ALEXANDER-GAYDE.

A very pretty home wedding took place on September 1st, at eight o'clock, when Miss Clara Gayde, daughter of Mr. and Mrs. William Gayde, became the bride of Lyle Alexander of Northville. The beautiful ring ceremony was used, Rev. Charles Strassen officiating. Miss Hannah Strassen played the wedding march. The bride, who was given in marriage by her father, was lovely in a white lace gown and carried a bouquet of pink roses.

Miss Helen Gayde attended her sister as maid of honor, and was gowned in pink chiffon over satin and carried a bouquet of pink roses. Earl Alexander, brother of the groom, was best man. Following the ceremony, a buffet luncheon was served to about fifty relatives and friends.

Mr. and Mrs. Alexander left for Otsego Lake, and upon their return will reside at their home on North Mill street.

Besides the groom's parents, the out-of-town guests were: Mrs. Celia L. Hurd of Holly; Miss H. Schöber. L. Lenhardt, Mr. and Mrs. J. Merrill of Detroit; Miss Helen Penney, Miss Helen Lanning, Miss Helen Cunningham, William Foss and Merrill Sweet of Northville; Plymouth Mail.

Northville friends will join The Record in extending hearty congratulations.

SOUTH LYON MASONRY DEDICATE NEW HALL.

About 150 people were in attendance at the dedication ceremonies of the Masonic temple of South Lyon Lodge No. 319, F & A M, Wednesday evening.

Grand officers from all parts of the state were present including Grand Worshipful Master, Ben L. Henderson of Bay City, Grand Senior Warden Homer Newton of Pontiac, Grand Chaplain Rev. William Gallagher of Allegan, Grand Lecturer Frank O. Gilbert of Bay City, and Grand Treasurer Hugh McPherson of Howell, and they had charge of the ceremonies of dedication.

Milford Lodge was represented in goodly numbers, and officers of Masonic organizations from several neighboring towns were present.

Promptly at 6:30 the company partook of refreshments served by the ladies of Notre Dame chapter, No. 298, Order of the Eastern Star. Tables decorated with bouquets of various flowers, were set on the ground floor of the building and during the hour of refreshment the New Hudson orchestra furnished music.

It was one of the greatest events in Masonry in South Lyon and will be long remembered—South Lyon Herald.

A MAMMOTH PRODUCTION COMING TO ALSEY.

On Sunday, Monday and Tuesday, the 14th, 15th and 16th, a mammoth production will be presented at the Alseum theatre in this village when "The Hunchback of Notre Dame" will be shown. There will be two complete shows each night and this picture has created great interest wherever exhibited. Lon Chaney and a brilliant assisting cast will be seen.

To and fro from stately Notre Dame and the palaces of the nobility to the hovels and rabbit burrows of medieval Paris, the fascinating plot of Victor Hugo's classic is woven into a marvelous screen drama. Stupendous as was the undertaking, there is never a smallest incorrect detail to detract from its impressive realism. The spectator is transported beyond his will to those picturesque, romantic and dramatic days of which the great French writer wrote.

ROCKWELL SHOW ON THE ROCKS.

The Rockwell Show, which gave an exhibition at the fair grounds last week Monday night went on the financial rocks here last week. The advance man who was expected to bill the show for Northville did not appear and when the show arrived no advertising had been done consequently no one attended the performance. A lot of the equipment was tied up here for debts while the company went on its way hoping to pull out of its financial difficulties.

A DOUBLE-HEADER SUNDAY.

Two ball games here Sunday next, when Centerline and Farmington each play the Northville Foresters. This will give the teams a good try-out on the diamond as all are entered for the fair tournament.

The first game will start at 2:00 o'clock with Centerline, after which Farmington will take the diamond. Usual admission.

15 VETERANS OF OLD 22ND MEET AGAIN.

Each year as the reunion of the veterans of the Twenty-Second Michigan Volunteer Infantry draws around it showing a thinning of the ranks of the boys in blue who fought '61 to '65. At noon Wednesday 15 comrades had registered at the meeting place in circuit court room No. 2 where the annual reunion is in progress today and tomorrow. The old cow bell stolen from the neck of a bossy by a mischievous soldier boy as the regiment marched away from Pontiac was again rung for the pleasure of the veterans. Its faucous notes never fail to bring back fond memories of other days to the men who heard it rung around camp fires and on battle fields.

Wednesday was spent in handshaking and visiting. This evening at 8 o'clock there will be a camp fire in the assembly room of the county building and the public is invited to attend and hear the excellent program arranged by members of the Women's Relief Corps. The program follows: "America" by all present, remarks by Prof. C. B. Chaffee, reading, Mrs. C. H. Speno; song, Misses Rose Ellen and Georgia St. John; recitation, Miss Phyllis Allen; reading, Mrs. Isabel Holloway; "Marching Through Georgia" (new version), W. R. C. quartet, reading, Mrs. Eva Hall; cakewalk, Mesdames Julia Rigalman and Julia Hill; mock trial, "The Divorce," members of the W. R. C.; remarks by comrades, and closing song, "God Be With You."

Tomorrow morning the business meeting and election of officers will be held and at noon the veterans and their wives and members of their families will be entertained at dinner by the Daughters of Veterans in the parlors of the Central Methodist church. Secretary Arthur Collins of Detroit, presided at the morning meeting and read communications from comrades who were unable to be present—Pontiac Press.

EDISON CO. STARTS BIG DAM NEAR BELLEVILLE.

Detroit Edison company's water impounding project on the Huron river, near Belleville, Mich., at French Landing, will be completed by the end of this year. The power dam being constructed at that point will create a lake covering 1,300 acres and five miles in length, extending from French Landing to Raysonville. The dam itself will be 1,100 feet long and with the land acquired around its site will involve an expenditure of approximately \$1,000,000.

The dam and power house are being constructed by Phelps & Son of Iowa. The Spillway will be 200 feet wide, the power house and waste gates 150 feet, and embankments 750 feet. The plant will develop 3,000 kilowatts through two vertical shaft turbines. Acquisition of the land involved began eight years ago and was just completed this year. The project involves changing the route of Belleville road, the new road now being under construction at a cost of \$120,000, thirds of which is being borne by the company.

