"THREE WEEKS"

A story that will live forever! Elinor Glyn's renowned romance is one of the deathless classics of humanity. The world has read this great narrative of love and has made the book one of its cherished possessions. Now comes the picture vividly and beautifully done. You'll find it even more thrilling than the novel. With Conrad Nagel and Aileen Pringle.

Coming, Saturday, Nov. 15, "Merry-Go-Round"

### TO CELEBRATE NINETIETH ANNIVERSARY.

Next Sunday the Methodist church society of this village will celebrate the ninetieth anniversary of the erection of the first church in Northville and appropriate exercises will take place both at the morning and evening services. There will be special music and addresses will be given by Rev. W. H. Phelps, D. D., editor of the Michigan Christian Advocate, in the morning and by Rev. W. H. MacClellan, D. D., in the evening.

The evening service will be attended by the Masonic bodies of Northville—the O. E. S., Master Masons, Royal Arch Masons, and the Knights Templar, and all members are urged to be present at the Masonic Temple at seven o'clock sharp.

The other churches of the village will unite in the evening service and the occasion gives a promise of being one of great spiritual uplifts and enjoyment.

Ninety years is a long time, but who can estimate the value of the influence exerted by the little band of consecrated men and women who formed the first Methodist society in this community? Their sons and daughters have grown up under the stimulating and inspiring influences of the church they founded and their grand-children and their great-grand-children have been led to an appreciation of the higher and better things of life as a result of the sacrifices these Godly men and women made in the long ago.

The establishment of this church here so many years ago made Northville a better place in which to live and the influences of the church have touched the life of the community in countless ways. Without the influences of its churches Northville could never have become the delightful home-community it is today, for who would care to reside in a community where there were no church influences?

The Methodist church of today is enjoying a most satisfactory growth under the able pastorate of Rev. William Richards, who is now serving his third year. All the various societies of the church are prosperous and a fine spirit of co-operation and helpfulness is manifested in all its activities, and those who are directing the affairs of the society at the present time, can look back over the years with a great deal of pride and satisfaction, and may well congratulate themselves that their church has played such an important part in the up-building and development of the spiritual well-being of the community it has served so long and so efficiently.

### MASONS TO GATHER TUESDAY NIGHT.

To fittingly commemorate the 187th anniversary of the day upon which the A. F. & A. M. degree of Masonry was conferred upon George Washington, all Master Masons are urged to meet at their respective halls on Tuesday next, when appropriate exercises will be given. Next Tuesday night is the regular meeting of Northville Commandery and it has been arranged to have the meeting in honor of the illustrious Washington follow the work of the Templars. Brothers F. P. Knowles and William Richards will give suitable addresses upon Washington, and all Master Masons are urged to be present at the hall about 8:30.

Election returns will be one of the features of the evening's entertainment.

### POPULAR YOUNG PEOPLE MARRIED.

Last week Wednesday Lloyd M. German and Miss Helen Vanatta slipped quietly away from their friends and motored over to the parsonage at Salem where they were united in matrimony by Rev. Stroh.

Returning to the village they at once began housekeeping in the Barnhart residence on Wing street, near the library.

Mr. and Mrs. German are graduates from the Northville High school and were school day lovers and many friends in this section will join The Record in extending hearty and sincere congratulations.

### OBITUARY.

The funeral services of Mrs. Esther Johnson were held last Friday, Oct. 24th, on the Rockwell farm, Base Line road, where the family were tenants in a house belonging to the estate. Rev. Wm. Richards conducted the funeral services at the home. The body was placed in the Oak Hill cemetery vault waiting burial later. Only the immediate family were present as they were strangers to the community.

TRY Northville first.

### WILL VOTE ON ANNEXATION.

When the voters of the township of Novi and the village of Northville go to the polls next Tuesday they will find two sets of election officials on duty. One lot of officials will conduct the general election while the other will conduct the election for the annexation of certain lands now lying in Novi township to the village of Northville. For the general election you will be given a large ballot containing all the names of the candidates, national, state and county, together with a ballot containing the proposed constitutional amendments. For the annexation you will receive a small ballot which will afford you an opportunity to vote for or against the proposition.

The annexation question will not concern the electors of Northville township, because the property will be annexed to the village only. If the property comprising the Oakwood subdivision, some 50 acres, is taken into the village, the tax roll of the village will be increased upwards of \$100,000, and as more residences are erected there the amount will be increased from year to year. About a dozen houses have been erected there during the past two seasons and more will be added next year.

### NEXT TUESDAY WILL BE ELECTION DAY.

Next Tuesday will be election day throughout the country, and upon that day every loyal, liberty-loving citizen ought to go to the polls and exercise their God-given privilege, that of choosing the men who are to guide the destinies of the county, the state and the nation. Citizenship brings its duties and responsibilities and the one great duty is to vote. Do not remain at home and then complain about how political affairs are being managed because some one is going to manage the political affairs of your county, your state and your country. If the responsible, intelligent men and women do not elect competent officials they have no right to complain if the boot-leggers and rum-runners, the Debs and I. W. W.'s, put their men in office. Next Tuesday will call every good citizen to the colors. It will be Coolidge or Davis or La Follette and Debs. Under whose leadership do you prefer to march during the next four years?

