gen. Robert C. Davis, adjutant-general. Although the strength fixed by congress for the army is 125,000 men, the appropriation for the current fiscal year makes funds available for only 118,750 and there are now 123,793 in the service.

Mother of 8 Gets Theology Degree.
Kansas City—Being mother of eight children failed to prevent Mrs. A. L. Merrell, 37, from realizing her ambition. Her life's dream became a reality when she received the degree of bachelor of theology at the commencement of the Kansas City Baptist Theological Seminary. She is the sixth woman to receive a degree from the seminary in 20 years. Two of her children were born during Mrs. Merrell's five years of seminary work.

Car Drops 500 Feet, Driver Bruised.
El Paso, Tex.—R. P. Mosson, of this city, escaped death when his automobile went over a 500-foot cliff between Alamogordo and Cloudcroft, New Mexico, according to a message received here. Mr. Mosson, with T. H. Pritchard, were en route to Cloudcroft. Their machine stopped on the mountain side and Pritchard got out to crank it. The gears were in reverse and when the engine started the car shot backward over the cliff.

Tamer Rescued by Lion from Another.
Bedford, Ind.—Jon Hellott, a lion tamer, suffered severe lacerations on the chest and arms when a lion attacked him during a performance of the Hagenbeck & Wallace circus here. His life was probably saved when another lion—a pet of the tamer, made a furious onslaught on the attacking beast and enabled Hellott to make his escape. Approximately 8,000 persons witnessed the fight and a near panic resulted. Circus attendants finally quieted the beasts.

WOMEN NEED NOT TELL THEIR AGE TO VOTE.

Other Interesting Sideights on Coming Election Recited by Brown.

"You cannot vote this year unless you register," points out Frederick B. Brown, republican candidate for prosecuting attorney. "Re-registration is necessary in order to vote at the primary election Tuesday, September 9th and the general election Tuesday, November 4th."

"You can re-register on any of the days appointed by the board of registration of your township, village or city."

"Any citizen of the United States may register who is, or will be, 21 years of age on or before September 9th, 1924, and who will have lived in Michigan six months and in the township or ward 21 days on or before that date. Anyone is a citizen who was born in the United States, or born abroad of alien parents, whose father becomes naturalized prior to such person reaching the age of 21 years, or any person who has been fully naturalized."

"A married woman should register in her own name. That is, the wife of John Doe should register as Mary Doe, not as Mrs. John Doe. It is not necessary for a woman to state her exact age. It is only required that she state she is 21 years of age or upwards." Advertisement

WASHTENAW COUNTY MASON'S TO HOLD PICNIC.

The third annual basket picnic and field day will be held in Eisenbeiser's grove, North Lake, about five miles north of Chelsea, on Monday, September 1st—Labor Day.

All lodges within a radius of twenty-eight miles have been invited by the Masonic Masters' association of Washtenaw County to participate. This includes the lodges in Ypsilanti, Plymouth, Howell, Dexter, Tecumseh, Mason, Pinckney, Grass Lake, Stockbridge, Saline, Manchester, Williams, Chelsea, Ann Arbor, Danville, Farmington, Ypsilanti, Brooklyn, Clinton, Northville, Okemos, Napoleon, Sonoma, Milan, Cement City, Weberville, Onsted and Heppletta.

A very interesting program for old and young has been prepared and it is anticipated that there will not be a dull moment. Base ball, a band concert, barnyard golf, tug-of-war, trap shooting, stunt races, Punch and Judy show, clowns and other events will keep things on the jump every minute of the day.

Ample parking space has been secured to take care of all automobiles on private grounds adjacent to the picnic grounds.

Suitable prizes have been secured for the lodge having the highest percentage of its membership on the picnic grounds that day, also for the lodge having the greatest number of entries in the different events. Some prominent member of the fraternity will deliver an address when these prizes are presented.

The place selected for the picnic is a beautiful spot with ample shade and facilities to take care of all the members and their families, including the "in-laws" and a very pleasant time is anticipated for all.
