THURSDAY NIGHT, OCTOBER 23

"A BOY OF FLANDERS"

Never did Jackie Coogan make such a picture as this! It's different, tremendous—the world-famous story of a Belgian boy and his dog, and his fight against poverty and enemies, until with the roof taken from him, and the coveted painting prize won by his rival, he wanders friendless and alone out on the Flemish fields in a blinding snow-storm. But for his faithful dog, Petracolo! You'll love this wonder dog, and you'll laugh and cry and be thrilled with Jackie Coogan at his triumphs and heartaches.

DR. Z. T. AMERY DIED IN EAST

Impressive funeral services were held Friday for one of Oakland County's distinguished sons when the body of Dr. Z. Taylor Emery, who died at White Plains, N. Y. Tuesday, was buried in Yerkess cemetery.

Funeral services were held at the home of Mrs. Sumner G. Power, a niece of Dr. Emery living near Northville, at 2 p. m. Friday. Dr. Emery was born in Lyon township, his parents being John C. and Mary Yerkess Emery. His family moved later to Novi township where he was reared.

He attended Northville High school and the University of Michigan and received medical degrees from the Detroit College of Medicine and the Long Island College hospital.

Moving to Brooklyn N. Y., Dr. Emery rose to prominence in his profession. In 1889 he married Miss Georgina Colville, daughter of David Colville, a wealthy steel manufacturer of Glasgow, Scotland, and sister of the late Hon. John Colville, M. P. J. P. of Cleland House, Motherwell, Scotland.

Dr. Emery served as secretary of Kings County Medical society, was trustee of Long Island College hospital, director of the Manhattan Savings Institution and since 1895 was medical director of the Manhattan Life Insurance company. He served two terms as health commissioner of Brooklyn.

About 12 years ago he moved to White Plains. On Sept. 7 he suffered a cerebral hemorrhage from which he never recovered and an attack of pneumonia being the immediate cause of death.

Dr. Emery had been a life-long communicant of the Presbyterian church and the Presbyterian minister at Northville officiated at his funeral. Miss Elizabeth Emery, soloist at the Westminster Presbyterian church in Detroit sang and nephews of the deceased acted as pallbearers.

Dr. Emery is survived by his widow, three brothers, Josiah Emery of Watertown townships, E. Franklin Emery of Detroit and John N. Emery of Syracuse, N. Y., and a sister, Mrs. Mary E. Barnhart of South Lyon. Pontiac Press.

FRANK WOODMANSEE FOUND DEAD IN BED

The people of this community were greatly shocked Tuesday forenoon when the news became current about town that Frank Woodmansee, an honored citizen and veteran of the Civil war, had been found dead in his room.

It is evident from all appearances, that Mr. Woodmansee had arose about his usual time and had started to dress himself when he was afflicted, for he was found lying on his bed partially dressed by those who went to his room to ascertain why he did not come to breakfast.

Mr. Woodmansee had been about the village the day before and was apparently in his usual good health, though he had not been strong for some years. He was a good citizen, a christian gentleman, and his passing is universally regretted. He had a very commendable army record and he was held in high esteem by his comrades.

Funeral services will be held at the M. E. church this afternoon at one o'clock and the remains will be taken to Milan for burial.

WILLARD SMITH DIED FRIDAY

Willard Smith, who was a native of Michigan, and a resident of Northville for about three years, died at the Sessions' hospital of this place on Friday night, October 10th, after a long illness. He was buried at Bay City, his old home on Tuesday from the home of his brother-in-law, Walter Grant. He leaves to mourn his death, an aged father, a wife, a daughter and two sisters. His wife and daughter are residents of Northville and will continue to make their home here. Mr. Smith was a member of the I. O. G. F. lodge of Bay City and also a member of the West Baptist church of that city. He was a marine engineer and several years ago successfully passed the examination for chief's papers. The services were conducted by Rev. A. K. MacRae of this place. Mr. Smith leaves a host of friends in and about Bay City and also in Northville and all extend their heart-felt sympathy to Mrs. Smith and daughter, Miss Alvera.

The remains of Mrs. W. H. Yerkess and Hiram Holmes were placed in Northville's handsome new mausoleum Monday afternoon, and there among the beautiful hills these two honored citizens will sleep their last long sleep. The new mausoleum is all that its builders claimed it would be and is a valuable addition to this quiet and peaceful city of the dead.

LARGE HAY BARN BURNED

Saturday afternoon a passing motorist discovered the large hay barn on the W. H. Tousey farm on the Salem road to be on fire and he gave the alarm as quickly as possible, notifying Mr. Tousey who had just returned from Northville. A general alarm was sounded and many people from Northville and surrounding country responded to the call for help. The fire engine was taken out, but made the journey with a good deal of difficulty, indicating the machine has not been having very good care lately. The fire spread rapidly and soon the barn was enveloped in flames and a strawstack and a small shed adjoining were also consumed by the flames. By heroic work the other buildings on the premises were saved.

Fortunately, the barn contained nothing but hay, but it was filled to its capacity.

The volunteers fought the flames valiantly and the owners of the premises are very grateful to all who offered their assistance.

EXCHANGITES WILL ASSIST BOY SCOUTS

The Northville Exchange club some weeks ago voted to get behind the Boy Scout troop in this place and to provide financial assistance in an effort to make the Scout movement here a success. On Wednesday the members of the club had the pleasure of hearing Mr. Jameson of Detroit, a leader in his home city in the Boy Scout movement, give a most interesting address on the subject of the purpose and aims of scouting. A committee composed of Exchangeites R. R. Brown, P. R. Alexander and A. J. Heltrich has been appointed to devise plans for the assistance of the local troop. Mr. W. Loefer teacher in the high school is now Scout master for Northville. W. E. Ross, who has served so faithfully for some years past, felt that he must be relieved from further responsibility in the matter.

FORMER NORTHVILLE PEOPLE CELEBRATE ANNIVERSARY

Mr. and Mrs. Alvin Blair of Detroit former residents of Northville, celebrated their golden wedding anniversary dinner at the home of Mr. and Mrs. John Fitzgerald, 8931 North Clarendon Ave. The home was decorated with beautiful cut flowers and palms. Mr. and Mrs. Blair received many beautiful presents and a purse of gold. Those present at the dinner were: Mr. and Mrs. Frank Blair, Mr. and Mrs. Edward Webber, Mr. and Mrs. Walter Leonard, Mr. and Mrs. Joseph Herron, Mr. and Mrs. Perry Brown, Mrs. Charlie Rodgers, Mr. and Mrs. LeRoy Burgoon all of Detroit, Mr. Will Blair of Gregory, Mrs. Ida Hendrix and Mrs. Maude Bennett of Northville.

WORE SCHOOL ROOM NEEDED

In order to provide additional room the board of education has called a special meeting of the legal voters of school district No. 2, rational, for the high school building on Monday evening next, October 20th, for the purpose of submitting the proposition of voting to raise the sum of \$5,000 to purchase and equip a two-room portable building in which to accommodate some of the grades.

It is planned to place the new building on the ground now occupied by the tennis court and when better and more adequate quarters are available to use the structure for fresh air school rooms. The meeting will be held from seven to nine o'clock and only property owners will be entitled to vote on the proposition.

TWO MEN KILLED AT DENTON

The first section of the Detroit limited leaving Jackson at 3.00 Saturday afternoon struck an auto in which two men were driving near Denton and both men were instantly killed and their car was wrecked. The fellows drove on the track just as the limited was approaching and their car was thrown fully three rods from where it was hit. Another car approaching the street intersection was struck by the wrecked auto and its occupants were slightly injured.

NOTICE OF W. C. T. U. MEETING

The Northville W. C. T. U. will meet with the Plymouth W. C. T. U. at the home of Mrs. Phoebe Patterson, 207 Ann Arbor street, Plymouth, on October 23rd, at 2:00 p. m. Northville will arrange the program. It is expected and greatly to be desired that a full delegation will arrange to attend the meeting. Let Northville be fully and fairly represented.

There is inspiration in membership and the moral effect cannot be told.

M. A. C. DAIRY JUDGES WIN NATIONAL HONORS.

Competing against teams from 23 different states and Canada, student dairy cattle judges from the Michigan Agricultural college won the sweepstakes prize at the recent National Dairy Show held at Milwaukee, Wisconsin, thus bringing to the state for the first time the highest honor of its kind in the dairy world.

In addition to the team prizes, F. H. Williamson of Pontiac, an agricultural student at M. A. C., won the sweepstakes award for individuals in judging all dairy breeds. Williamson was first among all contestants in Jerseys, as well as winning the all-around ribbon.

Other members of the victorious team were placed high enough in the different classes to bring the team in first. The team was number one in the Jersey and Guernsey classes and sixth in Holstein judging, ranking somewhat lower with the Arvshires, the fourth breed in the contest.