### DEATH OF RICHARD SHAW.

The long and useful life of Richard Shaw came to its close on the evening of Tuesday, October 21, at the home of his son, Clifford Shaw, west of Milford. While he had been ailing for some time, his final illness kept him to his bed but three days. The funeral is announced for Friday afternoon at 2 o'clock at the Shaw home and the burial will be at Novi.

Richard Shaw was for the greater part of his life of 82 years a resident of Novi township. His parents were Riley C. and Rebecca Rogers Shaw, who came into the township from New York in 1830. He was married in 1874 to Miss Julia Entrican, and since her death seventeen years ago he has shared the home of his only son, Clifford Shaw, and the last seven years have been spent near Milford. Two brothers survive him, James and John Shaw of Northville, and two grandchildren, Irene and Riley Shaw.

### MR. AND MRS. GRANT STIMPSON INJURED IN AUTO CRASH.

Mr. and Mrs. Grant Stimpson of this village were injured last Sunday afternoon, when the automobile in which they were riding, and a fire department pumper collided at South University avenue and Church street, Ann Arbor.

Mr. Stimpson suffered several broken ribs in being thrown from the car. He was taken to St. Joseph's Mercy hospital in that city. Mrs. Stimpson, who sustained cuts and bruises, was able to return to her home following surgical attention. Mr. Stimpson is getting along nicely at this writing.—Plymouth Mail.

### FORD PRODUCTION INCREASING.

Ford Motor company production in the United States for September was 149,906 cars and trucks, an increase over August and a gain of 9,652 over July. Total domestic output for the nine months of the current year amounted to 1,412,930, an increase of 14,498 over the corresponding period a year ago.

The boys from Ferris Institute held the Detroit Junior College team to a score of 3-to-0 in last Saturday's game. Merritt Young was a member of the team and he visited at his home here over Friday night and Saturday

## SECRETARY H. C. WALLACE IS DEAD

DEATH IS CALLED BY TOXEMIA POISONING FOLLOWING OPERATION.

### FUNERAL HELD IN WHITE HOUSE

Burial At Des Moines—Marvin, Head of Weather Bureau, Named As Acting Official.

Washington—Henry C. Wallace, secretary of agriculture in the cabinet of Presidents Harding and Coolidge, died at Naval hospital here, the result of complications arising from an operation.

Death was directly due to toxemia poisoning.

A frequent sufferer from rheumatism, the secretary entered the hospital on Oct. 15 for an operation which his physicians believed would relieve his condition. His appendix and gall-bladder were removed, and he was on the road to recovery until the poison condition developed.

When informed of Secretary Wallace's death the President and Mrs. Coolidge extended the courtesies of the White House for the funeral services which were held in the East room Monday, Oct. 21. The body was taken to Des Moines. Secretary Wallace's home, for burial.

Government offices were closed by proclamation for four hours during the funeral services.

Administration of the affairs of the agriculture department has for the time been placed by the president in the hands of Dr. Charles F. Marvin, director of the United States weather bureau, in the absence of Assistant Secretary Howard M. Gore.

Wallace is the first cabinet officer to die in office since the death of Henry Payne, postmaster general during the first Roosevelt administration.

### FRENCH EVACUATE RUHR TOWNS

Leave Ports in Accordance With the London Agreement

Berlin—The French evacuated the river port of Kaiserslautern as a preliminary to evacuation of the Ruhr and Rhineland, in accordance with agreements reached at London. The French also evacuated Hammelburg harbor and Dortmund.

There is considerable speculation in allied military circles as to how far France would proceed with plans for partial evacuation of the Ruhr pending the outcome of the general election in Germany on Dec. 7. The French have been extremely cautious in their evacuation plans and greatly distrust the German nationalists, who may gain in the elections.

The French foreign office at Paris has published an interallied decree suppressing "allied" exploitation of Ruhr and Dusseldorf bridgehead gages mines and coke plants in accordance with the London protocol.

Also the decree authorizes German customs and forest licensing authorities to resume functioning immediate

### NAB SPRINGPORT BANK BANDIT

Police Round Up Gang That Staged Sensational \$70,000 Robbery.

Battle Creek, Mich.—Clare Avery, 28 years old, and Howard Welsh, 21 years old, arrested here as suspects in the looting of the Springport bank were identified by Allen Crawford, president of the institutions as two of the five men who locked him and four others in a vault and escaped with \$70,000 in negotiable securities. Avery and Welsh had been taken to Springport to face those individuals who had seen the gunmen in their daring coup of October 17.

The men were picked up here during a raid on underworld hangouts.

### ORE CARRIER SHAKES IN CRASH

Steamer E. A. S. Clarke Rammed By The B. F. Jones in Detroit River.

Detroit—The steamer E. A. S. Clarke, of the Pickands Mather fleet of Cleveland, one of the largest boats on the Great Lakes, sank in the middle of the Detroit river opposite the Great Lakes Engineering plant following a collision with the steamer B. F. Jones of the Jones & Laughlin fleet, also of Cleveland. The crews of both craft escaped without injury.

The Clarke is lying across the middle of the river, but boats can pass safely on both sides.