The Edison company also is planning another dam at Delhi, Mich., to develop 2,000 kilowatts over a 32-foot head—Michigan Manufacturer.

DANCE AT WOMAN'S BUILDING TONIGHT.

The new woman's building at the Northville fair grounds will be formally opened this evening with a dance, to which all are invited. The program will consist of the old dances as well as the new and latest ones so all—both old and young—will be assured a good time. Good music will be furnished and refreshments will be served in the building across the midway. Tickets will be \$1.00 per couple and dancing will be from 8:00 to 12:00.

ANNUAL FAIR SHOOTING TOURNAMENT.

The annual fair shooting tournament held under the auspices of the Northville-Plymouth Gun club, will be at the local grounds this year on Saturday and Sunday, September 27 and 28. There will be six twenty-five target events, and shooters will be handicapped from 16 to 24 yards according to the scores made in each event. Three trophies to each event. The shoot will start Saturday forenoon at ten o'clock.

Mr. and Mrs. Bert Tapp returned Sunday from Niagara Falls and Toronto. They attended the Toronto Exhibition while there.—South Lyon Herald.

OAKLAND COUNTY BOARD SUE FOR \$10,000.

The Oakland County Board of Road Commissioners has been sued for \$10,000 damages in a civil action commenced in circuit court Monday by Nelson A. Sampson. He alleges that on July 9 while driving an automobile on the Elizabeth Lake road between Crescent and Pleasant lakes a truck owned by the county and driven by A. Hutchinson collided with his automobile. Sampson charges he was painfully injured and lost the use of his left arm for four weeks and that his car was badly damaged. He alleges the road commission was negligent in maintaining the roadway and that the truck was not equipped with proper brakes. H. A. Balse represents the plaintiff. Pontiac Press.

M. A. C. HORSES WIN HONORS IN OHIO SHOW.

Horses from the Michigan Agricultural college herds, shown last week at the Ohio state fair against strong competition, succeeded in winning brilliant honors for the state.

Pervenche, star Belgian of the M. A. C. string, was first prize three-year-old, senior champion and grand champion of the show, continuing her sensational winnings of 1923. Three other first, reserve junior champion, and a second place also fell to the college Belgians. Percheron horses were included in the list.

The M. A. C. horses, as well as sheep and beef cattle, are being shown this week at the Michigan State fair, at Detroit.

REPUBLICANS WIN MAINE ELECTION

G. O. P. CHOICE FOR GOVERNOR DEFEATS DEMOCRATIC OPPONENT

LARGE VOTE WAS RECORDED

Klan Issue, Raised by Democratic Nominée, Fails to Influence Result of Voting

Portland, Maine—Ralph O. Brewster, Republican, defeated Wm. R. Pattangall, Democrat, in the vote for governor in the election in Maine, a margin of over 20,000 votes, according to unofficial returns. One of the largest votes ever recorded in the state was cast in this election. Bert M. Fernald, Republican, also won over Fulton J. Redman, Democrat. In the early returns all of the Republican candidates for congress were in the lead, some by a small margin. Pattangall made the Ku Klux Klan the leading issue of the campaign for governor. Because Brewster had the Klan endorsement in his primary campaign, the Democrats asserted the Brewster represented the Klan. Brewster, who had previously denied the he had sought Klan support, made no reference to the Klan in his election campaign and his speeches dealt chiefly with state issues, but Republican speakers, sent into the state by the national committee, declared that the endorsement of the Coolidge administration was involved in the election.

Two years ago the Republican plurality for governor was 23,457 and four years ago it was 55,346. In the senatorial election in 1922, Senator Frederick A. Hale, Republican, was elected by a plurality of 26,366 over Oakley C. Curtis, Democrat.

CHINA'S CIVIL STRIFE SPREAD

Manchuria Declares War on Peking—Chekiang Governor Outlawed

Shanghai—China appears to be verging on the bloodiest civil war in its history. While the Chekiang Kiangsu armies are engaged in sanguinary conflict for the possession of the rich seaport of Shanghai, Chang Tso-lin (military governor) of Manchuria has declared war on the central government at Peking. Early reports indicate that every province in the nation will be involved. The central government in Peking has shown its hand in the Chekiang Kiangsu war by issuing a mandate outlawing the military governor of Chekiang and making the military governor of Kiangsu the head of military expedition against the Chinese troops.

Several hundred marines from foreign warships have landed and are protecting the international settlement.

WOMAN CONFESSES TO MURDER

Killed Man Who Slew Her Former Husband—Skeleton Found

Detroit—Mrs. Luthenia Mond, 41, under arrest charged with complicity in two murders of former husbands, of which she had nine accomplices, confessed.

She is said to have confessed to the murder of a man known as John who killed a former husband four years ago, by crushing his skull with a hammer and hid the body, which has not been found.

Appalled by the thought of her murdered husband, she said she shot John, who called upon her and after scraping out a hole in the earth under the house in which she was living she dragged out the corpse and buried it. She told officers where she buried the body who excavated the earth covering it and found the bones, which was the only evidence of the gruesome murder.

BANDITS TAKE \$5,000 PAYROLL

Force Paymaster's Car to Curb and Escape With Money

Detroit—Three bandits held up Charles W. Lewitt, paymaster for the Walbridge-Aldinger Construction company, robbing him of \$5,000. Lewitt was driving in Springwells, on his way to pay of laborers at the Detroit Terminal railroad's new warehouse there when the men, in another car, forced him to the curb, flourished revolvers, took the money and escaped.

J. S. of Europe Plan Wins Peace Prize

Boston—The plan which has been awarded first prize of 100,000 francs out of 5,319 plans submitted for the French peace awards inaugurated by Edward A. Filene, of this city, has been made public. The award was made by a jury of distinguished Frenchmen. The outstanding feature of the plan is a proposal for a European league of nations within a world league of nations which would in effect result in a United States of Europe, forming a single economic unit.