The team and the different individuals won a long list of trophies for their performance, cups, plaques, state and other awards being included. Williamson also brought back the \$400 scholarship offered by the American Jersey Cattle club for best judging in the breed.

The Michigan club boys' dairy judging team, while not so successful as the college outfit, finished seventh among more than twenty entrants.

J. E. Burnett of the M. A. C. dairy department, coached the college team and accompanied it to Milwaukee, where Nevels Pearson of the State Boys' and Girls' club staff, handled the club judges.

RESULTS OF THE JUDGING CONTEST AT FAIR.

Standings received from the judging contest at the Northville fair show these results for Plymouth. Second place in crop judging, third in fruit, and first in stock. By winning the stock judging Plymouth holds the Plymouth United Savings Bank trophy for the second time. They must win it a third time in order to keep it. Those who made up the stock judging team are: Louis Sieloff, Claire Travis, Thurman Rodman, Perrin Hank, Walter Ash and Russell Partridge scored very close to Rodman. Monroe placed second coming close after Plymouth. Howell won third place and Ypsilanti, fourth. In the crop judging, Howell placed first; Plymouth, second, Ypsilanti, third, and Monroe, fourth. The Plymouth team was made up of the following: Owen Partridge, Harry Rowland, Willard Losey.

In fruit judging, Monroe placed first; Howell, second; Plymouth third, and Ypsilanti, fourth. The team for Plymouth was as follows: Willard Losey, Win Baughan, Gaylord Sayles.

Monroe won the cup for fruit judging, provided by the Oakland County Horticultural society. This is the second year this cup has been in existence. The first year it was held by Ypsilanti, and this year by Monroe.

At a late meeting, October 4th, of the Wayne Pomona, the organization of the county Granges, it voted to provide a cup similar to the fruit judging cup, about fifteen inches high. This is to be given to the crop judging champions at Northville. It will be held this year by Howell. This cup, like the fruit judging trophy, must be won three years in succession in order to obtain ownership.

FORMER U. S. FAIRBANKS APPEARS IN "PLAIN JANE"

Jay Gould who eagerly accepted the part of Dick Kingsley in "Plain Jane" which will be the attraction at the Shubert-Detroit October 19 has discovered that his early devotion to athletics will probably lead to whatever fortune he will accumulate from his stage work.

While attending the University of Michigan, Gould was the champion squash player of that institution besides being the intercollegiate lightweight boxing champion of the West. Upon leaving college, some eight years ago, Gould stepped into leading juvenile roles in musical comedy, necessitating much dancing. Vaudeville followed for a few seasons and then Gould was cast in several big reviews. "Dancing was his chief accomplishment outside of his polished funmaking ability."

After eight years of strenuous work, Gould finds that his weight has increased exactly ten pounds since leaving college and these ten pounds have put on in the region of the legs, the arms and the chest. To keep to his regular weight is now a serious problem with Gould, for exercise seems to increase it.

In his scene with Anne-Nack, Gould has to box at "top speed" with knock-downs and genuine "stomping" included in the routine. Nack is a big strong husky fellow who never lets up until finally knocked out by Gould. Naturally, this requires Gould to keep in the best condition all the time.

From Saturday night to Monday night, Gould invariably takes on plays golf on both Sunday and Mon-

day to keep fit. Another suggestion of Gould's exercising has been the development of his voice and it would seem that in a short time he will be ready for heroic roles instead of juvenile parts. Incidentally, if the average reader thinks Gould's work in "Plain Jane" is easy all he has to do is put on a pair of boxing gloves and try to go just one round at top speed.

PRINCE OF WALES VISITS FORD

PRINCE OF WALES.

Detroit—The Prince of Wales was the guest of Henry Ford during his entire visit to Detroit this week. He visited the Ford Motor Co. plants at Highland Park, Dearborn and the River Rouge.

Before coming to Detroit the Prince was the guest of Lewis F. Swift, of Chicago, where he inspected the stock yards, the University of Chicago and other points of interest.

The Prince remained in Detroit only the day, leaving for Montreal and other Canadian points. He will sail from New York for home Oct. 25.

SENATORS VICTORY POPULAR

Defeat of Giants Pleases General Public—Players Get \$5,595.64.

Washington—Each regular player on the Washington team received a check for \$5,595.64 as his share of the world's series money. In addition the Senators are in possession of the world championship crown, wrested from the Giants, an honor for which they fought as no other team had to fight in the history of the autumn baseball classic. The victory of the Senators was perhaps the most popular in the life of the organized sport.

It was decided by Judge Landis, high commissioner of baseball, that the New York Giants' share of world series would not be held up pending an investigation of bribery charges involving members of that team.

Attorney-General Stone announced that if any evidence of a federal law violation were presented, an investigation with the recent bribery scandal involving the New York Giants, there would be a federal investigation of the subject.

On the face of the statement issued by Baseball Commissioner Landis after outfielder O'Connell and Coach Bolan were expelled from organized baseball, the attorney general said he saw no violation of federal statutes.

COST OF GOVERNMENT IN U. S.

National, State and Local Runs in 1923 Was \$10,000,000,000.

New York—The people of the United States in 1923 paid a bill of ten billion dollars for governmental expenditures, national, state and local. This amount was 15 per cent of their total income for that year.

It was equivalent to \$1 per cent of the total amount paid out in wages and salaries in 1923 by all manufacturing and service in the country, covered by the census of manufacturers. It represented a levy of \$91 a head on every man, woman and child in the nation—more than three and one-half times the per capita expenditure on government in 1902 and more than one and one-half times that in 1890.

These figures were given out by the National Industrial Conference board, after a study of public disbursements in connection with a survey of the tax burdens of 1923.

Of the \$10,000,000,000 spent on government in 1923, the figures show, \$3,455,000,000 represented expenditures of the federal government interest and amortization on the national debt, accounting for \$1,526,000,000 of it. The state governments spent \$1,510,000,000 and the local governments \$5,025,000,000 of the remainder, \$5,025,000,000.

LA FOLLETTE FLA'S OLD GUARD

St. Paul Big Business Opposes Government, Charges St. Paul Fund.

Detroit—The largest crowd that has greeted Senator Robert M. La Follette since he started his speaking tour in behalf of his candidacy for president, met him here. More than 7,000 people paid him from 50 cents to \$1 to hear him allege that big business has bought the Government away from the people, and that the Republican National Committee is raising a slush fund of between \$4,000,000 and \$5,000,000 to swing the election to President Coolidge in doubtful states.

Senator La Follette repeated the charges made at Scranton that the plan for the slush fund was inaugurated at a conference between William W. Easton, Republican National chairman, W. J. McGowan, of Pittsburgh, and Edward T. Scribner, and that the slush fund was \$500,000.

NORTHWEST HARD HIT BY TORNADO

MINNESOTA AND WISCONSIN ARE SWEEPED BY DISASTROUS WINDSTORM.

THREE SCORE REPORTED DEAD

Only Meager Reports Trickle Through Because of Complete Destruction of Wire Communication.

St. Paul, Minn.—Belated reports of the storm which swept Minnesota and Wisconsin Sunday indicate that at least 60 people lost their lives, with Wisconsin bearing the brunt of the havoc, only 5 dead having been reported in Minnesota.

Patch work wires permitted only meager messages to trickle out of the devastated country side in sections of central and northern Wisconsin, gradually swelling the list of casualties and sending into high figures the estimates of monetary damage.

Besides the many dead, perhaps an equal number suffered injuries, from the Thorp Owen district alone, 25 seriously injured persons were sent to hospitals, principally at Chippewa Falls, Stanley and Owen, Wisconsin.

It was in Wisconsin around Thorp and Owen that the heavy burden fell, for there the storm mangled wire communication with the stricken parts, and automobile couriers found their progress impeded by tree strewn highways and occasional washouts.

Violent wind and rain storms prevailed generally over Wisconsin, Minnesota and the Dakotas, and extended southward into northern Iowa, the entire district suffering damage to trees, crops, and wire communications.

Around St. Paul, the wind attained a velocity of 80 miles an hour.

In the Thorp region in Wisconsin, an area seven miles southwest of that town extending from 12 to 15 miles toward Owen, was swept clean in many spots over a width of 200 to 400 feet. More than 50 farms were in the storm's path there.

Flattened barns razed houses and shattered outbuildings on numerous farms readily explained the heavy loss of lives.

PASTOR ADMITS KILLING WIFE

Woman in Parish Accused of Murder of Husband—Love Tangle Cause.

Alt. Vernon Ill.—Rev. Lawrence M. Hight, a pastor, has confessed to poisoning his wife and Wilford Sweetin. Mrs. Sweetin is accused of complicity in the crime as according to the preacher's second confession she was the one who placed poison in her husband's food.