Flier Sets New Altitude Record.

Paris—The world's airplane altitude record of 11,145 meters (36,555 feet) made by the French aviator, Sad Lecointe, in October, 1923, has been eclipsed at Villacoublay by the French aviator, Callizo, who set the mark at 12,066 meters. This announcement was made after an official examination of the altitude registering instruments on Callizo's machine. The aviator had been training for three years in an endeavor to break the record.

### GUY C. FILKINS GIVES ORGAN RECITALS BY RADIODPHONE.

Guy C. Filkins, organist of Central Methodist Episcopal Church, assisted by Leobelle Hunt Fuller, first soprano of the Hudson quartet, gave the first of a series of Sunday afternoon recitals through WOX, the Free Press radio, Sunday, the 19th. Mr. Filkins recently returned from Paris, where he spent the summer studying under one of the world's greatest organists. Not only is he an excellent concert player, but during the two years that WOX has had connection with Central church he has made a most careful study of the organ as related to radio. In this study he has had the advice and co-operation of the WOX engineers until his recitals go out with almost faultless precision.

Both chimes and echo organ were used most effectively in several of the numbers on Sunday. His opening selection was the Allegro Maestoso from a sonata in D minor by West. He also played, Serenade (Vidor), Festal Postlude (Schmidts), Cathedral Shadaws (Mason), Cradle Song (Kreisler), Bonnian Reverie (Fletcher) and Rhapsody (Silver).

Mrs. Fuller's voice was lovely in Ave Maria (Schubert) and How Beautiful Is Upon The Mountain (Harter). Familiar to all the radio folk who hear her each Sunday, frequently as the soloist during the offertory, her voice has become known and liked throughout the country.

The second recital will be given the second Sunday in November and thereafter on alternate weeks. The church is open to those who have no radio sets. — Detroit Free Press.

### “THE FOOL” AT THE GARRICK THEATRE.

The Fool, Channing Pollock's masterful and stirring drama that made new theatrical history in Detroit by a continuous run of four weeks to absolute capacity, business last season will return for one week only at the Garrick theatre the week beginning Sunday night, Nov. 2nd.

To say it is a monumental success is not using hyperbole when speaking of "The Fool". It is one of the few extraordinary plays in more ways than one, that survive seldom and last long. Here is a drama that has taught people to think of life as it is, and how it may be bettered. People who own their own limousines and live servants at their elbows, and the other half of the world that can think too hard hard, that think of those motor cars and personal attendants, and wonders why they also cannot have them. The Fool seems to tell the prosperity half that they are living the wrong life, and explains why; and to the struggling other half he tells them how to improve their present conditions and loves them the very mediator between two differing factions aiming to harmonize both. Of himself he is but unstable but easily satisfied, his pleasure in life being to get down to the very bottom of the very worst in life and living those thereat by stats, until they can no longer believe. Just how far he goes in best told in the play. But never goes far enough.

"The Fool" played over 200 times in the last season, and broke all records for a drama duration.

### “AFTER ALIENATION DISCIPLES.”

Oakland County supervisors have adopted an order that prisoners held for failure to pay alimony be employed in highway construction, concrete block manufacture or other occupation from which the county will derive an income.

The local courts are attempting to enforce payment of alimony, and a monthly check is kept. If two months pass without payments, the offender is charged with contempt of court, which is punishable by a jail term of 30 or more days.

The following proclamation giving endorsement to the annual Red Cross roll call has been issued by Governor Alex J. Groesbeck:

"Once each year America is called upon to aid that great organization, the American Red Cross. That assistance will be required, nor the slightest sacrifice on the part of those who give has me and again I reiterate earn my blessing and decree. Never has there been a catastrophe or any part of the world since the organization of the Red Cross where this organization has failed in its purposes."

"Women and children made destitute by war, accident, calamities and natural disasters, have been given food, shelter, clothing and medical aid at times when, without this assistance, death would have been sure."

"Humanity will never know the countless blessings wrought by the work of the American Red Cross. Its great work should never be permitted to die."

The annual roll call for the pledges of Red Cross members comes between November 11 and 27. I therefore urgently request the newspapers and pastors of our state to give special mention to the thought of mercy, Christian charity and the importance of maintaining ours splendid Red Cross organization and thus instill a spirit that shall insure the success of the eighth annual roll call."

**BAPTIST CHURCH NOTES.**

On Monday evening a goodly number of our people met at the parsonage to bid farewell to some of our folks who have left for the south this week. Light refreshments were served in the church parlors.

Do you know how many kinds of fools the Bible speaks of? Come to church Sunday morning and see. After hearing this sermon you will decide that the fools of Bible times and the fools of today are very much the same.

We will have no services Sunday evening but will unite with the M. E. church to help them celebrate their 90th anniversary.

Twenty or more were present at prayer meeting last week. Let us beat the next Thursday. The life of our church depends largely on prayer. Be out next Thursday evening.

Read our ad.

**CHURCH OF CHRIST.**

(Disciple).

Quite an interest was shown last Sunday at our first Bible class meeting. There were thirty present. This is a fine opportunity for those interested in the New Testament teachings and we trust there will be a continued interest among the people of this community. Come out and bring a friend. You will receive a hearty welcome.