KEEPING PARTY PROMISES.

The Republican party has made a very good record in reducing government expenses. It will make a still further reduction if President Coolidge is re-elected, as seems probable, and is supported by a Republican congress. Look well to the men you send to congress. Weaklings and wabblers are of little account.

CONSTITUTION WEEK.

September 12th-20th is Constitution week. The Citizenship committee of the American Bar association is urging citizens generally to participate in a general observance.

Schools are expected to bring to the attention of the children the nature and value of the United States Constitution, and the importance of strict observance of this fundamental law of the country.

ORR FAMILY HELD REUNION AT WALLED LAKE.

The reunion of the Francis Orr family, whose home was on the Pontiac road near Orchard Lake, was held last week at the home of one of the daughters, Mrs. Anna Dickerson, who lives on Lake street, Walled Lake village.

The parents and three of the children are dead. Eight sisters and two brothers were present, and the children, grandchildren and great-grandchildren brought the number up to 33. The oldest sister, Mrs. Ida Youngs, of Wheeling, was just out of the hospital and unable to come.

The guests present were from Detroit, Pontiac, Orchard Lake, Farmington, Wheeling, Coleman and Decker. They were present for dinner at noon and supper at 6 o'clock.

The reunion next year will be held at the home of Mr. and Mrs. Will Hoyt.

SEE SILO AS MEANS TO SAVE CORN CROP.

With many fields of corn in the state which will not mature for grain harvest this year, because of the backwardness of the season, the silo is expected to pay its way rather completely by providing a means of handling the crop effectively.

The farmer with a silo, according to Prof. O. B. Reed, head of the dairy division at the Michigan Agricultural college, will be able to save all the crop that does mature.

One danger against which Professor Reed cautions is that of putting corn into the silo too green. This is frequently done, it is said, to avoid possible frost, but the silage made from very green, sappy corn will make a mashy, sour feed that is unpalatable and does not have the feed value it should.

"It is better," says Reed, "to let the corn stand until after the frost than to put it in the silo too green. When this practice is followed, the corn should be cut as soon as possible after it is frosted; otherwise there will be considerable loss of nutriment. The leaves dry very quickly after a frost, become brittle and are easily lost off the stalk."

If it is desirable to fill before the frost the corn should be cut and allowed to lie in the field for at least twenty-four hours, or a sufficient length of time to lose some of the excess moisture. The excessive moisture is the cause of sour silage. It is better to let the corn get too dry, and then add sufficient water to get the silage to pack well, than to ensile the crop too green."

NEW CROPS PEST IS FOUND IN MICHIGAN.

The Japanese beetle, a crop pest introduced to this country from the Orient about a dozen years ago and confined so far to restricted areas along the eastern coast, has been reported in Michigan, individuals having been found in Washtenaw and Lenawee counties by M. E. Lockwood, of Tecumseh.

One of the insects was identified last week by Prof. R. H. Pettit, head of the Michigan Agricultural college entomology department, as a "true" Japanese beetle, and as a result state and federal authorities are starting a careful investigation to determine whether or not the dangerous crop pest has really been established in the state.

The Japanese beetle "works" on many different crops, being capable of inflicting severe losses. Fruits, vegetables and field crops are included in the list of plants upon which it feeds. For several years the beetle was confined in this country to sections of New Jersey. It has also been reported in Pennsylvania while the recent Michigan report is the first from a western state.

Authorities of the U. S. department of agriculture who are working on the Japanese beetle problem have been notified by Professor Pettit of the Michigan occurrence, and one of the beetles has been sent east for positive identification. An investigation by federal authorities will undoubtedly follow, it is said, with prompt steps to prevent the spread of the beetle, if it is found to be established here.

Show at the fair grounds Saturday night.

The Northville Record.

E. E. BROWN, Publisher.

An Independent Newspaper published every Friday morning at Northville, Michigan, and entered at the Northville postoffice as Second-Class matter.

NORTHVILLE, MICH., SEPT. 12, 1924.

LOOK TO YOUR BRAKES.

Automobile drivers will do well to look well to their brakes now that frequent rains and wet streets and pavements are becoming common again. The week beginning next Monday will be observed as "test brake week" and it is proposed that every driver or owner of a car shall test his brakes during that week to know they are in good working order.

Quick acting brakes are acknowledged to be the greatest insurance against automobile accidents and "test brake week" has been set apart in order that all might become interested in the matter. The test to be applied in Detroit will consist of driving a car at a speed of 20 miles an hour, up to a mark on the pavement, then applying the brakes to see whether the vehicle can be stopped before it reaches another mark, which is 42 feet from the first one. The motor transport department of the city of Detroit has adopted the 42 feet stopping distance at 20 miles an hour as the standard for city vehicles and those which come under its jurisdiction.

Local garage owners will be glad to assist Northville motorists, in making this test if any assistance is required.

WHEN ADVERTISING PAID.

George Steinhoff, living near Hershey, tells the following story about his grandson, George Conklin a former Hershey boy.

George was walking along the road one day recently when he saw a Lincoln car, stalled on a hill. He approached the driver and told him if his car were only a Ford it wouldn't get stuck.

Another man sat in the Lincoln. He now spoke up and tried to make George take back his statement about the Ford, but George wouldn't alter his first remarks to the effect that a Ford could pull straight up that hill.

A few days later a man drove up in a truck to Mr. Conklin's house. He unloaded a new Ford car from the truck and presented it to the boy George.

The man in the Lincoln car was Henry Ford.

The above clipping was brought to this office by Mrs. William Fraser of this village, who was a school friend of Young Conklin's mother, Maggie Steinhoff.

L. O. T. M. HELD COUNTY CONVENTION HERE.

Forget-Me-Not Hive, No. 169, of this village entertained the Wayne County Association of Mounts, September 8th. Mrs. Taylor, county commander, opened the meeting at eleven o'clock in proper form. Commander Eva Martz gave the address of welcome followed by a response from Great Hive Auditor, Carrie E. Gilbert of Detroit. At noon there was an elaborate dinner served in the afternoon a splendid program was given by different members of the order.