Following the death of Mrs. Hight on September 10th, gossip caused the exhaling of the body of Sweetin, husband of a woman with whom the pastor was said to be infatuated. The viscera of both was found to contain poison. Sweetin had died from apparently normal causes the latter part of July.

ELECTION RECOUNT COMPLETED

Second Count of Votes in Detroit Fails to Change Result.

Detroit—The recount of all ballots cast for mayor and councilman in the September 8 primary election has been completed and the result was no change in the standings of the candidates.

Joseph A. Martin and John W. Smith are the nominees for mayor and Robert G. Ewald and Andrew J. Brodie the nominees for councilman. Charles Bowles who finished third in the race for mayor, made a net gain upon Martin of 119 votes, while Martin made a net gain upon Smith of 125 votes.

FLIERS COMPLETE WORLD SPAN

Arrive in California From Where They Started Last March.

San Diego, Cal.—America's round the world fliers arrived safely last Monday at Rockwell field, San Diego, from which they took off last March to start on their globe encircling trip. The fliers expect to arrive at Seattle Thursday, the official starting point of the flight around the world.

Costs \$4,000 a Year to Keep Tree. Basking Ridge, N. J.—The oldest oak tree in the country, the 93-year old tree in the yard of the Presbyterian Church here, costs \$4,000 annually to keep. The church gave tree surgeons that amount for operation on it last year.

Drain Elected Legion Head. St. Paul, Minn.—James A. Drain, of Washington, D. C., was elected national commander of the American Legion on the first ballot in the closing session of the sixth annual convention in St. Paul. Mr. Drain is 54 years old, a lawyer, served as a captain in the Spanish-American war and was an ordinance officer with the tank corps during the World war.

Wixom Whisperings.

C. H. Val Wagoner and family have moved into their new house.

Mr. and Mrs. R. J. Banfield and daughter spent the week-end in Detroit.

Mrs. Carl Algren is at Harper hospital where she went for treatment.

Mr. and Mrs. J. P. Raugh of Plymouth, were visitors Sunday at J. B. Chambers.

AMERICAN Premier Motor Oils

Are distinctively better than the ordinary motor oils; lubricants that will give more miles of genuine lubricating service at less cost per mile.

BECAUSE—

They are refined from the finest selected crude oils obtainable.

BECAUSE—

They are made with the utmost care by skilled men of long experience in the manufacture of lubricants.

BECAUSE—

These men collectively and individually take a personal pride in making motor oils that are superior in their ability to furnish the most in lubrication.

BECAUSE—

Premier Motor Oils stay sold and are invariably recommended by one user to another—the strongest endorsement in their favor.

These facts on the product and the universal endorsement of thousands of users should be conclusively convincing to those motorists who demand the best in motor oils.

Genuine American Premier Motor Oils and Greases are sold only through authorized American dealers. Your dealer can supply the proper grade for your car.

NORTHVILLE, MICH., OCT. 17, 1924

TWENTY-FIVE YEARS AGO

Items taken from The Record files of 1899, for the week corresponding to this week.

Lee Cook is down with typhoid fever.

Dr. Knapp of Detroit was in town this week.

George Fredmore has moved his family to Holly.

S. E. Cranson visited Ypsilanti, Mich. over Sunday.

E. H. Lapham returned Wednesday from his Chicago trip.

Mrs. Gardner is expected home from Oklaoma the last of the month.

Oh! Mads' convention at the Opera House tonight 10 and 15 cents.

Geo. Clark and family have moved from the McKay house to 137 Center street.

Mrs. V. P. Banks of Detroit is visiting Northville friends for a few days this week.

Rev. J. H. Herberich left this week for New York City to be absent about two weeks.

Mrs. M. J. Quick of Birmingham is visiting at the home of her brother, GE B. Sinclair.

Miss McClure of Detroit has been the guest of J. M. Simmons and family for a few days.

Mrs. Milton Shaffer of Minneapolis, left for her home this week, after visiting here some time.

Will H. Safford of this place has been appointed laborer at the Northville-U. S. fish station.

Mrs. Emmett Harawa has been entertaining her cousin Mrs. Cudworth at Manistee for the past week.

Clarence Clark of this place, now clerk in the auditor's office at Lansing, has received an appointment in the census department at Washington.

Bothe-C. A. Sessions and Mr. Eatherly have their new residences nearly completed and ready for occupancy. They are both very attractive homes.

RESIDENCE DAMAGED BY FIRE.

Tuesday night about one o'clock the residence of Louise Miller on High street was discovered to be on fire and an alarm was turned in.

The fire department and citizens responded as quickly as possible and but for delay in making connection with the hose in the fire engine and getting the hydrant open, the fire would have been extinguished without much damage.

Those who arrived first removed the contents of the house and the chemical hose was brought into play as soon as the fire apparatus arrived, but the stream was not sufficient to combat the fast spreading blaze.

After the hydrant had been opened and proper connection made the "pumper" did exceptionally good work throwing a leap a great deal higher than the house. The fire was confined to the roof but the rooms throughout were pretty badly water-soaked.

The last two or three fires that have occurred have demonstrated that come what may it is better to have fire insurance than to have the fire engine always working order.

There is no excuse for having the gas supply stop now, the chemical tank not properly filled and "charged" the supply of cylinder oil not adequate to make a run into the country, or permit the valves on the pump to become so dry that a lot of time is required to start them.

All these things are very likely to happen with a volunteer fire department, because what is everybody's business is usually nobody's business.

Northville, however, has two men, either of whom might be delegated to see that the engine is properly supplied and the pumps properly tested out at least once a day.

M. E. SUNDAY SCHOOL OFFICERS.

The following officers were elected for the Methodist Sunday school for this conference year.

Superintendent—Floyd Salow

Assistant Superintendent—Floyd Lanning.

Treasurer—Howard Stark.

Secretary—Miss Viola Brown.

Superintendent of Cradle Roll—Mrs. D. J. Cobb.

Organist—Roy Clark.

Superintendent of Primary Department—Mrs. Wm. Boyd.

Croquet—Richard Kilgour.

The Sunday school had two fine Friday reports in the maintenance of the local school as well as for the World service.

W. R. C. NOTES.

A regular meeting of the W. R. C. was held on October 22nd.

All members are expected to be in their places for this meeting.

Patience, Griswold, Alexander, and Cook will attend the district meeting at 11:00 A. M. on Oct. 23rd.

CHURCH OF CHRIST.

Services Sunday afternoon at the Library building at 3:30. There will be an interesting sermon by A. H. Hastings. All are invited.

METHODIST CHURCH NOTES.

On Sunday morning our meditation will be in "Life's Sackcloth" with the choir as usual in their place to enhance our worship with an anthem.

The Sunday school will meet at 12 noon, with the newly elected officers for the conference year, in their places.

In the evening we will have a sermon from the "Coliseum at Rome."

From this we will discover how Christianity outlives its enemies and will continue to live. Prayers Thursday, 7:30. Topic: "Humanity of Christ."

Everybody welcome.

Don't forget our nineteenth anniversary on the 2nd of November—being the first Sunday.

The bazaar and chicken pie supper is on the 11th, Armistice Day.

ST. PAUL'S LUTHERAN CHURCH.

Next Sunday at 10:30 a. m. service in German.

At the well attended Ladies' Aid meeting last week it was resolved to hold a bazaar and dinner on November 6th at Foresters' hall.

While attending conference at Lansing Pastor Einsfeldt was taken sick with a severe attack of grip and was brought home Thursday noon.

We are glad to hear that he is recovering and expects to be in the harness again within a week.

Next Saturday the pastor will move to Gilman W. Perkins' residence on northwest corner of Yerkes and Johnson avenues.

Prof. P. Hattstaedt of Concordia College, Milwaukee, paid a short visit to his brother and sister-in-law, Rev. Einsfeldt and wife last Friday.

Don't forget that "filling the soul" is even more important than filling the silo.

BAPTIST CHURCH NOTES.

There is a Bible "come" for every occasion. Hear about it Sunday morning.

The service Sunday evening will be different from anything we have yet had and it will present a truth we need to emphasize. Five or six of our people will take part in this service.

Our heating plant has been reougl and greatly improved. We will enjoy it this winter.

The get-together which was held Wednesday night, was a success.

Mr. Langfield was chairman, Conrad Langfield musical master, A. R. May-Pae sons leader, Wm. Corran, the cats.

Mr. Payne requested us to postpone the prayer until January 1st, which we have done. Let us keep the date in mind and pray for a big meeting.

The prayer meeting Thursday evening was led by Miss Gray. Her subject was, "The Offerings." Miss Gray is a Moody graduate and knows how to present God's word.

PRESBYTERIAN CHURCH NOTES.

A SWARM OF B'S.

Be regular at church, it energizes your spiritual life.

Be a subscriber: it helps you create moral fibre for the community.