Remember the place at Lapham Library, Sunday, November 2nd. After Bible study Evangelist Hastings will deliver a short message, after which communion will be observed.

**PRESBYTERIAN CHURCH NOTES.**

In 1776 Presbyterianism was synonymous with patriotism and we trust it still is—vote Tuesday, your highest ideals.

There will be an important meeting of the men of the church Sunday afternoon at four o'clock in the parlors of the church.

The V. P. S. C. E. will have a special program and social hour Sunday evening at 6:30.

Mrs. Bryan's circle will meet next Wednesday at 2:30 p.m. at the home of Mrs. Durfee.

The midweek subject will be "First Attempts at Evangelism."

All our people are invited to attend the dedication and opening of the Delray Presbyterian Institute under the auspices of the board of church extension Thursday and Friday, November 6th and 7th. The young peoples council will have charge on Friday evening.

No evening services. We unite with our Methodist friends.

**METHODIST CHURCH NOTES.**

Souvenirs of the anniversary covering over a century of preaching by the early Methodists will be given to the congregation and community next Sabbath. We celebrate ninety years of the first church built.

The Rev. W. H. Phelps, D. D., editor of the Michigan Advocate, will deliver the address in the morning.

The subject will be the "Passing Years and the Increasing Christ."

At this service the Rev. J. E. Jacklin D. D., the oldest living pastor (1877) of this church will assist in the services, together with our district superintendent, the Rev. H. Adas Leeson, D. D.

The choir will render the special music and will be tested in academic robes which will have a uniform effect. The time of service will be 10:30 o'clock.

The Sabbath school will meet at the usual hour, 12:00 noon.

In the evening Rev. W. H. MacClenahan, D. D., secretary of the Educational Advance for Alumni college will give the address. The Northville Commandery Knights Templar, will attend the service in uniforms and escort the Chapter and the Master Masons to the center of the church auditorium being reserved for their accommodation. The sermon will be "The Master Word."

The public in the community are heartily welcomed by the pastor and his flock to be present at all of these services.

**S. P. L. LIBRARY CHURCH.** Next Sunday sarà in Germania, at 10:30 a.m. Celbration of reformation festival. Rev. Grover L. Diehl, D. D. (Congregationalist), will tell us why a factor was Martin Luther in the course of civilization in Europe and throughout the world that it is quite impossible to understand human progress without a clear knowledge of the principles and the movement that gathered about this extraordinary man.

Justification by faith the living, vital faith in the grace of God, the safe anchor of the Sacred Scriptures and the right to worship God according to the dictates of your own conscience as opposed to religious dogmatism of any sort—these were the great and soul-stirring truths for which the mighty Luther stood like an oak in the meadow defying every wind that blows.

Tonight the young people's society will give a Hallowe'en party at the school hall. The entertainment committee has prepared an interesting program. All members and friends of the congregation are cordially invited. Ladies will please bring some lunch.

Do not overlook the ad of the ladies' bazaar and dinner to be given at Foresters' hall next Thursday, November 6th. The sale will open in the afternoon and dinner will be served at 6:00 p.m. Dinner 50c; children, 25c. The Schnute orchestra will furnish music. A great assortment of needle and fancy work will be on sale. The "parcel post office" will prove a special attraction.

Pastor Elsfeldt has recuperated from the attack of grip and is in the house again.

The new residence of the pastor is on the northwest corner of Yerkes and Johnson streets, in Bealton.

**L. O. T. M. NOTES.**

Regular meeting of the lady Macabees next Monday night at 7:30 A.M.

Sord attendance is desired.

**OBITUARY.**

Deacon Donelson was born in Milford July 19, 1849, and passed on to his heavenly home October 17, 1924.

Mr. Donelson was a son of Rev. Ira W. Donelson, who was a minister of the Detroit conference. Mr. Donelson was united in marriage to Dorie Bathrick January 1st, 1879, and to this union two daughters were born, Harriett R. Donelson, who died June 13, 1911 and Mrs. O. J. Lyon of Flint.

Mr. Donelson was a life-long Methodist, a devoted husband and father, a good neighbor and a sterling Christian man.

In his grandfather's home Methodism was organized in the city of Milford one hundred years ago.

He only sleeps the years have passed that unto him were given.

His upward path has reached its height.

From which he stepped to heaven.

#### CULTIVATE A SMILE.

Do you want a life of sunshine, And a bright and pleasant way? Do you want the name "Good Fellow" From the folks you meet each day If you do, get ready for it. You will find the job worth while; Be an optimist and ever Cultivate a sunny smile.

Smiles are catching—more contagious Than the measles any day; And if you smile, then another Soon will fall into the way, Thus the world will be made brighter. Shorter'll be the longest mile Over which you're called to travel. If you cultivate a smile.

Display your flag next Tuesday Remember—vote next Tuesday.

Vote "No" on all the proposed amendments.

Let's have a 100 per cent vote for Northville township next Tuesday.

Keep Friday evening November 7th open for the American Legion ball.

Mr. and Mrs. F. S. Harmon spent the past week with relatives at Green-

ville. Do not overlook the annexation question when you go to the polls next Tuesday.