The ladies went home feeling that the day was well spent.

KEEP THE TRUCKS CLEAR.

According to B. C. Cobb, manager of many public utilities, no mere combination of electrical railway and motor bus is going to solve the problems of city transportation.

Mr. Cobb says that when one considers the tremendous waste of time and money and the great personal inconvenience caused to a large portion of a city's population on account of traffic congestion, it seems almost unbelievable that more and better organized steps have not been taken to remedy such conditions.

Much relief could be given in the present situation," he says, "if city authorities would see to it that street cars, on account of their carrying such a large number of people had preference over other form of vehicle traffic. Such a regulation should be enforced by making it a misdemeanor punishable by arrest and fine for any one to interfere unnecessarily with the progress of a street car."

The way of street cars and their many passengers is constantly blocked by slow-moving vehicles whose drivers compel a street car to slow down, stop, or crawl along behind them for blocks at a time. As electric railways, during rush hours, carry from 60 to 75% of the traveling public, why should great numbers of people be caused much inconvenience and delay by vehicles constantly blocking street railway tracks?

PRESBYTERIAN CHURCH NOTES.

Next Sunday we expect to welcome our Sabbath school superintendent home. Let it be a loyal welcome by a full school.

The pastor will speak in the morning on "As Many as are Perfect," and in the evening on "The Secret of Gladness."

Special program for the Y. P. S. C. E. at 6:30. All the young people are urged to be on hand promptly.

Mid-week subject, Thursday evening at 7:30, "Fishers of Men."

METHODIST CHURCH NOTES.

On Sunday morning our meditation will be on "A Wise Decision." We will worship at 10:30, followed by the Sabbath school at 12:00 noon.

In the evening at 7:30 we will have an illustrated talk on the famous city of "Philadelphia," which is most distinctly an American city. The story begins in pre-revolutionary days and carries the city's history up to the present. It is most interesting for everybody. You are welcome. Our conference commences next Sunday. Let the balance of our pledges be paid up next Sabbath.

The W. H. M. S. will meet with Mrs. Wm. Richards at the parsonage at 2:30. It is very necessary for all the ladies to attend this meeting for special business.

BAPTIST CHURCH NOTES.

Next Tuesday and Wednesday the Wayne Baptist association will meet at the Northville Baptist church. On Tuesday the session will start at 9:30 a. m., 2:00 and 7:00 p. m. and Wednesday at 10:00 a. m. and 1:00 p. m. All are invited.

The Missionary society held its regular meeting last Tuesday in the church. Over 20 ladies were present and a good program was enjoyed by all.

The church parlors have been redecorated and the improvement is very noticeable.

New church hymnals, well ordered this week—one hundred of them. This is a new book with most of the good old hymns and a lot of new ones. We expect the hymnals here for association.

A new spot has been put on the church parlors.

Rev. Joe J. Payne plans to be with us next week to attend the association. He says he will bring Mrs. Payne and baby Ruth with him.

The Walled Lake Baptist church choir will have charge of them, using during the association.

Chris Neilson and Wm. Robinson will have charge of the next Baptist get-together. Look out for something unusual.

NORTHVILLE SCHOOL NOTES.

School started off with a "bang" Wednesday, September 3rd. A few days were spent in organization and putting the machinery in motion. However, all departments of the school are now running smoothly again. The attendance this year is larger than ever before. The exact figures will be given in a later issue of this paper. During the past four years the attendance of the Northville school has been increased about 30%. Each year new rooms need to be added to take care of the increase.

In order to protect the interest of the school an additional janitor has been employed. The new man E. A. Palmer, goes on duty at noon and remains at the building every night until the close of all school and other institutions. He also assists Mr. Van Valkenburgh with the janitor work. Mrs. Keller has been employed for a short period each day to assist with the work in the girls' part of the building.

Miss Dorothy Avery is handling the class in Bible history, which promises to be a very interesting course.

The Northville Schools will be represented at the Northville fair again this year. The exhibit will be larger and better than ever before. Miss Olson has charge of this department.

Our new department of Domestic Art promises to be a very valuable and popular course. About seventy students have enrolled in the various classes. The course comprises work in both sewing and cooking. A model lunch room is being installed and as soon as completed pupils will be able to get a very nice noon-day lunch for a few cents each. Regulation cafeteria tables will be used and it is planned to accommodate over fifty pupils at one time. The serve-self plan will be used and will be under the supervision of the Domestic Science department, with Miss Stirling in charge. The room has been completely re-decorated and is as sanitary as it can be made.

The following is the football schedule:

September 12—Alumni at Northville.
September 19—Dearborn at Northville.
September 25—Plymouth at Northville.
October 2—Ypsilanti at Ypsilanti.
October 10—Birmingham at Northville.
October 17—Redford at Northville.
October 24—Farmington at Farmington.
October 31—Wayne at Northville.

November 7—Open.

November 14—Howell at Northville.

November 21—River Rouge at River Rouge.

FAIR NOTES.

The three tickets for \$1.00 were placed on sale this week. Snappy your needs and the needs of your friends and save money.

In the premium books the types state that displays of "bedsteads" are desired, when as a matter of fact they are not because the ladies will have no place for bedsteads, but they would like very much to have you bring any bed spreads you may have, and the older they are the better they will be pleased.

Carmel Benton has kindly consented to take charge of the sheep department and he will offer fair patrons a fine display. The fair management was fortunate in being able to secure his services.

The baby show and better baby contest will be held on Wednesday as usual and will be under the supervision of Mrs. Flora Larkins—who else could manage it so well. Mrs. Larkins has a wonderful array of special premiums. See The Record or hand bills for full particulars.

As everyone realizes this has been a backward season for fruits and vegetables, but in spite of that fact every effort will be put forth to have a fine display in the horticultural and agricultural sections. More room has been provided this year and if the displays are up to the standard of former years everybody must bring something. You will find the time you spend in preparing a few vegetables or some fruit for display will be profitably spent because liberal premiums are always paid.