Be punctual: it helps the pastor to begin the services in a spirit of confidence and encouragement.

Be vocal: your participation in the service, you purchase your own pleasure.

Be friendly: move along in your pew for the stranger.

Be generous and just: charity for the poor and unfortunate radiates from God's house.

Be inspiring: the sermon but reflects the audience.

Be sociable: makes a warm atmosphere.

Be optimistic: that means a contagious healthfulness, happiness, hopefulness.

Be easy: watch the speaker, rather than watch your watch.

Be kindly: faults and failings are often only virtues on the wrong track.

Be loyal: tot he Pastor he can be no greater success than the people will let him.

Sunday morning Northville Commandery, Knights Templar, will worship with us.

A very enjoyable meeting of the Y. P. S. C. E. last Sabbath evening the following officers were elected: Miss Katherine Curtiss, president; Miss Barbara Blackburn, secretary; Miss Beth Ponsford, treasurer and Mrs. D. S. Beard, patroness. Mrs. Beard will have charge of the program each evening, assisted by members.

DOLL CONTEST.

For girls 12 years or under. Now is your chance to win the big beautiful doll now on exhibition at C. A. Ponsford's window. The contest began Tuesday, October 14 and will close in about one month. The girl having the greatest number of votes at the close of the contest will receive the doll.

The following dealers have agreed to give one vote each \$1.00 worth of merchandise: C. A. Ponsford, E. K. & Co., Jas. Spangnola, C. D. Kugour, Clara Beard, A. Healey, L. Bare White's div goods store, Northville.

Dr. Co. Police Market and E. U. Partridge.

By one and all for your vote, write your name upon them and place them in the vote box in Ponsford's or the Fruit store.

The votes will be counted each Saturday.

GEORGE GOODSELL CELEBRATED**81ST BIRTHDAY.**

George Goodsell celebrated his 81st birthday anniversary at his home on Cady street in this village on Thursday. He was surrounded by many of his family, grandchildren and a few invited friends. Mr. Goodsell had planned to have as many members of his regiment as possible present at the celebration, but only two were able to be present—Comrades L. C. Meade of this village and L. Quick of South Lyon, who were members of Mr. Goodsell's company, Company I, Twenty-second Michigan volunteer regiment. There are but four other members of Company I living at the present time, one of whom is Marvin Bogart of Wixom, who is quarantined because of scarlet fever in his home.

At noon a bountiful chicken dinner with all the extra trimmings was served by Mrs. Goodsell and her daughter, Mrs. G. W. Biery and the singing of the old war ball of the regiment announced when the feast was ready. Eleven persons gathered about the table and all did ample justice to the good things prepared.

The three comrades enjoyed every minute of the gathering and how they did visit. A number of battles and skirmishes were fought over and with memories running back through the years, amusing incidents were recalled of those dark days of the Civil war.

Mr. Goodsell was kindly remembered with gifts and messages of congratulations, all bearing the wish that he might be spared to enjoy many more such happy gatherings.

MOTHER EARTH IS ON THE PAY ROLL

We must have better than Ford wages to give the returns which are expected.

Every crop takes valuable elements from the soil and must be replaced. Every year the honest farmer gives the soil its pay for the previous year.

The human heart is a great field and it needs renewal every day. The fresh nitrates of sympathy—helpfulness—co-operation—must be replaced.

The wear and tear of home life or shop or store draw heavily on the heart soil and there is small chance sometimes for the seeds of religion to grow.

That is the best man who gives the heart a chance to grow and act and be useful—its best farmer who gives the soil the best supplies to produce with.

Behold a sower went forth—seed fell—some on the wayside—on stoney ground—among thorns—on good ground. The profit came from the good ground only.

METHODIST SUNDAY SCHOOL

First Presbyterian Church

Nebuchadnezzar found that he could not frighten the three Hebrew children even though he was the king. For them the golden image had no alurement, neither did they fear the fiery furnace. Their faith was in God. Their only concern was what He wanted them to do. They raised no question of His ability to save them. But if not, they would trust Him anyway and their faith was not in vain. God never fails any man who trusts Him.

GOVERNOR OF PANAMA RESIGNS

COL. JAY J. MORROW

Washington—Secretary Weeks has accepted the resignation of Col. Jay J. Morrow, retired governor of the Panama Canal zone, effective October 15.

Colonel Morrow will be succeeded by Colonel Meriwether L. Walker, who for the last three years has been assistant to the Canal Zone governor and in charge of maintenance works there.

Colonel Harry Burgess, commandant of the engineering school, Camp Humphreys, Va., will succeed Colonel Walker.

Governor Morrow was appointed by Secretary Weeks and retired from active army service on account of physical disabilities during his term of office in the Canal Zone, continuing thereafter to perform the duties of governor. He will enter private engineering business with headquarters in New York.

DEMOCRATS NAME STATE TICKET

Favor Reapportionment of Districts For Legislative Offices

Grand Rapids—Michigan Democrats, in their fall convention here carried out the program of the spring pre primary convention in Flint, when they unanimously nominated the following candidates for state office below that of lieutenant governor:

For secretary of state, Frank J. Jarvis, of Grand Rapids; state treasurer, Frank W. Merrick, of Pigeon, former state banking commissioner; attorney general, Howard W. Cavanaugh, of Battle Creek; auditor general, no nomination made, the action being accompanied by a public endorsement of Oranuel B. Fuller, Republican nominee, for his "honesty and fidelity to public duty."

No stand was taken on the income tax, Klan or prohibition questions, but the convention did go on record as favoring reapportionment of legislative districts and condemning Republican failure to bring that about.

CORBY GIRL WINS IN LAWSUIT

Court Holds that She is Child of Grosse Pointe Millionaire

Detroit—Marie Therese Corby, 5, fighting through her guardian for a daughter's share of the millions left by Thomas W. Corby, eccentric Grosse Pointe millionaire, has been recognized by Judge Arthur Webster as Corby's own child.

The little girl's victory was complete. Judge Webster appointed the Security Trust company administrator of the estate, in accordance with the child's petition.

His action overruled Judge Edward Command, of the probate court, who consulted the wishes of 14 nephews and nieces of Corby and made the Union Trust company administrator.

A short time before his death in June, 1923, Corby filed suit for annulment of his marriage to Mrs. Beals, alleging he was not the father of Marie Therese. He later withdrew this bill, and his wife obtained the decree on a cross bill.

HERRIN RIOT HEARING RESUMED

Sheriff, State's Attorney and Judge Held On Murder Charge.

Marion, Ill.—The Williamsen county grand jury have returned indictments against Sheriff George Galligan, State's Attorney Delos Duty and E. N. Bowen, judge of the Herrin city court, on a charge of murder in connection with the Ku Klux Klan and anti-klan rioting at Herrin last August in which seven men were killed.

Sheriff Galligan and others named in the indictments were ordered arrested and brought into court.

Bail for Duty and Bowen will be fixed by Circuit Judge A. D. Somers this week, it was announced.

WALES WILL VISIT IN DETROIT

Ottawa—The Prince of Wales will spend October 13 in Chicago, and on October 15 will visit Detroit, it was announced here.

The Prince will arrive in Chicago on the morning of October 13 and will be escorted through some of the large packing plants. He will remain in the city over night leaving for Detroit on the morning of Oct. 14.

He will visit Detroit motor car factories on Oct. 15, and on Oct. 16 will be in Ottawa.

FORD WITHDRAWS MUSCLE SHOALS BID

SAYS BUSINESS CANNOT WAIT ON SLOW POLITICAL MANEUVERS.

NEXT MOVE UP TO GOVERNMENT

Says Company Has Bought Lands and Can Generate Cheaper Power Than At Shoals.

New York—Henry Ford has withdrawn his bid for Muscle Shoals and, according to an interview with him in the current issue of Collier's Weekly, has assumed a "waiting" attitude by putting it up to the government to make the next move if he is to take any further action in the matter.

The transaction, characterized by Mr. Ford as "a simple affair of business which should have been decided by anyone within a week," he declared, "has become a complicated political affair," and the bid was withdrawn because productive business cannot wait on politics.

Asked if that meant withdrawing absolutely from Muscle Shoals and everything that pertains to it, Mr. Ford replied:

"Yes, we have made our bid, now let them make us a bid. And they will not have to wait three years for their answer. We can tell them in five minutes."

Mr. Ford said his company had completed the purchase of 160,000 acres of coal lands in Kentucky, and after refuting some of the expert's statements conducted at the River Rouge plant, said:

"We find from our experience at River Rouge that we can generate electrical power in these coal lands to any extent that we may need and at a cheaper rate than we could under our bid at Muscle Shoals. And also we can generate in our own way entirely outside of all political influence or political meddling. That is why we have lost our interest in Muscle Shoals."

HUGHES ATTACKS LEAGUE ACTS

Says U. S. Reserves Right to Decide Domestic Policies.