Be sure and vote "No" on the income tax amendment unless you want to bear the burden of additional taxes.

The Wayne High school foot ball team will come to Northville this afternoon for a game with the local eleven.

Enzeli's orchestra of Detroit will furnish music for the American Legion ball to be given next Friday night, November 7th.

Mr. and Mrs. Ed Lowden of Detroit and Mr. and Mrs. LaPorte of Belleville spent Sunday with Mr. and Mrs. A. K. Dolph.

Mr. G. S. Larned and wife of Battle Creek and Mr. and Mrs. Ethan Allen if Marshall were weekend guests of Mr. and Mrs. E. L. Larned.

The village schools were closed on Monday and Tuesday to permit the teachers to attend the state teachers' association meeting in Detroit.

You are invited to attend the Armistice Day ball to be given by the American Legion at the High school gym on the evening of November 7th.

There will be a free lecture on Christian Science at the Penniman-Allen theatre, Plymouth, this Friday evening, October 31st. All invited.

Milford business and professional men have organized an Exchange club.

Albert Hall, formerly of this place,

has been chosen secretary of the new organization.

Mr. and Mrs. Harry German and daughter motored to Prescott last week. They spent a few days in Ogemaw county about the lakes and woods, hunting.

A number of Northville people had the pleasure of hearing Maria Jeliza at Ann Arbor last Thursday evening as she opened her number on the Coorl's annual series of entertainments.

Mrs. Elizabeth Stellwagen of Wayne, democratic nominee for register of deeds for Wayne county, was a Northville visitor on Monday. See an announcement in today's Record.

The regular afternoon meeting of The King's Daughters will be held at the home of Miss Will Safford on Tuesday November 4th. The members will remember it is a donation party.

On November 15th there will be a civil service examination conducted in Northville for a clerk for the local post office. Application blanks may be secured from Mrs. Pearl Balch at the post office.

Rev. J. E. Jacklin, the eldest living pastor of the M. E. church of this village, will take part in the services on Sunday morning. He has just returned from a few weeks spent at Bay View. Mr. Jacklin was pastor here in 1877-9.

Mr. and Mrs. Harry B. Clark have purchased the Starkweather residence property on Main street through Mr. Johnson's agency. They contemplate making some improvements in the property and sometime they may occupy the residence themselves.

Mr. and Mrs. W. H. Cornish and Mr. and Mrs. Roy Cole left Tuesday morning for Florida, where they will spend the winter. They are making the journey by auto and will camp along the road. They expect to make their headquarters at Sutherland.

Northville people will do well to remember that a former Northville boy and business man, James L. Johnson of Plymouth, is a candidate for the legislature on the republican ticket, and that a vote cast for him is like supporting one of our own town citizens.

Some months ago the Highway Motor Bus Co. began the operation of a bus line between Ann Arbor and Detroit in opposition to the D. U. R. lines. Now the street railway company proposes to also establish a line of motor buses and the officers of the motor company are complaining of unfair competition.

Hundreds of automobiles passed through Northville last Saturday bearing their loads of foot ball fans to Ann Arbor. Michigan defeated Wisconsin to the tune of 21 to 0. Michigan still has to play Minnesota, Ohio State and Iowa. Iowa comes to Michigan, but the other two games are to be played away from home.

Mrs. Josephine Carr has gone to Williamston where she will spend the winter with her daughter, Mrs. Putnam.

The members of Northville's Masonic bodies have been invited to attend services at the M. E. church Sunday evening and the invitation has been accepted. Members are urged to be at the Masonic temple Sunday evening at seven o'clock sharp. Northville Commandery, Knights Templar, will act as escort from the hall to the church. This ought to be a big Masonic event and all members of the order residing in this section are urged to attend.

Tonight is Hallowe'en and the ghosts and numerous other things will doubtless walk. No one objects to the boys and girls having a good time, but they should be careful about destroying property. A crowd of boys began celebrating as early as Tuesday night and for three nights they raised the devil and destroyed some property, visited gardens and pulled up crops ready to harvest. Parents will do well to ascertain where their youngsters are spending their evenings.

#### SHERIFF WALTERS SPEAKS IN THE METHODIST CHURCH.

A good audience greeted Sheriff Walters on Sunday evening last which was "Prison Day" to be regarded as planned by the Detroit Council of churches.

The sheriff spoke very interestingly on his work. Its severity, its mercy, as well as its scenes of pathos was clearly described. It surprised us to know the great proportion of youth who are the law-breakers of our land. Very few the speaker said are confined to the jail over forty years of age, but a large percentage from under seventeen up. Most of these are robbers among young men who think it an easy and quick way of obtaining money. Those under seventeen are handed over to the juvenile courts where means are provided for special care.

The pastor in announcing his appreciation of Sheriff Walters' presence, remarked what a sheriff of a county once said when asked: What is the cause of so many young people being arrested? Is it booze? The answer was no. Obedience to parents. Thus it is. The home is responsible for the discipline and the moulding of the life and habits—and when not lived in the home by love, the state must rule by law.

#### BIZARRE AND CHICKEN PIE SUPPER.

The ladies of the M. E. church will hold their annual bazaar and chicken pie supper at Forester's hall on the evening of Armistice Day, when they will offer many pretty and useful articles in fancy and needle work and serve a chicken dinner for all who will enjoy. Keep the date in mind.