On Wednesday this year the management of the fair will offer something entirely different than they have ever been able to secure before. The day will be given over to a horse show and there will be shown the largest number of handsome horses ever gathered together in Wayne county and Wayne county has a lot of good

horses as well as a lot of automobiles. There will be fancy riding classes in which children as well as adults will take part and if you love a good horse—and who does not—you will be interested in Wednesday's program.

If the base ball fans in this section do not have "their fill" of base ball this year they cannot be satisfied. There will be games five days running, beginning with the opening day—Tuesday. For this ball tournament the society has hung up purses amounting to \$1,200 and the best teams in the county will compete.

The Baptist ladies of the village and the Congregational ladies of Salem will be on the ground to serve good meals and lunches, and there will also be numerous other eating stands. The Northville Fair has always enjoyed the reputation of feeding its visitors well and it is an important matter. When a fellow is well fed he is happy and is sure of having a good time, but when he is hungry he soon becomes grouchy and nothing pleases him. Bring your appetite with you and the ladies of this section will see that you are well fed.

ST. PAUL'S LUTHERAN CHURCH.

Next Sunday the congregation celebrates the annual Mission Festival. The morning service at 10:30 o'clock will be conducted in German; Rev. Graupner of Clarenceville, delivering the sermon. The afternoon service, with Rev. Strasen of Plymouth in the pulpit, will be conducted in English. Fine choir singing. A collection will be raised in both services for mission work at home and abroad. Dinner will be served by the ladies of the congregation.

Tonight the Young Peoples' society will meet at the school hall.

Mrs. N. R. Noll of Chicago, is visiting with her parents, Rev. and Mrs. Bissfeldt.

WHEN YOUR HOME TOWN**WON'T BELIEVE IN YOU**

Many folks have arrived at that perplexing situation at some time in life. A prophet is not without honor save in his own country.

One may be worthy of the scorn of his own community by reason of his own deliberate acts.

One may be grossly misunderstood and unable to emerge from the community estimate for years.

Jesus—the Christ—went to the home of his boyhood—met the folks He knew—spoke in the synagogue—made a deep impression on the crowd—was rejected because His claims seemed too great.

Men still consider the neighboring pastor more attractive than their own. The carpenter's son grew up with them—he couldn't amount to much—and so it goes.

David Knapp and Edward Provis of Chicago, were guests last week at the D. P. Yerkes home.

The regular meeting of the Royal Neighbors will be held next Monday evening at the usual hour.

Today is national defense day and Governor Groesbeck has issued a proclamation declaring a legal holiday.

Furnace fires were started about town Friday, Saturday, and Sunday and they were most comfortable too.

Ladies who have flowers which they expect to exhibit at the fair are cautioned to cover them well these cold nights.

Remember the dance at the woman's building at the fair grounds tonight. The proceeds will be used to furnish the rest room.

Sunday's Detroit News contained a photograph of Miss Helen Woytych, who is visiting relatives and friends in this locality.

Mr. and Mrs. Clayton Wyrick and Mr. and Mrs. Ernest Workman of Detroit were week-end visitors at the home of Fred Fry.

The Foresters have purchased upwards of 100 seats recently taken out of the Alseium theatre and they are being placed in Foresters' hall this week.

Henry L. Forsyth has so far recovered from his recent severe illness that he was able to walk up town for the first time Thursday morning.

In keeping with the other business places of the town this office closed at noon on Thursday and in consequence The Record was printed a few hours earlier than usual.

The Northville Exchange club is again offering a handsome silver cup for the best display of poultry made at the Northville fair this fall. The cup is now on exhibition in C. A. Ponsford's window.

Mr. and Mrs. Sidney Leslie of Leamington, Ont. Mr. and Mrs. Will Leshe of Ypsilanti, Mr. Huffman and son of Pontiac and Mrs. Ed Beauman of Southfield, spent Sunday with Mr. and Mrs. John Beauman.

Lee Shipley has moved his barber shop from the basement under J. A. Huff's store to the hotel building across the street, where he has very comfortable quarters both for shop and the beauty parlors recently established.

J. A. Huff is placing shelving in the basement of his building and will soon add a line of bazaar goods of all descriptions. The room will make a very attractive trading place when all contemplated improvements have been made.

One week from next Tuesday the Northville Fair gates will swing open for the reception of exhibits. Are you planning to make a display this year? Every exhibit, no matter how small, adds to the total number of exhibits and helps to make the fair more interesting.

Mrs. C. C. Yerkes and son, Edmond, returned last week from Rochester, Minn., where they had spent several weeks with Mr. Yerkes, who is receiving treatment at the Mayo hospital in that city. Mr. Yerkes is getting along as well as could be expected. Mrs. Yerkes will return after Edmond becomes settled in his college work.

Mr. and Mrs. W. L. Tinham and Mr. and Mrs. E. E. Perrin motored over to Plymouth Sunday night in Mr. Tinham's Buick car and when they were ready to return they discovered some one had helped themselves to the vehicle and driven it away. Plymouth friends brought them home and a search is now being made to find the missing car.

Mr. and Mrs. James A. Fry of Farmington, Mr. and Mrs. Charles Smock, Mr. and Mrs. Fred Fry and family, attended the marriage of Miss Aneta Aurine Fry to Mr. Herbert Hugo Klemert, at the Second Presbyterian church, Detroit, on Saturday, September 6th. Miss Klemert is the daughter of Mr. and Mrs. Henry P. Fry, formerly of this place and only niece of Fred A. Fry.

Mr. and Mrs. Forace Boyd entertained Thursday evening, August 28th, at a surprise birthday party in honor of the former's mother. It being her 42nd birthday. Friends and relatives were present from Detroit, Dexter, Pennville, Ind., and Northville. The evening was enjoyed playing games and ice cream and cake were served at 11:30. Mrs. Boyd received many nice and useful gifts.

Mrs. M. J. Tremper of Montrose is visiting Mrs. E. J. Tremper and daughter, Grace.

Mr. and Mrs. M. Brock were guests of Mr. and Mrs. B. R. Gilbert at Plymouth, Sunday.