Indianapolis—American sentiment will "not tolerate" submission of domestic question "to the determination of any group of powers," Secretary Hughes declared here in a campaign address.

The secretary said that recently the question has been discussed of the appropriateness of investing a group of powers with the authority to deal with domestic questions, not questions arising under treaties by which parties have limited their rights, but with questions within the competency of a nation as to which it has not limited its rights. The sentiment of this country would not tolerate the submission of such questions which pertain to our own policy, to the determination of any group of powers. It would not tolerate the making of an agreement for such submission. We would not be willing to enter any organization through which a group of powers would be in a position to intervene or attempt to determine our policies for us.

TURKEY THREATENS BRITAIN

Says If English Act On Frontier They Must Bear Blame.

Geneva—Accusing Great Britain of ignoring League of Nations' decisions, Ismet Pasha, Turkish premier and foreign minister, has telegraphed the League that if British troops commit acts of aggression on the frontier between Turkey and Iraq, England must bear the entire responsibility.

The telegram shows that the Mosul dispute is still far from settlement. At the last meeting of the council, both Great Britain and Turkey agreed to the appointment of an arbitral committee of three which would collect all the information on the Mosul question. Both countries also agreed to accept any decision concerning the Iraq-Turkish frontier which the council might pronounce. The arbitral committee has not yet been appointed.

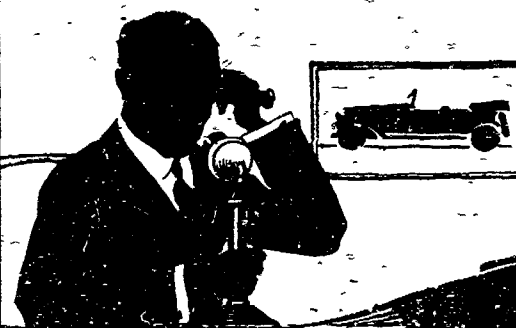

The difficulty arises from the failure of Great Britain and Turkey to agree on what constitutes a status quo frontier.

BRITISH LABOR CABINET FALLS

MacDonald Quits Premiership After Receiving Vote of Censure.

London—Following the government's defeat in the House of Commons last week, King George assented to and dissolved parliament by proclamation.

The Labor Cabinet of Prime Minister MacDonald fell when the Prime Minister announced in the house during a debate of the Conservative motion of censure and the Liberal amendment dealing with the government's withdrawal of sedition charges against the editor of the Communist publication that the government would resign if the house passed either the motion or the amendment. The amendment was adopted 364 to 158. A general election has been called for Oct. 29.

WHAT ADVERTISING COSTS.

An article in the current issue of Popular Finance gives an interesting insight into the "fabulous" sums received via the advertising department by various national magazines.

Good Housekeeping charges \$2,500 for a page in one color, one insertion. The advertising revenue from a recent issue totaled \$411,600.

The Woman's Home Companion charges \$5,800 a page for its advertising space. A single number netted \$523,600.

The Ladies' Home Journal receives \$8,000 a page for advertising—in one color. The April issue figured up \$936,900.

Pictorial Review received \$9,000 per page. Sixty-nine pages in the April issue netted \$621,000.

A page in the Saturday Evening Post sells for \$3,000. The revenue from the issue of March 24 was \$966,000.

The twelve magazines analyzed in the Popular Finance article, including the ones mentioned here, represented a total circulation of 17,150,000 copies per issue. Their annual advertising revenue is \$38,245,000.

Mauritania Lowers Atlantic Record.
Plymouth, Eng.—The Cunard line steamer, Mauritania, has again lowered her trans-Atlantic record, reaching Plymouth from New York in 4 days, 21 hours, 57 minutes.

Warehouse Burns—Loss \$1,000,000.
Port Costa, Cal.—The huge grain warehouse of the California Warehouse company, containing 47,000 tons of grain, was completely destroyed by fire with a loss that is expected to run into a million dollars.

Threshers Use Electric Power.
Red Wing, Minn.—What is believed to be the first threshing done electrically in the United States was completed at the Goodhue County pool farm. A motor was attached to the separator and wires from the power line were run into the field. Threshing was almost noiseless.

Clothesline Saves Life of Boy
Detroit—A taut clothesline saved 4-year-old Bobby Wilson from death or serious injury. He was cleaning against a second-story screen in his home. The screen gave way and he rolled off a sloping roof and dropped to the ground. But the clothesline broke his fall and he incurred only bruises.

French Tax Revenues Increased.
Paris—Tax returns for August amounted to 1,738,000,000 francs exceeding by 264,000,000 francs the receipts for August of last year. The total was 68,000,000 francs more than the budgetary estimates. The increase in receipts for the first eight months of the year exceeds 3,470,000,000 francs.

American to Form Reparations Bank
Paris—Henry M. Robinson, of Los Angeles, and of the Dawes committee experts, has consented to represent Owen D. Young, temporary agent general for reparations payments in the organization of the industrial and debenture commissions and of the German bank of issue under the Dawes reparations plan.

Sky Reproduced in German Museum
Munich, Germany—The "starry vault of heaven," with every constellation known to man moving in its celestial orbits, has been reproduced within the cupola of the newly erected German museum by means of a large orrery. Forty-one projecting cameras used to reconstruct the intricate movements of the heavenly bodies.

Cost of Food Products Increase.
Washington—Wholesale prices of 404 commodities continued their upward swing in August, due chiefly to the continued increase in prices of farm products and foods. Figures made public by the Bureau of Labor Statistics of the Labor Department showed an advance in the weighted index from 147 for July to 149.7 for August.

Court Bars Klan Roster.
Buffalo, N. Y.—Justice Charles A. Pooley, in Supreme Court, has ruled that alleged Ku Klux Klan membership cards, in possession of the police, constitute a public record and may be examined and copied by any citizen. The court issued an order directing the police to permit an attorney applying for a mandamus order to examine the cards.

Ford Buys New England Landmark.
Manchester, N. H.—Another of New England's old landmarks has passed into the hands of Henry Ford, this time the "old Burgham place" at East Derry. The house was built about 1740. He was attracted by the paneled stairway. The house has been taken down, and is being removed to the Wayside Inn at Sudbury, Mass. Even the wrought iron nails have been salvaged.

Neighbor Finds and Returns \$4,200
Beacon, N. J.—Mrs. Martin Conway's husband died leaving the family in want, and Mrs. Conway was forced to sell her possessions one by one to avoid eviction. She gave an old stove to Jay Deeb, who discovered a bag of coins hidden away in an oven. Deeb returned the bag which contained \$4,200. Her husband had died suddenly without chance to reveal the hiding place of his savings.

Clock Hand Weighs 2,200 Pounds
Thomaston, Conn.—A minute hand which weighs 2,200 pounds and which will travel 157 feet an hour, is one of the parts in a clock, said to be the largest in the world, has been completed and shipped from here. The hands were placed on a flat car. The clock will surmount an advertising sign near New York city. In the mid ages monks built a clock at Mechlin Belgium which has a face 40 feet across with one hand. This has been the world's largest clock.

REGISTRATION NOTICE.

To the Qualified Electors of the Village of Northville, (Precinct No. 1), State of Michigan:

Notice is hereby given that in conformity with Act 126, Public Acts of 1917, the undersigned Village Clerk, will, upon any date except Sunday and a legal holiday, or the day of any regular or special election or official primary election, receive for registration the name of any legal voter in said Village not already registered who may apply to me personally for such registration, or who may make application for registration by mail or messenger, as provided by Act 7, Public Acts of 1919, except that I can receive no names for registration during the time intervening between the Second Saturday before the general or special election or official primary election and the day of such election October 23, 1924—Last Day for Special Registration for Election Nov. 4th.

All electors not already registered and intending to vote at said election, should make application to me on or before the 25th day of October, A. D. 1924.

Notice is further hereby given that I will be at the Village Hall, Northville, state of Michigan, on **OCTOBER 11 and OCTOBER 18, 1924**, from 8 o'clock a. m. to 8 o'clock p. m. on each of said days for the purpose of reviewing the Registration and Registering such of the qualified electors in said Village as shall appear and apply therefor.

REGISTRATION OF ABSENTEE BY OATH.

If any person whose name is not registered shall appear and claim the right to vote at any election, and shall under oath state that he or she is a resident of such precinct and has resided in the Village TWENTY DAYS next preceding such election, he or she shall be permitted to vote at such election, then the name of such person shall be registered and he or she shall then be permitted to vote at such election. If such applicant shall in said manner, wilfully make any false statement, he or she shall be deemed guilty of perjury and upon conviction, be subject to the pains and penalties thereof.