#### VOTE FOR ROY M. HERALD.

Roy M. Herald of Highland, who is well and favorably known to many people in this section, is a candidate for state senator on the republican ticket and he will appreciate the support of the electors of Northville. Herald is a lawyer and besides his very lucrative law practice has been interested in organizing his home and attending. He is a farmer by practice and occupation and successfully operates some large ones.

He is wide awake and aggressive and will make an able representative from this senatorial district and a worthy successor to Walter J. Haynes, who served at Lansing a number of years.

#### HUDSON WILL SUPPORT COOLIDGE.

Northville electors who give their votes to Hon. Gram M. Hudson, republican candidate for congress, on Tuesday next will be supporting a candidate who will support the policies of President Coolidge when he goes back to Washington. Mr. Hudson believes Mr. Coolidge is a safe and sane leader and one whom the people can trust to guide the affairs of the nation. He had made an efficient and able congressman during the past two years and he is deserving of the support of all who appreciate faithful public service.

**THE GOVERNOR OPPOSES INCOME TAX.**

Over at Flint a few nights ago Governor Alex J. Groesbeck discussed very candidly and fairly the several proposed amendments to the state con-

the voters of Michigan next Tuesday he expressed himself as being opposed to all four of the proposed amendments; and in discussing the income tax proposition he stated "For legal reasons alone it should not be ratified

because it is unnecessary for the purpose its promoters seek." Speaking as a lawyer, I repeat what I have said on other occasions that the legislature, in my opinion, already has the power to enact a state income tax. So an

amendment to the constitution for that purpose is not needed.

"The one now before you should be rejected for several reasons aside from the legal. It contemplates more taxes when already there is much complaint about too much taxes. More taxes would mean more public money to spend, when the great cry is for reduction of expenditures.

"The promoters of the amendment tell you that an income tax will hit only the well-to-do, when, as a matter-of-fact, it is our axiom that the ultimate consumer pays all taxes. It should be rejected because clumsily drawn; because it would disorganize and demoralize the primary school fund, and is diametrically opposed to our plan for future financing and building state roads, and; also because

seeks to establish the dangerous role of writing out details if legislation into the construction instead of leaving it to law-making bodies where it has always been!

No one in the state is better qualified to discuss these issues than is our hardworking and business-like governor, because he knows the affairs of Michigan better than any other man.

C. H. Bramble, overseer of the Michigan State Grange on Friday admitted that the proposed amendment was faulty and that still another amendment would have to be submitted in 1925.

Vote "No" on all of the proposed amendments.

**WAYNE HAS ADDED 64 MILES OF NEW HIGHWAY THIS SEASON.**

According to the 1924 budget of the Board of County Road Commissioners, the past year has shown marked progress in the improvement of Wayne county's roads. All past records of accomplishment have been broken during the 12 months, which has seen over 900,000 square yards of concrete roads laid, representing 65 miles of new roads and 14 miles of old concrete roads widened.

The demand is greater than ever for improved roads, the report says. Taking the automobile and truck traffic into account, Wayne county as a guide for the need of improved highways is said it will be almost impossible to keep up with the demand. In 1923 the automobile and truck registration was increased 42% over the previous year. The 1924 increase is 26%. The census figures are a definite indication of the general development of the

demands for improved roads. The old method of advertising an auction sale has been changed. In days past a lot of bills were posted along the country roads and in the village stores, mills, shoe shops and blacksmith shops. Today sales are advertised in newspapers, the same as groceries, dry goods or clothing.

To day has passed when you will stop your rig by the side of the road to read an auction bill, and your neighbors are just as busy as you are and most of them are traveling through the country just as rapidly. People look to their local newspapers for auction advertising today and if you have a successful sale you should secure a few bills and then print a good sized announcement in your local newspaper and in the newspapers of the surrounding towns. By this method you will cover your territory and the news of your approaching sale will be ready by all the people in the section in which the sale is to be held.

In the preparation of your copy for the sale we shall be glad to render all necessary assistance.

road system.

The estimated expenditure for 1925 is fixed at \$5,696,240 as compared to estimated receipts of \$5,701,000. Of the expenditures it is figured construction will require \$4,361,420, cost of right of way will amount to \$960,000 and maintenance of roads and bridges will cost \$375,600. To offset these amounts the estimated one mill county road tax is figured to bring \$2,665,000, automobile tax \$2,000,000, state road receipts \$676,000, bridge and grade separation receipts \$330,000, and bridge rental \$30,000.

It is estimated road and bridge construction will take up the greatest amount of the expenditures. The amount needed for roads is estimated at \$3,265,240. This includes work on the Plymouth, Six Mile, Seven Mile, Treman, Waltz, Warren and Van Dyke roads. New bridges will require an outlay of \$228,600, and grade separations about \$688,000. Right of way over the roads will cost \$960,000, it is estimated.