The oldest inhabitants cannot remember a September as cold as this one has been thus far.

There will be three days of racing this year and already a good many fast steppers are promised, enough to fill all classes.

Mrs. W. G. Johnson and Mr. and Mrs. Ross Northrop and son of Redford left Wednesday for an automobile trip through Mississippi, Kentucky and Tennessee.

The Baptist ladies of this village will again have charge of the dining room under the grand stand at the fair grounds, thus assuring fair visitors good substantial meals.

A. T. P. Capell and family of Duluth, Minn., visited relatives and friends in Northville during the past week. Mr. Capell is employed by the United States Fish commission.

Miss Rose Blundell, who has been spending several weeks at the D. P. Yerkes home, left Monday for Webster Groves, Missouri, where she will teach in the Epworth school for girls. This school is under the Methodist Home Mission board.

Out-of-town friends, who attended the funeral of Mrs. Catherine Haines were: Mr. and Mrs. L. L. Liggett of Clarkburg, West Virginia; Mrs. Herbert Thomas of Pittsburg, Pa.; Mr. and Mrs. Alfred H. Mifchka; Mr. and Mrs. F. G. Green and daughter, and Mrs. Keith Smith of Detroit.

Claude VanValkenburgh was placed under arrest by local officers, on Tuesday and held in the village jail until the arrival of Washtenaw county officials. He is charged with contempt of court in not appearing for sentence before the circuit court on Monday.

Mrs. Katharine Strong invited a few friends to her home on Wednesday evening that they might meet Miss Helen Woytych, who was to leave the following day for New York City. Miss Woytych very kindly rendered a number of violin selections, greatly to the delight of the assembled guests. Mrs. Strong, who has been ill, was able to play her accompaniment.

Keep your eye on beautiful Hill Croft and watch it grow. Better get in and get your lot now.

Charles Wedow sold some lots in Hill Croft subdivision last Monday to Royal Oak parties, who will build a cottage there this fall.

Raymond Champe is improving the Village Inn property to a great extent. He will discontinue his stand and parking ground and convert it into a beauty spot and tennis court.

At the Wayne County Fair two years ago the blue ribbon went to Charles C. Wedow on some livestock, and last year he captured some blue ribbons on antique. What this year? Wait and see for yourselves.

The Walled Lake consolidated High school has a large attendance this year, there being 150 pupils in the grades and nearly 100 in the high school. A very efficient corps of teachers are in charge this year and scholars and teachers are "all set" for a good year's work. The following are the teachers this year: Superintendent, A. H. Upton; principal, H. E. Nesman; English, Miss Beatrice Miller; business, Miss Sophia Johnson; domestic science, Miss Jeanne Spaulding; sixth grade, Miss June Eaton; fifth grade and music, Miss Ethel Miles; fourth grade, Miss Violet Fox; third grade, Miss Jean Eaton; second grade, Miss Marian Tharrett. New studies which have been added this year are business arithmetic, typewriting, bookkeeping and music.

DUCKS PLentiful IN MONROE MARSHES.

According to Joseph Lazette, 73 years old, last of 15 hunters who started years ago duck boating in the Monroe marshes, there are more ducks in the marshes this year than ever before.

Lazette has been hunting for 46 years and is considered an authority. He says there are at least 16,000 ducks on the north side of the government channel and 2,000 on the south side. They are mallard and black ducks and most of them have summered here.

But few fish have arrived from the north on their southern migration, and when they do arrive, Lazette claims, it will be the best hunting the hunters have had in years. The protective laws—brown about the birds in the last few years by the legislature is responsible for their increase, Lazette claims. The season opens September 16th.

SPRING FISHING PUT UNDER BAN FOR THREE YEARS.

Fish in Oakland county lakes will be protected in the spring as a result of the action taken recently by the state conservation department on the petition of the Oakland County Sportsmen's association. There will be no fishing in Oakland county from April 1 to June 15 for three years, the conservation commission decided.

U. S. AIRMEN END WORLD'S FLIGHT

HISTORY-MAKING TRIP AROUND GLOBE COMPLETED BY AMERICAN FLIERS.

LEFT WEST COAST 5 MONTHS AGO

Only Two of Original Four Planes in Squadron Survive—Royal Welcome Accorded Crews.

Boston—Six army airmen entered upon the last stage of their journey around the world by airplane when they arrived in Boston last Saturday, their first objective on the Atlantic coast of the United States. The three big cruiser planes dropped to their moorings in Boston Harbor five months, to a day, after the fliers had left northward from Seattle in April. In these months Lieutenant Lowell H. Smith, commander of the flight, with Lieutenant Leslie H. Arnold, in the flag plane Chicago, and Lieutenant Eric H. Nelson, with his mechanic, Lieutenant John Harding, Jr., in the plane New Orleans, have flown 23,000 miles.

The flight taking them from America's west coast around the world, through the tropics and the far north to the American east coast, was regarded by army officials as having virtually attained its object, the circumnavigation of the globe by air, for the first time in human history.

Those five months, too, have seen mishaps. Of the four planes that hopped off, only two reached Boston. The original flag plane was wrecked in a crash against a mountain in Alaska in a fog. Her crew escaped. Another plane, the Boston, was wrecked when engine trouble forced it down in the Atlantic between Scotland and Iceland. Lieutenant Leigh Wade, pilot, and Lieutenant A. M. Ogden, mechanic, resumed the flight in the Boston II from Picton, N. S.

A great throng at the Boston airport and a delegation of high ranking army, navy and civil officials rendered tribute to the arriving airmen. The fliers were greeted with the national salute of 21 guns, customarily accorded only to presidents and to the rulers of foreign powers.

There remains now only the transcontinental journey, no longer accounted a remarkable feat in aviation, which it is expected, they will complete this week.

SEVENTY-FIFTH FAIR CLOSES

Most Successful, Officials Report—U. S. Seizes Midway Show.

Detroit—Michigan's seventy-fifth annual State Fair was the most successful in the history of the association, both from the angle of exhibits and attractions as well as attendance, according to announcement.