Registration by Mail or Messenger
Under Act No. 7, Public Acts of 1919, the privilege of Absent Voters is extended to include registration. Upon compliance with this act registration can be secured by mail without personal appearance. An affidavit similar to the following must be made: State of Michigan, County of _____, I, _____, being duly sworn, depose and say that he is a duly qualified elector of the _____ Ward or Precinct of the Village of _____ in the _____ County of _____ and State of Michigan, that he is not now registered as an elector therein, and that he makes the affidavit for the purpose of procuring his registration as an elector in accordance with the statute.

Taken, subscribed and sworn to before me this _____ A. D. 1924. Signed _____ Notary Public. The time limit for registration by mail or messenger is the same as where personal application is made. Therefore the affidavit of an elector desiring to register by mail or messenger must be received by the Village Clerk not later than the SECOND Saturday preceding the Election.

NOTE—A blank form for making application for registration can be had by addressing the Village Clerk and giving name of Village above named.

Provisions in Case of Removal to Another Precinct.

Any registered and qualified voter who has Removed from One Precinct of a Village to another election precinct of the same Village shall have the right, on any day previous to election day, on application to the Village Clerk, to have his or her name transferred from the registration book of the precinct from which he or she then resides. Such elector shall have the right to have such transfer made On Election Day by obtaining from the board of inspectors of election of the precinct from which he or she has Removed a Certificate of Transfer and presenting the said certificate to the Board of Election Inspectors of the Precinct in which he or she then resides.

AUTOMOBILE TOLL OF LIVES.

Fourteen hundred killed in one disaster would shock the nation, yet approximately that number, 1,393 to be exact, met death during the first eight months of this year in New York state alone through automobile accidents, without exciting any particular attention.

While medicine and surgery are working wonders in the saving of human life, the grim toll of the automobile mounts higher and higher each year.

Most of this terrible sacrifice is entirely unnecessary, being caused by reckless or incompetent drivers. The pity of it is that so many of the victims are merely passengers in the wrecked cars, killed and maimed through no fault of their own.

If irresponsible speed maniacs destroyed only themselves, there would be less cause for grief, but unhappily they often escape, while helpless victims pay with their lives for the folly of these criminally careless drivers.

VOTE ON THREE AMENDMENTS.

There will be three and possibly four proposed constitutional amendments to be submitted to the voters of Michigan at the general election November 4th. The present outstanding amendment is the one which would provide a state income tax, exempting incomes of less than \$4,000 a year.

Although the Michigan State Grange sponsored and pushed forward the income tax amendment there is now a concerted campaign on by farm organizations to put this measure across. The intortory petitions which placed this proposal on the ballot were circulated and signed generally in rural sections throughout the state. The \$4,000 exemption is expected to bring much support which was lacking in the previous campaign. From \$4,000 up the tax on incomes would be graduated, reaching 10% on all incomes of \$100,000 and over.

The other two proposed constitutional amendments are the one generally known as the anti-parochial school movement, and the Corliss plan for changing reappointment in the state legislature.

The Corliss amendment would take from the legislature its time honored power of having legislative reappointments at specified intervals of time, and would place that power in the hands of a special commission composed of elective state officials to arrange all legislative districts for both house and senate every eight years. This would be composed of the secretary of state, the attorney general and the lieutenant governor.

CONSTANCE BINNEY COMING AGAIN IN "SWEET LITTLE DEVIL."

Welcome news for every theatre-goer in Detroit and surrounding territory is the announcement made by the Garrick Theatre that for one week beginning next Sunday evening Constance Binney will return to that playhouse to present once more her big New York musical comedy success, "Sweet Little Devil."

Some weeks ago Miss Binney came to Detroit in this gay and melodious frivolity and broke all records for attendance, laughter and applause. Hundreds were unable to secure seats at every performance and although every effort was made to extend the engagement at the time, the company had contracts in other cities which could not be cancelled. Since then however, a change in the bookings has made it possible for Miss Binney to return to Detroit for a week, and thousands will be made happy by an opportunity to see "Sweet Little Devil" in all its original excellence. Speaking of the star of "Sweet Little Devil" the Free Press said: "It is a shame to have wasted such marvelous grace and charm as are possessed by Miss Binney on the films. Only by seeing her in person can one appreciate her vivaciousness, her cleverness and her magnetic personality." and the Times of the same date said: "If Detroit will get many more musical comedies like 'Sweet Little Devil' the theatrical season will indeed be a happy one."

The show is coming here in the identical shape in which it was seen here before, with the company intact from star to the tiniest maid in the beauty chorus.

Wednesday and Saturday matinees will be given.

MEMORIAL SERVICES HELD FOR BOY SCOUT.

Memorial services for Ward Frazier the Boy Scout, who accidentally shot and killed himself in Northville two weeks ago Sunday, were held Sunday evening at Whitefield Methodist church, Tireman and Begole avenues, and were attended by the church troop of Scouts and also the boys of the Sunday school classes. Rev. J. A. Yeoman spoke of the tragic death of young Frazier and the lessons to be learned from it. At the close of the service the Boy Scouts gave their own benediction, "May the God of all good scouts be with you till we meet again."—Detroit Press Press.

PEAN STATE POTATO SHOW FOR FEBRUARY.

Announcement that the Michigan State Potato Show, held a year ago in Grand Rapids, will be staged at East Lansing during the annual Farmers Week at N. A. C., February 2 to 6 this year, has just been made by H. C. Moore, secretary of the state Potato Producers Association and extension specialist at the college.

A long list of prizes is being offered for the show, which will be expected to break all Michigan records for number of entries and quality of product shown.

Potatoes for exhibits should be selected at digging time, according to Moore, who has issued instructions for preparing exhibits along with his announcement of the show.

"Select potatoes for exhibits at digging time, doing the work on a clear, cool day when the soil is comparatively dry," says Mr. Moore, in discussing the selection of showstock. "Show potatoes should not be harvested until they are well matured."

"Dig the potatoes by hand, taking care not to bruise or break the skins. The potatoes should be true to type, smooth, bright in color, and should average seven to nine ounces each, for early varieties such as Early Ohio and Irish Cobblers, or eight to ten ounces each for late varieties such as Russet Rural, White Rural and Green Mountain. Remember that uniformity in size, shape and color are very important."

**Remington Sportsmen's Week—in Your Store—in Your Town—the Country Over—October 13th to 18th**

NOW that the hunting season is coming on, there's a lot of pleasure in anticipation—fun in getting ready for it.

That's why your dealer and Remington are co-operating to give you Remington Sportsmen's Week—a chance for you to see what's what for hunting, camping and trapping.

And the show is not held in New York, nor off in Chicago, but right in your store, in your town.

So drop in, chat with your dealer. He likes to talk hunting, too.

Take time to look things over—not just the Remington exhibit, but the hunting coats, cooking and camping outfit,

fits, auto kits, and so on. Why, there's a thrill in just seeing and handling all the outdoor equipment!

And here are some of the things you'll see in his Remington exhibit:

- New Improved Model 10 Pump Gun.
- Remington Game Loads.
- Remington Rifles and Metallic Cartridges.
- And the Remington Knives for Sportsmen.

CHILDREN ENTER LIGHTING CONTEST

School children from the fourth grade up in the schools of Northville, Farmington, Plymouth, South Lyon, Wixom, Walled Lake, Novi, Salem and New Hudson have already entered the Home Lighting Contest which was started a few days ago by the Detroit Edison Company, which is a part of the lighting educational committee of New York City and the international better lighting activity.

Each child who entered the contest was given a Home Lighting Primer which is the basis on which the contest is being conducted. The child must first read the lessons on lighting in the primer before starting to work on his contribution to the contest. He then visits two of his friends' homes and marks on a table in the primer the kind and amount of lighting that he finds there. On the same table he does likewise for his own home.

Next he must cut pictures of lighting fixtures out of two of the pages of the primer and place them in what he thinks are their proper places on pictures of the various rooms of the house that he likewise finds in the primer. The next and last thing that he must do is to write a 600 word

essay on how to re-light his own home better.

The completed primers and essays are submitted to the local judges who will be named later.

These judges will then pick the winners from among all that are submitted and award the prizes.

The essays and primers of these winners will then be sent to New York, where the international judges will review them, together with the winning efforts from the United States and Canada, and award the first prize of a \$15,000 home and ten scholarships.

ROSILLE ARMSTRONG

The marriage of Miss Frances Armstrong of Walled Lake and Leslie Roselle of Clio was solemnized on October 11th, at the home of the bride's sister, Mrs. Hazen Race of Ferndale. The young people were attended by Helen Race, a sister of the bride, and Arthur Roselle, the groom's brother.

Mr and Mrs Roselle left at once for Florida, where they expect to remain for the winter. They have the best wishes of their many friends.

Attend the school meeting Monday night.

LOCAL

Bruce Knowles, who is attending Alma College, spent the week-end at home.

Mrs. Ida McBride of Chesaning is spending several days visiting friends and relatives here.