The cost of road maintenance is small compared to the cost of right of way and construction. Maintenance cost is expected to amount to \$375,600. Of this \$300,000 is to be used for grading, drainage, guard rail, tarring and pitching, resurfacing gravel roads, dust laying, markers and signs, snow removal, etc. Bridge operations and maintenance including machinery, repair, power, drainage, etc. is expected to consume the other \$75,000. The \$860,000 estimated cost for right of way includes the Grand River, Michigan, Allen, River and Gratiot roads. —Detroit News.

**Washington:**

"I have often expressed my sentiments that every man conducting himself as a good citizen and being accountable to God alone for his religious opinions ought to be protected in worshipping the Deity according to the dictates of his own conscience."

**Jefferson:**

"I have considered religion as a matter between every man and his Maker, in which no other, and far less the public, has a right to interfere."

**Lincoln:**

"If you have been inclined to believe that all men are not created equal in those inalienable rights enumerated by our charter of liberty; let me entreat you to come back! Return to the fountain whose waters spring close by the blood of the Revolution."

**Roosevelt:**

"The good citizen will demand liberty for himself, and as a matter of pride he will see to it that others receive the liberty which he thus claims as his own."

**T**HERE is one thing more important than great cities and rich farms. It is the American Spirit. It is the spirit that threw off the shackles of tyranny and gave birth to the Republic.

The Spirit of America is the Spirit of Liberty. America without Liberty would not be America at all.

The founders of this Republic recognized the importance of Liberty when they laid the foundations of our present greatness.

The Constitution of the United States guarantees Freedom of Speech, Press, Religion and — EDUCATION.

This Freedom is now being challenged by an effort to abolish all private and church schools.

The School Amendment is contrary to the Spirit of America.

It will not be approved by any man or woman who loves America and its ideals.

### Wixom Whispers.

Mr. and Mrs. Frank McDonald were recent Detroit visitors.

J. B. Gow of Royal Oak was visiting his sister, Mrs. Sarah Pattan, last week.

The first number of the lecture course was Wednesday evening of this week.

Rev. and Mrs. H. J. Thibaut spent Monday at Hillsdale visiting their daughter, Gladys.

Mr. and Mrs. D. E. Lehman and son of Saginaw were at the Gillick home for the week-end.

Mr. and Mrs. R. B. Cummings of Detroit were guests Sunday at the Chambers' home.

Farmers are very busy in this neighborhood with their apple packing and potato digging.

Mrs. Clara Woodworth spent part of last week at the home of her brother-in-law, Mark Baughn.

Mr. and Mrs. Bernard Kuson and daughters visited relatives at Royal Oak Saturday afternoon.

Mrs. Bertha Canfield was taken seriously ill Sunday and is under the care of Dr. Grant of Milford.

Mr. and Mrs. William Price and son, Leon of Perry, attended church services here Sunday morning.

Harold Rocker has gone to Lansing where he will take a special four month's course at the M. A. C. School was closed Monday and Tuesday so the teachers could attend the teachers' association of Detroit.

Mr. and Mrs. Newton Schermernhorn and Mrs. Nettie Martin were callers Sunday afternoon at Northville and South Lyon.

Mr. and Mrs. Earl Woodworth, Miss Ruth Porter and John Porter were at Hudson last week to attend the funeral of their son and brother-in-law, Dr. Dibble.

### Walled Lake Warbles.

Falling off the "teeter" at the school play grounds one day last week Master Arthur Harris had the misfortune to break two bones in his elbow.

Walled Lake people are commencing their journeys to the southland. During the past week Mr. and Mrs. Burr Tattler and Mr. and Mrs. Frank Carpenter have departed for St. Petersburg and Mr. and Mrs. Henry Thompson for Miami.

Some good fishing has been enjoyed about the lake during the past few weeks. James Dubmar of Northville had the good fortune to land a ten pound fish last Friday. Upon previous occasions he had caught some handsome bass.

### SOCIALISM KNOCKS BUSINESS.

A late issue of Collier's contains an article by a "Noted New York Journalist" which represents the attitude of all yellow and red theorists against business in general.

There is a large group of so-called editors, writers, college professors and highbrow theorists who actually look with contempt and feelings of pity upon the business men of our country, large and small.

They have a deep feeling of sorrow that the business man, from the manager of a boot black stand to an international railroad, cannot get over being a business man, thinking business and talking business.

There is a special regret that all the public affairs of our country cannot be turned over bodily to this great group of well-meaning theorists and reformers who take themselves very seriously.

They denounce business men as slaves of the dollar and broadly say, "all that matters is human beings and their welfare," and go so far as to assert that business men behind the payrolls and industries are all robbers and public enemies.

Great abundance of this kind of talk can only lead the people of the most prosperous country in the world into quagmire of paternalism, socialism, communism and radicalism, all emanating in the spectacle of soup houses and bread lines for the wage earners.

The simple fact remains and is becoming well understood by the American people, that business efficiency, generally speaking, in all lines is 100% more efficient than political management and abstract theorizing.

### MAMMOTH PREPARATION FOR TWENTY-FIFTH "INTERNATIONAL" SHOW.

The management of the International Live Stock Exposition is making great preparations for the staging of the quarter-centennial celebration of this world-famous educational institution at the Chicago Union Stock Yards November 29th to December 6th. From advance indications, this will be the largest gathering of the agricultural interests of America ever brought together and many special occasions will mark this history-making event.