Officials will be unable for a day or two, they said, to definitely estimate attendance, financial returns etc., but were extremely confident that all previous records had been smashed.

Nine State troopers arrived at the fair grounds as the show closed to guard the Con T-Kennedy Shows, a midway organization of 23 attractions, seized by Internal Revenue agents earlier in the week.

Fred L. Woodworth, collector of internal revenue, charges that the shows owe the United States Government more than \$100,000 in taxes.

Mr. Woodworth planned to sell the shows from the sale to be taken by the Government in lieu of back taxes, except the amount required to pay the employees their wages.

ZR-3 TEST FLIGHT SUCCESSFUL

Cruises 480 Miles in 8 Hours—Will Leave For U. S. About Sept. 20.

Friedrichshafen, Germany—Enthusiasm over the airship's excellent behavior was the dominant note here last Saturday, when the giant dirigible ZR-3, built by the Zeppelin company for the United States navy, had completed its second official trial during which the ship covered about 480 miles at an average speed of 60 miles an hour, remaining in the air eight hours.

Dr. Hugo Eckener, director of the Zeppelin company, and Lieutenant-Commander Garland Fulton, U. S. N., were in high spirits concerning the dirigible's behavior when they landed. They said a 30 hours' duration flight over the Baltic by way of Berlin and Hamburg would take place this week and they asserted that it was likely that the ZR-3 would start on her trip to Lakehurst, N. J., about Sept. 20.

House of David Suit Appealed.

Washington—The case of the House of David of Benton Harbor, Mich., and John W. Hansel and his wife, former members of the religious order, who brought suit for the recovery of property after they had renounced the sect, has been brought to the United States Supreme Court. The Hansels were awarded \$24,073 by the United States district court for the Western District of Michigan and the award was sustained by the United States Circuit Court of Appeals.

LEAGUE APPOINTS GILBERT**SEYMOUR PARKER GILBERT, JR.**

Paris.—Seymour Parker Gilbert, Jr., of New Jersey, former American under secretary of the treasury, has accepted the post of agent general for reparations under the Dawes plan. The post is being temporarily filled by Owen D. Young of New York, who aided General Dawes and the other experts in drawing up the plan.

Mr. Gilbert has accepted the post without any agreement as to salary or allowances. This subject has not yet been formally mentioned in the commission but it is probable that he will have a salary equivalent to \$7,000 a year with rather generous allowances for the expenses of his work, which will require him to spend three months out of four in Berlin.

ARREST IN HAMMER MURDER

Boy Names Convict Ship Bridegroom As Murderer.

Detroit, Mich.—Testimony of 10-year-old Bernard Ballanger, professed eye witness, may lead to a spurn in state's prison for Thomas Boyce, 'convict ship bridegroom,' but now charged with the murder of Clyde Keller, grocery employe.

Cross examined, the boy told police Boyce wielded a hammer, which was responsible for Keller's death. The killing came as a grand finale, he said, to a drinking party in his mother's apartment, above Keller's place of employment. The latter's body was found in a moving van at the rear of the same building.

Keller dropped to the floor from a blow on the back of the head, the boy told the officers and lay there several minutes. His alleged assailant, Boyce, and other guests paid no attention to him, he said until the party dispersed when Keller recovered and fell down stairs as he attempted to follow them outdoors. Boyce then carried his victim to the moving van, the boy concluded.

Boyce achieved notoriety June 13 last through his marriage ceremony on the Australian convict ship "Success."

"POP" GEERS LOSES LAST RACE

Dean of American Turf Killed in Final Appearance.

Wheeling, W. Va.—Edward F. (Pop) Geers, 74 years old, of Memphis, Tenn., dean of American harness drivers and known for many years as the "grand old man of the trotting turf," died "in the harness."

The veteran horseman was fatally injured when his mare stumbled and fell at the West Virginia fair.

Dislodged from the overturned sulky, Geers was thrown more than 15 feet ahead of the horse and suffered injuries which caused his death.

To all patrons of the Grand Circuit he was "Pop" Geers—loved and honored by all as the premier reinsman of the light harness world. He was in the sulky more than 50 years, and has figured in more than 1500 races. He was to retire at the close of the race in which he was fatally injured.

TEAPOT DOME RECEIVER QUILTS

Admiral Strauss Resigns As Court Officer of Oil Reserve.

Cheyenne, Wyo.—Rear Admiral Jos Strauss has resigned as receiver of the Teapot Dome naval oil reserve, according to information at the office of United States District Judge T. Blake Kennedy. The resignation was handed the judge in July but acceptance was delayed.

BELGIAN TROOPS QUIT RUHR

Withdraw in Conformity With the Dawes Plan.

Brussels.—The Belgian military evacuation of the Ruhr in conformity with the Dawes Plan, which was accepted at the London conference, has begun with the withdrawal of a battalion of the sixteenth artillery. Other units will be taken out from time to time.

Opera Singer Owns Smallest Book

Elberfeld, Germany.—An opera singer of this city possesses what is said to be the smallest book in the world. Its dimensions are one-quarter of an inch by one-half inch. It contains German poetry and is entitled "Almanac on the year 1837."

U. S. Capitol Cost \$25,500,000.

Washington.—The Capitol Building of the United States, which houses both branches of Congress and the Supreme Court, has been valued at \$25,500,000. This figure represents actual cost. Were current local real estate values taken, it would be much higher.

Germans Break Sail Plans Record

Crefeld, Germany.—What is said to be a world's endurance record for sail-planes with auxiliary motors, was achieved today by Hans Udet, German aviator, who remained in the air four hours and 39 minutes. This time beat the record of the French aviator, Henry Farman, by 21 minutes.

Prince Dines With President

Washington.—The Prince of Wales, heir to the British throne, took lunch with President and Mrs. Coolidge and John Coolidge, then son. The prince paying a call to present his respects as the heir apparent to the British throne to the president of the United States was in the capital less than three hours.