Mrs. Nettie Hibbard writes: The Record from her home at Laingsburg that she has been very ill.

Mr. and Mrs. C. R. Ely spent the week-end at Northville lodge at Mio, returning home Monday.

F. P. Simmons & Son sold more than 400 gallons of their sweet cider at their farm on Sunday.

Northville Commandery, Knights Templar, will attend services at the Presbyterian church Sunday morning at 10.30.

Word comes that Edward Bogart, a Grand Rapids has been quite ill in a hospital in that city, undergoing a serious operation.

C. R. Horton of the Retail drug store will have another one cent sale next week. Read his announcement in today's Record.

The Plymouth Fire department will give their annual dancing party at the Pommah-Alten auditorium Saturday evening, October 25th.

Congressman Grant M. Hudson will be the guest of the Northville Exchange Club next Wednesday and will address the members after luncheon.

The King's Daughters fall spread will be held at the home of Mrs. E. E. Brown on Tuesday next at 5.30. Members are requested to bring the usual dishes.

A small crowd attended the motor cycle races last Saturday. J. A. Palmer of Battle Creek had the pleasure of defeating C. L. Squibbs by a close margin.

Mrs. A. L. Vradenburg entertained a few ladies at a delightfully appointed luncheon on Thursday, the affair having been planned in honor of Mrs. G. W. Perkins.

Mr. and Mrs. J. A. Boyle, who have spent the summer here, left the first of the week for Berkeley, Calif., where they will spend the winter with their daughters.

Mrs. Helen Ball has returned from a visit with friends and relatives at Vassar and Grand Haven. She is now located pleasantly in a part of her house on East Main street.

The case of the People vs. Albert Wilson was again postponed from Tuesday afternoon until Thursday, on account of the inability of the prosecuting attorney to be present.

Members of Orient Chapter, O. E. S., are reminded of the regular meeting this Friday evening. Report of the Grand Chapter held at Grand Rapids last week and refreshments are on the program.

Miss Gertrude Stacey of Salem, and Leo Heitz of Northville were married in Ann Arbor Saturday, October 12th. They have the best wishes of many friends for a long and happy life. Plymouth, Mich.

Walter E. Cook, who formerly conducted an electric supply shop in Northville, was married Sept. 13 to Miss William Durling at Wadsworth, Mich. Mr. Cook is now general manager of the Wadsworth Electric Co.

The installation of officers of L. O. T. M. will take place next Monday evening, October 20th. All members are requested to arrive one day as guest for dinner at 6.00 o'clock.

Gertrude to come at 7.30 o'clock. The installation followed by a dance.

The statements of Northville's two strong banks which appear in to-days Record will make interesting reading. The deposits have increased to the amount of nearly \$45,000 since the last statement was published in June. The combined resources amounts to \$2,197,951.19.

The third meeting of the Northville Woman's club will be held today at the usual hour. The two former meetings have been very successful and enjoyable ones with a good attendance and it is hoped the members will acquire "the habit" of being present at all meetings.

There is a growing sentiment among the people of the state that in order to avoid additional tax burdens and future constitutional entanglements it will be a good plan to vote against all of the proposed amendments to be submitted to the voters of Michigan on November 4th.

Somes splendid work has been done on the village streets during the past few weeks under the supervision of Trustee C. S. Filkins. It is to be regretted that the good work must be discontinued until next spring owing to lack of funds. The streets that have been improved have been placed in exceptionally good condition, and others will be similarly improved next season.

Mrs. Albert Pratt recently entertained a number of friends in honor of the birthday anniversary of her sister, Mrs. Frank Pratt. Covers were laid for twelve and a beautiful pyramid cake adorned the center of the table. Four courses were served and the dinner was all that could have been desired. The house was decorated with autumn leaves and flowers. As the guests took their leave all wished Mrs. Pratt many happy birthdays.

Mrs. Susie Sealey of Detroit, spent a few days last week with Mr. and Mrs. John Bauman.

Mr. and Mrs. James Clark visited at the home of Mrs. Clark's brother, at Worden a part of last week.

Oscar Hammond attended the Sixth district convention of the American Legion held at Lansing last Friday.

Mr. and Mrs. Nelson and Mrs. Glen of Wheatley, Ont., spent the week-end with Mr. and Mrs. John Bauman.

Mr. and Mrs. Werner and daughter, Olga, and Bert Clark of Detroit were visitors at the home of Mr. and Mrs. James Clark, Sunday.

Mrs. William Richards attended the national convention of the W. C. T. U. which was held in Detroit last week as a representative of the local union.

E. H. Lapham, Carl Bryan and A. J. Helfrich had a close-up view of the Prince of Wales in Detroit on Tuesday when the distinguished Englishman was paying a visit to the Ford Motor company plant at Highland Park.

NORTHVILLE'S GRENAN CAKES. It took the Grennan Cakes, World's champion amateurs, practically nine innings last Sunday to claim a complete victory against the Northville Foresters. It was a real ball game and fully undecided up to the last inning. The score was three to two during the exciting eight innings that the 1000 spectators watched with only a guess as to what the outcome of the game would be.

Both teams played excellent ball but considerate fans from Northville, at least, claim the visitors had the breaks, which means plenty in a close contest. However, the visiting pitcher held his opponents to fewer hits and his club played almost errorless ball and deserved to win. But that is not all. The same two teams will again play at Northville Sunday as the requesting base ball fans from this community still believe that Northville is equal to the fast Grennan Cakes.

A record of some kind must have been made in the last game when it required fourteen pitched balls to retire Fink of the Grennans in one inning. The first ball pitched was a strike and the next three pitched were balls. Fink fouled off the next nine and then struck out on the next in all fourteen balls were delivered. This was tough on the pitcher but still tough for the batter to whiff away at so many and then strike out.

Pitcher Germano and Batter Fink battling hard to win their point could not help but smile at each other during this endurance contest of pitching and batting.

The visiting Grennans are clean players and the Northville boys met their defeat nobly. They wished to come back to our village for another game and our local team will accommodate them at 2.30 Sunday.

It surprises most women when they learn that the EASY washes 10 single sheets or 8 double sheets at one time—or the equivalent in other clothes. This large capacity means a fewer number of tubful for the average family washing—and material saving in time and energy. The capacity of the EASY is, of course, adjustable so that a smaller amount of clothing can be washed just as well. We'll be glad to show you how much time the EASY will save in doing your own family washing.

Are Boys People?

More time and money go into the selection of a great many dog collars than into the average boy's suit. No effort is spared to keep sister Constance looking like a little princess; but almost anything seems good enough for Dad's and Mother's boy. Isn't it about time to stop joking about his appearance and instead to buy him a suit that isn't a joke? Mothers who are used to saying it doesn't pay to buy a boy a good suit will be delighted to learn here: First, that good clothes not only wear longer and keep a boy looking neat and respectable as he wears them. Secondly, they're not necessarily expensive.

Michigan Happenings

A hearing on the contention of Upper Peninsula copper interests that intra-state rates are excessive and at just has been held before the State Public Utilities Commission. According to the petition for an investigation and revision of tariffs on all the Michigan railroads carrying copper the Upper Peninsula industry is severely handicapped in attempting to meet outside competition in the markets of its own state. It is claimed that copper can be shipped from Ohio to Detroit cheaper than it can be transported from copper producing points in the Upper Peninsula.

Five suits totaling \$125,000, and based on the four deaths which resulted when a section of the chimney atop the Charlevoix hotel at Detroit, tipped, crumbled and fell 10 floors to the street July 31 killing four people were filed by Ernest L. Morey Sr., as administrator of the estates of those who were killed. The Moreys and Lehigh were in an automobile on West Elizabeth street on their way to Belle Isle when the heavy steel and iron chimney crashed down smashing the car, its occupants and a flag, but one of the occupants.

The increase in interstate freight rates on beet sugar has been postponed until Nov. 8, the Interstate Commerce Commission has advised the Michigan Public Utilities Commission. An order to increase the Michigan rate was issued by the federal commission after an investigation. Protests on the part of Michigan manufacturers resulted in the postponement which will permit them to handle this year's crop at the lower rate.

Orville Arkinson was instantly killed when a stream of bullets from the upper windows of the Federal building in Oklahoma City, Oct. 10, fell on him and his car. Arkinson was a member of the Oklahoma National Guard and was on duty at the time of the attack. He was killed by a bullet from the window of the building which was being shelled by the federal forces.

Dr. P. C. L. of the medical school at the University of Michigan has been named executive head of the department of medicine, in place of the faculty of the school. Dr. L. will take over the department in the absence of Dr. Louis M. Wainwright, who has been named a leave of absence until Jan. 1, 1925.

To reduce the burden on the Southern Michigan Telephone Co., which is in the hands of a receiver, the state administrative board has granted a permission to pay about \$72,000 in back taxes in installments. The levy for 1925 amounting to about \$18,000 will be paid at once and the rest will be spread out in payments of \$1,000 a month.