Every one interested in any way in the basic industry should make a special effort to attend this great round-up of the agrarian resources of the continent and enjoy a week of pleasure and profit at the metropolis.

## RED CROSS ROLL CALL.

The annual Red Cross roll call for Northville village and township will be conducted next week and plans are now being perfected by those in charge of the drive. For some years past Northville has not responded to this call in manner to compare with many other communities and it is desired that this year the response shall be more general and more liberal. A number of Northville ladies will make the can-ass and will endeavor to call upon every home, but if any one should be overlooked they may hand their membership fee of \$1.00 to either of the local banks.

From each \$1.00 membership fee 25¢ is left here with the local committee, 25¢ goes into the fund for Wayne county and 50¢ goes into the treasury of the National Red Cross; so his matter becomes a local cause to a very large degree. The national organization is ready to go on a moment's notice anywhere in the whole wide world where there is suffering or need.

When Japan was struck a representative of the Red Cross was on the ground within a very few hours with supplies and food when our neighboring city of Lorain was wrecked last fall the great trucks of the Red Cross were started toward that stricken section and before midnight food and milk were being supplied to the children and the little ones whose supper had been destroyed by the cyclone. In other words the American Red Cross is your personal representative, ready and equipped to go where you cannot and ready and willing to render a service you would willingly render if it was possible for you to do so.

In most homes the local solicitors have been received courteously, but in some they have been shamefully treated. If you cannot afford to contribute at least one membership you can at least refuse in a manner that will not bring humiliation to the voted women of our community who are giving freely of their time for this worthy and humane cause.

We can never tell just where the next disaster will take its toll. Thousands of communities can testify with thanksgiving to the promptness and thoroughness of Red Cross assistance. Hundreds of thousands of individuals can do the same. In every state there are sections singing the praise of this organization's relief work.

Floods, fires, pestilence, earthquakes and other sudden catastrophes precede the Red Cross' relief. If our community should be subjected to a great scourge how glad would we be to see the small Red Cross emblem. But just as the affliction precedes the relief so must your dollar and ours precede the dollar. Without your support throughout the entire country the great beneficent work of the Red Cross cannot continue.

## Novi News

Mrs. Foley is giving a Holloween birthday party for her daughter, Marguerite, at the Gaffney hotel, this Friday evening.

Tuesday guests at the Tyler home were Mr. and Mrs. Mussin and children and Rev. and Mrs. Wacter and children of Detroit.

Rev. O. J. Lyon, wife and son, who were called here from Flint by the illness of Mrs. Lyon's father, D. Donelson, returned home last Saturday.

Mrs. Russell Montgomery (Name Mojejski Flint) and little infant daughter of Ros. City, have been visiting at the L. B. Flint home.

Novi is well represented in the different schools and colleges this year. Miss Helen Newbound is at the Pontiac Business college; Miss Irene Yoeran at Ypsilanti; Miss Bernadine Ver Duyn at Lansing; Miss Lucy and Tom Banks at Detroit University.

## TO DISCUSS CLUB PROBLEMS.

There will be a meeting Saturday, November 1st, from 9:30 a. m. until 12 m. in the Wayne High school of all teachers interested in or expecting to carry on club work in their schools this year. Miss Sylvia Wixson, assistant state club leader, will be present and the club problems and plans for this year's work will be discussed.

LOIS M. CORBETT,  
Home Demonstration Agent.

Mr. and Mrs. Arthur Power and children are now nicely settled in their newly purchased home on North Oakley street, Saginaw.

George Merritt returned to his home at Northville last Friday, after a week at the home of his nephew, Arthur Matthews—South Lyon Herald.

## PRESIDENT DOLPH ENDORSES ANNEXATION.

Oakwood subdivision should be a part of the village of Northville. The district is desirable for residence purposes and is a natural part of the northside residential section.

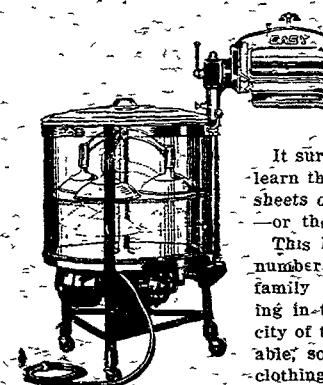

Novi township has much to gain by voting for the admission of this subdivision. A further expansion of Oakwood will add values to their tax rolls. An increase of building is doubtful unless it is a part of Northville.

Northville gains in two ways by having this added territory. The principle gain is through the school district as every addition will build up the assessment roll for an already small district territory. The new values would also benefit the village taxes.

As the new territory will be valuable in every way a favorable vote next Tuesday will bring benefits to two townships and the local school district.

I think it is a wise move.  
CHARLES A. DOLPH.  
Village President.

## TEN SHEETS AT ONE TIME

It surprises most women when they learn that the EASY washes 10 single sheets or 8 double-sheets at one time—or the equivalent in other clothes.

This large capacity means a fewer number of tubs for the average family washing—and amateur saving in time and energy. The capacity of the EASY is, of course, adjustable, so that a smaller amount of clothing can be washed just as well.

We'll be glad to show you how much time the EASY will save in doing your own family washing.