Pontiac Child Again Escapes Death

Pontiac.—Johnnie Cuesley seems immune from injury. The boy, two years old, set fire to curtains in his home recently and was found with his clothing in flames. His mother put out the fire and found him unhurt. Now he is limping a bit after a tumble from the second story window of his home, upon a concrete walk 18 feet below.

U S Bankers Loan Belgium \$20,000,000

Brussels.—The Belgian minister of finance and representatives of a consortium of American bankers signed the terms of a loan of \$20,000,000 to the Belgian government, with interest at 6 1/2 per cent and repayable in 25 years. The money will pay off the treasury bonds issued in 1920 in New York; these bonds falling due January 1, 1925.

Ham 'Curing' 47 Years in Ashes

Excessior Springs, Mo.—Dan Rhodus, a farmer near here, has kept a ham 47 years. It is one his father, Bascomb Rhodus, put away in ashes in 1877. Rhodus says it is his intention to invite a few of his old friends to take dinner with him in 1927, on which occasion the ham will be served and its fiftieth anniversary appropriately celebrated.

Wolverine Sets U. S. Seaplane Record

Philadelphia.—Streaking through the air at 197 1/2 miles an hour, Lieut. George T. Cuddihy, U. S. N., who hails from Michigan, smashed the American seaplane speed record in tests above the Delaware river. Lieut. Ralph A. Ostie of the navy established 190 miles an hour as a peak of seaplane speed in a flight over the Delaware course recently.

Great Grandmother to 50 Children

Wathena, Kan.—A new record for this section was established when a son was born to Mr. and Mrs. George C. Nold and it proved to be the fifth great grandchild of Mrs. Nancy E. Woody Burch of Iowa. The oldest of the 50 is Truman Burch Nold, 11. Mrs. Burch is the mother of 10 children, seven of whom are living. She is 90 and has 55 grandchildren.

Auto Thrown in River, 5 Escape

Grand Rapids, Mich.—An automobile with five passengers was struck by a Grand Trunk train at the Sixth street crossing here and knocked over an embankment into the Grand river but the five escaped with only a few bruises. The automobile went over the flood wall which parallels the track and sank in 15 feet of water but all occupants were rescued.

Your kind of a closed car—this True Blue Sedan

THE True Blue Oakland Sedan is built for people who know that the kind of a closed car they want cannot be built to sell at an open-car price.

It is built for those clear-thinking men and women who look straight through a "closed-car" label to the body, that carries the label.

For people who want a car built to definite ideals of quality without any compromises.

This Sedan has style—sparkling, heart-warming, captivating style. It has a body structurally identical with the closed bodies of cars in the three thousand dollar class.

All Oakland bodies, closed or open, are built by Fisher to the same uncompromising standard of excellence.

This body is finished in Duco from top to bottom—a beautiful lustrous finish that will stay that way.

It has the new Fisher one-piece ventilating windshield—a life saver on suffocating days—rain proof in a cloudburst!

It has all the True Blue Oakland features of motor car enjoyment—a year in advance of its field in precision of manufacture, in performance, and in riding and driving comforts.

See it—ride it—compare its performance—look at the workmanship. Oakland has built you your kind of a closed car—and is selling it at a very modest price.

NORTHVILLE VOTERS POLLED
LARGE VOTE.

A more disagreeable September day could not have been chosen than the weather man gave the people of Michigan for primary election day on Tuesday, but in spite of the unfavorable conditions, a large vote was polled throughout the state. Northville voters did exceptionally well and a total of 521 votes were cast during the day, among the voters going to the polls were a large number of women. Members of the election boards were compelled to work all night to complete the official count and it was after five o'clock Wednesday morning when the tabulations had all been made and the numerous blanks properly filled out and certified to.

The official count showed that Groesbeck, Dickinson, Tuttle, Hudson, Herald, Johnson, Walters were way in the lead.

CONSTANCE BINNEY IN "SWEET LITTLE DEVIL," AT THE GAR-
RICK THEATRE.

Theatregoers of Detroit and vicinity will not have to wait till late in the season for the best attractions to come from New York, for on next Sunday evening, September 14th, Constance Binney, the popular little star of the stage and screen, will come to the Garrick theatre for one week only, in her big New York musical comedy success, "Sweet Little Devil."

This attraction comes to Detroit direct from over six months at the Astor theatre, on Broadway, where it was hailed as last season's foremost musical comedy offering. Moreover, it comes here with the same splendid cast, the same beauty chorus and the same pretentious production which characterized its New York run.

Speaking of "Sweet Little Devil" the New York Tribune said: "There are seventeen musical comedies now on Broadway and none of them quite so refreshing and amusing as 'Sweet Little Devil' with Constance Binney." And the New York World added: "There is not a doubt but that Constance Binney is the most charming and ingratiating little figure in musical comedy on Broadway."

The engagement in Detroit is positively for one week only, with matinees Wednesday and Saturday.

NOTICE TO W. R. C. MEMBERS.

The annual picnic of the Corps, which has been delayed on account of the absence of our president, will be held this year in the Foresters' hall, as we can be more sure of the weather there. The date set is Tuesday evening, September 16th, and as it is to be a picnic supper, each member may bring one guest, either lady or gentleman. Supper to be served at 6:00 o'clock, after which a very interesting program will be given by the committee in charge. Every one urged to come, and bring sandwiches and one (or more) article of food. RECORD LINERS PAY WELL.

During the past two weeks the value of Record liners have been proved a number of times. A 25 cent ad brought some Ypsilanti people to Northville to buy a piano, a phonograph and some household goods. Another notice returned a coat to its owner and still another local was the means of recovering a diamond ring which was lost on the street a week ago Sunday. Adelbert Campbell found the ring and brought it to this office and for his honesty he was rewarded with a \$5 bill.

TEN SHEETS AT ONE TIME

It surprises most women when they learn that the EASY washes 10 single sheets or 8 double sheets at one time—or the equivalent in other clothes. This large capacity means a fewer number of tubful for the average family washing—and a material saving in time and energy. The capacity of the EASY is, of course, adjustable, so that a smaller amount of clothing can be washed just as well. We'll be glad to show you how much time the EASY will save in doing your own family washing.