Surveys to establish the route of the pipe line from the DeWittville woods to the Clare district to bring Saginaw's new water supply to the city will be started soon it has been announced. The pipe line from the woods to the city is about 12 miles but it is probable that the crossing between will be built much nearer Saginaw.

An anonymous donor has already made three \$10,000 gifts toward the erection of the boys dormitory at Calvin college at Grand Rapids, has presented another similar donation. The building is just being completed at a cost of \$150,000. This donor already has presented several thousand dollars in addition toward dormitory expense.

Henry Hawkins 52 year old of Saginaw, died of injuries suffered when his automobile skidded after blowing out a tire and threw him to the pavement. He was the father of Harry Hawkins a student at the University of Michigan and candidate for the foot ball team.

Mace Hanson 15 year old Lansing high school boy, died of injuries suffered when he was shot by a friend Roland A. Foote as the two boys were hunting about four miles north of the city. Foote in a statement to the police, said the gun went off as he was handing it to Hanson.

Michigan graduates will gather at noon, October 28, at the Hotel Statler, Detroit, for the first of a series of seven alumni meetings to be held throughout the state this fall, Hawley Tapping, alumni secretary, has announced.

Ray McDonald, 7 years old, of Harbor Springs, was struck by an automobile driven by Fred Gasco and killed. Gasco is under arrest. It is charged that he did not stop his automobile after striking the child.

A recent canvass of Albion's local chamber of commerce, bore fruit when 15 alien residents went to Marshall in a body and were examined in circuit court for their first naturalization papers. Six nationalities were represented in the 15.

Honor to Dead Soldier

The War department says when a soldier is buried the following is the procedure: The body is lowered into the grave as the priest or minister reads a short service. Usually music is played or a hymn is sung. A bugle then sounds taps, after which a firing squad fires three rounds over the grave. The guns are pointed upward, in no particular direction. After the funeral party leaves the cemetery the ceremonial firing closes the grave.

How Easy the Public!

Is it not notorious how small a fraction of society takes any interest in the conduct of public affairs? how important trades union issues, such as a strike, are left to be determined by a handful of the men who are vitally concerned? how great a part is played by catch-phrases and relative's unimportant local issues in our political elections? The Right Hon. Herbert Fisher in the House of Commons.

ANATOLE FRANCE PASSES AWAY

Noted French Writer Dies After a Lingering Illness.

Tours, France - Anatole France, 80 years old, a great French writer, is dead, after a lingering illness.

In the passing of Anatole France, there is lost to France and to the whole world the genius of a man who as interpreter of the French spirit during the last 50 years, has been without a rival. He wrote for France, but the whole world read him, and united in commending him in heartfelt phrases on the occasion of his eightieth birthday, April 16, 1924.

France was a great French literary master, yet he was a very human man, given to gossip, serious about small things, light hearted about weighty matters, tolerant, kindly and just, and a most charming conversationalist. Thus he came to be called "le bon maitre" by his friends.

THE BELLS OF RIVERSIDE

It has been said that our everyday life is largely fixed by the sound of bells of one kind or another, but it is true that Mr. Frank Miller of Riverside, Cal., who had a hobby of collecting bells, to assemble the largest collection of bells on earth.

Each bell has a history of interest and romance. Among the noteworthy in this collection of approximately 450 bells are:

A bronze bell, of graceful lines, dated 1792, which hung in the tower of the New Orleans cathedral and later, by a peculiar turn of fate, served on the gall in the same city. A goat bell of pleasing tone, the only one of its kind, found in the Swiss, Italian or French Alps, thought to be more than one hundred years old. A church bell dated 1770, which, no one knows how long, served the master of a castle in Scotland. A facsimile of "Big Ben," the largest clock-tower bell in the world, which hangs in the tower of the house of parliament in London. An iron house bell from Norway—thought to have been made about 1750. A bronze gong said to be more than a century old, which came from a temple in China. A bronze bell which belonged to a ship that sailed from Boston in 1775. The ship was wrecked, but after being at the bottom of the ocean for almost 100 years, the bell was recovered. The town of Bell, which awakened the good people of Bedford, Mass., the night on which the patriot Paul Revere, made his famous ride. An ancient, acorn-shaped dog bell from China. A gong from Borneo, used in native war dances. An old-fashioned Roman bell which was unearthed in the ruins of Herod's palace at Ascalon. An antiquated, cup-shaped bell from Mexico—that sacred city of Ma-homet in Arabia. An ornamental brass Roman cow bell inscribed in Latin. Paul Third Most Holy Supreme Pontiff indicating ownership by a pope who died in 1549. A bell, cracked and chipped, carrying an inscription showing the date of manufacture to have been the year 1247, said to be the oldest dated bell known and to have been made or used in Spain. This bell was in existence 243 years before Columbus discovered America.

And last but by no means the least, the forefather of the bell family, a "clink stone" which suspended from a rope, and struck with a mallet, gives off a ringing sound. The "clink stone" was the earliest form of bell known. It was used it is thought as early as 600 B. C.

Crime or Jest?

Not long ago a small box with an insufficient address was put up at an English post office. The address could not be found and was opened and disclosed a parcel of bones, established to be human. The mystery was never cleared up. What crime it shrouded or whether it is a joke on the part of some human student, must be left to conjecture.

Wood From Cobs

A good substitute for wood is said to have been made from corn cobs. The cobs are ground into a pulp, mixed with a substance that binds the product together and compacted by powerful hydraulic pressure. When the process is finished, it is said the wood is so hard that it can be whittled, shaved or turned in a lathe without danger of chipping.

Money in Unsealed Packets

The implicit faith of the public in the honesty of the post office is shown by the huge sums of money sent through this channel. One ordinary business letter, not struck down, was found recently to contain a negotiable check for half a million. Frequently bank's, and even private people, send unsealed letters with checks running into four and even five figures.

Northville School Notes.

The present crowded condition of our High school is, no doubt, very much of a surprise to many people. Eight years ago the present building was built and at that time many people thought it was altogether too large.

We are now faced with inadequate quarters and are, therefore, compelled to ask the people of this community for additional funds in order that a two-room portable building may be secured. The \$5,000 asked for will take care of the building and equipment, and when it has served its purpose it can be salvaged for a good sum. The equipment can always be used and the building can be sold at a fair price.

The actual cost after salvaging for two years would not exceed the amount which it would take to rent a two-room building. Within the last few years the school enrollment has increased from three hundred to its present enrollment of six hundred and ten pupils. Within the past four years the grades have increased 42%. What does this mean? It means a larger Northville and in order that we may continue to attract to our village the best class of citizenship it is up to us to maintain a strictly high-class school that is not over-crowded and that offers to your boy and your girl a full day's session, an adequate teaching staff, proper equipment and the very best sanitary conditions.

Northville has no apology to offer for its school system. We maintain that it is one of the finest schools in the state but it is up to this community to prepare for the future, keeping our school in step with its progress in order that the children may go out into this great world of competition on an equal footing with those from other places.

IMPROVING OLD LANDMARK.

The work of moving the old Boston hotel at Clarencetown to a point somewhat back of its present location on Grand River road is progressing rapidly and Henry Ford who recently purchased the farm on which it stands can be seen there nearly every day supervising the work. The building will be placed on a new foundation, but no changes will be made in its design or interior arrangements. The great ball room, the scene of many brilliant social gatherings in early days will be kept intact. The building will be surrounded by spacious grounds with walks and drives, and ornamental shrubbery. Farmington Enterprise

Ancient Pedigree

A silver penny struck during the reign of E. Harold II., the Unready, 979-1016, at Sudbury, England, where at that time there was a royal mint, has been presented to the borough by the town clerk. It passed into his possession several years ago, and he has ascertained on high authority that it is genuine. The coin has been deposited in the borough technical institute.

PROSPERITY CONDITIONS ARE ASSURED.

The rebuilding of Europe goes slowly forward. Miracles do not happen in the economic world, and processes of reconstruction go slower than those of destruction.

Ever since the national conventions were held there has been a steady advance toward normal prosperity, in the great fields of farming, building and production in mine and factory.

The slow uphill climb to pre-war prosperity, not the hectic inflation standards of war times, is constant in our country, and is spreading to Europe. The movement is on to stay.

Never has a Presidential election year felt so little disturbance, as 1924. All must admit that time-tried business principles are sounder than untried political theories.

The real issue of this campaign is Calvin Coolidge, president. Political "bank" is being preached in opposition to his policies, but the people will decide for themselves on November 4th.

TAKE NOTICE.

All those owing the late Dr. Wm. G. Johnson are requested to meet at the Laplam State Savings Bank and settle their accounts. All accounts not paid within a reasonable time will be placed in the hands of a collector.
